

## Demo numbers climbing; young voters register

By Clara Osten  
For the Herald

"We have had a very steady stream of people in our office registering to vote," said Wayne County Clerk Deb Finn.

Potential voters have until Friday to register in the Nov. 8 election. Any voter who has changed his or her name or address since they last registered to vote needs to change their registration prior to the deadline.

Registration will be conducted in the County Clerk's office from 8:30 a.m. to 5 p.m. through Thursday and from 8:30 a.m. to 6 p.m. on Friday.

Voters outside of Wayne can register at the following locations during normal business hours until Thursday: Carroll-Farmer's State Bank; Hoskins-Village Clerk's Office; Wakefield-Village Clerk's Office and Winside-Winside State Bank.

Anyone who will be 18 years of age on or before Nov. 8 is eligible to vote.

have not changed a great deal in the past four years, we have seen an increase in the number of those registering as Democrats. This is due, in part, to a very active Young Democrats program at Wayne State College," said Finn.

A number of those who have been registering to vote are people who switched party affiliation during the primary election in May. "A high percentage of those who changed parties for the primary, switched back within a month of the primary," said Finn.

Those people who will not be able to get out to vote on Nov. 8 are encouraged to obtain an absentee ballot as soon as possible. These ballots can be voted on at the courthouse until 5 p.m. on Monday, Nov. 7. Absentee ballots can be mailed until 4 p.m. on Friday, Nov. 4. These ballots must be returned by an agent by 8 p.m. on election day or returned by mail by 10 a.m. on Nov. 10.

"Demand for absentee ballots has been greater than expected but is in

## Tooth fairy extracts respect

Dr. Larry Magnuson of Wayne was dressed up as a tooth and got a tweak from the tooth fairy's wand wielded by his daughter, Erin Magnuson during the annual Girl Scouts father/daughter pizza party during Halloween week. The Magnusons were among the prize winners in the costume contest. The event was attended by over 100 and was held at West Elementary School.

## Water worries unfounded here

By Les Mann  
Of the Herald

Permissive standards and lax monitoring have allowed dangerously high levels of the most widely used weedkillers in the tap water of millions of Americans, a national environmental group contended last week.

But the report was seen to have little impact on most Northeast Nebraska residents who rely predominantly on groundwater rather than surface water for domestic use.

Wayne City water meets all fed-

eral and state health guidelines, reports City Administrator Joe Salutros. The Environmental Working Group said its analysis of data on Midwestern water supplies found that more than 3.5 million people were exposed to atrazine, metolachlor and alachlor, the most used weedkillers on corn; and two other chemicals.

**BUT THE GROUP** made its own determination of what constitutes safe, arguing that federal standards lag behind. The group used the most conservative possible

benchmark of cancer risk in arguing that some supplies were dangerously contaminated.

"The drinking water in every Midwestern city south of Chicago is contaminated with agricultural weedkillers," said Richard Wiles, lead author of the study. "Throughout the late spring and summer months millions of Americans routinely drink water with unsafe levels of these herbicides."

Late spring and summer is, of course, the growing season, when the chemicals are used.

Some water systems routinely

monitor rivers and reservoirs for those chemicals, and some use advanced carbon filtering techniques to lower the residue levels.

An estimated 14.1 million people in the Midwest, Louisiana and the Chesapeake Bay area get some of the pesticides in their drinking water from rivers and reservoirs, the group said.

But the report said the dangerous levels were in water supplied to 98 small communities and 23 larger cities, including Springfield, Ill.

## Suspect nabbed in rural school theft

By Kevin Peterson  
Of the Herald

Wayne County School, District 25 was broken into sometime between Friday night and Monday morning according to District 25 board member Dale Hansen and Monday night, a 16-year-old Wayne

boy was taken into custody by deputy sheriff Keli Forney for the incident.

The break-in was discovered on Monday morning when teachers arrived to prepare for the school day. "Entry was gained by breaking a basement window behind the school house," Hansen said.

Once inside, the perpetrator had free run of the building which included stealing some money that was being collected by school kids for a baby gift for one of the teachers. "He stole the cash but left the coins that were collected," Hansen said. "He went on to put soap in the fish tank, spray paint the walls, splash white-out on the walls, break a trophy and get into the milk supply."

Hansen said the culprit also poured liquid soap all over the basement floor and had taken some computer screens off. "The Wayne County Sheriff's office sent a deputy and all three school board

members arrived at the school and remained on the scene until around 11 a.m.," Hansen said.

Glendon Meyer and Leon Svoboda are the other school board members along with Hansen. "I had to leave around 11 a.m. as did the other board members because we had to get back to the fields," Hansen said. "I went home and then started out on the highway towards my father's farm when I noticed a boy riding his bike on the highway."

Knowing that Monday morning was very chilly, Hansen decided to

## Accused bound over

Brian Anderson, the 22 year old Concord man arrested on charges of kidnapping 19 year old Laura Kucera appeared in Dixon County Court Tuesday morning.

In a preliminary hearing before Judge Paul Robinson, Dixon County Attorney Leland Miner presented evidence regarding the charges against Anderson.

Judge Robinson ruled that there was substantial evidence presented and then bound Anderson over to District Court on charges of kidnapping; false imprisonment; use of a firearm to commit a felony and operating a motor vehicle to avoid arrest.

The tentative date for arraignment in District Court is Nov. 21. Anderson continues to be held in Dixon County jail.

The charges Anderson faces stem from an Oct. 1 incident in which Anderson allegedly kidnapped Kucera from a friend's home in Wakefield and then shot her several times in the head and back and then left her for dead in remote, isolated area near Macy.

"Kucera continues to recover in a Sioux City, Iowa hospital and is progressing but still has a long way to go. Her mother said today that she is able to speak a little," said Dixon County Sheriff Dean Chase.

## 'Forest' invites out

The WSC Interior Design Club and the Wayne Area Chamber of Commerce are inviting businesses and organizations to participate in the 10th annual Fantasy Forest in Wayne. The dates scheduled are Dec. 1 and 2 at the National Guard Armory. The businesses and organizations will be decorating individual trees for the community display.

For the first time a Christmas parade will be organized and held in

conjunction with Fantasy Forest. Thursday evening Santa will arrive, there will be caroling and lighting of the trees. The Chamber coffee will be held at the Armory Dec. 2. There are plans for a soup supper and pictures with Santa as well as Christmas music by various groups.

If you have any questions concerning Fantasy Forest '94 contact Sandra Metz at 375-7288 or the Chamber office at 375-2240.

## First frost day

Rebecca Garabato gets in some window scraping experience Tuesday morning in Wayne. Officially registering at 29 degrees, the low Tuesday morning brought a belated end to the growing season which normally ends with a frost by the 9th of Oct.

### Organizations to host Halloween party

WAYNE — The WSC Circle K and Kiwanis organizations will be holding the annual Halloween party at the city auditorium in Wayne on Monday, Oct. 31 from 5:30 to 6:30 p.m. Bring your children, ages 4 to fourth grade, for pre-trick or treating games, safe fun and a costume judging contest.

### Sales in progress

WAYNE — Wayne Kiwanis Club's annual hot chocolate sales are now in progress. The door-to-door campaign raises funds for 14 community youth projects, including the Hugh O'Brian high school leadership scholarship, 4-H scholarships, BUG program for students in grade and middle school who bring up grades, Terrific Kids reward system for grade and middle school students and more.

Cost of the hot chocolate is \$3 for a box of 10 packets or \$5 for two boxes of 20 packets.

### Fun day

WAYNE — A Halloween fun day will be held Sunday, Oct. 30 from 2 to 4 p.m. at the National Guard Armory in Wayne.

Sponsored by the St. Mary's Parish, the event is open to the public and will feature games, treats and walk. A silent auction with many gift items will be held in conjunction with the fun activities for kids. There is no admission charge, but games will require purchase of 25 cent tickets to participate.

### Civil defense system to be tested

WAYNE — The City of Wayne will conduct the monthly testing of the Civil Defense Outdoor Warning System at 11:45 a.m. on Friday, Oct. 28.

Each siren location will be tested separately, with a short oral message given to test the effectiveness of the public address system.

Immediately following the testing of the outdoor warning system, the city will test the Cablevision Emergency Alert System. This will mean disruption of both the audio and the video programming of every television set on the cablevision system that is in use. This test will last approximately 15 seconds, according to Vern Fairchild, Wayne County assistant civil defense director.

### Blood Bank in need of platelets

AREA — Siouxland Blood Bank has had several area patients in need of multiple platelet transfusions over the past week. Platelets are one of the components of our blood that help with clotting. A platelet pack has a shelf-life of only five days.

When people donate blood, the blood bank separates it into three different components: red cells, platelets and plasma. This separation allows one pint of blood to benefit three different patients.

With the increased demand for platelets, the bank is asking for public support to help meet area patient needs.

Siouxland Blood Bank will be accepting donations Thursday, Oct. 27 at Providence Medical Center from 9 a.m. to 3 p.m. Donors must be at least 17 years of age, in good health and not have donated in the past 56 days.

#### LEGION AUXILIARY

Roy Reed Unit 252, American Legion Auxiliary, Winside, met on Oct. 10 with one Junior and 11 Senior members answering roll call. The "Pledge of Allegiance" was recited, one verse of the "Star Spangled Banner" was sung, and the Preamble to the Auxiliary Constitution was recited.

Marian Iversen was welcomed as their newest member. Membership is now at 55 with room for more. All female family members of a Veteran, who is a Legionnaire, or any serviceman/woman currently in the armed forces is eligible for membership. Membership eligibility is based on the dates of World War I and II, Korea, Vietnam, Panama, Grenada, Persian Gulf and Haiti. Contact a local member of Unit 252 for details. Meetings are held the second Monday of each month at the Winside Legion Post.

Secretary and treasurer reports were read and made a matter of record. The unit made financial contributions to the Gifts for Yanks program which provides Christmas gifts for all residents at the Nebraska Veterans Homes and any hospitalized Veteran in the VA Medical Center in Nebraska. Additionally, donations were earmarked for the Special Olympics of Nebraska and the Gift Shop Assignment projects for the VA Medical Centers in Nebraska. The Gift Shop funds are used to provide holiday gifts for hospitalized veterans to give to their family members and also provide funding for programs at the four Nebraska Veterans Home in lieu of the fact the Homes do not have a gift shop program.

Unit members on our get well roster include Evelyn Jaeger, recovering from knee surgery and Arlene Pfeiffer who is hospitalized in Wayne. Members Joan Jensen and Doris Marotz returned to the unit still recovering from a broken ankle

and knee surgery, respectively.

The Unit has taken on a new adventure this year with hosting the annual children's Halloween costume party on Monday, Oct. 31. Any youngsters from preschool through sixth grade may attend and join in the activities. Prizes will be awarded in separate grade groups and treats will be provided. We have surprise judges scheduled to attend. Additionally each child bringing in his/her carved or painted jack-o-lantern will receive a special treat. The work must be that of the child. Cash prizes will be awarded in the costume and jack-o-lantern contests.

Hostesses for the evening were Gertrude Heins and Mary Weible for Audrey Quinn.

The Wayne County Legion and Auxiliary convention will be held on Friday, Oct. 28 at the Wayne Vet's Club. All Legionnaires and Auxiliary members are encouraged to attend. The social hour will begin at 6 p.m. with the fish and chicken buffet at 6:30 p.m. Contact unit president Beverly Neel by Oct. 20 if you plan to attend.

The Auxiliary will participate once again in the Veterans Day program held at the Winside Public School.

The next meeting will be Nov. 14 at 7:30 p.m. Hostesses will be Dorothy Wert, Bernice Witt, Helen Witt and Charlotte Wylie.

Crystal Jaeger celebrated her 11th birthday on Oct. 13. On Oct. 14, she had a slumber party for five of her friends. They ate at Pizza Hut prior to an evening of movies and games. On Oct. 15, a party was held at the Winside Legion Hall for family and friends in honor of her birthday, her grandmother Elta Jaeger's 85th birthday, her uncle Bob Vahle's, cousin Tyler Jaeger's first birthday and an early 50th celebration for her father, Ernie Jaeger. Several decorated cakes were made by Joni Jaeger of Winside. Family members attended from Norfolk,

Winside, Pender, Pierce, Omaha and Wayne. Crystal is the daughter of Ernie and Dianne Jaeger, Winside.

## Water

(continued from page 1A)

Indianapolis; Columbus, Ohio; Kansas City, and Omaha.

The federal Environmental Protection Agency said the report should be viewed with concern but not alarm.

Drinking water quality is constantly monitored in Wayne, with test results submitted regularly to the State Department of Health, said Salitros. Rural residents are encouraged to regularly have water tested for contaminants as well. Test kits may be obtained through the local extension offices.

**SALITROS SAID THERE** has been little concern expressed in Wayne over the latest water warning. He recalled that last year water tests indicated higher than acceptable levels of copper in the city water supply. Though not the health threat of lead or other heavy metals, the copper content tests caused the State Health Department to order additional tests. Wayne was one of several communities in the state with high copper test results.

Salitros said subsequent tests have indicated that the surprisingly high copper content has come from homes with water softeners and the state seeking more tests both in Wayne and other communities to determine if the softened water gives false copper level readings.

