Duo Club hosts golden age dinner

The Duo Club of Grace Lutheran Church hosted its annual golden age dinner on Oct. 16. Guests were members of the congregation over age 70. Serving on the committee were Mr. and Mrs. Al Wittig, Mr. and Mrs. Howard Schmidt and Mr. and Mrs. Dwaine Rethwisch. Theme for the dinner was "Keep Me as the Apple of Thine Eye." Tables were decorated with baskets of apples, and table favors were wooden apples made by the committee. Carol Rethwisch entertained the guests by singing such songs as "Don't Sit Under the Apple Tree" and "In the Shade of the Old Apple Tree." The program concluded with a short film and group singing.

Delta Kappa Gamma meets

Delta Kappa Gamma met last Tuesday night in Hartington. The program, "Change in Education," was presented by Jean Blomenkamp of Wayne and focused on changes in preparing teachers. Blomenkamp pointed out that in 1960, 70 percent of Wayne State College students entered the field of teaching. Today, 70 percent of the students are studying for a non-teaching profession. Delta Kappa Gamma members attending the meeting from Wayne were Judy Peters, Mildred Jones, Minnie Rice, Pat Ruther, Marian Jordan, Marilyn Wallin and Lois Youngerman.

Club meets in Porter home

Lee Larsen presented the lesson, "My Home — Today and Tomorrow," for nine members of the Three M's Home Extension Club on Oct. 17 in the home of Marj Porter. Members answered roll call by telling what makes their house a home. President Lanora Sorensen announced that club members will meet on Oct. 30 at 3:45 p.m. at the Methodist Church parking lot east of the church for a tour of the Reikofsky home near Wakefield. Members are asked to bring their spouse or a friend. The Wayne County Achievement Program is scheduled Nov. 7 at 2 p.m. in the Carroll auditorium. The 1989 club year was planned. Next regular meeting will be Nov. 21 in the home of Lee Larsen. Members are asked to bring food items to be donated to the Wayne County Food Pantry.

Tips on buying winter sports outerwear

Skiing, sledding and hunting — great winter sports that require the warmest of outerwear. If a new jacket or vest is to be purchased for this winter's activities, evaluate its warmth potential, quality, price, style, outer fabric and construction details. One of the most important properties to consider in a garment is its insulation value. Most insulated garments are filled with down or a synthetic fiberfill.

DOWN, WHICH IS the undercoating of water fowl, is the lightest and warmest insulation for its weight. It breathes, is resilient, conforms to body shape and is machine washable and dryable. Down usually is expensive, loses its insulating ability when it's wet, and may take longer than other insulations to dry. Synthetic fiberfill also has good insulation properties. It consists of a batt or mat of synthetic fibers crimped, texturized or hollowed and intermeshed to form a thick fluffy mass of fiber. It has high resilience and loft and won't mildew. It also is lightweight, relatively inexpensive and machine washable and dryable. However, it weighs more than down and sometimes it cannot be dry-cleaned.

THE THREE BRANDS of fiberfill most commonly used are Hollofil II, PolarGuard and Thinsulate. Hollofil II is a hollow core fiber "with a lot of loft per pound." It has a special finish which gives it a down-like feel. PolarGuard is a solid-core continuous solid filament fiber bound into a batting sheet. It is slightly heavier than Hollofil II. Thinsulate Thermal Insulation — Type C is made of a combination of polyester and very fine olefin fibers. It provides more warmth per inch of thickness than any other insulation, including down, but is heavier than down.

FOR THE OUTER fabric of a garment, be sure to look for tightly woven water and wind-resistant fabric. Because this outerwear often receives hard wear, it is important to shop for abrasion resistance, high tear strength and easy care. Also, look for design details such as elastic or belted waists, high collars or ribbed necklines to prevent cold air from getting under the garment; storm flap closures which go over center front zippers; handwarmer pockets; and raglan sleeves which give freedom of movement or full cut set-in sleeves with an extra yoke to cover shoulder seams.

At appreciation supper

Local fire, law enforcement officers recognized by Eagles

Wayne city policemen, volunteer firemen, and Wayne State College campus security personnel were guests of honor at a recent potluck supper hosted by the Wayne Eagles Aerie and Auxillary 3757.

Ninety-one members and guests attended the supper which was chaired by Arlene Bargholz and Dorothy Nelson. Vern Fairchild won the door prize.

A video tape of interviews with the guests' wives and families was made by Jan Gamble and Cheryl Henschke, and was presented to the fire department.

The supper is an annual event sponsored by the Eagles to show their appreciation to local fire department and law enforcement officers.

THE EAGLES Aerie and Auxillary also hosted a potluck supper prior to the regular meeting on Oct. 17.

Guests for the supper were Madam State President Peg Breckner of Lincoln and her husband John, Madam State Trustee Goldie DeBuhr of Beatrice, Madam State Outside Guard Fern Test of Wayne, and Organizers Bob and Elizabeth Carlson of Blair. Gifts were presented to Mrs.

Breckner and Mrs. Carlson, who were recently inducted into the Grand Auxillary Hall of Fame.

