A report of the city's tree assessment has outlined some rather disturbing news: A large number of trees in Wayne need serious atten-tion — not only by the city but by residents as well.

The report, released last Tues-day at the Wayne City Council meeting, found that 38 percent of the city's trees are in fair condition, which means they need attention new hefers they wereas while now before they worsen; while 27.6 percent of the trees are in poor condition, which means death is imminent.

have closed in Nebraska since 1986. The closed in Nebraska since 1986. The closed hospitals were in the Nebraska communities of Bur-well, Loup City, Mullen, Oxford and Wakefield. One other hospital closed in 1986 in Puschvilla

The report, filed by Steve Ras-mussen of the Nebraska Forestry Service, inventoried 50 percent of all the trees in the city by driving down all city streets and observing the conditions of trees on the right side of the streets. The tree inven tory was conducted Sept. 27, 1990.

IN THE REPORT, trees were categorized into four separate categorized into four separate categories of condition — excellent, good, fair and poor. As a result of the assessment, over 1,700 different species of trees were identified with the most popular or utilized tree being the Green Ash (28.3 percent) and the

Silver Maple (20.8 percent). In his introductory remarks, Rasmussen noted that the assessment is not scientific, but rather it is an indication of all trees which are located along streets and in high traffic parks. "In order to have a healthy

community of plants, you need to have trees of various ages," Ras-mussen said. "Right now, that element is missing."

WHILE THE REPORT did not outline the cost to replace some of the trees in the poor category, it noted that the total value of all the street and park trees in Wayne

are worth over \$4 millior In his presentation, Rasmussen noted the importance of having a diversity of desirable trees. In the report, he wrote that no single species should represent more than 5 to 10 percent of the total

tree population. He said the dan-ger of uniformity is "the catasger of uniformity is "the catas-trophic loss, of which the Dutch Elm is a classic example." Included in his presentation, Rasmussen said there are a large number of trees in Bressler Park which will need replacing in the

next five years because they are starting to die. He said the same is true for Viken Park.

Doctor helps Providence with \$10,000 gift

WAYNE - With a generous do-nation to Providence Medical Cen-ter, colon patients have added incentive to receive their care in

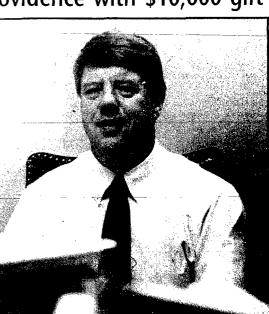

Wayne. Dr. James Hartje of Sioux City, recently donated a colonoscope, valued at \$10,000, to Providence valued at \$10,000, to Providence Medical Center. Hartje is a board certified physician specializing in gastroenterology. He provides ser-vice at the Wayne hospital through regularly scheduled visits. "Donations of this sort will help heare wired health care visible and

keep rural health care viable and alive," Providence Medical Center Administrator Marcille Thomas said. "This is a very important donation to this hospital: It will help us maintain expanded ser-vices and health care to the community.

While the colonoscope is used to conduct lower gastro-intestinal endoscopy, its uses can vary. The endoscope, which is composed of extremely thin fibers of bendable glass, can transmit light and images back to the viewer. It can be extremely useful in making diagnosis.

THE LOWER GI, as the procedure is called, is used to diagnose cancer, inflammation, causes of bleeding and abnormal or ques-tionable X-rays. It can also be used to remove polyps.

For patients, the procedure is relatively simple. Two procedures <u>which can be performed include a</u> colonscopy, in which patients are doscopy, in which sedated or sigmoi-doscopy, in which sedation or pain medication is not usually required. After the procedure is com-

Rates may go up

Starting in March, users of cable Starting in March, users or cable TV in Wayne may see a \$1.25 rate increase for basic programming, but that doesn't necessarily mean the finger should be pointed at the Jones Intercable office. The rate increase is necessary for a 'variety of reasons according

for a variety of reasons, according to Larry Welsh, technical opera-tions manager at the Wayne cable office.

He said part of the reason for He said part of the reason for the rate increase is due to the franchise agreement between Jones Intercable and the City of Wayne. The agreement calls for the city to receive 5 percent of the cable company's profits from each month, which totals about \$25,000. The city's profit from the cable company is up 2 percent from years past.

Besides the hike in city profits, Jones Intercable has updated a majority of its equipment in 1990 so subscribers can receive better reception with more updates planned for 1991. Since Jones In-tercable took over the Wayne system in 1988; seven new channels have been added to the pro-gramming and two more are pro-posed for 1991. New channels may include the increasingly pop-ular Comedy Channel and CNBC, a financial news network.

