### Governor's plans

STATE-Nebraska Gov. Kay Orr unveiled her 1990 budget and legislative plans, focusing resources on the war on drugs, property tax relief, education and rural revitalization.

She proposed adding 15 drug enforcement officers and 10 drug education officers for the Nebraska State Patrol and announced new drug legislation that would impose an assessment on illegal drugs (collected by the seizure of a criminal's property).

Other legislation would create drug free school zones, increase penalties for marijuana and suspend the driver's license of those operating a vehicle while under the influence of drugs.

Orr recommended that the majority of new spending be returned to Nebraskans through property tax relief. To reduce property tax bills, \$98.1 million dollars is being requested.

The Governor is recommending nearly \$2 million to improve satellite communications within Nebraska's school system. This will allow new courses to be delivered to students all across Nebraska, via space age technology.

Orr is also backing changes in the Community Development Block Grant program, making more loans available to small businesses, including retail business development in communities with populations under 2,500.

## Plans given for classroom additions

By Chuck Hackenmiller  
Managing editor

An architectural firm appeared before the Wayne Public School Board of Education on Tuesday to present plans for the construction of additional classrooms to the Wayne West Elementary School.

Lynn Jones of the firm Davis, Fenton, Stange and Darling met with the board of education to show the plans to build four new classrooms — with one of the classrooms to be subdivided.

Featured on the addition plans were three general-type classrooms and a classroom that will

house the guidance and speech therapy areas and space for the Chapter I program. The one subdivided classroom could be converted into a general-type classroom if the need arises, according to the architect.

THE ARCHITECT recommended that the board of education consider extending the corridor of the elementary school to the west, creating two classrooms on each side of the new corridor and adding a vestibule at the west end of the corridor. The total addition would amount to approximately 5,500 square feet.

Two independent residential heating and cooling systems, one for the north side and another for the south side of the addition, was also recommended since the boiler used now is considered "marginal" for the present elementary building.

The architect estimated the cost of the addition proposal at \$319,000 (with the compacted roof). Superintendent Francis Haun said that the board of education had expected the construction estimated cost to be less.

"We were anticipating an estimated cost of \$250,000," Haun said.

Of the \$250,000, approximately \$150,000 of the cost would be picked up through the school district's building fund while the remainder of \$100,000 would be transferred into the building fund from the reserves in the general fund.

WHERE THE extra funding will come from, to meet the architect's estimated cost, has not been determined yet and the board of education is looking at ways to cut the architect's estimate, according to Haun. Some areas under

## Open enrollment applications approved

By Chuck Hackenmiller  
Managing editor

Wayne Public School Board of Education accepted applications of three families into their school district through the student option enrollment (choice) plan.

One family requested to be transferred from the Wayne Public School District to the Winside Public School District for the 1991-92 school year.

Last December the Wayne Public School Board of Education voted to participate in the open enrollment plan. Winside School District also voted last month to participate.

The application for the Gene Barg family to move into the Winside School District (second grader, fifth grader and sixth grader) was approved by the Wayne board.

Being accepted into the Wayne School District for the 1991-92

school year were the Perry Jones family of rural Carroll (kindergarten student); the Richard Longe family, seven miles west and 1/2 mile south of Wayne (fourth grade student); and the Alan Thompson family from School District 25 (a fifth grader and a first grader).

However, it was learned Wednesday that School District 25 is not participating in the student option enrollment.

THE LAW specifies a 4-year phase-in of the option enrollment as follows:

1990-91 — voluntary participation among school districts, both school districts must agree to the transfer.

1991-92 — the option school district's participation is again voluntary. However, resident districts must allow up to five percent of

## Wayne Great Giveaway begins fourth season

One of the area's top promotions of each year is the Wayne Great Giveaway.

This year's fourth annual Wayne Great Giveaway is no exception as thousands of area residents can become eligible to be grand prize winners of Great Giveaway Bucks.

Grand prize this year is \$400 in Great Giveaway Bucks. Second prize is \$250 in Great Giveaway Bucks. Both prizes are to be spent only at participating merchants.

Winner of the Grand Prize last year was Virgil Kardell, Sr. of Wayne. The second place winner was Ernie Swanson.

This week's first installment of ads kicking off 1989's Wayne Great Giveaway IV are found on the inside of today's Herald and Marketer. Area residents should scan the advertisements and register at the participating businesses.

THE CONTEST and advertisements run for eight weeks, starting on Jan. 11 and ending on March 1. Each week, during the next eight weeks, drawings will take place Tuesdays, 1:30 p.m. at Hardee's of Wayne. Two winners will be picked each week.

At the end of the eight weeks, 16 people will be eligible for the grand prize drawings. The grand prize drawings will take place on Thursday, March 8, 5:30 p.m. at The Wayne Herald.

Some important guidelines to remember:

— Each week a new drawing will take place, so be sure to register each week at participating merchants.

— Winners of the preliminary Tuesday drawings will be publicized in that Thursday's issue of The Wayne Herald.

— Only "ORIGINAL" registration coupons in the Thursday ads of participating merchants will be considered for the weekly drawings. No copies of the coupons will be allowed.

— Registration slips for a particular business must be entered at that business only. Entry blanks from other businesses will be voided. Deadline for registering will be 10 a.m. each Tuesday. Coupons missing the deadline for a particular week's drawing simply will be included in the next week's drawing.

— Although no purchase is necessary (but encouraged) at participating businesses, all registrants should be age 16 years or older.

— No restrictions exist on how many times you may enter the contest. Area residents wishing to register more than once at an individual participating business may obtain additional issues of The Wayne Herald at any of the regular newsstand dealers: Oberle's Market in Winside, Cash Store in Allen, Corner Market in Carroll, Korner Mart in Wakefield, and the Wayne business locations of Pac 'N' Save, Sav-Mor Pharmacy, Bill's GW, Pamida, Casey's, 7-11 Store and the Herald office.

## Council approves street plan

By Chuck Hackenmiller  
Managing editor

The city of Wayne's one and six year street improvement plan, almost a replica of last year's plan, was approved by resolution during Tuesday's regular meeting of the city council.

Public Works Superintendent Vern Schulz said there were no new projects proposed on the one-six year plan at this time. "If there is a new project, it can be added at any time on the one year plan," he told the city council.

Proposed for 1990, at an estimated \$15,000 cost, is overlay with 1" asphaltic concrete at locations to be determined at a later date. The overlay would be applied to a three-block estimate if an asphalt plant is operating in the area.