SIXTEEN MEMBERS were in attendance at the auxillary meeting which was conducted by President Jan Gamble. Guests were Mrs. Breckner, Mrs. DuBuhr, Mrs. Carlson, and Bernice Splittgerber of Wayne.

The Halloween costume party will be Oct. 29, with costumes to be judged at 8:30 p.m. Members and guests are welcome, and members are asked to bring snacks. Games will be provided.

MADAM STATE Outside Guard Fern Test will be honored by the Wayne Aerie and Auxillary on Nov. 19 with a dinner and dance. The Thanksgiving committee is in charge of arrangements.

The family Christmas party is scheduled Dec. 10.

Madam State President Peg Breckner spoke briefly to the group. This year has been designated as the Year of the Volunteers. Breckner presented several tokens to local members and told of grants available from humanitarian projects. Her state project this year is the

Lincoln Christian Braille Foundation which may be visited in conjunction with the Lincoln auxillary's day to honor Breckner on Oct. 29. Monies raised from the project will be used locally in part, with the remainder used to send blind youngsters to camp.

Several members attended the District 6 meeting in Norfolk recently. Bowling is to be included, beginning with the Nov. 13 meeting in Central City. District auxiliaries will receive information prior to the meeting.

FOLLOWING THE business meeting, Larry and Fern Test served homemade ice cream and bars as a celebration for her election as state madam outside guard.

Guests at the Aerie meeting were John Breckner of Lincoln, and Organizer Bob Carlson of Blair. Vice president Bob Behlers presided.

The Aerie also will participate in bowling at the District 6 meeting in Central City. Volunteers are needed for mens, womens or mixed teams. There also will be a pool tournament.

NEXT MEETING of the Aerie and Auxillary will be Nov. 7. Serving lunch are Janice Barelman and DeAnn Behlers.

BUSINESS FOCUS

MARY VOLLERS stands at the checkout stand of the newly formed convenience store at Fredrickson Oil. The convenience store is in its second month of existence.

A COMPLETE VIEW of the inside of the convenience store at Fredrickson's show the variety one would see as they walked through. The addition is just one more way that Fredrickson Oil has changed with the times.

COLLEEN ROEBER looks over some of the canned goods at Fredrickson's. With the addition of the convenience store, Fredrickson's have lengthened their hours of business to accommodate patrons.

Keeps up with changing times Fredrickson Oil offers convenience

For 51 years Fredrickson Oil has kept up with the changing times by expanding their business to accommodate the needs of the surrounding farmers and urban patrons.

Fredrickson's latest addition came two months ago with the completion of the convenience store. The addition is the reformation of the old tavern.

Swede Fredrickson, owner, notes that the business still maintains the service to area farmers with two on the farm tire service trucks and a bulk tank wagon carrying numerous conoco products.

The service station offers full and self serve gasoline with all four types available, Ethanol, Regular, Unleaded, and Diesel. The garage of Fredrickson's is designed to take care of most problems your car may face, with the exception of major engine jobs.

"We do tune ups, brakes jobs and alignments," Fredrickson said. "In fact, we are the only ones in the area

that have computerized four wheel alignment."

With the addition of the convenience store, Fredrickson Oil is now open for business more hours in the day. Monday through Saturday will find the convenience store open from 6:30 a.m. to 10 p.m. However, from 7 to 10 p.m. only the convenience store is open as the mechanics are not on duty during those hours.

On Sundays, Fredrickson Oil is open from 12 noon to 10 p.m. Incidentally, the self service station remains open as long as the convenience store remains open.

Some of the things the convenience store offers include health and beauty products, soups, dairy, cereals, frozen sandwiches and dinners, pet supplies, microwavable goods, gum, candy, chips, fountain pop and canned pop, and on and off sale beer.

Fredrickson Oil happens to be more than just a convenience store, it's your one stop place for groceries as well as gasoline.

NANCY NIEMANN straightens the Health and Beauty Aids department. Fredrickson's offer a wide variety of products ranging from pet supplies to frozen microwavable food.

Wayne places second in conference

The Lady Blue Devils bid for the conference tournament championship fell short Thursday night in Wayne as Hartington Cedar Catholic defeated the host, 4-15, 13-15.

In first round competition Cedar got past South Sioux rather easily and Wayne disposed of O'Neill in short order to set up the final. Wayne lost to Cedar last week in Hartington in three sets.

"I really thought the girls came out and played heads up volleyball against O'Neill," coach Marlene Uhing said. "Then against Cedar in

the first set we came out very tentative."

Wayne gave up a lot of free balls in the Cedar match and Uhing noted that with each point Cedar recorded in that first set, the more confidence they showed on the court.

One thing that didn't slack off for the Blue Devils was the quality defense. In fact, when the offense came around in the second set, the blend-of-the-two-allowed-Wayne-to compete in a much closer contest eventually succumbing 13-15.

Kristy Hansen led the Blue Devils

against O'Neill with nine points while Dana Nelson managed seven. Karmyn Koenig had a fine night spiking with five kills against O'Neill while Teresa Ellis managed four kill spikes.

