Foundation drive kicks off

Wayne State College says 'thank you'

By Chuck Hackenmiller
Managing Editor

Just how much does Wayne State College contribute to the economic climate of this region?

Significantly, according to Wayne State College Foundation President J. Alan Cramer of Wayne.

Business representatives from the surrounding area were treated to an "appreciation breakfast" Thursday morning, sponsored by the Wayne State College Foundation.

The breakfast served as a way for the Foundation to say "thank you" to the businesses for their past support, and it also served as a kick off for the Foundation's annual business drive, according to Foundation Executive Director Shane Giese.

Wayne State College has a direct and indirect economic impact upon Wayne and the area that the college serves, Cramer said in his address to the business representatives.

He said the annual budget of Wayne State College is \$13.1 million, and the college has a plant value of nearly \$21 million.

Of the \$13 million dollar budget, approximately \$2.06 million is directed

toward "Wayne purchases," Cramer mentioned.

THE EMPLOYEES of Wayne State, and the students, also contribute to the local economy. Wayne State currently has 307 monthly employees and 252 bi-weekly (student employees) which are on the college's payroll. The annual payroll for the monthly employees is \$5.94 million and the yearly payroll for the bi-weekly employees is \$243,879.

There are 2,455 students enrolled on campus and 457 enrolled with extended campus. If the campus enrollment spent \$15 per week, a figure used by the financial aid office of Wayne State College, that would result in about \$36,825 per week that would be circulated in the local community, according to Cramer.

The community also benefits indirectly from the local dollars spent by the Food Service, Energy System and Book Store employees who service the Wayne State College campus, Cramer mentioned.

Giese said the Foundation's business-drive begins now and runs through Jan. 15, 1988. On the heels of

A fantasy forest

WAYNE'S THIRD ANNUAL "Fantasy Forest 1987" display opened Thursday evening in Wayne city auditorium with a lighting ceremony, visit from Santa Claus and special music by students at Wayne-Carroll High School. Pictured are several Wayne Area Chamber of Commerce members during a coffee Friday morning at the auditorium. The display, sponsored by the Interior Design Club at Wayne State College and the Chamber of Commerce, features some 36 Christmas trees decorated by local businesses and organizations. Final day for residents to view the display free of charge was Sunday, Dec. 6 from 1 to 4 p.m.

the business drive will be the annual alumni phon-a-thon and the corporate drive, Giese mentioned.

The funding collected from the Foundation drives will be pooled with all other unrestricted type monies established at Wayne State College. Last year, over \$60,000 of the funds went toward scholarships and another \$120,000 was distributed to support college programs through purchase of equipment, supplies and for the provision of faculty grants and sponsorship of the Black and Gold Cultural Series.

No exact goal dollarwise has been set in the Foundation drives, Giese said.

However, Giese said the Foundation hopes to match what was made last year — or hopefully more than that. Last year the Foundation raised over \$340,000.

Wayne State College President Dr. Joseph Fleck also spoke to the business representatives at the Foundation breakfast. He also focused on the long term value of the college as a resource for economic development within this region as well as the state.

HE SAID Wayne State has been doing business at the same location for

more than 77 years while rising to the challenge of preparing citizens to meet the demands of a dynamic and evolving society.

WSC offers students five degrees in more than 50 majors, and graduate work has expanded to include two masters degrees in 10 programs.

Of the current student body at Wayne State, 90 percent are from homes within 100 miles of Wayne. More than a third can be described as non-traditional — those that return to college after some lapse in their formal education or those seeking to upgrade skills through graduate programs or cross training to new careers.

Some 67 percent of the students will apply for some form of financial aid, according to Fleck.

Of last year's graduates, 97 percent found employment in their chosen career field.

"Several members of last year's class were selected by eight big accounting firms; our teacher education graduates continue to be highly recruited by some of the most prominent school districts; and several have entered promising career tracks in government service," said Fleck.

FLECK SAID the college's proposal for another Title III grant is being developed to provide "even more challenging opportunities for students across the spectrum of their interests and abilities."

He said another grant in the developmental stage will enable the college to place counselors in the high schools throughout the area served by WSC, for the purpose of identifying and encouraging academically promising students who might otherwise not opt for education beyond high school.

"This Talent Search Grant is the first of a series of three which together are designed to promote the full development of the talent represented by the youth of this country," Fleck remarked.

Another grant which Wayne State is competing for will provide significant work experiences for students in selected career fields.

President Dr. Joseph Fleck also spoke to the business representatives at the Foundation breakfast. He also focused on the long term value of the college as a resource for economic development within this region as well as the state.

Wife, mother, beautician

Hoskins mayor wears many hats

By LaVon Anderson

Meet Pat Brudigan — wife, mother, licensed beautician and mayor.

