Special workshop

Parents of young children or early teenagers will be invited to a special workshop in Wayne on Sunday, Sept. 18 that is aimed toward fighting abuse of alcohol and other drugs among the country's youth.

The program, through AAL, is called "Get Involved Before Your Kids Do." Sponsoring the 2½ workshop at Grace Lutheran Church in Wayne will be AAL Branch 1470. The workshop begins at 7 p.m. and is primarily for parents of children ages nine through 14.

However, all parents in the community are invited to the workshop, which includes a videotape presentation along with group discussion and take-home activities for parents to use with their children.

Area coordinators say that the project "is an excellent workshop and very worthwhile."

Band Day

Saturday (Sept. 17) is Band Day in Wayne. Eighteen bands full of northeast Nebraska junior-high, high school and college talent, will be marching through Wayne and at Memorial Stadium during the Wayne State College Band Day event.

The downtown parade begins at 10:30 a.m. The bands will also perform at the 1:30 p.m. Wayne State-Baker University football game.

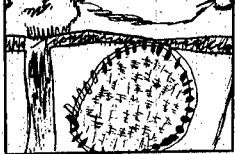

Area school bands participating, besides Wayne State, Wayne Middle School and Wayne High School, include Humphrey, Walthill, Newcastle, Bancroft-Rosalie, Beemer, Butler, Winside, Hartington, Laurel-Concord, Homer, Newman Grove, Wakefield, Logan-Magnolia, Emerson-Hubbard and Ponca.

Complete loss

The Winside Volunteer Fire Department responded to a fire at the Dan Westerhaus farm ½ mile east of Winside Friday morning. A corn crib was completely engulfed in flames when they arrived. The Carroll Volunteer Fire Department was called for assistance.

The fire destroyed the corn crib in addition to its contents that included a tractor, two cars, several lawn mowers and a boat.

It was speculated that the fire was ignited from sparks in a burning trash barrel. High winds blew the sparks the road to land owned by Werner Mann, who lost three round hay bales.

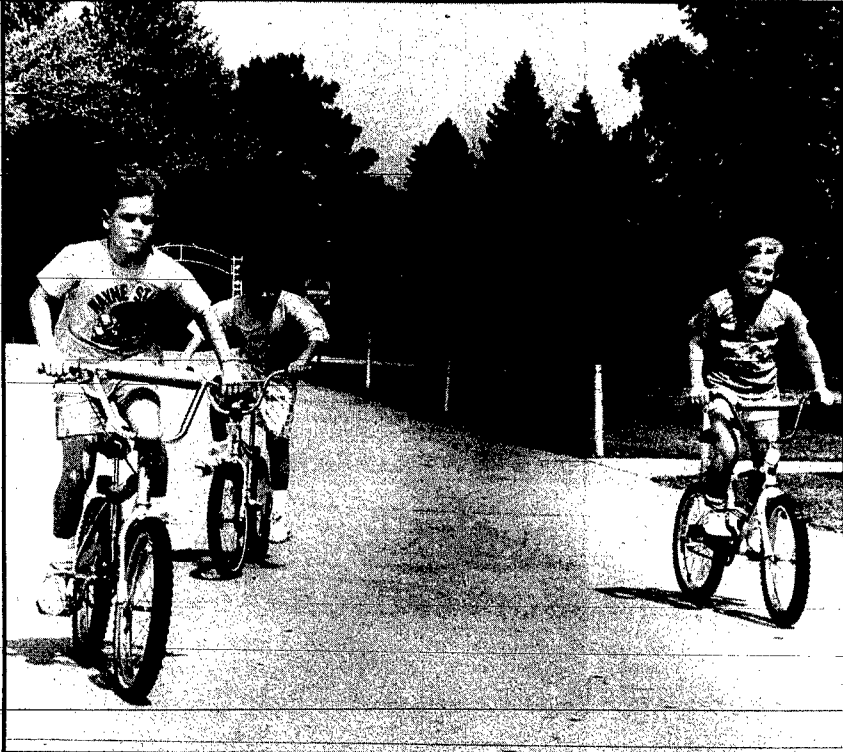

Newspaper sale

The Cornhusker Shrine Club will be conducting a newspaper sale at 7th and Main and 2nd and Main in Wayne on Thursday from 6:30 to 8 p.m. Proceeds from these sales go to the Shrine Transportation Fund for transporting children to and from the Shrine Hospitals.

Extended Weather Forecast: Friday, chance of showers; Saturday and Sunday, partly cloudy; highs, 80 to 85; lows, 50 to 55.

Statistics provided by weather observer Pat Gross.

Away they go

FIVE YOUNGSTERS participated in the St. Jude Bike-A-Thon Sunday at the Wayne-Carroll High School parking lot. Three of the riders were, from left, Chris Davis, Matt Chapman and Terry Hamer. The riders will continue to collect pledges this week and the final tally for the amount raised will be announced soon. Funds go to the St. Jude's Children Hospital and for cancer research.

Resolutions passed regarding Timpte-Great Dane transaction

By Chuck Hackenmiller
Managing Editor

Timpte, Inc. of Wayne and Great Dane Trailers, Inc. of Savannah, Georgia are nearing the "finalizing stage" involving the sale of the Timpte refrigerated trailer manufacturing facility.

Harvey Granger, president of Great Dane, said Tuesday evening it could be sometime next week when the sale of the Timpte company to Great Dane will be finalized. The announcement of the preliminary agreement on the sale was made Aug. 30.

Granger and Timpte, Inc. President Jim Remick appeared at the Tuesday evening regular meeting of the Wayne City Council. On the city council agenda were resolutions relating to the transfer of ownership between Timpte, Inc. and Great Dane.

One resolution passed by the council gave city approval on the sale of Timpte to Great Dane.

ANOTHER RESOLUTION passed was that the city approves the assignment by Timpte to Great Dane "of all of Timpte's rights, liabilities and obligations" under the Agreement made June 18, 1985 between the city and Timpte.

This Agreement contained, among other things, provisions with respect to annexation, electrical utility rate, the \$500,000 Community Development Block Grant loan and the job training grant.

The resolution states that Great Dane assumes, convenants and "agrees to fully, completely and timely perform, comply with and discharge the payment obligations of Timpte."

The city of Wayne had also issued its support toward assisting Timpte in obtaining \$8,065,000 Industrial Development Revenue Bonds. At Tuesday's meeting, the city approved the assignment by Timpte, to Great Dane, of the Industrial Development Revenue Bonds.

This releases Timpte from all agreements, convenants, obligations, duties and liabilities — providing approval of the sale by the trustee under the bond documents and also the bank (First Tier Bank National Association of Lincoln, Nebraska).

GRANGER told city council members Great Dane "was very pleased to be in Wayne." He said the company was impressed with the facility, the people and the product being produced.

