

Four file

WAYNE - According to the Wayne County Clerk's office, four incumbents have filed for election.

According to Wayne County Clerk Orgetta Morris, Mike Karel filed to remain a member of the noxious weed control authority and Kenneth R. Liska filed to remain a member of school board district 17. Both announcing their intentions to remain on the Wayne City Airport Authority were Stanley Morris and David Ley.

Deadline for incumbent filings is March 1 and non-incumbent filing is March 13. Elections will be held in November.

Art exhibit

WAYNE-An exhibition of drawings and paintings by Lincoln artist Martha Horvay will be on display Jan. 22-Feb. 9 in the Nordstrand Visual Arts Gallery located in the Peterson Fine Arts Building at Wayne State College.

The public is invited to attend the artist's opening Monday, Jan. 22, from 7 to 8:30 p.m. in the Nordstrand Visual Arts Gallery. Regular gallery hours are 9 a.m. to 5 p.m., Monday through Friday.

Horvay, associate professor of art at the University of Nebraska at Lincoln, teaches design in the art department's foundation program. In her works, which suggest highly stylized machine-made objects, she utilizes the drafting tools, techniques and systems of perspective shared among industrial and architectural draftsmen.

Working in concert with paintings, Horvay includes several drawings in the show which employ a shallow type of space, intricate pattern and suggest an imagery reminiscent of ancient tribal cultures.

Chairs selected

AREA - The American Heart Association has selected its residential chairpersons for the 1990 campaign, it was announced recently.

Barb Leapley is the residential chair for the Winside campaign and Rick Bussey will handle the Hoskins campaign. John Williams will chair the Carroll campaign.

The three volunteers will direct their town's volunteer efforts to educate their neighbors about the impact of cardiovascular disease and stroke. Volunteers will also request contributions from individuals at their homes in support of AHA's research, public and professional education and community service programs.

The door-to-door campaign will continue through the month of February.

Youth chosen

WAYNE - Thirty-nine high school seniors have been admitted into the honors program at the University of Nebraska - Lincoln for the 1990-91 school year.

Among those students selected is Kevin Heier of Wayne.

Patrice Berger, director of the Honors Program, said the students were admitted after applying for the program by the early notification deadline. Students will continue to be accepted for the program. The next deadline is March 1.

The UNL University Honors Program provides students of proven ability and a distinguished academic record with a challenging academic experience in college. Students are selected for participation in the program on the basis of formal application that includes high school records, standardized test scores, recommendations from teachers and counselors and an essay.

Church offers support group

Children going through separation, divorce or the loss of a loved one now have somewhere to turn to thanks in part to the Family Ministry Program through the Catholic Church, according to Clif Ginn, Family Ministry director.

Ginn said the Catholic Church will be offering the program *Rainbows for All God's Children* for all families in the Wayne community

with children who have suffered the loss of a parent due to death, separation or divorce. The program, Ginn said, is geared to help all children cope with the problem with the loss of a loved one. He said the program is geared for Catholics and non-Catholics alike and all are invited.

"We're offering this to the community not just for Catholics but for non-Catholics as well," he said. "We figured since we were

going to do this within the church, we might as well open it up to the community. The program is a very

Flu starting to make its way toward Wayne

By Mark Crist
Managing Editor

The flu bug which has shut down Pierce apparently hasn't shown its ugly face in Wayne yet — but that's not to say there haven't been some reports of it, according to area health officials.

If you aren't familiar with what the virus, which is believed to be a strain of the Shanghai flu, did in Pierce, it became so widespread that the schools had to cancel classes Thursday due to the epidemic. Other areas of the state have also been hit hard by the bug as it has reached epidemic proportions. So far, however, according to Providence Medical Center administrator Marci Thomas, not many cases have required hospitalization.

"Patient numbers were up recently, but I really don't know exactly how many were related to the flu bug," Thomas said. "When we were going so terribly strong we weren't so busy (with the flu) but this past week we've picked up with respiratory problems rather than gastro-intestinal."

Thomas said the age range of people being admitted has been between 40 and 80 years of age. She said this most recent surge of inpatients have not been that young.

DOCTORS, HOWEVER, warn that victims of the flu virus must be careful of its symptoms and try to drink lots of fluids as well as get a lot of bedrest.

"In the last three days there's been an upsurge of it," according

to physicians assistant Gary West of the Benthack Clinic in Wayne. "I think we've seen more symptoms of it in the last few days than in the last few weeks."

West continued to say that patients have complained about a variety of symptoms. He said initially, the virus starts with headaches, fever and cough and can include chest pain as well as overall discomfort. He said if not treated, the strain seems to advance to a bronchitis disorder which is the inflammation of the bronchial tubes.

THE GOOD NEWS, West said is that they have not had to hospitalize many patients with it yet because they've come in for treatment early enough. He said most have been taken care of on an outpatient basis. He added, too, that patients have been coming in on average three days after having the first symptoms.

"It's been very individualized," he said. "Generally people who have waited have gone three days. I think it's an epidemic at this point because there have been a number of students reported absent from school and some people missing work with it, so I would say it's at an epidemic rate."