At age 42, Pat isn't about to give up any of her titles — the newest being Mayor of Hoskins.

Hoskins, population 310, lies cuddled among the hills in southwestern Wayne County.

Mrs. Brudigan has the honor of being the first woman to serve as the community's chief official since it was incorporated nearly 90 years ago.

"I THINK I got outvoted," jokes Pat as she takes a break from a busy Friday at her beauty salon on Main Street.

Pat became Mayor of Hoskins in November of 1986 when Jim Miller resigned after serving as the community's mayor for 12 years.

Pat had served on the five-member village board for six years and fellow board members voted to appoint her to a two-year term of mayor succeeding Miller.

As mayor, Pat also serves as chairman of the board — both unpaid positions.

AFTER SERVING as mayor for nearly a year now, Pat says she is proud of the progress which has been made in Hoskins and of the community support she has received.

"I've really been backed up well," says Pat. "Nobody has thrown a fit yet."

"Hoskins is a small community, and it's a nice community. There's always someone there when you need help."

Pat especially praises city

maintenance man Leonard Marten. "Being mayor makes me feel good," says Pat, "but Leonard is the one who makes me look good because he's so good at what he does."

PAT IS ESPECIALLY proud of the general cleaning up of Hoskins which has taken place during the past year and of the community improvements.

Her biggest challenge since becoming mayor — "keeping the sewer running and the water going" — has turned out to be among the many improvements the community has undertaken.

"Hoskins is an older community with old pipes that have broken," says Pat, adding that the community has started installing new sewer and water mains where old ones have failed.

PAT DOESN'T keep track of the hours she spends carrying out the duties of mayor, keeping her beauty shop running or taking care of her family.

"I'm also Harold's secretary and bookkeeper," she laughs before excusing herself to answer a customer's question in her husband's machine shop located adjacent to the beauty salon.

Pat returns a few seconds later and seats herself in a chair normally reserved for her customers.

"Oh heck, I don't know how many hours I spend as mayor. If something needs to be done, I just get on the phone or jump in the car and do it."

In addition to regular board meetings the last Monday of each month, Pat says she meets for about an hour each morning with Leonard

"I don't keep track of the hours in-between."

HOW DOES PAT'S family feel about having a mayor in the house? "They think it's pretty neat," smiles Pat. "My husband's a good critic after 22 years of marriage."

Pat's family also includes son John, 21, who is employed at the IBP plant in Madison. Daughter Joan, 20, will graduate in December from Northeast Community College in Norfolk and plans to enroll at Wayne State College majoring in elementary education.

Another daughter, 15-year-old Jill, is a freshman at Norfolk Junior High School.

NOT ONLY DOES Pat receive support from her family, she also receives it from her beauty shop customers.

"The ladies in town like to tease the out-of-towners about having their hair done by the mayor," jokes Pat. "I get a lot of good-natured ribbing," says Pat, "but I enjoy what I do and I think we've made a lot of progress in town the last couple of years."

"THE JOB MAKES me feel good," adds Pat, "and it's been very interesting. I deal with people in my shop everyday, but it's altogether different when you're dealing with city problems."

"There are times I'd like to run and hide, but for the most part it's been fun."

Pat adds that one of the fun things the mayor helps do is prepare for Santa's visit with youngsters of the community.

News and Notes

by Mary Temme, Extension Agent-Home Ec.

Where do you have your freezer?

Do not operate combination refrigerator-freezers and automatic defrost freezers in unheated places like garages or porches where the ambient temperature (the temperature surrounding the unit) is likely to drop below approximately 60 degrees F. Only freezers equipped to operate at such low temperatures can continue to function properly. Consult the use and care guide or the manufacturer to determine if your refrigerator or freezer is so equipped. As ambient temperature increases, the compressor must run more to maintain the storage temperature in the fresh food and frozen food compartments. Conversely, as the ambient temperature decreases, compressor operation decreases.

WHEN THE AMBIENT temperature drops to 50 to 60 degrees F., the compressor will not operate long enough to provide sufficient cooling to maintain the low storage temperature in the freezer compartment (5 degrees F. or below).

This occurs because the fresh food compartment contains the primary sensor and is satisfied quickly at the low ambient temperature. The lower the ambient temperature drops, the worse this situation becomes, and around 38-42 degrees F., the compressor will not run at all.

The freezer compartment temperature will then increase to the ambient temperature and the frozen food in the compartment will defrost and can spoil.

FROST-FREE OR automatic defrost freezers will not operate properly in an ambient temperature below 32 degrees F. Below this temperature the defrost water melted from the evaporator during the defrost cycle could refreeze before it is eliminated from the unit and cause the air circulation passages to eventually be blocked by ice.

