Mural painting?

Rural School District 57 third grader Daniel Reinhardt took a break from painting murals, Wednesday to paint his face—his own form of art expression. Sixty rural school kids from districts 57, 51 and 25 took part in a special three-day residency with artist Vincent Hron of Omaha. Hron helped the children make portable murals relating to jazz/blues subjects.

Library foundation gets big boost in fund raising

By Les Mann
Of the Herald

The Wayne Library Foundation has received a major boost toward its fund raising goal for a new library and senior citizen center for Wayne. The Peter Kiewit Foundation today approved a $125,000 challenge grant to assist with the project.

"We are extremely excited," said Pat Gross, chairman of the library foundation. "We are very appreciative of the Kiewit Foundation generosity and the foundation board voted unanimously to accept the challenge grant."

The goal for private funding for the $1.2 million planned facility was set at $565,000 and in a major push earlier this year, the foundation received pledges and funds totalling $331,000. Those funds cannot be counted in the Kiewit Matching fund requirement, but Gross said, the foundation is confident it will be able to raise the additional $145,000 specified in the Kiewit Challenge.

"In reality, for every $1 that is raised within the challenge period, it is actually the same as $1.86 for the library/senior citizen center," said Gross. "That is a very generous return."

The foundation will have until Sept. 30, 1996 to raise the Kiewit Challenge amount.

"This new opportunity simply reinforces the need for continued generosity and offers an occasion for those who were not contacted to step forward and be a part of this major improvement within the community," Gross said.

Funds are coming in on schedule from the pledges received during the first phase of fund raising efforts last spring, he said.

Meanwhile, the one cent sales tax which was approved by voters in Wayne to provide the bulk of the funding for the library and senior center as well as other capital projects in Wayne, goes into effect in just over a week.

Construction on the new library and senior center is not scheduled until after 1996 when sales tax and private pledge funds have been accumulated.

Gross said those interested in more information about the fund raising project or wishing to make contributions, may call him at 375-1130 or write to the Foundation at Box 144, Wayne, NE 68787.

Tax hike to take effect Oct. 1

Businesses in Wayne will begin collecting one percent more in sales tax beginning Oct. 1, reminds Nebraska Tax Commissioner M. Berri Balka. The additional one percent local sales tax was approved by voters in Wayne last May.

Revenue generated from the tax, estimated at $400,000 per year, will fund capital projects in the city including a new library and senior center, storm sewer and auditorium improvements.

Wayne joins 45 other communities in the state who have a one cent sales tax. Eleven others have a 1.5 percent sales tax and one, Odell, has a .5 percent tax.

Balka reminded merchants in other communities who sell items for delivery in Wayne that they also are responsible for collecting the Wayne and the state sales tax. Merchants within the Wayne City limits are not required to charge the local tax on goods delivered outside the city.

Local sales tax receipts are reported to the Department of Revenue along with state sales tax.

Balka reminded all residents that in the event sales tax is not collected by the merchant at the time of purchase, the buyer is responsible for paying the appropriate use tax directly to the Department of Revenue.

Student loan repayment to cost tax payers less this year

By Jim Reese
For the Herald

Federal taxpayers will spend less this year, due to the decline of uncollected student loans. A reported $2 billion dollars will be spent this year for unpaid student loans, down $1.6 billion in the last two years.

Wayne State College had 6.1 percent of its graduates who hadn't began payment on their student loans in 1992, the lowest percentage in the state college system. Peru State College, 12.9 percent unpaid. University of Nebraska at Omaha, 8.1 percent unpaid. University of Nebraska at Kearney, 6.8 percent. Northeast Community College, 6.8 percent, and the University of Nebraska-Lincoln, 5.1 percent.

Out of all private, public, and proprietary colleges in Nebraska, Bahner College of Hairstyling in Grand Island has the highest unpaid loans in the state, 26 percent.

The government has stiffened rules in the last few years making it almost impossible for graduates not to pay off loans. The government is also making it easier to pay off student loans with new programs giving graduates more flexibility and time to pay the money back.

Under the loan program, a student can receive money from a bank and the government pays the interest while they are in school. Six months after graduation the student loan repayment begins.

Joan Zanders, Director of Financial Aid, at Wayne State College, said, "the vast majority of students have no trouble paying the loans back. We stress the importance of paying the loan back to the students before they begin to receive aid."

"The process students go through to receive a loan isn't getting any easier, although loan eligibility is greater," Zanders said.

A lot of problems come from students not getting all the information processed on time. "There is a lot of paper work, and freshmen don't even get their loan money until after the first month of classes," Zanders said.

Pam Hannagan, a 23 year old independent student at Wayne State, along with others had some trouble this year when their student loans were to arrive.

"There was a particular form that had been overlooked when I applied for my loan for this semester," Hannagan said. Pam wasn't notified of error until it was too late.

"I was here all summer, and if I would have known there was a problem I would have been there that day to fix it. I just assumed it was on track like previous semesters. All the paperwork that you have to go through seems a bit redundant to me," Hannagan said.

