

Board takes hard look at buildings

An earnest look at the overall building needs for the school district in Wayne is what the school board is going to be doing the next few weeks, and may end up appointing a citizen committee to begin study on the best approach to take to the structural needs.

Highest priorities are likely to be major renovations or replacements for the Middle School and Carroll Elementary because of the problems with handicapped accessibility to those locations. However, other concerns also exist. The school board members were shown the makeshift weight room at the high school and heard from representatives of the Wayne Booster Club about the willingness of that organization to conduct major fund raising efforts to assist with development of a permanent weight room facility for the school.

Additionally, libraries are crowded, special education is under

spaced and gym space continues to shrink as usage demands increase, said Superintendent, Dr. Dennis Jensen. He said the High School art room also needs attention since it is crowded, has no windows and is under the gym floor with constant noise and bouncing balls overhead.

The school board has set a special meeting for Oct. 5 at 7:30 p.m. in Room 209 of the High School to begin discussing these issues.

They heard Tuesday from Special Education Administrator Bob Uhing about the immediate and longer term improvements the schools will need to meet Americans with Disabilities Act (ADA) requirements. He estimated expenditures in the \$2,000 to \$4,000 range mainly for playground improvements would get the schools by this year, but major work would need to be done to the Middle School in the next couple of years he said as children in wheelchairs are expected to move through the system.

District back in court

LINCOLN, Neb. (AP) -- The flap over legislative redistricting in Northeast Nebraska is back in the courts.

A judge threw out an attempt to halt the plan right before November's general election. Although a temporary restraining order was denied, the original lawsuit lingered.

Now, another Lancaster County district judge is considering the request to force lawmakers to draw a new map.

The lawsuit filed by Gus Pick of Hartington, one of the candidates

eliminated by the redistricting plan, asks the court to declare the plan -- developed in a special session of the Legislature in 1992 -- unconstitutional.

District Judge William Blue has given attorneys through Oct. 12 to file written briefs in the case.

During a brief hearing Tuesday, Pick's attorney amended the lawsuit to add William D. Dendinger, a taxpayer and voter interested in the issue, as a plaintiff.

Wee Willy Winkle

Melissa Temme, daughter of Vel and Sue Temme, shows her Wee Willy Winkle imitation during pajama day for the kindergartners at Wayne. Children made their own hats and the classes of Mrs. Jenkins and Mrs. Tiedtke teamed up to sing to the cooks and in return were given a night time snack of milk and cookies. The theme for this year's kindergarten classes is Nursery Rhymes according to Jenkins and the math part of this project was graphing what time the children go to bed at night.

New senator is learning the ropes

By Les Mann
Of the Herald

State Sen. Pat Engel of South Sioux City "is a student again."

The long time insurance agent and Dakota County elected official is busy learning the ins and outs of the state legislature since his appointment to fill the unexpired term of Sen. Kurt Hohenstein.

Engel was in Wayne Thursday to meet informally with several community leaders and to introduce himself to the local media.

His main goal in the months between the appointment and the start of the next legislative session will be to learn as much as he can about what his new constituents want from their state senator and to learn about the process in Lincoln.

"I MAY NOT hit the ground running," he predicted of his first legislative session which will start in January. "But, I certainly want to go in there at a fast walk," said the 61-year-old salesman.

Pat Engel

He said he has been busy setting up his Capitol office, hiring staff and researching hold-over issues that will be coming back before the legislature from previous sessions.

Engel has hired Kelly Karl Ptacek as his legislative aide. She made the Thursday "get acquainted" visits

with her new boss. Mrs. Ptacek a native of Pennsylvania, moved to Nebraska in 1990 with her soon to be husband Pat, who is the assistant director of agriculture in Nebraska. A Nebraskan, Pat had attended Wayne State College and UNO before moving to Washington, D.C. where they met. Both were government aides.

PRIOR TO BEING hired by Engel, Mrs. Ptacek was a legislative aide for Sen. Dennis Baack. The new senator's Capitol office number is 471-2716.

While his main goal is representing the interests of his constituents, Engel isn't reticent to talk about his own personal interests as well. He is an unabashed pro-life advocate; he said he is a strong proponent of

education ("you can't pay good teachers enough") but he thinks we can do everything including educating our young people more efficiently; he has a particular concern about crime—especially juvenile crime, and he is concerned about the impact legislative actions have on local governments.

