Subscription renewals are now due

AREA - Wayne Herald subscribers who receive subscriptions by mail are reminded that renewal payments are due Sept. 25. Customers who previously received renewal notices by mail will not get a notice in the mail. This is the second of two reminders subscribers will see printed in The Wayne Herald during September. Customers who receive their newspaper by mail can find when their subscription runs out by locating the date next to their name on the white address label on the newspaper. For instance, if the renewal date appears: John Doe, Oct. 1, 1991, it means that your subscription runs out with the last newspaper date in September, which is Monday, Sept. 30. To avoid missing any issues, customers are asked to pay by Sept. 25. The annual cost for subscribing to The Wayne Herald is \$25 for residents of Wayne, Pierce, Cedar, Dixon, Thurston, Cuming, Stanton and Madison counties. In state, prices are \$28 per-year and out-of-state is \$34 per-year. For more information about subscriptions, contact The Wayne Herald at 375-2600 or toll-free at 1-800-672-3418.

VERN AND JAYLYNN STEELE WATCH with a friend as their new home gets taken down a country road east of Carroll Tuesday. The home, which was formerly in Wayne, will be used to provide a boarding house for retired farmers. The new business is expected to be opened sometime next year.

Steeles have big plans

By Mark Crist
Managing Editor

Vern and Jaylynn Steele wanted a home with personality and character. That's exactly what they got. The Steeles purchased the home formerly located at the corner of 4th and Pearl Streets in Wayne. On Tuesday, the home arrived at its new residence, about five miles west of Carroll. If you think moving the old two-story home seemed like a major task, the Steeles have big ideas for it. In addition to making it their permanent residence, they plan to make it into a home for retired, elderly farmers who aren't yet ready to enter a nursing home. The name of the care facility they plan to open is Serenity Corner Supervised Care. "We both love country living and this will provide a rural community to those who want to take advantage of it," Vern said. "We thought the two (residence and family home) would work well together."

THE STEELES, who purchased the land they live on three years ago, said this is the fifth home they have done extensive work to. The first home they remodeled was the first one they owned in Bayard, Neb., which was Vern's father's home. Believe it or not, but it was an old sod house. The reason they have an interest in relocating the old home from Wayne is because it will offer all the things they're looking for. Before moving to Wayne, the couple ran a rest home facility in Spearfish, S.D., which had 13 residents and this is an offshoot of that, except in a serene country setting. "When people hear we're doing this, they feel there's a need for it," Jaylynn said. "We've had a lot of

support from friends and acquaintances." While the idea of an independent care facility of this sort is somewhat uncommon to the Wayne and Carroll area, it is commonplace around Spearfish, Vern said. The couple said they will provide care primarily for the elderly, geared for retired farmers who don't want to move into town. In addition to relocating the house, they plan to add a sunroom onto it for when they house their residents. They also plan to set up a woodworking and mechanics shop, so the elderly they care for will have a place to work on such things as Model A cars or antique model tractors.

WHILE SUCH a project may seem overwhelming, the Steeles say they're ready to tackle the challenge. Vern said he's always enjoyed doing renovation and restoration work and Jaylynn majored in interior decorating in college, although she has worked as a certified care member for the past 18 years. Currently she is employed at the Nebraska Veteran's Home in Norfolk and Vern works at Great Dane and Pac 'N' Save. Most of the work they expect they will have to do to the home will be restorative work. They plan to restore the structure to its original form, not only on the outside, but the inside, as well. The furnishings will be the same styles that were used 80 to 90 years ago and they plan to use an old gas stove for cooking. "We love this," Jaylynn said. "There's a need for the transition between the home environment people make when they retire and there's a need for a home that's not as structured as a nursing home. "That's what it will be. It will be a normal home, not a nursing home. It's almost like adopting grandparents. Some people might call it a boarding house."

United Way helps Haven House aid abused

EDITOR'S NOTE: This is the first of three articles about organizations supported by the Wayne United Way.

By Mark Crist

Veronica wanted out of the abusive relationship she had with Barney but seeing limited options, she almost wound up allowing her husband to kill her. Veronica is one of many women who face similar dilemmas. According to researched Haven House materials, Barney showed all the signs that he was about to break. If he didn't kill Veronica, the emotional and physical scars he would inflict on her would mar the rest of her life. This is one of the situations Haven House volunteers see when it takes in victims of domestic abuse and sexual assault. Despite having a willingness to assist victims of domestic crimes, Haven House Director Sara Campbell says dealing with situations is often frustrating. Veronica, which is not the real name of an actual victim, had been

physically abused for eight years. One night, after her husband came home from a local pub, Veronica finally grew weary of the abuse Barney was inflicting and called the police. Barney, also, is a pseudonym for the abuser.

