WAYNE, NE 68787

121ST YEAR — NO. 16

Winter weather may be budget buster for Wayne schools

By Kevin Peterson
Of the Herald

The rising costs of fuel prices is hitting school districts right where it counts—BUDGETS.

At Monday's monthly school board meeting, Dr. Dennis Jensen, Superintendent of the Wayne School District told the board that of the \$104,000 of bills paid this month, 20 percent was a direct result of heating, fuel and lights.

"In January of last year the cost to heat the high school only was \$4,400," Jensen said. "This year, that bill increased to \$11,000-plus."

The Carroll School is currently heated with propane and in January of 1996 the cost of propane was 44.9 cents per gallon and this year that cost had risen to well over \$1 per gallon.

"It cost us over \$2,500 in less than three weeks to heat the Carroll School," Jensen said. "This simply can't keep up or we'll be faced with the problem of going over budget."

Jensen added that the cost of Natural Gas has also increased some 250 percent from last January to this year. "It was 19 cents per ccf in January of 1996 and it's 35 cents per ccf this January," he added.

Jensen said there are five primary heating months from November through March.

"This could end up costing us as much as \$65,000," Jensen said. "That isn't even close to what we had budgeted based on past years."

With nearly two-and-a-half primary heating months remaining, just 41 percent of the school budget for heating costs remain.

Jensen said he plans to meet with local Natural Gas officials concern-

ing the school heat bill.

MONDAY'S SCHOOL Board meeting also consisted of election of officers for the year and Phyllis Spethman was re-elected to another term as president while Marian Arneson was elected vice president, taking the position held by Will Davis last year.

Doris Daniels was appointed secretary-treasurer once again.

In other proceedings at Monday's meeting, it was noted the Wayne School District received an honorable mention in the 16th Annual Leadership for Learning Awards program in the rural category.

The school district will be honored at a February meeting in Orlando, Florida.

This program honors programs in American education that increase student achievement and fuel learning. The Wayne Superintendent will attend this honors banquet.

Dr. Jensen was also picked as one of three school superintendents in the State of Nebraska to attend the Superintendent's Academy Conference to be held at Ohio State University in July.

Jensen also talked with the board about the possibilities of working with Rainbow World, a non-profit Day Care Center in Wayne about future options for funding.

Jensen met with director of Rainbow World Earline Stubbs and Dr. Willis Wiseman, president of Wayne Industries and Gaila Gilliland, executive director of the Wayne Area Chamber of Commerce concerning finding options through grants or loans to aid in Rainbow World's search to pay off their debts.

It's c-c-cold!

Blizzard-like conditions during the past week have prompted area veterinarians to urge livestock producers and pet owners to take precautions to ensure for the safety of the animals. Dr. Kenneth Lisika at the Wayne Veterinary Clinic urges everyone to be sure animals have a dry place to sleep, out of the wind. He also said animals need to have a water supply that is not frozen because dehydration is possible, even in cold weather. Lisika said most outdoor animals have become accustomed to weather conditions and there have been no reports in Wayne or Dixon counties of excessive death loss. Lisika also said that storms often accelerate births, such as the four lambs above. Area sheep producers are just beginning the lambing season and calving season will begin in February and March. The area was hit by a second blast of wind and cold weather on Wednesday afternoon, causing area schools and businesses to close early.

Council passes eight resolutions

By Clara Osten
Of the Herald

A total of eight resolutions were passed during the first Wayne City Council meeting of 1997.

Public hearings were also held on proposed amendments to the Wayne zoning regulations regarding manufactured homes, the Community Development Block Grant and on the one- and six-year street improvement program.

No one from the public spoke on the proposed amendment to the zoning regulation. The change is necessary to bring the city into compliance with Nebraska State Statute.

The amendment will allow for double wide manufactured homes that meet certain requirements to be placed in a residentially zoned area within the city.

Linda Anderson, Director of the Wayne Community Development Corporation, spoke to the council on a proposal to amend the Application for a Community Development Block Grant that had originally been received in 1991 for the renovation of apartments at the former Geno's Steakhouse.

In March of 1994 the grant was amended to provide for 15-17 scattered site rental rehabilitations. No property owners came forward to apply for grant money.

Because the city will lose the money in June of this year, the Housing Corporation asked that the grant be amended to allow for acquiring 10-12 units of property that are beyond repair. The units would be demolished and new rental units built on the property.

A letter from John Vakoc questioned corporate ownership of housing in the city.

No one in the audience spoke against the proposal, which passed on an 8-0 vote.

Vern Schultz, head of the Public Works department, presented the one and six year street improvement plan. The plan does not include any new construction in 1997. However, a number of maintenance projects will be completed.

The plan was approved on an 8-0 vote.

Resolutions accepting working in Sidewalk Improvement District, 93-1 and ordering publication and setting a Board of Equalization-Hearing regarding these improvements were also passed on 8-0 votes.

The Council also passed a resolution acknowledging the filing of a referendum petition to repeal the midnight to 5 a.m. parking restrictions.

In July of 1996 a petition was presented to the city clerk regarding the parking issue. The petition has been returned with more than 500 signatures which need to be verified.

If the petition contains enough valid signatures, the council has 30 days to act on it. If the council does not act on the matter, it could be put before voters in the May 1998 primary election.

Waynet draws some statewide concern

By Kevin Peterson
Of the Herald

Turning from the extreme cold temperatures to a hot topic, recently, Waynet and Internet Access in the school district has come under some scrutiny.

In fact, it appears there is an attempt to put a "byte" on Waynet with the belief that what the school is offering is an illegal service.

A recent letter that was addressed

to the school superintendents from Wayne and Wakefield along with ESU Administrator Rod Garwood only, has seemingly found its way after a number of reproductions, to many businesses and media via the mail and without a return address of course.

