WAYNE, NE 68787

118TH YEAR NO. 2

## Joint planning is in the works for Wayne Co.

By Les Mann  
Of the Herald

Wayne County Commissioners tentatively approved a joint county-village planning commission structure Tuesday and directed Wayne County Attorney Mike Pieper to begin the process of writing the terms of the agreement that will allow the county and villages to share one planning and zoning board.

Several key questions still remain to be ironed out in the interlocal agreement to establish the joint commission, but the county and all the villages of Hoskins, Winside and Carroll have all voted in favor of the concept of a shared board subject to the agreement on the terms.

"THE COMMISSION should be mutually beneficial," said Pieper who said he believed it would not be a large problem to draft and agreement that would cover all the questions. He said it should save money for all the entities involved.

Commissioner Merlin Beierman said he didn't think the county should be liable for the cost of enforcement of zoning regulations within the village boundaries. Other questions involved, who would do building inspections and what the appeal process would be?

The initial discussion centered around creating a commission of nine members, three of which would be from the three villages and six from the rural areas of the county.

"WE APPOINTED some good people on that board," said Commissioner Jerry Pospishil, who expressed interest in keeping as many of the existing commissioners on the new board as possible.

The existing commission has worked for many months with the consulting firm of Hanna Keelan and Associates in setting up planning and zoning guidelines in the county. The first draft of a zoning ordinance is due to be discussed later this year.

## Cat man on the prowl

"Cat Man," portrayed ably by Todd Campbell, took the opportunity to prowl among the flag twirlers for the Wayne State College Marching Band during warm-ups for the Homecoming Parade in Wayne Saturday. The drill team members are, from left, Stacy Koester, Carrie Ernst and Marla Manning. Homecoming activities were very well attended in Wayne this year with over 4,000 watching the Wayne State Wildcats maul Iowa Wesleyan 41-12.

## Ex-senator gets maximum sentence

DAKOTA CITY, Neb. (AP) — Former Sen. Kurt Hohenstein, who said he would spend the rest of his days trying to make up for the wrong he has done, was sentenced to prison Friday by a judge who said he thinks Hohenstein has it in him to commit even more crimes.

Dakota County District Judge Mark Fuhrman said Hohenstein's theft of money from clients and government agencies lent credence to those who think that lawyers and public officeholders are crooks.

He sentenced Hohenstein to the maximum six years and eight months to 20 years in prison. In reality, Hohenstein will be eligible for parole in three years and four months and would face mandatory release in 10 years based on good behavior while behind bars.

Fuhrman also imposed a \$25,000 fine and ordered Hohenstein to make \$35,354 in restitution to clients and government agencies.

Hohenstein was Dakota County attorney, a part-time position, be-

fore his election to the Legislature in November 1992.

He pleaded guilty Aug. 10 to one count of felony theft, admitting that he took insurance money that was supposed to pay medical bills for clients who were injured in a motor vehicle accident. He simultaneously resigned from his 17th District seat in the Legislature as part of the plea agreement.

The plea bargain allowed him to avoid prosecution for several other alleged thefts.

At the sentencing, Fuhrman was unmoved by defense attorney David Domina of Omaha who argued that Hohenstein could provide valuable

community service as an alternative to being incarcerated at great expense to taxpayers.

Hohenstein's wife and his mother, seated in the front row of a courtroom packed with more than 70 people, sobbed aloud as Fuhrman recounted how Hohenstein had agreed to represent Tina Olerich and other members of her family after an automobile accident in which they were injured.

Hohenstein should not have taken the case because he investigated it as Dakota county attorney, Fuhrman

noted. He then proceeded to steal insurance funds intended to help the financially dashed Olerichs pay their bills, Fuhrman said.

"He gave no regard to their feelings as human beings as he soaked in the hot tub" he bought with their insurance money, Fuhrman said.

Authorities indicated Hohenstein would quickly be moved to a prison facility for evaluation. Domina said he was surprised that Fuhrman imposed the maximum sentence and

See SENTENCE, Page 11

## New digs for ESU

A new central office building is in the early planning stages for Educational Service Unit #1.

The board of directors recently authorized ESU #1 Administrator, Rodney Garwood, to move forward with plans for a new \$650,000 structure to replace the present one located on Main Street in Wakefield.

The future building would be approximately 16,000 square feet on one level, and would remain in Wakefield, Garwood said.

The building cost would be offset by selling the present facility for \$150,000, utilizing \$200,000 of internal revenues and borrowing approximately \$300,000, said Garwood.

ESU #1 has experienced growth that has rendered the present facility inadequate. Anticipated future growth in technology and staff de-

velopment/in-service further underscore the need for increased office space and conference rooms, said Garwood.

The property tax-funded organization levies 3.18 cents per \$100 of assessed valuation on property owners in its Northeast Nebraska district. This means a property owner with a \$50,000 home pays \$15.90 to ESU each year.

Added to the problem of inadequate space for meetings and offices at the present facility are problems including matters of accessibility, inefficient heating and cooling systems, and lack of parking space, Garwood said.

The new facility would help ESU #1 meet the changing needs of schools as they prepare students for the 21st century. ESU #1 provides services to schools in Cedar, Dakota, Dixon, Knox, Thurston and Wayne counties.

## Haven House battles area domestic violence

October has been designated Domestic Violence Awareness Month. Across the country abuse survivors and women's shelters are encouraging the public to take time to learn more about the impact of domestic violence on families in our communities.

Haven House, which serves the northeastern counties of Nebraska, is distributing purple ribbons during the month to draw attention to the reality of violence in Nebraska and the work that is being done to end violence against women.

"The purple ribbons are an important reminder of the impact violence has within our communities," said Vicki Meyer, one of the coordinators of Haven House.

"In the United States, acts of domestic violence occur every eight seconds, and a woman is battered every 15 seconds," said Sara Campbell. It is the single largest cause of injury to women, impacting three to four million each year. Battering claims more

## Fundraisers praised

By Les Mann  
Of the Herald

One of the state's leading media figures encouraged a Wayne State College audience at the National Leadership Conference luncheon Friday to put their money where their mouth is when raising money for worthy causes.

John Gottschalk, president and CEO of the Omaha World Herald Company spoke to nearly 200 volunteers and community leaders at the luncheon held in conjunction with Wayne State Homecoming.

HE SPOKE forcefully on behalf of the Wayne State Foundation's major fund drive to raise \$13.5 million and praised those who have given so generously to the effort.

Gottschalk singled out the role of Dan and Jeanne Gardner for particular compliment in the effort to benefit college students.

The newspaper executive said he could recall his grandfather assisting needy youngsters as he was growing up in Rushville, Neb. often paying their full college tuition.

See SPEAKER, Page 11

## No blank screens

A last minute agreement between Jones Intericable and two Sioux City television stations has averted blank screens on television sets in Wayne today.

Oct. 5 was the deadline set for cable television companies to reach agreements with local television stations for rebroadcast rights to their signals. Without those agreements the television stations could have preempted their signal on the cable in Wayne and could also prohibit the cable company from transmitting signals from Omaha stations on

the same network.

Russ Gifford, manager of Jones Intericable, had reached agreement for rebroadcast of the ABC affiliate in Sioux City earlier, but agreements with the NBC and CBS affiliates did not come until the last minute before the signal was set to be cut.

Terms of the agreement were not released but the new law set limits on the fees that cable firms can pass on to their subscribers.

Gifford has said the changes should not adversely affect customers' bills.

### Celebrating 20th anniversary

NORFOLK — Celebrating its 20th anniversary, Northeast Community College will feature over 75 displays, demonstrations and tours during its open house activities Sunday, Oct. 10, running from 1 to 4 p.m. The public is invited.

The 20th anniversary commemorates the merger of Norfolk Junior College and Northeast Nebraska Technical College in 1973.

A special reunion for Northeast alumni is also being held in conjunction with open house. The alumni gathering and picnic will be held following open house activities.

### Scouting for food

WAYNE — Cub Scout Pack 174 in Wayne will be conducting its annual "Scouting For Food" drive this Saturday, Oct. 9 from 8:45 to noon. The Scouts will be canvassing the town door to door and residents may leave their donated items on their front steps that morning.

Rural residents may drop off their canned foods at St. Paul's Lutheran Church that morning.

All foods collected will go to the Wayne Food Pantry.

### CROP walkers out Sunday

WAYNE — The annual CROP Walk to benefit the hungry will be held this Sunday, beginning at 1:30 p.m. at Church of Christ in Wayne, 1110 East 7th. Registration starts at 1 p.m.

Sponsors are asked to sign up with walkers who will travel the 10 kilometer route.

For information, contact Rev. Mike Girlinghouse, 375-1234 or 375-1736.

### Magazines are fund raiser

WAYNE — The high school music boosters are beginning the annual door to door magazine sales fund raising effort Oct. 6. Residents will be contacted through Oct. 22.

Organizer Bonnie Fluent reminds magazine readers that purchasing their subscriptions through the boosters does not cost any more than normal renewal prices, discounts and coupons can apply and the music departments at the schools get 40 percent of the purchase price. Funds generated through the drive in the past have purchased uniforms, choir robes, music trips and other items.

### Cattlemen holding fall meeting

WAYNE — The Northeast Nebraska Area Cattlemen will hold a fall outlook meeting on Sunday, Oct. 10 at the Black Knight in Wayne. The social hour, sponsored by the First National Bank of Lyons, will begin at 6 p.m., with a steak dinner at 7 p.m.

The program, which is open to the public, will be presented by a representative of the Nebraska Cattlemen Market Reporting Service, NC President-elect Logan McClellan and Dr. Kelly Lechtenberg, of Midwest Veterinarian Services, Oakland. Dr. Lechtenberg is a consulting veterinarian, and is involved in various research projects.

For further information, contact Tim Ahlers, president, Northeast Nebraska Area Cattlemen, 863-2324.

## Obituaries

### Janelle Peters

Mrs. Robert (Janelle) Peters, 52, of Harrisonville, Mo. died Monday, Oct. 4, 1993.

Services are pending.

### Brenda Green

Brenda Green, 51, of Cocur D'Alene, Idaho died Sunday, Sept. 26, 1993 in Idaho.

Services were held Saturday, Oct. 2 at the Schumacher Funeral Home in Wayne. The Rev. Jack Williams officiated.

Brenda Gail Green, the daughter of Gilmore and Erna Meyer Saks, was born Dec. 6, 1941 at Sterling, Colo. She was baptized and confirmed at St. Pauls Lutheran Church in Carroll. She graduated from Hahn High School in Wayne in 1959 and graduated from Immanuel Lutheran School of X-Ray Technology in Omaha. She married Bernard Green on May 1, 1980 in Aurora, Colo.

Survivors include her husband, Bernard Green of Coer D'Alene, Idaho; three stepchildren, Dawn, Samuel and Cory Green; one grandchild; her mother, Erna Saks of Wayne; one brother, Roger Saks of Stillwater, Okla.; four sisters, Karen Allen of Omaha, Phyllis Robinson of Papillion, JoAnn Cavin of Yakima, Wash. and Cynthia Evers of Kearney; nieces and nephews.

She was preceded in death by her father.

Pallbearers were Chauncy and William Allen, William Robinson, Wayne Evers, Chris Eynon and Roger Saks.

