

West Point man is shot, police seeking suspects

Authorities in Northeast Nebraska are searching for two people who shot a West Point man who interrupted them while they were attempting to steal his car Wednesday.

Bill Weiler, 39, was released from the St. Joseph Hospital in Omaha Thursday after being treated for more than 180 shotgun pellet wounds. He was shot Wednesday at about 6:20 a.m. when he yelled at two people who were in his car.

Authorities are looking into connection between the shooting incident and several attempted car thefts which were reported in the area.

The two people reportedly fled the scene after the shooting in a small four-door car. Weiler was first taken Saint Francis Memorial Hospital in West Point before he was transferred to Omaha.

Weiler's wife, Cheryl, told au-

thorities that she heard her dog barking Wednesday morning. When she tried to quiet the dog she said she saw the dome light of her 1985 Buick Park Avenue was on and two people were near the vehicle which was parked behind their house at 322 North Lincoln.

She said she got her husband out of the shower and he went out and yelled at the people. It was while she was on 911 calling authorities when she said she heard the "boom."

Authorities are asking anyone in Northeast Nebraska who may have seen anything suspicious Wednesday morning near West Point to contact them. Law enforcement agencies are searching for a small to mid-sized 4-door possibly tan in color.

Penguins on Parade

Scores of Wayne parents attended the special kindergarten performance of "Penguins on Parade" at Wayne Elementary School Thursday. All the students participated in the program with songs and poems. Here Kasey Otte, left, Ronnie Shupperd, center and Amber Lutt, right, show parents how penguins waddle.

Chickens on the march

Chickens on Parade is the tentative theme for the 1995 Wayne Chicken Show.

Members of the Chicken Show committee settled on the theme at Wednesday's meeting and will finalize it pending the approval of the 1995 t-shirt design.

Parading chickens theme would relate to the alumni reunion band which is being organized as a tribute to former Wayne High Band Director Ron Dalton. All high school band alumni are invited to join the band, which will march in the Chicken Show Parade on Saturday, July 8.

Other parading chickens in the plans this year will be the inclusion of the crew of the World War II bomber which was nicknamed the "Screaming Chicken." The crew of the B-17 is planning a reunion this summer in Wayne surrounding the Chicken Show.

The Chicken Show parade will also provide an opportunity for the

Grant provides Wayne with a new 'cop fast'

Wayne Police Chief Vern Fairchild has been notified that the city of Wayne is one of 40 communities and counties in Nebraska to receive grant money from the U.S. Department of Justice to hire additional police officers.

Part of a program known as "Fast Cops" in which more than \$200 million was made available to state and local governments, the Wayne grant is valued at \$69,444 over the next three years.

Nebraska senators Jim Exon and Bob Kerrey made the announcement of the grant money early this week. "While violent crime in this nation's larger cities may capture the headlines, crime in rural American is growing faster than in any other part of the United States," the senators said. "Certainly more police officers on the street is one of the best deterrents to crime."

"We sent in the grant application in December and received word this week that our grant has been ap-

proved. We are very pleased. We don't know any of the details such as when we will fill out the actual paperwork to get the money or when the new officer will begin work, but we do know that we have been awarded the grant," said Fairchild.

"At the present time, there are 13 hours during each day when we have only one officer on duty so there definitely is a need for additional officers," said Fairchild.

The new officer will be hired for a period of three years and after that the decision will be made whether to keep the person on the police force.

Other communities in the area to receive grant money were the Dakota County Sheriff's Department, Dixon County Sheriff, Omaha Tribe Police Department, Santee Sioux Tribe of Nebraska, Stanton County Sheriff and the Winnebago Tribe of Nebraska Police.

PMC co-sponsoring screening tests

WAYNE — Providence Medical Center and the Wayne County Chapter of the American Heart Association will be sponsoring a cholesterol and blood pressure screening program on Tuesday, Feb. 21 and Thursday, Feb. 23. People wishing to have their blood or blood pressure tested can come to the hospital between 7 and 11 a.m. on those dates. Blood pressure testing is provided free of charge.

The fee for the cholesterol screen is \$8 and includes total cholesterol, LDL (bad) cholesterol, HDL (good) cholesterol, triglycerides and a calculated risk factor for heart disease. Persons taking part in this program should not ingest food for 12 hours prior to testing and should abstain from any alcoholic beverages for 24 hours. Water intake is unlimited and regularly scheduled medications should be taken.

A short questionnaire will be filled out prior to the blood being drawn by venipuncture. Participants should plan on the whole procedure taking not more than 15 minutes and should obtain their results by mail in about a week. Educational material dealing with heart health, exercise and diet will be available.

Stevie Samaan

Young Stevie Samaan is appreciative of the material he has received for his school report on Nebraska.

Stevie, a ten-year-old fifth grader at Carl Hanky Elementary School in Mission Viejo, Calif. had written a letter to the editor of the Wayne Herald last month asking for information about Nebraska and asking readers to tell him why they think Nebraska is a great place to live.

The newspaper has offered a free dinner to the person who submits the best response to Stevie's request. The letters to Stevie will be printed in the newspaper. So far only one response has been submitted to the newspaper, but Stevie said he has received several letters from area readers.

He also received copies of the Wayne Herald, Nebraska and Magazine including the annual picture edition "The Road Home" and other Nebraska information guides. Stevie said in his correspondence that he wants to live in Nebraska someday.

In a letter received this week, he

said he enjoys collecting sports cards and playing soccer. His favorite food is pizza, he said and his favorite television show is the Simpsons. Stevie said he has a sister named Jeni.

His teacher, Lisa Austin, told the

Drug find shocks Wayne mom

By Les Mann
Of The Herald

Kathleen "Okie" Milligan is relieved that she picked up the vial of small white pills on the steps in front of the Wayne Post Office Wednesday and not some young children.

Wayne medical people have said the pills are "white crosses" which is the street name for methamphetamines or "speed."

Mrs. Milligan turned the pills, which she found in a well-used Tylenol container, over to the authorities for disposal. She estimated there were over 200 of the small pills in the container. But she sees the situation as an opportunity to warn parents and children to be on the lookout for drugs and drug activity in the community.

Without lab analysis, it is difficult to determine what the pills actually contain, said Will Davis, pharmacist and owner of Sav-Mor Pharmacy in Wayne. He said one thing is certain, the lost pills were not made and planned for legitimate uses.

