

## Commission rift threatens county budget

By Les Mann  
Of the Herald

Two of the three Wayne County Commissioners made last minute cuts to the county budget Tuesday and approved the document after the first budget approval effort that morning was determined to be invalid.

A rift between county commissioners over allocation of accumulated road maintenance and bridge funds resulted when District 3 Commissioner Jerry Pospishil voted against budget approval. He cited his belief that the funds which have been accumulated for major bridge

and equipment replacement in district 1 should be used to keep the county from having to raise property taxes by 5 percent. It was thought the budget passed on a 2-1 vote.

HOWEVER, AFTER Pospishil had left the meeting, it was determined that a 75 percent majority vote is needed to approve a budget with a 5 percent tax increase. After a quick phone call from County Clerk Deb Finn, Pospishil reportedly refused to change his vote nor to return to the meeting to help rework the budget.

Thus commissioners Merlin Beierman and Robert Nissen reconvened the meeting, reduced the budget by more than \$27,000 to bring the tax asking amount below the state mandated 3 percent lid and approved the revision on a 2-0 vote.

The cuts were made in the road maintenance budget and will mean less work will be done next year officials said.

COMMISSIONERS were under the gun to file an approved budget with the state by Friday said Mrs. Finn.

Earlier in the day the commissioners had accepted a bid from Nebraska Machinery for \$39,053 to purchase a used D9 Crawler Tractor for Pospishil's District 3. The machine had been leased by the county. Nebraska Machinery was the only bidder. The vote to purchase it was unanimous.

Commissioners also set the public hearing date for Sept 20 from 10 to 11 a.m. to take comments on the

## Warmth helps crops mature

Wayne County may have escaped another year without a 100 degree day. Though September is making a valiant effort to change that the high readings predicted for Friday and Saturday, weather observer Pat Gross reports the high so far for the year has been the 96 degree reading recorded June 15, followed closely by the 93 degrees recorded the day after school started, Aug. 25.

Two all time low records were set in August on the 5th (47 degrees) and 6th (46).

Recent warm days have enhanced the crop maturing process.

Rainfall totals through August for the area are a full two inches under the average for the area, even though August rainfall total at 3.98 inches

## Rep. seeks CRP extension

By Les Mann  
Of the Herald

Rep. Doug Bereuter praised the USDA plan to offer farmers a one year extension option on Conservation Reserve Program (CRP) contracts while Congress debates the content of the 1995 Farm Bill.

Visiting in Wayne this week to discuss issues at the Wayne Rotary Club, Bereuter said he does not expect the new Farm Bill to have the same level of conservation program funding as the 1985 bill had, but he will be working to maintain conservation incentives in the bill.

HE SAID ITS passage would probably be delayed until Oct. or Nov. of next year and thus the plan to offer farmers the opportunity to

extend contracts, some of which are set to expire next year, would be important in the farm plans for many this year.

He said he hopes to see an easing of provisions for haying and grazing of conservation lands, perhaps giving the land owners the options of less in conservation payments for land they take out of crop production and convert to pasture.

The eight-term congressman said he would like to see provisions in the new farm bill's conservation programs to take care of the prairie fire problems which have been created during existing conservation programs which encourage the growth of large areas of tall grass, which

have developed as extreme fire hazards in some areas.

FEDERAL CROP insurance initiatives being suggested by the Clinton Administration are among the few areas where Bereuter said he agrees with the president. He said the provisions in the administration plan would make low population states less vulnerable to isolated disasters and would make ad hoc disaster bills harder to push through Congress.

The plan he supports would require a \$50 premium per crop from farmers and in the case of a declared

## Technology talk comes to Wayne

The information technology superhighway will be the subject of a couple of important meetings in Wayne in coming days.

Members of the Nebraska Information Technology Commission will be meeting in Wayne Thursday at 7 p.m. at the Wayne Elementary School to present the draft report on the effort to enhance Nebraska's competitiveness through telecommunications and information technology.

The public is invited to attend the meeting and hear the provisions of

the report as well as provide comment on it.

Wayne has a representative on the 22-member state commission. Sheryl Lindau, who is a Wayne city council member, business leader and is currently running unopposed for mayor, has represented the local interests on the commission.

Countless opportunities are presented for Nebraska as a result of the rapid expansion of the "information superhighway," she said in encouraging interested individuals locally to attend the meeting in

Wayne. It will be one of only six meetings to be held around the state to gather input on the draft report.

Besides the state group's efforts to utilize the new technology, a Wayne group has also formed to investigate ways to better access the information superhighway. A meeting of the Wayne Chamber's Community Strategies Council has been set for Monday, Sept. 26 at 7 p.m. at the Black Knight.

