

School Board sets new levy

By Kevin Peterson
For the Herald

The Wayne School Board met in regular session, Monday night in Carroll.

Prior to the regular meeting, two special meetings were held for the purpose of amending the 1998-99 school budget due to the bond issue passing in late September.

School Superintendent Dr. Joseph Reinert said the levy would currently be set at .2735 cents for the bond based on the outcome of the election.

The second special meeting followed to conduct a public hearing and to discuss and approve the Tax Request for the 1998-99 school fiscal year.

The Tax Request for 1998-99 and the levy was set at \$1,391,340.9.

The regular meeting got underway shortly after 7:30 p.m.

Wayne Athletic Director Dan Fehringer informed the Board of conflicts in scheduling between the high school and Wayne State College.

The high school currently uses WSC facilities for home football games.

Beginning next year, however, Wayne State College becomes part of the Northern Sun Intercollegiate Conference.

The NSIC volleyball schedule runs on Friday-Saturday rotations which could create parking problems when WSC hosts a Friday volleyball match at the same time the high school is hosting a football game.

The scheduling has been complete for the 1999-2000 season and there are currently three Wayne football games that will be switched from Friday night at Memorial Stadium to Thursday night at Memorial Stadium.

Fehringer and Dr. Reinert are continuing to work with Wayne State College on this matter.

The Board tabled taking action in raising substitute teacher pay. Dr. Reinert informed the Board that Wayne is currently lower than other

area schools in paying substitute teachers.

Currently, substitute teachers are paid \$58 per day. The three principals of Wayne's school district said the number of substitute teachers is down this year from last year.

The Board is expected to address and take action on this matter at the October 26 meeting or November 9 meeting.

*Dr. Reinert told the Board that a letter will be sent to all parents to inform them that a switch will be made on the school's internet network—that it will be run through a filtering service.

The switch will not take away or limit internet usage for students but it will allow for selective accessibility to the internet data. The letter will go out to parents by Oct. 30.

*The Board passed a motion to approve a resolution opposing Measure 413 at the November election.

The Resolution states: "The Wayne Community Schools opposes the Business Summit's proposed constitutional amendment because it poses a serious threat to the public services provided by city, county and state governments; and because it threatens the continued excellence and quality educational programs now provided for all of Nebraska's children."

*The Board approved a motion to join the Highway 35 Expressway Association.

This concerns the bridge at Vermillion and whether Highway 35 would be used as an outlet which in turn would create traffic through Wayne.

*Dr. Reinert presented the plan for reconstruction of the Middle School as per the bond election last Sept. 29.

The district and Dr. Reinert will handle the first step in the process which is site survey, soil survey and an environmental study on the current building.

Dr. Reinert was given the authori-

Bringing in the beans

Area farmers have taken advantage of the recent favorable weather to harvest this year's crops. Reports of yields of 60 bushels per acre for soybeans and 125-30 bushels for corn have been reported. It is estimated that 90 percent of the beans and 10 percent of the corn have been harvested. Above, Carol Bauermeister completes bean harvest for Verdel Backström, southwest of Wayne.

United Way benefits local youth

Editors note: This is the second of articles about the non-profit organizations which benefit from United Way contributions.

Prairie Hills Girl Scout Council, serving 19 counties in northeast Nebraska, served 96 girls and 21 adults in the Wayne area this past year. There are a total of 12 Girl Scout troops in the council.

Senior Girl Scouts Heidi Headley and Sarah Dorsey, both of Wayne, recently received their Gold Award, the Highest Girl Recognition in Girl Scouting. To attain the award a girl must show leadership, give significant community service, explore careers and gain skills and knowledge through specific interest projects.

The last phase of earning the

Gold Award is a project, which meets an expressed need of the girl's community. It requires a time commitment of 50 hours from planning to implementation.

Heidi and Sarah's great love for the out-of-doors inspired their Gold Award Project of improving

the city park by constructing new picnic tables and building a shelter.

Sarah said, "The picnic tables and shelter provide a safe place for the Girl Scouts during summer day camp. They also provide a place for family members of base-

ball players to sit while they are at the ball park. The issue that our project addressed was the replacement of the existing dangerous picnic tables."

Heidi added, "The most suc-

Construction work continues on Wayne housing project

Work continues on Meadowview Estates, a 16-unit affordable rental housing project just east of Pac 'N' Save in Wayne.

The project is expected to be completed in early February of 1999 and will consist of eight, two-bedroom and eight, three-bedroom residences designed for general family occupancy.

Two of the two-bedroom units will be adapted for handicapped occupancy; one for mobility impairment and one for visual/hearing impairment. The three-bedroom units will be two stories with one bedroom down-

stairs and two bedrooms upstairs.

Meadowview Estates will be reserved for occupancy by working families whose incomes are at or below 60 percent of the Wayne County median income. Additionally, the USDA Rural Development Section 515 program offers a rental assistance program which insures that no tenant pays more than 30 percent of their actual income for housing.

Linda Anderson, Executive Director of the Wayne Community Housing Development Corporation, said that she will begin accepting applications for ten-

ants in late November.

The project was made possible by the participation of the city of Wayne, First Title and Escrow of Wayne, Nebraska Investment Finance Authority, Pac 'N' Save, Inc., the Preston Company and State National Bank & Trust Company of Wayne.

Funding for the project came from a USDA Rural Development Loan (\$748,350), Low Income Housing Tax Credits (\$391,570) and the Department of Economic Development (\$150,000).

For more information about the project, contact Anderson at the WCHDC at 375-5266.

Workers continue to make progress on Meadowview Estates, a 16 unit housing complex located near Pac 'N' Save.

School celebrates harvest

Wayne Elementary School's theme this fall is "Harvest," and to go along with that theme, a number of activities are taking place.

The faculty, staff and students dressed in their best harvest clothes on Thursday, Oct. 8. The kick-off for the harvest theme was the reading of harvest stories to the children.

Each homeroom received two pumpkins to decorate. The pumpkins were judged in separate divisions — kindergarten, cutest pumpkin; first grade, funniest pumpkin; second grade, best farmer pumpkin; third grade, most unique pumpkin and fourth grade, scariest pumpkin.

All the students created their own pumpkins on paper and pumpkins were displayed in the halls.

Writing activities to coincide with the theme were written and put on display in the rooms and in the halls.

On Monday, Logan Valley Equipment brought a new combine for the students to look at and sit in.

According to Michael Jaxon, second grade teacher at Wayne Elementary, "students thought the cab was really 'cool' and they enjoyed the chance to climb in it."

Carry Roeber and Derek Hill of Logan Valley Equipment explained about the combine.

The "Harvest" activities ended on Wednesday when students again dressed for harvest.

Don Liedman, a retired farmer from Carroll, spoke to the students about farming. Kindergarten, first and second graders sang harvest songs and third and fourth graders did several square dances.

Students at Wayne Elementary climb into a combine to examine the machine as part of the "Harvest" activities.

Mrs. Cheryl Suehl's second grade reading class performed a pumpkin play and the decorative pumpkin awards were handed out.

Several teachers were also involved in performing their own version of *Old MacDonald Had a Farm*.

City Council has light agenda

In a council meeting that lasted only 15 minutes, the Wayne City Council passed two resolutions and gave its approval to a new member of the Wayne Volunteer Fire Department.

Resolution 98-95 gave approval for the final plat of Casey's Replat of the Spangler Subdivision. The subdivision is located north

of Highway 35 and east of Providence Road. The Planning Commission had earlier given its approval to a revised plat. The area will be divided into three plots, with the east lot having access from Highway 35. However, an entry-way would have to be constructed and land owners would have to have approval from

the Nebraska Department of Roads.

