Benefit

A benefit pancake breakfast for Doug and Paula Schwarden Michael and Megan will take place Sunday, July 24, with serving from 8:30 a.m. to 2 p.m. in the northeast shelter house at Bressler Park in Wayne.

Funds raised during the event will be matched by Lutheran Brotherhood Branch 8212 which is sponsoring the breakfast.

Michael and Megan were born April 25, 1988 at St. Joseph's Hospital in Omaha. Megan weighed 1 lb., 8 1/2 oz., and Michael weighed 1 lb., 13 1/2 oz. Both remain in intensive care at St. Joseph's.

Paula spoke to The Wayne Herald on Tuesday and said Michael is expected to come home to Wayne the end of this month. He will remain on oxygen and monitor, with special care required for some time.

"Megan's having a real tough time," said Paula, adding that she has undergone five surgeries since her birth in April.

Paula and Doug spend every weekend in Omaha and said they are sorry that they will not be able to attend Sunday's benefit.

Accounts for the Schwardens have been set up at the First National and State National banks in Wayne for anyone wishing to make a donation.

Blood bank

The Siouxland Blood Bank will be accepting donations at the Senior Citizens Center in Allen on Thursday, July 28. Hours are from 9 a.m. to 3 p.m.

Oldest farmer

Dixon County Farm Bureau is looking for the oldest, active farmer in Dixon County and will be honoring him at the Dixon County Fair held in Concord Aug. 15-17.

Please send your nominations by Aug. 6 to Mrs. Ed Fahrenholz, Allen, NE 68710 or phone 635-2120, or the Farm Bureau office at 635-2166.

The nominee does not need to be a Farm Bureau member to be eligible.

Street dance

The Hoskins Volunteer Firemen are sponsoring a street dance from 8:30 to 12:30 Saturday evening, July 23. Music will be by "Rockit Billy and the Boosters." There will be a \$3 donation and identification will be checked. Sandwiches and drinks will also be available.

Proceeds will be used to purchase extrication equipment for the Hoskins ambulance and equipment van.

Success

It was another successful Wayne County Old Settlers Day celebration at Winside this past Saturday.

Wayne Herald staff members were on hand to photograph the Kids Parade and Grand Parade. Results of the day's activities can be seen on page 1B.

Farmer converts to sunflowers

Drought taking its toll on corn

By Chuck Hackenmiller

Managing Editor

Bill Kinney of rural Wakefield wasn't about to let drought conditions force him to allow his property near Wayne to turn into a wasteland of shriveled corn plants.

Sunday, he and several friends took on a risk of a different sort — that of disking over his chest-high corn and planting the 257 acres into sunflowers.

"There just wasn't anything in the field [as far as a potential corn crop] except maybe some insects. I wasn't about to let the field go to waste," said Kinney.

This is his first venture into the area of planting sunflowers. He's growing the sunflowers for the oil the plant produces, and possibly for seed. He has no definite marketing plans, but will consider transporting the sunflower harvest to Minneapolis.

His sunflower variety that he planted had a growing season of 90 days in North Dakota. Those from North Dakota feel that because Nebraska is further south, the growing season can be shortened by 15 days.

"Providing that we don't have an abnormal fall," Kinney mentioned.

Had there not been any rainfall

prior to the day he planted the sunflowers (Sunday, July 17), Kinney said he would have just left the field as it was — devastated by the drought.

RUSSELL Moomaw, extension crops and weeds specialist at the Northeast Research and Extension Center near Concord, said the station had experimented with the dwarf sunflower last year, which matures approximately 10 days earlier than the more conventional sunflowers.

Moomaw said the dwarf sunflowers were planted around July 15. After roughly three months, results showed that the dwarf sunflowers did not get fully mature. "They were a bit green at harvest time. We could have used another week before things began freezing," said Moomaw.

Although sunflowers, he said, are not as sensitive as other crops, cool weather which occurs in the late fall can also slow down the growth rate of the plant.

Moomaw said he has spoken to individuals who have made other types of conversion in crops because of this year's dry weather. "A few people who took off their oats for hay have planted soybeans [on the oat ground]. This occurred about two

weeks ago," Moomaw mentioned.

RAIN in the northeast Nebraska area has been spotty, making it difficult to predict what type of yields will be harvested. "It makes a lot of difference where you live," said Ray Butts of the local ASCS office.

During a rainy spell about 10 days ago, some northeast Nebraska areas received about 4 inches of moisture. At the same time, the northeast station recorded only 1 1/2 inches. Last Friday, areas reported .6 to .8 inches of rain, while the northeast station totaled around .2 or .3 inches of rainfall.

"Another two weeks will tell on what the corn will produce," Moomaw said. Corn is presently at the pollination stage as a cooler weather spell has hit the area Monday and Tuesday.

"Cooler temperatures is a nice time for the pollination to occur," he said.

Moomaw feels the corn harvest at the Northeast Research and Extension Center will be below yields recorded during the last three years. Soybeans, he said, will not match up to last year's high-yielding harvest, but more to the 1985 and 1986 levels when yield results "weren't that good."

THE WAYNE County ASCS office had advised area farmers to prepare for pending drought aid.

"Farmers should prepare now to apply for drought aid so they will be ready to show eligibility after pending legislation is enacted," said Ray Butts of the local ASCS office.

Details of the drought assistance probably won't be available for several weeks, he said. "But there are some things producers can do to help make sure they get the benefits of any new legislation," he added.

"For example, appraisals and bin measurements will be made when necessary by ASCS on drought-damaged crops before they are destroyed or harvested to salvage for feed," Butts said.

He said crop production evidence should be maintained for a crop sold or stored off the farm. Producers may have to leave representative strips for appraisals if they are unable to wait for an ASCS appraisal.

"Production records for non-program crops, such as fruits, vegetables and other commercial crops, should be maintained for the current and previous years," Butts mentioned.

"The bottom line is — don't destroy any evidence you may need later to prove your eligibility for benefits."

Students benefit

WSC gets grant for program

A \$69,000 federal grant has recently been awarded to Wayne State College, allowing students to receive more credit hours and a salary while they are employed in professional positions.

Nearly 30 Wayne State students will be placed through a new cooperative education program funded by the grant, beginning in January.

"By implementing this program, Wayne State College is taking a major step in the development of a comprehensive career services program for its students," says Dr. Donald J. Mash, president of Wayne State College. "Career counseling, work experience and eventually placement are all key ingredients on the continuum."

Mash said students will benefit by experiencing work related to their anticipated career, and also gain an employment edge upon graduation. "Employers will also benefit by developing and evaluating talent for their future employment needs."

MASH ADDS that relationships between Wayne State College and businesses will also be strengthened as they develop a better understanding of each other's needs.

The grant will permit students to be placed in positions with companies throughout the country. However, regional placement will be emphasized.

"We owe our allegiance to the region and its employers," said Dr. Max Lundstrom, vice president for student services at Wayne State. "But we aren't restricted from going anywhere."

"Primarily, we'll try to place students in the region — which includes Wayne, Norfolk, Sioux City, Omaha and Lincoln," he said.

Businesses and fine arts students may have to go to large cities, he mentioned. However, he said there are companies in Wayne and several nearby communities that may be interested in students.

Lundstrom said the cooperative education program provides students with several obvious advantages they otherwise would not receive. For example, they are placed in professions that relate to their area of

Hwy. 35 East on state's agenda for improvement

By Chuck Hackenmiller

Managing Editor

Highway 35 east of Wayne will be among Nebraska highways scheduled for improvement during the current fiscal year of the Nebraska Department of Roads.

Director of State Engineer G.C. Strobel announced on Wednesday the state's Fiscal 1989 Highway Construction and Improvement Program (July 1, 1988-June 30, 1989). Among those which are scheduled for the

Wayne area include 7.5 miles of Highway 35 east of Wayne, a "resurfacing" project estimated to cost \$1.02 million.