At this point, however, nothing is written in stone since the corpo-rate office has to approve all the changes, Welsh said.

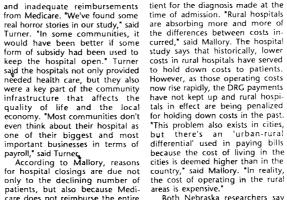

ACCORDING TO Marshall Kurschner, area manager out of the South Sioux City Jones Inter-cable office, 45 percent of all the drops in Wayne have been replaced. "Over half of the equipment

"Over half of the equipment that processes the satellite and off-air television signals has been replaced in our headend as we continue to make improvements to the system," Kurschner said. Since purchasing the cable TV office in Wayne, "Larry has found bad spots and design flaws and is now work-ing to correct these problems."

While the \$1.25 increase in while the \$1.25 increase in rates may occur, a change in ser-vice is planned. Subscribers will now have the option of utilizing the Jones Intercable tier service which includes channels like CNN, TNT and ESPN. Without the tier chan-nels, the cost of basic cable will be \$12.75 per month which figures \$17.75 per month, which figures out to be about 60 cents a day.

ONE OF THE problems Jones Intercable is running into are laws passed by the federal government to prohibit duplication of broad-casts. Welsh said these new laws create problems in Wayne because

Route for BRAN ride to go through Wayne in 1991

WAYNE - The route for the (BRAN) will travel the northern boundary of the state. Dubbed the "North Coast Cruise" by organizers, the eleventh annual ride will begin in Alliance on June 9, and finish at Chalco Hills Recreation Area near Omaha seven days and 501 miles

The BRAN route will take the The BRAN route will take the expected 500 bicyclists from Al-liance north to Gordon for the first nights stay. The other overnight stops will be Valentine, Butte, Crofton, Wayne, and Fremont. It has been estimated on past BRAN rides that between \$10,000 and \$14,000 are spect in each \$14,000 are spent in each overnight town.

The first couple of years that BRAN was held, we had difficulty finding towns that were willing to participate as an overnight stop," said John Wupper, one of the BRAN founders. "When we said we needed a place for 500 bikers to sleep, it seemed to conjure up im-ages of a motorcycle gang."

"Now, Wupper says, towns con-tact BRAN and ask to have the ride go through their town. He says the economic impact the towns receive plus a general positive spirit that surrounds the ride has made it an attraction for communities in After every years ride, we al-ways get letters from towns we vis-

for the nation. The key is to work together as one unified organiza-tion, rather than to cut each other's throats.

"I think communities should' right tooth and nail to hold onto their hospitals," concluded Turner. We've found that cooperation is very important. Rural hospitals need to rethink their entire oper-ating process. Most importantly ating process. Most importantly, community governments and community business leaders need community business leaders need to recognize the important contri-butions of the hospitals to the community and work closely with them. blackouts of certain channels have to occur when they are duplicated on other stations.

"Basically what this law states is that a local television station can claim exclusitivity to network or syndicated programming and re-quire cable companies to black out duplicate programming occurring on distant broadcast stations or satellite broadcasts," he said. "What this has meant to Wayne is that we are required to black out 49 percent of the broadcasts on KETV (channel 7 in Omaha), seen on cable channel 20 and 57 per-cent of all the broadcasts on KMTV (channel 3 in Omaha), seen on ca-ble channel 22 ble channel 22."

Because of the blackout rule, a because of the blackout rule, a number of changes have had to be made in the way jones Inter-cable operates its computer sys-tem. As a result, it has meant a number of overtime hours for Welsh while he reviews national programming geports in an at-tempt to comply with the law.

WELSH NOTED that in the future Jones Intercable continues to improve the quality of reception seen in Wayne as well as the addi-tion of new channels. "The city of Wayne has a great

advantage over many cable sys-tems that suffer from syndication exclusitivity," he said. "In the fu-ture, we will continue to add improved programming to our cus-tomers and we have several projects on the table to do so."

Former Wayne grad earns honor

WAYNE-Linda Anderson, daughter of Alvin and Janet Anderson of Wayne and a 1977 graduate of Wayne-Carroll High School, was selected as the Minnesota Intercollegiate Athletic Conference Coach of the Year recently for leading Saint Mary's College of Winona, Minn. to a successful season.