The second resolution allows for an extension on the agreement with L.P. Gill for an additional 10 years for use of the landfill.

Mark Henning's application to the Wayne Fire Department was given unanimous approval.

Mid-America Council of Boy Scouts

The Boy Scouts of America provides a program of comprehensive youth development, emphasizing skills and leadership. The organization stresses duty to God and Country and mental and moral fitness to prepare the young people to make ethical choices over their lifetimes.

Assistant Wayne Scoutmaster Gary Wright reports that this past summer 10 Wayne Boy Scouts and four adults participated in an adventurous canoe trip in northern Minnesota and southern Ontario, Canada.

The contingent divided into two groups and spent nine days canoeing and portaging 90 and 120 miles, respectively.

Attending the canoe trip were David Lindner, Bob Beckerbauer, Sam Schrant, Craig Hefti, Ryan Teach, Kurt Schrant, Eric Shapiro, John Kinnett, Dan Fletcher, Jon Gathje, Gary Wright, Nick Salitros, Sam Kinnett and Trevor Wright.

Other members of Wayne Troop #174 kept busy this summer participating in week-long outings at Camp Cedars near Fremont and Ben Delatour Scout Ranch near Fort Collins, Colo.

FRIENDs

By Melissa Nissen, eighth grade student, FRIENDs President and FRIENDs Teacher.

"FRIENDs is a drug-free youth group that stands for Facts Raising Interest—Ending—Needless Drugs. Wayne FRIENDs is a group of kids in grades 7-12 promoting a drug and alcohol-free life. FRIENDs is important for youth to have a full and healthy life.

"FRIENDs teaches younger children about drugs and alcohol and what they would do to your body and personality." We promote drug and alcohol awareness through Red Ribbon Week at the end of October and other activities throughout the year.

"In December of '97 we sponsored a Holiday Parents Night Out in Wayne to provide child care and drug-free fun for children ages

three through grade five. Every summer we enter a float in the Chicken Show parade and send some of our members to Drug-Free Youth Retreats sponsored by the Nebraska Network of Drug-Free Youth.

"The Wayne FRIENDs group goes to other towns for lock-ins, dances, speakers and other fun events such as a hayrack ride and hot dog roast, ice skating/hockey game party and the Red and White football game and drug-free rally.

"There are a lot of other drug-free groups that have the same goal as us. You meet many new people and learn many new things. We have fun and we know that we are setting a good example, too."

Drug-Free is the way to be!

Hospital presents award

Marcie Thomas, Administrator of Providence Medical Center in Wayne has announced that Helen Beckman of Wayne has been selected as the "1998 Caring Kind" award winner from Providence Medical Center.

As part of the festivities of the Nebraska Association of Hospitals and Health Systems Convention in Lincoln, Mrs. Beckman will be individually honored at a luncheon on Friday, Oct. 23 at noon at the Cornhusker Hotel/Burnham Yates Conference Center at 333 South 13th Street.

"Helen has been an employee of our hospital for nearly 30 years, serving in the capacity of Dietary Supervisor and now in her later

years she continues to serve PMC as a part-time cook. Helen is very well known for her wonderful bread making abilities," Mrs. Thomas said.

"She has always been, and continues to be, a very dependable employee. During our cold Nebraska Winters when snow storms are predicted, Helen has been known to pack her suitcase and sleep at the hospital in order to be certain of being to work on schedule," Mrs. Thomas added.

Candidates for the "Caring Kind" award must exemplify the spirit of those who give that "something special to make our health care facilities work.

Helen Beckman, left, is congratulated by Marcie Thomas after being chosen as the Caring Kind winner at PMC.

Keifer, son of Loren and Shirley Keifer of Laurel, recently participated in a large training exercise while on a six-month deployment to the Mediterranean Sea and Arabian Gulf aboard the aircraft carrier USS Dwight D. Eisenhower, lead ship of the USS Dwight D. Eisenhower Battle Group.

During Exercise Matador Livex '98, Keifer's ship teamed with U.S. Navy units from the battle group, the USS Saipari Amphibious Ready Group (ARG) and other special

naval support elements, including the Navy Seals, in the one-week exercise in the Mediterranean Sea.

The intense exercise tested every mission phase of a combined force including air, surface, subsurface, non-combatant expeditionary operations and maritime interdiction operations.

The overall purpose of Exercises Matador Livex '98 was to enhance ARG and carrier battle group interoperability in an operational environment.

Meet Our Next Governor

- I'm running for Governor because I care about our great state and the hard working families who live here.
- I want a smaller, more efficient government.
- I want to prevent senseless state mandates.
- I want a tax system that is simpler and fairer. Taxes in Nebraska are simply too high.
- I want greater local control over education and other essential public services. Local decisions should be made locally, period.
- I want a growing rural and urban economy

"My vision for Nebraska is clear: government that is limited and more responsive to taxpayer needs and a prosperous state that affords every citizen hope and opportunity without interference from over regulation, high taxes and unaccountable bureaucracies"

Capitol News —

Most governors can do little

By Ed Howard
Statehouse Correspondent
The Nebraska Press Association

Pick a state and pick a governor's race.

One thing is virtually, and understandably, the same.

The candidates for governor talk about what they will do if elected. They use phrases like: "I will cut the budget," and "I will lower this tax, and cut that program," and on down the line.

Every so often, someone in a gubernatorial race throws a bone of acknowledgment to the legislative branch. Usually, this is by way of saying that he or she will "work with the lawmakers to get my programs enacted," or "to enact programs which will benefit our great state, blah, blah," by which the candidate means the candidate's programs.

The fact is that what most governors can do really ain't much, per se. The power lies in their ability

to persuade or otherwise convince a majority of lawmakers to go along with them. One method, usually popular among every governor at one time or another, is to blast, berate and belittle the legislative branch.

This is where references to "irresponsible lawmakers" and "wild-eyed spenders" and so forth come into play.

This topic is of particular interest to me these days, since the next governor might have a doozy of a situation to deal with when it comes to finances.

Secretary of State Scott Moore recently noted that the ballot proposal to limit government revenues (and perhaps do other things, intended or otherwise) is a big factor in this Nebraska election year.

Secretary Moore is occasionally given to understatement (and, occasionally not. He once compared the NU Board of Regents to the

Hooterville City Council). The above reference was to one of his understatement episodes.

Look at the turnover in the Nebraska Legislature. Even if you're a believer in term limits, other than elections, you are hard-pressed to make a case for such a policy. The issue isn't a mob of perpetual officeholders. If anything, it's an issue of having enough experienced solons around to show newcomers where to find a bathroom.

The election of a governor, the makeup of the next Legislature, and the observation by Moore and others in regards to the proposed constitutional amendment, should be thought of together.

This column previously observed that the decision which Nebraska's electorate has before it on limiting the power of state and local government will be a seminal one. Nebraska's future will take one of two roads following the November

balloting. From here, this seems a matter of fact and not of opinion.

Twenty-five legislative seats are "up" this year. Eight incumbents are unopposed. Six are retiring. That leaves 11 in contested races. Without speculating on particular races, the odds are there will be some turnover.

Approval of the constitutional amendment, if such were the will of the majority, would mark the beginning of a new era of governance in the Cornhusker state. The results would be closely watched by other states.

That's one reason it is important to think about the candidates for governor in something besides the terms in which they say what they "would do," if elected.

The issue could center on what they, and the Legislature, are capable of doing when it comes to managing circumstances entirely foreign to Nebraska's representative democracy.