## One hurt in 3-car accident

Harold "Bill" Stupp, 73, of Wayne avoided serious injuries in a frightening three vehicle accident a mile east of Wayne on Highway 35 Tuesday evening.

He was treated and released from Providence Medical Center.

Nebraska State Patrol reported Stupp was west bound when his vehicle ran into the back of a side delivery rake being pulled by a truck driven by Edwin Hammers, 49, Emerson. Hammers had stopped on the highway to allow oncoming traffic to cross a bridge before pulling the wide piece of farm equipment across, according to the Patrol report.

The equipment was being hauled to the consignment auction in Wayne according to the Patrol report and did not have lights.

After the initial collision, the Stupp vehicle, which ended up partially in the oncoming lane, was struck by an east bound car driven by Mary Ballinger, 44, Pender. The Stupp vehicle suffered major damage, said the Patrol. Other vehicles suffered moderate damage and the highway was blocked for over an hour while emergency crews cleared the wreckage from the bridge area.

The fact that Stupp was wearing a seat belt was credited with protecting him from serious injuries according to the State Patrol report. No citations have been issued pending completion of the investigation into the accident.

## Baby stone toppled

The highly controversial baby stone at the Wayne cemetery was recently tipped over. According to police reports, the act was not vandalism but an accident. Apparently, someone was trying to read the monument, leaned on it and it fell over. The three individuals that confessed to the accidental toppling of the monument were reading it in the middle of the night. The incident happened after midnight last Saturday.

Deb Plueger and Andrea McGrath each had four ace sets and Jill Sullivan was 11-12 in hitting. Abbey Schroeder had six kill spikes

serving with 12-points and Tanya Plueger was 10-10 with six points.

## Commission rift threatens county budget

By Les Mann  
Of the Herald

Two of the three Wayne County Commissioners made last minute cuts to the county budget Tuesday and approved the document after the first budget approval effort that morning was determined to be invalid.

A rift between county commissioners over allocation of accumulated road maintenance and bridge funds resulted when District 3 Commissioner Jerry Pospishil voted against budget approval. He cited his belief that the funds which have been accumulated for major bridge

and equipment replacement in district 1 should be used to keep the county from having to raise property taxes by 5 percent. It was thought the budget passed on a 2-1 vote.

HOWEVER, AFTER Pospishil had left the meeting, it was determined that a 75 percent majority vote is needed to approve a budget with a 5 percent tax increase. After a quick phone call from County Clerk Deb Finn, Pospishil reportedly refused to change his vote nor to return to the meeting to help rework the budget.

Thus commissioners Merlin Beierman and Robert Nissen reconvened the meeting, reduced the budget by more than \$27,000 to bring the tax asking amount below the state mandated 3 percent lid and approved the revision on a 2-0 vote.

The cuts were made in the road maintenance budget and will mean less work will be done next year officials said.

COMMISSIONERS were under the gun to file an approved budget with the state by Friday said Mrs. Finn.

Earlier in the day the commissioners had accepted a bid from Nebraska Machinery for \$39,053 to purchase a used D9 Crawler Tractor for Pospishil's District 3. The machine had been leased by the county. Nebraska Machinery was the only bidder. The vote to purchase it was unanimous.

Commissioners also set the public hearing date for Sept 20 from 10 to 11 a.m. to take comments on the

## Warmth helps crops mature

Wayne County may have escaped another year without a 100 degree day. Though September is making a valiant effort to change that the high readings predicted for Friday and Saturday, weather observer Pat Gross reports the high so far for the year has been the 96 degree reading recorded June 15, followed closely by the 93 degrees recorded the day after school started, Aug. 25.

Two all time low records were set in August on the 5th (47 degrees) and 6th (46).

Recent warm days have enhanced the crop maturing process.

Rainfall totals through August for the area are a full two inches, under the average for the area, even though August rainfall total at 3.98 inches

## Send in the clowns...

When newspaper typesetter Alyce Henschke returned to her computer Thursday, she found it had been taken over by Omar Gosh, one of the advance clowns for the Allen Bros. big top circus. ## WSC to celebrate 'success'

A major victory party is planned in Wayne Oct. 8 to celebrate the anticipated successful completion of the Wayne State College foundation fund drive. The goal of the three year private fund raising event was set at \$13.6 million.

The college is inviting area community leaders and foundation supporters to the black-tie optional event which will include a silent art auction, dinner and program.

Artists who have been associated with the college are being asked to contribute works for the silent auction and many valuable art items have already been contributed, according to Wayne Groner, executive director of the foundation.

Notable among the artists who will be participating is Herb Mignery, a Wayne State alumnus who will be returning to the campus to sculpt piece that will become a larger than life bronze statue on an educational theme for the Heritage Plaza that will be constructed in the center of campus.

