All lit up

A HOUSE ALONG West First Street in Wayne is one of several homes entered in the Wayne Holiday Lighting Contest. Winners will be announced after Christmas.

Address tells of expiration

Subscribers of The Wayne Herald should check their address label in the top corner of the front page to see when their subscription expires.

By readers checking their label, the need (and expense) of sending out renewal notices will be greatly reduced.

Numerous newspapers throughout Nebraska and elsewhere successfully have implemented this cost-saving procedure and have found it to be an easily adaptable change for their subscribers.

So if your label reads 188, your last issue will be dated Dec. 31.

Towards the end of each month, this reminder — and similar announcements — will be published in two or three consecutive newspaper issues to provide maximum notice for readers whose subscriptions expire at the end of that particular month. The first notice will be published at approximately the same time the old subscription renewal cards normally would have been mailed.

Yearly rates for subscriptions are \$21.89 for addresses in Wayne, Cedar, Dixon, Pierce, Thurston, Cuming, Stanton and Madison Counties; \$24.20

for other Nebraska addresses and \$29.40 for out-of-state addresses. Purchasing single newspaper copies each week at a local newsstand costs approximately 60 percent more than the price of an annual subscription.

Only subscribers who receive their newspaper through the U.S. Postal Service will be affected by this renewal notice change. Local subscribers who receive their newspaper via Herald carriers still will receive a renewal notice postcard (since those newspapers do not include an address label).

Satisfying sales being reported by merchants

By LaVon Anderson
Assistant Editor

If this year's Christmas season is any indication, things may be looking up for Wayne's business community, and, hopefully, for the agricultural sector as well.

"I'm very satisfied," said Will Davis of Sav-Mor Pharmacy, adding that sales this Christmas season are up despite the recent stock market plunge.

"I heard a panic following the news of 'Black Monday,'" said Davis, "and so far I've not seen any evidence of that."

Davis said he remains hopeful for the coming year. "My biggest hope is that the farm economy is coming back. It's been the pits for a long time."

Popular Christmas gift items at Sav-Mor Pharmacy have included simmering potpourri, along with wall hangings with a message as well as a picture.

Also popular as gifts for teachers, hostesses, secret sisters and others are soaps packaged in baskets and Christmas ornaments.

IN GENERAL, the mood throughout the Wayne business community seems to be optimistic.

"It's been a good year," echoes Dier's Supply Manager Jerry Eurek, "and we appreciate it."

Eurek said sales in general this Christmas season have gone well at Dier's Supply, with the hottest ticket items including toy machinery and insulated coveralls.

Dave Loose, manager of Pamida Discount Center, said Christmas

sales there began with a boom in early December and are picking up again in the last week before Christmas.

"Shoppers came out early for better selection and are now coming back," said Loose, crediting the early harvest as one reason for the head start on Christmas shopping.

Popular items in Pamida's toy department this year include Nintendo, an electronic game that hooks up to the television, along with the board game Pictionary and the Fischer Price farm set.

Loose said the Skill Twist cordless screw driver has been a popular gift for the men, while appliances top the Christmas gift list for the ladies.

Cordless screw drivers also top the Christmas gift list at Wayne's True Value, according to owner Marilyn Ortmeyer.

Ortmeyer said sales there this Christmas season have been "really good," and she also credits the apparent improvement in the economy as the reason.

Ortmeyer said one item which has not moved as well as expected is the artificial Christmas tree. "We've still got lots of them left."

ALTHOUGH ARTIFICIAL Christmas trees may not be in demand this year, both Dave Loose of Pamida and Jean Nuss of the Ben Franklin Store say there has been a marked increase in the sale of outdoor lights, garland and other Christmas decorations.

"We have seen an unusual demand for outdoor lights," says Nuss. "The energy crisis is apparently over." Nuss said although no one toy has

dominated this year's market, the number one item at Ben Franklin has been GI Joe.

Gift boxes and gift sacks also were popular at Ben Franklin and are no longer available.

WAYNE CLOTHING merchants also report an increase in sales during the 1987 Christmas season.

"I think maybe the economy is starting to turn around," says Sheryl Lindau of The Four In Hand, adding that she is seeing a renewed interest in downtown with the addition of new businesses.

The Four In Hand owner also credits Wayne's new Christmas lights and decorations for adding to the spirit of the season.

Lindau said another encouraging factor is that people from neighboring communities are traveling to Wayne rather than surrounding cities.

Popular Christmas items this year at The Four In Hand have included holiday dresses and sweaters for the women, along with Mickey Mouse and Coca-Cola attire for the younger generation.

DENIM AND dresses seem to be the most popular clothing items at Kid's Closet, according to Millie Thomsen.

Thomsen said sales there also have been up this Christmas season as well as throughout the year.

At Swans' Women Apparel, Marie Mohr said sweaters, robes, sleepwear, accessories and winter coats have been popular gift items.

Mohr said she too is very pleased with sales.

Final drawing nears for Holiday Magic

Only one drawing remains in Wayne's Holiday Magic promotion after the fourth of five drawings took place Thursday afternoon.

The final Holiday Magic drawing will happen on Tuesday, Dec. 22. Over \$500 in gift certificates will be given away.

So far over \$2,000 in gift certificates have been won by Wayne area shoppers.

Ask the participating merchants in Holiday Magic to register the dollar amount of items purchased from their store. Names drawn in the Holiday Magic promotion will win back the amount spent on the merchandise purchased in the participating store — up to \$50.

Those who have not purchased items in the participating stores, but would like to register, can do so and have an opportunity to win \$1.

WINNERS FOR this week are:

Kevin Hausmann, Wayne, \$12, Black Knight; Merle Ring, Wayne, \$50, Arnie's; Gordon Nuernberger, Wayne, \$6, Ellis Barbers; Gilbert Baier, Wayne, \$18, Helkes Automotive; John Schaefer, Wayne, \$10, Sportman's Cafe; Ronald Temme, Wayne, \$49, Stark's Electric; Virginia Wright, Wayne, \$8, Wall-To-Wall Decorating; Judy Poehlman, Wayne, \$10, Wayne Sporting Goods.

Carolyn Beiermann, Wayne, \$10, Godfather's Pizza; Rozanne Backer, Randolph, \$22, The Wayne Herald; Doris Walker, Wayne, \$6, Wayne Super Foods; Mrs. Reynold Lobert, Wayne, \$13, Pamida; Janet M. Schmitz, Wayne, \$10, Wayne Super Foods; Wilma C. Petersen, Pilger, \$29, Surbers; Lois Polt, Wayne, \$5, Pac 'N Save; Jonie Langemeier, Wayne, \$3, Wayne Greenhouse; Pauline Dail, Wayne, \$8, Wayne Super Foods; Pat Dolata, Wayne, \$7, Kid's Closet.