HOME HEATING REPAIRS \$3 Fuse or \$2,500 Replacement

With each change in Nebraska's weather, complaints regarding allegedly fraudulent activity by home heating and air conditioning repair companies are reported to our office. One such incident involved a company sending a repairman to respond to a home heating unit problem. After examining the heating unit for roughly 10 minutes, the consumer was told they would need to replace the entire unit at a cost of around \$2,500. The consumer wisely asked for a second opinion from another repair company. The problem was immediately solved by the second repair service by simply replacing a \$3 fuse.

These types of scams occur most often in the bitter cold of winter or the heat of the summer - the middle of the heating and cooling seasons when consumers don't have the luxury of time to consider all their options. Consumers are often faced with what they consider to be an emergency situation, and don't take the necessary time to properly research a company before doing business with them. Prior to calling a heating and cooling repair service, we suggest reviewing the following checklist:

- Check to see if the unit is still under warranty. If so, report the problem as soon as possible. Trying to fix the product yourself might cancel your rights to service under the warranty.
- Before choosing a repair service, check with the Consumer Protection Division of the Nebraska Attorney General's Office or your local Better Business Bureau to see if any complaints have been filed against the business.
- Use a local, well-established repair service. Ask for references and check with other homeowners to find out if they were satisfied.
- Ask about any extra charges, for example, delivery fees, installation charges and service costs.
- Be aware that any promise that the repairman makes will be difficult to enforce unless it is in writing.
- Most importantly, compare costs by getting more than one estimate or bid. Each estimate should be based on the same materials and labor.

If you suspect fraudulent or deceptive activity by a repair service representative, call: Office of Attorney General Don Stenberg, Consumer Protection Division, 2115 State Capitol, Lincoln, NE, 68509, (402) 471-2682, Consumer Protection Line - 1-800-727-6432.

Tourism is a viable business

The 1997 edition of the Tourism Works for America Report is hot off the press and I'll share some of the more relevant data. To take a look at the entire report, stop by the Chamber/Industries office.

Approximately one out of every 17 Americans is employed due to the patronage of travelers to and within the United States. Travel and tourism is the first, second or third largest employer in 32 states. The favorite mode of transportation used by U.S. residents when traveling in 1997 was: Auto/Truck/RV (79 percent), Plane (18 percent), Bus (one percent) and train (one percent).

According to the American Society of Travel Agents, changes within the travel and tourism industry have affected the way smaller travel agencies do business. They are focusing more on the leisure market and specialized niche market, with less emphasis on business travel.

Passengers on a fully loaded

motorcoach (averaging 47 passengers) on a charter or tour contribute approximately \$5,000 to \$7,000 per overnight stay in a community, according to the American Bus Association.

The report gives the following figures for domestic travel expenditures and employment numbers during 1995 (most current year for this data) in Nebraska. Domestic travel expenditures totaled \$2,058.1 million and travel generated employment in Nebraska was 34.3 thousand people.

Preliminary figures for 1996 indicate the following percentages of U.S. travel expenditures: Public transportation, 23.4 percent; auto transportation, 16.5 percent; lodging, 17.5 percent; food service, 24 percent; amusement/recreation, 10.4 percent; general retail, 8.2 percent.

In 1997, the top three activities participated in by U.S. resident travelers remained: 1)

group tour leaders had the chance to learn about the Wayne Chicken Show! Be sure to thank John and Dave when you see them!

When I consider how much money one tour bus brings into a town — \$5,000 to \$7,000 according to the Tourism Works for America Report — I can certainly appreciate why we need to "think" about tourism as real business.

Take, for instance, the \$5,000 amount one tour bus would bring to Wayne and calculate how much money would be distributed among the various categories. Auto transportation would receive \$825; food service would get \$1,200; recreation would capture \$520; general retail would claim \$410 and lodging would take in \$875.

Remember, travel and tourism is the nation's third largest retail industry. Largest is automotive and second-largest is food stores.

WSC edged by Northern State

By Louis Johnson
For the Herald

The Wayne State defensive secondary held visiting Northern State to 53 total yards passing, but failed to contain a running game that grounded out 253 yards and two touchdowns in WSC's 21-14 loss to the Wolves on the gridiron.

The 'Cats fell to 0-6 on the season. For the first time this season, however, WSC scored first, on a 24-yard field goal by kicker Brian Johnson after Northern State fumbled the opening kickoff.

Johnson then delivered a successful on-sides kick and appeared to be headed for another first quarter score but the drive stalled. Johnson attempted his second short field goal of the first quarter but it was blocked and returned by the Wolves, 61 yards to paydirt.

WSC's next drive also stalled, but Northern State fumbled the punt and WSC converted with a 35-yard field goal by Johnson to pull with in one at 7-6.

Northern State was limited to just one play in the opening stanza which resulted in five yards.

The Wolves, however, would pile up another 248 yards in the next three quarters.

In the second quarter WSC's offense kick-started with a 5-play, 45-yard drive that resulted in a back of the end zone grab by Damon Ruffin from Jaime Jones from 12 yards out.

WSC successfully completed the two-point attempt as Dan Pugsley connected with Craig Price to give WSC a 14-7 lead.

Northern State tied the game midway through the third period as running back Troy Hoff separated himself from Wildcat defenders for a 34-yard TD run.

Tyrone Morgan added a four-yard score with 1:53 left in the third stanza, which put the Wolves up for good at 21-14.

Fred Giraud led the Wildcat offensive attack with 93 yards on 27 carries. Neither team did much through the air as WSC gained 126 yards while Northern State netted 53 yards.

Defensively, WSC was led by Jesse Wavrunek with 15 tackles. Antonio Jackson and Greg Davis added seven each.

Haslam said the Wildcats are beginning to understand what they're trying to accomplish as a team.

"I want our players to challenge themselves and do the best they can on each and every play," Haslam said.

"We are starting to understand that more and we're beginning to play with more fire and more intensity."

Haslam also made a firm stance on the Wildcats goals. "I place emphasis on us going out every week and doing our very best. We're not going to sit around and talk about the scoreboard all the time.

"We can go out and win and actually step back as a football team in certain situations. We want to continue to take steps forward," Haslam added.

Saturday, the Wildcats will play host to 1-4 Moorhead State. Backup quarterback Brandon Lavaley will be getting his first collegiate start.

Lavaley, a sophomore from Sutherland, Neb. Has played in five games this season, completing seven passes for 61 yards.

Northern State fell to Southwest State of Minnesota last Saturday, 24-17.

The Dragons average 273 yards a game on the ground and just 48 through the air while the 'Cats through six games are averaging 107 yards per game on the ground and 250 through the air.

Moorhead State is a member of the Northern Sun Conference and is the second team WSC faces from that conference this season.

Winona State, Minnesota-Duluth and Northern State are the other teams on the 'Cats schedule from the NSIC.

Game time is slated for noon at Memorial Stadium.

Tuesday Night Sports Action

Laurel defeated by Elkhorn Valley

Laurel-Concord's volleyball team fell to 7-7 on the season with a 15-13, 2-15, 6-15 setback to Elkhorn Valley, Tuesday in Laurel. Patti Cunningham said her team played inconsistently which plagued the Bears' efforts to win the match.

"Costly mental mistakes such as missed serves in pressure situations hindered our scoring," Cunningham said. Brittany Burns was 24-26 in hitting with seven kill spikes to lead the Bears while Kristin Hank was 24-28 with six kills and Lani Recob, 12-14 with four ace hits.

Kari Stewart was 74-75 in setting with 18 assists while Burns was 7-8 in serving with three aces. Melissa Thompson was 7-8 with two service aces and Julie Abts was 11-11 with one ace. Burns also paced the defense at the net with seven blocks while Stewart finished with 13 digs.