West said the best thing people who get it can do is get bedrest and drink plenty of fluids. He said if analgesics help ease the discomfort, they can be taken according to directions. He said if symptoms persist or worsen after three days, it's time to see a doctor.

Bennett reaches prime age: 102

ALLEN - Joe Bennett said he was planning to have his dog help him blow out his candles for his birthday.

But then again he probably has a right to look for an extra puff on this year's birthday since he was 102-years-old on Friday, Jan. 19.

After living through over a century of history, the former-state employee probably wouldn't be short of help since many of his friends from his working days gathered at his residence in Allen to celebrate all those years of life.

"He was the first guy I ever worked with who was always on the run," said Boyd Sutton of Laurel. "I was used to working hard since I was from the farm but working for Joe was a different story. He was a good guy to have for a foreman but when we worked together it was all done by hand — we had no machines to help us work. We did everything by hand."

BENNETT SAID that his secret to longevity since he's been alive longer than Allen's been a town.

"You just have to keep going, that's all," he said.

Bennett began working for the state of Nebraska on April 1, 1934 and after 27 years, he retired over 27 years later in 1961. His friends said he always kept them on the go.

"Yea, he'd tell us 'cmon boys, let's get going,'" said Gayle Carmen. "That's just the way he was."

Bennett was born in 1888 in Vedigre, Neb., which is located close to Niobrara. He moved to

Allen in 1908 when he was 20 because he "just wanted to get away." He married in 1910, according to his only child Sylvia Whitford, with whom he lives, and his wife died in December, 1928.

BUT DESPITE having been alive 102 years, his daughter said their doctor says Bennett's in fine health. She said following a recent doctors' appointment that his heart's in good shape and he doesn't have high blood pressure.

"One says this and another says somethin' else," Bennett joked.

But his friends who celebrated his birthday with him say they remember all the good he did for them. They said he worked them hard, but they respect him for the things he did for them. One recalled with Bennett how, years after his retirement, he flagged off an offer for a ride home from the post office about two years ago.

"One man wanted to give him a ride about three years ago when he went to get the mail," Carmen said. "But he said 'heck no, I'm in a hurry. Do-ya remember that Joe?'"

"Yea, I remember that," Bennett said. "I just wanted to do it myself."

Bennett, who was also the oldest of 10 children, said he still has five sisters and a brother who live in the South Dakota-Iowa-Nebraska area. He said he also recently became a member of the United Methodist Church in Allen.

Over the recent few years, however, Bennett admits he's slowed down a little bit.

"At my age, I have a right to sit back and rest," he joked.

WSC cites students

WAYNE - The registrar at Wayne State College has released the names of students who have earned honor roll status during the first semester of the 1989-90 academic year at Wayne State.

Among those selections are several of the area's students enrolled at Wayne State. The registrar office lists one Allen student, three from Carroll, one from Concord, four from Laurel, three from Winside and 23 from Wayne as being honor roll students.

Students from Winside include: Timothy Jacobsen, Kerri Leighton

and Mary Brugger. Honor roll students from Laurel include: Laurie Johnson, Dawn Hirschman, Michelle Dietrich and Rhonda Bloom. Carroll's honor students include Linda Moser, Brenda Janke and Joseph Finn. From Allen is Melissa Martinson and from Concord is Kenneth Ficus.

Kiwanians celebrate 75th birthday

WAYNE - The Wayne Kiwanis members will mark Kiwanis International's 75th birthday during Kiwanis Anniversary week, Jan. 21-27, according to Jim Markham, president of the Wayne Kiwanis Club.

The club will celebrate by having a birthday party with past lieutenant governors presenting the program on what Kiwanis means to them.

The first Kiwanis club was chartered on Jan. 21, 1915 in Detroit, Mich. Today, Kiwanis has grown to number 8,500 clubs and 320,000 members in 73 nations around the world. Clubs sponsor community service projects and raise funds to meet local needs.

Local Kiwanis service projects include School Honors Banquet, Special Olympics, Circus, Chicken Day Omelet Feed, Youth Golf and

scholarship awards. Las year, Kiwanis clubs around the world raised and spent more than \$65 million on community service activities, with a special emphasis on meeting the needs of underprivileged children. Kiwanis

members also donated more than 22 million volunteer hours to these service activities. With this money and volunteer time, Kiwanis clubs conducted a total of 127,000 projects to meet community needs.

City honors Kiwanis with proclamation on birthday

WAYNE - The City of Wayne recently proclaimed the week of Jan. 21-27 as *Kiwanis Week* in Wayne. The proclamation was signed by city council President Larry Johnson and city clerk Carol Brummond to honor Kiwanis International on its 75th anniversary.

According to the procla-

mation, there are 75 Kiwanis members in Wayne and it is deemed fitting that the members of the organization be recognized for their service they provide worldwide as well as in Wayne.

Kiwanis will celebrate its 75th anniversary on Jan. 21, 1990.