The letter was written by William Miller, Director of the Division of Communications and Ron Carlson,

See WAYNET, Page 3A

Herald brings new look

Today's Wayne Herald marks some changes in type style, the first changes made in the makeup of the local newspaper in nearly five years.

These changes are brought about to allow for us to provide additional space with a slightly smaller point size so there is more to read on each page.

This is the first of many changes that will be taking place over the next several weeks and months.

We think these changes will be for the benefit of the reader. We value opinions from our readers and would appreciate hearing from you on this topic or any other.

The newspaper office is open from 8 a.m. to 5 p.m. Monday through Friday and the phone number is 375-2600.

PMC receives donation from Foundation

The Gardner Foundation of Wakefield has awarded a grant in the amount of \$13,395 to the Providence Medical Center Foundation. The money will be used to provide teleradiography technology to PMC.

Providence Medical Center has completed negotiations on a contract arrangement with Advanced Health Resources and CAT Scan equipment was recently installed in the newly constructed addition on the south side of the hospital.

Advanced Health Resources paid for the construction of the addition and the CAT Scan equipment. Providence Medical Center will be assessed a per capita fee for each scan. This arrangement will allow the hospital to have state-of-the-art technology without major capital expenditure, said Marcile Thomas, Administrator of PMC.

A vital link needed to allow for this to happen was teleradiogra-

Too much to drink?

Ray Larson, a Pierce County Sheriff's deputy, gives a sobriety test to Mike Wieneke during a two day workshop held Wednesday and Thursday in Wayne. Taught by instructors from the Nebraska Law Enforcement Training Center, the workshop taught law enforcement officials how to administer various sobriety tests to alcohol impaired and drugged drivers. The goal is to help officers pick up on indicators that may be overlooked.

(continued from page 1A)

Subdivision Review Coordinator and Auditor of Public Accounts from State Auditor John Breslow's office.

The letter, dated Dec. 19th of last year, said the state auditor's office recently became aware of Wayne and Wakefield's local internet access through ESU #1 which was also being offered to private citizens.

It was the opinion of the auditor's office that this practice was unacceptable because the State's contract with Alliant (internet provider) does not provide for the commercial reselling of internet services to the general public.

At a meeting of the Waynet Board of Directors last Friday in a response to the letter received from Breslow's office, the board voted to shut down Waynet as of March 7, however they did have a plan to implement to research the possibilities of continuing service.

Those plans include organizing a meeting with the Federal Communications Commission, the Public Utilities Commission under the suggestion of Senator Kerry's office. Mayor Sheryl Lindau will try and have a private meeting with Nebraska Governor Ben Nelson in an attempt to persuade him to look at this issue of public access.

The letter from Breslow's office affects all towns and schools in Nebraska meaning that any rural community not large enough to have a private local provider (which of course means a higher cost to the consumer) will not be able to follow the Waynet model.

Jensen said the rumor going around town that Waynet is an illegal activity is preposterous.

"Waynet was never established for the purpose of providing cheap access to the internet for the community," Jensen said. "It was established to provide access."

Jensen also said Waynet worked in collaboration with the Chamber of Commerce, the City of Wayne, Wayne State College, Northeast Community College adult education program and ESU #1.

"Waynet worked with the Department of Education and with the state board of directors of all 19 ESU's in the state," Jensen said. "The ESU state board gave their support by motion of allowing Waynet and other services like it across the state to exist."

Dr. Doug Christensen, Commissioner of Education, has consistently given Waynet support in two separate meetings in his office. Senator Kerrey is also aware of its existence and is supportive.

"Waynet is not illegal," Jensen said. "Competition with private business is not illegal."

Currently, Waynet users pay \$30 for training on how to use the Wayne High System. A portion of the \$30 is paid to Northeast Community College for their administrative services and a portion is deposited in the Waynet account.

Participants in Waynet use the access until they are no longer students at Northeast Community College. All participants need to take a second class and pay \$30 for the second training to be allowed to use the system again.

We need a home...

These two Black Lab/Springer Spaniel cross dogs are currently being housed at the Wayne Vet Clinic but they need a home. The five-to-sixth-month-old dogs are available for free by calling 375-2933. Spay and neuter assistance is available from For the Love of Animals group.

The Library Card

This column is written occasionally to inform the Wayne area as to what types of reading material and other items are available at the Wayne Public Library.

Happy 1997 to all of you. It seems to be the custom for editors and columnists to write year-ending columns retracing the year past in all its glories, so here's ours.

The biggest and loudest hooray goes to the ground-breaking for the new Library/Senior Citizen in May. How eagerly we watched at the lot was readied for the foundation. Not much could be seen at first. All of a sudden, there it was rising above the foundations. Now we see it all buttoned up for the winter, waiting until spring to see what has been going on inside during these long winter days. You know that come spring, there will certainly be increased activity in the old building as we get ready to move.

Our next big hooray is to tell you that we are now full networked. Does that mean anything to you? All our computers are connected to each other and to a 'server' which handles all entries made into the system. Our electronic catalog is complete and fully operating. The old card catalog is now obsolete. But we'll hang on to it a little longer for those who aren't yet comfortable with the new—we'll be glad to show you how to use the catalog computer stations.

Hooray for statistics! According to estimates to date, we bought 1,129 new books, videos and books on tape in 1996. We subscribe to nearly 100 magazines which gave us about 1,173 new issues to circulate. We also subscribe to six local and regional newspapers (including Wall Street Journal). Our Summer Reading Program, "Peer Amid Books—Read" involved 97 active readers who read 2,240 books. From January through December we circulated 35,185 items with another 80 inter-library loan requests.