Martha Smith, Allen, \$29, Pac 'N Save; Richard Brown, Wayne, \$14, El Toro; George Johnston, Winside, \$15, Sav-Mor Pharmacy; Alta Pearson, Wayne, \$8, Pac 'N Save; Peggy Kluber, Allen, \$18, Pizza Hut; Coloss Hassler, Emerson, \$14, Bill's GW; Mary Clausen, Carroll, \$15, Vacko Building and Home Center; Lois Greve, Wisner, \$14, Pamida; Verma Kardell, Wayne, \$6, Bill's GW; Linda J. Bauermeister, Wayne, \$18, Pamida; Germaine Kaup, Wayne, \$4, Wayne's True Value Hardware; Alice M. Ahlvers, Wayne, \$30, Bill's GW; Margaret Schram, Wayne, \$15, Kuhn's; Margaret McClelland, Wayne, \$23, Country Nursery.

MOST WAYNE stores will be open Sunday afternoon, Dec. 20 and open evenings Dec. 21, 22 and 23. Most businesses will close Thursday, Dec. 24 at 4 p.m.

Santa Claus makes one more visit to Wayne before Christmas Eve — and that day is Sunday, Dec. 20 from 2-3 p.m. at the Wayne Sporting Goods-Century 21 building in Wayne.

Echoing their satisfaction with Christmas sales this year is Dorothy Johnson of Queens Fashions.

"It just seems like it's been real good," says Johnson. "Maybe people think things are looking up a little bit."

Johnson said sales in general have been good at Queens Fashions, although blouses and sweaters probably top the list.

LIL SURBER of Surber's Clothing says shoppers this year seem to be in the Christmas spirit and sales there are going well.

In the women's department, popular items include fancy sweaters and blouses, novelty sweatshirts, scarves, coats and suits.

For the men, the hottest selling items include colorful dress shirts with matching ties, along with sweaters, especially cotton sweaters, dress slacks, and sport coats and slack outfits.

KUHN'S MANAGER Rich Zrust said he would be more than happy if this year's Christmas shopping trend would continue throughout the year.

Zrust said sweaters, both men's and women's, are probably the most popular gift items being purchased at Kuhn's, along with ladies sleepwear and Snug-Tred slippers for women.

Also popular at Kuhn's are domestic items including electric blankets, towels and sheets.

Zrust agrees with Four In Hand owner Sheryl Lindau in that he too is seeing new shoppers from communities surrounding Wayne.

"A lot of them claim they haven't shopped in Wayne for a number of

years," said Zrust, "and they've been quite happy with what they've seen in town."

JEWELRY ALSO is a popular gift item this year and Diamond Center owner Randy Pedersen said he feels that shoppers are discovering bargains in their own backyard.

"I think people like to shop at home and avoid the hustle and bustle of the malls," said Pedersen, adding that more and more consumers are discovering that local business owners can offer good value as well as service.

Popular jewelry items at The Diamond Center this Christmas season include Black Hills gold, diamond solitaires, pendants and earrings, as well as men's diamond rings.

"IT'S LIKE OLD times are back again," smiles Gary VanMeter of Mines Jewelers.

VanMeter said Christmas sales this year have been superb and range from the \$24.95 diamond stud earrings to the \$1,995 one carat diamond solitaires.

VanMeter said Black Hills gold also is popular at Mines Jewelers, including Black Hills gold mother's rings.

"Everything seems to indicate that we are getting back to where we were a few years ago," said VanMeter, adding that retailers in Wayne still have to remain conscious of serving local and area consumers.

"That," said VanMeter, "will be my main thrust for 1988."

Area Toys for Tots adoption program proven successful

Only 19 out of hundreds of children still need to be adopted in what has been a very successful "Toys for Tots Adopt a Child Program" in Wayne County.

"The program was a lot more successful than last year. People were more willing to give on a one on one basis," said Gene Dunklau of Wayne, representative of Goldenrod Hills headquartered in Wisner.

Goldenrod Hills is the agency which helps coordinate the Toys for Tots Adopt a Child Program.

The adoption idea was incorporated into the Toys for Tots program last year. The program allows a person to pick out a name of a child who has parents that are struggling financially. Christmas gifts are provided to the child by the adoptive parents.

Goldenrod Hills was faced with finding individuals willing to adopt 88 Wayne County children when the Adopt a Child program kicked off on the opening day of the three-day Fantasy Forest at the Wayne City Auditorium earlier in December.

The Wayne County children were adopted in two days — at the Fantasy

Forest opening night on Thursday, Dec. 3 and during the Wayne Area Chamber of Commerce Coffee Friday morning (Dec. 4).

But there were still plenty of other children from surrounding counties not adopted. Headquarters were established at the Century 21 and Wayne Sporting Goods business building. Of the 180 children in Dunklau's outreach area, only 19 remain unadopted.

People had until Sunday, Dec. 20 to participate in the Adopt a Child program. Dunklau said she would be at the adoption headquarters Sunday from 2-4 p.m.

THOSE WHO have purchased gifts for the Adopt a Child program are to bring them by Monday morning, Dec. 21, to 114 West Third Street in Wayne. They will be distributed to the parents of the children Monday afternoon, Dec. 21.

Wakefield Lions Club, Dunklau said, have furnished funds to purchase gifts to cover all of the children in need in Dixon County. Wayne Kiwanis Club, VFW, Eagles, Jaycees, Women of Today and

numerous other organizations and clubs have contributed financially or through donations of items such as Christmas trees.

"Church groups, on Sunday night (Dec. 20) will present gifts such as stocking hats and mittens, coloring books and other items," said Dunklau.

Northwestern Bell provided books to all the children, said Dunklau.

The adoption program had been run in conjunction with the Area Chamber of Commerce Christmas events and the free movies for children — one reason why the program proved so successful, mentioned Dunklau.

Two of the volunteers who have assisted in the Toys for Tots Adopt a Child Program have been Wilma Moore and Julie Grone. Other volunteers will offer their services later on.

"Some will be helping to give out the toys on Monday," said Dunklau.

DOLLARS CONTRIBUTED in the Toys for Tots program will be used to buy gifts for the children who do not get adopted.

Dunklau said special thanks should be given to all who have become involved in the program, particularly Walter Moller and Roy Coryell for allowing use of their buildings; Taco Del Sol for the sharing of business space; Wayne's True Value Hardware and Sav-Mor Pharmacy for donating the wrapping paper; Chamber executive vice-president Linda Brown for arranging; Santa Claus visits at the time the Toys for Tots headquarters was open for business; Pac 'N Save and Wayne Super Foods for donation of food items; and the countless others who have given time and effort in helping the Christmas gift for tots program.

Dunklau said up to 240 people who are of 60 years of age and older will be receiving food baskets this Christmas.

She also mentioned another project that is currently underway in northeast Nebraska called St. Nick Project, sponsored by the Westminster Presbyterian Church in Lincoln, which will provide Christmas to 118 farm families in this location of the state.

