Deadline nears

WAYNE - The National Engineering Aptitude Search (NEAS) test will be given at Wayne State College on Nov. 17. The registration deadline for the event is Oct. 12.

The test is for students in grades nine through 12 and has a registration fee of \$15. Registration forms may be obtained from high school guidance counselors.

Mail the registration forms and proper fees to ACT-NEAS (82), P.O. Box 168, Iowa City, Iowa 52243 postmarked no later than Oct. 12.

Trail request

WAYNE - Wayne State College's new fitness trail is being used by hundreds of joggers and walkers; however, college officials say the black-topped surface is also receiving some unwanted use.

Bicycles, skateboards and golf carts have been used on the fitness trail, thereby increasing chances for accidents, according to Pete Chapman, athletic director at Wayne State.

"We've received several complaints from people who have been inconvenienced due to some type of vehicle on the trail," Chapman said. "It's not constructed or designed for anything except walking or jogging."

The fitness trail is open to the public from sunrise to sunset, according to college officials.

Joint venture

WAYNE - In addition to existing facilities, Wayne citizens can now be advised of local emergency conditions via the Cablevision Emergency Alert System. The system includes all subscribers of Jones Intercable within the city of Wayne.

According to Police Chief Vern Fairchild, the system is intended for use in times of serious danger to life and property. Utilization of the system shall include, but not be limited to: tornado warnings, hazardous material incidents; emergency broadcast system activations, snow emergency for the City of Wayne, severe blizzard warnings, emergency school closings and eminent threat to life and property situations.

Monthly tests

WAYNE - The monthly testing of the civil defense outdoor warning system and Cable vision emergency alert system will be conducted Friday, Sept. 28 at 11:45 a.m., according to Police Chief Vern Fairchild.

All signals will be tested in the silent mode with the exception of the attack signal which will be allowed to run approximately 15 seconds to test the effectiveness of the system.

Immediately following the testing of the outdoor system, the city will test the Cablevision Emergency Alert System. This will mean the disruption of both the audio and the video programming of every television which is hooked to cable.

Conway voices concerns over lid

By Mark Crist
Managing Editor

During a Chamber of Commerce legislative meeting Wednesday, local businessmen heard first-hand what would happen if the 2 percent spending lid, also known as ballot Measure 405, passes.

According to District 17 Sen. Gerry Conway, R-Wayne, if the lid passes in November, it would ruin most state-funded agencies from a financial perspective. He said there's no way state-funded agencies could adjust.

Conway also addressed the effects of LB 1059, the school finance measure, which faces repeal on the November ballot.

"If you look at the local people working on this, you have a history of being very conservative. But this bill is the first move away from legislative government and local control," he said of the 2 percent solution, as called by anti-tax activist Ed Jaksha.

CONWAY TRIED TO analyze what would happen in hypothetical situations, say for instance if LB 1059 were repealed and the 2 percent lid passes.

"If the 2 percent lid passes and LB 1059 is voted out, we're in trouble," he said. "If they both stay in place, LB 1059 will pretty much be removed because that money can't come back into schools."

LB 1059 currently has a 4 per-

cent spending clause in it, which helps lower school dependence on property tax by increasing dependence on state money through sales and income tax. That 4 percent lid is good for two years.

CRITICIZING THE PROPOSED 2 percent amendment, Conway said the measure makes references to constitutional laws that don't exist. He said if the bill passes, it could result in a number of lawsuits from contracted officials who cannot be paid because there's no money to pay them.

"Contracted teachers could sue the college for not being paid," he said, "and that's just one example."

According to Andrew Soll, vice-president for administration of fi-

nances at Wayne State College, said the 2 percent lid would eliminate the extended campus program for the summer of 1991. He said eliminating that program would solve only one-third of the budgetary problems the school would face.

CONWAY SAID THERE ARE several scary aspects of the bill. He said as it is, the bill is retroactive, meaning it would crunch budgets already in place. He said, for instance, that the City of Wayne's budget, which was passed in late July and went into effect in August, would be hurt because the amendment focuses on all budgets which end after Jan. 1, 1991.

"The intent of the bill was to

limit literally everything," he said. "If you look at the 2 percent lid, you're looking at a 2 percent spending limit. For instance, we receive 80 percent funding from the federal government for our roads. If this amendment goes into law, we won't be able to use those federal dollars because they exceed that 2 percent lid."

In addition, there are no provisions in Measure 405 for emergencies, he said.

"If we have a bridge wash out, we probably won't be able to replace it without a special election," he said.

A special election is the only way to make budget increases of

JUST AFTER GETTING PRICKED IN THE finger with a needle, Kevin Haglund realizes that medical checkups aren't always all that fun.

Program provides medical services to those in need

By Mark Crist
Managing Editor

Immunization is one of the most important things to the health and well-being of a baby and that's one reason why Goldenrod Hills holds its tri-county baby wellness and immunization clinic at Providence Medical Center.

Immunizations given by the program include polio, diphtheria, tetanus and pertussis (DPT), measles, mumps and rubella (MMR) and H-flu meningitis vaccine (HIB).

The clinic is held the third Thursday of month in the hospital's new west wing. According to Marcile Thomas, administrator of the hospital, the west wing fits Goldenrod Hills needs well.

THE PURPOSE OF THE program is to help people with medical costs, according to Bonnie Marburger, one of the registered nurses who helps in the program. In her duties, Marburger assists mothers with education as well as preparatory work before the doctor sees the baby.

Only mothers who meet the 185 percent income guidelines can have their child checked by the doctor.

"It can help in early detection of a disease," Marburger said. "The blood work and the weighing checks is something they wouldn't otherwise get. There's also a follow-up in the home to help teach the parent child care."

A good number of mothers with children in the program are single parents and some are teenagers, according to Alvena Wilson, who coordinates the Wayne program.

THE FEDERAL GRANT WAS approved for the program a little over a year ago and since that time, officials at the clinic have seen a number of youngsters and provided assistance to the parents.

According to information provided by Wilson, persons who use the program may fall under specific poverty guidelines or be in an at-risk category which includes: stress, teen pregnancy, single families, no insurance, time frame between last checkup or by personal reference from another agency.

"The service we're providing is allowing us to catch symptoms in the children," Wilson said. "As I'm working with the program, I'm learning that there is a need for it."

People who use the service come from Wayne, Dixon and Cedar counties. Wilson, who was recently transferred from the Wisner office, is the new family service coordinator in Wayne. She said some of the things which make the program run smoothly is the assistance Goldenrod Hills receives.

IN ADDITION TO GETTING state and federal dollars, Providence Medical Center provides free use of its new west wing. Mothers can bring their child into the wing without disturbing patients staying in the hospital since they can walk down the sidewalk and enter through the west doors, where there is then a waiting room.

Democrat's choice for lieutenant governor talks to politics class

By Mark Crist
Managing Editor

Speaking in front of the Wayne State College "Introduction to Politics" class Thursday, Maxine Moul finished a five-day swing which took her through much of northeast Nebraska.

Moul, the Democratic candidate for lieutenant governor, criticized the state's spending trends over the past four years and said under a Ben Nelson ticket, things would change.

In harmony with the Nelson campaign, Moul voiced support for a statewide lottery system, amending LB 1059 and increasing economic development for small businesses in rural communities. She voiced concern over the proposed 2 percent spending lid and the rise in state spending under the Gov. Kay Orr administration.

WHEN ASKED ABOUT spending, Moul said she and Nelson would look at every area of the budget and ask entities to submit a 0 percent budget with prioritized budgetary items. She said at that point they would look at what the state can afford.

