

City may face big decision **Salitros: Budget cuts may be in line**

By Mark Crist
Managing Editor

Although the City of Wayne is still feeling its way through the dark with the potential effects of the proposed 2 percent lid, it looks as though if the measure passes Nov. 6, it could result in some large cutbacks.

If that's not enough, the cutbacks may take effect as early as the 1991-92 budget.

The budget cuts, according to City Administrator Joe Salitros, will be in one or all of four areas: the senior citizen's center, the city recreation program, the swimming pool and the library. The Wayne City Council will hold a special meeting Oct. 16 to review the potential effects of the lid.

In addition to making cuts, the city may not be able to hire a recreation/leisure director, which is heavy on the agenda, nor will it be able to have the comprehensive plan updated. Street drainage systems may also be put on hold, Salitros said.

"The cutbacks we would have to make amount to about \$60,000," Salitros said. "If that happens you're looking at the swimming pool, city recreation, the library or the senior center."

The approximate annual budget for each entity is: library — \$50,000; city recreation — \$70,000; swimming pool — \$35,000 and senior center — \$90,000.

THIS YEAR'S TOTAL operating budget is actually lower than the operating budget for 1989-90, Salitros said. He said if Initiative 405 passes the November ballot, it would mean the city's budget would actually see an increase for 1990-91 year but each year thereafter would be affected dramatically.

Initiative 405, also known as the 2 percent solution, would limit governments to 2 percent budget increases each year if passed by Nebraska voters.

An example, as Salitros pointed out, is when drawing up the budget, you under-estimate your total revenues and over-estimate your total expenditures.

But as the 2 percent lid calls for, a governmental entity cannot exceed its previous year's total budget or expenditures by more than 2 percent.

Salitros said this would mean each year the city would be budgeting its revenues the same way, say at 99 percent of what is expected, while the expenditures would rise from 101 percent the first year to 103 percent the next and 105 percent the following year. By the third year, the gap is too much to cover, Salitros said, hence major programs would be eliminated or have their budgets cut to a non-operative level.

DESPITE FACING possible major budget cuts, Salitros said the timing of the cuts and the interpretation of the measure are two areas local governments will be looking at closely if the measure passes.

"The two largest elements of our operation are the power we buy and the people we employ," he said. "Together that composes about 60 percent of the budget. If each of those things increase 5 percent, then the rest has to find a way of cutting back so we don't exceed that 2 percent lid."

One of the things local governments will be giving much attention to is whether the 2 percent lid applies to utilities. If it does it will have a dramatic effect on taxes, if it doesn't then the public will start absorbing more of the costs when increases are charged.

In addition to causing havoc on the budget, if the city has excess revenues for one fiscal year, it will have to pay back the excess plus interest to the public. Salitros said that's like reducing your child's weekly allowance because he's mowing a neighbor's lawn.

Demonstrating how natural gas works

JIM MARKHAM, manager of the Peoples Natural Gas office in Wayne, discusses the ways natural gas works to fourth grade students at Wayne Elementary. Last week was natural gas week for Peoples Natural Gas and fourth graders were fortunate enough to get in on some experiments. The fourth graders have been studying how fossil fuels play an important role in our lives for the past few weeks and Markham's demonstration wrapped up the unit.

United Way an important part

City program aided by support

EDITOR'S NOTE: This is the final article in a series about the organizations helped by United Way.

Despite receiving some financial support from city tax rolls, the Wayne Recreation Board would have trouble making ends meet unless they received additional support from United Way, according to board members Jim Keating and Erna Karel.

The rec board was initially established 33 years ago. It was set up through a city ordinance so Wayne would be eligible for grants

given to Class I cities. The recreation program began with the Midget and American Legion baseball teams in addition to the boys club. These three programs were all organized by Hank Overin.

About 20 years ago, the park recreation program was started by Karel and since that time, programs have been steadily added but with the additions, costs have increased.

Today, despite receiving over \$70,000 from the city, United Way donations make the rest of the recreation program possible. As the rec program enters the 1990s, it also looks as though it will enter a new era as talk is starting to center

around a recreation/leisure director.

"WE FEEL WE'VE FUNDED almost every activity which has been suggested," Karel said. "We haven't overlapped into too many areas so we would keep our costs down. We continue to try to provide something for everyone."

Since the recreation department's inception over 30 years ago, the programs it offers have increased from three to 17. Today, the recreation program involves people from age six in summer swim team and boys baseball to adults over 40 in the recently established Sacko league, which is slow pitch baseball for the 40-and-over crowd.

In addition to expanding their programs, the recreation board, with help from the START program, is going to be bringing out its first brochure. The brochure will explain all the programs the recreation board offers.

clued in the booklet, along with dates and times of activities and contact names and phone numbers for more information, according to Lois Shelton, head of the task force.

Development of the booklet came about as a result of the START team's identification of recreation as a key issue in the community. In order to access the need for coordination and expansion of recreation and leisure activities, the recreation committee decided to compile a listing of what is currently available.

Joint effort results in new recreation/leisure directory

WAYNE - Parents will soon have an easier time responding to "there's nothing to do," a phrase that comes to mind when all the known alternatives seem tired and worn. A joint effort of the START Public Facilities Task Force and the Wayne Recreation Board has yielded WALA — the Wayne Area Leisure Activities booklet.

Scheduled for distribution on Wednesday, Oct. 10, to Wayne area residents through the *Morning Shopper*, this booklet is a comprehensive guide to activities and organizations in the area.

