Students enjoying stay in Wayne

By Mark Crist
Managing Editor

Adriana Sailham and Juan Sierra are finding Wayne to their liking although the community seems small to them.

Adriana and Juan are this year's foreign exchange students at Wayne High School. Adriana is from Veracruz, Mexico and Juan is from Madrid, Spain.

"Wayne is very small and everybody knows each other," Juan said. "For coming for one year, it's nice because you get to meet more people in less time."

"The people here are friendly. I've found that people can help me when I need something," Adriana added.

WHILE THERE are a number of things they're finding different from their respective homelands, they're finding much about the American public school system to their liking.

"School is different here," Juan said. "Here almost everyone goes to a public school and it's not like that in Spain. Also, in America, we rotate to classes. In Spain, the teachers come to our classroom."

"It's different, but I like that."

Juan added that he thinks the teachers here are better than they are in his homeland. He said teachers in America act more like equals but in Spain it's not like that.

"In Spain, teachers don't care as much," he said. "Sure, you have good teachers but you have more bad ones. The teachers there aren't willing to help you if you have a question."

THE LANGUAGE barrier has caused some problems for Adriana.

THE TOP FLOOR OF GENO'S STEAKHOUSE was removed Friday morning as it was declared unsafe by building inspectors. The fate of the bottom floor remains to be seen as inspectors are expected to decide whether it can be salvaged next week. A fire Friday, Sept. 6 gutted out the top portion of the building.

Top floor of Geno's is condemned

By Mark Crist
Managing Editor

It appears as though attempts will be made to salvage the main floor of Geno's Steakhouse and Lounge although nothing official will be known until sometime next week.

That's the word from Wayne Volunteer Fire Department Chief Dutch Sitzmann. On Friday, roofers began tearing away the top section of what once was the Morrison Hotel, a building which dated back to the late 1920s.

Leveling the top floor of the building was necessary for public safety since water used to battle last Friday's blaze washed away much of the mortar, according to Sitzmann.

Most of the top floor was gutted out during the Friday, Sept. 6 fire.

AS WAS reported in the Thursday, Sept. 12 edition of The Wayne Herald, the fire was believed to have been caused when a roofer caught a rag on fire while preparing to light a cigarette. Upon realizing the glove holding the rag was ablaze, the roofer apparently shook it off and sparks

from the rag fell into highly combustible insulation, which eventually caused the four alarm blaze.

In all, Sitzmann said 1.278 million gallons of water was used to extinguish the inferno.

Workers with Western Roofing of Norfolk were relayering the roof of Geno's Steakhouse. The roofing project was part of a Community Development Block Grant to supply low income, elderly housing.

SITZMANN SAID Thursday that insurance adjustors will determine the feasibility of replacing or demolishing the base floor of the structure probably by Wednesday. He said he is uncertain whether studies can be complete by that time.

Since the fire, members of the Wayne Volunteer Fire Department Association have been providing 24-hour security for the building to keep out looters and pedestrians, since it is uncertain whether the structure is safe.

Although officials wished not to provide a total cost for the security watch, association members are getting paid \$25 per hour at the cost of the insurance company.

United Way sets goals, plans for campaign

With the Wayne United Way drive getting underway this month, there is a great deal to be said about the organization which works for all of us.

For 36 years the Wayne United Way has provided a cost effective way to raise funds for a number of agencies serving the Wayne area. Since funded agencies incur no fund raising expenses, the maximum amount of funds are available to provide agency services.

The organizations the Wayne United Way will assist with fund raising efforts this year include the following.

People are Loved (PAL)

PAL was organized in the Wayne area to bring together residents of all ages with any type of handicap to share smiles, laughter, hugs and lots of love. The PAL group is asking for \$750 in support.

Boy Scouts

The Boy Scouts of America provides a program of comprehensive youth development, emphasizing skills and leadership. The organization stresses duty to God and Country and mental and moral fitness to prepare the young people to make ethical choices over their lifetime. The Mid-America Council of Boy Scouts is asking for \$3,250.

Girl Scouts

Girl Scouting provides an educa-

tion to young girls to learn new skills and develop self esteem, which helps them become competent resourceful women. Special activities include programs that deal with issues such as literacy, the environment, substance abuse and child abuse. The Prairie Hills Girl Scout Council is asking for \$3,250 in support.

Senior citizens

The purpose of the Wayne Senior Center is to provide fellowship, congregate meals, use of the handi-vans and promote many meaningful activities for our senior citizens. This organization is asking for \$1,000.

Haven House

The Wayne Haven House is a domestic abuse and sexual assault crisis intervention agency. Although it is located in Wayne, it provides services to a five county area. Included in their services are a 24 hour crisis line, emergency transportation, safe shelter for women and children, counseling, intervention, support groups and protection advocacy. Haven House is asking for \$1,000.

Ministerial association

The Wayne Ministerial Association provides for emergency food.

Martinson represents Allen in TV movie

Just looking at Allen's Stephanie Martinson, you'd think she was one of those models you'd see in a makeup commercial because she has all the cover girl qualities.

Apparently, that's what the people at Glendale Productions in Sioux City saw, as well. Stephanie was one of a number of people from the area who were chosen to play an extra in the upcoming TV movie "A Thousand Heroes."

While she says the part she plays isn't anything earth shattering, the Allen High School sophomore enjoyed doing it.

"It was fun," she says, giggling before her next sentence. "It got me out of school for a couple days."

THE SCENE Stephanie has a part in is the opening scene of the TV movie. In it, emergency crews stage a fiery bus accident, which is reminiscent of drills actual crews practice every other year. She plays one of the persons injured in the mock accident.

The scene leads into the story, which is about Flight 232, the United Air Lines plane that crash landed in Sioux City in 1989 while on route from Denver to Chicago.

Whether the slender blonde realizes it or not, she's probably learned something from the experience. As an extra, she got the chance to meet TV stars Richard Thomas and James Coburn. Through her experience with the movie, she got a taste of Hollywood.

"I thought it would be neat just to see how it worked out," Stephanie says.

SHE ADDS that the two days she was in Sioux City for filming, that the days were long.

For instance, the first day, extras arrived at 6 a.m. and didn't finish filming until 7:30 p.m. The

second day, extras again started at 6 a.m. and finished by 4 p.m. She earned \$1 each day.

"This might be something I would want to do later on," she says. "I know I want to go to college and I was thinking about becoming an accountant but I'm not sure yet."

Also sending in a data sheet

with Stephanie was her 9-year-old sister Stacey. Despite the fact both submitted data sheets, only Stephanie was selected.

Stephanie is the daughter of Barry and Linda Martinson of Allen. She has two sisters and one brother: Missy, 20; Jody, 18; and Stacey.

START leader takes post with university

Julie Mash, City of Wayne employee and START Local Leader, has accepted a management position with the University of Nebraska at Lincoln.

In her new position, her duties will include budgetary and other administrative responsibilities, including the maintenance of a management information system for the Department of Agricultural Economics and Center for Rural Community Revitalization and Development; plus programmatic support for the center's outreach and research activities.

"For the past several years I have put my strong career interests on hold," Mash says. "This new position, along with graduate work, will allow me to renew my focus on career development."

THE WIFE of Wayne State College President Dr. Donald Mash, she has been an active leader in community development for the last several years with her role in the START program as staff assistant for special projects at the city.

"My personal interest in Wayne has been a rewarding one both personally and professionally," she says. "The warmth and friendliness of the people have motivated me to become involved in many community groups and activities."

Mash's grant writing responsibilities for the city included the housing grant to renovate Geno's Apartment Hotel and the public works grant for construction of a new day care center in Wayne.

Julie Mash

OTHER community activities which she has actively participated include United Way, Haven House, Kiwanis, AAUW, Wayne Chamber of Commerce and Wayne Industries and USWest Citizens Advisory Council.