There are three projects proposed for 1991. They include concrete paving curb and gutter on Walnut Street (from 12th Street to 14th Street); concrete paving curb and gutter on East 13th Street (from Walnut Street to Schreiner Drive); and the construction of a storm sewer, closing the open ditch from the National Guard Armory to the State Department of Roads Driveway on East Highway 35.

SCHULZ SAID the project relating to the dirt streets near the college, proposed for paving in 1991, will continue moving ahead in the street improvement program until the college has funds available to address the paving issue. The Walnut Street paving and the East 13th Street paving have a combined estimated cost estimate of \$50,000.

A \$190,000 estimated cost has been given for the storm sewer

## Donation to Foundation announced

A donation of \$5,347 has been made to the Wayne Public School Foundation by Frederick Rickers of Lincoln to establish a scholarship fund in honor of his parents Fred H. and Violet Rickers.

The Wayne Public School Foundation is a non-profit, separate corporation from the school district that is used as a vehicle for receiving tax deductible donations.

The donations are used to promote and develop education resources in Wayne, such as establishing scholarships or purchasing equipment or other uses which the school district does not budget for during the school years.

## Two more file for county offices

Two more people have filed for Wayne County elective offices, according to Wayne County Clerk Oregretta Morris.

Deb Finn of Wayne filed Tuesday for the post of Wayne County Clerk. She is presently a bookkeeper at the clerk's office, a position she has held since December of 1978.

Morris announced also that she would not seek reelection to the county clerk post. She is presently in the last year of her third term as county clerk.

"I just think that it is time for the younger people to take the reins," Morris said.

Leon Meyer of Wayne also filed on Tuesday for reelection to the county treasurer post. The only other filing was by incumbent Jerry Pospishil for District 3 County Commissioner.

Those planning to seek reelection have until March 1 to file their election papers. Non-incumbents have a deadline of March 16 to file election papers.

## Girl Scout cookie sales underway

Members of the Prairie Hills Girl Scout Council are once again conducting their annual cookie sale, beginning Jan. 12 and continuing through Jan. 29. This is the only time of year these special cookies are available.

Girl Scouts have been selling cookies for over 50 years and the sale, in addition to providing experience, serves as a source of funds for Girl Scout activities.

Part of the profit from the cookie sale goes directly to Girl Scout troops to use for special events. Another part supports council sponsored events through the 19-county council area in Northeast Nebraska. It also helps purchase camping equipment and maintain and develop the council's 150 acre campsite, Camp Crossed Arrows, near Fremont.

While the girls receive direct financial means for special events, they also learn about decision making, money management, business, consumerism and safety.

**"great cookies for a great cause"**

THIS YEAR, GIRL Scouts are offering a new cookie — Cabana Cremes — named after the National Girl Scout Center located in Mexico, "Our Cabana." Cabana Cremes are sandwich cookies with two tastes — vanilla and lemon.

The other returning cookie favorites include Thin Mint, a thin chocolate-coated wafer made with natural peppermint; Samoas, a vanilla cookie covered with caramel, rolled in toasted coconut and topped with chocolate stripes; Do-si-dos, an oatmeal cookie with peanut butter filling; Trefoils, a shortbread cookie; and Tagalongs, a cookie topped with peanut butter and covered with chocolate.

project on the east edge of the city. Schulz told the council no assistance will be available from the state on the storm sewer project.

Concrete paving with curb, gutter and storm sewer on a section of Grainland Road, from Sherman Street to Blaine Street, has been proposed for 1992.

"Maintenance only" projects have been planned from 1993 to 1995, according to Schulz.

Schulz presented the city council with the city planning commission's recommendation concerning the one and six year street improvement plan.

The planning commission voted to recommend to the city council that the one and six year plan be amended to include Logan Street reconstruction for 4th Street to 7th Street in the year 1995.

However, the city council took no action on the Logan Street reconstruction proposal.

IN OTHER action Tuesday, the city council passed its first ordinance of 1990 concerning the council voting privileges of the Mayor. Now, if there is a major vote by the council and five votes are needed and there are only four council members present (less than the majority), the Mayor can provide the fifth vote.

Previously the Mayor could only vote to break a tie among the council members.

their students to participate in the program.

1992-93 — the option school district's participation is again voluntary. However, resident districts must allow up to 10 percent of their students to transfer.

1993-94 — the law must be implemented by all school districts.

Parents were to submit applications for transfers (for the 1991-92 school year) to the option school district by Jan. 1 of this year. On the application the parents must

list the substantial education opportunity available to the option student that was not available in the resident district.

A particular school may be requested but option districts will make final determination. The student must attend an option district for at least one full school year unless the student graduates or relocates.

CURRENTLY, payments would be made by the resident district to the option district for the cost of

educating the option students, based on factors in the state aid formula.

Winside School District has received applications for nine families that would like to option into their school district, and three applications from families that want to "option out".

Also Tuesday, the Wayne Public School Board of Education approved a freeholders petition to Wayne from District 51, filed by Jerry and Terry Munter. They have a second grade student.

consideration to save costs are in the area of the addition's roofing, west vestibule and the auxiliary electric heating near the windows of the new classrooms.

The board of education will meet with the architect in a special meeting on Tuesday, Jan. 23, 7 p.m. to discuss how much savings could be gained if changes are

made in the above areas considered.

Haun said the elementary school is currently short four classrooms — two classrooms, music room and Chapter 1 room. It is hoped that the construction of the classroom additions would be completed by Sept. 1 of this year, he said.

In other action on Tuesday, the board of education elected board officers for 1990. Elected as president was Sid Hillier. Cap Peterson was elected vice president and Doris Daniels was elected secretary-treasurer of the board of education.

The board also accepted the bid of Arnie's Ford Mercury (\$18,115) for a 12 passenger van.

# Conway introduces bills in legislature

With the start of the new year the formal work of the Nebraska Unicameral begins. As in past years through this weekly column, I will be reporting on activities in the State Capitol to the citizens of the 17th District.

I also view this as an opportunity to encourage you to share your thoughts and views as you respond to the various issues I raise in this column; the responses and comments I have received in the last five years have touched all aspects of government and have always been interesting and helpful in my deliberations. I very much appreciate your time and efforts in sharing your thoughts.