He also said parents should be on the lookout for drug activity and seek help for their children immediately if there is dramatic change in behavior or other signs of dependency on drugs or alcohol.

Davis said the pills Mrs. Milligan found could be what are called "designer drugs" which are over the counter medications such as caffeine and antihistamine that are manufactured to look like the illegal varieties. He said the "designer drugs" are often seen as gateways

Services will be held Saturday, Feb. 11 at 10 a.m. at Salem Lutheran Church in Fremont. The Rev. Leland Uden will officiate.

James F. Suber was born Dec. 19, 1922 at Omaha and moved with his parents to a farm near Wayne. He attended Wayne and Wakefield High Schools and then served in the Navy as a Machinist Mate Third Class in 1945 and 1946. He returned to Wayne to farm and moved to Fremont in 1953 where he went to work for the Geo. A. Hormel Co. until 1971. He was a Federal Meat Inspector from 1976 until his retirement in 1989. He married Joyce Baier on Aug. 23, 1953 in Wayne.

Survivors include his wife, Joyce of Fremont; and four sisters, Mrs. Helen Rhoades of Winona, Minn., Mrs. Florence Stines of Lincoln, Mrs. Irene Andersen of Pilger and Mrs. Joan Hasenkamp of West Point.

Burial will be at Memorial Cemetery in Fremont with graveside services from the Fremont VFW and American Legion Honor Guard. Latin-Dugan-Chambers Funeral Home is in charge of arrangements.

There has been a memorial established to Salem Lutheran Church.

Wayne Mayor Sheryl Lindau signs the proclamation designating February as Heart Month in Wayne. Shown with her is Don Koenig, chairman of the Wayne County Affiliate of the American Heart Association.

Mayor says Feb. is Heart Month

Sheryl Lindau, Mayor of Wayne, has issued a proclamation declaring February as American Heart Month and urging Wayne citizens to support the efforts of the American Heart Association in advancing medical discoveries and treatments through research.

In the proclamation, Ms. Lindau noted that while cardiovascular disease remains the nation's leading killer, medical research has aided enormously in the fight against heart disease and stroke. Cardiovascular disease took the lives of 6,396 Nebraskans during 1993, according to the AHA.

Ms. Lindau asked for support from the residents of Wayne for the American Heart Association's 1995

education and fundraising campaign.

With medical research facing an uncertain future in light of a decline in available funding, the AHA is focusing its efforts throughout February on educating Americans about the vital importance of ongoing research. "Without ongoing medical research, doctors won't be able to unlock the medical mysteries that could save our lives, or the lives of our family members or friends," said Don Koenig, chairman of the American Heart Association's Wayne County affiliate. "The 1995 theme eloquently illustrates that goal with the message: Life. It's What We're Fighting For."

Nebraskans raised over \$313,000 during 1994 American Heart Month. This year AHA volunteers have set a goal of \$334,000. Contributions will help fund cardiovascular research, health education and community programs. In 1995, the Nebraska Affiliate of the AHA will spend \$650,742 for local and national research. Twenty-one Nebraska scientists will receive our financial support.

Since 1963, February has been designated as American Heart Month by a Presidential proclamation which recognizes the fight against heart disease and stroke, and the need for all Americans to take part in this ongoing effort.

With new device —

Police can talk to the deaf

By Clara Osten
Of the Herald

The Wayne Police department recently acquired a device that will allow hearing impaired persons to communicate with the police department.

Known as a Telecommunications Device for the Deaf (TDD), the machine looks like a small typewriter. It has an area in which the telephone receiver is placed when a hearing impaired person calls the police department.

The Americans with Disabilities Act stated that the police department needed to provide this service to those who are not able to communicate by normal telephone methods. The machine cost approximately \$450.

The new telephone consists of a screen which displays the message

being sent by the hearing impaired person as well as a tape of the conversation. When a call comes in to the police station a special signal alerts the dispatcher that the caller is using a TDD phone.

"As far as I know right now, the only other TDD in the Wayne community is at the Super 8 Motel. Hopefully, our purchasing of this device will encourage people with hearing impairments to purchase one of their own," said Wayne Police Chief Vern Fairchild.

"We hope to set up a test program with the motel to test our phone system on a monthly basis. This is something that we hope we never have to use, but we do need to know that it does work," said Fairchild.

"Even if we use the device once, it will be worth it," he said.

Chadron seventh-grader shoots teacher

CHADRON, Nebraska (AP) — A seventh-grader walked into a social studies class Wednesday and shot the teacher as 19 other students looked on, authorities said.

The bullet grazed teacher Andy Pope on the upper chest just as the morning class was ending. He was hospitalized in good condition.

It was not immediately clear what prompted the shooting at Chadron Middle School. The seventh-grader is in one of Pope's classes later in the day and there was no history of

problems between the boy and Pope, said Meryl Nelson, principal of the 325-student school.

Nelson said details were sketchy and police were interviewing students who were in the first-floor classroom.

Chadron is a town of about 5,500 in the northwest corner of Nebraska.

Pope, 35, who also coaches basketball at the high school, had not been facing in the boy's direction but heard some kind of noise, turned and was shot, officials said.

Another teacher and a police officer who happened to be teaching a class against drugs took the handgun away from the boy, Nelson said.

Charges against the boy will depend on whether the shooting was intentional, said Dawes County Attorney Rex Nowlan. They could be filed in juvenile or adult court.

The boy was awaiting transfer to a juvenile detention center. Officials would not release his name or age.

Store

(continued from page 1)

dilemma was being shared with a co-occupant of the building, Marlys Rice, owner of Grandma's House, a flower and cake decorating business.

"It sent us into a tailspin," said Rice of the notice she received from the building's owner and co-occupant, Jerry Malcom.

According to Malcom, he was as surprised as anybody by the sale of his building.

"It came out of the blue. We had the building listed (for sale) two or three years ago for a full year but no one was interested. Rod (Tompkins) came in and offered us our price and we took it. If we didn't, we would have been fools," reflected Malcom, who had to give notice to his tenants in order to sell the property, adding, "the offer was subject to a March one possession, so it was a surprise to us too."

But as recently as this morning, a reprieve seems to have been granted for the tenants of the building.

"Rod called me this morning and offered us a one year lease," said Schaefer, who now expects to remain in his present location. A similar offer was made to Rice, who stated that she also expects to stay where she is.