"YOU CAN SIT there and ignore all this ... but what is it going to take?" Campbell asks. "Is it going to take a woman getting murdered before people will wake up and take seriously the threats and violence that's happening in our communities?" In Veronica's case, Barney came home drunk and threatened to rape her. After calling the police and being taken into protective custody, Veronica was referred to Haven House. After counseling, she decided she didn't want to press charges against her estranged husband. That decision led to a number of other decisions Veronica would have to face. The next step Veronica took was to file a protection order against her husband. After tracking down a judge and having the protection order served, Veronica applied to live in low-income housing

until she could get back on her feet. Believing that telling her landlord she had a protection order against her husband would help her, the landlord denied her rental application because he didn't want any trouble. The only option Veronica felt she had left was to return to the abusive situation.

"ONCE A woman leaves, the batterer loses control and may take drastic measures to keep her from having a life," Campbell says. "If a woman leaves an abusive situation, it's easy for the man to claim he's the victim, because he claim 'she left me.' If he can put himself in the victim's role, people will feel sorry for him and not her." According to national statistics, a woman is at 75 percent greater risk of being injured or murdered after leaving abusive relationships. In Barney's case, all the signs were present that he would intentionally injure Veronica. "People hear only one side of the story because the victim is usually too afraid to broadcast what's happened," Campbell says. "If the abuser can turn all the sup-

Conway sets hearing dates

Senator Gerald Conway, chairman of the Government, Military and Veterans Affairs Committee, has announced that interim hearings for priority legislative resolutions will be held on Oct. 17 in Wayne at the Wayne City Council chamber at 1:30 p.m. and on Nov. 9 and Nov. 16 in Lincoln at the state capitol building in room 1507 at 9:30 a.m.

Sen. Gerald Conway

Priority interim study resolutions on the agenda for the public hearing in Wayne include: LR 80; LR 81; LR 117; and, LR 138. Resolutions placed on the agenda for the Nov. 9 hearing in Lincoln are LR 79, LR 80, and LR 81. Resolutions placed on the agenda for the Nov. 16 meeting at the state capitol are LR 67, LR 136 and LR 169. Conway, R-Wayne, said the interim hearings are an integral part of the legislative process and expects the meetings to be well attended. "The hearings," he said, "provide public time, opportunities for citizen input and comments on possible legislation."

THE SUBJECTS of the legislative resolutions are: LR 67, review cur-

rent statutes relating to use of government property by public officials and state employees; LR 79, uniform publication law; LR 80, election laws; LR 81, Iowa study on the merger of county and city governments; LR 117, limiting terms in office for elected officials; LR 136, prison privatization; LR 138, utilization of state fairgrounds buildings by governmental entities; and, LR 169, review the administrative procedure act. Interim study resolutions not assigned a priority designation will be dealt with in-hour, as time permits, utilizing the government, military and veterans affairs committee staff and the staff of introducers.

Claussen uncertain as insurers bicker

By Mark Crist
Managing Editor

With insurance companies bickering over who will pay for damages in the Geno's Steakhouse fire Sept. 6, Wayne businessman Gene Claussen said he is uncertain what he will do. Last week inspectors condemned the top level of the building. According to Claussen, the main floor appears safe but he's uncertain what he will do with the business. "I just haven't made up my mind," Claussen said. "I did look into The Lumber Company for my son and daughter but I don't plan to move into there." Gene's son is Dave Claussen and his daughter is Julie Nelson. They both assisted their father with the operation of the steakhouse. Claussen also said he wants to dispel any rumors that he will relocate the steakhouse to what was the Wagon Wheel in Laurel. "That's not true," he said.

THIS WEEK, insurance inspectors from Royal Insurance and Northeast Nebraska Insurance Agency have been continuing their investigations to determine the cause. According to Donald Randolph, a special investigator with Royal Insurance, the cause of the fire is still in question. He said he is uncertain whether the cause of the fire was sparks from a rag used by a worker with Western Roofing of Norfolk. Western Roofing is represented by Royal Insurance. According to Fire Marshal Curly McDonald, a rag was accidentally set on fire when a roof worker went to light a cigarette. Sparks from the rag ignited highly combustible insulation in the roof, which resulted in the blaze. "To be fair about this, there has to be some more scrutiny," Randolph said. "The electrical system has not been eliminated. There are also other things of consideration which haven't been addressed." The Royal Insurance investigator added, however, that he has been impressed with the Wayne Volunteer Fire Department. "In the 13 years I have been an investigator, I haven't seen a volunteer fire department with the professionalism as this one," he said. "I've never come across a department with this much professionalism and this well equipped as the one Wayne has."

IN THE meantime, Claussen said it will take three to four weeks before a settlement is reached with his insurance carrier. He said at that time he will have a better idea whether he will try to reopen the steakhouse or whether he will demolish the building. He said the fate of the building lies with what happens with Western Roofing's insurance carrier. "It could take an indefinite amount of time before a settlement with Royal is reached," he said.

