Marshal says heater caused fire

By Mark Crist
Managing Editor

Although Fire Marshal Curly McDonald had an initial idea of what caused the Tuesday night fire at one of the M.G. Waldbaum Company farms near Wakefield, insurance investigators came in Friday to determine a cause.

According to the fire marshal's report, the fire was caused by a temporary heating unit in the interior of Big Red Farms house five. Waldbaums officials said while the heating source is believed to be the culprit of the blaze, they said the cause remains under investigation.

The fire, which is believed to have started in the south end of laying house five, destroyed all of that laying facility and half of laying house six. The M.G. Waldbaum Company lost 30,000 birds in the fire and another 30,000 had to be destroyed.

In all, there are 2.1 million birds in the Big Red Farms complex.

AT THE TIME of the fire, laying house five was being renovated. According to Human Resources Director Ted Helberg, the house was being converted from a 60,000-bird house to a 120,000 bird house. Since the structure was under renovation, there were no birds in house five.

"I thought the response from the (Wakefield, Emerson and Wayne) fire departments was

great," he said. "It was through their efforts that the damage was isolated as well as it was."

In all, there are seven laying houses in complex one of Big Red Farms. Houses are spaced approximately 50 feet apart.

WHILE LAYING house five was completely destroyed, Helberg said Waldbaums officials haven't determined whether it or house six will be replaced. He said the company is still determining the dollar value for the birds lost in the fire.

The majority of the birds that died in house six were killed due to smoke.

Despite the fire, production operations are continuing as normal in other houses of the complex. Helberg said most of the

employees who worked in house five have been reassigned and some are working on the clean up, which began Wednesday.

Helberg said no one was working in laying house five at the time of the fire.

SCS seeks to seal old wells

The Soil Conservation Service office is handling applications for the well sealing and the deep soil sampling programs offered by the Lower Elkhorn Natural Resources District.

The sealing or plugging of abandoned wells is a program designed to help producers pay for the costs involved. Applications for this cost sharing are being taken through Jan. 31 at the Soil Conservation Service office at 709 Providence Road in Wayne. Approval will be late February. Certified well drillers will do the actual sealing during March and April. An application fee of \$50 per domestic well and \$100 per irrigation well is required. All obstructions such as windmills, pumphouses, electrical lines, etc., should be removed prior to the work beginning.

gram shares part of the cost for the testing of plant nutrients, especially nitrogen, at depths not normally sampled. Samples taken from the 24-48 inch soil depth are evaluated and factored into shallower soil samples. The results are compiled and a fertilizer recommendation based on the University of Nebraska's guidelines must be followed to receive cost sharing. This program helps farmers recognize that there is residual nitrogen at depths not normally tested yet still in significant amounts to be used by growing plants. It will save money, save energy and protect the ground water without any yield loss.

Anyone interested in more information on abandoned well sealing or deep soil sampling should stop by the S.C.S. office or call 375-2733.

BRAD JONES OF WAYNE, WHO WILL oversee the operation of Northeast Recycling, Inc., stands before some of the old newspapers the company has already received. The old newsprint will be used for farm animal bedding.

Recycling business opens

By Mark Crist
Managing Editor

With plans of opening his a recycling facility in Wayne Saturday, Jan. 18, Fred McGuire of Wisner has been busy.

Northeast Recycling, Inc. will be located in what once was the Emphasis Building. Most recently, Logan Valley Engine occupied the building. It is located north of Gerhold Construction on north Centennial Road.

Overseeing operations at the recycling facility will be Brad Jones of Wayne. The business will pay people for delivery of newspaper and aluminum products.

"What makes this different is the way we will use the paper," McGuire said. "It's like comparing a Cadillac to a Model T. Farmers have loved what our product does and they've told me they can't believe how good it is."

THE MAIN crux of the business will be to recycle old newsprint for farm animal bedding. McGuire said many times the recycled newspaper is used indoors for cattle, hogs and sheep but he has even seen it used as bedding for pets. He anticipates utilizing 62.5 tons of paper per week.

According to McGuire, recycled newsprint is twice as absorbent as straw. He said it's good for cattle because it reduces the amount of bacterial growth and there's no seeds in it like straw, so weed

growth is reduced. He also said it's better than straw because there's little dust output from recycled newspapers.

