## Turnout shows public interest

WAYNE - Despite having a small turnout for Wednesday night's discussion for a child care

night's discussion for a child care program here, organizers were pleased with attendance.

According to Mary Temme, START task force chairperson and organizer of the meeting, a presentation by Phyllis Chandler, Omaha, director of family services, a state sponsored program for families, which assists in organizing child care programs, provided the group with some ideas which will benefit with some ideas which will benefit

the community's youth. –
Temme said the result was a list
of things Wayne needs to do to see a school-age child program

develop. She said of the list, the most immediate need is for a facility to house it.

THE PROGRAM COULD be placed in one of the Wayne schools — either public or parochial — one of the churches or in a home, modified to meet

usage needs.
"I'm glad that we have that
much interest but I want to see a quality program developed," Temme said after the meeting. "I don't care if it takes six months to a year but I'd like to see a quality program for our children." One of the ways a house could

be used is if the organization is established as a non-profit agency, according to Carolee Stuberg, who has actively participated in the START task force addressing the child care issue. She said if the organization is non-profit, a landlord could use the rental property as a tax writer off.

tax write-off. In addition to needing a loca-tion, interested people are needed, Temme said. She added if people are interested in helping the committee, they can contact her at 375-4191 or Stuberg at her at 375-4191 or Stuberg at 375-1123 (W) or 375-2522 (H).

## Dealers feel pain of gas hike

By Mark Crist Managing Editor

As gasoline prices have risen 19 cents since Friday, Aug. 3, local dealers are feeling the crunch as well — not only from consumer complaints but also with trouble

complaints but also with trouble from fuel suppliers.
According to each of the Wayne retail gas outlets — 7-Eleven, Apco, Clarkson Phillips 66, Casey's and Coastal Mart — the gasoline shortage caused by Iraq's invasion of Kuwail last week has hit the gas plume.

them at the gas pump. Several of the dealers said their supplier has had problems finding

fuel to fill empty on-site storage tanks and consequently, oil companies have upped the prices consumers are paying.

"We ran out of gas Monday and our driver told me that they wouldn't let him take gas out of the bulk plant until the new prices took effect," said John Ullrich, day-time manager at the Wayne 7-Eleven. "From what the driver said, they were waiting until the prices increased."

Prices Monday increased from \$1.15 per gallon to \$1.25 a gallon. Late last week, prices were \$1.06 at the pump.

ACCORDING TO BOB Nelson the Apco station manager, his supplier is having trouble finding available fuel. He said companies have gas in storage but won't re-lease it so they can make a profit at a later date.

### Your views: What do you think about the increase in gas prices?

Nancy Schulz Wakefield

"I think the increase (in gas prices) is bogus because the prices they're charging us is not the price they bought the oil we're using. They bought it at a lower price and they're making us pay more. I can understand an increase in three months from now but not at this

John Anthens North Platte

"It really hasn't affected us here yet. We were just down in Lincoin here yesterday and we had to pay \$1.48 a gallon. We haven't really been hurt by the (gas) increase yet because both our cars get good gas mileage. When it gets to \$5.50 per gallon than it might affect us."

Wayne "I think they've increased the prices too quickly. I don't think it should take effect for about another month or so because they (oil companies) haven't felt the to companies haven teacher repercussions yet. It hasn't affected me yet because you have to buy gas when you need it but anymore I'm just stopping the pump at \$10."

## Governor Orr, START to host town meeting

WAYNE - Gov. Kay Orr, R-Neb., will hold a GREAT town hall meeting in Wayne on Tuesday, Aug. 14 to highlight the community's six month strategic planning process.

The meeting, which is a part of Gov. Orr's rural revitalization

#### Corn provides alternative fuel but few look to farm product

By Mark Crist Managing Editor

As the energy crunch and environmental issues continue to grow, farmers might be happy to know there is an alternative, but according to Rod Patent, Wayne County extension agent, the process may be slow.

The alternative Patent speaks about is by using corn as a fuel supplement.

There are some problems with corn becoming a fuel additive since it could put a dent into other areas of agriculture.