Winona, Minn. to a successful season. Anderson guided the Cardinals to the school's best regular sea-son record at 24-7 and 11-4 in the conference. The 1990 season was highlighted by a 16-game winning streak and the Cardinals first place finish in the five team UW-Stout Tournament. In the MIAC the Cardinals jumped from a seventh place finish last year to a third place finish this year. For the first time in the school's history, the Cardinals also enjoyed a brief stint in the West-ern Region rankings as their winning streak gathered steam. Anderson has been the Saint Mary's associate athletic director and volleyball coach for six years. Anderson was on the first ever Wayne volleyball team before graduating in 1977. She received her bachelor's degree in physical education in 1981 from Chadron State. State

Anderson then went on to receive her master's degree from Be-midji State in Bemidji, Minn., where she also served as a graduate assistant volleyball coach for two years before moving on to Winona.

Devils win dual The Wayne wrestling team

closed out their regular season schedule Tuesday night at Colum-bus Lakeview and John Murtaugh's troops finished the <u>dual the same</u> way they started the season— successfully. The Blue Devils defeated the

Vikings by a 45-18 margin which culminated a second consecutive undefeated dual season. Wayne captured its 22nd straight dual win over the past two and one half seasons.

Two other mile stones were set in the Lakeview dual as Chris lanke in the Lakeview dual as Crin's janke and Mike DeNaeyer recorded their 100th career wins. It's very seldom that a school will have more than one accomplish this mark.during_any-one season but the Blue Devils have the opportunity to have three nin the opportunity to have three nip the century mark in wins because following Jason Ehrhardt's win, the defending 189 pound state champ moved to with in four wins of the

The busiest wrestler for the Blue Devils against Lakeview proved to be reserve Matt Rise who wrestled three times and won by pin twice before winning by technical fall at 119. Terry Rutenbeck also wrestled three times in reserve action, win-ning by pin and then losing by pin before being tied 2-2 at 125.

The varsity evening began at 103 where Jason Wehrer won by pin over Tim Schakat in 1:39. Randy Johnson lost by pin to Nathan Trosper at the 3:59 mark while Brent Gamble suffered a 6-1 set back to Dan Quinn at 119. The Blue Devils appeared to be strug-gling in the lighter weights and 125 was no exception as Eric Cole

was decisioned 10-3 by Dwayne At 130, Mike DeNaeyer won by

pin over Ed Roberts in 3:41 which put Wayne back in the lead at 12-9, but at 135 Brian Gamble was defeated 8-1 by Daren Feik which tied the score at 12 each. Jason Fink was then decisioned

bγ a 3-1 margin by Ben Perkins which gave the host team a 15-12 lead but Chris Janke knotted the team score at 15 each following a 6-0 win over Randy Pilakowski at 145

Jess Brodersen received a win by forfeit at 152 and Dwaine Junck by forfeit at 152 and Dwaine Junck won by pin over Eric Hicks at 160. Dave Hewitt also won by forfeit at 171 before Jason Enrhardt pinned Elton Miller in just 1:09 of his 189 match. The final match of the night was between Matt Brugge-man and Dan Drummond in the heavy weight division and it took Bruggeman one less second to pin his man than it did Ehrhardt with the match ending at the 1:08 mark

mark. "It was not our best perfor-mance," Murtaugh said. "We will need to wrestle better at districts and I am confident that we will." Murtaugh was pleased with Dwaine Junck's accomplishment against Lakeview and for what he's

done for Wayne this season. "Dwaine has done a great job for us this season," Murtaugh said. "He has wrestled in two different weight classes and has scored a lot of points for the team. He has been a very valuable asset to our team."

Wayne will travel to Tekamah for the district tournament on Friday and Saturday.

<u>Uhing said that Wayne did not</u> do a good job of offensive execu-tion and foul problems played an important role in the game. Jeff Griesch sat out the entire second quarter after picking up three first

quarter fouls. Griesch scored two first half points but poured in 14 second half points to lead the Blue Devils in scoring along with Regg Carnes with 16 apiece.

Kyle Dahl was also in double figures with 10 while Brian Lentz Aaron Wilson rounded out the scoring with six and four points respectively.

"Mental preparation is more important than physical preparation," Uhing said. "We missed a lot of lay-ups and free throws which really hurt us."

Wakefield defeats **Osmond** in tourney

Paul Eaton's Wakefield Trojans mproved to 16-2 Thursday night with a Lewis & Clark Conference Tournament victory over Osmond, 66-52 in Winside.

Wakefield raced to a 21-15 lead after one quarter of play and maintained that six point advan-tage at the intermission at 33-27. Matt Krusemark came out of the locker room on fire in the third quarter as he helped Wakefield out score Osmond, 19-11 to give the Trojans a 14 point lead head-ing into the final quarter.

