Airport woes continue

Red tape slows improvements

WAYNE - Despite having everything in place for additions to the Wayne Airport, governmental red tape and apparent federal budget restrictions are holding the process up, according to officials of the Wayne Airport Authority Board.

While Wayne officials are hearing two different stories — one from the Nebraska Department of Aeronautics and the other from Sen. J. James Exon, who is on the Federal Aviation Administration (FAA) board — officials say they are confused by the roadblocks they've run into and they want some answers.

According to separate letters written by Sen. Exon and Diane J. Hofer, acting state airport engineer, Wayne is ranked as a low priority airport since it has less than 20 aircraft based here.

IN ADDITION to labeling Wayne's airport as low priority, Sen. Exon's letter says due to the Gramm-Rudman Act of 1986, not enough funds can be appropriated to the Wayne project unless Congress and the president increase spending by the FAA.

"A major underlying problem has been that budget politics in Washington have prevented use of all the Aviation Trust Fund monies for aviation as Congress intended. Instead, almost \$7 billion of the Aviation Trust monies have been held hostage, because the Gramm-Rudman budget law allows the surplus to make the overall federal deficit look smaller. I strongly oppose that misuse of the Aviation Trust Fund and am working to stop the practice," Sen. Exon wrote in his letter to Mitch Nissen, chairman of the Wayne Airport Authority.

ACCORDING TO NANCY

Braden, Wayne city treasurer, the airport board has bent over backwards to make sure it's in line for funds but they keep getting told it will be "soon."

"The question of 'soon' is when the funds are available," she said. "But the FAA says it's low priority and that tells us they're not interested."

In addition, she says she's beginning to see that Exon's dedication to helping Wayne is a political ploy to help him get re-elected. She said similar things of Rep. Doug Bereuter's involvement with Wayne's current housing dilemma.

"They're both facing an election year, so it really doesn't hurt their cause," she said. "We're just being swallowed up in the political process and it's all a game."

ACCORDING TO NISSEN, the Wayne Airport Authority Board has been told that once it got everything current with FAA regulations, it would be given a strong look but despite progressing to the point where the airport meets every FAA requirement, Wayne is being put on hold.

"The airport is the front door to the community and big business not only needs it but they know that and use it," he said. "It certainly will be a drawback to bringing in some new corporate businesses in the future."

According to Braden, if the FAA were to make funds available for the Wayne airport, it would handle 80 percent of the project costs figured at \$1.5 million. The State of Nebraska would pay 2.5 percent of the costs and Wayne would pick up the rest.

Area cities to get refunds from NPPD

AREA - Some 200 Nebraska cities and towns are receiving \$5.8 million as a result of agreements leasing their electric distribution systems to the Nebraska Public Power District (NPPD), according to Wayne E. Boyd of South Sioux City, treasurer of the NPPD board of directors.

Area towns receiving money from the funds include: Hoskins — \$8,832.83; Allen — \$10,827.78; Concord — \$4,157.42; Dixon — \$2,949.78.

The money represents one half of the annual payments made by NPPD under terms of the lease agreements. The payments are for the first half of 1990. The money may be used by the community any way it desires, Boyd said.

NPPD operates the electric system and makes all additions and improvements to the property to maintain efficient service. NPPD pays the community 12 percent of the adjusted gross revenues realized within its service area.

The money turned over to the cities and towns by NPPD at this time does not include the annual five percent in-lieu-of-tax payments required by the state.

In addition to the money realized, the agreements between NPPD and the communities provide for a one-third discount on the electricity consumed by governmental agencies within the corporate limits.

Child care helps Waldbaums

By Mark Crist
Managing Editor

Although the trend of companies providing child day care to employees had not yet come of age in the late '70s, Milton G. Waldbaum Company had the insight to see the need in the future.

After starting out with just seven children in September, 1979, when the center opened, the Waldbaum's Day Care now provides for over 60 children, representing 42 Waldbaum's families.

"To an applicant who could not enter the workforce otherwise, a day care is a necessity," said Ted Helberg, human resources director for Waldbaums. "If it wasn't available, we might not get any applicants. It's been a strong incentive for us."

Helberg said although it hasn't become an issue in the job market yet, since so few businesses offer child day care, he said he could

see the time when it might be; especially in an employee market like Nebraska's, where unemployment rates are less than 3 percent and employers are having difficulty filling positions.

MAJOR EMPLOYERS WHO DO NOT plan for employee needs might find themselves in a bind if employees needs aren't met, so a day care center is a plus for employers who can offer such a program.

"It's a catch-22 situation because all companies place themselves in a position of growth," Helberg said. "Companies will need to project 5-10 years down the road. Companies need to figure for that growth before it happens."

Helberg said some of the things Waldbaums did which appear to have worked were finding out the ground rules for opening a care facility. He said early research for the program has paid off.

"We asked others what worked and what didn't," he said. "The first thing we did was to educate employees on what a day care offers and what it is. The one thing is isn't a pre-school, its intent is not to educate the kids but to care for them. Although we do some motor skills projects with the children, we don't work with them in a classroom atmosphere."

ONE OF THE REASONS Waldbaum's Day Care has been successful is because research provided insight into the need, as well as the ways a center could be run. Once that portion of the research was complete, state rules and regulations were studied, ground rules were set and a number of decisions were made based on all the data compiled.

"Dan Gardner, CEO and president at that time, saw the need to

Crops being hurt by heat wave

AREA - Hot temperatures with little recent rains have hurt many of the areas crops, according to Russell Moomaw, of the Northeast Nebraska Research and Extension Center in Concord.

Moomaw said both corn and soybeans are being adversely affected by high temperatures and low subsoil moisture levels.

He said although rainfall amounts have varied in the region, the Indian summer heat wave has advanced crops to maturity too rapidly, which may result in yield reductions.

"You'd like to establish a happy medium," he said. "About two weeks ago we were concerned it was behind maturity and it wasn't as far along as we would like it but the rapid change in temperature and moisture levels has hindered crop maturity because grain moisture levels are starting to come up short."