Manual defrost freezers can usually operate in an unheated garage or porch without adverse effects on the unit or the food.

Manual defrost freezers, both chest and upright, are designed to operate most efficiently in temperatures between 50-100 degrees F. Most, however, will not be adversely affected by temperatures well below 50 degrees F.

The refrigeration system performance will be less efficient at these low temperatures, but the compressor will run less frequently and less energy will be used.

SOME MANUFACTURERS provide a small heater for the compressor for operation in ambient temperatures less than 50 degrees F. These are usually sold through the manufacturer's service organization.

The heater keeps the compressor oil from frothing during low temperature start-up and reduces compressor valve noise.

Since designs vary, consult your use and care guide or the manufacturer to determine the needs of your particular unit.

Schuyler pins dual loss on Blue Devil wrestlers

Schuyler, showing its strength in the lighter weights, defeated the Wayne-Carroll varsity wrestling team 36-21 in a dual meet Thursday evening before the Warriors home fans.

"We had a chance to win it, but we were not able to take advantage of the chances," said Blue Devil Head Wrestling Coach John Murtaugh.

"It was a typical first match. Some of our wrestlers wrestled really well, while others could have done better," he said.

"But I saw more good things last night [Tuesday night] in the first match of a season than I have seen of first matches since I've been here, and that is encouraging," he added.

Schuyler jumped to a big lead by winning the first five of six matches in the lighter weights. Blue Devil Mike DeNaeyer, at 112, got Wayne on the board with a technical fall win in 5:40 over Schuyler's Keith Christensen.

Murtaugh said Schuyler's best, more experienced wrestlers were at the lower weights, which is why the Warriors got off to a fast start.

"It wasn't because of a lack of effort among our lower weight wrestlers. It's just that Schuyler's best kids were there," Murtaugh mentioned.

Junior Tom Etter picked up the pace for the Blue Devils at 140, winning a decision over Warrior Ed Schemper by a 6-2 margin.

Wayne freshman Jason Ehrhardt won his first match of the year at 152 with a 13-9 decision over Kurt Kruse. Junior Blue Devil Jason Cole, wrestling at 160, won a decision, 11-5, over Alan Sucha.

Senior Joel Pedersen pinned Schuyler's Pat McClure, 4:36, in the

189 pound weight class to round out Wayne's scoring.

Wayne forfeited the heavyweight weight class.

Results of the varsity match are as follows:

103 — Chris Janke (W) lost by decision, 8-3, to Cody Stutzman.
112 — Mike DeNaeyer (W) won by technical fall in 5:40 over Keith Christensen.

119 — Trevor Wehrer (W) lost by pin, 1:18, to Justin Stutzman.
125 — Jeff Struve (W) lost by pin, 2:30, to Loopy Bayer.

130 — Cory Wieseler (W) lost by pin, 5:39, to Nick Kasik.

135 — Greg DeNaeyer (W) lost by decision, 6-5, to Marc Gilson.

140 — Tom Etter (W) won a decision, 6-2, over Ed Schemper.

145 — Shane Geiger (W) lost a decision, 14-6, to Nick Parry.

152 — Jason Ehrhardt (W) won a decision, 13-9, over Kurt Kruse.

160 — Jason Cole (W) won a decision, 11-5, over Alan Sucha.

171 — Chris Luff (W), lost a decision, 12-5, to Aaron Henry.

189 — Joel Pedersen (W) won by pin, 4:36, over Pat McClure.

Hwt — Forfeit (W) to John Bohaty.

There were six junior varsity matches against Schuyler. Those results are:

145 — Jessie Brodersen (W) pinned, :59, by Doug Cerny.

152 — Rusty Hamer (W) won by pin, 4:40, over Joe Kasik.

