

Clinton no better than third here

By Les Mann
Herald Publisher

Bill Clinton may be the president-elect for the nation, but for many Northeast Nebraskans he was no better than third choice.

Northeast Nebraska voters, especially those in Wayne, Cedar, Pierce and Madison Counties, favored Pres. George Bush first and Independent Ross Perot over Clinton. In Wayne County the vote was 2,122 for Bush; 1,047 for Perot and 921 for Clinton.

With narrow margins over Perot in Dakota and Dixon Counties, Clinton still was not able to finish better than third in the region.

The hotly contested presidential race helped contribute to a record voter turnout, according to Wayne County Clerk Deb Finn.

Bush was the leading vote getter in

every precinct of Wayne County, collecting more votes than the other two candidates combined.

Perot out-pollled Clinton in all the rural precincts of Wayne County and stayed close to the president-elect in the city wards to finish second in presidential balloting here.

Bush's 52 percent plurality in Wayne County compared to only a 47 percent vote total state-wide, but that was more than enough to win the Nebraska electoral votes.

Clinton, at 46 and the nation's third youngest president, won the election by carrying states all over the nation. Democrats also maintained control of Congress during the historic election.

Most voters cited the nation's economic condition as reasons for seeking a change in administration.

Turnout wows clerk

By Les Mann
Herald Publisher

A record voter turnout in Tuesday's election in Wayne County had officials scrambling to print extra ballots at the last minute in several precincts but County Clerk Deb Finn said the election went remarkably well.

The counters were finished Tuesday night by 10:30 with the unofficial totals, even though Mrs. Finn had predicted the counting would go on until 1 a.m. because of the heavy voter turnout.

Seventy-one percent of the voters county-wide cast ballots Tuesday. Previously an excellent turnout would have been considered to be around 65 percent, said Mrs. Finn. She said there are no elections on record with a better than 70 percent turnout in the county.

Four precincts in the county recorded over 80 percent turnouts. They were Hunter and Leslie Precincts both with 84 percent and Hancock and Logan with 83 and 82 percent respectively.

"The extreme interest in the presidential election, the lottery issue and the District 17 legislative race contributed to the turnout," she said.

Mrs. Finn had words of praise for both voters and election workers who contributed to making the election run smoothly. She said voters went to the polls in a steady stream all day, which allowed poll-workers to keep up with the processing of the ballots all day, rather than having a rush at the last minute before the polls closed.

The election precinct with the lowest turnout was the Third Ward in

Wayne County voters agreed with the rest of the state in Tuesday's voting on constitutional amendments.

County voters favored term limits, helped approve a new state lottery and voted for local control of liquor

licensing decisions.

Wayne County supported the term limit amendment with 64 percent of the vote 2,540 in favor to 1,338 against. The measure passed in every precinct in the county.

Wayne County's 64 percent plurality was slightly lower than the 68 percent favorable vote the term limit

amendment generated state-wide. All 14 states which voted on term limits Tuesday passed the measures averaging 67 percent in favor.

HOWEVER, opponents to the idea promised constitutional chal-

It's 'Magic Time' for Wayne holidays

By Kathy Stalling-Berry
Herald Staff Writer

The season of good cheer and glad tidings is almost upon us. That means only a few more weeks of shopping for those Christmas gifts. The Wayne Chamber of Commerce and participating merchants will sponsor the ever-popular Holiday Magic, Fantasy Forest and a new idea, Santa Cash.

Santa Cash is a unique alternative to using your credit cards for purchasing merchandise in Wayne. "It will encourage people to shop local and will assist the consumer," Curt Wilwerding, director of the Wayne Chamber of Commerce, said.

Instead of paying the 18 percent interest on your credit cards during

the Christmas season, Santa Cash enables you to get a loan for zero percent interest, to be paid back within 120 days and can be used at any of the participating merchants in Wayne. The Santa Cash loan can be taken out at a minimum of \$300 and a maximum of \$1,500. All three of the banks in Wayne are participating in this project.

The Santa Cash can then be used at participating merchants to purchase products and merchandise on or before December 24. This idea is hoping to draw out-of-town cus-

tomers and encouraging them to shop in Wayne. "It's a win-win situation for both consumers and businesses. It benefits the merchants because it is a good-will gesture to consumers and it is hoping to bring new people to Wayne and encouraging locals to stay. It is to their advantage to use it," Wilwerding said.

Along with the Santa Cash, the Holiday Magic promotion will be used again this year. "Over the past ten years, the merchants and consumers have enjoyed it," Wilwerding said. The Chamber will be giving a total of \$2,000 to lucky winners in this year's Holiday Magic. Weekly drawings will begin Friday, November 27, with \$500 drawn in Chamber Bucks for the four weeks.

To become eligible for one of the four weekly drawings of Holi-

day Magic, a customer fills out a registration form in the amount of the purchase that is made. The consumer can then win the purchase price back, which can not exceed \$50.

However, the festivities do not end with the Christmas shopping. The Wayne Chamber of Commerce Fantasy Forest will again be a mainstay of the Wayne community to kick-off the Christmas season. It will be open December 3, 4 and 5 at the Wayne City Auditorium. Events included this year are: a free matinee on Saturday at the movie theater, suppers and bake sales, and Santa pictures will be taken.