VOLUNTEER WILMA MOORE of Wayne places gifts under the Jaycees donated tree that were provided for the Toys for Tots Adopt a Child Program.

Briefly Speaking

BC Christmas party held

BC Club members and their husbands met for a Christmas party on Dec. 5 at Geno's Steakhouse. Pitch furnished entertainment with prizes going to Mary Lea Lage and Orville Lage, high, and Esther Heinemann and Melvin Korn, low.

New club books were distributed and a gift was sent to Mrs. Warren Baird, who is hospitalized.

Five members of the club held their regular monthly meeting on Dec. 4 in the home of Alma Splittgerber. Roll call was "It Makes Me So Mad." Cards were played during the afternoon with June Carstensen and Esther Heinemann receiving prizes.

The club will not meet again until April.

Sunrise Toastmasters

The Dec. 8 meeting of Sunrise Toastmasters Club was called to order by President Faunell Bennett. She recommended that members read the book, "Winning With Words," which is available at Wayne Public Library.

Toastmaster was Duane Havrda, jokemaster was Genie Dunklau and topicmaster was Sue Schroeder. Tabletopic speakers were Sam Schroeder, Faunell Bennett, Darrell Miller and Eileen Miller.

Darrell Miller's speech, "Keys to Healthy Living," was evaluated by Doug Temme. General evaluator was Sam Schroeder, "ah" counter was Darrell Miller and grammarian was Faunell Bennett.

Guest attends T and C

Sophie Test was a guest at the Dec. 10 meeting of T and C Club in the home of Florence Meyer. The group played 500 with high scores being made by Alta Baier and the hostess.

Muriel Lindsay will be the Jan. 14 hostess.

Christmas potluck at Redeemer

Fifty-five members and guests, along with the Rev. and Mrs. Wallace Wolff, attended a Christmas potluck dinner hosted by Redeemer Lutheran Churchwomen on Dec. 12.

Pastor Wolff gave the table prayers. Following lunch, President Blanche Backstrom conducted a brief business meeting and presented Pastor and Mrs. Wolff with a fruit basket.

Margaret Anderson and Blanche Backstrom presented the program. They told about their trips this past summer to Sweden, showing pictures and articles they brought back.

Churchwomen presented Blanche Backstrom and Joyce Sievers, outgoing president and vice president, with gifts. The group sang Christmas carols, accompanied by Marilyn Pierson.

The executive committee was in charge of the kitchen and decorating. Redeemer circles will meet Jan. 13.

13 attend Minerva luncheon

Thirteen members of Minerva Club met for a Christmas luncheon at the Black Knight in Wayne on Dec. 14.

Following lunch, the group traveled to the home of Hollis Frese. Mildred Jones presented the program on Dick Cavett, a famous Nebraskan. She reviewed an autobiography entitled "Eye on Cavett." A gift exchange was held and the hostess served coffee and Christmas cookies.

Pauline Nuernberger will be the Jan. 11 hostess at 2 p.m.

OES officers elected

Wayne Chapter 194 Order of the Eastern Star held election of officers during a meeting Dec. 14.

Officers for next year include Joanne McNatt, worthy matron; Darrel Fugelberth, worthy patron; Kyla Jo Gallop, associate matron; Orval Brandstetter, associate patron; Bette Ream, secretary; Mary Lea Lage, treasurer; Lynn Kramer, conductress; and Nancy Fugelberth, associate conductress.

Memorial services were conducted for Minnie Korff Weigle of Pleasant Hill, Calif.

Serving chair man for December was Lynn Kramer. Open installation of officers will be held following the next regular meeting on Jan. 11.

Christmas readings at LaPorte

Five members of LaPorte Club answered roll call with a Christmas reading when they met Dec. 15 for a carry-in dinner in the home of Margaret Sundell. A brief business meeting was conducted.

Clubwomen will not meet in January. The next meeting will be the annual dinner on Feb. 16 at noon in the home of Lucille Wert.

Pleasant Valley luncheon

Fourteen members of Pleasant Valley Club and one guest, Dola Huseman, attended a Christmas luncheon on Dec. 16 at The Lumber Company. Hostess was Della Mae Preston.

Hollis Frese read a poem, "The Meaning of Christmas." Members held a cookie exchange for roll call. They also brought items for the Wayne County Food Pantry. The club has given a Christmas gift to a resident of Wayne Care Centre.

Irma Baier was in charge of entertainment, which included a Christmas game and pitch. Receiving prizes were Della Mae Preston, Ida Bichel, Phyllis Beck and Ruth Flierer.

Next meeting will be a family dinner on Jan. 20 at noon at Geno's Steakhouse.

Sugar in your diet

Sugar adds flavor to many foods. How much is okay to consume? The answer depends. If you are overweight or have diabetes, the answer is very little. In fact, it is recommended in the USDA Dietary Guidelines for Americans that, in general, people should "avoid too much sugar."

One of the problems with sugar is the company it keeps in high-fat, high-calorie foods such as frosted cakes, rich pies, cookies and candies.

Sugar adds calories to the diet without adding nutrients. So there is the danger that foods high in sugar might replace more nutritious ones.

ANOTHER PROBLEM with eating sugar is that it tends to promote dental decay. Sticky, sugary foods may stay on the teeth longer than sweet liquids. But people who sip on sweetened soft drinks all day may be doing their teeth harm, too. Each 12-ounce can of cola drink has about nine teaspoons of sugar.

You can promote cavities in young children by putting them to bed with a bottle of milk, formula, juice or other sweet liquid. Give children food and drink prior to bedtime so the teeth and mouth can be cleaned properly.

To cut down on sugar, choose foods at the supermarket made with less sugar. Buy fresh fruit or fruit packed in water or juice instead of syrup.

CHOOSE RECIPES made with less sugar or reduce the sugar in them. The following recipe for Carrot-Pineapple Cupcakes uses about half the sugar of a typical carrot cake. It also is lower in fat and calories.

Carrot-Pineapple Cupcakes

- 1 cup whole-wheat flour
- 1/3 cup sugar
- 1 teaspoon baking powder
- 1/2 teaspoon baking soda
- 1 teaspoon cinnamon
- 1/4 teaspoon nutmeg
- 1/8 teaspoon salt
- 1 egg, beaten
- 1/4 cup oil
- 1 cup carrots, shredded
- 1/2 cup crushed pineapple, juice pack, drained
- 1 teaspoon vanilla

Preheat oven to 350 degrees F (moderate). Mix dry ingredients thoroughly in mixing bowl. Add remaining ingredients; mix well. Fill baking cups or muffin tins two-thirds full. Bake 20 minutes or until top springs back when touched lightly.

Per cupcake: Calories — 165; Total fat — 8 grams; Cholesterol — 34 milligrams; Sodium — 151 milligrams; Saturated fatty acids — 1 gram.