Wakefield drops three matches

The Wakefield volleyball team dropped three matches during the past week to even Marty Slaughter's team's record at 9-9. At Wisner, the Trojans fell to the Gators, 7-15, 15-11, 11-15. Andrea Greve slammed 13 kill spikes to lead the Trojans while Kristin Eaton had five. Lisa Potter had 16 set assists and Kristin Brudigam, 12 while Potter was the top server at 19-21 with two aces. Greve also had nine blocks while Maggie Brownell netted five.

"I thought we played well," Slaughter said. "The third game could have gone either way. We just weren't aggressive enough at the end."

The Trojans also fell to Elkhorn Valley, 2-15, 5-15. Brownell finished with four kill spikes for team tops while Potter had nine set assists. Brownell was 11-11 in serving and Amanda Ekberg had two blocks to lead the defense.

Wakefield hosted Newcastle on Tuesday and fell, 8-15, 15-3, 9-15. Maggie Brownell notched a team-high 11 kill spikes while Lisa Potter finished with 10 set assists. Ami Hampl was the top server at 21-23 with five aces and Kristin Eaton led the defense with 17 total blocks.

Winside falls to Ponca

The Winside football team was defeated by Ponca last Friday night, 14-8, leaving Randy Geier's Wildcats with a 3-3 record on the season.

The loss was really felt by the Wildcats when three-year starting quarterback Aaron Hoffman was lost for the season with a broken collar bone.

"We played a great game," Geier said. "Our defense was outstanding."

Ponca had the ball on our 6, 13 and 20 yard line in the first half and came away empty."

Geier said his team struggled on offense against Ponca but so has everyone else in the conference against the Indians as they've given up just 35 points to conference foes.

"I feel really bad for Aaron Hoffman," Geier added. "He is a great person who had an outstanding career. We will miss his steady play at quarterback. Ponca is a well coached team that played a great ballgame."

The Wildcats got on the board first on an 11-yard pass from Aaron Hoffman to Ryan Krueger. Hoffman hit Aaron Lessmann for the two-point conversion.

Ponca scored all 14 of its points in the final stanza on a 24-yard pass from Gabe Taylor to J.D. Roberts and a five yard run by Jon McKinney.

Jon Jaeger led the ground attack with 45 yards while Steve Rabe was the top receiver at two catches for 35 yards.

Defensively, Winside was led by Ryan Krueger with 15 tackles and Zeke Brummels with 10.

Winside will travel to play Homer on Friday.

Wayne gridders defeated by O'Neill on Homecoming

The Wayne football team had their four-game win streak halted by O'Neill on Homecoming last Friday, 22-7.

The 4-2 Blue Devils scored first on a 43-yard scamper by Joel Munson with Josh Murtaugh booting the point after.

O'Neill answered with a short touchdown run to tie the game at seven's at the intermission.

The second half was owned by O'Neill as the visiting Eagles scored on runs of 1 and 4 yards for a 19-7 advantage.

In the fourth quarter the Eagles converted a 34-yard field goal for

the final margin of victory.

"It was a tough night for us," coach John Murtaugh said. "Turnovers and poor field position were the two areas which held us back."

The Wayne mentor said it's very important for his team to bounce back this week against Tekamah-Herman.

"We are still very much in the playoff picture," Murtaugh added. "Simply put, we control our own destiny."

Joel Munson notched his sixth consecutive game of the season with 100-plus rushing yards, gain-

ing 120 on 18 carries.

Klinton Keller was 7-23 through the air for 121 yards but had three picked off.

Dustin Schmeits caught three balls for 54 yards and Gabe Hammer had three catches for 57 yards while Darin Jensen caught one pass for 10 yards.

O'Neill gained all its yardage on the ground with 255 yards. Defensively, Wayne was led by Jesse Rethwisch and Casey Junck with nine tackles each while Darin Jensen had eight.

Wayne will travel to play Tekamah on Friday.

Wayne high defensive players Shane Baack (5), Ethan Mann (80) and Robble Sturm (10), converge on the O'Neill quarterback and forced a fumble during action last Friday night in Wayne.

Wayne runners close out regular season

The Wayne cross country teams competed at the Bloomfield Invite last Friday to complete the regular season schedule.

Rocky Ruhl's teams will take part in the district cross country meet on Thursday at Logan View High School.

The Blue Devil boys ended the year just like they started—on top as they swept past the 13-team field with 24 points.

Pierce was runner-up with 34 and Albion was third at 42 while Crofton finished fourth with 96 points. Madison, Laurel, Stanton, Plainview, Elkhorn Valley, Norfolk Catholic, Spencer-Naper, Stuart and Battle Creek rounded out the field.

Brian Hochstein was the top Wayne runner in third place with a 17:42 clocking while Brent Tietz was eighth in 18:13. Nick Muir finished 10th in 18:16 and Jeff Ensz, 12th in 18:18 while Bethune placed 19th in 18:38. Brandon Garvin also ran varsity and finished 28th in 19:21.

Roy Ley (19:57) and Tony Carollo (20:02) led the Wayne JV's, medalizing in second and third place, respectively.

Ryan Stolténberg was 12th in 21:16 and Anthony Sump, 18th in 21:56 while Jon Meyer was 20th in 21:58.

Other Wayne runners included: Joseph Holstedt (22:15), Ryan Dahl (22:16), Ryan Teach (22:59), Kyle Minds (23:39), Brett Parker (23:50), Jason Parks (23:53), Eric McLagan (23:54), Judd Giese (24:12), Derek Hart (24:17), Andy Costa (24:56).

The Wayne girls placed third in the 10-team field with 36 points. Pierce won the team title with 21 and Winside was second with 35.

Stuart placed fourth with 88 points and Bloomfield, fifth with 91 while Laurel-Concord tallied 93 points for sixth place.

Norfolk Catholic, Battle Creek, Albion and Spencer-Naper rounded out the field of teams in order.

The top Wayne runner was Lilly Broders with a fifth place time of

16:34 while Emily Kinney was eighth in 17:14. Sarah Holstedt finished 12th in 17:39 and Tara Hart, 22nd in 18:14 while Jeanne Allemann was 24th in 18:30.

Sarah Sperry (18:30), Katie Walton (18:34), Jill Meyer (19:21), Chris Jones (19:37) and Kristin Hochstein (20:44), also competed for Wayne.

Wildcats earn win in soccer

Three different players scored to power Wayne State College to a 4-0 shutout victory over Midland Lutheran in women's soccer last Thursday afternoon in Wayne.

Alana Pfeffer scored two goals, her first two of the season while Sara Zimmer and Sarah Herrick each scored once to help the Cats improve to 4-3 on the season.

Zimmer put WSC on the board in the 33rd minute when she scored her first goal of the year off an assist from Herrick.

Herrick scored an unassisted goal, her 10th overall, in the 52nd minute before Pfeffer put the game out of reach with two late goals off throws by Emmalee Shafer.

WSC outshot the Lady Warriors, 26-4 for the game, including 14-1 in the second half. WSC goalkeeper Melissa Abernathy made two saves in picking up her second shutout.

"We really didn't pick up the pace in this match until late in the first half," WSC coach Justin Cole said. "It was more or less a tale of two halves for us."

Cole said Shafer and Jennifer Knowles came off the bench and had an immediate impact for the Cats.

"Our team captains, Sara Zimmer and Jen Knowles really have done a good job for us all season," Cole said. "Against Midland it was Sara's goal late in the first half which got

us going and Jen played great defensively. That's what you have to have from your leaders."

WSC will travel to play in the Northern State Tournament this weekend with competition coming from the likes of Northern State, Jamestown College (N.D.) and North Dakota.

