Handicapped

AREA-The Wayne-Carroll Board of Education wishes to reaffirm its position that all children ages 0-21 in the Wayne-Carroll School District are entitled to a Free Appropriate Public Education and an equal opportunity for education according to the individual's needs, regardless of their handicapping condition.

The Board assumes the responsibility to assure that handicapped children are identified, evaluated and verified, and are provided or contracted for program services for all resident handicapped children who benefit from such programs.

If you have a child or know of a child which may require special education, contact Bob Uhing at 402/375-2230.

Airport Day

LAUREL-The general public is invited to the second annual "Airport Day" in Laurel Sunday, Sept. 17 from 7 a.m. to 1 p.m.

A fly-in and drive-in breakfast will be served till 1 p.m. and airplane rides will be available for a reasonable fee.

Highlighted will be the full-size pilot-flown Homebuilt Aircraft on display for all to see. Pilots will be there seeking a trophy for their workmanship. All antique, classic and restored aircraft at the fly-in will have a chance to win a trophy.

An air show of radio control aircraft will take place at 1 p.m.

The event is being sponsored by the Laurel Chamber of Commerce and the Experimental Aircraft Association Siouland Chapter 291 in cooperation with the city of Laurel.

It's considered a very high honor for a school district to have one student listed as a semifinalist in the 1990 Merit Program as a semifinalist in the 1990 competition for the prestigious Merit Scholarships.

After all, the nationwide pool of academically talented semifinalists includes about half of one percent of each state's seniors. More than one million students in 19,000 United States high schools entered the 1990 Merit Program as juniors by taking the 1988 PSAT/NMSQT, which served as an initial screen of entrants.

The Wayne-Carroll Board of Education learned Tuesday evening

that three of their students were listed as semifinalists. They are Kevin Heier, Eric Rasmussen and Martin Rump.

Designated semifinalists in each state are the top scorers who must advance to the finalist level of the competition in order to be considered for Merit Scholarships. Normally, about 90 percent of the semifinalists nationwide are expected to become finalists and more than 6,000 of these distinguished students will be awarded Merit Scholarships worth approximately \$23 million.

The board of education voted to send letters of congratulations to Heier, Rasmussen and Rump on their recent accomplishments.

ALSO TUESDAY evening, the board of education announced their intentions to attend two upcoming public hearings in Wayne concerning several education issues.

The first is Oct. 12 — a legislative education committee public hearing covering LB 183 which is the enrollment option program (better known as Choice Bill).

This hearing will take place at 7 p.m. in the Wayne State College Student Center. Purpose of LB 183 is to allow students to choose the education that best meets their needs and to help parents become more involved in the education of their children. The bill takes effect

at the beginning of the 1990-91 school year, when participation is voluntary for both the resident school district and the receiving school district.

By 1993-94 the program will be fully implemented.

Superintendent Francis Haun placed the parental choice issue on the board of education agenda to see if the board wanted to participate in the choice program for the 1990-91 school year. The students' parents or guardians are required to submit applications to the school district of their choice by Jan. 1, 1990 if the Wayne-Carroll School District participates in the 1990-91 school year choice program.

Shockley sentenced in district court

Sentencing took place on Sept. 1 for William Shockley of Hoskins for assault charges and false imprisonment charges stemming from an April 19 incident.

According to initial complaints filed in county court, Shockley knowingly caused bodily injury to Darla Wiese of Hoskins; restrained or abducted Wiese under terrorizing circumstances or exposed Wiese to serious bodily harm; and used a firearm to commit a felony.

He was initially charged with assault in the second degree, false imprisonment in the third degree and using a firearm to commit a felony.

The charge of using a firearm to commit a felony was later dropped.

Shockley was sentenced Sept. 1 in district court on the first count of assault of the second degree. The judgment was imprisonment in the Department of Correctional Services for an indeterminate term of not less than 20 months or more than 36 months of hard labor.

He was given credit for 114 days for time previously served on the first count and for the second count of false imprisonment.

The sentence handed down for false imprisonment was no less than 20 months and no more than 36 months at the correctional facilities, to be served concurrently with the sentence imposed for the first count.

The second public hearing will be before the legislative committee on revenue, slated for Oct. 18, 1:30 p.m. at the city auditorium.

THIS HEARING will deal with school finance and taxation. The School Finance Commission has recommended a shift away from the property tax for support of public schools to greater utilization of the income tax and state aid.

Wayne-Carroll anticipating levy increase

By Chuck Hackenmiller
Managing editor

Wayne-Carroll School District's 1989-90 tax levy will be approximately 4.6 percent greater than the 1988-89 tax levy, according to an estimate gathered by Superintendent Francis Haun that was presented Tuesday evening to the board of education.

Haun had projected the increase to be at 6.9 percent when the budget was approved last month by the Wayne-Carroll

Board of Education. However, he now anticipates the general fund levy to be at 1.508 per \$100 valuation and the sinking fund levy at .052 per \$100 valuation for a total tax unofficial School District 17 tax levy of \$1.560 per \$100 valuation.

The total school district levy established last year (1988-89) was \$1.4913 per \$100 valuation. In 1987-88 the amount was \$1.3792 and in 1986-87 the total tax levy was figured at \$1.4097.

HAUN ESTIMATED that the

school districts total actual valuation in Wayne County alone would increase by \$3,849,045 — an increase of 3.4 percent.

School District 17 valuations in Dixon County decreased from \$3,538,445 in 1988-89 to \$3,450,055 in 1989-90.

Total valuation in both Dixon and Wayne Counties, for School District 17, is estimated at \$119,290,455 — an increase of 3.2 percent over the previous year.

Haun broke down the following estimated 1989-90

School District 17 valuations in Wayne County (compared to 1988-89 figures):

Real estate, city and village — \$63,372,335 (\$62,852,375).

Real estate, farm — \$33,575,060 (\$27,818,350).

Public Utilities such as railroads, telephone, gas — \$3,462,865 (\$3,108,185).

Motor vehicle — \$10,661,610 (\$10,139,085).

Other tangible personal property for city and village — \$2,366,925 (\$2,529,720).

Other tangible personal

property, farm — \$2,401,605 (\$5,543,640).

Total Wayne County Valuation — \$115,840,400 (\$111,991,355).

IN DIXON County, the numbers were as follows:

Real Estate — \$3,180,645 (\$3,275,390).

Personal Property — \$35,255 (\$36,720).

Motor Vehicle — \$217,680 (\$211,660).

Wayne native is new instructor in Colorado nanny training program

Jan Krien began her teaching experience on the Northern Cheyenne Indian Reservation in Busby, Mont.

The daughter of Mr. and Mrs. Orville Sherry of Wayne, Krien taught junior high home economics classes at Hastings, Neb., following her initial experience in Montana.

Now, Krien says she is eager to begin her teaching assignment at Morgan Community College (MCC) in Fort Morgan, Colo. in training child care professionals in the nationally accredited Colorado Nanny Academy (CNA).

Krien will be responsible for classes in infant and child development, clothing, activities for children and the nanny practicum, as well as teaming with CNA Director Corliss Keown to teach "The Nanny as a Professional."

NOW IN ITS second year of operation, the college's nanny training program is on the forefront of career training professionals who are in rapidly increasing demand.

More and more single parent and two working parent families are moving toward quality home care for their children of all ages as opposed to taking them out to day-care centers or leaving older youngsters on their own.

The nanny, male or female, age 20 or 65, is matched to suit the personality of the family that hires the nanny and to become a member of the family team.

A variety of kinds of nanny care can be tailored to suit specific needs. MCC's program awards course credit hours that can transfer for two or four-year degree programs.

KRIEN HOLDS A bachelor of arts in vocational home economics vocations from Wayne State College, is certified for K-12 guidance counseling and also carries an English teaching endorsement.

She enjoys swimming, biking and skiing and also makes pottery and does paintings.

Her husband, Troy, is a master's degree candidate in speech pathology this year at the University of Northern Colorado.

Sept. 21-22 in Kearney Conference to focus on women and agriculture

The fifth annual Women in Agriculture conference will be held Sept. 21-22 at the Kearney Holiday Inn and will focus on the critical difference women make in today's farm and ranch operations.

The conference is presented by the Cooperative Extension Service and the Department of Agricultural Economics, University of Nebraska-Lincoln.

FEATURED SPEAKERS will include Dr. Jean Karlen, Dr. Herman Glaess and Kelli Evans.

Karlen, professor of sociology at Wayne State College, will share her findings from a research project in which she studied the contributions women make to Nebraska's farm and ranches. Her presentation is being sponsored by the Nebraska Committee for the Humanities.

Glaess is the director of Potentiality Enhancement Program and a professor at Concordia College, Seward. He will discuss developing potential to the fullest and will share ways to achieve a balanced

life through cooperation, commitment, creativity, confidence and communication.

Evans, past National FFA President, will look at the critical difference women will make in the future of agriculture. Evans is a native of Curtis, Neb.