Hansen led the team in assists from her sets also with five, and Ellis followed with three. Koenig also had three blocks to lead the defensive charge.

Against Cedar Dana Nelson led the squad with six points while Robin Lutt and Kristy Hansen had four points each. Lutt had four kill spikes and Nelson three, to lead the Blue

Devils in spiking.

Koenig again had two blocks to lead the defense while Hansen recorded seven assists and Ellis two in setting.

Both Karmyn Koenig and Teresa Ellis were named to the All-Conference Tournament Team.

Wakefield defeats Emerson

It was a final tune up for the Lady Trojans of Wakefield Thursday night as they prepared for Conference tourney action by defeating Emerson in the regular season's last game.

Wakefield, 12-1, defeated the visitors 15-10, 15-6 in playing a complete game in all phases. "I feel that we had a good night in all areas," coach Paul Eaton said. "We served over 90 percent, we had good passing, good net game and good defense."

Ending the season on a high note is important for the Trojans because they now have the home court advantage throughout the conference tournament.

Karen Witt led the Trojans in serving with a perfect 12 of 12 outing with nine points. Karen Hallstrom also had nine points with an 11 of 12 performance from the line.

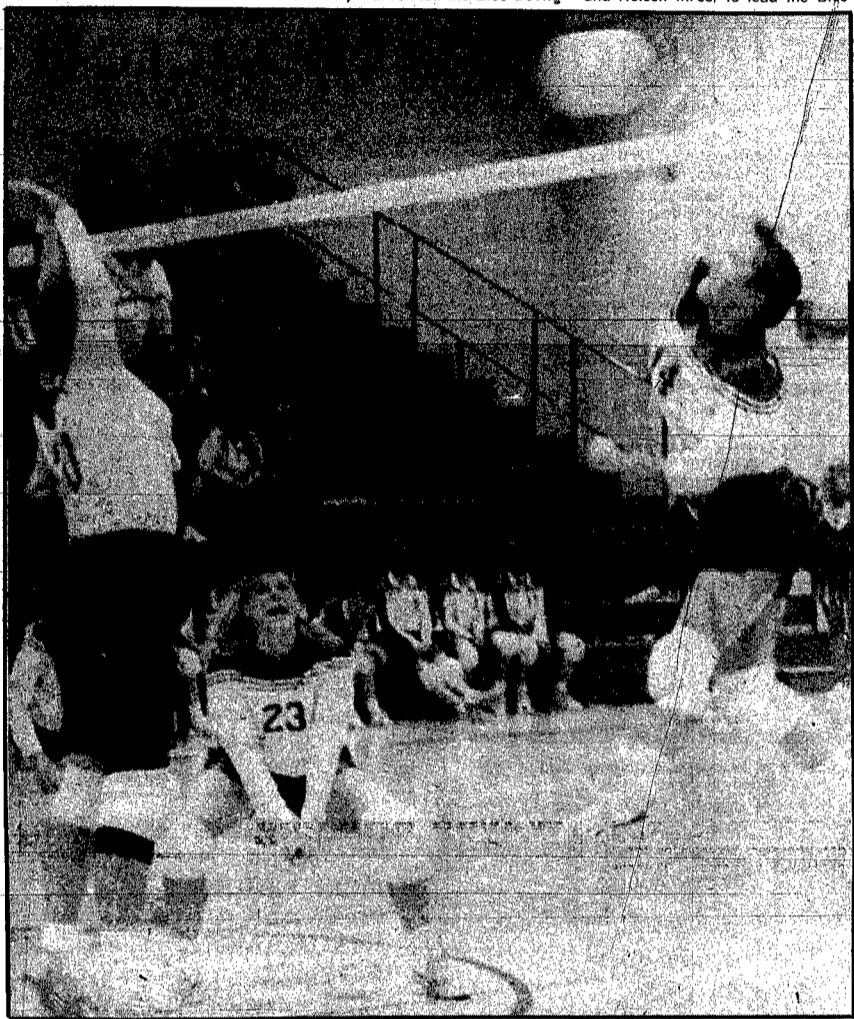

Hallstrom was a force on the spiking end of the stick as well, slamming five kill spikes in a 15 of 16 effort. Jessica Robins contributed five spikes in six attempts and Julie Greve was four of five with one kill.

The setting chores were again done by the twosome of Karen Witt and Cathi Larson. Witt was 15 for 16 with five assists, while Larson was 17 of 18 with six assists.

Robins was the leading defender for the Lady Trojans with a two for two performance in blocks with one ace. Incidentally, Hallstrom was a perfect 10 of 10 in tips with one ace.

Although Wakefield still has conference and districts to play yet, the "B" and "C" teams finished their seasons in the contest with Emerson.

The "B" team was defeated 15-13, 13-15, 9-15 and finished the year with a 10-3 mark. The "C" however, defeated the visitors 11-5, 11-3 and finished the year with an unblemished mark of 10-0.

DANA NELSON slams the ball over the net against O'Neill in first round action of conference play.

