Tiring day for Allen firefighters

By Kevin Peterson
Of the Herald

Members of the Allen Volunteer Fire Department may have been quite tired at work, Wednesday after fighting a three-hour blaze which began around 6:30 a.m. at the Burt Ellis shop in Allen. That was in addition to aiding the Dixon Volunteer Fire Department late Tuesday night into early Wednesday on a house fire that destroyed the home of Betty Anderson in Dixon.

The Allen/Martinsburg Volunteer Fire Department was called to the Ellis shop for a fire that pretty much destroyed the building.

According to Allen volunteer firefighter Rob Bock, the shop had a lot of stored wood in it which kept firefighters busy for approximately three hours. The cause of the fire is still under investigation. Ellis, incidentally, is a retired construction worker.

The Allen crew then joined forces with Dixon and Concord in fighting the house fire in Dixon. According to Dixon Assistant Fire Chief Marv Nelson, the call came in on the house fire about 11:05 p.m.

Betty Anderson and her son Darrell were at home at the time of the blaze which was spotted by a neighbor. Both Anderson's escaped injury but the house suffered extensive damage.

"The cause of the blaze was a chimney," Nelson said. "There was a lot of water damage in the house because the fire spread through the roofs and walls."

Anderson is currently staying at the residence of another son in Dixon, Randy. "They pretty much lost everything in the fire," Nelson said. "It was also a very cold night to be out fighting fires. I heard at one point the temperature was around 50 below with the wind chill."

Nelson said the Red Cross

Penguin Parade

Both the morning and afternoon Kindergarten classes in Wayne performed a Kindergarten Penguin Parade, Thursday. Teachers Pat Jenkins and Nicki Tiedtke had their classes sing songs and poems about penguins and their habitat in Antarctica, which is not to be confused with Wayne's recent cold wave. The program was witnessed by parents and friends. Luckily for Waynians, the recent penguin like weather is expected to end this weekend as temperatures are expected to climb into the 40's by Sunday.

Study is praise for college cooperation

A report on the availability of higher education services in Northeast Nebraska was released Wednesday and served as a confirmation of the direction colleges are moving in the region said Dr. Donald Mash, Wayne State College president.

The joint study commissioned by WSC, Northeast Community College in Norfolk and the University of Nebraska Research and Extension Center in Concord, indicates that higher education is moving in the right direction in striving to implement more distance learning

capabilities, said Dr. Mash.

Mash, along with Dr. Robert Cox, president of Northeast Community College and Dr. Robert Fritchen, director of the research and extension center attended the Wednesday session in Norfolk to unveil the findings of the study.

INFORMATION was gathered by Clarus Corporation in Alliance, Neb. from interviews with students, businesses and community members in the region.

Mash said one of the most significant findings of the study was the cooperative spirit among the three

institutions of higher education that caused the joint study to be implemented. "We're going to continue to work together," he said.

"The purpose of the study was to determine if there are educational

Governor hopeful hits Wayne

By Les Mann
Of the Herald

Ralph Knobel, Republican candidate for governor was in Wayne for his first campaign visit Friday and he used the opportunity to stress his central campaign theme of property tax reform to a small group of supporters at a coffee at the Black Knight.

Knobel

Knobel, a farmer and livestock producer from the Fairbury area, encourages limiting the property tax rates to only 1.25 to 1.5 percent of assessed valuation, down from the 2.5 to 3 percent which is the current average.

HE SAID THE \$800 million loss in revenue to local governments resulting from the new limit should be made up with increases in state aid made possible by massive spending cuts in entitlements and other state agencies as well as increases in other sources of revenue as determined by

Fund law may mix arguments

LINCOLN, Neb. (AP) -- Some of the usual urban-rural overtones in the fight over state aid to schools could be reversed under a new funding law.

It would reduce aid to counties that undervalue property -- something urban lawmakers often have said happens in rural areas.

Cities that don't update tax valuations on residential property could lose state aid, too.

