Dux on duty

By Clara Oster
Of the Herald

A new officer with the Nebraska State Patrol began his duties in the Wayne area on Monday.

His name is Dux and he doesn't speak English.

Dux is a 19 month old Belgian Malinois, a dog trained in criminal detection.

Dux and his handler, Trooper Todd Steckelberg, recently completed 11 weeks of training in Lincoln.

Dux is the second dog Steckelberg has worked with during his career.

"Before I got Dux, I had worked with Marco II for approximately two years. However, Marco II had to be euthanized this past summer because of an inflammatory bowel disease complicated by a parasite infection," Steckelberg said.

Dux was born in Holland and has been taught commands in Dutch. He also understands German.

Beginning on Aug. 31, Dux and Steckelberg, another dog and its handler, a State Patrol officer, and a dog and handler from the Nebraska State Penitentiary worked eight hours a day, five days a week to become field ready.

Following Todd and Dux's graduation on Oct. 31, the two have been on patrol throughout Nebraska and while Dux has not been involved in any major activities yet, he did do a drug search in Norfolk on Monday. The drugs were marijuana.

On Monday patrol on the 11 Dux job is to travel the major

highways in northeast Nebraska including Highways 84, 77, 224 and 20. Our patrol unit covers 23 counties from the Iowa border to Clay County and from South Dakota to Columbus," Steckelberg said.

Currently there are two dogs in this unit and one of them is always on duty. There are a total of 16 dogs with the state patrol throughout Nebraska. One is specifically trained in bomb detection and is stationed at the state capital in Lincoln. The remaining 15 are dual purpose dogs.

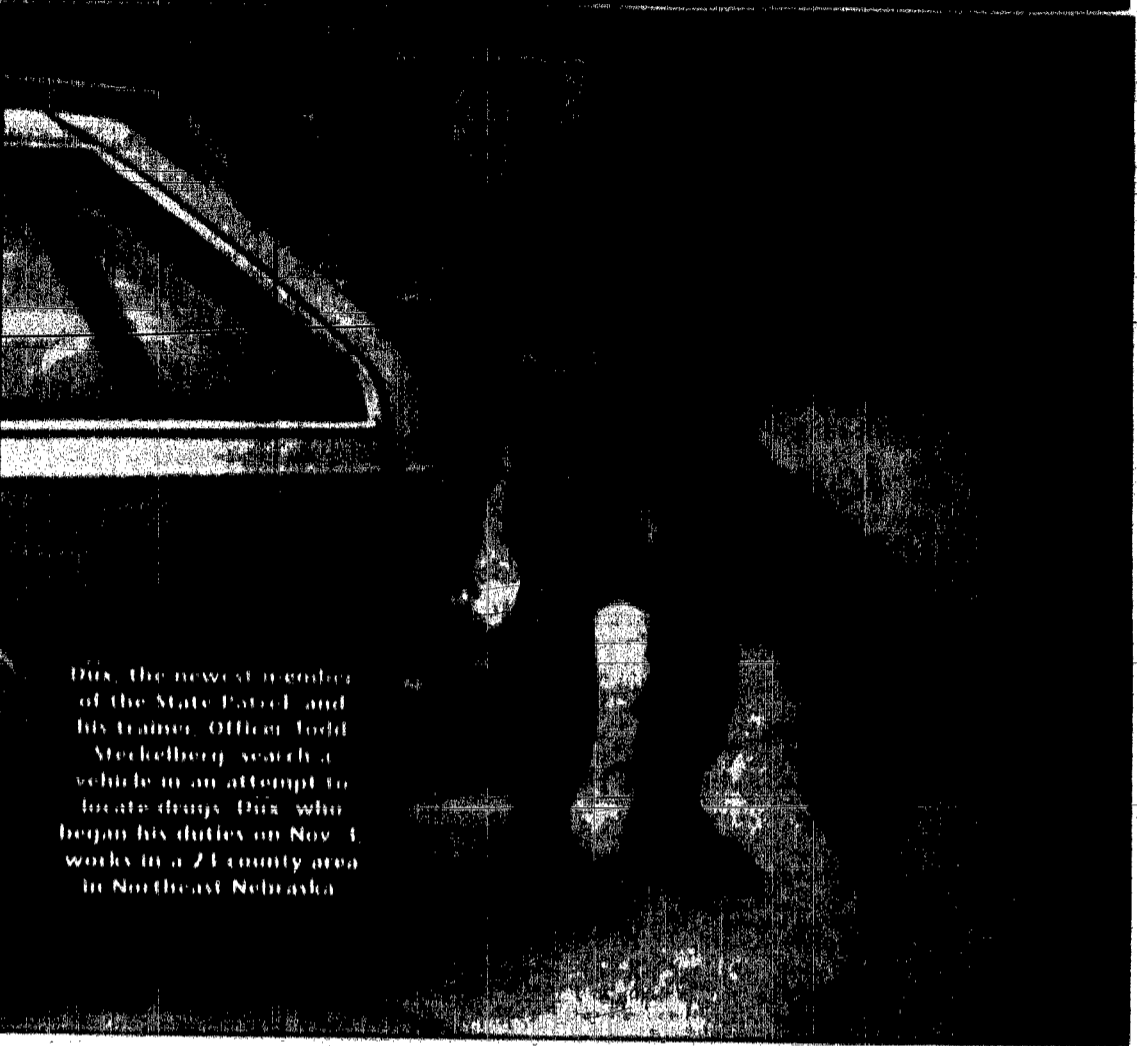

"The dogs are deployed daily in searching vehicles and are involved on a regular basis in investigative services as well as being used by other agencies for such activities as locating missing persons," Steckelberg said.

