Fire call

WINSIDE-The Winside Volunteer Fire Department was called to the Brian Hoffman farm three miles south and 1 1/2 miles west on Monday evening, Oct. 9 at 10:40 p.m. to extinguish a trash fire. Minor damage was reported and the firemen remained on the scene for an hour.

Bloodmobile

ALLEN-The Siouxsland Blood Bank will be accepting donations at the Senior Citizen Center in Allen on Tuesday, Oct. 24 between the hours of 9 a.m. and 3 p.m.

Cholesterol

WAYNE-With the cooperation of the Northern Nebraska Emergency Medical Services Council, Northeast Nebraska Area Agency on Aging (NENAAA) is now able to offer blood cholesterol screening at the area senior centers at minimal cost.

Northern Nebraska Emergency Medical Services Council provides the machine to do the testing and NENAAA's Project Independence nurses perform the cholesterol screening. If the blood cholesterol level is above normal, the nurse/dietician will refer the client to the client's physician who will give helpful hints on how to reduce the blood cholesterol level.

Since this is a test for "total cholesterol" value, no fasting is required prior to the test.

The cost to each person is \$4 to cover the expense of medical supplies used for the test and for the use of the machine.

A cholesterol screening is scheduled at the Wayne Multi-Purpose Senior Center on Thursday, Oct. 19 from 9 a.m. to noon.

Tech talk

WAYNE-U S West Communications announced it will conduct a "Tech Talk" forum Oct. 26 on the Wayne State College campus at the Student Center.

"Tech Talk" is an interactive forum planned by U S West Communications and Wayne State College to provide an opportunity to look into the future of telecommunications and what is available today.

The agenda includes U S West speakers in a panel format to encourage audience participation. Some of the latest technology will be on display throughout the day. The "Tech Talk" activities begin at 9:30 a.m. with registration and refreshments.

"This is an opportunity to see tomorrow and talk to some of the people who will bring it to you. Be our guest for the day and see Videotex, FAX equipment, Fiber Optics, Cellular Phones, Office Technology for business and other interesting displays," said Ken Powers, vice president and chief executive officer of Nebraska for U S West Communications.

Space is limited but reservations can still be made by calling Debbie Rowe at 1-800-642-9950. Deadline for reservations is Thursday, Oct. 19.

Seminar

AREA-The Northeast Nebraska Peace Officers Association will be sponsoring a seminar on Oct. 19, at 1 p.m. at Prenger's Restaurant in Norfolk on the subject of Omaha's gang activity involving the Crips and the Bloods.

Guest speaker will be Officer McGee of the Gang Unit of the Omaha Police Department.

The seminar is restricted to law officers and county prosecuting attorneys. West Point Police Department is the member host for this seminar on gang activity.

Homecoming at Wayne

CANDIDATES for Homecoming King and Queen at Wayne Public Schools were announced last week. They include, seated from left, Greg DeNaeyer, son of Dr. Richard and Mary Ann DeNaeyer; Vicki Frevert, daughter of Kenneth and Darlene Frevert; Teresa Ellis, daughter of Ted and Cleo Ellis; and Brian Moore, son of Wilma Moore and Darrel Moore. Back row, Willy Gross, son of Pat and Mary Jo Gross; Heather Thompson, daughter of Larry and Patricia Thompson; Todd Campbell, son of Paul and Sarah Campbell; Heidi Reeg, daughter of Bob and Joyce Reeg; Craig Dyer, son of Robert and Janet Dyer; and Kristin Frevert, daughter of Merlin and Kathleen Frevert. Coronation has been scheduled for Tuesday, Oct. 17, 8 p.m. in the high school lecture hall followed by a bonfire at the Wayne Country Club. A parade and pep rally through downtown Wayne will take place at 2:45 p.m. on Friday, Oct. 20 with the rally scheduled at 3rd and Main Street. Homecoming opponent is Hartington Cedar Catholic.

Choice hearing takes place

By Chuck Hackenmiller
Managing editor

Hundreds of school district representatives, parents and interested citizens attended an interim hearing concerning LB 183, a law that allows students to attend a school district other than their resident district.

First during Thursday evening's hearing at the Student Center, Wayne State College, was a panel member discussion on the choice issue.

Among panel members were William Burrow, special assistant to Secretary's Choice-Initiative, U.S. Department of Education; Peggy Hunter, Enrollment Option Specialist for the Minnesota Department of Education; Polly Feis, legislative liaison with the Nebraska Department of Education; Burma Kroger, chair of the Nebraska Association of School Boards' LB 183 Task Force; William Lockwood, Superintendent of the Gering Public

Schools; and Dennis Baack, Senator of the 47th Legislative District.

The public was allowed to present testimony to the Legislature's Education Committee and the State Board of Education following the panel presentations.

Most of the testimony contained questions about how the choice law would be financed; and whether credits received from the resident school district would be transferred and applied to credits in the option school district.

THE LAW specifies a 4-year phase-in as follows:

1990-91 — voluntary, both school districts must agree to the transfer.

1991-92 — resident district must allow up to 5 percent of their students to participate in the program; option district's participation is voluntary.

1992-93 — resident district must allow up to 10 percent of their students to transfer; option

district's participation is voluntary.

1993-94 — law must be implemented by all school districts.

The procedure and application would be as follows: the parent submits application to the option school district by Jan. 1 for the following and subsequent years, with copies given to the resident school district and the State Department of Education. Then the application shall list the substantial education opportunity available to the option student that was not available in the resident district.

A particular school may be requested, but option districts will make final determination. The student must attend an option district for at least one full school year unless the student graduates or relocates.

It would be unlawful for any representative of a school district to recruit any parent or student of a different school district by

United Way needs emphasized

By Chuck Hackenmiller

What does the Hospice Program, Wayne Senior Center, Haven House, Red Cross, Salvation Army, Boy Scouts, Girl Scouts and the Wayne Recreation Program all have in common?

All of these programs or agencies have definite needs which are financed through donations made to the Wayne United Way.

The half-way point has been reached in the October United Way Fund Drive. Most recently completed was the Wayne United Way business drive and the dollars collected appear even less than what was donated the previous year when the goal was \$15,800.

The unofficial tally shows that approximately \$5,000 has been received from the business drive, according to Wayne United Way public relations board member Julie Mash.

Since the United Way goal is increased to \$17,000 in 1989, United Way board members are counting on the residents of Wayne to be even more generous with their contributions, Mash emphasized.

WAYNE'S residential fund drive is slated to begin at 4 p.m. on Sunday, Oct. 15 at St. Mary's Church in Wayne. For two weeks, volunteers will be covering the Wayne community asking for donations. Those who contributed during the business drive will not be contacted for the residential drive.

If anyone is missed in both the residential and business drive, and they would like to contribute to United Way, they can contact Lorraine Johnson, president of the Wayne United-Way Board of Directors.

In future business drives, the United Way will be suggesting to employers to provide a payroll deduction program for employees wishing to contribute to the fund drive, according to Mash.

Wayne's city recreation program gets a major share of funds from the United Way Fund Drive. But also capturing a good portion of the donations are the city's two scouting organizations — Boy Scouts and the Girl Scouts. This year both the boy and girl scouting programs were given equal funding — not the case in previous years.