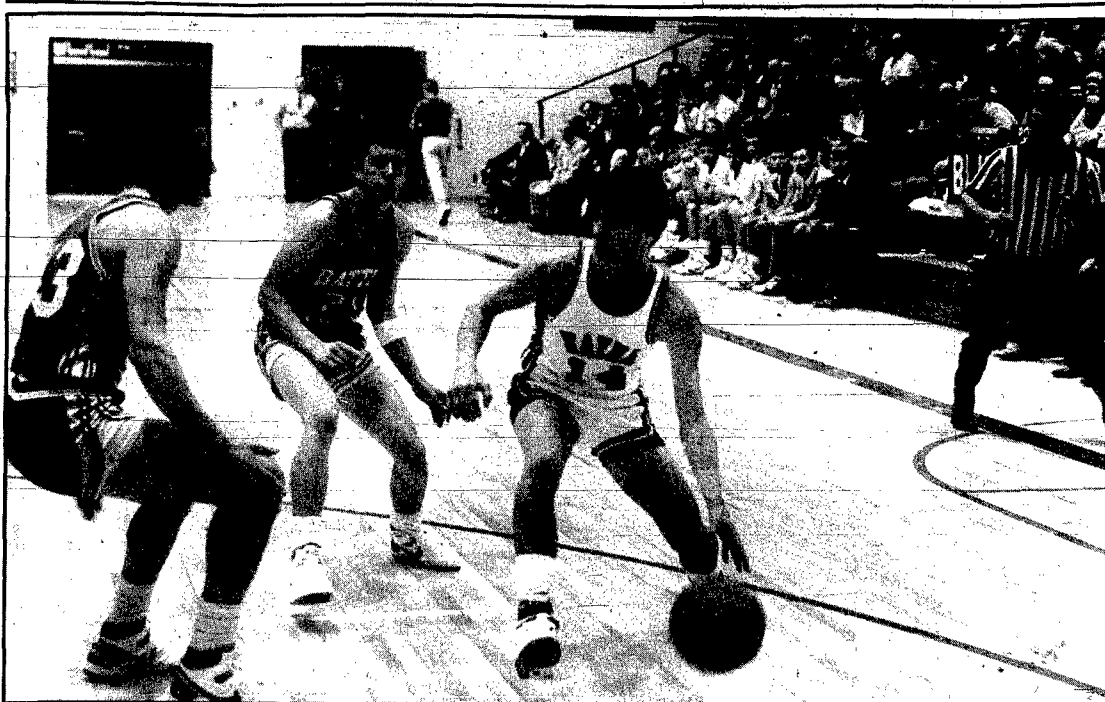

160 — Dave Hewitt (W) won by pin, 5:47 over Shane Kluck.

160 — Tim Sievers (W), lost by decision, 5-3, over Russ Novak.

171 — Matt Bruggeman (W), lost by decision, 14-1, over Tom Kluck.

189 — Brian Nelsen (W) won by pin, 2:42, over Devin Johnk.

Hammers scores 19 Blue Devil depth helps defeat Battle Creek

How does the new 3 point shot affect the outcome of games?

Wayne-Carroll's Blue Devils witnessed Battle Creek as they made nine 3-point shots in its season opener Friday night in Wayne. But in the end, it was the Blue Devils who came out ahead as they defeated the Braves by a 79-74 score.

The Blue Devils trailed at the end of the first quarter, 14-13 and at the half, 37-34, but came storming back at the start of the second half to pull to a seven point lead.

One of the keys to Wayne's win was the hard work shown by the Blue Devil team and the ability to rebound.

"Our kids played really hard. And they did a nice job on the boards, especially on the offensive boards," said Coach Uhing.

"And our bench played exceptionally well," he added.

Uhing said the Blue Devils showed a lot of character being down at halftime and then coming onto the floor in the second half to build a seven point lead. "And in the last six minutes, they played hard and played smart," he added.

All five starters for Wayne ended the game in double figures, led by Scott Hammer's 19 points. Next was junior Jarrod Wood with 16 points, followed by Jess Zeiss and Nick Engleson each with 13 points; and Doug Larsen with 10 points.

Hammer connected on two 3-pointers and Zeiss popped one 3-pointer through the hoop.

Wayne had a good night shooting from the outside, hitting on 50.9 percent of their attempts. Battle Creek

shot from the outside at a 45 percent clip.

Leading rebounder for Wayne was Larsen with 12. Wayne, as a team, outrebounded Battle Creek 32-18. The Blue Devils were 14-29 from the free throw line.

Uhing said the Blue Devils did a good job of passing and hitting the open man. He said the team will have to work a lot on defense in upcoming practices.

When Engelson was in the game, Uhing noted that the Blue Devils would jump to up to an eight point lead. However, Engelson only played about six minutes of the game because of foul trouble. "When your only starter and leading scorer from last year can only play six minutes, that makes a big difference," said Uhing.

However, he said Jed Reeg, Neil Carnes, Willy Gross and Eric Runestad (who had five offensive rebounds in the first half) came off the bench and played well.

WSC loses CSIC contest to hot-shooting Mo. Western

Wayne State College lost its CSIC 1987-88 opener last Wednesday, falling to Missouri Western by a 89-62 score.

Missouri Western jumped to a 41-29 lead at the half and outscored the Wildcats 48 to 33 in the second half to gain the victory.

The Wildcats shot about 33 percent from the floor and were 71 percent from the free throw line. Missouri Western made 50 percent of their field goal attempts and was 5 of 11 from the free throw line.

Leading all Wayne State scorers was Scott Hurley with 14 points. Also in double figures were Byron Haas with 13 points and Mike McNamara with 12 points. Steve Dunbar, who led the team in steals with 3, had 9 points for the Wildcats. Leading in assists for the Wildcats was Wade Behlen with 3.