He said the prospects of the city being required to establish expensive special treatment facilities to deal with the copper problem appear to be reduced somewhat, subject to the additional tests.

Though it is difficult to find homes in Wayne without water softeners, Salitros said those tests which have come back so far on homes without softened water show fewer numbers exceeding the copper content threshold. The Wayne test results are being echoed in other communities in the state which previously reported

high copper levels he said.

He said through all the recent testing, there has never been any indication of other dangers which were alleged in the Environmental Working Group's pesticide report.

"THIS IS BUT another in a series of wake-up calls that tells us we can no longer take for granted that our drinking water is safe all the time," said EPA Administrator Carol M. Browner.

The administration tried unsuccessfully this year to overhaul the Safe Drinking Water Act and insert several provisions to attack pesticides in water.

The pesticide industry questioned the methods used in the study, which was released to the media before any outside scientists or industry groups could review it.

"They're trying to manufacture fear out of a situation that has a lot of data which is easily taken out of context and poured like gasoline on the fire of public opinion," said Jay J. Vroom, president of the American Crop Protection Association.

Vroom said each compound undergoes more than 120 different health and environmental studies, that includes laboratory testing on immature and mature animals, including pregnant ones. The EPA routinely asks for new data.

EPA plans to order a special review of triazine compounds, a step that could lead to restrictions on their use or even some bans. Although considered only a possible carcinogen, the chemical is everywhere: used on close to 70 percent of corn acreage.

The study said laboratory data indicate a connection between triazines and birth defects, other congenital problems, breast cancer and cancers of reproductive organs.

**ATRAZINE IS A** triazine compound sold as AAtrex by Ciba-Geigy

Corp. The study also looked at two others: simazine, sold as Princep by Ciba-Geigy, and cyanazine, sold as Bladex by DuPont.

George Rolofson, a Ciba-Geigy spokesman, said the group's claim of a cancer risk from atrazine is highly exaggerated. Large doses caused mammary tumors on one breed of rat predisposed to cancer in the first place, he said.

The levels allowed in drinking water, he said, are a fraction of the so-called threshold level: the dose at which no harmful side effects occur.

Metolachlor is sold by Ciba-Geigy under the name Dual. Alachlor is sold by Monsanto Co. as Lasso.

In calculating risk, the environmental group used what is known as a negligible risk standard. It says lifetime exposure to a probable carcinogen should create an additional risk of no more than 1-in-a-million chance that a person will get cancer.

Using that formula, the groups found residents of some towns faced anywhere from a 10-per-million risk to a 116-per-million risk of developing cancer.

The government says people already face a 1-in-4 chance of getting cancer, with heavy smokers facing a much higher risk.

--Wire service accounts contributed heavily to this report.

watch the boy for a while. "I passed him in my vehicle and drove ahead a little before I decided to turn around and approach him," he said. "I asked where he was going and he said he was heading to his grandfather's farm to get his car," Hansen said. "I couldn't figure out since it was 11:30 in the morning why he wasn't in school so I asked him and he said there wasn't any school Monday because of Halloween."

Hansen didn't pursue any further but felt the conversation was strange enough that police should know about it so he returned to the District 25 school house and notified the authorities who were still on the scene.

Wayne County Sheriff deputies Keli Forney and Doug Muhs then investigated the story. "The investigation into the incident is still ongoing pending review of reports by the Wayne County Attorney," Forney said.

line with what we had during the last governor's race. Most of the absentee requests come from college students who are away at other colleges or from elderly persons who are unable to go to the polls," said Finn.

Finn said it is difficult to predict the number of persons who will vote in this year's general election. "The weather will play a role. If it

is nice and farmers are still harvesting, they may not take time out to vote," she said.

"Interest in this election has been focused in two areas, one being the Board of Education, District 17 race and the other being the U.S. Senate race between Bob Kerrey and Jan Stoney," said Finn.

"Locally, I expect voter turnout will be higher in certain wards in the city of Wayne due to the city council races," said Finn.

## Administrator elected

Wayne City Administrator Joe Salitros, who has been Wayne administrator since 1990, will serve a one year term as the state association leader. He is also active in the national association of municipal executives.

Salitros and his wife Irene have three children, Nick, Ben and Katrina.

## The Golden Years

By: Connie Dishrow

The U.S. National Senior Sports Organization pioneered athletic competitions for older Americans in 1985.

Less than 10 years later, the program now attracts the participation of more than 250,000 men and women a year in a variety of sports in state and local Senior Games. The organization's next national Senior Olympics is scheduled for May 17 to 24, 1995, in San Antonio. About 7,500 men and women who win qualifying events around the country are expected to compete in San Antonio.

John Atanasoff at 90 has lived to see the computer age in full bloom. Relatively few people know he started it all — way back in the 1930s. As a professor at Iowa State University he built the first electronic computer, not as a dedicated inventor but because mechanical computers of that time were too limited for his scientific research. World War II came along and Atanasoff left to do acoustic research for the Navy. Neither he nor Iowa State patented the computer and Atanasoff never gained any financial reward for his achievement. But he did get recognition. In 1991 President Bush presented him with a National Medal of Technology for his invention.

### Quality candidates

It would be hard to believe that voters could go far wrong no matter which candidate they vote for in the school board election in Wayne next month.

The candidates all sounded genuinely interested in the future educational improvement for young people in the community. Each of the six voiced strong support for passage of a bond issue to build a new middle school and additional space for the High School.

Even those candidates who are campaigning for change in the board because they were upset with last spring's administrative and school board backed decision to reassign the athletic director to other duties, are taking a very moderate and well-reasoned approach to the election.

Jean Blomenkamp and Bob Dyer are campaigning for change citing the need for strategic planning and better communication. Those were such good ideas we remember the existing school board adopting both several years ago.

It was through an extensive strategic planning process that the board allocated funds years ago for upgrading technology. The plan implemented then, results today in the more than \$200,000 worth of computer upgrades the students currently are benefiting from. The plan implemented then, resulted in a new focus on changing curriculum and upgrading programs that is currently ongoing in the district. The plan implemented then has resulted in a new vision statement and objectives for the district which were drafted through extensive communication and involvement from the public.

In months of attending the school board meetings and taking notes on possible platform issues the best the candidates for change are now able to argue is that we need strategic planning and more communication.

We think that speaks pretty well for the way things have been running and it also speaks well for the candidates who say they would like to see change. Even they realize now that things are moving in the right direction and that there is not a whole lot of substance they can complain about concerning the way things are now operating.

That's good news for voters. We believe it means that no matter who is elected, they will find a common interest and grounds for strong agreement.

The common interest will be genuine personal effort to seek the best educational system possible for our young people regardless of the personal differences of the past. The grounds for strong agreement will be the common understanding that everyone on the board and in the administration both now and after the election is doing what they think is best for their children of the district.

Vote with confidence, we have a terrific slate of candidates.

### Governor hopeful gets no respect

By Melvin Paul  
Statehouse Correspondent  
The Nebraska Press Association

LINCOLN — Gene Spence, the Republican candidate for governor, just doesn't seem to be getting any respect.

First, members of his own party chide him for not generating more steam in his underdog bid to unseat Democrat Ben Nelson from the governor's mansion.

Then, when Spence released his long-awaited and much-delayed plan to solve the state's property tax woes last week, what did he get?

That's sort of hard to say, but the reaction from the school, city and state officials who would have

to live with the tax cuts prescribed in Spence's plan was a resounding thud.

That's because Spence's plan, called "Forward Nebraska," would result in about an 18 percent cut in tax revenue for cities, counties and schools, as well as an \$80 million cut in spending by the state.

There were no directions on how to make those cuts, but officials said it would mean fewer teachers, more crowded classrooms, and fewer city and county services across the state.

"This is extremely extreme," said one official of the Omaha School District.

How such drastic, immediate cuts in spending play with the tax-

payees that have to foot those property tax bills is another question, however.

Here's a couple of reactions: —if voters are so interested in putting lids on taxes and cutting spending — as Spence's plan proposes — why didn't they nominate Ralph Knobel as the GOP nominee? Knobel made cutting property taxes his main primary theme. Spence criticized him for it then, and walked away with the nomination.

—if putting a limit on the amount of taxes that can be levied on a piece of property (2 percent of its assessed value) is such a bad idea by Spence, why did a task force appointed by Gov. Nelson recently

vote to support such a concept?

The task force has not reached its final recommendations yet, and Nelson has not yet voiced an opinion on the idea, which is also viewed as somewhat radical. After all, if you've got 10 or so governmental units that levy property taxes, how do they get together and decide how much of that 2-percent pie they each get?

Ironically, Nelson is probably open to some criticism about his treatment of the property tax issue.

He can say that he brought stability to the personal property tax system in 1992, but the cries of Nebraskans about their high property taxes have been largely unanswered.

The governor did appoint the task force this summer to explore the state's tax system though nothing has been accomplished yet.

Nelson supporters say he has been consumed with other issues, like personal property, runaway Medicaid spending and the death penalty, to get to the tax issue.

My guess, however, is that Nelson discovered what Spence is just now beginning to realize:

Cutting the state's property tax load is a complex and multi-headed monster that everyone wants to tame but no one agrees on how to do it.

While Nelson has approached that property tax monster with caution, Spence strapped on his body armor and made a kamikaze charge last week.

On Nov. 8, we'll see which attack plays best with voters.

The views expressed in Capitol News are those of the writer and not necessarily those of the Nebraska Press Association.

### Supports Chuck For Stoney

Dear Editor:

I am writing in support of Chuck Hassebrook for University of Nebraska Board of Regents. Two of Chuck's positions in this campaign really appeal to me.

He is committed to encouraging agricultural research and education that nourishes the family farm and the community it belongs to — not just for today, but for the long run. That is especially important for Northeast Nebraska.

Secondly, he is a firm believer in affordable and accessible education for all Nebraskans. He proposes innovative college funding for students from middle income Nebraska families. Tuition would be frozen for five years as long as the student pledges, in writing, to find employment in Nebraska after graduation.

For these and other reasons, I feel Chuck Hassebrook will make an excellent Regent for the University of Nebraska, and a strong spokesman for Northeast Nebraska. I urge you to vote for him.

Marie Powell  
Wayne

Dear Editor:

Gov. Nelson denied that Social Service (Mary Dean Harvey, his appointee) has placed foster care of children with homosexuals, but this happened early in 1991 when two little girls were thus placed. One phone call from the Governor could stop this. In April he received lots of letters and phone calls.

Guyla Mills, Nebraska Family Council (402-474-1715) has documents (record of documents are two inches thick) and a transcript copy of a telephone conference in which Roberta Achtenberg, Clinton's first openly appointed lesbian, told how to implement the policy. Achtenberg is a Boy Scout basher and doesn't like God in their pledge.

As a presidential candidate in 1991 and 1992, Sen. Kerrey supported a government-run "Single Payer" plan like in Canada. Hospitals had to close for several weeks last year, when funds (government) ran out.

In February 1994, Sen. Kerrey and Lt. Gov. Kim Robak were in Lenexa, S.D., helping Hillary push her Health Care Plan.

Now Kerrey tries to say he's independent of Clinton.

Hillary's super-secret Health Task Force faces a lawsuit (Feb. 1993) for violating federal disclosure law (357 workers had no federal affiliation). After stonewalling, 264 boxes of records were finally made public. No money trial found so far, but know some paid \$300 an hour.

Two major organizations — Robert Wood Johnson Foundation and Henry J. Kaiser Family Foundation — wielded influence in which all private health insurance is abolished.

Hillary violated conflict rules by allowing United Health Care Corp. (Clintons owned stock until July 1993) chair committees.

A self-professed Marxist, Prof. Vincente Navarra was head of previously unreported working group.

Phone Dr. Jane Orient for more information, 1-800-635-1196.

Sen. Kerrey voted for ESEA education bill which will establish a 19-member board entirely appointed by Pres. Clinton. Gone is local control if take any federal funds. What kind of board will he appoint which is against 14th Amendment? His appointment of Thomas Paygant, top education post appointee, was another Boy Scout basher.

Sen. Kerrey, a liberal, voted against protecting our flag's burning to make a political statement. Gov. Nelson heads the re-election of President Clinton. Do you believe our country is traveling in the wrong direction? Turn things around and vote Republican.

Vote for Jan Stoney and Gene Spence/Kate Witke.

### Likes Contract

Dear Editor:

A US Today/Gallup/CNN poll ranks 26 professions in terms of prestige, and it's not good news for Congress. Only nine percent of those polled ranked members of the House of Representatives high or very high in public esteem, down from 14 percent last year — only car salesmen rank lower than members of Congress.

As a result, disgusted voters may give the GOP control of the House of Representatives. Capitalizing on voter sentiment, the Republicans have announced a "Contract with America." The 10 proposals, while lacking in several areas, are very encouraging for two reasons: one, they demonstrate the party's willingness to stand for "something,"

and two, they attest to the party's move to the right.

There is nothing wrong with a move to the right, regardless of what the Major Media would have you believe. The Democrats have moved to the left even further under "New Democrat" Bill Clinton. So far left that many Democrats, such as myself, have left the party.