Become a Blue Devil Booster

Anyone interested in becoming a BLUE DEVIL Booster member may do so by contacting Cleo Ellis, 375-1391. A membership is \$5 a person. A business membership is also available this year for \$25.

The BLUE DEVIL Boosters not only support the Wayne High Athletic Program but also organize and support the post-prom party for all Wayne High School students. Please show your spirit by joining the Boosters today.

Parents night

Parents of the Wayne High athletes will be recognized at the home games this week. The parents of volleyball and girls golf participants are asked to check in at the Blue Devil Booster table prior to the volleyball game on Tuesday, October 25. The parents will be introduced between the Junior Varsity and Varsity match.

The parents of football, cross country, and cheerleading participants are asked to check in at the Blue Devil Booster table at 7 p.m. prior to the football game against O'Neill on October 26th.

Parents will be introduced before the game begins. Parents of athletes, please note times! "Person of Year Award" will be presented at half-time of the Wayne-O'Neill football game.

Refreshments will be served in the commons at the High School following both sporting events for the athletes, parents, coaches and all spectators.

Hurley earns honor

Wayne State volleyball player Meg Hurley earned double honors last week for her contribution to the Wildcat's 6-1 week. Hurley was named the CSIC and District 11 volleyball player of the week.

Hurley, a 6-0 senior middle hitter, was selected for her play in 25 games last week. The Omaha native had 60 kill spikes in 129 attempts for a 46.5 kill percentage.

Hurley was also 80 of 89 serving with 10 aces for 89.9 percent. She also had 14 solo blocks and 15 assisted blocks for 1.2 blocks per game and 33 digs for 1.3 digs per game.

Hurley was a contributing factor in Wayne State's runner up finish in the Nebraska Wesleyan Invitational, to raise their record to 25-18 on the year.

Hurley was named to the all-tournament team at Wesleyan and received the conference and district honors on Monday. It is the first time this season a Wayne State volleyball player has earned a player of the week award.

Hurley, an education major, is the daughter of Bernie and Dorothy Hurley of Omaha.

Athletes honored

Natalie Highman, president of the Wayne State letterman's club recently announced the male and female athletes of the month for the month of September.

Pat Wordekemper of West Point and Bev Moeller of Scribner were the recipients of the monthly honor.

Wordekemper, a 6-1, 185 lb. senior, is a tight end and punter for the Wildcat football team. Through Wayne State's first five games of the season, Wordekemper was leading the team with 30 catches for 373 yards and three touchdowns. His six catches per game was among the national leaders in NAIA schools. Wordekemper also averages 39.8 yards per punt, also among the nation's top 15.

Wordekemper is the son of Mr. and Mrs. Tom Wordekemper of West Point. He is a 1985 graduate of West Point High School.

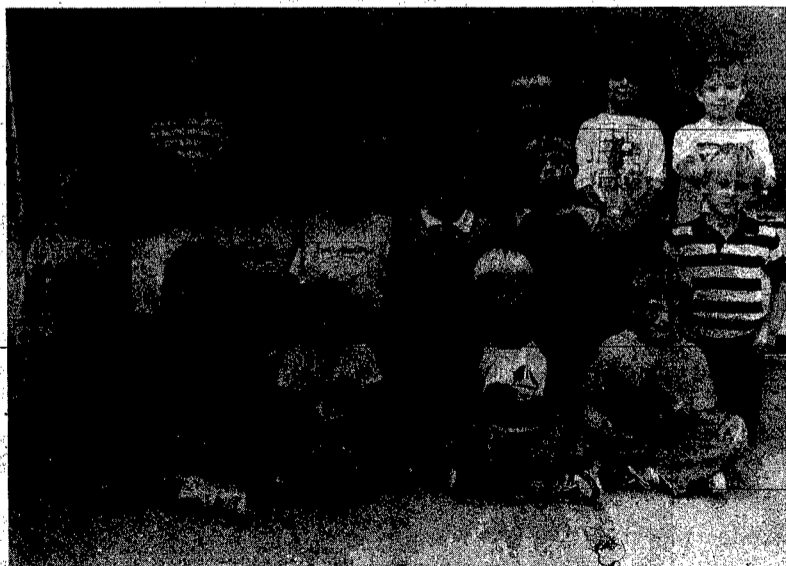

Moeller, a 5-6 setter, is a senior on the Wayne State volleyball team. Through the first month of the season she was leading the team in assists with 6.8 per game was ranked seventh in District 11 for that same average. She is a three-year letterwinner for the Lady Wildcats and has started every game so far this season.

The Wayne State W-Club Board, which is composed of varsity athletes from each sport at Wayne State, selects the Athlete of the Month. Both a male and female athlete are selected.

Moeller is the daughter of Joyce Moeller of Scribner.

Eagles soar past visiting Hartington

Allen running back Kent Chase may have been unconscious Friday night in the Eagles home contest with Hartington, but if he was, he may not want to be awakened.

Chase carried the ball 25 times for 263 yards and six touchdowns, enabling Allen to manhandle the visitors, 60-32.