MOOMAW SAID THE heat wave may offer farmers a mixed blessing because it might mean that the area won't experience an early freeze, but the combination

of reduced crop yields — especially for soybean and corn production — and the sharp increase in gas prices may hurt profit margins.

"I know that may sound like a contradiction but our primary concern at this point is that the lack of soil moisture and the lack of moisture entering plants. The combination of these two factors could force farmers to harvest early," he said.

He said not much will be known for certain for about a week, when

Fountain bridges gaps between Wakefield generations

By Mark Crist
Managing Editor

WAKEFIELD - Bubble gum from years past litters the underside of the countertop but to the same degree, each piece is reminiscent of a different story the Wakefield Drug fountain could tell.

The fountain, an earmark of times past, links the generations as grandparents bring in grandchildren, parents, who visit Wakefield from time to time, show it off to their kids and some youngsters still come in after school, according to Becky Keidel, who, with her husband Dick, have owned the store for five years.

"I don't think people would be as interested in coming in here if we didn't have this," she said. "It's probably as vital to the store as carrying the Omaha World-Herald or the Sioux City Journal on Sundays."

CARRYING THE TWO major regional dailies has long since been a tradition at the drug store, probably as long as the fountain has been there, she said.

According to Mrs. Keidel, the fountain has been in the store for at least 40 years, and probably longer. She said years ago, it was located in the front corner of the store near the north window. In addition, the store used to have booths around the store's walls since lunch used to be served regularly.

Today, all that remains is the counter with its nine stools, located in the southwest corner of the store.

According to store-hand Diana Greve, the fountain counter used

STILL IN SERVICE, THE FOUNTAIN at Wakefield Drug keeps people of all ages happy. In this instance, Diana Greve serves three Wakefield youth.

to have a marble top and there was a much wider variety of drinks served. Today, the fountain still

serves such delights as malts, sodas, phosphates and ades, all in a small variety of flavors, but age has

taken its toll on some of the fountain machinery.

"We'll keep the fountain as long

as we've got a compressor," Mrs. Keidel said. "If it breaks down, it wouldn't be cost-effective to re-

place it."

place it."

THE STORE, HOWEVER, has a history linked to Wakefield's. Years ago, Wakefield Drug was the first place in town to have freezers and air conditioning. Since those were special features at that time, people would have their ice cream stored in the freezers, which used to be in the basement.

But the counter is what people come in to see, Mrs. Keidel said.

Two years ago when Wakefield held an alumni banquet, the store was swamped with customers who used to patronize the fountain when it was in its hey day.

YEARS AGO, WHEN the Wakefield schools had open campus lunch breaks, students would go to the drug store for lunch and a drink from the fountain.

"To the extent it creates traffic for us is probably more important to us than the cash value of it or the money it makes," she added. "For a long time after we bought the store, people asked us if we would keep the fountain."

Although fountain customers remain steady, many youth don't have the taste for some of the drinks like youth of ages past used to have. Greve said many of today's children have grown up with the cola flavor and thus prefer those types of drinks. She added, though, that many of the very young and the older generations still enjoy the phosphates, which include flavors mixed with soda water.

"The phosphates and the ades are cheap," she said, "so parents don't mind paying for the drinks."

Evangelists conducting revival campaign at Faith Baptist in Wayne

Evangelist Bobby Brown and his wife Gretchen will conduct a revival campaign at the Independent Faith Baptist Church in Wayne on Sunday, Sept. 16 through Friday, Sept. 21.

Neil Heimes, pastor of the local congregation, said services on Sept. 16 are scheduled at 11 a.m. and 6:30 p.m., with the remainder of the services to start at 7:30 p.m. each evening.

The public is invited to attend the revival meetings at the church, located at 208 East 4th St.

BROWNS are graduates of Tennessee Temple University in Chattanooga. Bobby has pastored for 12 of the 40 years he has been in the ministry.

He organized the First Baptist Church of Alsip, just outside of Chicago, in 1966 and led the church in a building program and to support 41 missionaries before leaving in 1976 to enter evangelism.

The evangelist has conducted services in over 1,700 churches and schools and speaks to thousands of teens annually.

Since 1983, he and his wife have been involved in missionary evangelism, ministering to U.S. military personnel and national churches in Europe. They participate in this endeavor three months each year.

HEIMES said the revival will appeal to the entire family and will include special music by the Browns at each service.

Brown also uses ventriloquism during each service to minister to the children.

Briefly Speaking

Heart Association meeting

WAYNE - The Wayne County Affiliate of the American Heart Association will meet today (Monday) at 7 p.m. at Providence Medical Center to plan for the 1990-91 year.

All interested residents of Wayne County are invited and encouraged to attend the meeting. Because heart related diseases are the major cause of death in the United States, a spokesman for the Heart Association said everyone's help is needed to assist in the prevention of heart-related diseases through education and research.

Hoskins man hospitalized

HOSKINS - Clarence Hoemann of Hoskins is a patient at the Veteran's Hospital in Omaha, where he underwent knee surgery. Cards and letters will reach him if addressed to Veteran's Hospital, 4101 Woolworth Ave., Omaha, Neb., 68105.

BPW welcomes new members

WAYNE - The Wayne Business and Professional Women's Club (BPW) welcomed three new members during a meeting last Tuesday noon at Geno's Steakhouse. Joining the club were Dorothy Parenti, Darlene Martin and Cyndi Wagner.

Wagner was selected the Young Career Woman representative from the Wayne BPW and will attend the Nebraska BPW District III Conference slated Sept. 15 at Northeast Community College in Norfolk. Also attending the conference as Wayne BPW delegates will be President Jocile Bull, Beverly Etter and Roberta Welte, who will serve as an election teller.

President Bull attended a fall board meeting held last month in Lincoln. Theme of the meeting was "Marketing Business and Professional Women."