"It is important that the United Way should view the boy and girl scout activities as equally important and that they should receive equal amounts," said Mash.

WAYNE SENIOR Center has requested \$1,000 from United Way this year. Rose Rieken, president of the Senior Center, said the funds this year will be used primarily for sign maintenance at the facility and for purchase of paper products for meals and special events scheduled by the Center that include birthday parties, potluck dinners and card parties.

The Senior Center provides a central meeting place in Wayne for the seniors of the community.

"We have a transportation

system, meals on wheels and

congregate meals," said Rieken. Activities at the Senior Center include health-related preventive medicine such as pedicure clinics, hearing clinics, blood pressure clinics and cholesterol screening. "We have educational speakers on health-related issues," Rieken said.

Another organization which relies on United Way funding is the Hospice Program headquartered in Wayne. They requested \$2,500 from United Way in 1989. Last year their contribution request was \$1,400.

"We have increased the amount because we had not been able to receive any funds from other sources. We have no stable source of income," said Wanda Kucera, area coordinator of the Hospice program.

Volunteerism plays a large role in the Hospice program. Twenty-seven volunteers are involved with the program now, and more are being trained to become volunteers.

Hospice services, started 1 1/2 years ago, are provided to clients free. Kucera said most of the clients served by Hospice are in the Wayne area and many of the volunteers reside in the Wayne area. Money from the United Way is used toward funding the salary of the part-time coordinator and to offset fund raising costs.

THE MISSION of Hospice is to

ESU at odds on Region IV action

ESU: Problem areas need to be rectified by Region IV

By LaVon Anderson
Assistant Editor

The relationship between Educational Service Unit One (ESU 1), headquartered in Wakefield, and Region IV, headquartered in Wayne, was the topic of considerable discussion last Tuesday night during a meeting of the ESU 1 board of directors in Wakefield.

"Educational Service Unit One maintains a working relationship with many agencies," said ESU 1 Administrator Rod Garwood. "At times, agencies almost develop personalities and tension can result."

Garwood said one area of tension which has developed between ESU 1 and Region IV concerns the Region IV Children's Residence located on the east edge of Wayne for severe and profound children.

Although Region IV is responsible for the residential care, Garwood said the daily educational program is provided by ESU 1.

GARWOOD SAID ESU 1's concern involves two clients at the Children's Residence who are over the age of 21. "These clients are now adults," said Garwood, "and they are adult size."

"Not only are they taking up space which could be used for other children who could be placed in the program," said Garwood, "but there is also the danger that the older residents might unintentionally harm the smaller, more fragile children residing there."

Garwood told the board that ESU 1 is about ready to visit with Region IV in a "less than friendly manner" in order to rectify the problem.

ANOTHER AREA of concern, according to Garwood, involves the placement of mentally handicapped children.

Garwood explained to the board that before any child can be institutionalized, according to case law, the community based mental health district must "sign-off" on the child.

"There are some children with such special needs that we (ESU 1) just can't serve them," said Garwood.

Although Garwood said he knows of one instance where Region IV did sign-off on a child, he feels Region IV remains reluctant to sign-off on other children who

Region IV replies to comments made during ESU meeting

By LaVon Anderson

Dr. Ronald Green, executive director of Region IV, was contacted by The Wayne Herald Friday morning concerning comments made during a meeting of the Educational Service Service 1 board of directors last week in Wakefield.

Rodney Garwood, ESU 1 administrator, told board members last week that tension has developed between ESU 1 and Region IV regarding two adult clients who are presently residing in the Region IV Children's Residence east of Wayne.

Garwood said the adult clients are not only taking up space which could be used to house younger children for which the program is intended, but there is also the danger of potential harm, although unintentional, to the younger children.

"When contacted Friday morning, Green told The Wayne Herald that the matter is being taken care of. "We are presently trying to find placement for the two adults," said Green, "and we hope to have them moved from the Children's Residence within the next 30 days."

Green said, however, he does not feel that the two individuals in question pose a risk to the younger children. "These two individuals just recently turned 21 and have resided at the residence for several years."

ANOTHER CONCERN voiced by Garwood at last week's ESU 1 meeting regarded Region IV's apparent reluctance to "sign-off" on children whose parents wish to have them placed in an institution where they feel they might be better served.

Garwood explained to the board that before a child can be placed in an institution, the community based mental health district must "sign-off" on the child.

"That's a fair statement," Green told The Wayne Herald. "We (Region IV) are reluctant to sign-off on any client until we are absolutely certain that all those involved, including the parents, are aware of the broad spectrum of services Region IV provides to its clients."

"Region IV services the mentally retarded from one end of the spectrum to the other — mainly from very low functioning individu-

Catholic rites in Wayne unite Jane Fluent, Brendan Dorcey

St. Mary's Catholic Church in Wayne was the setting for the Oct. 7 rites uniting in marriage Jane Lenore Fluent and Brendan Benedict Dorcey.

Parents of the couple are Glen and Lenore Fluent of Newcastle and Joseph and Patricia Dorcey of Wayne.

Officiating at the two o'clock, double ring ceremony were the Rev. Joseph Dorcey of Coari, Brazil and the Rev. Donald Cleary of Wayne.

Sherry Krampfer of South Sioux City and Tish Foster of Milford registered the guests, who were ushered into the church by Grant Fluent of Newcastle, Darrell Fluent of Sioux City, and John Melena and Randy Gamble, both of Wayne.

DECORATIONS INCLUDED two altar bouquets of coral gerberas, coral and ivory carnations and alstromeria, and brass candelabras with ivy and ivory bows. Large ivory bows with iridescent ivory ribbon decorated the pews, and strands of greenery with coral gerberas and ivory bows were entwined on the railings outside the church.

Wedding music included "The Wedding Song," "Love of the Lasting Kind," "He Has Chosen You for Me" and "God, A Woman and A Man." Vocalists were Chuck Hackenmiller of Wayne and Missy Wilbur of Newcastle, and organist was Vona Sharer of Wayne.

HONOR ATTENDANTS for the couple were Karen Gray of Mason City, Iowa and Pat Melena of Wayne.

Bridesmaids were Brenda Dyhrkopp of Spencer, Iowa, Cindy Dorcey of Bee, Neb., and Leisa Burke of Sioux City, and groomsmen were Pat Dorcey of Bee, Dan Schreurs of Alford, Iowa and Jon McCright of Wayne.

Altar boy was Matt Schreurs of Alford, Iowa. Flower girl was Katie Freese of Omaha and ring bearer was Billy Schreurs of Alford, Iowa.

ON HER WEDDING day, the bride was given in marriage by her father and wore a self-designed floor-length gown of white satin

and imported French Alencon lace scattered with seed pearls and sequins.

The full skirt held a chapel-length train edged in Alencon trim with an Alencon lace applique design on the front. The fitted bodice featured a deep basque waistline with a sweetheart neckline. Alencon lace appliques covered the front and back bodice which dropped to a V. A large satin bow with streamers was attached at the back waistline.

The full, puffed sleeves were elasticized at the shoulders and were accented with lace appliques, pearls and sequins, with a lace cuff above the elbows. Satin and pearl roses were attached to the upper cuffs.