Wayne girls place second at districts

By Kevin Peterson
Of the Herald

The Wayne girls golf team earned a return trip to the Nebraska State High School Girls Golf Championships with a runner-up finish at the district tournament.

Dave Hix's team fired a 382 which was 13 strokes behind champs, Columbus Scotus but well ahead of third place Lakeview, 403.

The top three teams qualify for the state meet which gets under way Thursday and runs through Friday in Grand Island.

All three varsity seniors earned medals in their final district tournament as Hailey Daehnke led the way with a fourth place score of 90.

Abbie Diediker placed fifth with a 94 and Lindsey Martin was seventh with a 95. Diediker and Martin had to win playoffs in order to earn their respective medals.

Eagles get beaten by Coleridge

The Allen football team slipped to 0-6 on the season with a 57-12 setback to Coleridge last Friday night.

Doug Schnack's team scored on a 67-yard pass play from Micky Oldenkamp to Joe Sullivan in the second quarter and a 16-yard pass from Oldenkamp to Adam Gensler in the third stanza.

Coleridge rolled up 289 rushing yards and scored on two kick returns and an interception return.

"They (Coleridge) have a very good football team," Schnack said. "I was happy with the effort of our team."

Gensler rushed for 27 yards for team tops and Oldenkamp was 4-11 through the air for 111 yards. Gensler had two catches for 25 yards and Sullivan, one for 67 while Ken Rahn had one catch for 19 yards.

Defensively, Allen was led by Richie Lamprecht with 13 tackles and Aaron Gensler with nine.

Monica Novak carded a 103 to round out the team scoring. Kari Harder also competed for Wayne but struggled. Her score was not needed in the play five, score four format.

"It was nice to see the senior golfers on the varsity all medal in their last high school district meet," Hix said. "We finally brought home a plaque from districts."

Despite the runner-up finish Hix said his squad was not satisfied with finishing second.

"Hailey had a great round of 41 to start with but played a little tentative on the back nine and finished with a 90," Hix added. "Kari Harder had the dreaded shanks and couldn't get rid of them for anything. I believe she'll have that ironed out before state."

State pairings are based on district scores so Wayne's order will go Kari Harder, Monica Novak, Lindsey Martin, Abbie Diediker and Hailey Daehnke.

Sports Briefs

Allen spikers fall to Bancroft-Rosalie

ALLEN—The Allen volleyball team was defeated by Bancroft-Rosalie, 8-15, 15-12, 6-15 last Thursday in Allen. "We couldn't get it together," coach Denise Hingst said. "We had players 'on' and 'off' all night. We also made a lot of mistakes because we didn't communicate well."

Hingst credited the serving of Michelle Marks and the over all play of Shannon Koester. Stacey Martinson and Jessica Bock each had four kill spikes while Koester had three and Michelle Marks, two.

Bock had three service aces for team tops and Martinson led the defense with eight blocks while Koester scored a team high, nine points.

Wayne falls at O'Neill

WAYNE—The Wayne volleyball team fell to 9-11 on the season with a 10-15, 15-12, 11-15 setback at O'Neill last Thursday night. Joyce Hoskins' team got a team high 13 kill spikes from Sara Ellis while Shona Stracke had 12. Liz Campbell and Lindsay Woehler each had four ace hits.

Brooke Parker was the leader in serving at 18-18 with three aces while notching 32 sets. Jess Raveling was 12-12 in serving with one ace and Leah Dunklau, 10-10. Ellis and Stracke had three blocks each to lead the defense.

Wayne's JV team won, 9-15, 15-13, 15-6 as Mandy Hansen's play was credited while the freshman fell, 4-15, 0-15.

Laurel harriers compete at conference

LAUREL—The Laurel-Concord boys and girls cross country teams competed at the NENAC Conference meet last week with both Bears teams earning runner-up honors.

Michael Stone paced the boys attack with a fourth place time of 19:14 while Justin Haahr was ninth in 19:29. Brad Owen was timed in 19:47 and Micah Hansen, 19:55. Adam Donner ran to a 23:12 clocking and Evan Bloom, 23:47 while Jesse Jelinek was timed in 24:05.

The girls were led by Sarah Stark in sixth place, 18:05 while Rachel Potosnyak was 10th in 18:32. Crystal Viterna was timed in 18:44 and Amanda Anderson, 19:01.

Crofton won the boys team title and Bloomfield was the girls NENAC title.

Junior high volleyball team competes

WAYNE—The Wayne junior high volleyball teams split with Schuyler last week with the seventh grade falling, 8-15, 14-11, 13-15. Wayne was tied in scoring by Carrie Walton with seven points while Sarah Pieper scored six and Karissa Hochstein, five.

The eighth grade team won, 15-10, 9-15, 21-19. Amy Harder scored 12 points for Wayne while Jacey Klaver, Missy Nissen and Erin Jarvi added seven each.

Wayne State volleyball team to head to Florida after Dordt win

The Wayne State volleyball team dropped volleyball matches against Nebraska-Kearney and Southwest State before defeating Dordt, Tuesday night at home.

The Wildcats dropped three straight games to UNK last week at home, 15-8, 16-14, 15-3.

"We were up 13-8 in the second game but we seem to be at a point in our season where we're struggling and we forget how to put teams away," coach Sharon Vanis said.

"Sometimes I feel our players have a fear of losing instead of playing to win and you can't do that on the volleyball court."

The WSC mentor said the best remedy is to play through it.

Lindsey Koch paced WSC with 13 kill spikes with Jessie Pontow had nine, Renee Fuhr and Manni Frerichs each netted six kill spikes.

Melanie Kershaw tallied 30 set assists. Amy Johnson paced the defense with 12 digs with Jessie Pontow netting 11 while Kershaw and Fuhr had seven digs each. Frerichs finished with a team high four digs.

The 'Cats rose to the occasion on Tuesday, however, as they defeated once-beaten Dordt, 12-15, 15-7, 16-14, 10-15, 15-11.

Dordt fell to 23-2 with the loss while WSC's record improved to 8-15.

Jessie Pontow and Lindsey Koch each netted 20 kill spikes to share team honors while Renee Fuhr had 15.

Melanie Kershaw tallied 56 set assists while Fuhr paced the defense with 19 digs with Koch netting 14 and Pontow, 13. Kershaw added 12 digs and Amy Johnson, 11.

Jodie Larsen led WSC with nine total blocks while Pontow had seven and Brenda Blausey, five.

Sharon Vanis' squad will travel to

Florida this week to compete in the Rollins Tournament in Winter Park, Florida.

WSC will play Drury on Friday before playing Clarion and Rollins on Saturday.

The 'Cats will travel back to

Nebraska where they play in Kearney on Wednesday the 21st.

WSC has three remaining home matches for the 1998 season including Morningside on Oct. 27th, Hastings on Nov. 5th and Mt. Marty on Nov. 10th.

The 'Cats starting lineup still consists of three seniors and three freshman with seniors Jessie Pontow, Renee Fuhr and Amy Johnson. The freshman include Lindsey Koch, Melanie Kershaw and Manni Frerichs.

Freshman setter Melanie Kershaw bumps the ball back to UNK during action in Rice Auditorium last week. At left, another freshman, Lindsey Koch bumps the ball back to her setter during a volley. Also pictured: Renee Fuhr (9), Manni Frerichs (10), Kershaw and Jessie Pontow (3).

WILDCAT SPORTS NOTES

Wavrunek earns Player of the Week honors

Wayne State College linebacker Jesse Wavrunek was named the Nebraska Division II Defensive Player of the Week for his performance Saturday against Northern State.