Last Wednesday, opened the second session of the Ninety-First Legislature. Each Legislature lasts two years with the first session lasting ninety working days and the second lasting sixty. This year, the shorter sixty day session, the Legislature will hit the ground running with consideration of bills that carried over from last year's session. There are almost three hundred bills that carried over with another 120 added during the first week of this new session. No new bills can be introduced after January 18th.

Although the content of this year's legislation will not be known until after the 18th, it is expected that abortion, school financing, and both real and personal property taxes will receive considerable attention. Generally speaking, I support legislation that is pro-life and believe that the technique for financing schools

should be changed so as to reduce the reliance on property tax. This will very likely mean shifts to other forms of taxes to balance funding requirements.

Most of you are aware of these views. My vote on any specific legislation, however, will depend upon the language in the particular bill and amendments that may be added during the legislative process. If you hear of an action on my part that doesn't seem consistent with what I've told—please ask. I am accountable to you for my actions.

New bills are now being referenced to the various Committees and will be scheduled for public hearings commencing January 16th. Until then, the Speaker has proposed an agenda that will have us debating carry-over bills from last year that are on general file.

I am the sponsor of four bills on this list which should receive first round debate during this first month. One that is currently garnering support, including support from the Governor, is LB 260. The bill requires that a tax be paid on illegal substances. Cash and other property of drug dealers who had not paid the tax, would be subject to forfeiture under the bill's provisions, whether or not a criminal conviction resulted. I firmly believe that the assets of an individual who is contributing to the high cost of enforcement and treatment for the victims should be used to offset these costs.

The GOLDEN YEARS

By Lee House

Think young! Justice Oliver Wendell Holmes had this to say about keeping a young outlook: "To be 70 years young is sometimes far more cheerful and hopeful than to be 40 years old."

Accidents in their own homes cause injuries to many older Americans, the U.S. Consumer Product Safety Commission (CPSC) points out. And stairways are a major hazard, according to data gathered from the nation's hospital emergency rooms. People needing treatment for stairway falls outnumber those injured each year in football, baseball or basketball. The CPSC offers these tips for avoiding stairway accidents: Make sure stairs are well lighted so that all steps, especially the edges, are clearly visible while going up or down. Handrails should be firmly in place, and should be used regularly. Replace worn treads and loose carpeting. Avoid wearing only socks or smooth-soled shoes or slippers when using stairs.

Remember When? 1940 — With the fall of France leaving Britain standing alone against Germany, Hitler ordered all-out air attacks which became known as "The Battle of Britain." The assault went on daily from June until December, when Hitler decided to turn his attention to invading Russia.

## Wayne downs C-1 rated Laurel by 14

Wayne hosted the fifth rated team in Class C-1 Tuesday night in Laurel and through the first three quarters of play the game was evenly played with Laurel maintaining a 44-40 lead. But the Blue Devils turned up the defensive intensity a notch and held Laurel scoreless until the final 34 seconds of the fourth quarter while scoring 20 consecutive points on offense, thus winning by a 61-47 count.

"I thought our first and fourth quarters were our best," Wayne head coach Bob Uhing said. In those two quarters alone Wayne held a commanding 37-10 advantage.

Uhing noted that there were three things that led to Wayne's 20-0 run in the final quarter. "We played good defense, rebounded well and executed our offense during that fourth quarter," Uhing said. "We also played very well in the last four minutes."

Wayne led the Bears 16-7 after one quarter of play and it seemed as though things would get easier when Laurel's big man John Schutte was whistled for his third foul just minutes into the second quarter with Wayne leading 18-13.

Laurel though, regrouped and with Schutte on the bench, out scored Wayne 15-6 the rest of the period to take a four point lead into intermission at 28-24. The Bears found themselves up by 10 early in the third period before the

roof caved in. Schutte was whistled for his fourth foul and was sent to the bench. Wayne changed its defense then to stop Troy Twohig who at one time scored eight consecutive points for the Bears and also to stop Todd Erwin, Laurel's prolific point guard.

The defensive change worked as both players found the going tough the rest of the way. "With John Schutte in the game Wayne couldn't use the defense they were when he was on the bench," Laurel coach Mark Hrabik said. "But they were able to stop our two big scorers when John was out."

Neil Carnes played an exceptional game for the Blue Devils, scoring 22 points and hauling down 14 rebounds. Craig Dyer netted 13 and Willy Gross added 12 to lead Wayne. Craig Sharpe scored eight and Jeff Griesch netted three. Kyle Dahl and Casey Dyer rounded out the attack with two and one points.

Laurel was led by Todd Erwin's 16 points while Troy Twohig poured in 12 and John Schutte, eight. Shawn Arens scored four while Matt Jonas netted three and Bruce Haisch and Matt Felber had two each.

"Neil Carnes did a fine job against a good center in John Schutte," Uhing said. "Craig Sharpe also played well as did Casey Dyer who came up with a big steal for us and was a catalyst in our press."

## Lady Blue Devils fall to Norfolk

The Wayne Lady Blue Devils had the unenviable task of traveling to Norfolk Tuesday night to play perhaps the best girls team in the state of Nebraska in the Panthers of Norfolk High.

Norfolk, ranked number two in the Class A polls had just come off a win at Bellevue West by a 94-29 count. Still, the Blue Devils showed up and they played hard. Norfolk however, was just too much as they won 63-36. The 63 points was far below Norfolk's average and the game was on their home court.

"Norfolk has everything you would want in a team," Uhing said. "They have height, quickness, shooting ability, a good press and they can all run the floor." Wayne's goals according Uhing included handling the press which Teresa Ellis did, rebounding with them which Wayne did exactly, 32 for each team, stop the running game and be deliberate on offense.

"We wanted to make the game a half court game and not allow them to run," Uhing said. "In the first quarter we turned the ball

over when we were in our half court offense and we took some shots we didn't want to which allowed Norfolk to grab a 12-2 lead after the first period."

Heidi Reeg led Wayne with 10 points while Liz Reeg netted nine. Stephanie Kloster poured in eight points including a perfect 6-6 from the free throw line. Jennifer Hammer netted four points and Teresa Ellis scored three. Susie Enz rounded out the Wayne scoring with two points.

Heidi and Liz led Wayne in the rebounding department with 12 and eight caroms apiece. Wayne suffered 23 turnovers in the contest compared to 13 for Norfolk. Wayne's highlight came from the charity stripe where they hit 16 of 22 from the line.

The junior varsity team fell to Norfolk by 10, 47-37. "Their JV's have won 24 consecutive games," Uhing said. "Our reserves played pretty well with Tammy Geiger scoring 12 points and Amy Wriedt hauling down eight rebounds."