SEVENTEEN workshops are being planned. Topics include basic marketing, advanced marketing, financial statements, tax planning, estate planning, farm accounting computer software selection, off-farm investments, family communication, farm safety, water quality, decision making, and ag policy of the 1990's.

Persons who would like additional information on the Women in Agriculture conference are asked to contact the Wayne Extension Office at 375-3310, the Dixon County Extension Office at 584-2234, or call 1-800-535-3456.

Coordination of rides can also be done by calling the local extension office.

Crain reunion

The first reunion of Crain cousins, hosted by the families of Dave and Evelyn Crain, Douglas Crain, Dakota City, Clarabel Anderson, South Sioux City, and Turena Smith, Laurel, was held Sept. 3 at the Pistol Club in Laurel.

Sixty-seven relatives attended from Sioux City, Webster City, Algona, Ackley and Des Moines, Iowa; De Smet, S. D.; Laurel, Dixon, Ponca, Concord, Omaha, Fairbury, South Sioux City, Coleridge and Wayne.

All families, except the Roy Crain family, were represented.

Another reunion is scheduled Sept. 2, 1990 in the Dixon auditorium.

Lessman reunion

The first reunion of the Charles and Frieda Lessman families was held Sept. 1-3 at Sidney.

Children attending included Mr. and Mrs. Edward Lessman, Mr. and Mrs. Marvin Aurich, Mr. and Mrs. LeRoy Lessman, Mr. and Mrs. Raymond Lessman, LaVern Mosel and Erna Lessman.

Lessmans resided in Wayne before moving to Dalton.

The weekend celebration began with a dinner on Friday at the

Raymond Lessman residence.

The reunion was held in conjunction with celebration plans for their 60th wedding anniversary. Their daughters served as hostesses.

Approximately 75 persons attended the Saturday function which included reviewing the family history and memorabilia, outdoor games, a catered dinner and talent show from within the family. T-shirts designed for the occasion by Greg Schilz of Gering were available to the group.

On Sunday morning, family member worshiped at Salem Lutheran Church in Gering.

Relatives attending were from Ames, Iowa; Upton, Wyo.; Aurora, Brighton, Colorado Springs, Evergreen, Lakewood, Loveland and Thornton, Colo.; Lenexa, Kan.; Phoenix, Ariz.; Gering, Broadwater, Gurley, Dalton, Lincoln and Sidney.

The next reunion is planned for 1992.

Maas reunion

The 43rd annual Maas family reunion was held Sept. 10 at the Hoskins fire hall, beginning with a 12:30 p.m. picnic dinner. Sixteen families were represented.

For local contest Wayne BPW seeking young career women

The Wayne Business and Professional Women's Club is seeking interested young women to be involved in its Young Career Woman program.

The Young Career Woman program highlights the outstanding achievements of young career women and introduces them to the ideals and goals of Business and Professional Women/USA.

The local contest will be held Tuesday, Sept. 26. In addition to advancing to district competition, the local winner will receive a complimentary year's membership to BPW and will be recognized in the newspaper.

Interested persons are asked to contact Sue Walsh, 375-2200, ext. 229 (work) or 375-3451 (home) for additional information.

TO BE ELIGIBLE for the contest, young women must be between the ages of 21 and 35 inclusive as of July 31, 1989; be or have been employed in business or

the professions with at least one year of full-time work experience in her career area; be outstanding in scholastic work, community service and/or church work; be living, working, training or continuing her education in the area served by the state BPW federation; and support the goals, objectives and legislative platform of BPW/USA.

The selection procedure will include a speech of five minutes maximum, and an interview with a panel of judges.

THE YOUNG CAREER Woman program begins at the club level, proceeds to the district level, and culminates at the state convention where one candidate is selected by a panel of three judges to represent her state at the national convention.

All state young career women are honored at national convention during several days of activities.

Dinner honors Roeber wedding anniversary

Lloyd and Donna Roeber of Wakefield hosted a 12:30 p.m. dinner at the Black Knight in Wayne on Sept. 10 in honor of their 40th wedding anniversary.

Guests included Marlene and Al Fey of Papillion; Eugene and Mary Sebade, Elsie Utemark and Sadie Schwarten of Emerson; Mable Thomsen, Lillie Tarnow, Harry and Martha Dellin, Bruce, Kim, Jason and Jon Roeber, and Byron, Marci, Jennifer, Kyle and Brent Roeber of Wakefield; Garry, Diane, Danny and Matt Roeber and Robyn Sebade of Wayne; Gerald and Bernita Becker of Norfolk; Milford and Myrna Roeber of Allen; and Rose and Don Johnson of South Sioux City.

Joining them in the Roeber

home in the afternoon, where the children hosted a 5 o'clock supper, were Mr. and Mrs. Al Nelson of Wakefield.

ROEBERS WERE married Sept. 4, 1949 at St. Paul's Lutheran Church in Emerson and have resided since that time on a farm northeast of Wayne.

Among those attending their anniversary celebration were Marlene Fey of Papillion and Gene Sebade of Emerson, attendants at the wedding ceremony 40 years ago.

Roebers are the parents of three children, Bruce and Kim Roeber and Byron and Marci Roeber, all of Wakefield, and Garry and Diane Roeber of Wayne. There are seven grandchildren.

Wayne drills Neligh in rain delayed game

By Kevin Peterson
Sports Editor

Due to wet grounds, Wayne's football contest with Neligh-Oakdale was postponed from Friday night at 7:30 at Memorial Field on the campus of Wayne State College, to Saturday afternoon at 3 p.m. at the Wayne practice field.

The Blue Devils however, showed that they had no preference where they played the game as they whipped the visitors by a 52-6 count. Wayne upped its record to 2-0 on the season and have outscored its two opponents by a whopping 93-6 margin. Wayne scored two touchdowns in each of the four quarters

Saturday and the fine execution of the offense and the big front line of the defense dominated like it did in the opener against Lyons-Decatur.

Due to the Saturday contest there was a lot of scouts at the game from other schools that Wayne will play and if Wayne gave them any indication of how strong

they will be when they face the scout's respective teams, those schools will more than likely begin preparing for Wayne—immediately.

"I thought everything went well in the game," Wayne coach Lonnie Ehrhardt said. "We made some mistakes early but we overcame them." One thing that Ehrhardt was really pleased with was that Wayne cut down on its penalties from game one and they didn't suffer a turnover.

Casey Dyer was the first Blue Devil to cross the goal line and he did so in fine fashion as a result of a 55-yard run. Matt Bruggeman connected on the point after. Wayne's main workhorse, Rusty Hamer, upped the score later in the first quarter as he darted across the goal line from seven yards out. Bruggeman again connected on the point after which made the score 14-0 at the end of the first quarter.

With 8:31 remaining in the second quarter, quarterback Craig Dyer scored on an eight yard run. The point after was no good and Wayne's lead was a 20-0. At the

4:56 mark of the same period Rusty Hamer scored from 44 yards out and again the conversion failed so Wayne maintained a 26-0 lead at intermission.

Hamer scored his third touchdown of the game in the third quarter with 8:28 remaining on a ten yard run. The point after was good and the lead had mounted

to 33-0. Cory Wieseler, who alternates at quarterback with Craig Dyer, tossed a 17-yard strike to Willy Gross at the 3:48 mark of the third period and with Bruggeman's point after the Wayne lead had vaulted to 40-0.

Wayne brought in subs in the fourth quarter but the result was the same as Jim Murphy scored on a five yard run. The point after attempt failed and the score stood at 46-0. Finally, Neligh scored on a 26-yard pass play to make the score 46-6.

Wayne's final touchdown came on 14-yard sprint to the endzone by Jack Swinney. The point after

attempt failed and the score remained at 52-6, the final.

Offensively Wayne had 22 first downs and the Blue Devils rushed for 370 yards on 53 attempts. The two quarterbacks combined to go 5-11 in the passing department for 63 yards. Wayne was penalized five times for 65 yards.

Neligh was held to just four first downs and the visitors could only muster 49 yards rushing in 19 attempts. They were 5-20 in the passing department with two interceptions and 96 yards. Neligh's total offensive output was 145 yards. They were penalized five times for 48 yards and they fumbled the ball four times and lost it three times.

In the individual statistics, Rusty Hamer led the rushing attack with 104 yards on 13 carries and three touchdowns. Craig Dyer rushed the ball six times for 81 yards and Casey Dyer rushed the ball two times for 58 yards. Both of the Dyer's scored a touchdown.

Chris Fredrickson gained 38 yards on eight carries and Brian Moore gained 31 yards on three carries. Cory Wieseler rushed for 25 yards on 10 carries. Wieseler was 4-9 in passing department for 50 yards and a touchdown and Craig Dyer was 1-2 for 13 yards.

Jeff Lutt was on the receiving end of two passes for 24 yards while Willy Gross caught one for 17 yards and a touchdown. Casey Dyer and Rusty Hamer each caught a pass as well with Dyer gaining 12 yards and Hamer, 10.