Burial was in the Elmwood Cemetery in Carroll with the Schumacher Funeral Home in charge of arrangements.

## United Way Kickoff

Bob Dyer, right, who is heading up the United Way drive in Wayne this year, explained the program at the weekly Chamber of Commerce coffee held at Rainbow World Day Care Center Friday to kickoff the annual drive. Rainbow World was one of the major recipients of last years United Way effort. The goal this year for Wayne has been set at \$25,000.

**Fats**

It has been recommended that people avoid saturated fats, but differentiating between saturated and unsaturated fats is sometimes difficult. Generally, saturated fats are solid at room temperature and are usually from animal products such as beef or lamb and some dairy products. Unsaturated fats are usually liquid at room temperature and come from plants such as corn and sunflower oil. Shortening and margarine have been saturated to make them more solid and stable. People on low cholesterol diets should remain aware of these differences. Remember, a product labeled cholesterol free may not be fat free, and avoiding the saturated fat is just as important.

## Why is this nation killing itself?

Florida is in trouble, as are all states. The killing of foreign tourists has drawn attention to the killing spree of innocents by the hands of degenerate brutes.

A thirty-three year old tourist from Germany, traveling with his wife on a vacation, was killed approximately one hour after setting foot on American soil. Then there are the others, including James Jordan, father of Michael Jordan, murdered in cold blood.

### Noodlehead Acres

By Raisin I. Browns  
aka Merlin Wright

mother to have an abortionist kill the child in her womb. Have our minds gone out for recess?

AMERICA IS on a killing spree: teens killing their parents, parents killing each other, while more are killing kids and the unborn. Liberals think they can stop it by spending more money and taking away the guns. If guns are taken away because they kill, then also remove the automobile, because it kills over 100 Americans daily. Surely the minds behind the guns and cars can't be held responsible!

Can things made by the hand of man be responsible for the killing? Or is it the mind without morals?

THE TALKING heads of television, and other media minds, immediately commenced calling for more gun control laws implying the need for more millions of federal tax dollars as a Band Aid for the nation's hurts. Money, America's false god, will solve the problems of crime, according to pundits. Other sages insist forced integration and multicultural education will bring folk of diverse races and gender together.

SCHOOLS HAND out condoms in an effort to lessen the number of unwanted babies, and hopefully decrease the spread of Aids. When the condoms fail, then of course the liberal minds have made it legal for the expectant

A PERSON doesn't have to have a doctorate to recognize a major societal problem: too many children, teens and adults never rubbing shoulders with a positive moral compass. A lack of self-respect and having little morality, has annihilated many a kid, country and cause.

TIE THE TAILS of two tomcats together, and putting them up in the Hilton's Presidential Suite will not keep them from fighting. So much for blaming environment. Some experts claim if we would just take money from the rich and give it to the poor, then the poor would not have so many societal

problems. Yeah, just like the two tomcats.

The reason they're fighting must be because they're hungry, so the social engineers put the best cat food available in the Presidential Suite and the cats keep right fighting, so it must not be the hunger. So it must be the color of fur the cats have that is causing the knock-down snarling claw fight! On the other hand, when did skin color ever cause a fight between reasonable, intelligent beings?

EDUCATION IS the answer, screams the socialist! Multiculturalism! Of course, intelligence doesn't keep a person from

being morally bankrupt and mean!

HOW IRONIC that a nation founded on a moral highway, undergirded with Biblical principles and originally declaring herself a nation "under God", has now lost her ability to practice the Biblical admonition: "...whatsoever ye would that men should do to you, do ye even so to them..."

IT'S THE MIND, stupid! A degenerate mind killed the German tourist. A godless mind never hesitates to blow away anything it doesn't respect, including a parent, tourist or child.

IN ONE OF Michael Jackson's songs he sings "look at the man in the mirror." Not bad advice. Of course, we're so busy making a living, getting ahead, socializing with everyone other than family, that the mirror gets neglected.

IT'S THE MIND, stupid! Brain-death comes at various ages. Many a mindless life form will be out there today behind a gun or drunk behind a steering wheel. They lost reasoning in some bygone yesterday when they turned off all emotion except that of satisfying self. With no respect for anyone or anything, they slither through society after crawling out from under the moral rocks they despise.

NEXT TIME someone tries persuading you to give that kind of mind a "richer environment" or give it "more education" to solve the crime problem, remember the tomcats.

IT'S THE MIND, stupid! It needs morality. Parents neglect taking time to teach it and the schools are afraid to try.

How simple, if you're raised in a rattlesnake's nest, you'll learn to rattle.

WE'VE GOT A problem folks. How do you head off the amoral stupid mind?

Throwing money at it only makes it a richer amoral mind. Educating it only makes it more wise in its amoral schemes.

COULD IT be this nation "under God" needs to get back to Him?

## Capitol News — Something to show for development push

By Melvin Paul  
Statehouse Correspondent  
The Nebraska Press Association

LINCOLN — As a young boy digging in the dirt around the family farm, I always worried about scooping too deep.

You'd end up in China if you dug too far, Grandma said. I wasn't too keen on visiting China. Sounded kind of foreign and mysterious to me.

Gov. Nelson, however, has no such fears of overseas travel. In fact, the Omaha Democrat has set a new record for foreign trade missions.

The governor flies off to China and Hong Kong later this month; his fifth overseas business trip since taking office three years ago. Others have taken him to Israel and Egypt, Germany and to the Far East (twice). No other governor has gone out of the country more than twice.

Unlike my farmyard diggings, Nelson says that such trips pay off in new customers for Nebraska products and new jobs in the state from foreign business owners.

By sending their governor, a state is telling a foreign country that they're serious about doing business, he said. It also opens doors of corporate penthouses and office of high government officials that wouldn't be opened by lesser ranking officials.

"There are a lot of things you can't do sitting in your corner office," Nelson said.

"I'd be safer politically not to go, but would it be better for the industries of the state?" he asked.

Some Republicans wonder. Alan Jacobsen, a Lincoln busi-

nessman who recently announced that he wants Nelson's job, said that the governor is spending too much time wooing big-time foreign corporations — like BMW and Mercedes-Benz — and not enough time working on American and Nebraska firms.

That's a rap at Nelson's batting average with the two German auto makers. Both looked at building new auto assembly plants in the U.S., and both gave serious looks at the Cornhusker State to plant their factories.

Nelson jetted to Germany in 1992 along with Union Pacific Railroad officials to court BMW. He said he would have returned to entice Mercedes-Benz if he'd been invited.

Both companies, however, settled on locations in the South nearer ocean ports for their multi-million dollar investments.

That makes Nelson 0-2 with the big auto firms.

But economic development officials said not all was lost. Nebraska got good publicity from its strong showing. It might help win another big business someday, they said.

Despite losing the big two, Nelson said the foreign trips have paid off.

The Israelis are planning to buy up to \$130 million in Nebraska beef; a Japanese snack food made of green soybeans may soon be produced with Nebraska beans; and several manufacturers and suppliers, like Behlen Manufacturing of Columbus and Pegler-SYSCO Co. of Lincoln, have found new customers overseas.

Nebraska has more than a hole in a barnyard to show for its efforts.

### Letters

## AIDS talk prompts comment on sexual attitudes

Dear Editor:

I have pondered the value of Elena Monica's address to the students on the dangers of AIDS and HIV. Perhaps there is merit to young people being reminded that these dangers are very real. Being young, beautiful, perhaps bright, and female does not create immunity.

Stressing abstinence sounded more like lip service to an unattainable ideal, rather than a realistic behavior pattern. Not only children, but adults respond to our expectations for their behavior. Why does today's society feel that extramarital and premarital sexual activity is a desirable and even necessary behavior?

### Paint helpers

Dear Editor:

I would like to thank the following people for giving their time on Sunday afternoon, Sept. 26 to paint the temporary Wayne High weight room. Those who volunteered were Larry and Kari Wetterberg, Bob, Clint and Chris Dyer, Larry Carr, John Witkowski, Dave and Diane Zach, Don Koerber, Larry and Terri Post, Lonnie Ehrhardt and Randy and Mary Ann Lutt.

Ron Carnes

Just last week, Dr. Leon Rottmann, Extension Health Education specialist for UN-L pointed out that since 1950 births out of wedlock have increased 618 percent. Too often, these children are not placed for adoption with a loving set of mature, responsible parents, but rather raised by the child-mother, sometimes with help of her parents, at a poverty level. Very often, these children are supported entirely by our country's taxpayers. In the crime infested innercities, somewhere over 80 percent of the children live in other than a healthy, functioning two parent family. This epidemic is just as deadly to our society as the proliferation of HIV-AIDS.

We make a very grave mistake when we assume that sexual activity is essential to becoming a well rounded person, or that sex and love are the same thing. When two people love each other so deeply that they are willing to make a lifetime commitment to a marriage relationship, this intimate relationship can bring such euphoria that both willingly assume all the responsibilities of both marriage and parenthood.

When the relationship is a transitory one, where that partners are seeking gratification of their passions, love and respect become

unimportant, and sexual addiction can develop. This preoccupation with sex can take many forms, from indulging in pornography, prostitution, child molestation, incest and other deviant sexual behaviors or it can simply be a constant fantasy about new relationships. Sexual addiction can be very powerful and destructive, just

as any other addiction.

The current controversy between pro-abortion and anti-abortion proponents would not exist if every individual recognized that mutual love and respect, not self-centered passion, should be the basis of satisfying and maturing relationships.

Mrs. Marie George Dixon

## 'A hidden message?'

Dear Editor:

Conversation overheard by mother/daughter in sporting goods store after finding the right pair of knee pads for volleyball:

Mom: "What color do you want?"

Daughter: "Black."

Mom: "Nobody wears black knee pads, we want white."

I found this to be disturbing because I've heard similar conversations several times before. We ask our children to make a decision, but when they don't make the one we think they should, we change their minds.

Even if it were true that no one wears black knee pads, would it have been so bad if this child had? As parents I think we appreciate

being different as long as it is not our children.

Maybe this conversation stuck in my mind because it was so close to home. It seems we want our children to fit inside the bell curve, and therefore stifle creative or imaginary minds if they don't. As a society is this something we should consider before we tell our children to always choose what everyone else has chosen?

I am not trying to lay judgment on parents, nor am I saying a conversation such as this makes a bad parent. I am only saying that sometimes we may not know the ramifications of what we are actually saying to our children or to other people for that matter. I know I am guilty.

Nancy Schulz

## Amazing changes at college in 20 years

There have been amazing changes since the 1973 merger of Northeast Nebraska College (formerly Norfolk Junior College) and Northeast Nebraska Technical College. Changes in our 20-county service area and changes in the rest of our world have influenced our college's spectacular enrollment growth and its continuing role as a leader in providing life-long learning opportunities to Northeast Nebraskans.

People with diverse backgrounds and educational goals look to Northeast Community College as a way to make their careers more successful and their lives more productive. In 1993, we will provide credit education to over 3,500 students, almost twice as many as 20 years ago.

An Associate Degree from Northeast Community College assures employers that their employees have been trained on state-of-

### My Turn Guest Column

the industry technology. Northeast's educators know exactly how to educate a workforce that will allow our region's businesses and industries to be successful in the increasingly high-tech global marketplace.

