Closings

The Wayne County Court-house offices will not be open Monday, Jan. 18, in observance of Martin Luther King's Birthday.

There will be no rural or residential mail delivery on Monday, according to Tom Jones, postmaster at the Wayne Post Office and no window service will be available.

However, the lobby will be open during regular business hours to allow people to deposit mail inside the post office, which will keep the outside lock box from getting jammed.

There will also be a collection run made to gather mail from collection points in Wayne.

Rescheduled

The regular monthly meeting of the Educational Service Unit One, scheduled for Tuesday night in Wakefield, was postponed one week due to high winds and poor visibility.

Administrator Rodney Garwood said board members within the six-county area did meet, however, via telephone Tuesday night to approve payment of monthly bills and to reschedule the monthly business meeting for Tuesday, Jan. 19 at 7:30 p.m. at ESU 1 headquarters in Wakefield.

Settlers

There will be an organizational meeting on Monday, Jan. 18 at St. Paul's Church at Winside (in the basement), 7:30 p.m., for all persons interested in working on the 1988 Wayne County Old Settlers Celebration. Anyone who has previously signed up to help should be there as well as anyone with suggestions or an interest in the event.

Co-chairpeople for the event are Dave Mann and Barb Hawkins.

Meeting set

The Wayne County Historical Society will meet Tuesday, Jan. 19 at 7:30 p.m.

The meeting location will be at the Wayne museum, according to Stan Johnson, secretary of the historical society.

Property rezoned east of Wayne

By Chuck Hackenmiller

Tuesday night the Wayne City Council passed an ordinance that will rezone property located east of Wayne owned by John Mohr and Fern Thorman.

The third reading of the ordinance took place to rezone the property from Light Industrial to Highway Business. Owners of the property received an offer to sell a portion of the real estate to a developer who plans to build a motel on the property that was rezoned.

A Super 8 Motel franchise has been planned for the site.

Approving the ordinance were council members Stan Hansen, Larry Johnson, Darrel Heiler, Darrel Fielberth, Freeman Decker and Sheryl Lindau. Randy Pedersen abstained from voting. Mayor Wayne Marsh was absent from Tuesday night's meeting.

Duane Schroeder, a Wayne attorney representing Mohr and Thorman, said the project for the property "is still on."

He said the developer of the motel site "is still very much interested in getting the property rezoned."

Plans for transmission line to Wayne updated

By Chuck Hackenmiller

Managing Editor

With temperatures in the subzero range and the ground frozen, it may seem a bit early to think in terms of installing water lines.

But the Wayne City Council was reminded Tuesday that the time for laying of over six miles of water transmission line isn't that far off.

Already, the city has selected a new well field site approximately six miles north and a mile west of Wayne.

At Tuesday's meeting, John Franklin, representing the engineering firm of Howard R. Green Company of Spirit Lake, Iowa (contracted by the city to oversee the water project) presented the plans and specifications on the water

transmission line.

The plans and specifications for the water transmission line extend from the new water tower in the Sunnyside Subdivision to the well field site outside of Wayne.

Franklin told the council that the Department of Health, the Department of Roads and the Wayne County Commissioners have been provided the plans and specifications.

The county commissioners were presented details of the project because part of county road right-of-way is involved in the construction of the transmission line.

HE SAID THREE easements need to be obtained for the water transmission line — and one has been signed while the city is currently

negotiating with two other property owners for the remaining easements.

Franklin said he anticipates a late February or early March bid letting date on the water transmission line project.

Before the city water projects were started, Franklin said the cost that was estimated for the construction of the water tower (now completed), the installation of the transmission line and the development of three wells in the well field was at \$2,750,000.

Work on the water tower was bid at \$200,000 less than originally estimated, according to Franklin. And he anticipates that the drilling of the wells and the placement of the

Sherman Street sledding allowed

By Chuck Hackenmiller

Managing Editor

Sledding will be allowed on Sherman Street, as long as the street is appropriately barricaded.

That was the decision of the Wayne City Council Tuesday night.

The city had been considering the banning of sledding on Sherman Street because of the potential liability situations which could occur. The city council, at a prior meeting, decided on either looking at ways to make Sherman Street a safer place to sled or they had hoped to find another location.

Five people appeared before the city council Tuesday evening requesting that the sledding be allowed on Sherman Street — all of them students at Wayne-Carroll Middle School.

Spokesman for the group was Trevor Schroeder, son of Mr. and Mrs. Duane Schroeder of Wayne.

"Well, this is my first time at a

council meeting. So as you can probably see, I'm pretty nervous," said Trevor.

He said he and others present at the council meeting were concerned about not being able to sled down Sherman Street — between Third Street southward beyond Second Street.

Trevor said he wondered whether the city council would consider allowing sledding on certain specified days.

"We know a lot of people who like to sled [on Sherman Street] but were not able to come to this meeting," Trevor said.

He said sledders are currently banned from using the hill down Sherman Street. "Can we reopen Sherman Street, or have a different street open?"

"A lot of us consider Sherman Street the best place to slide. A lot of us don't have another place because a lot of our hills and alleys really

don't work that well," he mentioned.

"Sherman's the best street that I've ever known," he added. "Since I can remember, I've been sledding on it during the winter."

Stacey Varley of Wayne also spoke to the council about designating the section of Sherman Street as the sledding hill.

Others appearing with Schroeder and Varley were Ben Pflibsen, Ryan Thomas and Laura Bauermeister.

Councilman Larry Johnson said he talked with residents along Sherman Street who said they had no problems with the sledding activity. "Some of them said they enjoy watching the children sled down the hill," Johnson said.

After discussion, the city council voted to keep Sherman Street open for sledding this winter, with the condition that barricades be placed at certain intersections to insure safety of the sledders.

RYAN THOMAS, Ben Pflibsen and Trevor Schroeder (with microphone) speak to the city council about sledding locations.

School drafting policy on infectious diseases

By Chuck Hackenmiller

Managing Editor

Wayne-Carroll's Board of Education reviewed a rough draft of a policy presented by Superintendent Francis Haun relating to the school district's handling of AIDS and other chronic infectious diseases.

Haun based his policy upon the Administrative Guidelines supplied by the National Center for Disease Control in Atlanta, Georgia; the American Academy of Pediatrics; and the National School Board Assembly of February, 1986.

The policy also deals with diseases other than AIDS, such as measles or other communicable disease. This policy will be distributed to the Wayne-Carroll Sensitive Issues Committee for evaluation and recommendation and will later be acted upon by the board of education.

According to the draft, the privacy of the student and his/her family must be protected and knowledge that a student has a communicable condition should be confined to persons with a direct need to know.

In general, students with chronic infectious disease (such as AIDS, hepatitis or herpes) will be allowed to attend school with the approval of the child's physician and a committee composed of school nurse, parent of child without disease and school appointed physician. The committee will report their recommendations to the building level administrator.

THE DRAFTED policy mentions that if a child poses a risk of transmission of the disease to others (upon determination by the school nurse who consults with the child's physician); then the student would be removed from the classroom or activity.

The policy states that an appropriate school program adjustment and education program be

established until the physician determines that the risk has gone and the child can return to the classroom activities.

Also included in the policy is a prescribed routine procedure by all staff (certified or non-certified) to clean up after a child has an accident or injury at school.

Superintendent Haun told the school board Tuesday: "As far as I know, there have been no known instances where there has been a case of herpes or AIDS transmitted in a school setting. There is little risk to any type of school activity to transmit the chronic diseases."

A policy regarding continued employment and placement of employees with AIDS is also being studied.

ALSO ON Tuesday, the board of education approved the purchase of a new bus, used primarily for school activities. Total cost of the bus will be \$28,401.

Getting the bid for the body of the bus was United School Equipment (Carpenter) at a cost of \$12,651. The accepted chassis bid for the 60 passenger bus, at \$15,750, came from Ellingson Motors of Wayne.

Arnie's Ford Mercury of Wayne also submitted a bid on the 60 passenger bus chassis, coming in at \$15,584.

In other action, the board of education:

• Heard a report from Superintendent Francis Haun on the recent break-in which occurred last week at the Wayne Elementary School and Wayne-Carroll High School. An estimated \$30 in lunch change money was taken from each building.

Great giveaway begins

Remember last year's Great Wayne Giveaway promotion? Thousands of area residents religiously scanned the advertisements and registered at participating businesses in hopes of winning a Dream Vacation for two or valuable Vacation Bucks.

Last year's trip winner was Katie Hancock of Allen while Genevieve Fredrickson of Wakefield won the Vacation Bucks.

Grand prizes for this year's Great Wayne Giveaway include \$500 in Vacation Bucks and a choice of seven different trips!

Like last year, Vacation Bucks must be spent locally at any of the businesses participating in the promotion. This year's trip winner must redeem the prize some time during 1988.

Special flight packages are available to 1) Phoenix; 2) Las Vegas or; 3) any major airport city in the entire continental United States. For those who would rather stay on the ground, bus tours are available to 4) the Ozarks; 5) the Black Hills; 6) Wisconsin Dells or; 7) Denver and the Rockies.

All trips will be purchased and coordinated by Trio Travel of Wayne and all but one of the trips in the promotion includes lodging. The exception: 3 — air travel only to add from any major airport city in the continental U.S.

This week's first installment of ads kicking off 1988's Great Wayne Giveaway II are found on numerous inside pages of today's newspaper. Remember the contest runs for the next eight weeks culminating with the March 3 issues of The Wayne Herald and Marketer.