Planned for a "1995 and beyond" project will be the grading, structures and resurfacing of the same highway.

The state roads department, which emphasized that the projects will be contracted but construction may not be completed within the fiscal year, calls for the expenditure of \$173.5 million on the state highway system

and \$24.8 million on local system projects.

Other area road projects planned for 1988-89 are 9 miles of Highway 15 from Coleridge to U.S. Highway 20 near Laurel for grading, culverts and resurfacing (9 miles) at a cost of approximately \$1.46 million; and Highway 98 from U.S. Highway 81 to the Highway 57 intersection leading to Carroll (12 miles), with pavement patching estimated to cost \$224,000.

NEBRASKA fiscal 1989 road construction plans include 26 miles of In-

terstate reconstruction; 81 miles of Interstate rehabilitation; four miles of construction on the expressway; 92 miles of reconstruction on major arterials; six miles of gravel elimination; 268 miles of resurfacing; two miles of urban work; and the rehabilitation or replacement of 52 bridges.

Included in the 479 miles of improvements listed are 95 miles of surfaced shoulders.

Local listed projects in the District Three area five year program (from

fiscal 1990 to fiscal 1994) include seven miles of grading, structures and resurfacing on Highway 9 from Wakefield to Emerson; 4 1/2 miles of grading, culverts and resurfacing on Highway 15 from the Laurel-Concord Junction to near Laurel; 7.4 miles of grading, structures and resurfacing on Highway 35 east of Hoskins; and 7.3 miles of grading, structures and resurfacing on Highway 35 north and south of Winside.

Benefit held for Schuttes

The small, but large-hearted, community of Dixon was the site last Wednesday evening of the second benefit dinner in a month — this time a pork barbecue benefit for the Steve Schutte family of rural Dixon. Over \$7,000 was raised.

The Wayne Herald learned that Steve Schutte died early Wednesday morning at Marian Health Center, Sioux City. Services will be held Saturday at 10:30 a.m. at St. Mary's Catholic Church in Laurel.

Volunteers, including those who butchered and prepared the six hogs donated for the event, were involved in the serving of the dinner at Euni's Palace in Dixon.

Over 25 door prizes were donated and a dunking tank also brought additional contributions. AAL 1566 of Laurel matched a \$1,000 contribution.

Jack Kavanaugh of Laurel manned the registration desk featuring a large poster which everyone signed for the Schutte family. Kavanaugh is waiting for a heart donor that will enable him to undergo heart transplant surgery.

Euni Diederker, herself the recipient of a benefit after a fire destroyed her business last year, felt such a deep gratitude that at her urging a benefit for Clinton Dempster was organized in June. Upon its success, the community enthusiastically

promoted the Schutte benefit.

Hogs were donated by the Bernie Asbra, Marlin Bose, Dave Schutte, Rich Erwin, Jim McCorkindale and Tom Erwin families. Cliff and Kathy Ferris and Mel Olsen, Laurel, provided the locker facilities.

DONATIONS, donors and recipients of the drawings are as follows: Radio with Head Phones, Laurel-Concord Education Association to Kevin Gohier; Microwave oven, Mark Jorgensen to Bill Snyder, Allen; Oil painting, Gerry Roeder to Lisa Abler, Norfolk; \$50 yard work, Y and Y Lawn Service to Kelli Lubberstedt; Electric fan, Earl Rowland to Mae Rueter of Allen; Decorative Pillow, Lee and Lois Lammiere to Harold George; Ceramic Figurine, Marvin and Marian Elllyson to Kenny Diederker; Topperware, Dick and Charlotte Dahl to Denise Diederker, Don Speulda of South Sioux City, Steve Marfandale, Marie Lammers, Dwight Johnson, Tom Seboha of Michigan, Mary Ankeny and Dick Dahl.

\$50 in groceries, Laurel IGA to Mel Loberg; Basketball, Morris Sindelar to JoAnna Maxon; Walking Pig, Euni's Palace to Gary Sullivan; Decorative Basket, Diane Sullivan to Lawrence Fox; Cordless Screwdriver, Pac 'N' Save to Charles

Crisp-Siniard wed

JULIA KAY CRISP AND Steven Siniard exchanged marriage vows on July 2 at Westside Baptist Church in Omaha. Their parents are Fred and Sandy Crisp of Laurel, and Dot and Joe Siniard of Omaha. The newlyweds are at home at 724 South 18th, No. 313, Norfolk, Neb., 68710. The bride is employed as a reading teacher at Grant School in the Norfolk School system, and the bridegroom is transportation and logistics manager at the Osmond Coop Elevator in Osmond.

Briefly Speaking

Franzens plan reunion

The families of Asmus and Margaret Franzen will hold their annual reunion on Sunday, July 31 at 12:30 p.m. at Ta Ha-Zouka Park, Norfolk. This year's reunion is being hosted by the families of Emma (Franzen) Soules.

Leather and Lace barn dance set

The Leather and Lace Square Dance Club will hold a dance on July 25 at 8 p.m. in the Roger Willers barn, located four miles west, one north and one-quarter west of Wayne. Dean Dederman will be the caller. Root beer floats will be served, and the group plans to hold election of officers following the dance. The last dance was held July 11 at Brasch's patio with Duane Nelson calling.

Buss descendants meeting

Descendants of the late Herman and Louisa Buss will hold their annual reunion on Sunday, July 31 at the Trinity School basement in Hoskins, beginning with a noon carry-in dinner. This year's hosts are Mr. and Mrs. Reuben Buss of Phoenix, Ariz.

Wayne Area Retired Teachers

Wayne Area Retired Teachers met July 18 in the Wayne Woman's Club room for a potluck supper. Twenty members were present. Guests included Ralph Blomenkamp, Charles Denesia, Ralph Olson and Sam Noyes of Wayne, Norman Anderson of Concord, Clarence Schlines of Wakefield, and Meredith Johnson and LuVerne Keller of Wisner. Pauline Lutt, a member of Wayne Area Retired Teachers, has been placed on the ballot as state secretary for the Nebraska Retired Teachers Association. Each member filled out a Nebraska legislative questionnaire for 1988-89. The organization voted to make a \$25 donation to Wayne Community Theater. Visiting and games concluded the evening. Next meeting will be Sept. 12 at 10 a.m. at the Black Knight. Hostesses will be Helen Johnson and Vivene Keller.

Town Twirlers meet in Laurel

There were eight squares of dancing on July 17 when the Town Twirlers Square Dance Club met in the Laurel city auditorium with Duane Nelson of Norfolk calling. Hosts were Mr. and Mrs. Matt Stapleton of Allen and Mr. and Mrs. Lowell Glassmeyer of Wayne. Several members of Town Twirlers attended a square dance during the Old Settlers celebration on July 16 at the Wihside school. Next dance will be Aug. 7 at 8 p.m. in the Laurel auditorium with Ron Dirks of Sioux City calling. Lessons for area residents interested in learning the art of square dancing will begin Sept. 6 at 8 p.m. with Duane Nelson as the instructor.

Redeemer circles meet

"Stewardship of Self — Part Two" was the lesson presented by Betty Heier at all three Redeemer Lutheran circle meetings held recently. Mary Circle met in the morning with 16 attending. Serving were Norma Koeber and Margaret Korn. Sixteen attended Dorcas Circle in the afternoon, with Florence Geewe and Pearl Magnuson serving. Norma Denkinger and Jeanne Butts will assist with bingo at Wayne Care Center. Nine members attended the evening Martha Circle meeting and DeAnn Behlers served. It was announced that one large quilt, one large blanket, one crib quilt and a spread were given to the Steven Rasmussen family who recently lost their home in a fire. President Marilyn Pierson announced that special items for the Oaks Indian Center may be taken to the church social room. Circles will hold a combined meeting on Aug. 10 at 2 p.m. It will be a special meeting to recognize all women of the church age 70 and over.