Wavrunek, a senior from Verdigré, recorded three solo tackles and 12 assisted tackles for 15 total stops in WSC's 21-14 loss to the Wolves. One of his tackles was for a one-yard loss.

It was the second consecutive week and third time this season, Wavrunek had reached double digits in tackles. Against Fort Hays State, he tallied a career-high 18 tackles.

Wavrunek, a two-time National Strength and Conditioning Association All-America Strength Team selection, leads the 'Cats with 63 tackles on the season.

Cage teams to host "Meet the Wildcats"

The Wayne State College men's and women's basketball teams will be hosting a "Meet the Wildcats" night, Thursday at 7 p.m. at Rice Auditorium. Admission is free.

Held in conjunction with the first day of basketball practice, the event will feature player introductions, scrimmages by both teams and a dunking exhibition by the men's team.

The Wildcat men's team, under the direction of fifth-year head coach Greg McDermott, are coming off a 20-7 record in 1997-98. It was the team's second straight 20-win season.

McDermott welcomes four starters back from last year's squad, including guards Tyler Johnson and Brad Joens, forward Jon Dolliver and center Eric Henderson.

Ryan Williams takes over as head coach of the WSC women's team. The Wildcats, who were 8-21 last season, welcome back three starters, guard Ami Pendry, and forwards Stef Sjuts and Megan Murphy.

WSC men's golf team third at conference

The Wayne State men's golf team finished third at the Northern Sun Intercollegiate Conference Men's Golf Championships at the Bemidji, Minn., town and Country Club.

WSC, which was fourth entering the second day of competition, carded a 307 to finish with a two-day total of 634. Bemidji State, the host school, also shot a 307 on the second day and posted back-to-back 307's to win the conference crown at 614.

Winona State finished ahead of WSC with a 626. Minnesota-Morris placed fourth with a 638 and Northern State was fifth at 659.

The 'Cats, who shot 327 on Friday, were paced by Sam Loewe and Jason Masat on the second day of competition. Loewe fired a 75 while Masat carded a 76. Masat, a senior from Verdigré, finished the tournament tied for third with a 154. By placing in the top five, Masat earned all-conference honors.

Loewe finished with a 157 and Matt Ruehling, 159 while Rich Kortum carded a 164 and Chris Schultz, 166 over the 36-hole format.

Wakefield quarterback BJ Hansen gets time to throw the ball during the Trojans rout of Hartington on Homecoming night in Wakefield.

Trojans win big

The Wakefield Trojans improved to 6-1 on the season last Friday with a 41-13 thumping of Hartington on homecoming night.

Brandon Kai and Javanah Bebee were crowned king and queen but it was Hartington that crowned by Wakefield as BJ Hansen burned the Wildcats defense with four aerial touchdowns.

Wakefield led 27-0 at the half and was never threatened by the visitors.

Hansen finished the night with 224 yards passing on 11-of-16 attempts.

Chad Mackling was the leading rusher with 99 yards on 10 carries while Shaun Hammer gained 60 yards on 13 tries.

Mackling was the leading receiver

as well with four catches for 98 yards and two scores. Justin Paulson caught four passes for 74 yards and one score and Kurt Thompson had two catches for 38 yards and one touchdown.

Wakefield finished with 400 total yards. The Trojans will host Stanton on Friday.

Deadline for special provision on Roth IRA is Dec. 31, 1998

Psst! Looking to convert a traditional IRA to a Roth IRA? Well don't overlook a special one-time offer that expires this year. Investors converting their traditional IRAs to the new Roth IRA are going to owe income taxes. But the good news is that the taxable income can be spread over four years (tax years 1998-2001), if investors act on or before Dec. 31, 1998.

The Roth IRA is one of the most

significant investment opportunities to come along in decades, making conversion to a Roth worth serious consideration.

Who Should Convert?

"If the income taxes you pay now can be offset by the Roth IRA's tax-free growth before you retire, it's a good idea to look at conversion," Ric Wilson of Waddell & Reed said. "And if you expect to be in a higher tax bracket at retirement, remember qualified Roth distributions are tax-free, unlike traditional IRA distributions," he noted.

Each situation requires a thorough financial analysis to determine the best solutions, but both a conversion Roth (and a contributory Roth IRA) offer unique advantages. To make the right decision, taxpayers need to weigh the number of years they have until retirement, their current and future tax brackets, and their estimated investment returns.

Why a Roth IRA?

"This can be an excellent investment opportunity," Wilson said. With a traditional IRA or an employer-sponsored retirement plan, taxes are deferred until you withdraw funds. By contrast, the Roth IRA allows your investment earnings to grow tax-free and, when you withdraw funds, no federal taxes are owed on any dividends or capital gains earned.

To qualify, you must hold the account for five years, then funds

can be withdrawn under one of several conditions: When you reach age 59-1/2, become disabled, or die, or for-qualified first home purchases.

Roth offers fewer restrictions

"A Roth IRA can be an effective investment tool for people of all ages," Wilson said. "It can provide tax-free retirement income in addition to Social Security benefits or an employer's retirement plan." And, besides its tax-free provisions, the Roth IRA offers several advantages over the traditional IRA:

"The ability to contribute past age 70-1/2, an important consideration given that more Americans are staying in the work force longer and living longer;

"No mandatory age at which you have to begin withdrawing funds (traditional IRAs mandate withdraw-

als beginning at age 70-1/2);

"The ability to pass the Roth to heirs income-tax-free (except for estate taxes), if the Roth IRA is at least five years old when the beneficiary takes distribution; and,

"Tax-free distributions before age 59-1/2 due to disability or death, if the Roth IRA is at least five years old.

The Roth IRA does impose limits on participants. For example, single persons can make an annual after-tax investment of \$2,000 if their adjusted gross income is less than \$95,000.

Couples can invest \$2,000 each if they file jointly and if their combined adjusted gross income is below \$150,000. Regardless of marital status, you can convert an existing IRA into a Roth provided your income is less than \$100,000.

Tax savings add-up

The tax savings can be significant

between a Roth IRA, whose distributions are tax-free, and a traditional IRA, whose distributions are taxable.

In a hypothetical case, assume you are in a 28 percent tax bracket and contribute \$2,000 at the beginning of each year at an assumed eight percent annual rate of return. After 30 years, both the Roth and traditional IRAs are worth the same amount.

However, after taxes, the traditional IRA nets only \$160,326 while the tax-free Roth nets \$244,692. (This example assumes a growth rate for illustrative purposes only and does not reflect the actual performance of any specific investment, nor does it factor in the benefits of the potential tax deductibility of traditional IRAs.)

"The potential tax advantages of a Roth IRA are the most significant improvements since the inception

of IRAs more than two decades ago," Wilson said. "Every investor needs to consider a Roth IRA, based on their own financial needs and circumstances, preferably with the help of a personal financial advisor, and a tax advisor too," he added.

Feverfew For Migraine Headaches

Feverfew (*Tanacetum parthenium*) was used as a fever reducer as far back as 78 AD. Now, this herb is used to prevent migraines by reducing the severity and frequency of the headaches. Other uses include relief of menstrual pain, asthma, dermatitis, and arthritis. The active ingredient is *parthenolide* which inhibits the release of serotonin from the blood platelets. Parthenolide relieves inflammation by inhibiting prostaglandin synthesis and the release of arachidonic acid.

Few studies have been conducted on the use of feverfew for migraine headache prevention. A randomized, double-blind, placebo-controlled, crossover study of 76 patients showed a 24% reduction in the number of attacks, but no change in the duration of attacks. There was significant reduction in nausea and vomiting.