Her response received some mixed reviews by students and faculty members.

"We support funding for higher education so we can keep up with other states," she said. "We are behind in pay increases for faculty but increasing pay depends on how that plan fits into the budget."

Moul added that she wouldn't allow herself to be pinned down on specific topics.

UPPERMOST IN HER mind was economic development in rural areas. She said she would like to see the state implement money for small businesses which would enable them to afford start-up costs. As the owner of the Syracuse Journal-Democrat, she said it was difficult for her and her husband to afford buying the business.

"I think I have a good working relationship with Ben Nelson and I we have a good working relationship where we can get things done once we're elected," she said.

One of her campaign promises is to get out and meet with the people and find out the issues they're facing and take those concerns back to the governor.

"It's impossible for Ben Nelson to get out and visit all the areas of the state," she said. "One weekend, between us we covered two-thirds of the state. That's a lot of territory

Fundraiser planned to assist local family

By Mark Crist
Managing Editor

When Dennis and Candi Schlines home burnt down a few weeks ago they lost all their material belongings.

Although it will take some time to replace what was destroyed, several local businesses are doing their part to help out.

Last week, The Windmill restaurant and lounge and Heritage Homes sponsored a dance to raise money for the Schlines family. Next weekend, Restful Knights is going to do its part.

AS UNUSUAL AS IDEAS go, Restful Knights has come up with a unique idea by holding a sew-athon Saturday, Sept. 29 to raise money for the Schlines family. Restful Knights employees will be donating one day's labor to help the Schlines.

Although a little bit complicated, past and present employees will donate the money they would normally make during the work day, in addition to profits made if they exceed the average number

Bargstadts honored at open house in Winside

Mr. and Mrs. Alvin Bargstadt of Winside celebrated their golden wedding anniversary on Sept. 16 with an open house reception in the Winside village auditorium. Granddaughter Annette Bargstadt registered over 300 guests from South Dakota; Missouri; Wisconsin; Pierce, Norfolk, Wayne, Hoskins, Carroll, Aigsworth, Kennard, Omaha, Falls City, Beatrice, West Point, Winside, Pender, Scribner, Osmond, Pilger, Bellevue, McLean and Fort Calhoun. The honorees were presented a corsage and boutonniere from their children who hosted the event, including Mr. and Mrs. Randall Bargstadt of Winside and Mr. and Mrs. Bob Gustafson and Mr. and Mrs. Roger Bargstadt of Omaha. Decorations included a display of family and wedding photos.

MEMBERS of the couple's wedding party attending the celebration included Ethel Thanel of

Norfolk, Helen Wachholtz and Elaine Ehlers, both of Pierce, Gloria Vollers of Pender and Harold Herbolzheimer of Springfield, Mo. Daisy Janke and Darci-Frahm catered the supper and baked the decorated sheet cakes which were cut by Ethel Thanel and Helen Wachholtz. Punch was served by granddaughters Shannon and Kari Bargstadt and grandson Justin Bargstadt. Assisting in the kitchen were Betty Miller, Fauneil Weible, Erna Hoffman, Bernice Witt, Dottie Wacker and Gladys Rhode. Serving soft drinks were Bill Burris and Bob Gustafson. Following the reception, a dance was held with music provided by Art Schmidt and His Rhythm Swingsters.

ALVIN Bargstadt and Hilda Herbolzheimer were married Sept. 15, 1940 at Pierce in a double ceremony with Elaine Ehlers and her late husband George.

Martin Rump semi-finalist for National Merit Scholarship

WAYNE - Martin Rump, son of Dr. and Mrs. Carl Rump, is a semi-finalist in the National Merit Scholarship Program. Rump had the eighth highest qualifying score in the state. A total of 119 students earned semi-finalist status. In Nebraska, 8,428 eligible students took the PSAT. More than one million students in over 19,000 U.S. high schools entered the 1991 Merit program as juniors by taking the 1989 preliminary scholastic aptitude test/national merit scholarship qualifying test, which serves as an initial screen of the large volume of entrants. According to information from the National Merit Scholarship program, about 90 percent of the semifinalists are expected to become finalists and all merit scholarship winners will be chosen from the group of exceptionally able finalists. Award recipients will be the candidates judged to have the greatest potential for success in rigorous college studies.

Martin Rump

Every finalist will be considered for one of 1,800 National Merit \$2,000 scholarships that are allocated on a state representational basis, according to each state's percentage of the national total of high school graduates.

Griesch commended student

WAYNE - Dr. Don Zeiss, Wayne High School principal, announced recently that Jeff Griesch has been named a commended student in the National Merit Scholarship program.

A letter of commendation from the school and National Merit Scholarship Corporation, which conducts the program, will be presented to Griesch.

About 35,000 commended students nationwide are being honored for their outstanding performance on the 1989 PSAT/NMSQT, which places them in the top five percent of more than one million students who entered the 1991 Merit Program by taking the qualifying test.

Commended students scored slightly below the level required to continue in the 1991 competition for Merit Scholarships, but they have shown exceptional academic promise.

Griesch is the son of Mr. and Mrs. Mark Griesch. He had the 143rd ranking score of 8,428 students in Nebraska. Two hundred sixteen earned commended student honors.

St. Paul's WELCA approves officers slate

St. Paul's Women of the Evangelical Lutheran Church in America (WELCA) met Sept. 12 at the church with 21 members present. Loretta Baier opened with prayer. The slate of officers was presented and approved by the group.

New officers are Cleve Willers, president; Ruth Fleer, vice president; Ardyce Reeg, secretary; and Dorothy Aurich, treasurer. Faith and life chairman is Mary Martinson, assisted by Irene Hansen and Leona Hammer. Other chairmen are Ruth Baier and Hazel James, outreach and fellowship; Joy Gettman, Christian action; Ardyce Reeg, publicity; and Joy Magnuson, kitchen.

A CARD of thanks was received from Harvey and Margaret Lutt for serving at their anniversary. Joy Gettman thanked the group for the cards and prayers for LaMae during her illness.

Mary Martinson reported there were nine at the communion service at Wayne Care Centre and 15 shut-in members at the communion service held at the parsonage

on Sept. 10. Helga Nedergaard served the refreshments. Christian action reported mailing three get well cards, two baby cards and four sympathy cards. Marilyn Carhart and Hazel James reported on serving at funeral services for Max Brudigan and Hans Rethwisch.

HAZEL James was named the delegate from St. Paul's to attend the convention in Grand Island on Sept. 21-22.

The 1991 Spring Gathering will take place April 11 at Grace Lutheran Church in West Point.

Women were invited to be guests of First Trinity Lutheran Church, Altona, on Oct. 4 at 1:30 p.m.

Invitations also have been received to attend guest night at Salem Lutheran Church, Wakefield on Sept. 27 at 6:30 p.m. and at Concordia Lutheran Church, Concord, on Oct. 18 at 7:30 p.m.

THE GROUP voted to purchase a quilt top and quilt for Camp Joy Holling in 1991. This year's quilt for the camp sold for \$240.

Discussion was held concerning serving supper at the Campus Ministry house. Loretta Baier planned the Sept. 9 supper and Ardyce and Emilie Reeg served with 24 attending. St. Paul's planned to serve again on Sept. 23 and in October.

St. Paul's and Redeemer Lutheran Churches will then alternate months of serving. Supper will be the second Sunday of each month at 6 p.m.

MARILYN Carhart presented the program with members singing "Take My Life and Let It Be," accompanied by Joy Gettman.

The group viewed a film, "Flying Quilts," focusing on Lutheran World Relief.

