Miss Nebraska U.S.A.

Ayeen shares stories of her life with students

By Mark Crist
Managing Editor

If ever there were a story line for a movie script, Ziba Ayeen, Miss Nebraska U.S.A. 1991, might hold it.

Ayeen, a 26-year-old Afghanistana native, came to the United States in 1979 at the age of 16 when she and her brother fled Communist occupied Afghanistan. Following three months in Pakistan, Ayeen joined her parents in Omaha.

Tuesday, she visited Wakefield and Allen High Schools to discuss her experiences and share her views of life in the United States.

Dressed in Nebraska National Guard fatigues, Ayeen discussed her life story, while sharing her thoughts of being a U.S. citizen and the nation's role in the Persian Gulf.

"HAVING LIVED under Communism and knowing what an invasion is like, I sympathize with the Kuwaitis," she said. "I hope the crisis in the gulf can be solved without war but I knew when I took the oath (to be in the National Guard) I knew that I might have to go to war."

"Having lived under Soviet control, I have great appreciation for the freedoms we have here. When I get a chance to talk to my peers, I'll always say what we have here,

despite its problems, is better than the alternative."

Ayeen graduated from Omaha Westside High School in 1983 and she earned her bachelor's degree from the University of Nebraska-Omaha in 1990. She said she plans to earn her master's degree in international relations from UNO in the future.

AS A MEMBER of the Nebraska National Guard, Ayeen is a medic and flight operations specialist with the 110th Medical Company. Just eight hours after being crowned Miss Nebraska U.S.A., her unit was called to active duty. Because of the pageant, however, she was granted a leave to enable her to compete in the Miss U.S.A. contest.

The Miss Nebraska U.S.A. competition is worlds apart from what she had to dress like over 10 years ago.

In her discussion with seniors at Wakefield High School, Ayeen said she had to dress like a peasant in order to escape from Afghanistan. She said her greatest hope is to return home someday to a free country.

"The government there is still soviet-communist despite claims that the Soviet Union pulled its troops out of there in 1988," she said. "They do a good job of spreading propaganda to make others believe things are getting better there."

Walker hopeful for spouse's safe return from Gulf tour

By Mark Crist
Managing Editor

Jeanne Walker believes her faith in God will see the safe return of her husband Doug from his mission.

Like many others, Marine Capt. Doug Walker has been sent to Saudi Arabia as part of Operation Desert Shield.

Walker's 156-member Marine reserve unit was detached Nov. 24 to Saudi Arabia. His unit, the Fourth Civil Affairs Group, based at the Armed Forces Training Center in Anacostia, Md., was sent to establish a bureaucracy if United States forces invade Kuwait.

Jeanne, his wife of six years, is the daughter of Merle and Donna Ring of Wayne. She said despite having her husband head for the Persian Gulf, the experience has been valuable.

"I'm lucky to come back and be able to allow my children to spend time with my parents," she said. "It's been nice for them to get to know their grandparents."

WALKER SAID her husband received notification three times prior to heading for the gulf that he would be going. She said the emotional roller coaster prepared her for the eventuality that he would be going to the region.

The most difficult thing for her to see has been her husband's actual departure.

"The good-bye was a killer," she said. "We took Doug to his unit and then the kids and I went to church. After church, we went back to spend some time with him and that was really hard."

"Doug's parents also came to say good-bye. Doug's father served in Vietnam and it was tough to watch them. You see, his father left for Vietnam at the time when Doug was Alex's age and the farewell brought tears to both of their eyes. Doug told me later that was the first time he had seen his father cry."

The Walkers have two children:

Electrical ghost haunts Wayne council meeting

By Mark Crist
Managing Editor

Despite missing the Christmas season, a ghost of councils past paid a visit to the Wayne City Council Tuesday night.

That ghost was one of mischarging customers for their utility bills.

Addressing the council was Wayne resident Lillian Kober, who was one of the individuals who has to pay the city for a billing mistake made over four years ago.

Kober, a 68-year-old on a fixed income, who has lived in Wayne for four years, said the city's mistake in their billing procedures is going to cause her some hardship. Last month, Kober learned she owes the city \$1,256 on back electrical charges.

"I don't think it's fair that you did this to me," she said. "I'm here to appeal this charge. It's not my fault. I would've paid this when I was charged if I had been billed appropriately."

ALTHOUGH KOBER'S com-

plaint wasn't overlooked by the council, the response seemed to fall on deaf ears. She will end up paying back the debt over eight years.

"It's like we've loaned this money to all the people we underbilled for this time," said Councilman Darrel Heier. "Unfortunately, it has to be paid back."

As a result of the correction of a mistake made in entering multiplicative data into the city's computers, Kober will now be paying upwards of \$50 to \$60 a month for her utility bills, rather than between \$30 and \$40. In addition to that, she will have to pay an added \$13 a month over eight years for the city's mistake.

"When you're my age and you have a bill like this hanging over your head, it's a little unsettling," she said. "I don't owe anybody in Wayne a dime and this really hurts."

IN OTHER COUNCIL matters Tuesday night the city approved a

catering permit liquor license for the Black Knight restaurant and they approved the third reading of an ordinance to allow for angle parking at the Wayne County Courthouse on the east and west ends of the building, as well as giving the OK to angle parking at the new Medicap Pharmacy at the corner of Second and Pearl Streets.

Uncommon to most meetings, the council approved all claims but one filed by Virgil Kardell for crop damage which occurred over the summer.

According to City Administrator Joe Salitros, Kardell gave the city the go-ahead for the construction of a water main from Highway 15 and Golf Course Road to the corner which would intersect with Centennial Road. In the process of constructing the main, however, some damage allegedly occurred to some crops owned by Kardell.

The claim would have covered approximately a half-acre of corn, estimated at 50 bushels. The council, however, refused the claim.

School board says farewell to member, swears in another; then conducts business

WAYNE - After saying farewell to an outgoing board member and swearing in a new one, it was business as usual for the Wayne School Board.

Leaving the board after eight years is Dr. Arnold Emry, who was recognized for his service with a distinguished service award and pin for his work for the children of the district. Coming on to the board is Will Davis, who was elected on the first ballot in the Nov. 6 election.

As part of the board's annual agenda, officers were also selected. Serving his second straight term as president of the board is Dr. Sid Hillier and serving his second consecutive term as vice-president is Carter Peterson. Doris Daniels was appointed as secretary-treasurer of the board.

THE ITEM WHICH drew the most discussion among the board was LB 259, the school affiliation bill passed last year by the Nebraska Legislature. Although the bill is expected to take effect in 1992, where rural schools will have to affiliate with a district which has a high school, the board's review of the measure was brief due to expected amendments to the LB 259 during this year's legislative session.

"There's going to have to be some changes," said Supt. Dr. Francis Haun. "Just for the board's information, however, the whole initiative must be made by the ru-

ral school districts when they chose to affiliate with a high school district."

At the December board meeting, the council directed Dr. Haun to mail out letters to each of the surrounding rural school districts informing them that Wayne is

open to any suggestions they might have toward affiliating.

AS THE AFFILIATION discussion went by, Haun informed the board that the schools would be accept-

Agenda full of items ESU 1 board OKs contracts

By LaVon Anderson
Assistant Editor

The board of directors of Educational Service Unit 1 (ESU 1) took action on several items of business this month, including election of board officers and approval of contracts for the ESU 1 administrator and special education director.

Before getting down to business, the board installed two new elected members — Keith Pfeiffer of Homer and Brian Newton of Creighton.

Both were elected as at-large members of the ESU 1 board last November and replace Claire Hansen of Coleridge and Jim Martindale of Creighton, who chose not to seek re-election.

RE-ELECTED board chairman during Tuesday night's meeting in Wakefield was Ken Lahrs of Ponca. Also re-elected was John Post of Bloomfield, vice president.

Marion Arneson of Wayne was elected secretary and replaces Jim Martindale, who is no longer a member of the ESU 1 board.

John Portwood of the Wakefield National Bank was appointed board treasurer. Portwood is not a member of the ESU 1 board.

Lisa Salmon, ESU 1 office manager, was appointed recording secretary.

Lahrs said board committees for 1991-92 will be announced at next month's meeting.

BOARD members took action on the contracts of Administrator Rodney Garwood and Special Education Director Duane Tappe.

The board approved a two-year contract for Garwood and set his annual salary for 1991-92 at \$51,000 — up \$3,000 from the previous year. In addition, ESU 1 will provide full-family dental coverage and insurance premiums for up to \$50,000 life insurance, with other details of the contract remaining the same as last year. The contract is negotiable after the first year.

Garwood was named ESU 1 administrator in July 1987 after serving as assistant administrator since July 1983.

Tappe, ESU 1 special education director for the past 17 years, was offered a contract at \$43,400 for the 1991-92 year. Tappe's salary during 1990-91 was \$41,000. He too will receive full-family dental coverage and insurance premiums for up to \$50,000 life insurance, with other details of the contract remaining the same as the previous year.

Both contracts were unanimously approved by the board.

In addition, both Garwood and Tappe were asked by the board to undergo physical examinations by their family physicians and to have the physician submit a written report to the ESU 1 board. Cost of the examinations will be paid by ESU 1.

IN OTHER business Tuesday night, ESU 1 board members unanimously approved a proposal by Marvin Borg, chairman of the building and grounds committee, authorizing the committee to have an appraisal done of the property on which the Wayne Children's

Development Center is located. The program, which is for severe and profound youngsters, is located east of Wayne in a building now leased from Region IV.

Board members last month gave approval for the building and grounds committee, comprised of Borg, Randy Hummel and Bev Novak, to explore all avenues to secure more area for the unit's two Wayne programs — the Wayne Children's Development Center and the Wayne Learning Center, a behaviorally impaired program located in a building owned by ESU 1 on the east edge of Wayne.

Also working with the committee is board member Marion Arneson of Wayne.

Borg said the committee is still looking at several options in Wayne to secure more area for the two programs and added that appraisal of the building and land on which the Children's Development Center is located is needed to aid the committee.

BEFORE adjourning, Garwood reported to the board that a tentative agreement has been reached with the ESU 1 Education Association regarding distribution of LB 89 funds.

Garwood explained that LB 89 funds are provided by the state as a supplemental fee to be distributed among professional staff members.