He said that he and Marco II were able to locate a missing child on the Winnebago Indian Reservation and were involved in an attempt to locate an elderly man who had wandered away from home.

In April of this year, Marco II was used to apprehend a 16 year old from Iowa who had stolen a car. The pursuit started in West Point and ended in a corn field where Marco II located and detained the suspect," Steckelberg added.

"Our dogs are trained in detection. We use them as a tool in criminal apprehension. They are not trained to attack," he said.

The dogs used by the State Patrol are carefully screened and "checked" on going through throughout their time of service to

Program planned

This year's Veterans Day program has been scheduled for Tuesday, Nov. 11 at the Wayne Senior Center.

A flag dedication ceremony will be held by the area veterans at 11 a.m. The ceremony will be in memory of World War I veterans who gave their lives for democracy.

Following a noon lunch, the

program will begin at 1 p.m.

A quartet from Wayne High School will sing the National Anthem and provide a musical presentation. Pat Green will be the featured speaker.

The event is open to the public and those wishing to put hands should make advance notice of participation by calling the Senior Center at 375-1460.

Position to be changed

Beginning in January of 1992, the position of County Superintendent of Schools will become a contracted position in Wayne County.

The Wayne County Board of Commissioners voted unanimously to make the change in the position from a elected one to an appointed one.

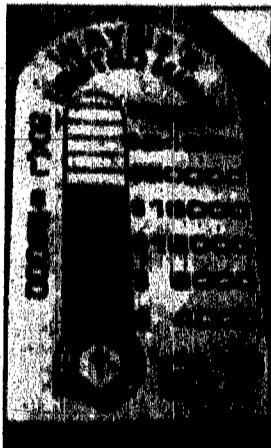

Currently, Fred Miller, county superintendent, has a part-time lease.

The commissioners also voted to accept the renewal rate with a 9.5 percent increase in the health insurance premium from the United Health Care of the

Midlands Inc.

A report from the Construction and Business & Real Estate Association indicates that a number of major developments are under way and the elevation for the construction industry has been ordered to begin early next year.

Due to the fact that a bridge that had been intended to be replaced has instead been repaired, Highway Commissioner Sidney Sanders asked to fund to rebuild two overpasses which involved the bridge located on mile south and two and one half miles west of Winfield.

Going up

The thermometer that indicates the amount of pledges in the United Way Food Drive continues to climb reaching approximately \$18,000. This year's goal is \$26,000 and drive organizers hope to complete the drive by the end of November.

Area producers nearing completion of harvest

Despite last week's unseasonable and several days of sun, harvest in the Wayne area appears to be somewhat ahead of normal.

Jerry Lehtenkamp, Research Technologist at the Northeast Research and Extension Center, said reports indicate corn harvest to be 62 percent complete, although some areas are only a 50 percent complete.

"The corn dried fairly rapidly in the fields allowing producers to get it out of the fields without needing a lot of drying time," Lehtenkamp said.

Current of the Northeast States grid for corn yields in the Wayne area declined. However, Lehtenkamp indicated that that area had re-

ceived several rains this summer that a number of other areas did not.

He also reported yields of 75 to 80 bushels per acre as a fairly average, somewhat better average.

"The corn quality this season has been excellent. The corn is able to weather and dry down in the field," Lehtenkamp said.

He also reported that the past week's rain had been added to a number of inches of rain in the field. This has resulted in about half a crop and crop in good condition.

Pete Preston, of Wayne County and local agribusiness, says he is glad to see the weather, but not a big percent of beans in the field.

"The beans this season were of high quality and very dry, with moisture tests as low as eight percent," Preston said.

Preston also said the corn that has been brought in this fall is of good quality and has ranged in moisture from 15 to 20 percent.

"Overall, we have had ideal combining weather and harvest has gone fairly smoothly this year," Preston said.

He indicated that the number of producers bringing grain to his facility has dropped off slightly as farmers finish harvesting their crop.

Preston said he didn't see any storage problems with this year's crop as producers work to finish this year's harvest.

Allen goes on the Web

The Parker, RFD, Telephone Service representative presented the Allen community club acting president John Weber with a certificate recognizing his effort in developing a home page on the World Wide Web.

Information about the Allen community economy, clubs, activities and attractions is now available to prosper all over the world. When interested, visit the home page they are provided with a graphic depicting the economic setting.

A recent graphic shows visitors to use the community directory to make home. Clicking on a row of buttons will open the other Web pages.

The General Information page tells about the village's history and current projects. The Education Opportunity page focuses on the Allen Consolidated Schools and nearby colleges.

Employment Opportunities contain a list of local businesses and many others nearby. The Housing page highlights Area

Development Group Inc.'s Village Estates Housing Subdivision.

The What's Happening page contains information which the group hopes to update monthly, concerning the activities of clubs and civic groups in the village.

Each of the data for the pages was collected earlier for the "Allen Welcome Packet."

Village Link Jean Hahn retyped the information and added additional data which was then sent to

Band receives Superior

The 11th month competition was the Wayne High School Blue Devil Marching Band has received Superior rating at all the marching competitions they have attended.

The Wayne High School Blue Devil Marching Band took part in the Nebraska State Bandmasters Association "State" Marching competition at Bellevue on Nov. 1 and received the only Superior rating in Class B.

The competition had been postponed because of weather conditions. Also, because the

local field at Bellevue was water, the band had to perform in a parking lot.

"Again, I would like to thank the 11th grade Class B Band members for their help in banding and ordering equipment at the competition and thanks to all the parents, relatives and friends who traveled to Bellevue to support the band. We always have the best and hardest fans at the competitions," said Brad Weber, Director of the Wayne High Band.

Weber added a special thanks

to the box sponsors and our donors for their time and effort.

