New Wayne plant to open

By Les Mann Of the Herald

A new manufacturing plant which will employ about twelve workers initially will be opening in the old Emphasis Building on Centennial road.

Heritage Surround Systems, an outgrowth of the Heritage Industries, received approval Tuesday night for \$200,000 worth of financing at 3.5 percent interest for ten years from the Wayne Revolving Loan Fund. The fund is established to provide low interest financing for

business growth which creates jobs. Rod Tompkins, owner of Heri-tage Industries, which manufactures kiosks for automatic bank teller machines, said the new plant will manufacture fiberglass units which surround ATMs used in indoor settings or are through the wall of buildings. The units he plans to sell will have signage, writing tables and other features depending on the

HE TOLD WAYNE City Council, which approved the funding package Tuesday, that there is currently a \$15 million annual world market, which continues to grow, for the products which are manufactured by only a handful of manufacturers now.

Tompkins said his marketing research indicates success potential because of the distribution system the new plant will tap into through sister industry Heritage Industries. He said he is also planning to produce the units for less cost than competitors. Heritage Industries currently em-

ploys 27 workers in Wayne and Tompkins said it has 50 percent of

the world market share for ATM kiosks, which are distributed through bank supply companies. Tompkins said the Surround in-

dustry has a potential for Wayne of being much larger than Heritage Industries.

Fax incentive fairness debated

By Les Mann Of the Herald

One retirement housing development in Wayne is scheduled to get a quarter of a million dollars in property tax benefits and another retirement facility already under construc-

tion is getting no assistance The situation isn't fair, claim officials of the Boyle Company, which is building the new \$3 million 104bed Wayne Care Centre on 14th Street in Wayne.

Especially irksome the Boyle officials and their attorney told Wayne City Council Tuesday night, is the fact that when they were developing plans for the building a new nursing home in Wayne they asked the city if there were any incentives, including tax increment financing, to assist their expensive new project.

LATER, THE city tentatively ap-

proved just such an incentive program for Excel Corporation, which is planning to begin construction next spring on a 44-unit assisted living complex about a block away from where the new Care Centre is being constructed.

This is extremely unfair to the Boyle Companies," said their attor-ney Dan Harnett of South Sioux City. He said the Excel project would be a competitor to the Boyle development and would be able to undercut the Boyle facility because it would be receiving a quarter of a million dollars in tax incentives.

"Boyle should be given equal con-sideration," said Harnett. "What's good for Excel should be good fro Boyle Company.

MAYOR BOB Carhart and other council members bristled at any suggestion that favoritism might have been shown in the city decision on incentives for the two projects. He said the city was not familiar with tax increment financing procedures when it held discussions with Boyle and was subsequently educated about the possibilities by the Excel Developers. Carhart also questioned whether

the two developments would be aetually competing. To that Boyle President Bob

Conton said the Excel assisted living development would take a certain percentage of nursing home patients away because it offers the same services of food preparation, nursing care, housekeeping and other services.

"IT DOES AFFECT the viability of a nursing facility," he said. "It does have an impact on the census of our facility."

Conlon said his company had to rethink its own plans to offer as

sisted living apartments and cottages as part of his complex when the Excel project was announced. The Boyle officials suggested it

would not be too late to offer their company the same tax break but the action must be taken before January 1 when the new valuation assess ments for the improvement of the Boyle Construction site will be recorded.

The move would require the city to declare the Boyle construction site a blighted area and assistant city attorney Chris Connolly said there would be a very good likelihood that if the city's ruling were challenged, the challenge would be upheld in

He said he hopes to have information to all his distributors about the new product by the first of the year.

TOMPKINS SAID some rehabilitation of the Emphasis building will be required before manufacturing starts. He added the building is larger currently than his new operation will need and may seek warehouse tenants for a portion of the

facility. The building was last used for a recycling center in 1992 but that business suffered a fire.

The building has an appraised value of \$305,000 and will serve as security for the city Revolving Loan.

Normal revolving loans are at the 5 percent interest rate, but the city approved a lower rate for Tompkins since he deeded 8.2 acres of land in the industrial park to the city as part of the negotiation process. Even if the city never sells the land for development, it will return over \$500

Mabel Kardell

Mabel Kardell, 93, of Laurel died Wednesday, Oct. 27, 1993 at the Hillcrest Care Center in Laurel.

