## At A Glance

### Watching Mars

On three consecutive Saturday evenings — Sept. 17, 24 and Oct. 1 — at 8 p.m., the public is invited to attend the "Mars Watch" activities in the Fred G. Dale Planetarium at Wayne State College.

During the month of September, the earth will be closer to Mars than at anytime during the past 17 years, making Mars one of the brightest objects in the evening sky. Mars will not be this bright again until August of 2003.

Special information sessions and observing activities are scheduled those Saturday evenings to acquaint visitors with Mars, its surface characteristics and changing sky positions.

From 9 p.m. to 10:30 p.m., telescopes will be available on the Observing Deck of the Carhart Math/Science Building at Wayne State to allow actual observation of the red planet.

The planetarium is located at the south entrance of the Carhart building, and the Observing Deck can be reached by entering the northeast doors and ascending to the top of the stairs.

Additional information about this event and other presentations scheduled for this school year can be obtained by writing or calling the planetarium at 402/375-2200, ext. 343.

### Art work

Sculptor Martin Wanserski's work will be exhibited through Oct. 6 in the Nordstrand Visual Arts Gallery, located in the Val Peterson Fine Arts Building at Wayne State College.

Wanserski has been teaching sculpture at the University of South Dakota for the past 11 years. He had held a variety of positions before USD, including stints with Montgomery Ward and the Playboy Corporation.

Wanserski does not intend to make objects for the market. Instead, he sees his personal work as a means of search and exploration of ideas in an attempt to reach understanding through three dimensional form, according to Wayne Anderson, associate professor of art at Wayne State.

Gallery hours are from 9 a.m. to 5 p.m. daily whenever classes are in session.

### The basics

Adult basic education class will be held Tuesday nights (starting Sept. 13) at Wayne High School, 7 p.m. in Room 203. This is an opportunity for those interested in gaining their high school diploma.

### Quintet

U.S. Brass Ironhorse Quintet will perform a variety of music, from standard brass quintet to big band classics, on Monday, Sept. 12 at the Wayne-Carroll High School lecture hall. The 7:30 p.m. concert is free to the public.

This group, from the 4th Infantry Division, Colorado Springs, will also be giving a clinic Monday afternoon at Wayne State College.

### Post Office hours

The Wayne Post Office window will now be open at 8 a.m. instead of 8:30 a.m., Monday through Saturday. The window will remain closed Monday through Friday from 11:30 a.m. to 12:15 p.m. and then will close for the day at 4:30 p.m. On Saturday, window hours are from 8 a.m. to 10 a.m. The new hours started Saturday, Sept. 10.

## Comments on low level waste

# Kerrey says economic woes should not be blamed on farmers

By Chuck Hackenmiller  
Managing Editor

Democrat Bob Kerrey campaigned late Wednesday afternoon in Wayne on the Wayne State College campus, commenting primarily on agricultural issues.

He spoke before a full house (200 or more people) at Ley Theatre on the Wayne State campus.

Farmers, Kerrey said, should not take the blame for failures in federal policies. He referred to the 1981 Economic Recovery Tax Act, which was expected to lower people's taxes, create more investment interests and stimulate the economy.

"It didn't work. But you can't say that the farmers in Nebraska caused it [to not work]," he said. "As the price of the dollar rose, it was found that the farmers income was going down," he said.

THE HEAVY losses in the farm population since 1980, he said, isn't because of the farm community. "A lot has to do with federal policies," he said.

Policies at the federal level had a tremendous impact on production in Nebraska, he said. "Right now, stability is the most important thing and pricing is the most important to bring stability," he mentioned.

One important element would be to eventually have "earned income" replace subsidized income, he mentioned. "That's one reason we're in economic recovery right now is because farm income has increased," Kerrey said.

Financial avenues should be available to "make sure the farmer has a fair opportunity" for a "fair return on production costs."

Kerrey said the world has experienced dramatic changes. Those

changes include worldwide production in crops, goods and services and in demand and consumption.

Significant changes have occurred, he said, in the areas of transportation. He said a north-south expressway through Nebraska would experience high traffic. Business people need to be competitive and having a good transportation system is a key to that edge.

Another change, he said, is the increase of women (with children under age one) in the work force, up to 51 percent in 1988. Ten years ago that figure was at about 31 percent. "As those numbers increase, we must make considerations to accommodate them," he said.

HE COMMENTED on increasing number of caseloads in the area of ADC and food stamps, particularly in the rural areas of Nebraska. The public, he said, is beginning to recognize the increasing number of child abuse incidents.

He said, in ending his prepared remarks, to "be willing to give of yourself to someone [or something] else."

"People should care about each other because it makes a difference," Kerrey said.

One question from the audience dealt with the decoupling policy. Decoupling, according to several concerned farm organization, will eliminate the target price system which will divorce government deficiency payments.

"I am cautious on the value of decoupling on the basis of what might happen to the land in Nebraska," Kerrey said.

Commenting on "the brain drain" where students are leaving Nebraska to pursue careers elsewhere, Kerrey said that "adults have to pay attention to the young people."

WHAT CAN BE said about Nebraska, Kerrey said, is that "there is something about Nebraska that makes you feel you can accomplish anything."

Nebraska, he said, may not be as large or as heavily populated as other states. "But it's small enough to get things done," he added.

The state, he said, still has a long way to go before the "environment can be what it can be."

Schools, he said, should have "all kinds of financing tools" for increasing the "equity capital to be used."

Greater urgency should be given to the primary and secondary education in Nebraska, he mentioned.

Kerrey commented on nuclear energy, nuclear weapons and on the low-level waste issue. "This [nuclear energy] is an enormous problem and the response is more than just 'what am I going to do with this stuff,'" he said. "A part of me sees some advantages of nuclear power and nuclear weapons."

"However, the size of his problem is so immense that it dwarfs the low-level problem," he said.

Kerrey said he believes that the low-level waste facility proposed for Nebraska "can be built safely."

"I think there is sufficient information that it can be done safely. But I don't like the procedures that are being used. People are given only two choices — accept as it is or pull out," he said.

HE SAID he believes that through these procedures, the government has not been honest with the public. "Once this happens, particularly with the government, then trust goes," he said.

Prior to his speaking engagement in Wayne, Kerrey spent most of the morning campaigning in Norfolk and other northeast Nebraska communities.

## New Scoreboard

WINSIDE SCHOOL installed a new scoreboard from the Pepsi company and used it for the first time in the Sept. 2 home game against Beemer. Helping to defray the cost of the scoreboard was the AAL Branch 1960. The local branch contributed \$750 toward the purchase of the new scoreboard. On Wednesday, Vernon Miller, treasurer of AAL Branch 1960 (right) presented the check to Superintendent Don Leighton (left). In the background, left is Gerald Bleich, president of the AAL Branch 1960 and Ron Leapey, principal of Winside High School. The new scoreboard replaces the one installed in 1963 at Winside's high school football field.

## Focuses on technical changes

# Conference features future choices

Prominent professionals from a variety of fields will participate in a special conference on technical change, to take place at Wayne State College next Wednesday (Sept. 14).

The conference begins, at 9 a.m., with registration to start at 8 a.m. in the North Dining Room of the Student Center. There is no fee, and the conference is open to the public.

The event, titled "Northeast Nebraska — Choices for the Future," will address topics that deal with science, technology and the human condition.

One of America's foremost authorities on transition, Dr. William Bridges, will present the keynote address. Bridges has worked with people in transition since 1974, and has written two books on the subject.

FOLLOWING BRIDGES message, there will be a panel discussion with experts from business and industry, agriculture, education and quality of life and health care.

The conference will provide an opportunity to bring together people

in technology and humanities to discuss the impact science and technology have on the human condition," says Tim Garvin, instructor of business at Wayne State. "Participants should come away with a perspective of how we've dealt with technological changes in the past and how we'll deal with them in the future."

Business panelists include Dr. David Ambrose, University of Nebraska professor who is a leading authority on demographic changes and economic development; and Gene Koepke, dean of the School of Business and Technology at Kearney State College. Koepke is an authority on business community transition in rural economies.