At reception in Wayne

Walter Jagers observe 40th

The 40th wedding anniversary of Mr. and Mrs. Walter Jager of Wayne was observed during an open house reception held Dec. 13 at St. Paul's Lutheran fellowship hall in Wayne.

Hosts were the couple's sons, Mr. and Mrs. David Jager, Missy and Jo, and Mr. and Mrs. Huck Jager, all of Wayne, and Jon Jager and Gregg Jager, both of Hazard.

During the morning worship service, the Rev. Ted Youngerman invited the family to come to the altar for a special prayer and blessing.

THE PROGRAM at the afternoon reception included devotions by Mr. and Mrs. Huck Jager, and introductions and a history of the couple by Mrs. David Jager.

Jon Jager read an original poem, entitled "Through the Years With Mom and Dad," and Timron Giffert read "Aunt Leon's Prayer."

Granddaughters Missy and Jo

Jager presented two skits. Jo also read an account of the Jagers' wedding taken from the Emerson paper.

Heidi Hansen sang songs from the couple's ceremony 40 years ago, entitled "I Love You Truly," "Oh Promise Me" and "Near You." She was accompanied by Mrs. Dan Hansen.

PAM IRVINE of Ravenna registered the 160 guests who attended from Sioux City, Spirit Lake and Pierson, Iowa; South Sioux City, Atkinson, Ravenna, Hazard, Wayne, Emerson, Wakefield, Pender, Norfolk, Pilger and Thurston.

Mrs. Gordon Helgren of Wakefield, Mrs. Lu Hilton of Wayne, Mrs. Bill Schrick of Sioux City and Mrs. Bill Schelly of Dakota City cut and served the anniversary cake.

Mrs. Harry Dellin of Wakefield and Mrs. Bill Giffert of Emerson poured, and Mrs. Huck Jager and Mrs. Robert Dowling of Carroll served

punch.

Waitresses were Mrs. Dennis Ekberg and Mrs. Dave Sievers of Wayne, and gift carrier was Timron Giffert of Norfolk. Mrs. Tim Giffert of Norfolk presided at the gift table.

Esther Circle of St. Paul's Lutheran Church assisted with serving.

A family dinner for 30 guests was held that evening in the Walter Jager home with Mrs. Geradine McQuistan of Pender hosting.

WALTER JAGER and Leone Giffert, both of Emerson, were married Dec. 19, 1947 at St. Luke's Lutheran Church in Emerson.

They farmed in Dixon and Thurston Counties before moving to their present farm east of Carroll in 1965.

They are members of St. Paul's Lutheran Church in Wayne.

Frank Marten

Hoskins man marks 96th

Frank Marten, Hoskins' oldest resident, observed his 96th birthday on Dec. 11 and was honored with a card shower. Friends and relatives also visited him during the day.

Marten was born and raised in Stanton County. He retired from farming in 1949 and moved to Hoskins. He enjoys good health.

In addition to his son and daughter-in-law, Leonard and Lucille Marten of Hoskins, there are three grandchildren and three great grandchildren.

Objectives of Tom's Body Shop

Quality work, satisfying service

"To provide quality work and satisfying service" is what Tom's Body Shop has continued to maintain throughout the years that they have been in business in Wayne.

Tom Rose, who started in the auto body business in 1955 with Coryell Auto, began his own business in 1976.

Tom's Body Shop expanded its business in 1978 and again last year (1986).

Things are much different than body shops of years ago, said Dan Rose who is currently vice president of the business. "In the old body shops, one man stayed with the body repair from start-to-finish," said Dan.

With the greater volume of business and the stress on quality, Dan said the business "almost had to specialize its people."

Tom's Body Shop departmentalized in 1985, separating the paint and metal operations. "We now utilize specialized people in each department," Dan mentioned.

Employees of Tom's Body Shop, and the number of years they have worked there, include: Tom Rose (president), 11 years; Dan Rose (vice president), nine years; Doug

Rose (vice president-secretary), 11 years; Helen Rose (receptionist), 11 years; Bryan Park (senior paint technician), eight years; Russell Witt (paint technician), two years; Mike Mohlfeld (metal technician), one year; Lowell Heggemeyer (paint technician); Joel Pedersen (maintenance), one year; and Jim Sperry (metal technician).

Dan and Bryan are Automotive Service Excellence (ASE) certified technicians. The business has been a nine year member of the Nebraska Auto Body Association.

Dan served as board member of the Nebraska Auto Body Association for five years (1983-87); treasurer for two years (1985-86); and was 1987 president. He is presently on the executive board.

Besides offering free estimates, other services that Tom's Body Shop provides are pick up and delivery in town; loaner vehicles; complete unibody and frame repair system; in house paint mixing and matching system; drive-in estimates; customer waiting/service area; touch-up painting that is provided with completed repairs; glass shop;

auto trim and accessories; step by step quality control; ultra modern facility with a separate paint department; and help in handling insurance claims.

The business also offers complete detailing (clean up) after each major repair. This includes inside vacuuming, dusting, ashtrays, exterior wash, treating tires, treating vinyl top, checking exterior lights, shampoo the exterior, clean the glass, check the fluid levels and take the vehicle on a road test.

"Utilizing specialized people in each department makes for better service and quality," Dan said.

"We built a new facility last year. And we decided to concentrate on customer services, comfort and satisfaction with the new facility," he said.

Tom's Body Shop will make continuous efforts to keep the shop up to date with its equipment and training of personnel. Employees attend numerous seminars and educational programs.

A future goal is to incorporate computerization into the auto body repair business, Dan remarked.

METAL TECHNICIANS at Tom's Body Shop include, from left, Dan Rose, Doug Rose, Mike Mohlfeld and Jim Sperry. Missing is Joel Pedersen (maintenance).

Bench crucial in Bear overtime win

Probably three of the most unlikely heroes of Laurel's 62-59 overtime win over Plainview on Friday night were three players from the bench — Matt Jonas, Troy Twohig and Todd Erwin. These three players didn't score a lot of points, but they put in some quality time and gave the Laurel starting five some needed minutes for resting. The preservation of stamina paid off as the Bears kept up the pressure on the Plainview squad that featured some good jumpers who really hit the boards hard. Most of Plainview's 13 points in the first quarter and midway through the

NICK ENGLESON (32) scored 39 against the Gators.

In overtime Contested shot nips Wayne

An exciting basketball game Friday night between Wayne-Carroll and Wisner-Pilger at Wayne ended on a "contested" call that eventually went against the Blue Devils. A shot by one of the Gators in the overtime period, with a second left, went in and the officials first ruled it to be a three pointer, then ruled it to be a two pointer which would have sent the game to another overtime.

However, Wisner-Pilger coaches argued that the shot was made beyond the three point mark and about five to eight minutes later, the officials decided to award the Gators the 3 pointer, giving Wisner-Pilger a 76-75 win.