There are leisure pursuits for all age groups and all interests in-

Officials: Grain weights coming in strong for many area farmers

AREA - Although the corn harvest is just getting started, the soybean harvest is about 70 percent complete in some areas and farmers are finding that mother nature has, for the most part, been good to them.

According to Wayne County Extension Agent Rod Patent, preliminary grain weights are much improved over the 1989 harvest.

He said most people have found the wet spring and humid summer provided crops with ideal growing conditions. He said the late heat wave in September provided good drying weather as well.

"The grain weights should be pretty good south and east of Wayne," he said. "North of Wayne and Carroll, it starts getting a little lighter but they should be respectable. I doubt if any crops will be as bad as last years, though."

ACCORDING TO ONE local elevator, the late heat wave did a good job of drying crops. One official said the amount of drying

which has occurred is only about 1 percent of the crops harvested. That is one of the lowest amounts in years.

Officials said the corn has averaged around 53-55 lbs./bushel with moisture running around 11-18.5 percent. Soybeans have come in around 54-55 lbs./bushel with 8-9 percent moisture levels.

Those figures are good, Patent said, especially since most of the drying has already occurred and artificial drying with propane will not have to be used as much.

"It means that even though we've seen a dramatic rise in gasoline costs, those increases shouldn't have that much effect on the industry," he said. "Most of the drying has occurred naturally and that helps keep costs low."

According to Patent, the reason the soybean crop is almost done is because soybeans are more susceptible to the elements while corn is a little more durable. He said he thinks corn will probably be done within the next two weeks.

Reward offered

AREA - A \$200 reward has been offered by the Northeast Nebraska Peace Officers Association for information leading to the arrest and filing of charges against those persons responsible for the theft and damage to property at the Wayne Golf and Country Club of Wayne.

Missing from the golf course are several golf flags and flag poles, an orange and white 10 gallon water dispensing cooler. An award is also available for vandalism which has occurred at the golf course.

Informants do not have to give their names but rather they will be assigned an informant number to be used to obtain the reward money. Contact David L. Nicholson, president of the association at 375-2460.

Absentee votes

WAYNE - According to County Clerk Gretta Morris, anyone who will not be present for election day, Nov. 6, may go to the Wayne County Courthouse to vote now.

Absentee ballots can also be obtained by calling the County Clerk's office at 375-2288.

Hospice training

WINSIDE - A 12-hour Hospice training workshop will be held in Winside starting today (Monday).

The workshop is sponsored by Northeast Community College and the Community Care Hospice group. It is for the general public to help individuals deal with long-term or terminally ill individuals.

Dates for the series of training workshops are Oct. 8, 15, 22 and 29. They will be held from 7-10 p.m. at Winside High School. Cost for all four nights is just \$13.

For more information, contact Wanda Kucera at 375-1628 or the director of adult allied health services at Northeast Community College at 644-0440.

Highway meeting

AREA - The Nebraska Highway Commission and the Department of Roads will hold a public meeting Oct. 23 on the department's proposed highway construction program for fiscal years 1991-1996 and beyond.

The meeting will be held at 7:30 p.m. at the Neligh Lion's Club Hall at 5th and N Streets in Neligh.

The meeting will deal mainly with proposed projects within District 3, which includes Dixon, Wayne and Cedar counties to name a few. At the meeting, the public will have the opportunity to ask questions and

present suggestions about the state's highway needs.

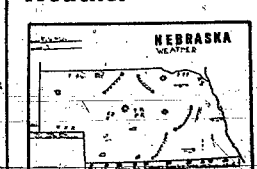

For more information about the meetings, contact Tom McCarthy at 371-2170 in Norfolk.

Loan rates

AREA - According to information from the U.S. Department of Agriculture, commodity loans disbursed in October by the U.S. Department of Agriculture's Commodity Credit Corporation will carry a 7 7/8 percent interest rate.

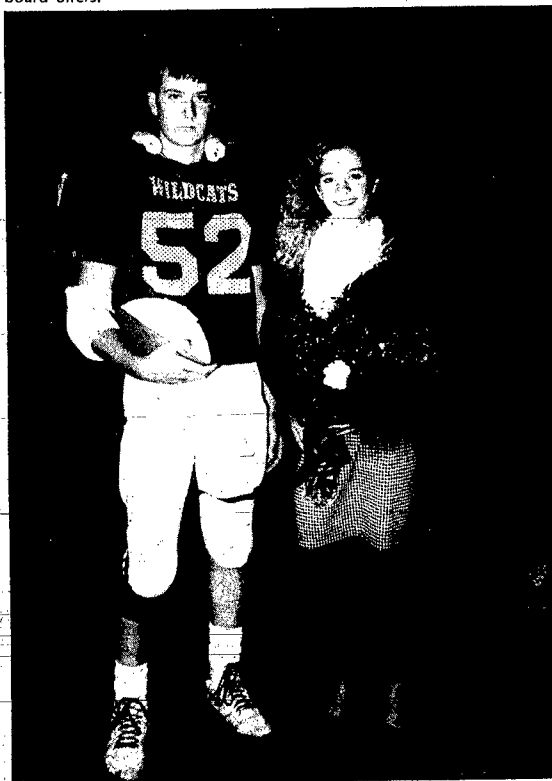

The 7 7/8 percent interest rate is up from September's 7 3/4 percent and reflects the interest rate charged the CCC by the U.S. Treasury in October.

