Judges rated by lawyers

Most area judges were rated satisfactory to good and got high recommendations for them to be retained in office, according to the results of a recent judicial poli.

The Nebraska State Bar Association released, on Tuesday, July 12 performance evaluations of 119 Nebraska judges. More than 1,100 lawyers, or 42.1 percent of the Nebraska lawyers, participated in this year's evaluation.

hearing on the ESU 1 budget for

The hearing will be conducted at 7:30 p.m., prior to the board's regular monthly meeting at 8 p.m.

Administrator Rod Garwood presented a preliminary budget report during the board's regular monthly meeting last Tuesday night

in Wakefield. Counties served by ESU 1 include Cedar, Dakota, Dixon, Knox, Thurston and Wayne.

THE UNIT IS seeking a 9.8 percent increase in its budget for the coming year — from \$2,184,716.00 in 1987-88 to \$2,399,453.00 in 1988-89.

That amount does not include the board's cash reserve, which has been increased from \$300,000 in 1987-88 to \$450,000 in 1988-89

One of the biggest areas of increase in the 1988-89 budget is in the coop purchase program - from year's budgeted program of \$220,000 to approximately \$300,000 for 1988-89. Garwood said increased participa tion in the coop purchase program (in which schools served by the unit purchase supplies in bulk quantity and reimburse ESU 1) indicates that schools are pleased with the service and supplies they are receiving.

1988-89 ESU 1 budget expenditures includes \$1,375,351.00 in special education services; \$640,102.00 in general levy services; and \$384,000.00 in transfers, for total budget expenditures of \$2,399,453.00.

The budget also calls for \$450,000 in

cash reserves, an increase of \$150,000 over last year, bringing the total to \$2,849,453.00

Estimated revenues during 1988-89 include \$626,247,00 in estimated cash carry-over; \$1,345,351.00 in special education contracts; \$506,830.00 in

\$314,000.00 In transfers; \$30,000.00 in interest, for a total of \$2,849,453.00

IN OTHER BUSINESS Tuesday night, ESU 1 board members

—Gave unanimous approval for two building leases — one with South Sioux City Public Schools for use of the Bryan School during the 1988-89 vear, and the other with Region IV for the Wayne Children's Development Center program;

-Voted unanimously to proceed with various fix-up projects at ESU 1 headquarters in Wakefield, at an estimated cost of \$5,500;

-Voted five to three to offer \$17,500 —Voted five to three to other \$17,200 to the owners of B & B Apartments in Wakefield to purchase the apartments which are located in back of the ESU 1 building. The apartments would be used for storage. Voting in favor of the motion were board members Ken Lahrs, Jan Rohan, Rev Novak, Marvin Borg and John Bev Novak, Marvin Borg and John Post Casting no votes Kramper, Claire Hansen and Jim Martindale;

Century farms cited

Several Wayne County farm families and a Laurel farm family are among Nebraska Pioneer Farm families who will be honored at local county fairs and as guests of Ak-Sar-Ben at the World Championship Rodeo during the 1988 Ak-Ben Livestock Exposition and Rodeo.

Three family farms in Wayne County receive this status: the Albert Damme family farm of Wayne; the Val Damme farm of Wayne; and the Paul and Arlene Henschke farm of Wayne.

Representing Cedar County as Pioneer Farm family is the Anita Vanderheiden (Eldon and Melvin) family farm near Laurel.

A total of 205 Nebraska families whose land has been owned by the same

Nebraska family for 100 years or more will be recognized. The Ploneer Farm Family Award program, now in its 33rd year, has honored 4,165 families in 91 Nebraska counties to date, and is sponsored by Ak-

The Nebraska Association of Fair Managers cooperates in the program, helping to identify eligible families, making the presentations to the honorees at the individual county fairs during the summer. Ak-Sar-Ben Ambasssadors assist in making these presentations.

The honored families receive an engraved walnut plaque and an aluminum gatepost marker from Ak-Sar-Ben for each farm which has reached the century mark in the hands of the same family.

Greetings

From Drs. Wessel, DeNaeyer, Bierbower and staff

We believe the role of our office in northeast Nebraska is service. Service to our patients, service to our community, and service to our pro-

ssion... We are members of a profession that is known for its care and service to the public.

in order to keep our ideals high and in order to keep our ideals high and keep the health and care of the pa-tient foremost in our goals, we must contribute to, our district dental societies — the Nebraska Dental Association and the American Dental Association — not just with monetary contributions, but with contributions of time and self.

WE BELIEVE another of our roles

Wayne.
The community of Wayne and nor theast Nebraska have given much to us. We think we should give of ourselves in return.

Because of daytime office hours, we cannot be as active in the daytime community activities as we would

We feel the areas where we can best contribute are in health projects and programs of education and recreation for the youth of Wayne.

FIRST AND foremost of our roles is our need to be of service to our patients:

This office was one of the first

associate dentist about 1960, thus making this a two-dentist practice. He visioned this a method of bringing new dentists to Wayne and gaining their valuable second and third opi-

We are very proud of our dedicated staff. They care about our patients and often sacrifice valuable time with their families to care for a patient who is unfortunate enough to have an emergency at the end of the

cay.