Speaking of People

Metteer-Zitek exchange vows at Redeemer Lutheran Church

Pink pew bows and candles decorated Redeemer Lutheran Church in Wayne on July 9 for the marriage of Julie Metteer and Sam Zitek.

Officiating were the Rev. Wallace Wolff of Wayne and the Rev. Paul Sheehy of Ullysses.

Parents of the couple are Mr. and Mrs. Richard Metteer of Wayne and Mr. and Mrs. Joe Zitek of Ullysses.

MUSIC FOR THE 2 o'clock, double ring ceremony included "God, a Woman and a Man," sung by Kurt Runestad and Lori Anderson of Wayne, "Time for Joy," sung by Lori Anderson, and "On Eagle's Wings" and "Only a Shadow," sung by Kurt Runestad. Organist was Barb Meyer of Wakefield.

Trumpeters Don Raskey and Janet Kreifels played "Trumpet Voluntary" and "Trumpet Tune."

Ushers were Rick Metteer and Bob Reisdorff, both of Lincoln, Mark Herrmann of Laurel and Gary Alt of York. Seated at the guest book were Linda Metteer of Kearney and Marilyn Sporleder of Windsor, Colo.

SERVING AS honor attendants for the couple were Lori Anderson of Wayne and Steve Zitek of Brea, Calif. Bridesmaids were Judy Alt of York, Monica Reisdorff of Lincoln and Debbie Berry of Windsor, Colo., and groomsmen were Joe Zitek of York, Tom Zitek of David City and R.J. Metteer of Wayne.

Flower girls were Joy and Heidi Ell of Windsor, Colo., and ring bearer was Aaron Zitek of York.

ON HER WEDDING day, the bride was given in marriage by her parents and chose a white gown of sparkle organza and re-embroidered lace.

The Queen Anne neckline and bodice front were covered with lace, pearls and sequins. The slight leg-of-mutton sleeves were of sheer organza with areas of lace and pearls.

The fully gathered skirt fell from a basque waistline. Tiers of champagne ruffles went down the skirt front and semi-cathedral train in a V pattern. Matching lace and pearls also accented the skirt front and hemline.

The bride wore a wreath of white flowers and pearls with a fingertip veil, which she made and designed with Lillian Hoffman.

She carried a cascade of silk white roses and pink forget-me-nots with pearls and long bridal streamers with satin rosebuds.

THE BRIDE'S attendants wore pink tea-length frocks of lace over satin. Their dresses featured cropped lace jackets with jewel necklines. Each carried a hand bouquet of mauve silk roses with white forget-me-nots and streamers.

The bridegroom was attired in a white tuxedo, and his attendants wore gray tuxedos.

For her daughter's wedding, Mrs. Metteer selected a pink tea-length dress of lace over taffeta, featuring a basque waistline, long, lace sleeves and a square collar.

The bridegroom's mother chose a light mauve organza dress with satin applique flowers down the side and a tulip hemline.

THE COUNTRY CLUB Plaza in Norfolk was the site of a reception for 250 guests following the wedding ceremony. Hosts were Jerry and Ann Marie Otto of Norfolk, and arranging gifts were Monica Schmit of Osmond and Char Thiel of Wayne.

The wedding cake was cut and served by Karla Koehler of Norfolk and Doris Rech of Dwight. Donna Herrmann of Laurel served punch.

THE NEWLYWEDS traveled to Estes Park, Colo., and are making their home at 219 S. Windom St., Wayne.

The bride was graduated from

Mr. and Mrs. Sam Zitek

Wayne-Carroll High School in 1986 and is attending Wayne State College, majoring in elementary education. She is employed at Restful Knights in Wayne. The bridegroom is a 1985 graduate of David City Aquanils High School and plans to graduate in the spring of 1989 from Wayne State College, where he is majoring in music education. He gives private music lessons and is a member of the Young Czechs professional dance band.

Making plans for a Sept. 10 wedding are Marci Renee Hansen, daughter of Owen and Carol Hansen of Lincoln, and Scott Stephen Kudrna, son of Charles and Marge Kudrna of Wayne.

Miss Hansen was graduated from Lincoln Northeast High School in 1985 and Joseph's College of Beauty in the fall of 1986. She worked as a cosmetologist in Lincoln for one and a half years, and is presently employed at The Headquarters in Wayne.

Her fiancé was graduated from Wayne-Carroll High School and attended Milford Technical School, graduating in the summer of 1981. He is employed at Restful Knights in Wayne.

Carlson-Runyan

Cinda Carlson and Mark Runyan will exchange marriage vows on Sept. 25 at the Sunken Gardens in Lincoln.

The bride-elect is a native of Wayne and holds a B.S. degree in art/business from Wayne State College. Following completion of B.F.A. requirements in painting/drawing at the University of Nebraska-Lincoln, she continued until a recent May graduation with an M.F.A. degree. Numerous scholarships were awarded her, including tuition to attend The School of the Art Institute of Chicago during the summer of 1987. She plans to continue her career as a fine artist-painter and in higher education.

Her fiancé is a native of Lincoln and has studied at the University of Nebraska-Lincoln. He is a March 1988 graduate of Southeast Community College where he received an associate's degree in electrical engineering. His interest lies in further study of robotics and he is employed by Foote and Davies in Lincoln.

Parents of the couple are Jeannette and Richard Carlson of Wayne, and Marilyn and Jack Runyan of Lincoln.

Policy on Weddings

The Wayne Herald welcomes news accounts and photographs of weddings involving families living in the Wayne area.

We feel there is widespread interest in local and area weddings and are happy to make space available for their publication.

Because our readers are interested in current news, we ask that all weddings and photographs offered for publication be in our office within 10 days after the date of the ceremony. Information submitted with a picture after that deadline will not be carried as a story but will be used in a cutline underneath the picture. Wedding pictures submitted after the story appears in the paper must be in our office within three weeks after the ceremony.

"USER FRIENDLY" COMPUTER TERMS AND DEFINITIONS

What is the meaning of a compatible computer? Two computers are said to be compatible if they can run the same software programs. It is important to keep in mind that there are different degrees of compatibility. Many computers claim to be compatible with the IBM PC, but some IBM PC programs contain hardware-dependent features that will not run correctly on non-IBM computers. If you are interested in purchasing one of the compatible computers, you should check to make sure that the specific programs most important to you will run correctly on the machine you are considering. The most important thing is to get the computer that will fit your needs. Consult with your local dealer, they are your best source for information.

Family reunions held throughout the area

Anderson reunion

Anderson families met for a picnic supper July 16 at the LeRoy Koch home, Concord, with 57 persons attending.

Among those present were Wallace Andersons, the Verdell Luft family, Dwight Andersons and Brooke, Harlin Andersons, Alvin Andersons and Mike, Jana Rekke and Larry Tests and daughters, all of Wayne; Kenneth Andersons and Lyle Carlsons, Allen; the Mark Koch family and Steve Anderson of Laurel; and Carl Kochs, Hazel, Minnie and Opal Carlsons and Shiela Koch, all of Concord.

Other relatives came from Woodbine, Iowa; Wausau, Wisc.; Columbus, Creighton and Omaha.

Bengtson reunion

Eighty-five descendants of John and Mathilda Bengtson met during the Fourth of July weekend for a three-day reunion.

Family members met Friday evening at John Bengtson's original farm northwest of Wakefield. The home is now occupied by Pat and Verna Bengtson. The group was taken on a hayrack ride by Ken Lundin to the Gordon Lundin farm for supper.

Eugene Lundin, the oldest grandchild, greeted family members and recalled special family memories. Fireworks concluded the evening.

Twenty-two relatives took part in a Bengtson Invitational at the Logan Valley Golf Course in Wakefield on Saturday morning. Trophies were claimed by Myron Olson, most verbal player on the course; Jackie Krause, shortest drive; Bruce Holten, most strokes; and Greg and Heidi Howard, a combined nine holes that more resembled a pinball game than golf.