"Without your time and effort these trips would not be possible," he said.

The sixth grade band, the seventh and eighth grade band and the Wayne High School Marching Band will be presenting a Fall Concert on Tuesday, Nov. 11 at 7:30 p.m. in the High School gym.

The public is invited and there is no admission charge.

The Farmer's Wife Been a long week

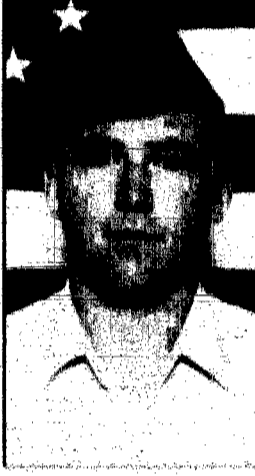

It's been a long week. I wish we've not been without power, even though the line to the house is on the ground and the electricity is supposed to be here this morning. But the power just goes on and on, especially with the strong winds that started this weekend. I was here Saturday with a new chain saw and got up on the ladder to get the branches hanging on the roof. You hear chain saws at all hours and there is a sound of happiness in the neighborhood, getting 11:30 in the hour. He does supply his own help for that and the convenience of that. Our local nursing home was without power for 12 hours. The school principal sends an e-mail to me there. He called with her to say on Sunday morning and each day helping the power be back on. I wish I could see the faces of the stories high and low on the way they had one empty bed and fourth floor and someone else needed it. The power also that runs the elevator to the basement and transported the patient to the bed. As we talk the finished material that Saturday night, I wonder if all the Nebraska babies spend their home safely. I heard that the lightning struck two buildings. As a result of the weather, home health care also provides a private agency, told me the spot is

Dixon County history book to be available

A unique picture history of Dixon County is now in the hands of the printer and is expected to be ready for distribution by Nov. 30. The book, being published by The Pioneer Times, has a hard cover with gold printing and contains approximately 300 photographs of the early years of Dixon County. Pictures in the 112-page book have been grouped by communities in the county: Allen, Concord, Dixon, Emerson, Martinburg, Maskell, Nevada, Ponca, and Wakefield. This is a one-of-a-kind book that will be treasured for years to come for it contains many, many pictures that would never have been preserved for future generations if they had not been used in this book, said Dixon Hansen of Ponca, publisher of the book. Copies of the book are available at \$49.95. An order blank and further information is posted in an advertisement in the Oct. 29 issue of the Northeast Nebraska Bocker. Anyone wishing additional information about the book may call the Pioneer Times at 1-800-442-8105.

PEITONS CIRCULATING

Peitons are being circulated in Allen business collecting information which may change the way members of the Allen exchange are charged for telephone use.

Members of the Allen Community Club voted at their last meeting to explore the possibility of extended area telephone service for the Allen exchange. If successful, the project would result in being able to call other parts of the area without toll charges.

The first step in the project is to circulate peitons to see if there is enough interest in the project. If you would like to participate, please call Kato Howzell at 402-635-2289.

If enough usage is shown, the Public Service Commission will negotiate with the telephone company to see how much the toll phone rate would need to be raised in order to have been full.

Once that rate is established, tolls will be set at each of the 400 households in the Allen exchange with phones, asking them to vote for or against this service.

If 51 percent of the contacted homes vote the extended area service, everyone will be able to call that particular town with toll-free service, charged per call.

Salute to veterans

Tuesday, November 11, is Veterans Day. Armistice Day was established in 1926 to commemorate the signing in 1918 of the Armistice ending WWI. In 1954 the day was renamed Veterans Day with the purpose being to honor all personnel having served in America's military.

In a state of forgetfulness and apathy, Americans, including some veterans, cannot distinguish between the purposes of Veterans Day and Memorial Day. Veterans Day passed with little notice last year, except government and other offices were closed.

Decorations Day, renamed Memorial Day, was designated in 1888 as a day in which the graves of soldiers would be decorated. Originally, the holiday was devoted to honoring the memory of those who died in the Civil War, but it now dedicated to the memory of all war dead.

Social priorities continue to change. Americans now appear more anxious to increase profits rather than pause to pay tribute to heroes, historical moments and events.

Halloween decorations weren't difficult to find around town last week. Will there be as many homes flying flags Tuesday to honor real people and their families?

Will historians eventually recall our era as a time when America abandoned such values as honor, service, character, and tradition, exchanging them for the pursuit of happiness? In yesterday, they were one and the same.

The freedoms we prize so dearly came at a terrible cost. Let us not forget.

CONSUMER BULLETIN

by Don Stenberg, Nebraska Attorney General

LIVING TRUST SCAMS TARGET ELDERLY

A "living" or "inter vivos" trust is a document created during your lifetime that is used as a form of estate planning as an alternative to a will in property distribution. The marketing of living trusts by telephone, door-to-door sales, or in seminars, has become a popular and legitimate alternative to traditional estate planning in recent years.

As part of the sales presentation, consumers may be told that "everyone needs a living trust" to avoid the cost and delay of probate and to reduce estate taxes.

A living trust, properly prepared by a licensed attorney, is right in Nebraska for citizens should through an attorney before deciding to use a trust. Living trusts are the right choice for some people, but are complicated legal documents and are not for everyone.

Consumers who are considering a living trust should educate themselves and consult their own attorney on the requirements of Nebraska law before proceeding.

If you have questions regarding a company selling living trusts in Nebraska, contact the office of Attorney General Don Stenberg, Consumer Protection Division, 2115 State Capitol Building, Lincoln, NE, 68509, (402) 473-2682, or call our Consumer Protection Line, toll-free in Nebraska at 1-800-727-6432.