Curriculum update

by Donald V. Zeiss, principal
Students who graduate from Wayne High School must complete 10 credit hours of fine arts coursework. Generally this requirement is met through music, foreign language or art.

Should a student enroll in art of ten he/she will choose Three Dimensional Arts and Crafts. This class, designed for the "non-art" student, provides students experiences in copper embossing, wood wall mural, fibers, printmaking, sculpture, ceramic relief mural, pottery, perspective drawing and design. Alternatives include metalwork, airbrush, linoleum block printing and computer art.

The full year course provides instruction in non-complex or "artistic" approaches to creating functional works of art under the direction of instructor, Ted Blendenman.

List of voters is posted for ASC elections

AREA - A list of the names of all known eligible people to receive ballots in the upcoming annual ASC committee election is available in the Wayne County ASCS office, reports Melvin Wilson, chairman of the Wayne County Agricultural and Conservation Service.

Farmers began nominating candidates for the ASC election on Oct. 4.

ASCS, an agency of the U.S. Department of Agriculture, is responsible for farm program administration. On the local level, ASCS operates under a farmer-elected committee system. This year's elections will be by mail ballot between Nov. 23 and Dec. 3. Voters may also get ballots at the county ASCS office.

Anyone who meets the following requirements is eligible to vote in these farmer committee elections: any individual of legal voting age with an interest in a farm as owner, operator, tenant or sharecropper who is eligible to participate in any ASCS program.

Several general provisions relate to ASCS voter eligibility. A wife who operates a farm with her husband can vote if her name is on the deed of conveyance. Any person under legal voting age can vote if he or she runs a farm, and a legal guardian who runs a farm for a child can vote for the child. No person can be denied the right to vote because of race, color, religion, national origin, age, sex, marital status or handicap.

A person may cast a ballot in any county in which he or she is an eligible ASC voter, but he or she cannot vote in more than one community. If an eligible voter has separate farm interested in more than one community in the same county, special care will be taken to see that only one ballot is issued to that voter.

PRESBYTERIAN WOMEN

Nine Presbyterian Women and Rev. Gail Axen gathered at the church on Wednesday for a regular meeting. Mrs. Milton Owens, president, conducted the business meeting. Minutes of the last meeting were read and Mrs. Erwin Morris gave the treasurer's report.

Mrs. Tillie Jones had the Least Coin observance. It concerned seeking pleasure without God.

Members were reminded of Presbyterian to meet at Camp Calvin Crest, near Fremont on Oct. 24.

A single size quilt for missions was tied. Rev. Gail Axen had the lesson. It was about Halloween in the church through ages past and was based on Psalm 129.

Mrs. Keith Owens served lunch. Mrs. Erwin Morris will be the hostess on Oct. 17.

SENIOR CITIZENS

Senior Citizens met last Monday with 14 present. Rhonda Sebade took blood pressure readings. A potluck lunch was served. Winning prizes were Alice Wagner, Adolph Rohlf and Paul Paustian. Get well cards were signed for Vernie Schnoor and Ervin Wittler. An anniversary card was signed for Mr. and Mrs. Leonard Halleen. The next meeting will be held today (Monday) with Marie Bring as hostess.

HILL TOP LARKS

Hill Top Larks met Wednesday in the home of Lucille Jenkins. All members were present. Roll call was answered with the exchange of secret sister birthday presents. The reading was "What is a Grandmother?" by Dorothy French. The group decided to have the Christmas party at the Davis Steakhouse on Dec. 5. The next meeting will be held Nov. 7 in the home of Bernice Rees.

ATTENTION FARMERS!

As most of you know, trying to control musk thistles in the spring can be very erratic, especially when you're working with chemicals that are noted for volatilizing and injuring nearby sensitive crops. Fall is the only and the best time to control musk thistle with Tordon 22K at 8 ounces/acre rate. So we have taken the liberty of offering you this 1990 fall program through Dale's Flying Service. Book over 100 acres pre paid for only \$8.34/acre. Price includes application, 8 ounces of Tordon 22K X-77 spreader sticker and LI-700, which lowers the pH in water so that the plant will not tie up the chemical. Other rates will differ for the control of Canada thistle and leafy spurge, so give us a call today and book your acres.

Wayne moves to 6-0 with win

The Wayne Blue Devil football team moved to a perfect 6-0 on the season following a 30-13 thrashing of O'Neill Friday night at Memorial Field in Wayne.

Wayne scored 14 points in the first quarter and added 16 more in the second to take a commanding 30-0 lead into intermission before O'Neill scored a touchdown in each of the third and fourth quarters against younger Wayne players.

"We played a lot of kids," Wayne coach Lonnie Ehrhardt said. "Everyone played hard and we feel that this was an important win because of the playoff points and because O'Neill is in our conference. Heading into Friday's game with O'Neill the Blue Devils were rated as having the fourth best playoff point standing in Class B.

Wayne's first score of the game

came on a 23 yard run by Rusty Hamer with 7:42 remaining in the opening quarter. Hamer's run came on a fourth down and three call. Morten Lundsgaard kicked the point after.

With 1:50 left in the opening quarter Jack Swinney picked off an O'Neill pass and scampered 75 yards for a touchdown. Following Lundsgaard's kick the Devils had a 14-0 lead.