Another silver lining appeared to Schaefer as he reflected on the anxieties of the past week.

"We had several people, from our neighboring businesses come in. They were concerned as to where we were going to go, and wanted to help us. We received an offer from a man to let us lease some of his space. Even the President of the Chamber came in and offered his help, it was real nice. In the end, it worked out altogether."

But what of the new computer store, the catalyst in this adventure?

32-year-old Dana Tompkins, owner of Wayne's newest business, The Right Stuff, Inc., has decided on a different location for his computer consulting business. When interviewed yesterday afternoon, for this article, Tompkins was not committed to a location, but after seeing the former telephone building, Tompkins was sold.

"I'm 99% sure," Tompkins told the Herald this morning, and added that he hopes that Malcom's tenants will continue to lease the building from him, but his focus now is on remodeling the telephone building

and developing clients for his new venture.

"For a market the size of northeast Nebraska, it seems to me that there is not a lot of computer service."

Tompkins has spent the last two and a half years as a network support specialist for a Norfolk company, and believes that he can compete on any level by offering quality and service.

"I will be selling computers and supplies. And I'll have a parts and service department."

"I plan on having one person that is just a software specialist. They will be continually training in the different software used now and in the newest software as it becomes available. Whatever your software needs are, we will be able to help you with it," stated Tompkins who shared his ideas for helping businesses perform better.

"Businesses today have become very computer smart, however, I have discovered many businesses are only running at half speed, simply because they are not utilizing networking when they own more than one personal computer, or they are not using technology and software readily available."

"We can custom design packages... and with a little help, you can really boost your capability levels. When a business does not network their computers, they are often wasting time and money," warned Tompkins.

But it's that "little bit of help" that causes Tompkins to believe that he can tackle some of the mail order giants of the computer industry.

"I'll give you the telephone number of their technical support, you call and see how long it takes to get an answer. It can take weeks. When you're sitting in front of that computer, and you can't make it work, sometimes you feel like you're on an island."

Although Tompkins will be starting with only two or three employees, he hopes to expand to as many as five this year.

"I hope to be in my own location by mid March. But I am open for business now. I'm not out soliciting for business yet, but if someone needs to call, they can reach me at the Heritage Homes number, 375-4770."

for young people to move into stronger medications.

"There's only one good thing to do with them regardless of what they have in them," said Davis of the white cross pills, and with that he flushed the sample down the drain in his pharmacy.

He said legitimate medications are manufactured with an insignia or manufacturer's symbol stamped into the pill. With this, pharmacists are able to identify the medication and its properties easily. The white cross pills Mrs. Milligan found carried no identifiable markings other than the cross-checked scoring.

Mrs. Milligan said she has been told over the counter versions of the white cross pills can be purchased by youngsters at convenience stores in Wayne and she said if this is the case, it should be stopped because it could lead youngsters to use of harder drugs.

Joins staff

Several Hastings College students have been named to staff positions on The Collegian, the student newspaper, for the spring semester.

Melissa West, a sophomore from Arvada, Colo., is editor-in-chief. Managing editor is Dale Miller, a sophomore from Elwood. Faculty adviser is Kathryn Stofer, assistant professor of communication arts.

Susie Ensz of Wayne has been named local advertising manager and Tammy Maul of Pender is a copy editor.

Faculty agree to contract

OMAHA, Neb. (AP) — State college faculty members had agreed to a 1995-96 school-year contract that calls for a 3.5 percent raise, plus \$200, the Nebraska State Education Association said.

The agreement involves faculty at Wayne, Chadron and Peru state colleges, Roger Larsen, NSEA director of higher education, said Wednesday.

The second year of the contract calls for a 3.25 percent pay raise and \$200, said Larsen.

Faculty members at the University of Nebraska at Omaha and the University of Nebraska at Kearney previously settled for a 4 percent raise over each of the next two years.

Faculty at University of Nebraska-Lincoln do not collectively negotiate raises or contracts as a union. Larsen called the recent settle-

ments "fair and responsive." State college faculty members had agreed to 2 percent raises each year for the previous two-year period, he noted.

A new collective bargaining group for nonteaching professional also has reached an agreement with the State College Board of Trustees, Larsen said.

The state colleges' nonteaching professionals, who unionized last year, will receive raises of 4 percent the first year and 3.75 percent the second, Larsen said. That group includes librarians, academic counselors, admissions officers and others.

Larsen said the faculty agreement is similar to the nonteaching pact when consideration is given the \$200 flat figure spread across the entire faculty group.

The state college raises also are similar to those given other state

employees. State employees in the Nebraska Association of Public Employees-American Federation of Federal, State, County and Municipal Employees have settled for 4 percent and 3.5 percent raises for the two-year period.

Pitch played at Hillside Club

WAYNE — The Hillside Club met Tuesday, Feb. 7 at the home of Roberta Oswald. Six members and guest LaFaye Erleben were present.

Lydia Thomsen, vice president, called the meeting to order in the absence of the president. Roll call was answered by "if you could be a famous person, who would it be." The remainder of the afternoon was spent playing 10 point pitch. Prizes went to Lydia Thomsen and Janet Reeg.

Next meeting will be on March 7 at the Ellain Vahlkamp home.

Double ring ceremony unites couple

Debra Renee Reeg and Gary Allen Gipson, both of Houston, Texas, were united in marriage Dec. 31 at St. Paul's Lutheran Church in Wayne.

The bride is the daughter of Bill and Betty Reeg of Wayne. The groom is the son of Carolyn Gipson of Houston and Alvie Gipson of Alice, Texas.

The Rev. Royce Measures, Pasadena, Texas, performed the 6:30 p.m. double ring ceremony.

Lindsay Johannes, Ft. Calhoun, Neb. and Nick Seiler, Wayne, were vocalists and Vera Hummel, Wayne, was the organist. Songs performed were "He Has Chosen You for Me", "The Lord's Prayer" and "There Is Love".

Given in marriage by her father, the bride chose a gown of imported white satin with beaded and sequined Schiffler lace. The fitted sil-

houette featured a wedding band neckline with a heart cutout. The back heart cutout displayed strands of pearls swagged in angles. A cathedral train fell from a lace bow bustle. Her hem was encircled with a scalloped pearl Schiffler lace.

Her headband-type veil featured satin roses and pearls. She carried a cascade bouquet of white roses and stephanotis.