Dorothy Aurich gave a reading on "Giving" and Naomi Isebrand read from Psalms. Alice Lennart spoke on "Our Talents" and Marilyn Carhart read from Genesis.

Mrs. Aurich closed with prayer and Loretta Baier had the table prayer. Hostesses were Marcille Draghu and Elaine Draghu.

The next WELCA meeting will

be Oct. 10 at 2 p.m. Leone Jager will have the program on hunger, and hostesses will be Margaret Lutt and Leona Hammer.

ALTAR GUILD met Sept. 6 at the church with Ruth Fleer as lesson leader and Evie Schock as hostess. Four members went to Yankton and toured the nunnery and convent at Mount Marty College.

The next Altar Guild meeting will be Oct. 4 at 9 a.m. with Helga Nedergaard as lesson leader and Alice Lennart as hostess.

Sewing group met recently and tied one quilt and several lap robes. The new day for sewing is the fourth Thursday of each month, with the next meeting scheduled Sept. 27 at 9:30 a.m. There will be a potluck dinner.

Esther Circle met Sept. 7. The next meeting will be Oct. 5 with Leone Jager as lesson leader and Hazel James as hostess.

Naomi Circle met Sept. 20 with Ruth Fleer as lesson leader. Evening Circle will meet today (Monday) at 7:30 p.m.

By VFW Auxiliary

Gold Star members honored

The Llewellyn B. Whitmore VFW Auxiliary No. 5291 met Sept. 10 at the post home with 17 members answering roll call.

Gold Star members were honored during the evening and presented gifts. Honored were Eveline Thompson, Dorothy Dangberg and Arlene Lundahl.

Gold Star chairman was Fauneil Hoffman.

WAYNE Denklau, post commander, spoke to the group concerning plans for the district convention to be hosted by the Wayne post and auxiliary on Oct. 21. Plans were discussed and voted on.

Denklau also thanked the members who helped clean the Vet's Club following the recent remodeling project.

In addition, Denklau encouraged members to vote no on the VFW lottery bill and to stay informed on the other two petitions which will appear on the Novem-

ber ballot.

THE REGULAR business meeting was called to order by President Glennadine Barker. The treasurer reported 16 paid-up members.

A thank you note was read from the family of Nettie Reibold, a deceased member.

Eveline Thompson reported for cancer aid and research and announced that a grant had been received by member Dagmar Jensen, now deceased.

It also was announced that Nebraska received more aid from national this year than was contributed and that local auxiliaries should attempt to give more to the fund.

It was reported that 189 pillows were cleaned during the recent pillow cleaning. Members assisting were Fauneil Hoffman, Helen Siefken, Darlene Draghu, Darlene Helgren, Lillian Granquist and Eveline Thompson.

Blue Devils score on opening play

Wayne wins by 20

By Kevin Peterson
Sports Editor

Wayne senior running back Chris Fredrickson took the opening play from scrimmage and raced 69 yards for a touchdown Friday night which propelled Wayne to a 34-14 win over visiting David City Aquinas at Memorial Field. The win upped the Blue Devil record to a perfect 4-0 while David City Aquinas fell to 2-2.

Following Wayne's score the visitors drove the ball the length of the field and scored on a 22 yard pass play to even the score at seven apiece, but foreign exchange placekicker Morten Lundsgaard came back in the second period and booted a 27 yard field goal with 7:32 remaining which put Wayne ahead for good.

The Blue Devils added a couple of touchdowns in the second quarter as well with Hamer plunging over from six yards out with 3:40 remaining before the intermission to give Wayne a 17-7 lead and then late in the second quarter with David City Aquinas driving deep into Wayne territory Fredrickson pulled another big play out of his repertoire as he inter-

cepted a pass and rambled 92 yards for a touchdown with 2:07 left in the half to give Wayne a 24-7 halftime advantage. The 92-yard interception run for a touchdown is a Wayne record.

Lundsgaard booted a 24 yard field goal with 44 seconds left in the third quarter to give the Blue Devils a 27-7 advantage and late in the fourth quarter with 5:55 remaining, Regg Carnes connected with Rusty Hamer on a 18 yard halfback pass for the final Wayne score. David City Aquinas scored late in the game on a 32 yard run with 5:20 remaining to round out the scoring.

Unofficially, Lundsgaard's two field goals in one game is another Wayne school record. The senior soccer style kicker scored a total of 10 points in the game as he connected on both field goal attempts and all four point after attempts on touchdowns.

Wayne's ball control offense grounded out 21 first downs in the game compared to eight for David City Aquinas. The Blue Devils rushed for 338 yards while the visitors netted just 64 rushing yards. Wayne was 4-8 through the air for

39 yards and one interception and David City Aquinas was 7-21 for 95 yards. Wayne held a total yard advantage of 377-159.

Chris Fredrickson and Rusty Hamer were each over 100 yards

rushing with Fredrickson gaining 132 yards on 17 attempts and Hamer picking up 116 yards on 16 carries. Cory Wieseler gained 63 yards on 14 carries.

Wieseler was 3-7 in passing for 21 yards and Regg Carnes was 1-1 for 18 yards and a touchdown. Hamer was on the receiving end of two passes for 27 yards while Fredrickson and Carnes each caught one pass for six yards.

Jason Fink led the defense with 10 tackles while Matt Bruggeman and Regg Carnes each recorded nine. Carnes incidentally had nine solo tackles. Fredrickson had eight tackles while Jason Ehrhardt and Mike Zach had six and five respectively.

"I thought all the kids played very hard," Ehrhardt said. "We played with very few mistakes and when we did make a mistake we responded. We played clean, inspired football. Our kids answered every challenge."

WAYNE'S RUSTY HAMER looks for more yardage during Friday night's action at home against David City Aquinas. Both Hamer and Chris Fredrickson were well over 100 yards rushing on the night as Wayne handily defeated the visitors by a 34-14 margin.

Laurel gains win

The Laurel Bears and head coach Tom Luxford got their first football victory of the season Friday night but they had to do it in enemy territory as they got past Homer in Homer by a 20-13 count.

"This was a big win for us," Luxford said. "It was Homer's homecoming and they were ready to play us but our kids responded and rose to the challenge." Laurel scored its first touchdown of the game in the first quarter on a seven yard pass from Travis Monson to Kelly Arens on a fourth down and goal play.

In the second quarter the Laurel defense held Homer and forced the host team to punt. Brian Penne took the punt and the 35 yard line and rambled 65 yards into the endzone to give the Bears a 12-0 lead.

Brian has had a kick return for a touchdown in all three of our games," Luxford said. Homer bounced back and scored to close the gap to 12-7 at the intermis-

sion. In the third quarter Homer actually took a 13-12 lead but early in the fourth quarter Laurel's Pat Arens plunged over from two yards out and Monson ran the two point conversion in for a 20-13 win.

"The kids played really hard," Luxford said. "The defense played with a lot of heart and the offense spread things out and we just went right at them." The only drawback of the game is that Laurel had two punts that were blocked.

The Bears had 11 first downs while Homer had eight. Laurel grounded out 136 yards rushing compared to 79 for Homer. Monson was 2-4 in passing for 19 yards while Homer was 7-13 for 68 yards.

Pat Arens ran for 77 yards while Monson netted 23. Penne and Kelly Arens each caught one pass for 11 and seven yards respectively. Defensively the Bears were led by Rusty Reifenrath and Bruce Haisch with 12 tackles each. Matt Kessinger had 11 while Travis Monson had eight.