According to a report from the United States General Accounting office, if corn is used as an alter-nate fuel, it could hurt soybean prices as well as increase the costs of feeding livestock. While it would help corn prices, it could hurt other areas of agriculture, the report

"I don't expect ethanol to take hold," Patent said. "Even though ethanol's been around for a long time, auto manufacturers have not gotten into promoting it. If we start using ethanol, it will probably be imported rather than produced locally."

PATENT SAID currently, states in the corn belt are the highest ethanol users. He said the idea of ethanol usage hasn't caught hold in eastern states nor in western

in most of its cars is Brazil. Patent in most of its cars is Brazil. Patent said the ethanol used in Brazil is made from sugar cane and sorghums primarily and neither of those products compete well with corn. He added that attempts in the United States to start ethanol plants have usually failed because they have started for the sole purpose of producing ethanol

According to the report by the United States General Accounting office, the bi-products produced when corn is made into ethanol include a variety of additives for live-stock feed as well as vegetable oil, which can be consumed by hu-Aside from harming other areas

of agriculture, ethanol use, how-ever, doesn't come without its downfalls.

Patent said cars which use the ethanol-gasoline blend often vapor lock when the day's temperature rises above 95 degrees.

ONE POSSIBLE WAY cornbased ethanol might catch on soon is if Congress passes legisla-tion which requires that all fuels have a gasoline-ethanol mixture. There has been talk of moving in

that direction, Patent said, but so far the legislation hasn't passed. "Ethanol does help control pol-lution," he said. "I think the market thind, he said. I think me market for ethanol will continue to grow but it's going to be a slow process. I think we're looking at 40 to 50 years down the road before it's mandatory.

Betty Jensen

Betty Jensen, 62, of Winside died Tuesday, Aug. 7, 1990 at the Lutheran Community Hospital in Norfolk.

Services were held Friday, Aug. 10 at St. Paul's Lutheran Church in Winside. The Rev. Jeffrey Lee officiated.

Betty Viola Jensen, the daughter of Emil G. and Goldie Siphley Carsten, was born April 11, 1928 at her parent's home in Wisner. She was baptized at the Methodist Church in Wisner. She graduated from Wisner High School in 1945. She married James Jensen on Feb. 20, 1949 at the Methodist Church in Wisner. The couple moved to a farm south of Wakefield. They joined St. Paul's Lutheran Church in Wakefield where Betty was later confirmed. In 1958 they moved to a farm west of Winside and in 1962 they moved to their present farm southeast of Winside. She was a member of St. Paul's Lutheran Church in Winside.

ranks.

Jeff Lutt finished up his high school career with a 16-1 record but none of the wins were as big as the one he got in the finals of the state tournament. Also seeing action for the last time in the Wayne Legion program were left fielder Brian Moore, centerfielder Matt Peterson and back up second baseman and back up right fielder and pitcher Chad Metzler. In fact, Wayne will have a good

nucleus coming back next season as they attempt to repeat their 1990 success. Cory Wieseler will return as the Wayne catcher while Brian Lentz returns to play first base, lim Hoffman will be back to man second base and Rusty Hamer will return to either his shortstop position or move to centerfield. Jeff Griesch will come back to play third base and Matt Bruggeman will return to play one of many po-sitions he played this season.

As far as the pitching staff goes Wayne will not be totally down as they have a number of pitchers who pitched on the Midget team. Jim Hoffman, Brian Lentz, Jeff Griesch and Matt Bruggeman will all return with valuable experience.

Jeff Lutt and Matt Peterson will continue their baseball careers with Wayne State College as each received a scholarship from Wayne State coach Lenny Klaver.

As far as the all-tournament team went,—four Wayne players made the squad including Cory Wieseler, Jeff Lutt, Rusty Hamer and Matt Peterson.

## Wayne escapes with win in first outing

Perhaps the biggest scare
Wayne faced in the 1990 State
Class B Baseball Tournament in
Elkhorn was in the opening round
against Central City coached by
Larry Bull and assisted by John
Miller.

Wayne pitched Jeff Lutt and the experienced Wayne pitcher was definitely in the groove as he tossed a 3-hitter while striking out eight and walking none. Central City's pitcher was also in a groove striking out 13 Wayne batters but walking nine in allowing four hits.

Wayne got down 2-0 in the second inning. Central City led off with a double and with one out an error allowed another base runner to reach first base. After stealing second the visitors had runners in scoring position on second and third when a routine ball was hit to third baseman Jeff Griesch. Unfor-tunately for Wayne the ball was not fielded and both runners scored.

