### Story to tell

Roger Helle rose to his feet, badly injured after a hand grenade exploded directly below him.

Then, after taking a few steps, he was shot down again by bullets from an enemy rifle. One bullet pierced his stomach, the other shattered his right arm.

The enemy soldier then sliced through Helle's stomach with a bayonet and left him bleeding, assuming the American would surely die.

Helle was rushed by helicopter to a Vietnam hospital where he overheard a doctor tell his twin brother that he would die.

But Helle lived. And on Tuesday, Feb. 28 at 7:30 p.m., Helle will share his story with Wayne State College students and the public at 7:30 p.m. in Ramsey Theatre.

Since returning from Vietnam, Helle has founded the Teen Challenge of the Midlands, an Omaha ministry that helps troubled people to find restoration through the love of Jesus Christ.

His dramatic survival has served as cover-story material for Parade Magazine and Guideposts. The program is free and sponsored by the Housing Office as part of Spiritual Emphasis Week.

### Direct relief

Nebraska Governor Kay Orr proposed legislation to provide Nebraska taxpayers with direct property tax relief.

The Governor's proposal would use the November revenue forecasts as a base. Any actual receipts above that base on June 30, the end of the state's fiscal year, would then be placed in a Property Tax Relief Trust Fund. For example, hypothetically, if the November forecast was for one billion dollars, and the June 30 actual receipts were one billion, 30 million dollars ... 30 million would be available for direct property tax relief. That money would then be distributed on a percentage basis to the Treasurer's office in every Nebraska county. Property taxpayers would then receive a reduction on their next property tax bill.

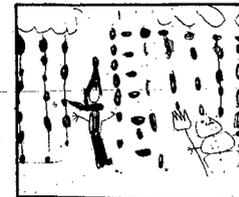

"This is an interim solution to the broader question of providing property tax relief and funding for state aid to local subdivisions. It will provide some temporary relief until we can address the entire matter," said the Governor.

### Pie feed

The residents and staff of Wayne Care Centre invite the public to enjoy cherry pie and coffee at the care centre today (Thursday) between the hours of 2-4 p.m.

Pie and coffee will be served for \$1 donation, with all proceeds going to the American Heart Association.

The cherry pies are being baked and donated by the Wayne Care Centre staff. "Best of Pies" will be selected Thursday morning by a panel of judges comprised of residents of the centre.

# LB 760 reaction positive

A legislative hearing concerning two bills — one calling for a name change to Kearney State College and the other to change the name of each college in the Nebraska State College System — took place Tuesday in Lincoln.

The hearing on the two bills, LB 160 and LB 760, happened before the Legislature Education Committee.

Under LB 160, Kearney State College would become a branch of the University of Nebraska, leaving the state colleges of Chadron, Peru and Wayne in the state college system.

LB 760 would rename all of the state colleges in the present system. Wayne State would become Northeastern Nebraska State University.

Chadron State College would become Western Nebraska State University; Kearney State, Central Nebraska State University; and Peru State, Southeastern Nebraska State University.

Earlier this February, the Board of Trustees of the Nebraska State Colleges voted to support LB 760 and asked that LB 160 be set aside during this current legislative session so the matter of adequate funding for state colleges could be the primary focus.

LB 760 proposes an identification that emphasizes the regional service and regional contribution the state colleges make, said Keith Blackledge of North Platte, who is chairman of the state college board of trustees.

Wayne State College's Faculty Senate, in a meeting Monday, voted 7-0 to favor LB 760 and have the college's name changed to Northeast Nebraska State University.

Dr. Chris Bonds, chairman of the faculty senate, said Monday he is generally in support of LB 760 because it is in line with a national trend.

"In the last two years, state colleges in Maryland, Michigan and North and South Dakota have had name changes approved. A total of 75 percent of state institutions which offer degrees no higher than the master's are designated state universities [nationally]. Some of these do not have either the enrollment or the diversity of Wayne State College," said Bonds.

Bonds said evidence shows that colleges which become universities improve in terms of prestige and grant support.

"I think, too, that changing the names would more correctly emphasize the regional role of each

college in serving the need for higher education in Nebraska," Bonds said.

Wayne State College has an enrollment of 2,875 students and offers master's degrees in education.

Provost Dr. Donald Whisenhunt told the faculty senate that the name change would "not mean a change in the college's role and mission."

He considered LB 760 as a political move to counter LB 160. "Or, LB 760 offers an opportunity to change our name assuming LB 160 would have passed," mentioned Whisenhunt.

Members of the faculty senate, who vote as representatives of their respected divisions, are John Renzelman, JoAnn Bondhus, Gene Bigelow, Bonds, Janet Schmitz, Russ Rasmussen, Fred Schnell and Robert Foote. Favoring support of LB 760 were Renzelman, Bondhus, Schmitz, Rasmussen and Foote. Jean Blumenkamp, appearing at the meeting in place of Bigelow, also voted in favor of the proposal. Schnell was not present at Monday's meeting.

Dr. Donald Mash testified Tuesday before the Legislature Education Committee. He said the state colleges in Nebraska fulfill vital roles.

"Students have been coming to the Nebraska State Colleges in increasing numbers," Mash said. "Over the last five years there has been a 19 percent increase in state college enrollment."

Nebraska State Colleges are not end products, Mash said.

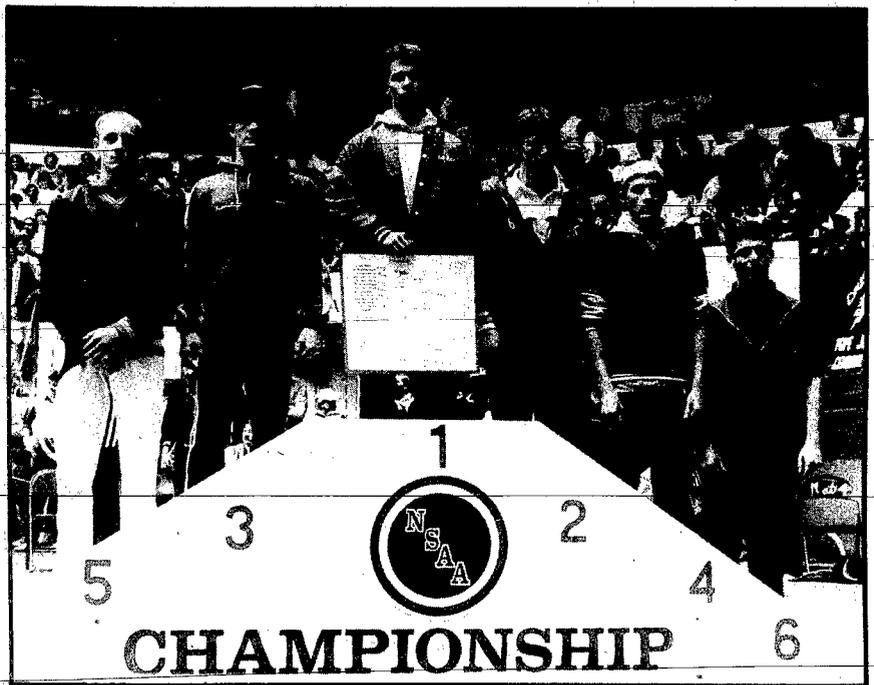

"We are simply means to an end. We are investment vehicles, public agencies carrying out regional agendas for statewide development," he said.

"Our regional emphasis is both necessary and effective, whether applied to instruction and the development of students, or public service and the development of our regions," he added.

"I've read and heard some of the gloom and doom scenarios about the future of the three smallest state colleges, given some of the possible outcomes of this legislative session. I don't believe they're warranted," Mash said.

"I'm also aware that someone once said — if you're not paranoid, you're not paying attention."

Mash said previously that whether Wayne State is called a college or an university, or whether a three or four institution system, adequate funding is still the primary issue.

## Reaching the top

**WINSIDE GRAPPLER Max Kant stood above the rest of Class D's 135 lb. weight class. Kant defeated three of state's other five placers en route to the gold medal. Placing second was Josh Arstingstall of Osh Kosh. Third place honors went to Randy Gifford of Harrisburg while Jim Wiese of Muller placed fourth. Joe McDaniel of Sargent earned fifth place honors while Tait Rowley of Adams placed sixth.**

## Among Wayne residents

# Study shows water usage numbers

A study shows that of the 1,416 residential customers charged Wayne city water rates, almost half of that population has an average monthly consumption range of from 2,500 to 8,000 gallons.

That information was shared by Wayne City Administrator Phil Kloster during last Tuesday's (Feb. 14) meeting of the city council.

At that meeting, city council members voted 6-0 to lower the water rates. There is to be a residential winter water rate and a summer water rate.

The new net water rate is as follows: Winter rate — 0-2,500 gallons, \$3.20 per 1,000 gallons; 2,501-8,000 gallons, \$2.20 per 1,000 gallons; 8,001 to 14,000 gallons, \$2.10 per 1,000 gallons; and 14,000 gallons on up, \$1.95

per 1,000 gallons. Minimum charge is \$8 instead of \$10.

Summer rate — 0-2,500 gallons, \$3.20 per 1,000 gallons; 2,501-8,000 gallons, \$2.10 per 1,000 gallons; 8,001-14,000, \$1.95 per 1,000 gallons; 14,000 gallons on up, \$1.80 per 1,000 gallons. Minimum charge is \$8 instead of \$10.

The new rates will go into effect with the April billing. Winter rates would be in effect for the billing of each Nov. 1 through June 1 while summer rates would apply from July 1 through Oct. 1.

Under the present billing procedure, a resident of Wayne using 8,000 gallons within a month would be charged a net of \$23.20. With the new water rates, in winter the cost would be \$20.10 for

8,000 gallons used. In summer, the charge would be \$19.55 per month.

It is estimated that the annual reduction in revenue from the rate decreases will amount to \$55,000.

There is an average of 284 customers out of the total 1,416 customers (20.1 percent) that fall under the minimum or under 2,500 gallon monthly water consumption range. Nearly 50 percent of customers fall into the 2,500-8,000 gallon water consumption range and 20.6 percent fall into the 8,000 to 14,000 gallon range.