Services will be held Saturday, Oct. 30 at 2 p.m. at the Concordia Lutheran Church in Concord. The Rev. Duane Marburger will officiate. Visitation-was-scheduled for Friday, Oct. 29 until 9 p.m. and a prayer ser-

vice will be held at 8 p.m. at the Schumacher Funeral Home in Laurel. Mabel Olivia Kardell, the daughter of Louis and Anna Johnson Peterson was born Oct. 18, 1900 on her parents farm southeast of laurel. She grew up on a farm outside of Laurel and attended Pleasant Valley District #39 rural school in Cedar County. She married Charles Kardell on Feb. 9, 1927 at Omaha. The couple farmed and lived on her family farm in rural Laurel. She moved into Laurel in 1984. She was a member of the Concordia Lutheran Church in Concord.

Survivors include four sons and two daughters-in-law, Don and Maxine Kardell of Wisner, Clayton and Margie Kardell of Laurel, Keith Kardell and Kendall Kardell, both of Bellevue; two daughters, Mrs. Albert (Genevieve) Knittel of Gregory, S.D. and Mrs. Gerald (Elinor) Hart of Bloomfield; 19 grandchildren; 26 great grandchildren; nieces and nephews

She was preceded in death by her parents, husband in 1969, two brothers and one granddaughter.

Pallbearers will be Wesley Bloom, Harry Knudsen, Don Dahlquist, Ted Gunnarson, Kenneth Kardell and Keith Erickson.

Burial will be in the Laurel Cemetery with the Schumacher Funeral Home in charge of arrangements.

in lease fees for farming, said City Administrator Joe Salitros.

COUNCIL PRESIDENT Darrel Heier said he would like to see more employees than the 12 outlined in Tompkins plan for the amount of moncy the city was loaning. He also chided what he said were low salaries in the \$5 to \$8 per hour range for the employees at the new plant.

The benefit to the community doesn't seem to be really great here, said Heier, but he voted with the majority in approving the loan arrangement. He said the city has gotten more employment benefits in the past from loans of that amount. Councilmember Ralph Barclay praised Tompkins' past record of success in manufacturing and said he was confident the city would get its money back.

"It is very important to us to pro mote homegrown industries," said Mayor Bob Carhart. He said that is one of the prime purposes of the city's successful revolving development loan fund.

Even with the \$200,000 loan to Heritage, the city will still have approximately \$125,000 in the fund and is receiving \$5,000 per month in payments from outstanding loans, said Salitros.

Waynians say no to new taxes

No new taxes was a strong message expressed by nearly 1,200 business people who also commented on health care, unemployment compensation issues, product liability and economic development issues at 29 Legislative Forums held across Nebraska the past two weeks.

The last of the forums was Monday in Wayne.

Seventy-two percent of those attending the statewide Forums, sponsored by the Nebraska Chamber of Commerce and Industry and the hosting local chambers of commerce, indicated they opposed extending a sales tax on more services. In fact, business people are reluctant to make any changes to the current taxation system, with 52 percent showing a desire to retain the personal property tax sys-tem passed in the 1992 Legislature.

within Ponca City — Habitat for Humanity," he said.

Habitat is an organization which builds or rehabilitates homes for 'underprivileged' people and sells them on a zero-interest loan to those who qualify. Qualification includes regular employment, proof of ability to pay and working a set number of "sweat-equity" hours.

"The zero-interest loans bring the monthly payment down to a level which is usually of comparable rate to — or less than — a rent payment for the same size dwelling," he said.

NOT ONLY does Habitat provide housing to those who otherwise might not be able to afford it, it nurtures their self-esteem and works toward building the faith community as well. This is a 'hand up, not hand out' program which allows communities to put their concern for others to work, the new pastor explained.

"I would like someday to see WSC and high school students use the spring break, or some other vacation, as a time to go to a Habitat construction site and help build a house," he said.

"I was with Habitat from the time its affiliate was formed in Ponca City and was president of the board at the time I left to come to Wayne. Not being able to finish out my term was one of the hardest things to leave undone when I left," he said.