Krusemark out scored Osmond by himself in that third quarter by scoring 15 of Wakefield's 19 points in the quarter. The Trojans drained four 3-pointers in the game while Osmond connected with one. Wakefield hit 14 of 20 free throws while the Tigers connected on 12

Wakefield out rebounded Osmond by a 30-24 margin and the Trojans committed 14 turnovers compared to 16 by Osmond. Marcus Tappe led the Trojans in scor-ing with 21 points while Krusemark poured in 20. Anthony Brown was also in double figures with 12 and Keith Wenstrand added eight. Steve Clark scored four points for the winners and Doug Stanton rounded out the attack with a free throw.

Brown had an excellent floor game for the Trojans as he led the game for the irojans as he led the team in rebounds with eight, dished out nine assists and recorded seven steals to go along with his 12 points. "I thought we played good de-fense the whole game," Wakefield coach Paul Eaton said. "We also did a nice job of getting the ball out

a nice job of getting the ball out on transition."

WSC men place fourth

The Wayne State College Track & Field team hosts University of Nebraska-Omaha and Telkyo Westmar in an open meet Tues-day, Feb. 5. First year coach John Johnson will send a partial squad to the Nebraska Wesleyan Relays this Eridwich Lingele Friday in Lincoln

The Wildcat men placed fourth of six teams at the Doane Tiger Track Classic Saturday with 24 points. Doane won the meet with 100 points. Sophomore sprinter Marlon Goolsby, (Columbus, Ohio), won the 60-yard dash with a time of 6.57.

It proved to be unlucky "seven" for the Wayne State women. The Cats placed seventh with seven points. Doane made it a clean sweep for the Tigers with 110 points.

Others who placed in the meet included Scott Fleming, a sopho-more from Antigo, WI, who placed fourth in the 60 yard dash with a 6.68 effort. Brian Hunke, a senior from Howells, placed second in the 60 yard high hurdles with an 8.20 effort.

Marlon Goolsby also placed fourth in the 300 yard dash with a 34.22 effort and freshman Rich Carstensen from Tilden, placed third in the two mile run with a

The Wayne State College women's basketball teams hosted Fort Lewis College out of Colorado Friday night in Rice Auditorium with the women's team breezing to an 80-46 victory while the men suffered a heart

breaking loss in overtime, 98-97. In the women's game Wayne State got a balanced attack as state got a balanced attack as eleven of twelve players scored and evely player got to shoot the ball at least twice. The Cats came out gunning from long range early as Battle Creek native Mary Schnitzler drilled a three point bucket just 35 seconds into the game for a quick 3-0 lead.

In fact, the Wildcats never trailed in the game as they built an 8-0 lead and never looked back en route to their 10th win of the season against 12 losses. Coming into the game the Wildcats were aim-ing to snap their five game losing

"I was a little worried about our "I was a little worried about our girls confidence after losing five straight games," Wayne State coach Mike Barry said. "I knew they had the athletic ability to win the game but I was hoping that we hadn't lost our confidence and it turned out two hade't." it turned out we hadn't."

Wayne State built a comfort-able 18 point lead at the intermis-sion at 40-22 and the closest the visitors could come in the elosest the visitors could come in the second half was 18 points at 46-28. The biggest lead of the game for the Wildcats was 36 points. Mary Schnitzler led the bal-anced attack with 15 points while Kairi Backer poured in 14. Linda

Kairi Backer poured in 14. Linda Heller was the only other Wildcat in double figures with 10 but Jodi Otjen was close with nine. Lisa Chamberlin and Lisa Schwab each fihished the game with eight points while Dana Olmsted, Keri VanVeldhuizen and Amy Rueger all scored four apiece. Heather Rotherham and Cheri VanAuker rounded out the scoring attack with two points each

Wayne State dominated the boards, 49-38 led by Jodi Otjen who hauled down eight caroms. Cyndi Savage was the only Wildsat who did not score but she finished second on the team in rebounds with six with six.

Dana Olmsted dished out five assists to lead the team while the Cats forced Fort Lewis into 27 turnovers compared to 17 of their own. VanVeldhuizen blocked three shots. WSC was 8-13 from the foul line while, Fort Lewis connected on just direct just six of 20.

n the men's contest the Wildcats suffered an unusually low shooting percentage in the friendly confines of Rice Auditorium but went overtime Auditorium but went overtime before Fort Lewis sent the Cats to their 14th loss of the season, 98-97

Wayne State's Todd Dusenberry was fouled with no time on the clock in overtime with the Cats trailing by two but the junior point guard miss fired on his first attempt at the line which guaranteed a Fort Lewis win.