FROM HIS PREVIOUS posts as school board member and county commissioner he said he was often aggravated by mandates handed down from Lincoln. But he said he is now reminded that it is not good to be "totally critical until you find out what is going on." He said it would be interesting to be on the other end and he thinks as state senator he will

City suffers default

The City of Wayne should have sought more collateral or done a better background check on dry cleaning operators who have defaulted on an economic development revolving loan fund said City Administrator Joe Salitros.

Don and Yvonne Spoor had received a \$10,000 loan from the city's revolving loan fund to help finance the opening of Wayne Dry Cleaners on Main Street.

The city had accepted as collateral for the loan; the dry cleaning equipment acquired by the Spoor family to operate the business.

Tuesday night the city agreed to sell the equipment for \$3,600 to Wayne Marsh, who owns the building the Spoors had rented. He hopes to lease the building and equipment to another operator.

Meanwhile, Salitros said efforts

to contact the Spoors, who have left town, have been unsuccessful. He said the city will continue to pursue efforts to collect the approximately \$5,000 the family still owes Wayne.

However, he wasn't hopeful about the chances. He said the opportunity to sell the equipment the Spoors left behind was a good deal according to appraisers of that kind of equipment.

Salitros also defended the effort to develop jobs and services in Wayne through the revolving loan fund, a large amount of which was provided through the initial loan to Timptie (now Great Dane) to construct a trailer manufacturing plant here.

He did say, however, that the loss on the dry cleaner loan will undoubtedly make the city more cautious about future loan applications.

lar County District Judge Darvid Quist.

Sitton was sentenced to 10 years to 20 years in prison on one count and one year to three years on another count, to be served consecu-

Record cold leaves area crop damage

By Les Mann
Of the Herald

Northeast Nebraska got a hint of fall a little early Tuesday night when temperatures dipped into the high 20s and hitting approximately 30 percent of the county's crops with at least some crop damage according to the Wayne County Agricultural Stabilization and Conservation Service (ASCS).

The record setting frost came nearly a month early for the region and in a year when farmers would have liked to have stretched the growing season longer than normal because of a late, wet spring. Tuesday's frost was vexing indeed.

SOYBEANS SUFFERED the most damage, said Larry Wetterberg, with the ASCS office in Wayne. He said the damage to corn was slight because most of it is in the dent stage. "There will be some shrink, I'm sure," but he added the damage to corn was not severe, as it could have been if the temperature had been lower than the 29 degrees recorded in Concord and the 30 degrees in Wayne. Some farmers reported dips as low as 28 degrees, he said.

"For us here, this is the most disastrous weather we've had this year," said Wetterberg. He said he saw one late planted soybean field that "was finished" by the frost. Damage sustained by the soybean crop depends on the maturity of the beans and it may be several days yet before the true story is known on the amount of loss.

Wetterberg said the county sent in a frost report that included 30 percent of the cropland, mainly that in the low lying areas. He said the western area of the county appeared to come through the cold snap a little better than other areas.

THE 32 DEGREES recorded in Norfolk was not a record for the date and only marked the sixth earliest frost there. The area average frost date usually comes in the first week of Oct.

The Norfolk Weather Service Office says there should not be another concern about frost through the end of next week and possibly longer than that.

"With conditions the way they were this year we need every day we can get," said Wetterberg. He said the bright side of Wednesday's cold snap was that 60 to 70 percent of the county crops sustained no damage and can continue to mature until the next frost warnings.

STATEWIDE, FARMERS and county extension agents are surveying damage left by the cold front.

As much as 50 percent of the edible dry bean crop in the nebraskas Panhandle was considered lost.

The freeze was yet another problem for this year's dry bean crop, which has been hit by hail, wet weather and disease. Only 11 percent of the crop has been harvested, the state Agricultural Statistics Service said this week.

And only 4 percent of the soy-

FARM SAFETY WEEK

September 19 - 25

If you are thinking of building new grain bins for storage this fall, you should be aware of the National Electric Safety Code Clearance Envelope. The location of your bins in relationship to existing power lines has been clarified by this code. Utilities are required to maintain these clearances for new installations. The code states that the clearance on the loading side of the bin must be 18 feet above the highest filling or probing part of the bin. This clearance must be maintained for a distance equal to the height of the bin, plus 18 feet measured out from the edge of the bin.

The best solution to this problem is to contact the District Office prior to picking the new grain bin site, and have district personnel check for possible clearance problems. We would also like to remind everyone to practice an extra margin of safety during the busy fall harvest season.

