# 4-H builds skills for youth - and adults

By Chuck Hackenmiller

Managing Editor

John Gallop III is eight years old, and he already has a strong message as to what the Wayne County 4-H program has to offer.

He is a first year member of the Rainbow Kids 4-H Club, and he writes in his record book:

"I have met some new people that do not go to my school. I have learned that it is easy to get along with the other kids and 4-H leaders and I have made good friends with them."

"4-H has made me very proud of myself. It has showed me that if I try hard, I can do as good as other 4-H members. Even better because I won the junior showman award with my rabbit 'Marshmallow'."

Those are words which Rosemary Severson, organization leader of the Rainbow Kids and a member of the Wayne County 4-H Council, enjoys hearing.

Rosemary, her husband Larry and children Rhonda (age 21), Jean (age 12) and 11-year-old Jennifer have been involved with the 4-H program for at least 12 years.

LARRY IS A meat inspector with USDA. The Severson family has moved many times within the last 23 years — but for the past five years they have made Hoskins their home. Prior to their relocation to Hoskins, the Seversons resided in Conway Springs, Kansas.

Their present home is an acreage just on the outskirts of Hoskins, where they currently have dairy goats, rabbits and other small animals. Nineteen dairy goats are on the farm now. Pedigree purebred rabbits are raised on the farm and sold later. "That's so we don't have to worry about them in the winter," said Rosemary.

HER EXPERTISE in small animals and her leadership qualities have strengthened the Rainbow Kids 4-H program, currently 26 members strong. "Throughout her experience as 4-H leader, she has learned one thing — 4-H is not just for the kids. 'It's unbelievable how much you learn in 4-H as an adult.'"

A strength of the Rainbow Kids is in the number of adult leaders which the club has. "We're lucky because we have 10 leaders in our club," Rosemary said.

"What we wanted at the start was

plenty of adult leaders. It is important to let the kids know they have an adult friend other than their parents," she remarked.

ANOTHER activity which the Rainbow Kids 4-H Club focuses attention on is community service work. "Our club does a lot of that," mentioned Rosemary.

Each year the club plants flowers by the fire hall. Last year, the group coordinated the "Yard of the Month" contest, giving away \$5 in gift certificates from a Norfolk nursery to winners.

Rainbow Kids played a key role in bringing back the July 4th parade, awarding three \$5 prizes to the top three entries.

Parent involvement also plays a part in the club's other activities, such as hayrides, a trip to the swimming pool or caroling at Christmas.

"We go caroling and bring cookies to the elderly people," said Rosemary.

"We painted trash cans and donated them to the city of Hoskins and we have been recognized by the 'Keep Nebraska Beautiful' committee two years in a row," she said.

Fair time can also be a busy, but rewarding experience to 4-H leaders and club members. This past year, a summary sheet shows that the Rainbow Kids took over 259 exhibits to the Wayne County Fair. In addition, the Seversons also took in a lot of goat shows — six of them during the past year. Rosemary served as a dairy goat superintendent at this year's fair.

"I wouldn't do it all if it wasn't fun, or if I didn't enjoy it," she said.

"One time I thought about exhibiting some vegetables in open class myself. But I can't with the kids showing all their rabbits, dairy goats or other animals," she added.

ROSEMARY SAID serving on the Wayne County 4-H Council has "been an eye opener."

As an organization leader, she sees the checks which come to the 4-H members and looks over other inner club activities. "On the council, you get to see the other side of the fence — all the decision-making and such," she commented.

Wayne County's 4-H program is one that deserves high regard, according to Rosemary. Last fall there was a 4-H Council area banquet, a project geared to get the older youths

ROSEMARY SEVERSON handles the morning chore of milking the dairy goats at the farm acreage located just outside of Hoskins, with some cats enjoying some of the pleasures of goat milk. Severson is the organization leader of the Rainbow Kids 4-H Club, and has been actively involved in 4-H for the past 12 years in Kansas and Nebraska. She salutes the 4-H program during National 4-H Week Oct. 4-10.

## National 4-H Week OCTOBER 4-10

involved in 4-H. Wayne County had a teen president, teen treasurer and teen secretary there — much more older 4-H'ers than what several other counties had. "That says a lot for Wayne County," she said.

"We should feel very fortunate to have a good 4-H program here and a very supportive fair board."

"They [the fair board] seems willing to try anything and will financially back it, too," she said.

Rosemary doesn't sell 4-H short one bit.