A 20-inch bronze model of Mignery's planned Heritage Plaza statue will be on display at the silent art auction. Guests at the auction will have the first opportunity to reserve limited-edition numbers and signed copies of the statue at an introductory price, said Groner.

Proceeds from the sale of those copies will help fund renovation of the old power plant building on campus into an art education facility.

Mignery, who lives in Estes Park, Colo., is one of the nation's leading western artists and is one of only a handful of artists invited into the prestigious Cowboy Artists of America.

"We feel great," said Bob Reeg, president of the Wayne State Foundation. The Wayne banker said there is a tremendous sense of pride and accomplishment among the college's supporters over the success of the capital campaign.

"As we traveled the country sharing our story of student development and regional development, people stepped forward with their volunteer leadership and their gifts," he said.

## Rep. seeks CRP extension

By Les Mann  
Of the Herald

Rep. Doug Bereuter praised the USDA plan to offer farmers a one year extension option on Conservation Reserve Program (CRP) contracts while Congress debates the content of the 1995 Farm Bill.

Visiting in Wayne this week to discuss issues at the Wayne Rotary Club, Bereuter said he does not expect the new Farm Bill to have the same level of conservation program funding as the 1985 bill had, but he will be working to maintain conservation incentives in the bill.

HE SAID ITS passage would probably be delayed until Oct. or Nov. of next year and thus the plan to offer farmers the opportunity to

extend contracts, some of which are set to expire next year, would be important in the farm plans for many this year.

He said he hopes to see an easing of provisions for haying and grazing of conservation lands, perhaps giving the land owners the options of less in conservation payments for land they take out of crop production and convert to pasture.

The eight-term congressman said he would like to see provisions in the new farm bill's conservation programs to take care of the prairie fire problems which have been created during existing conservation programs which encourage the growth of large areas of tall grass, which

have developed as extreme fire hazards in some areas.

FEDERAL CROP insurance initiatives being suggested by the Clinton Administration are among the few areas where Bereuter said he agrees with the president. He said the provisions in the administration plan would make low population states less vulnerable to isolated disasters and would make ad hoc disaster bills harder to push through Congress.

The plan he supports would require a \$50 premium per crop from farmers and in the case of a declared

## Technology talk comes to Wayne

The information technology superhighway will be the subject of a couple of important meetings in Wayne in coming days.

Members of the Nebraska Information Technology Commission will be meeting in Wayne Thursday at 7 p.m. at the Wayne Elementary School to present the draft report on the effort to enhance Nebraska's competitiveness through telecommunications and information technology.

The public is invited to attend the meeting and hear the provisions of

the report as well as provide comment on it.

Wayne has a representative on the 22-member state commission, Sheryl Lindau, who is a Wayne city councilmember, business leader and is currently running unopposed, for mayor, has represented the local interests on the commission.

Countless opportunities are presented for Nebraska as a result of the rapid expansion of the "information superhighway," she said in encouraging interested individuals locally to attend the meeting in

Wayne. It will be one of only six meetings to be held around the state to gather input on the draft report.

Besides the state group's efforts to utilize the new technology, a Wayne group has also formed to investigate ways to better access the information superhighway. A meeting of the Wayne Chamber's Community Strategies Council has been set for Monday, Sept. 26 at 7 p.m. at the Black Knight.

## One hurt in 3-car accident

Harold "Bill" Stupp, 73, of Wayne avoided serious injuries in a frightening three vehicle accident a mile east of Wayne on Highway 35 Tuesday evening.

He was treated and released from Providence Medical Center.

Nebraska State Patrol reported Stupp was west bound when his vehicle ran into the back of a side delivery rake being pulled by a truck driven by Edwin Hammers, 49, Emerson. Hammers had stopped on the highway to allow oncoming traffic to cross a bridge before pulling the wide piece of farm equipment across, according to the Patrol report.

The equipment was being hauled to the consignment auction in Wayne according to the Patrol report and did not have lights.

After the initial collision, the Stupp vehicle, which ended up partially in the oncoming lane, was struck by an east bound car driven by Mary Ballinger, 44, Pender. The Stupp vehicle suffered major damage, said the Patrol. Other vehicles suffered moderate damage and the highway was blocked for over an hour while emergency crews cleared the wreckage from the bridge area.

The fact that Stupp was wearing a seat belt was credited with protecting him from serious injuries according to the State Patrol report. No citations have been issued pending completion of the investigation into the accident.

## Baby stone toppled

The highly controversial baby stone at the Wayne cemetery was recently tipped over. According to police reports, the act was not vandalism but an accident. Apparently, someone was trying to read the monument, leaned on it and it fell over. The three individuals that confessed to the accidental toppling of the monument were reading it in the middle of the night. The incident happened after midnight last Saturday.