Board looks into new reorganization law

By Chuck Hackenmiller
Managing Editor

Serving on the new Wayne County School Reorganization Committee was one of several agenda topics discussed Tuesday evening by the Wayne-Carroll Board of Education.

A general meeting of all Wayne County school board members is scheduled for Tuesday, Oct. 4, at 8 p.m. in the courtroom of the Wayne County Courthouse.

Purpose of the meeting is to elect, from each board's membership or someone in the board's district, individual(s) for developing school reorganization plans.

The law states that one board member from a Class I school and one board member from a Class III school must be elected to the county committee, voted into the position by members of their respective classes.

SELECTION of the remaining committee members (which will consist of seven to 12 individuals) will be proportionate to the total school census of children 0-21 years of age.

Using this formula, Wayne County will have a committee of nine members that will include two Class I representatives; six Class III members; and the county superintendent (a non-voting member).

It will be the duties of the state reorganization committee to initiate, set up and recommend to the county committee plans and procedures for the reorganization of school districts within the various counties.

The county committee will consider the state committee plans and procedures, and give its approval or

disapproval of the plan for reorganization of school districts in the county. Such plan for reorganization is to be submitted to the state committee before Jan. 1, 1990.

Wayne-Carroll board members voiced their intentions to attend the Oct. 4 meeting.

ALSO TUESDAY, the board of education gave the go-ahead to a request allowing the Wayne Area Chamber of Commerce to erect a "Welcome To Wayne" sign on school property. Approval was given subject to review by the school district's attorney, Ken Olds.

It will be located immediately west of the high school, close to the house owned by Region IV along Highway 35.

The sign will be of brick and mortar construction and will measure approximately 10 feet in width, six feet in height. The structure will be landscaped and indirect lighted at night. And it will be designed for minimal maintenance and long-term service to the Wayne community, according to Sam Schroder, president of the Wayne Area Chamber of Commerce. A variance, to allow the erection of this sign in the residential zoned area, must be obtained from the Wayne City Board of Adjustment.

THE BOARD of education also: — Reviewed a proposed board policy regarding corporal punishment. It states that corporal punishment is hereby prohibited in the Wayne-Carroll School District. Nothing in the policy, however, shall be construed to prevent the reasonable use

Equalization Board approves new tax rates

By Chuck Hackenmiller
Managing Editor

Tax rates approved Tuesday afternoon by the Board of Equalization reveal increases in the levy for both and the Wayne-Carroll School District and the City of Wayne, while a decrease in the tax rate is in store for the Wayne County subdivision.

The Wayne County Board of Equalization consists of the three county commissioners (Merlin Beiermann, Bob Nissen and Gerald Pospishil). A motion to approve the 1988-89 tax rates was passed by Beiermann and Nissen. Pospishil was unable to attend the meeting until later in the afternoon.

Wayne County's tax rate was established at .4383 per \$100 valuation, a decrease of 1.4 percent over 1987-88. A tax rate of .6990 per \$100 valuation has been approved for the city of Wayne, an increase of 2.9 percent. The tax rate for the Wayne-Carroll School District, including the sinking fund, was 1.4913 per \$100 valuation, up 8.1 percent over the previous fiscal year.

The board of equalization set Winside School District's tax levy at 1.4541 per \$100 valuation for general and .1807 for bond. That compares to 1.4354 per \$100 valuation in general and .0660 in bond for the previous year.

Wakefield School District's total tax rate (including bond and sinking) was 1.8642 per \$100 valuation in 1987-88. The amount for 1988-89 has been established at 1.7613 per \$100 valuation.

Total Wayne County valuation decreased a small percentage over last calendar year — from \$258,209,525 in 1987 to \$256,144,214 in 1988.

Subdivision valuations were as follows — Hoskins: 1988, \$3,862,965, 1987, \$3,711,265. Wayne: 1988, \$73,207,880, 1987, \$75,373,415. Carroll:

1988, \$3,317,270, 1987, \$3,198,760. Sholes: 1988, \$483,905, 1987, \$462,095. Winside: 1988, \$5,515,390, 1987, \$5,605,385. Wakefield: 1988, \$1,873,380, 1987, \$1,870,390. Wayne-Carroll School District: 1988, \$111,991,355, 1987, \$112,914,025. Winside

PARTICIPATING IN THE Business Week for Youth program from Wayne-Carroll High School were, from left, Tammy Griesch, Susan Sorensen, Brenda Janke and Dan Wurdinger. The program is designed to fill a need for a better understanding of the economy.

Students experience business world

By Chuck Hackenmiller
Managing Editor

There is money to be made in computer comic books.

At least that is what Dan Wurdinger, a student at Wayne-Carroll High School, found out during a "Business Week For Youth" program this summer.

Wayne-Carroll seniors Tammy Griesch, Brenda Janke, Susan Sorensen and Wurdinger all took part in the rigorous and challenging

business program, working with others from July 17-24 in operating their own manufacturing company and making vital decisions.

Griesch said all the state-wide participants in the program were assigned to one of four simulated companies. Each of the companies were divided into three firms (making a total of 12 firms).

The firms in each of the company picked a product to make and to sell," Griesch said.

THE FIRMS in the company compete to see who makes the most money. Some of the firms sold swimming suits. Some sold rubber ducks. Wurdinger's firm, which manufactured computer comic books, did the best of all 12 firms in making the most money.

Business Week for Youth is taught by prominent Nebraska business people who are involved with private

VFW Auxiliary plans annual pillow cleaning

The Liwellyn B. Whitmore VFW Auxiliary No. 5291 will sponsor a Pillow Cleaning Day on Friday, Sept. 16 at Wayne City Hall. Workers that day will be Darlene Draghu, Darlene Helgren, Eveline Thompson, Amy Lindsay, Cleve Willers, Helen Siefken and Lillian Granquist.

Plans for Pillow Cleaning Day were discussed when the auxiliary met Sept. 12 in the Wayne Vet's Club room with 13 members present.

President Cleve Willers called the meeting to order, followed with the treasurer's report by Eveline Thompson.

THE GROUP received a thank you from Mary Thunker, District III president, for the gift and hospitality at the August meeting.

Invitations were received to attend a reception for Department President Bernice Wiese on Oct. 1 at Wahog, and the District III meeting

on Oct. 23 at Randolph. Veterans from the Norfolk Veterans Home will be served a supper on Sept. 26. Workers and food lists were presented by Eveline Thompson.

Mrs. Thompson reported that cancer pins are available. She also reported 14 paid members.

Helen Siefken reported on sending a get well card to Eva Brockman. Ruth Korth announced that several safety programs and drug programs are available for the auxiliary's use.

RUTH KORTH presented a Gold Star reading, and the committee presented gifts to Gold Star members Dorothy Dangberg, Arlene Lundaal and Eveline Thompson.

Hostesses were Darlene Helgren, Helen Siefken and Shirley Brockman.

