Telethon results

The Wayne Jaycees collected over \$1,000 for the Jerry Lewis Muscular Dystrophy Telethon. Phone pledges totaled \$808 and the fish bowl amount collected was over \$200 — with \$141 of the fish bowl money collected door-to-door by Julie Milliken and Amy Ehrhardt.

Thanks went to Ken Kwapowski and Godfather's Pizza for making Wayne's largest pizza and for use of Godfather's as the pledge center; to Ken Berglund for the telephone hook-up; Kaup's TV for the use of the TV during the Telethon; and Daylight Donuts for the donated donuts.

Weatherize

Goldenrod Hills Community Action Council has received the additional \$193,372 awarded by Gov. Kay Orr to the Nebraska Energy Office for the weatherization program. Also received was another \$30,000 in additional low-income energy assistance program funds for weatherizing homes.

Weatherizing is a year-round program and does include owned and rented homes. Mobile homes and apartments are also eligible if the resident is within the 125 percent income guidelines. There is no cost to the tenant or homeowner.

For the Wayne area, please call Gene Dunklau at 375-1808 or contact Goldenrod Hills central office at Wisner, 529-3513.

Paper drive

A Boy Scout Paper Drive will take place on Saturday, Sept. 12.

Papers need to be bundled and on the curb by 8:30 a.m.

School night

School Night for the Cub Scouts will take place Thursday, Sept. 10 at 7 p.m. at the West Elementary School for boys in grades 1-5 and their parents.

For more information, contact Chuck Ruttenbeck, 375-3155; Sandra Metz, 375-3181; and Larry Wetberg, 585-4527.

Items needed

Members of the Wayne County Historical Society Winside Museum Committee would appreciate any donations of crafts, apple products or apple baked goods that anyone can donate for the "Apple Festival" they are sponsoring Saturday, Sept. 12 from 9 a.m. to noon at the Winside City Auditorium.

All funds will be used in the establishment of the Theophilus Church as a museum, which was moved into Winside in June of this year.

It is hoped to have the project completed sometime next summer.

Contact Mrs. Veryl Jackson, fund-raising chairman, at 286-4544 for donations of Apple Festival items.

Road watch

Work is scheduled to begin next Monday, Sept. 14 on Highway 98, beginning 1 1/2 miles east of the Highway 81 junction and running east for four miles.

Caspers Construction Company of Beatrice has the \$72,173 contract for concrete pavement repair. Work is scheduled to be completed in October. Traffic will be maintained.

Bids accepted on water projects

By Chuck Hackenmiller

Managing Editor

An Omaha firm and a Sergeant Bluff company got the city of Wayne's business in the construction of a water main extension in the city limits, and the construction of a new well on a well field site located north outside of Wayne.

Bid openings on two projects were completed during the city council meeting Tuesday evening — one being the water main improvement from 14th Street to Sunnyview and the other on water main and well improvements for new municipal well number nine.

Layne Western Company of Omaha submitted the lowest of the three bids for the construction of the well — \$43,461.75. That bid was almost \$52,148 less than the estimate provided by the engineering firm of Howard R. Green Company of Spirit Lake, Iowa.

Cecil Coombs of the Howard R. Green Company said the estimate

was based on costs of previous jobs or from calls to contractors. He said the estimate is usually 10 to 20 percent higher at the most than the submitted bids.

Coombs said the low bidding was "a shock to me."

"I didn't feel that the bids would go that low at all," he mentioned.

However, the bids on the water main extension from 14th Street to Sunnyview Drive were about normal, he said.

THE ENGINEER'S estimated cost for the project was \$31,500. Lessard Contracting of Sergeant Bluff, Iowa was awarded the project by the city council, after submitting the low bid of \$24,650.50.

Three other companies submitted bids on the water main extension work.

In other action, the city council approved four ordinances updating the city's municipal code to conform with state statute.

The first ordinance, 87-22, amending a section in relation to parking, calls for a change in the language, but no change in the parking laws.

Another ordinance will allow land adjacent to a municipality to be included in an improvement district. And the third ordinance will provide for the creation of a special improvement district to allow the governing body the power to assess properties especially benefited from the improvements.

The last ordinance passed by the council deals with All-Terrain Vehicles (ATV) and updating the laws to conform with state statutes.

The ATV's may not be operated on a public street, road or highway unless the operation is incidental to the vehicle's use for agricultural purposes. Operation is restricted to the hours between sunrise and sunset and a valid motor vehicle operator's license or Farm Husbandry Permit is required.

Input sought in president search

People who would like to contribute some input on the selection of the next president of Wayne State College will be given an opportunity to do so in the upcoming weeks.

Several people have been asking how they might participate in the screening and selection process of the future Wayne State president, according to Richard Bringelson, executive officer of the Board of Trustees of the Nebraska State Col-

leges.

Board of Trustee members who are on the President Selection Committee are Tom Morrissey of Tecumseh as chairman, Gretchen Hirschbach of South Sioux City, Celann LaGrec of Omaha and Pete Kotsiopolus of Kearney (as ex-officio).

In a memo sent to Wayne State College faculty, staff and students — and to friends of Wayne State College — the presidential selection committee

has stated that "the first step in the selection of a president is to build the model or the profile of the new president."

THE PRESIDENTIAL committee asks that those who are interested in submitting input should answer three questions in writing. Those questions are:

— What is the "current status" of

Tax levy figure unofficially lower for school district

By Chuck Hackenmiller

Managing Editor

An "unofficial" report prepared by the administrative staff at Wayne-Carroll School District No. 17 shows a tax levy decline from a year ago.

During Tuesday night's regular meeting of the Wayne-Carroll Board of Education, Superintendent Francis Haun presented figures which showed a 1987-88 total actual valuation increase and a tax levy decrease from last year's amounts.

The total unofficial levy for the school district will be \$1,379.2 per \$100 valuation. The 1986-87 tax levy was \$1,409.7 per \$100 valuation. This year's levy is also lower than the levies of 1985-86 and 1984-85, according to information provided by Haun.

Total valuation in the school district (which includes some of Dixon County valuation) for 1987-88 was \$16,413,610, compared to last year's total of \$110,611,265.

Actual valuation in real estate for city and village (for portions of the school district in Wayne County) declined by about 1 percent to \$65,092,880, according to the unofficial statistics. Real estate for farm in the county also dropped by about 1.5 percent to \$26,756,870.

A decrease in actual valuation were also noted in public utilities (railroads, telephone, gas, etc.) in the district within Wayne County, by about 4.5 percent, to \$3,455,255.

However, increases within the school district valuations in Wayne County were recorded in automobiles (up 12.8 percent to \$9,581,250); other tangible personal property for city and village (up 3.8 percent to \$2,491,465); and other tangible personal property (up 109 percent to \$5,536,285).

The total Wayne County valuation for the Wayne-Carroll School District increased about 2.5 percent.

TOTAL DIXON County valuation for property within the school

district, which includes public utilities, real estate, motor vehicle and personal property, increased about 5.2 percent. The greatest increase in Dixon County was in real estate, where the valuation leaped from \$445,805 to \$3,279,040.

In other action Tuesday evening, the board of education has decided to reorganize the Sensitive Issues Committee, first established in 1978. The issues committee had been inactive in the school district for at least two years, according to Superintendent Haun.

People recommended by the board of education to serve on the issues committee will be announced at next month's school board meeting.

Haun said the Sensitive Issues Committee serve a useful function in passing on information to the board and give input to the school's curriculum. "When the committee was initially organized, they met on a regular basis," said Haun.

FOR INSTANCE, the committee reviewed the family living course which had dealt with sex education, a sensitive issue in those years, mentioned Haun.

"Now there is a curriculum on AIDS. We may want to involve the committee on that," Haun said.

The board of education set the date of Thursday evening, Sept. 24, as the Elementary and Middle School Open House.

Also, Haun reported that the enrollment in the school district for the 1987-88 year has increased since the figures were reported in The Wayne Herald after the first day of school.

School district total enrollment grew from the 828 students originally reported to 835 students, still 13 more students than the previous school year.

Totals remained the same in the elementary and grades 5-8 level. Increases were recorded in the freshmen and senior class.

For community service

Winside honors Eckert

Peggy Eckert is the recipient of this year's Winside Community Service Award.

Eckert received the honor during a special ceremony Sunday afternoon. She was presented an engraved traveling plaque by Pat Miller, and a check donated by residents of the community when they voted for the outstanding citizen of their choice.

MISS ECKERT has been a Girl Scout leader for the past seven years and is currently the key resource person in Winside for the Prairie Hills Girl Scout Council.

She served as chairman of District Brownie Adventure Day in 1986 at Winside High School, with 300 Brownies in attendance.

Eckert also has served as leader of the Trinity Lutheran Church youth group for the past three years and as a Sunday school teacher for seven years.

She took two area girls to the National Christian Youth Congress at Estes Park this summer and while there also sponsored two girls from Connecticut.

She also teaches summer Bible school and serves as Sunday school secretary among other responsibilities at Trinity Lutheran Church.

Eckert, 36, also worked on the Nuclear Waste Dump Site Committee. She is a lifelong resident of the Winside area.

To Wayne-Carroll High School

Energy grant awarded

By Chuck Hackenmiller

Managing Editor

Wayne-Carroll Public Schools will be the recipient of a \$12,495 energy conservation grant for an upcoming roof replacement project at the high school.

Announcement of the grant, awarded by the United States Department of Energy, was made last week by U.S. Senator Jim Exon and Congressman Doug Bereuter.

A total of 25 schools and hospitals in Nebraska were awarded up to \$342,794 for 28 energy conservation grants. Six institutions in Bereuter's First Congressional District will receive \$67,253 in grants for conservation projects to improve their energy efficiency. Getting a share of that will be the Wayne-Carroll School District.

Superintendent Francis Haun said Tuesday the \$12,495 federal energy conservation grant will partially

finance insulation costs when the leaking sections of the pitch and tar roof are replaced above the high school east wing and gymnasium area.

"We're glad to get it. A grant is money that we won't have to pay back," mentioned Haun.

The grant received by the school will be matched by non-federal funds, used to finance the remaining cost of the insulation installation.

Haun said the remaining funding for the insulation will come from the Nebraska Energy Office through the no interest Energy Loan Program. He said it appears that the school district will also be able to borrow additional funding to cover the cost of removing the old roof and installing the new roof.

Payback would be through the energy savings accumulated in a

Special window display

Wayne County Chapter 28 of the Disabled American Veterans and its Auxiliary have constructed a window display in Wall-to-Wall Decorating, commemorating the Bicentennial of the U.S. Constitution on Sept. 17.

"We hope others will also join in commemorating this historical event, and in reaffirming our commitment to the Constitution," said a DAV spokesperson.

"Every American has just cause to celebrate the 200th birthday of our Constitution. It's more than a single event. It's an opportunity to learn more about our system of government, to remember the origins of our freedom, and also to pay tribute to the document that produced a way of life envied the world over," said the spokesperson.