Allen falls to Bancroft

Bancroft-Rosalie showed no mercy Friday night as they invaded the Allen football field and blistered Mike Busselmann's Eagles by a 52-8 margin. Allen remained winless following the game in four outings.

The score however may be a little deceiving. A 52-8 margin would leave most thinking that Allen could do no right and Bancroft-Rosalie could do no wrong.

The visiting Panthers scored a touchdown in the first quarter to take an 8-0 lead. Bancroft-Rosalie expanded that lead to 16-0 in the second quarter before Allen scored on a three yard run by quarterback Shane Dahl. Dahl then hit Jody Martinson for the two point conversion to cut the lead to 16-8.

Bancroft-Rosalie scored again in the third quarter to make it a 24-8 game but then in the fourth quarter the roof caved in on the Eagles as the Panthers scored 28 fourth quarter points.

"It was a good game for a while," Busselmann said. "Bancroft-Rosalie was the recipient of some gifts by us which led to quick scores such as starting on our five yard line, a fumble in the endzone, etc."

At any rate the visitors rushed for 203 yards and passed for 83 for a 286 total while Allen rushed for 96 yards and passed for 67 more for a 163 total. Shane Dahl was 5-5 for 48 yards through the air with two interceptions while Curtis Oswald was 1-2 for 19 yards.

Martinson was on the receiving end of five passes for 48 yards and Casey Schroeder caught the other for 19 yards. Defensively the Eagles were led by Kevin Crogrove with 21 tackles. Shane Dahl finished with 20 while Shane Fiscus and Curtis Oswald had 12 and 10 respectively.

The Allen Eagles will host Wynot on Friday night and Busselmann's crew will be in search of their first victory of the 1990 campaign. The Eagles hope also for the return of injured running back Chris Sachau who was injured in the Newcastle contest last week.

Trojans fall 13-0

The Wakefield Trojans football team had a huge task confronting them on Friday night as they traveled to play preseason number one rated Norfolk Catholic.

As expected the host team won the game but not in a manner in which was predicted by many after the Trojans lost 35-7 to Battle Creek in Wakefield just two weeks ago—a team which also beat Norfolk Catholic by seven points in overtime in Battle Creek the first week of the season.

Still, Dennis Wilbur's Trojans showed up to play and Wakefield nearly walked away with the upset win, falling by a 13-0 margin. "We got down on their four yard line and scored a touchdown but it was called back because of a motion penalty," Wilbur said. "We later went for it on fourth down but missed it."

Junior running back Anthony Brown shredded the Norfolk Catholic defense for 118 yards on 20 carries. In fact, Wakefield

rushed for 200 yards while Norfolk Catholic could manage just 83 yards rushing but the host team did their damage through the air as Wakefield fell victim to 170 yards passing by Norfolk Catholic.

Wakefield managed just 33 yards passing as Marc Tappe was just 6-17 with three interceptions. Brown and Kyle Torczon each caught three passes. Larry Johnson incidentally, rushed for 64 yards on five carries. Defensively the Trojans were led by Larry Johnson as well with 11 tackles. Anthony Brown notched nine while Ben Dutton had eight.

Cory Blattert and Thad Nixon each had seven tackles while Mark Demke and Kyle Torczon had six each. "Overall this was the best game we played," Wilbur said. "Norfolk Catholic is a real good ball team. We had our opportunities but we just couldn't capitalize."

Wakefield will be at home the next two weeks hosting Homer and Ponca respectively.

Wildcats win in straight sets

Winside spikers improve to 7-2 with win over Stanton

Paul Giesselmann's Winside Wildcats upped their season record to 7-2 with a straight set victory over visiting Stanton on Thursday night. "Stanton has a real strong team," Giesselmann said. "We knew we had to play a solid game in order to beat them."

The Wildcats edged the Fillies 16-14 in the first set and then dominated the visitors in the second set by a 15-4 margin. "We were down 14-12 in the first set and during a time out I told the girls if we could just get the score tied I thought we could win it," Giesselmann said. "The girls really played aggressive and smart."

As a team the Wildcats connected on 90 percent of their serves with Shannon Holdorf leading the way with a perfect 10-10 outing with four aces. Holly Holdorf was 12-15 with one ace while Patty Oberle was 6-7 with an ace. Jenny Jacobsen and Kari Pichler each went 6-6 and Kelly Pichler was 6-7.

Kelly Pichler was the setter once again for the Wildcats and the senior notched 14 set assists. Jenny Jacobsen led the team in spiking

with a 14-15 performance which included nine kills.

Wendy Rabe was 10-13 on the night with seven kills and Shannon Holdorf was 4-6 with four kills. Patty Oberle went 6-6 with one kill. As a team the Wildcats had a kill spike percentage of .366.

Wendy Rabe led the team in ace blocks with five while Jenny Jacobsen and Kelly Pichler had two apiece. Shannon Holdorf also recorded an ace block. "I think Wendy Rabe has improved tremendously over the past couple of matches," Giesselmann said. "I was very pleased with the way everyone of our girls played but Wendy has really come on the last few outings."

Giesselmann also highlighted the play of Shannon Holdorf who led the team in serving as well as floor play. The Winside Wildcats made it a clean sweep on the night with the reserves winning in three sets and the "C" team winning in straight sets.

Winside will now set its sights on Coleridge who will invade Winside on Thursday night.

SHANNON HOLDORF returns a Stanton serve to her setter during Thursday night's match.

Lutt aces hole

WAYNE-Don Lutt fired a hole in one at the Wayne Country Club Wednesday afternoon on number 17. Lutt was using his driver on the 189 yard par three.

Pigskin Masters Competition

WAYNE-The Wayne County Jaycees will be sponsoring a Pigskin Masters competition on Tuesday, Sept. 25 at Overin Field. The competition will begin at 4 p.m.

There will be seven age groups in the competition. Participants from 7-13 will compete within their own group. The competition is open to boys and girls, who will compete together.

The competition consists of four events, including punting, passing, kicking and running. Participants will get two attempts in each event with the best attempt counting toward the final score.

Winners will advance to the state competition to be held on Oct. 6 at the Chappell High School football field.

Pumpkin Days Fun Run

WAKEFIELD-The Annual Pumpkin Days Fun Run will be held on Saturday, Oct. 6 at 10:30 a.m. You may register to run in the five mile race or the 2.5 mile run/walk.

Pre-registration is \$8 and must be in by Oct. 1. The cost is \$10 for those entering after Oct. 1. There will be awards for both men and women in each age group.

To register send name, address, phone number and T-shirt size to Gregg Cruickshank, Wakefield, NE 68784 or phone 287-2145. Make checks payable to Pumpkin Days Fun Run.

Hunter Safety Course offered

WAYNE-There will be a Hunter Safety Course offered on Sept. 24-25-26-27 from 6:30-9:30 p.m. at the Middle School Shop sponsored by the Nebraska Game and Parks Commission. The course is free of charge and open to anyone aged 11 and over including adults.

For further information contact Bill Wilson at 375-1174.

WSC women's golf team loses

WAYNE-Former Wayne High School golf star Holly Paige led Hastings to a one stroke victory over Wayne State Thursday afternoon in Wayne. The foursome from Hastings fired a 403 while WSC managed a 404 on the 18-hole course.

Paige was medalist with a 91. The Wildcats, playing without two of their regular golfers, slipped to 1-2 on the season. Freshman Dawn Garrett led WSC with a 92. Mindy Richards carded a 93 and Deena Curtis fired a 102. Shannon McGuire rounded out the squad with a 117. Curtis broke her glasses on the first tee and had to play the remaining 18 holes with limited vision, according to WSC coach Tom Cook.