While Mash will be working in Lincoln during the week and taking graduate classes towards a masters degree in public administration, she expects to remain involved in the community and college activities on weekends when she will be in Wayne.

"Don and I are now in our fourth year in Wayne and plan to continue working for community and economic development in northeast Nebraska," she said.

Policy on Weddings

The Wayne Herald welcomes news accounts and photographs of weddings involving families living in the Wayne area. We feel there is widespread interest in local and area weddings and are happy to make space available for their publication. Because our readers are interested in current news, all weddings and/or photographs offered for publication in The Wayne Herald must be in our office within 14 days after the date of the ceremony (no exceptions for holidays). There will be a \$10 flat fee for stories and/or photographs submitted after that time (up to two months).
Wedding photos to be returned should include a stamped, self-addressed envelope.

Hartington woman guest speaker at meeting of Area Retired Teachers

Glencye Reimers of Hartington was guest speaker at the Sept. 9 meeting of the Wayne Area Retired Teachers Association, held at the VFW Club in Hartington.

Mrs. Reimers taught in Africa for two years and is now a teacher in Hartington. Her husband, the Rev. Paul Reimers, is pastor of Trinity Lutheran Church in Hartington and is a former campus minister at Wayne State College.

Mrs. Reimers entertained the group with highlights of her teaching experience and sang several songs, including "What Would I Do Without My Music," "Forgive Me My Friend," "The Hope That Keeps Us One," "The Wind Beneath My Wings" and "From a Distance." She accompanied herself on the keyboard piano.

HOSTESSES for the meeting, with 21 members attending, were Shirley Benson and Doris Orwig. Also present were two guests, Twila Anderson of Hartington and Florence Jewell of Dixon, who be-

came members of the organization. During the business meeting, members were encouraged to attend the state convention on Sept. 27 in Kearney.

It was announced that Fern Kelley, a member of Wayne Area Retired Teachers, has been helping a young man housed at the juvenile Detention Center in Wayne to pass his GED tests.

Marie Skokan announced the need for a reading program for the middle school and asked for volunteers to read and tape certain text books.

WAYNE AREA Retired Teachers will meet at the Black Knight in Wayne on Oct. 14 with Harold and Lavah Maciejewski as hosts. Speaker will be Curt Wilwerding, executive vice president of the Wayne Area Chamber of Commerce.

All members and others who have been involved in education are urged to attend.

Welcome Campus Ministry invites public to open house

The public is invited to attend an open house at the Welcome Campus Ministry House, located at 14th and Schreiner, on Tuesday, Sept. 17. The open house is scheduled from 3 to 9 p.m., with ice cream sundaes being served from 7 to 9 p.m. The Welcome House Ministries include ELCA Lutheran Campus Ministry, United Ministry for Higher Education and Newman Catholic Ministry.

Greens wed 50 years

The golden wedding anniversary of Allen residents Marvin and Grace Green was observed with an open house reception held Sept. 1 in the Allen United Methodist Church with 156 friends and relatives attending.

Hosts were the couple's children, the Rev. and Mrs. Roger Green of Bartlesville, Okla. and Mr. and Mrs. Victor Green of Allen.

Grandchildren were in charge of the guest book.

VICTOR Green served as master of ceremonies for the afternoon program. Roger and Janice Green and Victor and Charlene Green sang "Saviour Like a Shepherd Lead Us," accompanied by Virginia Fraser.

Granddaughter Crystal Green played two violin solos, "I Love You Truly" and "Always," accompanied by Virginia Fraser, and Roger Green read the family history, entitled "Fifty Years of Memories." The Rev. Dirk Alspach had scripture and prayer and the Rev. T.J. Fraser gave the blessing.

THE ANNIVERSARY cake was baked by Audrey Harder and served by Marcella Shortt and Wanda Meier. Colleen Reich served punch and Jeanette Geiger poured.

Assisting in the kitchen were Eleanor Jones, Doris Robley, Yvonne Thallas, Dawn Bruce, Nadine Strivens and Leona Timperley.

Upcoming dates announced at meeting of VFW Auxiliary

The Llewellyn B. Whitmore VFW Auxiliary No. 5291 met at the post home on Sept. 9 with President Glennadine Barker. Eleven members and one guest, District III President Judy Vavra of Allen, answered roll call.

A letter was read from the Department of Nebraska announcing that the fall conference will be held Sept. 27-29 in Bellevue. The fall meeting of the Big Ten Conference is scheduled Oct. 25-27 in Sioux Falls, S.D.

A thank you was received from Kenneth Wagner of the Norfolk Veterans Home for the birthday gift he received.

IT WAS announced that Poppy Day will be observed in November. Eveline Thompson announced that cancer pins and Department of Nebraska VFW cookbooks are still available. The cookbooks sell for \$10 and the money goes in the form of a grant to members who have cancer. The books are available by contacting Thompson at 375-3446.

Thompson also reported 17 paid members and announced that dues are \$10.

LINDA RAE SMITH and Charles Fred Brockman exchange marriage vows, with the Rev. Keith Johnson officiating, before a large crowd in the Dairy Goat Show Arena at the Nebraska State Fairgrounds in Lincoln. Also taking part in the service were Donna Meyer, matron of honor, Dennis Brandt, best man, and Saanen dairy goats Meole's Alpha Rose and Marami Cynthia's Elsie as the bridesmaid and groomsmen.

Wedding in goat arena makes history at Nebraska State Fair

The Dairy Goat Show Arena at the Nebraska State Fairgrounds in Lincoln was transformed into a marriage chapel for the wedding of Linda Rae Smith and Charles Fred Brockman, both of Winside.

Nebraska State Fair history was made with the service uniting Smith and Brockman on Sept. 7 at 7 p.m.

The couple, both avid goat raisers, selected, white Saanen dairy goats Meole's Alpha Rose and Marami Cynthia's Elsie as their four-legged groomsmen and bridesmaid. Both wore blue and white silk daisies on their lead collars.

Serving as matron of honor and best man were Donna Meyer of Hoskins and Dennis Brandt of Randolph.

THE BRIDE was given in marriage by Don Thompson of McCook, fair board president, and walked down an aisle bordered with blue and white bells and milk jugs connected by blue and white streamers. The arched altar was covered with blue and white streamers and bells.

Witnessing the ceremony was a large crowd of relatives, friends and other fairgoers who filled the grandstand, another set of bleachers and the aisles. Kathy Hank of Winside was seated at the

guest book.

The bride and bridegroom, along with their honor attendants, were dressed in "formal" white tulle bib overalls and white T-shirts. The women added dark blue bandanna scarves around their shoulders. They wore light blue ribbon tied in their hair with blue and white silk daisies.

The bride carried a cascade of blue and white silk roses and the matron of honor carried a nosegay of blue silk roses and white silk daisies. The bridegroom's boutonniere was a blue silk rose and the best man's boutonniere was a blue silk carnation.

Officiating at the service was the Rev. Keith Johnson of Lincoln, formerly of Wayne. The scripture lesson was taken from Proverbs 27:23-27.

The bride's mother read a poem, entitled "The Rose," and the couple lit a unity candle.

The bride is the daughter of Mrs. Fern Kelley of Wayne and the late Ray Kelley. The bridegroom is the son of the late Mr. and Mrs. Herman Brockman.

THE NEWLYWEDS were showered with corn and oats as they left the wedding site to be taken by horse and carriage around the

fairgrounds and to the reception in the basement of the State Fair Administration Building.

Hosts for the reception were Valerie Meyer of Hoskins and Chris DeTour of Stanton.

Fern Kelley and Roberta Welte, both of Wayne, served cake and punch. Pouring was Ann Brockman of Beatrice. Kelley Biggerstaff of Winside was in charge of the food.