City acts on key issues

Wayne City Council used a relatively short meeting Tuesday to take care of several crucial issues for the future of the city.

Council approved on first readings the new zoning and subdivision regulations for Wayne. Final approval on the new rules for housing and commercial developments in the city is expected at the next council meeting. Approval of the new regulations will culminate a two year process of revising the city zoning codes, prompted outensively

to ease restrictions on housing development.

Council approved on a unanimous vote, the annexation of the land which is being developed as Vintage Hill Addition, a major new housing development for the community. No one voiced opposition to the annexation at a public hearing which preceded the vote.

Council approved the implementation of a 50 cent per month surcharge on phone bills in the city to help finance an Enhanced 911 emer-

gency dispatching system for customers in the 375 phone exchange. The surcharge is expected to show up on phone bills after the first of the year. E-911 service will not be available in Wayne for several years.

Council repealed an earlier ordinance creating a sidewalk improvement district for new sidewalks in the Northeast quadrant of the city. The repeal followed protests from a majority of the residents in the affected area who said they didn't want new sidewalks in their neighborhood.

Dean Carroll Pamida has new manager

Pamida Discount Center in Wayne has a new manager who is an old assistant manager. Dean Carroll has returned to his hometown to manage the store where he used to be the assistant manager four years ago.

The son of Ed and Delores Carroll, Dean moves back to Wayne from previous assignments in the Pamida organization in LeMars and Humbolt, Iowa. His natural mother is the late Loraine Carroll. He is a graduate of Wayne High and Wayne State College and said he is excited about the opportunity to return home to manage the store in Wayne.

Carroll and his wife Shelly have two sons, Derek, 5, and Taylor, 17 months. He said he is currently living with his father and is looking for housing to move his family here.

He added he has been pleased with the positive response he has received in welcoming him back to Wayne.

Carroll replaces Corey McLaughlin, whose plans were not announced.

THE OLDEST VETERAN in Wayne County was honored Wednesday at Wayne Care Centre when he was presented with a medal commemorating the 75th anniversary of the end of World War I. James Hansen, 97, is shown receiving his medal from Wayne County Veteran's Service Officer Wayne Denkla. Commemorative medals like Hansen's are being presented this fall to all the surviving World War I veterans. Hansen is Wayne County's last surviving veteran of that war.

Countian, 97, receives World War I medal

By Les Mann
Of the Herald

The only remaining World War I veteran living in Wayne County tearfully thanked those responsible for the veteran's medal he received Wednesday.

Jim Hansen, 97, a resident of the Wayne Care Centre, served in France in the Army in World War I and was one of thousands of doughboys who participated in the harrowing St. Michael Offensive.

He received a 75th Anniversary Commemorative Medal during a ceremony at the Care Centre attended by family, friends and other veterans.

Wayne County Veteran's Service Officer Wayne Denkla made the official presentation. Denkla said

it is quite a feat to receive one of the 30,000 anniversary medals being distributed this month and next to all the living vets of World War I. Only that many veterans remain out of the 4.7 million Americans who participated in the service during the war. The number of remaining World War I veterans is decreasing at the rate of 25 per day.

He said the average age of remaining World War I veterans is 95 years old.

The medals commemorating 75 years since the armistice were the endeavor of the Robert McCormick Tribune Foundation as a gift to the nation's doughboys during the commemorative period. The medal is a replica of the World War I victory medal that was awarded to servicemen and women who served in that war.

Court

If the judge decides the redistricting law is unconstitutional, the ruling would not affect the senators elected in November, said John Guthery, the Lincoln attorney arguing for the lawsuit.

It would mean the Legislature would have to come up with a different redistricting plan, hopefully before the 1994 elections, Guthery said.

In September 1992, District Judge Donald Endacott, who was then handling the case, denied a restraining order that would have stopped the new legislative district plan. That meant Pick and De Carlson of

Crofton were unable to run as candidates in the general election.

Pick and Carlson had won in the primary election in the 19th District in northeast Nebraska until the new boundary lines passed by the Legislature in its redistricting plan left both without a district.

The Legislature assigned District 19 to Madison County to comply with a Nebraska Supreme Court ruling. The Legislature put Pick's area in District 18, represented by Sen. Stan Schellpeper of Stanton, and Carlson's area in District 40, represented by Sen. M.L. "Cap" Dierks of Ewing.