Although the funds have not yet been received, board members unanimously approved a proposal to have them distributed this year in the same manner as last year.

Girl Scout cookie sales begin Jan. 11

Members of the Prairie Hills Girl Scout Council are once again conducting their annual cookie sale, beginning Jan. 11 and continuing through Jan. 28. This is the only time of the year these special cookies are available.

This year, Girl Scouts are offering two new cookies — Chalet Cremes and Trail Mix.

Chalet Cremes are named after the International Girl Scout Center located in Switzerland, "Our Chalet," and are a sandwich cookie in vanilla and lemon flavors. The lemon cremes feature "Our Chalet" in a summer scene enhanced with yellow flowers and sunshine. Vanilla cremes feature "Our Chalet" in a winter scene showing snow on trees and mountain tops.

The other new cookie — Trail Mix — can be warmed in the microwave and features a unique blend of chocolate chips, oatmeal, sesame seeds, raisins, sunflower seeds, almond and apple pieces.

The other returning cookie favorites include Thin Mint, a thin chocolate coated wafer made with natural peppermint; Samoas, a vanilla cookie covered with caramel, rolled in toasted coconut and topped with chocolate stripes; Do-Si-Dos, an oatmeal cookie with peanut butter filling; Trefoils, a shortbread cookie; and Tagalongs, a cookie topped with peanut butter and covered with chocolate.

GIRL SCOUTS have been selling cookies for over 50 years and the sale, in addition to providing experience, serves as a source of funding for Girl Scout activities.

Part of the profits go directly to Girl Scout troops to use for special events. Another part of the profit supports council sponsored events throughout the 19 county council area in Northeast Nebraska. Profits also help purchase camping equipment and maintain and develop the council's 150 acre campsite, Camp Crossed Arrows, located near Fremont.

While the girls receive direct financial means from the cookie sales, they also learn about decision making, money management, business, consumerism and safety.

PERSONS WHO are not contacted and would like to order Girl Scout cookies are asked to call Linda Teach at 375-1521.

Grace Lutheran setting for December wedding rites uniting Meyer-Rauner

Grace Lutheran Church in Wayne was the setting for the Dec. 29 ceremony uniting in marriage Vickie Meyer and Michael Rauner, both of Lincoln.

Parents of the couple are Mr. and Mrs. Ferris Meyer of Wakefield and Mr. and Mrs. Louis Rauner of Tecumseh.

The Rev. Jeff Anderson of Wayne officiated at the 5 o'clock double ring ceremony with decorations in wine, gray and white.

Mrs. Kathy Berry of Wayne served the bride as her personal attendant and also registered the guests, who were ushered into the church by Dennis Anderson of Wayne, Jim Easthouse of Fort Collins, Colo., and Randy Dittmer of Tecumseh.

Wedding music included "Wedding Song" and "God, a Woman and a Man," sung by Mrs. Gwen Jensen of Wakefield. Organist was Mrs. Elaine Rump of Wayne.

THE BRIDE was given in marriage by her parents and escorted to the altar by her father.

She chose a white satin gown designed with an illusion neckline finished with a wedding band collar accented with lace, beads and sequins. The full-length Renaissance sleeves were designed with pillow tucks at the elbows and tapered to fitted cuffs accented with lace medallions, pearls and sequins.

The full skirt fell from a basque waistline and was accented with pearls, sequins and schiffli lace appliques. Lace medallions decorated the front and back skirt with a lace trimmed bustle and satin bow at the back waistline.

Schiffli lace with pearls and sequins trimmed the hemline and semi-cathedral train.

Her bridal wreath headpiece was composed of fabric flowers and simulated pearls with a puffed fingertip veil.

The bride carried a cascade of red roses, white miniature carnations and pearls accented with evergreen, ming fern and long wine and white bridal streamers.

MATRON OF HONOR was the bride's sister, Mrs. Penny Anderson of Wayne, and bridesmaid was Mrs. Shelli Easthouse of Fort Collins, Colo., also a sister of the bride.

Their wine floor-length gowns were designed with fitted lace bodices, dropped waistlines and gathered skirts. Bows accented the skirts and short puffed lace sleeves.

Each carried a hand bouquet of three large red roses and baby's breath accented with pearls, evergreen, ming fern and ribbon streamers.

JON RAUNER of Tecumseh, brother of the bridegroom, served as best man. Groomsman was Bob Kroll, also of Tecumseh.

The bridegroom was attired in a white tuxedo with a red rose boutonniere with pearls. His attendants wore French gray tuxedos with white shirts, French gray bow ties and cummerbunds.

Flower girl was Jill Anderson of Wayne and ring bearer was Christopher Rauner of Elk Creek.

For her daughter's wedding, Mrs. Meyer selected a gray and wine glen plaid suit. The bridegroom's mother chose a black suit. Both wore corsages of red sweetheart roses and white miniature carnations.

Flowers were pinned by Mrs. Kristy Rauner of Elk Creek.

FOLLOWING the ceremony, a buffet reception was served in the church basement with Mr. and Mrs. Mike Moore of Lincoln serving as hosts. Arranging gifts were Sarah and Joshua Moore of Lincoln.

The wedding cake was cut and

Mr. and Mrs. Michael Rauner

served by Mrs. Regina Doty and Mrs. Rosemary Pella, both of Tecumseh.

Mrs. Marcella Suehl of Hoskins and Mrs. Pam Moore of Lincoln poured, and Susan Doty of Tecumseh served punch.

THE BRIDE is a 1988 graduate of Wayne-Carroll High School and

a 1989 graduate of Spencer School of Business in Grand Island. She is employed at Ameritas Life Insurance Corp. in Lincoln.

The bridegroom was graduated from Tecumseh High School in 1980 and is employed at Nebraska Boiler in Lincoln.

The newlyweds are making their home in Lincoln.

Wayne native employed as art director for TV drama

Wayne native Daniel Proett is presently employed as art director for the TV drama Twin Peaks.

Before that, Proett was employed one year as assistant art director for the daytime drama Days of Our Lives.

Proett was graduated from Wayne-Carroll High School in 1972 and received his BA degree from the University of Nebraska-Lincoln in 1977.

He resided in New York City for 12 years, where he was employed as set designer of off Broadway and regional theatre and television. He served as an associate professor at Rutgers University for three years and is a two-time winner of the Mason Gross School of Arts New Jersey Drama Critic Award for set design.

It was at Rutgers University that Proett met his wife, Nancy Konrardy of Dubuque, Iowa. They moved to Los Angeles in the fall of 1989. Nancy is an active costume

Parents of children with disabilities invited to workshop in Wayne

The Nebraska Parents Information and Training Center, headquartered in Omaha, will hold a free workshop for parents of children with disabilities on Tuesday, Jan. 15 from 7 to 9 p.m. in the Education Room at Providence Medical Center, 1200 Providence Rd., in Wayne.

The free training workshop is on starting and strengthening parent support groups.

For more information or to pre-register for the workshop call the Nebraska Parents Information and Training Center at 1-800-284-8520 or Wanda Kucera at (402) 375-1628.

The services of the center are available throughout the entire state of Nebraska and are designed to assist parents of children with disabilities.

The objectives of the center are to provide information and materials which will promote an understanding of special education and disability conditions; provide training to improve parents' understanding of special education and teach them the skills with which to effectively participate in the special education process; and link parents to local support organizations and other parents in their area.

THE GREATER Omaha Association for Retarded Citizens has received a three-year grant from the U.S. Department of Education for operation of the center.

Return

(continued from page 1)

Alex, age 3 and Melissa, 1-year-old.

WHILE KNOWING that there is a risk to her husband's life, Jeanne tries not to think about the danger. She said she knows her husband supports what he's doing "100 percent", so she supports him in a like manner.

"I haven't dwelled on the possibility that he could get killed," she said. "I anticipate his return but I know I don't have a 100 percent guarantee of it. I just try not to think about it."

After notification that her husband's unit had been activated, the Walkers prepared their children for the departure of their father. Jeanne said their primary concern has been with Alex.

"We started talking to Alex about five days before Doug had to leave and if you ask him now, he'll tell you: 'Dad's in Saudi Arabia to get the bad guys.'"

One difficulty has been watching the development of Melissa and knowing that Capt. Walker wasn't there to witness one major event in her life.

"The night Doug left, Melissa started walking," she said. "He didn't get to see that."

PICTURED WITH THEIR FAMILY is (from left) Doug and Jeanne Walker and their two children Melissa and Alex. Doug Walker is a captain in the U.S. Marine Corps and his unit was deployed Nov. 24 to Saudi Arabia. Jeannie and their children are staying with her parents, Merle and Donna Ring of Wayne.

District Court

Dissolution of marriage

Linda Rae Smith, Wayne, and Earl Wayne Smith, Pine Bluff, Ark.; Dian Kay Drews, Pierce, and Rodney Dale Drews, Pierce.

Board named

AREA - Wayne County residents of District II have re-elected Connie Behmer of Hoskins and Larry Sievers of Wayne to a two year term on the Wayne County Extension board.

Elected to District III for a three year term are Joyce Sievers of Wayne and Merlin Topp of Pilger. The board gives direction to the cooperative extension service program and disburses county tax dollars which fund the local office.

Other members on the board include Dola Husmann and Jack Beeson, representing District I; Terri Headley, Home Extension Council representative and Dave Jaeger, 4-H Council representative.

Board members will meet Jan. 15 at 7:30 p.m. in the Wayne County Courthouse to elect officers and organize for 1991.

Valiparaiso brothers lose lawsuit

VALIPARAISO - Don and Jack Gould are still seeking to change what they believe is wrong with the system of funding Nebraska public schools.

The two brothers lost their lawsuit against the state Dec. 21 in the district court of Lancaster County but the brothers plan to appeal the ruling.

The case was earlier won by the Goulds but the district court judge reversed the ruling. They are seeking a ruling which shows Nebraska statutes governing the financing and operation of public schools are in conflict with certain sections of the state's constitution.

Laurel couple killed in auto accident

JACKSON - Everett Janssen, 75, and Evelyn M. Janssen, age unknown, were killed Dec. 28 when the vehicle they were driving collided with another vehicle on Highway 20 west of Jackson.