In the first instance, the batterer's perception of ownership is threatened, which leads to threats. In this example the batterer believes in "death before divorce," Campbell says. Threats of homicide or suicide is the second phase. The batterer who threatens to kill the victim, himself or the children must be considered extremely dangerous. Another phase is when the batterer has fantasies about homicide or suicide. The more this happens, the more dangerous it gets, Campbell says. Obsessiveness about a partner or the family is the fourth phase seen in batterers. The batterer who is obsessive about his female partner, who either idolizes her and feels that he cannot live without her or believes he is entitled to her, her services, loyalty and obedience, is life-threatening. A batterer who loses all hope of a positive future without the victim, may choose to kill you, Campbell says. Depression is the sixth sign of danger. Research shows that many

The 1991-92 elected officers of National Honor Society were announced and include Katy Anderson, president; Shanna Schroeder, vice president; Lori Eckhoff, secretary-treasurer; and Christi Carr, Student Council representative.

Kimberly Fischer bride of Glenn Sines in outdoor ceremony in Wisconsin

Kimberly Fischer and Glenn Sines of Minneapolis, Minn. exchanged marriage vows in an outdoor ceremony at 4 p.m. on Aug. 24.

The Rev. Ladonna Benes performed the rites at the rural Viroqua, Wisc. home of the bridegroom's parents, Jerry and Kay Sines.

The bride is the daughter of Melvin and Margaret Fischer of rural Emerson.

FOLLOWING the professional, Kitty Soderberg, sister of the bride, read a favorite passage and Scott Laurent provided vocal and instrumental music.

Honor attendants were Kim Laurent and Steve Prezyk, both of Minneapolis.

Bridesmaids were Torii Miller of Minneapolis and Karen Fischer of Milwaukee, Wisc., and groomsmen were Dan Hoffman and John Gulbrandson of Minneapolis.

Ushering guests into the church were brothers of the couple, Devon Fischer of Omaha, Dwight Fischer of Des Moines, Iowa, Craig Sines of Madison, Wisc. and Capt. Scott Sines of Sacramento, Calif.

FOR HER marriage, the bride

chose a long ivory lace gown with a beaded bodice, off-the-shoulder neckline, puffed sleeves and scalloped hemline.

Her long veil fell from a circlet of silk roses and petals, and she carried a crescent-shaped bouquet of colorful summer flowers centered with ivory roses.

The bride's attendants wore off-the-shoulder dusty rose tea-length dresses. Each carried an arm bouquet of wild flowers and tea roses accented with Queen Anne's lace.

The bridegroom and his attendants were attired in black tuxedos with ivory shirts.

AN OUTDOOR reception honored the couple following the ceremony. Kerry Waller of Holdrege, sister of the bride, was in charge of the guest book.

Denise Fischer of Omaha and Alice Sines of Sacramento cut and served the wedding cake and Jeanne Larson served punch.

The newlyweds honeymooned at Two Harbors, Minn. and the Michigan Upper Peninsula. They are making their home at 1426 Monroe St., NE Minneapolis, Minn., 55413.

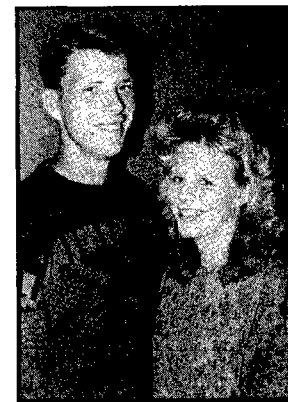

Engagements

Jensen-Stock

Norm and Mary Jensen of Winside and Wayne and Sharon Stock of Murdock announce the engagement and approaching marriage of their children, Lori Jensen and Steve Stock, both of Lincoln.

The bride-elect is a graduate of Winside High School and attended the University of Nebraska-Lincoln for two years. She is a nursing assistant at Madonna Rehabilitation Hospital in Lincoln. Her fiancé graduated from Murdock High School and is employed by Town and Country Masonry. Both are in the Air National Guard.

The couple plans an Oct. 26 wedding at St. Paul's Lutheran Church in Winside.

UMW officers installed in candlelight ceremony

Delva Coffey of Randolph, district officer of Christian global concerns, was a guest at the Sept. 11 meeting of Wayne United Methodist Women and installed the new officers for 1992 in a candlelight ceremony.

The 1992 slate of officers was introduced by Mary Wax, nominating committee chairman, and includes Norma Ehlers, president; Marjorie Porter, vice president; Dola Husmann, secretary; Doris Stipp, treasurer; Gerelda Lipp, chairman of the committee for nominations; Dorothy Hubbard, mission coordinator of Christian personhood; Jeanette Geiger, Christian social involvement chairman; Della Mae Preston, Christian global concerns; Margaret McClelland, supportive community; Roberta Welte, committee of membership; Marjorie Summers, secretary of program resources; and Julie Myers, secretary for financial interpretation.

A salad luncheon was served by the Naomi Interest Group.