At a hearing in October, the state Department of Education offered one hypothetical scenario that showed:

--The Omaha Public School system could lose \$1.8 million in aid under the new law.

--The Lincoln Public Schools could lose \$4 million.

The department stressed that the scenario assumed no adjustments in agricultural land valuations.

It also did not reflect new valuations established in Lancaster County.

the voters. He said the voters might elect to have the difference come from increases in sales tax rates or broaden the base of taxed items; increases in income tax or other sources of revenue.

He stressed the need to return the process of deciding on tax structure to the people and let them decide.

He criticized the current administration of Gov. Ben Nelson as one out of step with Nebraskans because of growth in government, because the governor has campaigned to help elect Bill Clinton and because he

played "musical chairs" with the Lt. governor's office.

KNOBEL SAID he would take a tougher stance on crime and do so immediately, not after three years in office when it would make a good campaign issue for reelection. The candidate said he is a strong supporter of term limits. He wants to see Nebraskans return to family values and "take the time and interest to shut off the TV and read to their

Waynians top list at Chamber

By Les Mann
Of the Herald

The Wayne contingent at the Nebraska Chamber of Commerce and Industry meeting in Lincoln Thursday, at 18, was the largest of the groups of representatives from any Nebraska city.

The group from Wayne visited with state senators, attended legislative hearings and seminars on business issues and listened to a speech by Nebraska Gov. Ben Nelson at lunch.

The Wayne group heard the governor speak forcefully against federal mandates that he said are costing Nebraska taxpayers millions of dollars a year in extra state and local government expenditures. He specifically cited the costs for implementing the Clean Drinking Water Act and the Clean Air Act as examples of unfunded mandates that require huge outlays of local funds.

"THEY ARE busting local budgets without spending federal dollars," said Nelson. He said he wants to see a reclaiming of local responsibility for federal and state mandated issues and local control over the decision process to correct those problems.

The governor laid the blame of rising juvenile crime and associated social problems with a general decline in family values. He encouraged members of the Nebraska communities gathered at the State Chamber meeting to go back to their towns and work with their churches and community organizations to reestablish family values in our neighborhoods.

"UNTIL PEOPLE take charge and assume the responsibility for their own behavior and the behavior in their neighborhoods we will continue to have problems," he said.

The governor said in the last year 51 percent of the new arrests made in the state were of teens between 13 and 15 years old.

Nelson said he was bullish on the

Symphony features Wayne's O'Leary

By Clara Osten
For the Herald

Dr. Jay O'Leary, Professor of Music and head of the Division of Fine Arts at Wayne State College, was the featured soloist at the Feb. 5 performance of the Sioux City Symphony.

His oboe solo was entitled "Concerto in C for Oboe, K. 314" and included three movements, "Allegro aperto, Adagio non troppo and Rondo." The piece was composed by Wolfgang Amadeus Mozart.

Dr. O'Leary has been a member of the Sioux City Symphony since 1967 and this was the fourth time he has been asked to be the featured soloist.

This selection was made by Thomas Lewis who is serving as music director and conductor of the Symphony. Selection is made two years ahead of time and then the conductor and the soloist work together deciding which piece of music will be performed.

Approximately 80-85 members make up the Symphony which is currently in its 78th year. This is a professional symphony, meaning that the group receives pay for their rehearsal and performance time. "Even though we receive pay for our time, it is not a living wage. The only person who makes enough to live on is the conductor," said O'Leary.

The symphony performs six concerts each year, from October through April. Prior to each performance, the group meets on

"WE'RE NOW determined to push ahead with more regional distance learning capabilities," he said. Geographical access issues were an important point raised in the interviews, he said. Each of the institutions is working on outreach efforts

now, he said, and added that one of the outgrowths of the report should be an increase in intensity on those efforts.

He said the report provided very good feedback from students and the business community.

Fritchen confirmed the goals of coordinated educational offerings between the university and colleges, which he said would help address the access concerns listed in the study.

DR. KATHI Swanson, owner of Clarus Corporation pointed out an interesting fact indicated by the study. The call for more educational services is heard loudest the closer you get geographically to the colleges. She said that is not uncommon in comparing with other studies.