Here are other important guidelines to remember for this year's blockbuster promotion:

- 1) Each week a new drawing will be held so be sure to register each week at a participating merchant.
- 2) Weekly drawings will be held 1:30 p.m. Tuesday at Hardee's. Two names will be drawn each of the eight weeks to determine the 16 "semi finalists" who will participate in a Grand Finale drawing for the trip and Vacation Bucks.
- 3) Winners of the preliminary Tuesday drawings will be publicized in that Thursday's issue of The Wayne Herald.
- 4) ONLY ORIGINAL REGISTRATION COUPONS IN THE THURSDAY ADS OF PARTICIPATING MERCHANTS WILL BE CONSIDERED FOR THE WEEKLY DRAWINGS. No copies of the coupons will be allowed.
- 5) Registration slips for a particular business must be entered at that business only. Entry blanks from other businesses will be voided.
- 6) Although no purchase is necessary at participating businesses, all registrants should be age 16 or older.
- 7) No restrictions exist on how many times you may enter the contest. Area residents wishing to register more than once at an individual participating business may obtain additional issues of The Wayne Herald at any of the regular newsstand dealers: Oberle's Market in Winside, Corner Market in Carroll and the following Wayne locations Pac N Save, Sav-Mor Pharmacy, Super Foods, Pamida, Bill's GW, Casey's, 7-11 or the Herald office.
- 8) Contestants are encouraged to register throughout the week at ALL of the businesses. Coupons missing the deadline for a particular week's drawing simply will be included in the next week's drawing.

Participating businesses include Bill's GW, Griess Rexall, Pamida, Wayne's True-Value, Swan's, Logan Valley Implement, Surber's, First National Bank, Pac N Save, V Club, The Wayne Herald;

City of Wayne, Pizza Hut, Kuhn's, Stollenberg Partners, Koplin Auto Supply, Sav-Mor Pharmacy, Northeast Nebraska Insurance Agency, Trio Travel, Doescher Appliance, Wayne Derby Service, Johnson's Frozen Foods;

Century 21, Complete Computer Systems, Godfather's Pizza, T & C Electronics, ERA Property Exchange, Fredrickson Oil Company, Joe Lowe Realty, Hardee's, Ellingson Motors, Wayne Vision Center and Amber Inn.

Girl Scout cookie time

The Prairie Hills Girl Scout Council will begin its annual cookie sale on Friday, Jan. 15. Cookies sales will continue through Feb. 1.

During that time, Wayne Girl Scouts will join scouts throughout the council in calling on residents to purchase boxes of cookies.

Some of the cookie profit supports council sponsored events throughout the 19-council area in northeast Nebraska. Cookie money also helps purchase camping equipment and maintain and develop the council's 150 acre campsite, Camp Crossed Arrows, located near Fremont.

THE TRADITION of selling cookies began in the 1920's and through the years has provided a sound program experience and source of funds for Girl Scout adventures.

In addition to financing troop activities, the girls learn basic business skills such as decision making, money management, business consumerism and safety.

THIS YEAR, Girl Scouts offer their own version of the world's best selling sandwich cookie. The new Echo cookie is made of two dark chocolate cookies filled with vanilla cream.

Other cookies include the all-time favorite Thin Mint, a thin chocolate-coated wafer made with natural peppermint; Chocolate Chunks, made with pure chocolate drops; Samoas, a vanilla cookie covered with caramel on top and bottom, rolled in toasted coconut and topped with chocolate stripes; Do-Si-Dos, an oatmeal cookie with peanut butter filling; Trefoils, a shortbread cookie made with butter and eggs; Tagalongs, a cookie topped with peanut butter and coated with chocolate; and Pecan Shortee, a shortbread cookie with pecans.

PERSONS WHO are not contacted and would like to purchase cookies are asked to call Donnie Riedel, 375-3810.

'Food and Fitness' meetings scheduled

The link between food and physical fitness is becoming stronger and more evident as research projects discover new findings about nutrition and its relation to health.

"As people assume responsibility for their food intake they also, to an extent, determine the health and fitness of their bodies now and in the future," says Mary Temme, Wayne County extension agent-home economics.

"Public interest in nutrition and health is definitely increasing."

THE NORTHEAST Nebraska Cooperative Extension Service is inviting the public to attend one of five "Food and Fitness Affairs" being offered in late January.

Featured speakers will be University of Nebraska extension specialists, including Harriet Kohn, food and nutrition.

Kohn has years of experience teaching nutrition and working with the Expanded Food and Nutrition Education Program in Nebraska. She has written numerous publications designed to help people make needed changes in their food and nutrition habits.

The topics Kohn will be addressing at the Food and Fitness Affairs are "Eating for the Future - Reduce Disease Risk" and "High Fiber Foods in the Diet."

ALSO SPEAKING will be Leon

Rottmann, health and human development specialist, who has authored a variety of extension bulletins, newsletters and other publications related to health and wellness.

He will be addressing the topics of "The Physical Fitness Puzzle" and "How Emotions Rule Eating Habits."

In addition to these topics, audiences will have other learnshops to choose from, plus exhibits and displays to view.

Those attending also will have an opportunity to experience the computer program, "Healthier People - Health Risk Appraisal."

DATES AND locations for the Food

and Fitness Affairs are:

Jan. 25 - Pender Fire Hall, afternoon; Jan. 25 - Dakota City Courthouse, evening; Jan. 26 - Creighton City Hall, daytime; Jan. 27 - Hartington City Auditorium, daytime; Jan. 28 - Norfolk United Methodist Church, daytime.

Arrangements for the meetings are being made by extension agents-home economics in the 13 counties in the Northeast Nebraska Extension District.

A minimum registration fee will be charged to cover expenses.

Pre-registration is requested, and persons who wish additional information for any of the scheduled meetings are asked to call their local County Extension Office.

Former area priest named bishop of Montana diocese

On the 30th anniversary of his ordination, Auxiliary Bishop Anthony Milone of the Omaha Archdiocese was appointed Bishop of the Great Falls-Billings, Montana Diocese.

Bishop Milone served the Dixon and Waterbury parishes in the early 1970's.

MILONE, WHO was selected by Pope John Paul II, will head one of the two dioceses in Montana. The other is headquartered in Helena.

He expects to be installed in Montana sometime in February.

"Milone will be missed, but our loss will be Montana's gain," said Archbishop Daniel Sheehan of Omaha.

Milone, who has never been to Montana, says he plans a visit soon to

the diocese which covers approximately 94,000 square miles.

MILONE WAS born in Omaha in 1932 and was graduated from Creighton Prep in 1950.

He attended Conception Seminary in Missouri and received his license in sacred theology from North America College in Rome, with most of his classes at Gregorian University.

He was ordained a priest on Dec. 15, 1957 in Rome. His first parish assignment was St. Mary in Bellevue, where he served as assistant pastor from 1958-63.

He later served parishes at O'Neill, Dixon, Waterbury and Our Lady of Lourdes in Omaha. He is currently pastor at St. Bernadette in Omaha.

Reception at Allen for 100th

Friends and relatives are invited to help Allen resident Joe Bennett observe his 100th birthday on Sunday, Jan. 17 during an open house reception hosted by his family and the Allen Senior Citizens Center.

The open house will be held from 2 to 4 p.m. at the senior center.

BENNETT WAS born Jan. 19, 1888 at Verdigris and was one of 10 children. Four of the 10 children are deceased, including Joe's twin sister who died at age two.

The family included two other sets of twins - Minnie Ruzicka and Rose Vocak, both living in Verdigris, and John Bennett of Winner, S. D. and Emma Holecek of Creighton.

Another sister, Helen Harbanek, resides in Mesa, Ariz.

BENNETT MOVED to this area at the age of 19 and worked on a farm east of Dixon. He married Hattie Guern in February of 1910.

They were the parents of two daughters, Lorella who died in 1930 at age 15, and Mrs. Elmer (Sylvia) Whifford of Allen.

Joe has made his home with the Whitfords since his wife's death in 1928. He worked for the State Highway Department for 27 1/2 years before retiring.

Joe is quite active during the summer and walked uptown most every day until the cold weather. He does not wear glasses.

New Arrivals

KITTLE - Mr. and Mrs. Arlin Kittle, Winside, have adopted a daughter, Stacie Lynne, born Dec. 23. Grandparents are Mr. and Mrs. Orville Anderson, Hoskins, and Mr. and Mrs. Ronald Kittle, Winside. Great grandmothers are Mrs. Elsie Pettitt and Mrs. Nora Wink, both of Norfolk.

Shroud of Turin program given at Woman's Club

Shirley Fletcher presented a program on "The Shroud of Turin" at the Jan. 8 meeting of Wayne Woman's Club.

Mrs. Fletcher's program included slides and closed with the song "Only the Shadow," sung by Billie Jo Roby.

Eighteen members and two guests attended the meeting in the Woman's Club room. Hostesses were Marian Jordan, chairman, Marjorie Olson, Mildred West and Roberta Weite.

THE MEETING opened with a poem by Lillian Granquist, entitled "Happiness." Roll call was "A

Dream Winter Vacation for Me."

Because of the club's annual donation of \$500 to Wayne State College for scholarships, members were presented a framed photograph of the most recent addition to the print collection of buildings of significance on the college campus. The club also became a member of the Presidents Society.

A \$100 donation was made to the Greenwood Cemetery Association.

NEXT MEETING of the Wayne Woman's Club will be Friday, Feb. 12 at 2 p.m.

Retired teachers meet

Wayne Area Retired Teachers met Jan. 11 at the Black Knight with 22 members.

Vice President Belte Ream conducted the meeting and opened with a poem, "Snowman" by Shell Silvershtien.

She also presented information on pending bills in the unicameral.

MARIE SKOKAN, community service chairman, asked members to give her the number of hours they have volunteered for community service.

The AARP is giving a National

Community Service Award to a worthy member of any organization doing community service work.

The Northeast Nebraska Adult Basic Education Organization is asking for volunteers to help promote the adult basic education program the first week in February.

FOLLOWING THE business meeting, Marie Skokan spoke about her tour to India. She showed slides and displayed brochures and articles she brought back.

Next meeting of Wayne Area Retired Teachers will be March 14.

Briefly Speaking

Wakefield men injured

Wakefield resident Ben Lienemann injured three fingers on his left hand while operating a saw Jan. 4 at his store in Wakefield.