"We're gearing up to put out 25 bales a week initially based on livestock numbers in the area," he said. "The market area for cattle and hogs is good in northeast Nebraska."

ANOTHER THING which makes the operation unique is that it utilizes recyclable materials from the region: McGuire said his resources are from recycling drives in Lyons, Dodge, Howells and Wakefield. He said he plans to approach other

communities with his proposal but is yet to do anything formally. He said he also plans to approach the Wayne Boy Scouts, who do a monthly recycling drive in Wayne involving aluminum cans and newspapers.

McGuire said currently Northeast Recycling is paying 50 cents for 100 lbs. of newspaper and 18 cents a pound for aluminum cans. He said the company will also be accepting certain types of glass, plastic and tin but they are accepted as donations. The glass, tin and plastic can all be placed in

Girl Scouts asking area residents to purchase cookies

Girl Scouts throughout the Prairie Hills Girl Scout Council, including Wayne and several surrounding communities, began their annual cookie sales on Jan. 10.

Sales will continue through Jan. 27 and Wayne residents not contacted by a Girl Scout can order cookies by calling Connie Hall, 375-3029.

A spokesman for the Prairie Hills Council said no one really knows who made the first Girl Scout cookie, but Girl Scouts baked and sold them as far back as the 1920's. Since then, Girl Scout troops across the country have used the opportunity to bolster troop funds while giving individual girls their first entrepreneurial experiences.

Today, more than 165 million boxes of Girl Scout cookies are sold nationwide in just one year.

Although the sale of cookies has changed since the 1920's, from individual Girl Scout troops baking cookies at home to today's councils buying commercially baked cookies to sell, Girl Scouts taking part in today's sale receive the same benefits as Girl Scouts of years ago.

Through the annual cookie sales, Girl Scouts learn to set goals, develop responsibility, practice money management and experience the satisfaction of following through on a commitment.

The Prairie Hills Council spokesman added that the partnership of leaders and girls is vitally important to the success of the cookie sale, both as a fund raiser and as a program activity. "With the leaders' help, troops set goals that will help fund their program objectives. The leaders also help each girl establish an attainable personal goal, one that will give each Girl Scout a feeling of success."

The spokesman added that the sale is not a competition and leaders applaud every girl's effort. "Troop leaders understand that while one girl may sell 200 boxes, it is equally significant for another girl to sell two boxes. Girl Scout troop leaders recognize that every girl is a unique individual."

Proceeds from the project go to support Girl Scout activities and part of the profits are used to sponsor Girl Scout events in northeast Nebraska.

County board seeks bids

It looks as though the Wayne County Courthouse may soon be receiving a facelift.

The Wayne County Commissioners have extended bids for improvements to the basement lobby, the main floor lobby, stairwells, walls and ceilings and a second floor hallway.

Included in the project will be construction of a new ceiling over the main floor lobby and the main south stairs. The county board will be accepting sealed bids for the renovation project until April 9.

WHILE THE commissioners are calling for bids, that doesn't necessarily mean that any contractor will do the project because last year the county board went through the same process and only received two bids — one which was high and another which was low. Due to the discrepancy, the county board rejected both.

Under terms of the remodeling work, the firm whose bid is accepted will be required to provide all labor and materials. According to Wayne County Clerk Deb Finn, the county board has no estimate for how much the project may cost.

According to conditions of the bid process, the contractor will be required to state a starting date in their bid and the contract will require the project to be completed within 60 calendar days of starting date stated in the bid. If the contractor fails to finish the project within the required time allotment, there is a penalty of \$50 per calendar day deducted from the total bid price.

Once completed, the project will be inspected by the commissioners and the courthouse custodian.

IN OTHER matters, the county board:

- Listened to a report from Ken Prokop of K.P. Construction over the repair to the Juvenile Detention Center Fence. The fence was damaged by a tree limb during the ice storm in late November. The cost of the project was \$1,366.37 and insurance paid for it.

- Held no discussion over a contract with Thurston County over housing adult inmates since the county attorney's office had just received it and hadn't had time to review the contract.