The next meeting of Wayne BPW will be Sept. 25 at noon at Geno's Steakhouse. The program, entitled "Activities at the Wayne Care Centre," will be presented by Grace Auker, a resident of the centre. Mrs. Auker served as president of the Wayne Woman's Club and helped organize the Wayne BPW Club which was chartered on Sept. 4, 1953.

All women who are gainfully employed at any occupation are invited to join Wayne BPW. Guests are always welcome.

Homemakers host guest day

WAYNE - The Logan Homemakers Club held a guest day meeting on Sept. 6 at the Concord Cafe. All members were present, and guests were Irma Baier, Berniece Rewinkel, Alice Roerber and Ardene Nelson.

Pitch was played with prizes being won by Irma Baier, Berniece Rewinkel and Amanda Meyer.

Alta Meyer will be the Oct. 4 club hostess.

Baptisms

Christina Rose Esther Roberts

WAYNE - Christina Rose Esther Roberts, daughter of Connie and Cheryl Roberts Jr., was baptized Aug. 26 in St. Paul's Lutheran Church, Wayne, with the Rev. Wallace Wolf officiating.

Christina's godparents are Dale and Lori Mitera of Omaha and Curtis and Mary Ann Roberts of Wayne.

Christina's baptismal dress was also worn by her mother Connie at her baptism and was crocheted by Connie's grandmother, Esther Brudigan.

A baptismal dinner was served afterward in the Roberts home. Friends and relatives attended from Wakefield, Wayne, Pender and Omaha, and included grandparents Marguerite and Cheryl Roberts Sr. and Harold and Maxine Meier, and great grandmother Esther Brudigan.

Haglunds observing 40th

MIRIAM AND NORMAN Haglund of Wakefield will celebrate their 40th wedding anniversary with an open house reception on Sunday, Sept. 16 from 2:30 to 4:30 p.m. at Salem Lutheran Church in Wakefield. There will be a short program at 3 p.m. The event is being hosted by the couple's children, and the honorees request no gifts. Haglunds were married Sept. 16, 1950 in the First Lutheran Church at Taylors Falls, Minn.

Area family reunions held

Johnson reunion

Forty-seven descendants of Andrew and Clara Johnson gathered at the West Point park on Aug. 19 for the annual Johnson reunion with Melvin and Dorothy Johnson in charge.

The relatives came from Bella Vista, Ark.; Crawford, Omaha, Lincoln, Blair, Norfolk, Hoskins and Wayne.

Three-month-old Marisa Austin was the youngest family member attending.

Next year's reunion will be held the third Sunday in August with Willis and Donna Johnson in charge.

Karnes reunion

Mr. and Mrs. Dea Karnes of Dixon were among relatives attending a Karnes reunion held Aug. 26 in Wayne city auditorium.

Other relatives came from Melvin and Spirit Lake, Iowa; Omaha, Wayne, Laurel and Concord.

August and September birthdays were observed.

Langenberg reunion

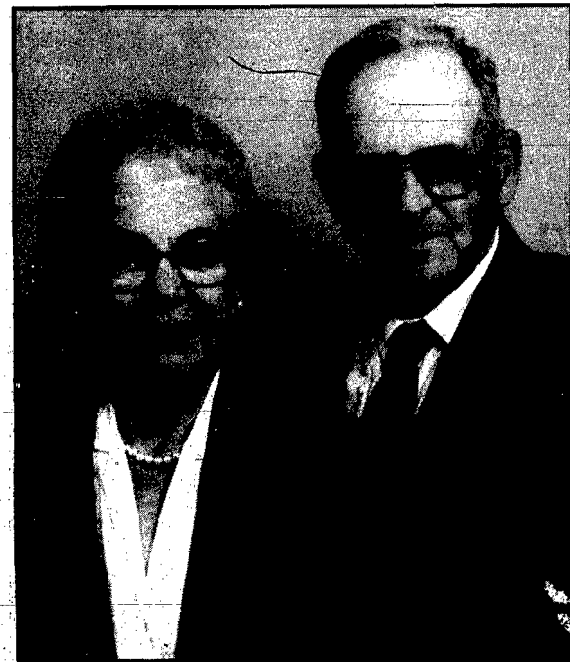

The annual Langenberg family reunion was held Sept. 2 at Ta-Ha-Zouka Park in Norfolk, beginning with a noon picnic dinner.

Eighty-eight persons attended from Blue Springs, Mo.; Omaha, Fremont, Lincoln, Osmond, Randolph, Stanton, Winside and Hoskins.

George Langenberg was the oldest attending and Luke Hess, son of Mr. and Mrs. Arin Hess of Norfolk, was the youngest. Seven births and two marriages were reported during the past year.

Serving on this year's committee were Mr. and Mrs. Robert Langenberg of Norfolk and Mr. and Mrs. Leo Schmit of Osmond.

The 1991 reunion will be held at the same location on the first Sunday in September with Shirley Wagner of Hoskins and Mr. and Mrs. Arin Hess and Bernice Langenberg of Norfolk in charge of arrangements.

Bargstadt observance

FRIENDS AND relatives of Mr. and Mrs. Alvin Bargstadt of Winside are invited to help them celebrate their 50th wedding anniversary during an open house reception on Sunday, Sept. 16 from 5 to 7 p.m. in the Winside auditorium. A free dance will follow in the auditorium. The event is being hosted by their three children and their families, and the honorees request no gifts. Alvin Bargstadt and Hilda Herbolzheimer were married Sept. 15, 1940 at St. John's Lutheran Church in Pierce.

Year of graduation: 1981 Valedictorian

Current Status & Honors: Kelly received her BA degree in economics with honors from George Washington University. She became product manager at MCI Telecommunications and US Sprint, receiving the MCI Excellence in Service Award in 1985, the MCI Vice President's Circle Award in 1987, and the US Sprint Monthly Distinguished Employee Award in May 1989. Kelly decided to leave business and work with those less fortunate. She now works as an inkeeper in a shelter for homeless pregnant women, called Samaritan Inns, located in the inner city of Washington, D.C.