Only about 10 percent exceed the 14,000 gallon consumption range.

THE SPANISH DANCE THEATRE will appear Monday at Ramsey Theatre.

# Dance company to perform

Teatro de Danza Espanola (The Spanish Dance Theatre) will visit Wayne State College's Ramsey Theatre, Monday, Feb. 27 at 8 p.m.

The group, which travels throughout the world, will display its fiery, yet elegant, flamenco style of dance as part of Wayne State's 1988-89 Black & Gold Series.

Formed and directed by the renowned choreographer, Luisillo, Teatro de Danza Espanola has given more performances abroad than any other comparable Span-

ish dance company. The members of the ensemble are young, highly professional dancers from Spain who are dedicated to their art and strive to attain the highest level of dancing throughout each season.

The company has also appeared in many of the finest theatres in European cities such as Paris, London, Rome, Madrid and Brussels.

Teatro de Danza Espanola has toured Australia, New Zealand, the Philippines, Thailand, Japan and Malaysia and has made three tours

of the United States.

Four soloists, Maria Vivo, Juan Fernandez, Rocío Acosta and Miguel Valeran, highlight its performance.

Tickets for the public, which are \$4, may be obtained at the Business Office, first floor of the Hahn Administration Building. Students may pick up tickets at the Information Desk in the lower level of the Student Center. Faculty and staff can acquire tickets in the Budget & Finance Office, third floor of Hahn.

# Road plans approved

The Wayne County Board of Commissioners approved the one and six year road improvement plan on Tuesday following a public hearing at the county courthouse.

Sid Saunders, highway superintendent for Wayne County, said the public hearing was attended by three individuals. There were no changes that came about following the public hearing, he said.

However, prior to the hearing Saunders made changes in the improvement plan that would result in the reduction of county costs on one project and he added another project to the 1989 improvement plan.

The bridge to be replaced four miles west and six miles north of Wayne (along with grading and graveling on approaching roadways) was initially estimated to cost \$150,000. Of that amount, \$120,000 was anticipated in federal aid while state aid was ex-

pected at \$7,500 and the county's share was estimated to cost \$22,500.

Total cost of the bridge replacement will remain as before (\$150,000), according to Saunders.

However, Wayne County's cost share of the project has been reduced by \$7,500 and the state aid share was raised \$7,500. Both will now pay an estimated \$15,000 share in the bridge cost.

Added to the list of 1989 projects was a proposal to remove and replace a metal pipe culvert three miles east and 5 3/4 miles south of Winside, a north-south road, near the Randy Janke property in District Three. The cost of this project is estimated at \$4,000.

The total estimated cost for all of the county road improvement projects in 1989 is approximately \$828,000.

# Finalist list narrowed down

It's narrowing down time. The list of finalists to be selected for eligibility in the third annual Wayne Great Giveaway promotion has expanded to 12, leaving only four more to be drawn within the next two weeks.

Most recent finalists, drawn Tuesday at Hardee's by Brendan Dorcay of Wayne, include Paul Dangberg, who registered at Trio Travel, and Marilyn Rethwisch, who placed her name in the Giveaway box at Sav-Mor Pharmacy.

The remaining 10 candidates include Virgil Kardell, Wayne; Eva Brockman, Wayne; Babs Middleton, Wayne; Phyllis Rahn, Wayne; Harold Fleer, Wayne; Lillian Granquist, Wayne; Ernie Swanson, Wayne; Brendan Dorcay, Wayne; Ruth Haun, Wayne; and Russell Lutt, Wayne.

Grand prizes in the promotion include a Vacation Trip for Two, or \$200 in Vacation Bucks. The winner can choose from four different vacation trips.

The trips include special flight packages to either Phoenix; Las Vegas; or any other major airport city in the entire continental United States. The fourth choice is a bus tour.

These trips, purchased and coordinated by Trio Travel of Wayne, includes lodging with one exception — the air travel only to and from any major airport city in the continental United States.

In this edition is the seventh installment of ads for the 1989 Great Wayne Giveaway III promotion. The last installment will run in the March 2 edition of The Wayne Herald and Marketer.

## Wayne State College student designs Haven House poster

A new poster advertising services available through Haven House Family Services Center in Wayne has been designed by Wayne State College student Peg Bierhaus.

Haven House Director Sara Campbell said the poster, entitled "Battered Emotions, Battered Bodies" (see Haven House story elsewhere in this page) will be displayed throughout the five-county area served by Haven House, including Wayne, Dakota, Thurston, Dixon and Cedar, and will include a 24-hour crisis line number for women who have been physically, emotionally or sexually abused by their partner.

Bierhaus was one of five Wayne State students who submitted poster ideas after listening to Campbell talk about domestic violence/sexual assault victims. All of the artwork was done in the commercial design class at Wayne State, under the direction of Vic Reynolds, associate professor.

Bierhaus, a resident of Norfolk, received her BFA degree from the University of Nebraska-Lincoln and post graduate hours at Wayne State for renewal of her teaching certificate. She is currently substitute teaching in Norfolk. She and her husband Steve, an accountant, are the parents of one son, seven-year-old Adam.

Other students submitting poster ideas for Haven House were Sharon Klein of Sanborn, Iowa, Janet Hunter of Norfolk, Amy Wattier of Osmond, and Joel Ott of Beemer. Klein's poster will be used to advertise Haven House's newly formed support groups for abused and formerly abused women.

Campbell said all of the posters will be reviewed at a board meeting of the Nebraska Domestic Violence/Sexual Assault Coalition for possible adoption by other agencies.

## For abused women

# Haven House Family Services sponsoring support groups

Haven House Family Services Center, located in Wayne, has announced that it will offer support groups for abused and formerly abused women.

Director Sara Campbell said the support groups, which will begin meeting on Monday, March 13, are designed, not as therapy sessions, but as a safe place where women can get together with other women who are, or have been, in the same situation.

In addition, the group will offer support, guidance and education on domestic violence. Each session will run for 10 weeks.

Campbell stressed that the support groups will be under the strictest confidence and persons who would like additional information, or to register, are asked to call Haven House at 375-4633.

HAVEN HOUSE, which was founded in December of 1978, is dedicated to helping women who have been

Battered Emotions... Battered Bodies...

physically, emotionally or sexually abused by their partner.

In addition to the newly formed support groups, Haven House offers a 24-hour crisis line, crisis intervention counseling, safe temporary shelter, food and financial

assistance, emergency transportation and referral services.

Haven House serves a five-county area, including Wayne, Dakota, Thurston, Dixon and Cedar, and is one of 23 programs in the State of Nebraska. There are approximately 1,200 shelters nationwide.

In addition to Campbell, Haven House is staffed by Barb Cunningham, who serves as director of volunteers.

ACCORDING TO Campbell, statistics indicate that three to four million American women are beaten each year.

Forty percent of all women murdered in this country are killed in a domestic violence incident, and some statistics indicate that 60 percent of all marriages will experience some form of abuse.

Campbell stressed that all inquiries and help provided by Haven House are kept strictly confidential.

## Engagements

Graduating were Arnold and Joan Marr, Melvin and Joye Magnuson and Merlin Rinehardt of Wayne, Lowell and Betty Rohlf and Violet and Henry Arp of Carroll, Joan Johnson of Laurel, and Marty and Linda Stewart of Dixon.

Next dance will be March 5 at 8 p.m. in the Laurel auditorium with Dale Muehlmeier as caller. Hosts will be Fay and Marj Bock and Eldon Vanderheiden.

The spring festival is scheduled March 31 at Laurel High School. Vernon and Lois Miller are in charge.

## Jensens mark 40th year at reception in Winside

An open house reception was held at St. Paul's Lutheran Church in Winside on Feb. 19 to honor the 40th wedding anniversary of Winside residents James and Betty Jensen.

Approximately 85 guests attended from Wisner, Pilger, Wayne, Fremont, Blair, Lincoln, Norfolk and Winside. Seated at the guest book were Mrs. Larry Hank of Wayne and Mrs. Tom Koch of Winside.

A PROGRAM was presented by Mrs. Jensen's sister, Mrs. Austin Erxleben of Wayne, who reminisced of the couple's courtship, marriage and 40 years together. She closed with a song, "Side By Side," and a poem, "Farm Folk."

RaDelle Erxleben of Wayne and Mrs. Jensen's brother, Warren

Carsten of Wisner, sang "Bless This House" and "How Great Thou Art." They were accompanied on the piano by Mrs. RaDelle Erxleben.

The program closed with a message and prayer by the Rev. John Fale.

THE ANNIVERSARY cake was baked by the couple's son, Lyndon Jensen of Winside, and served by Mrs. Warren Carsten and Mrs. Austin Erxleben.

Serving punch were Tara Erxleben and Mrs. RaDelle Erxleben. Other assisting were Mrs. LaVerne Greunke, Mrs. Vera Mann, Mrs. Doris Marotz and seven members of the Center Circle Club. Jensens were married Feb. 20, 1949.

## Kant reigns as 135 King

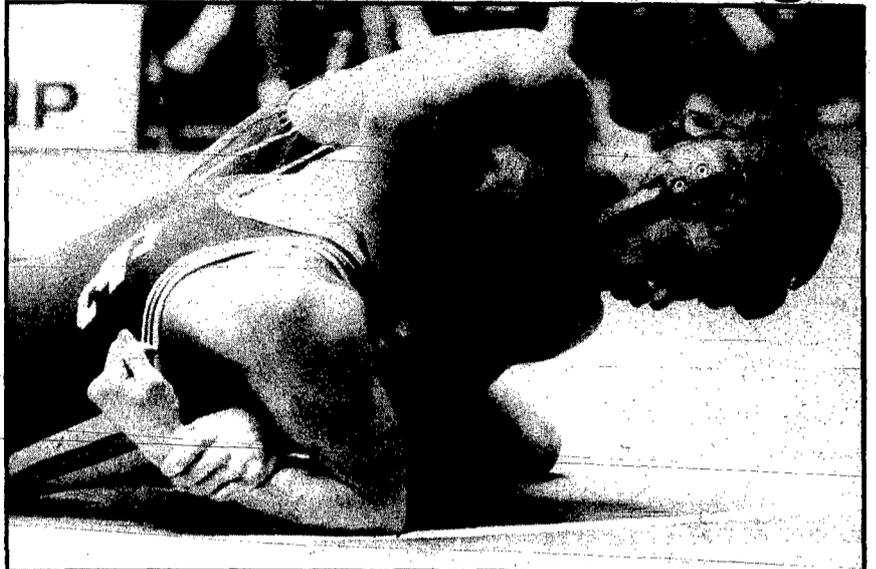

Although Winside's wrestling team didn't sport any seniors on this year's roster, Paul Sok's Wildcats managed to medal two grapplers including the championship gold earned by junior Max Kant in the 135 lb. weight class, in last weekend's annual state wrestling tournament in Lincoln's Bob Devaney Sports Center.

