The Wayne County Fair and Agricultural Association was formed in 1922 to pro-mote agriculture and one way to do this was to hold a county-wide fair each year.

In 1923 two hog barns with 32 pens each were built as well as a hall for women's as well as a hail for women's exhibits and a poultry build-ing. The educational hall was built in 1925 as was an am-phitheater. Building and other improvements to the grounds have been made each year.

successful. Now, however, there are several products on the market that are as easy to use as regular fruit pectins. The reduced-sugar jelly is made with a heavy-duty pectin, so less is re-quired to gel the same amount of fruit juice and less sugar is used also. The jelly yields the same texture and color characteristics as regular jelly, but only if directions are followed. If less than the recommended amount of sugar is used, the juice won't gel at all. Sugar-free jelly uses a calcium-jelling pectin that gels the juice without added sugar. If a sweeter jelly is preferred, you may add sugar, honey or an artificial sweetener. Sugar-free jelly also has the same color and tex-ture of standard jelly.

ture of standard jelly

UNFLAVORED GELATINS may be used to thicken sweet fruits or apple juice. For a sweet flavor, liquid aspartame — a low calorie nutritive sweetener — may be added. Gelatin-based spreads should not be heat processed. They should be refrigerated and used within four weeks. Sugar-free jellies are low in calories with about 11 calories per table-spoon as compared to 53 calories for the same amount of standard jelly.

Spoon as compared to 35 calories for the same amount of standard jelly. If you are thinking about making sugar-free jelly this season, you should know that the amount of jelly per package of thickener and per quart of juice is much less than with the standard recipe. One package of standard pectin yields approximately seven to eight cups of jelly, but one package of the sugar-free products yields about three to four cups. Since sugar acts as a preservative in jellies, the sugar-free jellies may deteriorate more rapidly than usual.

FOR MORE INFORMATION about jams, jellies or any food preserva-tion contact the Wayne Extension Service at 375-3310. New fact sheets with recommendations for preserving fruits and vegetables are available at the extension of the service of the se at the extension office.

SPORTS Midgets down Hartington, 7-5

The Wayne Midgets advanced into the semi-finals of the Area Midget Baseball Tournament in Blair with an eight inning 7-5 vic-tory over Hartington on Wednes-day

Wayne maintained a 5-3 lead Wayne maintaiñed a 5-3 lead heading into the bottom half of the seventh inning, but Hartington rallied to tie the contest to force the extra inning. Brian Lentz was on the mound for Wayne and he struck out 11 Hartington batters in 7 1/3 innings while giving up six hits and walking just one.

Jeff Criesch came in to relieve Lentz for the final two outs. Wayne offensively, scattered 11 hits led by Matt Bruggeman's 3-4 outing with a Triple and, two singles. Rusty Hamer had two hits including the game winner, a triple to right center field in the eighth inning which scored Cory Wieseler.

leff Griesch belted out two singles while Brian Lentz, Cory Wieseler, Jason Ehrhardt and Eric Cole all notched one single apiece.

Wayne started out the game by scoring one run in the top of the first inning. With two out Rusty Hamer drew a walk and stole sec-ond and third base. Brian Lentz then stepped up and laced a single for the game's first run.

Hartington struck back in a big way in the bottom half of the first inning when its pitcher came up with two men on base and cranked a home run for a 3-1 lead in favor of Hartington

Wayne scored one more⁴tun in the second inning as Matt Bruggeman led off the inning with a single and advanced to second when Jason Ehrhardt received a walk. Bruggeman ended up stealing third base and it was Jason Ehrhardt getting caught in the hot-box between first and second that allowed Bruggeman to score at home.

The game remained 3-2 in favor of Hartington until the fourth inning when Wayne tied it up. Matt Bruggeman laced a trip with one out and Eric Cole belted a single right up the middle with two out to score Bruggeman at third and tie the score at 3-3.

Wayne grabbed the lead in the sixth inning when an error on the Hartington second baseman al-lowed Chris Fredrickson to get on base with a single which scored Trevor Wehrer who had reached base on a fielder's choice.

In the top half of the seventh inning Wayne scored once more as with two outs, consecutive singles by Jeff Griesch, Matt Bruggeman and Jason Ehrhardt boosted Wayne's lead to 5-3.

This past week has been nothing short of hectic. Over the weekend, I was in Grand Island covering that phenomenal girls softball team from Wayne which incidentally, if you weren't on this planet during the past

week, got second place. On Monday, Tuesday and Wednesday, my colleague and good friend from the local radio station, Mike Grosz and I traveled to Blair and Dodge covering the local teams in two different area baseball tournaments.

It's been a good time but yet somewhat tiring. However, I have chosen the following space to tie up a few loose ends that I have been meaning to talk about so this is kind of an odds and end column.