The bride's vanilla sour cream cake and the bridegroom's chocolate sour cream cake were both made and decorated by the bride. Both were made of goat sour cream with goat butter icing. Goat yogurt was used in the mints which were made by Valerie Meyer.

Wedding guests also were treated to goat summer sausage, made by Johnson's Frozen Foods of Wayne, three flavors of goat vinegar cheeses, made by Donna Meyer, along with goat burger sloppy joes.

THE COUPLE returned to their rural Winside home the next day after the animals were released from the fair.

The bride, a 1990 graduate of Wayne State College, is an instructor at Region IV. The bridegroom is employed as an attendant at the Goodwill Donation Center.

Committee visits Wayne State

WAYNE - Seven members of the Nebraska Legislature's appropriations committee visited Wayne State College on Thursday, Sept. 12.

Committee chair, Scott Moore, said the two-hour stop allowed the committee to better familiarize itself with the needs of Wayne State's rapidly changing campus.

"Wayne State has not been a high profile campus — probably because it was dwarfed by Kearney (State College) for a number of years," Moore said.

"Now, Wayne is coming into its own and it needs proper attention from across the state."

Moore said the visit will help the committee visualize Wayne State's future needs.

"For the committee, it is important because Wayne State is now the largest state college, a very vibrant member of the higher education system in the state of Nebraska," Moore said. "I thought it would be important for us to see their needs first-hand to understand exactly what it is they're asking for so we can make sure Wayne is taken care of as best it can be in the years to come."

Wayne State president, Donald Mash, said he admires the committee's willingness to venture into rural Nebraska to see needs up close.

"We applaud the appropriation committee's initiative to actually take the time to come to campus and look at our facilities first-hand," Mash said. "We have a lot of needs on our aging campus, and we would like to think that, when we make our case, the individuals who make funding decisions have some familiarity with our campus."

During an afternoon meeting, college officials shared the Wayne State "master plan" with committee members. Connell Hall

WAYNE STATE COLLEGE PRESIDENT DR. DONALD MASH speaks to Scott Moore, a member of the Nebraska Legislature. Moore, chairman of the Legislature's appropriations committee, visited Wayne State College along with seven other committee members Thursday. The purpose of the group's visit was to better familiarize themselves with Wayne State's growing needs as the college continues to reach all-time high enrollments.

renovation plans, the Student Center addition, parking expansion and dorm renovation were a few of the items discussed.

Following the meeting, Mash led senators on a campus tour and pointed out several key construction projects and needs.

"We sit in committee and we know the numbers — I certainly can tell you what things cost and the names of buildings and administrators — but so many millions of dollars are spent by our committee on things we never see," Moore said.

Accompanying Moore were committee members Joyce Hillman, Lowell Johnson, David Bernard-Stevens, David Lynch, Bud Robinson and Roger Wehrlein.

She said she has trouble understanding what the teachers here say since they speak so fast.

"I can't understand it all," she said. "It's most difficult when you have to talk. Listening isn't as hard as talking."

One of the things both students said they like is the fact that so much activity revolves around the school. For instance, in Spain and Mexico, the schools don't sponsor sports or extra-curricular activities. They both said they like that attribute at American education.

"I like the fact that there are so many games because it gives me the chance to meet more people," Adriana said.

PROBABLY THE biggest difference between their homelands and the U.S. is that in Spain and Mexico, many of the women are homemakers and the men are the breadwinners. Both students commented that this is an aspect that is different but worthwhile.

Their respective families are no different. Juan's father works for the largest department store in Spain, called El Corte Ingles. In his job he does a great deal of traveling to the United States, Italy, France, England, Germany and other European nations. Juan's mother works as a homemaker.

The same is true with Adriana's family. Her father has been working as a pest control agent but he will soon work with the training of security dogs used in stores. Her mother, too, is a homemaker.

The Library Card

This column is written occasionally to inform the Wayne area as to what types of reading material and other items are available at the Wayne Public Library.

The Wayne Public Library is organized under the Revised Statutes of the State of Nebraska and the City Code of Wayne, Nebraska. The Board of Trustees of the Wayne Public Library is the governing agency of the library and is composed of five members appointed by the mayor, with the consent of the city council, for individual terms of four years. The present Board members are Mrs. Max Lundstrom, Mr. Pat Gross, Dr. Sid Hillier, Mrs. Bob Ensz and Mrs. Russell Rasmussen.

At its recent election, Mrs. Russell Rasmussen was named president; Dr. Sid Hillier, vice-president; Mrs. Max Lundstrom, secretary. The president and vice-president serve a one-year term.

Board meetings are held on the first Tuesday of each month in the board room of the library. Notice of meeting times is posted in the library. Meetings are open to the public. Duties of board members include setting library policy, renewing and approving library expenditures and selecting the library director from applicants responding to an advertised vacancy. Board members assist the librarian in determining community needs, so it is important for people in the community to communicate with the board.

We saw a neat idea for a survey we hope will interest you. We are proposing that you send us your list of five of your all-time favorite books, old or new. We will keep a record and publish the results. If your children are interested have them do the same. It might be a good idea to give us an age category — adult, youth, child — and say if you are male or female. We don't need names or addresses.

lodging, gas, automobile repairs or other assistance to people in need. It is an organization created by the churches in Wayne. The Wayne Ministerial Association is asking for \$400.

Kinship

This is a program that matches boys and girls with adult volunteers. The goal of the program is to befriend children, who for a variety of reasons, need a special relationship with an adult who can provide a model, family support and companionship. All adult volunteers are carefully screened before being admitted to the program. Kinship is seeking \$1,000 in support.

source. Transient meals, lodging, groceries, gas, clothing for school children, assistance for victims of fires and Christmas gifts for the elderly and handicapped are some of the services provided by the Salvation Army. The organization is asking for \$200 in support.

Wayne Recreation

Funds are used to support recreation/leisure service activities such as boys baseball, girls softball, tennis, golf, basketball, swimming and arts and crafts activities. Last year, the many activities which the United Way contributed to have touched over 1,000 participants.

Wayne Hospice

Hospice provides volunteers who help people deal with natural emotions, reactions and problems accompanying a life-threatening illness. The focus is on support and comfort of the family. This service is provided in a multi-county area around Wayne. Wayne Hospice is requesting \$3,500 in support.

Members of this year's Wayne United Way board include: Connie Endicott, Jane Ahmann, Jeryl Nelson, Fauneil Bennett, Bob Lohrborg, Dale Simmons, Ann Barclay, Julie Mash, Rusty Parker, Diane Mundahl, Evelyn McDermott, Dan Rose and Diane Wurdinger.

United Way agencies also need volunteers. To become a volunteer any board member can be contacted.

Red Cross

The Red Cross provides services to needy families and disaster victims. Swimming classes are also sponsored by the Red Cross. Instruction is given to police and fire departments on life-saving, emergency messages and free blood pressure readings. Nursing scholarships are also available through the Wayne Red Cross. Wakefield earns big victory

By Kevin Peterson
Sports Editor

The Wakefield Trojans football team cleared a major hurdle Friday night when they slipped past Hartington Cedar Catholic, 22-16 in Wakefield.

The outcome of the game was not determined until there was 38 seconds remaining in the fourth quarter following a roughing the kicker penalty against Cedar which kept the Trojans in possession of the ball which allowed them to run out the clock.

"This was a big win for us," Wakefield coach Dennis Wilbur said. "We can't say that we didn't try to give it to them though with all our costly penalties and turnovers."

Wakefield took the opening kickoff and drove to the one yard line of Cedar before fumbling. On Cedar's first play from scrimmage however, Ben Dutton grabbed running back Jason Merkel and threw him down in the endzone for a safety giving the Trojans a 2-0 lead.

Later in the first quarter Wakefield scored on a seven yard run by Thad Nixon but the point after attempt failed which gave the host team an 8-0 lead after one period.