Following a fourth and goal stand by the Wayne defense early in the second quarter, Rusty Hamer struck again—this time on a 95 yard run with 7:02 remaining before the break.

"Jesse Brodersen told Rusty in the huddle that it was about time for one of his patented long runs," Wayne quarterback Cory Wieseler said right before the play. Ehrhardt said that play call was the exact play that Hamer ran last

year in a game at David City in which he broke it open for 99 yards.

Lundsgaard booted a 37 yard field goal for Wayne with 3:11 left in the second period and with six seconds remaining until halftime Hamer scored his third touchdown of the night on a four yard run. Incidentally, that call was also on a fourth down play.

"I felt the difference in the second half was that O'Neill recovered a fumble and returned it to our two yard line where they scored their first touchdown," Ehrhardt said. "We were pleased with our play for the most part."

Wayne had 13 first downs while O'Neill had 14. The Blue Devils ran for 297 yards while the Eagles had 124 yards. Wieseler was 2-9 in the passing department for 20 yards while O'Neill was 8-25 for 99 yards and three interceptions.

Hamer had 161 yards rushing on 11 carries while Chris Fredrickson had 77 yards on 15 carries. Wieseler had 54 yards on 10 carries. Regg Carnes and Hamer each caught one pass for 10 yards.

Jason Fink led the defensive charge with 15 tackles while Matt Bruggeman finished with 13. Rusty Hamer finished with 10 and Chris Fredrickson had nine. Fredrickson, Swinney and John Murphy all recorded interceptions.

"We got some great play from our offensive line," Ehrhardt said. "Dan Wiseman, Matt Bruggeman, Jesse Brodersen, Jason Ehrhardt, Mike Zach and Jerry Williams all did a nice job."

Wayne will host Battle Creek in homecoming on Friday night. Both teams will come in undefeated with Battle Creek ranked as the number one team in Class C-1.

Winside rolls to fifth victory

Homecoming night in Winside proved to be a success Friday night as Randy Geier's Wildcats drilled Wausa by a 60-14 margin. The game ended one play into the fourth quarter due to the 45 point rule.

"Again we enjoyed an overall team effort," Geier said following his Wildcats fifth win in six outings. "Our offensive line simply dominated all night long." Geier's offensive line consists of Jeff Gallop, Jason Bargstadt, Trevor Topp, Brian Thompson, Mark Bruggar, and Doug Heinemann.

Winside scored 16 points in the first quarter and had a 36-14 lead at the intermission. The Wildcats

scored 18 points in the third quarter and closed the game out with a six yard run on the first play of the fourth quarter by John Hancock.

The host team had 19 first downs while Wausa managed nine. The Wildcats rolled up 442 yards rushing and 60 yards passing for a 502 yard total while Wausa had 126 yards rushing and 61 yards passing for 187 total yards.

Marcus Stueckrath led the Wildcat rushing attack with 199 yards on 11 carries. Cory Jensen carried the ball just four times on the night but he managed to gain 92 yards. Jason Krueger carried it six times for 58 yards and Shane

Frahm had three carries for 54 yards.

Jensen was 2-6 in the passing department with Jeff Gallop catching one pass for 34 yards and Stueckrath catching the other for 26 yards.

Trevor Topp led the defensive effort with 12 tackles while Jeff Gallop and Jason Krueger had seven tackles apiece. John Hancock, Kerry Jaeger and Shane Frahm all finished with six tackles apiece.

Jason Krueger got things started for Winside on a seven yard run. Jensen connected with Gallop for the two point conversion.

Frahm then intercepted a Wausa pass and returned it 18 yards for Winside's second touchdown while Marcus Stueckrath ran for the two point conversion.

Stueckrath then scored on runs of 29 and 53 yards while Jensen scampered 53 yards for the Wildcats last score before half. Winside scored three touchdowns in the third quarter on four plays. Jensen ran in from 36 yards out while Gallop caught a 34 yard pass from Jensen. Stueckrath then scampered 43 yards to paydirt before Hancock's six yard run.

Trojans down Ponca

Dennis Wilbur's Wakefield Trojans improved to 4-2 Friday night with a home victory over Ponca, 14-10. The Trojans got all the scoring they needed in the first half on a first quarter touchdown of 43 yards by Anthony Brown and on a second quarter six yard pass from Marcus Tappe to Thad Nixon. In both cases, Doug Stanton kicked the point after.

"The only thing close about the game was the score," Wakefield coach Dennis Wilbur said. "We ran 62 offensive plays compared to just 39 for Ponca. We had some long drives that stalled because of penalties which also hurt us."

The Trojans re-defined the art of ball controlled offense as they took the opening kickoff of the

third quarter and consumed all but 90 seconds of the quarter on one drive—which ended without any points.

In the fourth quarter Wilbur's troops again marched the length of the field on a 21 play drive that stalled at the two yard line of Ponca. The visiting Indians scored early in the fourth quarter to make it a 14-10 game but Wakefield's 21 play drive consumed all but about three minutes off the clock. Ponca regained possession and drove the ball just past midfield with under a minute left to play before T.J. Preston intercepted a pass which iced the game.

"Ponca had the ball for just two snaps in the third quarter," Wilbur said. "They did connect on a 68 yard pass in the fourth quarter

which led to a four yard touchdown run but that was their only big play of the night."

Wakefield finished with 15 first downs while Ponca had eight. The Trojans rushed for 238 yards while their counterparts could manage just 43 yards on the ground. Tappe was 2-5 for 19 yards through the air while Ponca was 7-14 for 146 yards.