Agriculture panelists include Dr. Mike Turner, a UNL agricultural economics professor who is an expert on economic effects on technological changes in agriculture; Dr. Steven Fox, an authority on microbiology, genetics and animal science, from the microbial genetics division of

Pioneer Hi-Bred International of Johnston, Iowa; Larry Krcl, program associate of emerging technologies and sustainable agriculture projects at the Center for Rural Affairs in Walthill; and Kent Blaser, division head, Social Sciences division at Wayne State College.

EDUCATION panelists include Melodee Landis, director, Nebraska Department of Education Technology Center, who is an authority on impact of technological innovation on education; Dr. Jo Taylor, division head, humanities division, Wayne State College; and Dr. Robert Sweetland, associate professor of education, Wayne State College.

Quality of life and health panelists include Dr. Nelson Potter, UNL professor, who is an authority on the philosophical side of health care issues; Dr. Walter Friedlander, UNL Medical Center, who is an expert on

## Band Day slated for next Saturday

By Chuck Hackenmiller  
Managing Editor

Eighteen bands, full of northeast Nebraska School talent, pagentry and excitement, will be marching through Wayne and at Memorial Stadium as the annual Wayne State College Band Day approaches.

This year's Band Day event is scheduled for Saturday, Sept. 17.

The bands, both junior high and high school, begin the day with a parade through downtown Wayne beginning at 10:30 a.m. They will also perform at the 1:30 p.m. Wayne State-Baker University football game.

Also included in the festivities will be the Wayne State College Wildcats Marching Band — this year 115 members strong. There will be 930 total participants in this year's Band Day festivities.

"We have exactly the same amount of Class C and Class D schools marching during Band Day (seven each)," said Wayne State College Band Director Gary Davis.

"Previously, it seemed we had all Class C bands. We're happy to see the Class D participation," Davis said.

LARGER BANDS, he said, find it difficult to get in enough practices before Band Day, which is why he is hoping for perhaps later dates in scheduling the popular event.

"Our goal is to have 30 bands participate every year," Davis mentioned.

Besides the marching on Main Streets, spectators will be treated to "spectacular" marching at Memorial Stadium. Assembly for the "Parade of Bands" begins at 12:30 p.m. and the first band begins at 12:45. The Wayne State band will perform at pre-game, beginning at 1:15 p.m.

The massed bands will perform at halftime.

Davis said the pre-game performance will be geared toward a celebration on the 40th anniversary of the establishment of the Strategic Air Command Headquarters at Offutt Air Force Base in Omaha.

HIGH SCHOOL and junior high bands participating in the 1988 Band Day event include Wayne Middle School and Wayne High School (both not in the competition). Directors are Brad Weber and Keith Kopperud.

Other schools represented are Winside, director Curt Jeffries; Wakefield, director Denise Whipple; Laurel-Concord, director Martin Frye; Humphrey, director Amanda Bair; Walthill, director Jack Waite; Newcastle, director Greg Schurman; Bancroft-Rosalie, director Dennis Eggerling; Beemer, director Ray Worden; Butte, director David L. Baker; Hartington, director Sharyn L. Whipple; Homer, director Lois M. Harris; Newman Grove.

## More fair winners listed

As the Nebraska State Fair winds down, more results of 4-H competition involving area youths who gained top finishes have been announced.

Wayne County finished in the runner-up position in the 4-H Dairy Judging Contest that took place Sept. 5 at the state fair. The first place team was Dodge County.

Dodge County scored 1,785 points, compared to 1,622 points achieved by Wayne County.

The highest finisher for Wayne County, which was last year's first place team, was Jenni Puls of Hoskins with 569 points. Other Wayne County team members were Shellyn Dorsey of Wayne and Darin Greunke of Winside.

JOCK BEESON, 14-year-old son of Jack and Bev Beeson of Wayne, exhibited the champion in the Polled Hereford breeding heifer division of the 4-H Beef Show on Sept. 5. His en-

try, Fun, is a homeraised June yearling.

Beeson received a cash award from the Nebraska Polled Hereford Association.

The Plueger sisters of Concord showed both the champion and reserve champion in the Chianina breeding heifer class of the 4-H Beef Show.

Sonya, age 12, showed the champion yearling heifer and Renee, age 14, showed the reserve champion. Both heifers were homeraised.

Renee also showed the reserve champion Chianina breeding heifer at the state show a year ago. This was Sonya's first state appearance. The sisters placed the same, with the same heifers, at the Dixon County Fair earlier this year.

The daughters of Frank and Kathleen Plueger received cash

# Speaking of People

**Stretching food dollars — cashing in on proper food storage**  
A refrigerator can be full of surprises. Wilting lettuce, dried-out cheese, apples which have lost their crispness, and other similar "surprises" inhabit the very best refrigerators.  
All are victims of poor food storage, and they represent thousands of dollars which consumers unknowingly throw away each year.  
Cash in on proper food storage by giving groceries a little extra care when you bring them home from the supermarket. You'll save money, and the food you buy will stay fresh longer, retain more nutritional value and remain safe to eat.

**THE TRIP BETWEEN** the checkout counter and your kitchen needs to be as short as possible. When refrigerated foods sit in the car for any length of time, they lose quality, and spoilage can begin. So, it's a good idea to stop at the post office and library before doing the grocery shopping.  
At home, "think cold." Frozen and refrigerated foods require the most care and should be put away first. Dairy products; meat, poultry, fish, most fresh vegetables and fruits, eggs, and baked goods filled with custard or whipped cream are just a few of the many grocery items which need to be refrigerated promptly.  
Some foods require special handling. By taking care of these foods before you tuck them away in the refrigerator, you'll end up saving time as well as money. Iceberg lettuce, for example, keeps better if you remove the core and store the head in an airtight container or resealable plastic bag.  
Fresh meat, poultry and fish which are not prepackaged need to be rewrapped and stored in the coldest part of the refrigerator or freezer.

**STORAGE TIMES** still vary even when groceries are carefully wrapped and refrigerated promptly. Berries and other fragile fruits, for example, have the best flavor and texture when eaten within a few days of purchase. Apples and citrus fruits, on the other hand, can be stored for a month or more in the refrigerator.  
Most fresh meats will keep several days. Poultry, fish and ground meats, however, should be used within one or two days. For longer storage, it's safer to freeze these items.  
Storing refrigerated foods properly and for the recommended time period may not be enough, especially if your refrigerator is too warm. So, it's a good idea to check the temperature occasionally. Hardware stores carry thermometers just for this purpose, and they can be left on the shelf inside the refrigerator.  
The thermometer should always register 30 to 40 degrees F. (1 to 5 degrees C.). If your refrigerator is warmer than 40 degrees F., you need to adjust the temperature control dial to a colder setting.  
Don't waste your food dollars by improper storage of your groceries. Stretch those food dollars with proper storage.

## Briefly Speaking

### LWML meets at Altona

The Lutheran Women's Missionary League (LWML) of First Trinity Lutheran Church, Altona, met Sept. 1. The group sang "How Precious is the Book Divine," followed with Bible study conducted by the Rev. Ricky Bertels.  
President Doris Pflueger conducted the business meeting with 10 members answering roll call. It was announced that winners of Bibles at the LWML booth at the Wayne County Fair were Casandra Kaser of Pender, Mrs. Jack Erwin of Concord and Krista Magnuson of Carroll.  
The annual fall cleaning of the school will be Oct. 3. An invitation was received to attend guest day at Immanuel Lutheran Church, rural Wakefield, on Oct. 20 at 2 p.m.  
The meeting adjourned with the table prayer and Lord's Prayer. Hostess was Mrs. Delvin Mikkeisen.

### Genetic counseling offered

A genetic counseling clinic will be held Sept. 21 at Lutheran Community Hospital in Norfolk. There is no fee charged, however a physician's referral is required.  
Persons wishing additional information are asked to contact the Home Health Care Department at Lutheran Community Hospital, 371 4800, ext. 252.