A Mayor's Proclamation, signed by Wayne Mayor Wayne Marsh, proclaims Sept. 17 as U.S. Constitution Day, which announces his intention to appoint a non-partisan committee to plan proper and appealing activities and programs by which all citizens can participate in celebrating and commemorating Constitution Day and other dates and events.

The proclamation says the Bicentennial offers the opportunity for the American people to rededicate themselves to the great principles that have formed the basis for national strength and prosperity; and that no group of Americans has paid a higher price in defense of the rights and freedoms embodied in the Constitution than this nation's wartime disabled veterans.

"The one million members of the Disabled American Veterans and 120,000 members of the DAV Auxiliary seek the aid of our citizens in creating a better understanding and appreciation of our Constitution in all Americans, and seek to reaffirm the importance of disabled veterans in the formation and maintenance of our Constitution as a "Living Constitution."

Aging process

A weekend course on problems of the elderly is being offered by the Extended Campus Office of Wayne State College.

The Aging Process (CSL 394, 596) will be held at Wayne State Sept. 18, 19, and 20. The course is offered for both undergraduate and graduate credit.

Topics covered in the course include counseling with the elderly and their families, the consequences of Alzheimers, alcohol and drug dependencies and elder abuse. Karen Thies, M.S.W., of Greeley, Colorado, is the course instructor.

For more information or to register, contact the Extended Campus Office at (402) 375-2200 extension 217.

Constitutional issues forum

A forum addressing issues of the Constitution will be held Friday, Sept. 11 at 1 p.m. in the Nebraska Room of The Student Center at Wayne State College.

The forum, entitled, "Two Centuries Later: Current Threats to Liberty," is being co-sponsored by Wayne State's Social Sciences Division and the Nebraska Civil Liberties Union.

Dr. Kent Blaser, division head of Social Sciences, Joan Sudmann, Sam Walker, professor of Criminal Justice at the University of Nebraska-Omaha, and David Moshman, associate professor of Educational Psychology at the University of Nebraska will participate in the forum. The forum program features two parts: Walker will present "Hysteria Over Aids: A Threat to Privacy?" with Moshman speaking on "Intellectual Freedom in Public Schools."

Questions and a discussion period will follow the presentations. The forum is free and open to the public.

Historical Society to meet

The Wayne County Historical Society will meet Tuesday, Sept. 15 at 7:30 p.m. at the museum in Wayne.

The treasurer reports that some museum plates and Wayne County History books remain for sale. Only a few individuals expressed an interest in the proposed reprint of the 1938 Wayne County History.

Plans are being made for the Home Tour on October 18. This will be a Sunday afternoon touring visit to four historical Wayne homes and refreshments at the museum.

NSSA motto announced

The Board of Directors of the Nebraska State Student Association (NSSA) has announced the organizations motto for the 1987-88 school year, "Higher Education... An Investment In Nebraska's Future." According to Mike McMorrow, the Chairman of the NSSA Board of Directors, "The theme was chosen to promote the organizations basic mission."

Founded in July 1981, the NSSA is a non-profit, non-partisan, statewide organization of students from Nebraska's four year state supported institutions of higher education. The current membership includes the students from Peru State College, University of Nebraska-Omaha, Wayne State College, and Chadron State College. The statewide office of the NSSA is at 814 Nebraska in Wayne.

The primary goal of the NSSA is to promote quality, accessible, public higher education for all citizens of the state. To accomplish this, the NSSA seeks awareness and participation among students in the governmental decision making process that affects their lives.

Ruwe attending Ohio State

Pam Ruwe, daughter of Harlan and Beverly Ruwe of Wayne, will begin work in September on her master of science degree at Ohio State University in Columbus.

Ruwe will have an assistantship with Dr. Tim Ramsay in the animal science department, studying swine physiology/growth biotechnology. She would like to work for an animal pharmaceutical company in research/development.

A 1983 graduate of Wayne-Carroll High School, Ruwe attended Wayne State College for two years and the University of Nebraska-Lincoln for two years, earning her bachelor of science degree in 1987. She was employed for one and a half years in the animal science department.

In Cornhusker marching band

Paula Koplin of Wayne recently auditioned and was chosen a member of the Cornhusker Marching Band at the University of Nebraska-Lincoln. Koplin is in the percussion section.

The "Marching Red," under the direction of Dr. Robert A. Fought and Jay Kloecker, is spending this week preparing for the fall season with five rehearsals per day.

To cap the week of rehearsals, the band will give a performance in Memorial Stadium on Friday, Aug. 21 at 7 p.m. The performance, featuring the new pre-game show, is free and open to the public.

Business Notes

Richard Sorensen

Local resident Richard L. Sorensen played a key role recently in the presentation and evaluation of promotion, research and information programs for red meat, which are being carried out by the National Live Stock and Meat Board. The programs were presented at the 65th annual meeting of the Meat Board in Portland, Ore., Aug. 24-25.

Sorensen, a meat industry representative from Wayne, has served as a Meat Board director since 1983. Sorensen's previous work in industry and trade organizations has established his reputation as a spokesman for local livestock and meat interests.

The National Live Stock and Meat Board is an industry-wide coalition of the livestock and meat industry organized into three divisions: Beef Industry Council, Pork Industry Group and Lamb Committee. The Meat Board has worked to build consumer dollar demand for red meat through industry checkoffs since 1922.

Grandparent class to be offered

Training programs are necessary to become pilots, secretaries and computer operators, but who ever heard of a training program to become grandparents. Really "good" grandparents can be beneficial to three generations or more - the grandparents themselves, their children and their grandchildren.

Home Extension Clubs in Dixon County will be studying the lesson "Being A Grand Parent" during September and October. The lesson may appear to be especially for those who are grandparents now, however, it is equally relevant to parents who anticipate being a GRAND parent in the future.

Lang will be discussing guidelines for "successful" grandparenting, exploring strategies and overcoming obstacles, and having fun with grandchildren. Leaders from non-Extension groups are asked to call the Dixon County Extension Office (584-2234) to express their intent to attend the training so lesson packets can be prepared in advance. There is no charge for the training or the lesson materials.

A Real Help to Your Family If You Were To Die Unexpectedly.

SAFEGUARD VITAL PAPERS

COLLECT your important personal papers; list them and store in a fire-proof box. Tell at least 2 people where you put it for opening after your death.

These include your will, social security and veteran papers, insurance policies, contracts, tax returns, etc., some of which should never be in a safety deposit box.

You'll feel much better once this is done.

Bartering agreement nearing

Rob Robertson Takes Over As District Manager
 Rob Robertson, who has been my Legislative Assistant handling agricultural, environmental and transportation matters in the Washington office since August of 1985, will take over as District Representative and Office Manager on September 1.

Rob grew up in Roca on his family's farm. He graduated from the University of Nebraska-Lincoln, where he majored in Agricultural Economics. His experience on the farm and working with agricultural issues in Washington will provide him with a good background for the work ahead.

USDA Action Unfair to Farmer-Feeders
 I was disappointed to learn that USDA did not choose to allow farmer-feeders to place wet-processed corn or corn silage in a CCC price support crop loan program. I do appreciate the allowances which were made to allow CCC loans on high moisture corn under some circumstances, basically corn produced by cash grain farmers and sold to commercial feed lots. However, I believe that it is very unfair that the farmer-feeder cannot avail himself of this opportunity.

I have written to Agriculture Secretary Richard Lyng to urge him to reconsider his decision in light of the unfair impact it has had on the farmer-feeders in Nebraska and throughout the nation.

Barter Agreement is Closer
 The Department of Agriculture and the Department of Energy have formally agreed to pursue opportunities to trade surplus U.S. agricultural commodities for crude oil for the Strategic Petroleum Reserve. The USDA and the DOE have reviewed and identified a group of countries that produce crude oil that meet the specifications of the Strategic Petroleum Reserve and that are experiencing food and currency reserve shortages.

At a July 1 hearing held by the House of Foreign Affairs International Policy and Trade Subcommittee, I chastised Administration witnesses for dragging their feet in implementing the barter provisions of the 1985 Farm Bill. I pointed out that Mexico was, and still is, ideally suited to be a partner in barter arrangements because it is both a supplier of crude oil and a traditionally large market for U.S. agricultural products.

In the past I have discussed the pilot barter programs with several departments in the Administration, including the USDA, DOE, the Department of State, and the Office of Management and Budget. The USDA announcement represents progress by the Administration in implementing the barter provisions of the 1985 Farm Bill.

Celebrating the Constitution

The following was written by Donald V. Zeiss, principal at Wayne-Carroll High School.

Two hundred years ago, over the course of a hot, wet spring and summer, 55 prominent men from 12 of the 13 states straggled into Philadelphia. Some of them were names that today are well known to every American — Benjamin Franklin, George Washington, James Madison — while others remained more obscure.

They came to Philadelphia bent on repairing a form of government that wasn't working very well. The Articles of Confederation that bound the original 13 states into a loosely-knit federation were not respected by foreign countries or by the states they supposedly governed. The Articles simply did not create a central government strong enough to unify the fiercely independent states.

A few of the delegates arrived fired with a sense of purpose that went far beyond amending the Articles of Confederation. Men such as James Madison and Alexander Hamilton came to Philadelphia determined to seize this opportunity to create a great new nation.

ALTHOUGH THEY met with opposition from those who feared that a strong central government would merely duplicate the tyranny they had shaken off in the War for Independence, the visionaries prevailed. In September, 1787, the Constitution of the United States of America was signed. More opposition followed the signing, but within a few months

the Constitution was ratified by the nine states necessary to make it the law of the land. By 1790, all 13 states had ratified the Constitution.

This was the birth of the United States of America as we know it today. The Constitution, although amended, has endured for 200 years, governing a people who hold opportunity and equality as their highest values.

As Franklin Delano Roosevelt said in his first inaugural address in 1933, "Our Constitution is so simple and practical that it is possible always to meet extraordinary needs by changes in emphasis and arrangement without loss of essential form."

It is easy now to take this remarkable document for granted. But to know the history of the Constitution is to be reminded of what an amazing accomplishment it is. Amazing, too, were the men who created the document and who "sold" it to a populace that had just thrown off the tyranny of Britain's rule and were afraid of replacing it with a new government that might be just as oppressive.

BUT — AT times when our own leaders seem only too human — it is good, too, to remember that the creators of the Constitution were human as well. The making of the Constitution was not without its moments of shame — such as its tolerance of slavery. Political deals were cut, mud was slung and the sarcasm must have been fierce.

For example, when Benjamin Franklin suggested that a clergyman

opened each session with a prayer, as a way of cooling tempers, Alexander Hamilton reportedly snapped that the convention could transact its business "without the necessity of bringing in foreign aid." Nor did the delegates always display a sense of responsibility: they ran up the first national debt with no means whatsoever to pay it. (The convention's printing bill was not paid until six years after the Constitution was signed.)

Still, despite their human frailties, these sweating, often profane, highly-political men rose to their moment in history, creating one of the most remarkable documents that the world had known.