One last hooray goes out to our patrons. We enjoy serving you, talking with you and helping find what you need. We enjoy choosing the books we order with you in mind. (It's like Christmas year-round.) If you have suggestions, we welcome your ideas.

And bah-humbug, we will again provide Federal and State income tax forms.

We're open everyday. Library hours are Monday-Friday, 12:30-8:30 p.m.; Saturday 10 a.m. to 6 p.m. and Sunday, 2-5 p.m. Stop in and get acquainted with the electronic catalog. We guarantee it to be user-friendly!

Congregate Meal Menu

(Week of Jan. 20-24)
Meals served daily at noon
For reservations call 375-1460
Each meal served with
2% milk and coffee

Monday: McRibb Sandwich, scalloped potatoes, broccoli,

banana jello, bun, pudding.
Tuesday: Country baked steak, baked potato, spinach w/sauce, w/w bread, pears.
Wednesday: Beef salad sandwich, potato soup, carrot coins, grapefruit and orange slices, crackers, chocolate cake.
Thursday: Oven fried chicken, whipped potatoes, beets, frog eye salad, rye bread, plums.
Friday: Cod nuggets, tri taters, Italian blend veg., w/w bread, cherry lush.

Public forum is slated

(Wayne, NE)—The second in a series of public forums is slated for Tuesday, January 21, at 7 p.m. in the Elkhorn Room of the Wayne State College Student Center. The topic of this forum is "Safety in Wayne and on the Wayne State College campus."

"We will have representatives from area law enforcement agencies and the campus security department on the panel," said Mark Stubbs, college relations director at WSC, and forum moderator.

Lance Webster, chief of police in Wayne; Leroy Jansen, Wayne County Sheriff; Dave Headley, Nebraska highway patrol officer and Jeff Oftens, WSC campus

crime prevention officer will participate as panelists. Stubbs added.

The Campus Community Forum is free and open to anyone who wants to hear more about measures being taken to keep Wayne a safe community.

Panelists will also answer questions from the audience and discuss issues of concern with those attending the forum.

The Campus Community Forums are cosponsored by Wayne State College and the Wayne Area Chamber of Commerce. Persons interested in finding out more may call the WSC

College Relations Office at 375-7324.

phy, which provides for the transmission of the CAT Scan image to a remote site in Omaha. This allows for fast interpretation by medical specialists via telephone lines. When needed, teleradiography will also allow these medical specialists to interpret ultrasound images.

"Teleradiography is the conduit that was necessary to lock CAT Scan technology into place for Providence Medical Center patients. We are very grateful to the trustees of the Gardner Foundation and the support that they have shown towards our project," said Sandra Bartling, President of the PMC Foundation.

"Because of this charitable grant, they have helped to enhance the quality of care for the patients and their families who come through the doors of PMC," Mrs. Bartling added.

Providence Medical Center has had CAT Scan technology available to patients one day per week through a mobile van service.

"Patient needs, however, are around-the-clock, seven days a week. With the installation of a permanent in-house CAT SCAN and teleradiography, Providence Medical Center now has around-the-clock CAT Scan service to accommodate emergency needs," Mrs. Bartling said.

The girls will be taking orders until Jan. 27 with delivery between Feb. 26 and March 16.

Letters

(continued from page 4A)

cost is a terrible way to do business and will end up costing all of us money.

QUESTIONS: Why should we pay 40 percent more for less service? Will I be charged by how much I dispose of? Will they pick up recyclables?

In summary, I personally think that we are all obligated to recycle as much material as possible. Failure to do so will be unacceptable in the near future. I have no interest in eliminating a local business. However, I feel that the arrangement made with the local haulers will be unsuccessful in meeting the 50 percent recycling goal by the year 2002.

In the end, we will be left with the bill and holding the bag.

News Briefs

WEB meeting

WAYNE—The Wayne Elementary Boosters (WEB) will be having a monthly meeting on Jan. 20 at 7 p.m. in the Wayne Elementary School. Guest speakers will be Sandy Dorcay and LuAnn Ellingson. Topics discussed will be the upcoming carnival and forming a calling tree for inclement weather.

Baseball Association to meet

WAYNE—The Wayne Baseball Association will meet Jan. 20 at 7 p.m. at the Wayne Rec Office. The group has a number of items to discuss and urges all members to attend.

VIPS to hold potluck luncheon

WAYNE—Wayne Area VIPS group will have a pot luck luncheon during the Jan. 21 meeting. The luncheon begins at 12:30 p.m. at the First Presbyterian Church at Third and Lincoln Streets. Each person should bring a main dish, salad and dessert.

Photographers are featured in WSC's 'Sunday Series' on Jan. 19

"Three Contemporary Photographers" will discuss their medium during the "Sunday Series" of cultural presentations at Wayne State College Jan. 19 at 3 p.m. in the Ley Theatre.

The three will take part in a panel discussion on the art of photography as the third session in this season's "Sunday Series." The guest photographers from Lincoln, and Omaha will also be featured in a show to open at the Nordstrand Visual Arts Gallery at WSC on Jan. 15.

The three artists are Shelley Fuller, photography instructor at UNL; Judy Cherry, adjunct professor at Doane College and photography instructor at Metropolitan Community College in Omaha, and Molly Romero, an attorney with the law firm of David LePage and Associates who exhibits her art work at various shows in the area.

The show of their works runs through Jan. 31. The gallery hours are 9 a.m. to 4:30 p.m.

Following the "Sunday Series" panel discussion, a reception for the artists will be held in the Nordstrand Gallery to allow audience members to view their work and visit with the artists.

The Sunday Series events are sponsored at WSC by the Center for Cultural Outreach and are open to the public with free admission.

In February the Sunday Series will feature a chamber recital of mostly African-American music with oboist Oscar Petty. He will be accompanied by WSC pianist Beverly Soll. The performance will be Feb. 23 at 3 p.m. in Ley Theatre.