The accident took place approximately two miles west of Jackson around 12:50 p.m. According to reports of the accident, the road was covered with ice.

Another vehicle, driven by Debra Ausdemore, 16, of Ponca apparently lost control on icy roads and broadsided the Janssen vehicle. Ausdemore and a passenger, Sherri Rasmussen, sustained injuries in the accident but the extent of their injuries was unknown.

Company set to open Wayne plant

WAYNE - D.V. Industries of Pender, a company which produces metal shelving for the U.S. Postal Industry, will be opening a second plant in Wayne, according to Mike Bruns, plant manager for the Pender location.

The announcement was made early this week that limited operation will begin Monday in the new plant, which is housed in the former Broyhill building in the Wayne Industrial Park. The plant will employ approximately 10 people to begin with plans for growth of up to 20 employees.

"We chose the Wayne site because it is close to Pender and because it was readily available for us to move into," Bruns said. "We didn't have expansion room at the Pender plant but we do in Wayne."

D.V. INDUSTRIES serves as a metal stripping operation which creates shelf dividers for the U.S. Postal Service. It has been in business for six years.

"This will provide some limited opportunities for the college students to work but it's catered more for the full-time employee," Bruns said. "Any plans we have for expansion in the plant depends on future contracts."

Bruns added that once production gets into full swing, D.V. Industries will occupy the entire Wayne building.

ing 10 new students as a result of the option program.

Joining the school district in the 1991-92 school year will be Jamie Backstrom, a kindergarten from district 57; Joseph Haller, a fifth grader from Laurel-Concord; Jacqueline Paynter, a seventh grader from district 15; Merrill Paynter, a sixth grader from district 15; Pamela Paynter, a fourth grader from district 15; Jason Pentico, a senior from Randolph; Jeremy Sanderfer, a sophomore from Laurel-Concord; Joshua Sanderfer, a freshman from Laurel-Concord; Lindsey Thomsen, a second grader from district 25 and Ryan Thomsen, a sixth grader from district 25.

Hau reported that no students have filed reports of plans to leave the Wayne District 17 Schools as of the board meeting Tuesday.

IN OTHER MATTERS, the board of education:

• Learned from Dr. Hau that the elementary addition was substantially complete. Hau said the

new addition would cost the schools \$310,000 at a cost of \$63.63 per square foot. The total project resulted in an addition of 4,500 square feet to the Wayne Elementary School.

• Reviewed issues that would be under consideration at the Nebraska State School Board Association's Delegate Assembly this weekend in Lincoln. Peterson will be representing the board at this meeting.

• Appointed Peterson as a board member to serve on a traffic study committee that was being organized by the City of Wayne.

• Accepted a proposal from United of Omaha to increase the health insurance premium 10 percent across the board beginning April 1, 1991.

• Learned from Dr. Hau that the external visitation team report had not yet been received.

• Appointed a board negotiations committee with Ken Dahl chairman, Dr. Ken Liska and Dr. Hillier as members.

• Voted to increase the board's umbrella liability coverage to \$2 million for an addition premium of \$1,125 a year.

Where we've been and where we're going

A Message from the City Administrator's Office

By Joe Salitros

Through the last 12 months, the City of Wayne's elected and management leaders have deliberated on a number of issues with long-term impact. As we begin a new year it is useful to look back and recap these experiences in order to look ahead to the future. All issues or matters handled by the City are important to some segment of the community. In some important policy decisions affecting all of us, the Council:

- Endorsed a 'grass roots' community development program by passing a resolution to support the START program in Wayne.

- Approved an agreement which maintains for the next 25 years the long-term partnership between the City and NPPD to provide electricity to the citizens of Wayne.

- Moved to reduce the city's environmental risk by entering into a 10-year agreement with L.P. Gill to haul solid waste to the Jackson landfill, which meets higher federal and state regulations.

- Extended the life of the outdoor swimming pool by 25 years with a \$330,000 renovation.

- Accepted the resignation of Phil Kloster, who served as city administrator since 1981, and hired this writer as his professional management replacement.

- Undertook a study of recreation services in Wayne by appointing a citizen's committee to evaluate current programs. Program enhancement was recommended as well as the need for a Recreation Leisure Services Director.

- Established a revolving loan fund using payments on CDBG block grants/loans to be used to stimulate local economic development.

- Facilitated the addition of 40 new jobs for our community by approving a \$40,000 economic development grant.

- Provided the underpinnings for a recycling policy by restructuring procedures for handling garbage removal.

- Adopted a local emergency operations plan which joins together the mutual needs of several area communities.

- Re-established the opportunity for public input at council meetings.

- Undertook discussions and formulated a position on the 2 percent lid amendment to the Nebraska State Constitution.

- Provided a forum for an agency planning to house mentally ill people to hear and respond to the concerns of those residing in the neighborhood of the facility.

- Conducted an internal electric billing audit to find and correct billing errors and initiated a fair and flexible repayment arrangement for those under-billed.

- Installed new mayor and council representatives to replace Wayne Marsh, Carolyn Filter and Larry Johnson, whose combined years of service to the city total 45 years.

IN LOOKING forward into 1991 and beyond, the City is faced with a number of policy questions having long-term importance. The following items will likely be given serious consideration in the months ahead.

Should we plan for a multi-purpose community center and what functions should it serve, how best

to finance it, where would it be located and when would it be built?

How can we increase housing availability and what about our aging housing stock? What are the development implications involving storm water runoff? Who should pay for infrastructure improvements which are needed to make land suitable for development?

Where should initial efforts be focused to improving sidewalk conditions? What street improvements will be needed and how can parking requirements be best handled — on-street and off-street?

Should the city take a leadership role or one of support in community beautification efforts? Should the current inventory of trees be monitored and should we implement a tree-planting program which diversifies the stock of trees, much as you would diversify assets in portfolio management? Should there be a plan for street terraces which involves trees and flowers in order to improve the appearance of the most visible areas of the city?

To what degree do we want to get involved in national efforts for recycling? Will our population continue to grow or stabilize, and what impact does this have on our water resources and wastewater facilities? How do we best plan to meet the cost of federal and state regulations for water, wastewater and solid waste removal?

All of these are complex issues without necessarily easy answers.

Together the elected and management leadership of the City are dedicated to resolving them in the best way possible in order to lead Wayne into the next century.

AND AS WE begin the new year, I wish to share with you some thoughts upon which to ponder — the basis for some of my New Year Resolutions, and perhaps yours as well:

- Implant within the hearts of all who are given the responsibility of our cities a constant awareness of the human values at stake...

- Illuminate the dark alleys of our indifference...

- Restore in us a thinking which is willing to try new things, even if they have never been done before...

- Tax us with dreams that are capable of fulfillment...

- Beautify our vision so that we do not abuse the natural blessings of our creator...

- Help us to renew the dilapidated ideas of civil and national pride which are necessary for our growth...

- Pave the streets-of-our-intentions with all that is noble and good...

- Build bridges between those who have and those who need...

- Put an end to the pollution of apathy at work in our world...

- Put to work that which is unused of the creative power we possess...

Ribbons decorating Wayne a pleasant reminder of hope

As a community, we should take time to extend our thanks to the efforts made by those individuals who decorated the trees downtown for U.S. soldiers stationed in Saudi Arabia as part of Operation Desert Shield.

As the Jan. 15 deadline for Iraq to remove its forces from Kuwait approaches, those ribbons are a pleasant reminder of the sacrifices our troops overseas face. The significance of the red-white and blue and yellow ribbons proves that we support our service men and women who have been sent to the Persian Gulf region, whether or not we agree with the political motivation behind the cause.

The effort to tie the ribbons around the trees was organized by Wayne residents Linda Gamble and Sue Thies with help from loved ones who have soldiers stationed in the gulf region.

It is through the generous effort of the people of the community, that we are able to recognize those men and women in the gulf. Let's continue to hope and pray for peace on earth.

It is our wish that war be avoided at all costs. We sincerely wish for our people to return home soon and safely.

Letters

A letter home

Dec. 16, 1990

Happy Holidays from the Desert, Saudi Arabia. Thank you for the cards and letters. Mail to a serviceman is a way to keep in touch with the outside world. It also helps bring a smile to his face, to know someone cares.

Life has been interesting while being deployed overseas. Learning some of the different customs of the area has provided some unusual situations. Even trying to break down the language barrier is a difficult situation. The challenges help to keep life interesting.

Our life has changed drastically from leaving the states. The comforts of home no longer exist. The living conditions we have are not too bad. My home is a GP medium in which eight people live. Yesterday we were fortunate enough to acquire some lumber. While part of us were working on the company mission, the others laid a foundation and built a plywood floor. It is more soothing to the feet than walking on dust or rocks. We do have lights and electricity, powered by one of our companies generators.

My resting place is an individual cot, in which I snooze all curled up in my sleeping bag. I am glad my bag is made for cold weather. The temps at night range from 35-45 degrees Fahrenheit. Today has been the best overall day since being here. Virtually no wind, lots of sun. It was a terrific day. All that was needed was a swimming pool and suntan oil. Most of the time it is windy which helps spread the dust. Two days ago the wind was vicious. We had a duststorm, that reminded me of the blizzards when I was little. Zero visibility, only we didn't have the cold, but we did have the dust. Most of the time it is not so bad.

The mornings and the evenings provide the most beauty. The sunrise and sunsets reflect an awe-

some sight in this desolate place. That in itself helps to keep me going. Thank God, for the sun. I wish we could have some snow over here. Guess I will have to rely on my imagination.

The food is somewhat of an exciting experience. We have cooks who prepare a breakfast and an evening meal. Usually they are pretty good. At lunch, we have the military brown bag lunch. It is a Meal Ready to Eat (MRE). It contains a precooked entree, a desert, some condiments, some candy and a spoon. I would rather have a brown bag from my Mom, I know it would be good food, and she prepared it with love. Eating an MRE brings great appreciation for the food I make. I think it is more edible.

Through this whole ordeal, my faith in God has increased. Trust in him has to be totally complete. This situation is like none other I have ever experienced. I know in my heart and mind I may die as a result of what may happen. That's where God comes in. After death I know I am headed to Heaven, because I hold Jesus in my heart as Lord. I have asked him to come into my life.