Anthony Brown had 117 yards on 22 carries while Thad Nixon gained 81 yards on 18 carries. Larry Johnson rushed the ball 12 times for 55 yards. Brown caught one pass for 13 yards and Nixon caught the other for six.

Brown led the defense with 12 tackles while Johnson and Nixon had nine each.

Laurel loses fifth game

Just one week after Tom Luxford's Laurel Bears squared off against the number two team in Class B in Pierce, they played the number two team in Class C-2 in Bloomfield at Bloomfield Friday night. The Bears fell short on their upset bid, falling 28-14.

Bloomfield had 14 first downs in the game compared to seven for Laurel. The Bears had 83 yards rushing and 105 passing for a total of 188 while Bloomfield ran for

225 yards and passed for 110 for a total of 335.

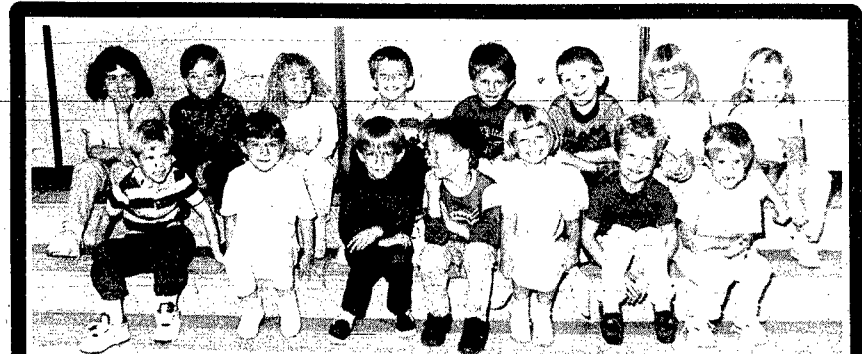

Travis Monson led the Bears rushing attack with 46 yards on nine carries while Pat Arens had 23 yards on 12 carries. Monson was 6-25 in the passing department with one interception for 105 yards. Brian Penne caught three for 72 yards and two touchdowns while John Haller caught three for 33 yards.

Rusty Reifenrath and Jeremy

Klaussen each finished with 14 tackles to lead the Bears defense while Pat Arens had 10. Kelly Arens finished with nine tackles.

Laurel's first score of the game didn't come until the fourth quarter on a 65 yard pass from Monson to Penne. The second touchdown was a seven yard pass from Monson to Penne. Pat Arens scored the two point conversion on the second touchdown.

The Bears will travel to play Neleigh on Friday.

Wayne runners win conference

The Wayne girls Cross Country team won their first ever conference crown Thursday in O'Neill while the Wayne boys defended their crown in winning their second straight conference title.

Tammy Geiger finished atop the field—something she has accomplished in every dual and invitational this year. She not only ran to a new course record of 15:19, but the person she moved ahead of as the all time best female runner on that particular course was herself.

Freshman Tami Schluns finished in third place overall with a 16:54 effort. Ingrid Donald crossed the finish line in fifth place with a 17:26 effort while Sheri Wortman rounded out the Wayne varsity scoring attack with an eight place time of 18:11.

Jessica Wilson placed 10th with an effort of 18:57 while Carrie

Junck, Emily Wiser and Megan Cornish placed 13th, 15th and 16th respectively. "We ran without the services of Susie Enz from the start," Ruhl said. "And we lost Amy Wriedt midway through the race as she pulled up with an injury which may sideline her for the rest of the season."

Enz was suffering a foot problem, but Ruhl feels that she will be able to go by districts. "The rest of the girls team overcame the loss of two of our runners nicely, and went on to win the first ever conference crown," Ruhl said. "We have to remember that this was the first full girls team we've ever fielded this late in the season."

Ruhl said the girls squad accomplished a lot in going through the season undefeated. "They left a big milestone for future teams to shoot for," Ruhl said. Incidentally, O'Neill finished second to Wayne

with 19 points while the Blue Devils managed 17. South Sioux was third with 48.

"The boys did a real nice job of defending their conference title," Ruhl said. "They ran away with the team title with 11 points while runner-up O'Neill had 40 and South Sioux, 41."

At the conference meet medals are given to the top six finishers and Wayne's goal was to get all six but the Blue Devils fell one medal short as they medaled five.

Todd Fuelberth led the parade with a conference winning effort of 17:43. Steve Dinsmore placed second with a 17:54 while Matt Ley finished third with an effort of 18:09. Nate Stednitz placed fifth for Wayne with an 18:20 time and

Mike DeNaeyer placed sixth in a time of 18:28.

Aaron Wilson and Jason Johs finished in the seventh and eighth place spots, with times of 18:40 and 18:50 while teammate Aaron Geiger crossed the finish line first in the junior varsity portion of the meet with a ninth place overall time of 19:09.

Wayne's reserves downed South Sioux by a 10:30 margin. Mark Meyer placed second in the reserve meet with a time of 19:58 while Randy Johnson placed third with a 20:11. Martin Rump placed fourth for the reserves at 21:19. Chris Sweetland, Dustin Welsh and Spencer Bayless also ran for the reserves.

Wayne will now turn its attention to districts which is Thursday in Columbus. If you would like information on how to get to the course please contact Rocky Ruhl at 375-3150.