WSC men's golf team place eighth

WAYNE-The Wayne State men's golf team placed eighth out of nine teams Thursday afternoon at the Northeast Community College Invitational in Norfolk. The host team won the tournament with a 301, followed by Northern State of South Dakota with a 311. WSC shot a 359.

Northeast's Carl Nordstrom was medalist with a 74, edging teammate Chad Kurlmel in a playoff. John Anthens was WSC's low scorer with an 81. Paul Parker was the next WSC golfer with an 87 while Jim Dykes and Brian Moore carded 90 and 91 respectively.

Junior high gridgers down Pierce

WAYNE-The Wayne Junior High football team defeated Pierce by a 16-6 margin recently. Quarterback Ryan Pick threw a 15 yard pass to Jason Carr for Wayne's first touchdown in the opening quarter which was converted into an eight point affair when Ryan Newman plunged over from three yards out for the two point conversion.

In the fourth quarter Wayne added another score as Dusty Jensen scored from one yard out. Again the Blue Devils added the two point conversion as Pick hit Craig Wetterberg on a pass.

Jensen was the leading rusher with 60 yards and was also the leading tackler on defense with seven tackles.

Wakefield defeats Hartington in two

The Wakefield Trojans volleyball team traveled to play Hartington recently and Paul Eaton's troops raised their season record to 4-2 by winning in straight sets over the host team, 15-10, 15-5.

"We really didn't play particularly well," Eaton said. "But I guess we played well enough to win. We really need to work hard this year to have a winning season after losing all our starters from a year ago."

Lisa Anderson led the team in serving with two aces and an 11-12 performance while Heidi Muller was a perfect 7-7. Kristen Miller was 20-22 in the setting depart-

ment with three set assists while Christy Otte was 18-22 with 11 set assists.

Wendy Kratke led the team in spiking with seven kills while connecting on 11 of 12 spike attempts while Sarah Salmon was 8-9 with three kills. Karla Boeckenhauer was 4-5 with two kills.

Kratke and Miller led the team in blocks with two and one respectively. "The kids are really working hard right now," Eaton said. "We have a little bit of a lay off before we play Wynot and we are going to work on improving our game in practice."

Wynot comes to Wakefield on Thursday.

Wayne girls, boys harriers win invite

Rocky Ruhl's cross country girls and boys teams traveled to O'Neill last week to take part in the O'Neill Invitational and the Blue Devils came away victorious in the boys and girls team competition as well as the junior varsity team race.

The Wayne girls remained undefeated on the season following the meet as they netted 19 points while runner-up O'Neill had 25. West Holt finished third with 36 points.

Tammy Geiger has yet to finish anything but first in the individual standings as she ran the course in 15:42—69 seconds ahead of the runner-up finisher who was from O'Neill.

Tami Schluns and Susie Ensz finished in the fourth and fifth place spots in times of 17:09 and 17:13 respectively. Ingrid Donald placed 13th in the individual standings with a 19:01 while Sheri Wortman and Amy Wriedt placed 15th and 16th each with times of 19:12 and 19:17. Jessica Wilson crossed the finish line in 20th place with a time of 20:07.

In the boys meet Todd Fuelberth crossed the finish line in first place with a time of 16:26. Aaron Wilson finished third with a 16:54 effort and Jason Johs placed seventh with a 16:57 time. Steve Dinsmore finished 10th with a 16:57 effort while Mike DeNaeyer and Matt Ley finished 14th and 15th respectively with times of 17:17 and 17:22 each.

Wayne scored 21 points to out-

distance runner-up Crofton reserves by 27 points. Bloomfield finished third with 51 points while Spencer Naper finished fourth with 65 points. West Holt had 86 points which was good enough for fifth place. O'Neill, Stuart and Valentine also took part.

The Wayne reserves made a clean sweep of things by placing first, second, third and fourth in their team race with Nate Stednitz placing first in a time of 17:19. Aaron Geiger placed runner-up with a 17:29 effort while Mark Meyer and Randy Johnson placed third and fourth each with times of 18:17 and 18:22.

Martin Rump placed sixth with a 19:41 time while Chris Sweetland and Spencer Bayless crossed the finish line in eighth and ninth place respectively in times of 23:18 and 23:22. Chad Stalling also took part but his time was not given.

"We had a great day in terms of results," Ruhl said. "The varsity and reserve boys won and the girls stayed undefeated on the season. The course was a mess. They ran the race at the airport because the golf course personnel decided not to let the kids run at the course."

Ruhl said the course that was run was very tough and several of the runners picked up cactus slivers. "Even though we had adverse running conditions we pulled through and got the win," Ruhl said.

MEGAN CORNISH catches a few drops of water following the first lap of a recent cross country race.

Allen volleyball team wins two straight on road

The Allen Eagles volleyball team recently defeated the Beemer Lady Bobcats in Beemer despite losing the first set 15-8. Gary Troth's Eagles rebounded to win the second and third sets with scores of 15-8 and 15-6.

"It seems like every game we play we get down by a five or six point margin right away," Troth said. "I don't know why but then we always seem to fight back."

Carla Stapleton and Denise Boyle led the team in serving with a 15-15 and 12-12 performance respectively. Heidi Lund was 11-12 with one ace. As a team the Eagles connected on 95 percent of their serves.

Stapleton also notched 28 set assists in a perfect 73-73 outing from the setting department while Denise Boyle and Cindy Chase were the catalysts in spiking with Boyle connecting on 30 of 37 spike attempts with 12 kills and Chase connecting on 22 of 27 spike attempts with eight kills.

Wendy Boyle was 8-10 with one kill and Alyssa McGrath was 6-7 with three kills. Heather Sachau was 6-8 with one kill. Wendy Boyle and Alyssa McGrath led the team in blocks with two and one respec-

tively.

"We really hit the ball hard all night long," Troth said. "Beemer did a real nice job of digging our spikes and it seemed like when they would dig a spike it went right back over the net so we had to set it up and spike it again."

On Thursday night the Eagles traveled to play Winnebago and Troth's crew upped their season record to 6-4 with a straight sets victory of 15-6, 15-11. Alyssa McGrath was 14-15 with one ace in the service department while Heidi Lund was 10-11 with three aces. Carla Stapleton went 6-6 and recorded an ace.

Stapleton was once again the setter for the Eagles and she notched nine set assists. Cindy Chase was 9-10 in the spiking department with two kills while Denise Boyle was 7-9 with three kills. Heather Sachau was 8-9 with two kills. Chase and Sachau each recorded an ace block.

On Monday and Tuesday the Lady Eagles will take part in the Newcastle tournament. Allen will play the winner of Newcastle and Wynot at 8:45 p.m. Monday. The consolation and the championship matches will take place on Tuesday.

Winside improves to 3-1

By Kevin Peterson
Sports Editor

Randy Geier's Winside Wildcats got back on the winning track Friday night in Winside as they got past the Osmond Tigers by a 26-16 margin. The Tigers however, were no pushover as they took the opening possession and drove the ball right down the field and scored a touchdown and with the two point conversion they quieted the Wildcat crowd with the 8-0 lead.

Winside came back in the quarter and scored on Jason Krueger's five yard run with 55 seconds remaining in the opening stanza. The two point conversion attempt failed so the wildcats were still on the short end of the 8-6 count.

Osmond scored with 2:17 remaining in the second quarter to make it a 14-6 game but Winside came back once again and scored on the last play of the half as time ran out on a 37 yard pass from Cory Jensen to Jeff Gallop. Again

the Wildcat two point conversion attempt failed so Osmond maintained a 14-12 lead at the break.