Defensively Wayne was totally dominate and they were well balanced as far as tacklers. Rusty Hamer led the charge with eight tackles while Kip Mau, Jeff Lutt and Matt Bruggeman notched six apiece. Cory Wieseler, Willy Gross, Neil Carnes, Chris Fredrickson, Greg DeNaeyer, Jason Fink, Jason Ehrhardt and Casey Dyer all managed five tackles, each.

Ehrhardt noted that there was no major injuries in the contest and that Wayne should be at full strength when undefeated South Sioux comes calling on Friday night.

"I think we'll be in good shape for the South Sioux game," Ehrhardt said. "It will be a great football game between two evenly matched teams."

Wayne reserves lose by 21

Wayne's reserve football team fell to South Sioux in the first reserve game of the season Monday evening in Wayne, 33-12.

South Sioux jumped on top early and never trailed enroute to the victory. At intermission the score was 14-0 for South Sioux but Wayne made a comeback and found themselves trailing only 14-12 before South Sioux scored again to put the game out of reach.

Wayne's first score came on a 13 yard pass from Regg Carnes to Trevor Wehrer while the second score came on a 24 yard return of a fumble by John Murphy.

Jeremy Fletcher and Jason Fink finished as the game's leading tacklers with Fletcher grabbing 12 and Fink notching eight. Wayne's next reserve game will be Monday, Sept. 18 at Pierce in a 7 p.m. contest.

RUSTY HAMER bounces off tacklers as he picks up good yardage. Hamer gained over 100 yards on the ground.

CRAIG DYER eludes a would be tackler during Wayne's romp of Neligh-Oakdale on Saturday.

YOU WOULD never guess that Wayne was ahead 46-0 at the point this picture was taken as Lonnie Ehrhardt and Ron Carnes look on.

WILLY GROSS returns a punt for the Wayne Blue Devils during Saturday action of the rain delayed football contest between Wayne and Neligh.

Puttin' up with Pete

By Kevin Peterson

The Crystal Ball has decided to make its return to the high school and college football prediction selections and with some of the games that we have on tap this weekend, it won't be easy but we think we have some sure winners for Friday night and Saturday. So without further adieu, here we go.

Coleridge at Winside This game will be closer than most people think. Winside coach Randy Geier lost some key people from last year's team but he has a good nucleus of people back for this year including running back sensation Max Kant. Still you have to be naive to think that Coleridge will be an easy team to beat. Last year's game at Coleridge was dandy between the two teams and we look for a great game. Coleridge, 34—Winside, 26.

Newcastle at Allen Coach Mike Busselmann has watched his offensive team struggle badly in the first two games and yet his defense has handed him a 1-1 record. Speaking of good defense, Allen's defensive bunch can hit with the best of them with Kevin Crossgrove and Rusty Dickens leading the charge. Look for running back Kent Chase to get out of the blocks early and often in this one. Allen 30—Newcastle 18.

Plainview at Wakefield Things have been tough for Dennis Wilbur in the early going of the season since this is Wakefield's first return to the 11-man ranks since the early 80's. Still Wilbur has to have a good feeling coming into this game not only because it is Wakefield's first home contest but Plainview only has 21 players on the team. Wakefield 26—Plainview 6.

Ponca at Laurel Tom Luxford has his Laurel Bear team hungry for more after his squad defeated a stubborn Crofton team in Crofton last week by a 33-16 count. I am believer in Tom Luxford and how he is turning around Laurel's program and with some of the fine athletes Luxford has to deal with I feel Laurel could upset some people this year. Example, Laurel 20—Ponca 13.

South Sioux at Wayne Folks, if you don't get out to see another high school football game this year, you have got to come watch as the Cardinals from South Sioux, undefeated in two tries, come to Wayne to face the undefeated Blue Devils. This game will feature some great athletes from both schools, both live primarily by the run and both feature some excellent defense. I have witnessed both of Wayne's triumphs over Lyons-Decatur and Neligh and frankly, I can't see South Sioux beating them. Wayne 20—South Sioux 16.

Minnesota-Morris at Wayne State New head coach Dennis Wagner is really trying to turn the Wildcat program around and I am one guy who feels that he will be successful. Wagner has the right attitude and he has some quality assistant coaches and with the large number of young players that Wayne State has, it's bound to take a little time to get used to the system. However, the Wildcats open up their home campaign this weekend and that should raise their emotional level on the playing field even more. Stand back folks because it's been a while, but Wayne State 21—Minnesota Morris 18.

Other games that we should make a quick prediction on in the college ranks include: Nebraska, 63—Utah, 10; Notre Dame, 16—Michigan, 14; Oklahoma, 28—Arizona 24; Colorado 27—Illinois, 17.

Allen suffers first volleyball loss

The Allen Eagles suffered their first volleyball loss of the 1989 season as they took part in the Stanton Tournament on Saturday. Allen squared off against Stanton in the first round and the host team defeated Gary Troths' squad, 15-10, 15-6.

"We played Stanton better this year than we did last year," Troth said. "Last year we were kind of intimidated by the taller team." Stanton used two serving runs in the first set which aided them to victory.

In the consolation game Allen defeated Humphrey, 15-11, 15-1. Carla Stapleton and Anneta Malcom each went 9-9 in the setting department with each of them recording two assists. Alyssa McGrath led all servers with a 14-15 outing and five aces. Leslie Isom was 8-11 with five aces and Becca Stingley was 5-5 with two aces. Stephanie Carlson was 10-13 in the spiking department with two kills and Cindy Chase was 6-7 in spiking with two kills and Chase also recorded three blocks.

Leslie Isom was the top server for Allen with a 9-9 performance including one ace. Alyssa McGrath was 7-8 with one as well. Cindy Chase was 10-14 in the spiking department with four kills while Denise Boyle was 6-10 with two kills and Stephanie Carlson was 10-11 with two kills.

Wayne State falls to St. Cloud

By Kevin Peterson
Sports Editor

The Wayne State football team traveled for the second consecutive week in starting out the 1989 football season Saturday as the Wildcats tangled with the fourth ranked team in NCAA Division II in St. Cloud State in Minnesota.

The Wildcats played a more competitive game against the highly rated Minnesota team but Wayne State fell 28-0. "We knew going into the contest with St. Cloud State that we were out-matched physically," head coach Dennis Wagner said. "We still made a lot of mistakes on the offense that we feel we could have made the game closer."

All-American running back Harry Jackson for St. Cloud State opened the scoring with 4:16 remaining in the first quarter as he plunged over from one yard out making the score 7-0 with the ensuing point after.

Jackson scored again in the second quarter on a 29 yard run and after the extra point the score was 14-0. Jackson scored his third touchdown of the half on a two yard run and with the extra point St. Cloud State maintained a 21-0 lead at intermission.

With 1:40 remaining in the third period Harry Myers was on the re-

ceiving end of a 14-yard pass from Stacy Jameson and with the point after the score was 28-0.

"Our defense again played with some emotion," Wagner said. "Our problem comes when the defense has to stay on the field most of the game." Wagner noted that he was displeased with the offensive performance of his Wildcats.

"Our offense was very poor," Wagner said. "I was unhappy with our offensive line play and our quarterback play. Our line didn't maintain blocks and our quarterback had trouble reading the defenses."

Wagner also said that right now his offense lacks leadership. Kirk (Meyer) has the tools to be a good quarterback," Wagner said. "It's just that right now he's not using them, but I think he'll come around."

Turnovers again haunted the Wildcats as again they found themselves in scoring territory twice and came away empty handed. "We fumbled on the 18-yard line and the other time we had a chance to score we threw an interception," Wagner said. "One thing that I thought the kids did better this week than they did af-

ter the South Dakota game was responding to the loss better. The guys realize that they could have

played better and they didn't but now they are working hard for Minnesota-Morris which will be the first home game for the Wildcats."

One thing Wayne State will have to improve upon if they are going to compete with Minnesota-Morris is offensive output. Against St. Cloud State the Wildcats came away gaining a total of 99 yards compared to 409 yards by St. Cloud State.

Wayne State quarterback Kirk Meyer was 11-17 in the passing department for 79 yards and running back Troy Jackson completed his only pass of the game, a 60-yard strike to Bill Blondin.

Blondin was the leading receiver for Wayne State with four catches for a total of 84 yards. Lemer Daniels caught four passes as well but for 12 yards. Macha Shinhoster caught one pass for eight yards while John Pezdirtz caught one pass for 11 yards. Kurt Jensen and Terry Thomas also caught one pass each for 11 and 13 yards respectively.

Lemer Daniels was Wayne State's leading rusher with 22 yards on seven carries. Troy Jackson followed with 16 yards in 10 attempts. Wayne State finished with a negative 40 yards rushing due to the sacking of Kirk Meyer.

St. Cloud State was led in rush-

ing by Harry Jackson's 137 yards on 24 carries. Quarterback Stacy Jameson was 11-18 in the passing department for 184 yards and he rushed for 47 yards.