MARJIE PORTER was in charge of the September birthday table which honored Amy Lindsay, Thelma Day and Marjorie Summers. Dorothy Hubbard presented each with a corsage for missions.

Mildred Jones discussed Singapore in her missionary minutes.

Jan Kohl led devotions and presented the program, entitled "Magic Pennies." A film, "Who Speaks For the Children?" was shown and depicted problems that single mothers have making money stretch and trying to improve their qualifications to acquire better paying jobs.

Pledge cards for mission work were handed out and the pledge statement was read in unison. The program closed with a prayer for the needs of children.

MEMBERS were reminded of upcoming events, including the United Methodist Church annual conference meeting at Beatrice on Oct. 25-26 and the officer training workshop at the Tilden United Methodist Church on Nov. 4 from 1 to 3 p.m.

Wayne United Methodist Women are invited to guest day at the Carroll United Methodist Church on Sept. 25 at 2 p.m. The next meeting of Wayne United Methodist Women will be guest day on Oct. 9. The devotions and program will be presented by Becky Wilson.

The dessert committee will be the Theophilus Interest Group with Sally Dahl, Frances Nichols, Donna Hansen, Kyle Rose, Cyndi Wagner and Evelyn Hamley furnishing additional food.

Libraries prepare to computerize

TEN LIBRARIANS FROM Wausa, Schuyler, O'Neill, Hartington and Wayne took part in a training workshop conducted Sept. 10 at Wayne State College. The day-long workshop dealt with automating circulation and was conducted by representatives of Follett Software Co. Pictured during the training are Wayne Librarian Sue Buryanek, at right, and assistant Dorothy Stevenson. The Wayne library was among 37 public libraries across the state to receive a Library Services Construction Technology Grant to automate their circulation. The grants include funds for computer software, hardware, training and supplies. According to Kathy Tooker, Eastern Library System Administrator, local libraries will provide half the funding for the matching grants at a savings of approximately \$38,000. Tooker added that it may be several months before the libraries are fully automated because of the time involved in entering the data.

Turnovers cost Winside in loss

The Winside Wildcats football team fell victim to big plays and self destruction Friday night in a 52-30 loss against Coleridge in Winside. The Wildcats suffered their first loss of the season while Coleridge improved to 3-0.

Winside came out fired up and held Coleridge on the first possession forcing a punt which Jason Magwire blocked through the endzone for a 2-0 lead. Following the free kick from Coleridge, Winside marched down the field and scored on a five yard pass from Cory Jensen to John Hancock to go up 9-0 following Jeremy Bruggeman's point after.

Coleridge then went on a 30-0 scoring spree before Winside scored again. The visitors scored on runs of 10 and 11 yards and on passes of eight and 34 yards. Winside then scored on a 47 yard pass from Jensen to Hancock to cut the margin at 30-17 late in the second quarter.

Winside suffered a late turnover in the second quarter which led to a three yard touchdown for the Bulldogs to give them a 38-17 halftime edge. In the second half Winside scored on a 33 yard pass from Jensen to Hancock to make it 38-23 but Coleridge scored the next 14 points on passes of 10 and 12 yards to lead 52-23. Winside's final score came on a nine yard run by Benji Wittler. Bruggeman's point after closed out the scoring.

"We just plain gave up too many big plays on defense and we turned the ball over nine times,"

coach Randy Geier said. "Against good teams like Coleridge you can't afford to beat yourself with mistakes and that's what we did."

Coleridge had 13 first downs in the game compared to 12 for Winside. The Wildcats gained 143 yards on the ground in 38 carries while the visitors had 146 yards on 42 carries. Jensen was 4-12 in the passing department for 88 yards and three touchdowns. He was also intercepted four times.

Coleridge was 5-17 in passing for 82 yards and three touchdowns which gave Winside a 231-229 total yard advantage. Marcus Stueckrath led the team in rushing with 61 yards on 20 carries while Kyle Frederick had 40 yards on three carries.

Hancock caught three passes for 85 yards and three touchdowns. Trevor Topp was the defensive leader with 11 tackles while Hancock had 10. Frederick finished with nine stops and Jason Krueger had seven.

"Coleridge really did a nice job of coming back each time we gained the momentum," Geier said. "They have a nice football team and they are always well coached. I also think though, that we found out a lot about ourselves in the fact we never gave up with a young team."

Jensen incidentally, played at about 80 percent health according to Geier following an ankle injury in the first game of the season. The Wildcats will travel to play a very strong Osmond team on Friday.

Field position keys Wayne loss

The Wayne Blue Devils football team fell to 0-3 on the season Friday, dropping a 30-14 decision to Grand Island Central Catholic in Wayne's first road game of the year.

Field position turned out to be the key factor in Wayne's demise as Central Catholic scored on four possessions where the longest drive was less than 50 yards including one touchdown drive that went just 24 yards.