Foundation officers

New officers for the Providence Medical Center Foundation were elected at Monday's annual meeting. They include, left to right, Pat Gross, secretary; Phil Griess, vice-president; Bob Jordan, treasurer and Gary Van Meter, chairman. Other members of the Board of Directors include Jeanne Gardner and Lowell Johnson of Wakefield; Bill Claybaugh of Carroll; Ted Huettmann Jr. of Wisner; Rosemary Mintz of Laurel, Drs. James Lindau, Ben Martin and Willis Wiseman; Kenneth Olds, Lyle Seymour, Ernest Swanson, Rick Lund, Reggie Yates and Marcile Thomas, Administrator of PMC. Sandra Bartling is President of the Foundation.

Wayne State men win 14th straight

The Wayne State men's basketball team notched their 14th consecutive victory in the friendly confines of Rice Auditorium, Monday night against a very solid Rockhurst College team of Kansas City, Miss., 94-69.

WSC jumped out to a 7-3 lead in the game but the visitors went on a 11-1 scoring run to take a 14-8 lead.

Wildcats coach Greg McDermott called a timeout at that point and from then on it was virtually all Wayne State as the 'Cats out-scored Rockhurst, 32-14 through the rest of the first half to take a 40-28 lead.

Rockhurst was rocked by a pair of technical fouls in the second half on a violation with the scorers table and another on the coach for venting his frustration at the first technical foul.

WSC out-scored the visitors, 54-41 in the second stanza. "I thought Rockhurst hit some pretty tough shots early in the first half and we missed some good shot opportunities," McDermott said.

"I felt our defensive effort, however, from the midway point in the first half on was excellent and we were pleased with that."

The WSC coach said his team executed well on both ends of the court. "They (Rockhurst) came in with a 9-5 record with some wins over some pretty good teams,"

McDermott added.

Tyler Johnson paced the winners with a season-high 24 points to go along with a team-high seven assists and just one turnover.

"Tyler's finally healthy again," McDermott said. "We need those kinds of performances from him throughout the remainder of the season to accomplish what we want."

Jason Diaz came off the bench to score 13 points including a three-for-four outing from the 3-point arc.

Mike Fitzner tallied 12 and Matt VanVoorst finished in double figures with 10.

WSC was out-rebounded by a 43-36 margin with Eric Henderson leading the 'Cats with seven caroms.

WSC did a marvelous job of taking care of the basketball with just six turnovers while forcing 17 and the 'Cats were 26-43 from the foul line while Rockhurst was 15-25.

The next home game for the 'Cats is Monday, Jan. 27 when they entertain in-state rival, Kearney.

WSC 94—Rockhurst, 69 (WSC scoring) Tyler Johnson, 24; Jason Diaz, 13; Mike Fitzner, 12; Matt VanVoorst, 10; Craig Philipp, 9; Eric Henderson, 8; Chad Nelson, 7; Jon Dolliver, 5; Jaime Jones, 3; Brian Hoffman, 2; Curt Woodin, 1. WSC Record: 7-4.

Wayne State's Jon Dolliver drives to the basket during the Wildcats 25-point win over Rockhurst College in action in Rice Auditorium, Monday night. WSC also won on the road at Southwest State of Minnesota, Wednesday night by seven points to improve the season record to 8-4.

WSC women blasted in second half at home

The Wayne State women's basketball team fell to 3-9 on the season with an 80-49 setback to Rockhurst College, Monday night in Rice Auditorium.

The game was close at the intermission with WSC trailing the visitors by a 33-28 margin but Rockhurst rolled to a 47-21 advantage in the second stanza to post the convincing 31-point victory.

The 'Cats had trouble finding Rockhurst guard Kim Martin who drained the nets for a career high 43 points including a 26-point performance in the second half.

Martin connected on 19-of-27 shots from the field and hit all four of her free throw attempts.

WSC meanwhile, was being dominated on the boards to the tune of 55-35 with 24 of those being offensive boards for the visitors which led to a number of second and third chance points.

WSC had just one player in double figures as Amy Brodersen poured in 14 points.

Jenny Thompson and Julie Heine and Renee Belz each finished with six points. Carla Schultz was WSC's top rebounder with seven caroms while Martin fed Rockhurst with 10 rebounds.

The 'Cats turned the ball over 23 times while forcing 13. The host team was just 15-of-52 from the field for 28 percent while connecting on 18-of-26 free throw attempts.

Rockhurst was 31-75 for 41 percent from the field and they were 16-of-22 from the charity stripe.

WSC 49—Rockhurst, 80 (WSC scoring) Amy Brodersen, 14; Jenny Thompson, 6; Julie Heine, 6; Renee Belz, 6; Megan Murphy, 4; Erin Hourigan, 4; Erin Pick, 3; Stefanie Sjuts, 3; Pam Drickey, 2; Carla Schultz, 1. WSC Record: 3-9

WSC men win on road while women lose by two

The Wayne State men's and women's basketball teams split a pair of games on the road at Southwest State of Minnesota, Wednesday night.

Greg McDermott's men's squad improved to 8-4 with a 72-65 victory while Jeff Goldstein's gals were edged, 71-69 to fall to 3-10.

In the men's game the 'Cats trailed by one point at the half, 31-30 before taking control in the second half by out-scoring the host team, 42-34.

Mike Fitzner paced the winners with 17 points including three, 3-pointers while Craig Philipp netted a dozen and Jason Diaz tallied 11.

WSC edged Southwest State on the boards, 32-31 with Jason Diaz hauling down a team-high five caroms.

Tyler Johnson dished out seven assists and Eric Henderson notched five steals. The 'Cats had 13 turnovers compared to 17 for the host team.