HOLSTEDT IS involved with the Wayne Ministerial Association, having recently been elected secretary of the group. "I see a strong sense-of comradeship between the pastors here in Wayne and am looking forward to becoming more involved and getting to know them and the community."

Pastor Holstedt is looking forward to getting to know each of the members of the church and has already spent time making calls on members of his congregation. "I'm trying to remember names and put faces with those names."

said the growth in their business had placed a hardship on the beauty shop. He said the addition of the Wayne business to the cleaning operation they will maintain in Wakefield will allow the family business to provide some additional services.

Holm said he plans to upgrade equipment at the Wayne site, plus the couple plans to offer a line of consignment craft and gift items to the retail outlet in Wayne similar to the offers they have at their Wakefield store. George, who is a native of Alabama and was attracted to this area by relatives and Wayne State College, has several years of experience in the retail business. He also works at the M.G. Waldbaum Co. in Wakefield. Mrs. Holm is the former Karen Krueger from the Emerson area. The couple have three children, Frank, 9; Charlie, 5, and Jennifer, 3.

Frank, 9; Charlie, 5, and Jennifer, 3. The Wayne Cleaners has been closed since the previous owners defaulted on development financing through the city of Wayne.

New owners of the K & G Cleaners in Wayne are George and Karen Holmof Wakefield, who are shown in the Wayne store with their daughter, Jennifer, 3. They hope to be open in a week or two following equipment repairs.

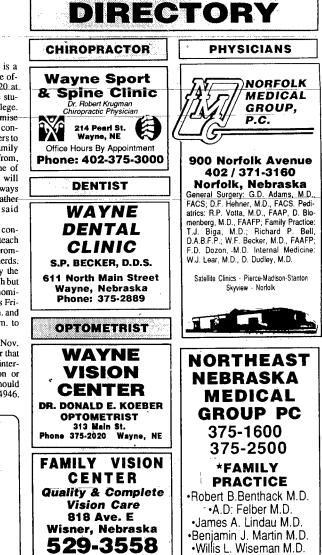

Men's group holds dads training session

"Dad the Family Shepherd" is a video conference which will be offered in Wayne Nov. 19 and 20 at. the North Dining Room at the student center at Wayne State College. An outgrowth of the "Promise-Keepers" group in Wayne, the conference is designed to help fathers to be the kind of person their family needs to look up to and learn from, according to Bob Zetocha, one of the organizers. The sessions will help fathers learn invaluable ways to become a more effective fatherand supportive husband, said Zetocha.

He said the program uses a concept called "father power" to teach men to take hope, claim God's promises and become effective shepherds:

The session is sponsored by the Wayne Evangelical Free Church but is open to fathers from all denominations. The conference begins Friday evening from 7 to 9:30 p.m. and continues Saturday from 8 a.m. to 4:30 p.m.

--For those who register before Nov. 8 the cost is \$35 per man. After that the cost will be \$45. Those interested in attending the session or seeking more information should contact Rev. Cal Kroeker, 375-4946.

Wayne Head Start observes Awareness Month in October

By Les Mann Of the Herald

October is Head Start Awareness Month and Wayne Center supervisor Sandy Rothfuss agrees that there needs to be more awareness about what the program is about in Wayne. Goldenrod Hills Community Ser-

vices established the federally subsidized pre-school training program. in the Wayne area less than two years ago and Mrs. Rothfuss said she still gets many questions about the program and its purpose.

Wayne Head Start is located 4 west of the city in shared facilities with School District 51, A van transports children to the center from as far away as Wakefield.

Professional teachers provide training for the 20 students in the Wayne program who are three to

five years of age and are from income eligible homes, explains Mrs. Rothfuss

The overall goal of Head Start is for income eligible children to reach a greater degree of social competency," she said. Through the proven program, youngsters are able to deal more effectively with responsibilities when they enter school and later in life, she said.

Some of the services provided by the program are: a complete medical and dental examination and follow-ups, speech and language, vi sion and hearing screenings, identification of disabilities, updated immunizations, nutritional assessments and mental health opportunities.

To be eligible, a family must meet federal poverty guidelines, although 10 percent of the enrollment may be from middle income categories.