Winside received the kickoff to start the third quarter and Geier's troops drove the ball the length of the field and scored on a fourth down and goal play from the one yard line on a Jason Krueger dive. This time the two point conversion was good as Cory Jensen did the honors on an option play.

The initial drive of the third quarter by the Wildcats took over six minutes off the clock as most of the yardage came on the ground. With 4:55 remaining in the contest Shane Frahm scored from six yards out to give Winside a 26-14 cushion.

Frahm then took a punt snap from his own endzone with less than a minute remaining in the game and ran it out of the endzone for an automatic safety which rounded out the scoring.

"Our defense played an outstanding game," Geier said. "Osmond had the ball inside our territory six different times and

came away with no points. I am super proud of our kids. They gave a great effort and our offensive line did a nice job of front."

Winside finished with 15 first downs while Osmond managed eight. The Wildcats rushed for 204 yards while Osmond had 165. Jensen was 3-6 through the air for 40 yards while Osmond was also 3-6 but for a mere three yards. Jeff Gallop picked off an Osmond pass in the fourth quarter.

Jason Krueger led the offense with 97 yards rushing on 20 attempts while Jensen ran for 55 yards on 15 carries. Marcus Stueckrath had 25 yards on nine carries.

Gallop had two receptions for 35 yards and Stueckrath had one for five yards. Defensively the Wildcats were led by Brian Thompson and Trevor Topp each with eight tackles. Jason Krueger had six while Shane Frahm and Cory Jensen had five each.

Winside will travel to play Walthill on Friday night.

JASON KRUEGER gets past these two Osmond defenders to the endzone in Friday night's game as Winside moved to 3-1 with a 26-16 win over the Tigers in Winside.

The Hair Studio Celebrating Grand Opening

Having opened its doors Aug. 20 to Wayne and the surrounding communities, The Hair Studio will be celebrating its Grand Opening this week, Monday, Sept. 24 through Saturday, Sept. 29.

When you stop in for free coffee and cookies, you will find an inviting getaway from your busy schedule. Located at 203 East Tenth St., across from the Wayne State College Willow Bowl, the neon signs in front give only a small taste of the friendly atmosphere you'll find inside.

An antique black etched ceiling dating back to the 1930's, with three modern skylights, hangs above the newly equipped styling stations. Beneath the stations is a newly laid black and white tile floor. Children as well as adults will be fascinated with the six-foot tall hexagon shaped aquarium stocked with a variety of fish.

THE WELCOME atmosphere is only a beginning to the quality hair styling services offered to men,

women and children. Jan Doescher, manager and stylist, along with stylists Khristy Schmale, Irene Unsel, Rae Stewart, Lisa Pretzer and Jane Bengston, together have over 33 years of experience in hair care.

A full range of reasonably priced hair care services are offered, including hair cuts, cut and style, bang trims, perms, coloring, highlighting, bleaching, shampoo sets, ear piercing, braids, hot wax and tanning.

The Hair Studio also offers a new service to the community called SunGlitz. SunGlitz is a high-lighting process which lightens hair like natural sunlight and can produce subtle to dramatic changes in hair color. This process leaves hair more conditioned than usual coloring or bleaching.

Professional hair care product lines carried are Matrix and Redken. Our stylists are trained to know which products are appropriate for your type of hair and can prescribe them specifically for you.

REGULAR hours at The Hair Studio are 8 a.m. to 8 p.m. Monday through Friday, and 8 a.m. to 5 p.m. on Saturday.

On Monday, Sept. 24, in order to allow the stylists to participate in a Matrix So Color class, the shop will open at 12 noon to kick off the Grand Opening.

Everyone is invited to participate in a "Roll the Dice" game where they will win one of a number of prizes including free services, discounts on hair care products, free tanning, curling irons, hair dryers and T-shirts.

Some of the Grand Opening specials include a free care package worth \$24.95 to all perm customers, \$5 off your next hair care service with the purchase of 24 tanning sessions, and curling irons for \$3.99.

Free balloons will be given to the kids. All will be sure to have a great time at The Hair Studio's grand opening.

THE HAIR STUDIO is equipped with six styling stations to accommodate persons with appointments as well as walk-ins.

STYLISTS AT THE HAIR STUDIO include, seated left to right, Khristy Schmale, Jane Bengston and Jan Doescher; standing left to right, Irene Unsel, Rae Stewart and Lisa Pretzer.

THE HAIR STUDIO OPENED Aug. 20 and is located at 203 East Tenth St., across from the Wayne State College Willow Bowl. Regular hours are 8 a.m. to 8 p.m. Monday through Friday, and 8 a.m. to 5 p.m. on Saturday.

Study finds programs valuable

START project examined

AREA - Nebraska communities that used one or the other of a pair of business retention and expansion programs are about equally satisfied with the results, a recently completed study shows.

However, the study's authors agree the two programs are designed for different circumstances. To get the best results, communities interested in helping retain and expand existing businesses should decide what their circumstances are and use the program best suited to each case, said Duane Olsen, extension economist at the University of Nebraska-Lincoln's department of agricultural economics.

Olsen and co-author Robert Blair, a research associate at the University of Nebraska at Omaha's Center for Public Affairs Research, examined community satisfaction with two programs: the Strategic Training and Resource Targeting (START) program administered by the UNO center, and the "Improving the Climate for Business Expansion and Retention" program. The latter is administered by UNL Cooperative Extension, the Nebraska Department of Economic

Development and the Nebraska Public Power District.

The study examined the experiences of eight communities, four of which had used START and four of which had used "Improving the Climate." Olsen said START is more broad-based and addresses economic issues in addition to business retention. While both programs rely on volunteer workers from the community itself, the START volunteers follow guidelines to collect business information, pool community attitudes and prepare an action plan, he explained.

"Improving the Climate" provides more input from consultants from the sponsoring agencies, Olsen said. Local volunteers survey at least 30 businesses with substantial non-local sales and larger workforces. The survey data are analyzed at UNL, where faculty members prepare a preliminary report, which is returned to the local coordinating council. The council, with the help of outside specialists, identifies major and minor problems that need immediate attention, and other issues that need long-term work.

Olsen said START is best suited for smaller communities, especially those with less business development experience. Its broad-based approach addresses more of the issues a community needs to examine when beginning a business development program, he said.

"Improving the Climate," on the other hand, is tailored to larger communities with a number of major employers, and a history of business development activities, Olsen said. It focuses strictly on business retention and expansion.

"But in either case, what happens is the result of local effort," Olsen said. "Local leadership is crucial for success. The programs never take control of the process. We provide help and information, but not solutions. The emphasis is on alternatives, which the community can accept or reject."

More information on START is available by calling the UNO Center for Public Affairs Research at (402) 595-2311. For more information on "Improving the Climate," call Olsen at (402) 472-2041.

Family life in Canton

Dr. Bill Meredith, Chair of Human Development and the Family at the University of Nebraska-Lincoln, has recently lived and worked in Canton, China. At the Nebraska Home Economics Association annual meeting held last spring, he shared these insights into family life in China.

All adults work. The state decides where families live and assigns jobs. Only four percent of the students attend college; each student names three career choices and then the government decides which one that student may prepare for depending on the needs of the state.

There is no hot water.

Each person has four or five changes of clothing in their wardrobe which means they must wash clothes nearly every night. The humidity is so high that it takes two days to line-dry the clothes.

There is a one child per family policy. If a person exceeds that limit, among the penalties is no pay increase for five years for the family and for co-workers of employed family members.