3 M's Home Extension Club establishes goals for 1990

The first meeting of 1990 for the 3 M's Home Extension Club was held Jan. 15 in the home of Mrs. Melvin Utecht. Goals for the new club year are to uphold the county goals as outlined by the county home extension council, eat nutritious food, and include exercise in daily schedules. The goals emphasize the thrust, "Health — Challenge of the Future in 1990 and 1991," which was chosen by the Nebraska Council of Home Extension Clubs.

EIGHT MEMBERS attended the January club meeting which was conducted by President Mrs. Bob Porter. The meeting opened with the reading of what home extension has to offer its members. Roll call was answered with a fa-

Nutritious, delicious soup
Imagine a steaming bowl of soup on a chilly winter day. No wonder January is National Soup Month. The appeal of a simmering pot of soup on a cold winter day is irresistible. A pot of soup can be a quick, nutritious and economical menu item. To speed up soup preparation use frozen or canned vegetables and make use of labor savers like your crock pot. Combinations of beans and rice can provide a soup rich in protein without breaking your budget. Most importantly, paying attention to a few details can make your soup a pot of good nutrition. Based on the Surgeon General's report on nutrition and health, Americans are encouraged to reduce fat and cholesterol intake, maintain an ideal body weight, increase the amount of complex carbohydrates and fiber in the diet and reduce sodium intake. Modifying recipes can produce these desired results.

REDUCED FAT AND cholesterol is one of the current buzz words in the food industry. Choose foods low in these substances, such as vegetables, fruits, whole grain foods, fish, poultry, lean meats and low-fat dairy products. Use food preparation methods that add little or no fat. Notice the small amount of cooking oil used in the Minestrone recipe that follows. To achieve and maintain a desirable body weight you need to balance energy intake or calories with energy expenditure or exercise. Limit consumption of foods relatively high in calories, fats and sugars. The soup recipe to follow has only 192 calories per one cup serving. Increase consumption of whole grain foods and cereal products, vegetables (including dried beans and peas), and fruits. Adding these foods to your diet will increase the amount of fiber and complex carbohydrates. The soluble fiber found in oat bran that may lead to reduction of cholesterol levels can also be found in dried beans and peas. Using canned beans can be a time saver or you can use dried beans if you want to economize. The Minestrone soup contains kidney beans, a source of soluble fiber.

YOU CAN REDUCE your intake of sodium by choosing foods relatively low in sodium and limiting the amount of salt added in food preparation and at the table. The recipe that follows includes no added salt. Salt can be added to taste at the table. The crackers that accompany soup are sometimes high in sodium and can provide the salty taste to your meal. Using frozen vegetables and canned foods without salt makes this soup only 115 mg of sodium per one cup serving. Enjoy National Soup Month with a bowl of Minestrone — nutritious and delicious.

Minestrone soup
1/2 onion, chopped
1 small potato, cubed
1 small carrot, sliced
1 teaspoon oil
2 cups water
1/2 teaspoon oregano
1/2 teaspoon basil (optional)
1/8 teaspoon garlic powder
pinch of pepper
1/2 cup green beans
1/2 cup frozen peas
1 cup cooked kidney beans
1 cup canned tomatoes
1 1/2 cups uncooked elbow macaroni
Fry onion, potato and carrot in oil until onion is golden brown and soft. Add water, oregano, basil, garlic powder, salt and pepper. Simmer for 15 minutes. Add green beans and peas and simmer for 10 more minutes. Add beans, tomatoes and macaroni. Boil 12 to 15 more minutes until macaroni is just cooked. Makes four servings, about 1 cup each.

Selects county fair special awards

Extension council adopts 1990 goals

The Wayne County Home Extension Council met Jan. 15 in the Wayne County Courthouse meeting room and adopted goals for 1990.

Council goals for the new year include promoting highway beautification projects with wild flower plantings and picking up litter from roadsides; encouraging clubs to use the study lessons "Evaluating Nursing Home and Medigap Insurance" and "Mistreatment of Older Adults — Everybody's Problem"; having clubs or individuals visit, tour or volunteer at a nursing home to become acquainted with the aging process; to increase membership by the fall achievement program; to promote convention attendance (June 13-15 in Columbus); and to encourage people to exhibit at the county fair.

Awards that home extension clubs may earn are for exhibiting at the Wayne County Fair; attending the Spring Event; and for new members joining the home extension organization.

COUNCIL MEMBERS also selected special awards for the 1990 Wayne County Fair to be held Aug. 2-5.

Special awards in the adult division include food — best overall rhubarb jelly, jam or butter and any type of homemade dinner mints; vegetables — potatoes (5) any variety and red tomatoes (5) slicer variety; flowers — tiger lily and outdoor hanging plant; crafts — any knitted item and best adult

rudimentary sort of thing - it's a beginning sort of thing. It's designed to help the kids.

A parents information night will be held Tuesday, Jan. 30 at 7:30 p.m. in the basement of the Catholic church. Ginn said at that meeting, parents will be given a videotape presentation on what the program is and how it operates. He said following the tape, he will be open for questions from parents who attend. If enough interest is shown, officials have plans to get the program started the week of Feb. 19. Ginn said he would like to have any RSVPs by Jan. 31.

"We will show a short 15-minute video on the program for parents. The video interviews the lady who founded the program and the people who put it together in an effort to educate parents what it's about," Ginn said.