A mass band performance is also scheduled during halftime at the WSC-Bemidji State football game, which starts at 1:30. Awards presentations will be during half time as well.

BICYCLISTS WILL be rolling into Wayne Saturday afternoon and evening from Fremont as the annual MS-150 Bike to the Border benefit ride will feature an overnight stay here. More than 100 cyclists and supporters will be participating. Their efforts through sponsorships are benefiting the Multiple Sclerosis Society. They are scheduled to arrive at Gavins Point Dam on Sunday.

The bike riders will be treated to a spaghetti supper Saturday night and pancake breakfast early Sunday morning, both being served by volunteers from civic clubs in Wayne.

ABOUT THE time the bikers are getting through, horseback riders will be arriving at the Wayne "trailhead" for the Northeast Nebraska arm of the River City Roundup Trail Ride. Nearly 100 riders and support vehicles will be leaving Wayne Monday morning, parading down Third Street from the Wayne County Fairgrounds then south on Highway 15 bound for Altona on the first leg of a five day ride to Omaha.

The lawsuit asks the judge to rule that the redistricting law violates both the state and U.S. constitutions.

The lawsuit is filed against Gov. Ben Nelson and Secretary of State Allen Beermann. The senators elected in the new districts joined the lawsuit as defendants.

Guthery said he submitted evidence used at the last hearing on the temporary restraining order.

Assistant Nebraska Attorney General Dale Comer said Wednesday he's not sure what, if any, new arguments could be made until he sees Guthery's briefs filed next month.

The riders from Northeast Nebraska will be joined by a group from Western Nebraska and one from Western Iowa for honors at the opening of the River City Roundup at AkSarBen in Omaha.

Jack Kavanaugh of Laurel is the trailboss and he is being assisted by Mark Sorensen of Wayne.

Activities, including a dance, are planned at the Fairgrounds for the trail riders Sunday night.

Cold

(continued from page 1)

Beans in Nebraska were dropping leaves as they started to mature, about two weeks behind normal, the service said.

"Beans are turning color at about the same time as last year, but it's still way behind normal," said Bill Dobbs, the service's deputy state statistician. "We were late last year, but we did not have the early freeze."

THE COLD SNAP also forced farmers to decide whether to let their crops mature in the field -- including frost-nipped plants that need time to dry out -- or plow the fields under for payments under a federal crop program.

Friday is the deadline for farmers to scrap their crops for payments under the federal "0-92" program. The payments are calculated by a complex formula that weighs usual crop subsidies for farmers, the number of failed and destroyed acres and market prices.

The program does not fully compensate producers for lost crops.

Warmer temperatures moved into Nebraska on Wednesday, but clearing skies and decreasing winds allowed temperatures to fall to the freezing point Tuesday night, the National Weather Service said. The state's lowest overnight temperature of 29 degrees was reported in several locations.

tively.

Ronald J. Grove, 26, of rural Carroll, had pleaded guilty to two counts of sexual assault of a child and was sentenced Monday from one year and eight months to five years in prison.

Authorities said Sitton and Grove spent time in the same house in Belden and sexually abused children who lived in the house. Sitton

pleaded guilty to incidents that authorities said occurred between September 1989 and January 1992. Grove pleaded guilty to incidents that authorities said occurred around November 1991.

One other man who lived in the house in Belden, Dale R. Evans, 38, had pleaded no contest to two counts of sexual assault of a child and was sentenced to two consecutive prison terms of 18 months to 30 months.

Library seeks opinions

The Wayne Public Library is doing two surveys to evaluate community needs and services. One will be a random survey to residents with a Wayne telephone prefix and will arrive in the mail with a self-addressed stamped envelope for the response.

There will also be an in-house survey available in the library only for patrons and any interested persons. The library encourages everyone to participate.

The survey will be a help to architects from Khounek & Povondra of Omaha who are currently doing a feasibility study of the li-

brary. The study will help determine space and service needs possible in the existing building, as well as make recommendations and cost options to the library board and the city regarding our library building options.

The deadline for the surveys will be Oct. 1. For questions or further information, please contact the library at 375-3135.

Charity Singers will sing for Harvest Fest concert

The Charity Singers from the Wausau Covenant church will be featured at the Annual Harvest Fest, sponsored by the Pender Covenant Women. This Harvest Fest concert will be at 7:30 p.m. Sunday, Oct. 3 at the Evangelical Covenant Church, 814 Whitney Street, in Pender.