### Sunny Homemakers meet

Mildred Gamble was hostess for the Sept. 8 meeting of Sunny Homemakers Club. Six members answered roll call by telling about their homescap.  
Emilie Reep thanked the club for her gift, and the birthday song honored Dorothy Dangberg. The meeting closed with the club song, followed with cards. The hostess served lunch.  
Election of officers will be held at the next meeting, with the location to be announced.

### Heiers wed 55 years

Bill and Thelma Heier of Norfolk celebrated their 55th wedding anniversary at a dinner Sept. 4 in the home of their son and daughter-in-law, LeRoy and Marilyn Heier of Norfolk.  
Also hosting the event were their children Claire and Norma Janssen of Coleridge and Russ and Lorraine Prince of Winside. Guests attended from Coleridge, Wayne, Wausa, Winside, Norfolk and Pierce.  
Heiers were married Sept. 7, 1933.

### Secret sisters revealed

Secret sisters were revealed at the Sept. 6 meeting of Hillside Club in the home of Elaine Valh Kamp.  
The meeting opened with the song "America." Seven members answered roll call by telling how they spent their summer. Guests were Lydia Thomsen and Pauline Morse.  
Receiving pitch prizes were Irene Temme, Dorothy Grone, Lydia Thomsen and Pauline Morse.  
Dorothy Grone will be the Oct. 4 hostess.

### Cuzins' meet at Emerson

Ardyce Habrock of Emerson was hostess for the Sept. 7 meeting of Cuzins' Club. Prizes in 500 went to Fran Nichols, Ruby Moseman and Donna Luff.  
Next meeting will be with Ella Luff on Oct. 5 at 1:30 p.m.

### T and C meets in September

The Sept. 8 meeting of T and C Club was held in the home of Merle Lindsay. Receiving high scores in cards were Alta Baier and Edna Baier. Mabel Bergt was a guest.  
The Oct. 13 meeting will be at 2 p.m. in the home of Fran Nichols.

## Families meet for reunions

### Beyeler reunion

Descendants of Fritz and Veva Beyeler gathered in Cody, Wyo. during the Labor Day weekend for a family reunion.

All six of the Beyeler children were in attendance, including Mrs. Ruth Smith of Capitola, Calif., Mrs. Fern Kelley of Wayne, Mrs. Viola Curry and husband Cleone of Phoenix, Ariz., Kenneth Beyeler and wife Dotie of Cody, Wyo., Mrs. Dorothy Aurich and husband Arland of Winside, and Robert (Bob) Beyeler and wife Bev of Oregon.

It was the first time the children had been together since their mother's funeral in 1969.

Also present for the reunion were their families from Spring Hills, Kan.; Laramie and Cody, Wyo.; Belgrade, Mont.; Boardman, Ore.; Ft. Lewis, Wash.; and Norfolk.

The Ken Beyelers were in charge of arrangements, with all of the out-of-town families registered at the same motel.

Brothers and sisters gathered at the Ken Beyelers on Saturday, while

wedding ceremony read by Alan Wenstrand of Schaumburg, Ill. Nancy Wenstrand of Schaumburg sang "I Love You Truly," which was sung at the ceremony 25 years ago.  
Marlene Pennings of Sheldon, Iowa read a poem, entitled "On Your Anniversary," and the Rev. Charles Wahlstrom read a Bible verse.

**THE ANNIVERSARY** cake was baked by Sondra Matthes of Wakefield, and cut and served by Paula Nanos of Omaha.

Cheryl Van Klompenburg of Orange City, Iowa poured, and Clarence Van Klompenburg of Maurice, Iowa served punch.

Wenstrands were married Sept. 6, 1963.

## Gehners to mark 25th

Alvin and Linda Gehner of Wayne will celebrate their 25th wedding anniversary with a party beginning at 7 p.m. on Saturday, Sept. 17 at the Wayne Eagles Club.  
Their children are hosting the event and all friends and relatives are invited to attend. The couple request no gifts.

## The Morning Shopper

# One of first such publications in state

When the *Morning Shopper* began serving the merchants and people of Wayne and its rural routes, the publication was printed on a hand-fed, hand-powered mimeograph machine on sheets of 8½ x 14-inch. Believed by many to be the first publication of its kind in Nebraska, *The Morning Shopper* had a circulation of 1,335 with 900 copies delivered in-town and the rest on rural routes.

Born at the height of the Great Depression in 1932, when more businesses were failing than were succeeding, the fledgling publication struggled along until 1940 when a new electrically-powered mimeograph was purchased.

Type production in the early days was accomplished on a Vari-Typer machine using a small half-moon shaped piece, carrying a type-face along with all the punctuation marks and numerals to match, striking on carbon ribbon much as typewriters do. Different pieces were required for each different type face.

Carrier jobs were created using local children to deliver the *Shopper* four times weekly, on Tuesday,

Wednesday, Friday and Saturday mornings... hence the name "Morning" *Shopper*.

If more than one sheet was needed for the day's advertising, carriers helped fold and collate the sheets to form the paper. As the business grew, more pages were needed and a staff was kept on call to fold and collate for each printing.

As the number of customers and pages grew, a faster and more efficient printing method was needed. In 1950 the *Morning Shopper* bought an offset press, making the *Shopper* the first publication in northeast Nebraska to use this newer method of printing.

This step took the printing method from mechanical to photographic methods in one large jump.

Founders of the *Morning Shopper*, Max and Evelyn Hendrickson, retired Jan. 1, 1969.

Today, nearly 20 years later, the *Shopper* continues to serve northeast Nebraska with a 8,000-circulation distributed by its own 50-person car-

rier system to a dozen area towns and USPS on rural routes.

Printing is done on high-speed web-fed presses in *The Wayne Herald* central printing plant early each Wednesday morning and shortly thereafter delivery vehicles haul bundles of *Shoppers* to the carriers' homes.

The strike-on printing system has been replaced with a phototype setting machine that is now anticipating replacement by a state-of-the-art computer-operated laser printing system.

Thus, Max Hendrickson's idea in 1932 has come to bear substantial fruit over 56 years of service to Wayne and the surrounding community.

Today four persons are required to operate the *Shopper*: Cheryl Henschke, office manager and bookkeeper; Sandra Hillman, whose primary job is advertising sales; Joan Sperry, typesetting composition and paste-up; and Bill Richardson, manager.

# Trojans down Lyons

The Wakefield volleyball team was on the road Thursday evening, visiting the confines of Lyons High School. The hosts, entering the game with Wakefield without a win this season to date.

Wakefield proved to be ungracious visitors as Paul Eaton's team escaped with a two set victory by identical scores, 15-8, 15-8. The win was the Trojans second of the season in as many games.

Wakefield's junior varsity team didn't fare as well however, dropping a three set decision, 12-6, 11-13, 7-12. The freshman came out on top in two sets however, 12-6, 12-3.

One thing Eaton said his team was going to strive for entering the contest with Lyons, was getting above 90 percent in his serving category. Against Winside in the season opener, Wakefield was nearly 88 percent, but Eaton felt they could improve.

Improve they did as the Trojans came out and connected on 40 of 44 serves for 91 percent. Julie Greve and Cathi Larson were two reasons why as each was perfect from the service line with Greve nailing all 12 of her attempts and Larson all 11 of hers. Witt recorded six aces during her 11 attempts while Larson managed one less ace at five, than her teammate.

Karen Hallstrom and Jessica Robbins led the team in the spiking department with Hallstrom spiking 13 of her 15 attempts with two aces. Robbins was good on five of her nine spike attempts for two aces also. Julie Greve had eight spike attempts and was successful on six of them for one ace.

Karen Witt also enjoyed a very good night at setting and passing the ball. Witt was 25-26 in the setting category while teammate Cathi Larson was good on 20 of 24 sets. Larson was the leading passer for Eaton with a 23 for 24 performance.

"Overall we were pleased to go down to Lyons and come away with a victory," Eaton said. "We served better, we passed better and we played better defense."

Eaton was especially enlightened with his spikers since Sharon Wenstrand was slightly injured and didn't play on the front row.

Eaton's Trojans will now take part in the Winside tournament on Tuesday. The Trojans drew Winside as their first round foe at 5:30 p.m. The following game pits Coleridge against Osmond. The losers of the first two matches play at 7:30 for the consolation match, while the championship match is slated to begin immediately following the consolation match.