With all of the excitement that is about to take place, it appears that it just makes sense to shop in Wayne for all of your Christmas needs.

(continued from page 1)

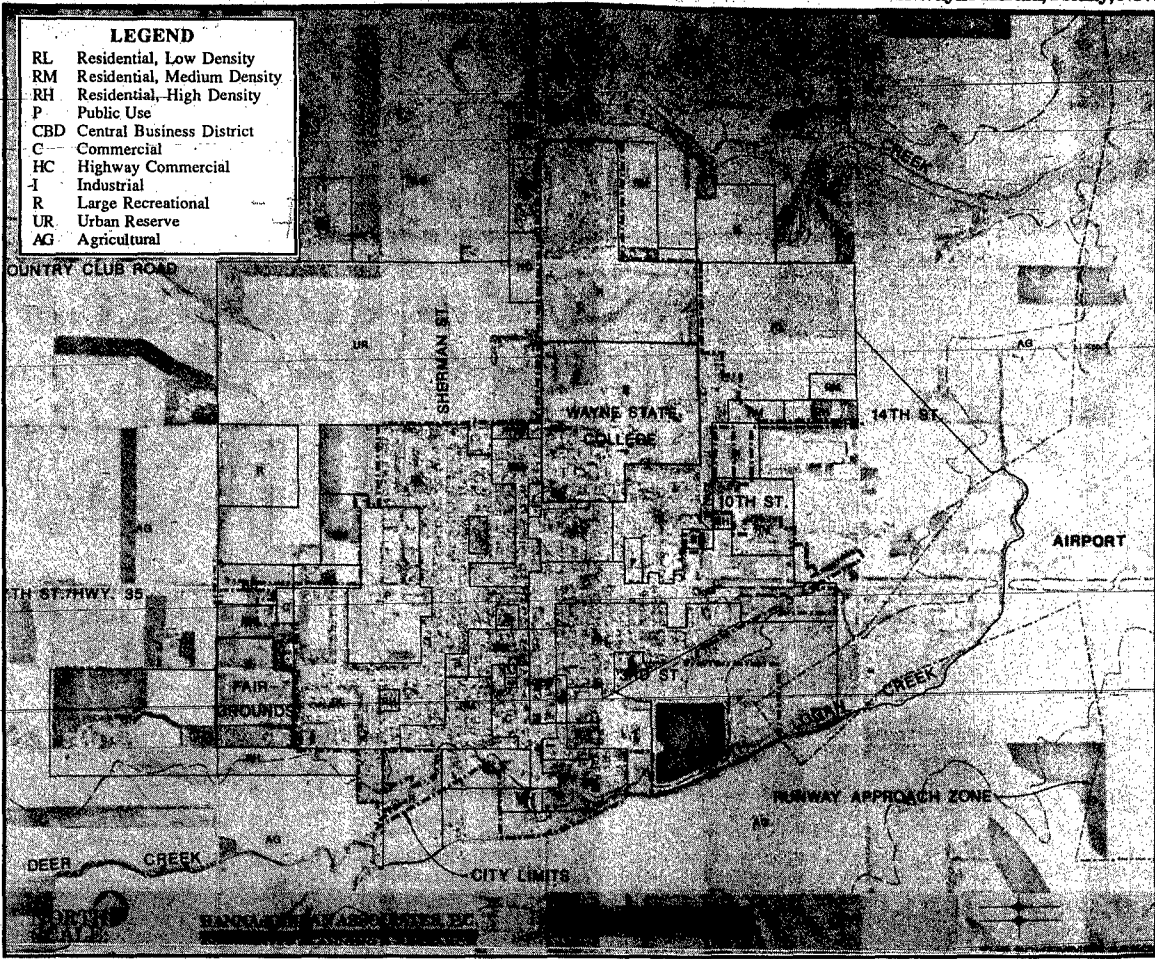

lenges in coming weeks. Nebraska Sen. J.J. Exon said he would work hard during the time he has left in office to pass a national Constitutional Amendment making term limits uniform in all states.

Exon is eligible to run for two more six-year terms after his current term expires in 1996. The term limit measure prohibits local and state elected officials from holding office longer than 8 years and senators for longer than 12 years.

Local voters also agreed with their state-wide counterparts on the lottery issue. Countians favored enactment of the first state-wide lottery by a 56 percent margin, 2,185 to 1,706. The winning margin state-wide was higher at 62 percent. The lottery measure carried the county with approval in all but three precincts, Logan, Strahan/Wilbur and Leslie.

IN A RELATED measure, voters nixed the idea to spend part of the lottery proceeds to reimburse investors in failed industrial banks. The county voters rejected the idea by a 73 percent margin, 1,004 to 2,596.

The other amendment issue received less attention during the campaign, but voters passed the proposal to give municipalities and counties the constitutional authority to regulate liquor licenses in their jurisdictions. The authority previously had been given the local entities by statute. The liquor regulation amendment vote was 1,856 to 1,727 in Wayne County, a 51 percent margin. State-wide voters passed the liquor regulation issue with 55 percent of the vote.