Withem resigns after 15 years

By Melvin Paul, Statehouse Correspondent
The Nebraska Press Association
After 15 years in the Nebraska Legislature, Speaker Ron Withem is cashing in his chips.

The 51-year-old lawmaker announced recently that he will resign November 24 to take an \$12,000 a year lobbying position at the University of Nebraska.

So much for Withem's protestation last spring that there was nothing in the plan for him. He was in line for the plan job at the University.

Withem's resignation is an example of the revolving door politics and lobbying that public officials have found a place to private interests.

But the Capitol Cause committee, having been repeated so many times, seems to be losing its urgency. So far, state government has not degenerated into massive corruption simply because a few senators have gone over to the other side.

Withem has been a masterful speaker. He's an extremely bright

man and an able tactician. His creative strategies and scheduling enabled the Legislature to accomplish a number of controversial laws in the last few years.

Withem also had enough rein and enough courage not to make adversaries hesitate before chasing him.

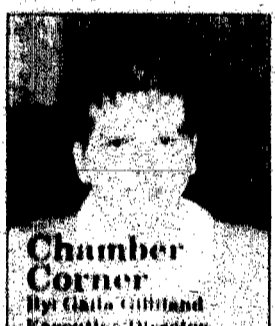

be one of many on the other side of the glass window that separates the lobbyists from the Legislature lawmakers will assure him of their support when he talks to them in the Capitol rotunda.

The views expressed in Capitol News are those of the writer and not necessarily those of the Nebraska Press Association.

Laurel spikers win at sub-districts; Wayne is defeated by Pierce

By Kevin Peterson of the Herald

Sub-district volleyball play was held Monday night for all five Wayne Herald coverage teams with not one advancing to the district championships on Friday.

In Corbin Joyce Hickins' Wayne Blue Devils defeated the host team before falling to Pierce in the championship.

The Blue Devils blanked Corbin in the first game, 15-0, 15-8. Cayle Olson led the team in serving at 16, 16 while Brooke Parker was 8-8 with one ace and Shona Stracke 6-7 with one ace.

Parker recorded 22 set assists with Molly Dwyer slanting eight kill spikes. Olivia and Jenn Beiermann had seven kills and Stracke three.

In the finals Wayne fell to Pierce, 16-14, 11-15, 6-15 to end its season at 20-8.

Stracke was 17-18 in serving with three aces to lead the way with 10 of her ace attempts with one ace.

Dwyer was 11-11 with one ace and Olson, 12-14 with two aces. Parker finished with 29 set assists and Olivia finished a dozen kill spikes for team top.

Laurie had 10 kills and Jenn Beiermann eight while Stracke had five.

"I am very proud of these girls and they had a tremendous season," Hickins said. "It was very disappointing to end the season at sub-district since we had set our goals so high but that can't take away from a great season."

LAUREL WAS the host of both the girls' action in Class 1-2 and first round play, but Wakefield ending Winside's season at 14-16, 15-8, 15-10.

Tracie Preston paced the spikers with 11 kill spikes, four digs and 9-9 in serving while Kristi Beiermann had 19 set assists and 11-12 in serving. Jennifer Simpson had three ace serves and Rose Oswald had four seven kill spikes while Kristi Larson had five.

Pattie Lindahl with seven set assists and four dig spikes, finished her match.

The girls rose to the occasion after the first game. Wakefield coach Marty Laughter said, "We knew going into this match that Jess Miller and Sarah Marotz had to be stopped in order for us to have a chance. We didn't stop them completely but we limited them

Winside improved a lot throughout the season."

Winside's record ended at 11-8. "Overall, I felt we played well," Winside coach Lisa Schroeder said. "We stayed aggressive throughout the match and finished with 40 kills with a .218 kill efficiency rating."

Schroeder credited the Wakefield defense. "They got to a lot of balls that most teams don't," she added. "Our season was a great one, even if it's over with girls who are focused, dedicated and very supportive of each other is something that means more to a coach than anything."

Jess Miller was 20-21 in serving with four aces to lead Winside while Dea was 12-12 and Marotz, 10-10 with two aces.

Shannon Rowley recorded 16 set assists and Mash Leppe, 11, with Marotz slanting 16 kill spikes while Miller added 14.

Miller and Jaeger had four ace blocks each and Marotz, three to lead Winside's defense with Marotz and Jaeger netting a dozen dig spikes.

Wakefield's season came to an end in the second round on Monday when they fell to Laurel, 16-14, 11-15, 15-12.

Marty Laughter's team ended the season at 16-10 and had beaten the Lady Bears twice earlier in the season.

"Anytime you play Laurel, a chance they will take advantage," Laughter said. "It's tough to beat my team three times in the same season, especially when that team is the defending state champs."

Laughter said despite the disappointing end to the season his squad enjoyed a great season.

Beiermann was 13-12 in setting with 16 assists to lead the Bears with Kristi Preston finishing as kill spiker by team top while Kristi Larson had four.

Larson was 20 in serving with four aces and Rose Oswald was 6-8 with three aces.

Jess Simpson had four ace blocks and Preston, three to lead the defense while Preston tallied five.

LAUREL CONFIDENT only had to be the championship game by Joyce Erwin who was 13-14 in serving with three aces while outlying 14

kill spikes on a 10 of 11 rating.

Erwin added six blocks and 17 digs. "Our athletes played with great intensity throughout the entire match," coach Pattie Cunningham said. "We took control

early in the first game and played solid. Jacie Schroeder blocked well in the first game and Katie Monson added four of her five game kills."

"In the second game we jumped out to a 6-1 lead before Wakefield rallied and tied 15-14. We scored the final three points of the match."

Cunningham said Jacie Erwin, Megan Adkins and Katie Monson stepped it up and showed strong competition and leadership.