THE WAYNE STATE women were out-scored in each half by one point with the difference in the game coming from the charity stripe

where WSC was 5-7 while the host team got 25 free throws, making 16.

Carla Schultz scored a career high 24 points in the game to lead WSC. Schultz hit 11-of-15 shot attempts from the field and was two-for-two from behind the 3-point arc.

Amy Brodersen was in double figures with 13 and Jenny Thompson tallied eight.

The 'Cats were defeated on the boards, 46-40 with Schultz leading WSC with six caroms.

Brodersen dished out six assists and both teams had just 13 turnovers.

WSC men, 72—SW State, 65 (WSC scoring) Mike Fitzner, 17; Craig Philipp, 12; Jason Diaz, 11; Tyler Johnson, 9; Eric Henderson, 6; Chad Nelson, 6; Jon Dolliver, 5; Matt VanVoorst, 4; Curt Woodin, 2. WSC Record: 7-4.

WSC women, 69—SW State, 71 (WSC scoring) Carla Schultz, 24; Amy Brodersen, 13; Jenny Thompson, 8; Megan Murphy, 7; Tonya Porter, 7; Stephanie Sjuts, 4; Erin Hourigan, 2; Pam Drickey, 2; Erin Pick, 2. WSC Record: 3-10.

Stephanie Sjuts grimaces as she is double-teamed by two Rockhurst players during Monday's game. The 'Cats trailed by just five points at the half but were out-gunned, 47-21 in the second half.

Sports Briefs

Wayne freshman boys beat Wisner

WAYNE — The Wayne ninth grade boys basketball team defeated Wisner-Pilger, 62-46 to improve their record to 3-1, Monday afternoon at the City Auditorium. Clinton Keller paced the winners with 21 points with Joel Munson adding 13. Dustin Schmeits finished with nine and John Slaybaugh scored five while Brandon Garvin netted four. Jason Parks, Jeremy Dorcy, Jon Gathje, Daniel Johnson and Ryan Hank scored two points each.

Knights of Columbus free throw contest

WAYNE — There will be a free throw shooting contest, sponsored by the Knights of Columbus on Sunday with registration at 1 p.m. followed by the contest at 1:20 p.m. The competition will take place at the high school for 10-14 year-olds.

Bargholz rolls perfect game

WAYNE — Randy Bargholz picked a fine time to roll his first ever 300 bowling game. Bargholz was competing in the Men's City Tournament and bowled his 300 in the final game of the singles competition. He won the tournament with a 784 scratch series with games of 267-217-300. A complete list of tournament results will appear in next week's Wayne Herald.

Wayne's Katy Wilson tries to steal the ball from Laurel's Mindy Eaton during second half action of Wayne's setback to the Bears, Tuesday in Laurel while pictured above, Paul Blomenkamp tries to dribble past Laurel defender Andy Bose during second half action of Wayne's four-point victory. Both the Laurel girls and the Wayne boys are ranked in the top 10 in their respective classes with the Bears holding the third position while the Blue Devils are eighth. Wayne will host Stanton on Friday and Norfolk Catholic on Monday while Laurel travels to play Creighton on Friday.

Laurel girls blast Wayne by 27 points while Blue Devil boys notch big road win over the Bears, 53-49

By Kevin Peterson
Of the Herald

The third-ranked Laurel girls basketball team and the eighth-ranked Wayne boys basketball team picked up victories in Laurel, Tuesday night as Rick Petri's Bears rolled to a 59-32 victory while Rocky Ruhl's Wayne boys hung on for a 53-49 win.

In the girls contest it was a five-point lead for Laurel at the half, 21-16 before the Bears simply took over.

The host team rolled to a 24-7 scoring advantage in the third quarter and 38-16 advantage in the entire second half.

Wayne could not stop Becky Schroeder in the third quarter as she got many point blank shots and when the Blue Devils did pick her up she simply dished off to an open player under the bucket for a simple lay-in.

"I thought both teams showed some rust after not playing for two weeks," Laurel coach Rick Petri said. "Defensively, we accomplished what we wanted. Our goal was to limit Wayne's inside scoring and force them to shoot outside."

Petri said his team's height advantage

paid dividends to the tune of 10 blocked shots.

"Offensively, we made a couple of adjustments at half-time that allowed us to get everyone involved as well as to get the ball inside to Becky Schroeder. During the third quarter we hit some key outside shots," Petri added.

Wayne coach John McClarnen said Laurel's Schroeder was a major difference.

"She really hurt us," McClarnen said. "We also did a very poor job of blocking out on the boards which allowed them to score numerous points on second and third chance shot attempts."

Schroeder led all scorers with 19 points while Tracy Ankeny tallied 13 and Alissa Krie, 10. Wayne was led by Katy Wilson with 10 points while Katie Lutt had nine.

Laurel out-rebounded Wayne, 45-32 with Schroeder hauling down 13 rebounds while Krie had 10. Ankeny had eight rebounds but seven of those were offensive boards.

Wayne was led by Katie Lutt with 10 rebounds. The turnover battle had Wayne netting 25 while Laurel suffered 21.

Wayne's reserve team won 31-28

with Heidi Johnson leading the way with eight points while Sara Ellis had six and Gayle Olson, five. Jenni Beiermann scored four while Jessica Raveling, Jennifer Schaffer, Kristin Hochstein and Lindsay Baack tallied two each.

The Wayne freshman team downed Wisner-Pilger on Monday, 23-21 with Tonya Schwanke pacing the winners with seven points while Sara Ellis and Kristen Wilson had four each. Lindsay Woehler finished with three and Mandy Hansen along with Elizabeth Campbell finished with two each. Jennifer Schaffer netted one.

Wayne will host Pierce in a make-up contest on Thursday before traveling to play Columbus Scotus on Saturday.