The program, which was started last year in Norfolk, Neb. and Sioux City, Iowa, has been successful at those locations. Ginn added that a similar program has been done through schools in New Jersey for children of single parents.

He said once children are enrolled in the program, an adult facilitator who has gone through training, will conduct the activity sessions. Ginn said the program in Wayne is geared primarily for chil-

dren ages six through 18. He said once enrolled, children will be placed in separate therapy groups, which will help them cope. He added that the facilitators are trained to keep any information within the sessions confidential.

"The program is a support group and the facilitators are not counselors," Ginn said. "The program is geared to help children cope with loss."

She was preceded in death by her husband, parents, one brother and two sisters.

Cocaine problem not recent

Cocaine, and the physical, moral and societal dangers inherent in its use, have been the subject of recent news stories, magazine articles, television programs and movies. But the 1980s aren't the first time cocaine has been a problem. In 1907, cocaine traffic and related crime prompted the Omaha city attorney to declare his own "war on drugs." And the dope dealers he fingered weren't kids on the streets, but allegedly respectable members of the business community.

"The wanton murder of Anton Kaspar, supposedly by a cocaine fiend, and the multiplicity of minor crimes traceable to the drug habit have inspired City Prosecutor Daniel to an effort at checking the distressing increase of this dangerous traffic in which certain drug stores in the shadowy section of Omaha engage upon such large lines.

"A case in police court Wednesday prompted immediate action. Ed Bextel, proprietor of the drug store at Twelfth and Dodge streets, was arrested on a complaint sworn by Daniel Wednesday morning. Police court was continued until long after the usual hour in order that the druggist might be taken into court and arraigned immediately.

By the Nebraska State Historical Society

"The case which drove Prosecutor Daniel to take the action and Judge Crawford to prolong the court session was that of George Williams, who was arrested at 3 o'clock in the morning by Patrolman Lahey as a suspicious character. Williams told Judge Crawford his desire for the "coke" was so great he was obliged to leave his home at 2606 Jefferson Street, South Omaha, and, as no cars were running, walk the six miles to Omaha in order to buy 5 cents' worth of the stuff. He said he bought it at Bextel's store.

"After the close of court Williams was given his empty

"coke" box and sent to Bextel's store with two witnesses, who saw him hand the box over the counter with 10 cents and have it returned to him filled without a word being said. The same performance was gone through with at Frank W. Fogg's store at Twelfth Street and Capitol Avenue and he will be included in the crusade against the evil in Omaha. Several attempts have been made in the past to have slaves of the drug turn witnesses, but none of them would jeopardize his chances of being provided when the desire should come on." — Omaha Evening Bee, 6-12-07.

Tillage meetings dates announced

AREA - More than 30 topics will be covered under six major categories during a series of 15 Conservation Tillage Area meetings sponsored by the University of Nebraska Cooperative Extension during January, February and March around Nebraska.

Elbert Dickey, NU agricultural engineer-conservation tillage, who is coordinating the meetings, said program content will vary at each location to meet the needs of crop producers in a given locality. The six subjects are Systems and Management, Residue and Erosion, Equipment, Weed Control and Pesticide Application, Fertilizer Management and Variety Performance, Insects and Disease Concerns.

"The purpose of the meetings is to provide practical information for the implementation and management of no-till, ridge till and other conservation tillage systems being adopted to help reduce soil erosion," Dickey said.

Although no meeting is planned in Wayne, there is one scheduled for Feb. 6 at the Wheel Inn in Jackson (morning) and the Newcastle fire hall in the afternoon of Feb. 6. There is also a meeting planned for West Point in the city auditorium in the afternoon of March 1.

Wayne wrestlers notch fifth dual win of season

The Wayne wrestling team flexed their muscles Thursday night to the tune of a 42-16 dual victory over Wisner-Pilger, a very good Class C wrestling team. Wayne, now 5-0 in duals, climbed into the Omaha World Herald wrestling ratings at the number eight spot last week.

There were several good matches in the varsity portion of the dual but none equalled the excitement level generated by the Jason Ehrhardt-Chris Liermann match at 189 lbs. Ehrhardt had defeated Liermann in two previous matches this year but Liermann appeared to be very focused to handle Ehrhardt this time around.

The match was close throughout as Ehrhardt jumped out to a 2-0 lead on a take down but his lead was short lived as Liermann responded with a reversal of his to tie the score at two each after the first two minute period. In the second period Liermann recorded another reversal and was up 4-2 heading into the final two minute stanza.

Ehrhardt managed to get an escape worth one point, mid way through the third period to make the score 4-3 in favor of Liermann. The score stayed that way nearly the rest of the way. It appeared that Ehrhardt notched a take down with 10 seconds left but both wrestlers tumbled out of bounds so there was no scoring by either wrestler.

Ehrhardt knew he had to score on a reversal in the last ten seconds, but Liermann also knew that and he wasn't allowing Ehrhardt anything. With three seconds left both wrestlers went out of bounds again. It was now or never for Ehrhardt with three seconds left in the match.

As the whistle sounded to begin the final three seconds Ehrhardt picked up Liermann and put him on his back and scored the reversal to win the match at the buzzer.