# Wakefield falls to top rated Coleridge, 13-0

Playing the number one team in D-2 is not a choice decision any coach would like to make. However, if it falls on the schedule the only thing you can do is play it.

That's the situation Wakefield head coach Dennis Wilbur found himself and his Trojan football team in Friday night. Wakefield traveled to Coleridge and battled the top ranked team hard, succumbing 13-0, with all of the scoring coming during the final five minutes of the contest.

"Our offense kind of sputtered," Wilbur said. "We came to play and we played well, in fact our defense played extremely good football, but our offense just sputtered."

Wilbur credited the Coleridge defense for playing a good game, but also felt his team just didn't capitalize on the six Bulldog turnovers that they were given.

"You're bound to make mistakes and have penalties in every game," Wilbur said. "The only thing is, our penalties and mistakes came at inopportune times."

passes for 53 yards and two interceptions.

Wakefield's secondary on the other hand, was not so generous to Coleridge either. Andy McQuistan intercepted Coleridge quarterback Jon Heilhold three times during the contest.

John Wriedt played an exceptional game on defense for Wilbur. Wriedt was in on 19 tackles while teammates Tony Halverson and Doug Roberts recorded 16 and 15 stops respectively. Mark Johnson was credited with eight total tackles while Scott Lund had seven. McQuistan recorded six total tackles along with the three interceptions.

"Coleridge earned every yard they got tonight," Wilbur said. Scott Lund led the offensive show with 54 yards on 12 carries. Tony Halverson followed with 17 yards on six carries. Kurt Boeckenhauer gained 34 yards on five carries. Quarterback Loofoe was sacked three times and had negative yardage on five plays. He ended up with a minus 17 yards on 12 carries.

Andy McQuistan was the leading receiver for Wakefield with 34 yards on two receptions.

Defense was definitely the storyline of this game. "Coleridge had only four plays the whole game, where they got more than 10 yards on us," Wilbur said. "One pass play, an 11 and 13 yard rush, and a 36 yard draw play that resulted in Coleridge's second and final touchdown with less than three minutes remaining in regulation."

Wakefield's offensive passing attack was more or less non-existent with Chris Loofoe completing only 4-18

# Harriers lose close meet

Four points separated the South Sioux cross country team from Wayne last Tuesday. The dual took place at the Wayne Country Club on the back nine.

The Blue Devils, losers of the 16-20 decision, had four of the top seven placers in the meet, but the highest finisher was third place finisher Rob Sweetland.

Sweetland ran the 3.1 mile course in 17:55, just two seconds ahead of teammate Shane Geiger. Chris Corbit and Todd Fuelberth finished sixth and seventh respectively for Rocky Ruhls' squad, with times of 19:03 and 19:04.

Scott Fuelberth was the only other Wayne athlete in the top ten with a 19:12 effort. Eric Cole and Martin Rump also ran on the varsity level.

"The dual was a lot closer than last year," head coach Ruhl stated. "I think the kids did a real good job of competing. I think this is a positive start for our squad and hopefully it will carry on throughout the year."

Ruhl pointed out that the team ran as a group, something they had lacked doing in 1987. As mentioned in an earlier article on Wayne Cross Country, this year's squad has three girls on it.

Since it takes four to count as a team, Wayne lost its girls portion of the dual even though freshman Tam-

my Geiger virtually ran away from the rest of the field.

Geiger covered the 2.5 mile course in 17:32, nearly 90 seconds ahead of runner up Marnie Bergstrom of South Sioux. Edith Janke and Sheri Wertman finished third and fourth respectively with times of 20:39 and 20:41.

In the boys junior varsity matchup, Wayne defeated their counterparts 14-20. South Sioux's Shane Denney captured the individual best time with an effort of 20:17. Wayne's Brian Lentz finished second with a 20:29 time.

Following Lentz came 11 successive Wayne runners. Aaron Wilson finished third with an effort of 20:33, while Ben Tierney brought in the fourth spot with a 20:37 time.

Mike DeNaeyer's 20:46 time was good enough for fifth place individually, and the fourth best time for the junior varsity scoring.

Others participating and placing for the Blue Devils were Dave Ostercamp, Troy Frey, Jason Johs, Ben Wilson, Chris Janke, Matt Ley, Kyle Dahl and Steve Dinsmore. These athletes finished sixth through twelfth place respectively.

Craig Sharpe was the other junior varsity runner who rounded out the athletes participating.

# Wayne defense holds Schuyler in check

By Kevin Peterson  
Sports Editor

Wayne quarterback Jess Zeiss dazzled the visiting Schuyler secondary as well as electrifying the home town crowd as Wayne thrashed traditionally sound Schuyler 26-7, Friday night.

Zeiss tossed four touchdown passes including three in the second quarter and junior split end Willy Gross, was the recipient of two of the three touchdowns in the second quarter and one additional touchdown in the third quarter.

The first quarter was relatively quiet for both teams as each team more or less felt each other out. Eric Liska and Rusty Hamer ran hard for the Blue and White but the big play of the scoreless first quarter came on the final play of the period.

Zeiss rolled out and avoided a heavy rush by Schuyler by heaving the ball down field to a wide Willy Gross who then rambled to the four yard line as time ran out.

The first score of the contest came just over two minutes into the second quarter as Zeiss found an open Eric Runestad in the endzone. Runestad made a great catch over the outstretched hands of a Schuyler defensive back.

Matt Bruggeman came on to kick the P.A.T., and Wayne found himself up by seven. The Blue Devil defense was nearly impenetrable after the kickoff following the touchdown. Schuyler was forced to punt and Wayne took over possession on the Schuyler 46 yard line.

Zeiss wasted little time as he went upstairs on the first play and found Willy Gross who rambled into the endzone for a quick 13-0 lead. Bruggeman was again successful on the P.A.T., and Wayne, with 7:46 left in the half, had a 14-0 lead.

**BLUE DEVIL Rusty Hamer receives the opening kickoff in Wayne's Friday night game with Schuyler. Wayne manhandled the visitors by a 26-7 score. Hamer finished the game as the leading rusher with 82 yards.**

The Blue Devil defense again held Schuyler in check, and after a punt Wayne had the ball once again. This time Wayne was facing a third down when Zeiss rolled out on what appeared to be a screen pass.

Zeiss tossed the ball about eight yards into the flat to an open Rusty Hamer who turned around to find nobody but blue shirted blockers in front of him. Hamer rambled 56 yards into the endzone on some nifty running and great reads on the blocks of his linemen.

The extra point attempt was no good, but with still 3:51 left until intermission, Wayne had a comfortable 20-0 lead.

Wayne held the Warriors from scoring and went into halftime up by 20. The Blue Devil defense held Schuyler to 20 yards rushing in the first half and 58 yards passing.

On the other side of the ball, Wayne had rushed the ball for 73 yards in the opening half while Zeiss was good for 153 yards passing.

Wayne kicked off to begin the second half and Schuyler drove the length of the field and scored on a fourth down and nine play from the Blue Devil 14 yard line.

"I was totally impressed with all our kids tonight on offense and defense," head coach Lonnie Ehrhardt said. "We still made some mistakes but the kids hung in there and did a beautiful job of blocking and running."

Ehrhardt had told his offensive line during the week that the game with Schuyler would be on their shoulders because of the Warriors size advantage on the lines.

Rusty Hamer led the offensive rushing attack with 82 yards on 12 carries. Eric Liska followed with 40 yards on nine carries before leaving the game with an ankle injury.

Greg Denaeayer carried the ball six times for 22 yards. Willy Gross was without a doubt the top receiver for Wayne. Gross hauled in three catches for 125 yards and a pair of touchdowns. Rusty Hamer caught two passes for one touchdown and 61 yards while Eric Runestad caught the one pass for four yards and a touchdown.

The Warriors looked good on their drive with the exception of using up 7:31 to score. The ball control offense they used hurt them more than it helped them.

The third quarter ended with no other scoring. In fact, Wayne only ran six offensive plays in the third quarter due to Schuyler's ball control offense.