He has taken the place on the cross dying for my sins so I may be assured of entering into Heaven. During this season I would ask if any of you have questions about where God stands in your life, feel free to ask your pastor.

Thanks again for your cards and letters they are greatly appreciated. I want to wish you all a safe and Happy Holiday.

Merry Christmas,

P.S. If anyone would like to send care packages, items of usefulness are: sugar free cool aid, dried fruit,

crackers, I would ask if you do send food and use popcorn for packing, put the popcorn in a plastic bag to preserve it. We do have a TV and VCR if anyone wants to send a videotape. Any kind of reading material is also welcome.

Response to letter

Having recently been provided with a copy of a letter published by The Wayne Herald on Nov. 1, 1990, I would like to respond on behalf of the organization the writer attacked.

In her letter on Nov. 1, Mrs. E.A. Johnson of Oakland severely misrepresents and grossly simplified the views and history of the American Civil Liberties Union.

Mrs. Johnson cites as her source the book "Trials by Error." I suggest that readers truly interested in the history and views of the ACLU, the nation's oldest organization dedicated to representing the rights guaranteed by the Bill of Rights to the Constitution, read the book "In Defense of American Civil Liberties" by Samuel Walker.

The Nebraska Civil Liberties Union, as an affiliate of the ACLU, is available to discuss issues broadly misrepresented by Mrs. Johnson.

Bill Schantz
Executive Director
Nebraska Civil Liberties Union

Constitution Ignored

I continue to be amazed (and disgusted) by hypocritical politicians like George Bush who bray mightily about the sacredness of the U.S. Constitution and how its provisions should be strictly construed and carefully followed. Then, when it suits their agenda, they ignore it. "The Congress shall have the power to declare war" (Article 1, section 8). Bush swore to "protect, uphold and defend" the Constitution. If he sends American troops into battle to die

in the Gulf without Congressional authorization, impeachment proceedings should begin immediately.

Whether Congress should declare war is a whole other issue. If members of the House and Senate cave in to administration pressure, they will share the blame for a war the majority of Americans do not want and do not feel is necessary until economic sanctions have been given more time to weaken Iraq's war-making potential. It is vital that citizens let their Congressmen know how they feel about a Gulf war by phoning them before the Congressional debate is over and the votes are counted, which could be as early as Saturday, Jan. 12.

West Point looking to START

WEST POINT - West Point's Chamber of Commerce has announced plans to recruit volunteers for the Strategic Training and Resource Targeting program (START) this year.

Once volunteers are signed up, persons in West Point will be introduced to the process through a video and will be provided background information.

The purpose of the START program is for a community to develop a self-help program to determine their strengths and weaknesses.

The Farmer's Wife

By Pat McHenry

The tree is on the porch, the decorations put away, (thanks again, Ann) and gifts exchanged. The cookies and candy and nuts are slowly being eaten, and late cards have arrived. The weather so far this week is like a heat wave, especially after last Saturday.

Because the paper was not printed on two successive Tuesdays, my Christmas column was after the fact, and I've actually had a week off. I've thought and thought, trying to come up with some major philosophical truths with which to greet 1991. I've read Mike Royko, Andy Rooney and various other outstanding columnists, and really haven't received any inspiration.

Then I thought I'd wait until after the Citrus Bowl, and maybe I'd have some good news to write about. There was a bright spot and that was Tom Haase, from Aurora, Nebraska. Tom's older brother, Brian, played basketball at N.W.U., got a varsity suit each year, and rode the bench most of the time. I was afraid the same thing would happen to Tom, but he, and a couple of freshmen, certainly rose to the occasion.

At the hospital last night, there was a lot of sentiment for Georgia Tech being named #1. I guess we can be happy it was a Big Eight team. I don't happen to dislike Bill McCartney, and they did it without Sal Auneis this year.

I also hear a lot of talk in favor of retiring Devaney, moving Dr. Tom to the position of athletic director, and recruiting a new coach. In fact, a visitor at my table today suggested recruiting Barry Alvarez from Wisconsin. He also emphatically stated that Charlie McBride should be replaced as defensive coordinator. He pointed out to me that the last nine quarters of this season have been defensive disasters.

It's time to focus on basketball anyway, and Nebraska's team is looking mighty good. There must have been some great games at WSC last week, judging from the scores.

Another good winter sport is wrestling, and Winside's annual invitational is this Saturday. It's bound to be cold that day, it almost always is.

A lady from Lincoln has suggested that we leave our holiday lights on until Jan. 15, and use them as reminders to pray for a peaceful solution in the gulf. I really like that idea.

The minister quoted a misprint in a church bulletin that said, "I heard the bells on Christmas Day!" It reminded me of the words to that old carol that says, "I heard the bells on Christmas Day, their old familiar carols play, and wild and sweet the words repeat of peace on earth, good will to men. And in despair I bowed my head; 'there is no peace on earth,' I said, 'for hate is strong and mocks the song of peace on earth, good will to men.'" The fourth verse reiterates, "then pealed the bells more loud and deep, 'God is not dead, nor doth he sleep; the wrong shall fail, the right prevail, with peace on earth, good will to men.'" Hang on to that promise, and have a blessed New Year. It will keep us warm when that wind chill falls.

Do You Have High Blood Pressure?

Of the 35 to 40 million Americans who have high blood pressure, only about 20 million actually know that their pressures are elevated. But if this problem goes undetected and untreated, serious damage can occur to the tiny blood vessels of the body. This damage to vessels can lead to heart attack, stroke, loss of vision, kidney disorders, and other health problems. Prescription medicines are highly effective in controlling blood pressure - especially when combined with non-drug measures such as salt restriction. These medicines not only reduce the pressure but also, according to recent reports, prevent deaths that are caused by heart-related problems or strokes. Interestingly, many individuals who have high blood pressure do not take their medicines on a regular basis.

Puttin' Up With Pete

By Kevin Peterson

Well, it seems that the winter sports season is flying by and before you know it, the district and state wrestling meet will be upon us. Once again it looks as though Wayne County will be blessed at the state meet with the Blue Devils and the Wildcats of Winside pushing for state titles.

But hold on, let's not forget about districts or perhaps what is even ahead this weekend for the Blue Devils. Wayne is enjoying what I call a dominant year—which is simply to date, a year in which no one has even come close.

That will undoubtedly change this weekend as Wayne takes part in the Elkhorn Invitational. This will be John Murtaugh and squad's first look at the state's top rated Class B team in Valentine.

Wayne, currently ranked number two, seems to be improving during each outing and this writer wouldn't be at all surprised if the Blue Devils claim the team championship at this Saturday's meet.

However, it is also a fact that Wayne will have to accelerate its intensity yet another notch to take on the likes of Valentine and Aurora and other top teams that will be in Elkhorn and if the Blue Devils wrestle at anything less than superb, they will be defeated.

That also goes for teams like Valentine, Aurora, Elkhorn and others who have not seen Wayne yet this year. Wayne is not to be taken lightly and if teams out there do take them lightly, they will spend the majority of the day counting lights if you know what I mean.

Wayne has a phenomenal team and they no doubt lack the talent it takes to win a state championship this year but as Murtaugh has told me in the past, they will take it one step at a time and not look past any dual or invitational.

As long as the Blue Devil wrestlers know that they must keep improving and not get satisfied on what they already have accomplished, I can't see anything but good coming out of the situation.

Wayne established a new school record in last Saturday's run away team title at Wisner with 252 1/2 points. That is a record that may never be broken from a bunch of kids who have a lot of heart and desire—two of the most vital characteristics blended with talent which equals success.

Speaking of heart and desire, it seems Wayne County is loaded with it as Winside also established a new school mark with 230 of its own points at the Winside Invitational, also on Saturday.

Once again Paul Sok and company have their kids focused on what they have to do to be successful and by medaling 13 wrestlers Saturday, it seems that the Wildcats are on track for perhaps another district title and more importantly, a state championship.

Winside as you remember, placed runner up in Class D a year ago to Mullen. It seems that Mullen will be the team to beat again this year even though Winside has more points coming back this year than Mullen does.

Still, we can't jump the gun on Winside yet either. They still have some tough invitationals yet before districts. But, on the other hand, this writer feels that Winside is the definite team to beat and if they keep improving week to week, which is a must, then I project them to be district champs again.

Despite participating in the most competitive district in all of Class B, I still believe the Blue Devils will repeat once again as district champs. Hopefully, I will see a lot of Wayne and Winside wrestlers at the state meet in February, which is at press time, only 36 days away.

Free Throw contest approaching

WAYNE-All boys and girls ages 10-14 are invited to participate in the local level of competition for the 1991 Knights of Columbus International Free Throw Championship.

The local competition will be held Sunday, Jan. 20 at 1 p.m. at the Wayne High School gym. All contestants on the local level are recognized for their participation in this event. Participants will be required to furnish proof of age and written parental consent.

Contestants may sign up prior to the competition that Sunday but should be accompanied by a parent. Boys and girls will compete in respective age divisions. For additional information contact Mark Ahmann, KTCH Radio of Wayne at 375-3700 or you may contact Ahmann at 375-3163.

Parent's Night approaching

WAYNE-Parent's Night for the boys basketball team will be Friday, Jan. 11. Introduction of the parent's will be between the boys reserve and varsity match with Stanton.

Winside sets school mark at invitational

The Annual Winside Invitational was held Saturday with the host team proving to be the far superior team in a run away team title with 229 points which proved to be a school record as they erased the old mark of 213 1/2. Battle Creek finished second to Winside but with only 140 1/2 points while third place honors went to Osmond with 79 1/2.

Hooper Logan View finished fourth with 74 while Clearwater/Ewing placed fifth with 73. Planview finished in sixth place with 71 1/2 while Norfolk Catholic placed seventh with 61. Oakland-Craig was eighth with 59 while Stanton placed ninth with 32. The Winside reserves wrestled and scored 16 points.

Winside does not sport a 103 lb. wrestler but the other 12 weight classes are filled for Paul Sok's Wildcats and they made the most out of all 12 as 11 made it to the finals including one reserve wrestler. All 12 weight class representatives medaled for Winside but the host team walked away with 13 medals as heavyweight reserve Trevor Topp made it to the finals where he wrestled teammate Brian Thompson—the number one rated wrestler in Class D's heavyweight division.