Some of the features of the contract range from an audit of the books, to welfare — returning most decisions to the states; limit spending; require work; forbid payments to teenage mothers not living at home.

Other reforms include term limits, the Balanced Budget Amendment (BBA), prohibiting placing U.S. forces under U.N. command and compensating property owners

## Smoky leaves Lamenting our lost fall traditions

We were about two weeks late in getting our first frost of the fall, but who's sorry about that? Last night's mid-twenties frost made up for the delay.

Sunday was a day made for raking leaves and last night was a night for sitting by the fire with a good book and a warm drink. Fall would really be a great time if it weren't for that dag-blasted season that follows it.

Fall is a season of mixed emotions. I equate it with wonder over the beauty of the trees; joy of a bountiful harvest and pure pleasure of homemade pumpkin pie. But it also represents that nagging frustration over the things we didn't get done to prepare for the coming winter. I hope I'm not the only one who has a longer list of "Gotta Do's Before it Snows" than the list of "Good Books to Read by the Fire."

The squirrels are busy scurrying around among the colorful leaves getting their "gotta do" lists done and making us procrastinators look even worse to our families.

"You never did get those windows caulked did you?" It's a question that needs no answer because it didn't need to be asked in the first place.

There's a little kid in all of us that knows the only real and true purpose for raking all those leaves into a huge pile in the middle of the yard is to provide a quasi-cushion for a flying leap.

The window caulking can wait, there's a pile of leaves that needs to be jumped into.

Gary Van Meter was lamenting the end of the fall tradition of our youth-burning leaves. Safety and environmental concerns have ended the practice of torching the leaves in our yards on a calm fall day. Sunday would have been perfect for it. The town would have filled with that acrid distinctively fall smell of burning leaves.

### Mann Overboard

By Les Mann

On a trip through Iowa over the weekend, VanMeter said he noticed the leaf burning practice still being used in many small Iowa communities and he enjoyed the sights and smells.

I too remember fondly that fall tradition.

The only better fall smell I can remember is that of the traditional community apple butter making parties. On a vacant lot or in a park a group of town matrons would cajole the men into hauling a big pile of firewood.

Someone would bring a big cast iron kettle and set it on top of a small fire. Into it would go bushels and bushels of wormy looking apples, carefully peeled and seasoned. Then for hours and hours, the bubbling mixture would be constantly stirred with a huge paddle. The wood smoke and sweet-seasoned apple smells would waft for miles around attracting hundreds of onlookers hoping to share in the fruits of the season.

Many would bring fresh baked bread and rolls to be used for sampling the brew. Hot cider would be passed to ward off the chills. I recall there was always a Thermos that only the adults were permitted to drink out of. They studiously avoided drinking out of the kid's Thermos of hot cider. I guess they were afraid of getting our germs.

Everyone would get a tedious turn at keeping the apple butter paddle moving. Rather than just standing around watching the butter bubble, the men would invariably set up an impromptu turkey shoot. Someone would bring some hay bales and attach targets to them. Then for a buck or two a shot the men and some of the older boys would see who could get the most shotgun pellet holes in the targets. The winner would take home a frozen turkey.

These were the fall traditions of my youth but even then I remember the men spitting and lamenting the lost tradition of shooting a live turkeys at these events. "Just (spit) don't seem the same as shootin' at a real gobbler," they'd say. "Pass that cider back this way will ya."

What fall traditions will our kids remember, I wonder. In the realm of lasting memories, putting leaves in a plastic bag probably won't stack up to apple butter making and smoldering piles of leaves reassembled after several nifty swan dives.

## WSC Scenes Group to present concert

The Wayne State College Scenes Group will present "The Growth of Music in 19th-Century America" at 8 p.m., Thursday, Oct. 27 in Ley Theatre, located in Wayne State's Brandenburg Building. The public is invited to the concert and the reception following.

This narrated program, sponsored by the Center for Cultural Outreach, will be entertaining, but also informative about popular music in the 19th century, according to Dr. Beverly Soll, director of the Center. The program will include white spirituals, songs of the War between the States, early African American songs and spirituals and late 19th-century parlour music.

Thirteen Wayne State music majors will also be involved in the performance. They are sopranos Michele Thies, Jodene Hankins and Jana Lundberg; mezzos Heidi Thies, Catherine Brutsche, Melissa Johnson, Jennifer Hinners and Tracy Johnson; tenor Mat Monson; and basses Jeritt Munch, Chad Barnhill, Gary Barber and Dan Peterson.

Several of the singers will also play instruments such as flute, snare drum, violin, tuba, mandoline and banjo.

## Getting on the information highway

Nothing seems to stay the same. New inventions called telephones, airplanes and televisions appeared. Some folk shied away. There are always those who are cautious of using anything new.

Nearing 2000 A.D., most folk now use them all. But it took years.

It took ten years before many could understand the advantages of owning a VCR, or video camera, and watching what you want to watch, when you want to watch it.

Many still can't imagine how they might use one.

Microwave ovens were slow to catch on. Fear kept folk from buying them originally because they believed they'd get zapped. Flash-bake ovens will soon replace them.

Today it's the computer. Once weighing tons, and only affordable by the military and major corporations, computers now weigh but a few pounds either as desktop or portable models. How difficult to realize today's home computer outperforms those that controlled Apollo on the moon missions! Still there are hundreds of homes without one because folk as yet

### Merlin Wright

don't understand what they will do.

Like other inventions, most homes will eventually have a combined phone, TV and computer. In the next century the decade of the nineties will be looked upon as having been the covered wagon days of communication.

You may contend you've never used a computer. But every time you use the telephone, you are using a computer. As you push the buttons, you're sending instructions to a computer that recognizes them as the telephone tones of your Aunt Maggie in South Carolina, or whoever you're calling. Yesterday,

an operator dialed your number. Today you dial a computer.

Computers, like television, radio and telephones, are information processors. People with Wayne telephone numbers may now get information from almost anyplace in the world via the Internet, gaining access through Wayne State College or Wayne High School. Administrators responsible for this are to be applauded.

Thanks to local computer jocks, Wayne is rapidly joining the world community. Hundreds of cities already have central information databases. From a home computer one will eventually be able to obtain almost any type of local and world information, including that of government.

Individuals in our community have formed a committee to investigate the possibilities of coordinating a community network of computerized information.

Once in operation, the system will make important information available to the public.

Wayne will then become part of the electronic global village. Go Wayne America!

"It was a pain to mess around with that little contact every morning."

Anna Jilg had a Cataract.

She had No-Stitch Cataract Surgery and a secondary implant.

"I went to the doctor because my eye was covered over. Dr. Feidler said it was a cataract. That was in the seventies. I just had a secondary implant to put a lens into that eye. I'm real satisfied. I don't regret it one bit. It's marvelous. It was a pain to mess around with that little contact every morning.

I knew what it was going to be like because Dr. Feidler explains it to you. It was exactly like he said it was going to be. It's nothing to get alarmed about. I've always kept busy with hand work. Cataract surgery makes everything clearer, sharper.

My second cataract operation was in 1993. I chose Dr. Feidler. I didn't have to go out of town. I like Dr. Feidler; he's very, very good. I think he tries to do everything he can for a person. I think a lot of him. His staff is wonderful, too. I never met one who wasn't wonderful."

## Hemorrhoid Care

Hemorrhoids are abnormally large, bulging veins, mucous membranes, or skin of the rectal area. It has been estimated that, in the United States, 58% of individuals over 40 years old have hemorrhoids to some extent. Pregnancy is the most common cause of hemorrhoids in young women. Itching, burning, inflammation, pain, irritation, swelling, and discomfort are symptoms of anorectal disease. If these symptoms are caused by hemorrhoids rather than by a more serious disease, they may be relieved by self-treatment. If symptoms worsen or do not improve after 7 days of self-treatment, or if bleeding, protrusion, or seepage occurs, a physician should be consulted. Local anesthetics, such as promazine HCl relieve the pain, itching, and discomfort of hemorrhoids. For the proper selection of a hemorrhoid product, consult your pharmacist.

## Is being a parent worth it?

**QUESTION:** Considering how difficult it is to be good parents in this day and age, why should anyone want to have children? Is it worth it?

**DR. DOBSON:** Parenthood is costly and complex, no doubt about it.

I'm reminded of a woman with seven rambunctious children who boarded a Los Angeles bus and sat in the seat behind me. Her hair was a mess and the black circles under her eyes revealed a state of utter exhaustion.

As she stumbled past me with her wiggling tribe, I asked, "Do all those children belong to you, or is this some kind of picnic?"

She looked at me through squinted eyes and said, "They're all mine, and believe me, it's no picnic!"

The woman is right. Parenthood is no job for sissies. Am I suggesting, then, that newly married couples should remain childless? Certainly not! The family that loves children and wants to experience the thrill of procreation should not be frightened by the challenge of parenthood.

Speaking from my own perspective as a father, there has been no greater moment in my life than when I gazed into the eyes of my infant daughter, and five years later, my son.

What could be more exciting than seeing those tiny human beings begin to blossom and grow and learn and love? And what reward could be more meaningful than having my little boy or girl climb on my lap as I sit by the fire, hug my neck and whisper, "I love you, Dad."

Oh yes, children are expensive, but they're worth the price. Besides, nothing worth having comes cheap.

**QUESTION:** My child is having trouble in school again this year. The psychologist said he is a "slow learner," and will probably always struggle academically. Please tell me what a "slow learner" is?

**DR. DOBSON:** A slow learner is a child who has difficulty learning in school and usually scores between 70 and 90 on intelligence tests. These individuals comprise more than 20 percent of the total population.

In many ways, the school children in this category face some serious challenges in their classrooms. Of particular concern are the individuals with IQs in the lower range of the slow learner classification (70 to 80) who are virtually destined to have difficulties in school.

## Dr. Dobson

Answers  
Your  
Questions

No special education is available for them in most schools, although they are not appreciably different from the borderline retarded students.

A "retarded" child with an IQ of 70 would probably qualify for the highly specialized and expensive educational program, including a smaller class, a specially trained teacher, audio-visual aids and a "no fail" policy.

By contrast, a slow-learning child with an IQ of 80 would usually receive no such advantages. He must compete in regular classes against the full range of students who are more capable than himself. The concept of competition implies winners and losers; it is the slower learner who usually "loses."

**QUESTION:** What causes a child to be a "slow learner"?

**DR. DOBSON:** There are many hereditary, environmental and physical factors that contribute to one's intellect, and it is difficult to isolate the particular influences. In some cases, however, accumulating evidence seems to indicate that dull normal intelligence and even borderline retardation can be caused by a lack of intellectual stimulation in the child's very early years.

There appears to be a critical period during the first three to four years when the potential for intellectual growth must be seized. If the opportunity is missed, the child may never reach the capacity that had originally been available to him.

The slow-learning child can be one who has not heard adult language clearly. He has not been provided with interesting books and puzzles to occupy his sensory apparatus. He has not been taken to the zoo, airport or other exciting places. He has grown up with a minimum of daily training and guidance from adults.

The lack of stimulation available to such a child may result in the failure of enzyme systems to develop properly in the brain.

## Plans for 1995 were discussed at St. Paul's WELCA Circle meetings

St. Paul's Women of the Evangelical Lutheran Church in America met at the church on Wednesday, Oct. 12. Sixteen participants attended the 2 p.m. meeting.

Dorothy Aurich, president, opened the meeting with a devotional reading. The secretary's report was read and approved as corrected and the treasurer's report was approved as read.

A thank you note was read from Hazel James. Also, an invitation was shared for guest night, with the First Baptist Church on Oct. 17.

Mission Action reported sending one sympathy and two get-well cards. Personal thanks were received from Ruth Fleer.

Naomi Circle met at 1:30 p.m. on Sept. 15 with 10 members and one guest in attendance. Evie Schock was hostess and Dorothy Aurich was lesson leader.

Esther Circle met at the Care Center at 2 p.m. on Sept. 15. Finger foods were shared by five members and one guest. Opal Harder was lesson leader.

Evening Circle gathered at the church at 7:30 p.m. on Sept. 26 with six attending. Sharon Fleer was hostess and Gloria Leseberg was lesson leader.

It was reported that service group

two was in charge of the Ida Myers funeral, serving about 40.

Sewing Group met on Sept. 22 to tie three Lutheran World Relief quilts and four lap robes. Some were also hemmed.

Altar Guild met jointly with Redeemer's at 2 p.m. on Oct. 6. Nine members and Pastor Jack attended from St. Paul's. Helga Nedergaard led devotions and Hazel James was hostess.

Marilyn Carhart, president of Church Women United, announced that the annual meeting will be held at 1:30 p.m. on Nov. 4 at St. Mary's Fellowship Hall. Free babysitting will be available. The afternoon program is entitled "Go, See and Act as Sisters in Christ." Marilyn suggested that a contribution be given to the Mission Fund, along with the dues. The motion was made and carried to do so.

Subscription for the "Lutheran Women Today" magazine will be sent in separately from Redeemer's with hopes to consolidate subscriptions in the future.