In another study, migraine sufferers received either a freeze-dried, powdered feverfew extract or a placebo. Fewer headaches were reported each month by the individuals who received feverfew, however, headache frequency increased significantly in the group receiving the placebo.

Robert Long

Robert Long graduates

Air Force Airman Robert Long has graduated from basic military training at Lackland Air Force Base, San Antonio, Texas.

During the six weeks of training, the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree through the Community College of the Air Force.

Long is the son of Susan Selaff of Wayne, and Steve Long of Norfolk. He is a 1998 graduate of Wayne High School.

Satellite conference scheduled

Small business persons are invited to participate in a satellite conference on helping small businesses achieve year 2000 compliance.

The satellite conference is scheduled for Monday, Oct. 19 from 1:30 TO 3:30 p.m. at the Haskell Ag Lab at Concord.

William Bakker, Director of the Iowa Manufacturing Technology Center, will describe easy-to-use methods and tools that enable small ag-business and other firms to ascertain whether they have a Year 2000 problem and to take steps to remedy the problem.

The focus of the program will include an overview of:

1. The nature of the Year 2000 problem;
2. Using enhanced diagnostic tools for assessing the problem;
3. Strategies for solving the problem, and

Parent-teacher conferences set

Community Builders honor participants

Community Builders is an organization where community volunteers and leaders meet regularly to share successful ideas and learn about new resources.

Several of the Northeast Nebraska Community Builders were recognized as having one of the "Outstanding 100 Rural Development Initiatives" selected by the Nebraska Rural Development Commission.

Recognition recently went to the following members during the recent meeting in Winslow:

Bob Fritschen, City Councilman for the Community Learning Center in Laurel; Vic. Carlson, Mayor of Concord for the Concord Cafe; Jan Jorgensen of the Northeast Nebraska RC & D for four projects — Bison

Management and Marketing Workshops, Nebraska Wildflower Postcards, Northeast FAM Tour and Walking in Harmony Retreat and Connie Keck, Director of the Bureau of Community and Economic Development at Wayne State College for economic development assistance and cultural outreach programs of WSC.

Tom Hansen of Rural Development Commission and Lynda Cruickshank, UNL Extension Educator coordinator of the local Community Builder organization presented the awards.

For future meeting information, please contact the Wayne County Extension office at 375-3310. The next Community Builders meeting will be on Tuesday, Oct. 27, in Wayne.

Regional Clearing House for Northeast Nebraska meets

The Wayne-based committee seeking to develop a regional information database known as NRICHN (Regional Information Clearing House for Northeast Nebraska) held its monthly meeting on Sept. 25 at Providence Medical Center.

Member organizations and communities represented this month included area Health & Human Services offices, Providence Medical Center, R-Way of Wayne, City of Wakefield, Wayne Area Chamber of Commerce, Wayne Community

Housing Development Corporation, Wayne Head Start, Wayne Public Library, Wayne State College, and the Youth Activities Coalition.

Dr. Jean Karlen addressed the group regarding the services of the Social Science Research Center at Wayne State College. Through the center, WSC staff and students could provide technical assistance to the NRICHN project as it defines itself and seeks funding. Karlen also anticipated parallels between the

work of NRICHN and that of the WSC Rural Resources Project and suggested linking the two systems electronically.

A Fund Advisory Committee was named to represent the NRICHN in its affiliation with the Nebraska Community Foundation. The committee shall consist of the NRICHN officers. Current officers are Co-Chairs Linda Anderson and Andy Bartling, Vice-chair Joleen Klein, Secretary Carol Baier, and Treasurer Gary Flick.

NRICHN, in conjunction with Providence Medical Center, has been selected to receive a Nebraska Good Beginnings Community award. The award is given to community collaborations that combine parent education and support, health and early care, and education services for children ages birth to five years plus their families. The presentation will be given by First Lady Mrs. Diane Nelson on Nov. 5 at 10:30 a.m. at Riley's Convention

Center. The Public is invited to attend.

DON'T LET AT&T PUT THE SQUEEZE ON YOUR PHONE SERVICE.

Don't be fooled. AT&T wants to increase its profits by reducing the access fees it pays to help support affordable phone service in Nebraska. They're promising lower phone bills, but there is no guarantee that any savings would be passed along to you.

In fact, local phone bills could increase drastically if this initiative passes.

Let's make sure we protect Nebraska phone service.

OCTOBER IS PHYSICAL THERAPY MONTH

PHYSICAL THERAPY ON THE MOVE

COMMUTING

■ When standing up on a bus or subway be sure to hang on and to keep your feet a little spread out; you'll be better prepared for the stopping and starting and less likely to fall.

■ Use the time waiting for and riding the bus or subway to do simple exercises or stretches such as shoulder shrugs or overhead reaches. Don't worry what other people might think--You'll be healthier and will feel better having made good use of your time.

■ When carrying bags, try to balance you load. It's actually less stress to your joints if you carry two lighter bags, one in each hand, instead of carrying one heavy bag.

■ Most cities have special vans and buses for anyone who is unable to access the standard mass transit system.

Erel vs. Bereuter. Vote for Erel on Nov. 3

Don Erel
for Congress

It is not the evasive answers about intimate indiscretions that I consider to be an impeachable crime. It is the floor debate and votes of my opponent that led to the preventable death by starvation of hundreds of thousands of children in North Korea that brought me into this election process.

FESTIVAL FUNDS FOR NEW VAN

The annual Fall Festival sponsored by the Wakefield Health Care Center will focus on raising funds for a new van for the center. The van fund currently has approximately \$8,600 towards a goal of \$35,000 to \$40,000.

The current van is a 1989 model and has 87,000 miles on it. It has made 49 trips the past nine months taking residents on outings or to appointments such as dentist, eye doctors, doctors, and therapy sessions. It is also used to transport employees and staff to educational seminars and meetings.

The Festival is set for Sunday, Oct. 25 at the Wakefield Legion Hall. It will include a soup luncheon served from 10:30 a.m. until 1 p.m., a bake sale and Blue Memory Lights will also be available.

DORIS FREDRICKSON HOSTESS

The Pleasant Dell Club met on Oct. 8 at 2 p.m. in the home of Doris Fredrickson. All 10 members were present and Famy Johnson of Wakefield was a guest.

Roll call was "How many pairs of shoes are in your closet?"

Donna Roeber led the group in singing Aunt Dinah's Quilting Party. They held a discussion about changing their By-laws and will take it up at their next meeting. Nina Carlson was in charge of entertainment. She read several readings.

Hazel Hank will host the Thursday, Nov. 12 meeting at 2 p.m.

FUND RAISER

The Wakefield Volunteer Firefighters and Rescue will present someone with a Weatherby Over and Under Orion 12 gauge shotgun on Nov. 8. That is the date of the organization's annual Hunter's Breakfast and drawing.

Everyone is welcome at the breakfast with serving to begin at 5 a.m. to accommodate the early rising hunters and will last until 1 p.m. at the firehall. Drawing for the shotgun will be held at noon.

Tickets are currently available from members of the fire and rescue departments. They are also available at the Nebraska State Bank where the gun is on display.

COLLECT FOOD

The Wakefield Boy Scouts and Cub Scouts collected around 580 pounds of food for the Wakefield Food Pantry during their "Scouting for Food" campaign. The scouts distributed bags door-to-door one Saturday and then picked them up on Oct. 3 in the afternoon.

Taking part were Josh Soderberg, Joe Brown, Matt Haglund, Donald Odens, Clinton Roberts, Daniel Simpson, Steve Odens, Tim Haglund, Andrew Leonard, Amanda Brown, Allison Haglund, and Kegin Haglund.