New land use plan

PROPOSED NEW LAND USE guidelines drafted as part of the Wayne Comprehensive Plan and Planning and Zoning revisions are shown in the above map. The zoning revisions will be the subject of a public hearing in the near future. The Wayne Planning Commission is working on the final draft of the new comprehensive plan before the heavy document is presented to the public.

Bereuter elected to 8th term

Voters in Wayne County and throughout the entire District 1 have elected to send Republican Congressman Doug Bereuter back to Washington for an eighth term.

In Wayne County, Bereuter captured 72 percent of the vote (2,789 to 1,086), compared to 60 percent (140,994 to 95,397) in the 616 precincts included in District 1.

Bereuter's Democratic challenger was Lincoln businessman Gerry Finnegan.

WHILE Finnegan, 44, challenged Bereuter in Lancaster County, which includes Lincoln, the incumbent overwhelmed him in rural areas.

Bereuter, 53, said he wasn't surprised that the District 1 race was fairly close because of a rash of term-limit television ads as well as some "bash-the-incumbent" ads aired by Finnegan's campaign.

"The very negative campaigning Gerry Finnegan had on television the last few weeks fit in well with term-limits campaigning. It couldn't have been a better fit for his distortions."

Bereuter said he objected specifically to criticism over the sale of his house in the district when he moved his family to Washington early in his congressional career, and pointed out that other Nebraska congressmen, including John Cavanaugh and Peter Hoagland, had done the same thing.

Finnegan, who congratulated Bereuter, said he might have had a better chance if he had declared his candidacy earlier and there had been more debates between the candidates.

Dixon County voters go to polls in droves

By LaVon Anderson
News Editor

Voters in Dixon County overwhelmingly supported President Bush for re-election, approved another term for Congressman Doug Bereuter, gave their okay to a state lottery measure, and voted in favor

of placing term limits on elected officials.

A spokesman in the Dixon County Clerk's office in Ponca reported that 3,100 Dixon County residents cast ballots Tuesday. That's about 78 percent of the county's 3,981 registered voters.

In Dixon County, President

Bush garnered 1,484 votes, followed by President-Elect Bill Clinton with 830 votes and Ross Perot with 726 votes.

Incumbent Republican Congressman Doug Bereuter was a heavy favorite in Dixon County. Bereuter captured 2,078 votes, while his Democratic challenger

Gerry Finnegan received 895 votes.

DIXON County residents joined Nebraskans in supporting the state lottery measure, with 1,668 votes cast in favor and 1,231 votes against.

A section of the lottery proposal to use some of the proceeds for re-

imbursing depositors of failed industrial savings and loan companies failed in Nebraska and in Dixon County, with 743 votes for and 1,884 votes against.

Wayne, which sent only 57 percent of its voters to the polls.

Mrs. Finn said polls workers and voters alike all expressed pleasure with being able to participate in an election with the high degree of interest. "Everyone did a great job," she added.

Voters in changing mood

By Kathy Stalling-Berry
Herald Staff Writer

Legislative District 17 voters were in a mood for a change when they went to the polls Tuesday and they easily elected Dakota County Attorney Kurt Hohenstein over incumbent state Sen. Jerry Conway of Wayne.

Conway couldn't even carry Wayne County in his bid for a third term. He lost here 1,211 to 1,392 for Hohenstein. District wide the vote was 7,356 for Hohenstein to 4,597 for Conway.

"For the most part, I was obviously disappointed, but now it is more of a reflection," Conway told the Wayne Herald. He said he is pleased with his accomplishments in the last eight years in the statehouse.

Conway said he phoned Hohenstein and pledged to help him in making the transition as easy as possible.

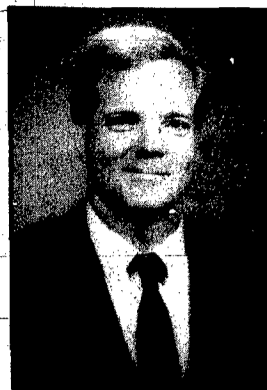

"MY INTEREST is in the people of the 17th District and of Northeast Nebraska. I will do everything I can to help him."

Hohenstein was out of town and unavailable for comment.

Conway said he plans to continue his work for Great West Casualty as

a special projects consultant and possibly move into government relations work.

Relating his experiences in the legislature, Conway said he is proud of his record of achievements including helping with the industrial expansion projects like Timple and the First National Bank of Omaha credit card center.

He also won approval for the new business school at Wayne State and the construction of the Rec Center

there. He also cited legislation to pave Providence Road since it bordered the Armory.

"I introduced 47 bills in my eight years and they all passed," he said.

CONWAY WAS a college teacher for 18 years prior to resigning following a Supreme Court ruling that he could not be an elected senator and a state college professor at the same time.

He added he might return to teaching someday.

"I will always remember and really appreciate my experiences," he said. "Certainly in the future I would like to continue working in some form of public service."

Conway was hampered in his campaign by Northeast Nebraska voters angered over redistricting issues. He was blamed for many of the changes since he chaired the Redistricting Committee in the legislature.

