

The Great Grainland Road Bean Train

Area farmers were playing a hurry up and wait game earlier in the week as prime harvest weather permitted the gathering in of up to half of the area's soybean crop. Here they are shown lined-up across Grainland Road in Wayne waiting to unload their above average yields. Motorists and farmers alike are encouraged to drive cautiously during the hectic harvest season which means heavy equipment will be on the roads.

Bean harvest half done

By Les Mann
Of the Herald

The area soybean harvest is about half over thanks to a week of great harvest weather that had bean wagons waiting in line at local elevators.

Reports are positive for the first half of the harvest with yields averaging well over 40 bushels per acre.

well above the normal average of 25 to 32 bushels according to Mike Lance with the Wayne County Soil Conservation Service office.

Moisture readings have not been all good news however, with some beans coming in low at 9 percent and others as high as 17, said Lance. He said optimum is the 12 to 13 percent range.

SO FAR AREA farmers have

avoided major damage problems due to weathering, he said, noting there have been no reports of mold or discoloration which can result from long periods of wet weather and warmer temperatures in the fall.

At Carroll Fed and Grain the average yield reports have been 42-45 bushels and test weights "good." Storage space is not anticipated to be a problem even with the larger than average crop the spokesperson said. In the Carroll area it is estimated up to 70 percent of the soybean crop is in.

IN WINSIDE the estimate is 75 percent of the harvest is complete with yields averaging close to 40 bushels and some farms reporting 50. The larger than average soy crop has fostered concern in Winside of running out of room in the elevator.

At Wayne Grain and Feed there are no problems with storage space yet, and none are anticipated unless there is a bottleneck at the larger terminals down the transportation line.

Other than corn cut for silage, the area corn harvest is still waiting for more drying conditions. Friday's wet weather was expected to halt all harvest work for several days.

Burglars hit Winside bar

Dallas and Marcella Schellenberg, owners of Schelley's Saloon in Winside, reported a break-in at their business, in the early morning hours of Tuesday.

According to Wayne County Sheriff LeRoy Janssen, the break-in took place sometime between 1-5:30 a.m. "There was an undetermined amount of cash and cigarettes taken," Janssen said. "The back door was broken in with a pry-bar."

Janssen said the break-in is still under investigation.

Costly building woes face Wayne Schools

By Les Mann
Of the Herald

What to do about substandard school buildings in Wayne and Carroll will be a decision facing the Wayne School Board and the special buildings study committee it is appointing this fall.

The Wayne Middle School and Carroll Elementary are both in need of major renovation or replacement in the near future say state and local school officials. Cost estimates have ranged from as little as \$260,000 just to address accessibility problems to as high as \$11 million for new buildings which was recommended in a 1991 study of the Wayne District prepared by faculty members of University of Nebraska-Lincoln.

THE SCHOOL board members met in special session Wednesday

to being discussing options and concerns in regards to the district's building and grounds needs, but it was clear the \$11 million estimate was not among the ideas being seriously considered.

Wayne Superintendent Dr. Dennis Jensen listed a litany of problems facing the district during the board meeting. Among them:

- *Foundation leaks in the Carroll Elementary basement.
- *Inadequate gym in Carroll.
- *Tuckpointing and structural work needed on Carroll exterior.
- *Major accessibility problems in Carroll Elementary and Wayne Middle School.
- *Foundation deterioration at the 1908 Middle School building.
- *Costly and inefficient heating system in the Middle School
- *Lack of gym facilities for the Middle School
- *Inadequate band and music room

in the Middle School.
*Substandard classrooms especially in science lab and technology labs in Middle School.

SHORTCOMINGS also exist at the High School and the West Elementary School but are not as severe as in the Carroll and Middle School buildings, said Jensen.

Stopping short of recommending replacement or renovation of the buildings, Jensen asked the board to appoint a citizen/school committee to study the structural needs and make a recommendation for action.

Noting the building needs of the city in the area of library, senior center and auditorium especially, Jensen said the committee may want to look at the feasibility of joint projects that would address the mul-

Waynians urged to be cautious

Fires are costly and can be prevented, Wayne Fire Prevention officer Art Barker told members of the Wayne Chamber of Commerce at their coffee Friday morning and he and other firemen have been preaching the same message all week as hundreds of grade school students tour the fire hall and take fire truck rides during annual Fire Prevention

Week activities.
"One week of fire prevention is not enough," urged Barker, "We need to practice fire safety every day of every week."