# Bridge could start in '96

Rep. Doug Bereuter said construction could start as early as 1996 on a new bridge across the Missouri River north of Wayne. The proposed \$17.3 million bridge project is within \$4 million of being fully funded on the federal side he said this week while visiting Wayne.

Bereuter added that he believes construction of the bridge and the designation of the corridor connecting route between it and Highway 81 through the Wayne would place the community on a pair of major transportation routes.

bridge and Wayne was included on the National transportation plan at Bereuter's request and he said that is an important step toward the eventual construction of the project. The bridge will be between Vermillion, S.D. and Newcastle, Neb.

The connector between the new

Though the ultimate route has yet to be determined, Bereuter said he thinks the most practical route for the highway to the bridge would be through Wayne and Concord then directly north. The Nebraska Highway Department has tentatively designated Highway 59 through Carroll as the most practical route for the connector.

He said he believes the full bridge funding will be approved within 2 years. The state's of South Dakota and Nebraska will be contributing 10 percent each to the cost of the bridge project.

Rep. Doug Bereuter, R-Neb., right, visits with Rotarian Rod Langbehn and Rotary President Brad Coulter, during his visit to Wayne Wednesday.

# Circus comes to Wayne

Allen Bros. Circus is due to arrive in Wayne on early Wednesday morning on Sept. 14, coming from Pierce, where it appeared the day before.

Acres of canvas, including a big top, will be erected at Wayne County Fairgrounds. The circus will be unloaded between 7 and 8 and the big top will be pulled into the air between 9 and 10.

Wayne Rotary Club is sponsoring the performances at 5 and 7 p.m. For the convenience of the public, reduced-rate advance tickets are on sale from all members of the Wayne Rotary Club. These reduced-rate advance tickets are available only before Sept. 14. No discount tickets will be sold that day.

Allen Bros. Circus will travel over 25,000 miles this season, showing in over 225 cities in 23 states and four Canadian provinces. The circus is on the road nine months out of the year, generally playing in a different town each

day. The remaining three months are spent at the show's winter quarters in Central Florida preparing for the next season. The show is a complete city within itself, with its own power plants, commissary, water supply, first aid personnel, and even its own mailman.

ing, which is also open to the public will be Chris Hoy, from the Nebraska Department of Economic Development who will tell Wayneans how to ensure their spot on the superhighway map according to John Farnan, executive vice-president of the Chamber of Commerce.

"Wayne needs to insure that we have an 'on ramp' to this highway," said Farnan.

disaster loss would pay them 50 percent of the value of the crop loss.

On other issues, Bereuter discussed with Rotarians at length the health care plans being considered in Washington. He said he has never had as much mail or contact on any other issue as on the health care issue.

He said Nebraskans are concerned about portability, cost of coverage and accessibility of health care. He said they are also skeptical of government involvement in the health care industry.

# School crews spent busy time preparing

The summer is a busy time for maintenance and custodial personnel of the Wayne schools, according to Dr. Don Zeiss, principal. Custodians are charged with getting their buildings in shape for the opening of school while other maintenance crews are formed to perform various other necessary tasks. "A primary goal of the program is to reach a point where maintenance can be performed on a preventative basis rather than from crisis to crisis," said Zeiss.

Gallons of paint have been applied to numerous classrooms and other facilities in all school buildings. The gymnasium floor has been refinished.

In addition, custodians have been performing odd jobs such as washing of windows, repairing of doors and windows, clearing brush, trimming trees, repairing fixtures, moving furniture and equipment, repairing roof leaks, basic remodeling and countless other activities.

"The maintenance staff has made a concentrated effort to see to it that our facilities are as trouble free, functional, and comfortable as possible. It is a fact that a good maintenance program is a team effort with school personnel and students cooperating to preserve school facilities," said Zeiss. "It is also a fact that a good maintenance program costs a great deal less than a program where the cooperative effort is meager," he added.

"Our maintenance staff is second to none. The next time you visit school or attend an event compliment them on their efforts," he encourages.

Maintenance staff for the schools include: Superintendent of Building & Grounds: Dennis Mitchell; High School: Mary Davis & Dennis Mitchell; Middle School: Gail Gray & Gerald Grimm; West Elementary: Brad Gray & Norma Tjett; Carroll Elementary: Dorothy Isom; and Building & Grounds: Lumir Buresh.

# Carroll native retires

Jim Hulbert, Lincoln, who has been an American Legion service officer for 35 years, has retired from the post. A native of Carroll, he is the son of Faye Hurlbert, who still resides in Carroll.

His decision to retire caps a career with the Nebraska Department of Veterans Affairs which began on

March 16, 1959, when he was appointed as the Department assistant service officer. Hurlbert was formally appointed Department service officer by the Department Executive Committee in November 1961.