Ms. Hannagan received her loan on the 21st of this month, three weeks into the semester. She was not able to buy her books until this week.

Brandon Headlee, a 22 year old Wayne State senior, also had problems this semester with his loan.

"The Plus loan I receive had been approved at the beginning of July, and by the time it was processed through the college it was already two weeks into the semester. For the first two weeks of school I didn't have the books for my classes. It makes it a little difficult to do your homework when this happens," Headlee said.

Health care public forum is slated for Thursday

Citizens will have an opportunity to express their concerns and priorities on health care at a public forum at Northeast Community College, 801 E. Benjamin, Norfolk, on Sept. 29 at 7:30 p.m. according to Rod Patent, Extension Educator.

During the forum, there will be a chance to discuss concerns with policy-makers and decision-makers. Topics will include cost of health care, access to and quality of services and the impact of changes on the community, Patent said.

Citizens will be able to interact with state legislators, local officials and health policy experts, said Sam Cordes, director of the Center for Community Revitalization and Development at the University of Nebraska-Lincoln.

"This is an opportunity for citizens to share their ideas, concerns and opinions with policy-makers," Cordes added. One of the goals of the forum is to provide objective information.

Keith Mueller, director of the Center for Rural Health Research at the NU Medical Center in Omaha, said "We want the citizens to be informed so they can make an informed decision and get more involved while the policy is being shaped."

IDS ranks first

IDS Financial Services, the nationwide financial planning company with offices in Wayne, Pender and Hartington, has been ranked the number one "stock picking" company by Forbes magazine.

Forbes, in its 39th annual mutual fund raiting issue of Aug. 29, ranks average performance among the top 10 mutual fund companies nationwide. IDS, in fist place, shows a weighted five-year return of 12.4 percent. That performance ranking puts IDS ahead of several other fund companies, including Fidelity, Putnam and Dreyfus.

IDS, an American Express company, has 36 retail mutual funds and total fund assets of $38 billion. Of those, equity fund assets total $14 billion.

Forbes, in that same issue, also surveyed 21 mutual fund groups to assess their tax services. IDS was named "among the best" for "bending over backwards to reconstruct basis calculations," a method of simplifying the tax filing process for fund shareholders. IDS, which has been offering this service since 1972, has been recognized as the first fund company in the industry to calculate average cost basis on individual mutual fund accounts.

IDS, founded in 1894, offers personal financial planning and the products and services to improvement those plans, including mutual funds, insurance, annuities, savings certificates, limited partnerships and brokerage and lending services. The company has more than $100 billion in assets owned or managed.

Teachers salaries in Wayne up 4.8 percent from 1993 wages

By Les Mann
Of the Herald

Last week's approval of the salary negotiation agreement between the Wayne school teachers union and the school board means that the average full-time school teacher's salary in Wayne is $32,379.

The package negotiated by the teacher's union represents a 4.8 percent increase over last year and follows increases that averaged over 6 percent per year for the previous four years.

The faculty salary increase have not resulted in dramatic property tax increases, however, since funds have been shifted from other sources and the district has experienced property valuation increases, explains Wayne Superintendent Dr. Dennis Jensen.

School supplies have been the main area of reduction in the budget to help fund the salary increases said Jensen.

The Wayne district is required by court law to maintain teacher salaries at a level comparable with other districts with similar numbers of students in the state.

"Our hands are tied," said Jensen, "State law says we have to pay what other districts our size pay." The nine other districts Wayne is compared with nearly all have greater property tax bases, some as much as double the value of Wayne's $160 million, Jensen said.

In Wayne, approximately 78 percent of the total district budget is going to pay salaries, that doesn't leave much for other expenses he said. He added he knows other districts have smaller percentages going to pay salaries because of their larger tax bases.

The Wayne district also received $106,000 less in state aid this year because of property valuation and state formula changes. The salary package negotiated by the teachers represents a $121,000 increase in expenses.

The lowest paid Wayne teacher now receives $19,750, up from $18,750 last year. The top end of the scale shows a $44,961 salary. Teachers are paid more on a scale based on years of experience and additional training.

School administrators also received raises negotiated separately with the school board. Those averaged less than the teacher raises, he said. School staff members generally receive about the same percentage raise that teachers get, said Jensen.

Omaha artist spends time with rural students at WSC

Artist Vincent Hron will present a slide/lecture presentation "Contemporary Influences on a Traditional Artist" as a Sunday Series program Sept. 25 at Wayne State College. The public is invited.

The program will begin at 4 p.m. in Ley Theatre, located on the second floor of Wayne State's Brandenburg Education Building.

Hron will speak about how society impacts his work while still allowing him to work with a traditional genre. He will illustrate his remarks with slides of his "bigger than life" canvases which portray a unique view of our world.