In the second quarter Cedar scored on a six yard pass but the point after attempt failed leaving Wakefield with a two point advan-

tage at 8-6. Marcus Tappe later scored from four yards out and with Matt Stanton's point after Wakefield led 15-6.

Cedar came back though and scored on a 34 yard pass play which made the score 15-13 at the intermission. In the third quarter the only scoring came on a 33 yard field goal by Jason Merkel giving the visitors its first lead at 16-15 which is how it stood after three.

Then with 6:57 remaining in the game Tappe scored on a one yard run which capped an 84 yard drive and with Stanton's point after the Trojans led 22-16 which is how the game ended.

Cedar quarterback Ryan Samelson fumbled the ball on a fourth down and one play and T.J. Preston recovered it for Wakefield.

The host team had 19 first downs compared to 12 for Cedar. Wakefield had 251 yards rushing in 55 tries while Cedar had 18 yards on 16 tries. Marcus Tappe was 1-2 in passing for 11 yards to Thad Nixon while Samelson was 16-31 for 151 yards and one interception that coming by Thad Nixon.

Larry Johnson led Wakefield with 101 yards on 18 carries while Anthony Brown had 72 on 16. Thad Nixon had 60 yards on 13 tries and Tappe had 18 yards on eight carries and two touchdowns. Ben Dutton led the defense

with 10 stops while Thad Nixon had nine. Brown, T.J. Preston and Aron Utecht had seven tackles apiece and Brandon Benson had five.

"I thought our offensive line did

a real nice job for us," Wilbur said. "We had some people come through for us during the game that don't always come through." Wakefield will host Plainview on Friday at 7:30 p.m.

WAKEFIELD QUARTERBACK MARCUS Tappe hands off to Larry Johnson in action Friday in Wakefield.

WAYNE RUNNING BACK Kyle Bensen has no where to run against North Platte St. Pat's in action Friday in Wayne.

Wayne loses 35-0

The Wayne Blue Devils ran head on into a buzz saw Friday night at Memorial Field in Wayne as they were defeated soundly by North Platte St. Pat's, 35-0 dropping the Blue Devils to 0-2 on the season.

Wayne took the opening kickoff and drove to the visiting Irish 20-yard line before fumbling the ball on first down. The Blue Devils recovered that fumble for a two yard loss and then quarterback Regg Carnes was sacked for 13 yards on the next play which made it third down and 25. North Platte then intercepted Carnes on the next down.

"We moved the ball real well on the opening drive," Wayne coach Lonnie Ehrhardt said. "Even when we turned it over we held them on a fourth down attempt which gave us the ball back on our own 25-yard line."

Wayne however, fumbled the ball one play later and North Platte's Nathan Smith picked it up and rambled 28 yards for the only score of the first quarter making it 7-0 after 12 minutes of play.

The Irish scored 21 points in the second quarter with the first score coming on a 38-yard run by Toby Fleck to make it 14-0 with 9:56 remaining until the intermission.

At the 2:34 mark of the second quarter Fleck sprinted in from four yards out to make it a 21-0 game. Perhaps the biggest blow to Wayne came with just 1:03 remaining in the first half when

North Platte blocked a punt in which Darin Folchert picked up the ball and ran in from 17 yards out to make it 28-0 at half.

Josh Lawrence then ran in from eight yards out at the 10:56 mark of the fourth quarter for the final points of the game.

Wayne finished with four first downs in the game while the Irish had nine. The Blue Devils had 21 rushes for a minus 30 yards as they suffered eight quarterback sacks. North Platte had 39 rushes for 167 yards.

Wayne was 13-29 for 143 yards in passing with three interceptions while St. Pat's was 2-9 for 15 yards. Both teams had one fumble.

Jim Murphy was Wayne's leading rusher with 13 yards on seven carries while Kyle Bensen had six carries for nine yards. Carnes was 12-23 in passing for 89 yards and two interceptions while Matt Blomenkamp was 1-5 with one interception for 54 yards. Brent Gamble was 0-1.

Bensen caught four passes for 22 yards while Bobby Barnes caught three for 36. Jack Swinney caught two for 16 and Brian Brasch caught one for 54. John Murphy had one reception for nine yards and Tim Reinhardt had two catches for six yards.

Defensively Wayne was led by Jason Fink who finished with 19 tackles while Jason Brandt and Mike Zach had nine apiece. Regg Carnes finished with six tackles while Matt Metz and Brent Gamble had five each.

Winside wins big

Randy Geier's Winside Wildcats raced to a 46-0 route of Hartington on the road Friday night to start the season off in fine fashion at 2-0. The Wildcats ended the game with two seconds left in the third quarter when Brady Frahm ran in from two yards out.

Winside played without starting quarterback Cory Jensen who injured an ankle in the first game against Allen. Freshman Benji Wittler stepped up and played admirably according to Geier.

Winside finished with 17 first downs compared to three for Hartington. The Wildcats had 39 rushes for 302 yards while holding the host team to 43 yards on 30 attempts. Winside passed for zero yards which was eight more than Hartington had as they were 1-6 for a minus eight.

Marcus Stueckrath led the Wildcats in rushing with 138 yards on 12 carries that included three touchdowns. Wittler rushed eight times for 59 yards and one touchdown and Jason Krueger had seven carries for 46 yards. Brady Frahm had six rushes for 44 yards and Colby Jensen had five carries for 15 yards.

Defensively the Wildcats were led by Trent Trautmann with eight tackles while John Hancock had five. Brady Frahm and Jason Krueger had four each while Kyle Frederick, Marcus Stueckrath and Trevor Topp had three each.

Stueckrath rambled 43 yards for Winside's first score and Jeremy Bruggeman connected on the point after. Stueckrath later sprinted in from 14 yards out to make it a 13-0 contest after one.

In the second quarter Wittler went 19 yards for a score and John Hancock ran a punt back 29 yards for a touchdown and with Bruggeman's point after it was 26-0. Then with 1:25 left until half Stueckrath ran in from 10 yards out to make it 32-0 at half.

Brady Frahm scored all the points in the third quarter as he rambled 22 yards with 8:27 left and Jason Krueger ran in for the two point conversion making it 40-0. Frahm then ended the game with a two yard run.

"It was a good overall team effort," Geier said. "We have to now get ready to play a good Coleridge team on Friday."

Allen drops to 0-2

The Allen Eagles football team fell to 0-2 on the season Friday night with a 27-12 loss to state rated Beemer in Allen. Eagles coach Mike Busselemann lost his starting quarterback in sophomore Curtis Oswald for about a quarters worth during the second and third periods which he felt really shifted momentum toward Beemer.

"I thought the story of the game was not capitalizing on Beemer's mistakes," Busselemann said. "We were on the receiving end of five Beemer turnovers and we really didn't make the most out of them."

Beemer led 7-0 after one, 14-0 after two, 21-0 after three and led 28-0 before Allen got on the board. Allen had 18 first downs compared to 14 for Beemer. The Eagles had 48 yards rushing on 43 attempts while Beemer gained 158 yards on 33 carries.

Oswald was 5-18 in the passing department for 106 yards and three interceptions while Beemer was 3-13 for 21 yards and two interceptions. Oswald was Allen's leading rusher with 31 yards on 10 carries.

Casey Schroeder caught three passes for 51 yards and Brian Nel-

son caught one pass for 54. Defensively the Eagles were led by Kevin Crosgrrove who had 23 tackles. Bren Mattes finished the game with 18 while Chris Sachau and Shane Fiscus had 10 each.

Sachau and Nelson each recorded an interception during the game while Bren Mattes recovered two fumbles and Justin Kelly recovered one Beemer mishap.

Allen's touchdowns both came in the fourth quarter as already mentioned. The first score came on a 30 yard pass from Oswald to Casey Schroeder and the second score came on a one yard run by Oswald. The extra point attempts on both scores failed.