Wayne fell behind by as much as 11-2 in the early minutes of the first quarter. But the Blue Devils came roaring back to cut the Gator lead to 14-11 at the end of the first period.

In the second quarter, Wayne outscored Wisner Pilger 26-18 to take a 37-32 half-time lead.

The Gators came back in the third quarter to tie the Blue Devils, 49-49. Baskets by Doug Larsen, Scott Hammer and Nick Engleson, who scored a game-high 39 points against the Gators, stretched Wayne's lead to six points at 55-49. A steal by Gator Jerry Raabe paced a Wisner-Pilger comeback, giving them the lead at 64-63 with under a minute left to play in the game.

Hammer put Wayne ahead with a field goal and Engelson connected on two free throws to give Wayne a 67-64 lead. But the Gators' Darrin Brand hit a 3 pointer at the buzzer to send the game into overtime at 67-67. Wisner-Pilger scored the first four points of the overtime to take a 71-67 lead. Then Wayne's Jarrod Wood hit a field goal and two free throws to tie

up the score. Free throws by Raabe made the score 73-71 in favor of the Gators.

Engelson tied the score on an offensive rebound and then put Wayne ahead 75-73 with seconds remaining in the overtime period.

Then the controversial call on the 3 pointer shot made by Darrin Brand came, and it went Wisner-Pilger's way.

Against the Gators, Engelson scored 14 field goals and hit on 11 of 12 losses from the free throw line to achieve his 39 points. Also in double figures for Wayne was Scott Hammer with 11 points. Jess Zeiss had two 3-pointers.

Doug Larsen led in rebounds with nine.

Wayne-Carroll was 21 of 26 from the free throw line. Wisner Pilger had 26 field goals and they were 15 of 26 from the line. The Blue Devils were whistled for 24 team fouls and the Gators had 19 team fouls.

In junior varsity action, Wayne-Carroll won by a 53-39 score. Rob Sweetland scored 16 points and Jed Reeg had 14.

second quarter came on second shots off of the offensive rebounds. The pirates led by one point when the first quarter ended, 13-12, and at half-time held a 30-26 lead over the Bears.

Laurel, trailing by as much as eight points in the third quarter, put together a run and captured back the lead at 44-40 with only the final quarter to play.

The lead see-sawed back and forth in the final eight minutes. Plainview had last chance to break a tie at 56-56 as they had the ball with about a minute to go. The Pirates went for the last shot and missed, sending the game into overtime.

Bears' Head Coach Mark Hrabik said Laurel went up by four in the overtime. A Plainview player swiped the basketball away from Laurel and was fouled going in for the layup. The Warrior made his first shot, but the second free throw was missed and was rebounded by Plainview. Plain-

view took a shot from 3-point range but missed and Laurel won itself a ballgame.

"Both teams played well and deserved to win. We were fortunate this time to be the winners. In the past, we've had trouble winning the close games," said Hrabik.

Hrabik commended John Schutte for his floor game. Schutte gathered three fouls in the first half and was whistled for another in the third quarter. Yet he still played aggressive, according to Hrabik.

Schutte led all Laurel scorers with 20 points. Also in double figures were Kyle Nixon with 15 points and Scott

Marquardt with 10 points. Doug Manz had nine points — one from the 3-point mark.

Both teams made an equal amount of field goals (25). The difference in the game may have been at the free throw line. Laurel was 11 of 17 from the charity stripe, while Plainview could hit on only 6 of 17 attempts.

Each team pulled down 32 rebounds. Laurel was led by Schutte with 11. Turnover statistics showed the Bears with 13 and the Pirates with 15.

As a team, Laurel shot 33 percent from the outside. Plainview shot 37 percent from the field.

Laurel plays Hartington Cedar-Catholic in the first round of the Randolph Holiday Tournament on Dec. 29.

Triple overtime win recorded by Wakefield

It took a triple overtime to do it, but the Wakefield Trojans won out against a tough Hartington team at Hartington Friday night by a 71-70 score.

The ability of the Trojans to come back from behind was a key to the Wakefield win, according to Head Coach Paul Eaton.

During the first half, the Trojans were trailing by two or three points until they took the lead with a few seconds to go near the half-time mark. Hartington got back the lead at 24-23 on two foul shots in the closing seconds of the first half.

"In the third quarter, our team had an eight point lead and was playing well. Then we started coming down the floor and rushing our shots," said Eaton.

The end result of that was it allowed Hartington to get right back into the game and turn the tables on the Trojans as the Wildcats found themselves looking at an eight point deficit in the fourth quarter.

"We should have showed more patience," mentioned Eaton. Eaton said the kids could have thrown in the towel after seeing their

eight point lead evaporate. But the Trojans didn't give up and they tied the score at 54-54 at the end of regulation play.

Both teams each scored five points in the first and second overtime periods. Wakefield did one better in the third overtime to record the victory.

Wakefield was led in scoring by Scott Stuart Clark had 17 points, 15 of those points falling in the second half.

"We had leads in the last two overtimes. We just have to be more patient and take better care of the basketball," said Eaton.

Lund, Mike Nelson and Todd Kratke each tossed in a 3-pointer.

Clark and Nelson also led the Trojans in rebounds with 13. Brian Larson had eight rebounds and Lund finished the game with seven rebounds. As a team, the Trojans outrebounded Hartington by a 46-35 margin.

As a team, Wakefield was 26 of 54 from the outside and they made good on 16 of 34 free throws.

Hartington, from the free throw line, was 15 of 28.

In junior varsity action, the Wakefield Trojans were victorious with a 56-38 win. Leading scorers for the Trojans were Chris Looft with 14 points and Tony Krusemark with 12 points.

Wakefield entertains Osmond at home on Tuesday night (Dec. 22).

Allen raided by Raiders

A taller Newcastle team gave Allen fits Friday night as the Raiders defeated the Eagles 79-43 at Newcastle.

Newcastle "shot the lights out" according to Eagle Head Coach Dave Uldrich. The Raiders shot 36 of 65 from the outside and were 7 of 13 from the free throw line. Allen was only 13 of 53 from the field and 13 of 28 from the free throw line.

"They beat us down the court a few times. Newcastle is a physical, huge team. Once they get the ball in the lane, they are tough to stop," said Uldrich.

The Raiders put on full-court pressure throughout the game against the Eagles. "We did handle it at first and they got ahead of us. Later we adjusted and did better against them," mentioned Uldrich.

Newcastle rocketed to a 21-6 first quarter lead and only outscored Allen in the second quarter, 15-11. In the third quarter, the Raiders scored

20 points to Allen's 7 to pull away from the Eagles for good.

Jason Otesen dropped in 10 points to lead all Eagle scorers. Next was Ben Jackson with eight points.

Matt Hingst led the Eagles in rebounding with six. Allen was outrebounded 21 to 35. Turnovers were committed 17 times by Allen, while the Raiders only had six turnovers.