The bride wore a band of white flowers and pearls in her hair with a side pearl spray. The band featured two large puffs with pearls scattered on them and two-tiered veiling in elbow and fingertip length. The back of the veil was accented with sequins.

She wore short white lace gloves and carried a large nosegay of fresh candia roses, ivory roses, coral gerberas, miniature coral carnations, alstromeria and coral forget-me-nots with pearl sprays and baby's breath edged in gathers of white tulle.

THE BRIDE'S attendants wore cameo-colored iridescent taffeta frocks in ballet length with full skirts. The dresses were designed with deep basque waistlines trimmed with pleats, sweetheart necklines, full puffed elbow-length sleeves and low V backs with a large bow at the back waistlines.

Each carried a nosegay of candia roses, a coral gerbera, coral forget-me-nots and coral miniature carnations with alstromeria, pearl sprays and baby's breath.

The bridegroom was attired in a black tuxedo with a white vest and bow tie. His boutonniere featured two candia roses with baby's breath and pearls. The groomsmen wore black tuxedos with black cummerbunds and bow ties, and their boutonnieres featured one candia rose with baby's breath.

Extension council selects date for Fall Achievement Program

The Wayne County Home Extension Council met Oct. 2 in the Wayne County Courthouse meeting room.

Shirley Pospishil reported on the Fall Achievement Program which will be held Thursday, Nov. 9 at the First United Methodist Church in Wayne. The public is invited.

Connie Hall of The Wayne Greenhouse will present holiday decorating ideas. A dessert luncheon will be served at the close of the evening.

THE COUNCIL approved a revision of the dues section of the constitution and also a revision to the state constitution regarding election of state and district officers.

Lanora Sorensen will be the delegate to the District F meeting

at Creighton on Oct. 17.

It was announced that Family Life Week will be observed the third week in November. Clubs will participate in a variety of ways.

The "Safely Home for the Holidays" campaign was promoted by displaying table tent cards, flyers, ribbons and other materials. Club members will distribute the flyers at the Fantasy Forest display on Nov. 30 through Dec. 3.

THE 1990 CLUB planning materials were handed out by Mary Temme, extension agent-home economics.

A new lesson to be presented will be an extension homemaker showcase featuring two or three home extension club members sharing talents or skills in foods, crafts, interior decorating and other topics.

Mr. and Mrs. Brendan Dorcey

For her daughter's wedding, Mrs. Fluent selected a peach silk dress designed with a peplum waist and street-length skirt. The bridegroom's mother chose a beige polyester dress also in street length.

FOLLOWING THE ceremony, a reception and dance for 275 guests was held in St. Mary's Hall. Hosts were John and Margaret Melena of Wayne.

The wedding cake was cut by Kay Maskell of Maskell and served

by Mary Dorcey of Wayne. Brenda Dorcey of Wayne poured.

Punch servers and waitresses were Amber Freese of Omaha and Beth Dorcey of Wayne.

THE NEWLYWEDS are making their home in Wayne.

The bride, a 1983 graduate of Newcastle High School and a 1988 graduate of Wayne State College, is employed as an advertising executive at The Wayne Herald.

The bridegroom was graduated from Wayne-Carroll High School in 1984 and is attending Wayne State College.

Senior Citizens Congregate Meal Menu

(Week of Oct. 16-20)

Monday: Pork roast, whipped potatoes, sweet and sour cabbage, pickle, layered dessert.

Tuesday: Barbecued meatballs, baked potato, cauliflower, double peach mold, fresh fruit.

Wednesday: Monthly potluck meal.

Thursday: Veal birds, broccoli, blushing pear sauce, rye bread, cake.

Friday: Salmon loaf, scalloped potatoes, peas and carrots, coleslaw, apricots.

Helping aggressive children get control

Any child may shove, push, hit or bite in certain situations, but some youngsters are more aggressive than others. "Aggression is normal behavior that kids — mostly boys — learn very early," says Mary Jane Rotheram-Borus, Ph.D., an associate clinical professor of medical psychology at Columbus University in New York City.

"In the short run, aggression works. The kid who punches another kid gets the toy. But in the long run, the aggressive child won't have any friends, he'll be in constant trouble at school, and life at home will be very, very difficult," Rotheram-Borus explains.

Aggressive kids "have no intention of being bad, nasty or rotten," she adds. "They know they're going to get into trouble, but they can't think of any other way to act."

HERE'S HOW TO help your child control his aggressiveness:

—Provide a predictable, structured routine and stick to it.
—Resist the temptation to spank, which simply shows that physical aggression is acceptable behavior.

—Deal with aggressive actions by straightforward intervention; for instance, call a time-out and remove your child from the scene when he gets into a fight.

—Focus on ways to remind your youngster to stop and think before acting. Use role-playing: Act out different situations, such as taking turns on a swing, so your child can practice alternatives to aggressive behavior.

TEACH YOUR CHILD to be assertive, rather than aggressive. "Assertiveness is asking for what you want; aggression is demanding it," said Rotheram-Borus.

Ignore aggressive behavior as much as possible and provide positive reinforcement when your child acts appropriately — for instance, when he waits for his turn instead of pushing to the head of the line.

Don't hesitate to get help. Something as simple as the parenting class at your extension office, or your church, can boost a parent's confidence in their ability to control their child.

Individuals interested in becoming group facilitators for an Active Parenting group may attend a training session on Oct. 25 from 9 a.m. to 3 p.m. at the Northeast Center near Concord. The Active Parenting approach encourages parents to develop basic relationship techniques that apply to any age child.

For more information about becoming an Active Parenting group facilitator contact the Wayne extension office at 375-3310.

Winside American Legion hosts county convention

The Winside Roy Reed American Legion Post 252 and Auxiliary hosted this year's Wayne County American Legion Convention on Oct. 9 at the Winside Stop Inn with approximately 25 attending.

Guest speakers for the auxiliary were Lola Eurban, department historian from Osceola; Doris Nelson, District 3 president from Craig; and Bev Neel of Carroll, Norfolk Veterans Home chairman.

Speaking to the Legionnaires was Jeff Swanson of Wakefield, District 3 American Legion president.

County officers presiding at this year's convention were Goldie Selder, Winside, auxiliary president; Rose Janke, Winside, secretary; Bob Jensen, in the absence of County President Ray Roberts of Carroll; and Wayne Denklaus, secretary.

Newly elected county officers for the auxiliary during 1990 are Patricia Roberts, Carroll, president; and Frances Doring, Wayne, vice president. The secretary will be appointed by the president.

Legionnaires selected Roy Sommerfeld of Wayne as county

president and Wayne Denklaus as secretary.

Chaplain Audrey Quinn conducted a joint memorial service for all veterans and auxiliary members who have died during the past year.

Auxiliary members provided lunch following the meeting.

Next year's county convention will be hosted by Carroll.

Klick and Klatter Club celebrating 35th year

The Klick and Klatter Home Extension Club of Wayne will celebrate its 35th anniversary on Nov. 14 with a dinner in Sioux City. Cars will leave the Wayne County Courthouse at 10:30 a.m.

"Abuse, the Family Hidden Secret" was the topic of a lesson presented by Loreene Gildersleeve at the club's Oct. 10 meeting. Hostess was Joyce Niemann and 10 members answered roll call.

President Viola Meyer opened the meeting with the reading of the extension club-creed and flag salute.