Top rebounder for Wayne State was McNamara with 9. Missouri

Western outrebounded the Wildcats by a 47-37 margin.

Wayne State committed 25 turnovers while Missouri Western was victimized with 19 turnovers.

The Wildcats next game is Monday, Dec. 7, against Briar Cliff, a team that is currently 7-1 on the year. The game will be played at 7:30 p.m. in Sioux City at the Newman Flanagan Center.

Last year, Briar Cliff and the Wildcats split, with the Chargers winning 65-50 and the Wildcats winning 64-54.

This year's team is led by senior Fernando Pinillo, who is averaging nearly 27 points per game. The scoring leader for Wayne State thus far this season is Scott Hurley, averaging 17.5 points per game.

After the Briar Cliff game, Wayne State travels to Omaha to take on UNO Thursday, Dec. 10 at 7:30 p.m. The Wildcats end the first semester on Dec. 14 at Huron College in a 7:30 p.m. contest.

Marquardt with 12 points and Kyle Nixon with 10 points. Guard Doug Manz added eight points.

The Bears shot approximately 21 of 58 from the field (nearly 36 percent). Crofton fared worse shooting from the outside, hitting on only 18 of 60 attempts. However, two of those field goals were 3-pointers.

From the free throw line, Laurel hit on 8 of 17, while Crofton added up 15 of 22.

Top rebounder for Laurel-Concord was Schutte with 16, followed by Nixon with 12. The Bears outrebounded Crofton, 43-31 in the loss.

Hrabik said he was pleased with the play of Schutte and Nixon. The

balanced scoring indicated that his team, he said, has the potential to "put the points on the board."

"But we have to get better from the free throw line and shooting outside from the field," he said.

Crofton third quarter breaks Bears

Had the Laurel-Concord Bears played Crofton with the same caliber of performance in both halves of Friday night's game at Laurel, the Bears would probably have won their opening game of the 1987-88 basketball season.

Such was not the case, however, as the Crofton Warriors ruined Laurel's offensive strategy and defeated Laurel-Concord by a 53-50 score.

The Bears played almost even with Crofton the first quarter, trailing only by two as the second quarter began.

In that second quarter, Laurel outscored Crofton 18 to 10 to take a 24-18 halftime lead.

Bear Head Coach Mark Hrabik said his team did a good job in the first half of getting the ball inside to sophomore John Schutte, who led all Laurel scorers with 17 points.

"In the second half, somehow that phase of the game got lost," said Hrabik.

"I wasn't pleased with the number of turnovers we had, and at times was not happy with the lack of organization," he added.

Hrabik said a lot of the turnovers had to do with Crofton's full-court pressure.

"They were all over us. There was a lot of physical contact. Crofton was able to force us out of what we wanted to do," he said.

Laurel committed 23 turnovers while Crofton ended the game with 12.

Hrabik added that Crofton will likely be one of the quickest teams that the Bears will face all year.

Laurel finished the game with a balanced scoring attack. Also in double figures for the Bears were Scott

Wildcats thump Eagles in opener

The Winside Wildcats put on a balanced scoring attack and defeated Allen before the Eagle home fans Thursday night, winning by a wide margin, 72-32.

Winside jumped to a 19-6 first quarter lead and never looked back as the lead grew to 43-16 at halftime. Wildcat junior Tim Jacobsen topped all scorers in the game with 23 points — one of those baskets from 3-point range. Next high scorer for Winside was Randy Prince with 12 points; followed by Chris Nau, 11 points; and Steve Heinemann with 10 points. Two of Heinemann's baskets were from beyond the 3-point mark.