- Established the county commissioner's 1992 resolution salary. The salary was set for the 1993 year at \$10,816, of which 1 percent will have to be paid by any candidates filing for the position.

one bag but he wants the aluminum and paper to be brought in separate containers.

ONCE THE plastic is shredded, it is taken to Sioux Center and made into 4 foot by 8 foot sheets of plywood, with thickness varying. He said once recycled, it can be used in any type of construction where wood is used. He added that it's a particularly good product for high water areas.

The aluminum will be shredded and sent to another recycling facility, where it will be reused. Such is the case with tin and glass.

As for the newspapers, the material will be shredded on site and baled into plastic bags. Each bale weighs 50 lbs. and they are for sale at \$1.75 a bale. McGuire said a 50 lbs. bale will bed the same area as 70-80 lbs. of straw.

Initially, the new company will employ five individuals and it will use less than half of the building. McGuire said if business goes like he thinks it will, he anticipates hiring more individuals and utilizing the entire building.

Trojans win first round of Post Holiday Tournament

Wakefield gains revenge on Pender

Brad Hoskins' Wakefield boys basketball team avenged their season opening loss to Pender Friday night in the first round of the Emerson Post Holiday Tournament, 57-48.

The Trojans improved to 7-2 with the victory while Pender suffered its second loss of the season. Wakefield fell behind 2-0 early in the game and the Trojans were held scoreless for over two minutes before erupting with a 13-0 scoring run to end the first quarter with an 11-point lead at 13-2.

Pender's only lead of the ball game came with that 2-0 advan-

tage. They did close the gap to three at 18-15 midway through the second quarter but Wakefield regained the momentum and went into the locker room with a halftime advantage of 29-18.

The Trojans blew the game open in the third quarter with a 19-10 scoring run to give them a commanding 48-28 lead heading into the final eight minutes. Wakefield led by as many as 24 before subbing in the rest of its players. Pender made a late run to close the gap to the final margin of nine points.

"I believe that every game

consists of three scoring runs," Hoskins said. "If your team wins two of the three runs then you will more than likely win the game. That's what happened to us against Pender. We won the first quarter with a run and they made a run in the second quarter but we answered with one in the third quarter."

Anthony Brown led the Trojans with 18 points while Marcus Tappe poured in 14. Ben Dutton and Dalton Rhodes finished with seven points each while Steve Clark scored five and Larry Johnson netted four. Jon Johnson rounded out the scoring with two points.

The Trojans maintained a 32-29 advantage on the boards with Dutton leading the way with nine caroms. Both teams finished with 19 turnovers, although Hoskins said his second and third stringers suffered 10 of those turnovers in the

final two minutes of the game.

Wakefield was 9-19 from the foul line while Pender was 4-11. Wakefield finished with four, 3-pointers with Tappe hitting two of them while Clark and Rhodes had one each.

Hoskins was pleased with the way Clark played despite not scoring a lot of points. "Steve did a nice job of getting the ball to the open players," Hoskins said. "He dished out four assists and recorded three steals."

WAKEFIELD SENIOR GUARD Anthony Brown soars over his Pender counterparts during first round action of the Emerson Post Holiday Tournament Friday night in Emerson. Brown led Wakefield to a 57-48 victory which avenged the season opening loss.

Winside boys slip to 0-7 on season with nine point loss

The Winside Wildcats boys basketball team fell to 0-7 Friday night with a 73-64 loss at Beemer, but Shannon Pospisil's crew seems to be edging closer to that first victory of the season.

"We played a much better game against Beemer than we did at Walthill just three days earlier," Pospisil said. "Our attitude was a lot more positive when we stepped on the court."

Beemer led 16-12 after one quarter of play and the host team managed a five-point cushion at the intermission at 29-24. Winside fell behind by eight after three quarters, 54-46 but the game really wasn't decided until the final minute-plus of the fourth period.

"We only trailed by five with

about a minute and a half left," Pospisil said. "Then we missed a shot and Beemer hit a three. We had to start fouling from then on."

The Wildcats did welcome the return of Cory Miller who missed Tuesday's game at Walthill with an injury. Miller returned in fine fashion, pouring in a game high 25 points while hauling down 18 rebounds.