Wayne recorded four pins on the night with Randy Johnson, Trevor Wehrer, Chris Janke and Matt Bruggeman earning the honors. The Blue Devils did not have one wrestler pinned by Wisner-Pilger and they had several grapplers in the top six of their respective weight classes in Class C.

"It was a nice win for us," Murtaugh said. "There is no question that as a team we can wrestle better. Some of our kids wrestled well and some of them were a little sluggish. This is something we need to improve on for districts."

Brian Gamble started the evening out for Wayne in the 135 lb. reserve match and Gamble won easily, 16-4. Bryan Ruhr lost 7-0 in his 152 lb. reserve match and Ryan Harris lost by pin in his 171 lb. reserve match. Dwaine Junck, however, won by pin in his 171 lb. reserve match.

Randy Johnson started the varsity dual out on a good note as he pinned 103 lb. Curt Lantz in 3:32 to give Wayne a quick 6-0 lead. The Blue Devils upped that lead to 18-0 with forfeits received by Brent Gamble and Mike DeNaeyer at 112 and 119 lbs. respectively.

Trevor Wehrer pinned Brian Baer in 1:00 of their match and Wayne was on their way to their fifth dual win of the year with no losses as they built a 24-0 lead. Eric Cole found the going a little more difficult in his 12-5 loss to Chad Raasch.

Chris Janke needed just 55 seconds to pin Jeff Pohlmeier as he continues his eventual quest of reaching the state tournament. Greg DeNaeyer wrestled the number two rated wrestler in the state in Class C in Joel Ott and DeNaeyer wrestled well despite losing 2-0.

Jason Fink was decided by a 15-1 count to Kory Koehlmoos at 145 lbs. Jesse Brodersen has been one of Wayne's success stories of late and he didn't do anything to spoil that success as he defeated Robert Ringer, 5-2 in the 152 lb match.

Cory Wieseler was decided 5-3 by Tim Buderus at 160 lbs., while Dan Wiseman lost a 7-2 decision in his first varsity match to highly rated Randy Kramer. Ehrhardt as already mentioned decided Chris Liermann, 5-4 and in the heavy weight category, Matt Bruggeman returned to the mat after a short injury lay off and he disposed of Doug Liermann in 1:15.

"I was really pleased with the effort of Dan Wiseman," Murtaugh said. "It was his first varsity match and he wrestled very tough against a quality wrestler. I also felt that Randy Johnson did a good job in opening the dual with a pin. Finally, it was great to see Matt Bruggeman wrestling again."

Incidentally, it was set a record night for attendance at Wayne and the area folks did a great job in establishing a new attendance for wrestling at Wayne with 387 people. It was also parent's night for the grapplers and the parents were honored before the varsity dual took place.

WAYNE'S HEAVYWEIGHT wrestler Matt Bruggeman returned to the mat Thursday night after a brief absence to nurse a bad elbow. Bruggeman made the most of his return by pinning his Wisner-Pilger opponent in just over a minute into the match. Wayne easily defeated the Gators by a 42-16 margin as four Wayne wrestlers recorded pins on the night. Thursday was also Parent's Night and set a record for attendance night.

ONE OF THE most pleasant surprises in the last few weeks for the Blue Devils is the wrestling of 152 lb. Jesse Brodersen. Brodersen won another match Thursday night by deciding Robert Ringer by a 5-2 count. Wayne wrestling coach John Murtaugh was pleased with the Blue Devil win but feels his team can wrestle even better than they showed the home folks against Wisner.

CHRIS JANKE made short work of his opponent Thursday night by notching a pin in 55 seconds.

Laurel girls win

The Laurel girls basketball team got back on the winning track last Tuesday with a 44-38 victory over Hartington in Hartington. Things did not start off so well for the Lady Bears however, as Hartington under the quality play of Jill Herbolsheimer led 17-9 after the first period.

Bad news then struck for the host team as Herbolsheimer re-injured a knee and was forced out of the game. The game was just into the second quarter and Hartington had a 21-16 lead with Herbolsheimer scoring 18 points.

"The biggest story line had to be Herbolsheimer's injury," Laurel coach Mike Zimmerman said. "We just kind of took over after that." Hartington had scored 17 points in the first quarter and in the final three quarters they scored a combined total of 19 points.

Laurel had gained the lead at 25-23 at intermission. Heather Thomas led all Bear scorers with 18 points while Bree Bebee poured in 10. Amy Adkins netted seven points and Amy Newton scored four. Sherri McCorkindale finished with two as did Sherri Hangman while Tina Granquist managed one.

Wayne upends Cedar Catholic

Wayne boys head coach Bob Uhing said last week that based on talent, his Wayne kids could win the rest of the games on their schedule but it didn't show up mentally ready to play the game they could still lose a bunch.

Friday night in Hartington, the Blue Devils stepped up to the echelon that Uhing was referring to as Wayne defeated the fourth rated team in Class C-1 rather easily, 71-60.

"The story line was that we came ready to play," Uhing said. "We got good balance from our players and everyone contributed in their own way. It was just a good overall team performance."