MARIAN JORDAN, music leader, accompanied the group in singing the extension song. The hostess gift went to Orvella Blomkamp.

Pictures of the fair booth were presented to be placed in the scrapbook, and a thank you was read from Wayne Public Library for the club's donation of the Nebraska-Extension Book.

A READING, "Pay Attention to Yourself," was given by Loreene Gildersleeve. For health, Barbara Sievers presented "Grandma's Bicycle Riding."

Marcella Larson reported on the United Way drive, CROP Walk, and several upcoming events at Wayne State College.

Joyce Niemann was selected to be a club top leader on bread making in 1990.

PRESIDENT MEYER reported on the council meeting and revised county constitution. She also told about the Pilger Tour of Homes on Nov. 5-6, the Toys for Tots program, and the Fantasy Forest display on Nov. 30 through Dec. 3. Extension clubs will distribute fliers on "Don't Drink and Drive."

It also was announced that Achievement Day will be Nov. 9 at 7 p.m. at the First United Methodist Church. The silver tea offering will go to the health fund.

Wedding of the Year

Wayne suffers loss on a late TD pass

The Wayne Blue Devils suffered a heart rendering loss to the Battle Creek Braves Friday night in Battle Creek as the host team threw basically a "Hail-Mary" pass on a fourth down and 18 play from the 33 yard line with just 16 seconds left in the contest which was tied at 14 apiece. The Wayne defensive back slipped to the turf and the Battle Creek receiver fell backwards into the endzone with the ball in his hands for the win, 20-14.

The Blue Devils jumped out to a 6-0 lead at halftime despite a couple scoring opportunities that fell by the wayside, such as a very controversial no call fourth down and goal play from the half yard line.

Wayne knew going into the contest that they had to stop speedster Mike McCart if their chances of winning was to be aided. The Blue Devils did just that as McCart only managed 52 yards on 15 carries. Wayne's Rusty Hamer on the other hand had very little trouble showing McCart up despite being sick. Hamer rushed for 144 yards on just 17 carries. Wayne's first touchdown came

on a 19 yard pass from Craig Dyer to Jeff Lutt. Following Battle Creek's score in the third quarter which put the Braves on top at 7-6, Wayne struck again on a 21-yard run by Rusty Hamer and the two point conversion was completed by Craig Dyer.

Battle Creek came back and scored on a big play in which the Wayne defenders just simply over pursued on. The score was tied at 14 apiece after three quarters of play.

The Blue Devils managed 232 yards rushing on the night while Battle Creek managed 168. The Braves had 67 yards through the air while Craig Dyer was 3-7 with one interception for 58 yards. Brian Moore, Chris Fredrickson and Jeff Lutt were on the receiving ends of the passes.

Defensively, Wayne was led by Kip Mau's 14 tackles. Cory Wieseler had 12 and Matt Bruggeman, 11. Craig Dyer finished with nine as did Willy Gross while Neil Carnes and Jeff Lutt had eight each. Brian Moore added seven tackles and Jason Ehrhardt and Chris Fredrickson had six apiece.

WAYNE WINGBACK Casey Dyer fumbles the inside reverse hand-off from his brother Craig but he recovered his own fumble. Wayne later scored on the same drive.

Trojans upset Bees

The Wakefield Trojans may have played out their role as the "spoiler" to perfection Friday night with a 28-12 upset victory over visiting Bloomfield on homecoming night in Wakefield.

Bloomfield came in looking for a win which would help insure its chances for a play-off berth, but the Trojans who have lost just one home contest in the last two years, had other ideas.

Bloomfield got on the board first as Matt Fehringer sprinted 33 yards to paydirt but Wakefield struck back with a one yard run by Chris Loofoe, who had converted to running back prior to the game. Loofoe also kicked the point after for a 7-6 Trojan lead.

Moments later Andy McQuistan intercepted a pass and set the Trojans up at the three yard line where one play later Matt Tappe stretched over from a yard out and with Loofoe's point after Wakefield maintained a 14-6 halftime lead.

Fehringer struck again, this time from one yard out for Bloomfield in the third quarter and heading into the fourth quarter the game was

still 14-12. Wakefield owned the fourth quarter however, scoring on two, two yard runs by Matt Tappe. Loofoe missed the first point after attempt but ran in for a two point conversion on the final touchdown.

"There was a night-and-day difference from our performance this week, compared to last week," coach Dennis Wilbur said. "We had three touchdowns called back because of penalties."

Wakefield rushed for 211 yards compared to 186 by the Bees. Tappe was 6-17 with one interception for 94 yards and all six receptions went to Andy McQuistan because of Bloomfield's coverage on Tony Krusemark.

Chris Loofoe was the leading rusher with 96 yards on 15 carries while Anthony Brown gained 61. Defensively, Wakefield was led by Mike Mogus who garnered 15 tackles. Andy McQuistan had 10 tackles and two interceptions for a return yardage of 69 yards.

Tony Krusemark and Mark Johnson each had nine tackles and Chris Loofoe recovered a fumble and had an interception.

CHRIS LOOFOE leads interference for running back Tony Brown in this big Wakefield gain in the third quarter against Bloomfield in the Homecoming game.

Winside upset bid falls 12 yards short

Some games you just plain get beat and other games you just come up on the short end of the stick. That's how Winside coach Randy Geier described his Winside Wildcats 42-36 loss at Winside on Friday night.

Beemer came into the game ranked in the top 10 of its respective class and with only one loss on the season. Winside however, gave the Bobcats all they wanted and nearly more than they wanted.

The Wildcats jumped out to a 12-0 lead after one quarter of play

on the hinges of a four yard run by quarterback Cory Jensen and a 10 yard run by Shane Frahm.

Beemer fought back and gained the lead at 13-12 but Max Kant had something to say about that as he galloped 38 yards into the endzone with 5:11 left in the second quarter and at halftime the Wildcats were up by a 20-13 count as Cory Jensen completed the two point conversion on a run.

Winside struck first in the third quarter on a five yard run by Shane Frahm and Cory Jensen made it a 28-13 Wildcat lead with his two

point conversion run. Beemer though scrambled back and by the third quarter's end the score was 28-26 in favor of Winside.

Beemer regained the lead in the fourth quarter only to have Winside come back and score on a one yard run by Cory Jensen and with Jason Krueger running in for the two point conversion, Winside was back in front by a 36-34 count. Beemer again fought back and scored once again to make the score 42-36.

Winside had one last chance but the drive was thwarted on downs at the Beemer 12 yard line.

"When you look back the obvious key that sticks out is two blocked punts," coach Randy Geier said. "They blocked one that set up a touchdown and they blocked another and they recovered it in the endzone."

The Wildcats rushed for 229 yards compared to 306 by Beemer. Jensen was 3-6 in passing with 98 yards with Jeff Gallop catching two for 63 yards and Max Kant one for 35 yards. Kant was the leading rusher for Winside with 160 yards on 19 carries. Shane Frahm had 59 yards on 15 carries.

Defensively, Winside was led by Trevor Topp's 15 tackles. Cory Jensen, Jason Krueger, Brian Thompson, Max Kant, and Jeff Gallop all had eight tackles with Jensen, Krueger and Thompson recovering a fumble and Gallop intercepting a pass.