Next meeting will be Oct. 10 at 8 p.m. in the Wayne Vet's Club room.

Women of Today meet

Wayne County Women of Today held their monthly meeting Sept. 8 at Columbus Federal. The meeting was called to order by President Annette Rasmussen with six members attending and one guest, Virginia Grimm.

Personal Development Vice President Deb Youngmeyer read devotions, entitled "Help Yourself to Happiness."

THE PRESIDENT presented an educational program on March of Dimes. Awards Vice President Pam Ekberg presented July Woman of the Month to Debbie Bargholz and August Woman of the Month to Mindy Lutt.

Pam Nolte will create a chapter quilt square which will be put into a large quilt for the state president.

It was announced that 15 Craft Festival tables have been rented to date. Persons wishing additional information are asked to contact Debbie Bargholz, 375-4239.

MEMBERSHIP WEEK is Sept. 18-24, and a barbecue is planned at the Lutt home on Sept. 24 at 7 p.m. Interested persons are asked to call Debbie Bargholz, 375-4239, or Mindy Lutt, 375-1192.

Children reunite after 50 years

Five of the six children of the late Mr. and Mrs. Herman Klaner of Wakefield held a reunion July 25-30 at the home of Mr. and Mrs. Merle Thomsen of Woodland Hills, Calif.

This was the first time in 50 years the brothers and sisters had gotten together. Attending were Darrol Jahde of Wakefield, Mrs. George (Dorothy) Garrison of Vancouver, Wash., Carol Ingelson of Honolulu, Hawaii, Merle Thomsen of Woodland Hills, Calif., and Mrs. Robert (Sandra) Klepper of Corpus Christi, Texas.

Baptisms

Puttin' up with Pete

by Kevin Peterson

Here we are entering the third week of the high school football schedule and I haven't even run my crystal ball picks column. Well, here we go with this week's initial rendition of Pete's crystal ball picks.

First of all I have to give credit to a dear friend out in Callaway, Nebraska. Bob Jensen, my former boss and still one of my best friends, came up with the "Crystal Ball" idea, so I'm kind of taking it and adding the idea to the Wayne Herald.

I'm sure Bob won't mind, after all, if I can come up with a percentage of victories predicting the games that he has the past few seasons, I would be honored.

Since I'm still in my initial year at the Wayne Herald, I haven't had much time to research football in Northeast Nebraska. However, some of the talent racing down the sidelines around this area that I've seen, can play with anyone.

So, without further adieu, let us begin.

Ewing at Clearwater — I am fortunate at the Wayne Herald to have inside information on the Cardinals. Former Clearwater football and basketball phenom Rick Kerkman predicts a Clearwater route of 38-6 over visiting Ewing in a homecoming game for Clearwater. (Hey Rick, can I have my quarter now.)

Wayne at South Sioux — If wide receiver Willy Gross doesn't have the softest pair of hands in this area, then I can't wait to see who does. Wayne quarterback Jess Zeiss will have to keep finding time to throw the ball, (like they did against South Sioux), if the Blue Devils are going to defeat South Sioux on its home turf.

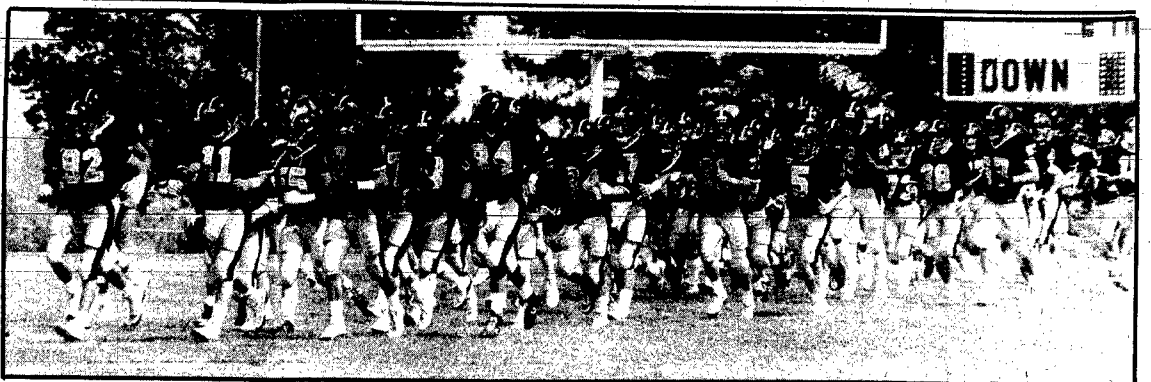

This writer feels that Wayne is proving to people that last year's record was a fluke, and they will continue to do so by defeating South Sioux in a close game, 20-18.

Allen at Beemer — New head coach Mike Busselman is standing proud after his squad won its first game in over a year against Wausa last Friday. Beemer however, comes into the game fresh off a whipping of Hartington. Beemer 30, Allen 18.

Winside at Hartington — Look out Hartington, Winside and coach Randy Geier are definitely turning heads early in the season. Look for Chris Nau and Tim Jacobsen to have big games. Winside 38, Hartington 12.

Ponca at Laurel — Laurel is still looking for its first victory of the season. It's homecoming night in Laurel. Laurel 14, Ponca 12.

St. Cloud rains on WSC

The St. Cloud Huskies rained on the Saturday afternoon Wayne State football home opener, defeating the Wildcats by a 47-6 score.

St. Cloud scored on its first possession, starting from their own seven yard line and scoring with 10:07 left in the first quarter. The big plays during the drive was a 21 yard pass completion from Huskies quarterback Stacy Jameson to Dan Hicks and a 23 yard run by tailback Harry Jackson, who finished the game rushing a total of 166 yards.

Jameson kept the football on a rollout and scored from five yards out for the Huskies first touchdown.

Wildcat Scott Raue was intercepted by St. Cloud's Jon Barian and the Huskies started another touchdown drive at the Wayne State 46 yard line. Jackson broke loose for a 27 yard gain during that drive. With 8:26 remaining in the first period, Jameson connected with wide receiver Brent Otto on a four-yard touchdown pass and the Huskies led after the extra point kick, 14-0.

Wayne State got its passing offense going in the late stages of the first period. Raue passed to John Pezdirtz for a 10 yard gain, Kevin Hagedorn for another seven yards, Pat Wordekemper for six yards, Bill Blondin for four yards and Travis Bahnsen for five yards.

Facing a fourth down situation, Wayne State's Wordekemper faked a punt and ran the ball to the Huskies 31 yard line — a gain of 19 yards. The Wildcats got up to the 29 yard line before being intercepted by St. Cloud's Rick Rodgers.

The Huskies were held and punted to Wayne State's five yard line. From there, the Huskies intercepted another Wildcat pass and took possession on the Wildcat five yard line.