TURNING TO BOYS play, Wayne led the Bears, 12-11 after one quarter of play but it would be a come-from-behind performance that nets the Blue Devils their sixth win of the season against one loss.

Laurel rebounded in the second quarter to out-score the Blue Devils, 14-8 to take a five-point lead into the locker room at 25-20.

Wayne managed to trim two

points off that lead by the third quarter's end at 37-34 but Wayne owned the fourth quarter, 19-12 despite struggling from the charity stripe.

In fact, Wayne hit just seven-of-16 free throw attempts in the final period and 12-of-28 for the game for just 43 percent.

Despite the fact the free throw shooting neared the drastic point, Matt Meyer stepped to the line with three seconds left in regulation and hit a pair of the charity tosses to ice the game.

"I thought Laurel did a great job defensively in stopping our offense," Wayne coach Rocky Ruhl said. "Our kids got behind but would not give up."

"We could have made it easier on ourselves through making free throws but that experience should help us later in the season. It was a good win for us at this point in the season but now we must focus on a quality Stanton team that comes her Friday night."

Wayne was led by Paul Blomenkamp with 15 points while Paul Zulkosky finished with 11 including a couple big shots down the stretch in the final period.

Ryan Dahl was close to double figures with nine. The Bears were led in the scoring column by Travis Stingley with 16 while Vince Ward added 11.

Wayne had the rebound advantage, 28-21 with Blomenkamp hauling down a game-high 11 boards.

Matt Meyer quarterbacked the Blue Devils by dishing out six assists against just one turnover. Meyer also had six steals in the game.

Wayne finished with just six turnovers, overall while Laurel had 18.

The Blue Devils will host Stanton on Friday and Norfolk Catholic next Monday in a make-up contest.

Wayne girls, 32—Laurel, 59

(Wayne scoring) Katy Wilson, 10; Katie Lutt, 9; Molly Linster, 4; Heidi Johnson, 4; Melissa Weber, 2; Gayle Olson, 2; Jenni Beiermann, 1. Wayne Record: 4-5. (Laurel scoring) Becky Schroeder, 19; Tracy Ankeny, 13; Alissa Krie, 10; Jessie Erwin, 7; Sarah Ehlers, 6; Mindy Eaton, 2; Laurie Schroeder, 2. Laurel Record: 8-1.

Wayne boys, 53—Laurel, 49 (Wayne scoring) Paul Blomenkamp, 15; Paul Zulkosky, 11; Ryan Dahl, 9; John Magnuson, 6; Justin Thede, 5; Matt Meyer, 5; Nick Vanhorn, 2. Wayne Record: 6-1. (Laurel scoring) Travis Stingley, 16; Vince Ward, 11; Ryan Kvols, 8; Jim Quist, 6; Andy Bose, 3; Chad Jorgensen, 3; Wyatt Erwin, 2. Laurel Record: 4-4.

Travis Stingley led the Laurel Bears in scoring against Wayne, Tuesday night at home with 16 points.

Becky Schroeder penetrates the Wayne defense for two of her 19 points during the Bears 27-point win over the Blue Devils.

Wayne boys defeat Columbus Lakeview

The eighth-ranked Wayne boys basketball team erased a sluggish performance to defeat Columbus Lakeview, Monday night in Wayne in a make-up game, 59-47.

Rocky Ruhl's troops fell behind early in the contest but came back to take a 14-13 lead at the quarter break.

The Blue Devils went on to lead 31-24 at half and 41-34 after three quarters of play.

The host team outscored the Vikings, 18-13 in the fourth stanza to post the 12 point victory.

"You could tell offensively, that we had not played a game for several days," Ruhl said. "It reminded us of the holiday tournament."

The Wayne mentor thought his team's defense played well, holding Lakeview to under 50 points.

"It was a good team effort with several players playing and contributing. We must just continue to improve and play together as a team," Ruhl added.

Paul Blumenkamp paced the winners with 23 points and 15 rebounds. Matt Meyer followed Blumenkamp with seven points and Paul Zulkosky along with John Magnuson scored six each.

Wayne out-rebounded Lakeview, 36-18 with Magnuson hauling down eight caroms to go along with Blumenkamp's 15.

Wayne did have 18 turnovers compared to 14 for Lakeview and the Blue Devils hit 12 of 16 free throw attempts while the visitors were 2-5.

Meyer and Zulkosky shared team honors in assists with each dishing out four.

Wayne 59—Col. Lakeview, 47 (Wayne scoring) Paul Blumenkamp, 23; Matt Meyer, 7; Paul Zulkosky, 6; John Magnuson, 6; Justin Thede, 5; Ryan Dahl, 4; Kurtis Keller, 4; Nick Vanhorn, 2; Nick Hagmann, 2. **WAYNE RECORD: 6-1.**

Winside gals fall

Winside's girls basketball team was beaten by Hartington, 63-40 on Tuesday night in Hartington.

Lisa Schroeder's team got off to a slow start, scoring just six, first quarter points while the host team tallied 21.

Winside trailed 35-24 at the break and actually cut the gap to eight points early in the third quarter but Hartington responded by out-scoring the Wildcats, 21-10 in the final stanza.

"We really sputtered, offensively," Schroeder said. "We just didn't take advantage of the numerous opportunities we were given."

The Winside mentor said her team simply did a poor job of executing on both sides of the ball combined with 27 turnovers.

Mandi Topp and Amy Riley each scored eight points to lead Winside while Jess Miller scored seven and led the team on the boards with eight caroms.

Jodi Miller and Riley each dished out four assists.