Hron's lecture will be presented following a three-day residency, made possible by a grant from the Nebraska Arts Council. During his residency, Hron will work with school children from Wayne County's rural district schools (57, 51 and 25), helping the children to make portable murals relating to jazz/blues subjects. He will also present drawing workshops and visit WSC art classes.

Hron is currently an instructor of painting and drawing at the University of Nebraska-Omaha, and an instructor of painting, drawing, printmaking and design at Bellevue College. He earned his bachelor's degree from Drake University in Des Moines, Iowa, and his master's degree from the University of Michigan.

He has been a guest artist at Statliche Kunst Academie in Karlsruhe, Germany in 1987-88. He has had several solo exhibitions in Omaha, Kansas City and Council Bluffs, and has participated in many group exhibitions throughout the Midwest.

"Our goal is to achieve interaction between presenting scholars and our collegiate and geographic communities, and to provoke thought regarding the relevancy of issues in these disciplines to our everyday lives," says Dr. Beverly Soll, director of the Center for Cultural Outreach.

The Sunday Series, sponsored by the Center for Cultural Outreach at Wayne State, is a collection of afternoon lectures on historic and contemporary issues in art, music and the humanities. Partial funding for this Sunday Series is provided by the Nebraska Humanities Council, an affiliate of the National Endowment for the Humanities.

Warren Rodgers

Humanities Council program will be presented in Wayne

In the early 19th century, pioneers from the humid regions east of the Mississippi began to move westward tot he level, treeless, semi-arid prairie.

Because the tools and implements with which they were familiar no longer served them in this new environment, all attempts to conquer the prairie failed until they learned to adapt in innovative ways.

The technological advances made by the settlers which helped them conquer the prairie are the subjects of a Nebraska Humanities Resource Center program which will be presented in Wayne Tuesday, Sept. 27 at 7:30 p.m. in the City Auditorium.

Warren Rodgers, a historian with the Stuhr Museum in Grand Island, will deliver the slide presentation and talk titled "Fencing, The Windmill, and the Steel Plow."

There is no admission charge for the presentation, but it will provide an opportunity for the Wayne County Historical Society to sell advance memberships for the 1995 year. The Humanities Council program is sponsored by the Wayne County Historical Society with additional funding provided by the Wayne Regional Arts Council (also known as the Chicken Show Committee).

Redeemer's WELCA holds joint meeting with St. Paul's Sept. 14

St. Paul's and Redeemer WELCA held a joint meeting on Wednesday, Sept. 14 at 2 p.m. at St. Paul's Church. Dorothy Aurich conducted the business meeting of the St. Paul's groups. Phyllis Rahn conducted Redeemer WELCA business. The minutes of the July 13 meeting were read by secretary Marilyn Pierson. Thank yous from three families for serving funeral lunches were read, and also a thank you from the St. Paul's ladies for hosting the guest day activities.

Phyllis announced that the Mary and Dorcas Circles will meet jointly at 9:15 a.m. on Oct. 12. Leaders will be Roberta Carman and Norma Denkinger. Hostesses will be Dorothy Fegley, Leona Hagemann, Ruth Bruns and Shirley Brockman. Martha Circle will meet at Barb Heier's home at 7:30 p.m. Leader will be Lydia Thomsen. Also Dorcas Circle will serve the Campus Ministry meal on Sunday, Oct. 9.

The treasurer's report was read by Frieda Jorgensen in the absence of Viola Meyer. Copies of the report were distributed among the members.

Phyllis reminded the ladies to continue to remember our prayer sisters with telephone calls or in other personal ways.

Rodella Wacker reported for the sewing committee and encouraged all ladies to feel free to join this group on the regular meeting day, the fourth Wednesday of each month.

Erna Karel distributed her written report to the group and encouraged attendance at the gathering of the visitation committee on the third Wednesday of each month. She reported that cards are sent each month to hospitalized members and church bulletins are delivered each week to shut-ins, as well as the personal visits on the meeting day. Memorials have been received to help with the expenses of this committee.

Phyllis reminded the Dorcas Circle that two members are needed to go to the Care Centre to help play bingo on Friday.

It was announced that Roberta Carman is in charge of the program for the October meetings and all ladies are urged to attend.

A special offering was received for the Autumn Renewal event, which will be held at Midland College on Oct. 1. Also a "catch-up" or "ketchup" offering will be taken at the meetings in October. This is for the purpose of helping the Nebraska Synodical WELCA to "catch up" to the budgeted needs. Gather up your loose change for the "ketchup" bottle!

The birthday song was sung for ladies having August and September birthdays. There were 13 ladies from both groups.

The election of officers for the board of the combined WELCA groups in 1995 was the next order of business. Arlene Ostendorf read the names of those nominated and a brief history of each nominee. The nominating committee consisted of Donna Lutt, Janice Barelman, Joye Magnuson, Opal Harder and Arlene Ostendorf. There were no nominations from the floor for any office. Elected were Phyllis Rahn, president; Dorothy Aurich, vice president; Madge Bruflat, secretary; and Viola Meyer, treasurer.