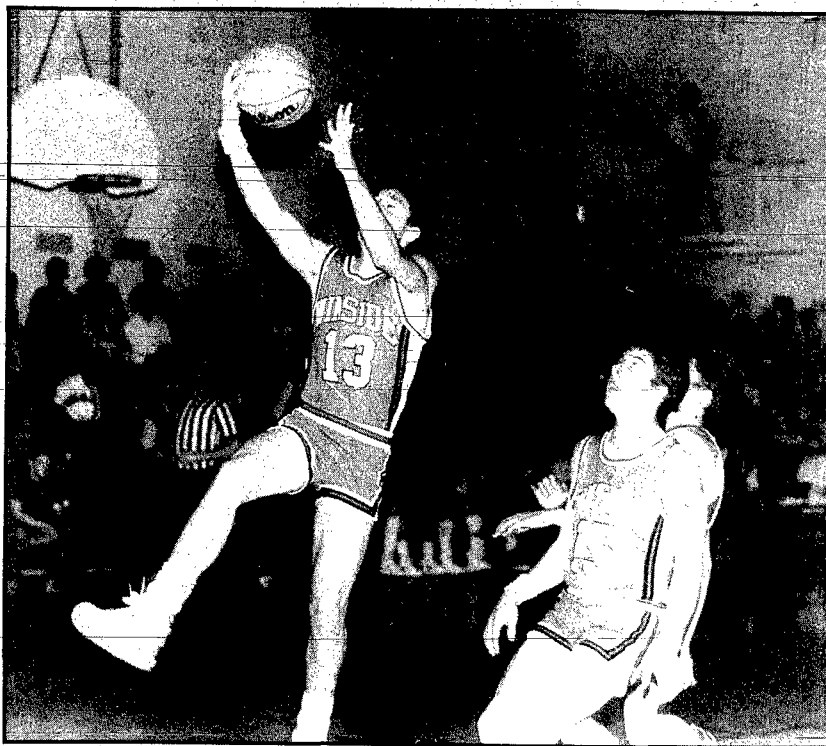

"We played pretty well our first game. I think our shooting from the outside made the difference. They played well together as a team," said Wildcat Head Coach Randy Geier. "Also, we had a lot of fans drive up to Allen to support our team, which really helped."

Throughout the game, Winside applied tough defensive pressure to the Allen offensive attack. "The kids hustled, too," said Geier.

Allen Eagle Head Coach Dave Udrich said his team needs to shoot better from the field, especially on the home court. As a team, Winside shot about 45 percent from the outside. Allen shot around 20.5 percent.

Udrich said the Eagles were not able to keep Winside off of the offensive boards. Despite the loss, Udrich saw some things positive about his team.

"We were able to get the shot off a lot, and we only committed 20 turnovers. With all new people and it being the first game of the season, 20 turnovers is remarkable," he mentioned.

TIM JACOBSEN (13) soars for two of his 23 points against Allen.

"Also, we didn't handle the basketball that poorly and did well against their press," he added.

Wildcat Coach Geier said his team needs to run a "more organized fast break."

"We also need to keep our intensity on defense," Geier added.

Winside outrebounded Allen, 49-45. Darren Wacker pulled down 12 boards to lead the Wildcats, followed by Nau with nine and Prince with eight. Jacobsen led Winside in assists with seven. Gary Mundil had five assists.

The Wildcats were 9 of 16 from the free throw line. Allen was 3 of 8.

Leading all scorers for Allen was freshman Shane Dahl with nine points (including one 3-pointer). Ben Jackson scored six points for the Eagles.

Top rebounders for the Eagles were Lanny Boswell and Jackson, each with seven.

In the turnover department, Winside had eight and Allen finished the game with 20.

Trojans stay close to tough Panthers

Even though Wakefield didn't win against Bancroft-Rosalie Friday night, Trojan Head Coach Paul Eaton seemed pleased with his team's performance.

Bancroft-Rosalie came away with the win on the Trojan home court by a 54-46 score. The Trojans stayed close to the Panthers in the first quarter, down only 11-9. They outscored Bancroft-Rosalie in the second quarter to take a 23-22 halftime lead.

But the second half belonged to the Panthers as they scored 21 points to Wakefield's 16 in the third quarter and 11-7 in the fourth quarter.

Wakefield's leading scorer of the previous game, Scott Lund, was in foul trouble in the first half and eventually fouled out of the game, as did Mike Nelson and Brian Larson.

Top point-getter for the Trojans was Stuart Clark with 11 points; followed by Andy McQuistan with eight and Nelson with seven points.

Clark also led Wakefield in the rebounding statistics with 11, followed by Matt Tappe with six boards. Turnovers were fairly even, with

Wakefield committing 14 and Bancroft-Rosalie, 13.

The Trojans were 16 of 41 from the outside and 0-4 from 3-point range, according to Coach Eaton. Trojan Scott Lund led the team in steals with four.

"Our kids played very well and I'm proud of the way a lot of the kids contributed in the game. We didn't win, but I was happy with what they did," said Eaton.

Eaton said his bench, particularly the sophomores on the team, played well in the game.

Pendragons trip Trojans

The Wakefield Trojans knew they were in for a battle against Pender Thursday night. And they weren't disappointed.

Pender jumped to a 26-14 first quarter lead and went on to handle the Trojans at Wakefield, 64-40.

Trojan Head Coach Paul Eaton credited his team with a good effort, despite the opening game loss to Pender. He looks to see improvement in the upcoming games against Bancroft-Rosalie which the Trojans host on Saturday night and when Wakefield hosts Wausua on Tuesday, Dec. 8.

"Pender is a good shooting ball club and they handle the ball well. I really look for them to have a good season," said Eaton.