The Blue Devils held the narrowest of leads after one quarter of play at 17-16 but Wayne out scored Cedar 22-14 in the second quarter to take a nine point lead into the locker room at the break.

Wayne's defense continued as they held the highly prolific Cedar Catholic team to just eight third quarter points as Wayne built their lead to 15 points at 53-38.

Uhing noted that Craig Sharpe played a very good game considering he didn't practice all week because he was out with the flu. "Craig showed a lot of determination by playing as hard as he did considering he didn't practice all week," Uhing said. "We also got some very quality play from Jeff Griesch and the Dyer's, (Casey and Craig)."

Willy Gross and Neil Carnes also had fine games as Uhing noted it was everyone contributing to the win. Willy Gross led the Blue Devils with 22 points while Neil Carnes poured in 15 and Jeff Griesch, 10. Craig Sharpe netted eight points and Kyle Dahl and Craig Dyer had six each. Casey Dyer rounded out the attack with four points.

The Blue Devils did get out rebounded by four, 27-23 despite Neil Carnes' effort of eight caroms. Wayne committed 16 turn overs in the contest while Cedar was guilty of just 12. Wayne hit 15 of its 26 free throw attempts and Cedar connected on 12 of its 21 attempts from the charity stripe.

"One thing we have to improve on is putting a team away," Uhing said. "We had about a 19 point lead late in the fourth quarter but they scored a couple quick buckets and cut into our lead with very little time remaining."

In the junior varsity game Wayne, under a barrage of strange events won the game 58-57. Apparently with the score tied and one second remaining on the clock, Cedar called time out. The only problem was they didn't have any time outs left and thus a technical foul was called. Brian Lentz then stepped to the line and connected on the technical foul shot. Wayne was given the ball after the technical with one second left and all they did was throw it in bounds and the game was over.

WAKEFIELD'S TONY Krusemark had a remarkable game against Wynot Friday night, scoring 27 points and hauling down 15 rebounds to lead Wakefield in victory.

Trojans handily defeat Wynot

It was billed to be a clash of two titans in Wakefield Friday night as the Trojans, who had lost just one time this year and that on a last second desperation shot by Rocky Bullock of Stanton, squared off against undefeated and 10-0, Wynot. Wynot incidentally, came into the contest as the eighth rated team in D-1.

What it turned into was an old fashioned route as Wakefield totally dominated the Blue Devils from Wynot to the tune of 78-52. Wynot's only lead of the game was at 6-4.

After leading 24-17 after one quarter of play Wynot did manage to close the gap to 28-26 with still over six minutes remaining in the second quarter but Wakefield then went on a 13-2 run to lead 41-28 after two quarters.

The Trojans came out on fire in the third quarter and they quickly put the game out of reach, leading by as many as 28 in the early part of the fourth quarter.

"I really felt our transition game

was better than Wynot's," assistant basketball coach Arnie Cerny said. "This was a big win for us because last year we had defeated them in Wynot and then lost to them in the Lewis & Clark Tournament in Wausa."

Tony Krusemark had a phenomenal game for the Trojans, scoring 27 points to lead all Wakefield scorers. Krusemark also led all Trojan rebounders with 15 caroms to his credit and several of those were offensive.

Andy McQuistan and Mark Johnson were also in double figures with 13 and 11 points respectively while Matt Tappe and Chris Loofe finished with seven points apiece. Anthony Brown finished with six points while Matt Krusemark netted four. Jon Johnson and Marcus Tappe rounded out the attack with two and one point respectively.

Wakefield led on the boards 39-27 but suffered four more turn overs, 20-16. The Trojans will host Ponca on Monday before traveling to play Laurel on Friday.

Bears down Bees

"It wasn't pretty but it was a win," Laurel coach Mark Hrabik said Friday night after his squad escaped the friendly confines of their own gym with a 71-66 victory over a scrappy Bloomfield team.

"We were up by 10 points with five seconds left in the game when Bloomfield hit a three point bucket and one of our players was hit with a technical foul and they hit the free throws," Hrabik said. "We didn't play all that well but we managed to get a win and that's what counts."

Laurel, now 10-2 got 24 points from senior point guard Todd Erwin and 12 points from John Schutte to lead the Bears. Troy Twohig was also in double figures with 10. Chad Vanclave managed nine points while Matt Felber scored eight. Matt Jonas and Shawn Arens each finished with four points.

"John was held below his average," Hrabik said. "But the other guys picked up the slack. Todd Erwin hit two 3-pointers in the fourth

quarter and Matt Felber hit two 3-pointers in the third quarter which really sparked our team."

Laurel maintained a four point lead at the intermission at 34-30 but Bloomfield had managed to trim the lead to two points after three quarters of play.

Laurel out rebounded the Bloomfield Bees by a 37-30 margin in a well balanced attack on the boards. Troy Twohig led the Bears with eight caroms while John Schutte, Chad Vanclave and Shawn Arens all managed seven rebounds each.

"We did have to make many turn overs," Hrabik said as his Bears finished with 19 while Bloomfield had 15. Laurel connected on 23 of its 34 foul shots while Bloomfield was just 13 of 29 from the charity stripe.