IN 1993 alone there have been 2,740 reported fires in the state, said Barker. Those have amounted to a dollar loss of \$18,225 million or an average of \$6,652 per fire, he added. Nebraska suffered 16 fire related fatalities in 1992.

Every fire can be prevented, said both Barker and Mike Durst, Nebraska State Fire Marshal. Although most fires are characterized as accidental or "honest mistakes," all of them could have been avoided if proper actions had been taken. That is what the fire officials are teaching through their public education programs and encouragement of the public to use common sense.

Pocket of peace in war-torn land

in WWII, Korea and Vietnam. He came to Wayne State in 1971.

What O'Donnell found when he arrived at Mejegoria was not what he had imagined. The picture in his head was of a rural, backward, crowded town. What he found was a valley with about five villages that contained around 450 tight-knit traditional families.

"There are no movie houses and only one bar in the village," O'Donnell said. "There is one large church named the Mejegoria Parish

Church in which everyone attends." O'Donnell said the people of the village "pray all of the time." "They always have a crucifix, a cross, or a prayer book in their hand," O'Donnell said. "The people are extremely close to the earth. Every backyard is a tiny farm with vegetables, a cow and a goat. The people are "beautiful and intelligent."

O'Donnell believes the people of the Balkan States want someone else to solve their problems. They are independent for the first time

since WWI. "The war is between the Serbs, who are Orthodox Christian, the Croations who are Catholic and the Muslims," O'Donnell said. "This war is for land and religion. It is an "ethnic cleansing war." The American and British troops are there but they can not get them to hold to a cease fire."

In Mejegoria there is no water or electricity from 7 a.m. to 7 p.m.

HE NOTED THE efficiencies and practicality of sharing the facilities for civic and school functions.

The board also agreed Wednesday to seek an architectural firm to work with the facilities study committee this fall to help prepare recommendations to the board and the community.

Because of the sizeable expense of the most bare bones of options available to the district, the potential for a bond issue vote is one of the considerations the committee and the board will face. The last bond issue was retired over 10 years ago when taxpayers retired the bonds.

Hearing set

Norfolk will be the site of a public hearing by the Nebraska Legislature's Government, Military and Veterans' Affairs Committee on Wednesday, Oct. 13. The committee will hear testimony on issues concerning trends in the centralization of state services, the legislative redistricting process and ethical provisions for state legislators.

The hearing will be held at the Theatre at Northeast Community College, 801 E. Benjamin Ave., Norfolk, and will begin at noon.

Senator DiAnna Schimek of Lincoln, chair of the Government committee, said,

I would strongly encourage the citizens of Nebraska to take advantage of this opportunity to make their opinions known."

O'Donnell

(continued from page 1)

The people grow most of their own food, although some food is imported from the United States and other countries. There is a great need for medical doctors and nurses as well as supplies in Mejejoria. Most of the medical supplies and professionals go to the war.

O'Donnell visited a nearby town called Citluk. Citluk contains a refugee center for orphans and widows of the war. O'Donnell brought clothes, yarn and food from the United States for the refugees. From this experience O'Donnell felt the horror of the war.

"These people that look similar and sound similar are killing each other over the land to see which religion will prevail," O'Donnell said. "This war has been going on for 1,000 years."

While in Citluk O'Donnell realized how real the war was. "We tried to act like we couldn't hear it, but you just can't," the WSC professor said. "I started to get nervous when I realized I could not only hear it, but I was close enough to smell it."

O'Donnell said he heard reports of 47 missionaries being killed and their bodies being burned including three girls who were nailed to a tree in crucifixion style.

While in Citluk, O'Donnell talked with a visionary who said she had the Virgin Mother appear to her. "The girl's name is Vishka and she first saw the Virgin Mother at age 16 in 1981," O'Donnell said. "The Virgin Mother continues to appear to her today. The Virgin Mother is reported to appear to six people in and near Citluk."

Vishka told O'Donnell that the Virgin Mother warns that people need to get back to the basics and get back to God. She stressed the need for human-kind to change their ways.