John Hancock, who was also playing the game with an injury, pumped in 17 points while Cory Jensen netted 16. Ryan Brogren and Cam Shelton rounded out the scoring with four and two points respectively.

"John Hancock was probably only playing at about 60 percent," Pospisil said. "He suffered a knee

injury in the game against Walthill and he played with pain in Beemer."

Winside was out-rebounded by the Bobcats, 56-48 despite Miller's 18 board performance. Shelton was also in double figures in rebounding with 13 caroms while Jensen had nine.

The Wildcats took better care of the basketball with only 15 turnovers while Beemer finished with 13 turnovers. Winside hit 8-14 from the foul line while the host team was 5-7.

"We just have to keep a positive attitude every time we step on the court," Pospisil said. "When we have a little confidence we play much better." Winside will host Hartington on Tuesday.

Wayne girls record dips to 2-6 with loss at Laurel

The Wayne Blue Devils girls basketball team dropped a 46-40 decision to Laurel Thursday night in Laurel. The host team grabbed a 13-11 lead after the first quarter and the Lady Bears held a 25-19 advantage at the intermission.

Wayne came out strong in the third quarter as they out-scored Laurel 12-8 to trail by just two points heading into the final period. Wayne, however, had to watch as Laurel went to the free throw line 17 times in the final eight minutes which allowed them to post the six point victory.

"I thought we played a good game defensively," Wayne coach Marlene Uhing said. "We were also a little more aggressive on offense but we lost the game on turnovers and second chance points."

The Bears hauled down 17 offensive rebounds while Wayne had just five, so Laurel had more chances for second and third shot attempts. Wayne also suffered 22 turnovers while Laurel had 16.

Liz Reeg led the Blue Devils with 17 points while Susie Ensz poured in 10. Erin Pick added seven while Danielle Nelson, Angie Thompson

and Jenny Thompson scored two apiece.

The Blue Devils were out-rebounded, 36-27. Pick and Reeg led Wayne with six caroms apiece. Wayne hit four of nine free throw attempts while Laurel was 10-28.

"We've had good practices the last couple of weeks," Uhing said. "We've improved which is what I like to see but we have to have more people contribute when the game is on the line. Liz Reeg scored all nine of our fourth quarter points."

Winside girls defeat Beemer by 12 for second consecutive victory

The Jekyll and Hyde basketball season for the Winside girls continued Thursday when they defeated Beemer, 48-36 in Winside. Paul Giesselmann's Wildcats went winless during the first semester in six outings.

This year however, the Wildcats are undefeated after downing Walthill in overtime and Beemer. "During the first part of the season we just shot horrible from the field and almost as bad from the free throw line," Giesselmann said. "So far this year we are hitting more shots and shooting better from the charity stripe."

Winside jumped out to a 17-12

lead after the first quarter but Beemer trimmed that lead to just two at 28-26 at the half. Winside's defense rose to the occasion in the third quarter as they held the visitors to just two points while stretching its lead back to 10 at 38-28.

Christi Mundil enjoyed her best night ever as a Wildcat as she poured in a career high 19 points to lead the Wildcats. Jenny Jacobson followed with 10 points while Wendy Rabe netted eight.

Holly Holdorf scored five points for the winners while Kari Pichler added four. Patty Oberle rounded out the scoring with two points. Winside was out-rebounded by

Beemer, 38-35.

Mundil proved to be a force on the boards as well as scoring as she hauled down 13 rebounds, including 11 offensive boards. Rabe finished with eight rebounds.

Winside had 19 turnovers while forcing the visitors into 25. The Wildcats were 9-16 from the foul line while Beemer was 2-12. Pichler dished out six assists.

"Christi really played a great game," Giesselmann said. "We just look like a different team right now than we did earlier in the season." The 2-6 Wildcats will look to continue their good fortune when they host Hartington Tuesday night.

WSC women blast Eckerd

WAYNE-The Wayne State women's basketball team blasted Eckerd College of St. Petersburg, Florida, Wednesday in the second of three games on their Florida swing, 91-54.

The Wildcats improved to 7-6 with the win. WSC jumped out to a 49-22 advantage at the intermission and never looked back as they out-scored the host team by 10 in the second half to post the 37 point victory.