"The crowd support was excellent," Geier said. "They have been good to us all year." Geier was also pleased with the offensive line play and those in the trenches included Mark Brugger, Jason Bargstadt, Jeff Gallop, Brian Thompson, Kerry Jaeger and Doug Heinemann.

Trojans improve record

Wakefield upped its volleyball season record to 10-1 Thursday night with a straight set victory over Coleridge in Coleridge, 15-5, 15-8. Head coach Paul Eaton said his squad continued their good play with the win.

"We've been playing pretty good volleyball with the exception of the first game with Walthill recently," Eaton said. "For the most part though the girls have really been playing well."

Melanie Kuhl was the Trojans top server on Thursday night with a perfect 12-12 outing with five aces. Julie Greve did the best job

of serve receive with a 13-14 effort and Jess Robins led the squad with seven kill spikes in a 12-13 outing. Greve was 8-8 in spiking with three kill spikes.

Susan Nuernberger recorded seven set assists with an 11-11 performance while Cathi Larson had six set assists on her 16-17 effort. Christy Otte had four aces and was 10-10.

"We didn't serve especially well," Eaton said, "but our passing game was much better in this game than in it was in our last one." Wakefield will host Bancroft-Rosalie in a contest on Tuesday

night which is Parent's Night. They will then close out the regular season on Thursday against Emerson-Hubbard.

Wakefield finished up its divisional play against Coleridge and the Trojans went a perfect 6-0 in the Clark Division. Wakefield will host the first round of the play-offs on Monday, Oct. 23 with two games. The first will begin at 6:30 and the second will follow immediately. Unofficially, Wakefield will play the late contest.

The junior varsity team of the Trojans lost in three sets, 11-15, 15-7, 11-15. The "C" team also lost, 0-11, 9-11.

Eagles survive Winside scare

Volleyball action continued Thursday night with two area teams facing off against each other in Allen as the Eagles hosted the Winside Wildcats. Winside came in with a 3-6 record while Allen was maintaining an 11-3 record but the match proved to be much closer than the records would indicate.

In fact, the visitors, coached by Paul Giesselmann jumped out to a 1 set lead with a 15-12 victory in the opening set. The Eagles however bounced back to win the second set at 15-10 setting up the third set with the winner taking all.

Winside led 14-10 in the third set but could not put the Eagles away and Allen made them pay as they responded with six straight points to win, 16-14.

"This was just a great match to watch," Giesselmann said. "Both teams played hard and both teams

played well. We played our best transition game of the season. I thought our girls did a super job of competing hard we just couldn't get the job completed in that third set."

Shannon Holdorf led Winside in serving with a perfect 15-15 outing and three aces. Kelly Pitchler was 15-16 with one ace and Jenny Jacobsen was 11-13 with one ace. Tina Hartmann and Jenni Topp were each 7-9. "We served 88 percent as a team and again our serves were aggressive," Giesselmann said, "but it seemed like the serves we missed came at crucial times."

Jenny Jacobsen was a terror at the nets as she recorded 17 kill spikes on a 23-28 performance. Shannon Holdorf had nine kill spikes with a 22-25 outing and Tina Hartmann was 14-20 with five kills. Jenni Topp had four kills while

Kelly Pitchler and Patty Oberle added three and two kill spikes respectively.

Kelly Pitchler was 47-51 in the setting department for the Wildcats and she had 18 set assists while Tina Hartmann was 27-29 with 10 set assists. Jenny Jacobsen had two blocks and Jenni Topp had one.

"What impressed me about Allen was their serving," Giesselmann said. "22 of their 43 points came on passing errors by our team and that was a combination of our serve receive breakdown, but also their quality serving."

Giesselmann also said that Allen coach Gary Troth was impressed with his Wildcat team. "He told me after the game that we were the best team his squad had faced this year," Giesselmann said. "That is a great good compliment from a guy who's team is 12-3 and we are

3-7." The Eagles were led in serving by Annetta Malcom and Leslie Isom. Malcom was a perfect 15-15 while Isom was 13-15. Carla Stapleton and Annetta Malcom combined in the setting department to go a perfect 61-61. Stephanie Carlson was the top spiker with an 18-18 performance while Cindy Chase and Denise Boyle were each 15-17.

"It was definitely the most exciting game we've played all season," assistant coach Sandy Chase said. "There were a lot of people present because it was Parent's Night and they were on the edge of their seats most of the match."

Chase also noted that Winside was the best hitting team they've faced this season. "Our girls served real well in crucial times and we had good floor play throughout the game," Chase said.

Former Allen team recognized

During homecoming ceremonies in Allen recently, Superintendent John Werner presented plaques to members of the 1932 football team which went undefeated and were uncrowned.

The 1932 season of course was amidst the depression so there was not enough money to buy a trophy so the faculty made note of this and now the plaque which was presented will reside in the trophy case.

There were 27 members of the team and four were in attendance for homecoming ceremonies which included a ride in the parade on a float. Members returning included Leroy Roberts, Emmett Roberts and Earl Potter of Allen and Everett Roberts of Omaha.

During that infamous 1932 season in which Allen was uncrowned upon, the Eagles were 9-0-1 with a 0-0 tie with Wakefield in the last game. Allen scored 195 points compared to 0 for the opponents throughout that season.

Four of Allen's opponents that year were bigger than they were but trick plays and speed kept the Eagles in front. The Eagle defensive line proved to be impenetrable throughout the season. The closest any team came within scoring of Allen was South Sioux. In one instance during the game South Sioux came within one foot of scoring but to no avail.

South Sioux had it first and goal to go at the one foot line but four plays later when Allen took over on downs, the ball was

pushed back to the six yard line.

The following lists in order the schedule and score of Allen's 1932 season: Allen, 12—Homer, 0; Allen, 19—Wausa, 0; Allen, 13—Laurel, 0; Allen, 19—Coleridge, 0; Allen, 26—Ponca, 0; Allen, 39—Newcastle, 0; Allen, 41—Emerson, 0; Allen, 20—South Sioux, 0; Allen, 6—Pender, 0; Allen, 0—Wakefield, 0.

Professor H.B. Walden was the head coach of the team. Team members of the team and their present address include: Leroy Roberts, fullback, Allen; Vernon Schram, guard, Florida; Dwight Heliker, guard, deceased; Don Barnes, halfback, California; Armond Ellis, tackle, deceased; Ev-

erett Roberts, guard, Omaha; Morris Ward, guard, deceased; Kenny Littrell, guard, unknown; Ray Fitch, tackle, Kansas; Emmett Roberts, tackle, Allen; Ray Miller, quarterback, west coast; Bus Mitchell, fullback, East coast; Don Travers, quarterback, California; Darrel Mathiesen, halfback, Pona; Myron King, end, Oregon; Jack Oleke, tackle, unknown; Keith Mathiesen, halfback, deceased; Keith Krause, center, East coast; Domar Knudsen, tackle, Newcastle; Howard Wharton, end, Plattsmouth, Loren Wheeler, halfback, California; Lawrence Ellis, end, deceased; Bud Isom, halfback, deceased; Loren Kneeland, center, West coast; Earl Potter, tackle, Allen; George Herfel, guard, deceased; Lester Ellis, guard, deceased.