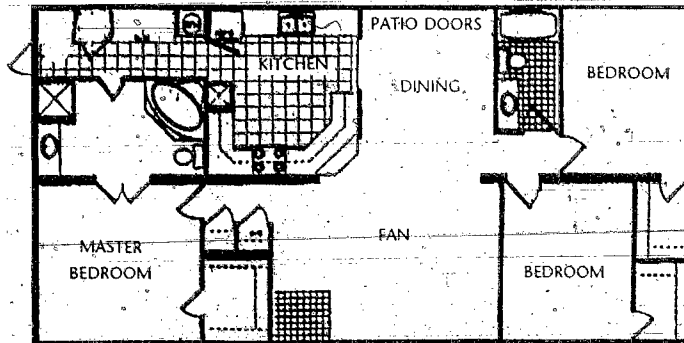

In his tenure as service officer, Hurlbert has served under every Director of the Department of Veterans Affairs that the state of Nebraska has had. His efforts to better serve the veterans of Nebraska have been tireless, and he has attended every Department Convention and Mid-Year Conference since 1959, as well as all but two National conventions which he missed due to surgeries.

In reflecting back to the early years as Department Service Officer, Hurlbert recollected, "We didn't have all the laws on the books that we have now. Many benefits have been added for veterans over the years." Hurlbert also noted that he appreciated having had the opportunity to work with so many county service officers, Legionnaires and Auxiliary members over the years.

Prior to his appointment as Department assistant service officer in 1959, Hurlbert served in the Army during 1953-55. Hurlbert quickly took advantage of his eligibility for the American Legion and he now has 41 years of continuous membership at the Carroll American Legion Post. Between his time in the military and his appointment as assistant service officer, he worked at a feed and seed store in Carroll.

Looking ahead to his retirement, Hurlbert anticipates being able to sit back and relax for a while.

## Laurel spikers defeat Winside

The Laurel Bears volleyball team improved to a perfect 3-0, Thursday night after defeating Winside, 15-12, 9-15, 15-8 in Laurel, Tuesday, the Bears traveled to Bloomfield where they literally man-handled the Lady Bees, 15-3, 15-4.

In the Winside match Gina Monson led the Bears in serving

with a 15-16 outing that included four aces. Katie Newton was 19-19 with one ace and Sarah Ehlers was 9-9 with two aces.

Monson did the setting chores for coach Patti Cunningham and was 63-65 with 24 aces. Tracy Ankeny nailed down eight kill spikes while Becky Schroeder had

five and Newton, three.

Heather Cunningham finished with two blocks while Ehlers had two blocks with one ace. "I thought we played well at times," Cunningham said. "Our passing game wasn't that good and we had some communication errors but we overcame them enough to post the win."

Winside was led in serving by Kristi Oberle with a 12-12 performance and six aces while Mindy Marotz was 12-13 with five aces. Monica Sievers was 8-8 with three aces and Keri McMillian was 5-5 with two aces. Wendy Miller had a perfect 9-9 outing from the service line with one ace.

Stacy Bowers led the setting corp with 12 aces on a perfect 32 of 32 attempts while Emily Deck was 20-22 with five aces. Sarah Painter led the hitters with five kills while Tammy Thies was 8-9 with four kills. Wendy Miller posted three ace spikes and Jodi Miller had two.

Thies was the leader on defense for the Wildcats with eight blocks and five aces. "Three of the five matches we've played this season have gone three games and we're 0-3 in those matches," Winside coach Lisa Schroeder said. "For some reason we just have a total break-down in communication in these three games. We start playing not to lose instead of playing to win."

The loss left Winside with a 1-4 record heading into Tuesday's tournament at Winside with Wakefield, Osmond and Coleridge.

**LAUREL'S MATCH** with Bloomfield didn't last very long as the Bears out-scored the host team in the two games combined, 30-7.