It is acceptable for men to hold the hands of other men and for women to hold the hands of other women; it is not acceptable for men to hold a girl's hand in public.

People are called girls and boys,

nor are they allowed to marry, until age 25. They are not allowed to date until they are seniors in college. If girls date more than two people before deciding upon a marriage partner, they are considered "loose"; guys are considered "playboys" if they date more than three girls before selecting a marriage partner.

It takes one-half of the average person's yearly salary to purchase a bicycle, the primary mode of transportation.

Students of all ages are expected to stand until old to sit by the teacher. Class size averages 55-60 students.

Disability decision made by special team

AREA - If you are applying for Social Security disability benefits, the decision as to whether you are disabled under the law is made by the Disability Determination Services office in Nebraska. The decision is made by a team of trained people that includes a physician (or psychologist in the case of mental impairments) and a disability evaluation specialist.

In reaching a decision, every reasonable effort is made to get medical evidence from your own doctor and from hospitals or other facilities where you have been treated. The government can pay a reasonable fee for any medical reports requested.

The doctors and facilities contacted for this purpose are asked for a summary of your medical history. This includes a diagnosis, the date of onset of the illness or injury, the degree to which it limits your activities, the results of any medical tests that you may have had, and the treatment you received. Your doctor or the facility is not asked to make a judgement on the extent of your disability.

If the medical information available from these sources is not enough to permit an evaluation of your condition, a special examination or test may be needed.

New book presentation

PRESENTING A NEW BOOK TO Kathleen Tooker, librarian at the Wayne Public Library, is State National Bank vice-president Pat Gross. The book Gross presented to Tooker and the library, on behalf of the bank, is a book about banking in the United States. It was one that Tooker was glad to add to the collection of materials the bank has on its shelves.

more than 2 percent. If the effort in the special election fails, the budget cannot increase at all.

ACCORDING TO SOLL, IF there is a need to increase revenue, local governments could make up losses by applying local taxes. He warned

the businessmen that if the bill passes and local taxes increase, it would ruin property tax relief efforts.

"Once passed, it's locked in for at least three years and maybe four," Conway said. "It will take at least that long for the people to get it repealed."

Talks

when you think about it."

IN ADDITION TO FOCUSING on her campaign, Moul said there were several items on this year's ballot which would shape the state's future.

She said LB 1059, the state school refinance measure, the Jaksha 2-percent solution and Amendment 1, which would

change the tax system for ag producers from taxes based on land value to taxing the value of the land based on production are the top issues facing Nebraska. Because of these issues and that of the respective campaigns, it's an important election year.

"I talk to a lot of people who aren't registered to vote and I talk to many who don't plan to vote but as Ben Nelson will attest, voting is important," she said.

Program

(continued from page 1)

Potential clients are then screened by volunteers. Wilson said the Women of Today service organization helps by distributing fliers and Wayne State College home economics students volunteer their time to play with the children. During the summer, the Girl Scouts also get involved.

ALTHOUGH THE PROGRAM'S primary purpose is to help with immunizations, the most common thing found by doctors include ear infections and urinary tract infec-

tions. According to Marburger, if these diseases go undetected and unchecked, they could result in serious complications.

"It allows doctors to keep up on growth and development," she said. "With some, if they can't afford medical attention, they might not have their children checked. But the program's purpose is to help the children and their parents."

For more information about the program, call Providence Medical Center at 375-3800 or Goldenrod Hills in Wayne at 375-4960.

of products made not to mention pledges.

"The idea came about because you have benefit dances where the band donates its time, but we make mattress-pads and pillows," said Rod Stuberg, one of the co-owners of Restful Knights. "We figured it would be better than a benefit basketball game because who wants to watch us play basketball."

Stuberg said employees may be going door to door to have people sign a pledge form. If people wish to make pledges, they may call Restful Knights at 375-1123 and ask for Patty or Rob.

IN ADDITION TO helping with the Schlines family, Restful Knights is being aided in its cause, Stuberg said. The junior high youth group at Redeemer Lutheran Church in Wayne will be babysitting all the

Restful Knights employees' children and the Wayne Pizza Hut will be supplying pizza to the company's employees free of charge.

Tours will also be given through the Restful Knights facility free of charge from 8 a.m. to 4 p.m. and free will donations would be appreciated. If enough people show up, tours will be scheduled the day of the event.

"We have quite a few employees who are showing an interest in the event," Stuberg said. "As of Friday morning, we had over 20 people signed up and the idea just started on Wednesday."

Candi Schlines is one of the Restful Knights line supervisors, according to Stuberg.

Along with the sew-a-thon, other events include a bake sale and a rummage sale of discontinued Restful Knights products. Employees will also be bringing one Christmas tree decoration for the Schlines family.

Annual meeting held recently

AREA - Farm Credit Services held its annual stockholders meetings at two sections meetings in Columbus on Sept. 17 and in Norfolk on Sept. 18. The Norfolk Region Federal Land Bank and Production Credit Associations of the Midlands held their meetings jointly.

Walter Kennedy Jr., chairman of the Federal Land Bank Association of the Midlands Region Board, and Samuel Hellbusch, chairman of the Production Credit Association of the Midlands Region Board presided at the business meetings. Directors reported on positive trends of the past year.

Division President Richard L. Herink reviewed with stockholders the financial condition of their associations.

Stockholders at each meeting were entertained by David Okerlund, author, humorist and motivator. His main philosophy in life and speaking is, "You'll never discover the best in life until you've discovered the best in you."

Duane Fulton of Creighton was elected to serve a three-year term on the Region Federal Land Bank Board of Directors. Retiring Region Board Member Marvin Harper from Humphrey was presented a plaque in recognition of his years of service on the board of directors. Other directors include Walter Kennedy Jr., Stanton; George Braun, Cedar Rapids; Fred Benesch, Octavia; Milton Schwartz, Howells; Larry Foster, Plainview; and Dale Pillel, Monroe.

Knudsen receives degree

LAUREL - David Knudsen, son of Knud Knudsen of Sioux City and grandson of Westergaard Knudsen of Laurel, received his doctor of philosophy degree in electrical engineering from Cornell University in Ithaca, N.Y. in August.

Knudsen has accepted a research position at the Max Planck Institute for Extraterrestrial Physics in Munich, Germany.

ATTENTION FARMERS!

As most of you know, trying to control musk thistles in the spring can be very erratic, especially when you're working with chemicals that are noted for volatilizing and injuring nearby sensitive crops. Fall is the only and the best time to control musk thistle with Tordon 22K at 8 ounces/acre rate. So we have taken the liberty of offering you this 1990 fall program through Dale's Flying Service. Book over 100 acres pre paid for only \$8.34/acre. Price includes application, 8 ounces of Tordon 22K X-77 spreader sticker and LI-700, which lowers the ph in water so that the plant will not tie up the chemical. Other rates will differ for the control of Canada thistle and leafy spurge, so give us a call today and book your acres.

Connie Webber

Richard Shirey

Webber, Shirey plan joint faculty recital at United Methodist Church

WAYNE - Connie Webber, soprano and assistant professor of music at Wayne State College, will present a faculty recital tomorrow (Tuesday) at 8 p.m. in the First United Methodist Church in Wayne. There is no admission fee and the public is invited to attend.

She will be accompanied on organ and piano by Richard Shirey, professor of music at the University of Akron in Akron, Ohio. Also assisting during the recital will be Dr. Christopher Bonds, associate professor of music at Wayne State, and Debi Bonds.

Among the recital selections will be works by J.S. Bach, Buxtehude,

Haydn and Handel. They will also perform a group of Brahms German Lieder and the song cycle, "Mirror of Life," by 20th century composer Flor Peeters.