"The people the Virgin Mother appears to presumably, are pastoral, rural, simple shepherds," O'Donnell said. "In 1917 the Virgin Mother appeared in Fatima, France to the same type of people with this same message. Tracing her back further, the Virgin Mother appeared in the middle of last century in Lourds France also warning of war to the same type of people."

Vishka told O'Donnell the Virgin Mother has told her that she will not come back to Earth after she stops appearing this time. She has been appearing since the second century and since 1981 has been appearing everyday to six people. When she stops, she will never appear to anyone again. "This is taken by the people of Majegoria as a sign of difficult times to follow," O'Donnell said.

The message that O'Donnell brought back from Mejejoria is one of hope. "If we don't heed the message of the Virgin Mother we could end up like the Balkan States," O'Donnell said.

"It is heart wrenching to see these people killing each other. We Americans should have sympathy for them, but at the same time learn from their situation. I have seen three wars in my life and I wonder if people will ever learn. Somehow, I doubt it."

issued in 1966 to build the High School Building.

ONE OF THE considerations facing the committee if it recommends new construction over renovation, might be to build a new high school and turn the existing high school over to the Middle School, said Jensen. Most recent cost estimates for new construction of public buildings come in at around \$65 a square foot. That would make a new high school or middle school building of 65,000 square feet, which is the size of the existing high school, about \$4.2 million.

The members of the board and the administration indicated they would keep an open mind about the issues and participate with the committee in formulating a consensus on the best route to take for the entire community, said Jensen.

He said it is too early to adopt time lines or deadlines and those would become clear as the committee begins its work.

Those interested in serving on the committee should contact one of the school board members.

4-H - what it's all about

By Jolene Jager

National 4-H Week is Oct. 3-9 and anyone ages eight to 19 (as of Jan. 1) are encouraged to explore 4-H opportunities.

4-H provides a wide variety of activities and projects from showing hogs to modeling a prom dress. There's something for everyone!

At club meetings, members learn correct parliamentary procedure, leadership skills and how to plan county wide activities.

There are also many opportunities to enhance public speaking skills through county and state speech, demonstration, dance and song contests.

Anytime throughout the year, 4-Hers may earn medals, ribbons, trophies, pins and scholarships for an activity.

The highlight of the 4-H year is the county fair where members display their accomplishments. There, each project receives a ribbon and comments from a judge. The best projects can advance to the State Fair.

At the close of each year, 4-Hers may do individual record books showing the development of a project. Record books help to build bookkeeping skills.

Contact your local Extension Office for more information about joining a 4-H club or starting your own.

Fire

(continued from page 1)

FIRE PREVENTION week is also a perfect time to check smoke detectors, change their batteries and practice home and business escape drills the fire officials said.

Barker listed several key prevention measures that he wanted the public to be aware of and implement throughout the year.

1. Avoid piling newspapers and other rubbish in a damp, warm place. They can generate heat and burn. Also include BBQ charcoal.

2. Don't pile oily rags. Spread them out in a well ventilated area so they will dry.

3. Never store flammable liquids inside the house, or anywhere near a heat source.

4. Don't leave pans on the stove or in the oven with the burners still on.

5. Use only dry, well seasoned wood in fireplaces and wood stoves and furnaces. Put ashes in a metal container to cool.

6. Make sure heating systems, furnaces and stoves are in good shape and properly vented.

7. Never fold or roll an electric blanket. Heat can build up and ignite the blanket.

8. Keep down the number of electric cords in one outlet. Never run cords under rugs or behind furniture where they may become worn if something is placed on them.

9. Use only proper size fuses in your circuits.

10. Keep hair dryers, curling irons, electric razors away from combustibles when in use.

11. Don't leave synthetic fabrics, plastic, foam or any combustible materials in clothes dryer for longer than recommended time.