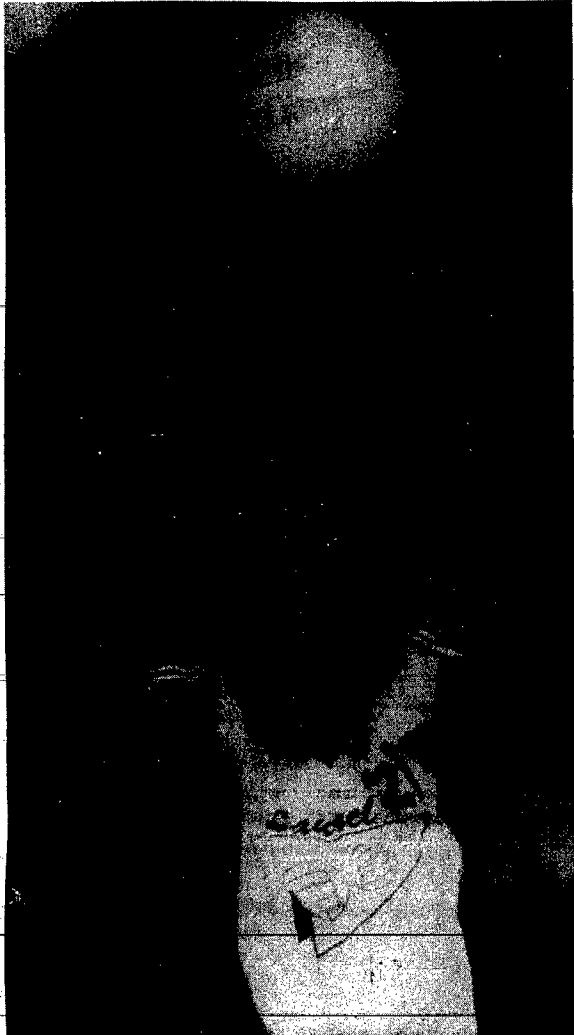

"We were very determined and played good volleyball," Cunningham said. "We really intimidated our opponent."

Tracy Ankeny was 11-11 in serving with three aces while Alissa Krie was 7-9 with four aces. Gina Monson was 34-35 in setting with 14 aces and Ankeny led the hitters with four kills on five of six attempts. Becky Schroeder was 5-7 with three kills and Krie was 5-5 with one kill spike. Ankeny had two ace blocks to lead the defense while Monson had two blocks but no aces.

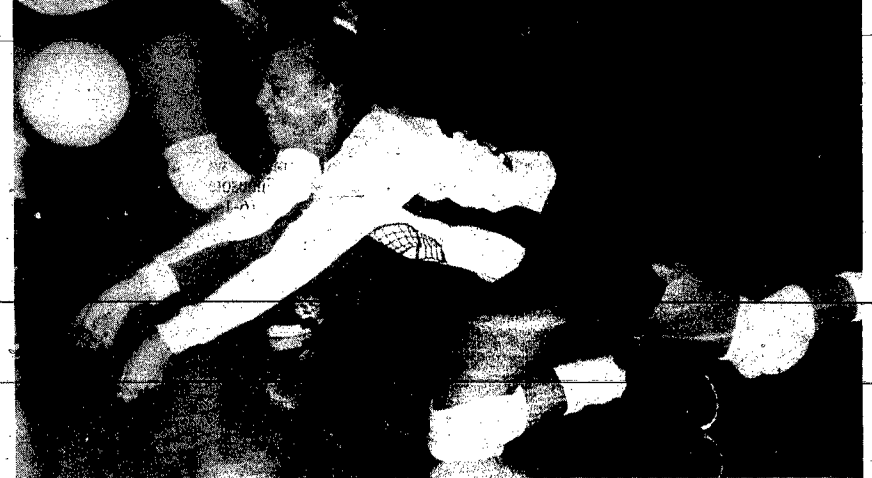

Laurel will remain at home for its next match on Tuesday with Crofton.

**LAUREL SOPHOMORE** Tracy Ankeny concentrates intensely on returning a Winside serve to her setter during the third game of the Bears victory over Winside, Thursday. Laurel will play host Crofton, Tuesday.

**LAUREL'S GINA MONSON** sets the ball for one of her teammates during action in Laurel, Thursday night. The Bears defeated Winside to improve to 3-0.

**WINSIDE'S EMILY DECK** sprawls out to dig a spike from Laurel during the second game of the Wildcats match with the Bears. Winside won the second game but lost the match in three games.

*Blue Devils to play at North Bend Tourney, Saturday*

## Wayne spikers down Schuyler

The ninth ranked Blue Devils volleyball team defeated Schuyler, Tuesday in Schuyler, 15-6, 9-15, 15-4 which improved Wayne's season record to 4-1 heading into this weekend's tournament at North Bend.

Head coach Joyce Hoskins said her squad came out strong early in the first game. "We kind of went flat towards the end of the first game and we played that way

throughout the second game which led to the loss of the game,"

Hoskins said. "Then in the third game we just completely dominated Schuyler. We shut down everything they tried and we really played well together. We didn't have any missed serves in that third game," Hoskins added.

Carrie Fink led Wayne with nine points and two serve aces while Amy Post had eight points and four

aces. Katie Lutt finished with eight points and two aces while Melissa Weber had six points and an ace.

Post served out the final five points of the match in succession with three aces to her credit in that stretch. Fink was a perfect 7-7 in setting with 28 aces while Jenny Thompson led the hitters with 11 kills on 20 of 28 attempts.

Lutt was 21-26 with nine kills and Angie Hudson was 14-17 with seven ace spikes. Post and Anne Wiseman were each 4-4 in hitting with three combined kill spikes. Thompson and Fink each shared

team honors in blocking with three while Lutt had two.