In the fourth quarter Wayne was looking to ice the game in a ball controlled style of offense when they came upon a third down and 19 from the Schuyler 34 yard line.

Zeiss looking to roll out and pass saw his favorite target in Gross heading toward the goal line. Zeiss threw a perfect strike as Gross caught an over the head pass between two Schuyler defenders. Wayne failed to convert the P.A.T. attempt and then virtually shut down Schuyler again to seal the 26-7 victory, and a 2-0 start on the season.

The Blue Devils were unimpressed by the visitors however, and did a fine job of protecting Zeiss. Chris Lutt at center, Matt Bruggeman and Doug Larsen at guards and Neil Carnes and Todd Barner at tackles did a fantastic job of blocking.

In the second half Chris Wiseman replaced Carnes who left with an injury and the drop off to the second string was almost non-existent.

The unfolding story however, was Zeiss' expertise at the quarterback slot. The senior QB did a great job of rolling out and finding the open receivers on the run.

For the contest Zeiss rolled up some big numbers in completing 50 percent of his passes. His 6-12 was not nearly as impressive as his four touchdown passes and 190 yards passing.

Defensively the Blue Devils played outstanding. Chris Lutt and Willy Gross led the charge with nine tackles apiece. Kip Mau and Greg Denaeayer each recorded eight tackles while Dan Wiseman, playing in a reserve role, racked up seven stops. Eric Liska was in on six tackles while a plethora of others recorded four or five each.

Wayne outgained their counterparts by a total yardage count of 341-191. The Blue Devils will now concentrate on next week's game at South Sioux. The Cardinals were defeated by state rated Blair, 33-7 on Friday night.

# Winside defeated by number one Walthill

By Lee Koch  
Sports Correspondent

Approximately 150 Winside faithful followed head coach Randy Geiger and his Wildcats to Walthill Friday night, to take on the state's top ranked team in the Bluejays.

Walthill came out on top by a 42-26 margin, but Geiger's Cats hung tough. The big difference in the outcome may well come from the experience Walthill had over Winside. Most of Walthill's starting rotation consisted of two and three year starters at each position.

Winside on the other hand had only three players, Tim Jacobsen, Max Kant and Tim Volwiler, who had more than one year of playing time under their belt.

Tim Jacobsen got the fireworks started for the Wildcats on a 40-yard sprint out option play that tied the game at six. Geiger's squad found themselves in a catch up position at intermission trailing 28-6.

"We really didn't make any adjustments at halftime," Geiger said. "We just told the kids to keep a positive attitude and just go out and play hard."

The Wildcats responded by outscoring the top-ranked team 20-14

in the second half. Walthill incidently, jumped out to a 34-6 lead in the third quarter before Jacobsen scrambled for 26 yards for his second touchdown of the night.

Chris Nau got into the scoring column in the third quarter as well, scoring on a one yard plunge to draw the score to 34-20.

Nau also scored in the final period on a five yard run which ended the scoring at 42-26. "Winside is a much improved team from last year," Walthill head coach Scott Mutchelknaus said. "We struggled at times against them. This was not an easy win."

"I was pleased with the fortitude our kids showed in the second half," Geiger said. "Our young players and offensive line is improving each outing. We are maturing and we will get better."

Defensively, Winside was led by

Max Kant's 19 total tackles. Jacobsen added 13 and Jeff Gallop 11 to lead the Wildcats. Darrin Wacker was in on 10 stops. Jacobsen was 7-14 in passing for 74 yards while Nau led all rushers for Winside with 67 yards on 17 carries. Jacobsen had 65 yards and Kant had 45 yards on the ground.

## WSC spikers lack consistency

Inconsistency is often common to a team when a new coach takes a post. Currently, the Wayne State Volleyball team appears to be suffering from some of this particular inconsistency.

This past Wednesday, head coach Doug Feagan led a would be charged up group of Wayne State volleyball players into Rice Auditorium to host visiting Doane College out of Crete. Incidentally, Doane showed up to Rice Auditorium already having had ten matches under their belts.

Wayne State never appeared to be

really into the match as Doane swept past the Wildcats in straight sets, 6-15, 5-15, 2-15.

The Wildcat record fell to 3-2 on the young season as they prepared for a weekend rendezvous in Sioux Center, Iowa and the Dordt Tournament. The Tournament was to be an eight team affair with two separate pools and the teams playing round robin in each pool. Then the top two teams in each pool would come together for a single elimination tournament.

Wayne State's pool included such

teams as Northwestern, Grinnell, and the College of St. Mary. Meanwhile the other pool had colleges such as Dordt, Buena Vista, Warburg and Dana.

At any rate Feagan's team will be looking to gain some consistency. "I thought we played better against Hastings in losing in straight sets, then how we played against Doane," Feagan said.

"It just seemed like we weren't moving on defense, and on offense we weren't hitting smart shots. At times we even made their (Doane's)

blockers look better with our attempted shots through them," Feagan added.

Feagan also noted that his squad suffered from just standing around and waiting for things to happen, something Feagan feels his squad can't afford to do.

Meg Hurley finished the evening with a 17-19 effort with 11 kill spikes. Jones ended the night with a 12-14 attack and seven aces and three ace blocks.

Anneta Noe was the top setter for the Eagles at 26-29 and Noe was good for 10 assists. Carla Stapleton was good on 15 of 18 sets with three assists.

Marlene Uhing's Wayne volleyball team upped its record to 3-1 on the young season by defeating Schuyler on the road last Tuesday night, 15-2, 5-15, 15-3.

The game was marred with inconsistency as Wayne dominated the first set with good serving, hustle and floor communication. In the second set however, Wayne did not do the same things that made them successful in the opening set.

Subsequently, the Blue Devils were defeated soundly in the second set 5-15. "We were actually lucky to escape Schuyler with the victory," Uhing said. "Usually when you let a team back in it during the second set, they're pumped up for the final set and the confidence is on their side, especially when the match is on their home court."

The Blue Devils reverted to first set form during the rubber set and came out with a 12 point decisive victory.

As mentioned in an earlier story on keeping stats for the Blue Devil volleyball squad this season, Uhing has devised a new method which tells the reader just exactly how well individuals played.

In the service receive category, Julie Wessel led the Blue Devils with a perfect 1000 percent efficiency. Wessel had nine serves directed to her where she successfully turned all of them into passes to the setter.

Teresa Ellis and Kristy Hansen had percentages of .625 and .600 respectively in the same category. Robin Luff led the team in the attacks with a .571 percentage of kills. Luff had four kills in seven attempts and no errors. Dana Nelson

and Robin Luff tied for the team high of three digs while Karmyn Koenig led the team with six blocks.

Koenig also led the team in serve-ace percentage with a .444. Koenig served the ball nine times and had four aces. Kristy Hansen and Teresa Ellis followed with .210 and .180 serve-ace percentages.

Ellis and Hansen, the teams top two setters, combined for ten kill sets or "assists" out of 51 attempts. Uhing noted that this particular statistic can indicate the strength of the offensive attack.

The following is a breakdown of Uhing's conversions which is how all statistics will be kept for the Blue Devils.

**Serve Receive:** You take the total number of good serves and divide it by total attempts.

**Attack:** K is equal to a "kill." E is equal to an "error." Kills subtract errors and divided by total attempts is the equation Uhing uses to determine her attackers output.

**Digs:** You get credit for a dig when someone else is still able to play the ball.

**Serving:** SA is equal to service aces while SE is the equivalent of service errors. To get service efficiency you take the service aces and subtract 1/2 of the service errors. To get serve-ace percentage you take total number of aces divided by total attempts. This is used to tell Uhing how consistent her servers are and if there are a lot of errors.

**Setters:** An assist for a setter is a set which results in a kill spike. Uhing's formula for determining the output of a setter is taking the assists and dividing by the total attempted sets.

## Eagle volleyball team downed at home

The Allen Eagles hosted the Coleridge Bulldogs in volleyball action on Thursday night. The Eagles, fresh from their tournament victory the previous weekend at Pender were looking to improve upon an already unblemished mark at 3-0.