Clewa Willers reported on the Autumn Renewal held on Oct. 1 in Fremont. Three St. Paul's women were among the 350 who enjoyed a day of singing, Bible study and prayer. Clewa also reported that the Northeast District Board has plans underway for the Spring Assembly to be held on March 15 at St. Paul's in Emerson.

Lutheran World Relief school kits were discussed under old business. Because there were extra supplies, a motion was made to donate or purchase additional items needed to complete the kits. The motion carried.

St. Paul's is scheduled to serve for two more Campus Ministry dinners. Assignments were made with Esther Circle in charge of

Nov. 13 and the Evening Circle responsible for Feb. 26.

The Women of the ELCA 1995 schedule was discussed. Dorothy Aurich shared the joint executive committee's suggested format wherein six split meetings would be held per year. Circles would meet in the morning, afternoon and evening of the same day, each one following the same program, if desired. Participants could choose whichever time would be convenient for them, signing in without taking a roll call. Each group would select its own chairman and recorder to transfer information to and from the group. The women were asked to consider their willingness to lead a program or serve.

Bible study (or interest) groups will continue to be held monthly. It was suggested that the current circle names be eliminated and new ones incorporated. Groups will be encouraged to invite Redeemer participants to join these meetings so that we might gradually become more integrated.

A reminder was given to bring items for Lutheran World Relief the last week of October. A needs list is posted on the bulletin board. Dorothy Aurich closed the meeting with a poem entitled "A Prayer."

Leone Jager took charge of the program with Elaine Draghu assisting. Elaine began with devotions and Leone shared a video on the Open Door Mission with Pastor Bob Timberlake.

Following the program, lunch was served by hostesses Ardyce Reeg and Hazel James.

St. Paul's Women of the ELCA will meet again on Nov. 9 at 2 p.m. A thankoffering program with Arlene Ostendorf will be featured.

## Immanuel Ladies Aid meet Oct. 20

The Ladies Aid of Immanuel Lutheran of Wakefield met on Oct. 20 at 2 p.m. Nine members and two guests, Bernita Sherbahn and Betty Lessman, were present. Pastor Carner led the Quarterly topic, "Anchor of the Soul."

Mrs. Lloyd Roeber conducted the business meeting. She read a thank you from Margaret Sampson and an invitation from the Aid at Trinity in Martinsburg to their guest day on Nov. 10.

The visitation report was given by Berniece Rewinkel and Bonnie Nelson. The birthdays of Nell Nelson and Beverly Ruwe were observed. Beverly reported on the Fall Rally held at Winside in Oct. 18.

November committees are Bonnie Schrieber and Eleanora Rauss, serving; Bonnie Schrieber and Neva Echtenkamp, visiting and Wakefield Care Center on Nov. 14; Ann Ruwe, Beverly Ruwe, Nell Nelson and Diane Roeber, cleaning and communionware.

Hostesses were Bonnie Nelson and Alice Roeber.

The next meeting is scheduled for Nov. 17 at 2 p.m.

Ferne Harris

## Open house is scheduled for 80th birthday

Ferne Harris of Fremont will celebrate her 80th birthday during an open house from 2 to 4 p.m. on Sunday, Nov. 6 at Gifford Tower, 2510 N. Clarkson, across from Memorial Hospital.

Hosting the event will be her two sons, Arlen and Wayne, and their families.

Ferne and Merle farmed, worked and lived around Winside and Wayne for many years. Merle died in 1972.

All friends and relatives are invited. No gifts requested.

## Auxiliary meets at Vet's Club

Unit #28 of the Wayne County Disabled American Veterans Auxiliary met on Oct. 11 at 8 p.m. at the Wayne Vet's Club.

Eveline Thompson, commander, presided at the meeting, which opened with a prayer by Ruth Wacker, acting chaplain. It was followed by the Pledge of Allegiance to the flag.

DAVA members Irma Baier and Eveline Thompson attended the bingo party at the Norfolk Veterans Home on Sept. 19. Angel food cakes were furnished for it by Irma Baier, Verma Mae Longe and Eveline Thompson.

A card was signed for Walt Baier, who is recuperating from surgery.

Correspondence read from National included a letter from Americanism chairman Jan Archer with information on days and ways of displaying the American flag.

Eveline Thompson and Neva Lorenzen plan to attend the SEC & DEC convention to be held in Grand Island on Nov. 18 and 19.

Eveline reported on the supper for residents of the Norfolk Veterans Home on Sept. 26. There were 32 veterans from the home served at the Wayne Vet's Club where they also enjoyed music by Ray Peterson and Craig Dowling.

The closing prayer was given by Ruth Wacker, acting chaplain.

The next meeting will be on Nov. 8 at 8 p.m. at the Wayne Vet's Club.

# Nuernberger-Salmon united in double ring ceremony at Wayne

Susan Nuernberger and Scott Salmon, both of Wakefield, were united in marriage Sept. 24 at St. Mary's Catholic Church in Wayne.

The bride is the daughter of Jim and Lois Nuernberger, Wakefield, and the groom is the son of Gary and Sharon Salmon, also of Wakefield.

The church was decorated for the doubling ceremony with pew bows of white illusion and red crystalline roses. Tapered candelabras with attached floral arrangements of red roses, white carnations, baby's breath and greenery, along with an altar bouquet of the same flowers also accented the sanctuary.

The Rev. Fr. Don Cleary officiated the ceremony. Altar servers were Nick and Ben Salitros, Wayne, and lector was Dave Dolph, Elkhorn.

Mary Murtaugh, Wayne, was the vocalist and Vona Sharer was the organist. They performed "Only God Could Love You More", "Only A Shadow", "A Blessing" and "The Wedding Song".

Given in marriage by her father, the bride wore a floor-length gown of white satin. The portrait collar was accented with Venice lace, crystal sequins and pearls. The detachable fingertip length sleeves were highlighted by lace cutouts trimmed with sequins and teardrop pearls. The front and bodice featured a Venice lace overlay, adorned with sequins and pearls, which fell to the Basque waistline. The slim skirt front was enhanced with a Venice lace overlay. Lace cutouts enhanced the detachable Cathedral-length train which was topped with a candy-box bow.

Her headpiece was a crystal and pearl tiara with back pouf of bridal illusion that fell to an elbow-length veil. She also carried a bouquet of red sweetheart roses with baby's breath and greenery.

Maid of honor was Terri Beza, Wayne. Bridesmaids were Cathi Larson, Lincoln; Lisa Dolph, Elkhorn; Desiree Salmon, Lincoln; Holly Hurlbert, Wayne, and Hayley Hallstrom, Pender. They wore cherry

Mr. and Mrs. Salmon

red satin dresses in street length.

The bride's personal attendant was Sharon Wendstrand, Omaha.

Ring bearers were Trent and Trevor Beza, Wayne.

Best man was Jim Salmon, Carmel, New York. Groomsmen were John Navrkal, Wakefield; Kent Glassmeyer, Wayne; Mark Lundahl, Wakefield, Brad Nuernberger, Milford, and Chad Broer, Norfolk.

Ushers were Layne Beza, Wayne; Kyle Miller, Wayne; Monty Boyer, Pilger, and Dave Ellis, Wayne.

The groom wore a black Christian Dior cutaway tuxedo with white brocade vest. The groomsmen wore the same but with black brocade vests.

A reception was held at Wayne National Guard Armory following the ceremony. It was hosted by Randy and Diane Larson, Wakefield, and John and Carol Hilker, Pender.

The bride is a 1990 graduate of Wakefield High School and a 1994 graduate of Wayne State College. She is currently employed in the admissions office of Wayne State.

The groom is a 1986 graduate of Wakefield High School and attended Wayne State College and Northeast Community College. He is currently employed at Great Dane.

Following a wedding trip to Mahoney State Park the couple is at home in rural Wakefield.

**LAUREL RUNNING BACK** Jeff Wattier turns the corner and looks for yardage during the Bears 29-14 win over Plainview. Laurel will take an 8-0 record into Thursday's last regular season game with Creighton. The Bears have already clinched a state-playoff berth.

## Laurel defeats Plainview to keep unbeaten string in tact

The Laurel Bears football team remained perfect on the season after eight weeks with a 29-14 victory over Plainview, last Friday night in Laurel. The Bears, guaranteed a state playoff berth for the third straight season, will close the regular season, Thursday when they host winless Creighton.

Bears coach Tom Luxford was

happy with his team's performance against the Pirates. "We played a good football team in Plainview," Luxford said. "We did what we had to do to win the game."

Luxford said the game was very physical and he was happy with the way his offensive and defensive lines played. "Our lineman showed a lot of discipline," he said.

Plainview had a lot of long snap counts and our lineman held their positions, with out jumping off-sides."

Laurel got on the board first following a scoreless first quarter. The Bears set up for an apparent 27-yard field goal after failing on a third down and goal situation. The host team, however, pulled the fake and Tyler Erwin connected with Jeremy Reinoehl in the back of the endzone for a score.

Jeff Wattier got into the scoring act late in the second quarter when teammate Jared Reinoehl intercepted a pass and ran it five yards before lateraling it to Wattier who went the final 34 yards for the touchdown. Kyle Macklin booted both point after attempts to give the Bears a 14-0 lead at the break.

The host team scored on a six-yard run by Cody Carstensen in the third quarter and the senior tailback ran for the two-point conversion and a 22-0 Bears lead. Plainview scored its first touchdown in the fourth quarter on an eight-yard run but the Bears answered when Carstensen scampered in from 21 yards out.

Plainview closed out the game with a late one-yard touchdown plunge. The visitors did a good job of bottling up Bears running back Jeff Wattier but Carstensen broke loose for 89 yards on nine carries to lead the ground attack.

Tyler Erwin was 10-13 through the air for 104 yards with Jeremy Reinoehl the leading receiver, catching six balls for 68 yards. Defensively, Laurel was led by Kody Urwiler with 16 tackles while Eric Abts had 13 and Jason Stewart, 12 while Dustin Ankeny finished with 10. Jeff Erwin, Ryan Kvolts and Jeff Wattier had six tackles each.

Ankeny and Jared Reinoehl each had an interception. Creighton will come into Laurel on Thursday looking for its first win on the gridiron since late September of 1990, a streak of 39 straight set-backs.

A win over Creighton would give Laurel its first undisputed NENAC Conference championship since 1970.

## Allen loses scoring barrage to Newcastle

The Allen football team has been involved in some high-scoring games this season but last Friday in Wausa the Eagles defense gave up 83 points in losing by an 83-38 margin.

The loss dropped the Eagles' record to 3-5 heading into Thursday's final game with Coteridge. The game was tied at six after the first quarter of play but Wausa's scoring barrage started in the second quarter and didn't end until the game was called due to the 45-point rule with just over three minutes to go in the fourth quarter.

Allen tied the game at six in the first quarter on a 54-yard pass play from Josh Snyder to Michael Blohm. Wausa then scored 36 straight points before Allen closed out the half on a 43-yard pass play from Jeremy Kumm to Blohm.

Wausa's second quarter scores

came on runs of 1, 40 and 16 along with passing strikes from 7 and 32 yards. The Eagles came out and scored first in the third quarter on a 33-yard run by Dave McCorkindale but Wausa answered with a 61-yard touchdown run, a six-yard pass and a 20-yard interception return for scores. The Eagles second score of the third quarter came on a six-yard run by Craig Philbrick but Wausa returned the ensuing kickoff 68 yards to lead by a 68-26 margin after three quarters of play.

Philbrick scored first in the fourth quarter on a 16-yard run by back came the Vikings, scoring on a four-yard run. Josh Snyder connected with Blohm one more time late in the fourth quarter, this time from 39 yards out for a score but Wausa scored first and they scored last on a 44-yard run to end the game due to the 45 point rule.

Philbrick led Allen with 77 yards rushing on 13 attempts while McCorkindale gained 76 yards on 12 carries. Snyder was 5-17 with two interceptions while Kumm was 4-8 with one interception. Blohm was the leading receiver with four receptions for 155 yards.

Defensively, Allen was led by Josh Snyder with 10 tackles and Mike Blohm with nine and an interception.

## Blue Devils improve to 5-3

# Wayne runs over Cedar

The Wayne Blue Devils ensured themselves of their first winning season in four years after shocking once-rated Hartington Cedar Catholic last Friday night in Hartington, 17-6.

The 5-3 Devils set the tone early as Jason Carr returned the opening kickoff to the Cedar 43-yard line and on the first play from scrimmage, Josh Starzl darted 37 yards to give Wayne a first down and goal early.

The visitors settled for an Anders Lundgaard field goal from 22 yards out for a quick 3-0 lead. Later in the first quarter Starzl scored on a six-yard run and Wayne built a 10-0 lead which stood until midway in the second stanza when the Blue Devils scored on another Starzl run, this time from 15 yards.

Wayne led 17-0 until early in the fourth quarter when Cedar got on the board after Jaime Jones connected with Paul Howey from 23

yards out. Wayne took the next possession and drove down the field inside the Cedar 10-yard line but fumbled the ball.

The Blue Devils defense, however, stiffened and Cedar never threatened again. "We knew coming into the game that we had to establish a solid running game if we were going to be successful against them," Ehrhardt said. "I don't think anyone thought we would have as much success as we did on the ground."