## Trojans improve

Wakefield had their hands full with Walthill during the first half of the boys basketball game in Walthill Tuesday night, but Paul Eaton's Trojans upped the tempo a notch in the second half and out scored the host team 29-16 en route to a 58-43 victory.

"Walthill has a real quick team," Eaton said. "They returned three starters off of last year's state qualifying team." Tony Krusemark led the Trojans with 20 points while Mark Johnson poured in 15. Matt Tappe added eight and a foul troubled Andy McQuistan netted six points, far below his average. Chris Loofe scored four points for the winners while Keith Wenstrand and Anthony Brown rounded out the attack with three and two points respectively.

Wakefield held a 41-27 advantage on the boards led by Tappe's 10 caroms and McQuistan with eight. Krusemark and Johnson had seven each. Wakefield suffered 23 turnovers compared to 14 for Walthill. "Keith Wenstrand played well in relief of Andy McQuistan," Eaton said.

The Trojan girls fell to Walthill by a 60-45 margin. Lisa Blecke led Wakefield with 14 points while Lisa Anderson netted 11. Julie Greve was next with six while Kristen Miller netted five. Cathi Larson scored three and Sarah Salmon, Wendy Kratke and Christy Otte netted two each.

Wakefield had the edge in rebounding at 39-24 led by Blecke and Kratke with seven each. Wakefield however, had far more turnovers than their foe. "Walthill's quickness really hurt us," Wakefield coach Ellie Studer said.

"Homer jumped out to a 6-0 lead in the first quarter," Studer said and then we come back to lead 17-9 by the quarters end." The Trojans led 35-19 at the break.

Wakefield held a commanding edge on the boards with a 37-23 difference led by Cathi Larson with eight rebounds and Julie Greve with seven. Wakefield had 22 turnovers and connected on 18 of 26 free throw attempts.

"I would have to say that this was our best all around game of the season," Studer said.

## Wakefield downs Emerson for title

Paul Eaton's Wakefield Trojans were rated as the ninth best team in Class C1 in last week's Omaha World Herald and the Trojans didn't do anything to jeopardize that rating after dominating a strong Emerson-Hubbard team in the finals of the Pender Post-Holiday Tournament Saturday night.

Wakefield, 8-1 got 16 first half points from Matt Tappe and 14 second half points by Andy McQuistan to easily out distance Emerson, 61-37. McQuistan and Tappe finished as the top two scorers for the winners with 20 and 18 points respectively.

The Trojans led 19-7 after one quarter of play and 32-13 at intermission. Mark Johnson and Chris Loofe each netted seven while Tony Krusemark added four. Keith Wenstrand and Anthony Brown each scored two points and Marcus Tappe added one.

Girls win  
Ellie Studer's girls team won the consolation game over Homer by a 38-39 margin. "It was a good team

effort for us," Studer said. "We reversed the ball real well and that opened up the middle where Lisa Blecke was and consequently, she had a good game scoring." Blecke led all scorers with 29 points. Cathi Larson was also in double figures with 10. Julie Greve added six and Wendy Kratke poured in five. Lisa Anderson netted four points and Sarah Salmon netted three. Kristen Miller rounded out the attack with one point.

"Homer jumped out to a 6-0 lead in the first quarter," Studer said and then we come back to lead 17-9 by the quarters end." The Trojans led 35-19 at the break.

Wakefield held a commanding edge on the boards with a 37-23 difference led by Cathi Larson with eight rebounds and Julie Greve with seven. Wakefield had 22 turnovers and connected on 18 of 26 free throw attempts.

"I would have to say that this was our best all around game of the season," Studer said.

LAUREL'S JOHN SCHUTTE goes up with the left hand over the defense of Wayne's Neil Carnes in action at Wayne High on Tuesday night. Wayne defeated the fifth rated team in Class C-1 by 14 points.

## WSC downs Dana

Wayne State snapped a seven game losing streak Friday night with a 108-99 victory over Dana College in Blair, Nebraska. Dana, which likes to push the ball up and down the floor fired up 25 three point attempts but connected on only seven while Wayne State hit four of its six three point field goal attempts.

"This was a big win for us," Wayne State head coach Steve Aggers said. "With the loss of those three players last week due to academic ineligibility we were like starting over and this will give our program a boost."

The win was also big for the Wildcats in the fact that they had just been beaten by 35 points the night before by SW Baptist at home. Steve Dunbar was the offensive catalyst for the Wildcats as he blistered the nets for a season high 31 points. Dunbar, still nursing a shoulder injury, was 3-4 from three point range. The junior guard was 5-8 from two point range and was a perfect 12-12 from the free throw line.

Wayne State attempted 52 free throws in the contest and hit 38 of them. Eric Priebe had his most productive game of the season with 24 points and Marques Wilson poured in 23. Doug Kuzak was also in double figures with 12. Matt Kelly and Mike Kurnik scored seven and five points respectively and John Schott added four. Byron Young rounded out the scoring attack with two points.

The Wildcats dominated the boards both offensively and defensively, holding a commanding 42-27 advantage. Wayne State had 16 offensive boards and 26 defensive boards. They were led by Marques Wilson with 12. Eric Priebe was also in double figures in rebounding with 11 while John Schott came off the bench to haul down eight caroms.

Wayne State which improved to 5-10 will travel to play Mount Marty this Friday. The Wildcats next home game is against rival Kearney State on Jan. 20.

LAUREL'S HEATHER THOMAS appears to be losing this battle for a loose ball with a Pierce defender in action last Friday. Pierce won the game by a 62-31 margin. Sherri Hangman led Laurel with 10 points while Amy Adkins netted eight. Thomas scored five and Bree Bebee, Amy Peters and Tina Granquist netted two each. Amy Newton and Stacy Nixon had one.

## Wrestlers defeat conference foe

John Murtaugh's Wayne wrestlers traveled to South Sioux Tuesday night for dual action against the conference foe and Wayne notched a 48-22 victory to up its dual record to a perfect 4-0 on the season. Following Greg DeNaeyer's match at 145 lbs., Wayne held a commanding 45-0 lead.

"I was a little worried coming into the dual because we weren't wrestling with our regular line up," Murtaugh said. "Matt Bruggeman was unable to wrestle in the heavy weight category because of a hyper extended elbow suffered last Saturday in Wisner. I also made some adjustments to our line up but the kids responded and made the line up work," Murtaugh added.