Twenty percent of the Head Start budget must be matched from local resources. In Wayne, this means parents and other community members volunteer work time and others make donations

Besides Mrs. Rothfuss, staff members include Dolores Guilliam, teacher's aide and nutrition aide. She has worked at the center since November of 1992, Deb Allemann-is the family service coordinator and van driver and began her duties in August of this year.

Kris Klopnieski and Enean Mattes, both seniors in elementary education at Wayne State College are currently doing their practicum at the Head Start. Heather Thompson, also a senior at Wayne State volunteers at the center two days a week. The students are at the school from 9 a.m. to 1 p.m. daily

field, became the bride of Stuart Linn Lubberstedt, Dixon, during an Oct. 2 ceremony at Salem Lutheran Church.

The bride is the daughter of Mr. and Mrs. Dean Boeckenhauer, Wakefield and the groom is the son of Mr. and Mrs. Larry Lubberstedt, Laurel.

The church was festively decorated in teal and white lilies with bridal illusion netting and teal and black ribbon accents for the evening double ring ceremony. The Rev. Kip Tyler officiated.

Given in marriage by her father, the new Mrs. Lubberstedt wore a white satin cathedral length gown featuring a lace sabrina neckline. The bodice was pearled and sequined. A lace keyhole led the eye down to the cathedral length train accented with appliques and a trio of bows.

Her yeil of bridal illusion netting featured three poufs in the back and was decorated with strands of pearls. She carried a bouquet of white lilies, teal baby's breath and teal and white ribbon.

Four songs, "House of Faith", 'You and I", "Two Candles" and "Always" were performed by singers Keith Boeckenhauer and LeAnn

Winside wins conference crov

WINSIDE'S KARI PICHLER returns a Wakefield serve during semifinal action in Ponca on Tuesday. Winside defeated the Trojans in straight games.

By Kevin Peterson Sports editor

The Winside volleyball team was crowned Lewis & Clark Con-ference champions, Tuesday night in Ponca following a semifinal sweep of Wakefield and a championship win in three games over Homer.

Angie Schroeder's squad hosted the first two rounds of the tourna-ment on Monday night and her 'Cats disposed of Hartington and Coleridge in straight games.

In the Homer match it was Winside winning by scores of 15-1, 16-14, with Stacy Bowers leading the way in serving with a perfect 16-16 outing with four aces and four points. Wendy Miller was 9-10 with two aces and led the team in scoring with nine points and Christi Mundil was 4-5 in serving with one ace and seven points.

Kari Pichler was 17-17 in setting with 15 aces while Bowers was 14-14 with three assists. Miller was nearly perfect in hitting at 19-20 with 11 kills. Mundil was 12-13 with five kills and Chris Colwell was 7-7 with five kills. Catherine Bussey led the defensive charge with six digs while Miller had five.

"We came out real strong in the first game and then suffered a little bit of a let down," Schroeder said. "I knew that was going to happen because it was our third match against Hartington in the last 10 days.

natch, 15-6, 15-1 and Bussey led the team in serving at 10-10 with three aces and nine points. Pichler was 9-9 with four aces and five points and Wendy Miller tallied nine points.

Bowers led the team in setting with nine assists while Pichler had four. Miller had six kill spikes on eight of nine attempts and Bussey was 7-7 with five aces.

"We were pretty much in control the whole match," Schroeder said. Wendy really played a good match.

IN TUESDAY'S semifinal match with Wakefield, the Wildcats jumped out to a quick 5-0 lead in the first game but the Trojans came back on a 12-4 run to lead 12-9. Winside managed to regain the lead at 14-12 and held off a couple Wakefield rally attempts before scoring the 15th point to win, 15-13.

The second game was all Winside in a 15-8 decision, advancing the winners to the championship game. Winside led 2-0 and 7-3 before the Trojans rallied to take an 8-7 lead. Winside scored the final eight points unanswered.

Catherine Bussey led the Wildcats in serving with a perfect 14-14 outing that included four aces and six points. Wendy Miller was 11-11 with four aces and 10 points and Kari Pichler was 8-8 with three aces and five points.

Stacy Bowers was 20-23 in set

Pichler recorded two ace blocks and Miller had 14 digs to lead the defense. Mundil had 11 digs and Bussey, nine. "I thought we played exceptionally well," Schroeder said. We had a 95 percent serve receive rate and 94 percent serving mark."