Special guest for the afternoon was Nebraska Synodical WELCA president Becky Mortvedt of Funk, Neb. Her spiritually motivating discussion and activities were especially geared to our situation. We hugged, we laughed, we sang and we hugged some more. She urged us to get rid of the "mental junk" we carry around, and give it to the Lord. She urged us to continue with our work as we have in the past and not to move quickly making changes in our new structure. Writing a new constitution can be done later in 1995, and any changes that we feel are necessary may be made as needed. Again she stressed, "Give the junk to the Lord and fill up the empty space with forgiveness and love."

Approximately 56 ladies and Pastor Mike and Pastor Frank attended. Hostesses were ladies from the Martha Circle, assisted by several ladies of St. Paul's.

The women were reminded to sign up for guest day at Trinity Lutheran, Winside on Oct. 12 at 2 p.m. and St. John's Lutheran in Norfolk on Oct. 4 at 6:30 p.m.

Nominations being sought for Mothers

The Nebraska Mothers Association, an affiliate of American Mothers Inc., is beginning its search for a few good Moms to recognize at their annual celebration of Motherhood in the spring of 1995. Organizations and church associations are encouraged to nominate exemplary Mothers for this honor.

To be eligible, mothers must be 45 years of age or older with natural or adopted children. The youngest child must have reached the age of 15. All nominees who have been chosen by their peers and fulfill the requirements will be honored as "Merit Mothers."

One mother will be chosen from this honored group to represent Nebraska at the national convention of American Mothers Inc. as 1995 Nebraska Mother of the Year. Mothers will be judged on their success as a mother, their involvement in their church and in their community. American Mothers Inc. was organized in 1933 and authorized by Congress to choose the National Mother every year. The contests started in 1935. Since that time, Nebraska has had an unprecedented six mothers honored as National Mother of the Year, most recently, Ruby Washington of Grand Island.

NMA's President, Joan Burney, a past State and National Mother, encourages people to get involved. Burney said, "1994 is the Year of the Family, and what better way to recognize the family than by honoring Mothers. Besides, it's fun for the Mom, her sponsors and her community."

Mothers who are nominated are required to prepare portfolios with information about themselves and their families. Nominations should be in by Nov. 1, but the portfolios themselves are not due until Jan. 15. Nomination blanks issued by AMI, with specific information on qualifications and required material, may be obtained by writing Yvonne Dalluge, 1041 5th St., Pawnee City, Neb. 68420.

Eighteen members present for Grace Evening Circle

Eighteen members and two guests, Jan Hammer and Diane Zach, were present when Bea Kinslow called the Sept. 14 LWML Grace Evening Circle meeting to order. Opening devotions entitled, "Time Out and the LWMLer's Prayer" was led by Jan Casey. Minutes were read and approved and the treasurer's report was given. Correspondence was shared and a thank you from Haven House for the hygiene kits the group donated was read. Twila Wolter's resignation was accepted.

Committee reports were given. Mission reported that kits for the homeless were collected and members may still bring kits to the October meeting. Hospitality reported one baby card and one get well card were sent in addition to the birthday cards sent to the care centre. Approximately 130 cookbooks are left to be sold. Twenty-nine cookbooks were sold at Chicken Day events. There will be a booth at the District Retreat on Sept. 30 and at the Women of Today's craft sale on Nov. 13. A sign-up sheet was circulated to secure workers to man the booth on those two days. It was also reported that greeting card sales were good during the summer and more cards and napkins will be ordered.

District Retreat will be held at Grace on Friday evening, Sept. 30 and at Riley's on Saturday, Oct. 1. The theme is "Easter-Celebrating Our Certainty." Our group has been asked to lead opening and closing devotions Friday evening. Bonnie Sandahl will chair this committee and secure several members to help her.

Fall Rally will be held at St. Paul's in Winside on Oct. 18.

Plans were made for LWML Sunday, Oct. 8. Flora Bergt offered to provide mums for the altar. The big LWML mite boxes will be placed at each entrance. Bea Kinslow, Carol Rethwisch, Bonnie Sandahl and Valores Mordhorst will be stationed at these boxes following both services. The donations collected will be sent in the names of both Afternoon Aid and Evening Circle. We will split the cost with Afternoon Aid for the special LWML bulletin covers. If the Afternoon Aid is singing during a church service we will join them in this special choir.

A belated graduation gift will be sent to Lee Weander.

The meeting was adjourned.

The program was presented by Carol Rethwisch and Mardella Olson. Hostesses were Twila Wolters and Orvella Blomenkamp. They were assisted by Bea Kinslow and Fauneil Bennett.

The 'Cats were not over successful in attacking the ball with 26 team kill spikes on 80 of 96 attempts. The kill percentage which is similar to a batting average in baseball was .104.

Morningside, meanwhile, was 67-73 with 38 kills and a .438 kill percentage. Tammy Gablenz led WSC in hitting with seven kills on 14 of 16 attempts while Lora Grant was 28-31 with five aces.