Wayne did take a 7-0 lead when Jack Swinney intercepted a pass and rambled 35 yards for the score. Jason Fink converted the point after. In the second quarter it appeared that Wayne would take a 7-0 lead into the locker

room at intermission when GICC scored 10 points in the final 1:23.

The first score came on a 24 yard touchdown pass and then with just seconds remaining they booted a 33 yard field goal for a 10-7 lead at the break.

GICC scored on a one yard quarterback sneak in the third quarter before Wayne quarterback Regg Barnes hooked up with Bobby Barnes from 12 yards out to make it a 17-14 contest.

In the fourth quarter however, GICC scored on runs of three and 11 yards to account for the final outcome of 30-14.

"We didn't do a very good job of tackling," Wayne coach Lonnie Ehrhardt said. "The wind was a

tremendous factor when we were going into it and we just couldn't keep GICC from having great field position all night."

Ehrhardt said his team needs to keep working on the fundamentals during practice because the schedule doesn't get any easier as they travel to David City Friday to play Aquinas.

"The momentum of the game switched back and forth several times," Ehrhardt said. "They (GICC) just converted on more opportunities than we did. It was just one of those things."

There were no statistics available at press time due to the late hour the team returned from Grand Island but it was known that

Carnes was 10-26 in passing for 101 yards with two interceptions and one touchdown.

Barnes caught four passes for 57 yards and a touchdown while Kyle Bensen caught three passes for 25 yards. Brian Brasch, Jack Swinney and Tim Reinhardt each caught one.

Swinney and Jason Fink each recorded an interception and Barnes recovered a GICC fumble.

Jim Murphy was Wayne's leading rusher with 16 yards on eight carries while Bensen ran seven times for 10 yards.

Defensively, Matt Metz and Mike Zach were recognized for their efforts but complete defensive stats were not available.

Wayne gains big win over Pierce

The Wayne volleyball team improved its season record to 5-2 with a straight games victory over Pierce in Pierce Thursday night, 15-6, 15-13. "Pierce is a tough place to play," Uhing said. "They do a good job of getting the crowd into the game which makes it even tougher for opposing teams."

Uhing said the Blue Devils were in complete control in the first game which was aided by a 6-1 start. "We were ahead the whole game," Uhing said. "I believe it was one of our better passing nights of the year."

The second game was much closer however as both teams went back and forth before Wayne broke a 10-10 tie and jumped out to a 14-10 margin. "Pierce held us on a couple match points but we finished the match out with an ace serve," Uhing said.

Wayne was very successful in the serving category as they broke the 90 percent success mark on 49-54. "We broke 90 percent in serving which is one of our goals each match," Uhing said. "We also want to have a two-to-one ratio in aces to errors and we managed to do that as well."

Danielle Nelson led the Blue Devils in serving with seven points and four aces while Erin Pick had seven points and two aces. Nelson was also the leader in setting with nine set assists while Angie Thompson finished with five set assists.

Wayne had good balance in the hitting department with Erin Pick leading the way with five kill spikes while Liz Reeg and Kristine Swanson had four kills apiece. Nelson finished with three kills.

The Blue Devils also had a good night in the blocking category as Erin Pick finished with five ace blocks and Angie Thompson finished with three ace blocks.

The Wayne "B" team handily won over Pierce in straight games, 15-1, 15-11 as Teresa Witkowski led the way with nine points. Molly Melena finished with five points. The "C" team however, lost despite winning the first game, 17-15, 7-15, 4-15. Molly Melena led the team with 12 points.

The 5-2 Blue Devils will get another stiff test on Tuesday as they travel to Norfolk to take on the ninth rated Class A Panthers.

Allen volleyballers up record to 5-2

The Allen volleyball team traveled to Emerson Thursday night and defeated the host Lady Pirates in three games, 11-15, 15-4, 15-4 which upped the season record to 5-2.

Head coach Buffy Romshek said her squad did a poor job of serve receive in the first game which meant that the setting wasn't as good because the setters weren't getting good passes from the return of serve.

"In the second game we really got it going," Romshek said. "We were in control from then on out." One thing Romshek was very pleased with was the serving by her Eagles as they surpassed the 90 percent success mark for the first time this season.

Christy Philbrick was a perfect 18-18 in serving with four aces while Cindy Chase was 14-14 with four aces. Denise Boyle also had a perfect night from the service line with a 10-10 outing that included

two aces. Christy Philbrick did the setting for the Eagles and she finished with a 60-70 success mark with 18 set assists. Cindy Chase was 20-23 in spiking with six kill spikes while Denise Boyle was 17-21 with five kills. Denise Boyle led the team in blocks with one.

"After the Ponca match the other night we really needed to work on serving," Romshek said. "I was pleased with the way the girls responded at Emerson."

The Allen "B" team and the freshman team made it a complete sweep of Emerson Thursday night with the "B" team winning 8-15, 15-7, 15-6 and the freshman won 11-6, 11-6.

The Eagles will host a triangular with Beemer and Winnebago Tuesday. Allen will play against Winnebago first and then against Beemer while Beemer and Winnebago play the final match.