The real surprise of the Lewis and Clark Conference Tournament came in the Lewis Division where Homer upset Allen in the quarterfinals and then upset Bancroft-Rosalie in the semifinals to earn a championship game berth.

Winside came out strong against Homer with a 6-0 lead but the Lewis Division champs took offense to that and came back to win the first game, 18-16. Winside had come back to take a 14-12 lead but Homer responded to win the opener.

Winside, however, wasn't shook by the loss and came back to dominate the second game, winning 15-9 after falling behind, 2-0 to start the game. In fact, the 'Cats scored eight unanswered points to take control of the game.

The third game of the match was close throughout and Winside didn't see its first lead until it was 10-9 as Chris Colwell came to serve with

the Wildcats trailing 8-6, and when she finished the 'Cats held an 11-9 advantage

With the score 14-13 and the Wildcats serving, the last point came when Wendy Miller hit an ace spike down the line. Catherine Bussey led Winside in serving at 15-17 with six aces and 13 points while Christi Mundil was 11-12 with four aces and nine points.

Colwell was 11-13 with five aces and nine points and Miller was 9-11 with two aces and eight points. Kari Pichler was 52-56 with 17 set assists and Stacy Bowers was 38-43 with 14 assists.

Miller was 15-17 in hitting with nine kill spikes while Mundil and Bussey each notched eight kills. Bussey led the winners in digs with 19 while Bowers had 18 and Miller, 17.

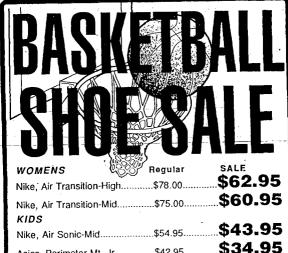

"We got real tired out there by the third game," Schroeder said. "We still played well overall."

Next up for the Wildcats is subdistricts which begin Tuesday in Winside with the 16-4 'Cats playing Scribner-Snyder in the first round at 6 p.m. Leigh will play Humphrey in the other contest with the winners squaring off around 8 p.m. 🖓

The winner of the sub-district will earn a berth in the district finals on Thursday at Wayne State College

Joyce Hoskins' Wayne volleyball team will take an even 11-11 record into the Class B District Tournament, Monday in Schuyler.

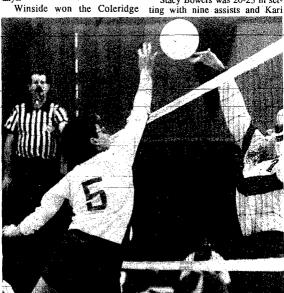

The Blue Devils placed third at the Northern Activities Conference Tournament in O'Neill Tuesday. losing to O'Neill in straight games before defeating South Sioux in the the Blue Devils while scoring seven points. Katie Lutt returned to action after sitting out several matches with a back problem and was 8-8 with one ace and three points. Jenny Thompson scored three points and was 5-6 with two aces in serving.

Carrie Fink was 22-22 in setting

"We had a 6-1 lead in the second game and just watched it slip away," Hoskins said. "The biggest problem we had was passing. We did a very poor job. In the first game O'Neill had eight points that resulted directly in bad passes on our part.

Volleyball district pairings set

WAYNE-All five Wayne Herald coverage area teams will be involved in the district volleyball contest which begin Monday and Tuesday. Wakefield will host one sub-district and play Ponca in the first round on Monday at 6 p.m. while Allen plays Coleridge on Monday at Wayne State at 7 p.m.

Wayne will play Schüyler in first round action of its Class B dis-trict in Schuyler, Monday at 5:40 p.m. while Winside hosts its subdistrict and plays Scribner-Snyder on Tuesday at 6 p.m. Laurel will play Hartington Cedar Catholic in sub-district play on Tuesday at Wayne State at 7 p.m. of concentration and confidence as to why her team had trouble passing because O'Neill wasn't serving that tough.

Wayne responded brilliantly in the consolation match against South Sioux, winning in straight games, 15-7, 15-6. "We were like Jekyll and Hyde," Hoskins said.

"When we hit the floor against South Sioux we knew we were going to go out there and win because we had confidence-a confidence that lacked when we played O'Neill.'

