AS PART OF LEAD IX, (from left) Larry Boswell and Terry Borg finished their two year stint with the organization, which culminated with a trip to Europe in January. The two area residents said they got to see foreign ag operations up close during their trip through Germany, Czechoslovokia, Hungary and Austria.

Tour offers career insights

Two share experience of trip abroad

Managing Editor

Ask Allen's Larry Boswell or Wakefield's Terry Borg what they think about the LEAD IX program and they!! likely tell you that it has provided them with a lifelong memory beneficial to their business.

Both Boswell and Borg are ag producers who returned from a trip through Europe as part of the LEAD IX program.

The purpose of the LEAD program is to increase ag producers' knowledge and understanding of economics and social changes af-

fecting agriculture and rural areas.
According to information about
the program, LEAD provides an
opportunity to develop knowledge of organizational decision-making processes and the role of political institutions. It encourages and facilitates practical application of leadership skills in order to repre-

have," Boswell added. "The people in Europe are the same as us, at least the people I stayed with, but

least the people I stayed with, but their technology in some instances, is 20 years behind us."

During the outing, members of the LEAD group stayed with farmers in western Germany for two days to observe foreign operations. Those two days were only part of the trip, which included visits in castern Germany. Greeker included in the program of the trip, which included visits in castern Greeker Greeker included. eastern Germany, Czechoslovakia, Hungary and Austria.

"BOTH SIDES economically have to struggle to survive," Boswell said. "We're both concerned with how long government support programs will continue but I think the German farmers are roughing it more than us."

Two major concerns German ag producers expressed to their guests was the U.S. use of hormones for livestock production and the GATT agreement between Europe and the United States.

Simplified, participating European nations have banned U.S. beef imports because of hormone use in production, which is used to increase the size of the livestock and the GATT (General Agreement on Tariffs and Trades) agreement reduces or eliminates government subsidies to farmers so

ag policies don't cost as much.

"After being over there, it's a
real concern they have that hor-

mones are used for beef production," Boswell said. 'Before going over there, I thought it was an excuse not to import U.S. beef. For them, it's like alar in the apples — people don't want to buy beef where because the said of the said of the said of the said because the said of the s where hormones are used because they're afraid of the health risks."

THROUGHOUT their tour, Boswell and Borg agreed that there was a marked difference between production techniques in eastern and western Europe.

While progress has been made to break away farmers' employ-ment by the government on the farm, more progress is needed. In addition, eastern European nations are experiencing strained problems with the environment.

"We take our environment for granted, that happens until you see where it has been neglected," Borg said.

An example involved one of the eastern European cities they visited. In the particular city, a brown haze laid over the air and the people there said that was a good day. The smog, however, was worse than even the worst days in U.S. cities like Los Angeles or Den-

"One thing's for certain, it doesn't matter whether we visited doesn't matter whether we visice eastern Europe or western Europe, the show were proud of their culbut they were proud of their cul-ture," Borg said. "It was really a great thing to see."

Gardner sets \$25,000 fund at Wayne State

Wakefield has established an annual scholarship program at Wayne State College for employees of the Milton G. Waldbaum Com-

pany.
Each year, Mrs. Gardner will provide \$25,000 in scholarship funds for full-time and part-time employees of Waldbaums, prior to activating a permanent \$250,000 endowment fund sometime in the future.

WALDBAUMS, located in Wakefield, is one of the nation's largest egg processing companies. Mrs. Gardner's husband, Daniel W. Gardner, is the chief executive of-ficer and chairman of the board at Waldbaum's.

"This generous gift will provide educational opportunities for Waldbaum employees at all of its walloaum employees at all of its facilities, including Wakefield, Bloomfield, Wayne and Hudson, Colo., along with all other operating plants," says Wayne E. Groner, executive director of the Wayne State Foundation. "We are especially thankful to Mrs. Gardner for her generosity and support." her generosity and support."

Mrs. Gardner is a 1967 graduate of Wayne State College. She has a

bachelor of arts degree in education. Three of the Gardner children also attended Wayne State College.