A chicken dinner was served Saturday evening at the Wakefield Senior Citizens Center. Sixty persons attended, and Bruce Olson served as master of ceremonies. Other relatives attended the alumni banquet held at Wakefield High School.

Letters of greetings were read from relatives unable to attend. Bengtson bingo and family slides provided entertainment. An article taken from the local newspaper on John Bengtson's 99th birthday was read.

On Sunday morning, Bengtson families joined the Evangelical Covenant Church at the Wakefield park for the church's 100th anniversary

celebration. Nancy Malm played organ, and Deb Olson directed as the Bengtson choir sang a hymn, which included a verse in Swedish by a men's quartet.

The reunion concluded Sunday evening with a surprise party honoring the 40th wedding anniversary of Myron and Vivian Olson of Wakefield. The event was planned by their children and grandchildren.

Humorous events from the couple's courtship and marriage were acted out in skit and song.

The anniversary cake was baked and decorated by Mrs. Larry Baker. Helping serve supper were Ardythe Mills, Lois Borg, Ellen Carlson and Darlene and Joyce Viken.

The three day reunion brought family members together from Minnesota, Montana, Washington, Colorado, Nebraska, Illinois, California, Michigan and Oklahoma.

Garwood reunion

Mr. and Mrs. Ronald Rees of Randolph were hosts for a Garwood family reunion held July 17 at the Carroll Steakhouse.

Ninety persons attended the event from Japan; Lawton and Moore, Okla.; Valparaiso, Ind.; Hiawatha, Kan.; Perry, Iowa; Vermillion, S. D.; Dakota City, South Sioux City, Lincoln, Walthill, Wayne, Wakefield, Kearney, Newport, Grand Island, Chambers, Ewing, O'Neill, Atkinson, Page, Newman Grove, Burwell, Emerson, Amelia, Carroll and Randolph.

The oldest family member present was Mrs. Alice Wagner of Carroll, and the youngest was Kelly Lynn Garwood of Atkinson.

An anniversary cake, baked by Janet Schmale of Wayne, commemorated the 63rd wedding anniversary of Mr. and Mrs. Dick (Marian Garwood) Richard of Albuquerque, N. M., who were unable to attend. The cake was served by Mrs. Clyde (Jean Rees) Watts of Vermillion, S. D.

Lindgren reunion

Bacon Creek Park in Sioux City was the site of a Lindgren reunion on July 16, with relatives coming from Iowa City, Hawarden, Arthur, Sioux City, Ida Grove and Aurelia, Iowa; Peoria, Ill.; Wayne, Laurel and Dixon.

The group plans to meet the fourth Saturday in July 1989 at Arthur, Iowa.

Brophy-Marshall wed

Susan Kay Brophy and Darren DeLaine Marshall, both of Harvard, were married July 9 at All Saints Chapel, Good Samaritan Village at Hastings.

Parents of the couple are Mr. and Mrs. Francis Brophy and Mr. and Mrs. Myron Marshall, all of Harvard. Marshalls are former residents of Hoskins.

Puttin' up with Pete

by Kevin Peterson

It's been a while since I have written a few lines on the editorial side of things. However, I have decided that I need to say a few things about a couple of sports going on around the Wayne area.

First of all, I think it's necessary to talk a little bit about the Wayne Senior girls softball team, which is about to embark on Grand Island for the State Softball Tournament this weekend.

I have attended a handful of the games in which Wayne has played. From what I can see, the Wayne team is very talented and if they play up to their capability at Grand Island, I wouldn't be surprised to see them come home with some hardware.

However, as much talent as they have, they have played a couple of games in which they haven't played up to their capability, which I'm sure every team suffers from a couple times a year. At any rate, Wayne's downfall this season came at the hands of one team, — Emerson, the defending Class C State Champs.

Witnessing two of these games in which Wayne dropped a total of five decisions too, during the year, I honestly believe Wayne has the weapons to beat a team like Emerson, but psychologically were beaten by the mystique, surrounding Emerson softball.

The locals came away with a 14-7 record this summer, and take away five losses to Emerson, you're looking at a team with loads of potential heading to state.

An old adage comes into play here, give credit where credit is due. Darrell Bailey has done a marvelous job of coaching this season in his initial appearance as head coach for the Junior and Senior teams.

Bailey and his wife Sue, have managed to keep the spirit in the girls all summer, and have survived the oblivion of camps that surround summers.

For those of you who have not witnessed the Wayne Seniors in action, here is a taste of what will be carrying the Wayne name to Grand Island. The battery of the team consists of rocket ace pitcher Robin Lutt and catcher Traci Gamble. Lutt has done magnificent this year, leaving several teams in awe of her consistent speed and strike zone accuracy. Kristy Hansen mans the post at first base and is a very consistent performer at the position. Hansen is an ideal first baseman with her left handed stature, and she plays the runner and batter intelligently, a culmination of athletic intuition and coaching.

Second base is armed by Leslie Keating, who also plays very consistent softball and can usually be counted on to get at least one base hit per outing.

Shortstop Dana Nelson is a very fluent player in action. Nelson knows where everyone is at all times and knows where she is throwing the ball before it ever leaves the pitchers hands.

Nelson also has enjoyed the spotlight at the plate. Her speed on the bases after she reaches base, heightens Wayne's chances scoring runs.

Susi Lutt plays third base for Bailey, and she like Nelson, is very active on the field both physically and mentally. Lutt, a cousin to pitcher Robin Lutt, is another who knows every situation before the ball leaves the pitcher.

Tonya Erxleben plays right field, and personally, I have yet to see an outfield match Wayne's. Erxleben does a great job of holding runners to a single, instead of error yielding doubles and triples.

Moving over to center field and left field, we find Marnie Bruggeman and Shelly Gilliland. Both of these players do a great job of judging the ball, and both play the batters smart, by moving to accommodate the batter.

GOOD LUCK AT STATE GIRLS!

Legion wins twin bill on road

The Junior Legion team of Wayne traveled to South Sioux City, Sunday afternoon for a double header. In the opener Wayne defeated the host 12-9, with Kip Korth notching the win from the pitchers mound.

Wayne scored three runs in the first inning and added six in the fifth to hold off South Sioux. Things got off to a good start for Wayne as Tom Baier led off the top half of the first inning with a home run. Baier went on to have an impressive game with a 3-5 hitting performance, adding two doubles to his home run.

Wayne rattled the Sioux City pitching for 12 hits. Jason Mrsny had three to match Baier's out put, with Mrsny notching a pair of singles and a double. Rusty Hamer rapped two singles in his four attempts at the plate, while Jarrod Wood, Brian Sherman, Scott Hammer and Jess Zeiss all notch one hit apiece, with Zeiss slashing a double.

Although victory was awarded to Wayne in the opener, two players, Cory Frye and Scott Hammer may have ended their summer baseball playing too injuries.

According to head coach Hank Overin, Frye was injured on tag play at home plate, while Hammer got caught in the hot box from third base to home plate. Both players suffered ankle injuries.

Locals win nightcap

In the second game of the scheduled twin bill, Wayne defeated South Sioux, 9-6, behind the pitching of Jess Danielson. Danielson struck out seven enroute to the victory.

Offensively, Wayne's highlight came in the third inning when Jess Zeiss cracked a 2-run home run and then stood back and watched teammate Rusty Hamer hit one over the fence as the very next batter.

Hamer incidently, went 3-3 in the contest with a single and double as well as the round tripper. Zeiss rapped a double to go along with his homer. Jason Mrsny and Jess Danielson each hit a pair of singles, while Adam Mrsny and Tom Baier each had one single to aid the winners. Kip Korth rounded out the Wayne hitting with a double.

Midgets down Wisner
On Monday evening, the Wayne Midgets took care of Wisner in short order, coming away with a 9-2 victory. Wayne scored two runs in both the first and third inning to jump out to a lead which would never be challenged.