How my Wayne-Carroll experience helped me prepare for life after high school graduation:
"The high school staff and structure encouraged me to try, gave me hope in my future and affirmed my abilities. I now realize that many children throughout our country are not given the time and support of their teachers and community that they need to believe in themselves. I, too, could have ended up today without education, job and hope had I not had the support of the Wayne educational system and the grace of God."

Notice needed

WAYNE - When a student knows in advance that he/she will be absent from school a day or more, a written request or phone call from a parent is necessary. The student should submit this request to the principal's office.

If absence from school is due to activity participation, medical or dental appointment, funeral, etc., students are required to complete all classwork prior to departure. He/she will be issued a pre-make up form to be completed and signed by all teachers involved with classes which will be missed. The student submits the signed pre-make up form to the principal's office at which time he/she is issued a permit to leave the building.

Occasionally students are absent for "questionable" reasons. These fall into two categories: (1) truancy, or willful absence and (2) others such as oversleeping, shopping trips, hair appointments, etc. All are considered unexcused absence and students are subject to grade reduction or "make up" time.

Parents and students should note that an excuse from home for questionable absence does not necessarily mean an excused absence will be issued. This is determined by the school.

bring in non-traditional employees. He was far-sighted enough to see day care would be an issue for the employees and now it's a benefit."

One of the successes of the program has been the willingness of employees to help it out, ac-

ording to Kathy Loofe, director of the center. She said many of the toys, high chairs and cribs were either bought at a reduced price or donated. She said when the program began, it had only one crib, one high chair and a few toys. Today, there's around 25 high chairs, 15 cribs and numerous toys for children up to six years of age.

farmers start bringing in grains for test weights.

"In the absence of rainfall and subsoil moisture, the crops are beginning to suffer," Moomaw said. "How much will be hard to tell but in some locations, we already know

the yield will be so low that farmers will be using it for silage rather than selling it for a profit."

He added that farmers looking to use their grain for silage will probably start harvesting their crops sometime within the next two weeks.

WSC to host U.S. West tech-talk

WAYNE - George Welles, manager of audio visual and employee communications at U.S. West Communications, will present "Imaging for the Future," Thursday, Sept. 13, at Wayne State College. The public is invited to attend.

Trojans lose big to Battle Creek

The Wakefield Trojans were hoping that home atmosphere would win them another game against a highly ranked opponent in Battle Creek Friday night but the visiting Braves proved to be too much for Wakefield as they fell 35-7. It was only the second home game that Wakefield had lost in the last three years.

Battle Creek set the tone early as they took the opening kick off and drove 84 yards on 20 plays and consumed over nine minutes off the clock in scoring the first touchdown of the game.

first downs compared to seven by the Trojans. The Braves picked up 302 rushing yards on 58 attempts while Wakefield could only muster 55 yards on 21 carries. Marcus Tappe was 9-18 through the air for 129 yards and one interception while the Braves managed 33 yards through the air for a total yard advantage of 335 to 184.

Thad Nixon was Wakefield's leading rusher with 33 yards on four carries while Matt Bartling picked up 19 yards and Anthony Brown just 14 yards on eight carries.

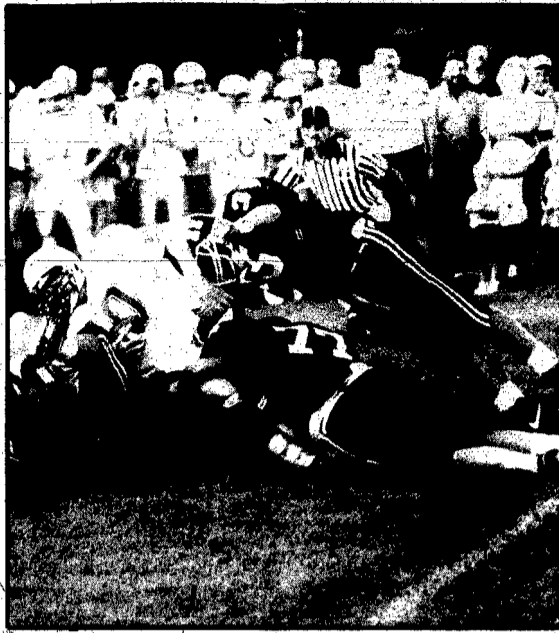

Brown caught three passes for 23 yards while Mark Demke caught three for 42 yards. Kyle Torczon caught two passes for 48 yards and Jon Johnson caught one pass for 16 yards.

Defensively the Trojans were led by Anthony Brown as he was in on 24 tackles. Thad Nixon was in on 17 tackles and Larry Johnson had 12. Brown scored Wakefield's lone touchdown on a five yard run with Doug Stanton kicking the point after. Wakefield will travel to play Plainview on Friday.

"They just took control of the game right away," Wakefield coach Dennis Wilbur said. "We sure didn't do anything to dampen their rating." The Trojans fell behind 21-0 by intermission.

"Our kids were still feeling pretty positive despite being down 21-0 at half," Wilbur said. "Then early in third quarter their running back, Todd Uhrig popped a 79 yard touchdown run and that kind of dampened our spirits."

Battle Creek finished with 16

MATT BARTLING, (35) and Cory Blattert, (77) wrap up Battle Creek's Chad Reeves in first quarter action in Wakefield on Friday night. Wakefield lost 35-7 to the third rated team in Class C-1 in what was the second time in three years that the Trojans lost a home game.

Wayne wins on road again

The Wayne Blue Devil football team downed Neligh-Oakdale 34-14 Friday night in Neligh which upped the season record to 2-0 but more importantly gave the Blue Devils a sweep on the road after defeating Schuyler in Schuyler last week.

Now Wayne will come home for the next five games before closing the season with games in Hartington and Pierce. "This was a big win for us," Wayne coach Lonnie Ehrhardt said. "We worked on blocking all week in practice and it really paid off in Friday's game with Neligh."

Wayne took the opening kick off and drove 78 yards on 10 plays and scored a touchdown on a Rusty Hamer three yard run. Cory Wieseler later added a seven yard run in the first quarter as Wayne led 12-7 after one period of play.