"I've decided to activate this scholarship program now for a number of reasons, but primarily because I want to help other persons get an education, and the sooner, the better," Mrs. Gardner says.

Task force enters new stage

WAYNE - Progress is being made by the START Housing Task Force as the group has begun step two of their three step progress.

The first step involved the tify the current and future housing

With the information gathered, it was analyzed by Robert Blair, a research associate for the Center of Public Affairs Research at the University of Nebraska at Omaha and James Laasko, an economist with the U.S. Department of Housing and Urban Development.

ACCORDING TO Fauneil Bennett, chairwoman of the Housing Task Force, the findings from step one of the process will be used to determine where obstacles exist that impede the creation of needed housing. She said research found that the greatest need for

housing is in the \$60,000 and below category.
"We're preparing a list of possible obstacles and we welcome in-

"Anyone interested in offering their comments are asked to con-tact members of the housing task force or Don Siefken at the city of-

fice."

Members of the Housing Task Force include: Bennett, Jim Spethman, George Phelps, John Vakoc, Jeryl Nelson, Don Siefken, Terri Jeffrey, Vicky Skokan, Merle Sieler, Mern Mordhorst, Ken Secolund Clyde Flowers, Dale Steller, Mern Mordnorst, Ken Berglund, Clyde Flowers, Daie Stoltenberg, Gene Fletcher, Duane Schroeder, Bob Carhart, Dianne Frye, Nancy Braden, Chris King, Jerry Brandstetter, Larry Emmanual, Pat Gross, Julie Mash and Roy Sommerfeld.

WITH PUBLIC input, Bennett said she thinks it will better enable

the housing task force to make progress toward its final goal of drafting a report, which will be used by the City Planning Commis-sion when it helps design the new comprehensive plan.

"We want people to know that there is a channel for them to voice concerns," she said.

Those preparing the final report are: Phelps, Nelson and Schroeder.

"It's been a long, drawn out process but we feel we have taken our time and followed the chan-nels," Bennett said. "We will get something accomplished by following this process."

Bennett, however, was uncertain how soon the final draft would be complete.

The next meeting of the Hous-

ing Task Force is scheduled for Feb. 21 at 7:30 p.m. at Providence Medical Center.

SPEAKING OF PEOPLE

Heart Association plans annual drive

The Wayne County Affiliate of the American Heart Association (AHA) is joining the National Heart Association in celebrating Heart Month during February.

The Wayne County Affiliate encourages all residents to join in the observance by being aware of how they are treating their heart — by exercising more and deleting saturated fat from their diets.

During February, volunteers will call on area residents for contributions to the AHA. This is the only drive to include all residents

A spokesman for the Wayne County Affiliate reminds residents that heart diseases are still the leading cause of death in the United States, and although headway is being made, there is still much to be done and help is needed.

ONE OF THE areas supported by donations is the research and development of information and activities for schools.

For students of Wayne-Carroll schools, this year's curriculum includes a subject that can help keep them healthy for life.

The AHA is helping students learn how their hearts work and how to develop healthy lifestyle habits through special health education programs offered for preschool through middle school

Heart Decisions Kit for grades seven through nine are similarly designed and are age appropriate.

"REARING CHILDREN with heart health messages is important," says Ralph Barclay, AHA president for the Wayne County division. "Children can begin to establish healthy lifestyle habits they can follow throughout their lives."

According to Barclay, the programs are designed to complement health, science, PE and even music curricula, and helps children understand-what their hearts are, how they work and how to tell if their heart is healthy.

It encourages them to adopt lifestyle habits that can help

them stay healthy, such as getting exercise, rest, and eating nutritious foods.

"We're hoping that the schoolsite programs will give children a

fighting chance against heart disease and stroke by giving them the basic information they need to start adopting healthy life-style habits," said Barclay.