Wayne rolled up 274 rushing yards as the tandem of Dusty Jensen and Josh Starzl each surpassed the 100-yard rushing mark. Jensen gained 139 yards on 23 carries and Starzl had 131 yards on 20 attempts.

Ehrhardt credited his offensive line for doing the job of opening holes for the running backs. Ryan Brown and Erik Wiseman shared center duty while Nate Salmon,

Jeremiah Rethwisch, Jeff Hamer, Jeremy Beckenhauer along with tight ends Nick Vanhorn and Cody Stracke supplied the muscle up front.

The victory by Wayne gave the Blue Devils the last ever Northern Activities Conference championship as the NAC will disband at the end of this season. "We won the first ever NAC conference title and the last one," Ehrhardt said.

Quarterback Ryan Pick was 10-15 through the air for 77 yards with Jason Carr leading the way with three interceptions for six yards. Josh Starzl caught two balls for 28 yards and Adam Bebee caught two for 18 while Dusty Jensen also caught two for 16 yards.

Defensively, Wayne was led by Josh Starzl with 23 tackles while Dusty Jensen had 17. Jeremiah Rethwisch finished with 15 tackles and Aaron Zulkosky was in double figures in tackles with 10.

Wayne, now 5-3, still has a mathematical chance at the state playoffs but the odds have been narrowed to slim and none.

The Blue Devils are currently 23rd with a power rating of 37.875 and those in contention are chasing Gordon who is currently the 16th place team at 39.75.

## Wakefield playoff hopes kept alive with win over Emerson

Dennis Wilbur's Wakefield football team kept their post-season playoff hopes alive with a 20-14 win over their arch-rivals, Emerson-Hubbard in Emerson last Friday night.

The Trojans trailed the host team 6-0 after the Pirates took the opening drive and finished it off with a one-yard touchdown plunge. Wakefield, however, took its opening possession and went 66 yards in three plays and scored on a 49-yard run by Cory Brown. In fact, Brown

ran the ball all three plays to account for all of the yardage.

Wakefield took the lead for good in the second quarter on a one-yard run by Brown and a 12-6 halftime lead. The Trojans final score came on a two-yard run by Brown in the fourth quarter and they completed the two-point conversion with a pass from Justin Dutcher to Brown.

Emerson closed the gap with less than 10 seconds to go in regulation on a five-yard touchdown pass. "This was a big win for us,"

Wilbur said. "It guarantees us no worse than a tie for the conference championship."

Wilbur said his team's hopes to make the state playoffs hinge on more than a Trojans victory over Stanton, Thursday at home. "Unfortunately, we don't control our own destiny."

As far as Wakefield's performance against Emerson-Wilbur was pleased. "We played well overall," he said. "We helped Emerson in its first drive with some penalties but

we basically dominated the game."

Brown led the Trojans on the ground for the eighth straight game this season with 157 yards on 30 carries. Dutcher was 6-9 with one interception and 118 yards with three different receivers catching two balls each. Matt Peterson, however, garnered 68 yards on his pair of receptions.

Defensively, Brown led the winners with 20 tackles while Justin Mackling notched 12 and Lance Jacobsen, 11. Wakefield held a 297-222 total yard advantage in the contest.

# Wayne harriers complete dream season with state performances

By Kevin Peterson  
Sports editor

The Wayne girls and boys cross country teams completed their seasons in successful fashion last Friday in the Nebraska State Cross Country Meet in Kearney.

The Blue Devils notched their highest team finishes ever in both divisions as the girls placed runner-up to Gothenburg with 62 points while the boys placed fourth with 83 points.

Gothenburg's girls tallied 48 points to win the championship while Auburn finished third with 77 followed by Pierce with 80 and David City Aquinas with 82.

Fairbury, Kimball, Gretna, Grand Island C.C., Mitchell, Centura and Wood River rounded out the field of teams in order. Pierce sophomore Jaimie Kruger was the gold medal winner with a 15:20 clocking while Wayne's top finish came from senior Mel Lage with an 11th place effort of 16:19.

Freshman Sara Kinney was 14th in 16:38 and sophomore Jessica Ford was 22nd in 17:09. Another freshman, Lisa Walton was 41st in 18:07 while fifth runner Tammy Teach was clocked in 20:15.

"Our girls had their dream come true," coach Rocky Ruhl said. "We believed that we would be in the top two and they made it happen. They all had great races. Mel Lage beat her goal time by 24 seconds and Tammy Teach beat her goal time by 17 seconds."

Ruhl said the two seniors, Lage and Teach, went out on a high note. "We overcame a little adversity and still managed to place very high," Ruhl said. "The adversity came when Sara Kinney and Jessica Ford were tripped at different times during the race. Both, however, got back up and continued to race which really showed their desire to do well."

Ruhl said Lisa Walton also had a good race. "She was our fourth runner all season and did a nice job for us," Ruhl said. "Most teams are judged by their fourth runners and she really came through for us."

The Wayne coach said the thing he'll remember most about this particular squad of girls is they had five completely different personalities but when it came to race time, those five personalities turned into one which showed great focus.

**THE BOYS** managed to beat the team that had taken their district crown away for the first time in six years in Columbus Scotus—by four points.

Minden won the team championship with 62 points while Gothenburg placed second with 72 followed by Elkhorn Mount Michael with 81 and Wayne with 83. Scotus rounded out the top five

with 87 while Gretna placed sixth with 96.

Auburn, Centura, Mitchell, Falls City, Morrill and Albion finished in order. Morrill's Aaron Carrizales won the individual championship again this year with a 17:15 clocking.

Wayne's top finish came from senior Chris Headley with an eighth place effort of 17:44—four seconds ahead of ninth place finisher and teammate Spencer Stednitz. Matt Meyer placed 35th in 19:11 and David Ensz was 49th in 19:34 while Clint Dyer was 55th and Chris Dyer, 63rd.

There were 80 total runners in the race. "We wanted to finish higher than fourth but we finished well," Ruhl said. "We had three freshman running so we gained a lot of experience. We hope this will allow us to be stronger next year."

Ruhl said Chris Headley closed out his career being the Devils number one runner, a goal that he's sure he had. "Clint Dyer worked very hard and provided great leadership throughout the year," Ruhl said. "I look for Clint to really have a great track season."

Ruhl said he'll remember this team as never having a meet where everyone ran well together. "I'm not being negative," Ruhl said. "But, if everyone of the boys ran a great race on the same day, this team would be exceptional."

**WINSIDE'S MELINDA** Mohr appeared to be on her way to etching her name in the Nebraska record books as being the first champion cross country runner in Class D since this was the first year ever for the event but she was edged by the reigning Class C champ, Amber Fairbanks of Geneva in the last 20 meters.

Mohr still finished runner-up with a 15:33 clocking—the fifth fastest time of the day in all classes. Wahoo Neumann won the team title in Class D with 17 points while Geneva was runner-up with 45.

Mohr is the first cross country runner in Winside school history and is the only runner that represented the Wildcats all season. She was coached by Todd LaVelle.

MEMBERS OF THE Wayne girls cross country team that placed runner-up at State include from back left to right: Head coach Rocky Ruhl, Tammy Teach, Melodee Lage, Jessica Ford. Front: Sara Kinney and Lisa Walton. The Lady Blue Devils notched the highest finish in the history of the school.

CHRIS HEADLEY AND Spencer Stednitz keep pace during the final stretch of the Class C-1 cross country championships.

WAYNE FRESHMAN Matt Meyer notched the fourth fastest time of all freshman at the state meet.

WAYNE FRESHMAN Sara Kinney sprints down the final stretch of the cross country course at the Kearney Country Club during the Nebraska State Meet last Friday afternoon.

## WSC game time changed

WAYNE-Football fans can double their viewing pleasure on Oct. 29 at Wayne State College. The 'Cats home game with Moorhead State, originally scheduled for 1:30 p.m. has been moved back to 2:30 p.m.

The change was made to accommodate fans wishing to watch the Nebraska-Colorado game on ABC-TV at 11 a.m. Fans are invited to watch the NU-CU game on a big screen TV during the Wildcats tailgate party, which has been moved indoors to the main floor of the Rec Center. The tailgate will begin at 11 a.m.

The big screen TV is courtesy of T&C Electronics of Wayne while Ted Baack of Pac-N-Save Foods of Wayne is supplying the food.

## Wakefield spikers lose to Emerson

WAKEFIELD-The Wakefield volleyball team fell to Emerson-Hubbard, Thursday night in Emerson, 15-12, 7-15, 2-15. There were no results available at press time with the exception of serving leaders for the Trojans.

Alison Benson paced the offense with an 18-19 outing in serving with 10 points while Jamie Paulson was 9-10 with six points. Wakefield will compete in the Lewis & Clark Conference Volleyball Tournament, Monday in Wausa against Wynot. The winner will play the winner of Wausa and Hartington the same night to advance to the semifinals in Wakefield, Tuesday.

Wildcats to play in Dakota Dome Wednesday

# Winside thumps Wynot by 48

The Winside football team improved to 6-1 with a 54-6 thrashing of Wynot in the Wildcats final home game last Friday. Randy Geier's squad will travel to South Dakota on Wednesday to play highly rated Newcastle in the regular season finale at the Dakota Dome in Vermillion.

A Winside victory over the Red Raiders ensures the Wildcats of a state tournament berth. Winside is also out to avenge a 56-30 loss to Newcastle in last season's season finale also at the Dakota Dome.

In Winside, the host team sprinted to a 16-0 lead after the first quarter on a seven-yard scoring run

by Colby Jensen and a Robert Wittler to Jaimey Holdorf scoring strike. Wittler threw for both two-point conversions to Jayme Shelton and Jason Wylie.

Wynot's lone score came on a defensive break down that allowed the runner to break loose on a 72-yard run. Winside closed out the first half on a 20-yard touchdown run by Jeremy Barg for a 22-6 advantage at the break.

Winside treated the home fans to five, second half touchdowns starting with a Wittler to Shelton pass of five yards. Wittler ended Winside's next possession with a four-yard touchdown pass to Holdorf to give Winside a 34-6 lead after the

third quarter.

That same duo hooked up on a five-yard pass early in the fourth quarter with Wylie converting the two-point conversion on a Wittler pass. Landon Grothe took matters into his own hands from then on, scoring on an eight-yard run and closing out the game with 28 seconds left in regulation on a 51-yard scamper.

"I thought we were a little out of sync in the first half," Geier said. "In the second half we came out and played with lots of emotion and aggressiveness."

The Winside mentor credited his offensive line for playing a complete game. Winside rolled up 300 yards on the ground led by Colby Jensen with 105 yards on 13 attempts. Lonnie Grothe followed with 84 yards on a dozen carries.

Wittler was 13-25 with one interception for 145 yards with Holdorf being his favorite receiver

with seven catches for 108 yards. Defensively, Winside was led by Josh Jaeger who was everywhere according to Geier with 13 tackles, an interception and two fumble recoveries.

Dave Paulsen finished with 11 tackles and Jayme Shelton had 10 while Jason Wylie notched nine stops.

# WSC spikers compete well with Augie

The Wayne State volleyball team took Augustana to five games, Monday night in Rice Auditorium before falling to the once 11th rated team in America in NCAA-II.

WSC lost the first two games, 9-15, 8-15 but Sharon Vanis' squad bounced back and thumped the visitors, 15-0 in the third game and 15-4 in the fourth game.

The favored visitors, however, came back to win the fifth and deciding game, 15-4. "I was very pleased with the way we played," Vanis said. "We could have pretty much thrown in the towel after getting down two games to none but we didn't and hung in there and that's what I like to see."

The 14-18 'Cats will host South Dakota State on Tuesday before a 10-day layoff. WSC will play in the Augustana Tournament on Nov. 4-5 before hosting Kearney in the final home game on the eighth. The last match of the season will be

played on Nov. 11 in Sioux City against Morningside.

Lora Grant led WSC against Augustana with 17 kill spikes on 44 of 51 attempts while Tammy Gablenz was 23 of 27 with 14 kills and Carol Sigdestad notched 10 kills on 22 of 25 attempts.

Jaime Melton recorded 48 ace sets for WSC and Vanis singled Melton out as having an excellent defensive match as well. Sigdestad had seven digs for team honors while Grant had six and Melton, five.

Over the weekend the 'Cats played in the Dordt Tournament and went 1-3. WSC lost to the number one team in the nation in NAIA in Northwestern, 6-15, 16-14, 5-15. The 'Cats also lost to Dordt, 15-7, 9-15, 0-15 and they lost to Hastings, 2-15, 11-15. The match that the 'Cats won came against Dakota State in which WSC won in straight games, 15-12, 15-12.

# WSC runner wins at BV invitational

Wayne State sophomore cross country standout James McGown became the first Wildcat to win an invitation-sized meet since All-American A.D. Benson in 1967 at the Buena Vista Invitational last Friday in Storm Lake, Iowa.

McGown was timed in 26:09—10 seconds faster than the runner-up finisher. McGown is currently the WSC record holder in the 800 and 1500 meter races. "This was the strongest I've seen James run," second-year WSC coach Brian Kavanaugh said. "He was in third for about half the race before he took the lead for good at about the three mile mark."