"We had a lot of silly mistakes," Busselemann said. "We turned the ball over four times which led to most of Beemer's points. We have to concentrate on getting points following our opponent's turnovers which is something we haven't done yet."

FARM SAFETY WEEK SEPTEMBER 15 - 21

The Wayne County Public Power District would like to remind you to practice an extra margin of safety during the busy harvest season ahead. During the month of August, eight Nebraskans died in farm accidents, making last month the deadliest month for farm fatalities since 1969.

Through August this year, 21 people have died in farm-related accidents.

Statistically, September and October tend to be the worst months for farm accidents in Nebraska. DON'T BECOME A STATISTIC. Make safety your number one priority this harvest season!

Also, if you are planning on constructing new grain handling or storage facilities this fall, be sure to contact the District Office to be sure you comply with the clearance envelope for grain storage bins. District personnel will be more than happy to ensure your safety by locating these facilities away from overhead powerlines.

Remember, good safety practices always reap a bountiful harvest.

Wakefield spikers down Lyons Decatur Trojans win home opener

Paul Eaton's Wakefield Trojans played their home opening volleyball game Thursday night and came away with a three games victory over Lyons-Decatur with scores of 14-16, 15-7, 15-8.

"Lyons really came out and played well in the first game," Eaton said. "We made some errors which helped them win the first game but they were very competitive."

Eaton's crew however, got the ball rolling in the second and third

games and won handily to even the Trojans season mark at 1-1. Eaton was not real pleased with his team's serving percentage. "We really need to work on serving because we struggled in our first match with Winside and now against Lyons we were only 84 percent," Eaton said.

Maria Eaton was 9-10 in serving for Wakefield against Lyons-Decatur while Kristen Miller was 10-12. Lisa Blecke was 8-9 and Heather Gustafsen was 5-5. The

most potent server for Wakefield came from sophomore Connie Witt who was 12-14 with eight serving aces.

"Connie really did a nice job for us," Eaton said. "She got us the lead after being behind in the second game and we really put us over the top in the third game with her serving. She only got to serve in three rotations but she was potent when she did serve."

Kristen Miller led the Trojans in setting after a 45-50 performance

that included 11 set assists. Kathy Otte was 30-35 with 10 set assists. Lisa Blecke had a fine performance in spiking the ball with a 33-34 outing and 15 kill spikes. Sarah Salmon was 18-22 with four kills and Danielle Fallesen was 10-16 with three kills.

Wakefield will travel to Winside Tuesday night for the Winside Tournament. Eaton's crew will play Winside in a rematch of the opening game of the season.

Wayne State downs Kearney

The Wayne State women's volleyball team has won five of its last six matches but Thursday night's victory over arch rival University of Nebraska at Kearney, may be the biggest.

The Wildcats defeated the Lopers in Rice Auditorium in straight games with scores of 15-5, 15-7, 15-13. "This was the biggest win for me since I've been at Wayne State," Wildcat mentor Nancy Clark said. "It was also the best game we've played as a team all year."

The 7-4 Wildcats got a shot in the arm when Kristi Jaminet returned to the line-up after missing several games with a sprained ankle. "That added confidence to our

team with Kristi in there," Clark said.

Shelly Lueders led the hit parade for the Wildcats with 11 kill spikes. She added 18 blocks and had 10 digs as well. Jaminet returned to the line-up to notch eight kill spikes and record 20 blocks. Jaminet was also one of the top servers for WSC with a 13-14 outing that included one ace.

Cori Weinfurter had six kill spikes, eight digs and was 19-20 in serving with one ace. Weinfurter also did a fine job in serve receiving with a 12-14 performance while Tracy Kuester was 19-22 in the same category.

Shannon Dunning had 20 set assists to lead the Cats' while Amy

Newton dished out 10 set assists. Lisa Skradski had eight digs which helped lead WSC past Kearney.

The Thursday night match followed a triangular at Midland College in Fremont on Wednesday in which the Wildcats defeated Midland in five games and then swept Augustana in straight games.

WSC dropped the first two games against Midland before rallying to win the final three with scores of 11-15, 9-15, 15-12, 16-14, 15-3. The scores of the Augustana match were 15-7, 15-11, 15-13.

Lueders led the team with a total of 29 kills and 24 blocks between the two matches while Tracy Kuester was 13-14 in serving

with one ace. Cassie Vescio was 16-17 with three aces from the service line and Amy Newton had 11 set assists and was 28-29 in serves with one ace.

Cori Weinfurter had 16 digs and 17 blocks between the two matches. "I thought we started off a little slow against Midland," Clark said. "Then we started moving in the third game."

Amy Newton came through in the third game and got Midland down. We got ahead in the fourth game and then we let down. Newton and Angela Janovec came on strong against Midland in the final three games. Against Augustana we played everyone and had a solid performance," Clark added.

Allen soars past Coleridge

ALLEN-Buffy Romshek's Allen Eagles soared past the Coleridge Bulldogs in volleyball action in Coleridge Thursday night improving the Eagles record to 4-1 on the year.

"It was a tough match," Romshek said. "We started off pretty slow being down 7-0 in the first game but we came back strong to win 15-12, 15-13. Even though it went just two games it lasted a long time because there were a lot of long rallies."

Steph Chase was the serving leader for Allen with a 14-14 performance and one ace while Christy Philbrick was 11-11 with two aces. Cindy Chase was 10-11. Christy Philbrick was 40-44 in the setting category with 15 set assists.

The Eagles had five hitters with at least 10 spike attempts which kept Coleridge guessing as to who to concentrate its blocking efforts on.

Cindy Chase was 14-14 in spiking with one kill while Denise Boyle was 10-14 with four kills. Steph Martinson was 9-13 with five kills and Heather Sachau was 12-15 with three kills. Steph Chase was 9-10. Both Cindy Chase and Steph Martinson had two blocks to lead the Eagles.

Allen's "C" team and "B" team also recorded victories with the "C" team winning 11-4, 6-11, 11-2 and the "B" team winning 4-15, 15-10, 15-4. Allen will play Ponca at home on Tuesday.

Wildcats improve to 4-1

Winside triumphant over Laurel in two

Winside's volleyball team improved to 4-1 on the season Thursday night with a straight games victory over the Laurel Bears, 15-12, 15-6. Paul Giesselmann's squad was still without the services of Wendy Rabe who is nursing a sprained ankle but the Wildcats overcame a sluggish start to record the win.

"In the first game we struggled mentally," Giesselmann said. "We just didn't look sharp and it was just a lot of little things we were doing wrong which fans don't notice but the good thing was that we were still able to win. Then we made some adjustments for the second

game and we looked a lot better."

Christi Thurstonson led the Wildcats in serving with an 11-12 outing that included two aces while Patty Oberle was 7-8 with two aces. Kari Pichler was 9-11 with two aces and Jenny Jacobsen was 10-11.

Kari Pichler recorded 25 set assists for the Wildcats and Jenny Jacobsen was the spike attack leader with a 14-16 outing with 11 kill spikes. Holly Holdorf had 12 spikes with eight kills and Patty Oberle had 10 spikes in which seven were kills. Chris Colwell was 6-7 with two kills and Christie Mundil was 3-3 with two kill spikes.

Finals set for golf league tourney

WAYNE-The finals of the men's golf league tournament will be held Wednesday with team 37 consisting of Chuck Surber, Gerald McGath and Gary Wright playing team six of Larry Wingett, John Anderson and Carl Vollers for the title.

Team seven consisting of Jason Rately, Merlound Lessmann and Paul Roberts will be playing for third place against team 26 of Kip Bressler, Byron Heier and Jack Hausmann.

WSC golfers win triangular

WAYNE-The Wayne State women golfers captured first place in their own triangular Thursday at the Wayne Country Club after defeating Hastings College and Chadron State.