Matrons of honor were Kerri Osterholm and Denise Peters both of Omaha.

Bridesmaids were Cher Reeg, Lincoln; Lou Padgett, Doerpark, Texas, and Jeanne Hauser, Omaha. The attendants wore tea length dresses in black velvet and red satin.

Candle lighters were Heidi Reeg and Liz Reeg, both of Wayne.

Best men were Michael Gipson, Horsham, Pa., and Blair McCarter III, Houston. Groomsmen were

Mr. and Mrs. Gipson

Jerald Mittasch, Houston, and Robb Reeg, Winston-Salem, N.C.

Ushers were Jed Reeg, Lawrence, Kans., and Matt Bruggeman, Kearney. The men wore black tuxedos with red paisley vests.

A reception followed the ceremony. It was held at the National Guard Armory in Wayne and was hosted by Bob and Joyce Reeg of Wayne.

Following a wedding trip to Las Vegas, the couple is making their home in Houston.

The bride is a 1986 graduate of Wayne High School and a 1990 graduate of the Nebraska Methodist College of Nursing in Omaha. She is employed at Texas Children's Hospital in Houston.

The groom is a 1987 graduate of Springwood High School in Houston. He served in the Navy Submarine Service until 1992. He is employed with Consolidated Motor Freightways in Houston.

Wayne gymnasts compete

WAYNE-Three Wayne youth took part in the Jeurink Classic in Grand Island, recently as part of the Norfolk YMCA Flairs Gymnastic Team. Katie Walton, Leah Dunklau and Alissa Dunklau each competed in their respective age groups. Walton placed third in the floor exercise with a 9.0 and fifth in the vault with an 8.1. She also placed seventh in the all-around with a composite of 31.5. Both Dunklaus competed on the level 5 team which placed runner-up. Leah placed second on the balance beam with a 9.05 and second in the all-around with a 35.0. She added a fifth in the vault with an 8.45 and placed seventh on the uneven bars with an 8.5. Alissa won the all-around title with a 34.5 and she won the balance beam competition with a 9.05 while placing second in the vault with an 8.2. The girls will next compete in Omaha at the Omega Sweetheart Meet this weekend.

Junior high rec teams split with Laurel

WAYNE-The Wayne seventh and eighth grade boys rec basketball teams split with Laurel, recently, with the seventh graders winning a 38-22 decision to improve to 3-1 while the eighth grade fell to 1-4 with a 37-23 setback. Joel Munson led the seventh grade team with 11 points while Brandon Garvin poured in eight. Dustin Schmeits added six and Klinton Keller scored five. John Slaybaugh followed with four while Jeremy Dorcey and Ryan Haase tallied two each. The eighth grade team was led by Ryan Dahl with 13 points and John Magnuson with eight while Matt Woehler scored the other two. Both teams will play in the North Bend Tournament this weekend with the seventh grade playing Arlington at 3 p.m., Saturday while the eighth grade plays North Bend at 6 p.m., Saturday.

Allen boys fall to 0-15

ALLEN-Doug Schnack's Allen boys basketball team came close to notching their first win of the season, Tuesday in Macy but the Eagles fell short, 89-82. It was a tale of two halves for both teams as the host squad sprinted to a 54-31 lead at the intermission, only to have Allen come out in the second half and out-score Macy, 51-35. "We really did play a heck of a second half," Schnack said. "Our season average was about 49 points and we surpassed that in one half." Once again, however, turnovers spelled doom for the Eagles as they suffered 25. Davis Miner led Allen with 27 points while Michael Blohm tossed in 16. Craig Philbrick netted 13 and Josh Snyder was in double figures with 12 while Jeremy Kumm and Brad Smith rounded out the attack with seven each. Allen out-rebounded Macy, 35-25 with Miner leading the way with 12 caroms while Blohm hauled down eight. Allen was 20-29 from the charity stripe compared to four of seven shooting by the host team. The Eagles will get a second chance to play Macy in the first round of sub-districts on Feb. 20 at Homer. Allen will close out its regular season with a home game Friday with Beemer and at Winnebago on the 17th.

Blue Devils to play Tekamah-Herman in first round of districts Wayne girls win season finale

By Kevin Peterson
Of the Herald

The Wayne girls basketball team closed out their regular season schedule on a winning note, Tuesday night in Stanton with a 70-64 victory in perhaps the strangest game of the season.

Roger Reikofski's squad trailed 15-9 after the first quarter and 32-27 at the intermission. Both teams scored 15, third quarter points but Wayne went on a 28-point scoring spree in the fourth period to notch the six-point win.

The game was marred, however, by some of the most controversial officiating in quite some time. The Blue Devils were nailed with three technical fouls in the game while the host team was whittled for one.

Reikofski was slapped with a technical in the opening stanza after he questioned one of the officials on a foul call. In the second quarter Blue Devil junior Erica Stoltenberg was given a technical after hauling

down a rebound and with Stanton players reaching in to grab the ball, she apparently threw an elbow.

The comedy of technicals continued for Wayne in the fourth quarter when Carrie Fink was called for her fourth foul and then was slapped with a technical foul which counts as a personal foul, thus, eliminating her from completing the game. The official, called the technical on Carrie for taunting—the same technical he later called on Stanton.

"I was very pleased that our girls were able to overcome all the controversy to win the game on their home floor," Reikofski said. "It was kind of strange that after the game was over three sets of parents from Stanton players came up to me and apologized for the officiating and they were the losing team."

Through all the strange events and happenings Katie Lutt shined for the Blue Devils, pouring in 29 points to lead all scorers. "Katie

played a great game," Reikofski said. "She hit her shots and she did a good job of penetrating the Stanton defense which was a triangle-and-two designed to stop Jenny Thompson and Carrie Fink."

Freshman Molly Linster also stepped up for Wayne, scoring 10 of her career-high 12 points in the first half. She also sank a couple key free throws down the stretch to keep Wayne in the lead.

Thompson and Fink scored seven each and Katy Wilson added six while Erica Stoltenberg finished with three and Anne Wiseman, two. Wayne won the battle of the boards, 39-37 led by Lutt with a dozen rebounds.

The game was cleanly played in the turnover department with Wayne suffering 12 and Stanton, 11 and outcome was more than likely decided at the free throw line where the visiting Blue Devils hit 14 of 22 free throw attempts while the host team was just 5-16.