First of all a short golf story! A couple of weeks ago a gentleman that I was golfing with had kind of an unusual situation happen to him. It was during the Wednesday night league play and this particular gentleman who happens to be left handed, approached his ball on the par five number 13 hole. He was probably about 10-feet from the out-of-bounds when he hit the ball which proceeded to hit a tree stump ahead of him, bounce back and hit him in the head and then go out-of-bounds. You talk about touch breaked about tough breaks!

At any rate, a few quick words about the softball state tournament over the weekend in Grand Island. The trip to Grand Island ended up being one of my favorite trips I've taken since I've been in Wayne. All the people who followed the team were extremely friendly and I know I speak for Mike Grosz when I say that neither one of us felt out of place the whole weekend.

place the whole weekend.

Since this is my column, I can say pretty much what I want within reason, I would like to pay a special tribute to the parents of the girls softball team who followed them throughout the whole season and of course to Grand Island. This special group of people are what I call true sports fans in every sense of the word.

Rob Gamble was also a valuable asset in my attempt of mixing business with pleasure during the weekend and although I haven't known Rob that long, it was definitely a good time as he, I and Grosz will all three attest

too. Wayne enroute to earning its runner-up spot in the state tournament had to play a Fairbury team, twice. As many already know, I'm from Fairbury and although I wanted Fairbury to do well_in each ball game, I was a loyal Wayne supporter.

Actually, I got the best of both worlds as Wayne finished second and Fairbury finished third. The finish by Fairbury was the highest they have ever finished in the state tournament so my hat is off to their team coached by Jim Boyer and Ed Durfee. Obviously then, I got to see some of my old friends from my old stomping grounds including Tony Biehl. Tony was one of those special friends only a handful of people ever get to meet. Tony, it was nice to see you.

you.

Finally, as you all know my last column talked about the leaving of Darrell and Susan Bailey following the state tournament. Both the Bailey's have got teaching positions in the town of Cedar Bluffs and hopefully this isn't a bad omen, but they will be living on Elm Street. Good Luck Darrell and Sue! If the town of Cedar Bluffs could know now what I know about you, they would start rolling out the red carpet.

Junior Golf Tourney

WAYNE-The junior Golf Tournament is scheduled to take part on Friday, August 11, and is open to all club members aged 17 and un-der. The championship flight will be 18 holes and all other flights (gy age), will be nine holes.

improved industrial site, buildings available for immediate occu-pancy, and a college to assist in educating and training person-nel, to mention only a few. However, when industries are looking to re-locate or expand their operation, they generally have specific requirements they want the new community to meet. No. 1: Geographic location — Many industries feel they need to be located along an interstate highway system; others feel' they need access to the railroad, airport, and/or water depend-ing upon the nature of their business. No. 2: Another priority is the population of a given area. Will there be enough work force to meet the industries' needs? At the present time, the unemployment rate in our area is less than 2 percent.

No. 3: Available housing also is taken into consideration as in-dustries compare communities. No. 4: Incentives to attract new industry also differ greatly among communities. Some communities have been left large estates for the sole purpose of attracting new business and indus-try. Wayne has not yet been awarded this luxury. While Wayne does have much to offer, we also realize we need to continue improving our weaker areas. It takes the coop-eration of everyone at the local, county and state offices in at-tracting new business and industry. We are confident we can overcome some of the obstacles that hinder industries from coming to Wayne America. coming to Wayne, America.

CARDS OF THANKS

I WOULD like to thank everyone that sent flowers, cards and visited me while in Marian Health Center and since I have returned home. I will always remember it. Also to doctor, nurses, pastor. Also a big thanks to my daughters and son for tak-ing, their time.to.be with.me.at all.times... Darrell Harrison. Jy31 ing their tir rell Harrison

THE FAMILY OF Vernie Granquist wishes to express a sincere thank you to all who remembered us with food, flowers, calls, memorials and expressions of sympathy at the time of her death. God's blessings to you. Gib and Darlene Granquist & family. Ray and Mary Short & family. Rollie and Karen Granquist & family. Jerry and Helen Granquist & family.

FIRST OF all I want to thank the good d for watching over me in my recent ass. I want to thank Sister Gertrude J Pastor Frank for their comforting Lord for and Pastor Frank for their comforting words and prayers. I cannot thank my wife and children enough for the support they gave me the day of my surgery. I cannot praise Dr. Dahlheim and Dr. Fel-ber enough for the miracle they performed on me and also Dr. Lindau for caring for me during Dr. Felber's absence. Much praise and thanks has to be given to those ladies in pink and white gowns that gave me all of the super carel received Many, many thanks to all of my friends and family for all of the beautiful flowers and cards and all of the visitors thad at the hospital. All I can say now is what Red Skelton used to say. "God Bless. Ernest (SAM) Bierschenk. Jy31

A SPECIAL thank you to Pastor Iseminger, my family, relatives and friends for all the prayers, phone calls, visits, cards and flowers while I was in Marian Health Center and since returning home. May God bless you. Joye Magnu-son. Jy31