Overall, the institutions of higher education are well-liked and well-used in Northeast Nebraska, she said.

Knobel committed to serve the people of the state for four years without campaigning for other office or other people and he said he would be a governor who will use the line item veto to keep spending down.

Knobel told the Wayne Herald the biggest obstacles he will have to overcome are low name recognition and the possibility that he will be out spent in the primary by his Republican opposition.

Wednesday nights and Sunday afternoons for four rehearsals.

Members of the symphony come from throughout the area. "I'd say that approximately 25 percent of the members are from Sioux City. The others come from Omaha, Yankton, Sioux Falls and various other places in the area. At the present time there are three members from Wayne, Dr. Christopher Bonds, my son Jed and myself," said O'Leary.

Most of the members are involved in music, either teaching or students in college. "We do have, and have had, people such as physicians and attorneys who play

because they enjoy music, but the majority of our members are involved in music in their occupation," said O'Leary.

O'Leary is active in the arts in Nebraska and the Sioux City area. He has served on the Sioux City Symphony Orchestra Board of Directors and served as president of the Symphony Players Association.

During the summer he plays in the Sioux City Municipal Band and also is involved in productions at Dordt College, Morningside College, Omaha and other places throughout the area.

At Wayne State, O'Leary is director of the Wayne State College Summer Music Camp.

Art show opening is Monday

The public is invited to an opening reception for artist Vincent Hron from 4:30 to 6 p.m. on Monday, Feb. 14 at Wayne State College.

The reception will be held in the Nordstrand Visual Arts Gallery, located on the second floor of the Fine Arts Building. Regular gallery hours for Hron's painting exhibit, which is on display through March 4, are 9 a.m. to 4:30 p.m., Monday-Friday.

Hron will also present a slide presentation at 3:30 p.m. in room 19 of the Fine Arts Building.

Hron has exhibited extensively throughout Nebraska and the Midwest.

"Though my work fits into the realist tradition, it owes a debt to modernism's emphasis on design and attention to the medium," says Hron. "The multiple vantage points of Cezanne's 'lived perspective,' Giacometti's search for form through revision, and Mondrian's incredible balance, have provided inspiration. Like the distortions found in cubism, those in my work could be considered content in the modernist sense."

WSC theatre to feature 'Dracula'

The Wayne State College Theatre Department, under the direction of Dr. Andre Sedriks, will present Bram Stoker's thriller "Dracula" on Feb. 20-22.

Performance times are 2 p.m., Sunday, Feb. 20; and 8 p.m., Monday and Tuesday, Feb. 21 and 22. All performances are in Ramsey Theatre, located in Wayne State's Fine Arts Building. Admission is \$3 per person.

"Dracula" has been described by critics as a play for people who like their coffee strong, according to Sedriks. He says there is no mistake about this thriller being one that will shock the staunchest of playgoers who like thrilling plays. He says it deals with the supernatural and there is no awkward explanation at its conclusion.

"Dracula" is a dramatization of Stoker's novel which was originally published in England many years ago. The novel has experienced phenomenal sales all over the English-speaking world.

Cast members are J.B. Tyson, Count Dracula, Wayne; Doree Brogren, Lucy Seward, Winside; Amber Livingston, Miss Wells, Plattsmouth; Andrew Niess, Dr. Seward, Fremont; Travis Herrick, Jonathan Harker, Wayne; Steve Carlson, Abraham Van Helsing, Wayne; Ray Huse, R.M. Renfield, Omaha; and Curtis Meyer, Butterworth, Wayne.

Presbyterians participate in mission

WAYNE— This past Sunday the session of the First Presbyterian Church of Wayne voted to take part in the "Gifts of the Heart" mission program to help provide relief for the victims of the recent earthquake in southern California. Before the morning worship service, the session, the church's governing board, challenged the congregation to provide up to 100 "bedding kits" — consisting of sheets, pillows and pillow cases.