"Bloomfield really caused us some problems with their aggressiveness and double teaming," Hrabik said.

Winside teams struggle at Wausa

Both the Winside girls and boys basketball teams struggled in Wausa Friday night with Paul Giessemann's girls team losing in a very low scoring contest, 34-31 while Randy Geier's boys teams fell 79-52.

The Winside girls trailed 10-9 after the first quarter of play but they managed just seven second quarter points and trailed 19-16 at the break. Wausa again out scored the Wildcats in the third quarter and led by five points heading into the final eight minute stanza.

"We probably played our worst game of the season," Giessemann said. "We got out rebounded by a good margin and we just couldn't get the ball to go into the hole on offense."

Any come back attempt by Winside in the final period was thwarted by turn overs as the

Wildcats suffered seven in the fourth quarter alone. "We only had 13 turn overs for the game but seven came in the last eight minutes," Giessemann said.

Jenny Jacobsen led the Wildcats in scoring with 14 of Winside's total of 31 points. Doree Brogren came off the bench to score seven while Jenny Topp finished with four. Kelly Pichler netted three points in the contest and April Thies and Tina Hartmann rounded out the attack with two and one point respectively.

Winside was out rebounded 45-37. They were led by Kelly Pichler and Doree Brogren with six boards each while Wendy Rabbe hauled down five. "We shot 25 percent from the field," Giessemann said. "We not only missed jump shots but we were missing easy lay ups." Winside will travel to play Hart-

ington on Thursday night in a girl-boy double header.

In the boys game the Wildcats were out gunned from the onset as Wausa built a 22-10 lead after the first period and never looked back as Winside fell to 0-10 on the season.

"Wausa has only one senior," Geier said. "They have a pretty good team right now but I think next year they will be really good." Winside trailed 46-28 at the intermission. Randy Prince led all Winside scorers with 23 points but the senior big man also hauled down a game high 14 rebounds in a losing cause.

Mark Brugger was the only other Winside player in double figures with 10 points. Incidentally, it was Brugger's first game since December, when he under went surgery on his knee. "It was nice to

get Mark back," Geier said. "We had to rest him quite a bit but he still managed to score 10 points and haul down seven rebounds for us."

Cory Jensen added six points for Winside while James Painter and John Hancock poured in four each. As a team Winside was out rebounded by a 54-42 margin.

Geier said his kids played hard despite the loss and they are not giving up despite their dismal record.

Because adult education classes are partially supported by registration fees, we must reserve the right to withdraw a class offering if enrollment is not adequate. This will be done, however, only after those who do register are given the opportunity to continue the course in such cases for a slightly higher fee or for fewer sessions.
Junior and senior high students may attend by permission only. Registration not complete until all charges paid. Fees will be collected the first evening of classes. Please pay all fees by check made payable to Northeast Community College. Persons enrolling may call the High School between 8:30 a.m. - 4:00 p.m. daily, Monday - Friday. Persons may enroll at the first session if pre-registration numbers are sufficient to have the class.

MUSEUM COMMITTEE

Seven members of the Winside museum committee met Monday at the museum. Bill Burris, president, presided. Ruby Ritze gave the secretary report and Pat Burris, the treasurer's report. The museum received \$135 in donations and memorials for the month.

Members are currently working on a railroad and depot display which should be completed by the July centennial. Plans are to have the museum and church open from 1-3 p.m. on all three days of the centennial with a gospel sing planned in the Theophilus church the evening of July 22.

A centennial clothing "trunk showing" will be held at the museum on Monday, April 16 from 3-8 p.m. for those wanting to look at, try on and possibly rent clothing.

Items received and accepted for the museum include a 100 year old wedding suit, 2 dresses, a 1930's grasshopper eaten shirt, a gravy scooper, a U.S. Bi-Centennial poster, Winside band uniform and hat, German Bible, confirmation picture from Theophilus Church, drill bit holder, cow bell, milk bottles and an Indian tomahawk. It was decided to hold the museum dedication in June alone with an ice cream social, instead of during the centennial. Members will be checking into guest speakers.

Members dues are due. Anyone who would like to become a member of the Winside museum committee and the Wayne County Historical Society are welcome to attend the next meeting on Monday, Feb. 19 at 7:30 p.m.

TRINITY ANNUAL MEETING

The annual meeting of the Trin-

ity Lutheran Church congregation was held Jan. 12 following a soup dinner, sponsored by the senior youth group. Council elections were held with Mike Thompson re-elected for another three year term and Randall Jacobsen elected for a new three year term.

Northeast Conference Assembly will be held Feb. 25 at Plainview. A special Synod Assembly will be held March 3 to elect a Nebraska Synod Bishop. Delegates are needed for the Nebraska Synod Assembly in Lincoln May 31-June 2.

The proposed budget for 1990 was examined and accepted.

Following the annual meeting, the church council held a special meeting to elect officers for the year. They are Randall Jacobsen, president; Warren Gallop, vice president; Arlene Pfeiffer, secretary; and Mike Thompson, treasurer.