WSC to play in Minnesota

Wayne State bounced back from a disappointing loss to Morningside with a convincing 57-14 thrashing of Northern State of Aberdeen, South Dakota, last Saturday at Memorial Field in Wayne.

The 'Cats rolled up over 500 yards of offense while limiting the Wolves to just 187 yards including a minus 14 yards rushing based on eight quarterback sacks.

Offensively, senior running back Jason Williams carried the ball for 117 yards on 18 attempts and one touchdown. He also caught two passes, one of which went for an 11-yard score.

Sophomore quarterback Ray Powers was 11-20 with two touchdowns before leaving the game with an ankle injury in the second quarter. Redshirt freshman Jared Hendershot came off the bench to pass for 152 yards and two touchdowns on 12 of 18 passing.

Senior receiver Jerry Garrett led the 'Cats with seven receptions for 75 yards and a pair of touchdowns. Junior Lamart Cooper had a big game for WSC as he tallied 301 all-purpose yards while scoring three touchdowns.

Wayne State's defense was superior in performance with eight sacks, three interceptions and six pass deflections. Junior linebacker Jeff Lutt recorded three-and-a-half sacks while senior safety Sean Francisco had two interceptions. Dion Johnson led the defense with seven total tackles and a sack.

"We had a great defensive game play, played hard and confused their quarterback," WSC coach Dennis Wagner said. "The offense executed well and played with intensity. I was happy with the way we responded after our performance at Morningside. That showed me a lot about our team," Wagner added.

JASON WILLIAMS was named offensive player of the week last Saturday.

LAMART COOPER was named special teams player of the week.

Wagner said Lamart Cooper seems to get better every week. "We are fortunate to have him," Wagner said. "He gives us the ability to strike quickly. He is an outstanding talent who we need to have perform on a consistent basis."

The Wayne State coach said this week's opponent, Winona State was picked to win their league so it should be a very good game. "They have gotten off to a slow start but I am sure they are looking forward to us coming to town," Wagner said.

"They won their first game last week so they will be looking to continue that success."

Winona defeated Wisconsin-Eau Claire by a 24-12 margin last weekend. As a team, the Warriors are averaging 298 yards per outing but giving up 418 yards per contest. The opponent's are averaging nearly 240 yards a game through the air and another 175 on the ground.

Senior running back Dave Ludy is the main performer for Winona State. He is the team's leading rusher at nearly 101 yards per game. He also leads the team in receptions with six for 67. Senior quarterback Colby Vogt has passed for 433 yards and one touchdown on 38 of 81 attempts this season with three interceptions.

WSC's Jared Hendershot will likely get the starting nod at quarterback while regular starter Ray Powers nurses an ankle injury. After three games the Wildcats are averaging 514 yards of offense per game with 284 through the air and 230 on the ground. Game time is slated for 1:30 p.m. and will be carried by KTCH Radio of Wayne.

Last week's players of the week as selected by the Wayne State coaching staff included Jason Williams on offense, Lamart Cooper on special teams and the entire defensive unit.

"We came out and played strong right away," Hoskins said. "We got up 6-0 then suffered a little bit of a let-down. In the second game we started off rather slow but really came on strong towards the end."

The Blue Devils will play in the annual traveling round-robin, four-team tournament with Madison, Wisner and Pierce, Saturday in Pierce. Wayne will play Wisner at 10:30 a.m., Madison at 11:45 a.m. and Pierce at 3 p.m.

Winside splits road matches

The Winside volleyball team split a pair of matches this week on the road. Tuesday, Lisa Schroeder's squad upset highly tauted Wausa, 6-15, 15-4, 15-10 but Thursday the Wildcats fell to Newcastle, 8-15, 12-15 leaving Winside with a 3-6 record on the season.

In Wausa, Winside was led in serving by Kristi Oberle as she netted six aces on 18 of 20 attempts. Wendy Miller was 11-12 with seven aces and led the team in scoring with 11 points while Oberle netted seven.

Emily Deck was 31-32 in setting with nine aces and Stacy Bowers was 26-26 with seven aces. The leading hitter was Wendy Miller, 15-20 with 10 kill spikes while Jodi Miller was 9-12 with five kills. Tammy Thies also notched five kill spikes while Sarah Painter was 8-11 with three aces.