By the end of the service, personal commitments for nearly 40 kits had already been made. "I am really excited that so many have stepped forward to take part in this program on such a short notice," said Craig Holstedt, the pastor. "It shows what sort of caring spirit we have in this community."

All those who have made commitments are urged to take care of them quickly. "We plan on packing and shipping these kits on Feb. 19, so we need to have all the commitments made by Ash Wednesday, Feb. 16," said Holstedt. If others in the community would like to take part, they may contact the church office, 375-2669.

Wildcat women improve to 18-4; men fall to 6-15

WSC cage teams split contests

By Kevin Peterson
Sports editor

Mike Barry's Wayne State women's basketball team improved their season record to 18-4 with a 75-53 victory over Winona State, Wednesday in the friendly confines of Rice Auditorium in the first of two Wildcat contests.

In the nightcap, Mike Brewen's men's team missed a last second 3-point field goal attempt by Kyle White that would have sent the game into overtime with the visitors from Minnesota, but WSC fell to 6-15 on the season with a 70-67 setback.

In the women's contest the Wildcats trailed Winona just once the entire contest at 9-8 with 14:19 remaining in the opening half. Despite the game appearing close the rest of the first half the 'Cats were never out of control or in a state of panic.

Barry's troops led 27-23 with 4:37 left in the half before a 9-5 run to close out the half gave WSC a 36-28 lead at the break. The second half was all WSC as they scored the

first five points of the half for a 41-28 advantage. Winona would never cut the gap to less than double digits.

The Wildcats were led by senior Lisa Chamberlain with 21 points. Deb Kostreba followed with 16 and Amy Brodersen tossed in seven. The 'Cats edged the visitors, 42-40 on the boards with Ann Kramer leading WSC with 11 caroms.

Lynn Nohr, Kostreba and Brodersen each dished out three assists and both teams suffered 22 turnovers. Brodersen and Chamberlain each notched four steals while Chamberlain, Mindi Jensen and Jodi Otjen each recorded two blocked shots.

WSC connected on 32 of 70 shot attempts from the field for 46 percent while hitting nine of 13 free throws. Winona was 21-60 from the field and 11-17 from the foul line. The 'Cats will travel to play Southwest State on Saturday before hosting Briar Cliff on Wednesday.

IN THE MEN'S contest WSC jumped out to a 13-6 with the aid of a pair of 3-pointers by Kyle White. The 'Cats however would be out-scored by a 31-19 margin the rest of the half and trailed the visitors 37-32 at the intermission.

Dan Anderson hit a jumper at the 1:58 mark of the half to give WSC a 32-29 lead but Winona scored the final eight points before break on two, 3-pointers and a short jumper.

The second half began much like the first half ended as Winona came out gunning. The 'Cats found themselves trailing by 12 points at

49-37 at the 15:58 mark.

Then WSC got it going with a 15-0 run fueled by Kyle White with two, 3-pointers, Billy Patterson with a 3-pointer and four points from Anderson.

The Warriors, however, built their lead back to seven at 68-61 with 1:21 remaining and it appeared as though WSC's chances were slim to none. Patterson was not phased by the deficit and the junior guard connected on back-to-back 3-pointers to slice the deficit to one at 68-67 with 32 seconds left.

WSC got the ball back and Patterson drove the lane for a shot but it fell short. White was whistled for a foul with seven seconds left and Winona connected on both free throw attempts for a three-point advantage.

White then took a 3-pointer at the buzzer but it drew iron. White led WSC with 20 points including six, 3-pointers while Patterson knocked down four, 3-pointers en

route to his 14 points. Dan Anderson tallied 13 and Terry Mailloux was in double figures with 10.