Webber, a faculty member at Wayne State since 1966, is a past State Governor of the National Association of Teachers of Singing. She also serves as director of music for the First United Methodist Church of Wayne, and has done solo work for the Sioux City Symphony, and numerous Wayne and Sioux City churches.

Webber and Shirey are former classmates and graduates of the Oberlin Conservatory of Music.

YARD OF THE MONTH

This contest is sponsored by Country Nursery Lawn Service of Wayne and judged by an independent group of observers.

Jim and Marcile Thomas enjoy working in their yard and that's part of the reason it's as pretty as it is.

The other reason, according to Jim, is the service provided by Country Nursery.

"They do the whole deal," he said. "They spray and fertilize it. Their service has just been excellent. I've used their service for quite a while." The Thomases water their lawn through an underground sprinkler system and they do their own mowing. The care they give their lawn takes about six hours a week, Jim said.

"Our lawn definitely would not look like it does unless we had someone help us. We don't have time to put in all the extra work that Country Nursery provides," Jim said.

WHS grads in NU band

WAYNE - Casey Dyer, Kevin Heier, Craig Dyer and Mike Hillier are members of the 1990 University of Nebraska Cornhusker Marching Band.

The four brass players auditioned in June and were accepted to attend the three day marching camp for "rookies" in August. After these three days the final cut was made in which Dyer, Heier, Dyer and Hillier were then asked to be members of the big red marching band.

The week before classes started at UNL a five day camp was held for the entire 290 marching band members and worked from 7:30 a.m. until dark. At the end of this camp the band presented a marching exhibition in Memorial Stadium. Over 8,000 people attended the performance.

Dyer, Heier and Dyer each play the baritone horn and Hillier performs on the trombone. While at Wayne High School all four bandmen were members of marching band, concert band, pep band, jazz band and each performed numerous solos.

The two Dyers are the sons of Mr. and Mrs. Robert Dyer, Heier is the son of Mr. and Mrs. Byron Heier and Hillier is the son of Dr. and Mrs. Sid Hillier.

Council sponsors meeting Sept. 27

On Sept. 27, Tri-County Council of Governments is sponsoring a public meeting featuring Joseph Luther as the guest speaker.

Dr. Luther is assistant dean of the College of Architecture and Associate Professor of Community and Regional Planning at the University of Nebraska-Lincoln. He has been involved in planning and community development for small towns over a period of some 20 years.

Dr. Luther was referred to the organization by several clerks from the area who heard him speak at clerk school. It was stated that he was a great motivator to small communities.

The meeting will begin at 8 p.m. at the Senior Citizens Center, 112 West Main Street, Hartington.

Hansen, Meed to give workshop

WAYNE - Dr. Pearl Hansen, associate professor of art at Wayne State College, and Merle Meed, industrial technology engineer at Northeast Community College, will present a workshop entitled "Environmental Issues Facing Educational Systems" at the Governor's Safety and Health Conference, Oct. 9-10 in Lincoln.

The conference will be held at the Nebraska Center for Continuing Education and will feature Gov. Kay Orr, U.S. Secretary of Labor Elizabeth Dole, OSHA (Occupational Safety and Health Administration) administrator Tom Seymour, and Brig. Gen. Michael J. Torma of the Strategic Air Command's wellness program.

Dr. Hansen, who came to Wayne State in 1976, earned her bachelor of fine arts in education degree from Wayne State College, her master's degree from Kansas State University and her Ph.D from the University of Nebraska-Lincoln.

Cheryl Gerdes

Gerdes picked as director

WAYNE - Cheryl Gerdes of Wayne has been named Anderson Hall dorm director at Wayne State College for the 1990-91 school year.

Gerdes, a 1983 graduate of the University of Nebraska-Lincoln, is the daughter of Mr. and Mrs. Gerald Gerdes.

Resident directors are responsible for promoting a positive living, learning and social environment within the dormitories. They are also responsible for carrying out guidelines established by the Housing Office, according to Larry Emanuel, housing director at Wayne State.

The college, located in Wayne, is currently enjoying an all-time record enrollment of 3,500 students. They are enrolled in business, education and liberal arts programs, and college officials say the interest continues to grow.

Grain program sets 1991 dates

AREA - The Nebraska state SCS committee has established the non-grazing dates for ACR and CU for payment acres set aside under the 1991 feed grain program.

The program for 1991 has not been announced, but it is expected that the new program will contain similar prohibited grazing provisions. The same restrictions have also been applicable to CU for payment and the eight percent requirement.

The state committee established the same five month non-grazing period for Wayne County and all northeast Nebraska that were set for 1990. This date is April 1 through Aug. 31. Grazing of the acreages is prohibited during this period.

A request for authority to hay ACR and CU for payment acreages during the seven-month permitted grazing period will be submitted if this provision is authorized in the pending 1990 farm bill.

NASB focuses on benefits of LB 1059 at meeting

WAYNE - The Nebraska Association of School Boards focused on the benefits of LB 1059 and its potential repeal effort at the NASB District 11 meeting at West Point High School Tuesday.

The uncertain nature of Nebraska's new school finance law has

left local school boards with many difficult decisions in building a school district budget.

NASB Executive Director Dale Siefkes discussed the current status of LB 1059 and the November repeal effort in the meeting's gen-

eral session. In addition, board members and other school executives participated in workshops dealing with difference and linking schools with their publics. There was also a series of special sessions for local school board presidents and superintendents to discuss specific concerns to them.

NASB President Gary Christensen, a board member from Centura School District, led the evening dinner and awards presentations at the Veteran's Club and presented Wayne School Board members Dr. Kenneth Liska and Carter Peterson with awards for their participation in the schools.

NOTICE OF BUDGET CHANGES

The Winside Board of Education after the public hearing, approved the 1990/91 school budget with the following changes from the previously published Notice of Budget Hearing and Budget Summary:

General Fund	Published	Approved
Estimated cash on hand and other revenues	690,717	710,923
Total Tax requirements (inc. 1% collection fee)	684,921	663,883

The reason for this change is because of an increased amount of non-resident tuition of \$20,206 that will be received.

Sinking Fund	Published	Approved
Sinking Fund requirements (inc. 1% collection fee)	20,200	20,890

The reason for the change is the levy was done by tax levy per \$100 actual evaluation instead of the established amount of \$20,000. (Publ. Sept. 24)

\$450 DOWN WILL BUILD YOU A NEW HOME

With over 1,000 square feet, 3 bedrooms, oak cabinets, dishwasher, range, energy efficient construction, and a full basement, and we pay your loan closing costs. We can pre-qualify you for one of several different H.U.D. or NIFA fixed-rate mortgage loans without you spending any money. Depending on your income and the different loan programs available....

TOTAL MONTHLY PAYMENTS WILL BE \$398 TO \$543 INCLUDING TAXES & INSURANCE

Home prices vary between \$47,950 & \$49,950 depending on the lot costs and the home you choose. You certainly should consider having us build you a new home now. If your total family income before tax withholding is over \$17,000, you may qualify in certain cities. Other loan programs and locations may require a total before tax family income of \$22,000 and a down payment of \$750.

Hurry — these prices, loan programs and the availability of lots may not last. You have nothing to risk. We will pre-qualify, we will get you a firm loan commitment from one of the local banks before construction begins. You can pick out your colors and expect to be living in your new home in less than 90 days after loan approval. Some homes are under construction in Wakefield (and in South Sioux City) now and may be available sooner. Call Dave Guill at 1-800-759-2782 and see for yourself.