"I feel very strongly about it [4-H] and think it is the best of all youth oriented clubs. It combines the projects of girl scouts and has the closeness of Big Brothers-Big Sisters."

"And if there is true interest in the 4-H program, then it also gets the family closer together. Our kids like it when we can do things together."

SHE INSTILLS into her club members the importance of showmanship over having the best animal that money can buy.

Just ask Tim Gallop III about that. Rosemary believes seeing the happy, surprised looks on the young faces of 4-H'ers as they win high honors at the county fair, or elsewhere, makes it all worthwhile in serving as a 4-H leader.

## 4-H program 'makes a difference'

Nearly 500 young people in Wayne and Dixon Counties are preparing for the future through community involvement today in the 4-H program.

"That number reflects a growing desire on the part of young people to become active in their communities and to learn how to identify needs and ways to meet them," said Maureen Breuning Jensen, extension assistant in Wayne County and Dixon County.

These young people are joined by 164 adult leaders and "making a difference," said Jensen.

National 4-H Week is Oct. 4-10. "Our theme for 1988 continues to be '4-H For Youth For America'. We would like to acknowledge the contributions area businesses and individuals have made to make our

successes possible," mentioned Jensen.

The 4-H program is the largest youth organization in the world. Over 4.5 billion young people, nine to 19 years of age, participated in 4-H last year. Of those youth, only 15 percent lived on the farms. Twenty-eight percent lived in metropolitan areas of 50,000 or more.

Wayne County's 4-H program involves 263 youth, 42 percent of whom are boys.

Estimated value of the total time volunteers devote to 4-H plus their out of pocket expenses is about \$1.1 billion annually.

Club organization leaders, or individual study leaders, are as follows:

Terry Davis, Blue Ribbon Win-

ners; Barbara Junck, Carrolliners; Joyce Sievers, Combination Kids; Connie Roberts, Coon Creek Clovers; Bonnie Sandahl, Gingham Gals; John Witkowski, Hi-Raters; Mary Cherry, Helping Hands; Jerald Meyer, Leslie Livewires; Mindy Luff, Modern M's; Larry Sievers, Pleasant Valley; Rosemary Severson, Rainbow Kids; Una Dowling, Shoes Country Kids; Ramona Puls, Springbranch; Mavis Luff, Sunshine Kids; Verdina Johs, Wayne Peppy Pals; Janet Reeg, Sandra Atkins, Marily Finn, Sherrill Svoboda, Richard Longe, Linda Dangberg, Alan Hammer, All Individual Study; Sandra Metz, Loyal Lassies and Lads; Merlin Topp, Wayne County Beef Boosters; and Kathryn Luff, Wayne Wranglers.

## Public Power Week celebrated

From Wayne County to the Panhandle's Pine Ridge, Nebraskans have special reason to join other Americans in observing Public Power Week Oct. 4-10.

Nebraska occupies a special position in the public power concept, since it is the only state with no privately-owned electric companies. All of the state's electric systems are owned by the public.

Today, Nebraska's public power service consists of hundreds of electric systems, ranging from municipal operations such as in Wayne, rural power districts such as Wayne County Public Power, to large generation and transmission power districts.

The state's rates are among the lowest in the nation. Nebraskans also benefit from responsive service through public ownership and control of their system.

Nebraska's largest public power district, serving 85 of the state's 93 counties and portions of two others, is the Nebraska Public Power District.

Inside this edition of the Wayne Herald are advertisements by the City of Wayne Municipal Power Plant and Wayne County Public Power, saluting Public Power Week Oct. 4-10 along with a pledge to continue serving Nebraskans with efficient, economical electrical service in the future, just as in the past.

## Wayne royalty

SARAH PETERSON and Jason Liska were crowned Wayne County Homecoming Queen and King during special coronation ceremonies that took place Thursday evening at the high school. Sarah is the daughter of Carter (Cap) and Nana Peterson and she participates in volleyball, track and is a member of the National Honor Society. Jason, the son of Ken and Jan Liska, is active in band, jazz band, football and basketball and is a member of the National Honor Society.

## Bias at Wayne State

Lonise Bias, mother of the late Len Bias, an all-American basketball player at the University of Maryland, will be at Wayne State College, Monday, Oct. 12, as part of Alcohol Awareness Week at the college.

Mrs. Bias will speak in Ley Theatre in the Peterson Fine Arts Center at 3 p.m. A reception following her presentation will take place in the student center.