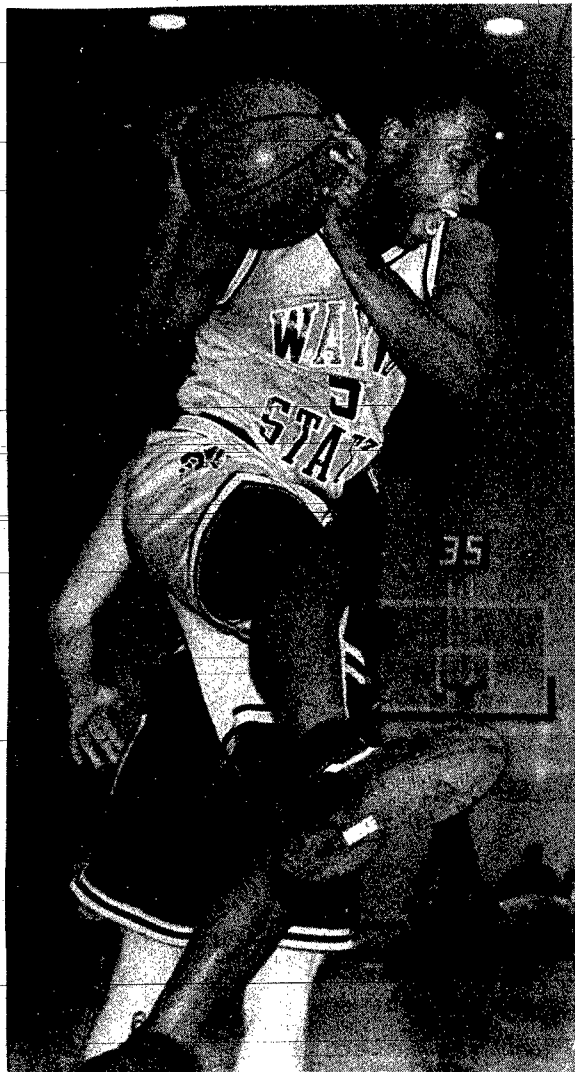

WSC finished with a 40-38 advantage on the boards led by Mailloux with nine caroms. Patterson dished out three assists for team honors and recorded two steals while Anderson blocked two shots.

WSC only had 14 turnovers in the game but Winona suffered just seven. The 'Cats will travel to play Southwest State on Saturday.

WSC women (75), Winona State (53): WSC—Lisa Chamberlain, 21; Deb Kostreba, 16; Amy Brodersen, 8; Brenda TeGrotenhuis, 7; Jodi Otjen, 6; Marla Stewart, 6; Kristy Twait, 4; Ann Kramer, 4; Deedra Haskins, 2; Mindi Jensen, 1.

WSC men (67), Winona State (70): WSC—Kyle White, 20; Billy Patterson, 14; Dan Anderson, 13;

Terry Mailloux, 10; Omar Clark, 4; Greg Ryan, 4; Nate Parks, 2.

Wayne girls respond to a must-win situation, 51-43

Wayne girls basketball coach Roger Reikofski felt his team had to win Tuesday's home game with Stanton to ensure a better seed at the district tournament and the Blue Devil mentor got his wish as the Blue Devils defeated the Fillies, 51-43.

It didn't look early on, however, like Wayne was going to take control of the game as they trailed the

visitors, 24-20 at the half. "We just weren't playing with any intensity in the first half," Reikofski said.

The Blue Devils still trailed Stanton by two after the third quarter at 35-33 but Wayne out-scored the visitors by an 18-8 margin in the final stanza. "We did a much better job of executing our press and offense," Reikofski said. Also there was a little difference in the

level of our intensity in the first and second half."

Jenny Thompson led the winners with 16 points followed by Carrie Fink with 11. Tami Schluns followed with nine and Anne Wiseman tallied eight. Katie Lutt rounded out a well-balanced attack with seven.

Wayne maintained a 33-29 advantage on the boards as again they showed good balance with Schluns,

Lutt and Wiseman grabbing seven caroms each while Fink hauled down six rebounds while recording five steals.

The Blue Devils had 16 turnovers in the contest but forced 22 and Wayne was 14-18 from the

foul line compared to 3-8 for Stanton. The 10-7 Blue Devils will travel to play Crofton in a make-up game on Saturday.