Brian Gamble started the night off in fine fashion as he pinned his man in 3:33 of his junior varsity match in the 135 lb. category. Bryan Ruhr won his 160 lb. reserve match 5-2. Ryan Harris and Dan Wiseman lost their reserve matches.

Randy Johnson started the varsity action at 103 lbs. and pinned Alex Delao in 4:56. Brent Gamble won by pin over Cory Osborn in just 34 seconds. Matt Rise won his 119 lb. match by forfeit and Mike DeNaeyer won 8-3 over Dan Schock in the 125 lb. category. Trevor Wehrer won by pin over Gary Og-

den in the 130 lb. match and it took Wehrer just 1:19 to win.

Eric Cole wrestled at 135 lbs. and the junior won by pin over Matt Montgomery in 3:35. Chris Janke won by pin over Rob Turpin in 2:59 of the 140 lb. match and at 145 lbs., Greg DeNaeyer pinned Rusty Tippy in 5:09.

Jason Fink lost his 152 lb. match to Warner Roberts by an 11-1 margin while Jesse Brodersen was pinned by Dave Clausen in his 160 lb. match. Cory Wieseler won a narrow 3-0 decision over Tony Creswell at 171 lbs., and the biggest upset of the night came at 189 lbs., where Jason Ehrhardt suffered his first loss of the year to Brian Clausen. Wayne forfeited the heavyweight match.

"I was pleased with Greg DeNaeyer's performance," Murtaugh said. "He showed good leadership by getting a big pin for us." Murtaugh was also pleased with Jason Fink. "I feel that Jason did a good job considering that he was giving up a lot of weight and was wrestling one of their best wrestlers," Murtaugh said.

"Jason Ehrhardt lost to a good wrestler," Murtaugh said. "Clausen placed in state last year in Class A. The match was close the whole way until right at the end. Jason is 1-1 against him and they will probably wrestle against each other at conference."

## Wayne suffers loss

Marlene Uhing's Lady Blue Devil basketball team traveled to Sioux City, Iowa Saturday night to play Sioux City West. Wayne, which had won four out of its last five games, was hoping to escape with another victory but the Blue Devils came up three points short, 44-41.

"We did a real nice job of playing defense," Uhing said, "but we did not have a very good night executing our offense." Wayne led 9-6 after the first quarter but by intermission Sioux City West held a slim two point lead at 16-14.

The Blue Devils were hurt in the third quarter as they mustered just five points while the host team had 13 to build the lead to 10 with one quarter remaining. Wayne's rally in the fourth quarter fell just three points shy.

"We missed a lot of free throws," Uhing said. "We were 14-25 for the game but a lot of the ones we missed were front ends of one-and-ones." Wayne was down

by just one point late in the fourth quarter but Uhing felt the difference in the contest was offensive rebounding.

"They have a couple of big girls and our goal coming into the game was not to let them get offensive rebounds," Uhing said. "We ended up getting out rebounded 42-35 for the game but they got 20 offensive rebounds."

Wayne had three girls in double figures with Jennifer Hammer, Teresa Ellis and Liz Reeg all with 10 points each. Heidi Reeg had six while Amy Tiedtke and Stephanie Kloster scored two each. Erin Pick rounded out the attack with one point.

Heidi Reeg and Jennifer Hammer were also in double figures in rebounding with 11 and 10 rebounds respectively. Wayne had 18 turnovers for the game while Sioux City West had 23. West's leading scorer incidentally, a 6-1 player, was held to four points by the Wayne defense.

## Wayne downed by 11

The end result may have been the same as far as wins and losses but the game was played completely different Saturday night in Wayne, as the Blue Devils attempted to avenge a 45 point loss to South Sioux just nine days earlier.

Wayne fell 76-65 after maintaining a one point lead with less than five minutes to play in the contest. South Sioux once again got off to a fast start but Wayne stayed right with them. After one quarter of play the Cardinals held a 24-21 lead.

Wayne struggled a little bit in the second quarter, being out scored by nine points to trail by 12 at intermission. In the third quarter however, Wayne held the fast pace visitors to just 10 points while scoring 17 of their own. The rally was thwarted in the fourth quarter as South Sioux out scored Wayne 21-15.

"We came in mentally ready to play," Wayne head coach Bob Uhing said. "In the third quarter we

executed our offense 12 times and we out scored South Sioux, 17-10." Uhing said in the fourth quarter the Blue Devils ran the offense eight times, but the important stat is during the last four minutes they didn't run it once.

"I think we have to work on building our intensity," Uhing said. "We have to be mentally ready to play every game and when we are ready we are a good team and when we aren't ready we're not a very good team."

Willy Gross led a group of four Wayne players in double figures with 17 points. Neil Carnes added 13 while Craig Sharpe and Craig Dyer had 12 and 11 respectively. Kyle Dahl and Jeff Griesch each had five points and Chad Metzler rounded out the attack with two.

Craig Sharpe and Neil Carnes led the squad with nine rebounds each. Wayne suffered 21 turnovers in the contest compared to 14 for South Sioux. "Talent wise, South Sioux will be the most talented team we'll play this year," Uhing said.

## Wayne wrestlers capture first

John Murtaugh's Wayne grapplers won their second straight invitational Saturday as they escaped the Wisner-Pilger meet with 133 points, 26 better than runner-up state rated O'Neill with 107. Pender captured third place honors with 103.5 points while the host team Wisner placed fourth with 93. Norfolk's JV team finished fifth with 86 points and West Point Central Catholic was sixth with 84.5. Rounding out the field of teams in order were Creighton, Schuyler, Lyons-Decatur, West Point and South Sioux's JVs.

Murtaugh was proud of his teams accomplishment. "With the addition of O'Neill, the Wisner-Pilger tournament was tougher than usual," Murtaugh said. "So we were very pleased to come out on top." Wayne had two individual champions on the day with Mike DeNaeyer winning the 119 pound category and Jason Ehrhardt, who won the 189 pound bracket. Ehrhardt remains undefeated on the season at 15-0. Matt Brugge-

man lost 2-1 in the finals, thus finished in the runner-up spot in the heavyweight category.

What decided the invitational according to Murtaugh was the wrestle backs. "Several teams had approximately the same number of kids in the finals," Murtaugh said. "The outcome of the meet was decided in the wrestlebacks and this is where our team balance paid off."

Trevor Wehrer, Eric Cole, Chris Janke, Jesse Brodersen and Cory Wieseler all finished the day with third place medals as Wayne won five out of six consolation finals matches. Greg DeNaeyer finished fourth.