Scott Lund paced the Wakefield Trojan scoring attack with 20 points. Stuart Clark was the Trojan's next high scorer with 8 points.

The game's scoring leader honors went to Brad Vogt of Pender who scored 22 points.

From the free throw line, Wakefield hit on 14 of 21 attempts for 67 percent. Pender was 6 of 7 from the charity stripe.

At halftime, the Pendragons led 41-21 and had a 55-31 edge when the third quarter ended.

Rebound totals, turnovers, steals and team field goal shooting statistics were not available.

In junior varsity action, the Trojans defeated Pender by a 33-27 score. High point man for Wakefield was Tony Krusemark with 8 points.

"Our future looks pretty good," said Eaton. "We have some young players with talent."

Knights defense wins out

Homer rolls past Winside

Winside's first half and second half were like night and day against Homer in a game played Friday night on the Knight's home court.

Homer defeated the Wildcats by a 70-46 score.

However, in the first half the Wildcats had jumped to a 13-8 lead and only trailed 26-25 at halftime.

However, the Knights outscored the Wildcats 22-15 in the third quarter and 22-6 in the final quarter to ice the victory before their home fans.

Tim Jacobsen led the Wildcats in scoring with 19 points. He had five 3-point baskets and four free throws to make up for his total points. Steve Heinemann was the only other

Winside player in double figures with 10 points.

Wildcat Chris Nau finished the game with 9 points and was the team's leading rebounder with seven, followed by Jacobsen with five and Randy Prince with four. Prince and Darren Wacker each tossed in four points for the Wildcats.

Winside was guilty of 20 turnovers during the Homer contest and found difficulty with their touch on the free throw line, hitting only 10 of 24 shots.

Todd Pospisil, assistant Wildcat Coach, said his team played tough the first half and was able to slow down the Homer fast break.

But the defensive pressure of

Homer wore down the Wildcats and didn't allow Winside to get back into their offense. "Things fell apart," said Pospisil.

Both Nau and Prince left the game with five fouls midway through the second half and were replaced by Mark Brugger and Tad Behmer, both freshmen. "It's hard to replace that size and experience," said Pospisil.

Despite loss, Eagles improve

Coleridge hands loss to Allen

The Allen Eagles had their hands full against Coleridge Friday night, losing to the Bulldogs by a 81-39 score.

After all — the smallest player in the Bulldog line-up was a point guard that was 5'11", according to Eagle Head Coach Dave Uldrich. The remaining Coleridge team had players averaged at least 6'3".

However, Eagles Head Coach Dave Uldrich felt his ball club held its own — at least in the late going of the second quarter and the entire third quarter — against the tough Bulldogs.

"It was only 26-12 with three minutes left in the first half, and then they ran off 10 quick points before halftime," said Uldrich. In the third quarter, Coleridge only outscored the Eagles, 19-17. "That's the best quarter that we've played so far this year," Uldrich remarked.

He said the Bulldogs pressed the Eagles "for all but the last three minutes of the game. He said his players "picked themselves up well" after the defeat Thursday night to Winside. The intensity among his players was much more evident Friday against Coleridge.

Allen was led in scoring by Shane Dahl with eight points. Lanny Boswell shoveled in seven points and

three players — Matt Hingst, Kent Chase and Ben Jackson — each contributed six points each.

Jackson tossed in two 3-pointers and Hingst and Dahl each scored one 3 pointer.

The Eagles were 13 of 50 from outside and 9 of 17 from the free throw line. Coleridge was 35 of 84 from the field and 9 of 16 from the line.

Leading Allen in the rebounding department were Chase with seven and Harder with six. Dahl recorded three steals for Allen.

Coleridge committed only four turnovers the entire game, while Allen numbered 25.

Uldrich said Coleridge was "a very physical and quick team."

Laurel girls win season opener against Coleridge

Laurel's Lady Bears played a typical first game against Coleridge — but it was good enough for them to win their opening game of the 1987-88 basketball season. Laurel-Concord defeated the Lady Bulldogs by a 43-37 score Thursday night.

"It was a typical season opener. We have some things to work on — such as our defense and our shooting," said Lady Bears Head Coach Pam Thies.

"But we did okay for the first game," she added. "Some people did a good job of hustling and being aggressive," she added.

Thies said Coleridge was an improved ball club over last year's team. Lady Bulldog Angie Hoffart led all game scorers with 21 points.

Laurel had two players scoring in double figures. Amy Adkins threw in 14 points and Kim Mathiason tossed in 10 points. Dawn Addison and Becky Christensen each added in 8 points.

The Lady Bears out-rebounded Coleridge, 39-24. Top rebounder for Laurel was Addison with 9, followed by Christensen with 7 and Sherri Mc-

Corkindale with 6. Adkins led the team in steals with 4.