In other volleyball action at Schuyler the Blue Devils "B" team lost in straight games, 6-15, 8-15 with Molly Linster and Melissa Weber leading Wayne with four points each. The "C" team also lost, 13-15, 14-16 and 9-15. Jessica Macke led Wayne with eight points.

Wayne will play North Bend in the first round of Saturday's tournament at 1 p.m. The consolation match is slated for 3 p.m. and the championship is set for 4 p.m.

# Morningside next for WSC

The Wayne State football team will play their first game away from Memorial Field, Saturday in a 1 p.m. contest against Morningside in Sioux City, Iowa.

The 'Cats are coming off a 40-17 win over UNO last week in the season opener while the Chiefs are looking for their first win in '94 after dropping a 16-3 decision at the University of Nebraska, Kearney last Saturday.

The Chiefs gained 375 total yards against the Lopers including 235 on the ground compared to just 273 total yards for UNK.

Fullback Brian Borden led Morningside with 78 yards rushing on 15 carries. Quarterbacks Brian Romero and Brian Keating each completed five passes for a total of 140 yards.

WSC, meanwhile, was led by sophomore quarterback Ray Powers in his first collegiate start. Powers was 21-36 in passing for 345 yards.

Wide receivers Jerry Garrett and Byron Chamberlain combined to catch 19 passes for 318 yards and three touchdowns and the Wildcats rolled up 726 total yards of offense to set a new Wildcat record.

Running backs Lamont Rainey and Jason Williams each rushed for over 100 yards with Rainey gaining 161 on 15 carries while Williams garnered 101 on 18 attempts.

Rainey's 90-yard run for a touchdown in the third quarter of the 'Cats game with UNO broke a 36-year-old Wayne State record, breaking the old mark of 83 yards set by Claire Casper in a game with Concordia College in 1958.

Last week's players of the game as picked by the coaches included Lamont Rainey on offense, Robert McConico on defense and Zach Thoms on special teams.

# Wayne cross country teams host South Sioux and Winside

The Wayne boys and girls cross country teams hosted South Sioux and Winside, Tuesday at the Wayne Country Club.

Rocky Ruhl's boys lost a 14-23 decision to the Cardinals while the girls fell, 15-21. Winside, in its first year of cross country for girls, has just one runner but it's a state champion two-miler in track in Melinda Mohr.

Mohr breezed to the individual championship, Tuesday by 26 seconds over South Sioux's Lisa Bahr. The Winside senior was clocked in 15:23. Wayne's top finisher was freshman Sara Kinney who ran the course in 16:22 for third place honors.

Jessica Ford was sixth in 16:47 and Melodee Lage was seventh in 17:09. Lisa Walton finished the race in ninth place with an 18:38 clocking and Tammy Teach was

14th in 22:11. In boys competition Wayne's Spencer Stednitz was the champion with a 17:24 time—40 seconds ahead of runner-up finisher Jon Feauto of South Sioux.

Matt Meyer placed second for Wayne but sixth overall in 19:28 followed in seventh by Clint Dyer in 19:28 and David Ensz in ninth with a 19:35 clocking. Chris Dyer was 12th with a 20:19 effort while Cory Erxleben, Andy Bayless, Aaron Kardell and Brad Maryott placed 15th through 18th, respectively. Ryan Sturm placed 20th to round out the list of Wayne runners.

Normal number two runner Chris Headley was held out of the meet according to Ruhl because of a slight hamstring pull but is likely to be ready for the Norfolk Catholic Invitational, late Friday afternoon.

# WSC volleyball team wins twice before tourney

The Wayne State volleyball team won a pair of matches on the road, Tuesday and Wednesday leaving head coach Sharon Vanis and her Wildcats squad with a 3-4 record heading into tournament action this weekend at Bemidji, Minnesota.

Tuesday in Sioux City, Iowa the 'Cats swept host Briar Cliff, 15-13, 15-6, 15-11 and Wednesday in O'Neill, WSC broke open a close match with Southwest/State of Minnesota to win in five, 15-7, 10-15, 16-14, 8-15, 15-3.

In the Briar Cliff contest the 'Cats got some quality serving as a team, led by Jenifer Svitek and Lora Grant with 13-13 outings while Laura Pfister was 11-11 with one ace.

Jaime Melton was 98-99 in setting with 36 aces with Grant leading the hitters with a dozen kill spikes on 28 of 29 attempts. Carol Sigdestad was 18-21 with nine ace spikes and Annette Fluckey was 28-29 with eight aces.

Grant was also the defensive leader with 10 digs while Pfister had six. Tammy Gablenz had three blocks to top the 'Cats effort and Svitek had two.

"Briar Cliff has a very scrappy team," Vanis said. "They do a good job of keeping the ball from hitting the floor. We got down in the first game and came back which I was happy to see. In the second game we just dominated with very consistent play."