"Jesse Brodersen wrestled great for us," Murtaugh said. "He was unseeded and ended up placing third. I was also proud of Eric Cole. He wrestled up one weight class and was still able to medal for us."

The Blue Devils had five individuals who wrestled as JVs, so if they won any matches Wayne could not

use them on the team score. Todd Fredrickson wrestled once at 103 lbs., and lost while Matt Rise wrestled twice at 119 lbs., and lost twice.

Brian Gamble wrestled twice at 135 lbs., and lost twice while Bryan Ruhr wrestled three times at 160 lbs., and won one and lost two. Ryan Harris wrestled twice and lost twice in the 171 lb. category.

The following is a list of the varsity wrestlers and the weights they wrestled. It is also listed how they finished on the day.

103 lbs. Randy Johnson (DNP) Lost 7-0, lost 4-0.

112 lbs. Brent Gamble (DNP) Lost 9-4, Won 17-4, lost 6-2

## Eagles struggling

Both Allen Eagles boys and girls teams participated in the Ponca Post Season Tournament over the weekend and neither squad could muster a win. Following Lori Koester's girls team's loss on Thursday to Walthill in the first round, they played Bancroft-Rosalie in the consolation final and came up short by just two points, 36-34.

"We got off to a slow start," Koester said. "We had just 10 points at halftime." Bancroft had a comfortable 20-10 advantage at the break before the Lady Eagles began to make a run.

In the third quarter Allen scored Walthill 14-8 to trail by just four heading into the final stanza. Allen was aided by the sensational play of sophomore Denise Boyle who notched her best game of the season with 14 points. The forward also amassed a team high of 18 rebounds.

Cindy Chase and Robin Schroeder netted eight points apiece and Alyssa McGrath scored four points. Allen out rebounded Bancroft by a narrow 26-25 margin. One difference in the contest was turnovers as the Eagles suffered 31 while Bancroft had 19.

"I thought Denise Boyle played a terrific game," Koester said. "I was also glad we got Robin Schroeder back in the second half. In the second quarter she banged her knee against the wall and missed the whole quarter and we really need her leadership."

### Boys lose two

Gary Troth's boys team also found the going a little tough in the Ponca Tournament. In first round action on Friday his squad fell to the host team by a 79-62 count. "I don't think we played as bad as they just played good," Troth said. "Ponca shot the lights out of the ball."

Allen trailed 23-17 after one quarter of play and only 36-28 at the break. But the Indians out scored the Eagles by nine in third quarter for a comfortable 17 point lead with eight minutes remaining.

Todd Hohenstein led Allen with 20 points while Shane Dahl added nine. The Eagles were out rebounded by a 37-30 count despite seven caroms by Shane Dahl. Allen committed 16 turnovers while Ponca suffered just 12.

In the consolation final game against Walthill, Allen was defeated by 22 points, 74-52. "Walthill also had a good game shooting the ball," Troth said. "They jumped out to a 20-9 lead after the first quarter and by halftime they were up 43-22."

"We just came out flat against Walthill," Troth said. "We were out rebounded by a bunch. We have to work on fundamental rebounding in practice."

The Eagles, 4-4 were led by Todd Hohenstein with 16 points and Kent Chase with 10.

## Wildcat ladies snap losing streak

The Wayne State women's basketball came within an eye lash of establishing a new record for the most consecutive losses in a season at 13 over the weekend but Mike Barry's Wildcats defeated National College of Evanston, Illinois, 75-65 in the consolation round of the Central Missouri State University basketball tournament.

In the opening round Wayne State lost a 90-79 decision to Quincy College in Illinois. "We had a one point lead at one point in the second half," Barry said after his squad trailed 42-34 at the intermission. "We didn't have a very good game in the rebounding department. We just seemed to run out of gas during the final 10 min-

utes of the contest."

Mary-Holmes led the Wildcats in scoring with 20 points while Lori Rath added 14. Mary Schnitzler poured in 13 points and Lisa Schwab had 10. Amy Wattier led the team in rebounding with eight while Cindy Savage hauled down seven.

Wayne State was guilty of 32 turnovers in the contest while their counterparts had 29.

In the game with National College the Wildcats shot the ball well according to Barry. "It was a good team effort," Barry said. "We were a much quicker team than they were and we just beat them up and down the court."

Once again the Wildcats displayed good balance as Mary Holmes led the team with 15 points. Lori Rath netted 13 and Mary Schnitzler and Lisa Schwab had 10 each. Cindy Savage was close to the double figure digit in scoring with nine.

Lori Rath led the team in rebounding with 11 caroms to her credit while Cindy Savage and Amy Wattier had nine each. Wayne State committed 25 turnovers and National College suffered 30.

Wayne State welcomes the addition of Mary Schnitzler to the squad after Schnitzler had sat out the first semester due to transferring from another school. Schnitzler, the sister of the all time leading women's basketball scorer in the state history for collegiate women, Linda, had not played basketball in about a year and a half, since high school. But Barry feels that she will be a welcome addition to the team.

"Mary sprained her ankle over Christmas," Barry said. "She did not even go on the North Dakota trip with us but she has scored 13, 13 and 10 points in her first three games as a Wildcat."

Last week the Wildcats hosted Emporia State and lost a heart breaker, 70-69. "We were up by seven with five minutes to go," Barry said. "Emporia State switched defenses against us and they got some quick baskets." In the last minute and a half the Wildcats missed three front ends of one and ones.

Lori Rath led all scorers with 23 points while Mary Holmes netted 16. Mary Schnitzler poured in 13 and Amy Wattier added nine. Kae Burke and Mary Schnitzler were the leading rebounders with 10 and eight respectively.

The Wildcats will travel to Crete this Wednesday to play Doane before returning home to host Fort Hays State on Saturday.

### Sports Briefs

#### Three declared ineligible

WAYNE-Three players on the Wayne State men's basketball team have been declared ineligible for the second semester, according to athletic director Pete Chapman. The three failed to meet the minimum grade point average required by the NAIA.

The three are senior guard/forward Mike Rombout, junior guard Tony Hill and junior forward Melvin Nunn. Rombout and Nunn were starters for the Wildcats.

#### Set a record night

WAYNE-The Wayne Blue Devils wrestling team will participate in a dual with Wisner-Pilger on January 18 and according to Wayne High athletic director Ron Carnes, the night has been designated as "Set a record for attendance night."