12. Unplug all small appliances when not in use.

13. If using combines or other machinery, keep grass and other trash from building up on shafts and bearings.

14. Don't drive cars or pickups into fields where there is dry grass or crops.

15. Don't light matches or lighters for fun. They are tools, not toys.

Share the Hope is set for West Point

West Point Junior-Senior High School is being prepared for an exciting celebration as local committee members for the Lutheran Family Services Share The Hope Celebration and Information Fair on Sunday, Oct. 17 are at work.
"We're filling hundreds of balloons and decorating tables and stage, culminating months of preparation for this event," said Judy Roggow, West Point Celebrations committee chairperson.
The Lutheran Family Services Share The Hope celebrate, which begins at 2:30 p.m., will include keynote speaker Dr. Oswald Hoffmann, honorary Lutheran Hour speaker; special presentations; instrumental music; food; fellowship time; clowns and face-painting; plus other children's crafts and games.
The Information Fair will feature tables for each of the agency's services, which include counseling and family life education, alcohol services, outpatient mental health, home based services, incest, AIDS, maternal health care, adoption/unplanned pregnancy, LFS auxiliary, hospital visitation, accounting services for small non-profit agencies and planned giving.
Ruth Rexin, LFS President and CEO, said that the booths will be operated by Lutheran Family Services staff to acquaint persons with the ministry of the organization and to meet and visit with people in the area. "Many do not realize that Lutheran Family Services has offices in 24 locations in the state and serves thousands of individuals and families each year," said Ms. Rexin.
The West Point Share The Hope Celebration is the second of four such events in the state scheduled to celebrate the ministry of Lutheran Family Services and share its mission.
Local committee members involved in the West Point celebration are Judy Roggow, chairperson, and Doris Ostgen, Zion Lutheran Church, Bancroft; Joyce Gierke, Immanuel Lutheran Church, Columbus; Gloria Lessmann, St. Paul's Lutheran Church, Winside; LaDonna Meske, Trinity Lutheran Church, Fremont; Lorna Hollman, St. Paul's Lutheran Church, Wisner; Marlene Wiechman, Gwen Lindberg and Lori Predoch, St. Paul's Lutheran Church, West Point.

Blue Devils place 2nd at South Sioux Spikers fall to O'Neill

WAYNE'S ANGIE HUDSON spikes a ball between two O'Neill defenders during action Thursday night at Wayne High. The Blue Devils lost to the visiting Eagles on Parent's Night. Wayne will host Hartington Cedar Catholic on Tuesday before a nine-day break. Joyce Hoskins' team fell to 9-9.

Joyce Hoskins' Wayne volleyball team took part in the South Sioux Volleyball Invitational, Tuesday and came away with a runner-up finish. On Thursday the Blue Devils hosted O'Neill on Parent's Night and suffered a 6-15, 15-8, 7-15 setback, leaving them with an even record on the season at 9-9.

Wendy Beiermann led the team in serving at 11-12 and eight points and Jenny Thompson was 8-9 with one ace and five points. Angie Hudson was 8-11 with three aces and seven points and Katy Wilson was 7-7 with two aces and five points. Carrie Fink finished with a 4-5 serving performance with two aces and three points.

Fink was 29-33 in setting with 11 assists and Beiermann was 15-20 with seven assists. Thompson led the Blue Devils in hitting with 16 aces on 33 of 36 attempts. Angie Hudson was 13-16 with one ace and Fink was 6-7 with one ace.

Thompson and Fink recorded three ace blocks each while Hudson and Wilson had two ace blocks. Thompson dug up 11 balls and Hudson, 10 while Wilson recorded eight digs.

"I really feel that our team is lacking mental toughness right now," coach Joyce Hoskins said. "We are not real confident in ourselves and that shows. We lack communication in the games we lose and our passing game wasn't up to par in this match."

The "B" team defeated O'Neill, 15-0, 14-16, 15-9 as Melissa Weber and Anne Wiseman led the way with 14 and 10 points respectively and the "C" team won, 15-9, 6-15, 15-10. Mious Stabler led the winners with nine points.

The reserves will travel to Columbus on Saturday to compete in an 11-team invite at Platte College. Wayne will play Fremont in the first round.

ON TUESDAY in South Sioux the Blue Devils beat Sioux City West in the first round, 15-10,

15-4 but fell to rated Sioux City Heelan in the championship, 11-15, 12-15.

Jenny Thompson was the leading server against West at 10-10 with three aces and six points. Wendy Beiermann was 10-10 with two aces and six points while Amy Post was 11-12 with two aces and nine points. Angie Hudson was 8-9 with two aces and scored five points.