Wayne spikers are state bound following district championship

By Kevin Peterson
Sports editor

The 1992 volleyball season will go down in history as Wayne High's best ever but the Blue Devils are far from settling for what they've accomplished so far.

They acquired one of their goals on Thursday night by qualifying for the state volleyball tournament with a straight games victory over West Point in the B-5 district finals at Northeast Community College in Norfolk. The Blue Devils improved to 22-3 after the win and its the first time in history a Wayne team has won at least 20 games.

Marlene Uhing's squad was tested by West Point but won, 15-12, 15-12. "West Point really has some nice athletes," Uhing said. "They are very quick and they passed the ball well. I knew they were a much better team than when

we played them in late September."

Wayne, however, passed the ball very well and took control of the net as West Point found quickly they could not stop the Blue Devils power game.

Wayne fell behind 6-1 to the Cadets but scored six straight points mid-way through the first game to take a 7-6 lead. West Point came back to take a 12-8 lead on the wings of a potent jump server.

Angie Thompson then stepped to the service line and served four straight points to tie the game at 12 before a sideout gave West Point the ball back. Wayne allowed just one serve and earned the sideout. Erin Pick then scored the 13th point before Danielle Nelson closed out the game with two straight points.

The second game was nearly a complete reversal as Wayne took a

7-1 lead with Liz Reeg scoring the first four points of the game for the Blue Devils. West Point, however, erased an 8-2 deficit to take a 12-11 lead.

Pick supplied Wayne with a key ace spike to give Wayne the service back. Kristen Swanson scored the next point to tie the game at 12. Wayne earned the sideout again and Jenny Thompson served the next point to give Wayne a 13-12 lead. Angie Thompson then closed out the match with two straight points with the last one being scored on a Swanson spike.

"I thought Danielle Nelson did a very good job of setting the ball to the hitters that were on at a particular time," Uhing said. "Kristen Swanson and Erin Pick were dominating hitters. They were calling for the ball and both had great games."

Uhing said the West Point coach commented on Wayne's strength at the net and she felt that was a major factor in the Blue Devils win. "I am really happy for this group of girls because they have worked so hard to get to this point," Uhing said. "Our fan support was also very good and we appreciate that."

Angie Thompson led Wayne in scoring with 11 points while Nelson scored six. Reeg and Pick scored four each and Jenny Thompson added three while Swanson finished with two.

Nelson had a marvelous game from her setting post with 23 assists. Swanson and Pick were completely dominant at the net as they finished with 13 and 12 kill spikes respectively. Wayne had 31 ace spikes in the match.

Reeg, Jenny Thompson and Swanson were the leading passers and Nelson was the leader in digs with seven while Jenny Thompson had five and Reeg, four.

The Blue Devils advanced to the B-5 district final with a straight games victory over Hartington

Cedar Catholic on Tuesday, 15-8, 15-11. "We played well," Uhing said. "It was a tough match because Cedar has improved a lot over the course of the season."

Uhing said Wayne did a good job of digging the ball and playing good overall defense. "We stayed tough mentally through the whole match," Uhing said. "In fact, Kristen Swanson began serving when we were ahead in the second game by a 11-10 score. She served three straight points for us to give us a 14-10 lead. We did not score the winning point until we completed an entire rotation and Kristen scored the 15th point. I was pleased that we did a good job of not letting Cedar score any more than one point during that stretch."

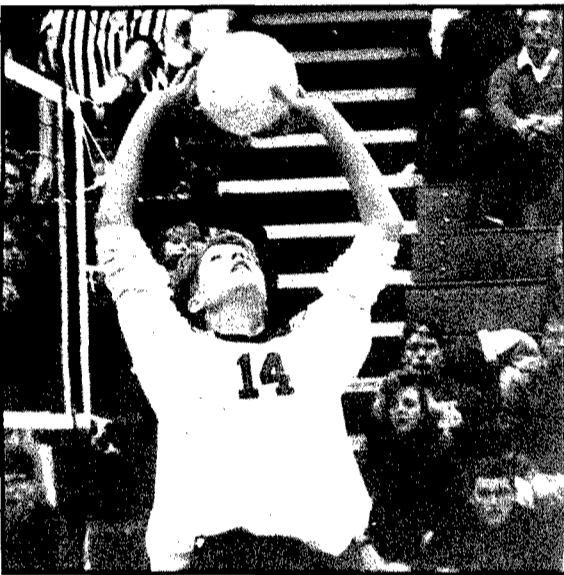

Erin Pick led Wayne with nine points and two serve aces while Angie Thompson had seven points and one ace. Danielle Nelson netted 13 set assists with Swanson leading the way in hitting with seven ace spikes. Pick finished with six aces.

Wayne's defense was well balanced as Pick, Jenny Thompson, Liz Reeg and Nelson each had three blocks while Carrie Fink had six digs. Reeg and Jenny Thompson each had five digs. Reeg and Jenny Thompson paced Wayne's passing attack which Uhing said was very well done.

"I thought senior Jenny Thomsen did a nice job of coming in for Angie Thompson when her substitutions were expired," Uhing said. "She supplied a big kill spike for us. She does a super job of filling her role on the team."