Coleridge however, had other ideas in mind and they handed the Eagles their initial loss of the season in straight sets, 15-12, 18-16.

"It was a great volleyball game to watch this early into the season,"

head coach Gary Troth said. "We're definitely not ashamed to lose a match when we play as well as I thought we did."

Troth was however, not talking about the Eagle serving as being great. "We missed fourteen serves," Troth said. "That is way below the 90 percent mark where we usually aim for."

Troth felt his squad squandered several chances in winning the first

set. "We held an 8-4 advantage in the first set but we couldn't hold on to it," Troth said.

Allen had its chances to win the second set as well. The Eagles held a 16-15 lead before letting Coleridge score the next three points in a row.

The junior varsity team also lost, but in three sets, 14-16, 15-13, 15-4. The freshman squad won its match in straight sets with scores of 11-8 and 11-5.

1ST PLACE \$50 FOOTBALL BUCKS  
2ND PLACE \$20 FOOTBALL BUCKS

**CONTEST RULES**  
One football game has been placed in each of the ads on this page. Indicate the winner by writing in the name of the winning team on the proper line on the entry blank. No scores. Just pick the winners, or ties. In case of tie, write "tie." Use the entry blank below or a copy of equal size.  
Write in your guess of the total number of yards gained by both teams in the game of the week. This will only be used in case of a tie. The person that comes closest to the total number of yards without going over will be the winner.  
One entry only to each contestant, but members of a family may each submit an entry. Entries should be brought or mailed to The Wayne Herald office not later than 5 p.m. Friday, or if mailed, should not be postmarked later than 5 p.m. Friday. You need not be a subscriber of the Herald to be eligible for prizes.  
The Winners will be announced weekly on the Thursday sports page of The Wayne Herald. Employees of the Herald and their immediate families are ineligible. Judges' decisions will be final in every case.

# Winside falls to 0-3

First year head coach Paul Giesselmann is finding out just how tough it is to win with no letterwinners on the floor for his Winside volleyball team.

Thursday night, Winside traveled to Laurel to take on Carol Mangano's Lady Bears. Winside had yet to play a match during the young season that went three sets.

There was no exception at Laurel. The Bears defeated Winside in straight sets, 15-7, 15-9. Giesselmann however, noticed the improvement of his players from the previous game against Osmond.

"It would have been easy for the girls to come out against Laurel and be totally flat," Giesselmann said. "After the performance against Osmond just two days earlier where we suffered a complete breakdown and scored only five points in the whole match, I thought the girls showed great resiliency against Laurel."

Giesselmann noted he thought the improvement was 100 percent in the serving category. "We have to start somewhere," Giesselmann said. "We were 92 percent from the service line at Laurel. That is a big improvement over our previous match."

Tinia Hartmann was 8-8 in the serving department as was Lisa Janke. Wendy Boldt went 6-6 as did Shannon Holdorf.

"We missed only three serves all night," Giesselmann said. "When you consider that two of the three were missed by our starting freshman Jenny Jacobsen, it's understandable."

"There isn't one girl out on the floor playing for us that lettered last season," Giesselmann noted. "The amount of determination and hustle they are showing against good teams like Wakefield and Winside can only help down the road."

Christina Bloomfield led the Wildcats in spiking with an 8-11 performance with three aces. Wendy Boldt followed with a 5-7 effort and four aces.

Tinia Hartmann was 23-27 in setting while Bloomfield yielded one block to lead the squad there.

"I know that we scored at least five points on sheer hustle," Giesselmann said. "It's easy for a coach to come

out and say that the attitudes on the team are good, especially when they are 3-0 as a team. We are 0-3 right now and our girls' attitudes have not changed since the beginning of our first practices. They are giving 100 percent effort at all times and sooner or later it will pay off."

# Eagles fly past Wausa

Mike Busselman's goal when he took over the helm of the Allen Eagle football team was to turn a program which had seemingly forgotten how to win, and to turn the attitudes of the kids into a winning spirit.

Busselman's desire and motivation was prevalent in Allen's first game of the season and with the exception of some personal foul penalties, Allen virtually won the game with Wynot except on the score which read, Wynot 20, Allen 16.

This past Friday the Eagles once again entertained thoughts in their head that they could come out on top of visiting Wausa if they played without mistakes.

The Eagles came into the contest with a 16 game losing skid which Busselman and company were looking to put to sleep.

The Eagles came out and fought hard for the whole 48 minutes and finally, as the fourth quarter neared the end, there was little doubt as to who would win the game. Allen scored 20 points in the third quarter to build a 33-6 lead which would never be challenged and won the game 33-12.

"Last week we got to feel what it was like to get ahead in a game," Busselman said. "This week we got to know what it feels like to win a game again." For the fans of Allen, who for the most part have been patient through the whole ordeal of the losing skid, the win eased a lot of bad memories.

Kent Chase, celebrating his birthday, rattled the Wausa defense for 137 yards on 20 carries and two touchdowns. Quarterback Matt Hingst was 5-7 in the passing department for 43 yards and two touchdowns.

Shane Dahl was the recipient of one, a 22 yard strike in the third quarter, while Todd Hohenstein was the recipient of the other, a one yard pass also in the third quarter.

There was no scoring in the first quarter, but Chase ended the silence early in the second period on a 16 yard scamper. The P.A.T. was no good and Allen had jumped out in front for the second time in two weeks.

Wausa answered with a touchdown of their own, and after missing their point after conversion, the score was knotted at six. Chase scored his se-

cond touchdown of the quarter on a one yard plunge. Matt Hingst kicked the point after for a 13-6 lead heading into intermission.

Allen elected to receive the second half kickoff and it proved to be the achilles heel for the visitors from Wausa. Shane Dahl caught the ball on his own 15 and rumbled 65 yards to paydirt to give Allen a 19-6 lead.

Dahl scored his second touchdown of the quarter when Hingst connected with him on the 22 yard strike. Chase ran for the two, two point conversion. Todd Hohenstein got into the scoring action as he caught a one yard pass from Hingst, also in the third quarter, which gave the Eagles the 33-6 lead.

Allen failed to score in the game's final quarter but it didn't much matter as they held Wausa to just one additional touchdown to give them 12 points.

Busselman credited Shane Dahl, Kent Chase, Rusty Dickens and Kevin Crogrove as playing outstanding defense allowing Wausa only 57 yards rushing on 42 carries. The visitors could only muster 53 yards passing on 5-11. Incidentally, Kevin Crogrove picked off his second pass of the season.

# Linksters defeat Norfolk

The Wayne Lady Linkster took to the Wayne Country Club against Norfolk last Thursday afternoon, and when all was said and done, Wayne had escaped with a two-stroke victory, 194-196.

Wayne's foursome of Holly Paige, Ann Perry, Jill Jordan and Cher Reeg combined for the victory over Norfolk's foursome of Traci Hodge, Jill Sekutera, Melissa Becker and Jami Garden.

Medalist honors went to Wayne's Holly Paige who carded a 45. Norfolk's Hodge earned runner-up honors in a tie with Wayne's Ann Perry with 47 each while Jill Jordan fired a 49. Reeg rounded out the Wayne Blue Devil scoring with a 53. Trudy Pfanz is the fifth member of the team but her score failed to beat the other four.

"I'm very satisfied with this showing so early in the year," head coach Dick Metfeer said. Paige, Perry and Jordan are the tri-captains for our team this year and they proved to be the leaders."

Metfeer pointed out that good senior leadership is important to the team's success.

# Victory slips past Laurel

Laurel-Concord's opportunity to tie — or win — Friday night's game against Crofton slipped out of their hands on two critical fumbles.

Crofton capitalized on an official's ruled fumble call late in the fourth quarter and scored the winning touchdown as they defeated the Bears by a 12-6 margin.

The Bears, with under 1½ minutes left in the game, had blocked a field goal attempt by Crofton which, if made, would have broken a 6-6 deadlock. When Laurel gained possession on their own 26 yard line, their first play resulted in a loss of yardage to the 20 yard line.