The Eagles let all the cobwebs out as they totaled 458 total yards, 362 of which came by ground. Matt Hings however, had a fine night passing. The junior signal caller was 5-9 for 96 yards and no interceptions.

"The win felt good," coach Mike Busselman said. "We took a low key attitude into the contest that we could play well and we did."

Chase got things started early for Allen on a 26 yard run on a fourth and 18 call in the first quarter. On Allen's next possession he went 62 yards to paydirt with Shane Dahl getting the two point conversion.

Chase then scored his third touchdown of the first quarter on a 42 yard run, giving him 180 rushing yards in the opening quarter. Rusty

Dickens scored Allen's next touchdown on a six yard run, while Shane Dahl intercepted a Hartington pass minutes later and scampered 30 yards for another score.

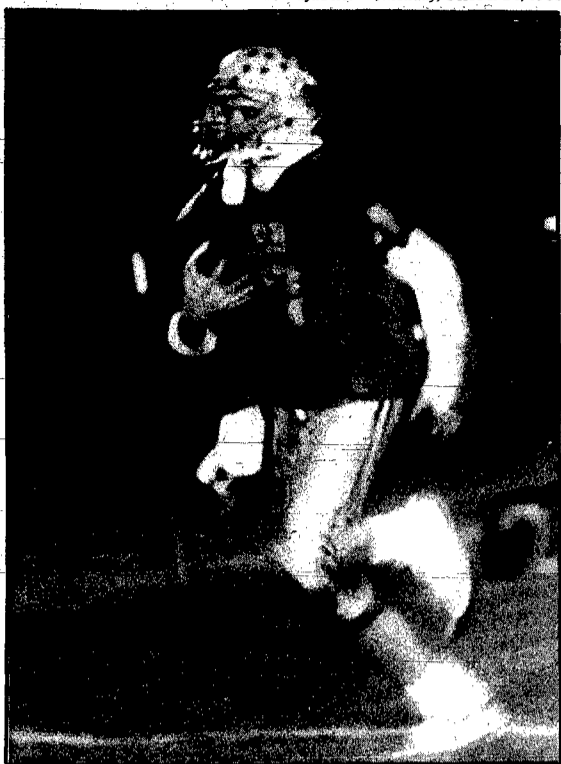

Dahl came right back on the next possession and caught a 26 yard touchdown pass from Hings. Then the "Chase" was on. Chase scored Allen's last three touchdowns on runs of 7, 13, and 1. For the season now, Chase has 794 yards.

Kevin Crossgrove, a freshman, led the defensive charge with 21 tackles

while Shane Dahl had 17 plus two interceptions. Rusty Dickens was in on 13 stops.

Ben Jackson was on the receiving end of two of Allen's five completions on the night for 37 yards. Shane Dahl caught one ball for 26 yards and a touchdown while Rusty Dickens and Todd Hohenstein each caught one, pass.

Allen will close out its season Friday night when they travel to Newcastle. A victory would leave the Eagles with a 3-6 mark on the year.

KENT CHASE finds nothing between he and the goal line in one of his six touchdown runs against Hartington Friday night. Chase rushed the ball for 263 yards on 25 carries.

Winside struggles at Bancroft

Winside suffered perhaps one of its worst first half performances of the season at Bancroft Friday night, and it was all the Panthers needed to coast to a 62-30 win.

"We really didn't respond well after losing last week's game," coach Randy Geier said. "We had some costly turnovers and penalties and that mixed with a well coached team like Bancroft is going to spell trouble more times than not."

Geier felt his team was tentative on defense but was proud of the kids' effort

in the second half. "Once again we have to give all the credit to Bancroft," Geier said. "They have a good program and they didn't turn the ball over against us."

The Panthers did one thing that no other team has really done well this season — they held Jacobsen to only 21 yards rushing.

"They did a good job of shutting 'Jac' down," Geier said. "But he had a heck of a night passing the ball on 9-17 with 189 yards."

Winside trailed at the intermission by the count of 32-6. The Wildcats' only score in the opening half came on a Max Kant three yard run. Jacobsen returned a kickoff 65 yards in the third quarter for the second score while rushing for three yards in the same quarter for the Wildcats' third score.

Jacobsen connected with Max Kant on a nine yard pass for a touchdown in the fourth quarter and the final score of the game for Winside came

on a 16 yard pass from Jacobsen to Steve Heinemann.

Incidentally, Heinemann was the leading receiver with four catches for 94 yards.

Chris Nau was the leading rusher for Geier with 65 yards while Kant managed 59. Heinemann led the defensive charge with 16 tackles while Jacobsen managed 11. Kant and Jason Krueger managed eight tackles apiece while Nau and Jeff Gallop had seven apiece.

CONTEST RULES

One football game has been placed in each of the ads on this page. Indicate the winner by writing in the name of the winning team on the proper line on the entry blank. No scores. Just pick the winners, or ties. In case of tie, write "tie." Use the entry blank below or a copy of equal size.

Write in your guess of the tie breaker question. This will only be used in case of a tie. The person that comes closest to the tie breaking answer will be the winner.