The 11-8 Blue Devils will play Tekamah-Herman in the first round of sub-districts on Monday night in South Sioux City. The finals of sub-districts are slated for Thursday night in South Sioux with the district final set for Friday, Feb. 24 at Wayne State College.

The Wayne reserves lost to Stanton, 41-38 with Lacey Bebec leading Wayne with 10 points.

Wildcat men lose by two

Greg McDermott's Wayne State men's basketball team dropped a close, 64-62 decision at Winona State, Minnesota Wednesday night leaving the Wildcats with an 11-10 record heading into Saturday's home game with Southwest State.

"We had our chances to win this game," McDermott said. "We just didn't hit some crucial free throw opportunities down the stretch like we had been doing most of the season."

The Cats came into Wednesday's game connecting on over 71 percent of their free throw attempts but at Winona they missed seven charity tosses in the second half and five in the final five minutes.

The host team jumped out to a quick lead on Wayne State, not just because it was a slow start for the Cats but because of hot shooting by Winona State.

"We were down by 14 at one point in the first half," McDermott said. "They (Winona) hit everything in sight. They were six of 11 in the first half from 3-point range."

McDermott said his team got things going a little smoother towards the end of the first half and trimmed the gap to eight by half-time, 37-29. "We came out in the second half and scored on our first five possessions and cut the lead to two," McDermott said. "We actually led by two with about four minutes to go in regulation."

Winona State's point guard got hurt with about 45 seconds remaining in the game and was carried from the floor which changed WSC's strategy in the closing seconds.

"We were hoping to hit a two-pointer on our final possession to send the game to overtime," McDermott said. "We felt without their point guard we would have an excellent chance to win the game in overtime rather than go for a 3-point in regulation to win the game."

When the game's on the line the Cats look to Billy Patterson who's delivered time and time again but this time his short jumper drew iron and didn't get the roll at the buzzer. Dan Anderson led the Cats with 20 points following a 10 of 13 shooting performance from the field while Patterson poured in 15. Craig Philipp tallied eight points and Mike Fitzner scored six while Greg Ryan tallied five. Kyle White and Omar Clark each finished with three and Terry Maillou rounded out the scoring with two.

The Cats did win the battle of the boards, 36-28 led by Philipp with eight rebounds and Ryan with seven. Patterson dished out a game-high seven assists and Anderson notched two blocked shots. The game was very cleanly played with just eight turnovers for WSC and five for Winona. The Cats shot 43 percent from the field, (23-53) compared to 48 percent shooting by Winona, (25-52.)

Lady Trojans down Newcastle in overtime and Coleridge

Gregg Cruickshank's Wakefield girls basketball team closed out their regular season schedule with a pair of victories over Newcastle in overtime at Newcastle on Tuesday and Coleridge in Wakefield on Thursday night.

The Trojans will enter Monday's sub-district tournament with a 13-7 record and will face Pender in the first round at 8 p.m. in Lyons. The other first round game will pit Emerson-Hubbard against Homer.

Tuesday in Newcastle the Trojans captured a 52-49 overtime victory. Wakefield led 28-23 at the half but was held to just five, third quarter points as Newcastle rallied.

"Nobody scored in the final 90 seconds of regulation," Cruickshank said. "We had a shot at the bucket with about two seconds to go but we drew iron."

In the overtime period Newcastle scored first but Wakefield scored the final five points of the game.

Stacey Preston hit a jump-shot followed by a three-point play the old fashioned way by Mary Torczon.

Newcastle had three, 3-point field goal attempts fail in the game's final seconds. "This was an important win for our team," Cruickshank said. "It gave us some confidence heading into our final home game with Coleridge on Thursday and for the sub-district tournament."

Stacey Preston led the winners with 18 points while Torczon poured in 14. Jenny Haglund finished with eight and Alison Benson along with Kristin Preston scored four apiece. Jaime Paulson and Amy Hattig closed out the scoring with two each.

Wakefield won the rebound battle, 28-22 led by Torczon with eight caroms and the Trojans had just 14 turnovers in the game while forcing 18. Cruickshank's squad was 10-18 from the foul line compared to 9-19 shooting by the host team. Tonya Kneiff paced the Red-Raiders with 30 of Newcastle's 49 points.

Thursday in Wakefield the Trojans jumped out to a 30-18 halftime lead over the Bulldogs of Coleridge and were never threatened en route to the 58-50 win.

"Our first three quarters of play were among the best we've played all season," Cruickshank said. "It was a good way to end the regular season because it was a complete team effort."

The fourth quarter saw the Trojans play a little sloppier with some miscommunications on screens that led to some uncontested Coleridge shots, but the visitors could only draw as close as seven points.

Stacey Preston again led the winners with 16 points while Kristin Preston tossed in a dozen. Jaime Paulson and Mary Torczon were also in double figures with 10 each while Amy Hattig netted eight and Jenny Haglund, two.

Wakefield edged the Bulldogs, 32-29 on the boards with Paulson and Hattig notching seven caroms each to lead the team. The Trojans had 15 turnovers while forcing 18 and the host team was red-hot from the free throw line, hitting 14 of 16 attempts while Coleridge was 15 of 23.

James McGown nets new 3000 meter mark WSC runner sets record

Sophomore James McGown (Cairo) set his third school record of the young indoor track season at Wayne State by smashing the 3000 meter indoor record at the USD Invitational in Vermillion, S.D., Saturday.

McGown, who broke the indoor 1500 meter record two weeks ago and was part of the record-setting 4x1600 meter relay team last week,

was clocked in 8:48.02 to eclipse the converted two-mile time of 9:06.0 run by All-American Carl Owczarzak in 1965.

"That's only the third time McGown has run the 3000 meter race," coach Brian Kavanaugh said. "If we chose to do so, I think he could run 8:35 or better." Kavanaugh noted that McGown is focusing on the

1500 meter run this year and he hopes to reach the NCAA provisional standard of 4:18.0 in the mile at the Nebraska-Kearney Invitational this weekend.

"I think he can do it," Kavanaugh said. "As long as it doesn't turn into a tactical race." Another school record fell in the 400 meter

relay at Vermillion as Lamart Cooper, Byron Chamberlain, Lamont Gilchrist and J.C. Lightcap were timed in 44.87 for third place.

