Highway projects reviewed

anaging Editor Work has begun on Highway 15 south of Wayne, beginning at the Altona intersection moving nor-thward. Highway 15 was one of the topics discussed during the Nebraska Department of Roads and State Highway Commission's information meetings on the 1988-1993 and beyond Fiscal Year Highway Improvement

Program.
The meeting took place Wednesday evening in the Laurel City Auditorium.

Other road projects, including the proposals to establish a four-lane ex-pressway from north to south across the state, were discussed at the District 3 meeting. The district incorporates 15 counties including Cedar, Dixon and Wayne.

Economic development was one element which creates a need for the four-lane highways, said Jerry Langhorst of Creighton, who represented the Upper Missouri United Chamber of Commerce.

State Department of Roads Director-State Engineer Ray Hogrefe said the transportation department has been looking at pro-posed 360 miles of expressway system. Most of the heavy volume traffic would be on this 360 miles of

expressway system, he mentioned.
A link of a four-lane highway between Norfolk, Fremont and Columbus could be a consideration, he added: But with cuts in federal funding, the highway department must come up with ways to maintain its present primary roads. "The average condi-tion of pavement on the state highways is deteriorating," he said.

McCarthy said there will be two big asphalt plants "to try and finish the job" on Highway 15.

"That was 19 years ago. 50 in has had quite a bit of life on it now," said McCarthy.
Hogrefe said the department hopes for an average life of about 12 years on an overlay resurfacing project.
The biggest problem with asphalt mixes is the problem of rutting, he

Allen Trube of Allen also appeared highway department could install "slow speed lane" on Highway 20 near Cottonwood Hill. A large feedlot is near the area and also a steep hill.
"A lot of 18-wheelers don't like to slow down," Trube said.

of fraffic on that road, a slow speed

lane "would be nice to have."

State Senators Elroy Hefner of Coleridge and Gerald Conway of Wayne eridge and Gerald Conway or wayne were also present at the informa-tional meeting at Laurel, presided over by State Highway Commis-sioner Merle Kingsberry of Ponca. Hefner voiced support for

renomination in year of knigster, y to the state highway commission. "There's a lot of expertise there, and he is dedicated," Hefner said.

He expressed regret at seeing Hogrefe resign from the director-

state engineer post.
"That's four state engineers in the last—II - years. We're not doing something right. We need to keep them here longer than we have. We need more continuity," Hefner said. There is expansion within the state

in the areas of economic develop ment, hence a need for a good highway system. "I think you'll see more funding coming up," Hefner

HE SUPPORTS bonding to help finance future road projects? He said cities and schools use the bonding program to finance various projects Why can't we build some

Pork is an excellent source of B vitamins, thiamin, illacin and riboflavin. The B vitamins are necessary for energy utilization, a healthy nervous system, a normal appetite, healthy skin and eyes.

Proteins — building blocks of life — are necessary to build, maintain and repair body tissue as well as to increase resistance to infection and disease. Pork is an excellent source of high qualify protein.

Pork is rich in the mineral iron which teams with protein to play a vital role in the formation and maintenance of red blood and the prevention of anemia. Other prominent minerals in pork include zinc phosphorus and magnesium. Pork has a high ratio of nutrients to calories and is termed nutrient dense. A three-ounce serving of cooked, lean pork contains about 206 calories.

Bridal Showers

Pam Brownell

A bridal shower was held Oct. 3 at the United Methodist Church in Allen to honor Pam Brownell, who will become the bride of Fred Dederman on Oct. 24 at St. Paul's Lutheran Church in Norfolk.

A 9 a.m. brunch was served by hostesses Phyllis Geiger, Phyllis Swanson, Gail Hill, Mary Lou Koester, Shirley Lanser, Eleanor Jones, Carol Jackson, Marian Ellis and Norma Warner. Tables were decorated in the honoree's chosen colors of Illac and pink.
Phyllis Geiger was seated at the guest book and also served as mistress of ceremonies for a program following the brunch. Mary Lou Koester presented devotions and accompanied Evelyn Trube who sang several selections.

Kristi Meyer of Norfolk, sister of the bridegroom, assisted Miss Brownell in opening her gifts. Phyllis Swanson gave the brideelect a special thank you from the church for her years of service as church organist. Table grace was given by Virginia Fraser.

Special guests were the bride-elect's mother. Dorothy Brownell, her grandmother, Mrs. John Potter, and the bridegroom's mother, Cleone Deitloff, and sister Kristi Meyer, both of Norfolk.