Wayne drew the number five seed at the state tournament and will play its first round game against Columbus Scotus with a 23-2 record.

The game will be played at 5 p.m. on Friday at Pershing Auditorium. The winner is likely to play number one seed Ogallala on Saturday at 12:10 p.m. with the finals slated for 9 p.m. Saturday.

DANIELLE NELSON sets the ball for a spike attempt during Wayne's championship match at districts. Nelson finished with 23 set assists.

Trojans end year

The Wakefield Trojans volleyball season came to a close in the C1-7 sub-district at Wisner, Monday.

The Trojans defeated a strong Pender team, 15-5, 3-15, 15-10 in the first round but fell to top-rated Wisner-Pilger in the finals, 11-15, 15-12, 4-15.

Heather Gustafson led Wakefield in serving with a 12-13 outing and two aces while Kali Baker was 14-16 with three aces. Maria Eaton went 7-8 with one ace.

The Trojans were led in setting by Kathy Otte's 33-35 performance with nine assists while Megan Sandahl was 12-14 with seven assists. Heidi Mueller led the hitters with eight kill spikes while Baker and Eaton had five apiece. Mueller also had five blocks while Sandahl finished with two.

"Pender has a nice team," Wakefield coach Paul Eaton said. "Our young players really did a nice job in this match."

In the finals Melissa Haglund came off the bench to do a nice job of serving for the Trojans with an 8-8 performance and two aces. Kali Baker was 11-12 with one ace and Heather Gustafson was 7-7.

Kathy Otte was 30-31 in setting with seven assists while Suzann Ekberg was 10-11 with four assists. Megan Sandahl was 19-22 with two assists. Mueller led the hitters once again with nine ace spikes while Eaton had five and Jaime Oswald, four. Mueller also had four blocks.

"We played probably our best volleyball all year against Wisner," Eaton said. "The first game was very competitive and we won the second game. The third game was totally in Wisner's favor."

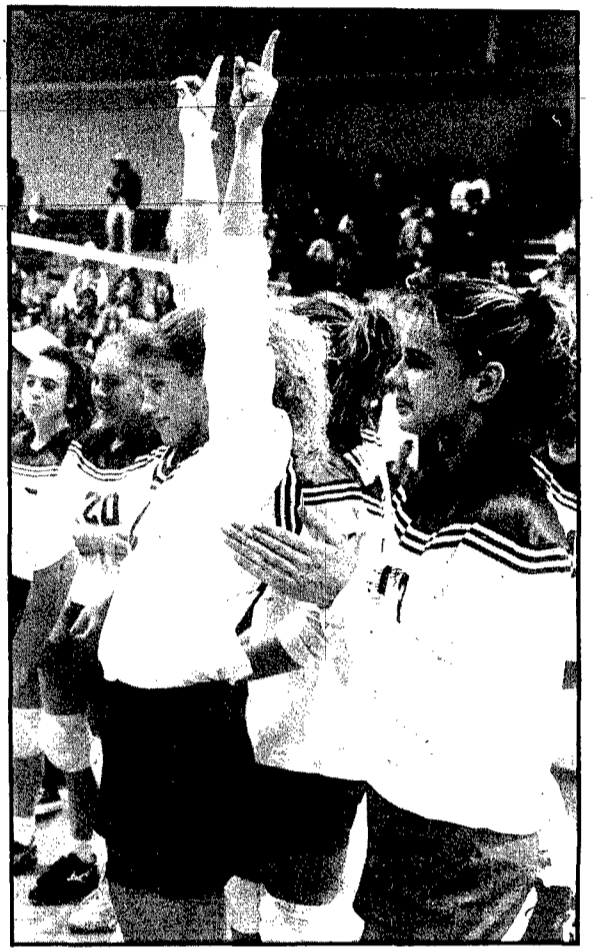

The 11-8 Trojans will bring the majority of their players back next season. Eaton's career volleyball record at Wakefield stands at 120-30 after eight seasons.