Len Bias, a star basketball player at Maryland, died from an apparent overdose of cocaine the night following his draft by the NBA's Boston Celtics. His death led to an investigation into the Maryland basketball program and focused national attention on the drug abuse problem among athletes and young people in general.

Mrs. Bias will speak on young people's responsibilities in today's society at Wayne State.

"Mrs. Bias' message is particularly relevant because of her experience in the death of her son," said Jan Stalling, director of Counseling Services at Wayne State. "What she has to say to young adults comes from someone who's been through a tragic experience because of drugs."

There is no charge for the speech and the public is invited to attend. The event was organized by the Wayne State Counseling Center.

## Wakefield King, Queen

KELLY FREDRICKSON and Brion Larson were crowned 1987 Homecoming Queen and King during ceremonies Friday afternoon at Wakefield High School. Their parents are Mr. and Mrs. Dennis Fredrickson and Mr. and Mrs. Randy Larson. First attendants were, with parents' names in parenthesis, Sheila Anderson (Carl) and Todd Kraike (Gene), and second attendants were Kodi Nelson (Albert Jr.) and Colby Meyer (Glenn).

# BUSINESS FOCUS

LEE WREDE, MANAGER of Gay Theatre and Hollywood Video, displays one of the Quasar VCR machines available for sale.

OWNER OF GAY THEATRE and Hollywood Video is Jack March, whose parents purchased Gay Theatre in 1933.

## Theatre serves as area entertainment hub

A total entertainment complex — offering both movies and videos — is how owner Jack March describes Gay Theatre and Hollywood Video, located at 310 Main St. in Wayne.

Gay Theatre has been around for over 50 years. Hollywood Video, located inside the theatre, began in August of 1984.

Lee Wrede, who has been associated with March since 1975 and presently serves as manager of both Gay Theatre and Hollywood Video, says today's video business allows movie watchers to "take Hollywood home."

Since 1984, Lee says Hollywood Video has continued to expand and today includes a selection of nearly 1,600 movies. "We have a good depth of selection," adds Lee, "from the black and white John Wayne movies to John Wayne in color. From the classics, which are always popular, to musicals and everything in-between."

Lee said video customers also like the convenience of uncult, uninterrupted movie watching in their own living rooms. And while many older movie enthusiasts have quit going to the theatre, Lee said he's beginning to see them again since going into the video business.

"We have videos to suit everyone's tastes," stresses Lee. "Not only do we keep all the current Hollywood hits, but we also have some of the lesser known movies and of course the classics."

Jack also points out that there is a national release date on videos, which means that Hollywood Video receives its videos

the same day as do stores in larger communities such as Omaha and Lincoln.

In addition to movie rentals, Jack said Hollywood Video is an authorized Quasar dealer and sells VCR machines and accessories. "They're the machine we rent," says Lee, "and that's a pretty good statement of what we think of the Quasar product line."

Hollywood Video can also purchase videos for persons who want to give them as gifts. Also available through Hollywood Video are videotaping and transferring, a business conducted by Jack's wife, Jane March.

Gay Theatre offers a variety of specials, including a bargain matinee each Sunday and a bargain night each Tuesday.

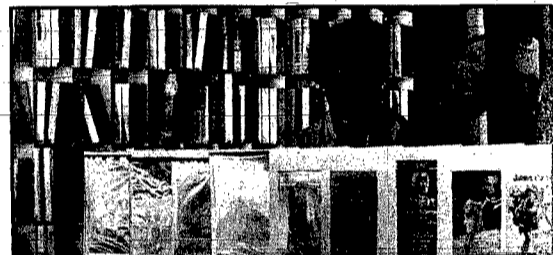

There also are free children's matinees year-round during the holidays, and each Saturday during the month of December, thanks to local sponsors.

At Hollywood Video, many movies are available for just \$1 each on Mondays, Tuesdays and Wednesdays. There also is a special which includes \$2 worth of movie credit along with a medium Pizza Hut pizza and a liter of pop for just \$7.99. "Of course," says Lee, "there is always free popcorn for Hollywood Video customers, and gift certificates are available from both Gay Theatre and Hollywood Video."

"Movies are our only business," stresses Jack, "and we've been in the business for over 30 years."

EMPLOYEES OF GAY Theatre and Hollywood Video include, from left, Eunice Wacker, Candy Milligan and Lori Bahns.

## Trojans rack up 54 points in win

Thirty-two first-quarter points set the tone as the Wakefield Trojans gunned down the Allen Eagles 54-8 Friday night in Wakefield.