Allen defeats Newcastle in straight sets

The Allen Eagles made short work of their opponent in a Tuesday night volleyball contest with Newcastle, winning in straight sets, 15-2, 15-3. The Eagles actually led 14-0 in the first set and 10-0 in the second set before winning by the final margins listed.

The highlight for the Eagles came with the serving game as

coach Gary Troth witness his squad go a perfect 42-42 on the night. Becca Stingley and Leslie Isom each had four aces on the night with Stingley going 11-11 and Isom nailing on 10 of her serve attempts. Annetta Malcom was right behind with two aces on a perfect 9-9 outing.

Cindy Chase was the top spiker

for the host team Eagles with four kill spikes in a 7-8 outing. Stephanie Carlson and Leslie Isom each went 6-7 with two kill spikes each. Annetta Malcom was a perfect 17-17 in the setting department with four assists while Carla Stapleton was perfect on all 12 of her set attempts with three assists.

"We came out in front of a very good sized crowd and played well," Troth said. "We're starting to get good attendance at our games because we are playing well."

Allen's junior varsity team also won over Newcastle in straight sets, 15-2, 15-13 and the "C" team won in straight sets as well, 11-9, 11-8.

Sports Briefs

Junior high spikers compete

WAYNE-The seventh grade volleyball team defeated Hartington Cedar Catholic in a three set match on Tuesday, 15-1, 11-15, 16-14. Jenny Thompson led the team with 12 points with five of them coming on aces. Amy Ehrhardt followed with nine points.

The seventh graders as a team served 78 percent and recorded eight total aces. Head coach Roger Reifkofski said his squad fought back from a 14-8 deficit in the third set to win the match. "The girls showed a lot of hustle and didn't give up," Reifkofski said.

The local eighth grade team didn't fare so well though, losing in straight sets, 15-17, 9-15. Sarah Hampton and Stacie Frank each had six points to lead the Blue Devils. The eighth graders were only 70 percent from the service line and had eight aces.

"We didn't play very well," Reifkofski said. "We didn't have any enthusiasm and lacked a little hustle. We have to get more consistent if we are going to improve."

Both the seventh and eighth grade teams sport 1-3 records at the present time.

Allen teams take part

AREA-The junior high and junior varsity volleyball and football teams from Allen, recently hosted the Winside Wildcats in an afternoon and evening of action. The Eagles seventh grade volleyball team won in straight sets of 15-2, 15-4. Deb Plueger and Holly Blair led the Eagles in the contest.

The eighth grade team won in three sets, 15-3, 14-16, 15-6. Michelle Isom, Stephanie Martinson, Dawn Diediker and Bobbi Stingley were noted for their serving success while Stephanie Chase and Stephanie Martinson were noted for spiking and Meghan Mahler for serving.

The junior high football team defeated Winside by a 44-6 victory which, ironically, was the same score of the junior varsity football game played right after.

Steve Sullivan, Curtis Oswald, and Casey Schroeder all notched two touchdowns apiece. The junior high played their final game on the schedule and coach Jeff Schoening's Eagles finished the season with an undefeated mark.

The junior varsity got the aid of three Paul Brentlinger touchdowns, two Jody Martinson touchdowns and one touchdown each by Chris Sachau and Shane Dahl.

Within a few days of the junior high volleyball match with Winside, the Eagles hosted Ponca with the seventh grade again winning in straight sets, 15-4, 15-3, with Holly Blair and Deb Plueger again leading the way with their serving.

The eighth grade won 15-0, 13-15, 15-8. Meghan Mahler and Bobbi Stingley led the way in serving.

Frosh end season

WAYNE-The Wayne freshman football team closed out their 1989 football season with a 22-20 dramatic win over O'Neill in O'Neill recently.

Coach Duane Blomenkamp's team trailed 20-0 in the second quarter before Regg Carnes hit Robert Longe on a 23 yard pass play and then Carnes converted the two point conversion himself to make it a 20-8 game at the end of the first half.

In the third quarter Bobby Barnes darted over from one yard out to draw the score to 20-14. In the fourth quarter it was Barnes again striking paydirt, this time on a 75 yard punt return. Carnes hit Robert Longe for the two point conversion to give Wayne the 22-20 lead and the win.

Barnes rushed for 71 yards on the night to lead all rushers while Carnes was 5-9 through the air for 50 yards with all five receptions going to Robert Longe. Defensively, Wayne was led by Chad Paysen with nine tackles while Jason Brandt had eight and Regg Carnes notched seven.

The freshman ended the season with a 4-1 record.

also might be better served in an institution.

"Choices must be made," said Garwood, "and each child's situation should be reviewed — one at a time."

ALSO SPEAKING to the board Tuesday night was Duane Tappe, ESU 1 special education director.

"Region IV is the agency we work most closely with," said Tappe. "We want to continue a good relationship, but there are some things they do that we just don't understand."

"Their (Region IV) philosophy is that placement in the community is the best at all times for all kids," added Tappe. "We (ESU 1) think there is a need for both community based programs and institutions such as the Beatrice State Developmental Center."

"Parents today have fewer options and more politics to deal with," said Tappe. "There are less options, we're spending more money than ever before, and it just kind of galls me," added Tappe.

"In the best interest of the kids we may have to get nasty," Tappe told the ESU 1 board. "When you feel justice is on your side you do what you feel you should do."

FOLLOWING THEIR remarks Tuesday night, both Garwood and Tappe told ESU 1 board members that they will continue to communicate their feelings to Region IV in an effort to resolve the situation in a friendly matter.

ESU 1 Board Chairman Ken Lahrs of Ponca also encouraged Garwood and Tappe to continue friendly dialogue with Region IV to resolve the matter.

"Before push comes to shove," said Lahrs, "let's communicate, communicate, communicate."

IN OTHER BUSINESS Tuesday night, ESU 1 board members gave unanimous approval for ESU 1 to hire teachers during the summer to write curriculums in two new areas — guidance and library — as required by school accreditation rules.

Board members also voted unanimously to use Carl Perkins

Grant funds to purchase vocational educational technical equipment, specifically a computer driven lathe, robotics arm and laser.

Also given unanimous approval by the board was a middle level academy program whereby ESU 1 will train two teams of area educators on dealing with problems facing youngsters between the ages of 10 and 14.

"These children have been identified nationally as having particular needs," said Garwood, adding that the team of educators, in conjunction with an instructor from the University of Nebraska-Lincoln, will provide a workshop for area schools on the needs of middle level students.

Garwood said team members also would be available for individual school consultation for those schools wishing assistance.

THE NEXT MEETING of the ESU 1 board of directors will be Nov. 14 at 8 p.m. at headquarters in Wakefield.

als to high functioning individuals. We are willing to accommodate all parts of that spectrum.

"Basically, our philosophy is that the only time when an institutional setting such as the Beatrice State Developmental Center might be appropriate is when a client's medical needs are so great that the staff at Region IV cannot properly accommodate them."

GREEN WENT ON to say that Region IV is mainly geared toward mental retardation and the program is basically geared toward the adult population. "In terms of the adult population," said Green, "there would be very few individuals that Region IV could not serve because of their retardation level."