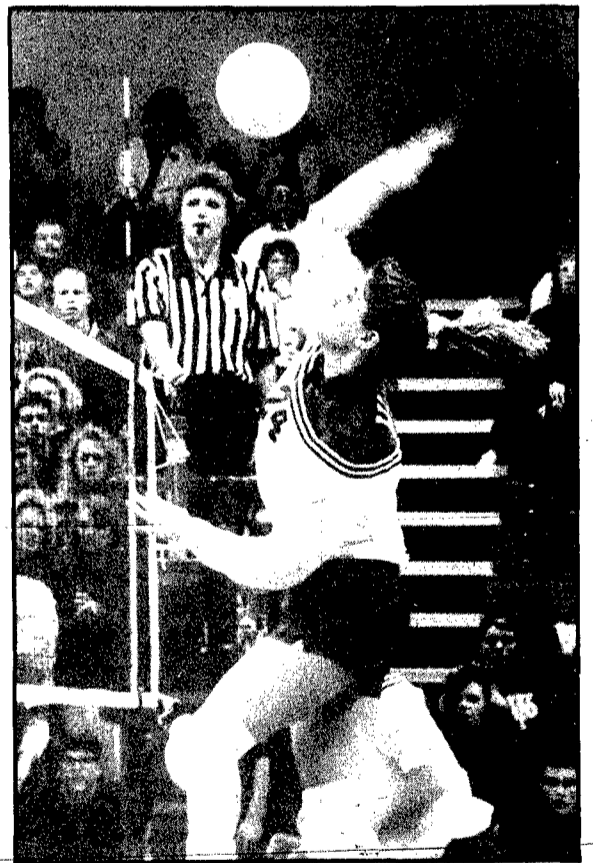

MEMBERS OF THE Class B-5 district championship volleyball team, Wayne, include from back row left to right: Assistant coach Dale Hochstein, head coach Marlene Uhing, Jenny Thompson, Angie Thompson, Danielle Nelson, Liz Reeg, Erin Pick, Jenny Thomsen and assistant coach Roger Reikofski. WSC travels to play rated Peru State, Saturday

The Wayne State football team hits the road this Saturday after completing a five-game home stand. The Wildcats travel to play Peru State, an NAIA Division II independent, in a 1:30 p.m. contest.

The Bobcats defeated Iowa Wesleyan on the road last Saturday, 35-21 to improve their season mark to 6-2. WSC meanwhile, lost to Michigan Tech, 48-38 in the "Barbeque Bowl" at Memorial Field.

This will be the first meeting between WSC and Peru State since 1975 when the Wildcats won by a 28-7 margin. Last year's meeting was canceled due to a blizzard which hit Wayne.

"Peru State has a great football team," Wayne State coach Dennis Wagner said. "They have a wide open offense which is capable of scoring a lot of points. They have a very physical defense. They need a win against us to aid their chances of getting to the NAIA playoffs, and we need to win to guarantee a .500 season. It should be a great game."

Looking back at last week's game with Michigan Tech, Wagner felt the Huskies were a good team but the 'Cats made too many mistakes to beat a team of their caliber.

"Defensively, we didn't play as well as we have in the past," Wagner said. "We had some poor tackling, and missed assignments. Normally, when you score 38 points it is enough to win. We missed some opportunities to score. Jason Williams getting kicked out of the game affected our game plan. We need to learn from our mistakes and get better before we play Peru on Saturday," Wagner added.

Wayne State has five individuals ranked nationally among this week's NCAA Division II leaders. Damon Thomas ranks fourth nationally with 6.9 receptions per game while quarterback Troy Mott ranks 14th in total offense with 238.1 yards per game.

Sean Francisco ranks 12th in punt returns at 13.6 per return and Rick Starling ranks third in the nation in kickoff returns at 31.1 per return. Andy Parr is tied for seventh in field goal kicking with seven field goals.

The 'Cats rank 16th in total offense at 416.4 yards per contest and 27th in passing offense at 234.4 yards per game. They rank 21st in scoring with a 29.4 point per game average and defensively, WSC is 17th against the rush, allowing just 95.3 yards per game.

Lamont Rainey was forced to carry the load against Michigan Tech from his running back position when Jason Williams was ejected in the first quarter.

Rainey surpassed the 100-yard rushing mark for the second straight week with 146 yards on 28 carries. His efforts earned him Nebraska's NCAA-II Player of the Week. He also scored three touchdowns.

Peru State will have some familiar faces as Branden Bender, (Nebraska City) began his career at WSC before transferring to Peru. He ranks fifth on the Bobcats squad with 46 tackles.

WSC defensive lineman Jeff Leo played for the 1990 NAIA National Champions from Peru before transferring to WSC. The 'Cats will be entering hostile territory and where very few teams come in and win.

Lamont Rainey

Peru State is undefeated at home in the 90's and haven't lost a home contest since Nov. 18, 1989 against Baker in the NAIA playoffs. The last regular season loss at home for Peru was in 1988 when the Bobcats lost a 24-21 decision to Benedictine on the last play of the game.

Peru State's two losses, incidentally, have come against Northwestern of Iowa and Missouri Western.

The Allen Eagles volleyball team earned a state tournament berth by defeating Dodge in straight games in the district finals, Thursday at Wayne State College.

Tracy Kuester's squad won, 15-9, 15-10 in a match they pretty much dominated from the onset. Steph Martinson led the team with 12 points while Heather Sachau scored six and Dawn Diediker, five. Sachau and Diediker each notched three serve aces.

Christy Philbrick led the setters with nine assists while Diediker had six. Heather Sachau was the leading hitter for the Eagles with eight ace spikes while Martinson had seven and Steph Chase, four. Martinson and Sachau also led the blockers with seven and three respectively.

"We played a very good match," Kuester said. "We never trailed in the first game and in the second game it was pretty even until we were tied at six and then we just took off."

Kuester said her team didn't seem as nervous as they did when they were playing in sub-districts. "This was just a complete team effort," Kuester said. "Everyone contributed like they have all season. I was real pleased with the way we played defense and with Heather Sachau's play. She was all over the floor digging up loose balls."

The Lady Eagles reached the district finals by winning the D1-7 sub-district tournament in Ponca, Monday.