Wayne managed to get one run back in the third inning on an rbi single by Jeff Griesch which scored Cory Wieseler. The score remained 2-1 in favor of Central City until the bottom of the seventh inning. Wieseler reached first base after being hit by a pitch. He later stole second with one out. Jeff Lutt

first and second with one out. Brian Lentz was then struck out for the second out of the inning leaving Wayne with one last chance.

Jeff Griesch then drew a walk to load the bases for Chad Metzler. With the count at 2-2 Wayne coach Hank Overin told Cory Wieseler to steal home. The pitch was called a ball and the catcher in

was called a ball and the catcher in his attempt to tag Wieseler dropped the ball thus the run scored to tie the game.

The game went to the eighth inning and that's where it ended. Matt Peterson hit a one out single and Wieseler then reached base after being hit by a pitch once again. Rusty Hamer proved to be the game's final hitter as he laced a single up the middle scoring Peterson to give Wayne the 3-2 win.

Of Wayne's four total hits, two were by Rusty Hamer on a single and a double. Peterson and Griesch were the only other batters who reached base following a hit.

Overin's move to steal home with Cory Wieseler turned out to be a genius call. Wayne ended up stranding a total of 12 base run-iners in the game while Central City stranded just three.

The win sort of labeled the Wayne team as the "Cardiac Kids" the way they fought back and never gave up.

MATT BRUGGEMAN steps on home plate in front of his teammates following his 2-run blast in the second inning of Wayne and Elkhorn's first meeting in the winner's bracket finals last Sunday.

## Wayne downs Ogallala in seventh

By Kevin Peterson

Sports Editor
Following the first round win over Central City it seemed like nothing could top the excitement level of the first game. However, the "Cardiac Kids" decided they could provide even more excitement and they set out to do just that against Ogallala in round two held on Saturday.

Wayne was the visitors in that game and the score remained knotted at 0's until the third inning when Wayne erupted for three runs on five hits. Brian Moore led runs on five hits. Brian Moore led off the inning with a single and Matt Peterson followed with a bunt single to put runners on first and second. Cory. Wieseler then advanced both runners with a

innings of play.

Heading into the top half of the seventh inning Wayne trailed 7-5.

Wayne looked as though their last wayne looked as though their last inning heroics of the day before would not come into play as the first two batters were retired with Wayne still facing that two-run deficit.

Jason Ehrhardt then drew a base on balls as did Brian Moore. With two out Matt Peterson then came to the plate and laced a single to load the bases for Cory Wieseler, Wieseler then took a 1-2 wieseler Wieseler then took a 1-2 pitch from Ogalialais pitcher and towered it off the fence in left center field which scored all three runners to give Wayne an 8-7 lead. # Wayne wins championship with Class and quality coaching

The following is an editorial based on the observations and speculations of the Wayne Herald Sports Editor. Everything that is written in this article is strictly the opinion of Kevin Peterson and does not in any way reflect what others might think it if does, it is purely coincidental.

is often said that talk is cheap! Actions speak much louder than any words. Following Wayne's win over Elkhorn in the winner's bracket finals last Sunday by a 14-7 bracket finals last Sunday by a 14-7 count, I read in the Omaha World Herald that the Elkhorn players and coaches were chuckling about the game saying stuff like they weren't ready to play Wayne because they thought they were going to walk right through the tournament and that things would certainly be different the next time the two teams faced offwhich would obviously be in the

which would obviously be in the championship game.

One of the Elkhorn players said that they would bounce back because they really have a good team. I don't have a problem with having confidence but there is a difference between confidence and cockiness and obviously some of the Elkhorn players don't know the difference. the difference.

Since coming to Wayne in the winter of 1987, I have virtually bled Wayne colors true and blue and I have to admit that sometimes I get so involved in the games that I forget to take pictures. But I honestly feel that Wayne out classed Elkhorn by a large margin—perhaps even as bad as the first score would indicate. 14-7. would indicate, 14-7.

Not once did I hear the Wayne players cutting down the other team by saying they didn't belong there or that other players weren't as good as Wayne was. I attended every game at the state tournament and all but one of the games the players get the headlines but were spent in the Wayne du and I can honestly say that Wayne not only has the best team in the state of Nebraska's Class B, but they have one of the classiest as

everyone knows the brain trust behind the operation.