Students in the Wayne Schools will be making a special study of the Constitution this year, as part of the nationwide Bicentennial Celebration. U.S. Constitution Week is scheduled Sept. 13-19.

ALL CITIZENS should take this opportunity to re-read the Constitution, the Bill of Rights, and perhaps some of the history of its making. Discuss with your children and your friends and colleagues the meaning of this document and how it relates to our country today — to such events as, for example, next year's Presidential election.

During the Bicentennial celebration, there will be renewed nationwide awareness of our roots as a nation and of the meaning of our citizenship. What better time to take a close look at where we have been — and where we are going?

'Hacken' Away

by Chuck Hackenmiller

Often this column editorializes on ruthless vandalism acts. But when it hits close to home — if really hurts. Boy does it make me mad!

Maybe it was someone who didn't want their name in the county court news. Perhaps it was one of those who had their names not spelled correctly in an article.

But the person who did this act of crime certainly was low to do it to my family. How could anyone do something so hideous and unforgivable?

One night while the family was sleeping, somebody had the nerve to plant some zucchini in our garden. That's right! Zucchini! The evidence is growing in my garden. How could they do this? How else could it get there? How did they know that I despise zucchini?

They should get 10 years in jail. We certainly didn't plant the stuff. It multiplies. It takes up space.

Somehow the wild zucchini has taken over the confines of the other garden crops and is slowly climbing to the roof of my neighbor's garage. I've had to post up signs that say: "Beware. Wild Zucchini."

It tests the will of my wife who must find 150 ways to use up the stuff. I have nightmares of zucchini in bread and jellies, in casseroles, in meatloaf and pretty soon it will probably be used for ice cream topping.

At least with cucumbers, a person can make them taste respectable. If people are always hiding the taste of zucchini, then why do they grow it in the first place.

Yes, contrary to other beliefs, there is truth to the fact that man does not live on zucchini alone. There is life after zucchini. I promise!

There's always the chance that the two zucchini plants were a volunteer, a seed-scattered by some bird from out of the blue. We found no footprints in the garden that day. So I can accept that, I think.

But next time, if someone is trying to get even, please, I beg you to plant tomatoes, onions — no cukes — squash, beans. But my word, anything but zucchini!

Long ago, zucchini wasn't even a household word. Now it is on the lips of everyone who fears that the garden substance will spread — like an Asian Flu bug or a bad cold. Be real men don't eat quiche, do they eat zucchini?

Is there anyone out there who thoroughly enjoys "clowning around"? Better take note, because there's an opportunity of a lifetime. Bozo (created by Larry Harmon) is the world's premier television clown.

But when it comes to "getting his act together", the Bozo we know, and our children most certainly appreciate, is also becoming a promoter in a big way — he's signed 150 new Bozo-licensed products, a string of new Bozo TV markets that includes Honolulu, and a host of Bozo-related undertakings including the debut of the world's first animated telephone in the likeness of Bozo.

He's created too many jobs for himself. In fact, And that's why there will be the first-ever open auditions for would-be Bozos on Sept. 30 in Hollywood.

Applications are already coming in. Some 350 people have submitted resumes representing a variety of professions: nurse, dentist, retired military officer or undertaker. Some 183 individuals, in both the U.S. and foreign territories, have portrayed "the world's most famous clown" since the orange-haired, red-nosed clown character bowed on television 37 years ago.

They say Bozo's character is being rediscovered and that "Bozomania" is returning.

Yep, ahead there's "Bozostuffs" which is a Bozo family of 10 contemporary clown characters: an animated "Bozo for President" television special for 1988; and Bozo designs for "yuppies" called Boz'Art.

Those aspiring to be Bozo should send a resume and photo to Larry Harmon Pictures Corp., 650 N. Bronson Ave., Los Angeles, CA 90004.

Ask A Lawyer
 A public service of the Nebraska State Bar Association.

Q. After a divorce, do the parties have to keep the court, or each other, informed any time they change addresses? It is impossible to have child visitation because my ex-wife keeps moving without telling me.

A. Your ex-wife can be required to keep the court apprised of her address, since she is the subject of an ongoing order which the court has the power to enforce.

Q. You are legally entitled to visit your children; it is up to your ex-wife to conform her actions to the court order. Consult your attorney about filing a motion stating that your ex-wife has unreasonably withheld visitation or interfered with the exercise of the court order. The court can then use its contempt power to enforce its visitation order on your behalf. As part of the order, the court may require you or your ex-wife to give security (post a bond) to insure compliance with the order.

Q. Where can I find multiple copies of the U.S. Constitution to use in my classroom this fall?

A. The Nebraska State Bar Association has produced a special publication on the Constitution and the Bill of Rights as part of the celebration of the bicentennial of the Constitution on Sept. 17. The pamphlet includes the complete text of the constitution and all amendments, as well as suggested classroom activities and a bibliography of materials for further study. For a single copy, or multiple copies for community or classroom use, write to: NSBA Constitution Project, P.O. Box 2529, Lincoln 68502.

Paula Chace August bride of William Bates Jr. in Laurel

Paula Chace, daughter of Dr. and Mrs. Walter Chace of Laurel, and William Bates Jr., son of Mr. and Mrs. William Bates Sr. of Camden, Mo., exchanged marriage vows on Aug. 29.

The Rev. Bill O'Quinn of Kansas City and the Rev. Fred Andersen of Laurel officiated at the five o'clock, double ring ceremony at the United Methodist Church in Laurel.

Decorations included a bouquet of pink carnations and white mums at the altar, and spiral candelabras with pink and white carnations and mums and white and royal blue ribbon.

The altar rails were draped with greenery with white and royal blue bows, and the pews were decorated with hurricane candle lamps, blue and white bows and greenery. There also was a unity candle with greenery and a blue and white bow.

Mr. and Mrs. William Bates

THE BRIDE WAS given in marriage by her father and appeared in a floor-length gown of white taffeta with a cathedral-length train.

The dress was fashioned with a princess-style bodice and off-the-shoulder short puff sleeves with a sweetheart neckline. The front of the bodice was trimmed with heavy lace, pearls and satin fabric flowers.

The bride wore a pear-shaped Juliet headpiece covered in fabric to match the dress, with matching satin flowers, lace and pearls, and a fingertip veil.

She carried 12 pink bridal roses and 12 phalaenopsis orchids with Stephanotis, English ivy and pearls.

GUESTS ATTENDING the ceremony were registered by Anne Schultz of Columbus and Cammie Crookshank of Loveland, Colo. Ushers were Gary Chace of Seattle, Wash., Shade O'Quinn of Kansas City, Kan., Gordon Clark of Kansas City, Mo., Bill Winkler of Fremont, and Mike Leise of Omaha.

Lighting candles were Ryan Dunklau of Wayne and Paul Pankonin of Louisville.

Del Rae Helrie of Hartington sang "Here We Are Now," "The Lord's Prayer," "God, a Woman and a Man" and "Irish Blessing." Organist was Suzy Wacker of Laurel.

FOLLOWING the ceremony, the parents of the bride served a buffet supper for 350 guests in the backyard of their home.

Hosts were Charles and Carol Leise of Omaha, Frank and Marilyn Kostal of Fort Calhoun, and Bob and Betty O'Quinn of Wheatland, Mo.

The wedding cake was cut and served by Judy Haas of Wayne, Shirley Chace and Nancy Koopmann, both of Pilger, Betty Reagan of Dundee, Ill., and Ruth Starnes of Lebanon, Mo.

Pouring were Ruane McQuinn of Rancho Mirage, Calif., Betty Cunningham of Jefferson, Mo., June Mathis of Camden, Mo., and Janice O'Quinn of Kansas City, Mo. Punch servers were Jana Walker of Atkinson and Stefanie Minniman of Iowa City, Iowa.

Waitresses were Debbie Ward, Jenny Felber, Samantha Felber, Betty and Amy Adkins, Amanda and Emily McBride and Marcy and Stacy Strawn, all of Laurel, Cindy and Christy Crookshank of Loveland, Colo., and Sarah Goeller of Pilger.

THE NEWLYWEDS were escorted from the church to the backyard reception in a limousine, and from there to a wedding dance at the Randolph Ballroom, with music furnished by Mr. Tunes Mobile Music of South Sioux City. The limousine then took them to their honeymoon suite in Omaha.

They have delayed their wedding trip until December when they will travel to Hawaii. They are making their home at Rt. 1, Box 88, Fort Calhoun, Neb.

The bride is a 1980 graduate of Laurel-Concord High School and a 1984 graduate of the University of Nebraska-Lincoln. She is employed as a home economics teacher at Fort Calhoun Community Schools.

The bridegroom was graduated from Harrisonville, Mo. High School in 1976 and from Southwest Baptist University, Bolivar, Mo., in 1985. He is employed as the Coca-Cola-USA customer service manager for Nebraska and Iowa.

MATRON OF honor was Tami Gabrielson of Omaha, and bridesmaids were Lori Pankonin of Louisville, Kim Dunklau of Wayne, Leslie Nenow of Omaha, Jan Matthews of Laurel and Becky Von Segger of Scribner.

Serving as best man was Steve Gosselin of Omaha. Groomsmen were Derrill Hutchinson of Wichita, Kan., Ronnie Gough and Jeff Bruens, both of Harrisonville, Mo., John Chace of Lincoln, and Doug Wilson of Overland Park, Kan.

Flower girls were Alisha Dunklau and Leah Dunklau of Wayne, and Stephanie Pankonin of Louisville.

Policy on Weddings

The Wayne Herald welcomes news accounts and photographs of weddings involving families living in the Wayne area.

We feel there is widespread interest in local and area weddings and are happy to make space available for their publication.

Because our readers are interested in current news, we ask that all weddings and photographs offered for publication be in our office within 10 days after the date of the ceremony. Information submitted with a picture after that deadline will not be carried as a story but will be used in a cutline underneath the picture. Wedding pictures submitted after the story appears in the paper must be in our office within three weeks after the ceremony.

Mr. and Mrs. Elmer Lessmann

Former Wayne residents observe 50th in Lincoln

Former Wayne residents Mr. and Mrs. Elmer Lessmann celebrated their golden wedding anniversary during an open house reception on Aug. 16 at Trinity Lutheran Church in Lincoln.

The 225 guests were registered by granddaughters Anna and Elizabeth Lessmann of Omaha.

Hosting the event were the couple's sons and families, Stanford Lessmann and Michael Lessmann, both of Omaha.

MICHAEL LESSMANN and Mrs. Stanford Lessmann were in charge of the program. Amy and Lyn Lessmann, of Omaha served punch and coffee, and Candace Olson was at the gift table.

Eighty-five guests attended a catered dinner at 6 p.m. at Cotner Center.

Pastor Norden addressed the couple on their 50 years of married life as well as members of Trinity Lutheran Church, Lincoln.

Anna and Elizabeth Lessmann played several violin selections, accompanied by Madalyn Hunt at the piano. Mrs. Hunt also accompanied the Douglas Quartet.