Kansas, Iowa, Colorado, South Dakota and Minnesota for the past 15 years.

Because The Charity Singers combine newer Christian songs with the older standards of the church, their concerts are enjoyed by people of all ages.

Sharing God's love through music is the main purpose of the gospel music group known as The Charity Singers. Consisting of four women and four men, the group has been praising God in churches, camps, high schools, and various celebrations throughout Nebraska,

In recent months they have sung during their church's centennial celebration and at a concert in the park in support of the Covenant church-planting project in Norfolk.

This Harvest Fest concert is open to the public. An offering will be received, and refreshments will follow.

Greater love has no one than this, than to lay down one's life for his friends.

Wayne football team drops to 0-3 with defeat at GICC

The Wayne Blue Devils slipped to 0-3 on the football season after a 40-12 setback to Grand Island Central Catholic in Grand Island, Thursday night.

Lonnie Ehrhardt's crew fell victim to the Golka brothers as Gary Golka directed the Crusaders from the quarterback position and brother Tim ran for 207 yards in the first half en route to a 270-yard night on the ground while scoring five touchdowns.

Wayne suffered two big turnovers in the first quarter which led to 14, GICC points. The first came on a 27-yard run by Tim Golka and the second on a 17-yard run by the younger Golka.

Wayne came back and marched down the field and scored on a 16-yard gallop by Dusty Jensen to make it a 14-6 contest but on the

first play of GICC's ensuing drive, Golka sprinted 65 yards to paydirt. He closed out the first half with an eight-yard run to make it 27-6 at the intermission.

Golka's score before half came with 30 seconds left on the clock and culminated a long Crusader drive which was aided by a 53-yard run by Golka.

The host team scored first in the third quarter as Gary Golka connected with his receiver Caraway on a 70-yard scoring strike on a third down and long play. Wayne came back and scored when quarterback Matt Blomenkamp hooked up from 40 yards out to Jason Carr.

The final scoring of the game came towards the end of the third quarter when Golka broke loose on a 50-yard scoring run.

The loss shadowed efforts by

Blomenkamp and Carr as Blomenkamp threw for a career best 256 yards while Carr enjoyed his best day as a Blue Devil with nine catches for 145 yards on offense and an interception and fumble recovery on defense.

"Our defense as a whole, just didn't tackle very well," Ehrhardt said. "You have to give Golka credit because he's a heck of a back but we didn't help our own cause."

Ehrhardt said he was pleased with the way his squad played in the second half. "Once our defense settled down and started getting to the places we needed to be, we did a good job," Ehrhardt said.

Ehrhardt said the biggest factor so far this season has been his line's inconsistency in controlling the line of scrimmage. Defensively, Wayne was led by Josh Starzl with

nine tackles while Dusty Jensen and Jason Shultheis had six each. Matt Robins finished with five and Cody Stracke had four.

The Blue Devils will be in action again next Thursday when they travel to play preseason number one Norfolk Catholic.

Winside returns to state form in winning own meet

By Kevin Peterson
Sports editor

The Winside volleyball team captured the championship of their own invitational, Tuesday night. In the opening match the Wildcats defeated Osmond, 15-10, 10-15, 16-14 while in the other first round game Wakefield downed Coleridge, 15-10, 9-15, 15-8.

The consolation game had Coleridge defeating Osmond, 16-14, 5-15, 15-1 and in the championship Winside got its revenge on Wakefield with a straight games, 15-8, 15-6 victory. Ironically, both Winside and Wakefield handed each other their first losses of the season.

In the Wildcats match with Osmond, coach Angie Schroeder said her squad came with a fingernail of playing in the consolation game. "We had just travelled to Osmond the week before and beaten them pretty handily but they almost returned the favor," Schroeder said. "I think we felt it was going to be easier than it was."

Christi Mundil led the team in scoring with 10 points while

Yolanda Sievers had eight and Kari Pichler, seven. Chris Colwell and Catherine Bussey finished with six and five points, respectively.

Mundil was 18-20 in serving with seven aces while Pichler was 16-17 with four aces. Colwell, Sievers and Stacey Bowers each had two ace serves and Bussey had one.

Pichler was 41-44 in setting with 16 aces and Bowers was 31-34 with 10 aces. Sievers was 16-20 in hitting with 11 kills to lead Winside while Colwell had eight kills. Mundil and Bussey finished with six and five kills, each. Pichler had six blocks to lead the defense and Colwell notched 14 digs for tops on the team. Bowers had 12 digs and Pichler, Mundil and Bussey had 11 apiece.