"We encourage everyone to come and support the wrestlers and to help establish a new attendance for wrestling mark," Carnes said.

#### Parent's Night

WAYNE-Wayne's wrestling dual with Wisner-Pilger on January 18, has also been designated as Parent's Night. All parents are encouraged to attend and will be recognized. The JV's are set to wrestle at 7 p.m. with the varsity to follow.

#### JV's down South Sioux

WAYNE-The Blue Devil junior varsity basketball team improved their record to 5-1 with a 44-41 win over South Sioux Saturday night in Wayne. John Murphy led a balanced Wayne attack with 10 points. Kyle Dahl chipped in nine while Regg Carnes netted eight. Brian Lentz scored six points and Jason Johns netted five. Aaron Wilson scored four and Jim Murphy added two. Brian Lentz led all rebounders with 11 caroms to his credit.

### Kant named outstanding wrestler

## Winside captures own Invite

The Winside Wildcat wrestling team took part in their own Winside Invitational Saturday and the Wildcats escaped with an eight and one half point victory over runner-up Hooper Logan View. Winside scored 188 1/2 points with Logan View earning 180.

It proved to be a two team race all the way as third place honors went to Plainview with 88 points and Stanton held down the fourth place spot with 85 1/2 points. Norfolk Catholic was fifth with 84 1/2 points and Battle Creek was sixth with 80. Oakland-Craig and Osmond rounded out the field of eight teams.

"That's the most points we've ever scored in the 10 years I've been associated with Winside wrestling," coach Paul Sok said. "We ended up having 10 medalists."

Sok said that a lot of teams really didn't perform up to their expectations but illness had its effect on a couple of teams. Max Kant, the defending state champion at 135 lbs., was voted as the outstanding wrestler of the tournament even though he spent a total of 2:24 on the mat for the whole day.

Winside had a total of four individual champions and three runner-up placers along with two third place finishers and one fourth place finisher. Chad Carlson made it through the 119 pound bracket without losing as he pinned Matt Tinker of Stanton in just 66 seconds into the finals.

Shane Frahm pinned Roger Pojar of Stanton in 1:14 of the finals for his championship and Brian Thompson decided Alan Schoenauer of Osmond, 4-2 in the finals of the heavy weight category.

Those finishing in the second place position included Jeff Gallop at 152 lbs., who lost to Jeff Heimes of Norfolk Catholic, 5-0 in the finals. "The Heimes kid is 16-0 after

the meet," Sok said. "I was pleased with the way Jeff wrestled. He had good technique and good intensity."

Kerry Jaeger was pinned in the finals by Jim Lathrop of Logan View at 160 lbs., and Jason Krueger was defeated 12-2 in the finals by Pete Polmantier of Logan View.

Doug Heinemann placed third in the 125 lb. category by pinning Bob Baldacci of Norfolk Catholic. Also placing third for Winside was Jason Bargstadt at 145 lbs., by pinning Lance Schaecher of Battle

Creek. Jason Magwire placed fourth for Winside at 130 lbs.

"I thought Brian Thompson looked pretty solid in the heavy-weight division," Sok said. "He had to wrestle a kid that was about 40 pounds heavier than he was in the finals and he won 4-2. That kid he wrestled was also a state qualifier last year."

Sok also thought that Shane Frahm wrestled well on the day enroute to his championship. "Shane is getting back into fine form," Sok said. Chad Carlson was also noted for having a good day as Sok said he won relatively easily.

### The Farmer's Wife

By Pat Meierhenry

Today, January 6, is Epiphany, Twelfth Night, which actually commemorates the visit of the Wise Men to the manger. One of my favorite editorial cartoons this Christmas season showed some men on camels riding through the opening in the Berlin Wall.

About a week later, there was a sequel that depicted a late-comer through the wall, with the one ahead saying to his comrades, "Here comes Rumania, after all." All the past year's events in Eastern Europe have left us amazed at the way the desire for freedom lives in men's hearts.

We made our annual visit to the Winside wrestling tournament, and watched the Winside wrestlers take the first-place trophy. As always, I have to admire the dedication of these athletes in lifting weights, running, dieting, and just plain practicing. If you

have not seen a high-school wrestling meet, and you think it is anything like Hulk Hogan, forget it. There's no acting.

You can't live around Winside and not get at least a little bit involved with wrestling. We've been at it long enough now that the children of the first teams are on the mats; and their dads do get excited.

MY FRIEND in Orlando called at half-time of the Fiesta Bowl to tell me how much she was enjoying the game and what a gentleman Coach Bowden is. I agree with Mike Kelly of the World Herald, who says it was "a long day in the sun." Now we can concentrate on the Fortyniners.

On the way home from the Carolinas, we spent one night in Nashville and visited the Hermitage, the home of Andrew Jackson. I had not realized that his

wife had been married before, and that his political opponents had made much of this "scandal" during his campaign for the presidency.

SO I bought the book by Irving Stone, President's Lady, and I've been reading it the past two weeks. Stone has a way of writing fiction based on historical fact that makes history very real.

It just deepens my appreciation for the brave folks that settled the territories; in this case, the Cumberland Valley. Jackson even served eight months as governor of Florida, right after we won it away from Spain. Maybe we should have left it to the Spaniards! Then they could be fighting bulls instead of playing football.

Oh, well, 1990 is here. There's always next year. Someone else can surely beat Miami, and Notre Dame, too!

**LADIES AID AND LWML**

St. John's Lutheran Ladies Aid and LWML of Wakefield met Friday afternoon with Lois Schlines and Wilma Bartels as hostesses. Twenty-three members answered roll call and Donna Roeber was a guest. Lois Schlines had devotions, entitled "The Care Kit," followed with the hymn, "What a Friend We Have in Jesus."

Lois Schlines, president, opened the business meeting with a reading, "You Will Never Be Sorry." Lila Barner gave the secretary's report and the treasurer's report was given by Edna Hansen. The 1990 yearbooks were given to members. Committee reports were given. The friendship and get well committee reported taking Christmas cheer boxes to the shut-ins of the congregation. Harriet Stolle reviewed the Leaguer and the Quarterly. Lutheran World Relief Sewing committee reported 108 quilts sent to LWR. Christmas gifts were given to two Wakefield Care Center residents. People in military service remembered with Christmas gifts were Sonja Portwood and Denis Puls.

The LWML executive board meeting will meet Jan. 30 at 1:30 p.m. at Immanuel Lutheran Church in Laurel.