One entry only to each contestant, but members of a family may each submit an entry. Entries should be brought or mailed to the Wayne Herald office not later than 5 p.m. Friday, or if mailed, should not be postmarked later than 5 p.m. Friday. You need not be a subscriber of the Herald to be eligible for prizes.

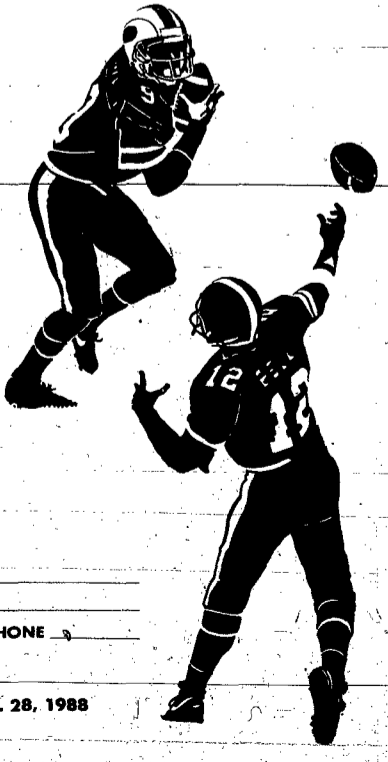

The Winners will be announced weekly on the Thursday sports page of The Wayne Herald. Judges' decisions will be final in every case.

Legal Notices

LEGAL NOTICE OF MEASURES TO BE VOTED UPON NOVEMBER 8, 1988. BALLOT TITLE AND TEXT OF CONSTITUTIONAL AMENDMENTS PROPOSED BY THE NINETIETH LEGISLATURE, FIRST AND SECOND SESSIONS, 1987 AND 1988.

Also Included Are Statements Of Explanation In Italics Prepared By The Executive Board Of The Legislative Council.

Proposed Amendment No. 1

A vote FOR this proposal will change provisions relating to the redevelopment of substandard or blighted property by any city or village, and for the financing thereof, to further define the project area involved to allow just a portion of a substandard or blighted area to be eligible for present constitutional financing methods for redevelopment of substandard or blighted property.

A vote AGAINST this proposal will retain the present constitutional provisions which do not allow just a portion of a substandard or blighted area to be eligible for present constitutional financing methods for redevelopment of substandard or blighted property.

"A constitutional amendment to change finance provisions relating to the redevelopment of substandard or blighted property by further defining the project area.

For
 Against

TEXT OF PROPOSED CONSTITUTIONAL AMENDMENT

Now, therefore, be it resolved by the members of the Ninetieth Legislature of Nebraska, first session:

Section 1. That at the general election in November 1988 there shall be submitted to the electors of the State of Nebraska for approval the following amendment to Article VIII, section 12, of the Constitution of Nebraska, which is hereby proposed by the Legislature:

CVIII-12 "For the purpose of rehabilitating, acquiring, or redeveloping substandard and blighted property in a redevelopment project as determined by law, any city or village of the state may, notwithstanding any other provision in the Constitution, and without regard to charter limitations and restrictions, incur indebtedness, whether by bond, loans, notes, advance of money, or otherwise. Such notwithstanding any other provision in the Constitution or a local charter, such cities or villages may also pledge for and apply to the payment of the principal, interest, and any premium on such indebtedness all taxes levied by all taxing bodies, which taxes shall be at such rate for a period not to exceed fifteen years, on the assessed valuation of the property in the project area portion of a designated blighted and substandard area that is in excess of the assessed valuation of such property for the year prior to such rehabilitation, acquisition, or redevelopment.

When such indebtedness and the interest thereon have been paid in full, such property thereafter shall be taxed as is other property in the respective taxing jurisdictions and such taxes applied as all other taxes of the respective taxing bodies."

Proposed Amendment No. 2

A vote FOR this proposal will authorize wagering by the parimutuel method on horseraces run both within and outside of the state, if such wagering is conducted at a licensed racetrack within the state.

A vote AGAINST this proposal will retain the present constitutional provision allowing wagering by the parimutuel method on horseraces run within the state only.

"A constitutional amendment to authorize wagering by the parimutuel method on horseraces run either within or outside of the state if such wagering is conducted at a licensed racetrack.

For
 Against

TEXT OF PROPOSED CONSTITUTIONAL AMENDMENT

Now, therefore, be it resolved by the members of the Ninetieth Legislature of Nebraska, second session:

Section 1. That at the general election in November 1988 there shall be submitted to the electors of the State of Nebraska for approval the following amendment to Article III, section 24, of the Constitution of Nebraska, which is hereby proposed by the Legislature:

CVIII-24 "The Legislature shall not authorize any game of chance, nor any lottery, or gift enterprise where when the consideration for a chance to participate involves the payment of money for the purchase of property, services, or a chance or admission ticket, or requires an expenditure of substantial effort or time, except PROVIDED, that it may authorize and regulate other lotteries, raffles, and gift enterprises which are intended solely as business promotions or the proceeds of which are to be used solely for charitable or

community betterment purposes without profit to the promoter of such lotteries, raffles, or gift enterprises. Nothing in this section shall be construed to prohibit the enactment of laws providing for the licensing and regulation of wagering on the results of horse races, wherever run, either within or outside of the state, by the parimutuel or certificate method, when such wagering is conducted by licensees within the race-track licensed racetrack enclosure, at licensed horse race meetings; or to prohibit the enactment of laws providing for the licensing and regulation of bingo games conducted by nonprofit associations which have been in existence for a period of five years immediately preceding the application for license, except that PROVIDED, bingo games cannot be conducted by agents or lessees of such associations on a percentage basis."