Wakefield downs Coleridge, 46-32

The Wakefield Trojans, rated fifth in the state in Class C-1, disposed of Coleridge Friday night in what was the Trojans final home

what was the Trojans final home game of the season, 46-32.
Wakefield raced to an 18-3 lead after one quarter of play and virtually never looked back en route to the victory. "I thought we played a good defensive game the whole way,"
Wakefield mentor Paul Eaton said. Wakefield mentor Paur Eaton saiu.

"People tend to forget how good
a team Coleridge really is. We've
given them half of their losses in
two games."

Wakefield blasted the Bulldogs

Wakefield biasted the Buildogs a week earlier in the Lewis & Clark Tournament by 26 points. The only negative the Trojans had on the night was their lack luster free throw shooting as they went 0-8 which is very unusual for the Trojans

jans.
"We had a hard week of conditioning," Eaton said. "We knew we would probably be a little tired and our shooting touch was not quite

up to par but we felt we had to do that in order to get ready for sub-districts."

Anthony Brown was the offen-Anthony Brown was the orien-sive catalyst for Wakefield, scoring 16 points. Keith Wenstrand fol-lowed in the scoring column with eight points while Matt Krusemark and Steve Clark scored six each. Dalton Rhodes chipped in four points while Marcus Tappe, John Johnson and Ben Dutton all scored

Wakefield ended up shooting 20-40 from the field while the visitors were 14-35. Wakefield drained two 3-pointers in eight attempts while Coleridge failed from bonus range in all 12 attempts.

The Trojans out rebounded the Buildogs, 29-27 as Matt Krusemark and Anthony Brown led the way with six and five caroms respectively. The game was very much under control by both teams in the turnover category as the Trojans had nine turnovers and Coleridge had just eight.

Blue Devils defeated by Madison Friday

perhaps their greatest loss of the season Friday night in Madison, 59-56. The Blue Devils led by four points with 1:26 remaining in the game but failed to carry through with the win, thus dropping to 8-9 on the season.

"This was probably the worst game to lose," Wayne coach Bob Uhing said. "This hurts our district seeding and our confidence. Our young kids just didn't come men-tally ready to play and that hurt

Wayne led 15-14 after the first quarter and 33-26 at the intermission before Madison went on an 18-15 scoring run that left them trailing by just four heading into the final eight minutes where they held Wayne to just eight points while scoring 15.

"We just were not intense on defense and, we made a lot of mental mistakes." Wayne recorded five 3-pointers on the night while Madison failed to convert any from bonus range. The Blue Devils were 17-24 from the foul line compared to 11-22 by the host team. Wayne also won the battle of the boards, 35-27. Both teams committed 19 turnovers.

Jeff Criesch led Wayne in scor-ing with 20 points while Kyle Dahl tailied 12. Regg Carnes neited nine points and Bobby Barnes scored six. Brian Lentz finished with and Brad Uhing added three Matt Lev rounded out the scoring with two.

Lentz and Dahl led the Blue Lentz and Dahi led the Blue Devils in rebounding with eight and seven caroms respectively. "I was pleased with the way our bench players came in and played," Uhing

The Wayne reserves also lost to Madison, 54-51.

Eisenhauer and Verzani top list

Wildcats ink 34 football recruits

Thirty-four Wayne State football recruits have signed to play for the Wildcats beginning next fall. Among the headliners that head coach Dennis Wagner signed include Scott Eisenhauer of Bloomfield and Michael Verzani of Sioux City Heelan.

Both of these players received Division I offers. "I think we got a good class of young men," Wagner said. "I believe our program is to the point where we can redshirt freshman and allow them to adjust adjust.

Scott Eisenhauer and Michael Verzani are outstanding players who were recruited by division one schools. We had some immediate needs at the junior college level, and I think we met those needs, but still could use another junior college defensive back."

The Wildcats, coming off their best season since 1984, lost only six seniors to graduation. Wayne State competes as independent members of the NCAA Division II.

The following is a composite list of all players who have signed to come to Wayne State and play football. Be sure to check next Thursday's edition of the Wayne Herald for pictures of all the players and quotes by Wagner on each individual.