WAKEFIELD'S FIRST round match saw the Trojans improve to 3-0 as Kari Baker and Mary Torczon scored 12 points apiece to lead the winners while Melissa Haglund chipped in with six. Haglund was 12-12 in serving with three aces and Torczon was 9-9.

Kathy Otte directed the Trojans

offense with nine assists on 34-37 sets and Torczon was the top hitter with eight kills on 18-20 attempts. Amy Hattig was 6-7 with four kills.

Jamie Oswald was the best passer for the match according to head coach Paul Eaton. "Jamie had a pretty good game all-around," Eaton said. "She was 6-6 in free ball passing and was 9-13 in serve receive passing. As a team, we played well at times but we're still struggling with our inexperience."

THE CHAMPIONSHIP game proved to be all Winside as the Wildcats improved to 4-3 and handed the Trojans their first loss. The game was a combination of Winside playing its best volleyball of the year and Wakefield playing below its potential.

Christi Mundil led the winners in scoring with 10 points while Chris Colwell had six. Catherine Bussey netted five points and Stacey Bowers scored four.

Bowers was a perfect 12-12 in serving with three aces while Bussey was 9-9 with two aces. Colwell was 6-8 with five aces and

Mundil was 6-7 with three aces. Yolanda Sievers with 5-5 and Kari Pichler was 3-3.

Wakefield was led by Kathy Otte with a 7-7 outing that netted one ace. She was also the leading scorer for the Trojans with four points. Otte was 27-32 in setting with six assists while Winside was led by Kari Pichler with a 14-14 performance that garnered six aces. Stacey Bowers was 11-14 with four aces.

Mundil rocked the Wakefield defense with nine kills on 12-13 attempts while Colwell and Bussey had two kills each. Jamie Oswald led Wakefield in hitting with six kills after a perfect 9-9 hitting night while Mary Torczon netted four kills.

"This was a completely different team from all other matches we've played this season," Schroeder said. "We looked like we did toward the end of last year with determination and team play."

The two teams will undoubtedly tangle again this season and possibly twice more with the Lewis & Clark Conference Tournament and districts.

Trojans to host Hartington, Tuesday

Wakefield spikers beat Wausa

Paul Eaton's Wakefield volleyball team improved to 4-1 with a straight games victory over Wausa, Thursday in Wakefield, 15-13, 15-11. The Trojans jumped out to a 4-2 lead in the first game only to have Wausa come back and score 11 unanswered points to lead 13-4.

Wakefield, however, did not panic and kept its poise and scored the game's next 11 points to win. The second game was closer throughout but Wakefield led the Vikings off for the win.

Kari Baker led the team in serving with a 12-12 outing and four aces while Melissa Haglund was 9-9 with one ace. Mary Torczon was 5-5 with one ace but Torczon led the Trojans in scoring with 10 points while Baker tallied seven.

Kathy Otte was 34-37 in setting with 10 assists and Torczon was the top hitter with six kills while Amy Hattig notched four. Torczon was also the leader on defense with four ace blocks and seven total while Hattig had two blocks.

Baker and Stacey Preston each had three digs and Baker was the leader in serve receive at 4-5. She was also 3-3 in free ball passing.

Eaton said he's very pleased to be 4-1 at this point of the season but says his team has an awful lot of improvement to make before the season's end. "Our blocking game is a real weakness at this point,"

Eaton said. "We're concentrating on that area right now."

The Trojans will host Hartington on Tuesday night before hosting a triangular with Bancroft-Rosalie and Walthill on Thursday.

Wakefield's "C" team won over Wausa, 15-8, 15-6 and the "B" team won, 15-17, 15-2, 15-10.

MARY TORCZON slams a spike into the Wausa defense during game two of Thursday's straight games victory.

WAKEFIELD'S KALI BAKER serves to Wausa during action Thursday. Behind her is a poster entitled relentless pursuit which is exactly what the Trojans did to win game one after trailing 13-4.

Sports Briefs

Fresh football team wins two

WAYNE-The Wayne freshman football team won a pair of games, recently, downing Hartington Cedar Catholic by a 6-0 margin on Sept. 9th and blasting Pierce, 40-6 last Monday.

Against Cedar Catholic the locals took the opening kickoff in the third quarter and drove 70 yards in 12 plays and scored on quarterback Paul Blomenkamp's one-yard plunge.