Proposed Amendment No. 3 (Parts A & B)

A.

A vote FOR this proposal would change from "electors" to "registered voters" those people who are eligible to sign an initiative or referendum petition.

A vote AGAINST this proposal would retain the current requirement that one must be an elector to sign an initiative or referendum petition.

B.

A vote FOR this proposal would allow those who are 18 years of age by the time of the general election to vote in the preceding primary election as well as in any local or special election of that same calendar year.

A vote AGAINST this proposal will retain the present system whereby one must be 18 years of age to vote in an election.

"A constitutional amendment to provide that only registered voters, instead of electors, may sign petitions for initiatives or referendums.

For
 Against

"A constitutional amendment to permit persons who have attained the age of eighteen years on or before the first Tuesday after the first Monday in November to vote in the calendar year in which such persons attain the age of eighteen years.

TEXT OF PROPOSED CONSTITUTIONAL AMENDMENTS

Now, therefore, be it resolved by the members of the Ninetieth Legislature of Nebraska, second session:

Section 1. That at the general election in November 1988 there shall be submitted to the electors of the State of Nebraska for approval the following amendments to Article III, sections 2 and 3, and Article VI, section 1, of the Constitution of Nebraska, which are hereby proposed by the Legislature:

CVIII-2 "The first power reserved by the people is the initiative whereby laws may be enacted and constitutional amendments adopted by the people independently of the Legislature. This power may be invoked by petition wherein the proposed measure shall be set forth at length. If the petition is for the enactment of a law, it shall be signed by seven percent of the registered voters of the state, and if the petition is for the amendment of the Constitution, the petition therefor shall be signed by ten percent of such electors registered voters. In all cases the electors registered voters signing such petition shall be so distributed as to include five percent of the electors registered voters of each of two-fifths of the counties of the state, and when thus signed, the petition shall be filed with the Secretary of State; who shall submit the measure thus proposed to the electors of the state at the first general election held not less than four months after such petition shall have been filed. The same measure, either in form or in essential substance, shall not be submitted to the people by initiative petition, either affirmatively or negatively, oftener more often than once in three years. If conflicting measures submitted to the people at the same election be approved, the one receiving the highest number of affirmative votes shall thereby become law as to all conflicting provisions. The constitutional limitations as to the scope and subject matter of statutes enacted by the Legislature shall apply to those enacted by the initiative."

CVIII-3 "The second power reserved is the referendum which may be invoked by petition, against any act or part of an act of the Legislature, except those making appropriations for the expense of the state government or a state institution existing at the time of the passage of such act. Petitions invoking the referendum shall be signed by not less than five percent of the registered voters of the state, distributed as required for initiative petitions, and filed in the office of the Secretary of State within ninety days after the Legislature at which the act sought to be referred was passed shall have adjourned sine die or for more than ninety days. Such petition shall set out the title of the act against which the referendum is invoked, and, in addition thereto, when only a portion of the act is sought to be referred, the number of the section or sections or portion of sections of the act designating such

portion. When the referendum is thus invoked, the Secretary of State shall refer the same to the electors for approval or rejection at the first general election to be held not less than thirty days after the filing of such petition.

When the referendum is invoked, as to any act or part of act, other than emergency acts or those for the immediate preservation of the public peace, health, or safety, by petition signed by not less than ten percent of the electors registered voters of the state, distributed as aforesaid, it shall suspend the taking effect of such act or part of act until the same has been approved by the electors of the state.

CVI-1 "Every citizen of the United States; who has attained the age of eighteen years; on or before the first Tuesday after the first Monday in November and has resided within the state and the county and voting precinct for the terms provide by law; shall, except as provided in section 2 of this article, be an elector for the calendar year in which such citizen has attained the age of eighteen years and for all succeeding calendar years."

Respectfully submitted,

ALLEN J. BEERMANN

LEGAL NOTICE OF MEASURE TO BE VOTED UPON NOVEMBER 8, 1988. BALLOT TITLE AND TEXT OF AN INITIATIVE PETITION.

INITIATIVE ORDERED BY PETITION OF THE PEOPLE # 402

A vote "FOR" will withdraw Nebraska from the Central Interstate Low-level Radioactive Waste Compact. It will require the approval of electors statewide and locally prior to the construction of any low-level radioactive waste disposal facility in Nebraska with certain exceptions. Those exceptions are for nuclear power plants and facilities which have already been approved for such activities and for facilities on the site of medical treatment or institutional research which store or dispose of radioactive materials produced as a by-product at the site.