The Wildcat men placed fourth in the 11-team field with 134 points. Simpson College won the team title with 31 points followed by Sioux Falls with 71 and Dakota

State with 93.

The 'Cats finished ahead of Morningside, Midland, Northwestern, Mount Marty, Buena Vista, Dordt and Dakota Wesleyan. Sophomore Mark Merritt finished 10th in 26:53—breaking the 27-minute mark for the first time.

Donny Thongdy was timed in 28:21 and Chris Garvin finished with a time of 29:16 while Mark Beran ran to a 30:19 clocking. Chris Bye also ran for the 'Cats and finished with a 31:19 time.

The women's team also ran well according to Kavanaugh with senior Angie Chvala leading the charge with an eighth place time of 19:58. Kathy Dalton recovered from an injury to place 22nd in 20:57 followed by Michelle Baatz in 21:51 and Valerie Schwartz in 26:31.

The Wildcats have a break from racing this week before the NCAA North Central Regional Championship takes place on the fifth of November in Kearney.

"James McGown has an outside shot at qualifying for nationals," Kavanaugh said. "However, seven of the top 25 teams in the nation in Division II are in our region and only three teams and three individuals can qualify so it will be tough."

### FUND RAISERS

The Allen volunteer firemen and EMTs will be sponsoring a pancake breakfast on Sunday, Nov. 6 at the Allen fire hall from 7 a.m. until 1 p.m. Featured on the menu will be pancakes, eggs, sausage, juice and coffee for a free will donation. All proceeds will go to support the new fire hall, presently being built in Allen across the street from the old fire hall.

The Allen fire and rescue per-

sonnel are also selling raffle tickets on a shotgun, with all proceeds going to the building fund. Tickets may be purchased from any fireman, EMT, Allen Oil Co., the Village Inn or Security National Bank in Allen. The drawing will be held Saturday, Nov. 5 at the Village Inn in Allen at noon. Need not be present to win.

### PROJECT

The Legion Post, Legion Auxiliary unit and Allen schools are cooperating throughout the rest of the year and all of 1995 in a project to have Allen named as a

World War II Commemorative Community. This program is sponsored by the Department of Defense in honor of the 50th anniversary of World War II. All veterans that attended homecoming coronation and the game were recognized.

### MASONIC BANQUET

The 78th annual Dixon County Masonic Banquet was held in Allen at the Masonic Hall on Oct. 10. Emerson, Wakefield and Allen lodge members, as well as Eastern Star members from the Wakefield area, were in attendance. Mary Lou Ericson of Wausa, Worthy Grand Matron of the Nebraska Order of Eastern, was the guest speaker for the evening.

### SUPPER

A chicken and biscuit supper will be held at the Allen United Methodist Church on Friday, Oct. 28 in the church basement. This will also include a bake sale and a rummage sale. Cost for the supper is \$5 for adults and high schoolers and \$4 for grade schoolers. Preschoolers are free.

This is a church-wide effort and anyone interested in helping out should contact Mary Lou Koester in Allen.

## 'The Traveling Gourmet'

# Love of cooking leads to new enterprise

By Dianne Jaeger  
Winside Correspondent

Just in time for the upcoming holiday season is a new business in Wayne County — "The Traveling Gourmet" — a personal chef service. Owner and operator is Claire Brogren of Winside.

"Combining the love of cooking and a desire to have my own business is how The Traveling Gourmet developed," says Claire. "A personal chef prepares your food or meal for special occasions such as teas, showers, bachelor or bachelorette parties, anniversaries, birthdays or a holiday dinner. If you're too busy to make your holiday candies and cookies, I can do that also."

Claire says she has had plenty of experience. She started cooking as a child and has since married a farmer and raised four children. There have been many days of cooking and baking. "I have a large collection of cookbooks and love reading them in my spare time. I can probably find a recipe for anything you want." I

also watch cooking programs on television for continued education. I do all my cooking from scratch and have even made up some of my own recipes hoping to someday write my own cookbook. One such dessert recipe Claire created is Choco-mallow-torte. "I dreamed this dessert one night. It has a cookie crust with a chocolate marshmallow chiffon filling. I garnish it with nuts, whipped cream and chocolate curls."

"If someone was interested in my making a Thanksgiving dinner for them, I would suggest cranberry sorbet, herb breaded turkey breasts, wild rice pilaf, broccoli spears with mornay sauce, individual pear salad, rolls and butter, pumpkin marble cheesecake, coffee, tea and ice water."

"I prefer to work on an hourly basis but I am flexible and can give estimates per plate. If I'm doing a larger party and need extra staff, the cost will reflect that. Being flexible and making it work for the customer is my main concern. I will

Claire Brogren

come and prepare the food in your own home, serve it if you like and will clean up the mess afterwards."

Claire was born around Winside but moved with her family to Pennsylvania at the age of 3. When she was in high school, the family returned to Winside. She married Rod Brogren, a farmer, 24 years ago and they have four children. They are Dorce, 22, who lives in Minneapolis, Minn.; Matt, 21, living at home; Ryan, 19, of Norfolk; and Nick, 13, at home.

She enjoys doing crafts, sewing, gardening and reading cookbooks. She is a member of the Nebraska Home Based Business Association, Wayne Chapter and of the Center Circle Club.

One of Claire's favorite recipes is:

**Pumpkin Marble Cheesecake Crust —**

1 1/2 cups gingersnap crumbs  
(could substitute vanilla wafers)

1/2 cup finely chopped pecans

1/3 cup butter melted

Combine crumbs, pecans and butter. Press onto bottom and 1 1/2 inches up sides of a 9 inch spring-form pan. Bake at 350 for 10 minutes.

**Filling —**  
2 8-oz. packages of cream cheese,  
softened

3/4 cup sugar

1 tsp. vanilla

3 eggs

1 cup canned pumpkin

3/4 tsp. cinnamon

1/4 tsp. ground nutmeg

Combine cream cheese, 1/2 cup sugar and vanilla, mixing at medium speed on electric mixer until well blended. Add eggs one at a time, mixing well after each addition. Reserve one cup of this batter. Add remaining sugar, pumpkin and spices to remaining batter, mix well. Spoon pumpkin and cream cheese batters alternately over crust; cut through batter with a knife several times for marble effect. Bake at 350 for 55 minutes. Loosen cake from rim of pan, cool before removing rim of pan. Chill.

Can garnish with whipped cream sprinkled with nutmeg but leave enough surface clear to show marbled effect.

Hint - always place a pan about 1/2 full of water in oven while baking a cheesecake. It keeps the cheesecake from drying out and cracking.

## GOP Roundup is Oct. 30

More than 20 Northeast Nebraska counties will hold their "GOP Round-up" Oct. 30 at the American Legion Hall in Neligh. The social hour will begin at 6:30 p.m. with a buffet meal at 7. The event has attracted over 500 people in the past.

The evening will feature state and federal candidates such as Jan Stone, Gene Spence, Bill Barrett, Don Stenberg, Dave Heineman and Scott Moore. There will be a wine and cheese reception for all Booster Club members and candidates beginning at 5 p.m. at the Imperial Steakhouse. Local entertainment

will round out the evening.

Antelope County Chairman Donna Farrell Taylor said "this event will give us the opportunity to showcase the excellent slate of Republican candidates we have for the Nov. 8 election and encourage people to go to the polls."

Tickets and information are available by contacting Charlie Maas, Hoskins at 402-565-4464; Jan Zeiss, Wayne, 402-375-4296; Leland Herman, Wayne, 402-375-1871; Jacki Zeiss, Wayne, 402-375-1719; or Donna Farrell Taylor, 402-887-5423 days or 402-887-4855 evenings.

## Sports & medicine are intermingling

I think it's time for a football column. It's the eve of the NU-K State game, and I do not have a good feeling about it.

My friend Marlyce wrote from Orlando that she would be in Nebraska the last week in September for her parent's anniversary. It dawned on me that her parent's anniversary was on Oct. 1. And that there was an NU home game on Oct. 1.

So I called her to ask if she would like to go to a football game that afternoon. She and I had gone to NU games together in the 50's when Bob Reynolds played, sitting in the "knothole section" for 50¢. She had not been to a game in Lincoln since. She was excited at the prospect.

Then I had to track down some tickets. Everyone I knew who had tickets had someone using them. I finally called a broker with an 800 number and paid a premium price. But, they were delivered to my door and they were very good seats.

I met Marlyce at the Airport Inn and asked her if she liked runzas. Would you believe she had never had a runza? We took care of that, and she liked it. Guess I don't know anyone who doesn't.

Of course, Tom Frazier had been hospitalized with the blood clot that week and we were apprehensive about the quarterback position. Turned out that Berringer got into the flow after the first quarter, but the defense was inconsistent all afternoon. Wyoming passed, and passed well. But we had a good time, and we won. Then, of course, we had the news of Berringer's collapsed lung.

When Matt Turman walked on last week and did such a great job, I actually had goose bumps. They grow very good athletes at Wahoo, and Matt really did live out a dream.

## The Farmer's Wife

By Pat Meierhenry

Meanwhile, K State clobbered KU on their home turf. Frazier had a second clot, while on anticoagulants, something I have never heard of. And Berringer's lung is sealing slowly. (I had figured he played too soon, but what do I know?)

I attended the Lincoln Cardiovascular Conference last week, and many of the speakers referred to our man with the clot. I had the impression lots of medical folks have been speculating privately.

I spoke briefly with an ICU nurse from Bryan. She said they had to have one person just to answer the phone.

She took one call inquiring about Tommie's condition and asked her usual, "Family, friend or fan?"

The caller identified himself as the coach at Alcorn College, a school she had never heard of. She asked if Nebraska played Alcorn? He said, no, but they had a Heisman candidate! The world of sports, it's amazing.

Anyway, it looks like a great weekend of football. Winside meets Beemer, and NU heads to Manhattan. I'll be at a wedding rehearsal Friday evening and plan to be very busy Saturday noon. The Big Farmer will keep me informed.

### Completes basic

Army National Guard Pvt. Margo Murfin has completed basic training at Fort Jackson in Columbia, S.C.

During the training, students received instruction in drill and ceremonies, weapons, map reading, tactics, military courtesy, military justice, first aid and Army history and traditions.

Murfin is the daughter of Larry and Nita Murfin of Wakefield.

### Council elected

The election for Wayne county 4-H Council was held. Deb Daehnke and Gary Hansen of Wakefield will be serving as the

two new adult members of the council. Jolene Jager of Wayne and Adam Behmer of Hoskins are the new youth members.

The newly elected members join Kim Dunklau, Darin Greunke, Robyn Sebade and Brent Meyer who are serving their second year of their terms.

The Wayne County 4-H Council plays an important role in improving the county, developing policy for 4-H events, determining how the funds earned through the 4-H Food Syand are spent and coordinating awards and recognition programs.

### Poster winner

Jamie Ruden of Wakefield Elementary School in Wakefield has been honored as one of 24 poster

artists in the Nebraska Municipal Power Pool's fifth annual calendar contest.

The contest is open annually to fifth graders in communities served by NMPP. The winning posters, based on the theme of "Energy is the Answer -- It Runs the World" will be featured on NMPP's 1995 calendar.

Over 800 entries were received during the contest said Corrine Pedersen, manager of community development services for NMPP. "Fifth graders know a lot about energy conservation," she said. "The posters we received showed ingenuity and carried a lot of good, common-sense ideas on energy and energy conservation."

Prizes were awarded to all the winning calendar artists.

### Wins scholarship

Mike Eckhoff, Wayne, has recently been awarded a \$400 Sioux City Bodies of the Scottish Rite Scholarship to attend Wayne State College.

Eckhoff, a 1993 graduate of Wayne High School, is the son of Mr. and Mrs. Bob Eckhoff. He is a sophomore majoring in computer information systems.

### Attends college

Mark Stosberg is currently a first year student at Earlham College in Richmond, Ind. Stosberg is the son of Julia D. Slaymaker of Wayne and a graduate of Western Hills.

Earlham College is a four-year, residential, coeducational liberal arts college founded in 1847 by the Religious Society of Friends (Quakers) with 1,100 students coming from 46 states and 16 countries.

The college offers bachelor of arts degrees in 29 fields. More than 65 percent of its graduates pursue advanced education in graduate and professional schools, notably medicine and law.

Study at Earlham is informed by the Quaker values of equality, academic integrity, respect for other persons, social justice and peaceful resolution of conflicts and international understanding.

Students at the college are encouraged to develop a global perspective through participation in international studies during their four years. Nearly 65 percent of all Earlham undergraduates spend three or more months abroad.

### LEGAL NOTICE OF MEASURES TO BE VOTED UPON NOVEMBER 8, 1994 BALLOT TITLES AND TEXT OF CONSTITUTIONAL AMENDMENTS

PROPOSED BY THE NINETY-THIRD LEGISLATURE SECOND SESSION, 1994

Also Included are Statements of Explanation in Italics Prepared By The Executive Board of the Legislative Council

### PROPOSED BY THE 1994 LEGISLATURE Proposed Amendment No. 1

A vote FOR this proposal would add a provision authorizing the Legislature to provide for the enforcement of mediation, binding arbitration agreements, and other forms of dispute resolution voluntarily entered into, and which are not revocable other than upon such grounds as exist at law or in equity for the revocation of any contract.