Carrie Fink was 37-41 in setting with 18 assists and Wendy Beiermann was 14-15 with five aces. Thompson was 30-31 in hitting with 10 kills and Hudson was 17-19 with nine aces. Fink was 5-5 in hitting with two aces. As a team, Wayne enjoyed a 91 percent success rate in serve receive.

"We really came out strong in the first game," Hoskins said. "Then we found ourselves playing more on the level of our opponent than what we are capable of."

Hoskins said in the second game the Blue Devils played their kind of game the whole way.

Melissa Weber led the servers against Heelan at 10-10 with eight points while Beiermann was 9-10 with two aces and six points. Hudson was 6-6 with one ace and two points and Thompson tallied four points.

Fink was 67-71 in setting and Beiermann was 26-28. "Angie had a phenomenal overall game," Hoskins said. "She was 32-38 in hitting with 11 aces. I was very pleased with her performance."

Thompson notched 10 kills on 32 of 35 attempts. Defensively, Hoskins' said that freshman Katy Wilson played extremely well. "Heelan is a very good team," Hoskins said. "We played well against them. We communicated like we should and we dug a lot of balls on defense that appeared to be solid spikes by Heelan."

Wayne will host Hartington Cedar Catholic on Tuesday before a nine-day lay-off.

CARRIE FINK tips the ball over the net during the first game of the Blue Devils contest with O'Neill, Thursday. Fink led the team in setting with 18 assists.

Sports Briefs

Allen spikers fall to rated Bancroft

ALLEN-The Allen volleyball team was defeated by rated Bancroft-Rosalie, Tuesday in Bancroft despite winning the first game, 16-14, 5-15, 12-15.

The 10-2 Eagles were led in serving by Steph Martinson at 19-19 with three aces and 10 points. Dawn Diediker was 17-18 and had six points while Steph Chase tallied six points. Both Diediker and Holly Blair shared team honors in setting with 10 assists each.

Martinson notched eight kill spikes and Chase had six while Jaimie Mitchell recorded four aces. Mitchell and Martinson were the leading blockers with two and one aces respectively. Martinson led the defense with 13 digs and Blair finished with 11.

"We played a good match but I don't think we were totally mentally prepared," Allen coach Tracy Kuester said. "We executed fine but when we got down we just couldn't pick ourselves back up."

Allen's only two losses of the season have come against the Panthers and they will get another shot at them on Tuesday at the Winnebago triangular.

Wakefield moves into ratings

WAKEFIELD-The Wakefield volleyball team defeated Osmond in straight games, Tuesday in Wakefield, 15-5, 15-8. The win moved the Trojans to 12-1 on the season and this week they are ranked number nine by the Omaha World Herald.

"The ranking is a good motivator for our team," coach Paul Eaton said. "We came ready to play against Osmond and we felt we were in control of the whole match."

Melissa Haglund was the leading server for Wakefield at 11-1 with one ace while Kali Baker was 10-11 with three aces and Mary Torczon, 7-7. Torczon, however, led the Trojans in scoring with six points while Baker tallied five.

Kathy Otte was 28-29 in setting with 14 assists and Amy Hattig was the top hitter with five kill spikes on six of seven attempts. Torczon was 7-7 with three kills and Baker was 8-10 with two aces.

Maria Eaton and Betsy Erickson were the leading passers and Suzann Ekberg was also noted for playing good in the back row. Wakefield will play at Newcastle on Tuesday.

Freshman gridders split games

WAYNE-The Wayne freshman football team suffered their first setback of the year last Thursday in Battle Creek, 20-6. Duane Blomenkamp's squad, however, came back to defeat Columbus Lakeview on Monday in Wayne, 12-6 in overtime.

At Battle Creek the Blue Devils got off to a slow start, trailing 12-0 in the second quarter before Paul Blomenkamp hit Nick Vanhorn on a 10-yard scoring strike.

"I think we were a little intimidated by Battle Creek and the tradition," Blomenkamp said. "After the first quarter we played quite well." Brian Fernau was the leading rusher with 92 yards. Defensively, Wayne was led by Andy Rise and Tyler Endicott with seven tackles each.

Against Lakeview, Nick Vanhorn ran the opening kickoff back 70 yards for a touchdown and the game stayed 6-0 until the fourth quarter when Lakeview scored on a running play to tie the game and send it into overtime.