The win erased a three-game losing skid for the Trojans as they upped their record to 2-3. The loss was Allen's fifth of the season against no wins.

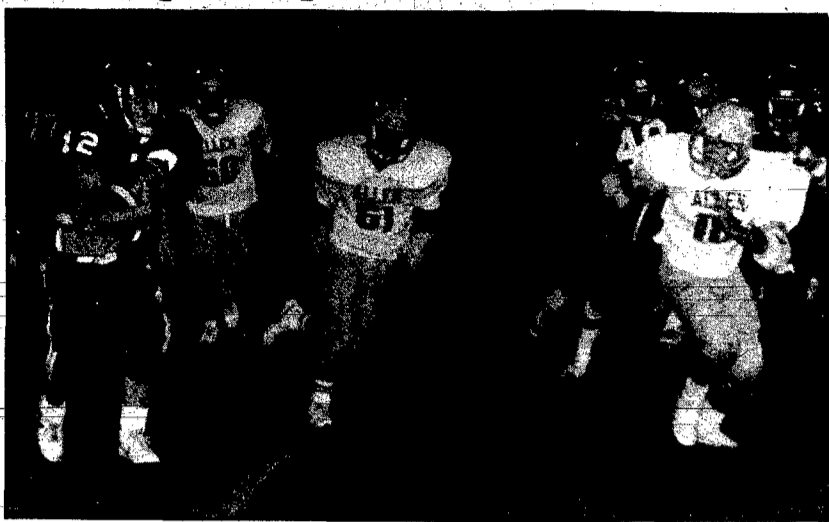

Wakefield scored on its first possession when Tony Halverson broke loose and scampered into the end zone from 27 yards out. Todd Kratke kicked the extra point and the hosts led 7-0. That was the first of five touchdowns for Halverson on the evening. The junior led all rushers with 117 yards on 11 carries. Wakefield Coach Dennis Wilbur said Halverson has matured a lot as a running back in the last couple of games. Wilbur said in the early part of the season Halverson would try to run over people rather than getting to the outside.

The Trojans made it 13-0 when Kratke hooked up with Doug Roberts on a one-yard touchdown pass after recovering a fumble at the 1-yard line. Halverson got his second score on a five-yard run to give Wakefield a 19-0 lead. It was Halverson again, this time from two yards out to give Wakefield its 25th point of the opening period. The last score of the quarter came when John Wriedt blocked an Eagle punt in the end zone and pounced on it for a TD.

Allen broke the ice in the second quarter when Kent Chase recovered a Wakefield fumble in the end zone for a touchdown. Chase added the two-point conversion to make the score 32-8. The Trojans took a 40-8 lead into halftime when Halverson went in from eight yards out. The score was set up by an interception return to the 8-yard line by Wriedt.

The game ended in the third quarter on the 45-point rule. Wakefield got its touchdowns from Kratke on a 38-yard run and Halverson on a 25-yard dash. The first score was set up by a Mark Johnson interception, the second came on the heels of a Raymond Ferguson blocked punt.

The Trojans outgained Allen 211-85. Wakefield got 210 yards rushing while the Eagles balanced their attack with 39 rushing and 49 passing. Kratke was the second-leading rusher with 74 yards on eight carries. Jeff Green paced Allen with six rushes for 16 yards.

TODD KRATKE (12) tries to turn the corner while a trio of Allen defenders pursue the Wakefield quarterback.

Roberts was the leading Trojans tackler with eight stops. Halverson and Mike Nelson each added eight tackles. Wakefield recorded seven tackles behind the Allen line of scrimmage.

Wilbur said he thought both teams played well but he wasn't pleased with his team's five fumbles. In Wakefield's two wins the Trojans have scored 106 points while tallying

15 in three losses. Allen Coach Dave Uldrich said there wasn't much to say after losing a game like that. He said his kids played as hard as they could but Wakefield was physically bigger and faster than the Eagles.

"If we held them to 100 yards it still would have been tough with three blocked punts and an interception in

our own end of the field," he said.

Allen lost Mike Gregerson with a neck injury late in the second quarter. The 205 junior jammed his neck and had to be taken to Wakefield Community Hospital to be examined.

Friday Allen will be at Bancroft-Rosalie while Wakefield will host Beemer.

## Winside

(continued from page 4)

The Vikings drew first blood when Vanness scored from 17 yards out with 8:52 left in the opening period. Winside tied the game at 8-8 when Jacobsen kept it and scored from 16 yards out with five minutes left in the first period. Wausa grabbed a 14-8 lead at halftime on a one-yard touchdown by Mark Dawson.