Wildcat center Casey Gates, playing in his first game since suf-fering a broken hand several weeks ago, connected on a short jumper with six seconds remaining in reg-ulation to tie the game at 87, thus sending into guitance

sending into overtime. The Wildcats biggest lead of the game was at eight points, 16-8 with still 15:37 remaining in the first half. Wayne State led 22-20 before Fort Lewis tied the score and eventually went ahead. The Wildcats never led again until it was 89-87 in overtime. Wayne State built a five point

Wayne State built a five point lead in the bonus period before Fort Lewis responded and took the lead at 97-96 with just 16 seconds remaining. WSC missed four free throws in the overtime. The visitors led Wayne State by six at the intermission, 48-42. The Cats trailed 77-67 with 7:58 re-maining in resultion before out

maining in regulation before out scoring Fort Lewis 20-10. The Wildcats were led in scoring

by Michael Parks who scored 24 points. Doug Kuszak followed with 17 while Chad West and Casey Gates added 12 and 10 respec

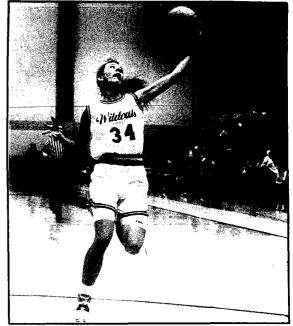

tively. Ricky Watson played one of his best games of the year, scoring nine points and hauling down a team high 13 rebounds including nine offensive caroms. Todd Dusenberry netted seven points and Gerry Sagehorn finished with six. Davy Summers rounded out the scoring with a free throw which came in the overtime

period. The Cats were 28-43 from the foul line while Fort Lewis was 12 of 20. WSC owned the boards as well, 54-45 as both Watson and Gates hauled down 13 boards apiece.

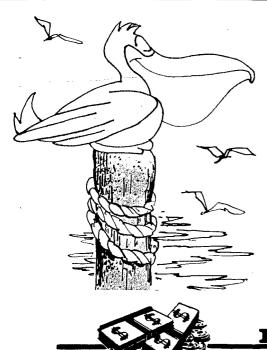

Wayne State committed 17 turnovers but forced the visitors into 20. ¹ I thought we played porly in the first half, WSC coach Mike Brewen said. 'We had a per-fect environment with the nice crowd and band but we didn't get the result we wanted."

LISA CHAMBERLIN leaps to keep this ball in bounds.

THERE'S NO PLACE LIKE HOME

The temptation to fly away to the big city, fishing for bargains, is a big one— But the smart bird will stay at home.

Too few of us have learned that the best things are right here at home. Dollars spent locally turn over several times providing the necessary economic flow to support healthy communities.

The next time you feel the urge to fly to the big city, remember the best fishing (or shopping) is right here at home. You'll save time, money, and best of all, you'il support the local people that help provide the community services we all enjoy.

Host families needed for exchange

year

The International 4-H AREA Youth Exchange is now seeking host families for foreign exchange students, according to a Coopera-tive Extension 4-H specialist.

William Caldwell, assistant director of 4-H and youth devel-opment at the University of Nebraska-Lincoln, said the program gives Nebraska families a unique "opportunity to travel without leaving home." Host families pro-vide the international students room and board, he said, as well as the chance to experience daily life in Nebraska.

The institute of Agriculture and Natural Resources specialist said IFYE delegates are included in the host family's home life, 4-H, school, church and community ac-tivities. "Families are urged not to change their daily routine or lifestyle during their visitor's stay," Caldwell said Caldwell said.

Urban, rural, single parent and two parent families are invited to host high school age youth from Costa Rica or Japan for six months to one year, Caldwell said. The

exchange students attend one more semesters of high school in the community. Shorter hosting periods of four weeks for 19 to 25old foreign adults are also available.

Host families are being sought for the Costa Rica program youth,

What recently made you laugh out loud: After my first violin lesson last fall I came home and started practicing. As I squeaked on my violin, my cat came in the room and bit me on the leg.

What would you like to ac complish if you were governor of Nebraska or president of the United States: I'd put America on every water tower in the country. Seriously, I would try to further es-tablish a world order where a pertablish a world order where a person could travel internationally with the ease we now travel between states. We should start teaching a foreign language in grade school and a second language in high school. All students should be able to travel out of the country once by the time they are out of high

What's your favorite hobby? Why: Mountain climbing — I like to achieve goals and I like to look down on things.

What is the most unusual or daring activity you would try ... if