More and more students have decided that Northeast is the right place to start a four year degree. The first two years at our college give students a solid educational foundation at a very affordable price.

Graham Spanier, chancellor of the University of Nebraska-Lincoln, tells us that community college graduates do as well as students who begin their education at the University and are more likely to graduate. And transferring your de-

gree has never been easier. My colleague, Wayne State College President Don Mash, assures us that the only difference between a credit earned at Northeast and a credit earned at Wayne State is about 30 miles.

Everyday of the year, Northeast Community College enables workers to continue their education through scores of job-upgrading opportunities. Northeast helps factory workers learn new production processes, managers learn new supervisory skills, health professionals learn new life-saving techniques, and business professionals learn about the latest industry standards.

Northeast is flexible and can respond to a training request in a matter of weeks, even days. In the last year, Northeast provided almost 1,700 non-credit continuing education classes with over 30,000 enrollments. In 1973, non-credit enrollment was at 4,150.

Even through phenomenal growth and change, one thing at Northeast has remained constant. Our Board of Governors, faculty, staff remain committed to excellence in education and the importance of customer-oriented services. They recognize the important role they play in offering life-long learning to enrich not only our students but communities as well.

I hope you will join us as we celebrate Northeast's 20-year tradition of educational excellence at an open house this Sunday afternoon, Oct. 10, 1-4 p.m. on the Northeast campus in Norfolk.

(Northeast Community College is a comprehensive community college, located in Norfolk. It serves the 20 counties of Northeast Nebraska. Dr. Cox has served as the college's president since 1972.)

Dr. Robert P. Cox

## Overin-Fields are wed in Colorado ceremony

Mr. and Mrs. Pete Fields Jr.

The outdoor garden of Crystal Rose in Golden, Colo. was the setting for the August 14 ceremony uniting Julie Overin, Denver, to Pete Fields, Jr. also of Denver.

The bride is the daughter of Mr. and Mrs. Henry Overin of Wayne and Winter Haven, Fla. The groom is the son of Mr. and Mrs. Pete Field, Sr., Donnelly, Idaho.

The Rev. LeRoy King officiated at the noon-double ring ceremony.

Given in marriage by her parents,

the bride wore an ivory taffeta full-length gown. It featured an off the shoulder design with a lace overlay on the bodice. The bride's headpiece was designed and made by her mother. It featured a band of flowers and pearls with a shoulder-length veil. She carried a bouquet of orchids and stefanados.

The maid of honor was Tammie Rose Phillips, Omaha. The bridesmaid was Vicki Fickel, Denver. The brides attendants wore tea-length dress of rayon in hot pink and purple wildflower print.

Best man was Shannon Schwartz, Salt Lake City and groomsman was Mark Smith, Denver.

Ushers were Earle Overin, Castroville, Calif.; and Steve Overin, Winter Haven, Fla. The groom wore a light gray tuxedo with cutaway waist and tails. His outfit included ivory shirt, tie and cummerbund. The attendants were similarly attired except their ties and cummerbunds were gray.

A reception followed the ceremony. It was hosted by Shannon Brown, sister of the groom.

The couple enjoyed a wedding trip to San Diego and is making their home in Denver where she is employed by Colorado Restaurant Management and he is employed by Continental Airlines.

## Ceremony unites Spieker-Erickson

Brenda Spieker, Petersburg and Scott Erickson, Seward were married Sept. 8, at St. John's Catholic Church in Petersburg.

The bride is the daughter of Lawrence and Bernadine Spieker, Petersburg, and the groom is the son of Keith and Fern Erickson, Wayne.

The afternoon, double-ring ceremony was officiated by the Rev. Jerry Connealy, Petersburg, and the Rev. Paul York, Plattsmouth. Music was provided by Jan Stuckey, Plattsmouth, organist; Stephanie Lippincott, Omaha, vocalist; Travis Stuckey, Lincoln, trumpet, and Amy Mather, Plattsmouth, flutist.

Candlelighters were Erika Carlson, Omaha and Ryan Tiedgen, Lincoln. Lector for the Catholic service was Jeanine Allen, Omaha.

Given in marriage by her father, the bride wore a gown of white satin, enhanced with a sabrina neckline and fitted bodice covered with pearls and sequins. The sheath gown featured a back slit and the hem of the gown was edged with wide scalloped lace covered with pearls and sequins. The deep v-back was accented with a fanny bow from which a detachable cathedral-length train flowed. Window motifs, pearls, sequins and lace enhanced the train. The pouf headpiece was accented with sequins, pearls and flowers. The veil was of illusion tulle and fell to the bride's fingertips.

The bride carried a cascading bouquet of pink sweetheart roses and white lilies accented with a touch of purple and cascading pearls.

Matron of honor was Colleen Hansen, Deshler, the bride's sister.

Bridesmaids were Shirley Spieker, Omaha; Gina Lindsay, Norfolk, and Barb Moek, Plattsmouth.

The brides attendants wore two-piece gowns featuring sheath knee-length skirts and long fitted jackets of purple satin.

Mr. and Mrs. Scott Erickson

The bride's personal attendants were Michelle Wellner, Omaha, and Linda Hamik, Lincoln.

Flowergirls were Emily Carlson, Omaha, and Ashley Tiedgen, Lincoln.

The groom wore a black tuxedo with the black bow tie and cummerbund. He was attended by best man David Fuoss, Wayne. Groomsmen were the Rev. Mike Erickson, Hobbs, N.M.; Scott Lindsay, Norfolk, and Don Osborne, Fairbury. The men wore black tuxedos with black and purple paisley bow ties and cummerbunds.

Ushers were Troy Hansen, Deshler; Mark Carlson, Omaha, and Tom Tiedgen, Lincoln.

A reception and wedding dance followed the ceremony at St. John's Hall. Hosting the reception was Charles and Darleen Stuhr, Petersburg.

Following a wedding trip to Estes Park, Colo. the couple will be making their home in Seward.

## Playground at the end of the Rainbow

Members of the Wayne Jaycees Chapter are shown completing the installation of extensive playground equipment for the new Rainbow World Day Care Center in Wayne. The Jaycees donated the equipment and manpower to install it. The Rainbow World Board is still looking for many needed items to furnish the new center. Those interested should contact Meg Watson at 375-3200.

## Siefken 50th anniversary open house held at Altona

Arnold and Lois Siefken of the Altona area in Wayne County were honored for their Golden Wedding Anniversary at an open house recently at the First Trinity Lutheran Church social room near Altona.

The event was hosted by their four children and grandchildren—Richard and Susan of Wayne; Don of Wayne; Cheryl of Lincoln and Arnie and Sally Siefken of Jamestown, N.D.

Approximately 150 friends and relatives and members of the Trinity Congregation joined them for the special celebration. Some of the participants came from as far as Des Moines and Eldora, Iowa; Omaha and Lincoln; Lake Tahoe, Nev.; Denver; Creston and Columbus and Delmont, S.D.

Approximately 40 family members and close friends attended services at the church Sunday morning and then were dinner guests in the Siefken home before going to the open house.

One granddaughter, Danica, daughter of Don, was unable to attend.

She is a student at Kirksville, Mo. State College.

Arnold and Lois (Roggenbach) were married Sept. 29, 1943 at First Trinity Lutheran Church in Altona and have lived all their married years on the same farm nine miles south of Wayne, which also happens to be Lois' birthplace. Her parents built the "farm place" when they were married in 1909.

An interesting side story in their lives involved the marriages in the same year of other family members. Besides Arnold and Lois' marriage in 1943, a brother, Heine and Esther of Creston were also married on Oct. 24 and a sister of the men, Edna Siefken and Robert Adamson, now of Gallup, N.M. were married on Sept. 12.

In later years the three couples have taken trips together on every 5th year anniversary. Some of the destinations of these anniversary trips have included the Ozarks, Las Vegas, Lake Powell and Germany.

Of the seven brothers and sisters, all were in attendance except for the Adamsons of New Mexico.

## ELCA women meet

The Women of the ELCA of Salem Lutheran Church at Wakefield met Sept. 30 in the church basement. In the absence of the president, Mae Greve, secretary Shirley Woodward conducted the meeting.

Circle II presented a program on Evangelism. The program's theme was carried out through the singing of hymns, Bible readings and other sources. A special pen, paper and discussion exercise explored where God's love is found in ordinary lives.

A brief business meeting was held. The Christian Action committee had on display two quilts to be auctioned at Wakefield's Fall Festival. A fifth load of used clothing has gone to Project Hope in Omaha. The Meaders will be

coming from South Dakota soon to pick up a load of donations that will include baby quilts. A baby afghan will be going to Immanuel Hospital in Omaha for their fall bazaar.

Emily Gustafson and Esther Oberg reported on the excellent retreat held at Ponca State Park on Sept. 12 by Salem's Women of the ELCA. Twenty-three women attended and participated in singing and a study of the articles of the Creed.

Quilt days in October will be Tuesday, Oct. 12 and Wednesday, Oct. 13. All who like to help with quilts may come all day, both days or when you can.

The meeting closed with the benediction and table prayer, followed by lunch.

### WEDDINGS —

The Wayne Herald welcomes news accounts and photographs of weddings involving families living in the Wayne area.

We feel there is widespread interest in local and area weddings and are happy to make space available for their publication.

Wedding photos to be returned should include a stamped, self-addressed envelope.

## Briefly Speaking

### Schellpeper reunion is held

STANTON — The 10th annual Schellpeper reunion was held Sept. 26 in the Stanton community building with a 12:30 p.m. dinner. Fifty-seven family members were present. Youngest was four month old Sydney Schellpeper, daughter of Mr. and Mrs. Tom Schellpeper of Stanton.

Oldest female was Hazel Schellpeper, 89, and oldest male was Walter Schellpeper, 79, both of Stanton. Mr. and Mrs. Jerry Johnson and girls of Omaha came the farthest. Two sets of twins were present.

Officers elected for the next year were Ronald Schellpeper, president, and re-elected were vice president Beatrice Steinmeyer of Wisner and secretary-treasurer will be Veryl Jackson of Winside.

A gift was presented to everyone by Beatrice. The next meeting will be Sept. 25, 1994 in Stanton.

### Area retired teachers attend meeting

AREA — Kearney hosted the 33rd annual Nebraska State Retired Teachers Association on Sept. 24 at the Kearney Ramada Inn.

Four Wayne Area Retired Teachers Betty Anderson of Concord, Shirley Benson of Maskell, Beulah Atkins and Orvella Blomenkamp of Wayne attended the meeting.

Dr. Owen Nausler, morning keynote speaker, serves as the state director for health education, physical education and HIV/AIDS education for the Nebraska Department of Education in Lincoln.

Addie Scheve of Battle Creek, the afternoon speaker, focused on motivation and inspiration from her book, "List To The Talking Trees," in which she parallels the lessons in the trees toward life and living.

# Amy Jordan and Brian Bowers are wed in Lincoln ceremony

Amy Jordan, Lincoln, and Brian Bowers, Winside, were united in marriage Sept. 11 at First Plymouth Church in Lincoln.