The triangular proved to be no real test for WSC as they won by 59 strokes over runner-up Hastings, 379-438. Chadron State finished with a team score of 441.

Former Wayne standout golfer Holly Paige was the medalist in the meet with an 86. Paige was a member of the 1989 state championship Wayne High School team and was the state champion individually.

Wayne State's Dawn Garrett and Mindy Richards tied for second place with 92's while Keri Goette placed fourth with a 93. Also taking part for the Wildcats was Deena Curtis, Shannon McGwire and Teri Dike.

RANDY PEDERSEN AND J. ALAN CRAMER hold the First State Waterfowl Stamp. Cramer recently purchased the artwork to allow the Wayne Chapter of Ducks Unlimited to auction it off.

Wayne businessman donates artwork for Ducks Unlimited auction Oct. 7

Members of the Wayne Chapter of Ducks Unlimited will have the opportunity to auction off the First of State Waterfowl Stamp thanks to a generous contribution of Wayne businessman J. Alan Cramer.

Cramer, a member of the Nebraska Game and Parks Commission, has provided an original print used for a waterfowl stamp created by Lincoln artist Neal Anderson.

Nebraska is the 47th state to issue its own waterfowl stamp. The stamp features Canada geese

along a shoreline. In all, Ducks Unlimited auctions around the nation, similar to this one, are expected to raise \$750,000 for waterfowl habitat in Nebraska, the United States and Canada.

Cramer presented the artwork to Chapter Representative Randy Pedersen. The work is to be auctioned off at a Ducks Unlimited banquet Oct. 7 at the Wayne National Guard Armory.

According to information about the stamp's artist, "Anderson is a most fitting Nebraska artist to design the First of State waterfowl

stamp. He has devoted much of his time to the work of conservation organizations and their programs, and has for a number of years provided illustrations for the NEBRASKALAND Magazine fauna series."

While the amount raised from the local auction is yet to be determined, the money will be used for the protection and purchase of waterfowl habitats, Pedersen said. Habitat areas are in Canada and the United States, including parts of Nebraska.

Club celebrates 30 years

The Wayne Lions Club will celebrate its 30th anniversary tomorrow night (Tuesday) at the Wayne Vets Club. The Wayne Lions Club was chartered by Lions Clubs International on July 25, 1961 with 31 charter members. The sponsoring Lions Club for the Wayne club was the Norfolk Lions Club. Of the original 31 charter members, Dr. George Goblirsch is the only charter member remaining alive.

The main speaker at the 7 p.m. dinner will be District Governor Steve Wehrbein of Plattsmouth. Lions guests are expected from Norfolk, Elkhorn, Omaha,

Tekamah, Laurel, Wisner and Wakefield. In addition to the many activities planned, the Wayne Lions Club will initiate four women into membership. They are Vona Sharer, Pat Cook, Joan Norman and Ellen Kietzmann.

The current president of the Wayne Lions Club is Cletus "Clete" Sharer who served as club president in 1971-72 and who also served as District Governor in 1974-75. Several club members currently are or have served in other district level capacities.

Among the activities the Wayne Lions Club promote and support

include sponsoring the Nebraska Lions Foundation Testing Unit when available, run and maintain the Wayne Lions Club camper park near the airport, support the training of teachers in the Quest Program, pay for eye examinations and glasses for the needy, hold annual talent and football skills contests and track meet for area youth, supported the cost of a teacher-director to the Lions Summer Camp for the Blind, purchase Christmas gifts for care center residents, collect clothing and food for the needy and collect used eye glasses and hearing aids.

4-H News

DOG CREEK

Bressler Park was the site of Dog Creek 4-H Club's family picnic on Aug. 29 with all but one family attending.

Tony Hansen gave a speech and Stephanie Pickinpaugh presented a demonstration.

Cynthia Rethwisch, club leader, announced that all requirements have been met to receive another Gold seal at the achievement program.

The club received the following ribbons at the Wayne County Fair — herdsmanship, blue; project booth, purple; and theme booth, red.

Members carrying a project for two years are eligible for county awards. The application form and both years' record books must be turned in with the green folder.

Record books being judged are due to Karma or Cynthia by Sept.

15. Record books will be judged Sept. 20 at Grace Lutheran Church and volunteers are needed to assist.

Each member gave a mini speech summarizing their 4-H year.

New to the project sign-up sheet were a safety project to be led by Deloris Felt and a computer art project led by Lynne Allemann.

Lynda Cruickshank is looking for interested members to contact her regarding radio spots during 4-H week. She would also like some window displays during the same week.

Persons wishing to do ceramics for "Let's Create" can do this on Wednesdays after school at Ailene Sievers, 608 Lincoln, 375-1846.

The first meeting of the new year will be at Grace Lutheran Church on Oct. 4 at 8 p.m.

Northeast hosting college fair on Sunday, Sept. 29

Approximately 85 colleges and other institutions of higher learning will be represented when Northeast Community College hosts the Northeast Nebraska College Fair Sunday, Sept. 29.

The College Fair will be held from 1 to 4 p.m. in the activities center gymnasium and theatre.

Students will have the opportunity to visit with admissions repre-

sentatives from various colleges to learn about financial aid, admissions procedures, academic programs, housing and other topics concerning college enrollment.

For more information concerning the College Fair, contact Gene Hart, director of admissions at Northeast Community College, 644-0459.

NASB offers information at meetings

The Nebraska Association of School Boards will be discussing topics ranging from the state's property tax dilemma to planning for the future during its 1991 Region Meetings to school leaders in West Point tomorrow (Tuesday).

The program will begin with training sessions at 4 p.m. at West Point High School. These sessions will cover such topics as directing change, public relations and leadership skills. These one-hour workshops will be followed at 5 p.m. by a general session led by NASB Executive Director Dale Siefkes, who will discuss the latest developments of the state's personal property tax debate and the impact on local school districts.

An evening dinner program, held at 7 p.m. at the West Point Veterans Club, will feature an address by NASB President Wayne Erickson, a board member from Wisner-Pilger, and NASB Region 11 Director Richard Wardell of Blair. The program will also feature the presentation of NASB's Awards of Achievement, which are presented to board members for their participation in professional development activities as a board member.

A visit to exotic places Tickets available for Northeast series

Tickets are still available for Northeast Community College's 1991-92 Travel Series.

United Way holds breakfast

Some of the area's large employers were hosted by Wayne State College and the United Way Board at an appreciation breakfast on Tuesday, Sept. 10, at the student center.

Information on last year's drive and what is needed this year to make the drive successful was presented by Julie Mash, chairman of the 1992 United Way campaign.

"The board encouraged all businesses in Wayne to participate in the United Way drive by making payroll deduction available and by providing information to employees on the importance of supporting agencies funded by United Way," Mash said.

Diane Mundahl, a United Way board member and employee at First National of Omaha Service

Center, demonstrated a presentation which she is available to give for any businesses desiring to inform their employees about the United Way.

This year's goal for the United Way is \$23,000. Twelve local non-profit agencies will benefit from this year's drive.

CERTIFICATION MEETING IN SEPT.

The Lower Elkhorn Natural Resources district is sponsoring a soil sampling certification meeting for fertilizer dealers and consultants on September 24 in Norfolk.

This meeting is required for dealers and consultants who plan to collect soil samples for the Lower Elkhorn NRD Soil Sampling Cost Share Program. This program encourages farmers to practice deep soil sampling and analysis as part of their total nitrogen management program.

Farmers are eligible for assistance up to 75 percent of the cost of deep soil sampling, analysis, groundwater nitrate analysis and fertilizer recommendations from the program as long as the person taking the soil samples has been certified by the Lower Elkhorn NRD.

During the certification meeting, extension soils specialists Ed Penas and Charles Shapiro will be discussing soil sampling procedures and techniques, university fertilizer recommendations, and soil sampler equipment selection.