Kant defeated Osh Kosh grappler Josh Arstingstall in the finals by a 10-2 count. In other action, Chad Carlson overcame his defeat in the semi-finals to Hemingford's Adam Hall, to capture a fourth place medal. Jason Krueger at 171 lbs., and Brian Thompson at 189 lbs., did not medal for Winside, but earned valuable experience for next year.

"Things went pretty well for us despite our youthfulness," Sok said. "Brian Thompson - caught a cold before we went down to Lincoln and he was pretty congested. I thought Jason Krueger had a tough weight class to compete in. His first opponent was a 2-time state runner-up and his second match was against a guy who placed third or fourth down here."

Sok was especially pleased with the championship Max Kant earned. "Max put a lot of pressure on himself," Sok said. "He wants to do well and not make mistakes and sometimes if he just goes out and wrestles and lets himself go with the flow, he wrestles better."

Sok said that Kant wrestled his best match during the finals. "That was the best Max has looked in the

## Wayne records top 10 finish

Wayne wrestling coach John Murtaugh may remember this year's wrestling group for the rest of his life. Murtaugh has literally turned the Wayne wrestling program around in his stint as head coach.

You might dimly recall two years ago when Wayne didn't qualify any wrestlers for the state tournament. Murtaugh stressed hard work and continual practice would make them better.

Then last season Wayne captured the conference crown and sent four wrestlers to state. No one medaled but they took a giant step.

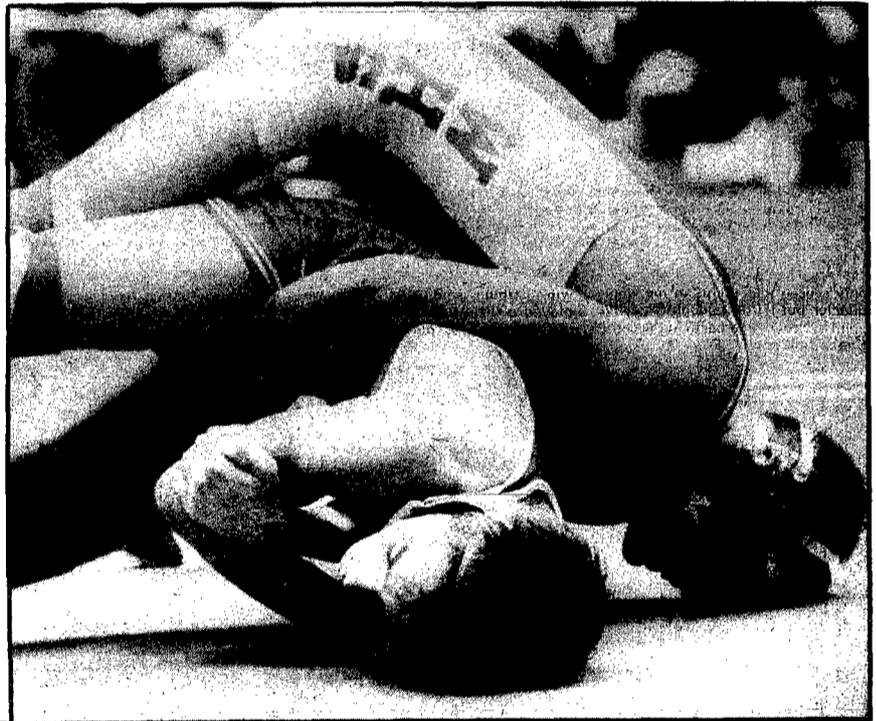

Then, this year's squad rewrote several records as they again captured the conference title, won eight of ten duals, finished runner-up in the district meet, (the first time ever), and qualified six wrestlers for the state tournament.

Wayne captured eighth place honors as a team at the state meet, the unofficial highest recorded finish ever by a Wayne team.

Mike DeNaeyer nearly became the first Wayne grappler to capture the elite gold medal at state since Kevin Koenig.

DeNaeyer yielded to Valentine's Steve Frank in the finals, 6-5. "I was sorry Mike couldn't win," Murtaugh said. "But overall I'm very pleased with the way we competed."

"It's been a super year," Murtaugh said. "This whole wrestling team represented Wayne - very well. The entire bunch are a classy group of kids and it was a pleasure to work with them this year."

CHRIS LUTT pretty much had things well in hand in his match for fifth place.

Due to space limitations for the pictures, Monday's paper will have more comments from Murtaugh and a broader look at each wrestler in the column entitled, "Puttin up with Pete."

## Wayne thumps Creighton

By a 35-30 count

# Wayne vaults past West Point

By Kevin Peterson  
Sports Editor

Wayne jumped out to a quick 7-0 lead over fifth seeded West Point Monday night in the first round of the B-4 girls district basketball tournament in Norfolk, but had to hold off a late West Point charge to advance to the semi-final round with a 35-30 victory.

Wayne, entering the game as the tournament's fourth seed, was outscored 10-5 through the remainder of the quarter to only lead by two heading into the second period at 12-10.

Kristy Hansen kept Wayne humming in the first quarter, scoring six of the Blue Devils 12 points. Heidi Reeg accounted for four more and Holly Paige sank a six footer in the paint to account for the first quarter scoring.

The Blue Devils came out flat in the second period and relinquished the lead for the first time with 4:02 remaining in the opening half at 16-15. Heidi Reeg found the going a little rougher in the second quarter as she had her shot blocked several times by the taller West Point post.

Kristy Hansen remained an inspiring factor to the Blue Devils as she recorded three steals in the first half and finished the game with six. "I thought Kristy did an excellent job of blocking out on the boards and hustling after the loose balls," coach Marlene Uhing said.

With West Point leading by a single point and less than forty seconds remaining until intermission, Wayne went for the final shot. Dana Nelson got loose with five seconds remaining and drilled a 14-footer to give Wayne the lead at 19-18 at intermission.

Wayne came out in the third quarter much like they did in the first quarter, ready to run. In fact, the Blue Devils jumped to a 31-20 lead with just over two minutes remaining in the third period before West Point mounted another comeback.

Dana Nelson came out gunning in the third quarter, connecting on two 3-pointers. West Point hit the final shot of the quarter to close the gap to 31-22 with eight minutes remaining.

Wayne suffered a scoring drought in the fourth quarter only scoring one point in the first 5:30. The Blue Devils only scored four points in the whole quarter but it was enough for a five point victory and a berth in the semi-final round against Columbus Scotus on Wednesday night.

West Point's final scoring came with 2:30 left in the game when Jackie Frazier got an offensive rebound off of a missed free throw and cut the Wayne lead to 32-30.

Wayne came down and took 1:17 off the clock before turning the ball over on an out of bounds violation. West Point missed its attempt to tie or go ahead in the game and Dana Nelson came away with the rebound.

Wayne stalled around before West Point fouled Dana Nelson. Nelson connected on the front end of the one-and-one. After a time out by West Point, Nelson missed her second free throw and West Point was ready to make their final charge.

Instead they suffered a traveling violation at mid-court and Wayne regained possession. On the inbounds pass, Wayne found an open Teresa Ellis sprinting toward the basket and she converted the lay up for the final margin of victory.

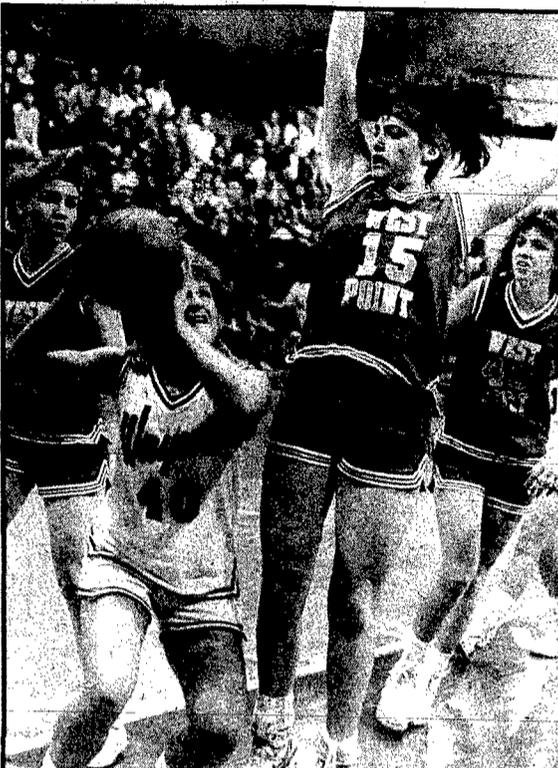

"West Point played well I thought," Uhing said. "In the first half their post scored 12 points and they scored all their points inside the paint. In the second half we did a much better job of blocking out and their post didn't score."

Uhing said there was quite a difference from the first time the two teams met. "In the first meeting we led the whole way and we got them to turn the ball over many times due to our press," Uhing said. "In this game they handled our press very well and only had 12 turnovers."

Wayne was led in scoring by Dana Nelson's 13 points. Kristy Hansen finished with eight and Heidi Reeg added seven. Teresa Ellis poured in four while Holly Paige netted two. Robin Luft rounded out the attack with one.