Hank, I personally congratulate you on your success in the Wayne Legion and Midget program and you certainly deserve all the accolades that go with the tradition of

winning.
As for Jere Morris—I can't think of a better man who would best fit into the Wayne program should the day come that Hank steps down. Morris combines a perfect blend of coaching expertise learned from Hank, with the days that he played—also under Hank. The players seem to respect Morris and listen to him just like they do with Hank. He has a vast interest for the game and he cares of a better man who would best fit

## Wakefield claims the 1990 State Class C baseball title

Sports Editor
The Wakefield Junior Legion baseball team captured the highest honor of the Class C State Tournament Wednesday night with a state championship victory over Neligh, 8-7. Even if Wakefield would have

managed to slip to Neligh a sec-ond game would have been forced since Wakefield was undefeated in the tournament at that time.

the tournament at that time.

Eaton—no stranger to the game of baseball, completed his 24th year of coaching with the state championship. In the bottom of the sixth inning with Wakefield trying to break a 7-7 tie with two out and runners on first and third, Eaton resorted to a play he had seen from long time Wayne coach Hank Overin.

seen from long time Wayne coach Hank Overin.

Matt Tappe was on first base, and Eaton ordered him to get caught in a run down between first and second. As this was happening Chris Loofe, who was on third base, went to steal home. This is fine as long as Loofe scores before Tappe is tagged out for the third out which is exactly what happened.

Neligh actually out hit Wake-field, 9-7 in the contest and both teams suffered four errors. Doug Stanton and Tony Brown were the big hitters for Eaton's troops as Stanton belted a 2-run double and laced a single while Tony Brown

had two singles. Matt Tappe, Marc Tappe and Rod Greve picked up the other Wakefield hits en route to the victory.

I'm really proud of the guys on the team," Eaton said. "We had just three starters back from last year's runner-up team and they all played in different positions this year and they really did a good job for us all year long."

Eaton of course was referring to Matt Tappe, Chris Loofe and Mike Mogus. Tappe played third base a year ago while Loofe played second base and Mogus played first base. This year Tappe played centerfield and pitcher while Loofe played third base and mogus played third base and pitcher. Mogus was strictly the catcher.

Ben Jackson was also on the team last year as was Shawn Meyer but both saw limited playing time. By playing in the championshipgame this year, Chris Loofe, Matt Tappe, Mike Mogus and Shawn Meyer completed their fourth straight trip to the finals of state baseball.

"It's a great feeling to win it all," Chris Loofe said following the vic-

tory. "The last two years we've been so close by finishing runner-up and this year again it looked like it was going to be so close down the stretch but we managed to pull it off."

Loofe played a significant role in Wakefield's championship. In the opening game against Harvard he ripped a grand slam home run. The following game against Rushville he tossed a no hitter. Then in a contest against Arlington on Tuesday rest against Arlington on Tuesday night Loofe struck again—this time with his bat as he hit a solo home run for Wakefield's first run. ### ATTENTION!! CUSTOMERS OF BILL'S G-MEN REFUSE SERVICE

Due to the recent 50% increase in dumping fees imposed upon our company, the new rate fee of \$10.50 for garbage pick up will begin September 1, 1990.

This small increase of only \$2.00 is less than a 25% price hike.

We are able to keep our charges at a reasonable level due to an ordinance passed by the city of Wayne which stipulates residential curb-side pick up only.

This ordinance, which eliminates residential alley pick ups, will help us realize both fuel and labor savings as well as greatly reduce the costly wear and tear on our vehicles.

Due to further new regulation, grass and/or leaves clippings no longer will be picked up together with regular garbage pick ups beginning September 1, 1990.

Therefore, customers wishing a grass and/or leaves pick up must contact Bill's G-Men Refuse Service for a special pick up scheduled for Mondays only.

Rates for this special grass/leaves pick up on Mondays only will be 30 cents per bag. Only bags of 35 gallon capacity or less will be accepted.

Calls for grass/leaves pick up must be placed by noon each Monday. Callers should state their name, address and phone number when calling. Only regular customers of Bill's G-Men will be eligible to participate in this special Monday service.