Wakefield improves to 3-0 with 38-17 victory

Dennis Wilbur's Wakefield Trojans football team took advantage of an opening kickoff fumble by Plainview Friday night in Wakefield, scoring a touchdown from the visitors mistake which helped propel the Trojans to a 38-17 win and a 3-0 start to the season.

Anthony Brown plunged over from two yards out and with Matt Stanton's point after Wakefield led 7-0 just 1:34 into the contest.

Plainview however, didn't give up as they tackled Wakefield punter Brent Oetken in the endzone for a safety to make it 7-2 halfway through the opening period.

Wakefield forced Plainview to punt following the free kick off the safety and Wakefield needed just one play to score a touchdown as Anthony Brown scampered 86

yards to make it a 13-2 lead after one quarter.

Plainview did take a 17-13 lead in the second quarter after scoring runs of three and five yards but Thad Nixon scored from one yard out with 13 seconds left before the intermission to give Wakefield a 19-17 lead at the break.

The second half proved to be all Wakefield as they scored two one yard runs by Anthony Brown and on a one yard run by Marcus Tappe. Wakefield led 26-17 after three before winning by 21.

"It wasn't a real pretty win," Wilbur said. "We had entirely too many penalties which kept one Plainview drive alive." Wakefield finished with 19 first downs compared to 14 for Plainview. The Trojans rushed for 339 yards and Tappe was 2-3 for 56 yards through the air.

Plainview rushed for 94 yards and passed 9-19 for 82 yards. The Trojans won the total yardage battle, 395-176. Anthony Brown led the rushing attack with 190 yards on 23 carries and four touchdowns. Thad Nixon had 97 yards on 21 carries with a touchdown and Pat Jepson had 22 yards on six carries. Brandon Benson added 21 yards on three carries.

Aron Utecht caught one pass for 38 yards and Jepson caught the other for 18. Defensively, Wakefield was led by Ben Dutton and Thad Nixon with 12 tackles apiece while Larry Johnson had 11. Brown and T.J. Preston had seven stops while Aron Utecht had six and Jon Johnson had four. Utecht and Joe Kucera each recovered a fumble.

Wakefield will celebrate homecoming against Laurel Friday.

Golfers finish ninth in Blair

The Wayne girls golf team traveled to take part in the Annual Blair Invitational Friday and Dick Metteer's team finished ninth in the 10 team field.

Blair captured its own meet with a 364-37 strokes ahead of runner-up Wahoo with a 401. Columbus Scotus was third with a 425 and Stanton was fourth with a 434. Syracuse rounded out the top five teams with a 450 as they edged sixth place Gretna by one stroke.

Ashland finished seventh with a 458 and Plattsouth edged

Wayne for eighth place by one stroke with a 496. Following the Blue Devils 497 was Elkhorn with a 550.

There was no Wayne girls in the top 10 on the individual medal list but Christi Carr led the Blue Devils with a 116. Kim Liska followed with a 125 while Lisa Casey carded a 126. Lana Casey scored a 130 to account for Wayne's total of 497.

Medalist went to Melinda Horky of Blair who finished with an 84 while runner-up was Stanton's Joy Dubsky with an 86. Jayme Brown of Blair was third with a 91 and Laura

Knight of Blair was fourth with a 92. Kara Jeppson of Wahoo was fifth with a 94 and Wahoo's Heather Horsham was sixth with a 95.

Robin Tucker of Blair was seventh with a 97 and Amy Boan of Ashland was eighth with a 101. Rounding out the top 10 were Theresa Halbasch of Syracuse and Carrie Horsham of Wahoo with 104's.

Wayne will travel to play Stanton in duel action on Tuesday at 4 p.m.

Trojans spikers win

Paul Eaton's Wakefield Trojans defeated Wausa in Wakefield Thursday night after three games, 15-12, 8-15, 15-9. The victory improved the Trojans record to 3-2.

"Wausa has a pretty good team," Eaton said. "They came in here with a 3-1 record with their only loss coming against Bloomfield."

Lisa Blecke led the winners in serving with a perfect 16-16 outing with three aces. Kristen Miller was

11-12 with six aces and Heather Gustafson was 7-7 with three aces.

One of Wakefield's strengths this year is the setting department as Kristen Miller and Kathy Otte combine to lead the offense. Against Wausa Miller was 39-41 with 14 set assists while Otte was 39-43 with 12 assists.

Lisa Blecke led the Trojans in spiking the ball as she successfully hit 31-37 with 13 kill spikes. Sarah

Salmon was 13-17 with six kill spikes and Danielle Fallesen was 13-18 with four kills.

Salmon also led the Trojans in blocks with six, including three aces. "We still seem to be having trouble with consistent serving," Eaton said. "We feel we need to be above the 90 percent mark to be successful and we have been averaging in the mid 80's."

The Trojans will host Hartington on Tuesday.