As a team, Laurel was 9 of 17 from the free throw line, and 17 of 57 from the field goal department. They committed 25 turnovers in the game.

Coleridge was 7 of 23 from the free throw line. The score was tied at 9-9 when the first quarter ended. At halftime, the score stood at 15-11 in favor of the Lady Bears. They were outscored by Coleridge, 11-6, in the third quarter, but held off the Lady Bulldog rally to win down the stretch.

Lady Bears comeback falls short against Crofton

Laurel-Concord's Lady Bears, trailing by 11 points going into the final quarter, staged a gallant comeback but fell short in losing to Crofton Friday night by a 46-36 score.

Crofton led at the end of the first quarter, 10-6 and 22-17 at halftime. The Warriors extended their lead to 11 (34-23) as the Lady Bears could come up with only six points in the third quarter on their home court.

Then Laurel staged a rally and cut the Warrior lead down to five points midway through the fourth quarter.

But Crofton capitalized on the foul line to hold off the Lady Bears, who were playing without starter Amy Adkins. Adkins, chosen as a 4-H delegate to the National 4-H Congress in Chicago, will be missing a couple of upcoming Laurel games.

"We sent them to the line 14 times late in the game," said Lady Bear Head Coach Pam Thies.

"Tama Reifenrath played well shooting from the field," said Lady

Bears Head Coach Pam Thies. Reifenrath led Laurel in scoring with 13 points. Next high scorer for Laurel was Becky Christensen with seven points.

Crofton got one more rebound than Laurel, 29-28. The Lady Bears were led by Christensen with 11 boards, while Addison skied for nine rebounds.

Kim Mathiason, who scored six points for Laurel, was also the team's steal leader with four.

'TOYS FOR TOTS'

The Laurel Senior Citizen's Center will be participating in the Goldenrod Hills Community Action Council "Toys for Tots" program. This program will provide toys for children who may have a rather sparse Christmas due to the financial situation of the families. To adopt a child's name, citizens are asked to come to the Senior Center, locate the Christmas tree and choose an ornament of the tree. The ornament will have the child's name, sex, age and a short want list. Citizens may choose more than one child. Next there is a name sheet located next to the tree, place a check after the name of the child you have chosen. After you have purchased and wrapped the gift, the ornament may be used as a name tag, and the gifts are placed under the tree. On a designated date, the parents will come to the Toy Store and pick the presents up to be given to their children. This type of gesture is what Christmas is all about.

ONE-ACT PLAY CONTEST

The Laurel-Concord drama

students participated in the NENAC one-act play contest in Crofton on Nov. 24. The play performed by the students for the concert was "No Alterations." The student performers were Jessie Monson, Dana Anderson, Diane Olson, Becky Wattier and Julie Dickey. Stage technicians were Mike Freeman, Becky Stanley and Sherri McCorkindale. Mrs. Brandon, English teacher for the Laurel-Concord school, is sponsoring the one-act play competition. According to Mrs. Brandon, the conference competition in Crofton was a chance for all the one-act play groups to brush up for districts in Wayne on Thursday, Dec. 3.

The one-act play performers received a superior and a high excellent rating from the judges for their efforts in Crofton. If all goes well at districts in Wayne, the group may then go on to participate in the one-act play state competition.

AIDS PRESENTATION

On Tuesday, an AIDS awareness presentation was given for the parents and the public at the Laurel-Concord School. The purpose of the

presentation was to inform the public about AIDS, the disease, how it is spread, how to avoid getting it and what the students are being taught in regards to AIDS education.

Some of the basic information given at the meeting about Acquired Immune Deficiency Syndrome is that: scientists believe the disease is not spread through casual contact, such as shaking hands and that the disease is spread when bodily fluids are exchanged and the blood stream is contaminated.

Once AIDS is contracted there is no known cure, so it is in the best interest of the public for all ages to be educated about the disease. It is no longer a disease that is limited to specific populations, it is a disease that has spread to the general population. There are some high risk groups such as, intravenous drug users and people who have more than one sexual partner.

On Tuesday, the presentation was given to the Laurel-Concord students, grades 7-12. A video was used in the presentations for both the

public and students. The students were then allowed to write down three questions and have them answered by Dr. Felber.

Mayor

(continued from page 1)

According to the mayor, Santa Claus will be in Hoskins on Wednesday, Dec. 16 between 3:30 and 4:30 p.m.

WOULD PAT encourage other women to accept political or governmental offices?

"Of course," smiles Pat. "If women can budget a checkbook or run a household they can certainly aspire for mayor or anything else they choose."

"I wouldn't want to be Governor of Nebraska, but I really like being Mayor of Hoskins."