Wayne girls fall to 8-11

The Wayne Blue Devils went into the locker room at half time of Thursday night's Emerson-Hubbard contest in Emerson with a 22-16 lead and with things going pretty much the way coach Marlene Uhing had hoped it

Unfortunately for the Lady Blue Devils however, the Achilles heel for the girls team all year—the third quarter eventually came, and that's where the home team Pirates out scored Wayne 20-10 to take a 36-32 lead into the final eight minutes. Emerson-Hubbard out scored Wayne 18-13 in the fi-nal stanza which sent the Blue Devils home with their 11th loss of

the year against eight victories.

"In the first half we did a good job of blocking out on the boards." JOD OF DIOCKING OUT ON the boards and we took care of the ball,"
Uhing said. "We had a half time lead and we scored the first basket of the second half and then it seemed like we quit blocking out and we didn't take care of the ball."

Wayne gave up three offensive

rebounds to Emerson in the first half but suffered nine in the sec-ond half. The Blue Devils had seven turnovers in the first half but

committed 14 in the second. "We just got killed on the boards in the second half," Uhing said. "We just didn't respond after we came out of the locker room for the third quarter and Emerson didn't do anything different than what they had in the first half."

Wayne went into the contest wayne went into the contest looking to control the scoring of Emerson point guard Leah Fuscher and center Marcy Schwarten. "I thought we did a nice job defensively on both girls," Uhing said. "Fuscher had just three field goals and Schwarten had four but they and Schwarten had four but they killed us at the foul line."

Fuscher connected on 11 of 12 free throws in the contest to finish with 17 points which led Emerson while Schwarten hit all six of her free throw attempts to finish with 14 points.

Wayne was led by Liz Reeg who scored a game high 20 points while Erin Pick netted nine. Susie

Ensz scored seven points including the game's only three point basket and Jennifer Hammer scored five. Danielle Nelson and Amy Wriedt rounded out the attack with two points apiece.

Reeg also led the Blue Devils in rebounding with 10 caroms to her credit while Hammer hauled down seven. Wayne was 10 of 17 from the foul line while Emerson con-nected on 18 of 22. The Blue Devils committed 21 turnovers com-

pared to 14 by the host team.

The win was the 17th straight for Emerson-Hubbard who heads into sub-district play Monday night as the top seed against Laurel in Wayne State's Rice Auditorium at 7:30 p.m.

Wayne will close out its regular season schedule on Thursday night against Schuyler.

The Blue Devils reserves defeated Emerson, 24-14 as Tami Schluns scored 11 points. Teresa Witkowski and Jenny Thomsen led the team rebounding with six car-

Wakefield girls fall to Coleridge again

The Wakefield girls basketball team squared off against Coleridge for the second time in six days Thursday night and for the second time the Lady Bulldogs escaped with a narrow victory, 37-35. In the first match-up between the time the Lady Teclary were de-

the two the Lady Trojans were defeated, 41-38 so Wakefield has lost twice to the same team by a combined total of five points.

"We had our chances to at least the game," Wakefield coach tie the game," Wakefield coach Gregg Cruickshank said. "We missed two free throws with 10 seconds left so we fouled immedi-rate. The Coleridae player missed ately. The Coleridge player missed the front end of the one-and-one and Lisa Blecke got the rebound and got the ball down court to Kristen Miller for an out side jump shot with two seconds left. Miller's shot rimmed away into the arms of Wendy Kratke who just launched the ball toward the basket where it hung on the rim before falling

The game was tied at nine apiece after one quarter of play but the Trojans-Red 17-15 at the half. Coleridge took a 28-25 ad-vantage into the final eight min-

Lisa Blecke led the Trojans with 17 points while Lisa Anderson and Wendy Kratke scored six each. Sarah Salmon and Cathy Otte each scored two while Kristen Miller and Heidi Muller each netted a free throw.

Coleridge was paced by the 6-3 junior Steph Hansen who scored 17 points for the second time in as

many tries against the Trojans.

Wakefield closes out the regular season with a 13-8 record and will face Ponca in the first round of the sub-district tournament on Monday Wayne State's Rice