Also in the men's events, Cooper (Miami) won the 55 meter dash for the third time in as many weeks with a 6.49 clocking. "Cooper slipped coming out of the blocks," head coach Rick Moorman said. "Otherwise he probably would have been 6.40 or better. Because of

the poor start he had to work a lot harder to win than in the past two meets. Hopefully, he can put a great start together with a great race down at Kearney," Moorman added.

Also in the 55 meter dash, Gilchrist (Omaha) placed fourth with a 6.79 time while in the 200 meter dash, Lightcap (Waverly)

placed fifth with his best time of the season at 23.76. Donny Thongdy (Long Beach, CA) placed seventh in the 3000 meter run in 9:15.57.

In the women's events sophomore Kathy Dalton (Waverly) placed third in the 3000 meter run

in 11:07.08 to move into the number two all-time spot in the Wayne State record books. Normally an

800/1500 meter runner, Dalton stepped up to the longer distance for only the second time ever and the first time indoors to beat her personal best by nearly 35 seconds.

"I've been telling her for months that she could be a great 3000 meter runner," Kavanaugh said. "It's just been a matter of convincing her of that. However, the 1500 and mile will continue to be her focus events—at least for this year."

In the field events Cinda Wheeler (Bellevue) notched a season-best jump of 5-0 to place second in the high jump while Amy Gudmundson (Kearney) and Stephanie Lilja (Norfolk) placed seventh and eighth, respectively, in the long jump.

Wayne grapplers district bound

WAYNE-The Wayne wrestling team will be competing at the district tournament on Friday evening and Saturday at Wisner-Pilger High School. The first round is slated for 5:45 p.m. on Friday with the quarterfinals set for 7 p.m. Action will resume on Saturday morning at 11:15 with semifinals set for 1 p.m. and finals at 6 p.m. The top four individuals in each weight class qualify for the Nebraska State Wrestling Tournament next week in Lincoln.

Jody Campell will take a 10-16 record into the district meet where he'll face Brent Willnerd of Hooper-Logan View (18-8) in the first round at 112 pounds. Tyler Endicott will wrestle at 119 and face Nate Lampman of Wisner-Pilger (11-14) in the first round. Endicott takes a 17-15 record into districts.

Anders Lundsgaard will compete at 126 pounds with a 2-13 record and he'll wrestle Jeremy Schulzkamp of West Point, (25-8). Jeremy Sturm receives a first round bye at 151 pounds but the 23-13 senior will more than likely face Brandon Moser (27-4) of Albion in the quarterfinals.

Brent Geiger will put his 16-13 record on the line at 160 pounds when he faces Nick Sullivan (11-15) of Randolph/Laurel and Dusty Jensen at 172 will wrestle Anthony Bratton (7-9) of Neligh-Oakdale. Jensen sports a 21-10 record.

Ryan Brown will receive a first round bye at 185 pounds and will more than likely wrestle Brock Wagner (18-10) of Hooper-Logan View in the quarterfinals. Jeff Hamer will put his 23-7 record on the line at 215 pounds when he faces Dan Brummels (2-19) of Randolph-Laurel.

Laurel girls split with Wisner and Madison

The Laurel girls basketball team split a pair of home games on Tuesday and Thursday with a 50-39 win over Madison on Thursday and a 59-35 setback to highly ranked Wisner-Pilger on Tuesday.

In Thursday's contest the Bears sprinted to a 14-2 lead after one quarter of play en route to their 10th win of the season against eight losses. Madison did cut the gap to three at the half at 21-18 and they maintained that same three point advantage after three quarters of play at 33-30 before out-scoring the visitors, 17-9 over the final eight minutes.

"We came out ready to play in the first half," coach Rick Petri said. "We forced Madison to take some shots they didn't want with good defense."

The visitors cut into the Bears lead late in the second quarter after Laurel turned the ball over three times which led to a 3-pointer and a pair of regular buckets.

Alissa Krie led the winners with 20 points while Becky Schroeder poured in 17. Tracy Ankeny followed with six and Heather Cunningham netted four while Megan Adkins and Gina Monson closed out the scoring with two and one points, respectively.

The Bears won the battle of the boards, 40-31 led by Krie with 12 rebounds and Schroeder with eight. Laurel had 23 turnovers compared to 20 for Madison and the Bears were 12 of 23 from the foul line while Madison was 3-11.

In Tuesday's game with Wisner-Pilger the Bears struggled early on as Wisner built a 16-6 lead after the first quarter and led 30-16 at the half. Laurel was limited to just five, third quarter points as the visiting Gators built a 42-21 lead.

"Wisner shot 60 percent from the field for the game," Petri said. "That also led to our limited number of rebounds because when the ball goes in the hoop there is no

rebound." Becky Schroeder spent nearly half the game on the bench for Laurel with foul problems which gave Wisner a distinct height advantage. Alissa Krie led Laurel with 10 points while Schroeder finished with seven. Cathy Mohr and Tracy Ankeny each scored six while Penny Stone, Natasha Kardell and Megan Adkins tallied two each.

Wisner out-rebounded the Bears, 36-19 with Schroeder and Ankeny leading Laurel with five caroms each. The Bears suffered 26 turnovers but forced 30 and Laurel was 3-11 from the foul line compared to 13 of 19 shooting by the Gators.

Laurel will host Neligh-Oakdale on Friday night before playing in the sub-district tournament on Monday in Crofton against Ponca in a 6:30 p.m. tipoff. The other sub-district game pits Randolph and Hartington with the finals slated for Thursday in Crofton at 7:30 p.m.

Winside boys claim third win; Girls lose

The Winside girls and boys basketball teams split with Wynot, Tuesday in Wynot with Lisa Schroeder's girls falling by a 51-46 margin while Bill Koolstra's boys team defeated the Blue Devils for the second straight time in Wynot in less than 10 days by nearly the same score, 55-48.

The first time the Wildcat boys beat Wynot the final was 55-50. In this game Koolstra said his squad did a great job of blocking out on the boards in the first half and they got the host team into foul trouble.

"Wynot was aggressive on the boards but we got good position and they were going over our backs and getting called for it," Koolstra said. "I feel we won the game with our quality defense and rebounding."

The Wildcats took a 16-10 lead over Wynot after one quarter of play

and led by that same six-point margin at the half, 27-21. Wynot did rally in the third quarter and cut the gap to, two points heading to the fourth period at 40-38.

"We hit our free throws down the stretch which is another key area in why we won the game," Koolstra said. Winside was 14 of 20 for the game from the charity stripe while the host team was just five of 12.