Erwin added several decisive kills and Adkins' back play was a strength while Adkins played with great determination and poise. Cunningham said, "Julie Ably, Lara Schutte and Dea Stapelmann came in off the bench and made key plays."

Monson was 11-11 in serving with one ace and Adkins was 9-9 with one ace while Schutte was 9-10 with one ace and Michelle Wilcox, 8-7.

Adkins was 20-20 in setting with 26 assists. Monson finished with five kills to finish behind Erwin's 14 while Kristi Hank and Laurie Schutte had three each.

Adkins finished with five blocks and Cunningham had three while Adkins 10 digs. Wilcox had eight digs and Julie Ably, six.

Laurel opened sub-district play with a 15-10, 15-10 win over Gaston.

The play was somewhat out of sync," Cunningham said. "The girls showed their versatility, as we played 11 girls in the match. Michelle Wilcox took over the setting while Megan Adkins went down with an ankle sprain. We were able to make several adjustments and depth was a definite plus."

Erwin was 12-11 in serving with two aces while Megan Adkins was 9-9 with two aces and Katie Monson, 14-14 with one ace.

Dea Stapelmann was 9-9 with one ace. Adkins netted 17 set assists with Erwin finishing eight kills to lead the way. Schroeder had five kills and Hank slung with Stapelmann had two each.

Erwin also had four blocks for team top and tied Monson with one dig to lead the sub-district. Adkins' dig play shined on

Friday night by the district title and a possible fourth consecutive state championship appearance.

The championship will be played in Raleigh at 7 p.m.

Laurel's Megan Adkins and Jacie Erwin team up to block a Wakefield spike.

Winside players watch the ball after a double block from Jess Miller and Sarah Marotz.

THE NEWS

'Cats tame Mustangs

By Kevin Peterson
Of the Herald

The Wayne State football team racked up win number two on the season with a 33-11 victory over Western New Mexico last Saturday in Wayne.

The visitors scored on a 26-yard pass play to tighten the gap at 11-11 with still 12 minutes to play and they had three drives after that which were thwarted by the Wildcats defense.

Brad Fitzke put the icing on the winning cake for WSC with an interception with just 33 seconds left.

Western New Mexico was limited to just 13 plays in its first three possessions, all two-point conversions and the third with Fitzke's interception.

Western New Mexico struck quickly on the Wildcats, gaining one point in the game's first 67 seconds.

"We didn't make a very good decision with the ball on the opening kickoff and ended getting tackled for a safety," coach Kevin Haslam said. "Then, we kicked off and on the second play they converted on a 67-yard passing play and just like that it was 9-0."

Haslam said the Cats didn't get stuck because they had been here before.

"We went about business as usual because there was already an eight-game lead to be played," Haslam added.

And come back they did. James Jones hooked up with receiver Shon King for a 24-yard touchdown pass and return specialist Chaka Smith ran for 42 yards for a touchdown on a punt return to put WSC up 14-9 at the end of the opening stanza.

The second quarter saw the scoreboard light up as the visitors regained the lead on a 20-yard scoring pass and with a two-point conversion it was 17-14.

Then, WSC's Shon King scored on a 56-yard touchdown strike from James Jones to give the Cats the lead again at 20-17.

Jones then plunged 50 yards from a yard out to give the host team a 26-17 lead but Western New Mexico responded with a 14-yard scoring pass with just three second downs left before the ball to make it a 26-14 contest.

The second half saw both teams score once as WSC's BJ Helmsfelder darted in from two yards out in the third quarter before Western New Mexico's early fourth quarter scoring.

"I was a little disappointed that we didn't put them away when we had the chance," Haslam said. "We got a complete team effort, though, and that paid off."

The defense did an admirable job with Mustang running back Anthony Gray who came into Saturday's game as the nation's second leading rusher in Division II with 129 yards per game.

He got 104 yards but it took 41 carries, Haslam said. He had been

averaging 199 yards in just over 20 carries so I was proud of our defense for that."

Haslam's team will get a week off before closing out the season on Saturday, Nov. 15, against Ohio in the incredible Eddie Egg Bowl.

"We will give the guys a few days off before hitting it hard again on Monday," Haslam said. "We have challenged them to play a complete game against Ohio in the season finale. We've proven we can come from behind but we want to put four good quarters of football together."

WSC was out-yarded by the Mustangs 169-111 as the visitors had 329 yards rushing and 170 yards passing while WSC had 177 yards on the ground and 129 through the air.

Helmsfelder led the Cats with 119 yards rushing on 42 carries with his longest gain being 15 yards. Gray gained 104 yards with a long of 27 for the Mustangs.

Jones was 15-25 with two interceptions and 191 yards. King had six receptions for 123 yards and Damon Porter caught five passes for 29 while Andy Tollett had two receptions for 31 yards and Dan Poppley five for eight.

The Cats defense was led by Tom Gonzalez, Jesse Wawonick and Jason Jensen with a dozen tackles each while Derrick Brooks and Brad Burke garnered 19 each. Mike Cordes finished with nine tackles and Chaka Smith seven while Kevin Sawyer and Jason Brown had five each.

The Cats finished with six quarterback sacks as Brooks had two while Wawonick, Fitzke, Brown and Craig Pace had one each. The defense also intercepted four passes on the day as Wawonick, Fitzke, Smith and Wigger had one each.

Winside footballers earn revenge while advancing in State

Bandy Goff's Winside football team shook off a 14-10 loss to the Ponca Indians three weeks ago with a 20-9 victory over the host team in the first round of the district playoffs last Thursday night.

Ponca scored first on a 66-yard run by Justin Taylor, but it was Winside who would put into the locker room with the lead at half on a pair of second-quarter scores.