Chris Fredrickson played his first game of the year and he scored from six yards out in the second quarter and with Matt Bruggeman's point after the Blue Devils maintained a 19-7 halftime lead.

Fredrickson then scampered in from 29 yards out in the third quarter and Bobby Barnes caught a pass for the two point conversion to give Wayne a 27-7 lead. Wayne added another touchdown in the fourth quarter as Regg Carnes

connected with Barnes on a 10 yard pass.

For the second consecutive week Rusty Hamer cracked the 100 yard rushing barrier as he gained 114 yards on 19 carries. Chris Fredrickson picked up 90 yards on eight carries while Cory Wieseler gained 74 yards on 13 attempts. Jim Murphy picked up 24 yards and Jack Swinney rushed for 19 yards. Regg Carnes closed out the rushing attack which picked up a total of 321 yards with nine yards on a pair of carries.

Neligh incidentally, rushed for 99 yards and threw for 117 yards while Wayne threw the ball for 78 yards with Wieseler connecting on 3-6 for 39 and Carnes connecting on 2-4 for 39 yards and a touchdown.

Wayne dominated the line of scrimmage and that was evident by the 20 first downs they picked up compared to nine for the host team. At the intermission Wayne had 12 first downs compared to just two for Neligh.

Jason Fink and Matt Bruggeman each had 10 tackles while Hamer had seven. Cory Wieseler and Jack Swinney had five apiece. "I thought our kids responded very well after not having a whole lot of contact during the week because of the heat," Ehrhardt said.

Winside routes Hartington

The Winside football team opened up their home version of the 1990 schedule with a 55-6 route of Hartington Friday night as the game was called with five minutes to go in the fourth quarter because of the 45 point rule.

Randy Geier's Wildcats rushed the ball for 240 yards and through for 84 more as they piled up 324 yards compared to just 41 total yards by Hartington with 12 on the ground on 31 carries and 29 through the air on 2-12 passing with two interceptions.

The Wildcats had 12 first downs in the game while Hartington managed only two. "It was a good win for us but we have a lot of work to do to get ready for Coleridge," Geier said. "We lost five fumbles and we can't afford mistakes like that against teams like Coleridge."

Matt Brogren and Cory Jensen each picked off a Hartington pass while Jason Bargstadt recovered a fumble. Brian Thompson lifted the specialty teams with a blocked punt.

Marcus Stueckrath led the Wildcats with 83 yards on 10 carries while Cory Jensen had 61 yards on 10 carries. Jason Krueger picked up 53 yards on seven carries and Shane Frahm managed 36 yards on nine carries.

Jensen was 1-4 in the passing department for 51 yards while Matt Brogren was 1-1 for 33 yards. Both completions went for touchdowns. Jeff Gallop led the defense with 10 tackles while Trevor Topp had eight and Jason Krueger, five. Shane Frahm, Kyle Frederick and Brian Thompson had four each.

"The last time we started out 2-0 was 1980," Geier said. "Our offensive line of Gallop, Bargstadt, Topp, Mark Bruggem, Thompson, and Doug Heinemann played a super game as well as our defense."

Cory Jensen had three touchdowns to lead the Cats while Stueckrath struck paydirt twice. Jason Krueger scored the first touchdown of the game on a 23 yard run. Kerry Jaeger and Jeff Gallop were on the receiving ends of 33 and 51 yard touchdown passes respectively.

Allen Eagles lose to highly touted Beemer

The Allen Eagles traveled to play the fourth rated team in the state in class D-1 in Beemer Friday night and following Allen's 48-8 loss a week ago to Winside, the odds were not in their favor. But Mike Busselmann's troops rose to the occasion and nearly pulled off the upset of the young season falling 28-24.

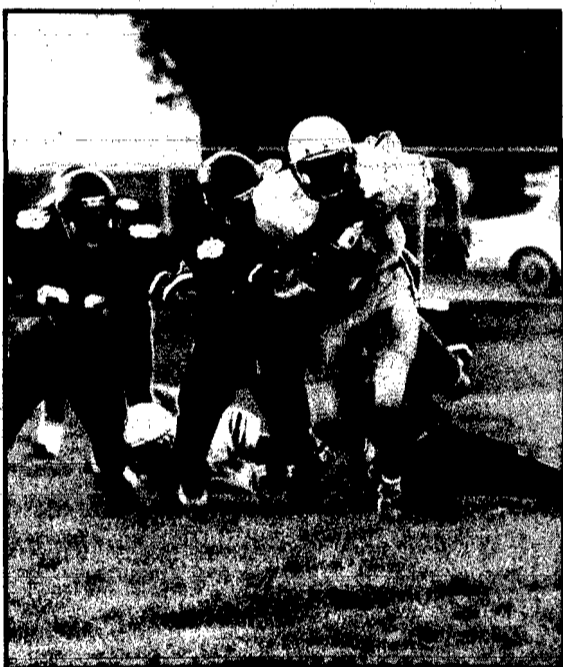

"We were ahead 18-14 at half," Busselmann said. "I was just hoping we could hang on and win and it turned out that the only thing they beat us by were the four extra points."

Chris Sachau took the opening play from scrimmage and sprinted 69 yards to the endzone to give Allen a quick 6-0 lead. Shane Dahl hit Jody Martinson for 31 yards in the second quarter and then the two hooked up again later in the same quarter to give Allen the lead at 18-14.

Allen's final score came in the fourth quarter on a three yard run by Shane Dahl. The Eagles rushed for 155 yards while Beemer gained 247. Dahl was 3-6 in passing for 65 yards while Jody Martinson connected on 2-8 for 66 yards. Martinson caught two balls for 35 yards and Curtis Oswald caught three passes for 86 yards.