Lienemann was taken by helicopter to St. Joseph Hospital in Omaha and underwent immediate surgery. It will be a few days before doctors know how successful surgery was to save the fingers which were cut into the bone.

Cards and letters will reach him if addressed to St. Joseph Hospital, Room 4505, 601 North 30th St., Omaha, Neb., 68131.

Another Wakefield man, Raymond Brudigam, fell in downtown Wakefield on Jan. 2 and broke his right hip. He was taken to Wakefield Community Hospital before being transferred to St. Luke's Hospital in Sioux City.

Cards and letters will reach Brudigam if addressed to him at St. Luke's Hospital, Room 405, 2720 Stone Park Boulevard, Sioux City, Iowa, 51104.

AIDS issue demands attention, not apathy

The presence of AIDS has been an issue that demands constant monitoring — even in communities within northeast Nebraska.

And so it is without question that the AIDS issue must be dealt with by local communities and schools. The Wayne-Carroll School District is taking that step — an important step — toward controlling the communicable disease and offering protection to the students and faculty.

One good point seen in the policy is that the Wayne-Carroll School District won't just forget about the student victim. They will find alternative methods, if possible, to give that child the education he or she deserves.

The threat of an AIDS epidemic is certainly warranted — so much so that the Nebraska Department of Health issues quarterly AIDS statistics.

In 1987's first quarter, four cases were reported in Nebraska; second quarter, six cases; third quarter, six cases.

However, the number of cases doubled in the fourth quarter to 12, bringing the number of diagnosed AIDS cases to 28 in 1987. The previous year (1986), there were 11 cases reported.

Of the 12 reported cases in Nebraska during the fourth quarter of 1987, 92 percent were male and 8 percent were female victims. Eight of the victims were homosexual/bisexual men, three were a combination of homosexual/bisexual

men and IV drug abusers; and one was heterosexual.

At the time this was written, nine of the AIDS patients were alive; and three had died.

Since 1983, Nebraska has had 49 victims who have contracted AIDS in one way or another.

Granted, the AIDS disease hasn't hit Nebraska in epidemic proportions.

But the threat is there, and has to be dealt with — not treated as though it could never happen in a community like Wayne, Nebraska.

It's the same as alcoholism, drug abuse or other problems which people don't like to talk about.

The morality issues surrounding AIDS is an issue that continues to be argued on the social level — to the level of condom machines, abstaining, use of gloves among nurses and doctors, blood transfusions and other topics widely discussed. But medically speaking, when talking about human lives, awareness of the disease's symptoms and necessary precautions cannot be debated. The disease is spreading too fast.

And until an AIDS cure is found, then protecting the health of others, if protection is deemed necessary by experts who deal with the AIDS virus, must always be regarded as a high priority.

90th Legislature begins to heat up

With the start of the new year the formal work of the Nebraska Unicameral begins. Nebraska's unique, one-house system of representative government is starting its 51st year of operation. The non-partisan legislative system has stood us in good stead this last half century.

The first week of the second session of the 90th Legislature is complete. Each Legislature lasts two years with the first session lasting 90 working days and the second lasting 60. This year, the shorter 60 day session, the Legislature has hit the ground running with immediate consideration of bills that carried over from last year's session. There are 234 of these carryover bills and 250 new bills introduced so far this session. No new bills can be introduced after January 21st.

One method of tracking the Legislature's hearings and debate on particular bills is to follow the "Unicameral Update". The "Update" reviews the developments

Capitol Views
by Sen. Gerald Conway

of the past week and is an excellent means of following the flow of legislation during the session. The subscription is free of charge; please contact my office at the Capitol if you would like to receive this weekly publication.

A bill which I am sure will be followed with a great deal of interest is LB 882 which I introduced to deal with the continuing issue of low-level

nuclear waste storage. As you undoubtedly know, last December Nebraska was chosen by the Central States Compact to be the host state for the waste site. The site developer, U.S. Ecology, and Governor Orr have said that no community which does not want the site will have to accept it.

To insure this "community consent", I introduced LB 882. Under the bill's provisions, U.S. Ecology would have to publicly identify the proposed site which it would like to pursue before it applies for a license with the State. Between 90 and 120 days after the proposed site is identified, a special election would be held within that county and in neighboring counties whose border is within twenty miles of the proposed site. I view this legislation as a means to insure citizen participation in the location of this facility.

I am happy to report positive action related to rescue squad volunteers. Due to a great deal of

resistance, Senator Rogers will not be introducing his bill that requires additional training hours for the volunteers. His decision is evidence that by working together and providing a strong case we can be heard. Northeast Nebraska residents enjoy an extremely valuable emergency health care service that we can be very proud of.

I am also pleased to note that the members of the Banking, Commerce and Insurance Committee have elected me the Committee Vice-Chairman. Besides the Banking Committee, I will continue to serve on the Judiciary Committee as I have since being elected to the Legislature as well as Vice-Chairman of the Intergovernmental Cooperation Committee.

Please contact me with your concerns and ideas by writing or calling my office: Senator Gerald Conway; State Capitol, Lincoln, NE 68509, or phone (402) 471-2716.

Conway introduces low-level waste law

By Chuck Hackenmiller
Managing Editor

District 16 State Senator Gerald Conway has introduced, as principal sponsor, a bill to the Nebraska Legislature that will provide for a special election when considering a low-level radioactive waste disposal location.

The bill, also co-sponsored by area State Senator Stan Schellpeper and others and known as the "Low-Level Radioactive Waste Disposal Act", will call for the requiring of public identification of the proposed site and provide for a special election.

Terms of the bill demand that

"prior to submitting an application for a facility, the person proposing the facility shall publicly identify — on a statewide basis — the site or sites considered the most suitable for the facility."

The identification of the site or sites would include, but not be limited to, the Governor, Legislature, various state departments; the county commissioners of the affected county or counties; and publication in at least one newspaper of general circulation in the county.

Failure to give proper notification would bar the person from applying for a license for a disposal facility to

be located at such a site.

THE AFFECTED county would mean the county in which a proposed site is located and any county the boundary of which is within a radius of 20 miles of the proposed site.

A minimum of 90 and a maximum of 120 days after the governor receives identification of a site, a special election would be held for purposes of voting on the following question: "Shall a low-level radioactive waste facility be built at the proposed site in (whatever county is designated)?" Voters would answer yes or no.

If there is more than one site proposed in the county, a separate ballot would be used for each site, according to Conway.

If at least 40 percent of electors (residents of an affected county) voting on the question for a given site vote no, then the facility would not be built at such a site.

Nebraska was chosen in December among four other states with in the Central Interstate Low-Level Radioactive Waste Compact Commission as the designated host state for the low-level radioactive waste disposal facility. U.S. Ecology will be the builders of the disposal site.

transmission lines will be under the estimate and will bring the city "\$550,000 worth of savings."

"We're projecting, that by the time the project is finished, there will be a savings of \$750,000," said Franklin.

There is still some work needed on the water tower. Apparently, the telemetry on the tower needs repair, Franklin mentioned.

THE WELL FIELD is located six miles north from the southwest corner of the Wayne Country Club and then one mile west. Franklin said the transmission line would be laid along the west side of Highway 15, and on the south side of the county road leading west to the well field site. From the new well to the country club corner, the line will measure 16 inches in diameter. From the golf course corner to 3/4 miles east to the water tower, the line will be 12 inches in diameter.

Franklin said the construction period would consist of 196 days. "We anticipate completion by the middle of October," he said.

THE CITY COUNCIL approved first an ordinance, and then a resolution, in relationship to the Wayne Cablevision Franchise Extension.

The ordinance extends the franchise operation to the year 2,000. Included in the ordinance is a stipulation that access be made available for a warning system that would interrupt all cable channels which would alert the viewer of potential emergencies.

"As it is written, the cost would be the city's if this program were implemented down the road," said City Administrator Phil Kloster.

The requested for the extension came from Dean Wandrey of Northeast Nebraska Cablevision LTD, owners of Wayne Cablevision. The franchise expiration is 1990.

Kloster also asked the council to consider raising the amount which the city gets for franchise fee. Cur-

rently, that amount stands at 3 percent of the billed fees to customers. Kloster said many communities have raised the amount to 5 percent.

"That money used would go for offsetting property tax as it goes in the general fund," he said. The city, with the percentage increase, would collect approximately \$12,000 instead of \$8,000 in franchise fees, over the course of a year.

Wandrey told the council Tuesday that he said the 2 percent increase in the franchise fee, if approved at 5 percent, would be passed on to the subscribers. He said there are cities with no franchise tax and others ranging from 1 to 3 percent.

He said the current agreement which expires to the end of 1990, was contracted with the 3 percent franchise fee.

Kloster said that the 5 percent franchise fee would amount to an increase of about 25 cents per month per subscriber. "It's not that much of a problem for that amount of money."

Councilman Freeman Decker motioned, and the council approved, to allow the franchise fee to remain at 3 percent for the remainder of the present franchise contract, and after Jan. 1, 1991, to raise the fee to 5 percent.

THE RESOLUTION the city council passed gives conditionally approval for the transfer of ownership of Wayne Cablevision from Northeast Nebraska Cablevision LTD to Jones Interchange. The terms of the ordinance passed Tuesday night must be met by Jones Interchange.

The council also:
• Will look into concerns regarding what areas can be specified for parking of semi-trailers. Kloster said the city currently has no spot convenient for semi drivers to pull off and go into an eating establishment and get a bite to eat while they are passing through Wayne.

• Approved an overview of the school district's elementary physical education program by instructor Don Koenig.

Koenig explained the school's program and activities scheduled throughout the course of the school year. He also pointed out the philosophy and objective of physical education: to develop the physical, mental and social aspect of each student to an optimal level taking all variables into consideration.

The physical education program should develop, among students, a high degree of: physical fitness to carry on life's activities, knowledge of the human body and its functions, an acceptable self-concept, a knowledge of various activities which may be used in leisure time and the ability to interact responsibly in a group.