Staff members from the Lower Elkhorn, Upper Elkhorn, and Lewis and Clark NRDs will explain the rules and procedures for each NRD's soil sampling cost share program.

The certification meeting will be held at Godfather's in Norfolk from 1:15 to 4:30 p.m. on Tuesday, September 24. Fertilizer dealers and consultants should contact the Lower Elkhorn NRD office in Norfolk by calling 371-7313 by September 18 if they are planning to attend. There is no charge for the meeting.

Study done by UNL

Survey offers glimpse of 4-Hers concerns

Results of a wide-ranging survey of 235 Nebraska 4-Hers provides University of Nebraska-Lincoln researchers a snapshot of the youths' private worries and actions.

Not surprisingly, most of these 4-Hers worry about their looks and popularity and complain their families don't understand them. Most also say they like school at least sometimes and plan to continue their educations after high school.

The confidential 165-question survey included questions about drugs and alcohol, sexuality, body image, self-esteem, eating behavior and safety. It was distributed earlier this year to seventh through 12th grade 4-H members across the state, said John Woodward, human development and the fam-

ily researcher, who headed the Nebraska Adolescent Health Survey.

Results will help NU Cooperative Extension personnel and others develop programs that target problems youth say they face.

Because of the relatively small number of youth surveyed, Woodward said, "I wouldn't say this is the whole picture of how all 4-H members feel. The participation is less than we had hoped for." However, it does reflect the concerns in this particular group of young people, he said.

Woodward, a long-time NU College of Home Economics researcher, said he is trying to arrange future surveys through the schools to obtain a broader cross-section of Nebraska youth.

Relatively little use of illegal drugs and alcohol was found in the group surveyed. Seventy-seven percent reported they never drink beer or wine; 86 percent never drink hard liquor; 98 percent never use marijuana.

Eighty-nine percent said they had never had sexual intercourse. Of those who did, 73 percent always used birth control.

Participants were from urban and rural areas, with about 77 percent living on a farm or in a town of less than 2,500; and 23 percent in larger towns or cities. Sixty-one males and 174 females participated.

One graduate student already has used the responses on sexual abuse as part of her master's degree thesis, and others plan to use

data in other ways. Nine females, or 3.9 percent of those surveyed, said they had been sexually abused, a figure lower than national estimates.

Survey results were compared with a larger Minnesota youth study conducted through schools. The Nebraskans' reported comparatively more depression and stress, more caring from their families and less substance abuse. Nebraskans were more education and goal oriented. Their worries and concerns, however, were similar.

An NU Cooperative Extension grant helped fund the research, which was conducted in cooperation with the Institute of Agriculture and Natural Resources' Agricultural Research Division.

Hansen gets Congressional Goldwater Scholarship

Joel Hansen has been awarded the Barry Goldwater Scholarship. The Goldwater Scholarship and Excellence in Education Program was authorized by the United States Congress in 1986 to honor Senator Barry M. Goldwater who has served his country for 56 years as a soldier and statesman, including 30 years of service in the U.S. Senate.

Joel Hansen

The creation of this program pays tribute to the leadership, courage and vision of Senator Goldwater and establishes in his name an endowed recognition program to foster and encourage excellence in science and mathematics.

Under the enabling legislation, the Barry M. Goldwater Scholarship and Excellence in Education Foundation is authorized to award undergraduate scholarships to eligible students for study in the fields of mathematics and the natural sciences as preparation for careers in these areas.

The awards will be made on the basis of merit to students who will be college juniors in the 1991-92 academic year and who have outstanding potential and intend to pursue careers in mathematics and the natural sciences. To be considered, a student must be nominated by his or her college or university. From among the candidates recommended by the university or college committee, the

Board of Trustees will name the Barry M. Goldwater Scholars.

Each scholarship will cover eligible expenses for tuition, fees, books and room and board, up to a maximum of \$7,000 annually. Scholarship recipients will be eligible for two years of support.

Joel is the son of Herbert and Margaret Hansen. He is a junior at the University of Nebraska-Lincoln majoring in mathematics. Scientist or research work are future career goals. Joel is a 1989 graduate of Wayne High School.

WAYNE - The Siouxland Blood Bank held a successful blood drive Thursday, Aug. 29. One hundred-eight donors volunteered 96 pints of blood were collected for those in need.

This is a new record for Wayne.

Defensive driving class to be offered in Norfolk

The Safety Council of Nebraska will be conducting a Defensive Driving Class on Sept. 21 in Norfolk at the Norfolk Police Department, 202 N. 7th, from 8 a.m. to 5 p.m.

This class is approved to grant a two-point credit on a person's

drivers license.

Interested persons should contact Captain Eugene Buss at 644-8700.

The Safety Council is a non-profit, non-governmental organization promoting safety as a way of life in Nebraska.

EPA to limit use of insecticide Dec. 1

Beginning Dec. 1, most sales of the insecticide ethyl parathion will be banned, according to a University of Nebraska-Lincoln pesticide impact assessment specialist.

The U.S. Environmental Protection Agency announced Sept. 5 that a settlement had been reached with those registered to sell ethyl parathion to voluntarily cancel most of its uses, Shripat T. Kamble said.

Ethyl parathion still can be sprayed on alfalfa, barley, canola, corn, cotton, sorghum, soybeans, sunflower and wheat, Kamble said.

The agreement calls for adhering to the restrictions below when spraying ethyl parathion.

- Aerial applications are banned if winds exceed 10 miles per hour.

- A closed system must be used for transferring the insecticide from a container to an airplane tank.

- No spraying can occur within 100 feet of water, public roadways and building and property lines.

- Crops sprayed with the insecticide must be harvested mechanically.

- Protective clothing must be worn for early re-entry onto fields treated with the insecticide.

- Ethyl parathion exposure involving workers, spray drifts or

death of birds and other animals must be reported.

Beginning Nov. 5, registered ethyl parathion dealers cannot sell the insecticide except for use on the nine specified crops, according to Larry Schulze, UNL pesticide coordinator. Starting Dec. 1, the ban on selling the chemical will apply to all other persons, Schulze said.

The EPA has agreed to allow ethyl parathion use on the nine field crops because its application possesses fewer threats to workers than it does on other crops, Kamble said.

Exposure to the insecticide is greatest during mixing and loading the chemical, during application and when re-entering treated fields.

Workers exposed to the toxic chemical can suffer from headaches, dizziness, loss of coordination, muscle twitches, tremors, nausea, vomiting, abdominal cramps, diarrhea and weakness.

In severe cases, ethyl parathion poisoning causes blurred vision, pinpoint pupils, chest tightness, breathing difficulty, sweating, watery eyes, drooling or frothing at the mouth and muscle spasms. The chemical can even induce a coma or cause death.

Good time to clean grain bins is now

Now is the time to clean and prepare grain bins for fall harvest to head off insect and spoilage problems later, a University of Nebraska-Lincoln entomologist said.

Steve Danielson said a number of steps should be taken now to protect corn, sorghum and soybeans. The first two involve good old-fashioned cleanliness. Combines, truck beds, augers and other harvest and transport equipment should be thoroughly cleaned of old grain and chaff. Bins should be cleaned with brooms and vacuum cleaners. New grain should never be put on top of old, Danielson cautioned.

For feed grains, all inside bin surfaces should be sprayed with premium-grade malathion, methoxychlor or Tempo insecticide at least two weeks before storage, the Institute of Agriculture and Natural Resources specialist said. The first two products should be applied to the point of runoff and all should be forced into cracks and seams.

Danielson noted that stored soybeans rarely are attacked by insects and few insecticides are labeled for use directly on soybeans. Dipel for control of Indian meal moths is an exception.