Wayne outrebounded West Point 24-20 led by Heidi Reeg's 10 caroms. Kristy Hansen and Teresa Ellis had four rebounds each. Hansen again finished with six steals.

"We were glad to escape with a win," Uhing said. "At times we played a little tentative but for the most part I was pleased with our play." Holly Paige incidently, led the team in assists, dishing out five.

KRISTY HANSEN draws West Point's Jackie Frazier into the air before laying the ball off the glass for two of her eight points. Hansen was also fouled on the play and completed her three point attempt. Hansen played a fine game on offense as well as defense. She came away with six steals to lead the team.

The Wayne Blue Devils ended their regular basketball season schedule with a home victory over Creighton on Saturday night, 73-45. The win moved the Blue Devil record to 13-7.

Wayne jumped out to a 19-6 lead after one quarter of play and increased the lead to 41-23 at intermission, leaving little doubt as to who would win the game.

It ended up being the first game of the season where everyone on the bench saw playing time and 10 different players scored.

Wayne outscored Creighton in every quarter to keep increasing their lead until the final margin of 28 was reached.

Neil Carnes scored a career best of 22 points to lead the Blue Devils while Jarrod Wood and Rob Sweetland also enjoyed double figure evenings with 13 and 11 points respectively.

Jed Reeg followed with eight points and Willy Gross poured in seven. Jess Zeiss netted four points and Kevin Hausmann, Craig Sharpe, Adam Mrsny and Brian Lentz all netted two points each.

Doug Larsen did not play after spraining his ankle in the game on Friday at Pierce. All indications however, report that Larsen should be back at full strength for the first round district action which re-matches Wayne and Pierce at Northeast Community College in Norfolk this Saturday afternoon.

Wayne did a fine job of holding on to the basketball as they only turned it over nine times. Defensively, the Blue Devils forced Creighton into 18 mishaps. Wayne also held a 34-30 advantage on the boards.

Jarrod Wood led the team in rebounding with nine rebounds while Jed Reeg managed eight and Neil Carnes hauled down seven rebounds.

Saturday night marked the end of the junior varsity season and the locals went out with a bang. Wayne defeated Creighton's junior varsity, 64-35.

Three Wayne players finished in double figures led by Craig Sharpe's 16 points. Craig Dyer added 14 and Brian Lentz poured in 12. Wayne's junior varsity team finishes the year with a successful 11-4 record.

### Student athletes honored

Ten student-athletes at Wayne State College will be honored Feb. 24 as recipients of the President's Scholar-Athlete Award, according to Pete Chapman, Wayne State athletic director.

The student-athletes are the first group to be honored for their academic performances. To qualify, the students must earn a grade point average of 3.20 or above on a 4.0 scale. They will be honored for their academic performances during the fall, 1988 semester.

The awards will be presented at halftime of the Wayne State-Pittsburg State men's basketball game on Friday, Feb. 24.

Athletes receiving the awards are Chuck Burt, Norfolk; Dan Fehringer, Bloomfield; Harry Gardner, South Tama, Iowa; John Pezdirtz, Omaha; Scott Raue, Pierre, South Dakota; Bev Moeller, Scribner; Phyllis Boehmer, Newcastle; Stacey Deterding, Fairmont; Buffy Romshak, David City; and Stacy Zehr, Palmer.

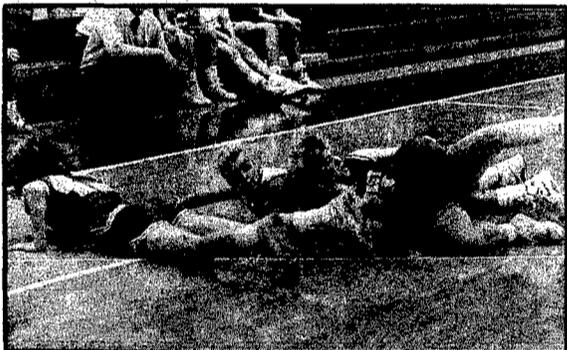

### Little Kids Wrestling Program

The Wayne Wrestling Club's Little Kids Wrestling Program will begin on Monday, Feb. 27. All boys in first through eighth grades are encouraged to participate.

Grades one through four will practice at the elementary school while grades five through eight will practice at the middle school.

First and second graders will practice on Mondays and Wednesdays and the third and fourth graders on Tuesdays and Thursdays.

The fifth and sixth graders will practice on Mondays and Thursdays with the seventh and eighth graders participating on Tuesdays and Wednesdays. Practices will run from 4:5 p.m. daily. For more information contact John Murtaugh at 375-2645.

TERESA ELLIS gets caught up in a mad scramble for a loose ball during Wayne's first point victory over West Point in first round district action.

## I have a confession to make.

"It's my fault. Because I've had no time for the two people who matter most. You and me.

Well, that's over. This weekend, supper will be just the two of us. We'll leave the do-not-disturb sign out until we're good and ready. And I'm going to take a long, luxurious bubble bath. Yes, me.

Where'd the inspiration come from?

The Marina Inn. Where I'm going to do all this—and more. In fact, my Marina Inn weekend will have everything. If I can have it with you."

*At the Marina Inn we have a variety of weekend packages, that vary in price depending on how much you'd like to indulge, and they are all very reasonable. You'll have access to our indoor pool, sauna and exercise room, plus our one-of-a-kind, good food, good time restaurant and bar, Garfunkel's. And that is only the beginning. ## Jacobsen pours in 25

# Winside advances in districts

The Wildcats of Winside advanced to the final round of sub-district play with a 62-59 victory over Beemer Tuesday night in Wakefield. In the opening contest, Coleridge dismantled Clarkston by 22 points, 70-48, to set up the third Winside-Coleridge clash this season with both teams splitting the first two.

The final is slated for Thursday night in Wakefield at 7:30. Coach Randy Geier will have to have his team play a little more consistently than they did against Beemer.

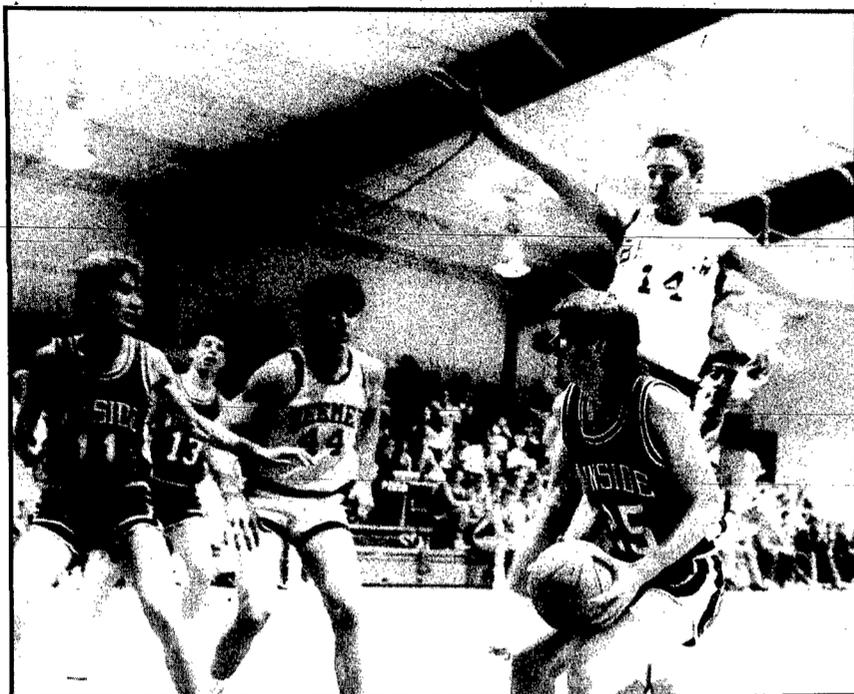

The Wildcats received a couple of breaks in the game as Beemer was called for technical foul before the contest began as a player was hanging on the rim. Beemer got called for another technical foul in the fourth quarter and Tim Jacobsen converted on all four of his total technical foul shots.

The Wildcats jumped to a 17-10 lead after one quarter but Beemer used their quickness to tie the game at intermission at 30. Both teams scored 12 points in the third quarter before Winside's poise took over.

"We showed a lot of poise in the fourth quarter," Geier said. "We hit 11 of 15 free throws and the guys knew what they had to do to win."

Jacobsen led all scorers with 25 points while Randy Prince netted 15. Steve Heinemann poured in eight and Mark Brugger netted seven. Gary Mundil and Darren Wacker netted four and three points respectively.

Jacobsen was 12 of 16 from the foul line and hauled down 17 rebounds to lead Winside to a 44-39 rebounding advantage. Mark Brugger and Darren Wacker also hit three of four from the charity stripe.

## WSC enjoys friendly confines of Rice

Wayne State took another giant step in reminding the rest of the CSIC mens basketball members that Rice Auditorium is not an easy place to come in and breeze to a victory, this past weekend.

On Friday night the Wildcats hosted conference leading Emporia State and when all was said and done, Wayne State had recorded the upset over the favored Hornets, 72-66.

"We did a good job of holding the conference's leading scorer in Ryan Sprecker down," Wayne State mentor Steve Aggers said. "He came in averaging over 25 points a game and we held him to 14."

Wayne State's defense has supplied their offense with points all season long. Their defense on Friday night allowed only four points for Emporia State during the game's final five minutes.

"We played outstanding full court pressure defense," Aggers said. "We forced them into 26 turnovers." Wayne State also outrebounded Emporia State by eight, 37-29. Marques Wilson led the carom charge with 11 rebounds.

Steve Dunbar and Wilson led the team in scoring with 15 and 14 points respectively, while coming off the bench. Eric Priebe, Oliver Cesair and Casey Gates added eight, seven and seven points each.

"We're getting quality minutes from our bench," Aggers said. "Our success depends totally on a team effort."

**Cats earn sweep**  
Wayne State came back the following night to play against highly touted and rated Washburn University and for the second consecutive night, Wayne State earned the upset, this time by a 74-69 decision.