On the second play in overtime Tyler Endicott scored on a 10-yard run and then Wayne's defense held Lakeview out of the endzone on four downs to end the game.

"We played very good defense," Blomenkamp said. "Andy Rise and Nick Vanhorn played outstanding defense. Andy is our middle linebacker and he recorded 18 tackles and Nick is our noseguard and he finished with 11 tackles."

The freshman team will close out the season next Thursday when they travel to play O'Neill.

Junior high volleyball team competes

WAYNE-The Wayne Junior High volleyball team is 1-1 after two matches this season. The junior Blue Devils defeated Wisner-Pilger in the first match but fell to Schuyler, Tuesday in Schuyler. The seventh grade lost, 0-15, 1-15, 12-15 and the eighth grade lost, 15-8, 10-15, 8-15. Head coach Lori Barent said her eighth graders played exceptional against Schuyler despite the setback.

Reserves place second at South Sioux

WAYNE-The Wayne reserve volleyball team placed runner-up at the South Sioux Invitational, Monday in South Sioux City. The Blue Devils defeated Sioux City West, 15-13, 15-1 in the first match before losing to Sioux City Heelan, 12-15, 2-15 in the finals.

Melissa Weber led the team in scoring for the two games combined with 11 points while Lacy Bebee scored 10 and Anne Wiseman, nine. "We really played well in the tournament," coach Dale Hochstein said. "In the first match we faced a team which served tough, but had difficulty setting up an offense."

"Our serving and passing errors allowed West to stay in the match. The girls did a nice job of realizing that we needed to take care of our side and thus, dominated the second game," Hochstein added. "In the match with Heelan it was good to see our team recognize we played a good match despite the lopsided score in the second game."

Reserve runners compete against Norfolk

WAYNE-The Wayne cross country reserve team hosted Norfolk's reserves, Tuesday at the Wayne Country Club. Norfolk won the dual, 15-21 and they placed first and second individually. Clint Dyer was Wayne's top finisher with a third place time of 20:02 while Giulio Slavich placed fourth one second behind Dyer.

Robert Bell finished sixth in 20:22 and Andy Bayless was eighth in 20:45. Aaron Schnier, Spencer Bayless and Roger Paxton also competed for Wayne. Norfolk's Ben Duvall won the race in 19:11.

WSC vs UNK — Again

The 5-0 Wayne State Wildcats will invade Kearney, Saturday for a clash with in-state arch-rival Kearney Lopers. The Lopers come into their homecoming game with a dismal yet deceiving 1-4 record.

They have struggled on offense with turnovers in most of their games and have often found themselves trailing by a large margin by halftime, then come back to make a game of it in the second half.

Kearney trailed Fort Hays State last Saturday, 26-0 before losing 26-14. Still, as Wayne State coach Dennis Wagner says, when these two teams get together you throw out the records and just play football.

The 'Cats will head into Kearney with a rather large monkey on their backs, losing their last 21 straight games to the Lopers. In fact, UNK coach Claire Boroff has never lost a football game to WSC.

The game will be aired on Nebraska ETV Channel 7 in Wayne with play-by-play broadcaster Bill Doleman and color commentator Adrian Fiala. For those not going to the contest, it's a great way to catch the 'Cats in action.

"This will be a big game for both teams," Wagner said. "It's always a good football game when we get together and this should be no exception." WSC top gun quarterback Brett Salisbury was named the Nebraska NCAA-II Player of the Week after his performance against Iowa Wesleyan last Saturday but Wagner said the coaches gave the nod to Jason Williams after his 100-plus yard game.

The defensive line got the defensive player of the week honors. Scott Eisenhauer, Brad Otis and Adonice Nunn have repeatedly caused havoc for all five of the 'Cats' opponents this season and they will undoubtedly continue to do so.

Mike Wilson's hustle and hard-hitting performance earned him the special teams player of the week honors. WSC will be taking quite a few impressive numbers with them when they travel to play the Lopers, Saturday.

Salisbury is ranked number one in the country in passing efficiency at 198.7 and in total offense, 398.6 yards per game. Wide receiver Damon Thomas ranks second in receiving yards per game at 159.2 and fourth in receptions per game, 8.6 and scoring, 12.0 points per game. He also ranks ninth in all-purpose running with 183.60 yards per game.