Wayne spikers lose to O'Neill

Marlene Uhing's Wayne Blue Devil volleyball team fell to O'Neill in three sets in O'Neill Thursday night despite winning the first set, 15-8, 12-15, 12-15. "It was a real good match," Uhing said. "O'Neill was previously rated in the top ten in Class B this year and they have just one loss right now."

Still Uhing's crew had chances to defeat the host team. "We had our chances," Uhing said. "We missed some very crucial serves. In fact, we missed five serves in the second set alone."

Wayne was 68-77 in the service department for 88 percent while

O'Neill was 73-75 for 97 percent. "That was the difference in the match," Uhing said. "We did a very nice job of passing the ball and we had our best blocking match of the year but offensively we were a little slow. We need to hit some quicker sets against a team like O'Neill who uses just one primary blocker."

Jennifer Hammer paced the Wayne attack with 10 points while Liz Reeg had eight points and three serving aces. Rachel Haase had seven points and four serving aces.

Reeg was 68-74 in the setting

department with 21 set assists. Deanna Schluns was the top spiker for Wayne with a 24-27 performance with 11 kill spikes. Danielle Fallesen was 29-31 with six kill spikes.

As mentioned earlier, Wayne enjoyed its best blocking night of the season as they recorded a team total of 21 blocks. Danielle Fallesen led the way with eight blocks while Erin Pick and Jennifer Hammer had six and four respectively.

"I felt that our team got a little fatigued in the third set," Uhing said. "Coming off a tournament

championship on Tuesday night in Sioux City where we played two matches and then playing nearly a two hour match on Thursday kind of took it out of us."

The Wayne junior varsity lost in three sets as well, 15-5, 15-13, 15-10. Kim Kruse led Wayne with 10 points while Danielle Fallesen had four kill spikes. The "C" team fell in straight sets, 15-6, 15-8. Kim Kruse led the team with five points while Teresa Witkowski was the leading hitter with three kill spikes.

Wayne will travel to play Hartington Cedar Catholic on Tuesday night.

Winside nets victory over Wynot

The Winside Wildcat volleyball team raised their record to 9-2 on the season following a straight set victory over Wynot in Wynot on Thursday night, 15-3, 15-2.

Paul Giesselmann's troops were in fine form as they came out and got on top right away and never let up. "Every girl played a great game," Giesselmann said. "We had a great night passing the ball and overall it was our best match of the year."

Giesselmann's only disappointment of the night was the sub 90 percent serving his team suffered. "We're not below 90 percent serving very often," Giesselmann said. "We just had a night where we missed some."

The Wildcats were 36-41 in the serving department for 88 percent.

Kelly Pichler led the way with a 10-11 outing and three aces. Holly Holdorf was 15-16 with two aces and Jenny Jacobsen was 5-5 with

one ace. Shannon Holdorf was 3-4 with one ace and Patty Oberle was 2-3. Kari Pichler was 1-2.

Kelly Pichler recorded 13 set assists on the night and Jenny Jacobsen was the top spiker with seven kills on a 10-12 performance. Patty Oberle was close behind with a perfect 6-6 outing with six kills. Shannon Holdorf was 9-10 with two kills and Wendy Rabe was 4-5 with two kills.

Jacobsen had three ace blocks

to lead the Wildcats while Rabe had one. "We had really good fan support," Giesselmann said. "We had a lot of people who made the trip and the girls really appreciate that."

Incidentally, with the Wildcats win, they are guaranteed their first winning season in several years. In fact, the nine wins so far this season is more than the last two seasons wins combined.

Gold Card to go on sale

WAYNE-The Wayne Blue Devil Athletic Booster Club is once again sponsoring the sale of the Wayne Gold Card which will go on sale in the near future.

The Card consists of discounts which can be used time and time again for a year, from many businesses in the Wayne area. The Gold Card will sell for \$6 this year because the number of participating businesses has doubled from last year.

The "W" Club will be selling them along with a middle school class under the direction of Dan Johnson. The Gold Card will also be on sale at the participating businesses. If you are interested in purchasing the Gold Card but can not locate one, contact one of the following booster members: Joyce Reeg, Gene Casey, Dan Johnson or Ron Fink.

WSC golf teams compete

WAYNE-The Wayne State College men's and women's golf teams competed in a unique mixed foursome match with Creighton last Tuesday at the Dodge Country Club in Council Bluffs.

Creighton won both contests played in 25-30 mph winds. The Creighton women downed WSC 373-389 while the men won 338-347. In women's competition, Creighton's Nikki Ross was medalist with 89. WSC scorers were Mindy Richards, 96, Dawn Garrett and Deena Curtis, 97's, and Janell Doberkow with a 99.

Wildcat sophomore Kevin Gengler was medalist in men's competition with a 79. Other WSC scorers were Pat Mehrens, 82, Paul Parker, 90, and Todd Awtry, 96.

"Both teams enjoyed playing in mixed foursomes," WSC coach Eldon Hutchison said. "I think the women's scores improved from tips given by the men, but the high winds accounted for high scoring for both teams."

Allen gals down Bancroft

ALLEN-The Allen Eagles volleyball team downed Bancroft-Rosalie in straight sets last Tuesday in Bancroft, 15-4, 15-4. Gary Troth's crew improved to 9-5 with the win. Alyssa McGrath was 10-10 in serving with two aces to lead the squad while Christy Philbrick was 7-7 with two aces as well. Carla Stapleton was 8-8 and Denise Boyle was 8-9 with two aces.