The bride is the daughter of Sheryl Jordan of Lincoln and Robert Jordan of Wayne. The groom is the son of Dennis and Lois Bowers of Winside.

The Rev. Otis Young officiated at the evening double-ring ceremony.

Kathryn Ley, Wayne, was the vocalist-accompanied by John Levick, Lincoln, on the organ. They performed "When I Fall in Love" and "The Lord's Prayer."

The bride wore an Alencon lace and matte satin ivory full-length gown. She was given in marriage by her father.

She carried a bouquet of calla lilies.

The bride's sister, Jill Jordan, Lincoln, was maid of honor. Her bridesmaids were Karen Longe, Flagstaff, Ariz.; Kolette Delperdang, Spirit Lake, Iowa, and Kelly Kuck, Lincoln.

Mr. and Mrs. Brian Bowers

Junior bridesmaid was Shannon McVanev.

Flowergirl was Alyson Bowers, Lexington, Neb. Brena Bowers, Lexington, and Kris McVanev, Lincoln.

Elkhorn, served as candlelighters. Bryce Roberts, Winside was the ringbearer.

Best man was Barry Bowers, Lexington. Jon Meierhenry, St. Joseph, Mo.; Scott Strobel, Clarks, Neb., and Kendal Stedschlag, Norfolk, were groomsmen.

Serving as ushers were Rick Bowers, Winside; Rob Sweetland, Lincoln; Curt Rhode, Winside; Brad Roberts, Winside; Mike Rath, Decatur, Ill., and Jeff Pasold, Wayne. The men wore black tuxedos.

A reception at the Lincoln Country Club followed the ceremony. It was hosted by Larry and Shirley Bowers, Winside, and Tim and Cindy McVanev, Elkhorn.

Following a wedding trip to Florida, the couple is making their home in Lincoln where she is a physical therapist at St. Elizabeth's Community Health Center and the groom is a field representative for Rain and Hail Insurance Services, Inc.

## Allen royalty

Allen Homecoming queen and king candidates are front row, from left, Steph Chase, Michelle Isom, Steph Martinson. Back row, from left, Casey Schroeder, Jay Jackson, Steve Sullivan. The royalty will be crowned during coronation Friday, Oct. 8 at 2:30 p.m. The homecoming game against Walthill will be at 7:30 p.m.

# Double ring ceremony unite Krusemark and Slizoski

Valorie Krusemark, Wakefield, became the bride of Steve Slizoski, Newman Grove, during a Sept. 18 ceremony at Lindsay Holy Family Church in Lindsay.

The bride is the daughter of Ron and Corliss Krusemark of Wakefield and the groom is the son of Ron and Karen Slizoski of Newman Grove.

The Rev. Fr. Jim Kramer officiated at the afternoon double-ring ceremony. The Rev. Kip Tyler, Wakefield was the vocalist with Pam Becklun and Molli Ludwig of Elgin, Colo. serving as organists.

Selections performed included "The Lord's Prayer", "The Wedding Song" and "On Eagle's Wings".

The bride was given in marriage by her father. She wore a bridal satin candlelight gown with a long cathedral train. The Victorian jeweled necklace was elongated into a Schiffli jeweled and sequined bodice. The gown's window pane sleeves featured sequins and pearls. The bouffant skirt featured pyramid Schiffli embroidery which extended into the window pane train.

Her veil was made of sheer illusion with a satin headpiece. The bride carried a traditional cascade bouquet in an explosion of color

featuring royalty roses, Chinese mini-carnations in burgundy with rosareo alstermeria and pink mini carnations, tyndols and calceyia in pink.

The bride's sister, Shelley Groene, Albion, served as matron of honor. Bridesmaids were Lisa Ganseboom, Norfolk; Kerri Slizoski, Lincoln, and Michele and Stephany Slizoski, Newman Grove.

The attendants' dresses were of hunter green bridal satin and were cut tea-length.

Candlelighters were Sarah Stuart and Mitchell Anderson, both of Omaha. Flowergirl was Emma Anderson and ringbearer was Chad Nanfito, both of Omaha.

Iowan Art Meyers served as best man and groomsmen were Matt Krusemark, Wakefield; Kyle Nixon, Lincoln; Tony Krusemark, Norfolk, and Kevin Anderson, Omaha.

Ushers were Tom Eng, Longmont, Colo.; Cory Nelson, Newman Grove, and Dana Fowlkes, Omaha. The men wore black tuxedos with tails and hunter green and black vests.

Randy and LaRita Stewart and Gary and Kathy Krusemark hosted a reception which followed the cer-

Mr. and Mrs. Steve Slizoski

emony at the Humphrey Ballroom.

The bride is a 1991 graduate of the University of Nebraska at Omaha and is employed as a social worker with Lutheran Community Hospital. The groom attended the University of Nebraska-Lincoln and its involved in farming. The couple is making their home in Newman Grove.

# Loeffler-Loberg are wed

Lisa Marie Loeffler and Timothy Waldon Loberg were wed Sept. 4 during an afternoon ceremony at Holy Trinity Catholic Church in Hartington.

The bride is the daughter of Larry and Patti Loeffler, Yankton, and the groom is the son of Lorna and the late Ray Loberg, Carroll.

The Rev. Fr. Frank Dvorak officiated at the double ring ceremony which featured vocalist Kathy Steffen and organist Rose Koeh. The bride was given in marriage by her father.

Maid of honor was Brenda Johnson, friend of the bride, Yankton. Bridesmaids were Tabitha Peterson, Columbus; Brea Loeffler, Albion; Connie Peterson, Columbus, and Stacey Silvemil, Yankton.

Flowergirl was Jeanna Loeffler, York. Candlelighters were Kristin Ramm, Atkinson, and Abbie Bator,

Mr. and Mrs. Tim Loberg

Columbus. Ringbearer was Jeremy Loberg, Wayne.

Best man was Tom Etter, Wayne, friend of the groom. Groomsmen were Daryl Lindsay, Jeff Loberg and Brian Loberg, all of Wayne, and Chad Loeffler, Yankton.

Ushers were Roger Juden, Crofton; Mark Brugger, York; Mike Zach, Wayne; Dallas Hansen, Carroll, and Corey Stratman, Hartington.

A reception followed the ceremony at Sklon in Hartington. The reception was hosted by Lloyd and Norma Ernst, Columbus, and Larry and Jeanne Lindsay, Wayne.

After returning from a wedding trip to Jackson Hole and Yellowstone, Wyo., the couple is making their home in Hartington. The bride is employed at Hartington Nursing Center and the groom is employed at Cedar Knox Public Power District.

# BPW holds networking dinner

Wayne Business and Professional Women (BPW) met for a 6:30 p.m. networking dinner at the Black Knight on Tuesday, Sept. 21.

President Jociell Bull represented the Wayne BPW in the recent fifth annual Walk-a-thon "Women Helping Women," Wayne State's athletic fundraiser for women's athletics and raised \$32.

The program "Personal Foundations in Building Woman Power," was presented by young careerist nominee, Melanie Holshouser, and she will represent Wayne BPW at

the Business and Professional Women District III Fall Conference, to be held at the Wayne State Student Center on Saturday, Oct. 16 from 8 a.m. to 3:30 p.m.

Melanie Holshouser was welcomed as a new member.

Jociell Bull presented her with a BPW pin and a certificate, citation of Honor Young Careerist Program, in recognition of her outstanding career achievements and her participation in the National Careerist Program of the National Federation of

Business and Professional Women's Club, Inc. held at the local level, in the absence of Janell Scardino, Young Careerist Chairperson.

The next meeting of the Wayne BPW will be at 6:30 p.m. on Tuesday, Oct. 19 at the Black Knight. The program will be presented by Linda Carr, assistant director of the Providence Fitness Center on "Wellness and Fitness." It will be followed by a tour of the fitness center, be sure to wear your sweats or slacks. Guests are welcome.

# Dinner party is planned at Riley's

"Santa's Peekin' Round the Pumpkin" dinner party of Wayne Area After 5 Club is planned for

## New Arrivals

## Bridal Shower

### Robin Lutt

A bridal shower for Robin Lutt of Wayne was held at Concordia Lutheran Church in Concord Sunday, Sept. 26 with approximately 25 people attending.

Georgia Addison provided devotions and Mary Vollers performed a reading, "Daughters." The team of Susie Johnson and Alyce Erwin performed a skit and a video was shown on Robin's "childhood days."

Robin is the daughter of Terry and Peggy Lutt of Wayne. She and Robbie Gamble have scheduled an Oct. 9 wedding at Redemer Lutheran Church in Wayne.

## Engagements

### Allen-Farrar

Jody Leigh Allen and Barry Don Farrar, both of Pensacola, Fla., announce their engagement and approaching marriage.

The bride-elect, daughter of Larry and Betty Mitchell of Wayne, graduated from Wayne High School in 1985 and from Wayne State College in 1990. She is employed

at Creekside Psychiatric Center in Pensacola.

Her finance graduated from Kokomo-Haworth High School, Kokomo, Ind. in 1984. He is currently serving in the United States Navy Blue Angels and is also attending the University of West Florida located in Pensacola.

A Nov. 27 wedding is planned at Briarwood Manor in Pensacola.

## The GOLDEN YEARS by

*Pats Lichty*

For the 25th year, Medicare has increased the amount of a hospital bill that covered patients must pay before Medicare reimburses its hospital benefits. This "deductible" rose from \$652 to \$676 this year. In general, anyone 65 or over qualifies for the hospital insurance of Medicare Part B, one must enroll and pay premiums which are taken out of monthly Social Security benefits. Part B pays doctor bills. Enrollees pay the year's first \$100 of such bills and 20 percent of Medicare-approved rates for subsequent bills. To cover hospital and medical deductibles and co-payments, many people buy supplemental "medigap" insurance.

At age 62, Joseph M. Segel has retired — again. Segel conceives and starts new businesses. So far, he's started 18 companies. Some ideas flopped — "started out big and became small," he told an interviewer. His successes include the Franklin Mint and TV's QVC shopping service which he started in 1986 and now has turned over to others. So he's free to travel, tend to his wine collection and photography and maybe come up with a new business idea.

Remember When? October 3, 1951 — Bobby Thompson's, home run in the ninth inning won the National League pennant for the New York Giants in its playoff series with the Brooklyn Dodgers.

## WSC holds Iowa Wesleyan to 75 total yards

# Wildcats declaw Tigers, 41-12

By Kevin Peterson  
Sports editor

Dennis Wagner's Wayne State football team rolled up 600-plus yards offensively and used a ferocious defense to hold Iowa Wesleyan to just 75 total yards while running their record to a perfect 5-0 with a 41-12 romp over the Tigers on Homecoming Day, Saturday in Memorial Stadium.

Despite the lopsided contest—which proved to be the fifth straight lopsided game for the 'Cats, WSC dropped five spots in the NCAA-II polls to 18th and they dropped one spot to fifth in the Regional ratings. (The top four teams in each Region qualify for the NCAA-II playoffs).

Saturday's game was close for a half with WSC holding a 20-12 lead. Byron Chamberlain scored the 'Cats first touchdown on a 10-yard pass from Brett Salisbury with 4:16 left in the opening quarter.