All 12 of the Wildcat players saw action and everyone broke into the scoring column. Mary Schnitzler led the attack with 15 points while Kairi Backer poured in 14. Jodi Otjen finished with 12 points and Kristy Twait was also in double figures with 10 while Lisa Chamberlin added nine.

Linda Heller, Cyndi Savage and Amy Rueger finished with six points apiece while Lynn Nohr scored five. Dana Olmsted scored four points while Cheri VanAuker and Tawnya Bakke rounded out the attack with two points each.

WSC connected on 40 of 85 shot attempts for 47 percent while hitting five of eight free throws for 62 percent. The Wildcats were out-rebounded 50-47 with Bakke and Otjen leading WSC with eight and seven caroms respectively.

Olmsted dished out seven assists to lead WSC while Rueger and Nohr notched five assists each. WSC suffered just eight turnovers in the game while forcing the host team into 27.

Wakefield girls down Pender

WAKEFIELD-The Wakefield girls defeated Pender in the first round of the Emerson Post Holiday Tournament Thursday night in Emerson, 50-44. The Lady Trojans had to overcome foul trouble en-route to the victory, but Gregg Cruickshank's squad got a balanced scoring attack which proved to be the difference.

Wakefield led 11-10 after the first quarter and 25-22 at halftime. The Trojans maintained their lead after three quarters of play, 35-30 and hung on for the win with solid free throw shooting down the stretch.

Lisa Blecke led Wakefield with 12 points but she did not finish the game after fouling out mid-way through the fourth period. Lisa Anderson scored 10 points including a 6-8 outing from the foul line. Kristen Miller and Maria Eaton scored eight points each while Angi Peterson scored six. Sarah Salmon added three points while Heidi Mueller and Kali Baker rounded out the scoring with two and one points respectively.

Blecke, Miller and Mueller exited the game early with five fouls. Wakefield did force Pender into 30-plus turnovers while suffering 17. The Trojans finished the game with 16-28 free throws but they hit 9-13 in the fourth quarter in a contest which saw 52 fouls called.

Wakefield's biggest defensive gem came from holding Marcia Heinemann scoreless. Heinemann came into the game averaging over 10 points and 12 rebounds a game and she fouled out with seven minutes to go in the fourth quarter with no points.

Wayne to make-up basketball game

WAYNE-The Wayne girls basketball game with West Point, scheduled for Dec. 19, has been moved to Saturday, Jan. 18, at 2:30 p.m. The reserves will play first with the varsity slated for approximately 4 p.m.

Allen girls lose to Ponca

ALLEN-The Allen girls basketball team fell to 3-4 with a 52-44 loss at Ponca Thursday night. The Eagles trailed 17-14 after the first quarter and 29-24 at the half. Both teams struggled some in the third quarter but Allen managed to trim the lead to four at 34-30.

Turnovers proved to be the Achilles heel for the Lady Eagles as they suffered 25 while Ponca had 14. "When they pressed us full court we did a good job," Allen coaches Lori Koester and Gary Erwin said. "Then they switched to a half-court press and we felt we should have handled it better. For the most part, we felt some of the turnovers were unforced."

Cindy Chase led Allen with 14 points while Denise Boyle and Heather Sachau scored 10 each. Christy Philbrick and Steph Chase had three points each while Sonya Plueger and Steph Martinson had two apiece.

Allen was out-rebounded 24-22 with Boyle and Plueger leading the Eagles with six caroms each. The Eagles will travel to play Bancroft-Rosalie on Tuesday.

Wayne loses to Creighton

Blue Devil grapplers defeated

The Wayne wrestling team hosted the state's third rated Class C team in Creighton Thursday night at Wayne High and the Blue Devils were handed their second consecutive dual defeat, 48-21.

"We can't give up six pins and expect to win a dual," Wayne coach John Murtaugh said. "Many times the key to winning duals is the ability to stay off your back. We didn't do a very good job of this."

There were four reserve matches on the night with Chris Headley losing by pin at 1:19 while Brent Geiger lost by pin at 1:25. Juan Mota wrestled at 140 and lost an 8-6 decision before winning by pin in a second match.