Wendy Beiermann was 13-13

in setting with 10 assists while Beiermann was 16-18 with two assists. Thompson led the hitters with eight kills while Lutt and Angie Hudson had four each.

Thompson led the defense with two ace blocks and five digs. Hudson had seven digs and Post had five while Lutt and Beiermann had two each. "The difference in this match was our passing ability," Hoskins said.

Wayne will play Schuyler in first round district action, Monday at 5:40 p.m. The Blue Devils have played the Lady Warriors twice this season and have split.

Blue Devils fall to Pierce, 38-7 Wayne ends season

The Wayne football season came to a close Thursday, with a 38-7 loss to Pierce at Memorial Field in Wayne

Lonnie Ehrhardt's squad finished with a 1-8 record while Pierce ad-vanced to the State Class B Playoffs with an 8-1 record. The visiting Bluejays scored first in the game on a two-yard run by Todd. Webber and led 7-0 after the first quarter.

Matt Toelle sprinted in from 16 yards out early in the second period for a 13-0 lead and Webber took the honors later in the period from one yard out for a 19-0 lead.

Wayne's lone touchdown came on a 21-yard pass play from Matt Blomenkamp to Mike Williams with Jeff Hamer booting the point after.

The only scoring in the third quarter came on a fumble recovery in the endzone for Pierce as Wayne punter Craig Wetterberg had trouble catching the ball before punting it due to the extreme cold temperatures.

In the fourth quarter Pierce scored a pair of touchdowns on runs of 9 and 23 yards. Sophomore run-ning back Matt Toelle ran for 167

yards on 21 carries to lead the Bluejays ground attack which con-sumed 366 yards. Wayne was limited to 74 yards

Despite the 1-8 record Ehrhardt gave credit to his team for playing hard every week and not giving up. As it turns out, five of Wayne's opponent's are going on to play in the state playoffs and perhaps one of the best teams they faced all year, didn't qualify-Tekamah-Herman

Defensively, the Blue Devils were led by Josh Starzl and Matt Robins with 16 tackles apiece. Dusty Jensen had 14 and Kelly Meyer had 10 while Jason Starzl had nine. Jason Wehrer, Cody Stracke, Jeff Hamer, Mike Williams and Jason Shultheis each had eight stops while Jason Carr and Randy Kaup had seven apiece.

JEFF HAMER reaches out to recover this fumble by the Pierce quarterback during the second quarter of Thurs-day's game against the Bluejays. The Blue Devils lost a

38-7 decision to Pierce which allowed the visitors to gain a playoff berth with their 8-1 record. Wayne closed out the year at 1-8.

Hamer had two fumble recover ies in the game and Williams had a fumble recovery and an intercep tion.

Wakefield football team beaten by Stanton, 29-12

The Wakefield Trojans football team ended the season on a sour Thursday in Stanton with a 29-12 loss to the Mustangs. Dennis

Wilbur's squad suffered five, first half turnovers which led directly to Stanton's 16-0 lead at the intermision.

Stanton's first score came on a 19-yard pass on a fourth down and goal play. In the second quarter the host team scored on a one-yard run after taking possession of a Trojan turnover at the four-yard line. They later added a 25-yard field goal to close out the first half scoring.

Wakefield scored first in the second half on a nine-yard run by quarterback Cory Brown. Stanton came back and scored on a six-yard pass and later added a three-yard scoring run. The last touchdown of the game came on a 60-yard sprint up the middle by fullback Ryan Ekberg.

"We just plain made too many mistakes," Wilbur said. "Penalties also hurt us a lot. In the middle of the second quarter Miah Johnson scooped up a fumble and ran for a touchdown from about 70 yards out but it was called back because of a clip that was no where near the play.

Ekberg led Wakefield's ground game with 69 yards on five carries while Brown garnered 68 yards.

The Winside football team closed out their season, Wednesday night in Vermillion, S.D. against Newcastle in the Dakota Dome, losing 56-30.

Wildcats ready for Michigan Tech clash

Vayne State Wildcats will take their 7-0 record north, Saturday as they travel to play Michigan Tech, 6-1 in Houghton, Michigan a game that has been circled on the calendars since before the season started.