Thompson pinned Topp in 40 seconds but Topp's ability to reach the finals to face his teammate proved to be a crowd pleaser. Altogether six Wildcats went home as champions of their own invite while five others were crowned runner-up.

Perhaps the most noted wrestler of the day was Chad Carlson who became only the second individual ever to win four consecutive Winside Invitationals. Carlson's name will be etched along side of Stanton's Kevin Woodman for the outstanding feat accomplished.

Carlson pinned Oakland-Craig's Randy Cope in 5:22 in the 125 lbs. match. The other four Winside champions included Jason Magwire at 140 lbs., who won a major deci-

sion from Aaron White of Planview, 15-4.

Jeff Gallop at 152 lbs., pinned Pat Burk of Clearwater/Ewing in 4:47 for top honors while Shane Frahm pinned Matt Hendrich of Hooper Logan View in just 1:44 in the finals of the 145 lb. category.

Jason Krueger was the sixth Wildcat champion of the day at 189 lbs., as he pinned Brian Choutka of Battle Creek in 1:41. "I really thought Jason Magwire had a good day," Winside coach Paul Sok said. "He really turned up the intensity a notch and it paid off for him. He recorded two pins and a major decision on the day."

The five runner-up places went to Mark Janssen at 112 lbs., who was pinned by Vince Kirby of Battle Creek. At 119 lbs., Jeff Carlson was pinned by Matt Nelson of Oakland-Craig while at 130 lbs., Doug Heinemann lost 4-3 to Aaron Bradford of Norfolk Catholic in the finals.

Kerry Jaeger fell to the tournament's most outstanding wrestler in Hooper Logan View's Jason Brandt at 160 lbs. while as already mentioned Trevor Topp was pinned by Brian Thompson in the heavyweight finals.

Jason Bargstadt placed third at 171 lbs., following his 6-5 decision over Terry Zessin of Oakland-Craig. Jason Topp placed fourth at 135 lbs. Topp fell by major decision to Leroy Claussen of Stanton, 13-4.

"Things worked out for us really well," Sok said. "I had projected coming into the meet that if we wrestled well we could possibly score between 180-190 points and the kids exceeded that which means we had a great day."

Sok said at the present time his squad seems to be alright in the area of technique but that they still have five weeks in which they must improve before districts and state approach.

Winside will host a double dual with Howells and Stanton on Thursday before traveling to take part in the Battle Creek Invitational on Saturday.

Wayne downs Laurel; loses to Vikings

The Wayne Blue Devils defeated the Laurel Bears by 30 points Tuesday night in Laurel, 71-41. Wayne improved to 4-5 with the win while Laurel continues to search for that first win of the season.

Wayne trailed 15-8 after the first quarter but out scored Laurel 21-11 in the second quarter to take a 29-26 lead into the locker room at half. The second half was a total Blue Devil domination to the tune of 42-15 which accounted for the large margin of victory.

"We were down by 11 in the second quarter," Wayne coach Bob Uhing said. "We called time out and told the kids to get with it and they responded." Kyle Dahl and Regg Carnes led Wayne in scoring with 15 points each while Bobby Barnes netted 13 and Aaron Wilson poured in 10. Jeff Griesch added seven and Brian Lentz scored five. Martin Rump, Brad Uhing and Chad Paysen all scored two apiece.

"We came out a little flat and we lacked intensity," Uhing said. "Right now I'm not extremely pleased with the way we are moving with out the ball and we aren't doing a real good job of pinning out on the boards outside the paint. We have to improve on these areas for coming games against some pretty tough teams."

Laurel was led in scoring by Andy Smith with 12. Travis Monson and Justin Swanson each scored six and Bruce Haisch added five. John Ebmeier scored four while Brian Penne, Kris Krie and Dean Heydon scored two apiece.

The Wayne reserves won 60-34 as John Murphy and Craig Hudson led the way with 11 and nine respectively.

The Wayne Blue Devils boys basketball team fell to 3-5 on the season Saturday night as they fell 59-57 to Columbus Lakeview at Wayne High School.

The visitors jumped out to a 14-10 lead after the first quarter of play and at the intermission Wayne

trailed 26-23. Both teams scored 17 third quarter points even though Wayne took the lead early in the third quarter. Down the stretch in the fourth quarter though, it was free throw shooting that kept the visiting Vikings in front of Wayne.

Columbus Lakeview connected on 16 of 21 from the free throw line while Wayne was 11-20. Both teams had 21 field goals in the game and Wayne had four 3-pointers compared to just one by Lakeview.

Wayne was out rebounded however, 27-17 including an 8-2 advantage on the offensive boards which resulted in second chance points. The Blue Devils had just eight turnovers in the game while Lakeview was forced into 12.

"I was pleased with the effort our kids gave," Wayne coach Bob Uhing said. "Rebounding and free throw shooting was where the game was won by Lakeview. Offensively, we executed the ball well and Regg Carnes and Jeff Griesch played nice games for us."

Griesch and Carnes were the only two Blue Devil scorers in double figures with 17 and 12 respectively while Brian Lentz added nine and Kyle Dahl, eight. Aaron Wilson scored six points and Bobby Barnes netted three. Brad Uhing rounded out the Wayne scoring with two.

In the reserve game prior to the varsity contest it was Columbus Lakeview defeating Wayne, 58-50 despite the 15 points from John Murphy.

Blue Devils establish record

By Kevin Peterson
Sports Editor

The Wayne Blue Devil wrestling team broke a school record at the Wisner-Pilger Invitational Saturday by scoring 252 1/2 points. Needless to say, the Blue Devils virtually ran away from the other eight schools in winning their fourth invitational of the year in as many outings. Wayne is 5-0 on the year in duals.

Wayne placed all 13 varsity wrestlers and even placed one reserve wrestler who could medal but not score any team points. The Blue Devils put 11 wrestlers in the finals and walked away with nine champions. It was the first time ever that a Wayne squad broke the 200 point barrier and the Blue Devils buried it.

Creighton finished runner-up at the tournament with 130 points while Wisner-Pilger placed third with 109 1/2. Norfolk's reserves placed fourth with 85 and Pender placed fifth with 75. Schuyler, West Point Central Catholic, West Point and South Sioux's reserves rounded out the field in order of finish.

Three Wayne wrestlers enjoyed their first ever tournament championship in Jesse Brodersen, Dave Hewitt and Randy Johnson. "Our goal going into the tournament was to score over 200 points and to have all the varsity wrestlers medal," Wayne coach John Murtaugh said. "When you look at the final results, we actually exceeded those goals."

Todd Fredrickson, Randy Johnson, Brent Gamble, Mike DeNaeyer, Chris Janke, Jesse Brodersen, Dave Hewitt, Jason Ehrhardt and Matt Bruggeman all claimed individual championships while Jason Fink and Dwayne Junck each finished in the runner-up slot. Eric Cole and Trevor Wehrer each brought home third place medals and reserve wrestler Jason Wehrer wrestled at 103 lbs., and brought home a fourth place medal.

The 13 Blue Devil grapplers wrestled in a total of 40 matches on the day and went 36-4 with 18 pins to their credit. "I was very pleased with the final round," Murtaugh said. "We won 11 of 13 finals matches which is a great way to finish a tournament."

Murtaugh also noted his satisfaction of Randy Johnson, Jesse Brodersen and Dave Hewitt for winning their first tournament. "Those three are making a lot of progress with their wrestling this year," Murtaugh said.

Although the Blue Devils record performance Saturday in Wisner will perhaps live in infamy as a record which perhaps may never be broken, Murtaugh's troops could only savor the moment briefly as they returned to practice

ERIC COLE works over an opponent at the Wisner-Pilger Invitational held Saturday. Wayne established a new school record in the meet by scoring 252 1/2 points.

Monday in preparation for the Elkhorn Invitational this Saturday which will give Wayne its first look at the number one team in Class B in Valentine.

Valentine however, will not be the only strong team in the field as O'Neill, Aurora, Bennington, Omaha Cathedral, Elkhorn, Gretna, Raymond Central and Wahoo will also be present.

With the district competition less than a month away at press time, all 13 Blue Devil varsity wrestlers sport records over .500. In fact, no one is even close to the .500 plateau with Mike DeNaeyer and Jason Ehrhardt leading the way with 16-1 records. Chris Janke and Matt Bruggeman have also lost just once this season as each are 15-1.

Todd Fredrickson is 14-3 and Brent Gamble is 13-3 while Cory Wieseler is 9-3. Trevor Wehrer sports a 14-5 mark and Jesse Brodersen is 13-5 while Dave Hewitt is 10-5. Jason Fink is 12-6 on the season so far while Eric Cole is 8-6. Randy Johnson has an 11-7 mark heading into Saturday's competition at Elkhorn.

The following is a composite on how each wrestler fared at the Wisner-Pilger Invitational.

103—Todd Fredrickson—FIRST PLACE—Won by Pin, Won by Pin, Won 9-5 over Curt Lantz of Wisner-Pilger.

112—Randy Johnson—FIRST PLACE—Won by Pin, Won 7-4, Won 12-1 over Chad Waldow of Creighton.

171—Dave Hewitt—FIRST PLACE—Won by Pin, Won 6-2,

Won 15-14 over James Buderus of Wisner-Pilger.

189—Jason Ehrhardt—FIRST PLACE—Won by Pin, Won by Pin, Won by Pin over Chad Sokol of Pender.

HWT—Matt Bruggeman—FIRST PLACE—Won by Pin, Won by Pin, Won by Pin over John Gustafson of West Point Central Catholic.

Jason Wehrer wrestled at reserve 103 and lost his first match 11-6 before winning by pin twice and then losing 7-6 to Jason Overholt of Creighton. Matt Rise wrestled at 125 reserve and lost by pin in his first match before winning 10-9. He lost 8-2 in his last match.

Brian Gamble wrestled at 145 and lost 9-3 in his first match before winning 9-2 in his second match. Gamble lost by pin in his final match of the day.

Laurel native earns honor

LAUREL—The South Dakota Basketball Coaches Association has named Lake Preston head coach Cyndi Dwyer and her assistant Klark Thomsen as the Region 11 Coach and Assistant Coach of the Year.