January birthdays honored with the birthday song were Mabel Lubberstedt, Mary Alice Utecht, Elsie Roeber, Clara Mahoney and Pastor Bruce Schut. The anniversary song honored the January anniversaries of Imogene Samuelson, Lila Barner and the 50th anniversary of Viola Baker. A golden anniversary gift was presented to Viola and Kenneth by the Ladies Aid. Pastor Schut was remembered with a gift and cards for his birthday. The meeting closed with the LWML Pledge, the Lord's Prayer and the table prayer.

Guest speaker for the afternoon was Donna Roeber of Wakefield. She was the Wayne zone delegate to the International Lutheran Women's Missionary League convention held in Rapid City, S.D. last June. **RECTAL SUPPOSITORIES** — Medicines intended for rectal application are available as suppositories, creams, and solutions. Suppositories are generally given for three reasons: (1) it is not possible or practical to give medicines by mouth, such as when the person is vomiting or is unconscious, (2) a rapid absorption and systemic response from the medicine is needed, or (3) the intended site of action is in the rectal area itself. Medicines given rectally may act locally as in the case of creams administered for relief of hemorrhoids or suppositories used to evacuate the colon in cases of constipation. Other rectal suppository medicine ingredients are designed to be absorbed from the colon directly into the blood stream. Medicine ingredients are rapidly absorbed into the blood stream and carried to all parts of the body. Before inserting rectal suppositories, make certain that they are firm to the touch. If the suppository is too soft, hold it (in the foil wrapper) under cool water for a few minutes to allow it to harden. Lie on your left side if you are right handed. Remove the foil wrapper and gently insert the suppository (the pointed end first) into the rectum. Wait a few minutes to make certain the suppository is properly inserted.

# Brothers of the Brush contest underway

Winside's beard growing contest, being held in conjunction with the community's centennial celebration scheduled to take place July 20-22, kicked off Jan. 7 during a soup supper centennial fund raiser in the school multi-purpose room.

Proceeds from the soup supper totaled \$369.

**DAN WESTERHAUS**, Brothers of the Brush chairman, was on hand during the supper to read the official rules for the beard growing contest.

All adult males, ages 18 and over, are asked to register for the contest no later than Feb. 10 and obtain a Brothers of the Brush button or a shavers permit button. Westerhaus said violators in either category will be tried in the Winside kangaroo court.

**PRIZES WILL** be awarded to those competing with some type of facial attire in eight different categories — the fullest beard; the best trimmed beard; the most kissable beard; the best mustache; the blackest beard; the whitest beard; the reddest beard; and the ugliest beard. Colored beard categories must be grown without any color pigmentation.

Any resident caught without his button during the celebration (July 20-22) could or will be jailed in the Winside centennial kangaroo jailhouse which is presently under construction.

A fine will be appointed by the kangaroo court and must be paid by a friend or relative upon release.

Westerhaus added that a copy of all rules and regulations regarding the beard growing contest will be posted at five Winside businesses, along with buttons to purchase. Buttons may also be purchased from Westerhaus.

Judging of beards will take place on Saturday, July 21.

A MEETING of the Winside centennial committee was held following the soup supper. Those present approved a motion to organize a Sisters of the Swish contest and sell membership buttons.

The group also discussed cen-

# Otte achieves award for dedication to planting trees

Sanford K. Otte of Wayne was recently honored at the Lower Elkhorn Natural Resources District Annual Awards Banquet in Norfolk as the district's 1989 Outstanding Tree Planter.

Otte was selected for this award based on his excellence in tree planting for conservation purposes. This is the first year that this award has been presented by the Lower Elkhorn NRD.

In 1979 Otte planted five acres of trees, shrubs and native grasses for wildlife habitat. In nominating him, David Chain of the Soil Conservation Service office in Walthill said that Otte takes care of his trees and shrubs better than any other planting he has seen.

Otte said that his family had a grove when he was growing up which was a great place to see wildlife and to hunt. When it was dozed in the early 1970's, Otte hated to see it go so he eventually

started a new one and has continued to add to it — including 10 more acres in 1989.

Also honored at the Lower

Elkhorn NRD banquet were Junior and Emmy Pribnow of Scribner and Frankie and Darlene Charipars of Leigh as 1989 Conservation Honor

Farm Award winners. The Pribnows and Charipars were honored for their outstanding contributions to conservation.

Hoskins resident Pat Meierhenry has authored one of the most popular features in the Wayne Herald since the spring of 1983 when she wrote her first newspaper column and titled it The Farmer's Wife. The Farmer's Wife has continued during the past seven years to entertain and many times inform Wayne Herald readers as Pat shares, often with a sense of humor, her experiences as a nurse, as the wife of Melvin Meierhenry (The Big Farmer) and as the mother of four children (Sue, Jon, Kay and Ann), all of whom have graduated from high school since Pat began writing her column. Pat is also the mother-in-law to Monte, husband of Sue, and Kristi, wife of Jon. As a columnist for The Wayne Herald, Pat says she enjoys receiving letters from subscribers in other states and meeting folks who say they read her column. "These make the sessions at the kitchen table worthwhile," says Pat, who also enjoys music and books.

## Some Of The Places We Illuminate Best Are Nebraska Communities.

At NPPD, we do more than supply power to Nebraska communities. We illuminate the advantages of living and working in Nebraska cities.

We publish detailed studies on Nebraska cities to give prospective businesses and others important information about a city's location, population, economy, and quality of life. These award-winning fact books also contain information on a community's transportation access, electrical service, manufacturing base, taxes, work force, schools, churches, local government, and more.

To learn more about our fact books and other economic development programs, contact the Area Development Department of the Nebraska Public Power District, 1-800-282-NPPD.

**JONES INTERCABLE WANTS YOU TO KNOW THE FACTS**

Jones Intercable provides you with a wide selection of programs 24 hours a day. The programming we bring you comes from a variety of sources—cable networks delivered by satellite, as well as local, national, and out-of-town broadcast channels.

The Federal Communications Commission's new rules on syndicated exclusivity and network non-duplication may force us to black out some television programs on out-of-town TV stations beginning January 1, 1990.

In some cases, we will simply black out the program and place a message on your screen. Or, if possible, we will provide substitute programming.

As always, our goal will be to fully comply with the law while providing you with the best programming on cable TV.

We apologize for any inconvenience these legal obligations may cause you and we thank you for watching Jones Intercable.