The first play of the second quarter, St. Cloud scored its third touchdown, a five yard run by Jameson, to go ahead 21-0 with the extra point.

Wayne State put together a scoring drive following the touchdown kickoff, starting at their own 19 yard line.

The Wildcats gained most of the yardage through the air, the biggest gainers a 11 yard pass to Pezdirtz and a 12 yard pass to Blondin. A defensive interference, followed by a defensive holding call, gave Wayne State the ball on the seven yard line.

After three unsuccessful passing attempts, the Wildcats settled for a 25 yard field goal, making the score 21-3.

On the ensuing kickoff, Chad Mortenson of St. Cloud returned all the way to the Wayne State 22 yard line. Five plays later, with 4:50 minutes left in the first half, reserve quarterback Wade Wrightson hit Hicks on a six yard TD pass. After that, the score stood at 27-3.

Before the first half ended, the Huskies' Jackson sprinted 17 yards into the endzone, making the halftime score 34-3.

Later in the third quarter, Wayne State's Tony Wiese booted a 35 yard field goal to reduce St. Cloud's lead to 34-6.

However, St. Cloud retaliated with another touchdown late in the third quarter on a five yard run by Jameson. They added another touchdown in the fourth quarter, making the final score 47-6.

The Huskies outgained the Wildcats on the ground, rushing 66 times for 347 yards. Wayne State only rushed 11 times for a total of 20 yards.

The Wildcats gained more passing yardage than St. Cloud, 153 to 128. Wayne State put the football up in the air 50 times, completing 30 of the passes and yielding four interceptions.

Wildcat punter Pat Wordekemper punted five times for a 43.2 yard average. His longest punt was 76 yards.

Defensively for the Wildcats, five players finished the contest with double figures in tackles. Bob Sterba led the assault with 16 total stops while Bud Sachs followed with 13.

Mark Volf finished the contest with 12 tackles and he was followed by Jim Sibbel and Chris Matzen, each with 11 stops.

Pat Dean recorded the only quarterback sack for the Wildcats while Wayne State recorded a total of seven tackles for loss of yardage.

The Wildcats will entertain Baker University this Saturday, Band Day. Baker is currently ranked second in the country in NATA division II. It will also be Baker's first contest of the year.

Crofton downs Laurel

The Lady Bears of Laurel entertained visiting Crofton Tuesday night in hopes of raising their season record to 3-1. Crofton however, had other plans as they downed the Bears in straight sets, 10-15, 9-15.

"Crofton has a 6-2 girl who really plays the net well," head coach Carol Manganaro said. "Our girls though, played really hard and hustled very well."

The first set saw-sawed until it was knotted at six apiece. "The turning point in the game had to be our inconsistent serving," Manganaro said. "With the score tied at six, we missed three straight serves which were all legitimate chances at scoring."

For the game, Laurel fired a serving percentage of 85 percent — about five percent less than Manganaro would like to see it.

Sherri McCorkindale was the leading scorer in the contest with her 7-9 serving output. Shana Carstensen was the top spiker as she recorded two aces in her 10-12 spike attempts. Amy Adkins followed Carstensen with 7-10 spike attempts while Amy Newton enjoyed a perfect 15-15 evening in setting with four assists.

"The girls played well," Manganaro said. "They just gave up too many scoring opportunities."

Manganaro noted that her squad will spend time in practices working on deception. "Sometimes we get a little too predictable," Manganaro pointed out. "We will work on deception so our opponents can't read us."

It was not a memorable night for any of the Laurel volleyball teams as the "B" team also lost in straight sets, 9-15, 10-15, and the freshman lost, 8-11, 7-11.

Julie Dickey led the "B" team with six points while Jesse Monson managed to spike the ball seven times out of her eight attempts.

WSC wins tourney

The Lady Wildcats of Wayne State traveled to Dorset College in Sioux Center, Iowa, over the weekend to take part in a round-robin pool and single elimination tournament, and were crowned tournament champions with a 4-1 record.

The Wildcats were pooled with some quality teams from the College of St. Mary in Omaha, Northwestern of Orange City, and Grinnell College, of Iowa.

The Wildcats came out like gang busters in their first match against Northwestern. Wayne State won the opening set of the best two out of three, 15-3. Northwestern, however, bounced back to win the next two sets, 13-15 and 10-15, to hand the Wildcats a loss right away.

The tournament was set up with two pools of four teams who would play round robin volleyball. The two teams in each pool with the best record would then play in a single elimination tournament.

"I was very pleased with the way the girls came out and played in the first set against Northwestern," head coach Doug Feagan said. "After the first set we just seemed to stand around and we weren't the aggressor which allowed Northwestern to win the next set and grab the momentum."

Wayne State then took on the College of St. Mary and the Wildcats downed their foe in straight sets, 15-10, 15-13. "We have no particular strategy in mind when we play anyone," Feagan said. "Our goal is to be the aggressor no matter who is on the other side of the net."

The Lady Wildcats then downed Grinnell, Iowa, in straight sets, 15-4, 15-7. Having the second best pool record, Wayne State progressed into the single elimination tournament.

The first opponent was Dana and the Wildcats made short work of the opponent, disposing them in straight sets, 15-9, 15-7. Thus, setting up a rematch with Northwestern for the championship.

Wayne State jumped out on top like they did in the previous match with Northwestern, 16-14. Northwestern, returned the favor in the second set with a 9-15 victory over Feagan's Cats.

Wayne State however, trimmed the foe with a 15-13 decision for the title. "We really played a good tournament," Feagan said. "The girls played common sense volleyball and it paid off."

Shelly Pick was named to the all-tourney team through a vote of the coaches.

Wayne spikers place Freshman gridders lose, 21-0

The Blue Devil volleyball squad finished runner-up in the North Bend Volleyball Tournament held Saturday.

Wayne played host North Bend in the first round, and it was the second time these two teams matched up already this year. North Bend won the first outing and Wayne evened things up by winning this one in straight sets, 15-5, 15-6.

"We passed the ball really well in the match," head coach Marlene Uhing said. "We had good floor communication and we had a real balanced attack. Overall, I thought it was a good team effort."

Uhing noted the first time the two teams clashed that the Blue Devils were the victim of 10 ace serves by North Bend. This time, Wayne allowed just once ace serve throughout the match.

Robin Luff was the leading passer for the Blue Devils with an 87.5 percentage of receiving the serve and passing to the setter. Dana Nelson was second in passing with a .666.

Karmyn Koenig recorded eight kills in the spiking category for a .375 effort. Heidi Reeg followed with a two kill .111 effort.

Kristy Hansen and Teresa Ellis were the top setters for Uhings' squad with Hansen recording five assists for a .250 set for kill average. Ellis, on the other hand had three assists for a .150 effort.

Both Koenig and Hansen recorded three blocks to lead Wayne in that category.