• Were informed that there would

be a meeting on asbestos, sponsored by ESU I, on Wednesday, Jan. 27, 7 p.m. at the Wayne high school lecture hall. Cause for the meeting is the recent new federal asbestos mandate for schools (to remove all asbestos material within a certain time frame).

• Approved two freeholders petition — one submitted by Martin Christensen, involving 7.5 acres of property six miles north on Highway 15; and the other submitted by David Broders that involves several lots in Altona.

• And approved the school calendar for the 1988-89 school year. Currently, there is a bill in the legislature which will not allow school districts to start classes until after Labor Day (Sept. 5).

However, in light of that pending bill, the school board approved Aug. 29 as the opening day of school. The Christmas-New Year's break will take place Dec. 23 to Jan. 2.

The end of school is slated for May 26, 1989, with commencement slated for seniors on May 14.

Sports Briefs

Legion Sites Selected

Wakefield and Wayne were two of the six sites selected for the 1988 state baseball tournament, by the Nebraska American Legion's Athletic Committee.

All state tournaments will begin Aug. 5, while the Class B and C area tournaments start July 23.

In Class B, Schuyler will hold the state junior tournament and Wayne will hold the state midget championship.

The Class C state junior tournament will be held at Creighton and the midget tournament at Wakefield.

Second Guessers to Meet

The Second Guessers will begin meeting Jan. 14, at the Varsity, beginning at noon.

Wayne grapplers earn first place medals

Any pre-Invitational feelings by Wrestling Head Coach John Murtaugh, that his Blue Devils might have a let down after a big dual win over C-rated Creighton, last Thursday, was wiped away Saturday after the Blue Devils finished fifth, out of an 11 team field, in the Wisner Invitational.

The Blue Devils had six medal winners in the field of teams, which was captured, by Creighton with 146½ points.

The rest of the scoring went: Schuyler, 134; Norfolk JV, 122½; Pender, 101; Wayne, 95; Wisner, 73; West Point, 56; Lyons-Decatur, 30; West Point G.C., 27; Macy, 4; South Sioux City JV, 3.

The Wayne grapplers showed some resilience by coming off a big dual with Creighton, two days earlier. "I think the kids showed a lot of class," Murtaugh said.

Wayne highlights of the tournament were of course the six medal winners. However, the one that drew Murtaugh's eye was the wrestling of Shane Geiger.

Coming into the Invitational, Geiger was unseeded, yet he came out and captured first place. "Shane did a great job of wrestling in the finals," Murtaugh said.

Geiger defeated Larry Weyhrich, Creighton, 12-8, in the finals. Weyhrich was previously rated 5th, in the 145 lb. weight class, in Class C.

Brian Nelsen was the only other Wayne wrestler capturing a first place medal. Nelsen, fresh off his team winning pin on Thursday night in the Creighton dual, kept that winning feeling, as he swept through the invitational. Nelsen recorded two pins-en-route to the first place medal.

In Nelsen's finals match, he faced familiar foe Gene Zimmerer. Zimmerer was pinned by Nelsen last Thursday, in the dual, and he had no intentions of being pinned twice in two days by the same wrestler.

But that's exactly what happened! "Brian is a perfect example of the adage, 'good things come to those who pay their dues,'" Murtaugh said. "This is the first year he is wrestling varsity, and he is making the most of it. It really sends a message to the younger kids," Murtaugh added.

Wayne had one second place finish with 160 lb. Jason Cole capturing the medal. Cole lost a 6-5 decision to Craig Reich, Pender, in the championship.

There were two Wayne grapplers finishing with third place medals. In the 103 lb. division, Chris Janke defeated Craig Koehler, Lyons-

Decatur, twice in the meet. In the first round match, Janke beat Koehler by technical fall.

In the third and fourth place match, Janke pinned Koehler.

Chris Lutt wrestled with the same circumstances as Janke, in his 171 lb. division. In his first round, Lutt defeated Todd Bell, West Point, 14-4. In the third and fourth place match, Lutt won by injury default.

Tom Etter was the only fourth place winner for Wayne. Etter wrestled Nick Parry, Schuyler, twice. The first round match was won by Parry, 5-2. The match for third and fourth was also won by Parry, 7-1.

Murtaugh's grapplers will be traveling to Elkhorn this Saturday, for the Elkhorn Invitational. Murtaugh noted that there will be several teams participating that will be in Wayne's district.

Here is the listings of each weight class for Wayne, and the results:

103—Chris Janke (W) Won by technical fall over Craig Koehler, Lyons-Decatur; Lost 6-1 to Cody Strutzman, Schuyler; Won 9-2, over Shawn Waldow, Creighton; Won by pin over Koehler, Lyons-Decatur; Placed Third.

Three grapplers place first

Winside finishes in middle of invite

By Kevin Peterson
Sports Editor

Winside placed right in the middle of the pack, in its own Invitational last Saturday. The grapplers finished fifth in the nine team tournament.

Winside came out of the tournament with five medalists, three first place finishers, one second, and one third.

The team standings were: Logan View, 174; Norfolk Catholic, 119½; Battle Creek, 113½; Stanton, 83; Winside, 88; Clearwater, 77½; Osmond, 59; Plainview, 48; Oakland-Craig, 23.

Highlights for the Winside wrestlers in the Invitational included the five individual medalists.

Chad Carlson, got things off on the right foot for the Wildcats, as he defeated Jason Arlt, Plainview, 5-2, in the finals. "Chad had an extremely good day," Winside Head Coach Paul Sok said. "He was in definite control for the majority of his wrestling."

Carlson pushed his individual record to 12-2 on the year, in the 103 lb. weight class.

In the 125 lb. weight division, Winside got another first-place finish from Doug Paulsen. Paulsen defeated Jared Kremlacek, Stanton, 12-2, in the finals.

Paulsen pushed his season mark to 12-2 also. Sok was pleased with the way Paulsen wrestled but noted that Paulsen, as well as all the other Winside grapplers, weren't as sharp as he would've liked them to be.

"Some of our wrestlers were in control most of the time, but they still weren't moving as sharp as we would like to see them," Sok said.

Winside's third champion of the day was Max Kant, in the 135 lb. weight class. Kant defeated Ron Nordhees, Norfolk Catholic, 9-5 in the finals.

Sok noted that Kant was in control the whole match. "Max started out kind of wild," Sok said. "He burned himself out at the end of the match, but he was never in any danger."

Kant pushes on towards an unblemished season, as he recorded his 12th victory in 25 many attempts.

Max Kant was not as fortunate as brother Max. The senior grappler dropped his first match of the year in the finals to Jeff Heimes, Norfolk Catholic, 10-6.

"It's tough to play catch up," Sok replied, of Kant's wrestling in the finals. "Max had the right idea on a lot of his moves, but he just didn't follow through on them, so he lost back points, which led to problems of playing catch up."

Shane Frahm finished fourth for the Winside grapplers. It was Frahm's third placing of the year. "Shane is only a freshman," Sok said. "He is moving real well on the mat, but his lack of experience is hurting him." Frahm wrestled Clearwater senior Rob Klabbenes, in the consolation round and lost 18-7.

Other Winside wrestlers who participated in the Invitational, but did not place included, Doug Heinemann, in the 112 lb. weight class. Although Heinemann didn't place, he did capture his first win of the season, and Sok was pleased with that.

Kerry Jaeger, Jeff Gallop and Brian Thompson, all freshman, did not place. "The freshman are improving," Sok said. "This was Gallop's first varsity match."

Sok noted that his grapplers need improvement, before next month's district competition. "Right now, we are above level in conditioning, but our techniques need improvement," Sok said.

WINSIDE'S Doug Paulsen records a pin again his second round foe from Clearwater; Chad Carlson, Winside's 103 pound wrestler, is in control in this second round match. He, Paulsen and Max Kant took championship honors.

Lady Wildcats lose game to Missouri Western in OT

WAYNE HEAD COACH Bob Uhing gives some last second instructions before the tip off.

Wayne defeats Laurel

The Wayne Blue Devils boosted their record to 6-3 Tuesday night, when they defeated Laurel, 66-43, in a game that virtually was never in doubt.

Wayne Head Coach Bob Uhing noted that his squad was a little rusty after the long lay-off. "We weren't nearly as aggressive as we should have been," Uhing said. "We also had entirely too many turnovers."

Both, likely to be from the lay off, Wayne led 16-9, after the first quarter of play. Blue Devil Scott Hammer, played well in the first quarter, grabbing a couple rebounds and hitting some jumpers from the outside.

Wayne came out in the second quarter, and picked up where they left off in the first. This time they out-rebounded the visiting Bears 18-9, to lead 34-18, at intermission.

Uhing noted that 12 Blue Devils saw action in the third quarter. Things got a little tougher in the third quarter for the home team. Laurel

outgunned the Blue Devils 13-10, to trail 44-31, with the final eight minutes, yet to be played.

Wayne picked up the tempo, however, in the final quarter, and scorched the nets for 22 fourth quarter points, compared to 12 for Laurel.

The second half of the game belonged to Nick Engelson. The 6'5" senior, canned 12 field goals for the game, accounting for a game high 25 points.

Hammer and Jarrod Wood were also in double figures, each with 10. Wood led the team in rebounding with nine caroms.

Although the lay off was evident in the way Wayne played, Uhing was pleased with the effort his team put forth.

"I was pleased with the way the kids looked for each other when they were running the offense," Uhing said. "I was also happy about the shot selection our players took. The kids took a good shot every time down the court."

Uhing also noted the success his team had in using the reverse pass.

The road ahead for the Blue Devils, doesn't look inviting. This Friday, Wayne travels to Stanton, and Saturday, the Blue Devils must travel to Seward to play the second rated team in Class B.

Wayne's game with Stanton, marks the first of five straight road games for Uhing's Blue Devils.

In the junior-varsity game, Wayne doubled the score on Laurel, 70-35. The Blue Devil defense held Laurel scoreless in the first quarter, while gunning for 18 points of their own.