Defensively the Wildcats were led by the outstanding play of Bob Sterba and Bud Sachs with each of them getting in on 14 tackles apiece. Chris Matzen managed to get in on 10 tackles. Scott Vokoun notched nine tackles while Matt Holly, ReMar Walker, Jeff Brownfield and Joe Toomer recorded seven apiece. Randy Rouse, Mike Thorell and Glen Sutton each recorded six tackles while Rony Woodard managed four.

Kirk Meyer recovered two St. Cloud turnovers and John Gabriel recovered another. Wayne State, (0-2) will play host to Minnesota-Morris, (1-1) this Saturday at Memorial Field on the campus of Wayne State College with kick-off slated for 1:30 p.m.

"We'll have to play better against Minnesota-Morris," Wagner said. "They have a good team with an excellent running back and wide receiver. We'll have to play with more emotion and enthusiasm if we are going to win."

Wagner also said that it is very important for Wayne State to start out the home schedule with a good performance.

Wayne spikers finish runner-up

Marlene Uhing's Lady Blue Devil volleyball team notched another runner-up finish in the North Bend Tournament held Saturday. Wayne finished runner-up in last year's tournament as well.

Wayne opened up play against the host team North Bend and it was the second time that these two teams squared off already this season. Wayne defeated North Bend in three sets, 15-11, 10-15, 16-14. "We came out and played real well in the first set," Uhing said. "Then in the second set we found ourselves just standing around and making unforced errors and losing intensity."

Wayne though, came back in the third set and after a quick pep talk by Uhing when the game was tied at 10-10, the Blue Devils went on to record the 16-14 deciding set victory.

"I told the girls during a time out when the game was tied at 10-10 that I thought this was a key point in our season," Uhing said. "We work on situations in practice where the score is tied at 10-10 so the girls realized that this situation wasn't a lot different than in practice, and they went back out on the floor and did a good job the rest of the way."

Teresa Ellis led the servers with a 31-31 performance with three aces. Ellis scored 16 points for the

Blue Devils. Deanna Schluns was 14-14 with two aces and she managed nine points for Wayne. Heidi Reeg was 26-28 in the spiking department with 10 kills while Teresa Ellis was 16-17 with two aces. Ellis led the servers with eight assists.

In the championship Wayne faced Columbus Scotus, the same as they did in the finals of last season's North Bend Tournament. Scotus jumped all over Wayne early and coasted to a 15-1 first set victory. The Blue Devils made the second set a little more interesting before losing, 15-12.

"We were down 14-0 before we even scored in the first set," Uhing said. "We let one girl score eight straight points from the serving line." Uhing said that her squad played harder in the second set.

"We led most of the second set and were even up 9-5 before we had a breakdown in serve receive and we again let one girl serve six straight points to give Scotus a two point lead."

Deanna Schluns led the servers with six points on an 8-8 outing with two aces. Jennifer Hammer scored four points and was 5-5 from the serving line with one ace. Heidi Reeg was 6-8 in spiking with

two aces and Liz Reeg led the servers with a 15-18 performance with two assists.

Wayne's record on the season is 3-3 and the Blue Devils will travel to Pierce for a contest on Thursday. "Right now it seems that we are letting our mistakes cause us to make more mistakes because we let it bother us," Uhing said. "We are suffering from a lack of communication on the court as well."

Uhing was pleased with the effort her squad put forth during the second set of the Scotus match. "I

think it was a positive step for our program the way the girls played during the second set," Uhing said.

"We still need to improve our floor defense and we have to make sure our serve is strong, over 90 percent."

Wakefield captures consolation at Winside

Wakefield's volleyball team faced Winside in the consolation game of the Winside Tournament Tuesday night and the Trojans came away with a two set victory, 15-1, 15-9.

"We played very well against Winside," Wakefield coach Paul Eaton said. "In fact, of the total five sets we played in the tournament, four of the five we played well in but it was that one that we didn't that cost us the game against Osmond."

Wakefield lost to Osmond in three sets, 14-16, 15-17, 1-15, in the first round of the tournament. "We're still suffering some problems with our lineup because we have so many girls playing," Eaton said. "We just had to many unforced errors."

Julie Greve was the top server against Osmond with a 12-12 outing and Kristen Miller was 12-13 with three aces. Cathi Larson was 27-31 in the setting department and Susan Nuernberger was 20-22 in setting. In the Winside match Cathi Larson was 14-14 in serving and she was 22-22 overall in the two games with three aces. Melanie Kuhl was 8-8 in the Win-

side contest.

Larson led the setters with a 22-24 performance and Wakefield as a team was 16-20 in the spiking department, but were also 10-10 in tips. "Our passing game was much better against Winside than what it was against Osmond," Eaton said.

Winside lost its first match against Coleridge, 12-15, 15-12, 5-15 and the scores were already mentioned on the Wakefield contest in the consolation game. "We had a mental breakdown in every phase of the game during Tuesday's tournament," Giesselmann said. "I think it was just a letdown after our big win over Laurel earlier."

Tinia Hartmann was the leading server in the Coleridge match with a 13-16 outing with five aces. Patty Oberle was 11-14 with two aces and Jenny Jacobsen was 13-16 with two aces. Hartmann and Kelly Pitchler did a fine job in the setting department as they combined to go 70-71 with Hartmann dishing out 11 assists and Pitchler, seven.

Jenny Jacobsen was the top spiker as she was 21-24 with 10 kill spikes while Shannon Holdorf was

16-26 with four kills. Jenni Topp was 8-11 with three kills.

In the Wakefield match, Tinia Hartmann was 5-6 in serving and Patty Oberle was 7-9 with two aces. Tinia Hartmann and Kelly Pitchler again had success in setting as they combined to go 30-31 with each of them garnering three assists.

Jenny Jacobsen was the top spiker with a 6-10 performance

and three aces while Shannon Holdorf was 4-8 with two aces. Jenny Jacobsen and Shannon Holdorf led the team in blocks with three and two each.

Coleridge won the Winside Tournament as they defeated Osmond in the finals, 15-7, 15-4.

"We have a good bunch of girls on our team and they'll bounce back," Giesselmann said of his Wildcats.

Cross Country team defeats Wisner-Pilger

The Blue Devil cross country team continues to improve with each outing and Tuesday's dual with Wisner-Pilger was no exception as Wayne breezed to victory, 10-28.

"We scored the least amount of points possible," coach Rocky Ruhl said. "We got first, second, third and fourth." Todd Fuelberth ran his way to a first place time of 18:20 while Mike Hillier was 27 seconds behind in second place at 18:47. Scott Fuelberth placed third with a time of 18:54 and Mike DeNaeyer was a pleasant surprise in fourth place with a time of 19:05.

Mark Meyer placed seventh and Steve Dinsmore, ninth which rounded out the top 10 individuals. Troy Frey, Aaron Wilson, Jason Johs, Matt Ley, Eric Cole, and Ben Wilson finished in the order of 11-16 while Chris Sweetland, Kyle Dahl and Craig Sharpe also participated.

In girls action Tammy Geiger kept her unbeaten streak in tact with a clocking of 18:10. Geiger has yet to finish lower than first place in any meet this season.

Sheri Wortman finished sixth and Edith Janke, seventh for Wayne.

In last Friday's Norfolk Catholic Invitational, Wayne finished in the runner-up slot and received a trophy for its efforts. O'Neill won the meet with Wayne placing second, Crofton third, Bloomfield fourth, Albion fifth and Wisner-Pilger sixth.

In varsity action Todd Fuelberth received a third place medal and was timed at 14:40 while Mike Hillier placed fourth and received a medal with a time of 14:44. Scott Fuelberth also received a medal for placing 11th with a time of 15:13. Mike DeNaeyer finished 20th and Aaron Wilson finished in the number 24 position.

In girls action Tammy Geiger brought home the first place medal but no times were released at press time. Amy Wriedt placed ninth and Sheri Wortman finished 20th.

Earning ribbons in the junior varsity portion of the meet was Mark Meyer with a second place finish with a 16:21 clocking, Jason Johs with a third place clocking of 16:28 and Steve Dinsmore with a fourth place finish of 16:25.

Council accepts second-low bid

By Chuck Hackenmiller
Managing editor

After meeting in closed session for approximately 20 minutes, the Wayne City Council voted not to accept the bid of E.L. Black and Sons of Dakota City for modifications to the engine cooling water system at the city of Wayne's power plant.

The city council had accepted the low bid of E.L. Black and Sons last month for the modification work. Their bid was at \$29,950.

However, the city council voted after the closed session Tuesday evening to withdraw their motion

to approve the E.L. Black and Sons bid because the company "couldn't come up with the performance bond" to guarantee their work.

So the bid will now go to Girmus Enterprises, Inc. of Ithaca, Nebraska at a cost of \$33,375.

ALSO ON Tuesday, the city council accepted the letter of substantial completion on the recent water system improvement project. John Franklin of the Howard R. Green Company, consulting engineers on the project, told the council that the transmission main and the well house work has been completed.