Green said the cross-over comes

with the children involved in Region IV programs. "Our responsibility is to provide the youngsters with residential care," said Green, "while ESU 1 is responsible for providing the educational program from birth to age 21. We are only providing a back-up to ESU 1."

"We do not automatically sign-off on any child," added Green. "When a child is sent to Beatrice, they (the Beatrice State Developmental Center) are asking us to attach a statement saying we cannot serve this individual."

"We feel that when we take on that child we are making a commitment, and we're a little hesitant to say that for the lifetime of this individual we're going to send him to Beatrice. We think we have a pretty good program and we want the parents to be aware of that."

If a parent states that he de-

sires his or her child to be placed in the Beatrice State Developmental Center, Green said that he would request a conference involving a Region IV representative and parent-guardian representative, along with representatives of the school district and ESU 1.

"Once everyone understands all the services we have," said Green, "and if the parent still wishes for that child to be placed at Beatrice, we would probably sign-off at that time."

REGION IV IS headquartered in Wayne and encompasses 20 counties in northeast Nebraska.

Green said Region IV presently serves 341 individuals, including 19 clients under age 21, with seven area programs in Wayne, South Sioux City, Oakland, Norfolk, Columbus, Bloomfield and O'Neill.

provide support for those individuals with limited life expectancy and give support to their families as well — at no cost. This can be carried out in various ways, such as relieving the primary care giver of the individual on a 24 hour basis.

"Our support goes beyond physical. It also fulfills spiritual and emotional needs," said Kucera. A bereavement service is also provided with the family. "We feel it is meaningful to the families to keep in touch."

The Hospice program also allows the individual with limited life expectancy to be at home around familiar surroundings with their loved ones. There, they are being loved every minute, said Kucera.

One of the constant struggles which the Hospice Program faces is that many people are not aware of the services which the Hospice program and the volunteers can provide.

These volunteers include people like Beverly, who has a large amount of practical common sense and a profound respect for the human body and its needs and comfort and a willingness to get "dirty hands."

Or Gloria who is someone that can "stay awake at night so that a tired family member can get a refreshing night's sleep."

Or Michelle who is willing to wash the dishes, vacuum the rug, help with the laundry, pick up the groceries, cook a meal, sit with the children, take the dog for a walk, hold the vomit bowl or empty the bedpan — and not think of it too much.

Or Ray who is someone who can bear the burdens of others without being overcome by them.

Or Neil who respects the religious experience of others and is willing to talk to them about personal faith.

"THESE ARE some of our dedicated and trained Hospice volunteers. They are your friends and your neighbors. They are providing meaningful services to individuals with a limited life expectancy, and to their families, who also live here in the Wayne area," said Kucera.

"The community care Hospice Group is honored to be recognized as a valuable community service by United Way. We exist from the communities they serve," he mentioned.

Letters

Candy sales

We, the Wayne Lions Club, would like to take this method and opportunity to thank the various groups who helped make our annual Halloween candy sales this past weekend a success.

First, we thank all the Wayne residents who supported our project by buying the candy. The profits realized from this activity are directed to the various sight and hearing projects of the club.

We also thank the Wayne Herald for the news articles which helped us inform the public of our project. And we thank Pamida Inc. for supplying us with the bulk candy and the Wayne Vets Club for providing the facilities to sack the candy.

And last, but not least, we thank the Lions Club members and their wives who helped sack the candy and who want out and sold the candy this past Sunday and Monday.

THE-OPTION district must notify the parent, resident district and State Department of Education by April 1 on whether the application is approved or rejected. If the application is rejected, then the option district must list its reasons. Parents can appeal a rejection to the State Board of Education within 30 days after the rejection notice.

Parents would be responsible for the transportation of the option students.

If the option student is in grade 9-12 when transferred, the student will be ineligible to compete in athletic competition sponsored by school districts for one school year unless the resident district and the option district have joint teams or if the resident district waives the ineligibility period.

Currently, payments would be made by the resident district to the option district for the cost of educating the option students, based on factors in the state aid formula.

Superintendent Francis Haun said Friday the funding mechanism is what is causing apprehension

about the choice legislation. Students who would come to Wayne Public School on a per choice basis would be enrolling at a lower pupil cost than what the current "per pupil cost" is in the school district.

That, he said, would not be fair to those paying non-resident tuition paying the school's higher per pupil cost.

DURING THE panel discussion, Burrows said President Bush has not backed down from the choice in education concept. It encourages more parental involvement, he said.

"There is no federal or national model of choice. State's have different programs," Burrows said. "It is a call to action and a reassertion of parental rights."

The challenge exists for Nebraska to implement the choice program. However, Burrows said he hopes the challenge is seen as an opportunity, not as an impediment.

"There are going to be a whole lot of states looking at Nebraska," he said.

Hunter told the audience that "none of the horror stories [about choice] ever came about" and that the number of participating districts has grown since the choice program began in Minnesota.

HUNDREDS turned out at Wayne State College Thursday evening to listen to a panel presentation or give testimony on LB 183 — the School Choice Bill.

Target Marketing Seminar Monday

WAYNE-A "Target-Marketing Seminar" will take place Monday, Oct. 16, 7 p.m. at Ley Theatre on the Wayne State College campus.

Reservations for the free seminar are being taken by the Wayne Area Chamber of Commerce at 375-2240. The event is being sponsored by the Chamber, the Nebraska Business Development Center and the University of Nebraska Extension Service in Wayne County.

Presenter at the seminar is Prof. John Hafer, associate professor of Marketing at the University of Nebraska-Omaha. He is currently finishing a textbook on Selling targeted for publication in 1991.

Hafer will work with participants on target marketing and sales techniques.

Ag in the Classroom

AREA-Area kindergarten through sixth grade teachers are invited to attend a free Ag in the Classroom in-service session on Tuesday, Oct. 17, 4:30 p.m. at School District #25 eight miles west and one mile north of Pender.

The program includes a Nebraska products meal.

The in-service session is being hosted by Dorrine Liedman, district member of the Nebraska Farm Bureau State Women's Committee.

Ag in the Classroom is a national program designed to help children in towns and cities learn about agriculture. In Nebraska it is sponsored by the Nebraska Department of Agriculture, in cooperation with Nebraska Farm Bureau Federation. Ellen Hellerich, Ag in the Classroom coordinator, will conduct the in-service sessions.

More information about the in-service sessions is available from Liedman at 585-4725.

LOWER ELKHORN NATURAL RESOURCES DISTRICT

LENRD Director appointed; UNL to conduct Clean Lakes Study

The Lower Elkhorn Natural Resources District Board of Directors appointed Charles L. Myers as the new Director-at-Large during the board's monthly meeting held in Pender Thursday night. Myers is a professional farm manager with LeDioyt Land company. The new director also farms west of Lyons. Myers was chosen from a group of nine candidates who applied for the position left vacant by the recent resignation of Terry Jensen of Norfolk.

A recommendation to retain the Water Center at the University of Nebraska-Lincoln to conduct Phase I of the Clean Lakes Program Study was approved. The researchers from the Water Center under the direction of Dr. Roy F. Spalding will conduct the two year Phase I diagnostic/feasibility study. An \$83,000 grant was awarded to the LENRD by the environmental Protection Agency to study the water quality of Willow Creek Reservoir in Pierce County and Maskenthine Lake in Stanton County.