Wisner did not score until the sixth inning when they got both of their runs. Jeff Lutt was credited with the win. Wayne stroked nine hits offensively against the host team, with Rusty Hamer supplying nearly half of them on a 4-4 performance which included three singles and a triple.

Pitcher Jeff Lutt aided his own cause by cracking a 2-run homer in the third inning. Brian Lentz rapped a pair of singles while rounding out the Midget hitting attack was Jeff Griesch and Matt Peterson with singles, and Jason Cole with a double.

The Junior Legion was not as fortunate however, as the Midgets. Wayne lost the contest by a 13-4 count, and were held to only five hits in the contest.

Greg Schmidt was the losing pitcher, and fell victim to a Wisner 4-run second inning, a 2-run third inning, a 3-run fourth inning, a 2-run fifth inning and a 2-run sixth inning. Wayne's five hits were all singles and hit by five different batters, Jess Danielson, Jason Mrsny, Greg Schmidt, Kip Korth and Adam Mrsny.

Lutt wins back-to-back

Wayne senior girls softball pitcher Robin Lutt got her first taste of pitching a complete double header Sunday night as Wayne hosted Norfolk in a pair of contests.

Not only was Lutt victorious in both games, but her pitching stats were of top notch performance. In the two games combined, Lutt struck out 15 batters and walked only one batter.

In Wayne's first game against the Norfolk juniors, Wayne had to come from behind in the seventh inning to taste victory, 6-5.

Wayne started off the game with a good jump on the visitors, grabbing a 3-0 lead. Norfolk rallied however, and knotted the score at three apiece. Both teams traded runs again, and in the sixth inning Norfolk jolted ahead of Wayne 5-4.

Wayne's rally started in the last half of the last inning. Lead off hitter Leslie Keating reached base after being hit by a pitch. Shannon Holdorf then came to the plate and slashed a double which left runners at second and third.

Susie Lutt, Robin Lutt and Tonya Erxleben then rapped consecutive singles to end the game. Erxleben officially got the game winning rbi.

Wayne grounded out a total of 13 hits during the game including 3-4 performances from Robin and Susie Lutt. Shannon Holdorf rapped two hits as did Tonya Erxleben, while Kristy Hansen, Marnie Bruggeman and Shelly Gilliland each recorded one hit apiece.

In the nightcap Robin Lutt completely shut down the Norfolk seniors as she tossed a 1-hitter and pitched a shutout with a 10-0 blanking.

Offensively Wayne didn't need to account for many hits with the defense of Lutt and the fact that Norfolk pitchers walked 10 Wayne batters. At any rate, Wayne managed seven hits in the contest with Kristy Hansen and Marnie Bruggeman being the only two with more than one. Both went 2-2 from the plate with Hansen recording a double.

Susie Lutt, Robin Lutt and Tonya Erxleben all recorded base hits. Wayne's record improved to 14-7.

Juniors score 54 runs

The Junior girls softball team played a double header against Norfolk Tuesday night in Wayne. In the opener, the two teams went after each other like a scoring barrage in a football game with Wayne out dualing Norfolk, 29-21.

Angela Schnier grabbed the pitching victory but head coach Darrell Bailey was quick to point out that Wayne used a variety of pitchers.

"We gave up 23 walks in the game which is entirely too many," Bailey said. "Fortunately, the girls didn't get shook by the large amount of runs being scored."

In the top half of the first inning, Norfolk jumped out quickly to a four run lead. However, Wayne retaliated in the bottom of the first inning with 14 runs of their own.

The locals came away with 24 hits in the game. Shannon Holdorf was the catalyst offensively for the winners, as she grounded five hits in her six attempts at the plate. Holdorf also had the unique privilege of hitting the cycle. She hit two singles, one double, one triple and a home run.

Tara Erxleben also notched a home run and a double to go along with an earlier single for a 3-6 performance. Kari Lutt rapped four singles

in six attempts, while Tina Schindler and Holly Holdorf enjoyed 3-4 hitting performances with Schindler hitting a double and Holdorf slashing a triple.

Lisa and Lana Casey each went 2-3, while Devonne Jensen and Shaun Schroeder each had one hit.

Scoring explosion continues
In the nightcap Wayne again got jumped early by the visitors, as Norfolk scored 12 times in the first inning and led Wayne, 12-3, after one complete inning.

The lead was short lived however, as Wayne scored 13 second inning runs to grab a lead they would never relinquish enroute to a 25-21 victory and a season record of 14-7.

Shannon Holdorf was credited with the win from the mound, but again Wayne gave up 21 walks. Offensively, Wayne notched 12 hits with only one extra base hit recorded, Shannon Holdorf's double.

Shaun Schroeder led the winners with a 3-3 hitting performance, while Tara Erxleben went 2-2 from the plate. Others receiving hits were, Kari Lutt, 2-3; Tina Schindler, 1-1; Holly Holdorf, 1-1; Devonne Jensen, 1-1; and Lana Casey, 1-2.

ETV to re-run shrine game

The "Shrine Football Classic," broadcast Saturday, July 30, at 9 p.m. over the statewide Nebraska ETV Network, presents coverage of the 30th year of this showcase competition for the best graduating high school football from across Nebraska.

The three-hour coverage features play-by-play commentary by sportscaster Jim Ketter and color commentary from former Nebraska Cornhusker Adrian Fiala. The annual gridiron event is videotaped from earlier in the day at the University of Nebraska-Lincoln's Memorial Stadium.

The "Shrine Football Classic" is a production of the University of Nebraska-Lincoln Television Sports and Special Events unit with Steve Alvis as senior producer and Jim Carmichael as producer-director.

PeeWees defeat Carroll

The Winside PeeWees beat Carroll 23-14, last week in Carroll. Jeff Jacobsen, Brock Shelton, John Tharish and Josh Jaegar led the Winside offense, with three runs apiece.

The PeeWees then took on Hadar and was defeated, 19-15. Shawn Kowire led the locals with three runs with Corey Lewis contributing a two. Then on Sunday, the PeeWees split a twin bill with Laurel by winning the first game, 7-6, and dropping the second game in extra innings, 16-14.

David Paulsen drove in the winning run in the bottom of the fourth inning to aid the locals in the opener, while Jeff Jacobsen contributed three hits in a losing cause in game two. The PeeWees record stands at 8-4.

Little League splits

Winside's Little leaguers split a pair of games by beating Carroll 6-1, in a rain shortened game last week,

and losing to Laurel 7-1, on Sunday. Marty Jorgensen led the attack with three RBI's and a home run. John Hancock and Jeremy Jenkins also hit home runs to lift Winside over Carroll.

Against Laurel, Winside's only run was driven in by Scott Jacobsen, who went 2-3 from the plate in a losing cause. Incidentally, Winside was only allotted two hits against Laurel with Jacobsen catering to both. The Little League record to date is 2-9.

Jeff Gallop pitched four scoreless innings of relief as Winside's Pony League team downed a Norfolk YMCA league team, 4-3. Chad Carlson went 2-3 from the plate while John Hancock drove in Jason Krueger with the winning run in the top of the sixth inning.

The Pony League team is 5-2, and will play Norfolk YMCA again this week.

Sports Briefs

Nelson wins gold

Blaine Nelson of Wakefield, won the gold medal in the 140-148 lb. weight class for the 25 and older folkstyle wrestling competition at the Cornhusker State Games held in Lincoln this past weekend.

Steve Greve, also of Wakefield, finished 2nd in the freestyle heavyweight division.

Klaver inks recruits

Seven high school and junior college student-athletes have signed letters of intent to play baseball and attend Wayne State College in the fall of 1988, according to head coach Lenny Klaver.

The athletes signed include: Dusty Sheets, a 5-10, 180 lb. shortstop. Sheets is currently playing for Des Moines East High School in Des Moines, Iowa.