The two guided the Lake Preston girls team to an 18-6 record and a district 4B title. The awards are voted on by the coaches in the region. Dwyer is the daughter of John and Wanda Jonas of Laurel.

Elementary future stars in action

WAYNE—The third, fourth, fifth and sixth grade boys from Wayne began their basketball season Saturday with four contests amongst themselves. In the third and fourth grade division it was the Spurs defeating the Pistons, 26-23 with Ryan Dahl leading the way with 14 points. Matt Munshel led the Pistons with six.

The Bulls defeated the Cheetahs 15-14 on Brian Hochstein's last second free throw. Joel Munson led the winners with four points while Tim Zach and Deran Jensen led the Cheetahs with two apiece.

In the fifth and sixth grade category it was the Hawks downing the Pistons 29-27 with Terry Hamer and Paul Blomenkamp leading the effort with eight points apiece while Neil Munson added eight for the Pistons.

The Bulls defeated the Knicks 34-17 in the last game with Nick Hagmann leading the way with eight points. Matt Morrison led the Knicks with four.

WSC Cagers return from Colorado

The Wayne State mens and women's basketball teams traveled to Colorado for Friday and Saturday contests with Fort Lewis on Friday and Adams State on Saturday.

Friday night in Durango, Colo., the Wildcat women jumped out to a 32-21 lead at the intermission on Fort Lewis and then held on in the second half for a 60-58 victory to even the season record at 6-6. Fort Lewis fell to 0-9 with the loss.

The Wildcats had three in double figures led by Jodi Otjen with 14 points. Linda Heller added 12 and Mary Schnitzler poured in 10. Lisa Chamberlin netted six points while Lisa Schwab, Kairi Backer and Kerri Vandveldhuizen scored four each. Cyndi Savage and Dana Olmsted rounded out the attack with two points apiece.

Wayne State out rebounded Fort Lewis by a 51-37 margin including 25 offensive rebounds which resulted in several second chance points. Otjen proved to be

a prolific force on the boards with 17 rebounds to her credit. Dana Olmsted hauled down eight rebounds from her point guard spot while Lisa Chamberlin and Cyndi Savage had five rebounds apiece.

Olmsted also recorded six steals to lead the Cats while Mary Schnitzler dished out four assists to lead the Cats in that category. Wayne State recorded 17 steals in the game compared to eight for Fort Lewis.

In the mens game Wayne State fell 100-90 which dropped the season mark to 4-8 while Fort Lewis improved to 5-2. The Wildcats trailed 51-40 at the intermission.

Three WSC players finished the game in double figures in scoring led by Todd Dusenberry who finished with 19 points. Doug Kuzsak finished the game with 14 and reserve Tim Wobken came off the bench and poured in 13.

Chad West added nine points

for the Wildcats while Ricky Watson scored eight. Michael Parks, Don Smith, and Eric Priebe all scored seven apiece and Gerry Sagehorn rounded out the attack with six, as all nine of the Wildcats who suited up, scored.

Wayne State did win the battle of the boards, 42-33 as Ricky Watson and Doug Kuzsak led the way with seven caroms apiece. Michael Parks hauled down six boards while Chad West, Don Smith, Todd Dusenberry and Eric Priebe all had four rebounds apiece.

Wayne State was 20-28 from the free throw line while Fort Lewis connected on 25-36. The host team was 18-24 from the charity stripe in the second half alone. Dusenberry led WSC in assists with five.

Cats lose to Adams
On Saturday night in Alamosa, Colo., the host Adams State school made it a sweep of Wayne State with the Wildcat women

falling, 74-64 and the Wildcat men falling 84-77.

In the women's game Wayne State was tied 28-28 with Adams State but was out scored by 10 in the second half. Lisa Chamberlin led WSC with 16 points Mary Schnitzler and Jodi Otjen followed in double figures with 12 and 11 respectively.

Dana Olmsted added nine points while Lisa Schwab and Linda Heller scored six apiece. Kairi Backer and Cyndi Savage rounded out the WSC scoring list with two points apiece.

Wayne State was out rebounded 47-32 by Fort Lewis with Jodi Otjen leading the Cats with six rebounds. Mary Schnitzler and Cyndi Savage each had five boards to their credit while Kerri Vandveldhuizen had four.

Olmsted led the Cats in assists with six and she also recorded three steals. WSC had just seven turnovers in the game which was a

season low while Fort Lewis suffered 14. WSC was 15-19 from the free throw line while Adams State was 18-28.

In the mens game the Wildcats trailed by only one point at 46-45 at the intermission but could not overtake the host team in the second half, falling by seven.

Tim Wobken led the Wildcats in scoring with 19 points including 3-4 from three point range. In the two games combined Wobken connected on 6-7 from the bonus range.

Also in double figures for WSC was Don Smith with 15 points and Chad West with 13. Todd Dusenberry also finished in double figures with 12. Doug Kuzsak and Ricky Watson finished with seven and six points respectively while Gerry Sagehorn and Eric Priebe rounded out the scoring with three and two points each.

The Cats narrowly lost the battle of the boards, 34-33 with Tim

Wobken leading the WSC with seven boards. Kuzsak, West and Smith all finished with five boards apiece.

The Cats had 15 turnovers in the contest compared to just seven by Adams State. Wayne State was 22-30 from the free throw line while Adams State was 23-31. Dusenberry dished out seven assists to lead the Cats in that category. Adams State stole the ball from WSC 17 times during the game while WSC recorded just five steals.

The Wildcats will now return home for a twin bill on Thursday night with Western State with the women slated for a 5:30 p.m. contest followed by the men. The men will also play on Saturday afternoon at 2 p.m. against Colorado Mines and Sunday afternoon at 4 p.m. against Mesa State of Colorado. The women will play on Sunday afternoon at 2 p.m. against Mesa State.

Wayne upends Sioux City West

Marlene Uhing's Wayne girls got a big win Saturday afternoon over Sioux City West, 40-39. After starting off the season 0-4, the Blue Devils have responded by going 4-2 in their last six games including Saturday's one point win in dramatic fashion.

Wayne took a 10-6 advantage into the second quarter only to be out scored 13-10 to only lead by one at the intermission, 20-19. In the third quarter Sioux City West took the lead and heading into the final eight minute period Wayne was down by three at 29-26.

"They really had a big front line," Uhing said. "They had an All-

City center from a year ago in Sioux City which we tried to double team and we were successful to a point even though she still scored a lot of points."

One thing that Uhing's squad was successful in however was pinning out on the boards which forced the Sioux West girl to reach over the back of the Wayne players several times in an attempt to get an offensive rebound. She fouled out in the fourth quarter.

With 1:35 remaining in regulation sophomore Liz Reeg was fouled and went to the line to shoot two free throws with the score 36-34 in favor of West. Reeg hit both free throws to tie the

game but West came back and hit one free throw to lead by one. Wayne came down and took a lead at 38-37 but West got fouled and this time the shooter made both free throws to give the visitors a 39-38 lead with under a minute to play.

Wayne called time out to set up a play. They came out and ran through their offense and then set up the game winning play which was a pick and roll to Liz Reeg who drove to the hoop and scored with five seconds remaining.

West did not even get a shot off as Wayne stole the pass at mid court and waited for the final buzzer to sound. Reeg led all Wayne scorers with 12 points while

Erin Pick added eight. Jennifer Hammer and Danielle Nelson each scored six while Amy Tiedtke and Susie Enz rounded out the scoring with four points apiece.

Hammer led Wayne in rebounding with eight caroms to her credit while Pick hauled down six boards. Wayne won the rebounding battle with the taller team, 27-26. The Blue Devils turned the ball over 14 times compared to nine by Sioux City West.

Wayne's reserves improved their season record to 6-1 with a 25-21 win over West led by Tami Schluns' 13 points. Amy Wriedt hauled down 12 rebounds to aid in the win.

Devils lose to Norfolk

The Lady Blue Devil basketball team had a tall order to fill Tuesday night in the Wayne High gym as they went up against the second rated team in Class A this year in Norfolk.

Norfolk came into the game averaging 70 points a game and defensively they were allowing opponent's just 43 points per outing for a 27 point differential.

Wayne held the Lady Panthers to 13 points below their season average and lost by just 16 points and when you consider that Norfolk plays a majority of Class A teams and still they out score their opponent's by 27 points a game, Wayne fared well in losing 57-41.

Wayne trailed 14-2 after the first quarter and 25-15 at the intermission. The Blue Devils were only out scored 32-26 in the second half. "Our game plan was to slow the game to a half court contest," Wayne coach Marlene Uhing said. "We didn't want to get into a running game with Norfolk because of their ability to go so deep on their bench."

Uhing was pleased with her girls effort in stopping the Panther fast break and the way they handled the Norfolk press for the most part. "We wanted to slow the pace but at times we might have been a little too patient," Uhing said. "We did get to within seven points with under three minutes left in the third quarter but we could never get any closer. I was also pleased with the fact that our girls never got intimidated by Norfolk's size and quickness."

Jennifer Hammer and Susie Enz led the Devils with 11 points while Danielle Nelson scored seven and Liz Reeg, six. Erin Pick added four and Amy Tiedtke rounded out the scoring with two.

Reeg led the team with 10 rebounds while Pick hauled down nine and Enz, seven. Wayne out rebounded Norfolk 35-29 but suffered 34 turnovers compared to 19 for Norfolk.

The Wayne reserves fell 47-20 to Norfolk who has an incredible string of consecutive wins that number in the mid forties. Tami Schluns led Wayne with 10 while Amy Wriedt hauled down nine rebounds.

Trojans split in championships

The Wakefield girls and boys basketball teams were in the finals of the Post Holiday Tournament held in Wakefield this year and in both championship games the foe was Emerson-Hubbard.

In the girls contest state rated Emerson-Hubbard was too much for Wakefield to handle as the Lady Trojans fell, 53-29. Emerson grabbed a 10-7 lead after the first quarter and stretched the lead to nine by halftime, 24-15.

In the third quarter Wakefield got to within seven following two free throws by junior Lisa Blecke but Emerson retaliated by going on a 10-0 scoring run to put the game out of reach.

The Lady Pirates led 40-23 at the end of the third quarter and

any thought entertained by the Trojans of fighting back in the fourth quarter were quickly erased after Blecke fouled out with 6:10 still remaining on the clock.