Wayne kept the pressure on, and led 28-12, at intermission. The second half was also owned by Wayne, as they outscored the Bears 42-23, accounting for the final.

Rob Sweetland, led the Wayne JV's, with 12 points. Willie Gross added 11, while Craig Sharpe netted 10.

Neil Carnes hauled down nine rebounds, while Sharpe recorded eight caroms.

The Wayne State Lady Cats lost to Missouri Western in over-time Tuesday night at Rice Auditorium, 76-75. With time running out in the over-

time period, Wayne State had a chance for the win, but a fumbled pass by Jodene Finck, under Wayne State's basket, ended the Lady Wildcat chances.

The first half of the contest was virtually even between the two teams. Wayne State held a 36-32 lead. Wayne State was aided by hitting nine of 11 free throws in the first half, while Missouri Western hit only two free throws. Unfortunately for the Lady Wildcats, they were only given two free throw chances, and they hit both.

Missouri Western had a 21-20 lead in the rebounding department.

Wayne State's Linda Schnitzler scored 12 first half points, to lead the Lady Wildcats. Dawnn Berni-Tucker was the only other Wildcat in double figures at intermission, with 10.

Schnitzler and Tucker went on to lead the Lady Wildcats in scoring for the game with 21, and 18 points respectively.

Michelle Blomberg came on in the second half. Blomberg hit three 3-point field goals, and hit five free throws to add 14, in a losing cause.

Other scorers in the contest for Wayne State included, Kris Smith, 8; Finck, 6; Kae Burke, 4; Brenda Schramm and Julie Heath, each added 2.

Tucker was dominant inside for the Lady Wildcats, as she hit the boards for 19 rebounds. Four of her rebounds were offensive. Smith hauled down seven caroms, while Schnitzler collected six.

As a team, Wayne State shot 41 percent from the field, on 28-69 attempts. From the charity stripe, the Lady Wildcats connected on 16-26 attempts, for 62 percent.

The Lady Wildcats will turn their attention to this weekend's games at home against Fort. Hays State, on Friday, and Kearney State on Saturday.

WAYNE STATE'S Kristie Lierman eyes the approaching ball in action against Missouri Western Tuesday night.

Wayne Lady Blue Devils slip past taller Norfolk

By Kevin Peterson
Sports Editor

Playing two Class A schools in straight games is a tall order, but the Lady Blue Devils responded with two victories. The second coming Tuesday night at Norfolk, where Wayne defeated Norfolk, 54-49.

Wayne Head Coach Marlene Uhing thought her squad was tentative for the first three quarters of the game. "Norfolk was a big team," Uhing said. "They were also very quick. I just didn't think our kids were mentally into the game."

Wayne spurred to a 17-13 lead at the end of the first quarter. Both teams scored 12 in the second quarter, giving Wayne a four point advantage at intermission.

Uhing's Blue Devils were not penetrating Norfolk's zone in the first half. "Since Norfolk was so big, they had a tall zone, with the guards being 5'8, or 5'9," Uhing said.

Defensively in the first half, Uhing noted that her team wasn't making the necessary adjustments to stop Norfolk from driving to the basket. "We talked to the kids about sagging off the Norfolk ball handlers," Uhing said. "It seems like in Class A, they drive to the hoop on you, and if you're playing too close, you'll get called for the foul."

Wayne's full court pressure, and half court trapping, began to pay dividends in the second half. "Norfolk only had 14 turnovers," Uhing said. "We did seem to score on their turnovers though, which paid off."

Wayne led by three, 37-34, heading into the final quarter. That's when the Blue Devils went to work. "In the last six minutes, we executed real well, and we penetrated Norfolk's zone," Uhing said. "On defense, we got more aggressive."

As the end of the game, drew near, Norfolk tried to prey on the weak free

throw shooting displayed by the Lady Blue Devils in earlier games. However, Holly Paige dashed the Norfolk comeback hopes, as she sank 5-6 free throws in the fourth quarter alone.

Paige was one of two Wayne players to hit double figures with 14. Dana Nelson led the Lady Blue Devils with 15. In the rebounding category, Wayne was out rebounding, 34-28, which was to be expected with the height advantage of Norfolk.

Tonya Erxleben and Heidi Reeg, each hauled down six carsoms apiece to aid the Wayne cause. Nelson had four assists, to lead Wayne in that department.

The Lady Blue Devils did an excellent job of ball handling for the game, as they only committed 12 turnovers.

Uhing's squad retains a 7-2 record. However, the road begins to get a little more rocky this week, as this Thursday, Wayne hosts a much bigger Columbus Lakeview team.

Uhing noted that one of Lakeview's girls recently scored 38 points in a game. "This will definitely be a tough game for us," Uhing said. "Lakeview is a very big team."

In junior varsity action, Wayne defeated the Norfolk JV's, on a last second shot by Deanna Schluns.

Uhing said the girls played their best game of the year against Norfolk. "The girls really executed the ball well," Uhing said. "With ten seconds remaining, we took it the length of court, and ran the exact play we designed, and won."

Schluns scored 15 for the JV's. Teresa Ellis, playing only one quarter, scored eight. Jennifer Hammer and Bree Bebee added six apiece.

Hammer grabbed 11 rebounds to aid the Wayne victory.

Wildcats get road win over Dana College

Wayne State College Head Coach Steve Aggers, got his team back on the winning track, last weekend with a pair of victories. Friday, the Wildcats traveled to Blair, Neb., to play Dana. Saturday, Wayne State played its second home game of the year, hosting Midland.

Aggers was pleased with the way his squad played in the Dana game. "We played with great intensity," Aggers said. "Even though Dana was a much bigger opponent, we managed to offset that with our hot shooting from the outside."

The Wildcats burned the nets for 58 percent field goal shooting on 33-57 attempts. Aggers was also pleased with the bench play. "We got some quality play from the bench," Aggers said. "We played about 11 people, while Dana played only seven or

eight."

Scott Hurley was the catalyst for the visiting Wildcats, as he hit for 20 points. Hurley hit 2-3, 3-point field goal attempts.

Perhaps the force that Dana could not overtake, was the play of Bobby Parker. Parker scored 18 points on the offensive side of the ball, and grabbed seven carsoms on the defensive side of the ball.

Steve Dunbar netted 14 points for the winners.

You would think that a 21-point win on the road would mean that the Wildcats played respectable in every facet of the game.

Aggers was disappointed in the way his squad turned the ball over. "We had 22 turnovers against Dana," Aggers said. "We would like to get our turnovers down to 15, or below."

As mentioned earlier, Saturday's contest with Midland, was only the second home game of the year for the Wildcats, and yet the cozy confines of Rice Auditorium was without some familiar likings of home.

There was a good crowd on hand, but there was no pep band, no Wayne State College students, thus providing for a quiet atmosphere.

Never-the-less, the Wildcats played hard on both ends of the court. Aggers, again was pleased with the way his squad played with intensity. "This was a good win for us coming off a road game, and not getting back to Wayne until 12:30 a.m. Saturday," Aggers said.

Wayne State jumped out early on Midland, outscoring them 20-8 in the first seven minutes of the game. Midland fought back, and at inter-

mission, the score stood at 37-30, in favor of Wayne State.

The Wildcats again shot the ball well from the field, connecting on 54 percent of their shots. The leading scorer was again Scott Hurley. Hurley unleashed 11, 3-point field goal attempts, hitting five of them, en-route to a 27-point performance.

Mike McNamara hit double figures in scoring with 16, and rebounding, with 10. Steve Dunbar added 13 for the winners. Keith Berg led the Wildcats in rebounding, hauling down 11 boards.

Aggers was still disappointed in the turnover aspect of the game. The Wildcats turned it over 17 times, which is still above Aggers' 15.

Against Sioux City West

Wayne wins in physical game

Marlene Uhing's Lady Blue Devils, took their 5-2 record to Sioux City West Saturday night to square off with a Class A opponent. Wayne responded to the challenge, and defeated Sioux City West, 59-46.

Uhing was pleased to see the Lady Blue Devils play a Class A school. "I think it's good that we play a Class A team, because it is a different style of ball," Uhing said. "It is much more physical in Class A, the referees really let you play, so there's some banging around going on under the basket."

Uhing noted that her squad really handled playing the different style of basketball very well. The half court trapping, and the full court pressure, was again an asset of the Lady Blue

Devils, as Wayne forced the home team South Sioux West, into committing 29 turnovers.

From the opening tip off in the first quarter, until the end of the opening period, it seemed like a full fledged track meet. Both teams lit up the scoreboard in the first quarter with Wayne taking the lead 24-20 at quarters end.

The second quarter saw both teams at the other end of the scoring spectrum. Wayne outscored South Sioux West 9-6 in the second period, to take a 33-26 lead into intermission.

The two teams traded buckets in the third quarter, with Wayne again winning the point total for the quarter 10-9, for an eight point lead heading into the final stanza.

South Sioux West could not close the gap, and Wayne went on to post its sixth victory of the season, against two losses.

Even though Uhing is happy with the way her squad has been playing of late, (four straight wins), she is displeased with the free throw shooting displayed by Lady Blue Devils.

"We need to bear down and really concentrate on our free throws," Uhing said. "We only hit 10-20 from the line, and the Junior Varsity only connected on 13-28, so it's all the girls who are having problems."

Dana Nelson led a group of four Wayne-Carrill scorers in double figures with 20 points. Nelson hit four 3-point field goals. Tonya Erxleben

scored 12 points to aid the Lady Blue Devils. Kristy Hansen netted 11, and Holly Paige scored 10.

Uhing also got some key rebounding from Hansen, nine, and Heidi Reeg, eight. As a team, Wayne out rebounded the bigger South Sioux West team, 31-29.

Wayne will begin a five game home stand this Thursday, when it hosts Columbus Lakeview.

In Junior Varsity action, South Sioux West narrowly defeated Wayne, 28-27. Wayne was led in scoring by Deanna Schluns, with eight points. Schluns also led all rebounders with nine.