Local standouts on Northeast squad

Former Winside volleyball standout Shannon Holdorf and former Wayne standout Teresa Ellis are members of the Northeast Community College Hawks volleyball team this season under head coach Judi Faunce.

A recruited class of 10 newcomers including Holdorf adds additional power balance and setting depth, and a primary goal for the season will be front line defense and improving back row execution, according to Faunce.

"Playing up to our potential as a team will be a must this season," Faunce said. "I know every sophomore will have the vision of last year foremost in their minds when we begin our season. It will be our responsibility to help the freshman catch that vision."

Holdorf is the daughter of Randy and Joni Holdorf while Ellis is the daughter of Ted and Cleo Ellis.

WSC athletic honor roll announced

WAYNE-Sixty-eight Wayne State College student-athletes earned grade point averages above 3.0 on a 4.0 scale for the spring semester, according to WSC Athletic Director Pete Chapman.

Twenty-eight student-athletes were recognized as Presidential Scholar Athletes for lettering in a spring varsity sport and maintaining above a 3.2 grade point average.

"We are striving for athletic success while maintaining our academic integrity," Chapman said. "Our student-athletes seek academic as well as athletic success at Wayne State College."

The academic year in review shows 169 student-athletes with 3.0 or higher grade point averages, including 44 Presidential Scholar Athletes, and eight students with perfect 4.0 averages.

Sophomore baseball pitcher Bill Guenther (Crofton) headlined the list with perfect GPA's in both the fall and spring semesters. Guenther led Lenny Klaver's 26-25 baseball team with four saves last spring.

Other students with perfect GPA's in a semester were Tom Bardley (Sr., track, Monroe), Norma Berg (Sr., basketball, Martindale, MT), Phil Chvala (Jr., track, Stuart), Megan Dolesh (So., softball, Norfolk), Jeff Gohr (So., baseball, Omaha), Bill Heimann (So., football, Fremont), and Gerard Ras (So., basketball, Netherlands).

WSC scholar athletes named

WAYNE-Mark Wewel and Lucy Peter were recently named Wayne State College male and female Scholar Athletes of the Year, according to WSC Athletic Director Pete Chapman.

Peter, a junior mathematics major from O'Neil, earned National Association of Intercollegiate Athletics academic all-America honors for the Wildcat track and field team last spring. Peter finished 28th of 36 competitors in the marathon at the NAIA national track and field championships last May in Stephenville, Texas.

Wewel, a senior biology major from Creighton, was a four-year starter for the Wildcat baseball team. He was a two-time all-district selection and finished his career with a .349 batting average (159-456), 27 doubles, 12 home runs, and 101 runs batted in.

WSC pair become certified

WAYNE-Former Wayne State College student trainers Kevin McDonald, (Oto, IA) and Kurt Schmoldt, (Tilden) were recently certified by the National Athletic Trainers Association.

They are the first WSC student trainers to become NTA certified since 1987. Certification requires a 1500 hour internship, a college degree, and passing the NATA certification exam.

McDonald, a 1986 graduate of Anthon-Oto High School, completed his degree in exercise science with a minor in athletic training from WSC in 1991. He interned last summer with the United States Swimming International Center for aquatic research at the Olympic training center in Colorado Springs.

McDonald is currently attending physical therapy school at Middle Tennessee State University while working at the Bone and Joint Clinic in Nashville, under former Wayne State trainer Regg Swanson.

Schmoldt, a 1984 graduate of Tilden High School, completed his physical education teaching degree from Wayne State in 1989. He student taught at Neligh High School and is currently a graduate assistant trainer at Fort Hays State University in Hays, Kansas.

Golf champions crowned

WAYNE-The finals of the Men's League Tournament were held Wednesday at the Wayne Country Club with the team of Larry Wingett, John Anderson and Carl Vollers winning over Chuck Surber, Gerald McGath and Gary Wright.

The winners won 3.5 points compared to 2.5 for the runners-up. In the consolation finals the team of Kip Bressler, Byron Heier and Jack Hausmann defeated the team of Jason Racely, Merlound Lessmann and Paul Roberts.

Wayne golfers defeated

WAYNE-The Wayne girls golf team was defeated in triangular action at the Wayne Country Club Thursday. Norfolk won the meet with a 217 while South Sioux finished second with a 227. Wayne came in 13 strokes back of South Sioux with a 240.

Betsy Brown of Norfolk was medalist with a 51 while Amy Heacock of South Sioux finished second with a 52. Wayne's top golfer on the day was Lana Casey with a 56 while Kim Liska finished second with a 58. Christi Carr was third with a 60 and Lisa Casey rounded out the scoring with a 66.