A vote "AGAINST" will not withdraw Nebraska from the Central Interstate Low-level Radioactive Waste Compact, and will not impose a requirement for the approval of electors statewide or locally prior to the construction of any low-level radioactive waste disposal facility in Nebraska.

"Shall legislation be enacted which would withdraw Nebraska from the Central Interstate Low-level Radioactive Waste Compact, and which would require the approval of a majority of electors statewide and a majority of electors of the local area affected prior to the construction of any low-level radioactive waste disposal facility already approved for such disposal or storage and facilities on the site of medical treatment or institutional research which store or dispose of radioactive materials produced as a by-product at the site?"

TEXT OF AN ACT BEING REFERRED BY INITIATIVE PETITION

FOR AN ACT relating to Low-Level Radioactive Waste Disposal; to state intent; to repeal the Central Interstate Low-Level Radioactive Waste Compact; to require an election as prescribed; to require action by the Attorney General in certain circumstances; to define a term; to provide exceptions; to make provisions of this act severable; and to repeal certain sections.

Be it enacted by the people of the State of Nebraska:

Section 1. The People of the State of Nebraska hereby declare the following policy of the State of Nebraska:

(1) All persons residing in this State have the fundamental right to live in an environment which is free from contamination by radioactive waste;

(2) Participation by this State in the Central Interstate Low-Level Radioactive Waste Compact poses a potential threat to this fundamental right;

(3) Protection of the environment from contamination by low-level radioactive waste is necessary in order to protect the economic interest and the health, safety, and welfare of the citizens of the State of Nebraska;

(4) This State shall assume responsibility and meet its obligation to provide for disposal and management, and/or storage of low-level radioactive waste generated in this State through a policy that does not include membership in any regional interstate waste compact;

(5) The establishment, location, and construction of any low-level radioactive waste disposal facility within this State is a matter of statewide concern and interest of such gravity as to require direct approval by a majority of the electors of this State voting thereon in a statewide election;

(6) The establishment, location, and construction of any low-level radioactive waste disposal facility within this State is a matter of local concern and interest of such gravity as to require direct approval by a majority of the electors of the local area voting thereon in a statewide election.

Section 2. LB 200, enacted in 1983, titled Central Interstate Low-Level Radioactive Waste Compact, R.R.S. 1943, Volume 2A, Appendix (BB), is hereby repealed, withdrawing Nebraska from the Compact, and upon approval of this act in accordance with the provisions of Article VII, Section (d) of the Compact the Governor of Nebraska shall give immediate notice in writing of such withdrawal to each Governor of the party states.

Section 3. No low-level radioactive waste disposal facility shall be constructed in this State without the approval of a majority of the electors of this State and a majority of the electors of the local area voting thereon in a statewide election. The Attorney General of this State shall proceed immediately to enforce the construction or operation of any radioactive waste disposal facility that has not received approval as required by this act if requested to take such action by any resident of this State, and if, after being requested to do so, the Attorney General should fail to take such action within fourteen days, any resident of this State is empowered to bring such an action on behalf of all residents of this State. Nothing in this section shall preclude any other remedies available to residents of this state.

Section 4. Within fourteen days after an application for a low-level radioactive waste disposal facility has been approved by the licensing agency, the director shall certify such approval to the Secretary of State. Upon receipt of certification from the director, the Secretary of State shall cause the question of the approval or disapproval of such license to be submitted to the electors at the next ensuing general election occurring not less than sixty days after receipt of certification. The question submitted shall be phrased substantially as follows: "Do you approve construction of a low-level radioactive waste disposal facility as proposed for (location?)" followed by the words Yes and No. This measure shall be distinguished by the heading Radioactive Waste Ballot.

Section 5. For the purposes of this act, local area shall be defined as any voting precinct located, wholly or in part, within ten miles of the proposed facility.

Section 6. The provisions of this Act shall not apply:

(1) To any nuclear power plant or facility for the disposal or storage of radioactive wastes if, prior to approval of this act, such power plant or waste facility has obtained all federal, state, and local licenses, permits, certificates, variances and other approvals necessary for the construction and operation thereof; or

(2) To any facility solely for the storage or disposal of low-level radioactive waste generated within the State of Nebraska as a by-product of medical treatment or institutional research, provided that such storage or disposal is at the site of its origin or production.

Section 7. The provisions of this act shall be severable and if any phrase, clause, sentence, or provision of this act shall be declared invalid or unenforceable as to any person or in any circumstance, the remainder of this act or the application of its provisions to other persons or circumstances shall not be affected thereby. The provisions of this act shall be liberally construed to give effect to the purpose thereof.

Section 8. Sections 81-1579 and 81-15,104 (1) (f) of the Low-Level Radioactive Waste Disposal Act, R.S. Supp. 1987, and 81-15,114, 81-15,115, and 81-15,116 of the Low-Level Radioactive Waste Disposal Act, R.S. Supp. 1986 are hereby repealed.

Respectfully submitted,

ALLEN J. BEERMANN