Blecke led the Trojans in scoring with 12 points while Lisa Anderson followed with five. Wendy Kratke added four points and Kristen Miller, Sarah Salmon, Christy Otte and Maria Eaton all added two points each.

Marcy Schwarten led the winners with 16 points.

Trojan boys win
Paul Eaton's Wakefield boys team improved their season record to 8-2 with a 59-49 win over Emerson-Hubbard in the boys championship game following the girls game Saturday in Wakefield.

Wakefield grabbed the early 10-7 lead after the first quarter of play and enjoyed a 16-11 advantage in the second quarter to maintain a 26-18 halftime lead.

Emerson managed to trim one point off that lead heading into the fourth quarter but it was still a seven point advantage for the Trojans at 38-31. Emerson did close to within four early in the fourth quarter at 44-40 but Wakefield then scored six consecutive points to build the lead back to 10 which proved to be the final margin of victory.

Both teams shot brilliantly from the free throw line in the game as the Trojans connected on 17 of 23 charity tosses while the Pirates made 16 of 23. Wakefield hit 12

of 17 free throw attempts in the fourth quarter alone which put the game on ice.

Anthony Brown led the Trojans in scoring with 20 points including 15 in the first half which was aided by two 3-pointers. Marcus Tappe and Matt Krusemark followed with 11 points apiece with Krusemark scoring all 11 of his points in the second half. Krusemark was 5-6 from the free throw line in the final period.

Steve Clark scored eight points including two 3-pointers and Keith Wenstrand added four. Doug Stanton and Larry Johnson each added two points and Ben Dutton rounded out the scoring attack for the winners with one point.

Wakefield girls and boys basketball teams sweep Walthill in twin bill Tuesday night

The Wakefield girls and boys basketball teams made a clean sweep of Walthill Tuesday night in Wakefield with the girls winning 61-52 and the boys winning 65-51.

In the girls game Wakefield was led by Lisa Blecke who scored 19 points. Wendy Kratke added 10 and Lisa Anderson poured in eight while dishing out eight assists.

Sarah Salmon and Heidi Muller each scored six points and Angie Peterson netted five. Kristen Miller scored four points while dishing out

four assists while freshman Kali Baker and Maria Eaton rounded out the attack with two and one point respectively.

The 6-5 Trojans held a 26-12 rebounding advantage as Blecke and Salmon led the way with six and five caroms each. Wakefield hit 13 of 24 free throws while the visitors were just 3-5.

The Trojans led 32-26 at the intermission and out scored Walthill 29-26 in the second half to seal the victory.

The Wakefield boys improved

to 8-2 with their victory. The game was well in hand by halftime with Wakefield leading 32-22. The Trojans increased their lead to 16 by the third quarters end at 46-30.

Walthill's Toby English was the only person that could get going in the first half as he scored 20 of Walthill's 22 first half points. He was held to six second half points.

Keith Wenstrand led Wakefield with 21 points while Anthony Brown poured in 17. Matt Krusemark added 13 while Marcus

Allen girls lose by one

The Allen girls basketball team fell 32-31 to Bancroft-Rosalie Tuesday night in Allen. Head coach Lori Koester had watched her team defeat the Panthers just four days earlier in the first round of the Ponca Tournament by two points at 35-33 but the Lady Panthers returned the favor.

"It was a close game all the way," Koester said. "Both teams are obviously equal when they play two games and the total point difference is one point." Allen trailed

12-7 after the first quarter but led 15-14 at the intermission.

Allen maintained that one point lead at 23-22 at the end of the third quarter but Bancroft out scored them 10-8 in the final stanza. Denise Boyle led Allen with 10 points and 14 rebounds. Sonya Plueger added nine points and Heather Sachau scored eight. Cindy Chase and Christy Philbrick each added two.

The Allen junior varsity team drilled Bancroft by a 34-13 margin

in just two quarters of play. Steph Chase led the winners with 13 points.

In last week's Ponca Tournament the Allen girls finished second to Ponca, losing in the championship game 58-41. The Allen boys meanwhile, failed to win a game losing to Bancroft-Rosalie in the first round 77-59 and losing in the consolation round to Walthill, 54-49.

The Allen girls sport a 3-5 record while the boys are 2-5.

Obituaries

George Roeber

George Roeber, 88, of Wakefield died Saturday, Jan. 5, 1991 in the Wakefield Care Center.

Services were held Monday, Jan. 7 at St. John's Lutheran Church in Wakefield. The Rev. Bruce Schut officiated.

George August Roeber, the son of Henry and Marie Kohlmier Roeber, was born Oct. 10, 1902 at Wakefield. He attended rural Immanuel Lutheran Parochial School. He married Elsie Lessman at Immanuel Lutheran Church on Feb. 8, 1928. They farmed in the Emerson and Wakefield communities for 51 years, retiring into Wakefield in 1979. They moved into the Wakefield Care Center in April, 1989. He was a member of St. John's Lutheran Church.

Survivors include his wife; one daughter and son-in-law, Frances and Lester Hiemstra of Aurelia, Iowa; three sons and daughters-in-law, Verlyn and Lols, Willis and Janice and Eugene and Susan, all of Emerson; three sisters, Marie, Agnes and Elsie, all of Sioux City; two brothers, Gerhardt of Sioux City and Arnold of Wayne; 16 grandchildren; and 18 great grandchildren.

He was preceded in death by a brother, Rudolph and a sister, Irene. Pallbearers were grandsons Craig Hiemstra, Ronald Roeber, Douglas Roeber, Mark Roeber, Brian Roeber, Lee Roeber, Les Roeber and Lowell Roeber.

Burial was in the Wakefield Cemetery with Bressler-Humlicek Funeral Home in charge of arrangements.

Walter Ulrich

Rev. Walter Ulrich, 89, of New Ulm, Minn., died Sunday, Dec. 30, 1990 at the Highland Manor Nursing Home in New Ulm.

A memorial service was held Friday, Jan. 4 at the United Church of Christ in New Ulm.

Walter E. Ulrich was born Jan. 4, 1901 on a farm in Wayne County and grew up on a farm in northeastern Nebraska. He graduated from North Central College in Naperville, Ill. in 1927. He received his Bachelor of Divinity degree from Yale Divinity School in 1930 and a Master of Arts degree from the University of Iowa in 1937. He served as a pastor in churches in Nebraska, Iowa, South Dakota and Minnesota for 40 years. He married Gail Frank Culbertson on July 1, 1953 at Omaha. Following his retirement from the ministry, he moved to New Ulm, Minn. In January 1987 he became a resident at the Winthrop Care Center and since October 1987 has resided at the Highland Manor Nursing Home.

Survivors include his wife, Gail of New Ulm, Minn.; sons, Dale of Sauk Centre, Robert and Janie of Issaquah, Wash., Lynn and Jeanne of Campbell, Calif. and Stan and Cindy of Menlo Park, Calif.; eight grandchildren; and three great grandchildren.

He was preceded in death by his first wife, Minnie M. Roberts Ulrich, on Jan. 28, 1950.

Mary Orcutt

Mary Orcutt, 79, of Wakefield died Sunday, Jan. 6, 1991 at Albuquerque, N.M.

Services will be held Friday, Jan. 11 at 11 a.m. at St. Mary's Catholic Church in Wayne. The Rev. Donald Cleary will officiate.

Schumacher Funeral Home in Wayne is in charge of arrangements.

Johanna Siebler

Johanna Siebler, 89, of Columbus died Friday, Jan. 4, 1991 at the Columbus Manor.

Services were held Tuesday, Jan. 8 at the Trinity Lutheran Church in Columbus. The Rev. L.E. Mortensen officiated.

Johanna Siebler, the daughter of John and Gesina Mindrup Borchers, was born Nov. 25, 1901 at rural Monroe. She attended school at District 14 near Platte Center for seven years and then Zion Lutheran Parochial School near Platte Center for two years. She lived at home and did housework before her marriage. She married Henry George Siebler on March 4, 1924 at Zion Lutheran Church Grand Prairie near Platte Center. The couple lived and farmed in Platte County until moving to Columbus in 1952. Mr. Siebler died in 1965. She had been a resident of the Columbus Manor the past nine years.

Survivors include one son, Harold Siebler of Columbus; one daughter, Mrs. Delwyn (Lanora) Sorensen of Wayne; two granddaughters, Anne Marie Sorensen of Burbank, Calif. and Lori Lee Sorensen of Cerritos, Calif.; four brothers, George D., Theodore and Edward Borchers, all of Columbus, and Walter Borchers of Omaha; and two sisters, Helen and Marie Borchers, both of Atlanta, Ga.

She was preceded in death by her parents, husband, infant son, five brothers and two sisters.

Pallbearers were Arlyn, Gayle, Carroll and Darwin Borchers, Gayle Mueller and William Hassebrook.

Burial was in the Roselawn Memorial Park Cemetery in Columbus with McKown Funeral Home in charge of arrangements.

Ida Moeller

Ida Moeller, 86, of Beemer died Wednesday, Jan. 2, 1991 at the Pender hospital.

Services were held at St. Peter's Lutheran Church in Pender on Saturday, Jan. 5.

Ida Manetta Moeller, the daughter of Fritz and Anna Salzwow Reuter, was born March 9, 1904 at Dunbar. She married the Rev. Victor Moeller on June 27, 1928 at Oteo. They made their home in Oteo for five years at St. John's Lutheran Church. Then they went to Falls City at St. Peter and St. John's. After serving there they went to Lodgepole and in 1946 moved to Pender and served St. Peter's Lutheran Church. In 1974 they retired and moved to Beemer.

Survivors include her husband, Victor; sons, Norman and Joan of Pender and Paul and Shirley of Wisner; three daughters, Mrs. Marvin (Pauline) Westerhold of Pender, Mrs. Walter (Bernice) Whipple of Wildwood, Ga. and Thelma of Wayne; 14 grandchildren; 18 great grandchildren; and one sister, Minnie Thoms of West L.A., Calif.

She was preceded in death by three brothers, four sisters and one great grandson.

Pallbearers were grandsons.

Linn Mattes

Linn Mattes, 38, of rural Waterbury died Friday, Dec. 28, 1990 in an auto accident east of Wayne.