Grain going into the bins should be clean and dry. Surfaces should be leveled to reduce moisture buildup in high points, he said. Special care should be taken in handling grain from stressed crops because it is more easily damaged. Once stored, the grain should be

cooled and dried to reduce molds and insects, Danielson said.

A liquid or dust grain protectant should be applied as grain is augered into the bin, he said.

"Use either premium grade malathion or Actellic for corn and sorghum, or Reldan for sorghum," he said. "Power-spray applicators are better than drip applicators because uniform coverage is important for effective insect control."

After the grain has been leveled, topdress the surface with both Dipel and malathion. Alternatives are to use only Reldan on sorghum, or only Actellic on corn or sorghum, he said. Dipel works against Indian meal moths while malathion is needed for beetle control, he explained. Reldan and Actellic controls both types of pests, he said.

The insecticide should be worked into the top 4 to 6 inches of grain. If Indian meal moths have been a problem in the past, Vapona resin strips installed at one per 1,000 cubic feet of air space will provide extra protection, he said.

Danielson noted that label instructions always should be followed when diluting and applying pesticides. He also warned that soybeans should not be treated with anything by Dipel, and Reldan never should be used on corn.

Having been stored and treated, the grain should be inspected every two to three weeks for insects and other quality problems, Danielson concluded.

Development district holds Laurel meeting

The Northeast Nebraska Economic Development District will hold their regular board of director's meeting in Laurel on Wednesday, Sept. 18 at 6:30 p.m. at the Pistol Club. Featured speaker will be Dr. Robert Manley.

Dr. Manley recently accepted a consulting position with the Nebraska Department of Economic

Development to foster rural development.

Rick Noyes, executive director, said that other agenda topics will include broadening the base of support and membership of the district. By accomplishing this; there will be less duplication, better opportunities for rural development and improved coordination.

Winside Foundation holds fund raiser Saturday, Sept. 28

The Winside Scholarship Foundation is sponsoring a fund raising dance on Saturday, Sept. 28 in the village auditorium.

Dancing will be from 8 p.m. to midnight with Artie Schmidt and His Rhythm Swingers providing music. Admission will be \$3 per person, and Winside area residents attending are asked to bring sandwiches or bars for a cooperative lunch.

Persons wishing to assist at the dance are asked to contact Dianne Jaeger, 286-4504.

THE WINSIDE Scholarship Foundation was organized in 1990 to provide scholarships for continuing education of Winside High School graduates. The first recipient to receive a \$250 scholarship in May 1991 was Kelly Pichler of rural Winside.

Funds are received from cash gifts, memorials, codicils, special endowments, lifetime memberships and fund raisers. Foundation members hope to increase the number of recipients annually.

FUNDS raised from the Sept. 28 dance will be used to cover advertising and printing expenses for the foundation, while all gifts will remain for scholarships.

Persons wishing to make a direct donation can do so at the Winside State Bank, Carol Jorgensen, treasurer, or contact Ken Kollath, chairman, for more information.

Great Dane, Waldbaums on list

Department honors local employers

Great Dane Trailers in Wayne and the M.G. Waldbaum Company of Wakefield are being recognized this month by the State Labor Department for exemplary and unique employment practices. Nebraska Lt. Governor Maxine Moul and State Labor Commissioner Dan Dolan are scheduled to recognize Great Dane Trailers in a ceremony Tuesday morning.

The Nebraska Department of Labor, as part of its September Labor Celebration, is recognizing businesses across the state who have made noteworthy contributions to Nebraska. Ninety-three Nebraska businesses will receive certificates from the Nebraska Labor Department in recognition of exemplary or unique employment practices.

Labor Commissioner Dolan will personally present certificates to 50 representative businesses at plant sites throughout the state. Lt. Governor Moul is participating in the awards ceremony in Wayne.

Presentation ceremonies are scheduled beginning Sept. 9.

The Labor Department's "Labor Celebration" includes a variety of activities scheduled during September intended to create awareness of the contributions made by working men and women to the prosperity, welfare and economic stability of Nebraska. Special recognition of Nebraska businesses is a vital part of the celebration, Dolan said, because forward look-

ing employment practices found in many Nebraska businesses are an important part of building and keeping a skilled work force.

The Department is recognizing employers who have taken leadership roles in addressing, compensation practices, workplace safety, employment of older workers, flexible scheduling, dependent care, participatory management, diversifying product lines and encouraging cultural diversity.

The Labor Department intends to summarize exemplary employment practices in a booklet scheduled for release in mid-October. "Most Nebraska businesses have some very positive examples of good employment practices to share," Dolan said. "Identifying, for example, companies which have successfully used flexible scheduling will enable other businesses to build on those good employment practices to the benefit of both workers and Nebraska business."

Care Centre seeks approval

On Tuesday, Sept. 10, the Boyle Company, Inc. of Sioux City submitted an application for a certificate of need for the replacement of the Wayne Care Centre.

The certificate of need asks the state for permission to replace the current 94-bed facility with a 104-

bed facility. Review of the proposal began Sept. 11.

The Nebraska State Department of Health will make a decision on this application at a public hearing Sept. 25, beginning at 9 a.m. The purpose of the meeting is to receive comments on this pro-

NATIONAL FARM SAFETY WEEK

Protecting children emphasized

Protecting children from safety hazards on the farm will be emphasized during Nebraska's observance of National Farm Safety Week Sept. 15-21, according to a University of Nebraska-Lincoln safety specialist.

"These young people have to be watched," said Rollie Schneider, Institute of Agriculture and Natural Resources safety specialist. "These accidents just tear the families apart. After these things happen, they are remorseful for the rest of their lives."

Of 22 farm-related fatalities so far in 1991, four involved people younger than age 16. Since 1969, 184 children 16 years of age or younger have died in farm accidents. Nearly one in four farm accidents in Nebraska involve the death of a child.

To spread words of safety during the 48th annual observance of farm safety week, officials are sending information to Nebraska media about farm safety issues, Schneider said. More than 200 stories about farm safety are expected to be published during the week in Nebraska newspapers including some entire special sections devoted to farm safety, he said.

Farm safety also will be the topic of meetings in vocational agriculture chapters during the week, Schneider said.

Efforts by farm officials to pro-

mote safety at the workplace have paid off, especially among younger farmers and ranchers who have been taught farm safety through 4-H Clubs, Farm Bureau youth groups, the Nebraska Agricultural Youth Institute and FFA, Schneider said.

About 24,500 future producers ages 14-15 have received farm safety education in Nebraska since 1968, he said.

As a result, the average age of farm accident victims has risen in recent years, Schneider said. Older farmers and ranchers are more likely to engage in unsafe farm practices because they lack the farm safety education of their younger counterparts, he said.

Tractor cabs have also reduced the number of farm deaths and injuries. Between 17 and 30 farmers a year died from tractor overturns or being thrown from tractors from 1965-1973. From 1980-1990, the range dropped to five to 13 deaths a year.

"With cabs on tractors, about 300 fatalities would not have occurred (since 1969)," Schneider said.

Farm safety is especially important during the harvest months of September and October, traditionally the deadliest months of the year on Nebraska farms, he said.

PRODUCTION WORKERS

IBP currently has good jobs for qualified applicants at its West Point, Nebraska, beef plant.

Experience is desirable, but not required. Successful applicants must have a good work history, appropriate physical qualifications and a strong willingness to work. We will train.

And as a new incentive for entry level workers, we have created a "QUICK START" program to allow qualified employees to bypass the starting rate progression to \$8 per hour plus skill pay.

Benefits include:
*A starting wage of \$6.65 per hour with .20¢ increases each 90 days until a base of \$8 is reached. Qualification for QUICK START means immediate progression to \$8 plus skill pay.

*Paid Holidays/Vacation
*Guaranteed 40 hour work week
*Outstanding medical benefits package
*Savings and retirement
*Opportunity for advancement