Tyler Endicott led the team in rushing with 141 yards on 16 carries. Defense was the story in this contest as Jeremiah Rethwisch had eight tackles while Nick Vanhorn finished with six. "The kids really played great defense," coach Duane Blomenkamp said. "Last year Cedar was the only team to beat these guys so it was kind of a revenge contest."

At Pierce last Monday the Blue Devils breezed to victory as Jeremy Meyer paced the way with three touchdowns on runs on seven and 15 yards along with a 71-yard kickoff return. Tyler Endicott scored two touchdowns on a six-yard run and a 12-yard run and Brian Fernau scored on a four-yard run. Fernau also converted a two-point play on a run and Vanhorn caught a pass from Blomenkamp on another two-point play.

Endicott rushed for 104 yards to lead Wayne and that was all in the first half. Lyle Lutt led the defense with eight tackles while Vanhorn and Tony Hansen had seven apiece. Wayne will host Schuyler next Thursday at 5 p.m.

The 3-4 'Cats didn't play up to the potential Vanis knows they can. "I thought we were very inconsistent," Vanis said. "We never put a good, complete game together, even when we won game three, it wasn't a complete game."

Cassie Vescio led the team in hitting with 16 kills on 39 attempts while Lora Grant had 15 kills on 41 attacks. Laura Pfister finished with 13 kill spikes on 35 attempts.

Cindy LeCrone notched 45 set assists in directing the Wayne State offense and defensively, Grant led the team with five digs while Vescio and Grant had two ace blocks apiece. Rated 'Cats set for Bemidji contest

The Wayne State Wildcats football team will enter Saturday's game with Bemidji State of Minnesota as the 19th ranked team in NCAA-II. The North Central Conference's North Dakota State is the front runner while other North Central teams North Dakota is seventh and Mankato State is ninth.

The 'Cats are coming off an impressive home opening blowout of Morningside, 44-17 last week and will look to continue their offensive explosion against the 0-1 Bemidji State Beavers—losers of a 42-3 contest at South Dakota University last Saturday.

On paper it looks as though it could be another Wildcat win in a big way but head coach Dennis Wagner is hoping his squad doesn't let down. "We can't afford to play at the level of our opponent's but at the level we know we can play at," Wagner said.

Top gun quarterback Brett Salisbury is the nation's top quarterback in NCAA-II after two games and the Wildcats offense is tops in the country overall, averaging 598 yards per game including last Saturday's school record setting 627 yards.

Salisbury is averaging 484 yards per game through the air and is the top passer in the nation with a rating percentage of 202.4. He has completed 58 of 76 passes for five touchdowns with just one interception—Salisbury also leads Division II in total offense at 486.0 per game.

When you analyze Salisbury's stats you look at the squadron of receivers he's got including Damon Thomas and Byron Chamberlin. Thomas ranks third in the nation in yards receiving per game at 162 while Chamberlin ranks fourth in the country at 159 yards per game. Thomas ranks seventh in receptions per game at 9.0 while Chamberlin is 10th at 8.0 catches per outing.

Thomas is also ranked ninth in the country in all purpose running at 200.0 yards per game. Placekicker Andy Parr is tied for seventh in field goal kicking at 1.5 per contest. WSC ranks 15th in the nation in scoring offense at 38 points per game and they rank 17th in turnover margin at 1.50.

Although WSC's 19th position in the top 20 is admirable, perhaps more importantly is its rankings in the Region. The 'Cats are fifth behind North Dakota State, North Dakota, Mankato State and Pittsburg State. The University of Northern Colorado is sixth. The top four teams in each region automatically qualify for the post season playoffs. Wildcard selections are also a possibility but they come from all regions.

Wayne wins in straight games over Bluejays

After struggling at the North Bend Volleyball Tournament last Saturday the Wayne volleyball team got back on the winning track with a straight games victory over Pierce, Thursday in Pierce, 15-6, 15-6.

Post scored nine points to lead the Blue Devils and Lutt scored seven while Fink and Thompson netted five each. Beiermann and McDonald each had two points.

Thompson was the leader on defense with three ace blocks and Hudson had one. Thompson and Hudson also shared team honors in serve receive with five aces each.

"We did a really nice job of playing as a team," Hoskins said. "We came mentally ready to play this match. We did a good job of staying low on defense and just played a complete game."