THE WAYNE HERALD FOOTBALL CONTEST
FIRST PLACE - \$15.00 - IN FOOTBALL BUCKS
SECOND PLACE - \$5.00 - IN FOOTBALL BUCKS

CONTEST RULES: One football game has been placed in each of the ads on this page. Indicate the winner by writing in the name of the winning team on the proper line on the entry blank. No scores. Just pick the winners, or ties. In case of a tie, write "tie." Use the entry blank below or a copy of equal size. Write in your guess of the score for both teams. This will only be used in case of a tie. The person that comes closest to the score will be the winner. One entry only to each contestant, but members of a family may each submit an entry. Entries should be brought or mailed to The Wayne Herald office not later than 5 p.m., Friday, or if mailed, should not be postmarked later than 5 p.m. Friday. You need not be a subscriber of the Herald to be eligible for prizes. The winners will be announced weekly on the Thursday sports page of The Wayne Herald. Employees of the Herald and their immediate families are ineligible. Judges' decisions will be final in every case.

CONNIE VAN HOUTEN, a member of the Helping Hands 4-H Club of Winside, presents over 9,000 aluminum pop tabs to Dave Walter of Yankton, S.D. The tabs will be recycled with proceeds going to assist the Make A Wish Foundation. Other club members looking on include Nick Brogren, Jenny Fleer, Sarah Wagner, Becky Fleer, Wendy Morse, Chad Evans, Mary Evans, Ryan Brogren and Beth Bloomfield. Absent for the presentation were members Kim Cherry, Matt Brogren, Laurel DuBois and Letha DuBois.

Over 9,000 collected

Winside 4-H members save pop tabs to assist Make A Wish Foundation

Members of the Helping Hands 4-H Club of Winside recently presented Dave Walter of Yankton, S.D. with 9,000-plus pop tabs which will be recycled with proceeds going to the Make A Wish Foundation.

The pop tabs were presented to Walter on Sept. 15 during a potluck picnic and talent show held in the Winside park to conclude the club's year. Attending the event were 10 4-H'ers and their families.

Walter accepted the pop tabs on behalf of the American Legion of Tyndall and Tabor, S.D., supporters of the Make A Wish Foundation which grants wishes to terminally ill children.

EARLIER THIS year, the Winside 4-H club decided that each member would adopt a recycling project.

Collection of the aluminum pop tabs was the project of Connie Van Houten, a niece of Walter's, with the assistance of other club members and Winside residents.

Boxes to collect the pop tabs have been placed at several Winside locations and will remain in place until they are collected from Oberle's Market, Winside School, Winside Public Library, Lee and Rosie's and Schelley's Sa-

loon for the public to continue contributing to the project.

Other recycling projects sponsored by club members included aluminum cans, plastic, glass, adopt a mile of highway, and pledging not to use aerosol products.

CHAD Evans served as emcee for the talent show featuring club members and awards were presented.

It was announced that club project record books are due by Sept. 20 to Mrs. Mary Cherry.

Connie Van Houten, news reporter.

Northeast seeks area musicians

Northeast Community College and the city of Norfolk are seeking new members for the College/Community Orchestra.

New members are needed so that the orchestra may play public performances in the future, according to Sharon Mulcahy, director of the orchestra.

Musicians who play the violin, viola, cello, and bass are especially in demand. Also needed are those who play brass, woodwinds, and percussion.

The orchestra meets on Tuesday evenings from 7 - 9 p.m. in the band room at Norfolk High School.

For more information about joining the orchestra, contact Mulcahy at Northeast Community College, 644-0505, or at 529-6401.

Keating at seminar

Booklet suggests protections

Noise from tractors and farm equipment can be one of the leading causes of hearing loss when ears are unprotected, according to a new booklet published by University of Nebraska

Cooperative Extension.

The information is particularly timely during National Farm Safety Week Sept. 15-21. The National Safety council points out that more has to be done to make farmers

aware of ways they can preserve their hearing and decrease their risk of injury.

"Noise...Sound Without Value," (EC 91-734) is the title of the new booklet written by Rollin Schnieder, safety specialist in the NU Institute of Agriculture and Natural Resources. The publication includes the effects of noise on the ear, how hearing loss occurs, and how to control noise and protect hearing.

There are also tables listing noise levels of tractors manufactured from 1979 to 1990, and a table giving permissible exposure times for various sound levels.

The booklet is available for 50 cents at local extension offices.

PRODUCTION WORKERS

IBP currently has good jobs for qualified applicants at its West Point, Nebraska, beef plant. Experience is desirable, but not required. Successful applicants must have a good work history, appropriate physical qualifications and a strong willingness to work. We will train. And as a new incentive for entry level workers, we have created a "QUICK START" program to allow qualified employees to bypass the starting rate progression to \$8 per hour plus skill pay. Benefits include:
*A starting wage of \$6.65 per hour with .20¢ increases each 90 days until a base of \$8 is reached. Qualification for QUICK START means immediate progression to \$8 plus skill pay.
*Paid Holidays/Vacation
*Guaranteed 40 hour work week
*Outstanding medical benefits package
*Savings and retirement
*Opportunity for advancement