A vote AGAINST this proposal would not add the new language referred to above authorizing the Legislature to enforce other forms of dispute resolution, including binding arbitration agreements voluntarily entered into.

"A constitutional amendment to authorize the Legislature to provide for enforcement of mediation, binding arbitration agreements, and other forms of dispute resolution.

For  Against

### TEXT OF PROPOSED CONSTITUTIONAL AMENDMENT

Now, therefore, be it resolved by the members of the Ninety-Third Legislature of Nebraska, second session:

Section 1. That at the general election in November 1994 there shall be submitted to the electors of the State of Nebraska for approval the following amendment to the Constitution of Nebraska to amend Article I, section 13:

1-13 "All courts shall be open and every person, for any injury done him or her in his or her lands, goods, person, or reputation, shall have a remedy by due course of law; and justice administered without denial or delay except that the Legislature may provide for the enforcement of mediation, binding arbitration agreements, and other forms of dispute resolution which are entered into voluntarily and which are not revocable other than upon such grounds as exist at law or in equity for the revocation of any contract."

### PROPOSED BY THE 1994 LEGISLATURE Proposed Amendment No. 2

A vote FOR this proposal will provide for the creation of the Tax Equalization and Review Commission by January 1, 1996, the members of which would be appointed by the Governor as determined by the Legislature, and whose term of office and compensation would also be determined by law. This commission would have jurisdiction over disputes regarding the state's revenue laws as provided by law, would have the power to review and equalize assessments of property for taxation, plus such other duties as the Legislature may provide for. Thus, a vote for this proposal would result in the elimination of the equalization powers now possessed by the Governor, Tax Commissioner, Secretary of State, Auditor of Public Accounts, and State Treasurer. Also, this proposal would abolish the reference in the constitution to the office of Tax Commissioner.

A vote AGAINST this proposal would result in the Tax Equalization and Review Commission not being created, would continue reference in the constitution to the office of Tax Commissioner with jurisdiction over the administration of the state's revenue laws, and would continue the equalization powers presently possessed by the Governor, Tax Commissioner, Secretary of State, Auditor of Public Accounts, and State Treasurer.

"A constitutional amendment to establish and provide powers and duties for the Tax Equalization and Review Commission and to eliminate the equalization powers of the Tax Commissioner, Governor, Secretary of State, State Auditor, and State Treasurer.

### TEXT OF PROPOSED CONSTITUTIONAL AMENDMENT

Now, therefore, be it resolved by the members of the Ninety-Third Legislature of Nebraska, Second session:

Section 1. That at the general election in November 1994 there shall be submitted to the electors of the State of Nebraska for approval the following amendment to the Constitution of Nebraska to amend Article IV, section 28:

appointed by the Governor with the advice and consent of the Senate. He is provided by the Legislature. The commission shall have jurisdiction over the administration of disputes regarding the revenue laws of the state as provided by law, and together with the Governor, Secretary of State, State Auditor and State Treasurer. The commission shall have power to review and equalize assessments of property for taxation within the state. He and shall have such other powers and perform such other duties as the Legislature may provide. His term of office and compensation of the members of the commission shall be as provided by law."

### PROPOSED BY THE 1994 LEGISLATURE Proposed Amendment No. 3

A vote FOR this proposal will add a new section to the Bill of Rights of the state constitution detailing certain rights to be possessed by the victims of crime or their representatives or guardians, as defined by law, to include: (1) being informed of all criminal court proceedings; (2) the right to be present at the trial unless the court determines that the victim should not be in attendance if necessary for a fair trial for the defendant(s); and (3) to be informed of, be present at, and make an oral or written statement at sentencing, parole, pardon, commutation, and conditional release proceedings. In addition, it will be provided that these rights shall not be enforced so as to deny or impair the enforcement of others provided by law or retained by crime victims; that the Legislature shall provide by law for the implementation of the rights detailed above; that there shall be no remedies other than as specifically provided by the Legislature for the enforcement of these rights; and that nothing in this new section shall be a basis for error in favor of a defendant in any criminal proceeding, or be the basis for providing standing to participate as a party to any criminal proceeding, or be a basis to contest the disposition of any charge.

A vote AGAINST this proposal will result in not adding to the Bill of Rights of the state constitution a new section detailing rights to be possessed by the victims of crime, their implementation by the Legislature, and the remedies to be provided.

"A constitutional amendment to prescribe that crime victims shall have certain rights. A crime victim or his or her guardian or representative would have the right to be informed of all criminal court proceedings, the right to be present at trial unless the trial court finds that keeping the victim out is necessary for a fair trial for the defendant, and the right to be informed of, be present at, and make an oral or written statement at sentencing, parole, pardon, commutation, and conditional release proceedings. The Legislature would be required to pass laws for implementation of such rights. There would be no remedies other than as specifically provided by the Legislature for the enforcement of such rights.

### TEXT OF PROPOSED CONSTITUTIONAL AMENDMENT

Now, therefore, be it resolved by the members of the Ninety-Third Legislature of Nebraska, second session:

Section 1. That at the general election in November 1994 there shall be submitted to the electors of the State of Nebraska for approval the following amendment to the Constitution of Nebraska to add a new section 28 to Article I:

1-28 "(1) A victim of a crime, as shall be defined by law, or his or her guardian or representative shall have: The right to be informed of all criminal court proceedings; the right to be present at trial unless the trial court finds sequestration necessary for a fair trial for the defendant; and the right to be informed of, be present at, and make oral or written statement at sentencing, parole, pardon, commutation, and conditional release proceedings. This enumeration of certain rights for crime victims shall not be construed to impair or deny others provided by law or retained by crime victims.

(2) The Legislature shall provide by law for the implementation of the rights granted in this section. There shall be no remedies other than as specifically provided by the Legislature for the enforcement of the rights granted by this section.

(3) Nothing in this section shall constitute a basis for error in favor of a defendant in any criminal proceeding, a basis for providing standing to participate as a party to any criminal proceeding, or a basis to contest the disposition of any charge."

### PROPOSED BY THE 1994 LEGISLATURE Proposed Amendment No. 4

A vote FOR this proposal will allow the Legislature to authorize off-track pari-mutuel betting on horse races by such means and at such location as it might determine, thus removing the present requirement that all betting on horse races be conducted by licensees within licensed racetrack enclosures in the state.

A vote AGAINST this proposal will retain the present requirement that all pari-mutuel betting on horse races be conducted by licensees within licensed racetrack enclosures.

"A constitutional amendment to remove the restriction that wagering on the result of horse races be conducted within a licensed racetrack enclosure and authorize such wagering to be conducted at such locations and by such means as are authorized by the Legislature.

### TEXT OF PROPOSED CONSTITUTIONAL AMENDMENT

Now, therefore, be it resolved by the members of the Ninety-Third Legislature of Nebraska, second session:

Section 1. That at the general election in November 1994 there shall be submitted to the electors of the State of Nebraska for approval the following amendment to the Constitution of Nebraska to amend Article III, section 24:

III-24 "(1) Except as provided in this section, the Legislature shall not authorize any game of chance or any lottery or gift enterprise when the consideration for a chance to participate involves the payment of money for the purchase of property, services, or a chance or admission ticket or requires an expenditure of substantial effort or time.

(2) The Legislature may authorize and regulate a state lottery pursuant to subsection (3) of this section and other lotteries, raffles, and gift enterprises which are intended solely as business promotions or the proceeds of which are to be used solely for charitable or community betterment purposes, without profit to the promoter of such lotteries, raffles, or gift enterprises.

(3) The Legislature may establish a lottery to be operated and regulated by the State of Nebraska. The proceeds of the lottery shall be appropriated by the Legislature for the costs of establishing and maintaining the lottery and for other purposes as directed by the Legislature. No lottery game shall be conducted as part of the lottery unless the type of game has been approved by a majority of the members of the Legislature.

(4) Nothing in this section shall be construed to prohibit (a) the enactment of laws providing for the licensing and regulation of wagering on the results of horse races, wherever run, either within or outside of the state, by the parimutuel method, when such wagering is conducted by licensees within a licensed racetrack enclosure at such locations and by such means as are authorized by the Legislature or (b) the enactment of laws providing for the licensing and regulation of bingo games conducted by nonprofit associations which have been in existence for a period of five years immediately preceding the application for license, except that bingo games cannot be conducted by agents or licensees of such associations on a percentage basis."

### PROPOSED BY THE 1994 LEGISLATURE Proposed Amendment No. 5

A vote FOR this proposal will provide that all bills and resolutions, and the amendments thereto, shall be read in their entirety when presented for final passage unless 3/5 of the members of the Legislature vote to dispense with the reading of particular bills, resolutions, and the amendments thereto in their entirety.

A vote AGAINST this proposal will continue the present provision requiring that all bills and resolutions, and the amendments thereto, be read in their entirety when presented for final passage.

"A constitutional amendment to authorize the Legislature to vote upon final passage of a bill when the bill and all amendments thereto are printed, presented, and read at large unless reading at large is waived by three-fifths vote of the members elected to the Legislature.

### TEXT OF PROPOSED CONSTITUTIONAL AMENDMENT

Now, therefore, be it resolved by the members of the Ninety-Third Legislature of Nebraska, second session:

Section 1. That at the general election in November 1994 there shall be submitted to the electors of the State of Nebraska for approval the following amendment to the Constitution of Nebraska to amend Article III, section 14:

III-14 "Every bill and resolution shall be read by title when introduced, and a printed copy thereof provided for the use of each member. The bill and all amendments thereto shall be printed and presented read at large before the vote is taken upon its final passage and shall be read at large unless three-fifths of all the members elected to the Legislature vote not to read the bill and all amendments at large. No such vote upon the final passage of any bill shall be taken, however, until five legislative days after its introduction nor until it has been on file for final reading and passage for at least one legislative day. No bill shall contain more than one subject, and the same subject shall be clearly expressed in the title. And no law shall be amended unless the new act shall contain the section or sections as amended and the

section or sections so amended shall be repealed. The Lieutenant Governor, or the Speaker if acting as presiding officer, shall sign, in the presence of the Legislature while the same is in session and capable of transacting business, all bills and resolutions passed by the Legislature."

Article III Section 8 is repealed and amended to read:

Section 8. Legislators: qualifications: one year residence in district; removal from district; effect; ineligibility. No person shall be eligible to the office of member of the Legislature unless on the date of the general election at which he is elected, or on the date of his appointment he is a registered voter, has attained the age of twenty-one years and has resided within the district from which he is elected for the term of one year next before his election, unless he shall have been absent on the public business of the United States or of this state. And no person elected as aforesaid shall hold his office after he shall have removed from such district. No person shall be eligible to file for election to or to serve as a member of the Legislature for a period of four years after the expiration of the second of two consecutive terms for which they were previously elected and as further provided in Article XV Section 20.

Article IV Section 3 is repealed and amended to read as follows:

Section 3. The Lieutenant Governor, Secretary of State, Auditor of Public Accounts, Treasurer, Attorney General and members of the Public Service Commission shall be ineligible to file for reelection to those respective offices and shall be ineligible to serve in those respective offices for a number of years equal to the number of years in the term for which they were last elected, next after the expiration of the second of two consecutive terms for which previously elected, and as further provided in Article XV Section 20.

Article VII of the Constitution of Nebraska is amended by the adoption of Section 15 to read as follows:

Section 15. Elected Officials: ineligibility. (1) The members of the Board of Regents and the State Board of Education shall be ineligible to file for reelection to their respective offices and shall be ineligible to serve in their respective offices for a number of years equal to the term for which they were last elected next after the expiration of the second of two consecutive terms for which they were previously elected after the general election and as further provided in Article XV Section 20.

(2) The voters of the state may lengthen, shorten, or eliminate the limitations on terms of office for the State Board of Education or the governing board of a state institution of higher education imposed by this Section 15.

Article XV of the Constitution of Nebraska is amended by the adoption of Sections to read as follows:

Section 19. Elected government officials - limitation on terms. (1) In order to broaden the opportunities for public service and to assure that elected officials of governments are elected to the citizens of those governments, no elected member of any governing board of any city of the metropolitan class, primary class, or first class, and no elected members of any County Board of Commissioners or Supervisors, shall serve more than two consecutive terms in office, except that with respect to terms of office which are two years or shorter in duration, no such elected official shall serve more than three consecutive terms in office. This limitation on the number of terms shall apply to terms of office beginning on or after January 1, 1996. For purposes of this Section, terms are considered consecutive unless they are at least four years apart.

(2) The voters of any city or county referred to above in Article XV, Section 19 (1), may lengthen, shorten, or eliminate the limitations on terms of office imposed by this Section 19.

Section 20. Representatives in Congress: United States Senator: filing ineligibility. Any person who shall have been elected to serve three consecutive terms in the office of Representative in Congress shall not be listed on any official ballot at any primary or general election to seek a fourth consecutive term; and any person who shall have been elected to serve two consecutive terms in the office of United States Senator shall not be listed on any official ballot at any primary or general election to seek a third consecutive term and neither may be listed on an official ballot as a candidate for a period of years equal to the number of years in the term for which that person was last elected as Representative in Congress or as a United States Senator. The term held and being served as the result of an election prior to the effective date of this amendment shall not be included in the number of consecutive terms referred to in stipulating ineligibility to file for election or to be listed on an election ballot.