The total cost of these projects was \$579,327.61, he said.

The water project extended six miles north, one mile west and a half-mile south of Wayne. "To the best of everyone's knowledge, everything is complete," said Franklin.

Upon acceptance of the water project, the city can now authorize the final \$14,000 payment to the general contractor, Winter Construction. The firm is under a two-year performance bond.

IN OTHER action, the city council:

— Was told by City

Administrator Phil Kloster that the utility distribution system replacement in the Carhart Subdivision will start shortly. He said letters have been sent to property owners who will be affected by the replacement work.

—Learned that the Wayne Senior Center was inspected and it received good marks. Kloster said the only negative comments were aimed at the need for additional space at the senior center. "That has shown up in inspections for the last four or five years. It is always filled for the congregate meals, with little space for additional numbers," Kloster said.

rented to the telephone company.

The program, which is designed to educate behaviorally impaired youngsters, will now be known as the ESU 1 Learning Center.

BOARD MEMBERS Tuesday night reviewed ESU 1's new media catalog and computer curriculum guide.

The media catalog will be distributed to all schools within the ESU 1 boundary area.

The computer curriculum guide also was funded by ESU 1 and will be distributed free of charge to school districts within ESU 1.

The guide is designed to assist administrators, teachers and computer curriculum committees in developing a K-12 computer curriculum for their district.

IN OTHER BUSINESS Tuesday

night, the ESU 1 board agreed to collect water samples from schools it serves and have them tested by the Nebraska State Health Lab.

The testing is being done as the result of safe drinking water standards established by the Environmental Protection Agency—that require drinking water of school age children to be tested for lead.

Board members also discussed the distribution of LB 89 monies to teachers when the funds become available. The board agreed to allow employees of ESU 1 to vote themselves on how they wish the money to be distributed, with final approval by the board. Administrator Rodney Garwood said the board would be available to assist the teachers if they request it.

ESU 1 BOARD of directors will meet again on Oct. 10 at 8 p.m. at headquarters in Wakefield.

Board

(continued from page 1A)

schools are funded from property taxes, while nationally only 44 percent comes from property tax.

In other action Tuesday evening, the board of education: — Reviewed how distribution of the Teacher bonus plan, passed by the 1989 state legislature, should be carried out among the teachers in the school district.

The board of education has the responsibility of approving the presentation and proposal since the state allocates the bonus funds to the school district who in turn releases the allocation to the teachers.

Board member Sid Hillier suggested that the teachers come up with the distribution plan of the bonus funds and then the board of education would then ratify the plan.

The amount which Wayne-Carroll teachers will receive has not been established. LB 89, passed and signed by Governor Orr this year, will provide \$20 million in each of two years to raise salaries for public school teachers across Nebraska.

— And turned down a proposal to apply window tint to the east and west windows of the high school.

Levy

(continued from page 1A)

Public Utilities — \$16,475 (\$14,675).

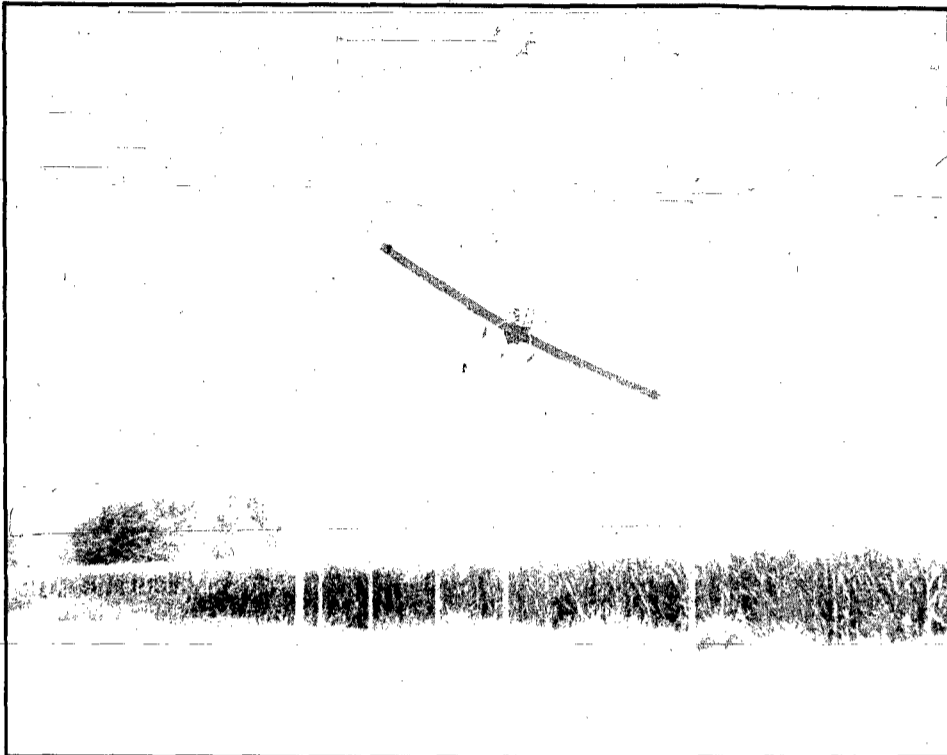

Property tax askings will rise from the 1988-89 fiscal budget figure of \$1,617,630 to

\$1,729,470 in the 1989-90 fiscal year. The amount of budgeted expenditures in 1989-90 will reach approximately \$3.35 million compared to last year's total budget expenditures of nearly \$3 million.

On Conway issue

Court agrees to hear case

The Nebraska Supreme Court has agreed to hear the case of Senator Gerald Conway of Wayne.

Nebraska Attorney General Robert Spire has recently filed suit in the Nebraska Supreme Court claiming that District 17 Senator Conway be removed and excluded from his teaching position at Wayne State College.

Conway and Spire must both agree on the facts of the case before the Supreme Court hears the matter.

If there is disagreement on the facts, then the case will have to go to district court for a decision.

Conway, who has been a legislator for five years and an educator at Wayne State for 14

years, has said he disputes the contention there is a conflict of interest. When the legislature is in session, he takes an unpaid leave of absence from his teaching position at Wayne State.

He said earlier that he has no executive powers or holds any lucrative office as a college instructor.

Installation services set for new Wayne pastor

The Rev. David Dickinson, 36, will be installed as pastor of the Wayne Evangelical Free Church during services on Sunday, Oct. 1 at 3:30 p.m.

Officiating at the installation service will be the Rev. Bill Hamel, district superintendent.

DICKINSON CAME to Wayne July 1 from Kearney, where he owned his own computer programming business and also worked with the Evangelical Free Church children's ministries.

A native of Chicago, he attended high school at Maxwell, Neb. and graduated from Moody Bible Institute in Chicago in 1974.

He served as a pastor at Brady and Cozad, Neb. for seven years before going into business on his own.

HE AND HIS wife Pamela, who was raised in Nebraska and has a degree in English from Kearney State College, are the parents of three daughters, 12-year-old Amy,

David Dickinson

10-year-old Lori, and six-year-old Amber.

Distinguished Service

BONNIE STANLEY, who retired after 27 years as an employee of the Wayne-Carroll School District, received the Distinguished Service Award from Wayne-Carroll Board of Education President Neit Sandahl during Tuesday's board meeting. She served as secretary in the high school office. Board members expressed their appreciation to Bonnie for her dedicated service to the school district.

Cobb family ministering at Allen church

The Tom Cobb family of Merriman, Neb. will minister during both services on Sunday, Sept. 17 at the Springbank Friends Church in Allen. Service times are 10:30 a.m. and 7:30 p.m.

Tom and Karen Cobb and daughters will present a musical program. They have traveled extensively throughout the United States and have ministered in many denominations.

The public is invited to attend both services.

Life Insurance: Who Needs It?
Q: In what ways can life insurance benefit today's woman?

A: Life insurance can provide both protection and money for the future, for yourself, your family and your business. People buy insurance policies for a multitude of reasons these days:

- You can build for your children's education.
- You can accumulate cash for retirement.
- You can use it to pay off your mortgage.
- If you're single, you can provide for elderly parents if you die.
- Life insurance has estate tax use, too. Life insurance also earns tax deferred interest.

The Farmer's Wife

By Pat Melerhenry

First, it can't rain; then, it can't quit! With the high humidity levels, it's as if we've been in a tropical rain forest. If it really rains 90 days after fog, we stand a good chance of snow by Thanksgiving.

And we are planning a wedding for the Saturday after Thanksgiving, in Lincoln. Our Dad got fitted for his tux today; they've gone up \$10 since last year.

This wedding business is getting out of hand. I'm going back to Plan B and offering my remaining daughters \$2000 and a ladder.

We're in Lincoln for a wedding, a very lovely one that united two Wayne young people, and we are rejoicing with them that it was on Sat. and not on Fri. On Friday, some places in Lincoln had 8" rain.

Football games were played in the wet stuff, on very muddy fields, with heavenly-lighting effects. One game was called because of lightning with only four minutes left. I can only imagine what it took to wash those jerseys.