Chris Jones, a 5-10, 160 lb. outfielder. Jones is a graduate of Omaha Westside; Rob Zulkoski, a 6-0, 180 lb. outfielder from Columbus. Zulkoski will transfer from Iowa Western Community College in Clarinda, Iowa; Billy Baugh, a 6-4, 210 lb. pitcher-first baseman, from Friend, Neb. Baugh pitched last season for Iowa Western Community College in Clarinda, Iowa;

David Roby, a 5-10, 170 lb. second baseman from Sumner, Iowa. Roby will transfer to Wayne State from Ellsworth Junior College in Iowa Falls, Iowa;

Theron Brockish, a 5-11, 170 lb. relief pitcher/utility player from St. Mary's, Kansas. Brockish is a transfer from Neosho Community College in Kansas;

Jeff Stickel, a 6-0, 170 lb. pitcher. Stickel is a teammate of Dusty Sheets at Des Moines High School.

The seven are the first recruits announced by Klaver. "Our recruiting effort has gone very well so far this year. We've filled many of our immediate needs," Klaver said. "These are all outstanding young men who will fit into our

program and help us attain our goals and expectations." "Brockish, Baugh and Stickel should bolster our already strong pitching staff. Theron had 20 appearances last year in junior college with seven saves and a 2-2 record and 2.40 ERA. Baugh is a power pitcher with a fastball in the 85 mph range."

"David Roby hit .358 for Ellsworth while making the all-region team; two straight years. Rob Zulkoski has excellent speed in the outfield which is something we need with the graduation of all-district centerfielder Gale Bretschneider," Klaver said.

"Dusty Sheets, besides having a great baseball name, is a smooth fielding shortstop who hits in the number three spot for Des Moines East, a team currently 20-4 on the season."

"Chris Jones gives us more speed in the outfield with a good left-handed bat. Jones hit .397 for Westside this spring while earning first-team all-division honors in the Omaha Metro and honorable mention from the Omaha World-Herald," Klaver said.

Wayne State lost ten seniors to graduation off last year's 29-17 team. In addition to seven signees announced, Klaver expects to sign four additional players.

"I'm very excited to work with these new players," Klaver lamented. "Building a new team is always exciting and will be quite a task if we are to keep up with the winning tradition Wayne State has established over the years."

The GOLDEN YEARS

By *Liz Phelan*

The Golden Years by Gil Haase

Charles and Fannie Forespring of Jennerstown, Pennsylvania, eloped on St. Valentine's Day in 1913, even though their parents insisted they were too young to marry. For 75 years they have been in love and inseparable. "We had our fights, but we never stayed mad at each other," said Forespring, 94. He and his wife have four children, 16 grandchildren and 20 great-grandchildren.

The right kind of exercise can actually delay the signs of aging. So says Denny Miller, star of the 1959 movie "Tarzan the Ape Man," and his wife, actress Kit, who in their fifties look every bit as good as they did 30 years ago. Men and women in their seventies and eighties, they claim, need exercise for only an hour three times a week to prevent weight gain and feel wonderful.

Remember when? — The RKO movie "Flying Down to Rio" was released in December 1933. It featured a musical number called "The Carioca" and a new dance team of Ginger Rogers and Fred Astaire, who were not the stars of the musical. Evaluation of Fred's screen test had read: "Can't act. Slightly bald. Can dance a little."

Presented as a public service to our senior citizens, and the people who care about them by the Wayne Care Centre, 918 Main Street, Wayne, Nebraska 68787.

BETHANY PRESBYTERIAN CHURCH near Carroll will celebrate its 100th anniversary on Sunday, July 31 with a special worship service, dinner and program.

Bethany Presbyterian Church plans centennial observance

By Leona Fork

Carroll Correspondent
Bethany Presbyterian Church, located four miles west and one and a half south of Carroll, will begin its centennial observance with a 10 a.m. worship and communion service on Sunday, July 31.

The Rev. Dr. James Griffes of Somonauk, Ill., a former pastor, will deliver the sermon, with the Rev. Gail Axen presenting the anniversary prayer. Mrs. Tillie Jones is organist.

A NOON DINNER, catered by Joyce and Herb Niemann of Wayne, will be served for those having reservations.

The anniversary program will begin at 2 p.m. and will include the church history read by Mrs. Etta Fisher and special music provided by the Welsh quartet. Pastor Axen will present an anniversary message.

Following the benediction, announcement will be made of the owner of a quilt made by Presbyterian Women.

The public is invited to join in the centennial celebration.

FOLLOWING THE arrival of Wesleyan pioneers to the Carroll area, Sunday school was held for a short

time and in 1888 they began having worship services in a schoolhouse located one and a half miles south of the present Bethany Presbyterian Church.

Goddard Estate, an eastern land company, donated land and a frame building was erected at the present site in 1891 at a cost of \$1,713.24. The present building was constructed in 1918 at a cost of \$20,000.

The basement was renovated in 1952 and oil heat installed, making room for a larger kitchen and east entryway for the basement.

The manse, located one half mile north of the church, was sold in 1974 and moved from the premises.

DURING THE early years, all services were conducted in the Welsh language. Later, services became bilingual with Welsh gradually disappearing.

The church remained under Calvinistic Synod until 1919 when the entire denomination voted to become a part of Presbyterian Church U.S.A. The church then became known as Bethany Presbyterian Church.

There were 150 adult members in 1927. Membership began to diminish in the 1930's due to a declining rural population.

In 1950, steps were taken to combine services with Zion Congrega-

tional Church located one and a half miles north and one east of the Presbyterian Church.

The two parishes share a minister, with the location of combined services alternated monthly.

The Rev. Gail Axen of Stanton has been in charge of both parishes since 1956.

SINCE 1899, Zion Congregational and Bethany Presbyterian Churches have maintained a cemetery located at the Presbyterian Church.

The Presbyterian Women-Ladies Aid was organized in 1927. Present officers are Mrs. Milton Owens, president; Mrs. Tillie Jones, vice president; Mrs. Etta Fisher, secretary; and Mrs. Erwin Morris, treasurer. The women's societies of the two churches are not combined.

The present Adult Fellowship is combined and began in the early 1950's. In 1980, they began sponsoring a Welsh Heritage Day.

The present Session includes Erwin Morris, clerk; Milton Owens, Dean Owens, Keith Owens, Randy Owens and Art Jensen.

Mrs. Keith Owens is secretary-treasurer and Mrs. Tillie Jones is church organist.

Interest in waste site shown

By Chuck Hackenmiller
Managing Editor

Twenty-five letters of interest, coming from various Nebraska communities and counties, have been submitted to US Ecology relating to a study — or requesting more information — involving the hosting of a low-level radioactive waste dump site.

Six of the formal expressions of interest are from counties. In five of those counties, one or more communities have also expressed formal interest in having their area studied.

US Ecology considers the letters or resolutions as formal invitations to conduct preliminary study of local environmental, geological and hydrological conditions, but they do not consider each correspondence as commitments to host the facility.

Two area communities — Laurel and Wausa — have expressed an interest in gaining more information about hosting the low-level radioac-

tive waste site, although the Cedar County and Knox County Board of Commissioners have gone on record opposing the facility in the county.

INVITATIONS from both "counties and communities" include Kimball (Kimball County), Red Cloud and Blue Hill (Webster County), Wallace (Lincoln County), Auburn (Nemaha County) and Table Rock (Pawnee County).

US Ecology has received an invitation for further study from Fillmore County. And communities in Nebraska also expressing an interest (with no opposition from the county) include Weeping Water, Elmwood, Curtis, Franklin, Arapahoe, Cambridge, Madrid, Grant, Dodge, Stratton and Humboldt.

US Ecology, designers of the facility, plans to announce the three areas that will "undergo intensive study throughout 1989" sometime in November.

Company officials expect to discover that some communities believe that expressing formal interest is a way to start learning about the project. These communities cannot be considered candidates for preliminary study.

There are also some communities that cannot be considered because they are within the boundaries, set by US Ecology, around major metropolitan areas — taking into account future community growth in siting the facility.