SPEAKING OF emergencies, with three dental families living in the area, we can give better coverage of

If you have a broken tooth, you shouldn't have to wait a month to have it checked.

We all want and need personal time

when we can be with our families and friends. Individually, we cannot be available all the time, but with three

WE FEEL OUR most important role in serving our patients is to help them maintain their teeth and keep

them healthy for a lifetime.

Many new materials and treatments are coming on the dental scene, but if you do not have healthy

gum tissues, healthy dental bone, and teeth that are filiable, these techniques are of little value. We are happy that the question most asked in our office is, "When should I bring-my-child in to be examined?" amined?'

When I was a child, parents would When I was a child, parents would not take their children to the dentist until their dental pain was unbearable. Now, parents try to bring their children in around age three and they may come back many times before any treatment is necessary.

Later, if treatment is required, the

child is at home in the office and treatment is much easier than in the emergency situations we experienc-ed as children.

WE WERE HAPPY to help the citizens of Wayne seek fluoridation for our water supply in 1975. It has helped the young people of Wayne develop strong teeth. If those teeth are regularly check-ed by the dentist, cared for at home,

ed by the dentist, cared for at home, and protected by pit and fissure sealants, they can keep their teeth for a lifetime and they will have very few fillings in that lifetime. Fluorides, brushing, flossing, sealants, and visiting a caring dentist are the answer to the challenge of keeping healthy teeth for a lifetime. Thank you for allowing us to severy you. Please help us to welcome our newest dentist, Dr. James Blerbower and his family to Wayne.

DRS. WESSEL, DENAEYER, AND BIERBOWER HE HAS ARRIVED!!

Dr. James Bierbower D.D.S. has arrived and has started his practice at 115 West 3rd St. He has joined the practice of Drs. Wessel and DeNaeyer. We are excitedil Jim is a fine young dentist. He graduated from the UNL College of Denistry in 1987 and has spent the past year in a general practice residency in Minneapolis, Minn. Dr. Jim and his wife, Barbara both come from the rural community of Shelby. NE. Shelby is located south and a bit west of Columbus. Barbara is a home economics teacher. If she cannot locate a teaching job immediately, she is looking forward to taking some classes at Wayne State College. Jim and Barbara have some active company at their home on Windom Street. They have a daughter Anne age 3 and a son James Robert age 3 months.

The Bierbowers were impressed with the friendliness of the people they met when they were looking for a house to rent in Wayne. They have only been in Wayne for a short time but are enjoying Nebraska, "The Good Life."

"The Good Life."

We hope you will continue to help us make them feel welcome in Wayne. Stop and say hello, if you have a chance.

Once again, we thank our faithful patients who have been so understanding in this past year and a half. We have not been able to give the kind of service that we would like to give. We hope to provide more hours of treatment and have someone on call every weekend for emergency agre.

QUAD COUNTY EXTENSION Service and Goldenrod Hills provided training and an update on food preservation July 12 at the Church of Christ in Wayne. People in attendance were participants in the gardening and nutrition grant that Goldenrod Hills received from Community Foods and Nutrition in Washington, D.C. This training was the second phase of the program to aid the participants in utilizing the garden produce from the gardens that they planted earlier from the seeds that were provided by America the Beautiful fund. A video from Ball Corporation was presented on the processes of preserving food. Carol Larvick (left), extension agent, assisted with additional comments on the various procedures and answered questions from the audience. Peggy Hunke (right), gardening coordinator from Goldenrod Hills, and staff members distributed Ball blue books with canning up-dates and recipes. They also distributed jars, lids and freezer bags to help with the gardening families' canning needs this summer.

Meet your WAYNE HERALD Marketer, carrier

Bethany French

Ninth grader Bethany French, daughter of Gary and Vickie French of Wayne, delivers 98 Wayne Heralds and Marketers in the vicinity of St. Mary's Church in Wayne. Bethany, age 14, resides at 1117 Providence Road in

Wayne. She lists her phone number at 375-2736.

Her favorite classes are Math, English, Social Studies and Science. Among her favorite extra-curricular school activities are cheerleading and basketball.

Some of her non-school activities she enjoys are reading

and softball.

Bethany started as a carrier with the Wayne Herald and Marketer in June of 1988.

'I-enjoy walking and serving others," said Bethany

when asked why she likes the carrier job.

She hopes that with the money made as a carrier, she can begin paying back her parents for her cheerleading

uniform and perhaps purchase a stereo. Her ambition in life is to become a fashion designer What advice would she give to those who would like to

ecome a carrier? "If you want to do it, try it. It's funner than you think."

Pays to Trade Where You Live

You get more for your money when you buy at home.

> It is simple logic. Home area businesses give you the same or equivalent goods at the same or better prices with far less traveling time, cost and highway hazards.

> > And part of their profit on every deal with you is used to help you pay local taxes and to support all other good and useful community activities.