Adam Hoffmann completed with Ryan Krueger on a 17-yard scoring drive and the two-point attempt was successful as Hoffmann hit Brandon Castle.

Then late in the second quarter, the Wildcats converted on a 12-play drive as Fitzke darted in from three yards out.

Ponca came back in the third quarter and scored 17 straight points as Taylor gambled 20 yards on the first series of the third quarter to tighten the gap to one at 14-13 and Jeff Egler spotted 19 yards to pocket one fourth down and make it all to give the host horses 17-14 lead.

In the fourth quarter Winside recovered a Ponca fumble and capitalized with a 30-yard run by Hoffmann with just over four minutes remaining in regulation.

Winside's defense came up big in the final minutes and the Wildcats improved to 7-2 on the season as well as advancing to the second round of the playoffs. The record of 7-2 was very good.

Winside's defense came up big in the final minutes and the Wildcats improved to 7-2 on the season as well as advancing to the second round of the playoffs. The record of 7-2 was very good.

Ponca started three different drives in Winside territory in the first half that's significant with no points. It was very good of our

defense," Goff said. "They played outstanding football."

Late in the fourth quarter the Indians were driving for what they hoped was the winning score when Aaron Hoffmann stopped Jeff Egler of the ball as he was running for the end zone and Brad Smith, who was trailing the play, recovered the ball for the Wildcats and made a nice return after recovering the ball.

Fitzke did a nice job of bustling the play out, Goff said. "We led the conference in takeaways this year and our philosophy is you make your own luck and we felt we did that."

Winside's play was aided by senior Tony Brummett who left the contest in the second quarter with a partial ACL separation. Brummett returned to play despite pain in the second half and came up with the fumble in the fourth quarter that led to Winside's scoring work.

Goff proceeded to walk a key kick in the fourth quarter and then recovered the fumble at the 17 yard line, Goff said. "It was definitely the play of the game."

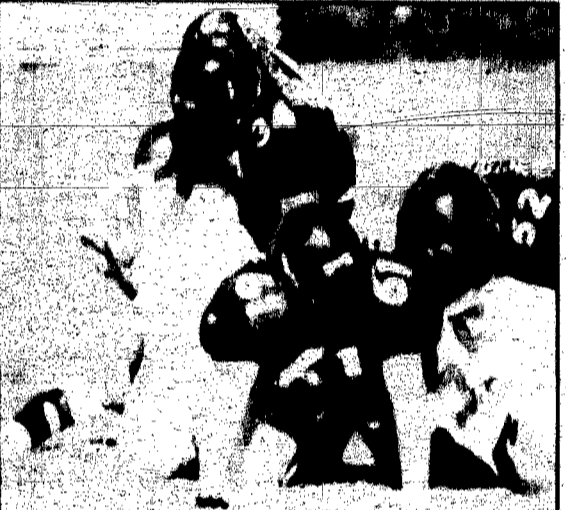

Goff also credited the play of his offensive line that went head to head with a bigger Ponca team and did not back down.

It was just a total team effort," Goff said. Ryan Krueger led the winners with a season-high 140 rushing yards on 23 carries while Brandon Castle garnered 90 yards and Hoffmann 29.

Ryan really stepped it up when Ponca kept on Brandon Castle, Goff said. He really played with a lot of heart and desire.

Hoffmann was 6-12 through the air and finished with 36 passing yards as Krueger caught three for 28 yards and Scott Wilton, Rick Bussey and Brandon Castle each had one reception.

Unfortunately, Winside was led by Hoffmann with 14 carries and Krueger with eight while Brock Shelton had seven and Steve Bales six.

BJ Helmsfelder led WSC with 119 yards rushing in the Wildcats victory over Western New Mexico.

WSC wins exhibition cage game over Team Godfathers

The Wayne State men's basketball team played an exhibition game with Team Godfather's of Omaha on Sunday night in Rice Auditorium and though played was ragged at times, the Wildcats prevailed by an 88-83 margin.

It took the Wildcats nearly four minutes to score their first five points but in the next 1:45 they poured it on by scoring 11 points.

By halftime it looked as though WSC was on its way to a rout with a 52-17 lead but Team Godfather's, spear headed by former WSC stand-out Marcus Wilson fought back to make it a tight contest down the stretch.

Tyler Johnson races past a Team Godfather's defender during exhibition action last Sunday in Rice Auditorium.

In fact, Team Godfather's had possession of the ball and trailed by just one point with less than two minutes to play before WSC's Tyler Johnson made a big defensive play on one end of the court and then delivered on the offensive end.

The junior playmaker from Holston made some crucial free throws in the final minute to hold off the visitors rally.

WSC had six players in double digit scores led by Johnson and freshman Nathan Muller with 14 points each while Jason Diaz and Matt VanVoort each tallied 13. Jon Dilliver added a dozen and Craig Philipp, 11.

Brad Jones netted six points with Troy Osterhaus and Jason Heitlake scoring two each and Eric Henderson, one.

Godfather's was led by Randall Crutcher with 24 points and Ed. M. Hise with 19. Chuck Johnson tallied 16 and Earl Johnson, 11. Troy Wharton scored eight points and Wilson tallied five.

WSC was hammered in the rebounding department to the tune of 55-35 as Wilson hauled down 16, for Godfather's and Crutcher, 14.

Dilliver led WSC with nine assists with Philipp leading down six. Johnson and Osterhaus each dished out five assists for the Cats while Jones had four and Muller, three.

The Cats had fewer turnovers, 12 than Godfather's, 28 and VanVoort notched four steals for team tops. WSC was 14-27 from the charity stripe with Godfather's hitting 17 of 31.