Dennis Wagner's squad will be looking to defend their number 12 ranking in NCAA-II and their fourth place spot in the regional rankings and at the same time getting some revenge for last year's 48-38 loss to the Huskies at Memorial Field in Wayne.

"This will be a true test of our ability as a football team," Wagner said. "Everyone knows that Michigan Tech has a quality team and what kind of tradition they possess."

It will be the road trip for WSC-12 hours to be exact as Houghton is up near the Canadian border. The Huskies only loss on the season is a setback to Minnesota-Duluth—WSC's opponent the

last game of the year in the Metrodome in Minneapolis. Michigan Tech is currently averaging over 470 yards per game and nearly 31 points an outing. They rely heavily on their rushing attack which is ranked fifth in the NCAA-II.

Something has to give, then, Saturday as WSC comes in as the nation's most prolific offense at over 600 yards per game as well as having the top scoring offense at 51.9 points per game. Defensively, the fifth rated rushing attack of the Huskies will clash-head on with the seventh best rushing defense in the Wildcats, who give up just 86.4 werds per game on the ground. 86.4 yards per game on the ground. In other statistics, WSC's top gun quarterback Brett Salisbury is

ranked first in the country in pass efficiency at 187.8 and he's third in total offense at 379.0 yards per game.

Jerry Garrett ranks as the nation's elite punt returner at 19.6 yards per attempt and the Wildcats passing game is second at 386.4 yards per game. Byron Chamberlain ranks second in receiving yards per game at 137.2 while Damon Thomas is fourth in the same category with a 129.7 yards per game catching.

Chamberlain is third in receptions per game with 9.5 and Thomas is ninth with eight catches per game. Thomas is 11th in scoring of-fense with 10.3 points per game and defensive back Wilson Hookfin is 13th in interceptions with 0.7 per game. The 'Cats defense ranks eighth as a whole, allowing 236.9 yards per game.

Wakefield spikers lose in semi's of conference meet

WAKEFIELD'S MARIA EATON leans into a pass to setter Kathy Otte during semifinal action Tuesday night in Ponca against Winside. The Trojans lost for just the second time this season and both defeats have been to Winside.

Laurel football team is state bound again

For the first time in Laurel school history, the Bears football team has qualified for the Nebraska State Playoffs in back-to-back seasons

Despite going 4-5 on the season following Thursday's, 33-6 win over Creighton, the Bears qualified for State because of their tough schedule in which the majority of opponent's had winning records, thus giving Laurel an edge of other teams in contention.

You look at our record and see that we are 4-5 and it doesn't look that impressive," Bears coach Tom Luxford said. "But our schedule is very strong and in each of our five losses, we were with in seven points of our opponent in the fourth quarter with the exception of Bloomfield, which we were trailing 20 - 10.

Still, the Bears had to travel to play Creighton and take care of business, Thursday. Following a scoreless first quarter, Cody Carstensen hit paydirt from six yards out and Sami Piira's point after kick gave the Bears a 7-0 lead

which stood at halftime

Jeff Wattier sprinted into the endzone from 21 yards out in the third quarter for a 13-0 lead and Carstensen followed that up with a 15-yard scoring burst for a 19-0 ad-

Creighton's lone score came on a one-yard plunge in the middle of the third quarter. The Bears came right back after that as quarterback Tyler Erwin hit Jeremy Reinoehl on a 44yard scoring strike. The final scoring of the game came at the end of the third quarter on a 38-yard run by Jeff Wattier.

"We played well," Luxford said. We feel we've improved each week of the season and we've won our last three games. Now everyone that's still playing football has a 0-0 record.

Carstensen led the Bears in rushing with 100 yards on 12 car-ries while Wattier gained 76 on just seven carries. Erwin was 4-7 with one interception for 86 yards with Jeremy Reinoehl catching three balls for 60 yards.

Defensively. Laurel was led by Carstensen and Todd Arens with 10 tackles each while Kody Urwiler had nine. Dustin Ankeny, Eric Abts. Wattier and Randy Ouist had eight tackles apiece. Abts and Jared

Reinochl each had fumble recoveries while Ankeny and Dustin Thompson each had an interception. At press time it was not known

who Laurel would play in the first round of the playoffs which are slated to begin Wednesday.

