Does that bring back memories for you — of mom or dad reading to you in front of a lighted Christmas tree with empty stockings hanging in front of the fireplace, a plate of cookies and a can of pop for Santa, and a carrot for Rudolph — of a quiet, yet exciting time on Christmas Eve when time stood still?

You may not think of it, but your library is in the business of making memories for each child and each adult who comes through our doors. We have the means to stir up long forgotten memories with old familiar books, and we have new memories to give with each new book on a reference. give with each new book on our shelves.

Reading aloud to children at any time is a rewarding practice, both for the parent and the child. At Christmas time it can be a means of sharing with your children memories of your own child-hood — through the stories you read them.

Books like Charles Dickens' "A Christmas Carol," Clement Moore's "The Night Before Christmas," Gian-Carlo Menotti's "Amahl and the Night Visitors," Ezra Jack Keats' "The Little Drummer Boy," or Dr. Seuss' "How the Grinch Stole Christmas," are all

Wayne downs Wisner by eight to run record to 3-1

By Kevin Peterson

Sports Editor
The Wayne Blue Devils boys basketball team finished up their initial four game road stand of the season in fine fashion Friday night as they tripped Wisner-Pilger 75-67 in Wisner.

The Blue Devils finished 3-1 in that stretch of away contests and head coach Bob Uhing feels that might be the makings of a good basketball team. 'Our kids showed let of possible the stretch the stretch that the s a lot of poise by playing four con-secutive games on the road to start the season," Uhing said. "We had some nice balance in scoring which is a mark of a good ball

Wayne trailed Wisner 17-16 at wayne trailed Wisher 17-10 at the end of the first quarter but the Blue Devils would never trail at the end of another quarter. In fact, the Gators biggest lead of the game was four points at 25-21. Wayne came back to regain the lead and Wisher would never see the lead again as the Gators the lead again as the Gators—rated in preseason, fell to 1-3.

Things continued to get hot for the Blue Devils in the third quarter as they hit for 24 points to take a 14 point cushion into the final sight migutes at 60.46 nal eight minutes at 60-46.

Wayne played with out the services of Brian Lentz who was out following a bout with mononucleosis. Craig Sharpe played with a sore back and John Murphy was still getting over the flu. Brad Uhing was nursing a pulled hamstring as the Blue Devils played hard despite resembling an army mash unit.

"It's tough to come into Wisner and play," Uhing said. "We came in with a lot of injuries and sickness and our kids played hard. We didn't play that smooth but our

team over came a lot."
Sophomore Bobby Barnes

Five Blue Devils were in double Five Blue Devils were in double figures led by Sharpe's 20 points. Jeff Griesch chipped in 17 and sophomore Regg Carnes poured in 15. Kyle Dahl was the fifth Blue Devil in double figures with 10. Aaron Wilson rounded out the Wayne scoring with two free throws.

Wisner-Pilger was led by Corey Weber who scored 21 points while Chad Holtz netted 15. Nick Otten and Jared Ockander were also in double figures with 12 and 11 points respectively.
Wayne was 13-23 at the free throw line while Wisner was 8-14.

The Blue Devils dominated the boards with 38 rebounds to their credit with Sharpe leading the way with 12. Dahl, Wilson and Griesch all had six caroms apiece while Carnes hauled down five boards.

Wayne did a nice job of handling the ball despite the Gators pressure. The Blue Devils had just seven turnovers. "I thought we did a nice job of rebounding," Uhing said. "Overall, I'm pleased with the effort our kids gave

Wayne State gals down Briar Cliff

The Wayne State Wildcat women's basketball team has played just 10 games this season following Friday night's home contest with Briar Cliff in which the Wildcats won 70-65, and already second year coach Mike Barry has more wins than all of last season at 4-6. Last year Wayne State finished 3-23.

Wayne State came out of the locker room to begin the second half on fire as they scored eight straight points to take a four point lead. Briar Cliff however, responded with a run of their own that consisted of nine straight points to take a 44-39 lead.

Both teams see-sawed from then on until about the three minute mark when Barry's troops gradually pulled away. The Wildcats had a lead of 10 points within the last three minutes before fi-

nally winning by five.

Four players finished in double figures for Wayne State led by Mary Schnitzler who finished with 18 points, Jodi Otjen poured in 12 while Lisa Schwab netted 11. Also in double figures was Lisa Chamberlin with 10.

Winside boys lose by 23 to Coleridge

Randy Geier's Winside Wildcat basketball team fell to 1-4 on the season Friday night with a home loss to highly tauted Coleridge, 61-38. The Wildcats came out cold in the first quarter as Coleridge built a 13-6 lead heading into the second stanza.

Winside played tough the second quarter out scoring the visitors by one, 14-13 to make it a 26-20 lead for the Bulldogs at the break. The difference in the game how-ever was the third period as Co-leridge scored 23 points compared to just four by Winside to break the

Allen boys even record

The Allen Eagles boys basket-ball team evened their season record at 2-2 last Friday night with a 76-67 win over Hartington in Allen. First year head coach Jeff Schoning watched the visitors from Hartington put up a good fight however, before his team pre-valled.

"It seemed like everytime we would build a nice comfortable lead they would cut it back down again," Schoning said. "It was a rather slow first quarter but we really picked up the pace after that."

The score was all knotted at 14's after the first quarter before Allen senior Shane Dahl took mat-

The NPPD board of directors has approved a new production costs adjustment factor as part of the wholesale electric rates that will increase costs in an estimated range of 2.4 to 3.4 percent for the 26 public power districts and rural cooperatives and 50 municipalities that purchase their total electrical requirements from NPPD.

The PCA account was created several years ago to account for variations between actual and estimated fuel costs and other fuel related charges to run the district's generating plants. The 1991 basic wholesale rate will remain the same as in 1990.