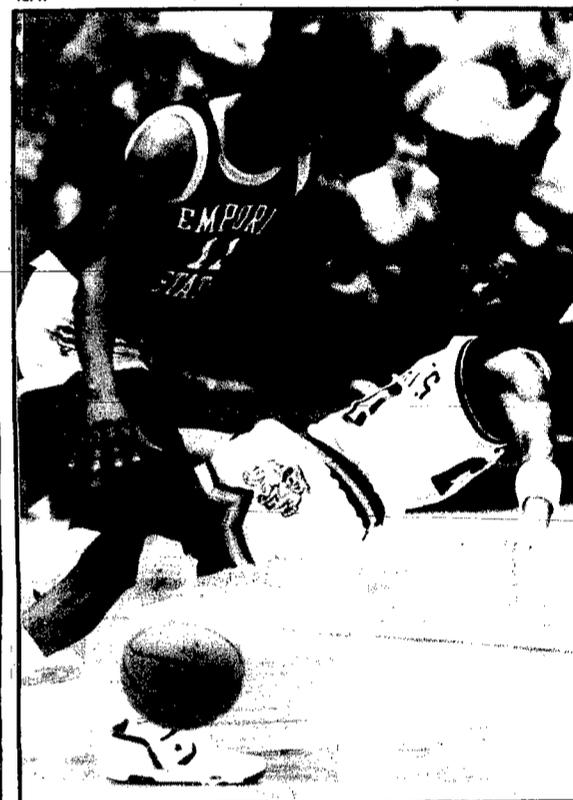

"This was the first time Wayne State has defeated Washburn in my time here," Aggers said. "Again it was the great play of our defense which allowed us to be successful on offense."

Wayne State now sports an 8-1 record in the cozy confines of Rice Auditorium and a 16-9 record overall. The Wildcats led by three at the intermission, 35-32, but got down midway through the second half.

"With 8½ minutes remaining in the game we were down by four points at 56-52," Aggers said. "Then we went on an 8-0 scoring run to lead 60-56." The scoring run was aided by a couple of steals by the tenacious Wildcat defense.

Steve Dunbar and Marques Wilson keyed the victory through scoring with 25 and 22 points respectively. Wilson led all rebounders with 15 caroms.

Wayne State connected on 80 percent of its free throws for the contest. The Wildcats will close out their regular season play this weekend with a pair of home contests with Pittsburg State on Friday and Missouri Southern on Saturday.

# Laurel ends season to Ponca

The Laurel Bears ended their 1988-89 basketball campaign Tuesday night in Plainview as Ponca handed them a convincing 93-70 setback in first round sub-district action.

"It was a nightmare game," coach Mark Hrabik said. "Ponca was unconscious from the field in the first half and before we knew it we were in a catch up situation from the onset."

Ponca leaped to a 26-12 lead after one quarter of play, and stretched that lead to 21 by intermission at 48-27. Laurel really never threatened after that as they narrowed the lead by one point after the third quarter, but was outscored again in the fourth, 28-25, to account for the final margin of victory.

"Ponca was 23 of 39 in the first half from the field," Hrabik said. "They ended up shooting a cool 50 percent for the game."

Laurel had their hands full with Ponca's Dave Mentzer who netted 20 first half points. Mentzer finished the game as the top scorer with 26 points. Phil Carter added 20 for the winners and Ty Armstrong poured in 14. Gerald Armstrong was the fourth Indian in double figures with 13.

Laurel was led by John Schutte's 21 points. Doug Manz and Matt Jonas

were also in double figures with 11 points apiece. Laurel had a total of 11 players notch their names in the scoring column.

Following those already mentioned were Troy Twohig with eight, Todd Erwin with six, Matt Felber with three and Jon Pehrson, Darren Martinson, Shawn Arens, Chad VanCleave and Kelly Daberkow, all with two points each.

Schutte led the team in rebounding with 10 caroms to his credit. He also recorded four steals. Doug Manz, playing in his final game as a Laurel Bear, dished out five assists. Incidentally, it was Kelly Daberkow's final game as well.

The good news for Laurel fans is that 10 of the top 12 players on the squad will return next season. Hrabik however, notes a heed of caution.

"We have a lot of improving to do if we want to get to the point of being a consistent basketball team," Hrabik said. "Just because we have a lot of people returning doesn't automatically mean we're going to be good."

Laurel finished the season with a winning record of 11-9 — the first winning record since 1981.

## Donohoe honored

Pat Donohoe entered the Wayne State College Hall of Fame during ceremonies Feb. 18 at Wayne State College.

Donohoe, a native of O'Neill, played football for the Wildcats from 1973-76. He was a first team NAIA All-American in 1976 and earned four varsity letters for the Wildcats.

Donohoe earned all-district honors two straight years and was a three-time defensive MVP for the Wildcats. He is currently the recruiting coordinator for the University of Houston.

Donohoe was inducted into the Hall of Fame during halftime ceremonies of the Wayne State-Washburn men's basketball game on Saturday.

The Wayne State Hall of Fame is sponsored by the Wayne State Second Guessers. It is designed to recognize those individuals who have made significant contributions to Wayne State athletics, either as a coach, player or supporter of the athletic program.

## Sheriff's Log

The Wayne County Sheriff's Department filed reports of the following accidents:  
 On Feb. 17, a car driven by Deneen Rohde of Carroll lost control and went into a ditch on a county road 14 miles west and a half-mile south of Wayne. It was reported that the vehicle came to its top facing south. Rohde was taken to Providence Medical Center and was reported to have a sore neck.  
 A passenger in the Rohde vehicle, Suzanne Crewse of Kent, Ohio, also suffered a sore neck.  
 Also on Feb. 17, a one car accident occurred two miles west and a mile south of Wayne. The vehicle, driven by Jeff Carlson of Winside, was southbound on the county road when the left tire went flat causing the driver to lose control and strike an east bridge rail.  
 Carlson suffered face lacerations. Two passengers were in the car — Kip Mau of Wayne and Joe Denton. Mau was reported to have suffered face lacerations and a bruised chest.  
 A car, driven by Ingrid N. Ruoff of Wakefield, slid into a ditch east of Wayne along Highway 35. This accident occurred on Feb. 20. Ruoff tried to avoid a stalled vehicle that was partially on the roadway 2 1/4 miles east of Wayne. She lost control of the vehicle and went into the north ditch. Ruoff was taken to Providence Medical Center for treatment of a sore back and neck. A passenger in the car, Scott Woods of Wakefield, was treated for a sore and lacerated right wrist.

## News Briefs

### Debt servicing available

Wayne County FmHA office is near the completion of the applications for debt servicing brought about by the 1987 Agricultural Credit Act. In almost all cases the result has been for the Farmers Home Administration to restructure the borrower's debts so that the family can remain on the farm.

Servicing the applications for debt servicing is very technical and taking a considerable amount of time. This has resulted in slowing up regular loan-making activities.

Farmers Home Administration continues to have funds available for loans to low and very low income families. The largest portion of the loan funds are designated for very low income families.

Most applicants for FmHA loans today are requested to seek their financing through their local lenders with FmHA guaranteeing the loans. This is a continuation of the policy that has been in effect the past several years. The trend has been to decrease the FmHA funds available for direct loans and to increase the funds available to back up the guaranteed loans. The Wayne office is gradually converting direct loan accounts to guaranteed loan accounts.

### Flatmoe on Dean's List

Thor A. Flatmoe of Wayne has been named to dean's honor lists for the fall semester at the University of South Dakota in Vermillion. He achieved a 4.0 average.

### Air horn siren warning

The City of Wayne will conduct the monthly testing of the Civil Defense Outdoor Warning System at 11:45 a.m., Feb. 24. All signals will be tested in the silent mode, with the exception of the following: AIR HORN: This signal will be allowed to run approximately fifteen seconds at each location to test the effectiveness of the system.

### Fisher named to Dean's List

Vicki Fisher, daughter of Loren and JoAnn Stolltenberg of Carroll, was named in the 11th annual edition of the National Dean's List, published by Educational Communications, Inc. of Lake Forest, Illinois. She is a student at Concordia College of Seward. Students are selected for this honor by their college deans or registrars and must be in the upper 10 percent of their class, on their school's dean list or have earned a comparable honor.

### Perry awarded scholarship

Ann Perry of Wayne has been awarded a scholarship by Oklahoma State University. She is a recipient of a University Scholarship. This \$725 scholarship is offered to those students who have a high school cumulative grade point average of 3.5 on a six-semester transcript and an ACT score of 25.

### Rethwisch on Dean's List

Steven Rethwisch, Wayne, was among 39 students in the College of Architecture at the University of Nebraska-Lincoln (UNL) named to the Dean's List for the fall semester of the 1988-89 academic year. Students named to the Dean's List in the College of Architecture achieved a 3.5 (4.0 equals A) or better grade point average while carrying 12 or more graded credits, according to Dean W. Cecil Steward.

### Book features area landmarks

Several historical sites in Wayne and Dixon Counties are featured in the latest edition of "Historic Places — The National Register for Nebraska," published by Nebraskaland Magazine.

The book records Nebraska landmarks, buildings and districts that have been listed on the National Register of Historic Places.

Listed from Wayne County are the Wayne County Courthouse, built in 1899, and the Dr. W. C. Wightman House (Wightman-Ley House) which was built in 1900 and is now owned by the Wayne County Historical Society.

In Dixon County, historical landmarks listed in the book include the Indian Hill District, a cluster of 18 prehistoric archeological sites located near Newcastle; Cook Blacksmith Shop in Ponca, built in 1901 and now owned by the Ponca Historical Society; the Ponca Historic District, a 10-square-block area that includes the downtown commercial area and a portion of the residential district; and the Swedish Evangelical Lutheran Salem Church of Wakefield, constructed in 1906.

## Usage

(continued from page 1A)

The greatest amount of gallon usage last year, from March 1, 1988 through Feb. 1, 1989 was in the June billing (usage from April 15 to May 15). The least amount of usage last year was recorded in the May 1 billing (usage from March 15 to April 15).