Chris Sachau gained 85 yards on seven carries and Paul Brentlinger gained 29 yards on eight carries. Defensively the Eagles were led by Kevin Crosgrove who recorded 25 total tackles. Jody Martinson and Craig Boyle had 15 apiece while Shane Dahl added 13. Bren Mattes had 12 while Barry Anderson and Paul Brentlinger had 11 and 10 each.

The Eagles had the ball inside the Beemer five yard line three times and came away empty handed but Busselmann was pleased the team effort.

THIS CROFTON runner is brought down by an unidentified Laurel defender during action in Laurel on Friday night. The Bears were defeated by the visitors as Laurel starts off the 1990 campaign at 0-2. The Bears will travel to Ponca on Friday.

Laurel loses home opener to Crofton

The Laurel Bears home opener proved to be unsuccessful Friday night as they fell 16-6 to Crofton. All of the scoring came in the second quarter as Laurel fell behind on a safety, then found themselves trailing 16-0 after a 35 yard pass play and a later touchdown on a Laurel fumble.

Following the second touchdown which put the Bears behind 16-0 the lone bright spot of the game came on the ensuing kick off as Brian Penne took the ball on his own 25 yard line and scampered 75 yards to the endzone.

"Overall we played a very poor football game and I'm taking the blame," Laurel coach Tom Luxford said. "We felt we should have won this game and we just plain didn't."

Crofton managed 13 first downs compared to nine for Laurel. The visitors rushed for 161 yards while Laurel picked up 91. The Bears were 1-1 in the passing department for 16 yards on a Travis Monson pass to Brian Penne. Crofton was 7-14 through the air for 64 yards.

Pat Arens was the leading ground gainer for Laurel with 35 yards on 11 carries. Brian Lohse was the leading tackler for the Bears with 12 tackles while Pat

Arens and Rusty Reifenrath each recorded 10 stops.

Brian Penne also intercepted a Crofton pass. "We can't give up," Luxford said. "We have a good group of kids here and I know they will work hard this week in practice."

WSC spikers defeat Nebraska Wesleyan

The Wayne State Wildcat volleyball team hosted Nebraska Wesleyan Thursday night in Rice Auditorium and the host team did not treat their visitors kindly as they dominated the match-winning the best three of five set match in three sets, 15-3, 15-12, 15-6.

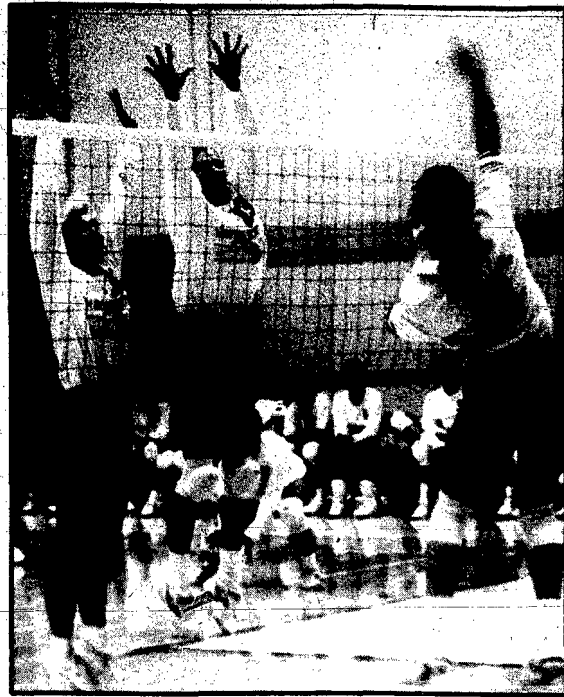

"I was extremely pleased with our effort," first year coach Nancy Clark said. "Our biggest play was to make Wesleyan play defense instead of letting them get into their offense."

Shelly Lueders and Tracy Kuester led the team with six kill spikes while Buffy Romshek notched five kills. Lueders also led the team in blocks as she recorded seven solo blocks and six assists for 13 total blocks. Teammate Kristy Jaminet had six solo blocks and five

assists for 11 total blocks while Tracy Kuester had three solo blocks and five assists for eight total blocks.

"We worked hard on our blocks all week in practice," Clark said. "It really paid off in the Wesleyan game." Nancy Kennedy and Pam Sullivan led the team in setting with 10 and seven set assists respectively.

The aggressive serving Wildcats did a nice job of serving to the holes instead of serving to the people according to Clark. "We are working on serving aggressively to the weak areas of the opponent after watching game films," Clark said. "Although our serve percentage isn't as high as I would have liked it to be I thought we did a good job of serving aggressively."

TRACY ATKINS and Shelly Lueders go up to block a Nebraska Wesleyan spike attempt during action in Rice Auditorium on Thursday night. Wayne State defeated the visitors from Lincoln in straight sets as they put on a spectacular performance in front of a nice size crowd. Lueders finished the game with six kills and 13 blocks.

Winside wins fourth game in five tries

The Winside volleyball team traveled to play the Laurel Bears Thursday night and for the fourth time this season in five outings, Paul Giesselmann's troops came out victorious, 15-8, 15-8.

"It was a nice win for us," Giesselmann said. "We felt we were in control the whole match even though we didn't play that sharp." Giesselmann was a little disappointed in the Wildcat serve percentage as it dipped below the 90 percent mark at 85.

Shannon Holdorf was the leading server for Winside as she went 11-11 with six aces. Kelly Pichler went 8-9 with four aces and Kari Pichler went 8-10 with two aces. Jenny Jacobsen was 4-4 while Patty Oberle went 5-5 with one ace. Holly Holdorf had one ace on her 6-10 outing.

Kelly Pichler notched 14 set assists with several going to Jenny Jacobsen who was 10-13 in the spiking department with nine kills. Shannon Holdorf followed with an 8-10 performance with four kills. Patty Oberle went 3-6 with one kill while Kari Pichler and Wendy Rabe also recorded one kill apiece.

has enjoyed in volleyball in several years. Tuesday night the Wildcats will host a tournament in which they play Osmond in the first round at 5:30 p.m. followed by Wakefield and Coleridge. The consolation will follow the second game with the championship following the consolation.