Iowa Wesleyan, however, scored late in the first quarter on a five-yard run by Wayland Rucker but the extra point kick attempt failed leaving the host team with a 7-6 lead after one quarter of play.

Early in the second quarter Salisbury hooked up with Damon Thomas on a 47-yard scoring strike and Andy Parr's point after gave WSC a 14-6 lead. Following a 'Cats turnover the Tigers drew with in two points on a four-yard touchdown pass from Murphy to Black. Iowa Wesleyan went for the two-point conversion but the attempt failed.

Jason Williams plunged over from one yard out in the middle of the second quarter but the extra point kick failed and at the half, WSC held a 20-12 lead.

The second half was literally all Wayne State. Thomas caught a 26-yard touchdown pass from Salisbury at the 10:35 mark of the third quarter and the two hooked up from 34 yards early in the fourth quarter to give WSC a 34-12 advantage. Williams closed out the scoring on a two-yard run at the 5:29 mark of the final period.

"A lot of people think we had a let down after scoring 41 points versus 91 the week before at Mayville State," Wagner said. "I don't think that was the case. We ran into a pretty good football team

in Iowa Wesleyan. As a whole, our defense played great throughout the game. Iowa Wesleyan had a lot of different formations but coach Mark Gritton had the defense ready to play and as a result we held them to minus four yards rushing and 75 total yards."

Wagner said that the offense was hindered by crucial penalties—WSC was whistled for 17 infractions for 135 yards. "I thought Iowa Wesleyan came in with a good game plan," Wagner said. "They never kicked off or punted to our deep men because of what they are capable of doing. The difference in the game was the second half where I think our talent level took over," Wagner added.

Wagner said he told his squad at halftime that Iowa Wesleyan wasn't

stopping the 'Cats but that WSC was stopping itself with mental mistakes. In the second half that wasn't the case.

"Jason Williams really ran the ball well," Wagner said. "Lamont also had a strong day running the ball. Jason was over 100 yards and Lamont was in the mid 70's but he had a long run brought back because of an offensive penalty."

Wagner said he knew it would take Williams a few games to get untracked after having surgery on both feet over the summer. "Jason had bunyons removed from both feet," Wagner said. "In order to do that, they have to go in and break bones and doctors told us it would take him a few games for his feet to be totally healed."

The 'Cats finished with 383 yards passing and 218 yards rushing—that's not counting the fact that WSC had four turnovers compared to none for Iowa Wesleyan.

Defensively, WSC was led by Brad Otis with 10 tackles—three of which were quarterback sacks. In fact, the tenacious Wildcats sacked Iowa Wesleyan quarterbacks seven times.

Jon Adkisson also notched 10 tackles with one being a quarterback sack while Sean Francisco recorded eight. Bernie Muller had seven tackles and Robert McConico finished with six with a quarterback sack while Bill Federsen had five including a quarterback sack.

Jason McIntyre was in on four tackles while Jerome Watts, Wilson Hookfin, Jeff Leo, Scott Eisen-

WSC'S BYRON CHAMBERLAIN leaps high above four, Iowa Wesleyan defenders to catch a Brett Salisbury pass in the second quarter of Saturday's homecoming contest. WSC improved to 5-0 with a 41-12 victory.

hauer, Adonice Nunn and Gefman each had three tackles. Leo also recorded a quarterback sack.

Next up for the Wildcats is the University of Nebraska at Kearney—otherwise known as the Lopers. The contest will be played in Kearney, culminating their homecoming week.

## Wayne defeats West Point for first win

By Kevin Peterson  
Sports editor

The Wayne High football team notched their first victory of the season last Friday at the expense of West Point, 27-20 in West Point. The win snapped a seven game losing streak by the Blue Devils and for the Cadets, the beat goes on—23 consecutive losses dating back to 1990.

Records aside, the game proved to be worthy for those attending as it came down to virtually the final seconds before the outcome was decided.

Wayne grabbed a 27-20 lead at the 2:17 mark of the fourth quarter when Cody Stracke scored on a five-yard run and Jeff Hamer converted the point after kick. West Point took the ball on the ensuing kickoff and began driving.

Just when it appeared the Blue Devils were going to hold on downs, the Cadets converted a fourth down and 13 call with a 30-yard pass completion with under a minute to play.

On the very next play, however, Jason Carr sealed the Cadets fate when he intercepted a pass at the Blue Devils 16-yard line. Wayne ran out the clock—all of 38 seconds to end the game.

"This was a big win for us," coach Lonnie Ehrhardt said. "I thought it was a major character builder for us when we scored on a long drive to take the lead and when our defense held West Point towards the end of the game."

Sophomore running back Josh Starzl enjoyed the finest running game of any Wayne running back this season after rushing for 132 yards on 21 carries. Starzl was also the defensive leader with 13 tackles and a fumble recovery.

"I thought Josh and Cody Stracke both had big games for us," Ehrhardt said. "Our younger players are really starting to mature which makes the future look bright. We also got some fine senior leadership which made a lot of difference in this game."

West Point scored first in the game on a 36-yard run to lead 6-0 after one quarter of play. Wayne came back and scored at the 11:16 mark of the second quarter on a 15-yard run by Jason Carr. Jeff Hamer converted the point after kick to give Wayne the lead at 7-6—a lead that stood at halftime.

Stracke plunged over from two yards out early in the third quarter to give Wayne a 14-6 lead with Hamer's point after boot and heading into the fourth quarter the Blue Devils were driving the ball with a 14-6 lead.

That drive culminated at the 10:40 mark of the fourth quarter when Starzl scored from five yards out to give the Blue Devils a 20-6 advantage.

Despite 22 consecutive losses, the Cadets did not lay down and die. Just 1:40 later they scored on a one-yard run to cut the gap to eight at 20-12. Following a blocked punt in which West Point took over at the

Wayne 24-yard line, the host team scored on a five-yard run and converted the two-point attempt to tie the game.

Wayne, however, put together a four-minute drive which consumed 70 yards and 10 plays before Stracke hit paydirt from five yards out—the game winner.

Matt Blomenkamp had a productive night from the quarterback position for the Blue Devils, hitting 7-12 with one interception and 95 yards. Carr continues to be the leading receiver for Wayne and caught three passes for 32 yards while Mike Williams had two receptions for 41 yards.

Defensively, Josh Starzl led the way with 13 tackles followed by Matt Robins and Andy Witkowski with seven each. Carr and Jason Shultheis had six stops each with Kelly Meyer and Stracke notching five tackles apiece.

Wayne will travel to play O'Neill on Friday night and the Eagles will enter the contest with an 0-5 mark.

## Sports Briefs

### WSC cross country teams host invite

WAYNE-The LeRoy Simpson Invitational was held at the Wayne Country Club, Saturday, four men's teams and five women's teams competing.

The Wildcat men placed runner-up behind Northwest Missouri State. WSC finished with 50 points—18 behind the winners. Morningside was third and Dordt was last.

Mark Merritt highlighted the 'Cats effort with a third place finish of 27:48 over the 8,000 meter course. James McGown was ninth in 28:24 and Dustin Weitzel was 11th in 28:44. Dave Patten and Travis Ludwig were timed in 29:27 and 29:42 respectively and Joel Gray ran to a 30:37 clocking. Mark Beran also ran for WSC and was timed in 31:16.

In women's action the Wildcats did not field a team. Northwest Missouri State made it a clean sweep by capturing the team title with 39 points while Morningside was second with 57 as was UNO. Dordt and USD rounded out the field.

Former WSC standout Jennifer Kennedy placed third in the individual standings. Kennedy transferred to UNO this season. Wildcat runner Jackie Heese placed fifth in 19:55 and Kathy Dalton was 11th in 20:35.

### Junior high griders, 0-3

WAYNE-The Wayne Junior High football team is 0-3 on the season after losses of 12-8 to Norfolk Catholic, 18-6 to Pierce and 42-8 to Schuyler.

In the Norfolk Catholic game Robbie Sturm caught a 63-yard touchdown pass from Ryan Wetterberg with the two-point conversion coming on a reception from John Magnuson.

Justin Thebe was the leading rusher with 41 yards on four attempts while Tim Zach had 19 yards on three carries.

In the Pierce contest Jesse Rethwisch was the leading rusher with 25 yards on four carries including a touchdown run. Justin Thebe was 2-5 through the air for 17 yards. Defensively, Rethwisch led the team with five tackles while Andy Wright and Casey Junck had four each.

In the Schuyler game Robbie Sturm rushed for a team-high 52 yards with a touchdown while Dustin Smith rushed for 27 yards. Sturm was 6-15 in passing for 99 yards. Scott Reinhardt was the leading receiver with three catches for 35 yards while Jay Endicott caught two passes for 46 yards. Ryan Stoltenberg caught one pass for 18 yards. The Junior High will play at home on Thursday against Schuyler.

### Pigskin winners announced

WAYNE-The Jaycees recently sponsored the Pigskin Masters Competition. In the seven-year-old division it was Aaron Jorgensen claiming top honors with Kaleb Garvin placing second. Brad Hansen and Brad Hochstein went first and second respectively in the 8-9 year-old division while Brandon Garvin and Shane Baack did likewise in the 10-11 year-old category. Joel Munson and Dustin Schmeits placed first and second in the 12-13 year-old category.

### Wayne golf team wins triangular

WAYNE-The Wayne golf team won a triangular with Pender and Stanton, Monday at the Wayne Country Club in a tune-up for Wednesday's district tournament in Columbus.

Richard Metzger's Blue Devils recorded a season-best score of 204 in winning by 30 strokes over Stanton while Pender carded a 264. Kristine Kopperud led Wayne with a 48 while Erica Stoltenberg notched a 49. Kari Schindler carded a 50 and Molly Melena and Ann Swerczek finished with 57's.

In reserve action the Blue Devils scored a season-best 238 while Stanton carded a 282. Pender did not field a reserve team. Tisha Rothfuss led the Blue Devils with a 55 while Krissy Hadcock fired a 59. Krissy Lubberstedt finished with a 60 and Sandy Burbach notched a 64.

The district tournament will take place at Quayle Run in Columbus with the top three teams and top 10 individuals qualifying for the state golf tournament.

### WSC spikers drop 10th straight

WAYNE-The Wayne State volleyball team lost their 10th consecutive match, Monday at home against Peru State. The match went five games with WSC losing, 10-15, 15-12, 15-9, 15-17, 9-15 leaving Sharon Vanis and her team with a 3-10 record.

"Peru State came in here with a 23-10 record compared to our total of 12 matches," Vanis said. "I felt we still should have won the game. We played well and I was pleased with our effort."

WSC served the ball extremely well, missing just three serves in the five games combined. "I thought in the last game we just beat ourselves," Vanis said. "That's not to take anything away from Peru State but we had a lot of attack errors and passing errors that really hurt us."

Lora Grant pounded out 22 kill spikes to lead the 'Cats while Jennifer Hammer had 13. Tanya Rotherham and Cassie Vescio each had a dozen kills and Laura Pfister had nine.

Cindy LeCrone was 154-155 in setting with 55 aces while Pfister had nine assists. Vanis credited Jaime Melton as playing a super match. Melton was 24-25 in serve receive and notched 14 digs. Vescio had 19 digs to lead WSC and Grant had 15 while LeCrone finished with 13 and Hammer, 11. Pfister was also in double figures in digs with 10. Vescio led the team in blocks with five.