During the championship game against Columbus Scotus, Wayne apparently forgot to put on their game faces as Scotus whipped the Blue Devils, 15-7, 15-1.

"I wasn't very happy with the way we played against Scotus," Uhing exclaimed. "We just weren't ready to play. It should've been a good match, but it turned into a Scotus route."

Wayne seemed to struggle with all phases of its game and against Columbus Scotus' strong net game, the Blue Devils found the going a little rough.

"We still seem to be looking for a court leader," Uhing said. "No one has stepped out to take control."

Deanna Schluns, Rachel Haase, Kristy Hansen and Teresa Ellis all had perfect passing percentages of 1.000, but the breakdown game in serving and spiking. Dana Nelson was the leading server with two aces for a .400 percent serve ace percentage.

Kristy Hansen was the top setter as she recorded two assists for a .100 effort on sets for kill spikes. Incidentally, Nelson was also the leading spiker with one kill and a .250 percent spike attempt for kill.

Teresa Ellis and Karmyn Koenig each had two blocks to lead the Blue Devils there. Wayne's record stands at 4-2 with its first home game slated for this Thursday against Pierce.

Freshman gridders lose, 21-0

The freshman squad for Wayne opened its season last Saturday against Hartington Cedar Catholic at Wayne's practice field.

The freshman team was unable to control a good Hartington team as they succumbed to a 21-0 defeat. "It's going to be a tough year for the freshman team," head coach Duane Blomenkamp said.

"We have 16 kids on the squad and we are kind of small and we're short on the key positions," Blomenkamp noted however, that his squad played very hard and intense during the whole contest. "We didn't just lay down and die," Blomenkamp said. "We competed to the best of our ability."

Wayne had 95 yards rushing in the contest and only two yards passing. Jim and John Murphy were the rushing leaders with John rushing for 28 yards and Jim running for 22 yards. Matt Metz was cited by Blomenkamp as having a complete defensive game for the Blue Devils.

The freshman team will be in action again this Thursday afternoon at the practice field against Pierce. The contest is set to begin at 5 p.m.

MEMBERS OF Wayne State 1988 volleyball team include, front row: Amy Budde, Mary Beth Clark, Kathy Rademacher, Kelly Bartling, Nancy Kennedy, Bev Moeller and Phyllis Boehmer. Back row: Kim Balzer, assistant coach, Buffy Romshak, Kodi Nelson, Angie Wilbur, Meg Hurley, Tanya Gappa, Shelly Pick, Stacy Zehr, Kristi Jaminet, Kristi Bateman, Stacey Deterding, Kolette Frevert and Doug Feagan, head coach.

Wakefield escapes tourney victorious

Paul Eaton's Wakefield Trojans captured the Winside Volleyball Tournament Tuesday night by defeating Winside and Osmond in straight sets.

The win was obviously top importance for Eaton's squad, but Eaton noted a concern on Wakefield's play. "We can't continue to serve the way we did at Winside and expect to keep winning," Eaton said. "In the championship game against Osmond we averaged 78 percent on serving."

Eaton likes his servers to plateau around the 90 percent mark. In Wakefield's first match against Winside, the Trojans just missed the 90

percent goal by a fraction. The Trojans made short work of their foe however, 15-3, 15-8.

Karen Hallstrom was 13-14 in serving and recorded 10 points for Wakefield. Karen Witt and Debbie Peterson each went 8-10 with Peterson netting six points. Julie Greve recorded a perfect 7-7 serve outing.

Hallstrom also led the spikers with a 6-9 showing and four aces and two ace tips. Julie Greve followed with a 6-7 spike attack and Jessica Robbins was 4-7.

Cathi Larson was 16-17 in setting with six ace sets, while Karen Witt

was 20-22 with five ace sets. "Our net play and passing was good all night despite our serving," Eaton said.

In the Championship game against Osmond, Eaton's Trojans showed their desire to win by holding off several Osmond comeback attempts. Julie Greve may have been the serve savior as she held serve from 9-12 in the second set, to 14-12 Wakefield's favor.

Karen Hallstrom put the final nail in the coffin for the victory as her serve was too much for Osmond. Greve finished the night with a 13-14 serve outing and 12 points. Susan Nurenberger came off the bench to

Hallstrom was the top spiker for Wakefield with success on 15-16 spike attempts with five aces and 6-6 in tips with two aces. Sharon Wenstrand was 16-17 with one ace while Julie Greve was 16-19 in spiking with five aces and 4-5 in tips. score three points while succeeding in all six of her serve attempts.

Jessica Robbins was 12-16 in spiking with three aces and 7-7 in tips. Karen Witt and Cathi Larson were kept busy in setting as the pair combined for a 66-69 performance with Witt receiving five ace sets and Larson six ace sets.

WAKEFIELD TEAMMATES congratulate each other on winning the Winside tournament.

Winside competes hard despite loss

Winside was the host of the Winside Volleyball Tournament Tuesday night, and the host Wildcats came up against some pretty stiff competition.

The opening match pitted Winside against traditionally strong Wakefield. Winside coach Paul Gisselmann could not get his squad to come up with the upset against Paul Eaton's Trojans, as Winside dropped the match in straight sets, 3-15, 8-15.

"Wakefield is a very good volleyball team," Gisselmann said. "Our girls are continuing to improve and I still think it will show when we play some teams that aren't quite the caliber of the Wakefield's."

However, as Gisselmann also pointed out, Winside does not have an easy game on the schedule. Against Wakefield, the Wildcats recorded an 81 percent serving mark — below what Gisselmann would like to see.

Shannon Holdorf was the top server with a 6-7 outing and one ace, while Tania Hartmann was 5-6 also with one ace. Jenny Jacobsen finished with a 3-4 outing and one ace.

Hartmann proved to be the top setter for Gisselmann's team, with a 23-24 performance. Meanwhile, Lisa Janke was 6-7 in spiking with four aces. Jacobsen followed with a 3-4 spiking edge with all three spikes being aces.

Wendy Boldt and Shannon Holdorf followed with Boldt getting two aces on a 4-5 performance and Holdorf, one ace on a 3-3 outing. Janke led the blockers with one.

Winside faced Coleridge in the consolation match and Gisselmann witnessed a much better performance from his Lady Cats. "The girls showed a lot of heart in the Coleridge match," Gisselmann said. "We did a good job of setting the ball and attacking."

The Wildcats served at 83 percent, still down a little, and were led by Wendy Boldt's 9-9 performance. Lisa Janke was 9-12 with two aces while Christina Bloomfield followed with a 7-8 serving performance with Tania Hartmann right behind at 6-7.

Shannon Holdorf and Jenny Jacobsen followed in succession with 5-6 and 4-6 outings. The Wildcats had numerous spike attempts with Bloomfield connecting on all eight of her attempts with one ace.