The next game for the Eagles is scheduled at Allen as they go up against Homer.

Wayne Carroll girls defeat Wisner-Pilger

The Wayne-Carroll Lady Blue Devils brought their record to 500 with a 51-35 win Friday night against Wisner-Pilger on the Wayne home court.

Wayne Head Coach Marlene Uhing said the team's 2-2 record is better than she anticipated at this point in the season.

"We've had to play four pretty tough teams," said Uhing. The Blue Devils have also had to cope with lack of experience in some positions and the change in the team's style of play, Uhing added.

One of the bright spots in Friday night's win against the Lady Gators was the ability of the Blue Devils to capitalize on the fast break. "We scored a few times on transition. Doing that makes it easier for us rather than having to set the offense," said Uhing.

Thirty turnovers by Wisner-Pilger helped the Lady Blue Devils in their winning cause.

The Blue Devils were led in scoring by guard Dana Nelson who popped in 15 points. Among her field goals was a 3-pointer. Also in double figures

was Kristy Hansen who scored 13 points. Hansen was the team's leading rebounder with 11 boards.

"Kristy had a good game. She went to the basket, rebounded well and made some good passes," said Uhing.

Wayne's Amy Bliven and Holly Paige each had seven rebounds. Wisner outrebounded the Lady Blue Devils, 40-39.

The Blue Devils led at the end of the first quarter, 12-6 and had a 27-18 half-time lead. In the third quarter, Wayne only outscored Wisner-Pilger 11-8 and led 38-26 when the fourth quarter began.

The Blue Devils were 10 of 23 from the free throw line. The Lady Gators had a tougher time at the line, hitting on only 7 of 24 shots.

Weaknesses noted by Uhing in the Wisner-Pilger game were in her team's readiness to play. "Mentally the team was not in the game at times. They played defense with their hands and didn't move their feet. They were not ready to play," said Uhing.

She said that perhaps the team was tired from Monday night's win against West Point. "I think we really need a break," said Uhing.

In the junior varsity match, the Lady Blue Devils were on the losing end of a 34-30 score. They were led in the scoring by Teresa Ellis, who had nine points.

Next action for the Lady Blue Devils is during the Wayne State College Holiday Basketball Tournament Dec. 28-30.

Lady Eagles get win

Down by 7-2 at one point in the first quarter, the Allen Lady Eagles came back to dominate the remaining three quarters against Newcastle to pick up their second win of the young season.

Allen's record now stands at 2-2 following their win at Newcastle Thursday night by a 47-30 margin.

One big key to the Lady Eagles win was the ability of all players to contribute to the effort. "We got almost everybody involved in the scoring," said Allen Head Coach Gary Troth.

In previous games, the team relied on the scoring of senior Lana Erwin, Troth said. Against Newcastle, Troth said "the post people got more involved in the offense."

The team effort helped the team to get better shots.

Amy Noe and Missy Martinson led Allen in scoring with nine points each. Erwin tossed in seven points and had four assists. "Lana made some good passes for us," Troth mentioned.

Another highlight in the Lady Eagle win was their strength on the offensive boards. Of the team's 35 total rebounds, 15 were on offense.

"For our team's size, that's critical to us," said Troth.

Newcastle recorded 20 rebounds in the contest.

Liz Hansen led the Lady Eagles rebounding corps with seven, followed

by Candace Jones and Toni-Boyle, each with six.

Allen's man to man defense forced key turnovers by Newcastle in the third and fourth quarter of the game. Newcastle committed 20 turnovers against Allen. The Lady Eagles ended the game with 18 turnovers.

Allen made up the 7-2 deficit in the first quarter to take an 8-7 lead. At half-time, Allen led 18-15.

They broke the game open in the third quarter, outscoring Newcastle by a 16-4 margin.

As a team, Allen hit on 16 of 58 field goal attempts and 14 of 23 free throws. Newcastle was 12 of 40 from the field and 6 of 16 from the line.

Allen is at home Tuesday night in a game against Homer.

Red hot from the field

Bulldogs tame Wildcats

Friday night was a hot night for the Coleridge Bulldogs as they downed the Winside Wildcats in basketball action by a 88-55 score.

Winside, shooting at a 37 percent clip, was victimized by Coleridge's 34 percent shooting from the field.

"They hit 62 percent of their shots in the first quarter. We played good defense. It's just that almost every time they put up the shot, it went down," said Wildcat Head Coach Randy Geier.

"Overall, I think our players played pretty good. All the kids that played one time or another on the varsity did well," said Geier.

"Physically, the kids tried hard. But we were not in the game mentally at all times. We had some mental lapses," he added.

Coleridge heated up right away in the first quarter, jumping to a 27-13 lead. They added 20 more points to their total by half-time and led the Wildcats by a 47-26 score.

Then Winside outscored the Bulldogs 18-16 in the third quarter and cut the Coleridge lead somewhat. However, the final quarter Coleridge continued to pour it on, scoring 25 points to Winside's 11.

"I didn't get down on our kids. We just have to regroup and get ready for next Tuesday night so that we can get a win before Christmas break," mentioned Geier.

On Tuesday night (Dec. 22), the Wildcats play Wynot in a home contest.

Tim Jacobsen led all Wildcat scoring with 22 total points on seven field goals (three that were 3-pointers) and 5 of 8 free throws. Also in double figures were Chris Nau with 14 points and Steve Heinemann with 11 points. Heinemann also hit three 3-pointers in the game.

Nau pulled down nine rebounds, followed by Jacobsen with six.

From the free throw line, Winside was 9 of 20. Coleridge had only two chances at the free throw line and converted one. The Bulldogs were called for 22 fouls. The Wildcats committed only five fouls in the game.

A big difference is noted in turnovers. Winside was guilty of 21 miscues, while Coleridge only had five turnovers.

Ninth grade wins two

The Wayne-Carroll ninth grade basketball team defeated Columbus Lakeview Saturday night by a 46-40 score.

Brian Lentz led all Blue Devil scorers with 19 points, followed by Craig Sharpe with 11, Kevin Heier with five, Marlin Rump with five, Cory Thomsen with four and Shane Guill with two.

Against Schuyler on Tuesday night, Wayne won by a score of 41-19.

Lentz again was the leading scorer with 10 points, followed by Craig Sharpe and Craig Dyer each with nine points; Casey Dyer, eight points; Cory Thomsen with three points and Jeff Griesch with two.

The freshman record now stands at 4-0. Their last game of the season will be Monday night (Dec. 21) at the Wayne City Auditorium against Norfolk Catholic. The game will follow the freshmen girls game slated to begin at 5 p.m.

Losing streak ends Coleridge halts skid, stops Winside

The last time the Coleridge Lady Bulldogs won a game was against Winside several years ago.

Again it was Winside they defeated, this time 37-36 in overtime, to break a losing streak of 62 games. Winside jumped to a 12-6 first quarter lead, but saw Coleridge come right back to knot the score at half-time, 18-18.