Jennifer Hammer and Amy Wriedt had six rebounds apiece for Wayne.

WSC'S buzzer shot draws iron

Scott Hurley's 25-foot desperation shot at the buzzer drew iron, thus giving Missouri Western, a 62-59 victory, over Wayne State Tuesday night. It was the first loss at home this season for the Wildcats.

Wayne State seemed to do everything it had to do for the victory. Wayne State Head Coach Steve Aggers found the answer to why the Wildcats dropped its eighth game of the year.

"We played smart against Missouri Western," Aggers said. "We had the right tempo, slowing down a very quick Western team, but the real problem was free throw shooting."

Coming into the contest, Wayne State was second in the conference in free throw shooting, hitting nearly 71 percent of the charity tosses. The Wildcats seemed to hit a cold streak at the wrong time. "We only hit 53 percent from the foul line," Aggers said.

Wayne State hit eight of its 15 attempts, compared to a brilliant free throw performance by Missouri Western. Western nailed 14 of its 16 attempts, for 88 percent.

Wayne's objective in the game was to slow down the tempo of the upbeat Missouri Western squad. The leader of Western is Daniel Gambrell. Gambrell leads the conference in rebounding, averaging 14 per game. He is also fourth in the conference in scoring, hitting for 19 points per game.

Wayne State held Gambrell off the boards, allowing him seven caroms, seven below his average. Of the seven he recorded, Gambrell had but one offensive rebound, proving that the Wildcats were blocking him off the boards.

Offensively, Gambrell had 21 points, which aided Missouri Western's winning cause.

Wayne State was led by Scott Hurley. Hurley finished the night with 17 points, and hit three 3-point field goals.

Bobby Parker was right behind Hurley, as he netted 15. Mike McNamara added eight. Parker and McNamara were also the leading rebounders for Wayne State. Parker grabbed nine caroms, while McNamara hauled down eight.

Aggers noted that McNamara and Keith Berg played a good defensive ball game.

The Wildcats hit on 43 percent of their field goal attempts, and they reduced the turnovers to 13. Aggers felt the team did a good job of cutting down on the number of turnovers, but that the ones they had against Missouri Western, came at crucial times.

Attention is now being put forth on the nation's number one team in Fort Hays State. "It's not very often you get a chance to play the best team in the nation," Aggers said. "This is a great opportunity for our ball club."

Saturday, Wayne State remains at home to entertain rival Kearney State.

Wakefield captures consolation

The consolation round proved to be successful for the Wakefield Trojans, in the Post Holiday Tournament at Emerson. Wakefield rebounded from its first round loss to Pender, to defeat Emerson, 49-40.

Wakefield Head Coach Paul Eaton was pleased with the victory, but still notes that his squad isn't playing up to its potential.

"We still feel that we aren't playing that well," Eaton said. "It's a lack of communication, that we aren't running the offense very well. It's also a lack of communication that we have so many turnovers."

Wakefield finished the contest committing 25 turnovers, which in Eaton's mind, is entirely too many. Wakefield did out rebound Emerson, 25-19, which aided in the victory.

The first quarter of the game was very sluggish, as each team managed only five points. Emerson regrouped after the first quarter break, and scored 18 second quarter points to take a 23-17 half time lead.

The second half proved to be all Wakefield, as the Trojans outscored Emerson 32-17 in the final two quarters to claim the consolation victory.

Wakefield's Scott Lund led the Trojan attack as he netted 22 points for the winners. Stuart Clark was the only other Trojan in double figures as he accounted for 12 points.

Eaton was pleased with the way his team shot the ball from the field and from the free throw line. Even though Wakefield only shot the ball 36 times, they hit on 18, accounting for 50 percent field goal shooting.

Wakefield also hit on 13-18 freethrows, for a 72 percent performance.

Allen hits hard times

After losing in the first round of the Ponca Post Season Holiday Tournament, to Ponca by 47 points, Allen faced Walthill in the consolation game. Things turned out worse for the Eagles, as they were defeated by 53 points, as Walthill routed Allen, 87-34.

Allen Head Coach Dave Uldrich was not impressed with his team's ball handling, but gave credit to Walthill for executing a successful full court press. "They pressured us very well," Uldrich said. "They forced a lot of turnovers, which gave them some easy buckets."

Allen was jumped early as Walthill outscored the Eagles 21-10 in the opening quarter. Things got worse from then on for Uldrich's squad. Walthill scored 26 second quarter points, compared to Allen's nine, which accounted for a large half time lead of 47-19 for Walthill.

Defensively, the third quarter was Allen's best, as they held Walthill to 18 points. Unfortunately, the Eagles could muster only eight points during the third quarter. Allen trailed the

consolation winners, 65-27, heading into the fourth quarter.

Uldrich played 12 players in the contest. Heading the scoring for the Eagles was Ben Jackson. Jackson netted six points. He was followed by Matt Hings' five points. Hings also led the rebounding category for Allen, as he hauled down seven caroms. Todd Hohenstein grabbed six rebounds.

Allen shot the ball 46 times during the contest, while Walthill unleashed 86 shots. However, the category that hurt the Eagles the most was turnovers. The Eagles accounted for 40 turnovers. The counterparts had 16 turnovers.

The other key category was rebounding. Again the Eagles were out rebounded, 57-42.

Uldrich's squad will have a total of six days rest before meeting Bancroft-Rosalie this Friday, at Allen. Uldrich noted that the kids will be working on reducing turnovers and blocking out on the boards, in practice before the contest with top 10 rated Bancroft-Rosalie.

Livestock outlook mixed

Returns to livestock producers in 1988 are not likely to be as good as during the past year. But there should be some periods of profitability, particularly for producers and feeders who can keep operating costs down.

This word comes from Al Wellman, University of Nebraska-Lincoln extension livestock marketing specialist, who said feed costs, a major factor, will be somewhat higher. "Some price increases can be expected on both corn and soybean meal, but costs will still be relatively low," he said.

On the demand side, analysts cannot agree on the strength of the general economy and therefore the overall demand for meat and poultry, the economist said. Assuming the economy will continue to show moderate growth and demand for meat products will be comparable to 1987, price levels will still be limited by a large total supply of meat and poultry.

Turning to hogs and pork, Wellman said the swine industry is in the midst of a cyclical buildup in production, which will continue throughout the year. Caution on the part of farmers and lenders may moderate expansion, he said, despite recent profits and large supplies of feed. Hog slaughter and pork production

in 1988 is expected to be around 8 percent to 10 percent higher than a year ago.

SMALLER SUPPLIES of beef will be offset by large stocks of poultry and pork, which will keep hog prices well below 1987 levels, Wellman said. Market barrows and gilts (210-240 pounds) averaged about \$52 per hundredweight at Omaha in 1987.

"Omaha market prices for barrows and gilts are likely to be in the low to mid \$40 range during the first three quarters of this year," he predicted. Prices may drop below \$40 at times in the early spring and may reach the upper \$40s during the summer. By the fall of 1988, prices are forecast to drop below \$40. The expansion phase of the hog cycle probably will extend into 1989, Wellman said, with possible further downward pressure on prices.

U.S. cattle numbers and slaughter were down in 1987 over 1986, and fed cattle prices have shown good improvement, the economist said. Choice slaughter steers at Omaha averaged near \$65 per hundredweight in 1987, up from \$59 in 1986.

Beef production is expected to show a further decline in 1988, and total slaughter is expected to

decrease each quarter in the 2 percent to 4 percent range.

"Cattle-price forecasts for 1988 vary widely," Wellman commented. Omaha prices for choice slaughter steers should average near the mid \$60s in the first quarter, in the mid to high \$60s in the second quarter and in the mid \$60 range during the last half of the year.

"The best chance for higher short-term prices is in the second quarter," he said. Prices in the lower \$60s or below should not be ruled out early this year, and possible during the last two quarters, he cautioned.

FEEDER CATTLE prices likely will remain fairly strong during 1988, assuming fed cattle prices are no lower than forecast. The supply of feeders will remain tight, and relatively low feed costs will continue to stimulate demand.

"Cattle feeding returns in 1988 will be much narrower on average than in 1987, but there will be positive returns on some of the cattle fed. It appears, however, that much of the profit potential in cattle will be in producing calves and getting them to heavier feeder weights.

"Thus returns to beef cow, stocker or backgrounding operations should be fairly good in 1988," Wellman concluded.

SCS lists available tax deductions

Tax rules for soil and water conservation expenditures have undergone some changes under the Tax Reform Act of 1986, according to information from the Internal Revenue Service.

Larry Wetterberg, district conservationist, Soil Conservation Service, says their office has compiled a list of soil conservation practices that may be eligible for deduction on a taxpayer's return. However, those practices must be included in a conservation plan.

Based on recent information from the Internal Revenue Service, Wetterberg says farmers and ranchers

will need to file a copy of the county practice list with their tax return. Farmers and ranchers who have expended funds for soil and water conservation practices may stop by or call the local Soil Conservation Service office for a copy of the county list.

Each SCS county district conservationist can identify up to 15 conservation practices eligible for an income tax deduction under the IRS guidelines.

"Because of the agricultural diversity across Nebraska, there could be some differences in the list of prac-

tices from county to county," said Ron Hendricks, SCS state conservationist in Lincoln.

"Some types of practices include trees or shrubs for windbreaks, terraces, grass waterways, irrigation water reuse pits, sediment control basins, fencing for better grazing management and wells," said Hendricks.

Wetterberg says specific questions regarding soil and water conservation deductions should be directed to the Internal Revenue Service.

AREA BOOSTERS

The Jan. 10 monthly meeting of the Winside Area Boosters was held at the American Legion Hall with 16 members in attendance. Darci Frahm, president, conducted the meeting. There were no secretary or treasurer reports.

Daisy Janke and Veryl Jackson, co-chairman for the Centennial Committee, gave a report. Letters will be going out real soon to area residents.

The committee is looking for people interested in writing Winsides pageant for the Centennial. If you could help, contact one of the co-chairman.