WSC will travel to play the College of St. Mary on Wednesday before playing at Chadron State on Friday. Monday, the Wildcats travel to play Augustana. The next home match is slated for Tuesday, Oct. 19 against Morningside.

### Wayne reserves improve to 3-1

WAYNE-The Wayne reserve football team improved to 3-1 with a 16-6 victory over Schuyler, Monday in Schuyler. The Blue Devils have won three straight after a season opening loss to South Sioux.

Josh Starzl led Wayne with 51 yards rushing and the sophomore running back scored both Wayne touchdowns. The first came on a 68-yard pass from Ryan Pick and the second came on a four-yard run. Ryan Brown blocked a Schuyler punt out of the endzone for a safety and after Wayne's second touchdown, Pick connected with Scott Sievers for two points to account for all the scoring.

Pick was 5-13 in passing for 97 yards with Josh catching two passes for 74 while Sievers caught two for 21. Defensively, Wayne was led by Andy Witkowski and Jason Zulowski with seven tackles each while Cody Stracke and Brown had six each. Wayne will close out the season on Monday when they host West Point in a 5 p.m. game.

Photography: Kevin Peterson

### WSC linksters undefeated

The Wayne State women's golf team remained undefeated on the season with a 366-401 victory over Kearney, Monday afternoon at the Wayne Country Club. Pictured at left is Dawn Garrett chipping onto the number nine green. At right is Deena Curtis, putting on number nine. These two are the only seniors on the Wildcat team. Brenda Pottebaum was WSC's top golfer on the day with an 88 while Traci Pesek fired an 89. Keri Goette was third with a 92 and Dawn Garrett was fourth with a 97. Becky Shanahan, Lori Wagner and Deena Curtis rounded out the 'Cats roster in order.

## Wayne volleyball team falls to 8-7 after Wakefield invite

The Wayne volleyball team went 1-2 in the Wakefield Tournament, Saturday to place third in the four-team round-robin event. Joyce Hoskins' team lost to Laurel in the first match, 15-8, 9-15, 12-15.

Amy Post led the servers at 11-11 with three aces while Angie Hudson was 15-16 with seven aces. Wendy Beiermann was 8-8 with one ace and Melissa Weber was 8-9 while Jenny Thompson was 7-8 with one ace. Hudson paced the Blue Devils in scoring with 11 points and Post had nine while Carrie Fink scored six.

Fink led the setters with eight assists while Beiermann had five. Thompson was the top hitter with 11 kills on 26-31 attempts while Hudson and Heather Nichols had three aces each.

Thompson also led the defense with two blocks and 16 digs (based on serve receive). Fink had 11 digs and Hudson and Katy Wilson had six digs each. "We did not play with freshman starter Katie Lutt,"

Hoskins said. "She was diagnosed by the doctor as having a spine problem which stemmed from the time she was an infant."

LUTT WILL probably miss this week but doctors have said she can return to playing volleyball when she feels no pain while walking. Her condition, however, may require surgery when she gets older.

"We came out very strong in the first game with Laurel," Hoskins said. "Then we got to a point where we played safe and waited for Laurel to make mistakes and we just can't do that."

Hoskins' said Wayne was up by a 5-0 margin in the second game before Laurel rallied and took control.

In the second match the Blue Devils defeated Randolph, 15-10, 5-15, 15-13. Thompson was the leading server with a perfect 13-13 performance that included two aces and a team high 13 points. Katy Wilson was 13-14 with six aces and

scored 10 points.

Fink had nine assists to lead the setting crew and Thompson was the top hitter with 13 kill spikes while Hudson was 21-23 with seven aces. "I would say this was a match that we just played well enough to win," Hoskins said. "It looked as though we were playing a little timid or it was a lack of confidence with a changed line-up."

Hoskins commended Katy Wilson and Melissa Weber for stepping in and doing a great job in the absence of Lutt. Both are freshman.

Wayne was handed a 16-14, 8-15, 8-15 setback to Wakefield in its last match of the day. Wakefield notched a perfect 3-0 record to win the tournament while Laurel at 2-1 was runner-up and Randolph was last at 0-4.

THOMPSON WAS the top server once again with a 19-19 performance that included three aces and a dozen points. Wilson was 11-12 with one ace and six points and Carrie Fink was 10-11 with six

points.

Fink was 51-57 in setting with 26 aces while Beiermann notched 11 assists. Thompson was 38-44 in hitting with 12 kills and Angie Hudson was 27-32 with 12 kills while Heather Nichols was 6-8 with two aces.

J.T. also had four aces blocks to lead the defense while notching 30 digs. "We won the first game by coming out and playing strong on every point," Hoskins said. "We capitalized on Wakefield mistakes but in the second game we again waited for them to make errors instead of playing our game and they didn't make the same mistakes and we got down and couldn't recover."

The 8-7 Blue Devils will travel to compete in the South Sioux Invitational on Tuesday night. Wayne will play Sioux City West while rated Sioux City Heelan plays South Sioux in the other first round match.

## Laurel griders slip to 1-4 after setback

The Laurel Bears slipped to 1-4 on the season last Friday after dropping a 42-28 decision to the Pierce Bluejays in Pierce. Speaking of slipping, the Bears had trouble grasping a hold of Pierce sophomore running back Matt Toelle all night.

Toelle had the most impressive night of any running back in Nebraska high school football, Friday rolling up 309 yards on just 14 carries while scoring five touchdowns. "We had him trapped in the backfield a couple of times," Laurel coach Tom Luxford said. "He just slipped away from us and ran wild."

Toelle scored on runs of 12, 68, 70, 9 & 27 yards. Despite the impressive numbers Toelle ran up, Laurel hung in there and with just over eight minutes to go in the fourth period it was a 28-24 ball game.

"We played well," Luxford said. "Pierce has a huge football team. They shut down our running game pretty good but that opened up our passing game and Tyler Erwin had a good night throwing the ball."

Pierce scored the game's first 14 points on touchdown runs by Toelle of 12 and 68 yards. In the second quarter Erwin hit Jeremy Reinoehl on a seven-yard scoring pass—the first of four touchdown passes by Erwin and the first of three touchdown receptions by Jeremy Reinoehl.

Pierce came back to take a 21-6 lead on a 70-yard scoring run by Toelle but the Bears cut the gap to nine at half at 21-12 when Jeremy Reinoehl caught a one-yard touchdown pass from Erwin.

Pierce scored first in the third quarter on five-yard run but Laurel answered with a nine-yard scoring pass from Erwin to Jared Reinoehl to make it 28-18 after the third quarter.

Jeremy Reinoehl caught his third touchdown pass of the game early in the fourth quarter from 15 yards out to cut the gap to four at 28-24 but Pierce scored the next two touchdowns on runs of 9 and 27 yards by Toelle to close out the game.

The Bears' running game was all

but exempt as Pierce held them to a minus 51 yards. Erwin, however, was 15-30 through the air for 157 yards with Jeremy Reinoehl catching nine passes for 78 yards while Jared Reinoehl caught four for 54 yards.

Defensively, Laurel was led by Cody Carstensen and Jeremy Reinoehl with seven tackles each while Todd Arens had six and Randy Quist five, with an interception. Jeremy Reinoehl and Dustin Ankeny each had fumble recoveries. The Bears schedule will not get any easier this Friday as they host Bloomfield.

Statistics	Laurel	Pierce
First Downs	8	5
Rush Atts/Yards	34-(51)	33-392
Pass / Interceptions	15-30-1	0-6-1

## Wildcats 45-point Walthill Winside wins homecoming tilt

For the first quarter of the Winside-Walthill football game with Walthill last Friday in Winside, it looked as though the visitors were going to ruin homecoming. The Bluejays led a 6-0 lead after one period of play but Randy Geier's squad managed to take an 8-6 lead into the locker room at the intermission and in the second half the Cats exploded for 44 unanswered points to 45-point Walthill, 52-6.

"I thought we came out in the first quarter really flat," Geier said. "The kids were unemotional but as the game progressed we got the momentum and the emotion came back and we dominated."

Geier said his team turned up the intensity a notch in the second half both physically and emotionally which proved to be a major difference. "I wish I could say it was coaching genius," Geier said. "However, that wasn't the case."

Walthill opened the scoring with

a 14-yard touchdown pass. Winside took the lead on a Lonnie Grothe 11-yard scoring run and his two-point conversion run.

In the third quarter Grothe scored from one yard out to make it 14-6 and perhaps the biggest play of the game came on a fourth-down and nine call by Geier which resulted in a 35-yard scoring pass from Benji Wuttler to Jaimey Holdorf. Frahm literally hurdled for the two-point conversion for a 22-6 advantage by the Wildcats after three quarters.

The host team scored 30 points in the final stanza to end the game at the five second mark of regulation. Wuttler scored from one yard out to begin the scoring barrage with Holdorf catching the pass to complete the two-point play.

Wuttler then hit Colby Jensen with a 24-yard scoring strike with Holdorf recovering a Frahm fumble in the endzone to successfully complete the two-point attempt.

Jeremy Jenkins then tackled the Walthill punter in the endzone for a safety before Wuttler connected with Jensen on a 14-yard scoring strike. Jeremy Barg closed out the scoring

on a 23-yard touchdown sprint.

Grothe rolled up 124 yards rushing on 16 carries before leaving the game with cramps in both his legs. Wuttler was 5-9 through the air for 85 yards with Jensen catching two passes for 38 yards.

Dave Paulsen led the defense with 10 tackles while Frahm had nine and Jayme Shelton, eight. Jeff Bruggeman and Grothe each recorded seven tackles. Frahm recovered the lone Walthill fumble.

Winside will travel to play Wausa on Friday night at 7 p.m. due to homecoming activities in Wausa.

Statistics	Winside	W.Hill
First Downs	21	12
Rush Att's/Yards	46-285	46-193
Pass / Interceptions	5-9-1	2-9-0
Pass Yards	85	14
Total Offense	370	207
Fumbles	0	1
Penalties	4-40	6-40

Individual rushing: Winside—Lonnie Grothe, 16-124; Brady Frahm, 15-59; Benji Wuttler, 8-59; Jeremy Barg, 3-24.

Passing: Winside—Benji Wuttler, 5-9-85.

Receiving: Winside—Colby Jensen, 2-38; Jaimey Holdorf, 1-35; Brady Frahm, 2-12.

WINSIDE KEPT visiting Walthill bottled up after the first quarter with gang tackling defense.

WINSIDE RUNNING back Lonnie Grothe looks for blockers on this run during action in Winside last Friday. Grothe rushed for over 100 yards and the Wildcats posted a 52-6 victory over Walthill on homecoming night. Winside improved to 2-3 with the win and will travel to play Wausa on Friday.

## Wakefield defeats Homer

Dennis Wilbur's Wakefield football team snapped a three-game losing skid, last Friday in Homer with a 29-23 victory.

The Trojans, 2-3 got off to a quick start offensively, scoring on their first drive after Miah Johnson returned the opening kickoff 54 yards to the Homer 36-yard line.