Services were held Monday, Dec. 31 at Trinity Lutheran Church in Martinsburg. The Rev. Gary Klatt officiated.

Linn R. Mattes, the son of Francis and Ruth Kubik Mattes, was born Oct. 8, 1952 at Ponca. He graduated from Allen High School in 1971 and had been farming since then. He married Rita Book on Feb. 14, 1976 in Martinsburg. He was a member of Trinity Lutheran Church and had held several church offices. He was a board member of the Allen Coop from 1981 to 1986.

Survivors include his wife; two sons, Andy and Travis, at home; his parents; one brother and sister-in-law, Doug and Pam Mattes of Omaha; one sister and brother-in-law, Trudy and Charles Peters of Dixon; several nieces and nephews.

Pallbearers were William, Denny and Chad Mattes, Lloyd Nobble, Scott Kubik, Larry Newill, Rodney Bonderson and Greg Stapleton.

Burial was in the East View Cemetery in Allen with Munderloh Funeral Home in Emerson in charge of arrangements.

The GOLDEN YEARS

by *Lee Adams*

The average age at which American men retire keeps falling. Most men now leave fulltime jobs before age 63. At companies with more than 1,000 employees, the average male retirement age is 59. Many large companies, seeking to reduce their work force, offer inducements for older workers to take early retirement. Says a spokesman for a foundation concerned with issues of the elderly: "Of the older people who are out of the work force, half are satisfied, a quarter can't work because of health or family situations, and the other quarter are very unhappy about the situation they're in." One result is the growing trend of older people returning to the work force in part-time jobs.

At age 78, British author Mary Wesley published her seventh novel, "A Sensible Life." One reviewer referred to her as "a late-starting writer...busy making up for lost time." Her first novel was published when she was 71. Born in England in 1912, the daughter of an Army colonel, she studied at the London School of Economics, married and divorced a nobleman, experienced World War II working for the War Office, and has lived in France, Italy and Germany.

Remember When? July 25, 1956 — The Italian liner Andrea Doria and the Swedish liner Stockholm collided at night 45 miles off Nantucket Island. The Italian ship sank and 51 people died, but nearly 1,700 were rescued.

LADIES AID AND LWML

St. John's Lutheran Ladies Aid and LWML met Friday afternoon, with 22 members and one guest, Ruth Lempke, attending. Wilma Bartels and Frieda Stelling were hostesses. Devotions were led by Neva Kraemer. She read a poem titled "Welcome the New Year" followed by prayer. A hymn, "The Old Year Now Hath Passed Away" was sung by all.

Pastor Bruce Schut was lesson leader. The topic was taken from the LWML Quarterly entitled "What Did You Say?"

Harriet Stolle, president, called the meeting to order and opened with a New Year's reading. Lila Barner read the minutes of the November and December meetings and the treasurer's report was given by Edna Hansen.

The friendship and sick call committee visited Lillith Guy and members in the Wakefield Care Center. They delivered 10 Christmas baskets to shut-ins. The auditors gave their report and Imogene Samuelson reported for Lutheran Family and Social Services. Service people of the congregation and Care Center residents were remembered with Christmas gifts. Elaine Holm had the Lutheran World Relief sewing report and Lois Schlines told how to make school kits for Lutheran World Relief.

The 1991 yearbooks were given to members and reviewed. Thank you's were received from the Wakefield Care Center for visits and music during the year and also for gifts for George and Elsie Roe-

ber and Adolph Henschke. Thank you notes also were read from Alvena Wilson, Elsie Murfin and Wilbur Baker.

A card shower was held for Pastor Schut honoring him on his birthday. He thanked the group for Christmas cards and gifts and birthday wishes. The birthday song honored Pastor Schut, Mabel Lubberstedt, Clara Mahoney, Elsie Roeber and Mary Alice Utecht. The anniversaries of Viola Baker, Lila Barner and Imogene Samuelson were honored with the anniversary song.

The meeting closed with the LWML pledge, the Lord's Prayer and the table prayer.

The next meeting is Feb. 1 with Elaine Holm and Margaret Turner as hostesses.

COLLEGE STUDENTS

Two Wayne State college students have been doing their field experience assignments at Allen. They are an Allen alumni Troy Harder in fourth and fifth grades and Jennifer Goos in business and computer education. They were in the Allen School System from Jan. 3 to Jan 11.

SEMESTER TESTING

Class schedule for the semester testing on Jan. 17 and 18 will be Thursday, Jan. 17, odd periods and Friday Jan. 18, even periods. A special class arrangement of lengthened periods has been designed. Classes will dismiss at 1:30 p.m. on Thursday and 1 p.m. on Friday. Buses will run accordingly.

Report cards will be issued to the students on Thursday, Jan. 24 at the end of the regular school day.

SAVING LABELS

The school is still saving Campbell Soup Labels and asks that you continue to save them for the students. Students in grades kindergarten through the eighth grade have containers in their rooms to collect the labels. The sixth grade is leading the contest at the end of the month of December. They have 2,000 labels.

ELF EXTENSION CLUB

Elf extension club met at the home of Mary Lou Koester on Friday afternoon. New President Pearl Snyder conducted the meeting. A report of the Christmas auction in which items were brought by members with money going to Christmas Love donations to local families was given. The 1990 officers were in charge of this project. It was noted that over \$160 was taken in at the auction.

Dues will be decided and collected at the February meeting to be held at the home of Joanne

Rahn. Silent sisters were drawn for the coming year.

Pearl Snyder will take the extension lesson on Monday Jan. 14th and present it at the February meeting. This is entitled "Household Waste Management."

BIRTHDAY PARTY

The monthly birthday party for the Senior citizens was held Jan. 4 at the center with about 25 in attendance. Cakes were furnished by Joanne Rahn, Emma Shortt and Darrell Novak. Those honored were Florence Delerking, Nola Potter, and Frances Anderson. Favors were pinned on the honored guest by director Joanne Rahn. Loyola Carpenter reporter.

FIRST NATIONAL BANK'S SENIOR CITIZEN CORNER

WINTER WARNING: A few weeks ago, I warned that the rise in heating fuel prices might cause more people to suffer potentially fatal hypothermic attacks. I want to repeat the warning and add some important details you should know if you are a senior or care for someone 65 and older who may face the risk of developing hypothermia.

Hypothermia is a condition in which the body's temperature falls drastically and dangerously low, creating a life-threatening situation. Those most at risk are young children and people over 65. While hypothermia is always a possibility when the weather turns cooler, this year it may strike more people because more seniors, particularly those on fixed incomes, may try to economize by turning down the heat, or even turning it off altogether at different times of the day, actions which can lead to rapid hypothermic development.

Recently, the American Association of Retired Persons issued a valuable set of guidelines that can help you recognize a hypothermic condition in an older person. Warning signs include, shivering, slurred speech, memory lapse, amnesia, muscular rigidity, poor muscle coordination, trembling on one side of the body or in one arm or leg, difficulty in speaking, slowed breathing, and pale or puffy skin with large irregular blue or pink spots. If any of these signs appear, get medical help immediately. While waiting for help, place a blanket or extra clothing over the person and cover the head to reduce heat loss. If there is no external heating source, warm the victim by transferring body heat through close physical contact. Treat him or her gently to minimize shock to the heart. Don't rub the person's limbs; that can make things worse.

Conditions such as arthritis, Parkinson's disease, diabetes and hypothyroidism increase the risk of developing hypothermia. The risk is also higher for those who have had a stroke or head injuries. Some tranquilizers and antidepressants, as well as alcohol and smoking, decrease sensitivity to cold, so one doesn't notice falling body temperature until hypothermia sets in.

To avoid hypothermia, maintain a constant of 65-70 degrees in the home. Dress warmly. Wear several layers of loose warm clothes (wool is particularly good). If you go outside, be sure to wear a hat and scarf. Mittens are warmer than gloves. At bedtime, have extra blankets, and wear socks and a hat. If finances are a problem, contact your local utility program for assistance available under any one of several programs.

Stay warm. Stay well. Stay alive.

LIONS CLUB DISTRIBUTION

Through the cooperation of many in a community-wide effort, 20 families were reached in the Wakefield area with a distribution of food, clothing, quilts and toys by the Wakefield Lions Club.

The deliveries were made on Dec. 22 and Christmas Eve Day.

Food boxes that were prepared included hams, turkeys, fruit and canned goods. Christmas packages for the children included a new toy, or, when requested, new clothing. A number of quilts were also distributed.

Distribution of the used clothing will continue during the holidays with the families personally selecting their needs.

COMPLETES POLICE OFFICER TRAINING

Wakefield Police Office Don-avon Bjorklund recently completed the Basic Training Course at the Nebraska Law Enforcement Training Center in Grand Island. He was among 41 officers going through graduation ceremonies Dec. 7 for the 105th Basic Training Class. Training began Oct. 29.

During the 12 weeks of training, officers study Nebraska Laws,

proper methods of investigation, patrolling, human understanding, traffic operations and proper arrest techniques, among other subjects. Radar operation, pursuit driving and firearms training are other areas covered in basic training.

CHRISTMAS TEA

The Wakefield Health Care Center Auxiliary entertained the staff at a Christmas tea on Dec. 18. During the afternoon service pins were awarded to several long time employees.

Wilma Gustafson and Barbara Holm received 10-year pins; Faye Greve and Pat Oberg, 15-year pins; Berniece Meyer, 20-year pin; and Mary Alice Utecht, 40-year pin.

PAMIDA'S 'WE CARE' CHRISTMAS PROGRAM BRIGHTENS CHILDREN'S CHRISTMAS!
Thanks to the generous support received from the citizens of Wayne and the surrounding area, Pamida's 'We Care' Christmas program helped brighten Christmas morning for many area children. The program, designed to provide Christmas gifts to less fortunate children, also helped spread the Christmas spirit throughout the community. Anyone interested in helping a child selected a tag containing the child's Christmas gift wishes from a Christmas tree displayed in the entry way of the store. The gifts were returned to the Pamida Store and delivered to the children by December 23. Myself, as the Wayne store manager, and my entire Pamida staff, want to extend our sincere appreciation to everyone who was involved with this special project. Because of this caring support, the company hopes to offer the Christmas program again next year.
Robbi Bishop,
Wayne store manager.