ELMER LESSMANN and Lula Ruten of Elk Point, S. D. were married Aug. 16, 1937 at Wayne by the late Rev. Walter Brackensick of Grace Lutheran Church.

Out-of-town relatives attending their golden observance included Mr. and Mrs. Merlound Lessmann, Mr. and Mrs. Terry Janke and family, Willis, Brendt and Betty Lessmann, Dorothy Parent and Ethel Johnson, all of Wayne.

Laurel Presbyterian Women guests for covered dish meal

Wayne Presbyterian Women held their first fall meeting on Sept. 2 in the church fellowship hall.

A covered dish luncheon was served, with Laurel Presbyterian Women as guests. Thirty-six women attended, and hostesses were Zeta Jenkins and Geneva Beckner.

The Rev. John Mitchell gave the blessing.

PROGRAM CHAIRMAN Zeta Jenkins introduced Myron Wasson, who told about Northwestern Bell. Wasson began working for Northwestern Bell in 1970 and is currently manager of installation and repair in Norfolk.

The program also included two musical selections by Pastor Mitchell, accompanied by Helen James.

A BRIEF business meeting followed and included minutes of the July breakfast. The treasurer's report also was given.

Lillian Miller presented a \$5 memorial to the Presbyterian Women's Association in memory of Helen Rogge. Mr. and Mrs. Walt Moller presented the association a gift of \$100 in honor of their golden wedding anniversary.

It was suggested that the association start a fund for a room air conditioner for the fellowship hall.

Members were asked to remember Gail Bathke, who is hospitalized.

HELEN JAMES gave the least coin, and Pastor Mitchell closed with prayer.

Next meeting will be a Bible study on Sept. 16 at 2 p.m.

High schools invited to participate in Close Up

High schools from across Nebraska have once again been invited by the Close Up Foundation to send students to Washington, D.C. for an intense look into the workings of the federal government. Wayne-Carroll Public School participated in the program in 1986-87.

Here, the students as well as a teacher from each of the schools will spend a week questioning various Washington officials including members of Congress, journalists, and foreign and domestic issue experts.

Approximately 220 students and teachers from 70 schools in Nebraska are expected to participate in Close Up this year.

To ensure that all types of students are able to participate, Close Up provides fellowship funds for teacher and low- to moderate-income student participation. Funds for these fellowships are provided by a Congressional appropriation and matching grants from RJR Nabisco, Inc., the largest private contributor to the Close Up Foundation, and by Burlington Northern Foundation; The ConAgra Charitable Foundation, Inc.; Control Data Corporation; Cooper Foundation; Enron Foundation; Omaha; and Union Pacific Foundation.

Teachers participate in a separate program for educators designed to provide them with new insights and materials for classroom use.

Reunions Engagements

Holdorf

Sixty-five members of the Holdorf family met for a reunion on Aug. 30 at the Pender Legion Hall.

The relatives came from St. Paul, Minn.; Aurora, Colo.; Holstein and Schaller, Iowa; Yankton, S. D.; Hastings, Homer, West Point, Pender, Wakefield, Wayne, Belden, Laurel and Concord.

Langenberg

The annual Langenberg family reunion was held Sept. 6 at Ta-Ha-Zouka Park in Norfolk, with 103 attending.

Towns represented were Tulsa, Okla.; Pocahontas, Iowa; Kansas City, Kan.; Omaha, Walthill, Stanton, Randolph, Norfolk, Winside and Hoskins.

The oldest attending was George Langenberg Sr. of Hoskins, and the youngest was Colby Langenberg, son of Mr. and Mrs. Chuck Langenberg of Winside. Four births, one death and three marriages were recorded during the past year.

This year's planning committee was comprised of Mr. and Mrs. Jim Hudec of Walthill and Mr. and Mrs. George Langenberg Jr. of Hoskins.

The 1988 reunion will be held at the same location on the first Sunday in September, with Mr. and Mrs. Dave Jaeger of Winside and Mr. and Mrs. Randy Mittelstaedt of Norfolk in charge of arrangements.

Oehlerking

An Oehlerking family reunion was held Aug. 16 in the Wayne Woman's Club room, with 39 attending the noon potluck dinner from Windsor, Colo.; Omaha, Wayne, Pilger, South Sioux City, Wakefield, Winside, Madison and Norfolk.

The oldest attending was Mrs. Lydia Gehrke of Omaha, 93.

The 1988 reunion will be held the second Sunday in August at the same location.

German instructor attends workshop

Edith Zahniser, German Instructor at Wayne-Carroll High School, attended a two-week workshop for American teachers of German during July.

The workshop was offered by St. Olaf College, Northfield, Minn., in cooperation with the Europäische Akademie in Flensburg (Schleswig-Holstein) West Germany.

The seminar focused on Germany's northern border area with Denmark, where 60,000 Danish speakers live south of the border in Germany, and 20,000 German speakers live north of the border in Denmark.

While investigating other topics of concern in the region, the American teachers also learned how the Germans and Danes cope with minority foreign language speakers in their midst.

ALSO INCLUDED in the seminar were lectures on German legislative and social problems, visits to historical sites and museums, and a trip to observe life on the Hallig Islands off the western coast of northern Germany.

During the day-long trip, West German television accompanied the American teachers and offered a quarter hour evening documentary about the Americans' impressions of the experience.

FOLLOWING A week in the North, the group of 25 participants journeyed by bus to Luebeck and on through the zone to West Berlin for three days, including one in East Berlin.

The mayor of West Berlin offered an evening dinner and lectured on East-West relations from the Berlin viewpoint.

The program concluded with visits to Bonn and Cologne.

Herian-Swanson

Jo Herian of Norfolk and John Swanson of Wayne are planning to be married Sept. 18 at Mount Olive Lutheran Church in Norfolk.

The bride-elect is the daughter of Ross and Sondra Herian of Norfolk and is a 1978 graduate of Norfolk High School. She is employed at Edward D. Jones & Co. in Wayne and KNEB Radio in Norfolk.

Her fiancé, son of the late Edward and Maxine Swanson of Wausa, was graduated from Wausa High School in 1980 and from Wayne State College in 1984. He is employed at KTCH Radio in Wayne.

The couple will reside in Wayne.

Brownell-Dederman

Making plans for an Oct. 24 wedding at St. Paul's Lutheran Church in Norfolk are Pamela Brownell and Frederick Dederman.

Their engagement has been announced by the bride-elect's parents, Raymond and Dorothy Brownell of Allen.

Miss Brownell is a 1979 graduate of Allen High School and a 1981 graduate of Northeast Technical College, Norfolk. She is employed by the City of Norfolk as a police dispatcher.

Her fiancé, son of Ervin and Cleone DeHoff of Norfolk, was graduated from Norfolk Senior High School in 1979 and is presently attending Northeast Technical College. He also is serving in the Norfolk Army National Guard.

It's beginning to look more and more like all football wives across America will get a reprieve come Sept. 22.

If you haven't heard, that is the date that the NFL Players Association has set to strike if a settlement hasn't been reached with the Management Council. The old contract expired Aug. 31.

Can't these people learn? Nothing good came out of the last strike five years ago which lasted 57 days. The league lost moo-coo bucks and much credibility.

It seems like the best way to settle a disagreement is to have both sides get together and hash it out. Since Aug. 14 the two parties have met for a total of only four and a half hours.

It sounds like they really want to settle it, doesn't it? Some teams have asked the players that they have cut to come back and play for them if there is a strike. Many owners contend that they will play through the strike.

I don't care what they do or which side bends — just get the damn thing settled. I myself am tired of hearing about it.

It has been a rocky start for the five high schools and one college in our coverage area. Through Tuesday, the collective record in all sporting events is 7-9. Only the Wakefield volleyball and football teams, the Allen volleyball team and the Laurel football squad still has a chance at that coveted undefeated season.

Not bad for the first week of prognosticating. I had Utah State's score nailed down to within one point and Nebraska's to within 11 points.

This week will be a little tougher. The Uclans travel to Lincoln as the third-rated team in the country according to the writers and coaches.

According to an article in Wednesday's Omaha World Herald, Bruins Coach Terry Donahue is a little apprehensive about coming to Lincoln. And well he should be. The last two times Donahue's team has played the Big Red they have lost by combined scores of 84-13.

This week's contest should be closer. I'll say the Cornhuskers will go 2-0 with a 31-17 win.

Lady Eagles win Pender Invitational

The Allen volleyball team won the battle but they may have lost the war.

The Lady Eagles captured the championship at the Pender Invitational Saturday and upped their record to 3-0.

Allen opened the tournament with a 15-9, 15-9 win over Pender on Thursday. The Lady Eagles downed Homer Saturday afternoon by an identical 15-9, 15-9 score. That matched Allen against Oakland-Craig in the finals of the tournament. The Lady Eagles won the title in two sets, 15-10, 15-9.

In the win against Pender senior Lana Erwin had to leave the game with a back injury. According to Coach Gary Troth the three-year starter will miss the remainder of the season. Troth said Erwin's experience will be missed.

Nevertheless, the Lady Eagles held on to take the match. Troth said he was pleased with the season opener.

"You never know how well you'll do by just playing against yourself," he said.

The Lady Eagles converted on 40-43 set attempts. Junior Amy Noe led the way setting 20-21 with nine set assists. Teammate Angie Jones contributed 10-11 assists.

Allen also posted a balanced scoring attack. Lisa Boyle and Missy Martinson each had a team-high six points. Liz Hansen added five points and Leslie Isom and Erwin tallied four points each.

Troth said his team isn't a real powerful spiking team but that

doesn't mean the Lady Eagles can't be a solid team at the net.

"We're not real powerful but we roll hit and dink well," he said. "We have to learn that we don't have to drive everything into the floor."

Allen was 40-45 spiking the ball. Hansen and Martinson each had seven spikes with four aces apiece. The Lady Eagles were 44-49 in the serve department. Candace Jones led the way going 11-11.

Against Homer in the semifinals consistency was again the key to the win. Several players contributed in the victory. Martinson led the Lady Eagles scoring 14 points. The junior was 11-12 serving the ball with two aces and 14-16 at the net with nine spike attempts with six kills. The Noe, Angie Jones duo was 44-48 setting the ball with 20 set assists.

In the finals against Oakland-Craig it was again Martinson leading the way. She tallied 11 points. Martinson was 11-13 serving and 15-16 spiking the ball with six kills. Candace Jones was 14-14 at the serving stripe and 11-11 spiking the ball. The junior also added eight points. As a team Allen hitters were successful on 44-46 spikes.

Troth said his team's floor coverage was good and the girls had no breakdowns during the tournament.

"We remained consistent," he said. "We're getting some kind of offense on every ball."

The Allen skipper said the Lady Eagles are further along at this point in the season that he thought they would be.

Wildcats stampeded by thundering Mavs

The University of Nebraska-Omaha struck in blitzkrieg-type fashion and buried Wayne State 49-0 to open the college football season Saturday.

The Mavs used big plays to get on top and widened the margin with a couple of solid drives. The 49 points was the most scored by a UNO team since 1982. About 6,700 fans paid to see the game at Al Canaglia Field.