Winside tied the game 14-14 with 2:22 left in the third quarter when Jacobsen hit Max Kant for a 37-yard

scoring strike. Then the visitors took the lead on the Mace Kant TD.

The Wildcats had their best game of the season rushing the ball. Winside collected 150 on the ground to go with 82 yards passing for 232 total yards. Wausa tallied 296 total yards, 272 coming on the ground. Max Kant paced Winside with 15 carries for 79 yards. Doug Paulsen gained 61 yards on 18 rushes. Max also caught two balls for 48 yards while brother Mace made two catches for 17 yards. Jacobsen led the Winside defense

from his safety position. The junior made a team-high 12 tackles. Steve Jorgensen and Bill Schmidt were each credited with eight stops.

Geier said he is real proud of his team's effort. He said going into the game the kids thought they could win.

"They gave 100 percent out there and that's all a coach can ask for," Geier said.

Winside will try to even its record when it hosts 2-3 Newcastle Friday night.

## Lady Trojans remain among unbeaten ranks

The Wakefield Lady Trojans remained undefeated Thursday night after receiving a scare from host Wynot.

The Lady Blue Devils beat Wakefield in the opening set 17-15 before falling in the last two games 3-15, 7-15. The win improved Wakefield to 7-0 while Wynot dropped to 5-5. Wakefield Coach Paul Eaton said the win was big because it allowed the Lady Trojans to remain undefeated in division play. Wakefield is 4-0 in the Clark Division while Wynot suffered its first loss in division play.

Wakefield came out in the first game and looked good in the early going. The guests led by about five points midway through the game before they let Wynot back in the contest. The Lady Trojans missed nine serves throughout the evening, eight came in the middle of the first set. As a team, Wakefield finished the night 71-80 for 88 percent efficiency.

Karen Hallstrom was the top Wakefield server as the junior hit 19-20 and scored 14 points. Mollie Greve scored 10 points and served 13-14 coming off the bench for Eaton. Kodi Nelson added eight points and was 12-13 from the serving stripe while Tricia Schwarten tallied six points and was 11-14.

Eaton said his team played pretty well in the final two games. He also gave credit to Wynot for playing a good match.

The Wakefield coach said the Lady Trojans didn't hit or pass as well as they are capable. He blamed that on a lapse of concentration.

Wakefield was successful on 82 percent of its spikes going 39-47. Nelson led the way going 11-14 with a pair of aces. Julie Greve and Hallstrom went 10-11 and 10-13 respectively while Lana Ekberg was 8-9 with two kills. The Lady Trojans finished the night with only six ace kills. That number is well below their season average.

Michelle Otte turned in a fine passing performance from the back line. The junior was 10-13, which included several difficult serve-receives.

The Wakefield JV and the C Squad also won. The junior varsity dropped the first set 10-15 before taking the next two games 15-9, 15-11. The win enabled the JV to remain undefeated. The C squad beat the young Lady Blue Devils in two sets 11-7, 11-1.

Wakefield will try to maintain its No. 4 ranking in Class C-2 Tuesday night when its hosts the Osmond Lady Tigers.

## Winside ends skid with three-set win

Winside broke a three-match losing streak Thursday night as the Wildcats took a three-set win from Coleridge.

Winside, 4-5, hadn't won a match since the consolation match of the Winside Invitational Sept. 15. The win gives the Wildcats a 2-2 record in the Clark Division of the Lewis and Clark Conference.

Winside lost the first set 7-15 before taking the last two games 15-7, 15-11.

Neither team served well in the match. Winside hit only 80 percent of its serves, 59-73. Wildcat Coach Jill Stenwall said she thought the problem was the ball. Stenwall said the ball was over-inflated causing the ball to sail.

Cher Olson was the top Winside server hitting 17-21 with four aces. The senior tallied 14 points and was 34-38 setting the ball. Lori Jensen was

successful on 11-12 serves and 9-10 spikes. Winside spiked 61-74 at the net for 82 percent. The Wildcats recorded 28 ace hits. Kristy Miller went 17-21 with 10 aces while Tricia Hartman was 12-17 with five kills. Seniors Carmen Reeg and Ann Melerhenry were 10-13 and 8-8 respectively with five kills each.

"We probably didn't play as well as I like to but a win is a win for the girls," Stenwall said.