Preliminary studies of the interested communities will begin within the next two weeks, according to US Ecology officials.

Following the preliminary study, US Ecology will use the criteria (developed in conjunction with the Nebraska Citizen's Advisory Committee) and evaluate by Aug. 1 the merits of the locations expressing interest.

study; they gain on-the-job experience; they receive college credit; and they are paid.

DERYL Lawrence, placement director, said the greatest advantage comes when cooperative education participants graduate from college.

"Having gained valuable experience in a particular profession is a very key factor when employers hire college graduates," Lawrence said. "They usually look at two things: educational background and employment background. This gives students solid experience gained in a real-world environment."

All Wayne State students who have a "C" average or above are eligible for cooperative education placement when they become sophomores. The College will determine the appropriate number of credit hours students receive for their co-op job opportunities, and they will be graded according to performances.

DURING THE one-semester experiences, administrators and/or assigned faculty will make on-site visits to companies employing Wayne State interns to keep in touch with students' progress.

Students may be placed in businesses, corporations, organizations, firms or any other entity that meets program requirements. Employers are required to pay the students at least minimum wage.

The grant money received by Wayne State will fund administrative costs such as personnel and travel. One director and one coordinator will be hired to manage the cooperative education program.

STATE ROAD department officials said that while \$63.6 million is scheduled in the fiscal 1989 program for Interstate work, they will seek additional federal discretionary funds of some \$30 million to accelerate Interstate rehabilitation in both the Omaha and outstate Nebraska.

Farm workshop scheduled

Farmers and emergency personnel can learn about farm accidents and safety at a workshop to be offered in West Point in mid August. Extrication and emergency care of victims injured as a result of tractor overturns, auger and power takeoff equipment entanglements, and electrical accidents will be discussed by instructor Chuck Woll, a paramedic from Eastern Ambulance in Lincoln.

The Workshop will be held Saturday, Aug. 13, at the Cuming County Fairgrounds. The program is free of charge and open to pre-hospital providers, nurses, doctors, fire fighters, farmers and interested members of the public. Registration begins at 12:45 p.m. Participants will receive five contact hours of credit towards renewal of a certificate of competency for ambulance technicians.

Sponsors for the workshop are West Point Fire and Rescue Squad, Cuming County Fire and Rescue Services, St. Francis Memorial Hospital, Northeast Community College, the Northeast EMS Advisory Committee and the Emergency Medical Services Division of the State Health Department. For more information, call Eddy Williams or Shelley Harless at the State Health Department, 800/422-3460.

Entering physician assistant program

Anne Liska of Lincoln is one of 25 students selected to enroll in the physician assistant program at the University of Nebraska Medical Center. The two-year program is currently ranked as one of the top in the nation.

Anne is the daughter of Dr. and Mrs. Jay Liska of Wayne and was graduated from Iowa State University in 1986.

Named resident assistant

Stuart Rethwisch of Wayne has been selected to serve as a resident assistant during the 1988-89 academic year at Central Community College-Hastings Campus.

Housing director Herb Kahookale said resident assistants are student leaders selected by competitive interview to help the residence manager with operation of the campus dormitories.

Book review published

Dr. Donald W. Whisenunt, vice-president and provost for academic affairs at Wayne State College, recently had a book review published in The Pittsburgh Press.

Whisenunt reviewed "The Far West and the Great Plains in Transition, 1859-1900," by professor Rodman Paul, a book that "gives special attention to the people who settled this region and coped with its special geographic characteristics."

Whisenunt came to Wayne State in 1983. He received his bachelor's degree from McMurry College and his master's and Ph.D from Texas Tech University.

Area students on Dean's List

Tammy J. Kavanaugh of Dixon, Jasjit S. Johar and Amy J. Jordan of Wayne were among the students in the College of Arts and Sciences at the University of Nebraska-Lincoln named to the Dean's List for the spring semester of the 1987-88 academic year.

Those named to this Dean's List must achieve a 3.7 or better grade point average.

Navjot S. Johar, Blaine D. Johs and Brian W. Schmidt, all of Wayne, were among the students in the College of Engineering and Technology at the University of Nebraska-Lincoln named to the Dean's List. Johar achieved a 4.0 grade average.

Students named to the Dean's List achieved a 3.5 or better grade point average.

Kevin Koenig of Wayne was among the students in the College of Agriculture at the University of Nebraska-Lincoln named to the Dean's List. He had achieved a 4.0 average.

Steven Rethwisch of Wayne was among the students named to the College of Architecture at the University of Nebraska-Lincoln. He had to achieve a 3.5 or better grade point average to be named to the Dean's List.

Mosley accepted into Vet School

Jill L. Mosley from Wayne will be among 99 students entering Kansas State University's veterinary freshman class this fall.

Students selected for the four-year program had to maintain a 'B' or better average in all 71 hours of required pre-professional course work prior to admittance.

Applicants are evaluated on their motivation, maturity, communication skills, knowledge of veterinary medicine and experience with and knowledge of animals.

During regular semester classes and summer sessions, Mosley will study anatomy, physiology, laboratory medicine, pathology, surgery and veterinary diagnosis.

College of Business Dean's List

Monica Hanson of Concord and Cameron Thies of Wakefield were among 398 students in the College of Business Administration at the University of Nebraska-Lincoln named to the Dean's List for the spring semester of the 1987-1988 academic year.

They achieved a 3.6 or better grade point average while carrying 12 or more graded credits.

To help say 'No'

Poster, essay contest

Across the state and nation, people are helping children to understand the dangers of drug and alcohol abuse. And area schools feel that the school lunchroom is just one of the many places where children can learn how to "Just Say No."

To increase the awareness of the problems of drug abuse, the Nebraska Department of Education's Child Nutrition Office and the Nebraska School Food Service Association are co-sponsoring a "Just Say No" poster and essay contest. National co-sponsors are the U.S. Department of Agriculture and the American School Food Service Association.

Area schools participating include Laurel-Concord Public School, Allen Consolidated School, Hoskins Public School, Winside Public School, Wakefield Community School, Wayne-Carroll Public Schools and Wayne County School District No. 57.

"This contest is a chance for kids to talk to other kids about the dangers of drugs," said Connie Stefkovich, registered dietitian with the Department of Education's Child Nutrition Office. "It also gives school food service personnel the opportunity to become involved in classroom activities. The contest can be integrated in classes in health, art and language arts."

The contest will begin in September. Winners will be selected at four levels: school building, school district, state and national. It includes a poster contest for children in second through fifth grade. The essay contest is for students in sixth through eighth grade.

Prizes will be awarded at all levels. The state winner will receive a savings bond from the Nebraska School Food Service Association.

School food service personnel will work with school principals, teachers and other education organizations in judging entries during the first week of October. Announcement of local contest winners will coincide with National School Lunch Week October 9-15.

Adkins meets execs

Amy Adkins, 16, of Laurel, Neb., represented 4-Hers nationwide at a meeting with the top executives of General Motors Corporation recently. The topic of discussion: the national 4-H program and how corporations work in support of that program.

Amy Adkins

National 4-H Safety scholarship winner and represented Nebraska at the National 4-H Congress in Chicago. She was a delegate to the national 4-H Conference in Washington, D.C. and has been selected as a program youth coordinator for the 1989 Washington conference.

Adkins joined Tom Davison, state 4-H leader in Texas and members of National 4-H Council on the visit, which took place in Detroit, Mich., at General Motors Corporation's headquarters. Representing General Motors Corporation was John Rock, general manager, GMC Truck Division, who is a member of the National 4-H Council Board of Trustees. Talks focused on the company's support of the National Safety Awards Program and how it might continue that support.

Adkins told of many safety programs which have resulted from General Motors Corporation's support of the program. Since Adkins intends to follow a career as a spokesperson for a major corporation, she received some advice from those present on which courses to emphasize in college.