Wayne State Coach Pete Chapman wasn't the least bit happy with the way his team played. Chapman said fundamental breakdowns resulted in several big plays. The first, on UNO's opening score of the game. Jeff Podraza went off tackle and scampered 57 yards for a touchdown less than nine minutes into the game. The Mavs also had touchdowns of 80 and 30 yards.

UNO punished the Wildcat defense with 14 points in each of the first three quarters. The closest the Cats came to the goal line was late in the second quarter. Wayne State started its drive on its own 30. Ten plays later the drive stalled at the UNO 24-yard line. Trailing 28-0 Chapman elected

to go for the field goal. Tony Wiese's kick hit the upright and bounced away.

UNO outgained the Wildcats 505 to 123. The Mavs racked up 283 yards rushing compared to Wayne State's 40. Freshman Damon Ross led the Cats' ground game as he rushed for 44 yards on 16 carries. Podraza tallied 85 yards on only seven rushes. Scott Raue completed 8-27 passes for 83 yards and one interception for Chapman.

UNO recorded 24 first downs compared to eight for the locals. The Cats were 0-12 in third down conversions.

Wayne State came away from the game without any serious injuries. Glenn Mathews had to leave the game with some nerve damage to his shin but he is expected back for Saturday's game against Augustana. Tight end John Pezdritz, who injured his shoulder in practice, started the game but had to come out after several plays. The sophomore from Omaha-Westside is doubtful for Saturday.

"The only thing that really got hurt was our pride," Chapman said. "I got some bumps and bruises."

Wayne gals sweep Schuyler

By Gregg Dahlheim
Sports Editor

The difference was like night and day—according to Wayne Coach Marlene Uhing.

The Wayne Lady Blue Devils gained their first win of the season by downing Schuyler in straight sets, 15-13, 15-13 Tuesday night. The win evened the girls record at 1-1.

Uhing said the team that won tonight was nothing like the squad that was beaten in the Beemer Invitational to open the season.

Our communication was a lot better, people were talking," Uhing said. "Tonight our serve was a real weapon for us."

The two girls that led Wayne in the serving department were seniors Marnie Bruggeman and Amy Schlus. Bruggeman led the Lady Blue Devils in scoring with 10 points while serving 13-14 from the stripe. Schlus was perfect in 11 attempts while scoring six points.

Uhing was pleased with Bruggeman's all-around play.

"The big difference was Marnie's turnaround," Uhing said. "I can say this now since she played so well, she played terrible against Wisner-Pilger."

Although the Wayne coach was happy to get the win, she was still worried about the mental lapses her team went into. The girls had a lapse in each of the sets. Wayne led 14-8 in the first set before relaxing which allowed Schuyler to get within 14-13 before Wayne won the set. It happened again in the middle of the second set. The Lady Warriors broke a 3-3 tie and scored the next six points before Wayne tied the score at 12-12 on a serve by Teresa Ellis.

The locals looked good at the net. Uhing said due to a lack of height her girls have to rely on finesse shots at the net. Against Schuyler the locals placed their hits instead of blasting them into the net. Sarah Peterson

was the leading Lady Blue Devil spiker. The senior was successful on 14-16 attempts including five aces. Robin Luft was 8-13 with four aces.

Eleven of the 13 girls that suited up for the match saw action. Uhing said she substituted several of the younger girls in to try to break Schuyler's momentum in the second set. The coach said it will also help

the more inexperienced girls as the season goes on.

Wayne will have to turn right around and do battle with the Lady Warriors again on Saturday when the two teams meet in the first round of the North Bend Invitational. The 2 p.m. game will follow the opening match of the tournament that pits Columbus Scotus against North Bend

at 1 p.m.

The Wayne junior varsity won its first match of the year, also in two sets. The JV's took the opening set 15-8 and won the second set 15-13.

The junior Lady Blue Devils rallied from a 12-8 deficit in the second set to grab a 14-12 lead before eventually recording the win.

Special teams fail in 19-6 upset

By Gregg Dahlheim
Sports Editor

Sometimes statistics do lie!

For instance if you were to look at the final stats in the Wayne vs. Lyons-Decatur Northeast game Friday night you would think the Blue Devils came away with the victory. But in fact, the locals dropped the season opener to the Cougars 19-6 in a game played at Memorial Stadium on the campus of Wayne State College.

The Wayne defense limited the Cougars to 71 total yards, 60 rushing and 11 passing. In the meantime the Blue Devils tallied 148 yards rushing and 13 yards through the air for 161 total yards.

Wayne Coach Lonnie Ehrhardt reported he was pleased with the defensive effort of the Blue Devils. He said with the team's inexperience he thought overall his team played well.

The play of the special teams was a major factor in the loss. Two bad snaps on punts gave Lyons-Decatur field position deep in Wayne territory. Ehrhardt said those mistakes can be corrected.

The first bad snap came in the first quarter. With the ball on the Blue Devil 40-yard line Corey Frye lined up to punt the ball. Chris Luft's snap went over Frye's head. The punter retrieved the ball and was brought down at the 19-yard line. Frye slammed the ball to the turf and an unsportsmanlike conduct penalty took the ball to the Wayne 10-yard line. The locals dodged a bullet two plays later when Luft recovered a fumble by Jeremy Greve at the 2-yard line.

The Blue Devils were stopped at the 9-yard line and Tim Sievers dropped back to punt. A short kick was returned down to the Wayne 23-yard line. The defense again stiffened. On fourth and nine the Cougars elected to go for the first down. Quarterback Jerrod Pounds kept the ball on an option play and scampered down to the 2-yard line. On the next play the sophomore signal caller took it in to the end zone. Greve added the extra point and Lyons-Decatur led 7-0.

The only other first half scoring threat happened late in the second quarter. Joel Pedersen recovered a Cougar fumble at the Lyons-Decatur 30-yard line. Eric Liska took a screen pass down to the 25 but time ran out before the locals could get another play off.

Momentum changed early in the third quarter when the Blue Devils recorded their only score of the game. With 1:15 off the clock in the

third quarter running back Scott Pokett took a handoff from quarterback Jess Zeiss and rambled 68 yards for a touchdown. Kip Mau's kick was no good and Wayne trailed 7-6.

The score remained 7-6 until about 10 minutes left in the fourth quarter. Wayne was pinned deep in its own territory. Sievers dropped back to punt the ball but another bad snap gave the Cougars the ball at the Wayne 5-yard line. The next play Jeff Peterson went over the right tackle for Lyons-Decatur's second touchdown. Greve's PAT attempt went wide and the visitors led 13-6.

The Cougars scored their last TD after Scott Paulsen returned a Zeiss interception down to the 1-yard line. Pounds took it in but the two-point conversion failed.

Pokett led all rushers with 100 yards on 11 carries. Eric Liska added 44 yards on 10 carries. Eric Liska, Pokett and Luft were the leading tacklers for the Blue Devils. Luft

recorded 12 stops while Pokett and Liska had 11 and 10 tackles respectively.

The Wayne skipper said senior Jason Liska has been lost for the season. The running back injured a knee in practice and it went out again

prior to the game. Liska underwent surgery on Monday in Lincoln. Ehrhardt said several other players were banged up but only Frye should miss the game against Schuyler on Friday. Frye received a bruised ankle bone in the second quarter of the game.

Tennis finale

Tom Roberts of Wayne competed in the Nebraska Open at Dewey Park in Omaha last weekend.

The tournament is the last sanctioned journey in the state this summer. Roberts was matched against the second-ranked player in the state in the 45 singles division, Ben Rader of Lincoln. In the opening round, Rader eliminated Roberts in a three-hour match by scores of 6-3, 3-6, 6-1. Rader went on to finish second in the tournament losing to the No. 1 player Jerry Sherman 6-3, 6-2 in the finals.

Roberts teamed up with Lt. Col. Dean O'Hearn of Bellevue in the doubles competition. The pair won by default in the first round. They were ousted in the semifinals by Bernie Anderson and Don Maseman, both of Omaha, 6-3, 6-4.

LADY TROJAN Kodi Nelson slams a shot over the net during Wakefield's win.

Lady Trojans hand Winside gals loss

By Gregg Dahlheim
Sports Editor

The Wakefield Lady Trojans took no prisoners by opening the season with a two-set sweep over Winside in Lewis and Clark Conference volleyball Thursday night.

Wakefield traveled to Winside with one thing on its mind — a win. The Lady Trojans left the Wildcat gym with a 15-3, 15-7 match victory.

Wakefield Coach Paul Eaton said he and his team was expecting a much closer contest. The game was figured to be one of the better opening night matches in the area. But it never lived up to its billing.

Winside came out of the opening huddle disorganized and unsure of themselves. At one point in the first game the Wildcats forfeited serve because they were not in the correct rotation order. Winside Coach Jill Stenwall said her team had severe first-game jitters.

"The girls were scared to death," she said. "Some of them didn't know what they were supposed to do. There's no excuse to be scared for the four returning starters."

Wakefield never trailed in the match. The Lady Trojans posted leads of 5-0, 9-1 and 11-2 before winning the first game. In the second game Karen Witt of Wakefield reeled off four straight points to break a 1-1 tie and give the visitors a 5-1 lead, which was never threatened. The winners posted a 12-1 lead before Winside started to settle down and play volleyball. Winside scored four straight to cut the lead to 12-5 and

Wayne spikers ousted from Beemer tourney

Poor passing set the tone as the Wayne Lady Blue Devils were eliminated in the first round of the Beemer Invitational Thursday night.

Wayne was dumped in two sets 15-10, 15-3 by the girls from Wisner-Pilger. Coach Marlene Uhing said the Lady Gators scored many of their points off bad Wayne passes that crossed the net. The coach also credited Wisner-Pilger for its good play.

"They played well together," Uhing said. "Their passing was smooth and although they aren't a strong hitting team they made their spikers count."

The Wayne mentor said mental toughness was absent in the match. "They weren't mentally tough. When we got behind the intensity level didn't increase," Uhing said. The Lady Blue Devils hit about 89

percent of their serves, 31-35.

Leading the way was Robin Luft and Marnie Bruggeman. The pair was 7-7 and 7-9 respectively. Uhing said the locals must hit about 95 percent of their serves to be successful.

Sarah Petersen, Luft and Karmyn Koeng were Wayne's top spikers. The Lady Blue Devils were 45-57 at the net. In the setting department Kristy Hansen was perfect on 24 attempts, Bruggeman was 11-11.

Uhing said although the setting was good, the pair didn't take charge in the match like she would have liked them to. The coach added the poor passing could have contributed. Uhing said she is still looking for someone to step forward and be a team leader.

Uhing credited Luft with a fine all-around performance. She said Koeng and Peterson also turned in solid efforts.

Extra point lifts Laurel past Cards

Laurel fans were dancing in the streets Friday night after the Bears opened the season with a 13-12 overtime win against Randolph.

The victory by first-year Coach Mark Hrabik's team, was the first over the Cardinals since 1979. It was also the first time since '79 that Laurel has opened the season with a win.