For you sailors on the Independence, the Huskers were really struggling in the first half on Saturday. Gdowski, the quarterback, attended elementary school in Pierce, where his Dad coached at the time.

WE WERE tied with Northern Illinois State, 17-17 at half; but got over the first game-jitters to win, 48-17. One guy on our defense, Chris Caliendo, had a twin brother playing for NIS. I cannot imagine their parents' lives.

A couple of years ago, the Big Farmer cut out an essay from the Reader's Digest called "Everything I Really Needed to Know I Learned in Kindergarten." It was a marvelous, concise statement about living that I have read to audiences ever since.

In today's Parade Magazine, the author, Robert Fulghum, has a list of recommendations that he says fit somewhere between the Ten Commandments and Murphy's Law. They are:

Buy lemonade from any kid who is selling.

Anytime you can vote on anything, vote.

Attend the 25th reunion of your high school class.

Choose having time over having money.

Always take the scenic route.

Give at least something to any beggar who asks.

Give money to all street musicians.

Always be someone's valentine.

When the circus comes to town, be there.

MIKE SAYS he could improve on the list, and he'd begin by eliminating street musicians. I don't know; I'd have to think on it awhile.

The milo heads are brown, the soy bean leaves are golden. We have been feasting on watermelon, cantaloupe, and tomatoes. Grandma has put up jars and jars of peaches and applesauce.

My little "thought for the day" calendar offers this Swedish proverb: Fear less, hope more; eat less, chew more; whine less, breathe more; talk less, say more; hate less, love more; and all good things are yours.

Sommerfeld attends convention

Roy Sommerfeld of Wayne attended the 71st annual National American Legion Convention in Baltimore.

Sommerfeld, representing District 3, Department of Nebraska, was one of 2,200 Legionnaires, Auxiliary members, S.A.L. and relatives and guests attending the convention.

Main issues brought before the assembly were flag desecration, drugs, and the Notch Babies.

The convention lasted from Sept. 3 to Sept. 7. On the last day, Miles Epling of West Virginia was elected national commander for the coming year. Epling is a Vietnam veteran who lost both legs in that conflict. He pledged to continue increasing Legion membership after the Legion went over the three million mark under the leadership of "Sparky" Gierke, the outgoing commander.

While in Baltimore, Sommerfeld was interviewed by Michael J. Clark, a reporter with The Sun.

The article told about Sommerfeld's experience on the SS John W. Brown, a Liberty ship he was on in 1943.

In the article, it stated: "But his [Sommerfeld] recollection of the long voyage from the Alerting Islands to Seattle — when he experienced some of his most unpleasant moments of World War II — brought forth another thought: 'I don't want any part of it.'"

The retired carpenter from Wayne had been slated as an infantryman to participate later in the planned invasion of Japan. He never saw combat because Japan surrendered after nuclear bombs were dropped on Hiroshima and Nagasaki. But the memory of the Liberty ship remains strong — so strong that he felt compelled to

show his wife the SS John W. Brown.

"I wanted her [his wife, Mabel] to see the troop room and tell her how many soldiers they stacked in the troop room," Sommerfeld said. "We were stacked in one room at least five and six high on canvas stretched over pipe frames."

"We would hang on the pipe frames when the weather got bad. The top guy would throw up on everyone below them. All I can remember is the sweat and stink. I didn't eat for three days," he said.

The SS John W. Brown, named for a union leader, is one of some 380 Liberty ships that were built in assembly-line fashion at Bethlehem Steel's Fairfield shipyard during World War II. It is undergoing a major renovation in Baltimore so it can become seaworthy once again.

Country Leanings

Autumn's Early Arrival

One never expects such an early visit. The summer cruises by so fast. Autumn comes knocking on the door with its unexpected cool fresh blast.

There's beauty in fall, to be sure. The leaves are exquisite and grand. Pumpkins bring life to dying gardens. There are bright colors across the land.

Game lights pierce the pitch dark nights and football fans echo a cheer. Homecoming royalty and their court are crowned for another year.

Still, with fall comes the killing frost which always seems to arrive too soon. Farmers hurry to bring in the crop by the light of the harvest moon.

Just who is ready to see their breath while standing outside and talking? Or who is anxious to bundle up warmly when doing some evening walking.

Fall has its splendor and fun. It can be one of the best-loved seasons. But to many people, it just comes too early for a variety of reasons.

What makes fall arrival sometimes bitter is the thought that many often dread. People look beyond autumn and worry about winter — and ice and snow instead.

NEBRASKA TIMELINE

By the Nebraska State Historical Society

To young children Wells were threat

"Forty miles to water, thirty miles to wood, twenty miles to hell, and I've gone there for good:" Plains author Mari Sandoz quotes this inscription, left behind by a disgruntled would-be settler, in her account of the problem of finding water in the "Great American Desert." Written in the dry year 1931, Sandoz's essay continues:

"It must have tried the soul of even a pioneer to dig a well anywhere from 160 to four hundred feet deep with little equipment except a spade, a bucket, an old rope, and a strong back, particularly if the soil was inclined to slip."

Nebraska's settlement days were filled with tragic tales of well accidents. Sandoz continued. "Peter Johnson, living five miles from Emerson, was overcome by gas while cleaning his well, and died before he could be drawn to the surface. F. W. Carlin, Custer County, fell into an old open well 143 feet deep, far from the nearest neighbor. The hole was curbed here and there and it took him two days and three nights to climb out. But he managed to get out and crawl to a neighbor, a mile and a half away, where he was given treatment and food and recovered."

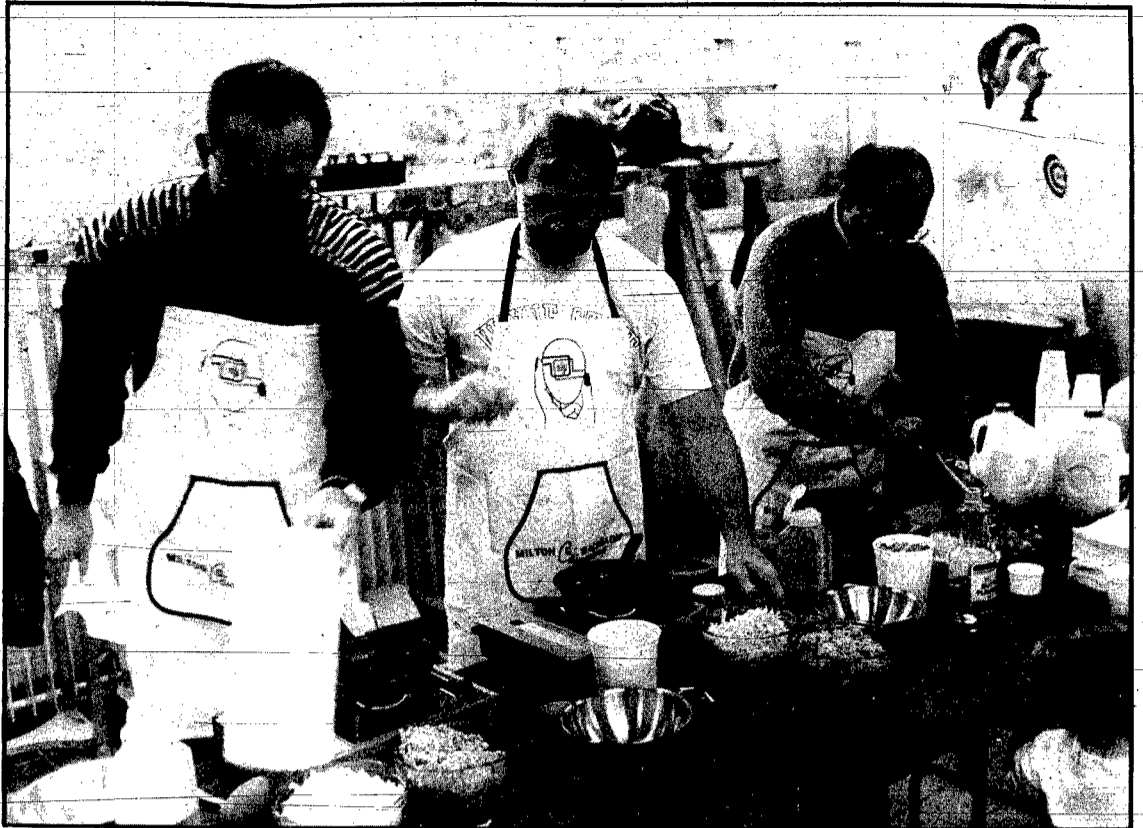

The saddest stories, then as now, are from the lethal mixture of children and uncovered wells. "At Horse Shoe Bend, Scotts Bluff County, some newcomers hired a well bored. During the noon hour the large augur was drawn up and the hole left uncovered. A 2-year-old child fell headlong into it, 80 feet deep. In the neighborhood lived a very slim boy, Johnny Smith, small enough to slip into the hole. With a rope tied to his feet he was lowered head first into the well and

brought the child to the surface, dead. Surely Johnny should have had a medal, but medals aren't passed out to pioneers."