The Winside junior varsity also won by scores of 15-3, 15-10. Kathy Leighton scored 14 points and Tinta Hartman tallied 10 points for the JV. The Wildcat C team lost in two sets 5-11, 5-11. Tami Jenkins paced Winside with five points.

Next up for the Wildcats will be Wynot in a home contest Tuesday evening.

## Laurel's playoff hopes placed on hold

Controlling the line of scrimmage was the difference in the game when Pierce entertained Laurel Friday night in an important NENAC contest.

The Bluejays stifled the Bear rushing game and handed the guests a 41-13 loss, severely damaging Laurel's hopes of qualifying for the state playoffs. The game left both teams at 3-2.

The Bears were held to their lowest rushing total of the season as the Bluejays checked Laurel to 72 yards on 26 carries. Meanwhile the Pierce offense ground out 287 yards on the ground in 52 attempts. Laurel's Brad Prescott entered the game averaging

114 yards a game rushing. The senior managed only 37 yards in 11 tries.

The game was closer than the final score appears. The Bluejays scored 27 points in the final period. They scored three fourth-quarter scores on a fumble recovery, a pass interception and a 68-yard run on the last play of the game.

"We definitely got beat tonight but not by 41-13," Laurel Coach Mark Hrabik said.

Pierce jumped to a 14-0 lead before Laurel got on the board. Scott Marquardt hit Steve Schmitt with a 34-yard pass to give Laurel a first and goal from the 5-yard line. Two plays later Marquardt took it in from

four yards out. Franco Lama added the extra point.

The defenses dominated in the third quarter and the score remained 14-7 heading into the final 12 minutes.

The first play of the fourth quarter was the turning point of the game. Pierce had a fourth and two at the Laurel 7-yard line. The Bear defense appeared to have the Pierce runner stopped but the officials failed to blow the play dead. The Pierce ball carrier fumbled the ball and it was recovered and taken into the end zone by one of his teammates to make the score 21-7.

The guests made it 28-13 when Prescott scored from five yards out

later in the quarter. From there on out things went downhill for Laurel.

One of the bright spots for Hrabik was the play of Schmitt. The senior ran for 30 yards, caught four passes for 57 yards on offense and was credited with three tackles, a fumble recovery and an interception on defense. Randy Sherry was the top Bear tackler with 11 stops. Jason Swanson added nine tackles and Daren Martinson was credited with eight.

Friday Laurel will have another important NENAC game when the Bears host Bloomfield. Before Saturday's game against Crofton the Bees were 1-3.

## CSIC Notes

Emporia State and Wayne State each had players selected as the players of the week in the CSIC for the past week.

Aubrey Dunlap of Emporia State was chosen as the offensive player of the week for the third consecutive week. The 5-10, 190-pound junior fullback ran for 204 yards on 32 carries and scored one touchdown as the Hornets defeated Baker University 17-17. The Sherman, Texas native currently leads the CSIC in rushing with 542 yards for an average of 180.7 yards a game.

Bud Sachs of Wayne State was the first Wildcat to earn player of the week status this season. Sachs, 6-0, 190-pound defensive back from Omaha, was credited with five tackles, including three unassisted stops. The freshman broke up two passes and blocked a 32-yard field goal attempt that preserved a 10-10 tie against Missouri Western. The game was Sachs' first collegiate start.

## Wayne harriers place 4th at South Sioux City

Schools from all over eastern Nebraska and western Iowa gathered in South Sioux City Friday for the South Sioux City Invitational cross country meet.

The competition was divided into two divisions. The Class A schools participated in the A division while the rest of the squads ran in the B division.

The Wayne Blue Devils finished fourth in the B division. Crofton won the nine-team division followed by Wisner-Pilger, Morris-Orange City and Wayne. Ralston won the A division, Sioux City North came in second while Sioux City East came in third.

Wayne's Shane Geiger finished 16th in the meet in a time of 16:49.

Geiger earned a ribbon after narrowly missing a medal. Nick Engelson and Rob Sweiland also ribboned. Engelson finished 20th in a time of 17:01 while Sweiland placed 23rd in a time of 17:38. Brian Lentz crossed the finish line in 32nd place and Scott Allred placed 33rd.

In the freshmen and sophomore class Aaron Wilson finished in

seventh place in a time of 19:26. Edith Janke also won a ribbon with her seventh-place finish. Janke toured the course in 22:34.

Coach Rocky Ruhl said the competition was tough. He said the kids had to run against Class A runners so it made it difficult to know where they stood in their own division.