Wednesday in O'Neill the 'Cats had to claw their way from behind in every game but the final one en-

route to notching the victory. "We trailed 5-0 in the first four games before we came back," Vanis said. "In fact, in the third game we trailed 14-9 before coming back to win, 16-14."

Tammy Gablenz was 22-22 in serving with six aces while Jaime Melton was 20-20 with two aces. Melton was a perfect 112-112 in setting with 46 aces and Lora Grant led the hitting crew with 17 kill spikes on 37 of 41 attempts. Carol Sigdestad finished with 11 kills on 17 of 21 attempts.

Defensively, WSC was led by Melton's 10 digs while Annette Fluckey had eight. Laura Pfister and Grant each had seven digs for the 'Cats.

The Wildcats reserve team won in straight games, 15-7, 15-11.

Jennifer Reed was 10-11 in serving with an ace to lead the winners while Kari Pichler was 73-75 in setting with 25 aces. Amy Gudmundson was 14-18 in hitting with nine kills.

"It's nice to be able to go up to the Minnesota tournament with a couple wins under our belts," Vanis said. "Defensively against Southwest State I thought we played very well. We also did a good job on offense of moving without the ball and we communicated well which made the difference."

The 'Cats will play against Jamestown State of North Dakota at 6 p.m. on Friday and Lake Superior State at 8 p.m., Friday before entering pool play on Saturday.

# Allen volleyball team falls to 1-4

The Allen volleyball team dropped a pair of matches during the week with a setback at Wynot on Tuesday and a loss at home, Thursday to Coleridge.

Deb Plueger was 17-19 in setting with 10 aces while Andrea McGrath was 9-12 with three aces. The hitters were led by Jaime Mitchell with six kills on 12 of 16 attempts while Jill Sullivan was 5-8 with five aces.

"I thought we played pretty well in the first two games," Allen coach Rachelle Borg said. "In the third game we really had a mental let-down." The Allen mentor said her squad got some quality play from the bench as Shanyl Moran and Tammy Jackson stepped in and

did a good job.

Thursday, Allen was defeated, 15-11, 7-15, 7-15 leaving the Eagles with a 1-4 record heading into Tuesday's match at Ponca.

"Coleridge really has a nice team," Borg said. "We played well overall. I think each game we've played this year has seen significant improvement from the girls considering it's a whole new line-up from a year ago."

Deb Plueger led the servers with an 11-11 outing with three aces while Jill Sullivan was 11-12 with two aces and Jaime Mitchell was 11-12 with no aces. Mitchell, however, was the leading scorer with eight points while Deb Plueger and Jill Sullivan had five each.

Andrea McGrath was 23-25 in setting with eight aces and Deb Plueger was 11-12 with five aces. Tanya Plueger was 15-20 in hitting with five kill spikes while Jill Sullivan and Abbey Schroeder each had two kills. Borg again credited Shanyl Moran and Tammy Jackson for their off the bench play.

# Wakefield spikers fall to Northeast

Paul Eaton's Wakefield volleyball team fell to 1-1 after a setback against Lyons-Decatur Northeast, Thursday night at Lyons.

The Trojans took the match to three games but Eaton said his squad just made too many mistakes in their, 10-15, 15-11, 12-15 loss. "I thought we played well at times," Eaton said. "We just had a tough night passing the ball. Our serve receive was definitely our weakest point."

Mary Torczon was the leading server for Wakefield at 14-15 with four aces while Erika Rhoads was 10-12 with three aces. Andrea Lundahl was 10-12 with one ace and Stacey Preston was 9-11 with one ace. Alison Benson was the Trojans top hitter with six kill spikes on 15 of 19 attempts while Torczon was 14-19 with six kills. Alyssa Utecht had the best percentage in hitting with five kills on 10 of 11 attempts.

Amy Hattig and Torczon shared team honors in blocks with two aces each. Wakefield will compete in the Winside Tournament on Tuesday where the Trojans play the host Wildcats in the first match at 5 p.m. Coleridge and Osmond play the second match with the consolation and championship to follow in order.

Incidentally, the Wakefield reserve team won, 12-9, 12-9 and the "C" team won, 11-5, 10-12, 11-6.

# Wayne golf team beaten

The Wayne girls golf team lost a four-stroke decision to Columbus Lakeview in dual action, Tuesday in Columbus. Dave Hix's team improved nine strokes from the first match of the season in Norfolk.

"We still had a couple killer holes," Hix said. "We took an 11 on a par four and a nine on a par five and this we know we can improve on."

Lakeview's Merin Schumacher was medalist with a 45 with Wayne's Kristine Kopperud finishing runner-up with a 46. Other Wayne scores included Molly Melena with a 52 while Krissy Lubberstedt and Tisha Rothfuss had