WSC opens the regular season on Friday, Nov. 14 at 7:30 p.m. in Rice Auditorium as the 21st ranked Wildcats host the 11th Mavericks.

WSC's senior setter Karl Pichler sets the ball to fellow senior Erin Pich during the Wildcats final match of the season, Tuesday night against Dordt in which WSC easily.

Wakefield Trojans see football year come to a close with loss to Pender

The Wakefield Trojans football team had their season come to an end in the first round of the district playoffs last Thursday in Pender, 27-14.

It was the second meeting between the Trojans and Penderians in less than one week and in both instances, Pender scored 27 points.

Wakefield came out ready and focused however, as they led 7-0 after one quarter of play after Chad Mackling took the handoff from quarterback BJ Hansen on an inside reverse and sprinted 41 yards untouched to the endzone. Hansen converted the point after kick.

Pender came back to take a 14-7 lead at the half on a 66 yard high-down pass and a one yard running out by Aaron Bestner who would cascade for 200 plus yards on the night.

In the third quarter Hansen scored on a nine yard run and then booted the point after to give the

Trojans a 14-14 lead but Pender scored the game's final 14 points on a 24 yard pass play and a 68 yard run by Bestner.

Wakefield ran for 211 yards on the ground on 49 carries with Kevin Johnson pacing the Trojans with 77 yards on 15 carries.

Mackling finished with 41 yards and Hansen, 39 while Brandon Kal tallied for 31 yards and Shaun Hampton, 21.

Wakefield completed just two passes in seven attempts as Hansen and Jim Hook had one completion each with both Hahn and Mackling each catching one pass.

Defensively Wakefield was led by Shaun Hampton with 16 tackles while Heath Klein had 14 and Matt Berens, 11. Brandon Kar and Walsh had eight each while Adam Ulrich and Chad Mackling notched seven tackles each.

The Trojans under first year coach Ted Park finished with a 3-4 record.

Wakefield's Heath Klein punts major pressure on Pender's quarterback during playoff action last Thursday. The quarterback threw an interception on the play.

Question: What should I do when I'm splattered with or spill greasy food on my clothes?
Answer: Wiping a greasy stain with a wet rag can push grease deeper into the fabric. Until you get to the laundry room in the cleaners where you can use a degreaser it's probably safest to just blot the excess spill gently with a dry cloth. Dish washing detergent usually contains a good degreaser, but it should be tested for colorfastness before using on all fabrics and when used, launder shortly after.

Jill Flier and Andy Wright

Students speak to club

At the October dinner meeting of the Wayne Lions Club, two members of the Wayne High School Spanish Club, Jill Flier and Andy Wright, described highlights of the trip they took this summer.

The two were part of a 10-day trip to Barcelona, Spain, London, England and Paris, France. They shared their time with 46 other students from here and Chicago.

The Spanish club on the trip was fortunate to have a guide of their "host" city, Paris. They showed pictures of a 700-year-old cathedral that is still under construction.

Following the Spanish students' presentation, three members of Boy Scout Troop #174 told of their 10 days in spent taking 117 miles at the Piedmont Scout Ranch, located in the Vampro de Cerve, Mountain of Elow Mexico.

This year's crew chief, Dick Salter, and Eagle Scout Tim Zach gave highlights and answered questions.

Eagle Scout Andy Wright pointed around to the group handout photographs he had taken on the trip.

He also told the group he did not mind the difficulty of the hiking trip because of the breathtaking scenery.

Area farmers will participate in fall crop and livestock surveys

A nationwide survey to estimate winter wheat seedlings for 1998 crop production for 1997 grain stocks and livestock numbers will include participants with Wayne County farmers, according to the Nebraska Agricultural Statistics Service.
 Virginia Leach with the service's field staff will contact local producers beginning Dec. 20 for information about 1997 crop production under wheat planted for 1998 and farm grain stocks and numbers of livestock on hand. Some producers may be telephoned from the Lincoln office. All individual information collected is confidential and used only in developing official national and state estimates. Elevators will also be surveyed to

obtain supplies of off-farm grain stocks.
 Leach said that farmer cooperation is necessary to provide accurate crop and livestock estimates. The results of this survey will provide farmers, ranchers, nonfarmers, policy makers and other agricultural data users with expected supplies from agriculture this year.
 Reports prepared by USDA's Agricultural Statistics Board for the U.S. and Nebraska will be released beginning with key numbers on Dec. 29. On Jan. 13, 1998, grain stocks, 1997 crop production, and winter wheat seedlings will be published. Little survey data will be included from late November to early January and will be issued on Jan. 10, 1998.

Soybean board meets

The Nebraska Soybean Board will meet at 8 a.m. on Thursday, Dec. 20, at the Nebraska Center for Continuing Education, 401 N. Nebraska in Lincoln, Neb.

Election of council will be held Sunday

Four new Wayne County 4-H Council members will be elected on Sunday, Nov. 9. The election will take place in conjunction with the Wayne County 4-H Achievement program, which will be held at the United Methodist Church in Wayne.

All 4-H parents and leaders will be eligible to vote for the adult members. All 4-H youth will be eligible to vote for the youth members.

Council youth nominees are Maureen Gubbels, Becky Fleer, Casey Goodrich and Greg Schardt. Adult nominees are Mary Cherry, Rita Anderson, Jake Munter and Jim Lutt.

Newly elected council members will replace outgoing adult members Jane Fleer and Stan Nathan and youth members Haley Daelske and BJ Hansen.

Council members with one year yet to serve are Sherri Schmale, Ken Buresh, Melissa Purtnoy and Ryan Dunham.

The Wayne County 4-H Council plays an important role in improving the county, developing policy for 4-H events, determining how the funds passed through the 4-H from State are spent and coordinating the awards and recognition program.