Allen defeated Newcastle in the first round, 15-4, 15-12 before

MEMBERS OF THE Class D-4 district championship volleyball team, Allen, include from back row left to right: Head coach Tracy Kuester, Jamie Mitchell, Michelle Isom, Holly Blair, Sonya Plueger, Bobbie Stingley and assistant coach Sandy Chase. Front row: Marcia Hansen, Dawn Diediker, Heather Sachau, Christy Philbrick, Shelly Smith, Steph Chase and Steph Martinson. Allen will take a 20-3 record into the state tournament next Friday and Saturday in Lincoln's Pershing Auditorium.

eliminating Coleridge, 15-10, 15-13. Against Newcastle, Steph Chase led the way with 11 points aided by eight aces. Steph Martinson followed with eight points.

Dawn Diediker and Christy Philbrick each had four set assists while Heather Sachau led the hitters with eight ace spikes. Martinson finished with four ace spikes. Martinson also had four blocks while Sachau had two.

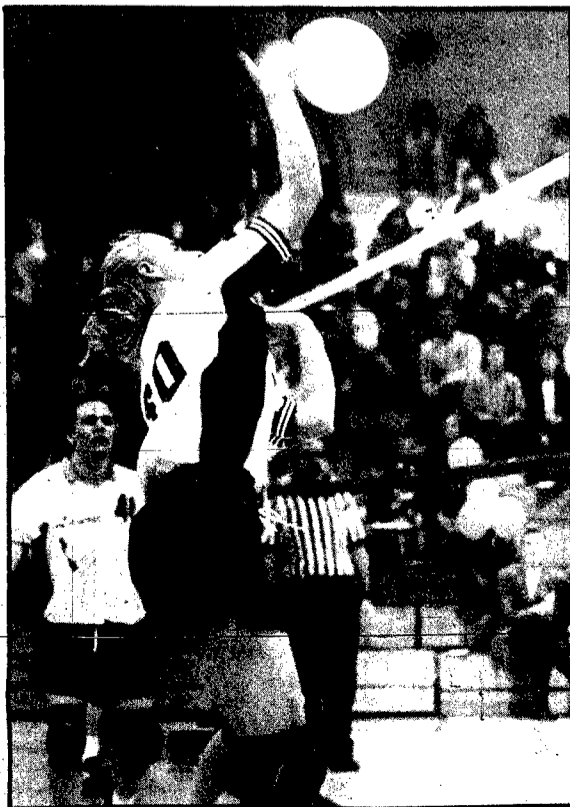

"We really didn't play that well,"

Kuester said. "We seemed to be a step slow and our communication wasn't that good."

Sachau led Allen in scoring against Coleridge with eight points while Martinson had six points and Chase, five. Philbrick led the setting crew with eight assists while Diediker had seven. Martinson was the leading hitter with 10 ace spikes and Sachau had six while leading the blockers with eight blocks while Martinson had seven.

"Again in this match we were slow footed," Kuester said. "We weren't reading the ball real well but we came away with the win which is what we set out to do."

The 20-3 Eagles do not know who they will play in the first round of the state tournament because all of the districts had not been completed at press time. It is known that they will play on Friday evening at Pershing Auditorium in Lincoln.

Winside earns district final volleyball berth

The Winside volleyball team advanced to the district finals for the third consecutive year, Tuesday night and they will travel to Neligh on Friday where they will attempt to earn their third straight trip to the Nebraska State Volleyball Tournament—their first ever, however, as a Class C-2 school.

Mundil and Colwell were also the leading blockers with four and three respectively. "We came out and took control of this match right away," Schroeder said. "We never trailed."

Winside came out flat against Osmond and it cost them the first game, 6-15. They kept their composure, however, and won the next two games, 15-10, 15-8.

"On paper it looks like we really were in control in the second and third games," Schroeder said. "The games were closer than the score might indicate."

Stacy Bowers went 15-15 with four aces while Holly Holdorf was 11-11 with six points. Kari Pichler finished with five points and Catherine Bussey had four while Wendy Miller and Yolanda Sievers had three each.

Bowers was 29-29 in setting with five assists and Pichler was 25-25 with eight assists. Holdorf was the leading hitter with 11 ace spikes while Mundil had seven and Chris Colwell, five. Bussey finished with three aces. Mundil was also the leading blocker with seven.

Laurel records history with win in state playoffs

By Kevin Peterson
Sports editor

The Laurel Bears football team etched their names into the record books on Wednesday night, after they recorded their first ever state playoff victory.

Tom Luxford's Bears defeated David City, 18-6 to advance to the quarterfinals of Class C1. Laurel will now travel to play David City's other team, Aquinas on Monday night in a 7:30 p.m. kickoff.

"We knew coming into the game with David City that we couldn't afford mistakes if we wanted to win," Luxford said. "I thought we did an outstanding job on defense in the second half."

The Bears defense—a pillar of the team's strength all season, helped provide the offense with points as they recovered two fumbles and intercepted two passes.

"Coming into the game we knew the key for us was to stop their potent option game and I thought we did a nice job of doing just that," Luxford said. Offensively, we converted a couple crucial fourth down attempts and we held them when they tried to gain yardage on fourth downs."