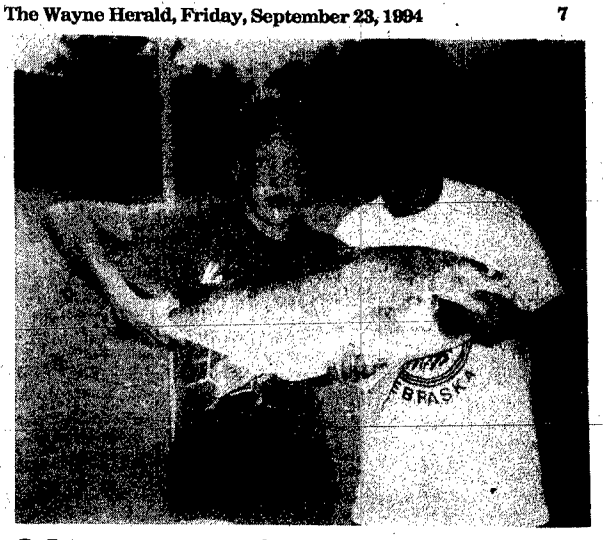
"Our serving game was our strength against Wausa," Schroeder said. "We had 20 aces in the match. Our coverage was excellent and we hustled the whole night. It was a complete team effort because everyone played well and communicated like they were supposed too."

Thursday, it was just the opposite for the Jekyll and Hyde Wildcats as they missed 11 serves against Newcastle in the short two-game match. "It wasn't so much that we missed the serves but they were all at such crucial times," Schroeder said. "We also didn't play with a lot of intensity and if our team plans on being successful we have to have 100 percent intensity the whole match."

Wendy Miller was 8-9 in serving with three aces and Kristi Oberle was 6-6 with one ace. Stacy Bowers was 32-35 in setting with five aces and Emily Deck was 21-22 with five aces.

In the hitting department it was the Miller sisters sharing team honors with five kill spikes each. Wendy was 11-14 and Jodi was 8-11. Tammy Thies was 5-7 with four kills and Ann Brugger was 6-7 with three aces.

"Newcastle really did a good job of blocking us at the net," Schroeder said. "They showed more hustle then we did." Winside will play at Coleridge on Thursday.



Master anglers

Jon Pickinpaugh and Ryan Guill were fishing on Sept. 3 from Dave Guill's dock on the Missouri River when Jon caught a 28 inch drum, weighing 10 3/4 pounds. The catch qualifies him for a Nebraska Master Angler award.

The Library Card

This column is written occasionally to inform the Wayne area as to what types of reading material and other items are available at the Wayne Public Library.

Seasons change with the passage of time - familiar faces leave and new faces replace them - old books are supplanted with new ones.

You may have noticed new faces recently behind the desk in the library. We said "good-bye" to Molly Melena, Angie Hansen and Rita McLean recently. And now we say "hello" to Sarah Blaser and Sarah Moje. That brings our library aides to three Sarahs — Sara Granberg, Sarah Blaser and Sarah Moje. We always have a Sarah on hand to assist you!

Continuing a discussion about the services the library offers, we start with **New Books.** The library orders books about once a month. When we receive the books and they are processed, we place them on the New Book shelf where they replace the 'older' books on display. (If you have missed a book while it was on the new book shelf, look in the stacks!)

Large Print Books may be found on the north wall of the main reading room. We are indebted to the Eagles Auxiliary for a donation specifically marked for Large Print Books. We also subscribe to a service which sends us LP books throughout the year. Popular fiction, westerns, mysteries, humor, non-fiction and biography are so labeled.

Our adult **Books On Tape** are great 'time-passers' when you are on the road. We have popular and classic fiction as well as self-improvement tapes. Look for them on the east wall behind the magazine racks.

We also mentioned **Art Prints.** These are displayed above the shelves in the main reading room. The pictures can be checked out for a two month period. A great way to fill that blank spot on the wall or liven up your office. Art prints are not renewable.

Video Tapes are probably next in popularity to the new books in the library. The children's videos range in interest from Walt Disney tapes to cartoon characters, fairy tales and adapted stories. Adult videos include home and garden improvement, crafts, sports, travel, nature and popular PBS series. We also have a complete selection of Wayne Community Theatre tapes. We ask that you do not drop the tapes in the book return, please. The heat and/or humidity might affect the quality of the tape. Also, please rewind the tapes before you return them. Videos are limited to two tapes to a family and are checked out for three days only. Overdue tapes are fine at 25¢ per day.

Newspapers and Magazines are also available for our patrons. We subscribe to six papers: The Wayne Herald, The Norfolk Daily News, The Lincoln/Star Journal, The Omaha World-Herald, The Sioux City Journal and The Wall Street Journal. We do not subscribe to any Sunday issues. We also get the Wayne Stater. Copies of Linn's Stamp News and The Elderhostel International Catalog are also on the rack.

With the 88 Magazines subscribed to, we fill the magazine stand with the latest issues. Older issues are found on the shelves nearby. Back issues are kept in the back room. Lack of shelf space prohibits us from storing more than five years of magazines listed in the Reader's Guide to Periodical Literature. Any magazines not listed in RG are kept for one year only. Reader's Guides are available for reference. The Wayne Herald is available on microfilm dating back to the 1890s. Come in and browse through Wayne's history on our (almost) new reader-printer!

If you still can't find the item you want on the shelf, please ask at the desk. We can send an inter-library request (electronically) to other libraries in Nebraska to borrow the item for you. The charge is $1.50 per item and the wait is just mail time from the loaning library.