CRP sign-up deadline near

At the end of the fourth week of the 5 week Conservation Reserve Program (CRP) 16th sign-up period, Debra Pieper, Wayne County FSA CED says she wants to remind local producers that they have only a week left to enroll their land into the program.

The CRP sign up is going very well, said Ms. Pieper. "I am delighted at the response we've been getting. I'd hate to find out that people missed out just because they weren't aware that time had run out. Unlike previous CRP's, current signing contracts cannot be extended. That means," she said, "that the only way to stay in the program is to make a bid in a sign up like this one."

The new CRP is the single largest government environmental improvement effort it offers to farmers and ranchers to plant various kinds of protective cover on suitable farm property to protect and improve air, water, soil quality, and habitat for wildlife.

"The response we've received shows that Wayne County farmers and ranchers want to be active participants in the fight to clean up our environment," Pieper said. "So I want to urge all those farmers and ranchers still thinking about participating to remember that you only have until the end of the next week.

All land that is enrolled in the program must compete for acceptance based on an environmental benefits index that ensures fair and equal consideration for all types of land. Sign up for the program began on Oct. 14 and will continue through Nov. 14.

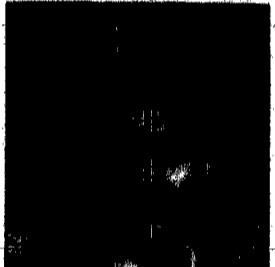

The Farm Service Agency office is at 709 Providence Road in Wayne, or call 375-2433, extension 201, for additional information.

Controlling home humidity

A family of four typically evaporates three to four gallons of water a day due to normal household activities such as showering or cooking.

Here are some ways to control household humidity.

Exhaust ducts: Bathrooms, laundry rooms (including clothes dryers) and the kitchen should have exhaust ducts to the outside to reduce household moisture. Humidity-reducing techniques also can reduce humidity levels.

Ventilate: Attic ventilation should equal about one square foot of free vent area for every 300 square feet of attic space. Ventilation systems have product labels indicating free area. Just screening, for example, may cut the free area in half, however with screening in the traditional gable vent location reduces the free area by about two-thirds. Excessive moisture from damp attics and crawl spaces leads to mold that will lead to rot and decay. The ideal is to bal-

ance ventilation. An effective, well-balanced attic ventilating system allows air to move in a pattern that results in a uniformly cool attic space both summer and winter.

A combination of soffit and continuous ridge vents helps cool the attic and prolong roof life. For soffit vents to work, the flow of outdoor air temperature air must be unobstructed. These passages or channels get blocked by a baffle over the top plate will ensure the movement of air.

Vapor barriers: Covering and ventilating exposed earth in crawl spaces helps reduce household moisture. Cover with polyethylene film that is at least 6 mil and vent to the outdoors. Vents located near each corner will permit good air movement through the crawl space.

A vapor barrier is any material that effectively hinders the movement of moisture from a point of high vapor pressure, such as from the inside of a warm home toward the outside world. Vapor barriers should generally be placed near the warm side of the wall, ceiling or floor. Any type of building material

near the cold side of the home should permit moisture to escape out of the wall or ceiling to the outside.

Remember to ventilate and install a vapor barrier or vapor retarder when insulating. A continuous sheet of 6 mil polyethylene or other vapor barrier will limit moisture movement and prevent insulation effectiveness. If the attic already has insulation, apply vapor-retarding paint to the living side ceiling.

Dixon County to honor 4-H'ers

The Dixon County 4-H Achievement Program will be held at the Northeast Research and Extension Center on Sunday, Nov. 9 at 2 p.m.

Dixon County 4-H'ers will be recognized by County Awards, County Career Awards, Completion of Projects Awards and their accomplishments throughout the year.

RECEIVES 'STAR PERFORMER AWARD'

The National Association of Small Business Development Centers recently announced that Terry Swagerty of Roseburg, Ore., was one of the recipients of the annual "Star Performers" award.

This award is given in recognition of outstanding quality consulting service and is based on several criteria measuring client satisfaction, consultant impact and continuing education efforts.

There were 530 Small Business Development Centers asked to submit nominations for this award. Fifty six nominations were received from 19 states. Ten people were chosen as "Star Performers" from these nominations and were honored at a conference in Keystone, Colo., in October.

Terry Swagerty is the director of the Wayne County Community Center in Roseburg. He is the son of Calvin and Bonnie Swagerty of Wakefield.

MEETING POPULAR

The Wakefield Boy Scout Troop, along with the Cub Scouts are currently enjoying their annual popcorn sale. Orders are being accepted now for delivery throughout the Wakefield area.

The money raised through popcorn sales will be used to support both local and district youth activities. Legally, it helps and funds to help and to fund other district and council projects. Popcorn sale approval for next

project, patches, badges and pins that the scouts earn throughout the year, and provides Boy's Life magazine for the scouts. The money collected is also used to provide leader training.

If you would like to support the Boy Scouts and are not contacted, please call one of the leaders, Ed Haglund, Tom Klein or Dan Brown, or any Cub or Boy Scout **BARNES SCHOLARSHIP**

A Chadron State College student received a scholarship and delivered a paper at the annual meeting of the Nebraska section of the Society of Management Executives.

Kelly Ekert, a senior from Wakefield, was presented a \$500 scholarship for outstanding achievement in range management activities she was the only student at the meeting to give a paper. It involved her work last winter as an intern at the Arden National Forest in Colorado.

The paper was entitled "A Comparison of Different Grazing Systems Using The Grazing Response Index". Kelly, who is president of the Chadron State Ag Club, also will give the paper at the National Society For Range Management meeting in Las Vegas, Nevada, in February.