The Wakefield Trojans won the first two games of the Lewis and Clark Conference Volleyball Tournament in Wakefield last Monday before having their 14-game win streak snapped in the semifinals on Tuesday in Ponca by Winside.

The 17-2 Trojans defeated Wynot in the first round, 15-10, 15-6 as Maria Eaton led the way with seven points and a perfect 13-13 serving night with two aces. Kali Baker scored six points and Kathy Otte was 49-52 in setting with 19 assists.

Mary Torczon was 14-15 in hitting with eight kill spikes while Jaime Oswald was 11-12 with six kills. Torczon and Amy Hatting shared team honors in blocks with three each. Suzann Ekberg was the leading passer at 15-16 and Betsy Erickson was 7-8.

I didn't think we played all that well but well enough to win, coach Paul Eaton said.

The Trojans disposed of Osmond in the quarterfinals, 15-11, 15-6 as Kali Baker led the way with nine points. Baker was 9-11 in serving with nine aces while Suzann Ekberg was 11-12 with five aces.

Kathy Otte was 39-42 with 16 assists and Mary Torczon led the hitters with 10 kills on 15 of 19 attempts. Jaime Oswald was 11-14 with five kills and Amy Hattig was 4-5 with three aces.

Torczon and Hattig each had three blocks and Maria Eaton had a phenomenal match in passing at 20-22 with four digs. Eaton said as a team his squad is playing fine but individually, things could be better.

TUESDAY IN Ponca the Trojans were handed their second loss of the season—both to the same team in Winside, 13-15, 8-15. Kali Baker led the servers at 11-11 with one ace while Kathy Otte and Maria Eaton were each 9-9 with one

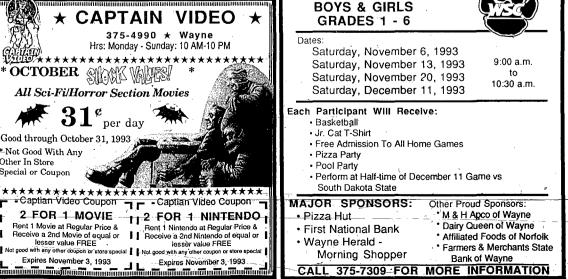

Otte was 53-58 in setting with 18 assists and Mary Torczon was 21-23 in hitting with 10 kills. "We didn't serve that bad as a team," Eaton said, "but we missed a couple real crucial serves in that first game that really changed the momentum.

Eaton said his team suffered their worst night passing of the season. "We just made too many mistakes," Eaton said. "We have to play better in sub-districts if we are to be successful.'

Wakefield will host the C-2 subdistrict which begins Monday. The Trojans will play the first game against Ponca at 6 p.m. while Emerson-Hubbard and Walthill play in the second match. The two winners will then clash at 8 p.m. for a berth in the district finals.

Pheasant season prospects look good according to recent survey

്റന

The recently completed October rural mail carrier survey shows a better outlook for pheasant hunting than the July survey when compared to last year and the five-year average, said Susan Traylor, Upland Game Specialist for the Nebraska Game and Parks Commission.

"Pheasant surveys conducted in ly indicated that pheasant July populations were slightly higher in the northeast and the southwest areas of the state," Traylor said. "The most recent rural mail carrier survey shows a statewide increase in pheasants, up 63 percent statewide from last year's October survey."

Traylor said the October quail survey, like the July survey, indi-cates a slight statewide decrease in population, but more quail were observed than last year in the southeast part of the state, which is Nebraska's prime quail range.

Traylor said the increase in observed pheasants is most likely due to more favorable reproduction this year. She said last year wet weather and cool temperatures resulted in poor reproduction. Even though 1993 was a wet year, temperatures were not as cool during the nesting season and survival was better, she added.

Nebraska's 1993 pheasant season opens Saturday, Nov. 6, and runs through Jan. 31. The daily bag limit is three cock pheasants, with a possession limit of nine. Shooting hours are 30 minutes before sunrise to sunset.

Cards were entertainment following the meeting. Prizes were won by Verona Henshcke, high and Cindy Bargholz and Leoma Baker were low. The next meeting is Nov. 16 with Dorothy Meyer as hostess.