Adkins has been a 4-H'er for nine years and has focused on the General Safety program. Amy was named a

The Farmer's Wife

by Pat Meierhenry

If you haven't experienced the Cornhusker State Games yet, put it on your calendar for next year. Anything that grows from 3,000 participants to 13,000 participants in four years has to be good.

When we were in Utah, I saw a map of the U.S. showing the states with state games, and there were only half a dozen now that don't have them. The Big Farmer heard yesterday that Nebraska's is currently the largest, unless Oklahoma's final count surpasses ours. (You might know it would be the Okies again.)

The official guide lists 28 different events, from aquatics to roller skating to wrestling; and all kinds of age categories; bantam to novice to open and masters.

I walked in the Volksmarch the first year, a scenic 6 mile untimed stroll and had a great time. Last year, as I watched Jon high

jump, I looked around at the middle-aged females and thought, "I could do that."

REMEMBER, I am the person always chosen last for ball games; the only girl in my class who did not letter in volleyball. At one time, when I got an urge to exercise, I laid down to rest, as some famous writer is often quoted as saying.

I took up walking as a way of counter acting stress, and I found it works for that. A 15 mile is good for me.

But I knew I was having the Big Birthday this year, and it would put me into the 50 and over category. So I entered the 100 meter and the 800 meter; I didn't fall down, and I didn't faint, but don't ask my miles.

Mike had been tempted by the chess competition. He finally sent in his money because the rule book said he would play 5 games, win or lose. He spent all day at the Cornhusker Hotel, plotting his strategy in air-conditioned comfort.

He's already planning for more practice before next year's games. And I had the opportunity to help a very special chess player play one of his games.

His name is Bill Rush, and I had just read his book, *Journey Out of Silence*. It's all about the cerebral palsy that afflicts his body and leaves him speechless; and how some computer students at UNL made him a voice synthesizer so he can communicate by pointing to letters with

his head stick. He's earned a journalism degree from UNL and he earned my admiration when I watched him play chess.

That's really what the Games are all about, the fun of participating in any way you can. It's a neat experience.

The basketball team Jon plays on, the good old Silver Bullets, took first in their division.

I was the only female on Ed Weir track in my age group, and there was one in the 60 and over. Heck, they cheered us on just for being out there! And it was fun. And I'm already planning to go again next year—and improve those times!

For now, I just hope I can get out of bed in the morning.

Calcium as an Antihypertensive

Are there vitamins or minerals that will help reduce blood pressure?

David McCarron, M.D., and Cynthia Morris, Ph.D. examined the relationship of calcium supplementation to high blood pressure (hypertension) in their article published in *Annals of Internal Medicine*. Of special interest is their review of studies in which calcium supplements — like those used to help prevent osteoporosis — were evaluated in control of hypertension.

In seven published studies, calcium supplements reduced blood pressure. The reduction was variable and not seen in all persons. For those persons who appeared to be "calcium sensitive" the effect was substantial. Calcium supplements seemed to be most effective in individuals who obtained less than the usually recommended 800 to 1,000 mg of dietary calcium per day. Six to eight weeks may be required in order to achieve a reduction in blood pressure.

Calcium supplements should not be expected to replace the use of antihypertensive medicines and the avoidance of salt in the diet.

Centennial of Theophilus Church celebrated

By Dianne Jaeger

Approximately 100 guests and past church members of the former Theophilus United Church of Christ gathered Sunday, July 17 for a 2 p.m. 100 anniversary celebration at the church's new location south of the city park in Winside.

The church's last pastor, Rev. Gail Axen of Stanton, led the celebration and worship service with scripture readings, songs, prayers and a history of the church.

A special sermon, based on Psalm 84, was given by Rev. Clarence M. Higgins, Jr., United Church of Christ Conference Minister from Lincoln. Rev. Higgins also led the congregation in singing "Silent Night" in German, accompanied by Mrs. Dorothy Rees on the organ.

Formation of the church's resolution is documented to Sept. 2, 1888 with 12 charter members. However, plans were developing for the Theophilus (meaning Friend of God) Church in 1884. Prior to 1926, all services and teachings in the church were done in German, as the original name of the church was German Evangelical Lutheran Theophilus Church.

IN 1986, BECAUSE of economic factors and with only 18 remaining church members, a decision was made to donate the church and its entire contents to the Wayne County Historical Society — to be moved into Winside as a branch museum. The move from its location four miles east and one mile north of Winside became a reality in June, 1987.

During the church service on Sunday, verbal congratulations were expressed from the Zion Congregational Church of Carroll by Deacon John Rees; from Bethany Presbyterian Church of Carroll by Elder Erwin Morris; by Rev. John David of Peace United Church of Christ, Hoskins; and Pastor Michael Montgomery of Peace United Church of Christ in Tilden.

Mrs. Mathilda Reeg of Wayne, age 88 and a congregational member, reflected on her memories during the church's past years.

There was a social gathering afterwards in the village park during which a drawing for a queen-size quilt by Mrs. Reeg took place. Winner was Mrs. Virginia Holtgrew of Nokomis, Florida.

ABOVE, REV. Gail Axen, in the pulpit, gives a history of the Theophilus Church. In the photo at left, guests and members attending the anniversary celebration sing a chorus of 'Silent Night' in German.

SCHOOL BOARD

The Wakefield Board of Education met July 11 and continued discussion on how to make the school building more energy efficient. Dan Bard was present, and the board accepted Bard's bid of \$7,323.12 to install metal halide lights and fixtures in the school auditorium. The board also accepted the bid of \$5,466 from Climate Systems, Inc. of Sioux Falls, S.D. to replace the thermostats in the elementary building and calibrate the heating system. The bids were opened at a special meeting of the board on June 27.

Both of these projects are a result of an energy study recently completed at the school. Although the board accepted the bids on the two projects, they are contingent on the Nebraska Energy Office approving the school's loan application, according to Superintendent Derwin Hartman.

Lawrence Ekberg joined the board meeting and expressed his concern about activity trip pay and the assignment of drivers to cover these trips.

Jim Stout reported on the building and grounds committee's recommendation on fixing the exterior of the bus barn. The board voted to contract with Dale Paulsen to paint the west, south and east sides of the

building providing school personnel can do repair work preparatory to painting.

Another improvement project the board accepted was the construction of risers north of the high school entrance steps on the east side of the building. The board approved a contract with Dennis Otte to construct the risers.

Superintendent Hartman reported to the board on summer maintenance, non-resident tuition for the '88-89 school year, asbestos workshops, board policy additions and lease rental of a copier.

In other action the board approved the school milk bids for the upcoming year from Gillette Dairy. The board verified the successful teaching of Dennis Wilbur for the year 1979-88.

Ron Wenstrand, chairman of the budget committee, presented the tentative budget for 1988-89 school year. The budget hearing date has been set for 7:30 p.m. on Monday, August 8 at the school.

AN OPEN LETTER TO VOTERS OF THE FIRST NEBRASKA DISTRICT

Dear Friends,

I have recently received petition forms to place my name on the ballot for Congress in the First Nebraska District. 2000 signatures are needed.

I am financially able to make this race on a legacy from my brother Vincent who died of cancer last December. He was a Coleridge, Nebraska farmer who, as a member of the 3rd Arm'd Field Artillery fought at Bastogne and took the bridge at Remagen.

I have a plan to reorganize the world's economy with an international currency based on gold which will allow us to pay off the national debt with gold from Fort Knox.

I favor a policy of peaceful co-existence, the re-unification of Ireland, Germany, Korea, etc., based on our own principles of national unification.

I favor re-organization of agriculture on the basis of the Homestead Act of 1862, a restoration of the living wage based on traditional unionism, enforcement of the Full Employment Act of 1946 and reform of Social Security.

I seek people to sign and circulate my petition and will send a copy of my book, "Adventures of a Farm Boy" to every campaign contributor.

Sincerely,

Paul Burke