On the next play, Bear quarterback Doug Manz rolled to his left and was about to throw a pass when he was hit hard by a Crofton defender. The ball squirted loose and the officials ruled that it was not a forward pass, but a fumble that was recovered by Crofton on the 12 yard line.

A run by Warrior Perry McElhose got the ball to the six yard line and

with 28 seconds left in the game, quarterback Scott Eich hit Scott Mines right at the goal line to pull ahead of Laurel for good.

Laurel got a good kick-off runback by Chad VanCleave, but it was nullified on an illegal block which pinned the Bears deep in their own territory. A last second pass by the Bears fell incomplete.

A fumble also hurt the Bears in the second quarter. The Bears got down to Crofton's two yard line, after starting on their own 44 yard line. But a Crofton defender knocked the ball loose from VanCleave as he crossed the endzone and it was recovered by the Warriors.

In that drive, VanCleave rushed 40 yards on seven carries and Troy Twohig carried four times for 15 yards.

Crofton got on the scoreboard after recovering another Laurel fumble on the Bear 47 yard line. A long run and a facemask penalty against Laurel

helped the Warriors gain a 6-0 advantage over the Bears before halftime.

Laurel put together a 72 yard touchdown drive late in the third quarter. Twohig picked up 12 yards to the Bear 40. Two plays later, a defensive pass interference call put the nose of the football on the Crofton 45 yard line.

VanCleave picked up eight yards and Manz, three yards to pick up the first down at the Warrior 34. After losing ground the next two plays, putting them back at the 40, Manz tossed a third down 16 yard strike to Bruce Haisch. On the fourth down play, VanCleave picked up four yards and nine more yards on his next two carries to put the ball on the seven yard line.

Two plays later, Twohig rammed through for a four yard touchdown run, making the score 6-6.

The extra point running try failed. Laurel will try and bounce back from the setback against Crofton by picking up a homecoming win Friday night against Ponca.

LAUREL'S DOUG MANZ gets off a pass while in the clutches of two Crofton defenders.

## Meet your WAYNE HERALD Marketer carrier

**Aaron Geiger**

Twelve year old Aaron Geiger, son of Donna and Jim Uehling of 614 North Pearl, is the Wayne Herald and Marketer carrier in the southeast section of Wayne.

He carries 47 Herald's and Marketers. His phone number is 375-4681. He started as a carrier in September of 1987.

Aaron is a seventh grader in the Wayne-Carroll schools. His favorite classes include science and social studies.

Some of his favorite extracurricular school activities include art, football, basketball and track. Things on his favorites list (for non-school activities) are running and swimming.

He took on the job of carrier to "be more familiar to the areas of town." He hopes to save enough money to buy a Nintendo system.

Among his goals in life is "to be a computer expert."

"If you like walking, this is a job for you," he said in regard to being a carrier.

Appreciated column

I read with great interest, Chuck's "Hacken' Away" column in last Thursday's paper regarding his grandmother and the forthcoming Grandparents Day on Sunday, Sept. 11.

It was beautifully written and I'm sure many other than myself have missed the regularity of this column. In any case, we wholeheartedly encourage an overabundance of visitors by grandchildren to the Care Centre to visit grandparents. How our residents look forward to those visits.

And if you don't have a grandparent there and they are many, many miles away, send a card, flowers or call and then visit someone at the Care Centre anyway. You'll leave the better person for it. Thanks again, Chuck!

Wayne Care Centre

Thanks Chamber

Dear Chamber of Commerce members:

On behalf of the Wayne State College students, I would like to thank you for hosting the Welcome Back Dance on Sept. 1. I would also like to thank those businesses which donated prizes and provided food and beverages. The dance was a great success and was enjoyed by many students.

We truly appreciate the interest the community has taken in Wayne State College and the efforts to welcome us into the community.

# WSC announces new faculty appointments

Wayne State College has announced its new faculty appointments for the 1988-89 school year.

The HPERA Division (Health Physical Education Recreation and Athletics) has four new instructors, including two new head coaches.

Elizabeth O'Brien, women's head basketball coach, comes to Wayne State from Wayne State University in Detroit, Mich., where she earned her bachelor's degree in recreation in 1985. She is the school's all-time leading scorer and rebounder in women's basketball.

Doug Feagan will be taking over the head volleyball and softball coaching duties vacated by Marilyn

Strate. Feagan obtained his bachelor of arts degree in business administration in 1981 from Bellevue College.

The third new HPERA instructor is Keith Goetz. Goetz, the new athletic trainer, is from Walker, Kan. He earned his bachelor's and master's degrees from Fort Hays State University in Hays, Kan.

Arnold White, social professor of exercise and science, will be teaching such classes as Kinesiology, Anatomy, and Introduction to Physiology. He earned his master's degree from the University of Georgia in 1974 and his bachelor's degree from Mercer University in Macon, Ga., in 1963.

Wayne State's Humanities Division also has four new faculty members.

Maureen Carrigan receives control of the college television station, KWSC-TV. She obtained her bachelor of arts degree in Communication Arts and Sciences from Queens College-City University of New York in 1987, and her master of fine arts degree in television production from Brooklyn College in 1988.

The college newspaper, the Wayne Stater, has a new adviser, Dr. Luigi Manca. Manca, who will be teaching journalism classes, obtained his doctorate of philosophy from the University of Rome in 1972, and his Ph.D. from the University of Iowa in 1981.

Teaching conversation and grammar courses will be Jeanne Strauss. Strauss comes to Wayne State from Bartlesville, Okla., where she worked as a multilingual technical translator/interpreter for the Phillips Petroleum Company. She has degrees from the University of Wisconsin, Loyola University, and Roosevelt University in Chicago.

The fourth new faculty member of the Humanities Division is Dr. Janet Gilligan from Clinton, New York. Gilligan has a bachelor of science degree in education from Saint Mary of the Woods College in Indiana, a master's degree in English and a Ph.D. from Northern Illinois University.

Two new faculty have been assigned to the Fine Arts Division at Wayne State.

Dr. Beverly Soll, who has degrees from Louisiana Tech University, the University of Illinois, and the University of Maryland, will be teaching music classes. Her last employment was at George Mason University in Fairfax, Va.

Vic Reynolds will be teaching graphic design and other art related classes. Reynolds earned his bachelor's and master's of fine arts degrees from the University of Idaho.

EDITOR'S NOTE: Names of remaining new faculty members will appear in the Sept. 14 edition of The Wayne Herald.

Kecia Corbit

## Corbit gets scholarship

Kecia Corbit of Wayne, a sophomore at the University of Nebraska-Lincoln and a 1987 graduate of Wayne-Carroll High School, has received the Georgia Ann McQuistan Memorial Scholarship.

Georgia McQuistan was an employee of Educational Service Unit One from September, 1978 through January, 1987. She served as an outstanding resource teacher and coordinator.

The recipient of the memorial scholarship must be from Dakota, Dixon, Knox, Cedar, Thurston or Wayne Counties. The recipient must also demonstrate potential for a successful career as a teacher in special education.

Craig Evans

CRAIG EVANS of Winside won the 4-H small engines contest Sept. 3 at the 1988 Nebraska State Fair. Craig, 18, is the son of Dennis and Gloria Evans. It was the second year he had entered the state fair small engines contest. Craig is eligible to represent Nebraska in the Western Regional Engineering Contest to be held later this month at Ak-Sar-Ben Field in Omaha.

Deadline for entries in the local competition is Nov. 15, 1988. Eddie Baier said 13 young people from Wayne and Winside participated in last year's Voice of Democracy

## Open to area students

# Voice of Democracy entries encouraged

"Preparing for America's Future" is the theme of the 42nd annual Voice of Democracy scriptwriting program being sponsored locally by V.F.W. Post 5291 and the Ladies Auxiliary.

The Voice of Democracy Scholarship Program, open to 10th, 11th and 12th grade students, offers local, district and national recognition and awards with the top national award being a \$16,000 scholarship. Commander Wayne Denklaue and President Cleve Willers urges students interested in participating to contact Mr. and Mrs. Eddie Baier at 375-1662.