Byron Chamberlain is third in receiving yards per game at 128.8 and 12th in catches per game, 7.3. Jerry Garrett ranks number one in the nation in punt returns, 22.4 yards per return and Lamont Rainey is 17th in scoring, 9.6 points per game. Andy Parr is 27th in field goals, .80 per game and 28th in scoring, 8.6 points per game.

As a team the 'Cats are first in total offense, 610.8 yards per game, first in passing offense at 404.0 yards per game and first in scoring offense at 53.4 points per game.

They are third in total defense, allowing 192.6 yards per game and 17th in rush defense, giving up 83.0 yards per outing. In pass defense efficiency, WSC ranks 10th with 80.4 yards per game allowed.

THE WSC defensive line was named defensive players of the week for performance against Iowa Wesleyan with Brad Otis, Adonice Nunn and Scott Eisenhauer.

JASON WILLIAMS was named the offensive player of the week.

MIKE WILSON was named the special teams player of the week.

Wayne girls qualify for state golf meet after finishing 3rd at Districts

The Wayne High girls golf team placed third at the district golf tournament in Columbus, Wednesday, thus earning them a trip to the state golf tournament to be held Thursday the 14th in Columbus—this time at the Elks Country Club.

Richard Metteer's Blue Devils carded a team score of 416 to easily out-distance fourth place Columbus Lakeview by 24 strokes. The top three teams earned an automatic

birth to state. Blair was crowned district champs with a 390 followed by Omaha Duchesne with a 405 at

Quayle Run. Columbus Scotus rounded out the top five teams with a 442. There were 11 teams competing at the district meet.

"I'm very pleased with our performance," Metteer said. "We've made steady progress throughout

the season and we'll be looking to have our season best score at state."

Blair's Robin Tucker was district medalist with an 86 while Wayne's

best finish came from Kristine Kopperud with a fifth place effort of 94. Kari Schindler was seventh with a 97.

Other Wayne scorers included Erica Stoltenberg with a 112 and Molly Melona with a 113. LeAnn Green also competed for the varsity

but her score did not count toward the team total because of the play five, score four rule.

Metteer has coached girls golf at Wayne High for eight years and this will be his fifth state tournament team. Misty Jones qualified indi-

vidually in one other season as did Cher Reeg so Metteer has enjoyed success of state qualifiers for seven of eight years.

Congrats to WSC and WHS girls golf teams

Wayne State only half done

The football season is half over for Wayne State Wildcats and at this point it looks as though the 'Cats are on their way to a record-setting year, with 'stats and an unbeaten record that look quite impressive at this time.

The key, however, is at this time. WSC will play at Kearney on Saturday and that in itself may be the key to the rest of the season. The Wildcats have not fared well against the Lopers in recent history.

In fact, to be quite honest, the 'Cats have been lousy against Claire Boroff's teams, losing 21 straight games to the in-state rivals. This year a very talented and confident Wildcat team will invade Foster Field in Kearney and for those of us who write of numbers, it appears on paper like the 'Cats should come away with a victory.

The contest will be aired live on Nebraska Public Television, which in Wayne is Channel 7 at 1 p.m. The 'Cats are going in with nation's number one ranking in scoring offense at over 53 points a game, with the country's top quarterback in Brett Salisbury and two of the nation's elite receivers in Damon Thomas and Byron Chamberlain.

Defensively, NFL scouts have loved what they've seen from defensive lineman Brad Otis and defensive back Wilson Hookfin. On special teams, Jerry Garrett ranks first in the nation in punt returns and field goal kicker Andy Parr is also among the nation's leaders in scoring.

Speculate anyway you want about how Kearney has dominated this series for the past 21 years but this writer is picking: WSC 38, UNK 13.

On to another issue that seems to have Wildcat supporters in an uproar—the ratings. After defeating North Central Conference foes UNO and Morningside in consecutive weeks to start the season, the 'Cats found themselves in the top 20 and after a mauling of Bemidji State they vaulted to 13th. Then came Mayville State and a school-record 91 points.

All of a sudden WSC drops to 18th and more importantly, in the regional ratings they went from fourth to a tie for fifth after the Mayville State game and in order to reach post season playoffs you have to be in the top four in your region.