Winside 40—Hartington, 63 (Winside scoring) Mandi Topp, 8; Amy Riley, 8; Jess Miller, 7; Jodi Miller, 5; Nicole Mohr, 4; Shannon Jaeger, 2; Stacy Wittler, 2; Mindy Janke, 2; Sara Marotz, 2. **Winside Record: 3-5**

Trojans down Homer

Gregg Cruickshank's Wakefield girls basketball team notched their sixth win of the season against four losses with a 53-44 win over Homer in the first round of the Homer Tournament, Tuesday.

The Trojans led 9-7 after the first quarter and 21-18 at the half before opening things up some in the third quarter to lead 37-28. Both teams scored 16, fourth quarter points.

"It was ragged," Cruickshank said. "Not having practiced for several days had its effect but the girls gave a real good effort."

The Wakefield mentor said his team played well offensively but on defense they fouled too much.

"We got some minutes from 10 girls, so I think we're developing some pretty good depth," Cruickshank added.

Alison Benson poured in a game-high 26 points to lead the winners while Kristen Preston scored eight. The Trojans edged Homer on the boards, 27-21 with Benson leading Wakefield with 10 caroms.

The Trojans will play in the championship game of the Homer Tournament on Thursday before playing at Winside on Friday.

Wakefield 53—Homer, 44 (Wakefield scoring) Alison Benson, 26; Kristen Preston, 8; Jenny Sandahl, 6; Susan Brudigam, 5; Jenny Haglund, 4; Rachel Dutcher, 2; Jennifer Simpson, 2. **Wakefield Record: 6-4**

WSC duo earn honorable mention status

Wayne State quarterback Jarrod DeGeorgia and wide receiver Kevin Swayne both earned honorable mention All-America recognition for the 1996 Season from Don Hansen's The Football Gazette.

DeGeorgia, a senior from Lompoc, Calif., finished with 3388 yards passing while completing 286-420 pass attempts for a 68.1 completion percentage.

He also threw for 19 TD's and rushed for an additional six scores. In the final NCAA Division II national statistics, DeGeorgia ranked second in total offense (341.6 ypg) and was 11th in passing efficiency with a rating of 145.1.

During his two-year Wayne State career, DeGeorgia set six school records—completions in a game (56), passing attempts in a game (76), passing yards in a game (599), total offense in a game (594), total plays in a game (88) and completions in a season (286).

He also finished second in career passing yards (5161), second in career pass completion percentage (66.4 percent, 428 of 645) and second in season pass completion percentage (68.1 percent, 286-420).

Swayne, a senior from Riverside, Calif., finished the year with 79 receptions for a school-record 1273 yards and a team-high eight touchdowns.

He had over 100 yards receiving in seven of the 10 games this season, including 204 yards against Emporia State and a school-record 236 yards against Drake.

He has also returned 10 kickoffs for 165 yards. Swayne also set a WSC career receiving yardage record with 2091 yards, surpassing Maurice Mintke's record of 2089 yards set from 1973-76.

In the final Division II statistics, Swayne finished second in receiving yards per game, fifth in receptions per game (7.9) and 29th in all-purpose yards per game (143.8).

As a team, Wayne State which compiled a 3-7 record, finished second in passing offense, averaging 364.2 yards per game. The Wildcats were also third in total offense, 491.3 yards per game.

Sign up begins in January for Conservation Programs

The Lands for Conservation Program provides landowners with an incentive to get conservation structures constructed on the land during the growing season.

The **Lands for Conservation Program** will be on a contractual basis between the landowner and the Lower Elkhorn Natural Resources District for one year while conservation practices are being established. Applications will be accepted beginning **January 2, 1997** at the appropriate local Natural Resources Conservation Service office.

Lower Elkhorn NRD assistant manager of programs, Ken Berney, says "The program greatly extends the construction season by making crop land available for construction in the summer months and compensates landowners for changing their cropping plans."

Application period for the **Conservation Cost-Share Program** also begins **January 2nd**. Federal cost-share funds are now severely restricted both in dollars available and geographic areas eligible for funds. Environmental Quality Incentive Program (EQIP) funds which replace ACP funds will be available only in small priority geographic areas. This could greatly increase the demand for NRD and state funds, and make early application important. Application approvals will be on a first come-first served basis.

Landowners in the Lower Elkhorn NRD can receive cost share incentives on the following practices:

- Grade stabilization dams
- Water impoundment reservoirs
- Terrace rebuilds
- Terraces
- Diversions
- Terrace outlets (tile and/or waterways)
- Waterways without terraces
- Water and sediment control basins
- Pasture and rangeland seeding on highly erodible land
- Planned grazing systems

The above structural practices must be on land not already adequately treated, and applicants for NRD cost sharing must also apply for EQIP cost sharing, where available.

For further information on these and other programs contact your local Natural Resources Conservation Service office or the Lower Elkhorn NRD at 402-371-7313.

The Junck family of Carroll recently gathered for this four-generation photo. Great grandparents are Arnold and Ivy Junck (holding two-month old great-grandson Brandon Bear). Grandfather Dennis Junck is back, right, and Brandon's mother, Misty Bear is front right.

Ridiculed child needs a friend

Q: My child is often ridiculed and hurt by other children on our block, and I don't know how to handle the situation. He gets very depressed and comes home crying frequently. How should I respond?

A: When your child has been rejected in this manner, he is badly in need of a friend, and you are elected. Let him talk. Don't try to tell him that it doesn't hurt or that it's silly to be so sensitive.

Ask him if he knows what it is that his "friends" don't like. (He may be causing their reaction by dominance, selfishness or dishonesty.) Be understanding and sympathetic. As soon as appropriate, involve yourself with him in a game or some other activity that he will enjoy. Finally, set about resolving the underlying cause.

I suggest you ask your child to invite one of his school friends to the zoo on a Saturday (or some other attractive "bait") and then spend the night at your house.