Your reference needs or curiosity about a subject may also be satisfied using the CD-ROM station. Try out the two encyclopedias — Comptons, Groliers (Toolworks) and Time Almanac 1993, Animals, Mammals, the Family Doctor, World Atlas and Bookshelf (includes thesaurus, atlas, almanac and quotations references). The library is also connected to Nebraska Online and the Internet. Ask at the desk for assistance.

Perhaps we should talk about the children's library in some later column. Briefly, children's books come in all reading and interest levels. We have picture books, jig-saw puzzles and children's magazines. Our young adult section is upstairs.

Fall hours are now in effect. Monday through Friday, 12:30 to 8:30 p.m.; Saturday, 10 a.m. to 6 p.m.; Sunday, 2 to 5 p.m. If we haven't answered all your questions, come in and ask us face to face! We are here to serve you.

VFW to sponsor essay

"Students win more than awards and scholarship when they participate in the VFW Voice of Democracy Scholarship Program," said chairman Eddie Baier of Wayne VFW Post 5291 in discussing the audio essay program conducted annually by the Veterans of Foreign Wars and its Ladies Auxiliary.

Some of the fringe benefits, according to Baier are increased self-confidence and poise, experience in communicating with others and valuable training in self-expression. For the state winners, there is also the broadening experience of a five-day tour of Washington, D.C. and the opportunity to make lasting friendships with the other state winners.

In the 47 years that the VFW and its Ladies Auxiliary have been involved with the Voice of Democracy Program, more than 6,000,000 high school students have participated. Participants write and then record a three-to-five minute audio essay expressing their views on "My Vision for America." From among the state winners, National winners are chosen to receive a total of over $100,000 in scholarships with a $20,000 first place award.

"One of the greatest benefits to young people who take part in the program is that by thinking, writing and speaking up for their country, they gain a better appreciation of their obligation and freedom in America," Baier said.

Area students interested in participating in this program are asked to contact Mr. or Mrs. Eddie Baier at 375-1662.

LEGION AUXILIARY

Roy Reed Unit No. 252, American Legion Auxiliary, Winside, met on Sept. 12 with one Junior and 13 senior members in attendance. The membership recited the "Pledge of Allegiance, " the Preamble to the Auxiliary Constitution, and sang the first verse of the "Star-Spangled Banner". Chaplain Ester Carlson led in prayer.

The Unit ordered the 1,500 memorial poppies for use throughout the year and for the creation of wreaths to decorate the graves of veterans at eight area cemeteries in Wayne County on Memorial Day. The poppies will also be distributed on the Unit's Poppy Day held each year in May. The money collected on Poppy Day is used to fund Veteran related aid or projects locally and statewide. The memorial poppy purchased by the Unit is handmade by veterans residing at the Norfolk Veterans Home.

Unit President Beverly Neel extended her appreciation to the membership and especially membership chairman Gertrude Heins for having met the unit goal of 54 members. The Unit also has another permanent member with Marcella Schellenberg having paid her life membership. By purchasing a life membership members no longer need to be concerned about meeting deadlines, nor be concerned if they have paid or not. The Unit now has 11 paid-in-full members.

The Region 6 National Leadership Workshop will be held at Sioux Falls, S.D. Sept. 30 to Oct. 2. The main workshop programs will be presented on Saturday, Oct. 1. The $10 fee covers all expenses including registration, lunch, program materials and a leadership pin. This is a very informative and down-to-earth workshop format where attendees become active participants in the agenda. A good program to work into one's schedule to learn firsthand the direction of the many Auxiliary and Legion platform issues and programs.

Members received copies of a chart to use to record their monthly volunteer work and expenses related to veteran, community or area projects The data will be compiled into the Unit's annual report in May.

Member of Unit 252 will be hosts to the annual Halloween Children's costume party on Monday Oct. 31. All able members are urged to attend the Oct. 10 meeting in order to format the party activities and to receive their assignments. Any members wishing to co-chair this project should contact Beverly Neel before the October meeting.

Members on the sick call roster include Joan Jensen with a broken ankle and Doris Marotz with a knee replacement. We wish both members a good recovery. Hostesses were Marcella Schellenberg, Eva Thies, Mary Ann Soden and Goldie Selders.

The next meeting will be Oct. 10th at 7:30 p.m. Hostesses will be Gertrude Heins, Arlene Weible, Audrey Quinn and Kathy Wacker. Special guests at this meeting were Melinda Mohr and her mother, Susan. Melinda was the Units representative at the 1994 session of Cornhusker Girls State held on the campus of the University of Nebraska, Lincoln. Melinda gave a very energetic and informative report of her week's activities. Her week entailed the study of government, parliamentary procedures and more. Melinda ran for election as a Senator and was successful. She participated in a mock debate in the Senate Chambers where participants held floor debates and made bills and attempted to get them passed. Melinda represented the Unit and community very well as she received the highest score on the government test given to the 425 Girls State Citizens. She was a member of the National Party and a resident of the City of Johnson. Her senior counselor was Mary Johnson. The girls of the City of Johnson chose the "Bandaid" as their town mascot as their town and counselor were both Johnson. Melinda expressed her sincere appreciation to the Unit for allowing her the opportunity to become a Girls State Citizen. Upon graduation from Winside High School, Melinda will receive a $100 Scholarship from the local Auxiliary Unit. We can all be proud of the youth sent to represent us at Girls State. They have all proven we made wise choices year after year. Young ladies eligible to be selected are those who are members of the Junior Class at Winside High School. Interviews and selection are held each February.