"The more I look at the film, the more I know we beat them and we're for real," Hrabik said.

Randolph scored first. Cardinal quarterback Brad Berner went in from four yards out. The point after was blocked and Randolph led after one period 6-0.

Hrabik said after the first touchdown the coaching staff was a little concerned because of the rushing yards the defense allowed. But after that drive the defense got stingy.

The Bears tied the score in the second quarter when quarterback Scott Marquardt scrambled out of the pocket and scampered on into the end zone from 15 yards out. The conversion failed.

The defenses were in command in the second half as neither team could put together a scoring drive.

Laurel won the toss in the overtime period and elected to play defense. Randolph started at the Laurel 10-yard line and had four downs to score. On third down Berner scored from two yards out. The two-point conversion failed.

Laurel took just two plays to score. On first down Marquardt carried the ball to the 2-yard line. The next play Brad Prescott carried it in for the tie. Prescott then kicked the extra point to give the Bears the long-awaited win.

Laurel outgained the Cardinals 207 yards to 200. The Bears rushed for 153 yards compared to Randolph's 115. Prescott paced Laurel with 85 yards on 20 carries.

Randy Sherry was the defensive leader. The senior was credited with 13 tackles. Prescott was in on 11 stops and Daren Martinson had 10 tackles.

Next up for Laurel is another NENAC opponent. The Bears will travel to Crofton to take on the 1-0 Warriors. Crofton blanked Ponca 31-0 in its season opener.

Big plays propel Beemer past Wildcats 54-8

It wasn't the kind of game first-year Coach Randy Geier was looking for but he wasn't totally discouraged by the way his team played.

Geier's Winside Wildcats were whipped in the opener by eighth-ranked Beemer 54-8 Friday night at Beemer. The game ended on the 45-point rule with only about a minute to play in the contest.

Geier said the Wildcat defense played a lot better than the final score indicated. Beemer scored only three touchdowns on long drives. The rest of the points were scored on turnovers and big plays.

The Bobcats outgained Winside 324 to 152 yards. The hosts earned 287 yards on the ground. Winside grounded out 107 yards rushing. Neither team gained many yards through the air.

Geier said a big difference in the game was the play at the line. The Winside coach said Beemer totally dominated the line of scrimmage.

Beemer led 12-0 after the first

quarter and 34-0 at halftime. Winside limited the hosts to seven points in the third quarter and 13 in the final period.

Winside got on the board with about eight minutes to play in the contest. Max Kant capped a 55-yard drive when he scored from four yards out. Quarterback Tim Jacobsen ran into the end zone to complete the two-point conversion.

Max Kant led Winside in rushing with 47 yards on 10 carries. Brother Mace Kant grabbed four receptions for 36 yards. The running back combination of Jason Hass and Troy Eisenhauer tallied about 200 yards rushing for Beemer.

Geier said he told his players to keep their heads up and get ready for Walthill Friday. The Wildcats host the Bluejays in their home opener. Geier said Walthill will be a formidable opponent. The Bluejays return about six starters from a team that downed Winside 42-14 last season.

Winside netters even record with win over Osmond

Winside came from behind and captured a two-set win over Osmond Tuesday night to even its season mark at 1-1.

The Wildcats trailed in both sets before coming away with 15-13, 16-14 wins. In the second-set Winside jumped to a 7-0 lead before falling behind later in the set. But the Wildcats rebounded to win the match.

Coach Jill Stenwall said the main difference between the win over Osmond and the season opening loss to Wakefield was confidence. The Winside coach said in the first match her girls were scared. Tuesday night they played with a lot of confidence, according to Stenwall.

The improved serving was also a plus for the Wildcats. The visitors hit 50-54 serves for 92 percent. Tricia

Harriers lose in dual

The Wayne cross country team opened its season Tuesday against a very tough South Sioux City team.

The Cardinals, fifth-place finishers in the Class A state meet last year, downed the locals 10-47.

In the boys' competition South Sioux took the top six positions. Jon Hoag won the meet touring the 3.1 mile course in 17 minutes. Shane Geiger was Wayne's top finisher. Geiger placed seventh in a time of 19:51. Rob Sweetland was second for the Blue Devils in a time of 22:05, which was good for 11th place.

Other Blue Devil finishers were

Craig Sharpe, 14th, 23:47; Brian Lentz, 15th, 23:48; Aaron Wilson, 16th, 23:51; and Scott Allred, 18th, 25:47.

In the girls' competition Michelle Montag of South Sioux won the 4,000-meter race in a time of 17:06. Wayne's only entrant, Edith Janke, finished fourth in a time of 21:49.

Blue Devil Coach Rocky Ruhl said his team showed improvement. He said he hopes he sees that same kind of improvement for the meet on Friday. The Blue Devils will run in the Norfolk Catholic Invitational beginning at 3:30 p.m.

COACHES LONNIE EHRHARDT (left) and Ron Carnes discuss strategy with quarterback Jess Zeiss.

Sports Med Line

By Stephen Henry, M.D. and Regina Durbin, P.T.

While fall for many means football and school, for another group of athletes it means the challenge of the cross country race. Many of today's adult runners enjoy the sport of cross country running in their high school days. The distance of 5 kilometers is a challenging, interesting distance. It is far enough to require good aerobic capacity, yet short enough to require anaerobic capacity well.

How the coach trains his athletes can mean the difference between a steady fulfilling season or a frustrating injury filled season. The first area the coach should address is trying to keep his team doing some mileage through the summer. While he/she cannot require this, the progressive coach does his best to instill the desire to run in their athlete before the season begins. Even if the athlete begins 6-8 weeks prior to the initial conditioning period, and runs a total 8-10 miles per week, they will be much better prepared for the cross country season than the athlete who has taken the summer off.

When conditioning begins the coach should determine who on his team has been running and who has not. Those who have been running a minimum of 10 miles or more per week can tolerate a day of intervals a week as well as one long run per week (5-6 miles). On the other hand, those who have not been running

should be given the opportunity to develop a base mileage of 10 miles before they begin intervals. This will probably take 2-3 weeks. At this time they can then increase to one long run as well. It should be realized as a statistical fact that if one increases their total weekly mileage by more than 10% there is an increased risk of injury. At the slightest sign of overuse (any pain with running or recurring soreness after a run) the mileage should be reduced back to a safe limit. Most cross country runners' injuries occur shortly after they get into the full season and frequently preclude them from finishing the season.

Obviously, insuring your runners have quality running shoes, not racing flats, for training will help to reduce their risk of injuries. Requiring a good warmup of all the major muscle groups, including flexibility exercise will reduce the risk of injury. The most important means of reducing injuries is to find a balance between mileage increases that you, the coach, can feel comfortable with and what your runners' bodies can tolerate without injury.

If you have any sports medicine questions, please feel free to write them to us. Write to Dr. Stephen Henry, SPORTS MED-LINE, 1361 Tyler Park, Louisville, Kentucky, 40204

Streaks and Slumps

Why is it that some teams get on a tear and for two weeks are unbeatable? Then a month later that same team loses 10 games in a row.

Why do some players burn up the league for two weeks and then go a month during which they can't seem to buy a hit at the plate or a victory on the pitcher's mound?

If I could find the answer to those questions and bottle it, I'd be a billionaire. Among today's players, Dale Murphy of the Atlanta Braves is known as a streak hitter. When he's hot, pitchers can't keep the ball in the park. I remember my old teammate Joe Adcock from the championship days of the Milwaukee Braves. When he got into a streak, nobody could get him out. You could throw him a low, outside slider and somehow he'd get it up on his bat and hit it 15 rows into the stands. Five days later, throw him that same pitch and he couldn't do anything with it.

This year, the Milwaukee Brewers got off to a super start and won a lot of ball games. Then they went the other way for a long period. That will happen with a young team. The players are relaxed at the beginning of a season when the team is going well. Then when the team is going badly, those same players put too much pressure on themselves and try to do too much.

Through the years what made the Dodgers and the Yankees such consistent clubs is that they always had that one pitcher who could go out and win a close, low-score ball game. By having a pitcher who could go into a series and win a game 1-0 or 2-1, the team was able to relax a little bit and get back on track. That kept them from getting into a deep losing streak.

I do have some personal theories about avoiding slumps. I think the problem is concentration. Some players will go along and have a good week or a good month and have no understanding of what they are doing that's working for them. Then when they get in a slump, they have nothing to fall back on. If you hit a home run on a change-up, how did you stride on that pitch? How close were you standing to the plate? You've got to know what you're doing that's right. You can't wait until you are in slump and then try and figure out what you're doing that's wrong.

These days coaches use videotapes, and it really helps picking out a batter's problems at the plate or spotting if a pitcher is releasing the ball wrong. But looking at a picture cannot replace knowing yourself. **II**

Hauu said he would like to see the gymnasium and an alternate get ment project on the east wing and high school administrative offices and the high school lecture hall.

Benefer said applications for the energy saving grants were made through the Nebraska Energy Office.

Department of Energy selected the grants and will award the funds directly to the institutions.

Headline up the planning committee are Twila Clarkbaugh and Joyce Pipitt. Working with them is Donna Shuffel, head of the old-fashioned tea house.

Historical tour slated

For Sunday, Oct. 18

People interested in taking a tour "down history lane" may be interested in an upcoming event being planned by the Quakers Society and the Wayne County Historical Society.

Both organizations are planning a Historical Tour on Sunday, Oct. 18 from 1 to 5 p.m.

Featured in the tour will be three possibly four older homes of different styles, the Ley Museum Home in Wayne, the Presbyterian Church in Wayne and the Wayne County Courthouse.

This is a fund raise for the renovations needed on the Ley Museum Home. Tickets for the historical tour will go on sale throughout the county about the first of October, at \$5 per person.

Location of where the tickets can be purchased will be announced at a later date. The tickets can also be purchased on the day of the historical tour, from 11 a.m. on at the museum home at 7th and Lincoln.

Renew

NORTHEAST NEBRASKA
Send forth your spirit and RENEW the face of the earth.

At St. Mary's in Wayne

RENEW starts up

St. Mary's Catholic Church in Wayne is participating in the RENEW Northeast Nebraska parish program. The parish program invites all parishioners, including inactive members, to deepen their relationship with Jesus, to make an adult commitment to Christ as being the center of their lives, and to open themselves up to the power of the Holy Spirit so that they may become more authentic witnesses, both in action and word, of the Good News of the Gospel.

A special liturgy will kick off the RENEW program, scheduled for Tuesday, Sept. 22 at 3 p.m. at St. Mary's Church in Norfolk. Coordinating the St. Mary's of Wayne RENEW program are Pat Gross and Cheryl Hall.

RENEW is a 2 1/2 year process. Sign up for the first session at St. Mary's is slated for Sept. 19-20 after the Saturday and Sunday Masses. The first session, scheduled to begin Oct. 11 and continue for six weeks, is entitled "The Lord's Call."

After the sign up period, participants will be placed in small groups who, in turn, will determine their meeting time. Mr. and Mrs. Don Hypse are in charge of the sign-up.