The city council is also considering an "Irrigation/Cooling Rate" which would need to be separately metered. The city would provide the meter as usual and the customer would need to provide the proper plumbing arrangement.

Sewer rates would not apply to any of the irrigation or cooling rate.

### Tax relief proposed

Last week two hearings on property tax relief were held before the Revenue Committee.

Altogether, there have been 13 bills introduced aimed at reducing property taxes along with a proposal to be offered by the Governor this week. Agreement among the introducers on the need for property tax relief may be the only thing they have in common. The methods proposed are as diverse as raising the state sales tax and giving taxpayers rebates directly.

The price tags of the proposed measures also vary dramatically ranging from those that could be financed without raising sales or income tax to those requiring a shift of as much as \$200 million in revenue.

Various solutions over the years have been offered to correct an over-reliance on property taxes to finance local government and education. Some of these measures have passed with some success in correcting the problem. Some of the most noteworthy include state takeover of the cost of Medicaid, Homestead Exemptions and state contributions to the cost of local government through state aid.

We are also currently considering a measure that would have the state pay as much as \$12 million a year towards the cost of health care for the indigent, a cost that is currently being paid by the counties. Cost shifts like these should provide some relief to the property taxpayer.

While it is too soon to know which of the proposals will be advanced, it is almost certain one or more will be debated by the full Legislature. The hardest part of the issue is in reaching an agreement on the amount of relief, the method that will be most fair and who specifically should benefit most from the programs.

I generally do not favor an increase in state aid to reduce property tax since it seldom translates into property tax reductions. I believe property tax relief can be accomplished more readily by the state paying for activities that it now requires but expects the local governments to fund.

Additional relief can be provided directly to the taxpayer through programs like that being introduced by the Governor which is similar to a bill I co-introduced in 1985. The basic concept is to use state funds to directly reduce the property tax burden in proportion to the amount of property tax each individual pays.

Like the Federal government, the Nebraska Legislature is considering various child care issues. LB 678, which was heard before the Health and Human Services Committee on February 15th, is one of the broadest child care bills. The bill requires state provided training for employees of day-care centers and those who care for children in licensed day-care homes. A statewide day-care advisory group would also be created.

One of the most controversial provisions of the bill is the requirement that the State pay 100 percent of the average cost of day-care services for qualifying low-income families. Under this bill, the state would reimburse child-care providers the "market rate" for taking care of these children.

Currently, the State through the Department of Social Services reimburses between 55 and 75 percent of the average cost. Child-care providers claim they must limit the number of low income children they can accept because they can not afford to absorb the cost.

Many children of working mothers spend a great deal of time in child care. The care children receive when they are young influences the rest of their lives. Low income children often run a higher risk of falling behind their peers in educational development, and not completing high school. They are more likely to raise children at risk.

Access to quality child care has proven to lower the risk for these children. It may be one of the most cost effective measures we have to deal with long-term problems.

Hummel conquers illness

Editor's note: The following news release was submitted to The Wayne Herald by the Center for Digestive Disorders at St. Luke's Regional Medical Center.

When Nebraskan Jim Hummel began suffering from a serious medical problem, he turned to the Center for Digestive Disorders at St. Luke's Regional Medical Center for help.

Established a year ago to diagnose and treat illnesses and conditions of the digestive tract, the center holds a variety of sophisticated technology available in its four gastrointestinal labs. The center also staffs a telephone line to give callers information about digestive disorders, provides nutrition counseling and offers free kits to screen for potentially deadly colon cancer.

Conditions or disease can affect one or more of the tract's organs which include the stomach, esophagus, small and large intestine (colon), liver, gallbladder and pancreas. They can be life-threatening or merely annoying. Warning signs of a possible digestive disorder can include vomiting, diarrhea, constipation, blood in the stool, pain or bloating.

"Pain is one of the most common symptoms of digestive problems, especially pain that does not go away," says Dr. James Hartje, St. Luke's gastroenterologist (doctor

who specializes in the digestive tract). "It could represent any one of the things we treat including gallstones, ulcers, cancer or diverticulitis."

Colon cancer has increased in the past 10 years and there is a high incidence of it in America, says Hartje. However, the good news is, "we're catching colon cancer earlier. With a tool called a colonoscope we can remove intestinal growths called polyps in their earliest, pre-cancerous stage."

Hartje says everyone over age 50 should have an annual check for colon cancer. And anyone who sees bright red blood in the stool should contact a physician immediately. St. Luke's Center for Digestive Disorders offers a free colon cancer screening kit to anyone requesting it.

Hummel, a 55-year-old Wayne State College official, is fine today. But all was not well about 18 months ago. Medical experts at St. Luke's treated the condition that sapped Hummel's strength and could have cost him his life.

Hummel was preparing for work on Oct. 29, 1987, when he felt a "tremendous" pain in his abdomen. Surgery conducted that afternoon in Wayne revealed diverticulitis, an infected pocket which had exploded. Then a serious form of colitis — an inflammation of the colon's inner lining — set in.

"In a matter of weeks, I began los-

ing weight and nothing tasted good," Hummel recalls. Reduced to drinking a dietary supplement, Hummel arranged to see Hartje.

"Dr. Hartje recommended I come immediately to St. Luke's and be admitted," says Hummel. In one of the Digestive Disorder Center's gastrointestinal labs, Hartje used a sophisticated video endoscope to view Hummel's damaged colon.

While not technically a new diagnostic tool, the video endoscope enables both doctor and patient to view the condition with more detail on a screen similar to that of a television, says Hartje. The diagnostic test can be recorded and kept for future viewing.

Hummel's condition required surgery and after a post-surgical week of rest and recuperation, Hummel returned home to his family and beloved hybrid irises. He quickly picked up the threads of life and in June, celebrated 24 years as Wayne State's director of admissions.

Hummel was impressed with the care he received at St. Luke's and returned for hernia repair surgery last June.

"We're sold on St. Luke's," says Hummel. "We'd recommend it to anyone who has any stomach problems. If you have to be in the hospital, St. Luke's is the place to be."

The GOLDEN YEARS By Gil Haase

The National Institute on Aging (NIA) is sponsoring extensive research on methods to reduce the incidence of hip fractures among the elderly. People over 65 account for 84 percent of the more than 2,000,000 hip fractures suffered by Americans each year. NIA has stepped up studies of gait, balance and posture functions, which often are altered by disease and aging. In one study, a significant decrease in muscle strength in knees and ankles was found in a group that had experienced falls. NIA also is studying methods of preventing osteoporosis, which makes bones fragile in older people.

The number of people 55 and over in the work force is expected to decrease between now and 1995, according to projections of the United States Bureau of Labor Statistics (BLS). But, BLS says, this will be the fastest growing age group in the work force between 1995 and 2000.

Remember When? October 25, 1944—Less than a week after GIs landed on Leyte to liberate The Philippines, two Japanese fleets almost reached Leyte Gulf in a desperate effort to sink transports and supply ships. Out-numbered United States warships turned them back, with heavy losses.

Crop prices to remain strong

Strong crop prices in 1989 likely will continue to feed the general financial recovery in Nebraska's agriculture, an agricultural economist at the University of Nebraska-Lincoln said.

"Given Nebraska's favorable situation in 1988, farmland values should strengthen in the state in 1989," said Doug Jose, an extension farm management specialist.

Last year, he said, Nebraska weathered the worst drought since the mid-1930s better than most surrounding states. A band of normal to moist weather extended up from the southern Rocky Mountains and into Nebraska, shielding most state areas.

Consequently, Jose said, Nebraska saw better than normal to near-normal harvests.

NATIONWIDE, 1988 corn production was only 70 percent of 1987's and soybean production was 80 percent, United States Department of Agriculture data show. In Nebraska, though, 1988 corn production was 101

percent of 1987's and soybean production was 85 percent.

Commodity prices soared in response to the drought, Jose said. The crops' cash prices for Feb. 3 show most grains selling 70 cents to \$1 more per bushel than a year ago. Baled alfalfa sells from \$20 to \$35 more per ton than a year ago.

"Crop prices are likely to remain strong for the remainder of the year," he said. "Things are pretty optimistic."

SEVERAL factors could take the glow off the optimistic outlook, however, Jose said these factors in-

clude extended drought, production cost increases higher than the expected 5 to 10 percent increases and high interest rates.

Another factor will be how much the Bush Administration reduces government price supports. Jose said farmers should expect some decrease. But, he added, things also could change when Congress works on the 1989 farm bill.

"I hope farmers will anticipate some price support reduction and factor it into their buying decisions," he said. "There's no doubt this certainly could affect Nebraska farm income."

# WSC, Northeast join forces

To improve services to Northeast Nebraska and conserve resources, Wayne State College and Northeast Community College are working together to extend a long history of cooperation, according to the presidents of the two institutions.

Dr. Donald Mash of Wayne State and Dr. Robert Cox of Northeast have stated: "Our institutions represent public higher education in Northeast Nebraska. We're cooperating to insure coordination and effective delivery of our programs and services. It's in our best interest, and it's going to pay dividends for our region."

An example of this cooperation is the formation of an articulation committee made up of faculty and officials from both schools that is meeting regularly.

**KEY ADMINISTRATORS** have met formally three times since October, and this week approximately 20 representatives met at WSC to discuss ongoing issues. Another meeting will be held later this spring, and officials will continue to meet formally in the future.

Vice presidents, registrars, deans and division heads, extended campus directors, librarians, public relations officers, and faculty from both schools shared ideas on Tuesday that will promote cooperative efforts.

The two colleges are building on a foundation of cooperation that has produced a number of successful joint endeavors. Northeast and Wayne State currently share a program called +2, which allows business students to earn a bachelor's degree in Norfolk. Northeast prepares students for the degree during the first two years, and WSC faculty travel to Northeast campus to teach the remaining

courses as evening classes. The colleges also cooperate to offer a similar program in criminal justice in which Northeast faculty teach the first two years and WSC faculty the last two. Without this arrangement, the nearest location for obtaining the degree would be Omaha.

**FOR MANY YEARS**, Northeast has taught lower division courses on the WSC campus, and Wayne State has taught upper level and graduate classes at Northeast.