Wendy Boldt followed with a 9-13 spike attempt performance and three aces. Jenny Jacobsen was 6-8 with three aces and Shannon Holdorf went 4-5 in spiking.

Lisa Janke was 3-4 in spiking with one ace and setter Tania Hartmann was 1-1 with one ace. Hartmann was 32-35 in setting.

Harriers compete in Norfolk

Rocky Ruhl's cross country team continues to improve with each outing. Last Friday, the squad traveled to Norfolk to take part in the Norfolk Catholic Invitational.

O'Neill won the meet with 34 points, edging Crofton by two. Wayne finished third in the meet with 48 points, 14 ahead of fourth place finisher Wisner-Pilger.

Shane Geiger was Wayne's only top ten individual finisher as he brought in the fourth best time of 19:22. Rob Sweetland finished 12th with a time of 20:29 and Todd Fuelberth finished 15th overall with a 20:52 clocking.

In the girls portion of the meet, Wayne's Tammy Geiger, a freshman, finished fourth in the individual standings with a 19:29 clocking of the 2.5 mile course. Ben Tierney finished third individually for the Blue Devils in the reserve portion of the meet.

Reserves down South Sioux

The Wayne reserve football team suited up only 16 football players as they traveled to South Sioux Monday evening, but the lack of numbers hardly intimidated the squad, as they came away with a 19-6 victory.

"The kids really played well, said coach Ron Carnes. "We went over knowing that South Sioux would have around 35 suited up for the contest, but our guys just went out and took it to them."

The reserve squad included running backs Chris Fredrickson, Cory Wieseler, Mike Hillier and Greg DeNaeyer. The foursome plus quarterback Craig Dyer and Brian Moore, combined for 191 yards rushing on 38 attempts.

Wayne's first scoring strike came on a 65-yard pass play from Dyer to Jeff Lutt. The second touchdown was on a Kip Mau 20-yard interception return for a touchdown. The final score for the Blue Devils was a 10-yard run by Greg DeNaeyer.

Incidentally, Wayne scored all 19 points in the first half and South Sioux was held scoreless until the late moments of the game. Matt Bruggeman kicked the point after on the third touchdown to make it 19-0 at the half.

Carnes cited Rusty Hamer, Kip Mau, Matt Bruggeman and Jess

Thompson as having good defensive performances throughout the game.

Wayne Golfers down Norfolk

Norfolk's reserve golfers could not muster a victory at the Wayne Country Club Tuesday afternoon as the Lady Blue Devils pulled out an 11-stroke victory, 198-209.

Holly Paige was the medalist for Dick Metteer's club, carding a 44. Teammate Cher Reeg was runner-up with a 49 before Ann Perry and a Norfolk golfer tied for third at 50. The fourth score for Wayne came from Jill Jordan, who fired a 55.

The victory upped the Blue Devils record to 2-0 and the first major invitational is this Friday at Blair. "There will be a lot of teams from our district at Blair," Metteer said. "It will also be good for us to golf on another course since our first two matches have been at home."

Radioactive waste conference set

A low-level radioactive waste "video" conference will be presented at the Northeast Research and Extension Center.

The video conference, co-sponsored by the Nebraska Cooperative Extension Service and League of Women Voters of Nebraska, is slated for Thursday, Sept. 22.

The program will be shown at the Center, located two miles east of Concord, from 9 a.m. to 4:30 p.m. Those attending the conference are asked to bring their own lunch. Coffee, tea, lemonade and donuts will be provided.

A small registration fee will be charged to cover the refreshments. Rod Patent, area extension agent,

said the program is designed to provide current information about low-level radioactive waste. There will be presentations by seven speakers, representing aspects of the issue.

Those seven speakers include Holmes Brown, director, Low-Level Radioactive Waste Forum, Afton Associates, Washington, D.C.; Mary English, associate director, Energy, Environment and Resources Center at the University of Tennessee; Ed Helminski, general manager, Strategic Intergovernmental Management.

ALSO, MALCOLM Knapp, director, Low-Level Waste Management and Decommissioning Division of the U.S. Nuclear Regulatory Commis-

sion; Samuel Mehr, director, National Radiation Information Network, American College of Nuclear Physicians and director, Division of Nuclear Medicine at Bergen Mercy Hospital in Omaha; Gloria Tierney, chair, Low-Level Radioactive Waste, Hazardous Waste Committee, California Sierra Club of Coronado, California; and Michael Wangler, chief, Radioactive Materials Branch, Office of Hazardous Materials Transportation, U.S. Department of Transportation in Washington, D.C.

Goals listed for the satellite video conference are:

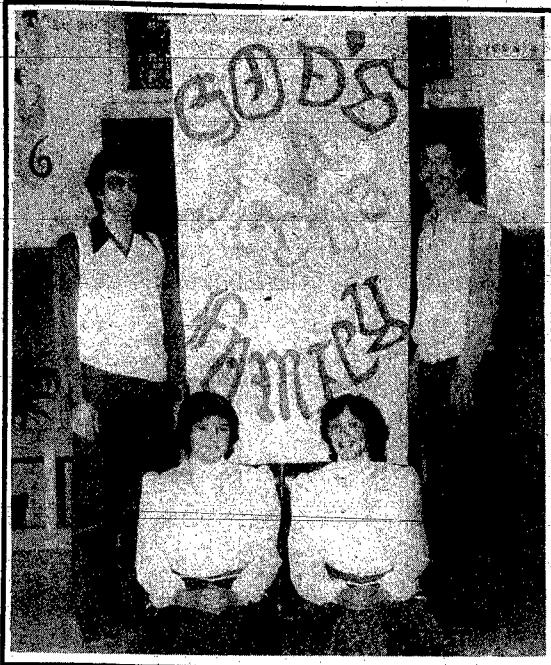

— To create an understanding of a waste management philosophy that recognizes the existence of waste and

the need for proper waste management.

— Emphasize the responsibilities placed on each state for low-level radioactive waste disposal;
— Address questions with factual information about Compact legislation, radiation, technical facts, regulations and environmental protections.
— Present alternative methods for environmental dispute resolution.
— And to present all aspects of the issue.

There is also time allotted for local discussion. Questions may be called in to be addressed by the speaker.

"This is a topic of concern to residents of Nebraska. I encourage anyone who is interested in low level radioactive waste to attend," mentioned Patent.

God's Family

God's Family appearing at Concordia Lutheran

God's Family, a quartet made up of four members of the Burrack family from Audubon, Iowa, will conduct a worship of praise through music on Sunday, Sept. 18 at Concordia Lutheran Church in Concord.

The public is invited to attend the service at 10:45 a.m.

Members of the quartet are Ruth Carter, junior high instrumental in-

structor at Carroll, Iowa Public School; Frederick, instrumental instructor at the high school in Carroll, Iowa; David, director of food service at Jennie Edmundson Hospital, in Council Bluffs, Iowa; and Clara, a senior at Westmar College in LeMars, Iowa.