In other board action, the firm of Municipal Bond Underwriters, Inc. of Omaha was chosen to provide the interim financing for the Logan East Rural Water System Improvement Project. This firm will provide financing while the project is under construction.

During the soil Conservation Service report to the board, District Conservationist, Sid Cornelius informed the directors that conservation plans have been completed on 76% of the highly erodible acres in the Lower Elkhorn Natural Resources District which are required to have conservation plans to be in compliance with the 1985 Food Security Act. Farmers who have highly erodible fields must be carrying out an approved conservation plan by January 1, 1990. Failure to do so will make them ineligible for most farm program benefits.

The next LENRD monthly board meeting will be held on October 26, 1989.

UNL Water Center to conduct Clean Lakes Study

The Water Center at the University of Nebraska-Lincoln has been selected by the Lower Elkhorn Natural Resources District Board of directors to conduct Phase I of the Clean Lakes Program Study of Willow Creek Reservoir and Maskenthine Lake.

The National Clean Lakes Program was initiated in 1972. The goals of the program are to define the cause and extent of pollution problems in the lakes of each state and to develop and implement effective techniques to restore them. Since 1975 over \$110 million have been provided for Clean Lakes studies nationwide. Thirty projects have been funded in Environmental Protection Agency (EPA) Region 7 which includes Nebraska, Iowa, Kansas and Missouri.

The Lower Elkhorn NRD has been awarded a grant of \$83,000 for Phase I which is the diagnostic/feasibility study. During this phase the Water Center researchers will identify the water quality problems in the lakes, diagnose the causes and develop a feasible plan to restore and protect the lakes.

At Willow Creek State Recreation Area in Pierce County contamination of the reservoir has resulted in high turbidity and extensive green algae bloom. Possible sources of contamination from the 210 square mile watershed are ag chemicals and livestock waste. Maskenthine Lake in Stanton county is losing surface area on the north end of the lake due to sedimentation.

The proposal of the Water Center was selected from a group of four proposals which were presented at joint meetings of the LENRD board of directors and the Clean Lakes Advisory Committee which is composed of 25 interested citizens.

The grant which was awarded by the EPA is composed of 70% federal funds and 30% LENRD funds. According to Donna Sefton, EPA Region 7 Clean Lakes Coordinator, grants for two Phase I studies in Nebraska, one Phase I and one Phase II study in Iowa were awarded in 1989 in the four state Region 7 area. The LENRD grant and one received by the Lower Platte South NRD are the first Clean Lakes Program grants to be awarded in Nebraska.

After the two year Phase I study, the Lower Elkhorn NRD may apply to the Nebraska Department of Environmental control for a Phase II study grant which will be used to implement the plan formulated in Phase I. A Phase II grant would be composed of 50% federal funds and 50% LENRD funds.

NOTICE

Current Federal Regulations require all schools inventory asbestos containing materials (ACM) and develop a management plan to identify and control ACM in their buildings.

The presence of asbestos in a building does not mean that the health of building occupants is necessarily endangered. As long as asbestos containing material (ACM) remains in good condition and is not disturbed, exposure is unlikely. When building maintenance, repair, renovation or other activities disturb ACM, or if it is damaged, asbestos fibers are released creating a potential hazard to building occupants.

The plan is now available for inspection (without cost) to the general public, teacher, and other school personnel. The plan will be made available within 5 working days after receiving your request. For further information, contact Gene Lutz, phone (402) 375-1686. The school may charge for copies of the plan. The plan for the Wayne County District 57 School has also been submitted to the Nebraska Department of Health, Division of Environmental Health and Housing Surveillance, in accordance with current federal regulations. For Your Information

Question 1. What was the total premium paid for the school district's property and casualty insurance for 1988? **2.** Did the school seek bids for the coverage? **3.** Does the board have a policy for seeking and accepting bids on insurance coverage and if so, what is the policy? **4.** If it doesn't, considering the size of the expenditure, don't you think such a policy would benefit District #17 taxpayers?

Answer:

A. 1. Property and casualty insurance premiums for 1988: Driver education, auto, \$695; Workmen's Compensation, \$8,343; Liability, \$4,509; Grounds, \$453; Property Insurance, \$12,182; and bus insurance, \$2,608. Total, \$28,790.

2. No.

3. Through seminars, associations and conventions the school board and the administration are constantly being indoctrinated to insurance companies specializing in school insurance. They are also aware of those that are currently the most competitive.

It is the intent of the Wayne Public Schools to provide the taxpayers an insurance package through local agents that provide the best coverage to the district at a reasonable price. The school board must also consider the financial history of the insurance company.

The Oakland-Craig School System was near insolvency a short time ago because their liability insurance company went bankrupt following a school bus-truck accident.

The school district uses two agents of record for insurance. They are instructed to alert the school board to insurance premium costs and to be accountable for furnishing the district with adequate and high quality insurance.

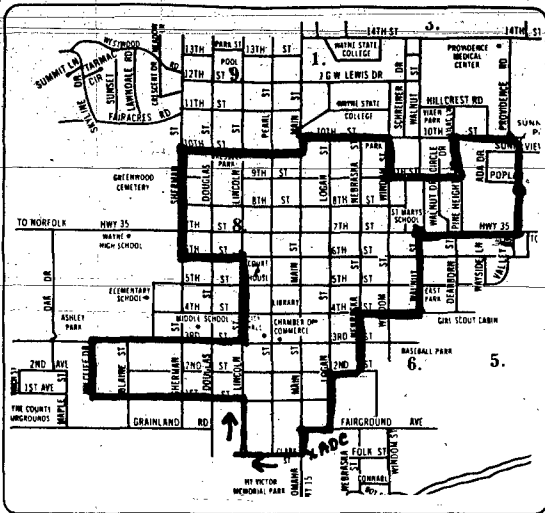

Any local insurance agent with a Class A or better company may challenge this procedure by contacting the school districts' agents.

Response by: Carter Peterson, Board of Education Member and Francis Haun, Superintendent of Wayne Public Schools.

Obituaries

Jeanne Schlihs

Jeanne Schlihs died Sept. 17, 1989 at the home of her daughter in Topanga, Calif. She had been ill for seven months and death was due to a malignant brain tumor.

Memorial services were held Saturday, Sept. 30 at the Topanga Canyon, Calif. ranch home of her daughter, Kiera, where a living memorial garden has been established in her memory. Her ashes reside there.

Jeanne Frances Schlihs, the daughter of Rev. Carl and Mrs. Bader, was born March 30, 1922 in David City. She lived for a time in Wayne where her father was pastor of the First Methodist Church. She graduated from Wayne High School in the class of 1939 and attended Wayne State Teachers College. She lived in Hermosa Beach, Calif. for over 35 years. She was employed for many years as an executive secretary at both El Camino College and Dominguez Hills State University.

Survivors include two daughters, Kiera and Megan; two grandsons, Alexander and Evan; one sister, Barbara Jensen of Hermosa Beach, Calif.; two brothers, Dr. Robert E. Bader of Alliance, Ohio and Carl Bader Jr. of Claremont, Calif.; and many nieces and nephews.

She was preceded in death by her parents; two brothers, Ernest and Philip Bader; and her husband, Robert Schlihs.