Stapleton did the majority of the setting and was 50-50 with 17 set assists. Cindy Chase led the team in spiking with an 11-13 outing with six kills. Denise Boyle was 10-13 with four kills and Wendy Boyle was 7-7 with three kills. Robin Schroeder had one kill and was 5-7.

"Our passing game was real good," Troth said. "I don't think our setter had to move more than one step all night to get the ball and set it."

WINNERS OF THE Jaycees "Pigskin Masters" competition include from left to right: Jon Meyer, Nick Simmons, Joel Munson, Matt Meyer, Mike Dorcay and Paul Blomenkamp.

SCOUTING FOR FOOD

The contact person for Winside Trinity Lutheran Church in the Cub Scout "Scouting for Food Bags" project is Mrs. Barb Junck of Carroll. If you are an out of town resident and would like a bag to contribute to this project, they are available at all three churches or contact the church representative. For United Methodist, the contact is Rose Jensen and for St. Paul's Lutheran, Mrs. Joni Jaeger.

GIRL SCOUTS

Twelve Junior Girl Scouts met Wednesday after school in the fire hall with their new leaders, Pat Miller and Melani Mann.

They discussed their badge work, rules and regulations and held election of officers. Elected for first term are Kim Oberle, president; Dannika Jaeger, vice president; Mindy Janke, secretary; Jami Behmer, treasurer; and Sarah Wagner, news reporter.

After the business meeting, they made plastic ghosts and hung them throughout the village park.

Treats were furnished by the leaders.

The next meeting will be Wednesday, Oct. 10 after school. New members are always welcome.

WEBELOS

Five Webelo Cub Scouts met Tuesday with leader Joni Jaeger at the fire hall. They voted Steven Rabe as their denner and Evan Robb as an assistant denner for a three month term. Dues will be kept at 25¢ per week.

They discussed their "Scouting for Food" project and went over the 20 Webelo pins they will be working for.

Kaleidoscopes were made and Jeremy Jaeger served treats.

The next meeting will be tomorrow (Tuesday) after school. Sam Schrant will bring treats.

AMERICAN LEGION

Seventeen members of the Roy Reed American Legion met Tuesday with Commander Gerald Pospishil presiding.

The secretary and treasurer reports were given. Discussion was held on the building of a new legion hall. A special voting meeting will be held tomorrow (Tuesday) to decide. All Legion members should be present.

The next regular meeting will be Tuesday, Nov. 6 at 8 p.m.

SENIOR CITIZENS

Twenty-four senior citizens attended last Monday's noon carry-in dinner and afternoon card party. The next meeting will be today (Monday) in the village auditorium at 2 p.m. Free blood pressure checks will be given. Hostesses will be Twila Kahl and Gladys Gaebler.

BRIDGE CLUB

The Art Rabes hosted the Oct. 2 Tuesday Night Bridge Club. Prizes were won by Arlene Pfeiffer and Warren Jacobsen. The next meeting will be tomorrow (Tuesday) at the Carl Troutman's.

Members of TOPS NE #589 met Wednesday for weigh-in. The next meeting will be Wednesday, Oct. 10 with Marian Iversen at 5:15 p.m. For more information, call 286-4425.

Effort

(continued from page 1)

Shelton said providing such a comprehensive listing of leisure activities is also useful for recruitment efforts by economic development groups such as the Chamber of Commerce, Wayne Industries, the City of Wayne and other interested groups.

The cover for the booklet was drawn by Sara Hekmati, who was one of a number of students involved in the summer recreation program.

There were many people involved in the development of this project.

Shelton attributes much of the success of the brochure to Julie Mash for her computer expertise.

Financial backing for the printing and distribution of the booklets came from the City of Wayne, First National Bank, State National Bank, Wayne State Foundation, Heritage Homes, First National Bank of Omaha - Wayne Service Center, Great Dane Trailers, Vakoc Construction, Carhart Lumber Company, The Wayne Herald and the Wayne Recreation Board.

Different Drummer.

Our electric utility marches to the beat of a different drummer. The difference is community ownership.

Because it's public power, our consumers and owners determine the cadence for electric service in this community. Everyone here is a utility owner.

Public power systems are not run for profit. That means all the benefits stay in our community.

Local control also means that everyone has a say in how our electric utility can help meet our community's goals. Because public power users and owners are one and the same, your aims are also ours.

The tempo in our community is set to the needs of our public power customer-owners. That's consumer protection at its best.

Look at public power in a new light. After all, it's yours.

Hair care is their primary concern

Local beauty shops provide services

The Headquarters

The Headquarters is located at 320 Main and was established in 1977. Sheryl Polhamus, owner, has been a hairstylist for 17 years. The shop is a family shop doing men's, women's and children's styling.

A new feature at The Headquarters is the addition of their stress relief table which was designed by a doctor for the purpose of relieving stress.

The other stylist is Kathy Meyer, of Winside, who has two years experience. Both hairstylists are specialists with extensive training in perms, hair cuts, colors, shampoo set or a shampoo blow-dry-curling iron. Other services at The Headquarters are ear piercing, honey wax (which is a facial depilatory) and eye brow arching. Hennas, lumanizing, tipping, rehydrating conditioners, clipper cuts for both men and women are highlights at the shop.