Section 21. Appointments: effective date of term; ineligibility. The following provisions of this section shall apply to the state offices of Lieutenant Governor, Secretary of State, Auditor of Public Accounts, Treasurer, Attorney General, members of the State Legislature, elected members of the Public Service Commission, elected members of the State Board of Education, elected members of the Board of Regents of the University of Nebraska:

(a) No person shall be appointed to serve in an office previously held by election. (b) A portion of a term held and being served by appointment shall not come under the restrictive covenants set forth herein. (c) The term held and being served as the result of an election prior to the effective date of this amendment shall not be included in the number of consecutive terms referred to in stipulating ineligibility to file for election or to serve for any of the offices named in this initiative petition.

Section 22. Election officers and officials: penalties. The Secretary of State and all other election officers of the state and counties of Nebraska, are prohibited from placing or permitting to be placed any name on any official ballot in violation of the provisions of Article III Section 8; Article IV Section 3 and 20; Article VII Section 3 and 10; Article XV, Section 19, 20, and 21; and violation thereof of any of these provisions shall be grounds for removal from office, and disqualifications in holding any other public office in Nebraska or any county or political subdivision thereof and shall be subject to such other punishments as the Legislature may from time to time prescribe. Any registered voter of the state may seek enforcement of these provisions.

Severability. If any of the provisions hereby adopted shall be held void for any reason, the remaining provisions shall continue in full force and effect.

Respectfully submitted,

ALLEN J. BEERMANN

Secretary of State

## ELECTION PREVIEW

EDITOR'S NOTE  
Nebraskans will be voting on six issues when they go to the General Election polls on November 8. So that voters can better understand these important proposed changes to the state Constitution, the Nebraska Press Association in cooperation with this newspaper has prepared a series of reports on each of the issues. Each report deals with a couple of issues, briefly defining them, explaining their purpose and finally stating the arguments for and against. This is the second report in the series.

### Crime Victims Bill of Rights

PROPOSED CONSTITUTIONAL AMENDMENT 3: Passage of this measure would guarantee that victims be informed of all court proceedings in their case, have the right to attend all court sessions unless it jeopardizes a fair trial, and be informed of and allowed to make oral or written statements at sentencing, parole, pardon and other court hearings. SUPPORT: Victims of crime have been neglected in the court system and should be guaranteed certain rights to aid their emotional recovery. OPPOSITION: Crime victims already can accomplish these things without putting it in the state constitution. It is unnecessary.

### Off-Track Betting

PROPOSED CONSTITUTIONAL AMENDMENT 4: This will allow licensed horseracing tracks to establish satellite locations to take bets on races and to receive video broadcasts of races. SUPPORT: Growing competition of more convenient forms of gambling, like lotteries and keno parlors, is killing the racing industry. Permitting satellite betting locations will increase revenue and allow the sport to survive. OPPOSITION: Gambling is widespread enough already. The next step will be allowing bets to be placed at home over a phone or television set. Betting on horses should remain confined to the racetrack only.

## WAYNE COUNTY COMMISSIONERS PROCEEDINGS

Abbreviations for this legal: PS - Personal Services, OE - Operating Expenses, SU - Supplies, MA - Materials, ER - Equipment Rental, CO - Capital Outlays, RP - Repairs, RE - Reimbursement. Wayne, Nebraska, October 18, 1994

The Wayne County Board of Commissioners met in regular session at 9:00 a.m. on Tuesday, October 18, 1994, in the Courthouse meeting room. Roll call was answered by Chairman Beiermann, Members Nissen and Pospishil, and Clerk Finn. Advance notice of this meeting was published in the Wayne Herald, a legal newspaper, on October 18, 1994. The agenda was approved. The minutes of the October 4, 1994 meeting were examined and approved. Highway Superintendent Saunders reviewed recent developments in the drafting of zoning regulations. Saunders requested permission to resign as Clerk to the Wayne County Joint Planning Commission; a position which the Board of Commissioners had directed him to fill in 1990. Permission was granted with an effective date of November 18, 1994; Saunders is to notify the Joint Planning Commission.

The informal proposal for an internal elevator as prepared by Jerry Berggren was reviewed. It included a cost estimate of \$170,000 - \$180,000. The statement that a gliding chair was no longer an acceptable option for handicapped accessibility raised several questions. Custodian Art Barker will contact the State Fire Marshall's office and request a visual inspection of the building. The purchase of a used snow plow truck at \$3,500.00 as per informal bid submitted by C&H was approved on motion by Nissen, seconded by Pospishil. Roll call vote: Nissen-Aye, Pospishil-Aye, Beiermann-Aye. No Nays. The following officers' fees reports were examined and approved: Leon F. Meyer, County Treasurer, \$20.00, July-September Fees. The following claims were audited and allowed:

## Deadlines established in crop bill

Terri Post, County Executive Director of the Wayne County Agricultural Stabilization and Conservation Service (ASCS) said this week that the recently-enacted crop reform bill contains important deadlines for those farmers concerned with maintaining eligibility for USDA benefits such as farm program payments.

The new law, signed by President Clinton on Oct. 13, requires producers of insurable crops to take out at least the minimum, catastrophic level of insurance to remain eligible for USDA benefits. Post said that while producers of fall-seed crops have until early next year to sign up for catastrophic coverage and remain eligible for benefits, those who wish "buy-up" coverage on their fall-seeded insurable crops must do so by Oct. 31. Post urged these producers to check with their local private crop insurance agent to determine applicable crops and other options.

"Buy-up" coverage is available only through private crop insurance agents but farmers seeking only catastrophic coverage may sign up within the next few months at either their local ASCS office or with private agents.

The new law — the Federal Crop Insurance Reform Act of 1994 — combines the crop insurance and disaster assistance programs into one program beginning with next year's crop. Its provisions virtually eliminate the possibility of future crop disaster assistance program.

Post said, "However, that for 1994 weather-related disasters the current ASCS crop disaster assistance program will continue much like it has been in recent years. Post said the target date for farmers to begin apply at county ASCS offices for partial reimbursement on their 1994 weather-related crop losses is early December.

The 1994 program is similar to those in recent years in which farmers with crop insurance who suffered crop losses greater than 35 percent of normal production (40 percent losses for those without crop insurance) would be eligible for partial reimbursement.

## Technician is certified

Alan Finn recently attended a four day certification class on electricity and electronics offered through John Deere Company. Finn passed a final examination which included not only written tests, but hands-on application testing.

John Deere Company is strongly committed to the certification of dealership technicians. The certification process consists of tests that are mailed to dealerships

Shirley and Larry Bowers are pictured with Harry Buck (left) and Mark Herrmann (right) as they receive an award for outstanding sales at DeKalb's Winner's Circle meeting at The Inn on Lake Okoboji, Iowa.

## Local dealer named to DeKalb Winner's Circle

Larry Bowers of Winside has been named to the "Winner's Circle" as one of the top dealers for DeKalb Genetics Corporation.

DeKalb will honor approximately 1,200 Winner's Circle members nationwide this year, based on service to their customers, sales volume and increases in seed orders.

"Winner's Circle dealers from each region are honored at special programs held throughout the

country," explains National Sales Manager Dennis Schlott. "It is the extra effort of our Winner's Circle members that makes a significant contribution to DeKalb's overall success."

DeKalb Genetics Corporation was founded by farmers in 1912. Headquartered in DeKalb, Ill., the company has expanded to become an international researcher, marketer and producer of corn, sorghum, soybean, alfalfa and sunflower seed.

## Get ready for show

Now is the time for Nebraska livestock producers to update their posters, pamphlets, sale bills and videos for the National Western Stock Show in Denver, Jan. 10-22. Producers are encouraged to provide these informational materials to the Nebraska Department of Agriculture if they would like to be represented at the Department's booth during the show.

"The main reason we have a booth at the National Western is to answer questions from national and international visitors about Nebraska livestock production," said Larry E. Sitzman, Director of the Nebraska Department of Agriculture. "People across the country and around the world are very interested in our feedlot industry, our purebred

seed stock and our superior genetics. The Department's booth provides great exposure for Nebraska producers who would like to expand their marketing opportunities."

Producers who would like videos of their livestock used during the National Western Stock Show must send their video cassettes to the Department by Dec. 1. The address is 301 Centennial Mall South, P.O. Box 94947, Lincoln, Neb. 68509. Printed information must be received by Jan. 1, or dropped off at the Department's booth at the show.

For more information about participating in the National Western Stock Show, producers should call Chris Buechle or Dick Arends, Ag Promotion Livestock Specialists, Nebraska Department of Agriculture at 402-471-4876 or 800-422-6692.

## New USDA program aims at agriculture sustainability

Agricultural producers who want to improve their profitability and sustainability should have more information about what works and what doesn't as a result a new U.S. Department of Agriculture program.

Extension agents/educators, Soil Conservation Service and Agricultural Conservation and Stabilization Service personnel, and others providing agricultural information will receive increased training in sustainable agriculture practices and principles through a \$500,000 program being initiated this year in the North Central Region (NCR).

The announcement was made by Elbert Dickey, extension coordinator for the NCR Sustainable Agriculture Research and Education program (SARE) and assistant dean of Cooperative Extension at the University of Nebraska-Lincoln.

"This project will put more information and more resources at the fingertips of the extension agent/educator," said Dickey. "It will ensure that the latest on-farm, site-specific research can be incorporated into Cooperative Extension programs designed to meet consumer needs."

The Extension Training Program was mandated in the 1990 Farm Bill; however, it was not funded until 1994. The program will be managed as part of the USDA SARE program, which has funded more than 200 projects in the region since 1988. The North Central Region, one of four in the nation, includes Illinois, Indiana, Iowa, Kansas, Michigan, Minnesota, Missouri, Nebraska, North Dakota, Ohio, South Dakota and Wisconsin.

"While Cooperative Extension always has been an integral part of the Sustainable Agriculture Research and Education program, this commitment of dollars and support underscores the importance of its work," said Steven Waller, NCR SARE coordinator and assistant dean and director of the Agricultural Research Division in the Institute of Agriculture and Natural Resources at UNL.

George Bird, former director of the national SARE program and a professor of entomology at Michigan State University at East Lansing, will coordinate the NCR Sustainable Agriculture Extension Training Consortium (SAETC).

"I'm looking forward to interacting with the SAETC program coordinators and the agricultural communities of the 12 North Central states," Bird said. The consortium will include a regional training program, multi-state pilot project, and 12 state strategic planning activities.

Consortium projects include: 1. Learning for the Future: North Central In-Service for Sustainable Systems. This project will be designed to train personnel from Cooperative Extension, SCS, ASCS, other government agencies, crop consultants, and representatives of agribusiness and production in the principles and practices of sustainable agriculture. Two of the region's leaders in sustainable agriculture research and extension programming will manage the project: Charles Francis, UNL agronomist and former director of the Nebraska Center for Sustainable Agriculture, and Clive Edwards, entomologist at Ohio State University in Columbus and director of its Sustainable Agriculture Program.

The program was developed by a group of producers, landowners, nonprofit group representatives, and

university extension specialists and educators who identified educational needs. The project will use a three-tier approach. Each year a regional training workshop will be held for trainers. The workshop will be used to assemble current materials, review and demonstrate practical adult education approaches, and commission needed materials not yet available.

Project leaders will work with individuals in the 12 North Central states to develop prototype workshops designed to select and demonstrate appropriate materials, sites, and approaches for each location. Multi-state tours will be conducted in some areas. An annual planning and evaluation meeting will be held to review experiences and impacts of the project and plan for the next year.

2. North Dakota, South Dakota Pilot Project. This project includes eco-regions with specific geologies, precipitation averages, cropping practices and systems exist which require specialized strategic planning and training. This year one, two-state pilot training project was funded in this category. Darnell Lundstrom, program leader for agriculture and natural resources, North Dakota State University Extension Services, will be project leader.

3. State Strategic Planning Initiatives. Each state in the North Central Region will develop a strategic plan designed to assure that Extension agents/educators and SCS and ASCS personnel have knowledge and expertise in the most recent practices and principles of sustainable agriculture.

## Northeast Pork Producers to hold annual banquet

The Northeast Pork Producers organization will hold its annual banquet on Sunday, Nov. 6 at 6 p.m. in the Sacred Heart Gym in Emerson.

Distribution of honors to individuals showing hogs at the annual pork judging in Pender and at the county fairs, along with Pork Booster awards will be a part of the evening schedule.

Featured speaker, Craig Beucher of Deweese, Neb., will highlight the night with humor of a farmer and pork producer.

A pork producer ambassador for the forthcoming year will be selected from candidates of senior boys or girls whose parents are members of the organization. Selection will be judged on merit of a two to four minute speech pertaining to pork, and activity scope in school-community. Applications are available from Harlan Thompson at Wakefield.

Tickets for the banquet and membership to the organization are available from Northeast Pork Producer committee members.