Northeast and WSC officials are currently discussing ways to facilitate the preparation of students who plan to teach in a plan that will allow students to take the first courses in teacher education at Northeast.

A 2+2 program for accounting students, to be held within the framework of the 2+2 business program, is under consideration for as early as next fall.

Both schools are improving the transition of students who are transferring from Northeast to Wayne State. "We want this transition to be as easy as possible for students," says Dr. Donald Whisenand, provost and vice president for academic affairs at Wayne State. As a result of the articulation meetings, WSC now sends advisors to Northeast to help students transfer. "We are both firmly committed to this effort," says Dr. Mash. "The only difference between a credit at WSC and Northeast should be 35 miles," he added.

Expanding the role of both colleges in the region is a special goal of the presidents. "We want to reach out to Northeast Nebraska," says Dr. Cox. "Our institutions should be centers for the arts and community development, as well as education."

# Farm Bureau conference conducted

Wayne County and Dixon County Farm Bureau members attended the 1989 Nebraska Farm Bureau Leadership Conference in Lincoln Feb. 13-15.

Wayne County members attending were Donald and Dorrine Liedman, William Claybaugh, and Kevin Kai. Those from Dixon County attending were Courtland Roberts, and Mr. and Mrs. Harold George.

The county representatives visited the state capitol Feb. 13 and were hosts for State Senator Elroy and Carol Hefner and Gerald Conway at a legislative appreciation banquet that evening.

Those attending the leadership conference had an opportunity to hear a panel of senators — Dave Landis, Scott Moore, Sandra Scofield and Roger Wehrlein — discuss state taxation.

State Attorney General Robert Spire spoke on the association of the attorney general to the legislature.

A panel discussion on the 1990 Farm Bill took place, with participants including Dr. Roy Frederick, Nebraska State Director of Agriculture; Keith Eckel, president of the Pennsylvania Farmers Association; and Mike Turner, UNL professor of Agriculture Economics.

Turner said the 1985 legislation has done "an almost unbelievable job of yanking production out of a depression in a relatively brief time."

Frederick said he expects the 1990 legislation to be very similar in structure: "There hasn't been a howl-and-cry to make major changes," he said.

Eckel cautioned that farmers should remember the proper name of the current law is "The Food Security Act of 1985." There will be many players in addition to farmers who will want to promote their own agenda in the writing of the bill, he said.

Farm Bureau members also participated in workshops and discussions of marketing education, motivating volunteers, training for new and veteran county presidents, improving public speaking skills, maintaining a positive attitude,

DIXON COUNTY representatives included Kevin Kai, Courtland Roberts, State Senator Gerald Conway, Marie George and Harold George.

ATTENDING FROM Wayne County were, from left, Don and Dorrine Liedman, State Senator Elroy and Carol Hefner and William Claybaugh.

## The Farmer's Wife

By Pat Melstehney

The Farmer's Wife has temporarily enlarged the population of Lincoln, Nebraska, by one this past week. It began with the State Home Health Care convention and ended with the 1989 State High School Wrestling Championships. How's that for a week of variety?

There were also visits with her mother, Silvia, and daughter, Kay, when time permitted. I understand her sister, Mary, came over from Papillion to catch up on all the latest news from Northeast Nebraska, too.

Now if you've never been in the same room when a conversation between Pat and Mary and their Mom is in progress, you may as well have missed the four-wheel pickup pull at the county fair, too. There are more similarities then you can shake a stick at. You know how, at the pulling contest when the weight sled's all hooked up, the official is getting his flag ready, and the driver is teasing his engine just before unleashing all those horses under that chrome-plated hood?

When these three ladies come into a room after a month apart, it's the exact same feeling. Then the near silence suddenly becomes a jet plane taking off as the driver goes for broke amid a deafening roar and a cloud of dust, smoke, and ether that even shakes the 4-H stand?

Let me tell you, when that threesome gets their verbal motors

revved up, it's identical. I've heard some discussions you couldn't break into with a Mack truck. I know, I've tried.

NOW, WEBSTER defines a threesome as "a match in which one participant plays against two others." Webster never met these three. At the fair, the pickup pulling the sled is really competing against all the other entrants. So it is in those basically three-way conversations. Each contributor proceeds as if they only get one run at any particular topic and they're going to pull it right on out the other end of the track!

It's not uncommon at pickup or tractor pulls for the front end of the pulling vehicle to leave the ground and appear to totally defy the force of gravity. I understand this is often an indicator of perfection in weight distribution for maximum use of power as long as it doesn't get too high off the ground and create other problems.

So it is in the verbal matches I'm trying to describe for you. One or more of the three participants may, almost subconsciously, raise to a crouched position as if either preparing for an Olympic ski jump or just about to mount a soapbox. Then, as a point of emphasis is either achieved or lost, simply settle back in her seat to regroup for the next round.

I've been at some pickup pulls where some competitors appear to be

from out of state and a family team whose entire summer of weekends is probably spent at pulling events. I've noticed younger members of that family sound asleep in the back of a nearby pickup. This can be the scene even in the midst of all the smoke and noise that you'd think would wake the dead.

NOW, I'M probably not the world's soundest sleeper, but I think I'm right up there with the best. I know three ladies who can't believe I could possibly be oblivious to the actual solving of 99% of the world's problems, but I've been known to do so.

Meanwhile, until the Farmer's Wife returns from the Caribbean or Aspen or wherever she is this week to check on my penmanship, I'd like to pass out some wrestling congratulations. Any wrestler, whatever his weight, whatever class school he represents, whatever grade he's in, deserves a pat on the back for making it to the state tourney. Many compete industriously for four years and never achieve that. So, congrats to all the Winside and Wayne wrestlers who made the trip; and most especially, to Max Kant for becoming a Champion.

Now I've got one huge favor to ask of everyone who reads this column. I want each of you to HIDE this issue of your Wayne Herald. You ask why? Do you have any idea what will happen to me if the Farmer's Wife ever reads this? Think about it!

## 4-H News

### DADS HELPERS

President Tricia Bathke called to order the Feb. 13 meeting of Dads Helpers 4-H Club held at the Northeast Research and Extension Center near Concord.

Members answered roll call with a project they will take this year. Club goals were discussed along with plans for a party. Record-books and manuals were handed out.

Lunch was served by Lee Johnsons. Next meeting is scheduled March 13 at 7:30 p.m. at the Northeast Center.

### PINS AND PANS

Christina Johnson, news reporter.

Pins and Pans 4-H Club met recently in the home of Tricia Bathke.

Demonstrations were given by Tricia Bathke, Peggy Stanley and Christy Johnson.

Members discussed visiting the care center and having a skating party. Individual leaders worked with their groups, and cupcakes and hot chocolate were served by the hostess. Next meeting will be March 6 in the home of Quin Bohken. Becky Forsberg, news reporter.

### RAINBOW KIDS

The Rainbow Kids 4-H Club has held several project meetings.

Members of the "You Learn to Bake" project met Feb. 18 at the Hoskins fire hall with leader Georgla Gillespie.

Members enrolled in the "Fit It All Together" Unit 1 project also met at the fire hall on Feb. 18 with leader Sha Grothe.

On Feb. 19, members enrolled in the "Small Engines" project met at the home of leader Rick Austin. Jason Gillespie, news reporter.

What is 4-wheel alignment? Simply put, the front wheels steer the car. But the thrust, or direction of travel for the car, is determined by the rear axle. This is true for any car, even for front-wheel drive models. Confusing? Not really. Imagine a line that divides your car in half, lengthwise. If the rear axle is aligned correctly, the thrust line will match this centerline exactly. If, however, the thrust line is off to the left or right, the car will attempt to travel in that direction. After 4-wheel alignment, all four wheels on your car will be parallel. Handling performance will be higher, tread wear will be lower.

**WE ARE EQUIPPED TO DO 4-WHEEL ALIGNMENT**

## Wakefield News

**BENEFIT HELD**  
A benefit pork feed held Feb. 11 in Wakefield raised \$4,110 for the Larry Siebrandt family. The family's home was recently destroyed by fire.  
Organizers estimate that between 475 and 500 persons attended the supper.

Persons who would still like to assist the family may contribute through benefit funds which have been established at the Wakefield National Bank and at the First National Bank in Wayne. Checks should be made out to the "Larry Siebrandt Family Fund."

**ART AWARDS**  
Fifteen art projects were submitted by Wakefield students in the Lewis and Clark Conference Art Contest, with 12 receiving awards.

First place awards went to Christy Otte for wheel thrown pottery, Stuart Clark for ceramic sculpture, and Takao Kuroume with a watercolor painting.

Receiving second place awards were Chris Woods and Ed Forkner for tempera paintings, and Troy Hingst for batik.

Works of the following students were selected as part of the conference traveling exhibit — Scott Lund and Troy Hingst, batik projects; Chris Woods and Ed Forkner, tempera paintings; Takao Kuroume, watercolor painting; Betsy Erickson, continuous line drawing; and Tracy Mortenson (fourth grader), crayon and pencil drawing entitled "Pumpkin Days."

**KING, QUEEN**  
Polly Hank and Eph Johnson were named King and Queen of Hearts at the Wakefield Senior Citizens Center on Valentine's Day. Attendants were Luther Hypse and Margaret Cisney.

Cards were played and winners were Ken Reikofski, Dwaine Bjorklund, Margaret Lundahl, Art Longe and Wilma Nixon.

**EASTERN STAR**  
Order of the Eastern Star met Feb. 7 and hostesses were Elizabeth Ekberg and Elizabeth Boeckenhauer. Elizabeth Ekberg was installed as Esther.

The charter was draped in honor of Margaret Paulson and George Thompson.

Correspondence included notification that Marcene Pierce of Norfolk will be the District 1 supervisor this year. A supper in her honor was scheduled Feb. 21 in Wakefield with Diane Larson and Kathy Potter serving on the committee.

A thank you was received from Luella Huggenberger for her 50-year pin.

It was announced the annual 4-H chili feed at the Masonic-Eastern Star Children's Home in Fremont will be Feb. 25, beginning at 5 p.m. in the administration building.