Johnson did the honors on a seven-yard drive to give Wakefield a 7-0 lead. Wakefield took its second possession 65 yards in 10 plays, culminating with a Ryan Ekberg 33-yard touchdown run for a 13-0 lead after the first quarter.

Homer scored on a 17-yard run to close the gap to 13-7 but Wakefield answered with a 63-yard scoring run by quarterback Cory Brown

with Ekberg running for the two-point conversion.

Homer closed out the first half with a four-yard scoring run to trail the Trojans, 21-14 at the intermission. Wakefield came out strong in the second half and scored a touchdown on Cody Skinner's 33-yard run with Ekberg, again converting the two-point attempt on a run.

Homer scored on a 13-yard run later in the third quarter to draw with in nine points at 29-20 and the

host team added a field goal from 25 yards out late in the third quarter which proved to be the last scoring of the game.

"In the first half we played almost error free football," Wilbur said. "Our defense played very well. In the second half we controlled the game with our running attack but Homer stayed with us because we had two turnovers and some costly penalties."

Wilbur said his squad had a total

of 12 penalties—11 of which were offensive infractions. Brown led the offensive rushing attack with 104 yards while Skinner and Ekberg were near the century mark in rushing with 99 and 97 yards, respectively.

Defensively, the Trojans were led by Brown with 14 tackles while Ekberg had nine and Dave Jensen, eight. Skinner finished with seven tackles. Miah Johnson intercepted a Homer pass.

## Allen back gains over 200 yards in 52-28 win

The Allen Eagles football team won their second game in as many weeks with a 52-28 decision over Wynot last Friday in Wynot. Warren Jensen's crew jumped out to a 16-0 lead in the first quarter and never looked back while improving to 2-3 on the year.

"We came out sharp," Jensen said. "We really got off to a good start. Our defense held Wynot on its first possession and after the punt we started our first drive on our eight-yard line, only to have Steve Sullivan take the first snap and sprint 72 yards for a touchdown."

Curtis Oswald came back later in the first and hit Casey Schroeder on a 13-yard scoring strike to give the Eagles a 16-0 cushion after one quarter of play.

Wynot answered early in the second stanza on a one-yard scoring plunge but Schroeder may have provided the straw that broke the camel's back on the ensuing kickoff with a 75-yard return for a touchdown.

Wynot made it a 24-14 game at the half after a 21-yard scoring run right before the half. Allen struck first in the third quarter on a 34-yard scoring pass from Oswald to Schroeder and Wynot answered with a one yard scoring run to make a 30-22 game after three quarters.

Allen scored the first two touchdowns of the fourth quarter on Sullivan scoring runs on 42 and 15 yards before Wynot added its last scoring on a 31-yard run. Sullivan closed out Allen's night with an 11-yard run.

"Sullivan has really come on our last three games," Jensen said. "He has over 900 yards rushing now after five games and he's scored 14 touchdowns and added eight, two-point conversions for 100 points."

Sullivan ripped the Wynot defense for 230 yards rushing on 22 carries and had seven runs of 10-plus yards. Oswald was 6-11 in passing for 117 yards with Schroeder being his favorite target with five receptions for 84 yards.

Defensively, Sullivan and Oswald shared team honors with 18 total tackles each. Jay Jackson had 13 tackles and Schroeder had 10. Sullivan, Oswald and Jackson each recovered Wynot fumbles. Allen will host Walthill on Friday in homecoming.

## Laurel volleyball team runner-up at Wakefield Invite, Saturday

The Laurel volleyball team ran their record to 7-3 after a 2-1 showing at the Wakefield Tournament, Saturday. The Bears defeated Wayne in the first match, 8-15, 15-9, 15-12 before losing to Wakefield in straight games, 14-16, 3-15. The Bears closed out the day with a 9-15, 15-13, 15-8 win over Randolph.

In the first match, Patti Cunningham said her squad suffered some let-downs but managed to play well enough to beat the Blue Devils. Kris Stark was the leader in serving at 14-14 with one ace and

seven points. Kari Kraemer was 15-17 from the service line and Samantha Felber led the team in scoring with 10 points.

Kraemer was 64-64 in setting with 15 assists with Felber leading the hitting attack with 12 aces on a perfect 23-23 outing. Tracy Ankeny was 10-12 with three aces. Felber notched six blocks in the match and LeAnn Stewart had seven digs to lead the team.

In the match with Wakefield the Bears seemed to be in control of the first game but the host Trojans fought back to win leaving Laurel emotionally flat in the second

game. "We had a 14-11 lead in that first game," Cunningham said. "After Wakefield came back to win we just lost all momentum for the second game."

Heather Cunningham was the top server at 8-10 while Tara Erwin was 7-9 with one ace. Kari Kraemer was the leading scorer with four points. Kraemer was 22-23 in setting with five assists with Felber notching five kills to lead the team.

Cunningham said the Bears continued to struggle in the Randolph match with a very slow start and they nearly lost in straight games.

"We fell 15-9 in the first game and we found ourselves down 13-6 in the second game before we came back to win with nine straight points," Cunningham said. "Randolph made some unforced errors and we capitalized on them."

Kris Stark was 21-23 in serving with five aces to lead the Bears while Samantha Felber was the leading scorer with 16 points. Kari Kraemer was 47-48 in setting with 18 assists.

The hitters were led by Felber's 12 kills on a 19-22 outing while Tracy Ankeny was 11-13 with eight kills and Heather Cunningham, 10-13 with five aces.

## Students hone reporting skills

By Aaron Schnier  
Wayne High Student

Wayne High School journalism students will be writing a series of articles for area newspapers this year.

The class of 14 meets every day during school, and in addition to newspaper chores, will be producing the 1994 yearbook. Yearbook co-editors are Susan Webber and Robert Bell. Co-photography edi-

tors are Carrie Echtenkamp and Spencer Bayless. Two additional students are staff photographers, but due to schedule conflicts, were not able to take the class.

The class will be contributing articles to The Wayne Herald every week and the Norfolk Daily News twice during the year. The class thanks both publications for contributing space to the fledgling reporters.

## Field trip for journalists

By Trevor Schroeder  
Wayne High School

Thursday, Sept. 16, yearbook adviser, Lauren Walton, and several yearbook staff members took a "field trip" to Fremont to go to a journalism workshop at Midland College.

Attending the workshop were Aaron Schnier, yearbook; April Hyuck, desktop publishing; Kristin Kaup, beginning photography; Spencer Bayless, advanced photog-

raphy; and Susan Webber, editor. The purpose of the workshop was to provide useful skills for both novice and veteran staff members. The attendees left at 6:45 a.m. and returned at 4:30 p.m. the same day.

A similar schedule was followed for a Walsworth yearbook workshop in Columbus on Sept. 22. Attending the Walsworth workshop were Jolene Jager, Jason Shultheis, Rick Endicott, Kristine Kopperud, Krista Magnuson and Robert Bell.

## Waynian in Big Red band

Liz Claussen, a freshman at the University of Nebraska, Lincoln, is playing in the "A" rank of first trumpet for the Big Red marching band. A 1993 graduate of Wayne High School, Liz is the daughter of Delbert and Mary Claussen. There are 120 new students in the 245-member band this year. The new students were auditioned two hours a day for a full week before being accepted into the band. Miss Claussen is majoring in chemistry.

Liz Claussen

## 'Why are we then surprised?'

After last week's thoughts on Malotte's Lord's Prayer, we went to a funeral and heard it once more, sung by the officiating pastor.

We discovered right after Max and Ann's wedding that Grandpa Kant had had a recurrence of cancer and that it was in his liver.

Grandma Kant requested from the prayer chain that: Otto have a peaceful death and that she would be able to care for him at home. With the assistance of Hospice, those things happened. And as Gloria Lessman commented, "why are we then surprised?"

Otto Kant was a gentleman, in the truest sense of the word. He was able to attend the wedding and even stayed for the reception. He'll be missed.

My friend Cyril suggested I start a file marked "Miracles," and I believe that's a great idea. Otto Kant's obituary can go in it.

Another newspaper article going into it is from the Arizona Republican, and has to do with a couple named Dave and Barb Anderson.

Dave and Barb are music evangelists. They travel all over the U.S. in an RV and give concerts. We've heard them at our church in Winside and in Louisville; at Battle Creek and in Fremont.

They've traveled to Australia several times; and this summer, they flew to Siberia, in a small

### The Farmer's Wife

By Pat Meierhenry

plane.

On the way back to Alaska, the plane ran out of fuel and went down into the Bering Sea. They grabbed empty gas cans and jumped into the water. The plane soon sank.

A Bering Airplane was passing overhead and relayed data to Nome. There was a daring rescue by helicopters.

They were in the icy water for an hour and were told later that nobody could stay alive in it for more than 20 minutes. Barbara's body temperature in ER was 90 degrees.

Folks, that is a bona fide miracle, and deserves a prominent place in a Miracle file.

We're enjoying beautiful weather. Combines are moving all around us. Marigolds and mums are bright splashes of color; and leaves are turning red and gold. Annual miracles that we take for granted. Enjoy the Indian Summer.

## Top honors for local prexy

Jerome Thiele, district director of Jaycees of Nebraska is shown presenting a plaque to Jeff Pasold of Wayne who was honored for being one of the top 10 Jaycee presidents in Nebraska.

## Winside student is semi-finalist

Tinia Hartmann, a senior theatre/speech major from Winside, is one of the Midland Lutheran College homecoming semi-finalists for the 1993-94 academic year.

A total of 18 seniors — eight men and 10 women — have been selected by a panel consisting of representatives of student organizations and faculty. Tinia is the daughter of Owen and Karen Hartmann of Winside.

The field will be narrowed to four men and four women at an upcoming election by the student body. The Homecoming King and Queen (also elected by the student body) will be crowned in the Clemmons Hall Chapel on Friday, Oct. 8, following a student talent show beginning at 8 p.m.

## Risk workshop held

Kathy Fink and Sally Ebmeier, who teach at Wayne and Laurel, attended a recent workshop on "Helping Youth At-Risk Understand the Work of the Family." The workshop participants discussed the meaning of "the work of the family;" examined reasons why "the work of the family" is not being done.

"Education for family and work," emphasizes preparation for the work of families and family life, work in service organizations, volunteer work, the work of citizens, as well as in the traditional context of employment and economic productivity. Each of these connections is important in the preparation of the family, citizen and worker for the 21st century. Our profession, home economics, has the unique ability to design programs focusing on individual needs within the context of the family, community and workplace.

The workshop was presented by Melinda Holcombe, assistant professor at the University of Nebraska-Lincoln, through a grant authorized by the State Department of Education using funds from the Carl D. Perkins Vocational and Applied Technology Education Act.

Denny Fleer

## Manager promoted

Wayne native Denny Fleer has been promoted to Section Foreman at Dale Electronics in Yankton, S.D.

Fleer has a B.S. degree in industrial management from Wayne State. He began his employment with Dale Electronics in June, 1983 as a production supervisor. He was promoted to production foreman in June, 1985, to general foreman in June, 1989 and to his present position in June, 1993.

Fleer's wife Michelle is a resource room teacher at Stewart Elementary School in Yankton. They are the parents of two sons.