Chad O'Connor led the winners with 15 points while Jeff Bruggeman tossed in 13 and Jay Shelton, 12. Jaimcy Holdorf scored seven points and Josh Belimer added five while Colby Jensen closed out the scoring with three.

Winside out-rebounded Wynot, 45-41 with Shelton hauling down an impressive 15 caroms and Bruggeman followed with 13 re-

bounds. Winside had 13 turnovers compared to eight for the host team.

THE WINSIDE girls got off to a slow start and never fully recovered in their 51-46 loss. The Wildcats trailed the host team, 34-20 at the half but out-scored the Blue Devils, 26-17 in the second half.

Ann Brugger came off the bench to lead Winside with 10 points while Melinda Mohr tossed in nine. Wendy Miller was held far below her season average with six points and Stacy Bowers netted five.

Emily Deck, Kristi Oberle and Jodi Miller each garnered four points and Sarah Painter along with Mindi Marotz each scored two. There were no additional statistics available on this contest.

Winside grapplers advance eight to district tournament

Winside wrestling coach Paul Sok was hoping to advance 10 or 11 of his grapplers to the district tournament on Saturday in Winside but he had to settle for eight in Tuesday's first ever Class D sub-district tournament in Oakland.

Among the setbacks, 185-pounder Dave Paulsen, the top seed was upset in the first round and failed to advance. Paulsen did come back to beat the fourth seed in the consolation round but lost to the third seed, 5-3 which eliminated him.

Joe Schwedhelm has his state tournament hopes thwarted at 215 pounds after going 1-2. Schwedhelm was the fifth seed. Steve Svatos at 151 pounds was the third Wildcat grappler to be sidelined for the season after going 1-2 from his third seed position.

"Obviously we were disappointed in our performance at sub-districts but we have to go forward and hopefully wrestle well on Saturday," Sok said. "It will be tougher wrestling on Saturday as 20 teams will be represented from two sub-districts and only four in each weight class advance."

Each of the 13 weight classes will have eight grapplers with half

qualifying for the state tournament but there will definitely be some stiff competition.

Winside had two sub-district champs in freshman 106-pounder Justin Bowers and 126-pound senior Scott Jacobsen. Bowers won a 6-1 decision from Josh Long of Bennington in the finals while Jacobsen defeated Kyle McCabe of Oakland-Craig, 5-2 in the championship.

Shawn Magwire placed runner-up at 160 pounds after losing a 10-1 decision to West Point Central Catholic's Matt Steffen in the finals. Three Wildcats placed third including Jason Wylie, Josh Jaeger and Lucas Mohr.

Wylie won a 7-3 decision from Glyn Schopen of Bennington in the third place match at 119 pounds and Jaeger pinned Dustin Arnt of Scribner-Snyder in 2:01 of his 134-pound third place match. Mohr won a 12-0 decision from Doug Knobbe of West Point C.C. at 142 pounds in the consolation finals.

Jeff Jacobsen at 112 and Lonnie Grothe at 172 each placed fourth to advance to Saturday's district tournament with Jacobsen falling by an 18-3 margin to Guy Cope of Oakland-Craig in the consolation finals

while Grothe lost a 2-0 decision to Eric Sattler of Bennington in his consolation final.

Seven of the eight Winside wrestlers that advanced to Saturday's action have 20-plus wins on the season. District tournament action is slated to get underway at 10:30 a.m. on Saturday and conclude around 6 p.m.

BEGINS PROCESS

The board of directors of the Main Street Program has begun its organizational process. First two items are to come up with a name for the Wakefield effort and to set up an office for the program manager in the Hatchery Building.

The board would like to come up with a name and also a logo which reflects what Wakefield would like to accomplish through its association with the Lied and National Main Street Programs. The goal is to promote and strengthen all businesses in Wakefield, whether Main Street, along the highway or home based, to continue working on community improvements embarked on through the START program and work on other ways to build on the community's many strengths and assets.

If anyone has a name or ideas, contact board manager VanderVeen, Norman Minola or anyone else serving on the board. The directors hope to set a name immediately. Without a name it is impossible to set in motion other things which need to be done.

Since the program is working on a limited budget, donations or loaning excess office equipment in good condition is being sought for use in the office.

Also needed are people interested in serving on one of the committees to determine and work on projects. Volunteers may contact any of the board members. VanderVeen plans to establish some regular office hours.

SEEKS APPLICATIONS

Applications are currently being accepted by the Wakefield Health Care Center for Nuernberger and Wakefield Health Care Center scholarships. The Nuernberger Scholarship will be awarded for a two-year period in the amount of \$1,000 annually. The Wakefield Health Care Center scholarship is awarded annually to two applicants in the amount of \$1,000 each.

Any high school graduate or graduating senior who has been employed at least one year at the Wakefield Health Care Center is eligible to apply for the Nuernberger scholarship. Persons who have worked at the center in the past and have applied for the scholarship,

but did not receive it, are encouraged to reapply.

To be eligible for the Wakefield Health Care Center scholarship, applicants must be a full-time or part-time employee of the center and be accepted or enrolled at an accredited college or university. Priority will be given to individuals majoring in allied health care field of study. Candidates must average at least 10 hours of work per week and have been employed at the Care Center for at least six months.

Application blanks are available from Trudy Fischer or Sharon Salmon at the business office of Wakefield Health Care Center and must be returned before April 1. Announced of the scholarship recipients will be made sometime in May by the Wakefield Health Care Center board of trustees.

The Wakefield Health Care Center Auxiliary also awards an annual scholarship. Information and applications for this scholarship are available from Sue Nelson, who works at the center.

CHANNEL ON THE AIR

The Wakefield Community Channel 23 went on the air on Jan.

27, offering local news items to cable subscribers.

The City of Wakefield paid \$3,300 for the television equipment, which is located in the council chambers and Douglas Cable Company hooked it up. There are no other costs to the city to provide the cable channel.

The city council appointed four people to the one-year term on an origination channel board. Wes Lueth, Betty Rouse, Eileen Petit and Bill Rischmueller, with the city clerk Jean Fischer, will establish policies and procedures regarding the programs which will be carried on the local channel.

The board has already decided to carry new items about community events, including non-profit organizations, schools and churches. No personal messages or advertising will be allowed.

Board members work in their spare time making new messages. Message forms are available at the city clerk's office.