The centennial committee officers and committee chairman will meet each month following the Winside Area Boosters meeting instead of before it.

Old Settlers 1988 officers are calling an organizational meeting for Monday, Jan. 18 in St. Paul's Church basement at 7:30 p.m. Anyone who signed up to help or would like to help should attend.

The community club has asked the Winside Area Boosters to help with the Sunday, Feb. 14 annual pan-

cake feed. Any member who can help should call George Voss.

An amendment to the Winside Area Boosters by-laws was made concerning the length of office for an officer. Each will serve a 2-year term.

A motion was passed to give the winner of the logo contest a \$20 certificate to be used towards the purchase of a History book or any centennial memorabilia to be sold.

Fund raising activities were discussed. A cake raffle will be held every 1/2 hour during the Valentine's Day pancake feed on Feb. 14.

The next meeting will be Sunday, Feb. 14 at the Legion Hall at 7:30 p.m. Centennial committee chairman and officers are to meet afterwards. Anyone interested in helping with the centennial or old settlers are invited to attend.

BROWNIES

A Brownie Rededication Ceremony was held Friday for 15 Brownies and their leader Cathy Holtgrew. Connie VanHouten held the American flag. Six new Brownies received their brownie pin and early bird patch. The older girls received their Try-It badge and Early Bird patch. A special cake with the Brownie Try-

It's on it was baked by Mrs. Joni Jaeger and she video filmed the ceremony.

The girls are working on their "This is Me" badge - learning about their personal history. They also made name pictures. Cookie sales were discussed. Information will be given out next week.

The next meeting will be tomorrow at the firehall at 3:45 p.m. The meetings in January and February will only last a half hour because of the cold weather.

YOUTH CONVENTION

Two delegates, Jeff Gallop and Jeni Topp, represented the Trinity Lutheran Church Youth Group of Winside at the Dec. 27-30 Constituting Convention of the New-Synod Youth Organization held at the Ramada Inn in Grand Island. They were accompanied there by leader Peg Eckert, Pastor Peter and Pastor Marcia Jarkswain, and two visitors, Trevor Topp and Jason Krueger.

There were 231 attending the convention from 58 congregations of the (ELCA) Evangelical Lutheran

Church of America. The group chose the name Lutheran Youth Organization of Nebraska for their new group.

GIRL SCOUTS

Eighteen Winside Girl Scouts and leader Peg Eckert met Thursday at the firehall. They discussed their Food Badges and what they had done. Then they made crafts. The cookie sheets will come in next week. The next meeting will be today (Thursday) at the firehall, 3:45 p.m. Alethea Fale News Reporter.

RESCUE CALL

Winside Rescue Unit transported Gladys Reichert to Providence Medical Center in Wayne, Thursday at 10:50 a.m.

The Winside Volunteer Rescue Squad received a call at 10:44 a.m., Sunday to St. Paul's Lutheran Church to transport Dr. N.L. Ditman to Lutheran Community Hospital in Norfolk.

G.T. PINOCHLE CLUB

The Farmer's Wife

by Pat Melerhenry

I promised to write about my brother's work because it is extremely timely. He works for a company that manages nuclear waste. And one day, while we were visiting him, he took us all on a tour of the disposal site. We did not glow green when we left.

In fact, we learned that radiation, after more than 80 years of intensive study, is the most scientifically understood, easily detected, precisely measured, effectively controlled and strictly regulated of all environmental agents.

During two decades of commercial nuclear power in this country, not a single death from radiation ever has been observed among the public — even at Three Mile Island.

Waste Management, Inc., has its home offices in Rock Brook, Ill. Originally, the company consisted of two garbage trucks. Now it is a Fortune 500 Company.

Chem Nuclear Systems is a subsidiary, with its home office in Columbia, S.C. It is a commercial outfit that runs the Barnwell nuclear waste disposal facility; and in fifteen years of operation, has never been shut down for failure to comply with regulations.

We each wore a dosimeter, something like x-ray technicians at the hospital use. (We did not register any radiation during our tour.) We then watched a set of slides about the facility.

We rode around in a white van, watched the unloading of a cask from a truck, and actually drove into a trench receiving low-level waste.

This company feels that above ground storage is hazardous because of weather-related events like tornadoes. Their storage is all in carefully monitored red-clay excavations with French drains.

A red-headed Irishman named Mike, a health physicist, explained the monitoring system to us. I sat in the "total body scanner" used to detect radiation.

We viewed the computers, scopes and devices used daily to check and check and check again. In fact, he punched Jim's name and social security number into one machine, and it spewed out his entire exposure history, including 20 years on nuclear subs.

Of a permissible dose of 145, he has had 2.496. X-rays of his back have exposed him to much more than that (72).

Smoke detectors give 0.2, luminous clocks 9, television 1, cosmic rays 30, fertilizers 2, nuclear energy 0.3 (annually).

We were convinced of 2 things: 1) nuclear waste can be disposed of

safely, and 2) it is an extremely expensive proposition.

This site receives 52% of this country's waste, and it averages eight trucks per day. In 16 years, they have used 65 acres. There are a total of 135 acres at this location.

Building more sites would be much more expensive today. There would be more facilities to staff. (Health physicists are not cheap.)

While Europe continues to build nuclear power plants, the U.S. has stopped all new production. The existing disposal sites can safely and easily manage the waste from our existing plants.

This company would like to continue to do what it does with such expertise. I say, let's continue to give them the business.

Let's keep my brother employed!

Area delegates to be chosen

Twenty-nine delegates and eight alternates will be elected to represent Nebraska at the 1988 Democratic National Convention in Atlanta, July 18-22.

The election of delegates will be conducted during the Nebraska Democratic State Convention, June 17-19, and will be apportioned to presidential candidates on the basis of the May 10 primary election. State convention delegates will be elected by county conventions during the first week in June.

Those persons interested in filing as a delegate to county, state or national Democratic conventions may begin doing so on Jan. 1, according to DIAnna Schimek, chair of the Affirmative Action Committee of the Nebraska Democratic Party. Each

person must first file as a Democrat and as a delegate to the local county convention with his/her county clerk or election commissioner by March 11. There is no filing fee at any level of the convention/delegate selection process.

A person interested in being a national convention delegate must additionally file a statement of candidacy and presidential preference with the Nebraska Democratic Party, 715 S. 14th, Lincoln, NE 68508. Official filing forms are available at the party headquarters. Some financial assistance will also be available to delegates who meet income guidelines.

Among the area 1st Congressional District committee members is J.S. Johar of Wayne.

SCHOOL ASSEMBLY

The Laurel-Concord students, kindergarten through 12th grade, will be attending an assembly entitled "Tightwire" on Tuesday, Jan. 19 at 1:15 p.m. The Student Council is in charge of contracting three assemblies per year and this year for one of their assemblies they contracted with Wayne Haines creating chills and thrills with his fantastic agility on the tightwire. His entourage of specially made foot-powered vehicles constitutes a large collection of unusual unicycles. He has been contracted out of Management Dakota Assemblies in West Fargo, N.D.

QUIZ BOWL TOURNAMENT

Laurel-Concord students participated in the Quiz Bowl tournament last weekend in Sioux City to compete with 31 other area teams. Students selected for the team were Marc Bathke, Brad Prescott, Rachel Boeckenhauer, Tricia Shuffe, Chris

Ebmeier, Becky Stanley, Matt Felber and Heather Thomas. The quiz bowl team did a good job on Saturday against the tough competition of all three Sioux City Public High Schools as first round opponents. The Laurel-Concord students did not make it to the final round.

CONGREGATIONAL MEETING
The Laurel Presbyterian Church will be having their annual congregational meeting. The potluck, fellowship and meeting will be held on Sunday, Jan. 17 for Laurel, directly following Sunday worship service. Members are urged to come and join in, for the meetings and possibly some old-fashioned singing.

Members of the Best Ever Club meeting in the Earl Eckert home, Jan. 6 were Mary Noe, Mrs. Norman Lubberstedt, Mrs. Ernest Knoell, Mrs. Regg Lubberstedt, Mrs. Charles Peters, Mrs. Don Peters and Mrs. Dave Abts. Roll call was answered by naming their favorite memory of the past Christmas. Mrs. Regg Lubberstedt received the door prize.

The next meeting will be Feb. 3 in the home of Mrs. Gordon Hansen with a home-made Valentine exchange.

Mr. and Mrs. Cliff Strivens, Dixon, and Mr. and Mrs. Kenneth Dowling, Martinsburg, spent Jan. 2 overnight and Jan. 3 with PFC Penny Dowling of Wallace, in Omaha, before she left on Sunday for Georgia, enroute to Germany where she will be stationed.

Dinner and supper guests in the Bob Dempster home, Dixon, Sunday in honor of Wayne Dempster's birthday were the honoree, of Laurel, Mr. and Mrs. Richard Doerr and family, of Harlan, Iowa, Mr. and Mrs. Albert Doerr, Bloomfield, Mr. and Mrs. Richard Abts, Lester Bowers, and Phyllis Herfel, Dixon, and Penny Dempster, Fremont.

Kathleen Garvin returned to Salem, N.H., Jan. 2, after spending a 10 day Christmas vacation in the Leo Garvin home, Dixon, and with other relatives: The Tom Garvins, Lincoln, and the Robert Freeman family, Omaha, also returned home that day after visiting here several days.

Guests in Euni's Place in Dixon, Sunday evening for Dawn Diediker's 12th birthday were Mr. and Mrs. Gary Cornett and family, Laurel, Mr. and Mrs. Craig Blohm and family, Dixon, Mr. and Mrs. Kevin Diediker and family, Dakota City, Mr. and Mrs. Bob Maaske and girls, Sioux City, and Mr. and Mrs. Kenny Diediker and Denise, Allen.

Carolyn George, Dixon, returned Thursday from a nine day visit with Alice George in Richmond, VA. Together they visited many historical places in Richmond and spent a day sightseeing in Colonial Williamsburg, VA. They were guests in the home of Mr. and Mrs. Everett Sawyer, Davidsonville, MD.