## Agency honored

Northeast Nebraska Insurance Agency of Wayne has been honored by Farmers Mutual Hail Insurance Company of Iowa's Million Dollar Club, for achievement in writing crop hail insurance in 1993.

Northeast Nebraska Insurance Agency once again, was recognized for attaining over a million dollars in production, and its name is inscribed on the company's permanent million dollar club plaque displayed at the home office in Des Moines, Iowa.

Farmers Mutual Hail writes in 13 midwestern states and is recognized as one of the leading crop hail insurance companies in the nation.

## Wayne pharmacy first in program

The University of Nebraska Medical Center announced that Sav-Mor Pharmacy in Wayne has been selected as UNMC's first rural health information center in what will eventually include a network of 30 rural pharmacies around the state.

Information available at UNMC about drugs and health topics, often information on the leading edge of medicine, will be available at the pharmacy.

"We always have provided information for people," said Will Davis, the owner of Sav-Mor. "This allows us to access information we just didn't have access to before, which is important to my customers."

The UNMC College of Pharmacy received a \$300,000 grant last year from the U.S. Department of Housing and Urban Development (HUD) to develop health information centers in 30 rural community pharmacies throughout the state. Synapse, UNMC's statewide computer network, will serve as the electronic telecommunications system linking the health information centers to UNMC.

Davis said he thought his pharmacy had been selected as one of the test sites for the new medical center service because he works with pre-pharmacy students from Wayne State College in the Rural Health Opportunities program offered through the University Medical Center.

Davis has also been involved in leadership for many years in the state association for pharmacists.

Beyond connecting rural pharmacies to information at UNMC, the information centers also have access to the Center for Rural Health Education and Drug Information Network. Lucinda G. Miller, Pharm.D., director of the Nebraska Drug Information Network and associate professor in UNMC's pharmacy practice department, said the system is something unique and important.

"Finding health care professionals for rural areas is a nationwide problem," she said. "This system gives tremendous access to medical information. I'm not aware of any other state doing anything like this."

The center will coordinate statewide drug information programs and development of health promotion, wellness and disease prevention resources to be used at the 30 rural pharmacies. Davis said that disease prevention, especially children's illnesses, will be important for his customers.

The project is a key component of UNMC's Rural Health Education Network (RHEN), an innovative program, designed to help address

Will Davis

the shortage of health professionals in rural Nebraska.

"Rural community pharmacies will be an ideal setting for these information centers," said Dr. Miller. "Pharmacists have always been valued members of the health team in both urban and rural communities, but they play a special role in rural communities, where they serve as both an economic resource and a health care provider."

The need for these health information centers is critical, as evidenced by data compiled by the Nebraska Office of Rural Health. This data found:

- 57 of 99 Nebraska communities have a shortage of family practice physicians and 21 counties have no hospital.

- A declining population caused by the difficult farm economy has resulted in six hospital closures in the past four years.

- There is a desperate need for mental health care in rural Nebraska due to increased rates of alcoholism and child/spouse abuse. The rate of depression in rural youth is twice the national average.

- The increasing elderly population in rural Nebraska requires more health care services and access to health information than the general population.

Four more rural pharmacies will be added to the network this year, Miller said, while 10 more pharmacies will be added in 1994 and 15 more in 1995.

The \$300,000 grant for the centers was included in the fiscal year 1992 VA-HUD-Independent Agencies Appropriations Bill at the request of Nebraska Sen. Bob Kerrey, a member of the subcommittee which drafted the bill. The proposal was developed in conjunction with the office of Gov. Ben Nelson and the Nebraska Rural Development Commission.

## Hog count drops for area, nation

Nebraska pork producers had 4.35 million hogs and pigs on hand Sept. 1, according to the Nebraska Agricultural Statistics Service. This number was down 5 percent from a year earlier and was 2 percent below two years ago. Hogs and pigs kept for breeding were 7 percent below last year and 4 percent below two years ago, while market hogs were 5 percent below Sept. 1, 1992, and 2 percent below two years ago.

During the June-August quarter, 210,000 sows farrowed producing a pig crop of 1.72 million head, down 8 percent from a year ago and down 3 percent from two years ago.

If Nebraska producers carry out farrowing intentions, the number of sows to farrow during the fall quarter at 225,000 would be 6 percent below a year earlier and down 2 percent from two years ago. The 210,000 sows expected to farrow during the winter quarter would be down 5 percent from both the corresponding period last year and two years ago.

Inventory of all hogs and pigs in the U.S. on Sept. 1, is estimated at 59 million head. This is a 4 percent decrease from last year and 1 percent below Sept. 1, 1991. Breeding inventory, at 7.08 million head, was down 5 percent from a year ago and 3 percent below Sept. 1, 1991. Market hog inventory, at 51.9 million head, decreased 4 percent from a year ago and was down 1 percent from Sept. 1, 1991.

The June-August 1993 U.S. pig crop was 23.7 million head, 8 percent less than last year and down 3 percent from the same period in 1991. Sows farrowing during this period totaled 2.93 million head, down 7 percent from last year and 6 percent below 1991. Pigs saved per litter were 8.09 compared to 8.14 during the same period in 1992.

U.S. hog producers intend to have 2.93 million sows farrow during the September-November quarter, 3 percent less than the actual farrowings during the same period last year and 1 percent less than in 1991. Farrowings intended for December 1993-February 1994, at 2.85 million sows, are 2 percent above 1993 but down 2 percent from 1992.

## Captured showmanship awards

Nebraska 4-H club members captured the top three market lamb showmanship awards at the 1993 Ak-Sar-Ben Livestock Exposition in Omaha on Sept. 25. The winners (left to right) included: Jessica Mondero, 16, Culbertson, champion; Jeremy Olson, 16, Randolph, reserve champion; and Nikki John, 16, Miller, third place. The J.L. Thurmond Superior Showman Awards of \$150, \$100 and \$50 go to the top three showmen. The Champion showman also is eligible to apply for the \$1,000 J.L. Thurmond Superior Showman Scholarship. The Nebraska Farmer magazine provides plaques for the champion and reserve champion showmen. Parents of the top showmen are John and Karen Mondero, Richard and Deborah Olson and Randy and Penny John.

## Profitability varies for hog farms

CONCORD — As some Nebraska swine operations continue to increase in size and efficiency, so does the range of profitability among operations, according to a swine specialist at the University of Nebraska-Northeast Research and Extension Center here.

Mike Brumm said the annual rate of return for high-profit operations over five years averaged 40 percent more than low-profit operations.

The group averages were based on 1988 to 1992 data from farrow-to-finish producers enrolled in the Nebraska Swine Enterprise Records Program. The program assisted swine producers in keeping enterprise records and helped them understand how cost affected their operations.

Brumm said the data showed a wide range of profitability among operations with differences in feed costs, reproductive efficiency and

total cost per hundredweight of pork produced.

"The biggest predictor of profit is the ability to control cost," the Institute of Agriculture and Natural Resources staff member said. "Feed cost is the biggest expense for operations."

He said high-profit managers reach their position in the swine industry by managing their operations on a day-to-day basis and by changing management style with time. Low-profit managers stay at their position because of their unwillingness or inability to increase operational efficiency.

"I can predict a swine producer's future when they answer the following questions: 'Are you a grain farmer who enhances the value of your home-grown grain with pigs, or are you an asset manager who has pigs as an asset to be managed?'" Brumm said.

As swine operations increase in size and efficiency, he said producers with 50 to 80 sows will be most at risk for competing in future markets. He said that although pigs are important to their economic survival, they are too small to devote 100 percent of their management time to pork production.

"Many low-profit operators are dropping out and some just have pigs as a hobby," Brumm said. "They just aren't making the decisions necessary to increase their operation's competitive position with producers who specialize in pig operations."

Nebraska's population of pig producers has remained steady at 12,000 for the last 4 years. Nebraska ranks fifth in the United States for pig production. He said 80 percent of the state's pork is produced by only 20 percent of the state's pork operations.

## Environmental rules ban rural landfills

The Nebraska Department of Environmental Quality has issued a guidance report to assist landowners and farm/ranch operators in managing their solid waste after Oct. 1, 1993.

The information in the report is based on commonly asked questions. If you need further clarification please call the Integrated Waste Management Section of the Nebraska Department of Environmental Quality (NDEQ) at 471-4210.

After Oct. 1, no person shall dump or deposit waste at any place other than a landfill approved by the director. This prohibits dumping on private property, including rural residents. To avoid future expensive clean up costs NDEQ suggests surveying any existing dump for potentially dangerous waste including but not limited to spent lead-acid batteries, paint cans, pesticide containers, oil storage containers, antifreeze containers, etc., and pull them out of the dump and dispose of them at a permitted landfill or recycle if possible.

After eliminating undesirable materials NDEQ recommends that the open dump be covered with at least two feet of soil, sloping it in a way that water drains away from the site, and establish perennial grasses on the fill site.

### Beneficial Fill

There are exceptions to the rules concerning dumping on private land. The allowed exceptions are:

1. The use of concrete, soil, brick and other inorganic materials for landscaping, grading and grading purposes; if any of these materials are used for streambank stabilization, or is within the high waterline of a water way, a permit may be required from the Corp of Engineers. The Kearney Regional Office of the Corp of Engineers phone number is (308) 234-1403.

2. The use of tires or ferrous objects for bank or blowout stabilization. Any bank stabilization must be done in accordance with Title 117 - Nebraska Surface Water Quality Standards and the Federal Clean Water Act. The Corp of Engineers may require a permit for this activity also.

### Burn Barrels

NDEQ does not regulate the use of burn barrels for rural residents. Local city or county officials may regulate their use and should be contacted concerning the use of burn barrels in your area. A burn permit from the local fire chief may be required for open burning of brush piles, trees, untreated wood or vegetation that originated on the property.

### Junk and Scrap Agricultural Equipment

"Junk" includes but is not limited to: mean: old scrap; copper; brass; iron; steel; wire; glass; rope; rags; batteries; paper trash; rubber;

## Team places

The Logan LTD Feedyard I team from Allen, comprised of Gary Gregg, Don Cunningham and Kurt Cunningham finished 7th in the Nebraska Cattlemen team penning standings overall for the year according to figures released by the cattlemen's organization.

The top 30 teams from across the state competed for honors at the tenth annual Nebraska Cattlemen Team Penning Finals held Sept. 25 in North Platte.

The Richard Wolf team of Valparaiso took top honors by penning six head of cattle in 2 minutes and 37.97 seconds at the finals.

## Hogs and sheep higher, cattle lower in market

The Norfolk-Livestock Market had a run of 691 on Friday. Prices were 50¢ to \$1 lower on steers and heifers, cows and bulls were \$1, to \$2 lower.

**SAVING ENERGY IS PUBLIC POWERFUL!**

Our electric utility is community-owned, locally controlled, and not-for-profit. That makes our community PUBLIC POWERful! Using energy wisely and efficiently is also PUBLIC POWERful! Here are some tips on how to save money and energy:

- Use the smallest appliance necessary to complete your job. For example, cook meals using your microwave oven instead of the stove.
- Install energy-efficient compact fluorescent light bulbs and use sunlight wherever you can.
- Plant shrubs and trees to shade your air conditioning unit and house.
- Insulate your attic and basement. Weather-strip around doors and caulk your windows.