Wayne's "B" team was defeated by Pierce, 12-15, 15-10, 9-15 but the "C" team won, 14-16, 15-3, 17-15. Kari Wetterberg led the "B" team with 11 points and Anne Wiseman led the "C" team with 14 points. The freshman will play in the Norfolk Tournament on Saturday.

Laurel drops two matches

Laurel volleyball coach Patti Cunningham saw her team jump out to a quick 3-0 start on the season but the Bears struggled this week losing to Crofton on Tuesday and Plainview on Thursday.

Tuesday in Crofton the Bears were beaten soundly, 15-5, 15-2. "Crofton has a very good team," Cunningham said. "Add that with the fact that we didn't play well at all and you come up with scores like this."

Kris Stark was 5-5 in serving and Samantha Felber was 4-4 with one ace to lead the team while Kari Kraemer was 23-25 in setting with

three aces. Gina Monson was 5-5 in setting with two aces and the leading hitter was Felber at 17-19 with five kills. Stark had one kill spike on 7-7 hitting.

Felber finished with two blocks and three digs to lead the defense while Heather Cunningham had two digs. "We came out and played not to lose instead of playing to win," Cunningham said.

Thursday in Laurel the Bears were handed a 9-15, 3-15 setback to leave them with a 3-2 record. "We're just struggling a little bit right now," Cunningham said. "We need to get our confidence back. We were up 8-2 in the first game and

lost and that was a real let down for our team and we never recovered."

Kris Stark was 9-11 in serving with two aces to lead the Bears while Heather Cunningham was 6-6 with one ace. Kari Kraemer was 48-50 in setting with five aces and Katie Newton was 11-12 with four aces. Sam Felber was 20-26 in hitting with eight kills while Stark was 11-13 with three kills. Cunningham finished 8-11 with two kills.

Felber notched three blocks to lead Laurel and Cunningham had three digs. Laurel will host Emerson-Hubbard on Thursday.

Allen spikers down Ponca and Emerson

The Allen spikers improved their season record to 5-1 with a pair of victories over Ponca on Tuesday and Emerson-Hubbard on Thursday but both matches went three games before a winner was decided.

Tuesday in Allen the Eagles won the first game, 15-10 only to have Ponca win the second, 15-13. Allen soared to the third game win and thus the match with a 15-4 decision.

Jamie Mitchell was the top server for Allen at 14-14 while Steph Martinson was 16-18 with three aces. Dawn Diediker was 11-12 with three aces. Martinson was the leading scorer with nine points while Diediker and Shelly Smith had seven each.

Diediker led the setters with 11 aces while Holly Blair had eight. Martinson was the top hitter with 10 kill spikes and Jamie Mitchell had five. Mitchell had four ace blocks to lead the Eagles and Diediker was a defensive leader in digs with 15 while Martinson and Steph Chase had 10 each.

"It was a nice win but we did not serve well at all," Allen coach Tracy Kuester said. "Our passing was not efficient either, which is something that we really have to improve on."

Both the "C" team and "B" teams won for Allen, with the "C" team earning a 11-4, 11-3 decision while the "B" team won 15-0, 7-15, 15-4.

On Thursday night in Emerson

the Lady Pirates gave the Lady Eagles all they could handle but Allen prevailed in three games, 10-15, 15-11, 16-14. "Emerson-Hubbard is a team that is really up and coming," Kuester said. "They will be heard from before this season is over. They picked up everything we hit at them and we were barely able to come away with the win."

Steph Martinson was the leading server at 12-12 with one ace while Steph Chase was 14-15 with three aces. Martinson scored 12 points to lead the Eagles and Chase netted 10 while Jamie Mitchell scored eight.

Dawn Diediker was the top setter with 17 assists and Holly Blair garnered nine assists while Martinson notched nine kill spikes for team honors. Mitchell had seven kills while defensively, Martinson had two ace blocks.

Diediker had 20 digs to lead the Eagles while Martinson and Chase finished with a dozen each. "Our serving was still a little shaky," Kuester said. "We seem to miss serves at critical times of the match. We were behind in all three games but we held our composure well enough to come back and win."

Kuester credited Steph Martinson for keeping the team into the match with key ace spikes during the second and third games. Allen's "C" team won 11-2, 11-3 and the "B" team won, 15-13, 10-15, 15-3. The Eagles will host Beemer on Tuesday.

ALLEN'S SHELLY Smith returns a Ponca serve during action Tuesday in Allen. The Eagles are off to a 5-1 start.