They are all the children of the Rev. Richard and Lois Burrack of Audubon.

opportunity for the employees of Timpfe, the city of Wayne, Wayne County, northeast Nebraska and for the entire state.

Great Dane, Remick said, is the second largest trailer manufacturer in the United States. "With the acquisition of Timpfe in Wayne, it [Great Dane] will become the largest refrigerated trailer manufacturer in the world."

Granger said Great Dane has no plans at this time to transfer anybody from its other manufacturing operations into positions at the Wayne facility. "We find the management staff [at the Wayne facility] very capable of running the operation," Granger said.

comment at this time on who would be filling the top management positions with the Great Dane operations in Wayne.

HOWEVER Remick indicated to the city council his plans are to assist during the transition period that follows the final sale of the Timpfe manufacturing facility. Afterwards, upon returning from vacation, he said he will review the opportunities that exist and decide on future plans.

He said the attitude at the Wayne manufacturing plant, in light of the Great Dane purchase of Timpfe, has been "extremely positive." Morale, he said, had dropped in the waning weeks of the 90 day time frame Timpfe, Inc. had established to try and sell the company. "They were concerned about their future and their job." But that has changed, he said.

enterprise on a daily basis. Students are invited to study, question and engage in thought-provoking discussions with business people who are actually involved in the process.

The program has been developed to stimulate curiosity and provide answers to questions that students have about how the private economic system works in this country.

During the course of the week-long program, the students met at least three times daily with their company and listened to at least 30 professional speakers. The meetings finish-

ed up each day at approximately 9 p.m.

They also visited the Governor's Mansion and the State Capitol, in addition to being given a tour of 'Runza University' and other businesses.

The schedule was demanding. "We started at 8 a.m. and went till at least 9 at night," said Grlesch.

SPONSORS FOR two of the Wayne-Carroll students to attend the Business Week program were James Remick, president of Timpfe, Inc. of Wayne, and David Ley, president of State National Bank and Trust of

Wayne, also of Wayne. The remaining two students were sponsored by other businesses in Nebraska.

Darrel Heier, business education instructor at Wayne-Carroll, said this is the second year of the Business Week for Youth program and it continues to be successful. A similar program has been in action in several states.

"We learned the processes that businesses go through. We also made lots of friends and had lots of fun," said Janke.

The program has given the students a better understanding of

the importance of business and the free enterprise system, they concluded. It was sponsored by the Creighton University College of Business, The Nebraska Collectors Association in conjunction with the Lincoln Independent Business Association.

Those students who are currently sophomores or juniors are eligible to apply for Business Week. Those selected to attend must have a sincere interest in becoming part of an intense and serious week-long learning experience, but need not have a specific interest in pursuing a career in business.

Conservation plan numbers increasing

Conservation plans have been written for over 61,000 acres of highly erodible crop ground in Wayne County, according to figures from the Soil Conservation Service office in Wayne.

The 1985 Food Security Act stipulates that producers must begin applying an approved conservation system on all highly erodible land in 1990 if they wish to participate in federally funded programs — including the farm subsidy programs and federal crop insurance.

As of Sept. 1, conservation plans have been made on nearly a third of the highly erodible acres in Wayne County.

During August, 210 Wayne County

producers were contacted on the developing of conservation plans. One hundred thirty-seven of these producers responded by having plans developed, said a spokesman from the Soil Conservation Service office. Plans were written, in August alone, for over 29,000 acres of highly erodible ground.

Once these plans are fully implemented, annual soil loss will be

reduced by an average of 18 tons per acre on sloping crop ground.

The benefits of soil loss, according to the Soil Conservation Service, include: less crop ground lost to production due to siltation; less herbicide and fertilizer lost due to erosion; improved surface water quality; improved wildlife habitat; and less maintenance to fences, waterways, roads or bridges.

Wayne County's Soil Conservation Service office in Wayne will continue to contact area producers for the purpose of developing conservation plans in an effort to avoid a "last minute rush to get conservation planning completed."

Anyone interested in making an appointment to discuss the provisions of the Food Security Act should contact the Soil Conservation Service office.

They grow up fast

Lots of times we hear from parents about how their son or daughter is "growing up so fast" or "is sprouting like a beanstalk."

A Wayne reader recently contributed an article written by Teryl Zarnow of The Orange County Register about a mom who wrote a soundtrack for a "video never made."

In the video, which I imagined she intended to present to her child later in life, she mentions that "foolishly, daily, we repeat over and over: Look how big he is. Your legs are sturdy beneath their rolls of fat and your toes stretch eagerly to touch the world. I pick the lint from between them."

In the video she describes all the features and actions of the five month old child - outgrowing the baby swing; putting their head at the top of the baby swing; flopping from the stomach to the back; transforming the stroller into an all-terrain vehicle; smiling over the toothless gum.

I think this video gift would be ideal to present at graduation.

How many parents capture the moment on film of their son or daughter's first birthday? Their first tooth? Their first Christmas? Their first meal when they feed themselves?

Most popular to photography this time of year, I believe, is the child's first day of school - be it pre-school or kindergarten.

IMAGINE A parent and child walking to kindergarten in this poem "A Parent's View."

I'm certainly proud of you, child. My, you have certainly grown. You're heading for another milestone in a world all on your own.

With a smile I can recall those first words as you talked. Then came teeth and favorite toys, and those nasty spills when you first walked.

But somehow I feel slightly saddened, making me feel like such a fool as we walk together hand in hand to your very first day of school.

I know beyond those doors, child, is a place where you can glue pieces of "what you wish to be" and make it all come true.

From building blocks, shaping hunks of clay to learning the alphabet, it's only the beginning of molding a future toward career goals that you will set.

Perhaps I'm over-exaggerating and putting the cart before the horse. But why, when I let go of your hand do I feel a certain twinge of remorse.

Perhaps it's because I hadn't expected the time would come so fast when I'd be watching you leave those toddler years of the past.

Give me a hug, child. Your teacher awaits. I'm choking for advice to say. "Why the tears?" my little grown-up asks. "Cause, my little one. You're on your way."

FALL KICKOFF

"The Fragrance of Christ Within Us" was the theme of the Women's Ministries Fall Kickoff at the Concord Evangelical Free Church on Sept. 6. Thirty-one ladies attended a salad luncheon in the fellowship hall which was decorated like a fragrant flower garden.

Chairman Grace Ronhoyde opened with prayer and scripture reading and conducted the program and business meeting. A skit by Lucille Carlson, Ruby Arduser, and Martha Johnson explained the White Cross program in which women of the church send a variety of items to Tandala Hospital in Zaire, Africa including rolled bandages, layettes, hospital gowns and other supplies. Mabel Johnson gave a report about Lydia Children's Home in Chicago and their request for hand crafted and other items for their auction in November.