Participating students are encouraged to tape their scripts using professional equipment available at cooperating radio stations. The recorded script must be at least three minutes and not over five minutes in length. It can be recorded on reel type magnetic tape at a speed of 7 1/2 inches per second or cassette.

Deadline for entries in the local competition is Nov. 15, 1988. Eddie Baier said 13 young people from Wayne and Winside participated in last year's Voice of Democracy

Scholarship Program. They were among 300,000 young people from over 8,000 public, private and parochial schools participating in the national program.

Tapes will be judged for content, originality and delivery. The winner from the State of Nebraska will receive a five day all-expense paid trip to Washington, D.C., next March together with winners from Europe, the District of Columbia, Pacific Areas and the 50 states. They will visit national monuments and meet high government officials. National awards in addition to the \$16,000 scholarships for second through ninth place winners, total \$42,500.

The program now in its 42nd year, is sponsored by the Veterans of Foreign Wars of the United States and its Ladies Auxiliary.

"Participation in the Voice of Democracy Program gives students experience in writing and speaking," said Eddie Baier. "It gives them a chance to reflect on our nation and its meaning for them."

# Gaining Social Security numbers for newborns

The Tax Reform Act of 1986 requires a taxpayer to list the taxpayer identification number, which is usually a Social Security number, for any dependent age five or older who is listed on a tax return. Now the Social Security Administration is developing a program to make it easier for parents to obtain Social Security numbers for their children.

The Social Security Administration is establishing a new service which will allow a parent to request a Social Security number for a new baby at the same time that birth registration data is obtained by the hospital and sent to the State Vital Statistics Office.

When the parents complete the State birth registration form, they will be able to indicate that they want a Social Security card for their child. Because all of the information required by the Social Security Administration is contained on the form, that agency can automatically assign a number and issue the card. The card will be mailed to the parents within a few weeks.

Approximately six million Social

Security numbers are issued each year -- and most of them to children. This new system is intended to eliminate a time-consuming application process.

### New Law Requires Timely Access to Deposits

A new Federal law which guarantees customers of banks, credit unions and savings and loan associations timely access to the money they have deposited by check took effect last week. Congress passed the law last year in response to complaints from bank customers, most from urban areas on the East and West Coast, who complained about lost interest and inconvenience because some financial institutions were putting two-week holds on funds deposited by check.

The new law, now in effect, provides that:

Local checks written on a financial institution in the same metropolitan area or within the same Federal Reserve check-processing region must be available within three business days.

Funds on nonlocal checks can be

Cong. Doug Bereuter

held for as long as seven days after deposit.

Funds from cashier's checks, certified checks and government checks must be made available for withdrawal by 9 a.m. on the next business day after deposit.

Checks deposited through automatic teller machines after 2 p.m. won't be considered received until the next business day.

By Sept. 1, 1990, the hold period will shrink to two days for local checks and five days for nonlocal checks.

### SCRIBNER LEVEE

As a result of a planning study authorized by the Corps of Engineers nearly 10 years ago, a levee project on the Pebble Creek near Scribner has been designed and funding appropriated. This past month bids were reviewed, with the low bid of \$1,004,542.00 being submitted by Idacker Construction Company of Mound City, Missouri. Construction is scheduled to begin around the first part of October, and will be completed within one year.

Funding of the 3.6 miles of dike will come from various agencies. The Corps of Engineers will provide 75 of the funds; the Nebraska Natural Resources Commission will provide \$266,000.00 through the Resources Development Fund; and the Lower Elkhorn NRD and the City of Scribner will split the remaining costs.

The Scribner Levee will reduce flood damage from the Pebble Creek by 74%, and protect the 1100 citizens of Scribner, as well as 50 retail trade establishments. Documentation dating back to 1884 shows that this area has experienced many floods with major damage to farmland, homes and businesses. The most extensive damage, \$3.9 million, was reported in 1984. Further benefits of the flood protection project include providing a rezoning of the flood plain, creating expansion of industrial sites, and the protection of roads, bridges and utilities.

### LOGAN-EAST RURAL WATER DISTRICT

The Lower Elkhorn NRD is studying the feasibility of establishing a rural water district within the counties of Burt, western Washington and Dodge. It is estimated that there will be a total of 330 users in the Logan-East Rural Water District. Approximate initial hookup cost is \$300-\$400 if you sign up prior to construction. The cost of becoming a user after construction is completed is estimated at \$800. Signups will be accepted through Sept. 13.

If you are interested in receiving more information, please contact Richard Seymour, Lower Elkhorn NRD, 371-7313, or Elden Wesley, RR Oakland, 685-9956.

### TREES

The Lower Elkhorn NRD will again be offering Clarke-McNary seedlings this year to be used for windbreaks, woodlots, erosion control, and wildlife or Christmas tree plantings. The cost of trees will be \$.35 per tree and may be ordered in multiples of 25. There is cost-share available for trees planted on CRP acres. Also, some county ASCS offices offer cost-share on the establishment of farmstead windbreaks.

Trees have a most significant effect on our lives. They protect us from the summer heat, reducing cooling costs by as much as 50%; and slow the cold winter winds, reducing heating costs by 15%. A well established windbreak acts as a living snow fence, muffles noise, protects livestock, and can actually boost crop yields. Besides being very practical, they provide habitat for wildlife and enhance our lives with their beauty.

We have been informed by the nursery that there will be a shortage of some species this year, so it is important to place your order early. You may place your order by contacting your local Soil Conservation Service Office.

### WILLOW CREEK LAKE BANK RENOVATION

Showing bank erosion due to excessive wave and wind action, which caused the banks to be undermined and cave into the lake. It was estimated that an average of 15 feet of original bank has been lost. Besides the hazard of eroding shoreline, the erosion adversely affects the quality of the lake water and destroys fish and wildlife habitat.

Renovation of 1000 feet of the south bank of Willow Creek Lake consisted of laying 1132 square yards of filter cloth, topping the cloth with 168 tons of bedding material (gravel), and finally 537 tons of Sioux Quartzite. Work on this project was completed by Draeger Construction of Pierce with Sid Haakensted of Norfolk as the engineer. The total renovation cost being paid by the Lower Elkhorn Natural Resources District is \$20,000. Because of dry weather conditions, the lake is down 2-3 feet. Under normal conditions the waterline would be up to the rock. The rock will protect the shoreline from being undermined and washed into the lake.

**WAYNE COUNTY BOARD PROCEEDINGS**  
 Wayne, Nebraska  
 September 6, 1988

A Public Hearing was held at 11 a.m. on Tuesday, September 6, 1988, in the Wayne County Commissioners' meeting room at the Courthouse.

Present at the meeting were Merlin Beiermann, Chairman of the Board; Robert Nissen and Jerry Pospisil, Board Members and Orretta C. Morris, County Clerk.  
 The purpose of the hearing was to create a Federal Forfeiture Fund and a County Drug Law Enforcement Fund, as required by federal law.

The following Resolution was adopted on motion by Nissen and seconded by Pospisil: WHEREAS, federal law requires that a Federal Forfeiture Fund be established to receive monies from the federal government arising from the sale of confiscated property involved in federal drug enforcement prosecutions; and WHEREAS, Section 28-1439.02 of the Nebraska Statutes requires the creation of a County Drug Law Enforcement Fund to receive the net proceeds from the sale of property ordered sold and any money forfeited pursuant to Section 28-431 of the Nebraska Statutes.

**NOW, THEREFORE, BE IT RESOLVED** by the Board of Commissioners of Wayne County, Nebraska, that for the fiscal year ending June 30, 1989, there are hereby created a Federal Forfeiture Fund (Fund Code No. 2410) and a County Drug Law Enforcement Fund (Fund Code No. 2360) to be administered in accordance with the applicable laws pertaining thereto. Roll call vote: Nissen-Aye; Pospisil-Aye; Beiermann-Aye. No Nays.  
 On motion by Pospisil and seconded by Nissen, the hearing was adjourned. Roll call is as follows: Pospisil-Aye; Nissen-Aye; Beiermann-Aye. No Nays.

Advance notice of this hearing was published in the Wayne Herald, a legal newspaper, on August 29, 1988.  
 Orretta C. Morris, County Clerk