Laurel never trailed against David City, scoring the first touchdown of the game early in the second quarter on a one-yard run by quarterback Travis Monson.

David City, however, came right back and went the length of the field in just four plays and scored on a 44-yard pass play. The game was tied at six at the intermission.

Following a scoreless third quarter the Bears put together an 80-yard drive and scored on a Monson four-yard run. Laurel's last score

came later in the fourth period when Monson scored from three yards out.

The Bears finished with 11 first downs and 168 yards rushing while David City had five, first downs and 131 yards on the ground. Laurel was 2-4 through the air for 72 yards and David City was 4-15 with two interceptions, for 102 yards.

Kelly Arens was the leading rusher for Laurel with 69 yards while Monson gained 34 and Cody Carstensen, 28. Chris Hartung caught both passes for 72 yards.

Defensively, the Bears were led by Monson with 15 tackles and an interception while Mark Dickey had 13 tackles and a fumble recovery. Kyle Schutte finished with nine tackles and Steve Stanley had eight while Kelly Arens, Dustin Roberts and Ben Donner had seven each. Carstensen also had an interception which gave Laurel 15 air thefts on the season.

Stay in your car

The Nebraska Civil Defense Agency (NCDA) advises everyone to avoid driving in severe winter storms, but they say if you are trapped by a blizzard, stay in your car and await rescue.

Leaving your vehicle is inviting disaster. You can become disoriented in a blizzard and being lost in a severe storm is exceedingly dangerous.

If your car is disabled and you find yourself trapped, turn on the engine occasionally to provide heat, but always leave a down-wind window open slightly to avoid deadly carbon monoxide poisoning. Make sure your exhaust is free of snow.

Exercise occasionally to increase circulation by clapping your hands and moving around. Do not remain

in one position for long periods of time. To avoid exposure and overexertion, don't spend a lot of time shoveling snow or pushing the car.

Leave the dome light on at night as a signal for rescuers and tie a brightly colored cloth to the radio antenna.

The best bet is to have your car winterized before winter sets in and have an emergency kit in your car along with a small supply of high energy foods.

A well-planned emergency kit contains blankets, an extra set of dry clothes, a shovel, sand, tire chains, jumper cables, a first aid kit, a flashlight with extra batteries and an antenna cloth.

Make sure withholding is correct

Because of the growth of the average income tax refund over the years, in early 1992 Federal Income Tax withholding rates were reduced.

When the withholding rates were lowered last February, the Internal Revenue Service suggested that taxpayers review their individual withholding, and submit a new Form W-4 to make any changes necessary to insure the correct amount was withheld. Those who may have over-looked, or forgotten to make those changes should take the time now to make sure their withholding is correct.

The IRS is concerned that many people will not get the refund they expect, or worse yet, may have an unexpected balance due when their returns are prepared early next year.

IRS Publication 919, "Is My Withholding Correct?" is available for anyone who has questions about their withholding. The publication provides worksheets to help figure how much should be withheld from each paycheck. If a person finds they need to have more withheld

each pay period, a new Form W-4 should be given to their employer. An extra payment may also be made by using Form 1040-ES, "Estimated Tax for Individuals." Publication 919 and the Form

1040-ES can be ordered by calling toll free 1-800-829-3676 and Forms W-4 are available from employers. Persons with questions about the withholding rates can call the IRS toll free 1-800-829-1040.

Like riddles? This alabaster Sphinx has puzzled the world for centuries. Steadfast and unmovable, this hauntingly beautiful figure was symbolic of ancient beliefs that were eroded as though by desert sands.

The world's major religions incorporate—but rarely practice—the Golden Rule.

Until the rule is universally observed; the cheek turned, and love of one's neighbor persistently practiced, yet another riddle shall haunt mankind.

"Be ye steadfast, unmovable, always abounding in the work of the Lord." 1 Corinthians 15:58

Winside youngsters 'treated'

Photography: Dianne Jaeger

CHILDREN OF THE WINSIDE community were "treated" to a Halloween party on Oct. 31, sponsored by the Winside Woman's Club. Approximately 105 youngsters attended, and games were played with members of the Winside Student Council in charge. Ashley Frevert, at left, would obviously rather be playing games than stopping to pose for a picture as Minnie Mouse. Ashley is the four-year-old daughter of Cynthia Frevert of Winside. In the top photo, nine-month-old Markus Tomka, at left, and seven-month-old Hope Voss seem content to sit and watch the action. Their parents are Doug and Shawnette Tomka of Norfolk and Tim and Denise Voss of Winside.

Dwaine and Carmen Lienemann asked for approval of extended business hours for Dad's Place on 10/31/92 and 12/31/92. Motion by Miller seconded by Sellin for extended hours on these two dates. Dwaine also asked what procedure is necessary for permanent closing time of 1:00 p.m. He was advised by the board that this request should be placed on the agenda. Russ Doffin asked about closing the eastwest alley between Pam Peters and him. A request of all parties surrounding the alley would be necessary. Motion by Miller seconded by Scheurich to allow permit.