Not every well story involved such tragedies. Near Valentine, "Arkansas Bob and Bill American, two popular local cowboys, were ordered out of a dance hall because Bob snored. They tried to catch the porch steps and fell in the dark. Sobered a bit by the fall, they started to a hotel, got lost, and wandered happily over the prairie afoot. Suddenly Bob disappeared. Bill shouted. A frantic answer came from the earth. Bob had slipped into an old well and was afraid Bill would stumble about and fall in on top of him. Just sober enough to enjoy a good joke, Bill crawled to the edge of the hole. There, illuminated by the pale moonlight, he swayed back and forth, laughing like a maniac, tormenting poor Bob. When the fun grew stale, and Bob had sworn faithfully to wait for him, Bill went for help.

"Back in town he met a friend with a full bottle. Together they wandered around for the rest of the night. But Bill was troubled, even after a morning drink. He knew he had lost Bob somewhere in a hole in the ground. A search was started, someone remembered the old well near the cemetery. Sure enough, Bob was at the bottom of the 20-foot-hole, sober, waiting."

With the advent of modern drilling machinery, Sandoz wrote, "Nebraska's immense underground reservoirs are almost as available as surface water. Gone is the necessity for such appalling risks as pioneer well-digging involved."

Gang activity picking up

Rural areas vulnerable to drugs

Any Federal plan to curb the illegal drug trade in this country must recognize the vulnerability of rural areas, and small and mid-sized communities, Representative Doug Bereuter said recently. Bereuter, in Fremont and Schuyler for citizen listening sessions, said that he has urged U.S. Drug Czar William Bennett to include in his plans strategies to address problems of drug activity in rural areas.

"Illegal drug use and its deadly proliferation into almost every community in the nation appears at this time to have stymied the efforts of everyone attempting to effectively address the problem," Bereuter said. "We are not winning the war on drugs — on the contrary, we are losing ground in this battle."

"The problems in the District of Columbia that are so wildly out of control have fostered an 'every man for himself' attitude. Drug-related shootings are every day events, and innocent people are caught in the murderous cross-fire. The economic and social fabric of the city is nearly destroyed."

"The most frightening part of this all is the realization that other

Keeping In Touch

American cities and small towns will go the way of the District of Columbia unless as a society we break the stranglehold of illegal drug use."

BEREUTER TALKED about the spread of gang activity from the Los Angeles area into Omaha and then into the Siouxland area. "Gang members are heavily armed, some with automatic weapons, and are selling crack cocaine," Bereuter said. "While no one can dispute the crisis such cities as New York and Los Angeles face, it should be obvious that the actual or imminent proliferation of gangs in places like the tri-state area are closely related to increased gang activity in these larger metropolitan areas. In fact, Los Angeles and New York gangs are often the 'parent gangs' of these groups."

"These and other small and mid-

sized communities like them must be included in any Federal plan to curb the illegal drug trade," he said. "It would be devastatingly short-sighted if the Federal government were to ignore this new and expanding drug battleground."

The First District Congressman made his remarks on the day in which the President is scheduled to address the nation with an outline of his plan to combat the national drug crisis. Bereuter said that any necessary additional legislation to combat both the supply and demand side of drug trafficking would surely have a very high priority when the 101st Congress returns to Washington this week.

NEW DOSE CART

Wakefield Health Care Center has recently purchased an Opus Unit Dose Cart for the purpose of administering drugs to residents.

The Opus systems are designed to assure that the highest level of care is maintained at all time. The system provides error-free medication passes and complete tamper-proof medication.

The medication charges to residents are reduced due to the fact that there is only a relatively small supply of meds at the nursing home at any given time.

Wakefield featured

Nebraska... Our Towns, a state-wide endeavor currently working to produce a pictorial history of all Nebraska towns, reports that the City of Wakefield has submitted a story, and will be included in the North Northeast edition of the series of books now being published.

Merlin E. Olson, serving as historical coordinator, submitted a brief profile of the town. An outstanding collection of historical and current pictures were submitted to complete the project.

Sponsored by an independent committee of individuals interested in the preservation of history, the project is the first of its kind in Nebraska. The books are being published by geographic areas, with towns receiving from 2-6 pages each. The purpose of the series of books is to capture in pictures and words, the present-day image and flavor of each of Nebraska's towns in contrast with that of the past.

Nearly all of the 537 towns are enrolled in the project. Participa-

tion has been equally enthusiastic from the smallest, Gross, to the largest. "After all, even Omaha was just another Nebraska town at one time..." Dr. Robert Manley, member of the committee, pointed out.

Jane Graff, project coordinator, reports that 100 percent of the incorporated towns in the Panhandle, South Central and Central and North Central are included in their respective volumes. All Dixon County towns are enrolled, with stories now on file from all but Concord. Copy must be received within the next few weeks or it will not be included in the series.

The North Northeast book is the fourth of seven volumes to be published. Books can be purchased separately or as a set. The pre-publication price of \$26.75 plus tax and shipping will be honored until it goes to press later this fall.

For more information contact Jane Graff, Rte 3, Seward, NE. 68434; phone 402-643-2341.

HOW TO AVOID BROWN-BAG BLUES

Whether it's a brown bag, a stylish super-hero lunchbox, or a wicker picnic basket, bacteria can turn your picnic into a sick-note. That's especially true in summer, when hot weather encourages bacteria to thrive.

So, if you're packing lunch for your youngsters to carry to school, yourself to carry to work, or a summertime picnic for the family, keep in mind these tips from the U.S. Department of Agriculture.

When you're packing a carry-along meal, remember that cleanliness is next to safety. Keep your hands, all utensils, and the countertop where you work spic and span. Otherwise, you'll give bacteria a head start.

Meat, poultry, and tuna products must be kept cold to avoid bacterial growth. Packaged lunchmeats are safer (although most are high in fat), but why take chances?

To keep a lunch cold: use a plastic refr-freezeable container that you put in the freezer overnight, or freeze small cartons of fruit juices. The juice will thaw by lunchtime. Or, in a pinch, fill a plastic refrigerator container with water and freeze. (In a real pinch, fill a balloon with water and freeze.)

You can also freeze sandwiches overnight. They'll thaw by lunchtime. Use firm-textured breads. Butter or margarine freeze well, but mayonnaise doesn't. Package lettuce, tomatoes, and other veggies separately to add to lunchtime.

THE MOST dangerous foods include meat or egg salads, sandwich spreads, mayonnaise, and home-cooked meat or poultry. Canned meats are safer.

Peanut butter and jelly is a safe choice. Be sure to balance packaged meals by adding raw vegetables, fruits, sunflower seeds, nuts, raisins, and other nutritious goodies. Potato chips and other salty, high-fat goodies don't do you or your child any good.

A clean, undamaged vacuum thermos can keep hot food at a safe temperature for several hours. Make sure the seal around the stopper fits tightly. Before filling the container, rinse it with boiling water, then bring the soup or other hot food to boiling before pouring it in.

If the lunchbox or picnic basket contains leftover soup, meat, or other risky foods—discard them.

If a refrigerator is available for lunches in your office or at school, make sure it stays at 40 degrees Fahrenheit or colder. Overcrowded refrigerators may not stay cold enough for safety.

WELFARE CLUB

The Concord Women's Welfare Club met last Wednesday afternoon at the Senior Center in Concord with Irene Hanson as hostess. Mable Nelson was co-hostess.

Irene Hanson opened the business meeting with a reading "Lives Most Important Treasure." The group read the creed. Reports were read. Irene reported a 4-prong walker had been purchased for the hospital equipment.

September was dues month. A motion was made to pay \$1 dues. Hostess months were drawn for next year. Eleven members were present.

October will be outing month and birthday dinner month. The group will go to South Sioux City and also celebrate October birthdays after returning to the center.

Evelina Johnson had the entertainment and read "When I Have Time," "Each Day Brings A Chance To Do Better" and an article on "The Casserole That Wouldn't Quit."

Oct. 4 is an outing, leaving the Senior Center at 10:30 a.m.

LUTHERAN CIRCLES

The Lutheran Church Circles met Thursday with Bible study from John 3:1-21, "One Who Came By Night." Articles were brought for World Relief.

Elizabeth Circle met with Doris

Census for homeless nears

National advocacy groups such as the National Coalition for the Homeless state that homelessness is not just an urban problem. Even the community action agencies in Nebraska serve individuals and families who meet the federal definition of homeless. And, increasingly, children are caught up in the poverty circumstances which lead to homelessness.

Among the groups which are gathering data and publishing reports on the incidence of homelessness are the National Conference of Mayors, the U.S. Department of Health and Human Services, the Homelessness Exchange, the Alliance for Better Child Care, the National Association of State Boards of Education and the National Governors' Association.