There was no Over 30 Club last week. The next meeting will be Friday, Jan. 22 at 1:30 p.m. at St. Anne's Parish Hall, Dixon.

Debbie White, Sioux City, spent Jan. 3 in the Duane White home, Dixon. Mr. and Mrs. White visited in the Jay Fisher home, Norfolk, Thursday evening.

Mr. and Mrs. Kenny Kardell, Dixon, were Sunday and overnight guests in the Nina Anderson home, Holdrege, in observance of the hostess' birthday.

Mr. and Mrs. Clayton Stingley, Dixon, Mr. and Mrs. Duane Stingley and sons, Laurel, Randy Stingley and Ashley and Mr. and Mrs. Mike Schulz and family, Norfolk, were guests at a housewarming at the Pete Stingley home in Norfolk, Sunday.

Mr. and Mrs. Sterling Borg, Dixon, Mr. and Mrs. Paul Borg, Concord, Mrs. Anna Cross, Wayne, and Mr. and Mrs. Larry Witt, Christy and Cory, Wakefield, had dinner at a Wayne restaurant Sunday in honor of Mrs. Paul Borg's birthday. The afternoon was spent in the Borg home.

Students competing for scholarship

Sue Scott and Marco Garlick, both of Wayne, are two of three Wayne State College of Nebraska theatre students, striving for the Irene Ryan Scholarship Award, Jan. 20-24, in Warrensburg, Mo.

Scott, a graduate student majoring in theatre, is the daughter of Robert and Lorna Shepherd. Formerly from Washington, Iowa, she now makes her home in Wayne with her husband Mike, and their daughter Abigail.

Garlick, a junior majoring in theatre and English literature, is the son of Antony and Fiorella Garlick. His minor is philosophy.

The other Wayne State student competing is A. Craig Florian, a junior from Glenwood, Iowa.

This regional competition will be held at Central Missouri State University, according to Andre Sedriks, associate professor of theatre, Wayne State College.

Sedriks said the three were nominated by judges who have viewed their past performances.

The students will compete for a cash award of \$1,000 in the Region V South area which includes Iowa, Kansas and Missouri. There are 12 regions and the award may be used at any school the winner chooses, according to Sedriks.

"If one of our kids wins, he or she would then go to the national competition where first prize is \$2,500," said Sedriks.

Irene Ryan, for whom the award is named, was probably best known for her portrayal of Granny on the television series, "The Beverly Hillbillies."

Goldenrod Hills names coordinator for nutritional needs program

Goldenrod Hills Community Action Council has announced the selection of coordinator for a new program to assist low-income citizens of northeast Nebraska. Money from a grant has recently been awarded to GHAC to implement a gardening and nutrition program.

Peggy Hunke will be coordinating efforts to improve the level of nutritional needs met by diet in low-income households.

Hunke is a recent recipient of the Community Service Award from Inter-Church Ministries for her direction of the Helping Hands Food Pantry in Stanton County.

Hunke has been a volunteer for Goldenrod Hills for the previous two years assisting with Toys for Tots, commodity distribution and the food pantry. Hunke has been a 4-H leader for several years.

Hunke is married with four children and lives south of Pilger where she and her husband, Dale, farm.

Virgil Loewe is technical advisor for the gardening and nutrition program. Loewe is active in the Northeast Nebraska Grower's Association. Loewe raises vegetables commercially and operates Loewe's

Hillside garden. He is raising a test plot of garlic on his acreage near Wisner. He is employed by Cumming county as an ASCS Field Reporter.

The gardening and nutrition program will offer education on basic nutritional requirements. Gardening skills will be taught to increase the use of vegetables in diets. The program will contain an educational component which will teach food preparation and food preservation techniques of canning and freezing.

The gardening and nutrition program will also make available tools and materials, such as seeds, plants and fertilizer necessary for gardening. The program staff will assist those who need additional help with location of a garden site and soil preparation.

The program will encompass a twelve county area. Tools and supplies will be located at six sites, tentatively including Norfolk, South Sioux City, Hartington, Walthill, Wayne and Wisner. Educational materials will also be available for those unable to attend workshops on gardening and nutritional topics.

Workshops will be offered at each of the six sites to instruct participants on proper gardening techni-

ques and practices, preserving foods, shopping wisely, and basic nutritional requirements. Cooking workshops will deal with fundamental food preparation skills, special diets, easy-to-prepare meals, inexpensive holiday meals and preparation of economical cuts of meat.

The gardening and nutritional program is projected to assist 400 families in improving gardening skills. The program will also educate an estimated 700 to 1000 low-income and high-risk persons in nutritional knowledge and skills in the twelve county area.

The program is federally funded for one year. Educational and nutritional benefits of the project are estimated to last beyond the year. GRHCAC hopes to continue the project in the future with private funds and volunteer assistance.

Those interested in volunteering to assist with any facet of the program, from tilling soil, assisting with food preservation to donating the use of ground for gardens, can contact Peggy Hunke at Goldenrod Hills.

Goldenrod Hills will be accepting donations of seeds, tools and other gardening supplies.

Cold Medicines

One out of every two Americans will have at least one cold during the winter season. And people spend between 500 and 700 billion dollars each year for non-prescription drug products for cold symptoms such as runny or stuffy nose, cough, and headache. How do you choose from the close to 50,000 different cold products that are on the market? If you talk to physicians or pharmacists, they may advise products based on those cold symptoms present.

Runny or Stuffy Nose: Antihistamines work like "drying agents" to help reduce a runny nose and clear congestion from the sinuses. Since people often respond differently to antihistamines, you may have to try several different brands. Decongestants constrict nasal blood vessels, improving the movement of air through the nose and sinuses.

Cough: Antitussives are used to reduce an excessive, dry cough. Expectorants are helpful in loosening thick, sticky sputum in the lungs. Drinking lots of water is also helpful.

Headache/Fever: Aspirin and acetaminophen both relieve simple headache and reduce fever. Acetaminophen is probably the best choice for children.

The Golden Years by Gil Haase

"The image of grandmothers — and grandfathers — is changing," says Vern Bengtson, a professor of sociology and gerontology at the University of Southern California. Grandparents are important for what they symbolize. "By simply 'being there,'" says Bengtson, "grandparents perform a valuable function. Their mere existence is an expression of family continuity. They serve as an anchor of stability. Grandparents are a link to the past — not just to members of a particular family but to members of a previous social order. It's a connection with humanity."

At the turn of the century, approximately 3,000,000 Americans lived beyond the age of 65. Today that figure has increased to about 24,000,000.

Remember When? 1940 — Minnesota confectioner Franklin Mars introduced the multi-colored M & M's candy that "melts in your mouth, not in your hand." The company advised war-bound GIs that they could get a quick shot of energy from a candy that wouldn't make their trigger fingers sticky.

Presented as a public service to our senior citizens, and the people who care about them by the Wayne Care Centre, 918 Main Street, Wayne, Nebraska 68787.

Cards of Thanks

I WISH TO express my thanks to my family, friends and neighbors for the many cards, flowers and gifts I received while being hospitalized. Many thanks to the PMC staff, doctors — and Sister Gertrud — for their wonderful care and words of encouragement. To Pastor Marburger and Pastor Wolf for their visits and prayers. Many thanks to Brother Jocke for taking care of my home which means so much. And also thanks to Cliff and Donna for taking me into their home while recuperating. This all means more than words can express. God bless you all. Vernice Nelson. J14

I WISH TO thank all my friends and relatives for the many kindnesses on my 80th birthday. Your good wishes and thoughtfulness will always be remembered. Lillian Nuss. J14

WE WANT TO thank everyone for the cards and gifts and a special thanks to all who attended our 25th anniversary dance. Gerald and LoAnn Bofenkamp. J14

THE FAMILY OF Arnie Reeg wishes to thank everyone for their acts of kindness during Arnie's illness and after his death. Your thoughtfulness and concern is greatly appreciated.

Marg Reeg; Bill & Betty Reeg and family; Dean & Diane Bruggeman and family; and Bob & Joyce Reeg and family. J14

WE WOULD LIKE to thank all our paper customers for remembering us at Christmas. Craig, Christine and Margaret Brugger. J14

NO CHANGE IN THE TAX-DEFERRED STATUS UNDER THE TAX REFORM ACT OF 1986

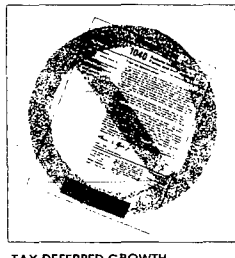

GET THE ANNUITY ADVANTAGE AT 8.55%*

3 RETIREMENT INCOME ALTERNATIVES

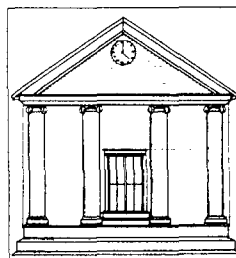

This Single Premium Deferred Annuity gives you 3 payout options to choose from:

- **LIFETIME INCOME** — for as long as you live, your annuity pays you a tax-advantaged monthly or yearly income.
- **GUARANTEED INCOME** — for a preset period of time, you get tax-advantaged monthly or yearly income until the total principal and interest are paid out to you.

TAX-DEFERRED GROWTH

Your favorable interest rate is guaranteed, in most states, for one or two years. And, because all interest income earned accumulates on a tax-deferred basis, your money grows faster and you pay no current taxes.

SAFETY OF PRINCIPAL

Your principal is protected 100% by a money-back guarantee by a reputable national insurance company with over 30 years of expertise... a company that has earned the A.M. Best Company rating of "A+" (Superior) for soundness and financial stability.

The advantages are obvious: retirement income... favorable interest rates... tax-deferred growth... the security of a money-back guarantee. And there are no fees or sales charges, so 100% of your money works for you. Talk to us today about getting the Annuity Advantage.