Genuine friendship often grows from such beginnings. Even the hostile children on the block may be more kind when only one of them is invited at a time. Not only can you help your child make friends this way, but you can also observe the social mistakes he is making to drive them away.

Q: Would you describe the physical changes that occur with the aging process?

A: The decline in old age is not just a sudden deterioration of all systems at the same level and the same time. There is an order of deterioration under normal circumstances. That is, if there is not some disease factor that changes it. This is the normal process of aging:

The first thing to diminish is the perceptual or sensory contact with the outside world. The lens of the eye loses its ability to contract and focus. So we wear bifocals to give us both distance and close vision. Cataracts further damage clarity of vision in some cases.

The conduction of sound is lessened by a wearing away of the three little bones in the ear. So we don't hear quite as well as before. Higher pitches are the first to go; then we lose perception at the lower ranges of sound. The taste buds in the mouth and tongue atrophy, so nothing tastes quite as good as it did previously. There is not the joy in eating that we once had.

Focus On The Family
With
Dr. James Dobson

The sense of smell is diminished which also makes food less tasty, because much of the satisfaction in eating is derived from its pleasant odor.

There is a dryness and hardening of the skin which decreases the sense of touch. So all five senses diminish and become less capable of detecting information and relaying it to the brain.

Later, we experience a change in motor activity--the ability to move efficiently. Lack of fingertip control is the first loss we notice, followed by less dexterity of the hand, then wrist, elbow and shoulder. The lessening of coordination moves from the extremities to the center of the body. That's why shaky writing of an older person reveals his or her age.

Next, changes take place in the cardiovascular system. The fat in and around the heart forces it to work harder to accomplish the same purpose. When a person over exerts, it takes a longer time to return to his normal rate of circulation. A gradual stiffening of the arteries also adds to the cardiac strain. Cholesterol collects in the arteries and constricts the flow of blood which can lead to heart attacks, strokes and other cardiovascular disorders.

Furthermore, the autonomic nervous system no longer regulates the body's processes as efficiently, which exacerbates such problems as poor circulation.

Reproductive activity ceases at about 45 years of age in women and 50 or 60 years in men. Life no longer trusts us with its most precious gift of procreation.

To summarize: These are the major areas of change that occur in the process of aging. First, we experience perceptual deterioration. Second, the body undergoes a motor deterioration, that is physical changes relating to movement. If life continues beyond that point, a decline in mental alertness must occur.

Baptism

Victoria Katherine Ellen Doffin

Victoria Katherine Ellen Doffin, daughter of Rod and Kim Doffin of Hoskins, was baptized during services at Trinity Lutheran Church in Hoskins on Jan. 12. Rev. James Nelson officiated.

Sponsors were Kirk and Pam Loberg of Norfolk, Kathy Loberg of San Jose, Calif. and Duane and Karman Lienemann of Hoskins.

The Doffins hosted a dinner following services. Special guests were grandparents, Harold and Pam Loberg of Carroll and Richard and Gloria Doffin of Hoskins and great-grandfather, Herbert Wantock of Stanton.

Other guests included the sponsors and Pastor and Robyn Nelson and family of Hoskins.

Retired teachers hold January meeting

The January meeting of the Wayne Area Teachers Association was held Jan. 7 at The Max Lounge in Wayne.

Orvella Blomenkamp, president of the Association, opened the meeting by reading "One of These Days." Eighteen members responded to roll call.

Vera Diediker reported on Advance Medical Directives. Lois Youngerman, chairperson of Community Services, encouraged

members to keep volunteer logs current and reported on an article in the current issue of Family Life magazine about the value of volunteers and how programs grow and people benefit from the efforts.

Yearbooks were distributed. The group thanked Ruth Blomenkamp who typed and assembled them for the unit.

The next meeting will be at the Pizza Ranch in Laurel on March 4,

beginning at 10 a.m. Program chairman will be Dorothy Hansen and Betty Anderson.

The program consisted of a presentation by Bonnadell Koch of pictures and the reading of a handwritten letter by Andrew Sweeney dated Nov. 29, 1863. The letter related all the preparations and actual events of President Lincoln's visit to Gettysburg.

Gary Van Meter and Jeff

Morlok, members of a privately funded committee for the renovation of the existing Middle School, gave a report and had blue print displays to what what could be done with the existing 1908 structure.

Reasons given for supporting the proposal included that the existing building was soundly constructed, the design is flexible and the cost would be around \$3 million.

Mr. and Mrs. Baier

Baiers to observe 50th

Dick and Bess Baier will celebrate their 50th anniversary on Sunday, Jan. 26, 1997.

The celebration will be held at the First Presbyterian Church in Wayne from 2-4 p.m.

Hosting the event will be the couple's children and spouses: Vicki and Frank Ocasico of Muscatine, Iowa; Mike and Suzanna Baier of Omaha; Ann and George Sund of Cambridge; Alan and Carolyn Baier of Wayne; James and Pat Baier and Matt Baier, all of Ashland.

The couple requests cards only.

Eagles plan steak fry

Wayne Eagles Auxiliary \$3257 met Jan. 6 at the Aerie home.

President Cec Wandersnick called the meeting to order with 12 members present.

Plans were made for having a Steak Fry on Sunday, Jan. 18, with serving to begin at 6 p.m.

Cindy Milligan was the winner of the Beef Raffle held in December.

Serving lunch were Janice Lamb and Traci Gall.

The next meeting is Jan. 20 at 8 p.m. with Bonnie Landefeld and DeAnn Behlers serving.

Westerholds to be honored

An open house will be held Saturday, Jan. 18 for Mr. and Mrs. Alvin Westerhold for their 50th anniversary.

The event will be held from 2-5

p.m. at the Pender Legion Hall.

The couple's children and grandchildren are hosting the event.

They request no gifts please.