A census done in November, 1988, by the Nebraska Department of Education revealed that while homelessness among school age children and youth is numerically high in Nebraska's urban areas, some scattered cases in rural counties were reported. It was felt that if the census techniques were improved, there might be more

cases of homelessness than we are aware of.

The 1989 Nebraska Census of Homeless Children and Youth will occur in mid-October. Across the state, nine Community Action Agencies will "spearhead" the count, coordinating and tabulating data reported by schools, Nebraska Department of Social Services offices and other aid-giving agencies.

Goldenrod Hills Community Action Agency is coordinating the census for this area which includes the counties of Antelope, Burt, Cuming, Cedar, Dixon, Dakota, Wayne, Stanton, Knox, Thurston, Pierce and Madison. They will actually review reports from all other sources and summarize them on county summary sheets. These will then be sent to the Nebraska Department of Education, the state agency designated by Congress to collect the information.

Meanwhile, residents of rural

and small town communities are requested to be alert to the presence of people, including men, women and children, who may be staying in places generally regarded as unfit for human habitation.

Motion Sickness Aids

Early symptoms of motion sickness include paleness of the skin, yawning, a cold sweat, and drowsiness. An upset stomach may be the final signal before vomiting begins. One survey indicated that nine out of 10 individuals experienced motion sickness at sometime in their lives. One can help avoid motion sickness by focusing attention on the horizon, getting in an area of the vehicle having the least detectable motion (center of a boat, over the wing of an airplane), and avoiding heavy meals, tobacco smoke, and food odors.

Two medicine types which are helpful in prevention of motion sickness are antihistamines (e.g., nonprescription products containing cyclizine, meclizine, or dimenhydrinate) and scopolamine (prescription only). These medicines all carry special precautions.

The GOLDEN YEARS

Japan is looking to the United States for insights into special living arrangements for the elderly. The concept is new to that country, where the number of aging people is growing rapidly. Traditionally, elderly Japanese parents lived with family, cared for in most cases by a daughter-in-law. But today's daughter-in-law is likely to be in the work force. Also, space is limited in contemporary housing. This has led to the introduction of nursing homes and retirement communities. Architects, administrators, nurses and others have been visiting the United States to see how established American facilities operate.

The United States Census Bureau, in the latest look at its crystal ball, sees the number of people 65 and older increasing to 39.4 million in the year 2010, and swelling to 65.6 million in 2030. Such projections, useful to government agencies in planning ahead, usually are fairly reliable for up to 20 years. After that, the crystal ball is subject to many variables.

Remember when? 1921 -- Margaret Gorman, who traveled to Atlantic City for a first-of-its-kind event, returned home to Washington, D.C., as winner of the Miss America Pageant.

Business Notes

Herbert Jaeger, a DeKalb-Pfizer Genetics agricultural seed dealer, for the past 14 years, has been named one of the top salesmen for the company and a member of its "Winners Circle". Herbert was one of more than 1,200 DeKalb-Pfizer dealers who were honored this August at the company's international headquarters in DeKalb.

The reward for Herbert's success as a Winners Circle member, a recent trip to Chicago and DeKalb, has made him even more informed about the products he sells.

Herbert and his wife, Evelyn, have also farmed for the past 40 years in addition to maintaining their seed dealership. They currently farm near Winside.

Grand champion

MATT JENSEN, 12-year-old son of Norman and Mary Jensen of Winside, exhibited the Grand Champion Poultry at this year's Nebraska State Fair. He exhibited a Rhode Island Red Cockerel during his first year of showing at the state fair. There were 92 entries in the event.

CARDS OF THANKS

HARRY HEINEMANN. I'd like the memory of me to be a happy one. I'd like to leave an afterglow of smiles when life is done. I'd like to leave an echo whispering softly down the ways of happy times and laughing times and bright and sunny days. I'd like the tears of those that grieve to dry before the sun of happy memories that I leave when life is done. The Harry Heinemann family would like to thank everyone for the kindnesses shown to us with the passing of our husband, father and grandfather, Esther Heinemann and families. S14

WE'D LIKE TO thank all who remembered us for our 40th wedding anniversary with cards, calls, visits, gifts and flowers. Especially our boys and wives who hosted the 500 supper. It was great! Lloyd and Donna Roebler. S14

THANK YOU to our relatives and friends for the cards, gifts, greetings, calls and attending our wedding reception. It made the day very happy and memorable. Also a big thanks to all who came to our wedding square dance. Our appreciation to the Leather and Lace members who helped. Russ and Twyla Lindsay. S14

WE WISH to express our deep appreciation for the kindnesses shown to us during the loss of our mother, sister and aunt, Arline Zofka. There are no words to describe how much the visits, cards, memorials and words of love and encouragement meant to us in our time of sorrow. We will miss her much but she will live in our minds and hearts forever. A special thank you to Pastor Bruce Schut for his visit, Pastors Peter and Marsha Jark-Swain for a beautiful service, and to the Sisters of Providence Medical Center for their prayers. The Road to Eternity - Life is but a stepping place. A pause in what's to be. A resting place along the road to sweet eternity. We all have different journeys, different paths along the way. We all were meant to learn some things. But never meant to stay... Our destination is a place far greater than we know. For some, the journey's quicker. For some, the journey's slow. And when the journey finally ends. We'll claim a great reward, and find an everlasting peace. Together with the Lord. The family of Arline Zofka. S14

WE WOULD like to thank all the people that helped us to prepare for the Neligh-Wayne varsity football game that was held on the practice field this past Saturday. It was great to see so many community people get involved. Wayne Football Coaches. S14

TRINITY LUTHERAN LADIES AID

The Trinity Lutheran Ladies Aid held a mother-daughter get-together Thursday evening. Marguerite Wagner registered the 65 guests who attended.

Pastor Nelson had the opening prayer and Hilda Thomas welcomed the guests. She also read a poem, "Seven Scenes in a Woman's Life." Table decorations corresponded with each scene in a woman's life. A skit "Snack Time" was presented by Marcella Marotz and Hilda Thomas. "Hats" was the theme of the evening's program and depicted hats worn in a woman's life. Ann Kuehl was narrator and hats were modeled by Robyn Nelson. Hulda Fuhrman gave a presentation of "what girls packed for college in the 20's and 30's."

Martha Behmer gave a reading "What is a Grandma?" Recognitions were given to Marie Wagner, eldest mother present; Rhonda Rany, youngest mother; Bev Droscher, youngest grandmother; Grace Nelson, youngest daughter; and Ruth Bruggeman and Rosemary Severson, mothers with the most daughters present.

Two-four generation groups also recognized were Mary Kollath, her daughter Miriam Willers, her granddaughter Marci Nelson and her great granddaughter Grace Nelson and Nelson Lueders, her daughter Jeannie Marotz, her granddaughter Sherri Schmale and her great granddaughter Kayle Schmale.

The program closed with group singing and the Lord's Prayer and table prayer. A dessert, featuring a pie bar, was served at the close of the evening.

Diane Borgmann was chairman of the program and decorating committee meeting. Pat Brudigan was chairman of the serving committee.

The next meeting will be on Oct. 5 when Rosemary Severson will be hostess and the Trinity school children will present a program.

ZION LUTHERAN LADIES AID-LWML
The Zion Lutheran Ladies Aid-LWML met Thursday afternoon. The meeting opened with a skit entitled "Take My Life and Let It Be." Taking part were Mrs. Ralph Saegbarth, Mrs. LeRoy Koepke, Mrs. Duane Kruger, Mrs. Mel Freeman and Mrs. Orville Luebe. Pastor Schwanke led in the Bible study. Mrs. Mel Freeman presided at the business meeting. Members responded to roll call by paying five cents to the Penny Pot if they had never attended a Husker football game in Lincoln and three cents if they had.

Mrs. Orville Luebe read the report of the previous meeting and Mrs. Ralph Saegbarth gave the treasurer's report.

Committees were appointed for the LWML Fall Rally which will be held at Zion on Oct. 10.

The Altar Guild for September is Mrs. Orville Luebe and Mrs. Larry Weich. Mrs. Lindy Anderson will serve on the flower committee.

Plate prizes were won by Mrs. Elaine Ehlers and Mrs. Duane Kruger.

Hostesses were Mrs. Ralph Saegbarth and Mrs. Orville Luebe.

The next meeting will be on Oct. 5 when hostesses will be Mrs. Duane Kruger and Mrs. Mel Freeman.

PEACE DORCAS SOCIETY

Mrs. Henry Langenberg was hostess when the Peace Dorcas Society met at the church Thursday. Mrs. Norris Langenberg, president, conducted the meeting. Christine Lueker was program leader. The Rev. John David led in the Bible study on Mark, chapter 5.

The next meeting will be on Oct. 5. Christine Lueker will be hostess and Mrs. Rose Puls will be program leader.

MISSION FESTIVAL

Zion Lutheran Church will observe their Mission Festival Sunday, Sept. 17 with services at 10:30 a.m. Guest speaker will be the Rev. Steven Wilson, pastor of Trinity Lutheran Church at Foster. A noon meal will be served following services.