I called the NCAA-II regional chairman, Don Amiot who is the athletic director at Mankato State in Minnesota. I must admit that when I called I was very upset with the way it seemed like the 'Cats were being shafted and much to my surprise I found that Amiot was very cordial and more importantly, human.

"You always hear about the NCAA doing this or that and most of us feel that the NCAA is just one big monster. That is not the

Seniors Dawn Garrett and Deena Curtis closed out their careers but the majority of the team will be back. Garrett, WSC's top golfer set the Wildcats 18-hole record with a 78 this year—breaking her own record set last season at 81.

Garrett has been very instrumental in the success of the Wildcats golf program over the past several seasons and is a prime reason why Wayne State golf is on the map.

Speaking of golf, congratulations to the Wayne High School girls golf team on qualifying for the state tournament after a third place finish at districts, Wednesday.

Kristine Kopperud and Kari Schindler deserve a pat on the back for bringing home medals from the meet. Kopperud fired a 94 and placed fifth while Schindler placed seventh with a 96.

case. These guys are human just like you and me and they have a job to do that quite frankly, I would not care to have.

Amiot told me that WSC's schedule is somewhat softer than those of the North Central Conference or the Missouri Conference or the Northern Sun Conference. However, he said that he is aware of the success that WSC is having and they will not be overlooked in any way should its season continue on the track it seems to be on.

The Midwest Regional has around 28 NCAA-II schools and only four qualify for post-season play. There are four committees just like the one Amiot heads; across the country and each committee has five representatives on it.

These individuals must decide at the end of each year the best four teams in their regions based on strength of schedule, win/loss record and head-to-head competition.

In the midwest regional there are just two independents—WSC and the Lopers of UNK. Amiot said if WSC defeats the Lopers and then defeats Michigan Tech in Michigan on Oct. 30th, and of course don't stub their toes any time between or

after, that business of post-season play will take care of itself. Of course he was careful not to say for granted WSC would be in the playoffs should they go 10-0.

Then again, this whole column is for not should WSC falter against UNK on Saturday. One more quick note on WSC athletics, a quick congratulations to Tom Cook and the WSC women's golf team.

The season came to a close a weekend earlier than it should have due to incimate weather in Chadron but the 'Cats went undefeated again this year for the third-straight year in dual action.

Seniors Dawn Garrett and Deena Curtis closed out their careers but the majority of the team will be back. Garrett, WSC's top golfer set the Wildcats 18-hole record with a 78 this year.

Meyer performs well at marathon

WAYNE-Wayne resident, Terry Meyer, competed in the Twin Cities Marathon last Sunday and turned in his personal best clocking of 3 hours, 17 minutes and 22 seconds over the 26.2 mile course. That time was good enough to qualify Meyer for the annual Boston Marathon.

Meyer placed 825th overall out of 5,018 finishers. In the 40-44 year-old age group, Meyer placed 129th of 685 runners.

Winside wins sixth straight

WINSIDE-The Winside volleyball team won their sixth consecutive match, Thursday at home against Wynot, 15-5, 15-4 to improve their season record to 8-3.

The match didn't last very long as Winside took care of business in quick fashion. Kari Pichler was the leading server with a 12-13 outing that included five aces and seven points while Christi Mundil was 8-10 with five aces and six points. Stacy Bowers was 11-12 with four aces and five points and Catherine Bussey finished with five points.

Pichler was 25-27 in setting with nine assists while Bowers was 14-16 with two assists. Bussey was the leading hitter with six kill spikes and Chris Colwell notched four kills while Yolanda Sievers had three. Mundil led the winners in blocks with three and Sievers had five digs for team honors. Bussey and Bowers finished with three digs.

"We really played well," coach Angie Schroeder said. "The only area we lacked quality play in was serving." Winside will travel to play Allen on Thursday.

Don't think of him as gone away—his journey's just begun; life holds so many facets—this earth is only one.
Just think of him as resting from the sorrows and the tears in a place of warmth and comfort where there are no days and years. Think how he must be wishing that we could know, today, how nothing but our sadness can really pass away.
And think of him as living in the hearts of those he touched... for nothing loved is every lost and he was loved so much.

To all relatives, friends and neighbors — we thank you for the memorials, food, flowers, plants, phone calls, visits, expressions of sympathy, the hugs and the many acts of love and kindness shown to us during this sad time.