Contact Coordinators Gross or Hall if further information is desired.

Davenport's performing

NATIONALLY KNOWN recording artists and song writers Dennis and Joyce Davenport will appear in concert on Sept. 13-15 at the Springbank Friends Church in Allen, and Sept. 16-20 at the Gospel Chapel in Newcastle. Concert time is 8 p.m., and nursery services will be provided. Davenports are appearing as part of the 34th annual crusade sponsored by the Northeast Nebraska Men's Christian Fellowship. Davenports are from the Twin Cities area of Minnesota and have been singing together for almost 16 years, traveling the United States and Canada and performing at churches, auditoriums, banquets, youth rallies and conventions, as well as on radio and television.

Obituaries

Chuck Barnes

Chuck Barnes, 58, of Lexington died Tuesday, Sept. 1, 1987 at his home in Lexington following a short illness.

Services were held Thursday, Sept. 3 at the Olliff-Boeve Memorial Chapel in Phillipsburg, Kan. The Rev. James Hawthorne officiated.

Charles Hollis Barnes, the son of Dr. Hollis L. and Beulah Hawk Barnes, was born March 3, 1929 in Onaga, Kan. He grew up in Phillipsburg, Kan. and graduated from Phillipsburg High School in 1946. He served with the Occupation Forces in Japan and with the Air Force during the Korean War. He was a member of the Veterans of Foreign Wars. He graduated from Kansas State University in 1956 with a BA in journalism. He worked in various capacities in newspapers in Kansas, Iowa and Nebraska, including 10 years as publisher of the Audubon News Advocate in Audubon, Iowa where he received numerous awards for his work. He was a member of the Presbyterian Church and was active in the Chamber of Commerce, Kiwanis and many other community activities. He married Helen Lucille Hamilton on Aug. 28, 1954 and were later divorced. He married Jean Reibold in 1982.

WATCH FOR MOLDY GRAIN

Many swine producers are anticipating the harvest and storage of this year's corn and milo crop. For many producers, this anticipation is accompanied by a dwindling reserve of feed grains supply on the farm. As fall harvest approaches, many producers will be cleaning out the last remnants of their grain supply to make way for the new crop.

Producers should use caution in feeding these grain remnants to the swine herd. Often times, in cleaning out the last of feed grain stocks in farm storage devices, producers unknowingly include moldy feed grains in the diets of swine, resulting in production problems that are seemingly impossible to cure.

If producers are suspicious of moldy grain, they should not feed it to the breeding herd. This grain may contain metabolites of mold growth such as zeralenone that can cause reproductive problems. These problems can include abortions and irregular estrus cycles. In unbred gilts, these compounds can cause symptoms of estrus, including swollen vulvas and underlines.

Moldy grains can also cause problems with feed refusal and feed sorting. Moldy grains have been implicated in problems of slow growth and poor feed conversions in nurseries and growing-finishing facilities.

If producers must feed moldy grain to swine, it is best to feed it only to swine in the finishing phase of production. If a severe mold infestation is present, dilution of the grain with clean grain is a desirable management practice. The amount of dilution is dependent on the suspected mold damage and presence of undesirable metabolites of mold growth.

WHY YOUNG TREES DIE IN NEBRASKA

Nebraska's climate is one, but not the only reason for poor survival of tree plantings. Poor survival may be attributed to:

- Planting tree species that are not adapted or hardy to Nebraska climate and soil conditions.
- Improper site selection, soil preparation, or placement.
- Poor care after planting. Young trees need to be "babied" through the first 2 years. Proper wrapping, staking, pruning, watering, fertilizing and weed control will help young trees maintain health and vigor.
- Inadequate water. Young trees should be deep watered about once a week through the first growing season.
- Poor nursery stock. Sometimes when newly planted trees do not "break bud" after planting or if the tree "leaves out" and then dies shortly after, the cause may be poor stock from the nursery. If this is the case, immediately contact your nurseryman.

Not very much can be done to change Nebraska's climate, but tree planting success could be greatly improved with proper tree selection, planting and care.

SURFACE ROOTS OF TREES

How many times have you run your lawn mower over surface roots of a large tree growing in your yard?

Bouncing along, the mower scalps the grass and scars or damages a root, not to mention causing possible damage to the machine.

What causes ugly surface roots? What can be done about them?

In many cases, the trouble stems from a decision made years earlier: the wrong tree was selected. The problem is commonly associated with maples, poplars and willows. But that doesn't fit the other trees off the hook. Actually, any old tree or any tree large enough to share your house can produce surface roots.

Sometimes years of heavy foot traffic or constant raking removes vegetation exposing the area beneath the drip line of the tree. The deeper the erosion, the greater the root exposure.

To solve surface root problems, some people are tempted to remove the roots. This is an acceptable solution if the root is disturbing a driveway or sidewalk, but solving one problem through root removal may create another. Removing a larger root will damage the tree.

If a root must go, remove not more than a third of the portion lying beneath the drip line of the tree. Always make a clean cut.

If you do not disturb the exposed root, a couple of other things can be done. One is to top dress the root area with good topsoil (possibly mixed with peat moss) and sow grass seed. The layer of new soil should be only one or two inches thick.

Another solution, the preferable one, is to plant a ground cover instead of grass to hide the roots. Ask your nurseryman for plants that grow under limited light conditions.

The most drastic step would be to remove the tree. If you remove it and decide to replace it with a new tree ask your nurseryman about planting an oak, honeylocust, Ginkgo, Kentucky Coffee tree or other species that normally cause only minimal surface root problems.

PRESBYTERIAN WOMEN

Mrs. Keith Owens conducted the business meeting when the United Presbyterian Women met Sept. 2 at the church fellowship hall. There were eight members and guests. Mrs. Owen Jenkins and Mrs. Norma Jenkins, both of Norfolk, present. The group answered roll call with "What Was Cook-In My Day."

Mrs. Etta Fisher reported on the last meeting and Mrs. Milton Owens read the treasurer's report.

It was announced that the Presbyterian will be held Oct. 6 at Clarkson from 8:30 a.m. until 3:15 p.m.

Mrs. Lem Jones was in charge of the "Least Coin" collection and read Psalm, chapter 27, verses one through six. Mrs. Keith Owens read "Little Things" taken from Psalms and a poem, "Never Give Up."

Mrs. Erwin Morris had the lesson, "Review in the Vineyard of the Lord," that Helen Steiner Rice had written saying the Lord works with poetry in her heart.

Mrs. Lem Jones accompanied for group singing, "Work for the Night is Coming."

The meeting closed with prayer and benediction.

Mrs. Etta Fisher and Mrs. Esther Batten served.

Mrs. Milton Owens was elected president; Mrs. Lem Jones, vice president; Mrs. Etta Fisher, secretary; and Mrs. Erwin Morris, treasurer.

The next meeting will be Wednesday, Sept. 16 when Mrs. Opal Lindsay and Mrs. Leonard Pritchard will

serve and Mrs. O.J. Jones will be the lesson leader.

EOT CLUB

Mrs. Ray Reeg hosted the EOT Club Thursday with Mrs. Dan Loberg, assisting hostess. There were 13 members and guests, Mrs. Dave Jueden of Colorado Springs and Mrs. Walter Jager, present.

Roll call was "where we spent our vacation this summer."

The group made plans to have the family card party on Wednesday evening, Sept. 23, at the Dan Loberg home.

Officers for the new year are Mrs. Roy Gramlich, president; Mrs. Kelly Hansen, vice president; Mrs. Ray Reeg, secretary; and Mrs. Larry Sievers, treasurer. Mrs. Hansen is also news reporter.

Mrs. Jager showed slides of their trip to Australia and a gift was presented to her. Door prizes went to Mrs. Reeg and Mrs. Wilbur Heffl. Mrs. Mel Magnuson will host the Oct. 1 meeting with Mrs. Wilbur Heffl assisting.

HILLTOP LARKS

Eleven members were present Aug. 26 when the Hilltop Larks Social Club met at the Darrell French home.

Mrs. Ed Schmale conducted a business meeting and Mrs. French reported on the last meeting.

Roll call was "where we took food on bake and take days."

Prizes for playing 10 point pitch went to Mrs. Todd Jenkins and Mrs. Merton Jones.

Mrs. Perry Jones will host the next club on Monday, Oct. 12.

WIENER ROAST

AAL Branch 3019 will have a wiener roast at the Carroll park following worship service Sunday, Sept. 13. In case of bad weather, the event will be held at the Lutheran Church fellowship hall.

All members of the AAL and members of the congregation are invited to attend with each family asked to bring a salad or dessert. Everything else for the meal will be furnished along with table service.

DELTA DEK BRIDGE

Mrs. John Rethwisch hosted the Delta Dek Bridge Club Thursday. Guests were Mrs. Don Liedman, Mrs. Wayne Kerstine and Mrs. Merlin Kenny.

Prizes went to Mrs. Lloyd Morris, Mrs. Marion Jordan, Mrs. Ann Roberts and Mrs. Kenny.

Mrs. Ann Roberts will host the Sept. 17 party.

SOCIAL CALENDAR

The group flew from Omaha and returned home Aug. 25.

Plans to attend seminars

Finn chosen for LEAD

A Carroll native is in the seventh group of 30 agriculturalists to participate in the Nebraska Leadership Education-Action Development (LEAD) Program.

Among the LEAD VII Fellows is Mary Pat Finn, farm editor of the Norfolk Daily News. She is the daughter of Patrick C. and Marilyn Finn of rural Carroll.

She is the first Norfolkian chosen for the LEAD Program. She is a graduate of Laurel Concord High School and Wayne State College.

The 30 Fellows '22 in production agriculture and eight in supporting agribusinesses were selected geographically from Nebraska applicants ages 25 to 40 years.

The Fellows will attend seven three-day seminars annually in the next two years. These seminars will be held across the state at virtually every public and private university and college campus, as well as selected agribusiness establishments.

Each year, they will participate in a two or three-week study-travel seminar.

National affairs will be the focus of the program's first year; international affairs will be featured the second year. Seminar and travel costs are defrayed by the council, except for transportation to and from the seminar sites and an annual \$800 participant fee.

The LEAD Program is designed to develop leaders and spokesmen for Nebraska and agriculture. It is supported by individuals, businesses, industries and the University of Nebraska-Lincoln Institute of Agriculture and Natural Resources.

Other cooperating institutions of higher education in Nebraska include Chadron State College, Concordia College, Creighton University, Kearney State College, Nebraska Wesleyan University, Peru State College, Union College, University of Nebraska at Omaha, University of Nebraska Medical Center in Omaha and Wayne State College.

IMMANUEL LUTHERAN GUEST NIGHT

Mrs. Nancy Witte of Scribner was the guest speaker at the Immanuel Lutheran Church Women's guest night on Thursday. There were 111 in attendance. The welcome was given by Mrs. Vera Diediker, president, with the devotions given by Pastor Mark Miller. Program coordinator was Mrs. Lynette Penlerick, who read two poems by Helen Steiner Rice, "When Pressures Mount" and "Gift of Friendship."