# 19 OUT OF 20 NEBRASKANS READ NEWSPAPERS.

### NEWS

Nebraskans who don't read newspapers are rare as hen's teeth. More than 95% do.\*  
More than one million adult Nebraskans now read their hometown newspaper, daily or weekly.  
And nearly 60% of Nebraskans say their primary source for local news is... newspapers. More than radio and TV combined.  
Your newspaper reaches Nebraskans where they live.

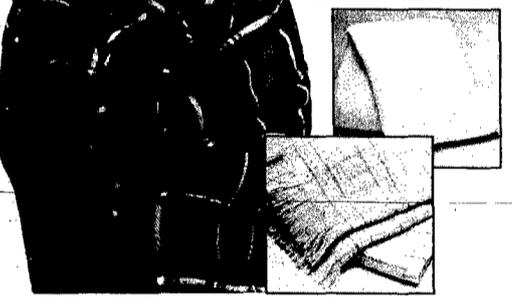

### ADVERTISING

And when Nebraskans want to find out what stores to shop in, 73.4% said they look for that information in the NEWSPAPER compared to 3.9% who said radio and 3.6% who said television.  
Make sure your valuable advertising message reaches the highest number of potential customers. Saturate the greater Wayne trade area with The Wayne Herald (subscribers) and The Marketer (non-subscribers).

# McMorrow named district exec

Michael J. McMorrow has been formally commissioned as a District Executive with the Mid-America Council, Boy Scouts of America. After successfully completing an 18-day professional training course, he received his commissioning on Jan. 26 at the BSA national Executive Institute in Arlington, Texas. The training course focuses on human relations, leadership skills, district operations and scouting traditions. He had been a District Executive Trainee since Sept. 1, 1988, for the Diamond Dick District, which serves Antelope, Cedar, Dixon, Knox, Madison, Pierce, Stanton and Wayne counties in northeast Nebraska. A District Executive is responsible

for the programs of the BSA in an assigned geographical area. The major responsibilities include recruiting, training and coordinating the services of volunteers and working through community organizations to offer the program to additional youth. McMorrow, formerly of Omaha, attended Roncalli High School and spent the last two summers as a Nebraska Vacation Guide as part of the Division of Travel and Tourism, State Department of Economic Development. He graduated last May from Wayne State College with a major in Public Administration and Political Science. While there, he was elected

to two terms as vice president of the Student Senate. He has also been chairman of the Nebraska State Student Association and chairman of the executive commission, Nebraska Student Interest Coalition. As a youth, he was a Cub Scout. While a Boy Scout, he earned the rank of Eagle Scout, and was named as a member of the Order of the Arrow. He is currently a member of the Norfolk Area Chamber of Commerce, Jaycees and Rotary Club. McMorrow, who is single, is residing at 607 Decar Avenue, Norfolk, and can be reached for Scouting assistance at (402) 371-8358.

**Get New Life From Your Old Pivot.**

A Reinke Retro Kit could be the answer to your aging center pivot problems. Now you can replace those worn-out components that are costing you time, headaches and big money. And, you can do it for a fraction of what a new system would cost.

Reinke Retro Kits are complete. They contain everything you'll need for gear-drive conversions. They are available in bolt-on or weld-on kits, and your system doesn't even have to be a Reinke. Sprinkler and electrical conversions are also available.

Call us for all the details. And, at the same time, you can schedule a "seasonal check-up" to make sure your system is ready for the next season. Or, come see us if you're interested in making your present center pivot system perform like new. I have all the details on the new Retro Kits from Reinke.

**SWEETHEART DANCE**  
The annual Sweetheart dance sponsored by the F.F.A. and F.H.A. chapters was held Saturday evening. The royalty was crowned by last years King Jim Johnson and Queen Elizabeth Hansen assisted by the Junior attendants from last year Greg Stapleton and Amy Noe. Crowned were Queen, Missy Martinson, daughter of Barry and Linda Martinson; and King, Jim Preston, son of Mike and Donna Preston. Attendants from the Junior class were Jennifer Lee, daughter of Kathleen Lee; and Todd Hohenstein, son of Tobert and Jeanette Hohenstein. Sophomores Robin Schroeder, daughter of Jerry and Donna Schroeder; and Barry Anderson, son of Francis and Sally Anderson; and Freshmen Cindy Chase, daughter of Dean and Sandy Chase; and Kevin Crossgrove, son of Jim and Snooks Crossgrove. Master and Mistress of Ceremonies were Kent Chase and Carl Smith. Chapter Advisors are Tom Wilmes and Kathy Boswell.

**SENIOR CITIZENS**  
Twenty attended the Senior Citizens branch held Friday at the center. The event was postponed from Monday due to the weather. Sandi Olesen entertained following the meal with a musical program in which "Name that Tune" was played. She also played a medley of Sweetheart songs. The King and Queen were drawn from a box of hearts, named were King, Pastor T.J. Fraser and Queen, Sylvia Whitford.

On Thursday over 50 persons were at the center for the cholesterol testing.

**SUNSHINE CIRCLE**  
United Methodist Sunshine Circle met Feb. 14 at the home of Mabel Wheeler with 11 members and two visitors, Delores Johnson and Eva Ausdemore present along with Pastor Fraser. President Ella Isom opened the meeting with a reading from the Guidepost about Valentine's day. The Lord's Prayer was prayed. Signed Valentines for those to be remembered at the Wakefield Care Center and for Mabel Wheeler and Mabel Mitchell were prepared. Readings were given by Sylvia Whitford and a report by Irene Armour of her visit to the dedication of the school which her son Myron teaches. The next meeting will be held March 14, hosted by Gladys Trube.

**LEGION AUXILIARY**  
The regular monthly meeting of the American Legion Auxiliary was held Feb. 13 with 14 members present. Vice President Phyllis Swanson presided. Roll call was answered by a memory of our great-grandparents or grandparents.

It was decided to sponsor the Bloodmobile four times a year now. Margaret Isom was given recognition for her good work with membership. Judy Vavra will be a page at District Convention at Ponca, March 4. We will again sponsor a bingo party at the Norfolk Veterans home on July 5. Marian Ellis gave a report of the Chapel of Four Chaplains. Our unit will send a \$10 contribution for this.

## Cards of Thanks

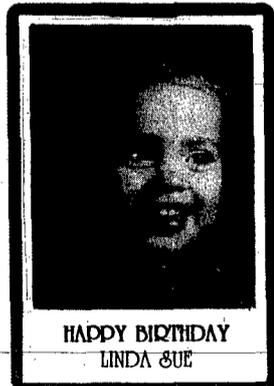

THOSE WE HOLD most dear never truly leave us — they live on in the kindnesses they showed, the comfort they shared and the love they brought into our lives. There are no words to express our deepest feelings to our families, relatives and friends for the expressions of sympathy in the way of prayers, cards, visits, food, memorials, plants and floral bouquets received at the passing of our beloved husband, father, grandfather and brother, Richard Wert. Our special thanks go to Rev. Johnson for the lovely service, Connie Webber & Nick Sieler for providing the music, Steve and Donna Schumacher, Stella Schultz, the honorary pallbearers and the active pallbearers. Thanks also to the Ladies of the Church for serving the lunch. It is comforting to know that so many care! God bless you all! Mary Wert, Tim, Sheila & Paul Wert, Dennis & Christine Costa, Andy, Nick & Amber, brothers & sisters. F23

**SINCERE THANKS** to my friends and relatives for all the cards, flowers, phone calls and visits on my 90th birthday. Also thanks to my family for having the dinner and those that came in the afternoon. It made a very enjoyable day. Ethel Erickson. F23

**A SINCERE** thanks to my friends, co-workers, relatives and family for all the beautiful flowers and plants, cards, phone calls and visits during my recent hospitalization and since returning home. Thanks also for all the delicious food brought to the house and other acts of kindness. Special thanks to Pastor Pennington and Pastor Anderson for their visits and prayers. It was all deeply appreciated. Jan Casey. F23

**THANKS TO** all our relatives and friends for cards, gifts and phone calls and the dinner served at our home honoring our 45th wedding anniversary. It was an act of kindness that we will always remember. Vernie and Lucille Schnoor. F23

**A THANK YOU** to all our relatives and friends who remembered our dear one while she was a resident at the Wakefield Health Care Center the past 7½ years. To those who remembered us at the time of her death with so many acts of kindness, may God bless each of you. The family of Mayme Allen. F23

Saving Tax Dollars on Farm Returns

In the next few days before March 1st, farm tax returns will be filed. If you are a farmer who has been caught with income that is higher than you expected this year, or if you are at the age where retirement is close at hand, you will be interested in the following: a tax deduction which is greater than an IRA or (in some cases) in addition to an IRA. This deduction is called an IRA-SEP and it allows you to deduct up to 13 percent of your net farm income as a business expense. Take time now to investigate how an IRA-SEP might help you reduce your 1988 taxes and at the same time build up your retirement fund. Call George Phelps, CFP at 375-1848, or stop by the office at 416 Main Street in Wayne to investigate how you can save taxes and build up your retirement income all at the same time. There is no obligation, so act today. Remember, money matters.

### Ways to Minimize Heart Disease

The leading cause of death in the United States is heart disease. Here are five ways to increase your chances of having a healthy heart:

Keep blood pressure within the normal range. The heart becomes larger and less efficient when your blood pressure is high.

Eat low-cholesterol foods. The American Heart Association recommends that we bake, boil, or broil foods to remove fat; eat less fatty luncheon meats; cook with vegetable oils (not butter or lard); and substitute low-fat or skim milk for whole milk products.

Stop smoking. Chemical components in tobacco smoke can damage the heart and blood vessels.

Control body weight through exercise and diet. Changing eating habits (including patterns and foods) and exercising regularly help keep weight within the normal range. Exercise strengthens the heart muscle, reduces the heart rate, and increases the amount of blood pumped with each beat.

Control excess stress. Learning to relax and being more tolerant of family members and co-workers also helps maintain a healthy heart.