The church council is sponsoring a congregation chili and soup feed on Feb. 11 after church. Donations of pies or bars from the congregation will be welcome. There will be senior choir practice Wednesday, Jan. 24 at 7:30 p.m.

SUMMER RECREATION

Eleven parents attended the Jan. 12 summer recreation meeting held at the high school. Randy Miller, president, conducted the meeting. Teri Bowers gave the secretary-treasurer report.

Winside students selected for Plainsman Honor Band

Winside High School students Kimberly Cherry, a junior, and Jennifer Puls, a sophomore, have been selected to participate in the Nebraska Wesleyan University Plainsman Honor Band and Honor Choir on Feb. 8-10.

This is the second year Kimberly has been selected to participate. Both girls play the flute.

They were among over 300 students from more than 60 high schools competing for 90 band positions. Auditions were conducted through audio tapes.

Kim is the daughter of Mr. and Mrs. Marvin Cherry of Winside and Jennifer is the daughter of Mr. and Mrs. Dallas Puls of rural Hoskins.

Medicare program starts info areas

Last summer I asked Dr. Leo Lucas, Director of the Nebraska Cooperative Extension Service, to put into place an outreach program for Medicare recipients that would provide information and counseling about Medicare programs and about privately available Medicare supplemental insurance policies. The Extension Service now has advised me that York, Seward, Fillmore and Polk Counties will be the first areas in Nebraska to participate in a Medicare/Medicaid Assistance Program.

The first of several training workshops for local volunteers under the Medicare/Medicaid Assistance Program were held last week. These workshops will help trained volunteers to provide assistance to Medicare recipients needing the service in the four county area. The York County Extension Service is working with the American Association of Retired Persons and the York County Aging Services to implement the program. Volunteers are being trained to assist people with the processing and filing of Medicare Part A and B claims, in sharing Medicaid eligibility information, and in providing information on how to analyze private health insurance options. The Extension Service also is planning to hold training sessions in Norfolk and North Platte sometime in May of this year.

I am pleased that this outreach

program is now becoming available for Medicare recipients. My staff and I have handled hundreds of health insurance cases indicating the need for this service.

Immigration service announces national poster contest

The United States Immigration and Naturalization Service in Omaha has announced that the INS is sponsoring a nationwide poster contest. This contest, entitled "What Being An American Means to Me," is open to all elementary school children, grades one through six, throughout the United States. State winners will receive U.S. Savings Bonds and will participate in a regional competition. Regional winners will travel to Washington, D.C., where they will have their posters on display at the Smithsonian's American History Museum.

For details, contact the Omaha office of the Immigration and Naturalization Service, (404) 221-3714. Entries must be postmarked by Feb. 23.

The Wayne County Jaycees met on Jan. 8 at the First National Agency for their monthly business meeting. Fourteen members and six guests were present.

Items discussed included the Jaycee projects run during December. Those projects include Christmas tree sales, donation of trees to needy families, adopting a child for Christmas, gifts given to care center residents, gift boxes of food for senior citizens and a drug and alcohol free dance for Wayne's middle school students.

The Jaycees made plans to hold their annual Super Shooters youth basketball competition on Feb. 4. Project chairman Bob Keating can be reached for more information.

A number of resolutions were passed by the Jaycees including a \$50 donation to Wayne Area Kinship, nominating Verdel Lutt to be

the chapter's nominee for Outstanding Young Nebraskan at the Grand Island convention in February, nominating Dave Purcell to serve as the chapter's delegate at the Mini/Model Legislature in Lincoln, to co-host the Feb. 6 Business After Hours at the Vet's Club and to join the Wayne Chamber of Commerce as an associate member.

The next Wayne County Jaycee general membership meeting will be held on Feb. 12 at 8 p.m. in the Columbus Federal meeting room. All persons age 21 through 39 are invited to attend.

Wayne State concert choir will perform in Norfolk

The Wayne State College Concert Choir, under the direction of Dr. Cornell Runestad, will perform at the United Methodist Church in Norfolk on Sunday, Jan. 28 at 7:30 p.m. For more information, call Mrs. Earl Mitchell, 371-1760.

One of the Midwest's most widely-traveled groups, the 65-member choir has toured Europe extensively, including performances at the famed Notre Dame Cathedral in Paris, and Westminster and Ely Cathedrals in England. They have also performed in the Netherlands, Germany, Austria, Hungary and Switzerland.

The May 1990 trip to Italy, the group's fifth to Europe, will feature the Madrigal Singers performing in Rome, Florence, Venice, Assisi and Siema. During the 1988 Christmas season, the Singers appeared on NETV, the only Nebraska choral group to be featured.

Dr. Runestad was the recipient of the 1989 Rebensdorf Teaching Excellence Award given annually to the outstanding faculty member of the four Nebraska state colleges.

The award recognized Dr. Runestad's contributions to Wayne State College's outstanding choral program, and his development of the widely-renowned Elizabethan Feastes, which are performed in

dozens of cities during the Christmas season. He is also regarded as an outstanding classroom teacher.

Dr. Runestad earned his doctorate in choral conducting from the University of Illinois, and he also holds degrees from Concordia College in Minnesota and the University of Minnesota.