Laurel served the match rat about 89 percent according to head coach Carol Manganaro. The 0-3 Bears were led by Tina Granquist who scored 10 points and was 13-15 from the service line. Bree Bebee, Jennifer Fritz and Stacy Nixon all notched 100 percent from the service line.

Bree Bebee was 13-15 in the setting category while Sherri Hangman was the leading spiker with a 5-7 effort including one kill. "I was pleased with our defense," Manganaro said. "We picked up a lot of hard spikes by Winside."

The Winside "B" and "C" teams were also victorious in games which preceded the varsity game with the "B" team winning 16-14 and 15-13 and the "C" team winning 11-7, 9-11, 11-9. "Our younger girls really looked good," Giesselmann said.

Deb Ward scored nine points to lead Laurel in the "B" game. "I thought our girls played with good intensity and more hustle," Manganaro said. Laurel will host Crofton in action on Tuesday night.

Softball recruits earn honors

WAYNE-Four softball recruits who will play for Wayne State's softball team this season under the direction of Dan Pollard recently earned all-state status in the state of Iowa.

Jenny Reuland of Estherville made the first team as a second baseman while Michelle Reinhardt of Cherokee made the third team as a catcher. Marsha Weier of George-Little Rock made the fourth team as a second baseman and Heather Hoffman made the fifth team as a pitcher from Perry.

Lueshen's Birders to meet

B.J. Rose, director of Ducks Unlimited, Omaha, will be the guest speaker at the October 11 meeting which will be held at NTCC, Room 100 A, at 7 p.m. His slide presentation is titled "Birds from Alaska to Arizona."

In other activities, the group will meet Saturday, Sept. 15, 8 a.m., for Adopt-a-Highway cleanup. Hosts will be Wes and Iva Thelander. Guests are welcome at the meetings. For more information call, 375-2391.

Wayne fresh lose to Cedar

WAYNE-Duane Blomenkamp's freshman football team traveled to Hartington Thursday to play Cedar's freshman team. Wayne fell to the host team by an 8-0 score.

Craig Hudson was the leading ground gainer for Wayne picking up 64 yards on 11 carries. Matt Blomenkamp connected on 6 of 17 pass attempts for 48 yards and one interception.

Defensively the Blue Devils looked good as Brian Brasch led the charge with 10 tackles while Matt Rise, Jason Wehrer and Kelly Meyer had six apiece. Tim Reinhardt recovered a fumble and Jason Wehrer intercepted two Cedar passes despite the loss.

Cedar scored the lone touchdown in the second quarter on a one yard run. The score was set up by a screen pass that went for good yardage according to Blomenkamp.

Laurel spikers struggling early

The Laurel Bears volleyball team is off to a struggling start in 1990 but do to the inexperience and youth on the team it is a struggle that will eventually be overcome.

The Bears season got underway last Thursday night with a home contest against Randolph. The visiting Cardinals won 15-5, 15-12. Then on Tuesday night Laurel traveled to Bloomfield and was soundly defeated 15-5, 15-4.

Deb Ward led the team against Randolph with five points despite an 82 percent serving percentage for the team. Ward was the lead-

ing setter as well connecting on 16 of 18 attempts.

Against Bloomfield the Bears could only convert 80 percent of their serves in a 21-26 effort. Bree Bebee led the team with four points. In the setting department Bebee made good on 14 of 15 set attempts. Tina Granquist and Amy Peters led the team with two kills each.

"We are a very young team right now," Laurel coach Carol Manganaro said. "All six of our starters are starting for the first time ever. Defensively our cover-

ing was better against Bloomfield but overall we feel our defense has to be sound if we are going to be successful and right now it isn't."

The Laurel "B" team fell 15-10, 3-15, 15-8 against Randolph and they fell 15-12, 15-9 at Bloomfield. Against Randolph Erika Gregg had eight points in a perfect 11-11 serving outing. Against Bloomfield the serving game fell apart as the Bears completed just 76 percent of their serve attempts. Deb Ward led the team with five points.

Ward was also the leading set-

ter completing 15 of 16 set attempts while Wendy Carstensen was 6-8. Courtney Thomas went 7-9 in the spiking department with one kill while Erika Gregg was 6-8. Brandi Mathiason went 4-6 with one kill and Amy Peters went 2-3.

The Laurel "C" team fell 1-11, 11-6, 11-6 to Randolph on opening night but they rebounded against Bloomfield to win 4-11, 11-3, 11-9. Tara Erwin scored seven points in the game with Randolph on a perfect 10-10 serving outing. Brandy Hintz led the way for Laurel in its win over Bloomfield with six points. Kristy Stark added five points.

Although no new personnel was hired in this year's staff at the Winside Public School system, several changes in positions were made.

Mrs. Robert (Lynne) Wacker of Winside is now teaching in the sixth grade. Prior to this year, she taught kindergarten in Winside for four years and was also a teacher's aid for one year. Other experience includes four years at District 57 in Wayne County. Mrs. Wacker has a bachelor of education degree from Wayne State College. She has two children, Darren, a student at Buena Vista College in Storm Lake, Iowa, and Jennifer, a senior at Winside High School.

Mrs. Ken (Barb) Kollath, rural Hoskins, is this year's kindergarten teacher. Prior to this position, she completed a vacancy in the sixth grade last spring and was a teacher's aid in Winside for two years. She also has taught in the Hadar Public School, District 10 of Stanton County and at the Youth Development Center in Geneva. She has a bachelor of education degree from the University of Nebraska as well as credit hours towards a masters at Wayne State College. She is the mother of two sons, Michael, 12, and Jeff, 9, both students at Winside.

Mrs. Jeff (Jeanette) Weatherholt of rural Stanton is the 1990-91 teachers aid in Winside, grades K-6. She previously was substitute teacher for Wayne and Stanton counties. She has a two year teaching certificate from the University of Nebraska and a substitute teaching certificate from Wayne State College. Previously, she also taught in the Pilger elementary school. She has four children, Scott of Stanton, Rick and Doug of Lincoln and Mrs. Jane Doesch of Omaha. She also has four grandchildren.