Both teams had a poor third quarter. The Wildcats got only seven points, still one better than what Coleridge scored. The Lady Bulldogs outscored Winside 12-11 in the final eight minutes to put the game into overtime.

Winside failed to score a basket in the overtime period. The difference in the game was one free throw which the Lady Bulldogs canned to win the game.

"We played well the first quarter. Then they changed to man to man against us and we just didn't handle it," said Wildcat Head Coach Jill Stenwall.

Winside got off a final shot in the overtime with about four seconds left, but it didn't fall.

"We didn't play very good defense as a whole," said Stenwall. "The team has to learn to play four quarters instead of two."

Winside was led in scoring by Ann Meierhenry with 14 points. Meierhenry was also the team's leading rebounder with 11. Lisa Janke was also in double figures with 11 points.

As a team, Winside was out-rebounded 39 to 43. They were 14-40 in field goal shooting and 8 of 20 from the line. Coleridge was 9 of 16 from the free throw line.

The Wildcats committed 19 turnovers in the contest. They were whistled for 13 fouls while Coleridge had 17 fouls called on them.

The next contest for the Winside Wildcats will be Tuesday, Dec. 22 in a home contest against Wynot.

Lady Bears down Plainview

Laurel's Lady Bears survived from a night of cold shooting to defeat an even colder Plainview team Friday night by a 33-20 score.

At half time in the game at Laurel, the Lady Bears and Plainview were tied at 10-10. Each team had scored six points in the first quarter and four points in the second quarter.

Laurel began to find their shooting touch in the second half as they outscored Plainview 23-10 to ice the victory and up their record to 3-4 on the season.

Lady Bear Head Coach Pam Thies said her team had trouble getting their offense to run in the first half. "We had a lot of good shots, but we just couldn't connect," Thies said.

field. She also had 12 rebounds," said Thies.

Addison's rebound total was high for Laurel, followed by Julie Schulte with eight boards.

Laurel as a team had 41 rebounds to Plainview's 32. Another factor in the win was in the turnover department, which showed the Lady Bears committing 19 while Plainview had given up the basketball 35 times.

On the free throw line, Laurel was 5 of 16 while Plainview was 8 of 26. The Lady Bears were whistled for 25 fouls while Plainview was called for 19 fouls.

After the Christmas holiday, the Lady Bears are in action in the Randolph Holiday Tournament. Teams in the tournament include Randolph,

O'Neill, Hartington Cedar Catholic and Laurel. The first opponent for Laurel in the tournament will be Hartington Cedar Catholic on Dec. 29.

BOARD OF EDUCATION
At the District 54 Laurel-Concord Board of Education's Monday evening meeting, Grace Ronhovde represented "Spotlight of the Month." Mrs. Ronhovde spoke on her upper elementary-math classes, in which the health math program is being taught to students. This program teaches the students the four basics of math.

Board member Rich Erwin told members that the track committee will be meeting before the board's next meeting with estimates for consideration at the January board meeting.

Jim Lipp was sworn in as a new member of the board. A waiver for Dana Anderson, participating in American Youth Abroad program, was granted to her for second semester.

Ed Brogie, science teacher at the high school, requested funding for a trip for the 1987 graduate Tami Schmitt, who won a trip to Boston to present a project she had been working on while attending Laurel school. The board agreed to partially fund the trip as it was an honor that Schmitt brought to the school.

Gene Quist was chosen as a delegate to represent the Board at the NASB assembly.

Superintendent Gannon reported on the asbestos meeting in December, explaining that the school will be tested for asbestos and a report filed with the Department of Education by October, 1988.

Other issues that were covered were the funding for Project Close-Up to be discussed at the January meeting; Superintendent Gannon's evaluation at a January executive session; and that the board would like not to have practices for school activities on Sunday and days prior to and after holidays.

OUTSTANDING CITIZEN
The Laurel Chamber of Commerce is sponsoring the "Outstanding Citizen" award for Laurel based on these qualifications: 1. achievements

or contributions benefiting the community of Laurel, either individually or as the leader of a group; 2. one or more acts of heroism; and 3. devotion to others of such magnitude as to merit community recognition. Among the nominations, a winner will be selected by the Chamber Board of Directors and announced at the January general meeting.

PANCAKE DINNER
Approximately 750 people attended the Laurel Chamber of Commerce pancake dinner Dec. 12. Pancakes, ham, coffee and milk were served. Kids and kids at heart visited Santa, receiving candy treats. The weather was perfect for Santa's helper, Alvin Krei of Belden, to take people on rides with his team of horses and cart.

Entertainment for the pancake dinner was the Concordia Lutheran youth choir of Concord, Immanuel Lutheran Church youth choir of Laurel, Laurel Senior Citizens and Anita Gade, Kim Kunze and Sheri Lundahl.

At 1 p.m., drawings for the Chamber of Commerce gift certificates produced 19 winners who won between \$5 and \$20 gift certificates. Winners for the "12 Days of Christmas" were Violet Wickett, Dorothy Rastede, Ray Graffis, Elmer Konken, Cheri Hintz, Martha A. Johnson, Kevin Frahm, Janet Macklin, Twila Kessinger, Mary Ann Ward, Jane Cochran, Bonnie Nielson, Darlene Cuba, Mildred Jensen, Ruth Ebmeier, Stan Pehrson, Sharon Rasmussen, Sandy Stracke and Wallace Magnuson.

FARMERETTES
The Laurel Farmerettes Extension Club met Dec. 11 for their Christmas party. The members and their husbands had supper at the Wagon Wheel Steak House. The rest of the evening was spent at the Burns home playing cards for entertainment. Prizes were awarded to winners Mrs. and Mrs. Harold Burns, Mae Detlefsen, Lil Twiford and Morton Fredrickson. Co-hostesses were Mrs.

Art Lipp, Mrs. Paul Ebmeier and Mae Detlefsen. The club then collected food items for the Laurel Food Pantry.

WOMEN'S SOCIETY
The Immanuel Lutheran Women's Society hosted a guest night potluck dinner on Dec. 3 at 6:30 p.m. There were 75 in attendance. Pastor Miller led the devotions.

Lynette Penlerick played Christmas carols as the group sang. Maxine Haisch read a poem she wrote about secret prayer sisters, and a gift exchange was held among the secret sisters while their identity was revealed. Robber bingo was played.

On the program committee were Lynette Penlerick, Kris Schroeder and Jan Stark. Hostesses were Jan Stark, Cindy Taylor, Deanna Thompson and Sharon Van Cleave.

STAFF DINNER
A staff appreciation dinner was held on Dec. 13 at 6:30 p.m. for the Laurel-Concord schools staff members. The dinner was held at the Wagon Wheel Steakhouse, and was hosted by the Laurel-Concord Board of Education.