The Wayne reserves, meanwhile, notched a 38-35 win over Stanton as Amy Post led the way with a dozen points while Erica Stoltenberg tossed in eight. Kellie Lubberstedt and Cori Langenfeld netted six each.

Wayne did manage to better its seeding at the district tournament which begins Feb. 21 at Northeast Community College in Norfolk.

The Blue Devils will be seeded fifth and play North Bend in the first round at 6:15 p.m.

Trojan hoop teams split with Newcastle

The Wakefield girls and boys basketball teams earned a split with visiting Newcastle, Tuesday as Gregg Cruickshank's girls gave the highly rated Red Raiders a run for their money before falling, 48-30 while Brad Hoskins' crew won the nightcap by a 65-54 margin.

In the girls game the Trojans took a 19-18 lead into the locker room at half but Newcastle went on a 12-8 scoring run in the third quarter to take a three point lead into the final stanza.

The Trojans could never regain the lead and fell to 8-9 on the season. Kali Baker led Wakefield with 13 points while Mary Torczon tossed in nine and Maria Eaton added eight.

Newcastle edged the Trojans on the boards, 35-30 despite nine caroms from Torczon. Wakefield had 17 turnovers in the contest compared to 13 for the visitors and the Trojans were 6-16 from the charity line while Newcastle was 9-16.

Wakefield will close out its regular season on Saturday night in Laurel against the Bears before beginning sub-district play on Monday. The Trojans will play Walthill at 8 p.m. in Lyons.

THE WAKEFIELD boys sprinted to a 22-10 lead after one quarter of play and never looked back as Hoskins' team improved to 13-6. The Trojans held a 38-26 lead at the half but Newcastle out-scored the host team, 19-10 in the third quarter to draw with in three but

Wakefield quickly upped that margin in the fourth quarter and out-scored the Red Raiders, 16-9 over the final eight minutes.

"We didn't do a very good job of executing on defense," Hoskins said. "Newcastle hit 52 percent of its shots from the field and 42 of the 54 points were scored by the post players."

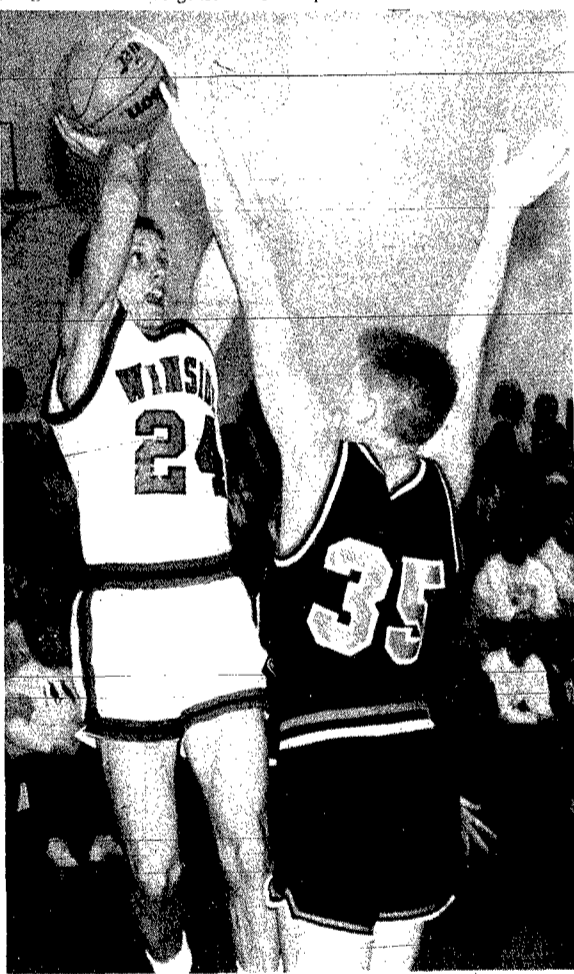

On a positive note, the Trojans had 10 players see at least two quarters of playing time and nine of them entered the scoring column led by Tory Nixon and Miah Johnson with a dozen points each while Cory Brown and Wes Blecke netted 10 apiece.