Mrs. Penlerick also introduced the speaker, Mrs. Witte spoke on "Good Grief." She lost her husband in a farm related accident in 1984. Her inspirational speech showed how she has dealt with the grief.

Mrs. Debbie Miller gave the closing prayer. Hostesses were Mrs. Norma Pippitt, Mrs. Karla Pippitt, Mrs. Dorothy Rastede and Mrs. Lydia Schmitt.

Ushers were Virginia Lindsay and Jan Stark. At the guest book were Mrs. Lila Stark and Deloris Morten.

METHODIST WOMEN

Election of officers will be held when the Laurel United Methodist Women meet on Wednesday, Sept. 16 at 2 p.m. The greeting hostess will be Mrs. Myrtle White.

The program entitled, "Women As Money Managers" will be presented by Mrs. Thelma Hattig, Mrs. Lola Goodsell and Mrs. Ruth Sands.

Members will be making plans to attend the Northeast District annual meeting for United Methodist Women at Bassett on Saturday, Sept. 26.

The Laurel Unit will vote on persons to receive the special membership pins at the September meeting.

Hostesses will be Mrs. Violet Wickert, Mrs. Judy Pehrson, Mrs. Pat Andersen and Mrs. Zelma Juhan.

FATHER-SON BANQUET

The father-son banquet being planned by the Immanuel Lutheran Church in Laurel will be held on Sunday, Sept. 20 at 6:30 p.m. The theme of the banquet is "Fishin' Fever." A fun-filled night is in store for everyone attending.

Tickets should be reserved by Sunday, Sept. 13 by purchasing them at the church office or calling for a reservation. Tickets will also be sold after church on Sunday, Sept. 13. Price of the tickets is \$3 for adults, \$1.50 for 12 and under and children 5 and under are free.

MEN'S BREAKFAST

The Men's Breakfast will be held at the Laurel United Methodist Church on Wednesday, Sept. 16 at 6:30 a.m. The devotions will be given by Regg Ward.

Serving breakfast will be Cleo Karnes, Clifford Anderson, Brent Johnson and Kevin Wacker.

SALAD LUNCHEON

The ladies from the United Lutheran Church in Laurel are invited to the Zion Lutheran Church of Creighton on Friday, Sept. 18 for a noon salad luncheon. This will be the conclusion of the Woman to Woman project. After Namnyka Laier of Tanzania visited Nebraska in 1984, a representative Ruth Swanson visited Tanzania. Ruth will be showing slides and talking about her travels.

Members are to contact Marilyn Jensen of Laurel by Sept. 10 if they wish to go.

The Farmer's Wife

by Pat Melerhenry

I used to sing for weddings. Now that I'm "middle-aged," it's usually funerals I'm asked for. But, occasionally, about twice a year, I play for a wedding. My keyboard technique leaves a lot to be desired, but I know the professional and recessionally really well and can usually get by with the rest. If it's a friend, I hate to say no.

At one time, I would have said being the candlelighter is the hardest job at a wedding. By the time you start down the aisle with a long taper, most of the guests are seated and it's very quiet. All eyes are on you as you tip your candle and try to get all the other ones lit. They see your shanking hands and notice the flickering flame as the fans threaten to blow it out.

The job of usher is also tough. You have to seat everyone on the right side, get the grandparents in the right place, at the right time and get the white running down the aisle for the bride to walk on. Sometimes, ushers have to light candles, too, which combines two nerve-wracking experiences.

But the job of organist is the most underappreciated and tension-producing one at any wedding. We have to play appropriate music for

all the grandparents, parents, and candle lighters. We give the cues for the wedding party. And we accompany the vocal music. We have to keep track of where each special selection fits in and if we goof, the minister makes a gesture with his hand across his throat.

WE HAVE to keep playing when the ceremony is delayed, when the candles won't light and when the white runner slips off the carrier and doesn't follow the ushers down the aisle.

We have to tone down when the soloist has a quiet voice and tone up when we "bring the bride in." This requires quick changing of steps.

We make copies of the songs and sometimes all those loose sheets won't fit across the organ. They blow off; or we lose our place, which is what happened to me last Saturday night during the first song.

I had first tried to skip it, but then realized the soloist was standing for a reason. Then, midway through all the copied pages, I became hopelessly lost and signalled her to stop at the end of the phrase. Thank goodness that phrase is repeated frequently throughout the song.

It reminded me of the time Sue

and Jon were singing for a friend's wedding, and I was accompanying on the piano. This time, we were up front, not in an upstairs, so we really couldn't signal. I had copied the song and a "Farmer's Wife" column. When they got to what should have been the words to the second verse, they found the column! So, they flipped back and sang the first verse over again.

A local gal had an uncle come from Arizona to officiate at her wedding. He takes a daily blood thinner. He knicked himself by the mouth while shaving that morning. He got it stopped and went to the church. It started bleeding under the band-aid during the ceremony, and never did stop until he got out to the hospital, three or four handkerchiefs and a white surplice later.

Another couple chose a pasture at sunrise for their rites on horseback. On the way into town, one of the guests fell from his horse and broke a leg.

But the one that takes the cake, and wasn't even a mishap, but apparently totally planned, came from a friend in Western Nebraska; who says a neighbor was married in her parent's yard. "In lieu of flowers," states the local newspaper, "the bride carried the family dog. Her teddy bear was a guest of honor!" May they all live happily ever after.

The Golden Years

by Gil Haase

Do house calls by doctors have a place in today's high-tech medical care world? According to Dr. John R. Burton of the John Hopkins University School of Medicine, it's more desirable than ever for physicians to visit older patients in their homes because it enables the doctor to form a better relationship with the patient and also to assess the home environment of the patient in relation to health care. Dr. Burton said house calls also help many older people to continue living independently because they don't have to rely on others to bring them to the doctors' offices.

At the turn of the century, the average American male spent only 3 percent of his lifetime retired from work. Nowadays, he is spending more than 20 percent of his lifetime in retirement.

Remember When? July 11, 1952 -- The Republican National Convention nominated General Dwight D. Eisenhower for the presidency of the United States and Senator Richard M. Nixon for the vice-presidency.

Ways to Treat and Prevent Diaper Rash

Diaper rash is due to the irritating effects of urine and fecal material on the skin. Bacteria are in some way involved. Treatment and prevention of rash involves keeping contaminated diapers away from the skin and minimizing the growth of bacteria in the diaper.

- Change diapers frequently and especially after the infant's bedtime.
- If disposable diapers or a diaper cleaning service is not used, use an antibacterial diaper prewash soak such as 1/2 cup Borax in a gallon of water.
- Cleanse the diaper area with a mild soap each time a soiled or wet diaper is changed.
- Apply a protectant cream or ointment to the diaper area. Safe and effective ingredients are numerous and include allantoin, aluminum hydroxide, calamine, glycerin, petrolatum, zinc oxide, and shark liver oil.
- Powders containing talc, cornstarch, kaolin, or calcium carbonate help keep the diaper area dry. Care should be taken to prevent powder inhalation by the infant.

SECURE YOUR FUTURE WITH A TAX DEFERRED ANNUITY FROM COLUMBUS FEDERAL

SINGLE PREMIUM DEFERRED ANNUITY

CURRENT* 8.55% — 1 Year
RATE 8.30% — 2 or 4 Years

- Guaranteed Safety**
100% of your principal is guaranteed at all times by United Pacific Life Insurance Company—Federal Way, Washington.
- Retirement Income Options**
You have the flexibility to choose the type of payment program that best suits your needs.
- High Interest/Tax Deferred**
You don't pay taxes on interest until you make a withdrawal or start receiving retirement income.
- Guaranteed Interest Rate**
You can guarantee the initial rate for 1 or 2 or 4 years, with 1 year guarantee periods thereafter.

- No Annual Fees or Sales Charges**
All of your money earns interest immediately.
- Withdrawal Privilege**
You can withdraw up to 10% of your annuity value each year without a surrender charge.
- Tax-Deferred vs. Fully Taxable**
Under current tax law, although an annuity does not eliminate your tax liability on interest earnings, all interest income earned accumulates on a tax-deferred basis. The following graph illustrates the effects of tax-deferral at a hypothetical 8.00% interest rate on a \$20,000 single premium.

AUTO 7

CURRENT* RATE 8.00%

HERE'S HOW IT WORKS...
Based on the current declared interest rate, United Pacific Life guarantees a monthly payment for seven years (84 months) through an immediate annuity beginning one month after the contract date. Simultaneously, UPL guarantees that at the end of the seven year period, your deferred annuity will have a cash value equal to 100% of the amount you paid for both contracts, less any prior deferred annuity withdrawals.

Example: Assuming 8% initial interest rate and a single premium of \$100,000, Auto 7 will generate \$646 a month for seven years (of which \$496 is excluded from Federal Income Tax each month) and \$100,000 available in annuity value at the end of the seventh year!

GOALS SET

Twenty-eight members, Pastor John Fale, and one guest, Lorraine Prince, of the St. Paul's Lutheran Church Ladies Aid met Sept. 2. They decided on the goals for the Nov. 7 annual bazaar. Profits made will be used for scholarships to Lutheran College and the Aid will help local youths attend Camp Luther.

Erna Hoffman led the group in devotions titled "School for Life" and Pastor Fale gave a Bible Study "Who Am I? Whose Am I?" taken from the Lutheran Women's Missionary League Quarterly.

Mrs. Lester Menke, Aid President, conducted the business meeting. Thank yous were received from Joshua and Dannika Jaeger, Cled Evans, and Jessica Jaeger.

The Aid will serve at the Circuit Conference Ministers meeting Oct. 6. Committee for this will be Mrs. Louie Willers, Mrs. Marguerite Janke, and Mrs. Lester-Menke.

The Aid has purchased a tape player for the Sunday School and made purchases for redecorating the paragon-kitchen.

The annual church cleaning will be done Monday, Oct. 12 and Tuesday, Oct. 13. Volunteers from the congregation will be needed.

A Sunday morning Visitors Welcoming Committee is being formed by the Aid to start the first of next year.

The birthday table was observed for all July-August-September birthdays. Hostess was Mary Janke and Janice Jaeger.

The next meeting will be Wednesday, Oct. 7 at 1:30 p.m.

LABELS NEEDED

Rhonda Sebade, conducted the Sept. 2 meeting of the St. Paul's Lutheran Church Women's Missionary League. The meeting opened with the LWML pledge. The minutes were read and approved. The August mite box totaled \$27.30.

A discussion was held regarding Campbell's soup labels and used postage stamps. Congregational members are asked to continue saving both. Only the front part of the soup label is needed and a 1/4 inch edge of envelope should be left around the stamps. The labels are used for the Martin Luther Home in Beatrice while the stamps are used for the Mission Fund.

Birthdays of shut-ins to remember in September are Ed Heithold, Sept. 7; Kerrie Danberg, Sept. 11; and Ella Danberg, Sept. 25.