Ms. Iesalnicks and Mrs. Dvorak played the piano and sang Christmas songs for entertainment. A roast beef dinner was served and a comedy skit was performed by members of the staff. Superintendent Gannon was the caller for a name bingo game that everyone participated in. Everyone joined in and sang several Christmas carols to conclude the evening.

BOOK CLUB
The Laurel Book Club will meet today (Monday) at 8 p.m. in the home of Donna Ebmeier. Mini-reviews will be done by Harriet Munter and Joyce Daberkow.

Whisenhunt makes presentation in England

Dr. Donald W. Whisenhunt of Wayne, provost and vice-president for academic affairs at Wayne State College of Nebraska, has been asked to make a presentation at an academic conference in England.
The conference will be held at Birmingham Polytechnic in Birmingham, England, December 16-18, with the theme being "Restructuring Higher Education." "Since the British higher education system is going through a number of changes, this conference is designed to set some directions for that change," said Whisenhunt.
Whisenhunt will present a paper entitled "Management of Time in Higher Education." It is based on the book he published last year, "Administrative Time Management." The focus of his presentation will be on how to manage time effectively, especially in times of change and stress.
"I feel fortunate to be asked to be a part of this conference," Whisenhunt said. Of the more than 60 papers to be presented, only about five come from outside Great Britain.
Whisenhunt said his recent book has been well-received in the academic community. He is being asked on a regular basis to make presentations on the subject. Although the details have not been finalized, he has also agreed to make a similar presentation at a conference of academic vice-presidents in San Francisco in February, 1988.
Whisenhunt has been at Wayne State since 1983. He holds a Ph.D. in history from Texas Tech University. He also served as interim president of Wayne State for seven months after the resignation of Dr. Ed Elliott in 1985.
Whisenhunt has published several books in the past several years. Most of them are on history topics, but he has concentrated on higher education themes more in recent years.

LOWER ELKHORN NATURAL RESOURCES DISTRICT

CHANGES IN PROCEDURE FOR NRD ELECTION OF DIRECTORS:
In the past a candidate interested in becoming a Director of the Lower Elkhorn Natural Resources District, was required to circulate a nomination petition among registered voters in his/her subdistrict in order to be placed on the ballot. With the passage of LB 302, this has changed.
Now, interested candidates will present a notarized filing form to the Secretary of State. This will then place him/her on the primary ballot in May. The filing forms must be notarized and must be in the hands of the Secretary of State by March 11th. There is no fee for this filing.
Similarly, an incumbent who wishes to be reelected must also submit a notarized filing form. An incumbent must have his/her form submitted to the Secretary of State by February 25th.
Anyone interested in being a candidate should contact the LENRD, P.O. Box 1204, Norfolk, NE, for a packet containing filing forms and further information.

SAVE THOSE CHRISTMAS TREES:
After the sparkle has left your Christmas tree, it can still be useful. According to Dan Sutherland, Superintendent of the Willow Creek State Recreation Area near Platte, the Nebraska Games and Parks Commission will be collecting trees and utilizing them for fish habitat.
Small fish use trees and other irregular features on lake bottoms as hiding places from predators. Omo and Parks personnel will the weights on the Christmas trees and place them out on the ice. As the ice melts in the spring, the tree sink to the bottom, and make excellent artificial habitat for the fish.
Please take clean trees, no tinsel nor flocking, to the east side of Willow Creek (the "A", south of the dam entrance). There will be signs posted to advise you of the collection spot.

WHY HAVE A WINDBREAKER?
Besides the obvious beauty of a well groomed windbreak, what is its purpose? Trees are nature's way of protecting against the harsh elements. They slow strong winds, reduce heating costs by 15% and cooling costs as much as 30%.
Trees act as a living snow fence, keeping roadways from being shut from blowing snow. That same windbreak will muffle noise from a busy highway, remove 13 tons of dust and harmful gases from the environment, and protect from arid winds, as well as giving beneficial protection from winter and summer extremes for livestock.
In addition, research at the University of Nebraska Field Lab at Mead supports the idea that a properly designed windbreak can boost crop yields. The study shows that under dryland conditions, corn yields increased 20% in protected areas, soybeans 18% and wheat 22%.
As you can see, a properly planned and cared for windbreak can more than pay for itself. They are a small investment in our future environment. Now is the time to order your trees for spring planting. The LENRD sells seedlings at a cost of \$33.00 per hundred, ordered in lots of 25 trees per species. They may be used for field or forested windbreaks, wildlife, firewood and lumber production, and other uses. Contact the LENRD in Norfolk at 371-7313, or your local SCS Office for further information.

FIRE STARTER FOR WOOD STOVES:
 excerpts from Growing Green, Forestry Newsletter, UNL Southeast Research and Extension Center.
Go away with paper, moist kindling, and waiting to see if your fire catches for a sure-fire starter, get a sack of dry sawdust (any lumber yard will likely give you a barrel of 19 lbs) Using a 3-pound can with a plastic lid (such as a coffee can) fill with sawdust mixed with a small amount of kerosene (about 1/4 to 1/2 cup per 3-pound coffee tin). To start your fire, dump about a half-cup of this marinated mixture under the end of your kindling and touch a match.

SELLING TIMBER:
 excerpts from Growing Green Forestry Newsletter, UNL Southeast Research and Extension Center.
Most Nebraska landowners are uncomfortable selling timber because they are not familiar with the timber market or harvesting process. However, a landowner can protect himself from unscrupulous timber buyers by treating a timber sale like any other business transaction. For many landowners, the best method of selling timber is through selective thinning and the competitive bidding process. Market price is determined by what buyers are willing to pay on a competitive market. This very effective method of selling timber involves several steps: selecting and marking the trees for sale, inventorying the volume of all trees, advertising the sale, conducting the bid opening, finalizing a sales contract, and then administering the sale during the harvest to see that all contract conditions are met.
A forester who knows your management objectives should select the timber to include in your sale. Timber cruise techniques are used to estimate the volume of lumber that can be produced from each tree. These volumes will vary considerably with tree age, diameter and height.
Publishing an advertisement of the sale to all prospective buyers with a request for sealed bids has proven most successful and competitive bidding usually works to the landowner's advantage. Sealed bid sales encourages buyers who need the timber the most to offer their best price.
The simplest and best method of handling the payment of a timber sale is a lump-sum sale, requiring payment at the time the sale agreement is signed. This is a favor for the seller and provides the landowner with the total income from the timber sale prior to the cutting.

COST-SHARE REMINDER:
The LENRD will be accepting applications for cost-sharing on conservation construction beginning January 4, 1988.
Up to 40% cost-sharing will be available for terrace systems and small dams to be constructed next spring and summer. Persons who applied for cost-share funds in 1987, but were not approved, must re-apply in 1988. If they are still interested in obtaining cost-share funds, please contact your local Soil Conservation Office for assistance in making application.