Tapes of local artistic productions, sermons or other events may be broadcast in the future. The Wakefield High School journalism class will begin putting school news on.

BLOOD BANK

The Siouxland Blood Bank visited the M.G. Waldbaum offices on Jan. 23. Thirty-four employees volunteered to donate and 33 pints were collected.

With his contribution, Bob Peplinski of Pender became a three-gallon donor. Reaching the one-gallon level were Pat Henderson, Michael Looft and David White.

First time honors were Amy Demke, Pamela Doescher, Scott Storm, Jeffery Hoadley, Melanie Holshouser, Norene Klingler and David Meierdiecks.

District officers elected

Eight members of the Lower Elkhorn Natural Resources District Board took the oath of office at the January 26th regular meeting in Pierce.

In 1994, eight board positions were up for election. NRD board members are elected through primary and general elections to serve on the board for four-year terms. There are currently fifteen members serving on the board of directors.

Members of the board cast their votes at the meeting to elect officers for 1995. The new officers are: chairman, Garry Anderson of Dixon; Vice-Chairman, Gary Loftis of Craig; Secretary, Tim Tighe of Humphrey; and Treasurer, Elden Wesely of Oakland. The board also elected delegates for the Nebraska Association of Resources Districts Board of Directors in Lincoln. The board elected Lloyd Nellor of Beemer as delegate and Helen Feller of Wisner as alternate.

Three new members have joined the board this January. They are: Larry Cloeter, Norfolk; Dallas Hoff, Norfolk; and Marilyn Low, Battle Creek.

In other action, the board approved a grant of \$500 to the Norfolk Junior High for the construction of an "outdoor classroom." The site will be developed as a wildflower garden with native plants, wildflowers, and grasses of Nebraska. Information and Education Coordinator Julie Schmit said, "The Norfolk Jr. High has submitted a plan for the classroom and would like to start digging in April." Schmit stated, "The plan consists of three plots which will display a native garden, a heritage garden, and a shade garden. Students will be active in the construction process and will benefit from this experience."

In other business, the board approved the recommendation to cost share the local cost of additional work needed to complete the Elkhorn portion of the Scribner flood control levee. Assistant manager of projects, Richard Seymour said, "The original contract was modified because of severe bank erosion along the levee location." Seymour said the Corps of Engineers will fund 75% of the cost.

The next board meeting of the Lower Elkhorn NRD will be held on Thursday, February 23 rd.

Winner of the \$1,000 cash prize from Super Wash is Kerri Mathiesen, center, a Wayne State College senior from South Sioux City. She is shown with attendants Wendell Korth, Mel Uecht and owner Jack Middendorf.

Wash winners named

Jack Middendorf, the owner of Super Wash in Wayne, has announced that one of the 21 \$1,000 cash winners in the national Super Wash Holiday Giveaway is from Wayne.

Kerri Mathiesen, a Wayne State College Student from South Sioux City is the \$1,000 winner in the giveaway.

Nearly 200 Super Wash franchises participated in the holiday giveaway. The grand prize winner was from Bourbonnais, Ill. He chose the \$9,000 in cash rather than the 1995 Ford Ranger Pickup.

In addition to a \$1,000 winner, other winners of five automatic car washes at the Wayne business included Lesa Backstrom, Anita Fuelberth, Sara Campbell, Randall Johnson, Roger Niemann, Ann Doty, Tamra Krugman and Bob Reinhardt, all from Wayne as well as Roxanne Meyer, Randolph, and Sue Temmie, Emerson.

The holiday giveaway is an annual event sponsored by Super Wash, Inc. and participating Super Wash owners.

Order daffodils now

Vicki Skokan of Wayne is the local contact person for the American Cancer Society (ACS) Daffodil Days promotion. The statewide fundraiser the week of March 13 supports ACS programs of research, education and patient service.

To order daffodils, call Ms. Skokan at 375-3406 evenings or 375-7224 days. Place orders prior to Feb. 28.

Several hundred ACS volunteers are now taking orders for daffodils at various locations statewide. The donation for a bouquet of 10 flowers is \$5; \$10 for a bouquet of 20.

The daffodils are also available in quantity for those who wish to place large orders. Last year's sales raised \$120,000 for the ACS programs. This year's statewide Daffodil Days goal is \$132,000.

"As the first flower of spring, the daffodil symbolizes life and hope," said Lt. Gov. Kim Robak, the Nebraska Division's 1995 Daffodil Day chairperson.

"It's always a pleasure to give or receive flowers, but these daffodils give the buyer an additional sense of satisfaction — that he or she has helped cancer patients in our community."

The "Word" for the Week

The luv bug

Valentine's Day is around the corner and folks are smitten by the luv bug. Many couples are engaged on Valentine's Day; many weddings are performed on Valentine's Days; and many marriages are consummated on Valentine's Day. It is the time for love.

Actually, it is a time for sentimentalism which is all too sloppy. Every day is a day for love. Valentine's Day is a day for card companies to make a buck. They do. Every day is a day for love. Valentine's Day is another day for florists to flourish. They rake in the cash too. Every day is a day for love. Valentine's Day is a day for sweet school programs, red hearts, white lace, smiles and some blushing. Every day is a day for love. Valentine's Day is a day for special dates and candle-light dinners. Every day is a day for love. Valentine's Day is a day to remember your sweet heart. Every day is a day for love.

Come to think of it, if we did not reserve the hearts and flowers for Feb. 14 and lavished our love on that special person every day of the year, our world might be far different. Perhaps we have forgotten the root and source of love, "God is love" (1 John 4:8). Sloppy sentimentalism practiced once a year is a poor substitute.

Study program to be held in Norfolk hospital

Our Lady of Lourdes Hospital in Norfolk is offering, through the Pastoral Care department, a 12-week study program reaching out to those who have suffered the tragedy of an abortion in their lives.

An underlying premise is that genuine, permanent healing of post-abortion pain can come only when one has come to grips with a much more primary issue: personal reconciliation to Jesus Christ as Savior and Lord. "He heals the bro-

ken-hearted and binds up their wounds." (Psalms 147:3).

This is an effort to reach out to those who are caught up in the pain and loss of an abortion experience, to fill the need for a "safe place" to tell their story. It is for those who have found the courage to confront their pain and to explore the path to healing.

Interested persons may call "Project Rachel" at 371-3402.