Free Church Women's Retreat will be held Sept. 16-17 at Grand Island. Vice Chairman Judy Carlson reported on the seminars and speaker for the Retreat.

Sherrie Patefield, treasurer, explained the distribution of FCWM offerings which support missionary families in Zaire and at home. Food baskets are also purchased and donations to a Senior Citizen's Center, plus postage and general expenses.

FCWM circles were reorganized and leaders of each circle were selected as follows: Circle chairmen: Muriel Kardell, Donna Forsberg and Marcia Lipp; MtStions leaders: Deb Dickey, Deanna Gunnarson and Rhonda Bloom; Sunshine leaders: Mary Dickey, Ave Olson and Sharon Boyesen; Devotions leaders: Sandy Hartman, Joyce Benstead, Carolyn Hanson and Lori Koester.

Upon adjournment the ladies took home table favors of a tiny perfumed rose refrigerator magnet, a sample of cologne, and a flowered calendar of events for the coming year.

To provide 'stay clean' attitude

Hefner announces support of bill

A bill designed to reduce teenage alcohol and drug abuse is being drafted by several State Senators for introduction in the 1989 Session of the Legislature. Erloy Hefner, State Senator from Coleridge, is lending his support to the measure and plans to co-sponsor the bill next January.

"We need an effective way of stopping alcohol and drug problems among our youth," Hefner stated on Friday. "This bill will provide a strong incentive for young people to 'stay clean'."

Under the proposal any person between 13 and 19 years old who is convicted of an alcohol or drug related offense will automatically have his or her driving privileges suspended 90

days for a first offense, and one year for any subsequent offense. This suspension is in addition to any other penalty. Any person without a license or permit will have his or her eligibility for a license or permit suspended for the same amount of time. Driving privileges suspended under this bill include drivers' licenses, learners' permits, and school permits.

To have a driver's license or permit is very important to young people. Hefner said. Driving privileges are one of the most coveted status symbols among youth. The bill will make it clear that alcohol and drug abuse has serious consequences.

Two similar proposals were introduced in the 1988 Legislature, but were never discussed before the full Legislature. The bill is based on a 1985 Oregon law. The year following the enactment of the law in Oregon, drug related convictions among juveniles were reduced by 29%, DWI offenses among youth dropped 33%, and minor in possession of alcohol offenses dropped 64%. At least four other states have adopted similar proposals since then.

Hefner may consider adding a provision to the bill, to suspend the driver's license of any adult who purchases alcohol for minors.

MONEY MATTERS

George Phelps, CFP
Certified Financial Planner
IDS Financial Services

What is Financial Planning?

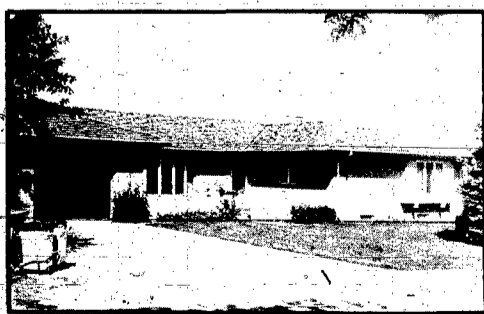

Simply put, financial planning is the process that helps you take better control over your financial assets, and manage your money more successfully.

Financial planning starts by recognizing that you have distinct needs and goals, so your plan must be specifically designed to meet your objectives. In financial "products" to choose from, financial planning is extremely important. When choosing from stocks, bonds, mutual funds, CDs, annuities, retirement plans and trusts it is vital to know the disadvantages as well as the advantages in order to pick those which best help you meet your goals. True financial planning professionals concentrate first on identifying your needs, rather than only promoting specific products or investments.

A sound financial plan will supply answers to the following questions: 1) Where do you stand today, financially? 2) What are your financial goals? and 3) How can you reach them? More specifically, the plan should address your financial position, investment planning strategies, income tax planning, estate planning, retirement planning, and protection planning.

You can count on a financial planner to work with you long after your financial plan is developed. The concern of a financial planner is that your needs are met -- today and tomorrow. If it's time for you to examine your financial needs, you can find more help and information from Certified Financial Planner George Phelps, CFP, at 416 Main St., Wayne, NE or phone 375-1848.

HAPPY BIRTHDAY SEPT. 16TH

The GOLDEN YEARS

Sixty-four-year-old Rose Anglim of Los Angeles has been climbing flagpoles for 25 years — not for fun, but because it's her job to service and maintain them for their owners. She works all over Southern California and has painted poles up to 187-foot tall. Climbing that height requires using stirrups and ropes, but it's all in a day's work for Rose. It's a unique business, she admits. "We don't have a whole lot of competition."

Sitting improperly can put 40 percent more pressure on spinal disks than standing does, according to Marvin Dainoff, Ph.D., researcher for the National Institute for Occupational Safety and Health. He suggests using a chair with a firm seat and a strong support in the small of the back, with a seat height that permits you to keep your feet flat on the floor with your legs bent at a 90-degree angle.

Remember when? The "autogyro" was a novel airborne vehicle that could rise vertically and hover. Invented in 1920 by Juan de la Cierva, this airplane with its long whirling overhead propellers might still be in operation if the superior helicopter hadn't been developed by Igor Sikorsky in 1939.

Presented as a public service to our senior citizens, and the people who care about them by the Wayne-Care Centre, 218 Main Street, Wayne, Nebraska 68767.

Plaques received

HAROLD THOMPSON JR. of Wayne was appointed national historian for the 1988-89 year during the 17th annual national convention of Sons of the American Legion held Sept. 2-4 in Louisville, Ky. Also attending from Wayne was Eveline Thompson. Thompson, past detachment commander, served as credentials chairman for the convention and received two plaques from the Child Welfare Foundation. The Detachment of Nebraska has distinguished itself and was in fourth place for Detachments of the Sons of the American Legion for actual dollar contributions during the 1987-88 program year. The second plaque was for reaching over 27 cents per member for the Detachment of Nebraska. Donations raised by the Sons of the American Legion for the American Legion Child Welfare Foundation this year totaled \$54,000. National Commander Jake Comer met a goal of \$1 million for the Child Welfare Foundation, Inc., a program of the American Legion.

Down and out
 A WAYNE County bridge collapsed last week three miles west and 6.1 miles north of Wayne. The bridge broke through after it was crossed by a southbound truck, driven by David Fuoss of rural Wayne. The truck was loaded with corn, according to the Wayne County Sheriff's office. Signs have been posted, warning of the bridge damage.

WE'VE GOT THE HOMETOWN Spirit

A time for learning...

Getting good grades in college takes a lot of hard work. The job market is more competitive and the students know it. You need to have the time to study. Holding down two jobs while going to school is admirable, but it's definitely not optimum.

Student loans make it possible to spend more time studying for classes than trying to pay for them. See one of our officers today for a student loan application.