Ryan Brown started the varsity match off with a 12-8 decision over Matt Polak at 103 while Mike Williams lost by pin in 1:59 to Jason Overholt at 112. Randy Johnson won by pin in 2:44 over Chad Waldon at 119 and Brent Gamble, who came into the match rated as the fifth best wrestler in Class B at 125, won by pin over Tyson Fulton in 44 seconds.

Matt Rise lost a 9-2 decision to Corey Nielsen at 130 while Terry Rutenbeck lost by pin in 2:47 to Walt Nelson at 135. Jason Shultheis lost by pin to Saul Gompert in 1:14 of his 140 match and Jason Fink lost a 5-1 decision to Cory Adams at 145.

Brian Gamble lost by pin in 58 seconds to Todd Zimmerer at 152 and Dusty Jensen lost by pin in 1:08 to Nate Sutta at 160. Dwaine Junck won by pin over Brian Wagner in 48 seconds of his 171 pound match. Junck, incidentally, came into the match as Class B's third rated wrestler at 171.

Wayne was open at 189 which gave Creighton an automatic six points for the forfeit and at heavyweight, Leon Brasch lost by pin in 1:58 to Brent Kummer.

"Brent Gamble really wrestled a good match," Murtaugh said. "Dwaine Junck, Randy Johnson and Ryan Brown also did a great job for us." Wayne will host South Sioux in dual action Thursday at Wayne High.

WAYNE WRESTLER DWAINE JUNCK seems well in control of his 171 pound match with Creighton's Brian Wagner. Junck needed just 48 seconds to pin his man during Wayne's dual Thursday night. The Blue Devils were defeated, however, 48-21. Junck currently ranks as Class B's third rated wrestler at 171.

BLUE DEVILS GRAPPLER BRENT Gamble virtually manhandled Creighton's Tyson Fulton at 125 pounds. Gamble pinned Fulton in just 44 seconds.

Elections completed for county extension board

Wayne County residents of Commissioner District 1 have elected Yleen Johnson and Marlyn Koch, both of Wayne, to a three-year term on the Wayne County Extension Board.

The board gives direction to the cooperative extension service program and disburses county tax dollars which fund the local office.

Other members on the board include Connie Rehmer, Hoskins;

Larry Sievers and Joyce Sievers, Wayne; Merlin Topp, Pilger; Home Extension Council Representative Susie Siefken and 4-H Council Representative Dave Sievers, both of Wayne.

Board members will meet Jan. 14 at 7:30 p.m. in the Wayne County Courthouse to elect officers and organize for the coming year.

Funding deadline nears

Applications for funding through Nebraska's Child Care Grant Fund must be received by Jan. 15, according to Deborah Mabry-Strong of the Nebraska Department of Social Services.

The Quality Child Act, passed during the 1991 Legislative Session as LB 836, established the Child Care Grant Fund. A federally funded block grant will provide the \$250,000 to implement the grant.

Grants of up to \$10,000 will be awarded to child care providers to meet state licensure or local zoning ordinance requirements.

Mabry-Strong said information about the grant program has been mailed to over 5,000 child care providers and interested individuals and groups. For an application, contact Deborah Mabry-Strong in Lincoln at 471-9451. Grant funds will be awarded in March.

Glandt joins governor's office for children and family

The transfer of five staff from the Nebraska Department of Social Services to the Governor's Office for Children and Family Policy underscores the importance placed on coordinating services for Nebraska families, say directors of both state agencies.

Julie Glandt, Community Development Specialist with the Department of Social Services is one

of the five who now reports to Susie Landow, director of the Governor's Office for Children and Family Policy, in Lincoln. Glandt will continue to work from Nebraska Department of Social Services' Norfolk office.

The Governor's Office for Children and Family Policy was established after the legislature passed

the Family Policy Act in 1987. According to Landow, the work of the Community Development Specialists fits with the mission of the office, which is to coordinate state and local government services for families and aid community teams with their goals for family preservation.

Social Services director Mary

Dean Harvey made the announcement. Glandt will continue to support the activities of the Family Preservation Teams in the area, as well as foster new teams in surrounding communities. Anyone wanting more information about the activities of the office can contact Glandt in Norfolk at 402-370-3184 or Landow at 402-471-2932.