Wakefield dominated the boards, 36-22 as Brown hauled down nine rebounds to pace the winners. The Trojans had 15 turnovers but forced 23 and the host team was 13-16 from the foul line and Newcastle was 8-12.

Wakefield will travel to play Coleridge on Friday before playing at Laurel in a make-up contest, Saturday.

Wakefield girls (40), Newcastle (48): Wakefield—Kali Baker, 13; Mary Torczon, 9; Maria Eaton, 8; Jaime Oswald, 4; Kathy Otte, 4; Andrea Carson, 2.

Wakefield boys (65), Newcastle (54): Wakefield—Miah Johnson, 12; Tory Nixon, 12; Cory Brown, 10; Wes Blecke, 10; Lucas Tappe, 7; Justin Dutcher, 5; Mike Rischmueller, 5; Ryan Ekberg, 2; Andy Muller, 2.

WINSIDE'S JAYME Shelton shoots over an Osmond player during action Thursday. The Wildcats were defeated, 91-64. Ryan Brogren had 16 points while Jaimy Holdorf tossed in 13. Shelton finished with 10. Jeremy Jenkins led the team in rebounding with 11.

Winside girls lose twice; coach resigns

By Kevin Peterson
Sports editor

The Winside girls basketball team hosted a pair of games this week to close out the regular season schedule for Angie Schroeder's Wildcats.

Tuesday the Wildcats lost a 58-30 decision to Wynot in a contest the host team was virtually never in. Wynot jumped out to a 17-8 lead after the first quarter and led 37-18 at the break.

"The difference in the game was rebounding," Schroeder said. "Wynot out-rebounded us by a 41-19 margin including 14 offensive boards which resulted in a lot of second and third chance points."

Schroeder said her team did a poor job of blocking out on the boards. Wendy Miller led Winside in scoring with 10 points while Christi Mundil netted eight. The Wildcats had 14 turnovers compared to 13 for Wynot and Winside was 6-12 from the foul line compared to 4-5 shooting by the visitors.

In Thursday's contest with Osmond the Wildcats didn't seem to have a problem in rebounding after a 43-40 setback. In fact, the host team dominated the boards, 41-28.

The difference in this game was free throw shooting as Winside was just 4-12 while Osmond was 6-9. Winside trailed the Tigers, 19-18 at the half and by just two points, 30-28 after three quarters.

The Wildcats took leads in each of the four quarters of the game but down the stretch in the final stanza the lack of free throw shooting hurt Winside.

The Wildcats trailed 43-39 with

just four seconds left when Chris Colwell was fouled and sent to the free throw line. Colwell made the first of the one-and-one but missed the second on purpose in hopes of a long rebound.

The plan nearly worked to perfection as Wendy Miller grabbed the rebound but her shot attempt at the buzzer drew iron. It was the final regular season game for seniors Christi Mundil, Kari Pichler, Chris Colwell and Catherine Bussey.

Mundil led the Wildcats with 19 points while Bussey tossed in 10. Colwell scored five and Pichler two. Miller finished with four points. Mundil also hauled down an impressive 17 rebounds while Miller notched eight caroms.

Winside had 26 turnovers—another key to the loss while Osmond had 11. The Wildcats will play Leigh in the first round of sub-districts on Monday in Howells at 6:30 p.m.

Winside coach Angie Schroeder turned in her resignation this week which will take effect during the fall of the 1994-95 school year. Schroeder cited personal reasons for her stepping down from coaching volleyball and basketball as well as teaching.

The first graders have been keeping track of the days of school by placing a straw in a box each day. The straws were put in groups of 10 to help them with the concept of place value.

As part of the 100th day observance the students played value games and also guessed how many kernels of corn were popped in their cups. As treats the students ate the popcorn and were served punch.

In the reading buddies program, each week the sixth grade students spend time reading to the first graders. Kathy Muller and Jerry Sharp teach the first grade students and Alice Johnson is the sixth grade classroom instructor.