Wayne gals get 3rd; qualify for state

The Wayne girls golf team qualified for the state tournament for the second year in a row by finishing third in the Class B-1 district at The Pines in Valley.

Omaha Duchesne played state championship golf Thursday in winning the district. Duchesne firred a 383 to take top honors. Blair came in second seven shots behind the winners with a 390. The Lady Blue Devils followed by posting a team score of 420. Ashland finished fourth with a 497 followed by Stanton, Valley, Columbus Scotus and Plattsmouth. Eikhorn and Gretna also participated but they didn't field complete teams. The top three squads qualified for the state meet. The top eight individuals also qualified but the first eight girls all came from Duchesne, Blair and Wayne.

Claudia Ames was the individual medallist as she carded a 18-hole total of 86. Wayne's Holly-Peige and Becky Vinton of Blair tied for second with scores of 94 but Paige beat Vinton in sudden death to claim the second spot. Amy Gibson of Duchesne finished fourth firing a 96 while teammate

Ann Perry of Wayne and Jill Schref-fler of Blair fied for sixth with rounds of 97 but Schreffler beat the Wayne golfer in extra holes. Jill Jordan of Wayne placed 16th with a 112, Andrea Marsh finished 22nd posting a 117 and Cher Reeg placed 24 with a round of

Wakefield Coach Paul Eaton agrees with Manganaro's assessment in part.

"We're still not as consistent as I would like but I think we're playing pretty well right now," Eaton said.

Wakefield's Kodi Nelson had one of those nights that doesn't come around very often. The senior was 16-16 serving the ball with five aces, 10-10 in splking with six kills while scoring 14 points. All three were team-highs totals.

Maior asset sale

The United States Department of Agriculture, announced that it will sell a portion of its Farmers Home Administration (FmHA) rural housing loans as part of the Reagan Administration's Credit Management Improvement Program. The loans will be sold to the Rural Housing Trust 1987-1 which, in turn, will sell approximately \$2.4 billion of securities secured by the loans to investors. This is the second major sale of FmHA assets ammounced in the last month.

The sale will virtually have no effect on individual borrowers, whose rights are being fully protected. Interest, subsidies, moratoriums and all other rights will continue to be available to borrowers whose loans are sold. About the only discernable change will be where they send their checks, according to K. Kirk Jamison, state director for FmHA in Lincoln.

SUNNYHILL VILLA is equipped with 15 units, including one for handicapped residents. The complex is located at 900 Sunnyhill Road.

At Sunnyhill Villa

Quiet lifestyle offered

All that is waiting for you at Sunnyhill Villa at 900 Sunnyhill Road in Wayne. The 15-unit dwelling still has apartments available for seniors 62 years of age and older. The complex also has an apartment equipped for handicapped residents.

The two-story building has ground-level entrances on both floors as well as laundry facilities on each level. Each apartment comes equipped with drapes, a refrigerator and a stove. Residents also have the use of a paved parking area on the east side of the building and mailboxes inside the main entrance

Every apartment is hooked up with an emergency call system in the bathroom and bedroom to aid residents in case of an emergency

Heating and cooling systems are regulated independently by each resident. Rent for each dwelling is priced according to the tenants adjusted annual income.

A first floor community room is available to all residents and their families. The community room is equipped with a refrigerator, stove and sink. Hickman said the community room can also be available for public use.

Sunnyhill is financed by Farmers Home Administration. It is managed by Lockwood Manage ment of Topeka, Inc., which manages more of these type rental units than any other company in the United States. The area office in Topeka is responsible for 2,050 units throughout six states.

Joleen Hickman is the property manager, with Orval Brandstetter acting as site manager. Anyone interested in further information can contact Brandstetter at 375-3050 or 375-5013.

The complex opened its doors to the public in May. Resident Fern Kelley said she couldn't be happier in her new home. Mrs. Kelley moved to Sunnyhill in August.

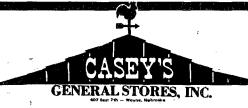

I'm very happy here, there is plenty of room," she said. "After living on Main Street I can't get over how quiet it is. I get a good night's sleep."

Mrs. Kelley said she also liked the maintenance-free living. No snow to scoop in the winter and no grass to mow in the summer, according to Mrs. Kelley.

PICTURED IS THE spacious living room/dining area. Each apartment is equipped with a stove, refrigerator and drapes.