Mrs. Kurtis (Kris) Marotz of rural Hoskins has been hired as a part-time cafeteria aid. She was a substitute worker in the kitchen the previous year. She is the mother of two children, Makayla, 7, and Daniel, 4.

SMOKER

The Roy Reed American Legion will host a Smoker on Saturday, Sept. 15 in the Legion Hall starting at 7 p.m. They will be serving beef and ham, beans and chips, all evening for a \$3.50 donation. All proceeds will go to the new Legion Hall building fund.

Commander Gerald Pospishil conducted the Tuesday, Sept. 4 meeting. Wayne Denkiau gave the secretary and treasurer reports.

Members discussed the new building project. Seventy-two attended the annual family picnic held Aug. 26. The next meeting will be Tuesday, Oct. 2 at 8 p.m.

FAMILY SWIMMING

Winside area residents are again being offered reduced family swimming rates on Saturday evenings at the Norfolk YMCA. Rates were to begin Saturday, Sept. 8 and will run through May, 1991. Hours for swimming will be 6-9:45 p.m. on Saturday.

You must identify yourself at the YMCA as being part of the Winside group to receive the following rates: youth 18 and under, \$1.10; adults, \$2; or \$5.25 per family, any number of children. Anyone wanting more information can contact Mrs. Gloria Lessman of Winside, 286-4260.

'50'S REVIVAL WEEK'

The Winside cafeteria is sponsoring "50's Revival Week" this week with special activities for the students over the lunch period. Students are encouraged to wear 50's styles - pony tails, rolled up jeans, bobby socks, poodle skirts and letter sweaters.

New product line announced

WAYNE - Farmers Feed and Seed is happy to announce that they have been selected to be the Hubbard Dealer for the Wayne area.

The addition of Hubbard products is in addition to the Golden Sun products.

Women should check records

AREA - Women who have changed their names through marriage or divorce during their working careers should be sure to check their Social Security records to verify that all their earnings are credited correctly, Tom O'Connor, Social Security manager in Norfolk, said.

Married women who are self-employed need to check their records carefully too. According to the Internal Revenue Service, some married women who filed a joint tax return and were self-employed under their maiden names may not have their earnings recorded correctly.

Name changes should be reported to a person's employer and to the Social Security Administration so that a new Social Security card can be issued. The new card

will have the same number as the old card.

Although these steps should insure that a woman's earnings get recorded correctly, it is still a good idea to send for and review one's earnings statement every three years, O'Connor said. Errors can usually be corrected if they are identified early.

To get an earnings statement, call Social Security and ask for a Form SSA-7004. Complete the form and mail it in. The statement will be sent in a few weeks. And the service is free.

Social Security's phone number is 1-800-234-5772 and teleservice representatives are standing by from 7 a.m. to 7 p.m. each business day. The Norfolk office is located at 1310 Norfolk Avenue.

BUSINESS FOCUS

THE NEW TOUCHLESS car wash makes car cleaning as easy as a snap. After depositing coins, customers can drive their cars into the washing area.

FAST, FRIENDLY SERVICE IS A trademark of Zachs as employees (from left) Darrel Metzler, Wayne Denkiau and Jeff Loberg are always ready to serve.

Ready to serve all your needs

Additions to services puts Zachs on the move

Wayne Derby is on the move again, according to owner Dave Zach.

In addition to having propane and laundramat service, Zach's sells Good Year tires, some major appliances, water softeners and Lennox heating and air conditioning equipment.

New to the list of services is the addition of a 24-hour card lock fuel service and a touchless car wash. The chain of Derby stores was also recently bought out by Coastal Stores, Inc. and Zach Oil now carries Coastal brand gasoline.

The new addition to the Zach Oil is the card-lock fuel system, which allows customers to purchase gasoline 24-hours a day.

According to Zach, if someone doesn't know their number, a computer inside the store keeps track of who's using the machine and who isn't. He also said the computer will register when a bogus number is registered, so safety is its primary concern.

"Basically, it's a cardless system where you use a personal identification number," Zach said. "Some can use cards similar to credit cards if they want but they can also just use their card number followed by a PIN. It's a very safe system since there's several seven-number combinations which can be used."

New this summer was the addition of the touchless 24-hour car wash.

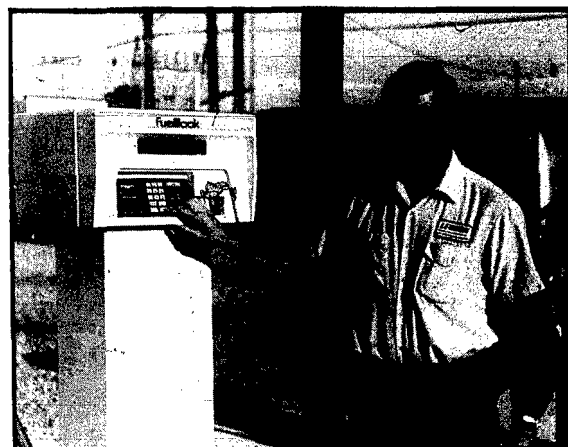

According to Zach, owner of the car wash, the system works without using brushes. He said the system can wash all cars, vans and extended cab pickups with toppers.

"The reason this system is better than the old brush system is because the only thing coming in contact with your car is water," he said. "You don't run the risk of the brush damaging the paint job on your car."

In addition to cleaning the sides and the top of your vehicle, the car wash will clean the undercarriage as well. Zach said this feature is important to car owners, especially in the winter.

"The undercarriage wash will clean out any road salt your car might pick up," he said.

The plan is to have the car wash open during the winter so car owners can keep their car clean.

OWNER DAVE ZACH demonstrates how the fuel lock system works. The new system, which can be run by either punching in account numbers and a personal identification code or an account card plus a code, makes gasoline available 24-hours a day. It's also easier for customers since they only have to pay for gas once a month.