The Headquarters is a full retail shop with professional products such as shampoos, conditioners, hair sprays, gels, curling irons, finger nail polishes, combs, brushes, picks and hair accessories. Top of the line products are available for retail and for their perms and colors from Redkin, Matrix and Scruples. Helene Curtis has introduced a new line called Attractions which is one of their most popular lines.

The shop is open six days a week until 6 p.m. except for Thursday nights when it stays open later. They try to take off by noon on Saturdays. Phone 375-4020 for an appointment.

If you ask the girls what they've been up to or how is business, they would tell you that business has been great and that they've been "clipping right along," but it's always "hairraising" there and they wouldn't "tease" you about that. They are a "cut" above the rest.

Shear Designs

While Shear Designs has regular business hours (8 a.m. to 5:30 p.m. Monday through Saturday and 8 a.m. to 9 p.m. on Thursdays), shop owner-operator Doug Sturm said his staff tries to accommodate every customer's schedule. Phone 375-4691.

"If anyone needs to come in at another time, we'll be happy to schedule them where it's most convenient for them," Sturm said.

Assisting Sturm in his Mineshaft Mall (112 E. 2nd) operation are Deb Harmeier and Deanna Jensen. Sturm has 14 years experience as a hairstylist while Harmeier has seven and a half years and Jensen two and a half.

Shear Designs offers complete hairstyling services for men, women and children including perms, coloring, haircuts, manicures and sculptured and acrylic nail work. "We're the place to come if a customer wants long, luxurious nails," Sturm said.

Shear Designs also is a retailer for most hair care products. "And if we don't have an item in stock, we can get it in just a few days," Sturm said.

Arlene's Beauty Shop

Arlene Watteyne of Arlene's Beauty Shop celebrated her 25th anniversary as a beauty operator in Wayne. Counting her previous related work experience in Norfolk, Arlene has been in the beauty shop business for nearly 28 years.

Arlene is open from 8 a.m. to 5 p.m. Monday through Saturday and offers the full range of beauty shop services including perms, haircuts, styling, coloring, bleaching and eyebrow work.

Her shop at 608 Logan is located in her home. Phone 375-3767 for appointments.

Arlene's "coiffures" and "silhouettes" will "outshine" the rest.

Mr. Mitchell's Styling Salon

Mr. Mitchell's Styling Salon has been located at 313 Pearl St. since October 1984. Owned and operated by Mitch Nissen, Mr. Mitchell's first opened in Wayne on 1973 on Main Street where Hollywood Video is now located.

Mr. Mitchell's is a full service salon for women which schedules work by appointments only from 8:30 a.m. to 5:30 p.m. Monday through Friday. Phone 375-3880.

Services available are hairstyling, cutting, perms, coloring, bleaching, frosting, weaving and makeup work. Mitch is a licensed instructor in cosmetology previously teaching in Lincoln and doing freelance instructing. He takes advanced education courses yearly in order to keep his instructor's license up-to-date.

Mitch also carries a complete line of Redken Makeup.

Mitch, who is also always "teasing" around enjoys his work and his customers. Things might get "hairly" for him but he is always there to serve you.

Hazel's Beauty Shop

Hazel Mau, owner-operator of Hazel's Beauty Shop, is the "dean" of hairstylist in Wayne working in the profession for the last 56 years. She worked in Mississippi and Alabama for 12 years before opening her shop in Wayne in 1946.

Hazel is ably assisted by Sue Paysen who's been a hairstylist since 1966 with the last 14 years being in Wayne.

Hazels, at 220 Pearl in the south end of the city auditorium, is open from 7:30 a.m. to 5 p.m. Monday through Friday and 7:30 a.m. to 2 p.m. Saturdays. Most of the shop's workload is by appointment (phone 375-3622) although walk-in customers are worked into the schedule as time permits.

Full service for men and women is available at Hazels. "We specialize in everything," she said.

According to Hazel, "good old fashioned service" has been her shop's trademark. "We cater to the customer."

Before moving to her present site in 1976, Hazel's Beauty Shop was located on Main Street where Occidental Savings Bank now stands.

Pat's Beauty Salon

Three experienced beauticians are on staff at Pat's Beauty Salon located at 305 Pearl Street, phone 375-2700.

Owner Pat Wert began her 27th year in the business March 1 while Susie Schmidt has been working for 25 years and Renee Jensen 16 years.

Pat's is open six days a week by appointment and is a full service salon. Pat's also offers services in the hair and skin care and handles hairpieces and wigs. A special feature at Pat's is an exercise bed which relieves the discomfort associated with arthritis and muscle tightness. It also is used for body toning.

The girls at Pat's always get a kick out of "bending" your hair and your ear about the latest styles and cuts they do in their salon.

Kathy Meyer and Sheryl Polhamus are ready to help their customers

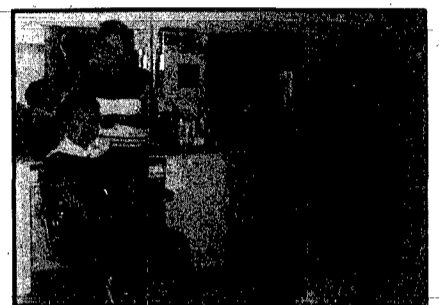

Doug Sturm enjoys assisting his clients with hair care.

Arlene Watteyne is ready to serve as she has for 25 years.

Mitch Nissen is familiar with all types of hair care.

Hazel Mau and Sue Paysen combine years of experience in hair care.

Pat Wert, Renee Jensen and Susie Schmidt provide service with a smile.