SCHOLARSHIP FOUNDATION

Members of the Winside Scholarship Foundation held their annual meeting on Sept. 19 in the Winside Legion Hall. Ken Kollath, chairman, called the meeting to order. Secretary Dianne Jaeger gave the minutes from the March meeting and Helen Hancock, Chairman elect, gave the treasurers report.

Applications are available through the Winside High School Guidance Counselors office. $200 was available for this year, however, no one applied for it. A motion was made and carried to award this $200 as well as other funds available for the 1995 applicants. Anyone interested must file an application prior to May 1, 1995 and funds will be awards for enrollment in the fall 1995 classes.

Committee reports were given. Publicity Committee reported $182 was made from selling pizza's during old settlers. These funds are used for printing and postage so all funds donated to the Scholarship Foundation can be applied to the principal, therefore, allowing more scholarships to be awarded. The Foundation presently has approximately $25,000 accumulating interest. New brochures were printed in May and handed out at graduation, Alumni Banquet. Old Settlers, and mailed out to life time members prior to this annual meeting. They will again be handed out at the elementary and high school Christmas concerts.

Lorraine Prince gave the Scholarship Selection Committee report. Four scholarships of $200 each were available to the 1994 graduating class, however, only three students applied. SCHOOL BOARD

The Wakefield Community School Board met Sept. 12. Visitors at the board meeting were: Marcia Kratke, Barb Preston, A.J. Johnson, Shelly Anderson, LaVon Anderson, Alice Johnson, Lori Utecht, Andy Muller and Mike McQuistan.

Barb Preston, as band booster president, addressed the board regarding various means of support the band boosters could offer the music program.

Mr. Hartman reported that total student members were up slightly from the fall. He also gave a report on building maintenance and the Western Roofing of Norfolk would still be doing some minor roof repair yet this fall. Mr. Hartman stated that two board members and the two administrators would be attending the fall Nebraska Association of Schoolboards's meeting in Norfolk on Sept. 14.

Mrs. Surface reported on the current and past history of ACT scores as how Wakefield students compare to state and national averages. She also reported on future inservice meetings for both teachers and administrators. The English as a second language program was discussed and Mrs. Surface stated that the administrators were working with state department of education personnel as to setting up such a program.

Jim Stout, chairperson of the labor relation committee, reported that the teacher's association had accepted the board committee's last offer, which includes an 18,350 base and an over increase of 5.2%. Later in the meeting the board ratified the contract. Stout also reported on a recent building and grounds committee meeting and reviewed some for the future needs as prioritized by the larger lay committee. The schoolboard building and grounds committee recommended that several engineering firms be contracted and that they submit bids for a comprehensive study.

Hartman and Salmon reported on recent technology happenings and that T.A.P and Technology committee would co-host an open house for the public on Tuesday evening, Sept. 27 at 7 p.m.

The board authorized Mr. Hartman to advertise 10 used electric typewriters and an old piano for sale.

The board waived the option enrollment deadline date to allow Ashley Anderson, daughter of Steve and Cheryl Greve to attend school in Wakefield and Christopher Bearretine, son of Lynn Grayem, to continue attending school in Wakefield.

The board discussed the custodial position vacancy at the elementary school and reacted favorably to the Nebraska Theatre Caravan's presentation in the school gym on Oct. 9 and 10.

As the last item of business the board felt that it would not be a good idea to add the Waldbaum Day Care Center as a pick up point on the bus route.

Loans available on corn

Price support loans and loan deficiency payments (LPD's) (if applicable) are available on 1994 corn from the Wayne County office of the Agricultural Stabilization and Conservation Service.

"Producers who have suitable storage on their farms or the use of an approved warehouse are eligible to obtain a price support loan on their 1994 corn crop," ASCS official Teresa Post said. The loan rate of Wayne county's corn is $1.80 per bushel. The rate reflects relative county market prices.

"A price support loan provides immediate cash for farmers and allows them sufficient time to make important marketing decisions, or to hold the grain for feeding later," Mrs. Post said.

Under the price support loan program, the Commodity Credit Corporation (CCC) makes loans to eligible farmers, using the eligible commodities as collateral for loans. Although the program does not guarantee participating farmers a profit, it does guarantee a minimum price.

Farmers interested in obtaining corn loans should contact their local ASCS office.