Scout master is Tom Keim, Cubmaster is Ed Haglund and assistant Scoutmaster is Cheryl Roberts.

ACCEPTS POSITION IN OHIO

Brian Newton, a 1977 graduate of Wakefield High School, has accepted the President and CEO position at Consolidated Electric Cooperative, Mount Gilead, Ohio.

Newton has served as general manager of North Central PPD, a 4,000 customer rural electric distribution system located in Creighton for the past 11 years.

Newton's new position will be with Consolidated Electric Cooperative a cooperative that serves around 14,000 electrical customers in a rural area north of Columbus, Ohio and which employs around 50 employees.

The cooperative also operates four subsidiary organizations that provide nearly 7,500 customers with the Internet, satellite television programming, natural gas service and home security services.

Richard McManigal, President of the Board of Directors for North Central PPD said, "Brian is a superb manager. He has provided the District and the Creighton community with excellent leadership and has offered quality service to the customers of the District; he will be greatly missed."

Brian is the son of Mr. and Mrs. Lowell Newton and his wife, Michell, is the daughter of Mr. and Mrs. Del Hanson and the granddaughter of Mrs. Laurence Hanson

Royalty chosen

Brandon Kai and Javanah Bebee were chosen as the 1998 Homecoming King and Queen at Wakefield Community Schools. The announcement came during activities held at the school Friday afternoon.

and Mr. and Mrs. Kenneth Packer, all of Wakefield. Brian, Michell and their three children, Melissa, 15, Kaylie, 13, and Chase, 9, will be relocating to the Mount Gilead area soon.

ENTREPRENEURSHIP CLASS MEETS

The Wakefield Community School's Entrepreneurship Class held a kickoff meeting with their Community Support Team and parents on Sept. 22 in the high school library.

Instructor Mrs. Jennifer Goos of Wakefield Community Schools and Kendall Scheer from the Center for Rural Affairs spoke to the group. Also present at the meeting was Dr. Theobald of Wayne State College.

Mrs. Goos led the team and students through an activity and informed them about the Entrepreneurship course outline, goals and Community Support Team responsibilities.

Scheer stated "part of the success which students will experience can be measure by the involvement of the Community with the students."

"The REAL Entrepreneurship curriculum is being taught in 33 states. Nebraska schools are just starting the program and currently only five other schools in the state of Nebraska teach the REAL Entrepreneurship curriculum, according to Mrs. Goos."

Some funding for the course has come from the school at Center project, Mrs. Goos said.

The REAL Entrepreneurship Class 1997-98 Community Support Team are: Tom Anderson, Dr. James Bierbower, Mark Demke, Laura Knox, Marcia Kratke, Stan McAfee, Iris Mestl, Terry Nicholson, Merlin Olson, John O'Neill, Linda Rischmuller, Dennis Woodward, Supt. Mike Moody, and Principal Jeanne Surface.

"These community Support Team members are to be congratulated for donating their time and expertise to help the students prepare their own business plans," Mrs. Goos said.

Students in the REAL Entrepreneurship Class looking toward a successful year are: Matt Benson, Erica Conner, Rich Dutton, Renee Felt, Ross Gardner, Maria Gomez, Todd McQuistan, Josh

Fall and Allergy Season
Over 35 million persons have pollen-sensitive allergies. Experts recommend keeping windows closed at night, using air conditioning to clean, cool, and dry the air. Stay indoors when the pollen count of humidity is high and on windy days. There are many new medications available by prescription and over-the-counter for allergy sufferers. Always check with your doctor or pharmacist before taking any over-the-counter medication if you are taking a prescription medication.

SENIOR CITIZENS MEET
Concord/Dixon Senior Citizens met on Oct. 2 at the Senior Center in Concord for a short meeting. Ray Stohler led the meeting. There were 13 present.

Potluck on Nov. 6 at noon was discussed. After the meeting, the group traveled to Allen and had dinner with other seniors and guests at the Senior Center. Following the meal, the group toured the Dixon County Museum at Allen.

VISITORS
Marge Rastede, Alyce Erwin, Suzie Johnson, Loree Echtenkamp, and Barb Escher of Phoenix, Ariz., gathered together at a Wayne restaurant on Sept. 30 for a noon luncheon. Escher returned to Arizona on Saturday after visiting in the area for

a week.

Lowell and Pat Nygren of Sioux City were Oct. 3 supper guests in the Roy Stohler home.

Vandelyn Hanson spent Oct. 4-5 in the Dr. Jim Martin home in Schyler

Norman and Betty Anderson spent Sept. 30 to Oct. 5 at their ranch home in Bassett. Betty's sister, Rosina Olson of Estes Park, Colo., spent the week with them.

On Wednesday, Frank and Anie Ammon of Newport spent the day at Gordon. They visited Caroline Sandoz Pifer, sister of Mari Sandoz, and also visited Celcia Ostrander at Sandy Orchard.

Jerry, Jeff, Ray, and Stanley joined them on Friday to hunt. Anderson returned home on Oct. 5.

Mrs. Glenis Treptow of Rogers, Ark., spent Oct. 9 weekend in the Anderson home.

BIRTHDAYS

On Oct. 3, guests gathered in the Dwight Anderson home in honor of the host and Brad Erwin on their birthdays.

Guests were: Erwin, Rex Rastede, Marlen and Suzie Johnson, of Concord, Wallace and Jeannine Anderson, Jerry and Tyler Echtenkamp, and Deb and Ben

Ahlmann of Wayne. The group watched the Nebraska game and had a pizza supper.

CLUB MEETS

The 3's Club met on Oct. 5 at the Senior Center in Concord. Carolyn Hanson had entertainment. She read "Happy Days and Heart Gifts" and she also gave Trivia questions.

Dorothy Hanson served lunch. The next club meeting is Nov. 2 with Vandelyn Hanson as hostess and Dorothy Hanson with entertainment.

Rotary Club seeks exchange students

The Wayne Rotary Club is seeking students to participate in the Rotary International Youth exchange. This one-year exchange program is designed to foster international goodwill by allowing students to live in Rotary-sponsored homes in other countries.

Participants must be 15 years of age but not yet 19 when the next exchange begins in August, 1999.

All costs of transportation, insurance, clothing and incidentals must be provided by the parents of the students. The local Rotary club in the foreign country will provide a monthly stipend for the hosted student.

Application forms for the youth exchange may be obtained by contacting Reggie Yates or Wilma Moore at (402) 375-4172. A committee of local Rotarians will interview each candidate and refer the strong candidates to the district-level interview.

A district youth exchange committee will interview the applicants and their parents on the weekend of Nov. 21-22 in Grand Island. A February 1999 meeting is also planned to orient the selected outgoing students and their parents.

Recital to feature top music students

Tammy Teach of Wayne, will be playing saxophone in the Nebraska Wesleyan University's annual Honors Recital scheduled for Oct. 25, at 3 p.m. in Lincoln.

Nebraska Wesleyan University's

top music students will perform during the Honors Recital which will be held in O'Donnell Auditorium, located in the Rogers Center for Fine Arts, 50th Street and Huntington Avenue. Twenty-one

students are scheduled to perform. The recital will feature vocal and instrumental works performed by Wesleyan students who have received Department of Music scholarships. The performers were chosen by competitive audition.

Herbs for Health

Feverfew For Migraine Headaches

Feverfew (*Tanacetum parthenium*), was used as a fever reliever as far back as 78 AD. Now this herb is used to prevent migraines by reducing the severity and frequency of the headaches. Other uses include relief of menstrual pain, asthma, dermatitis, and arthritis. The active ingredient is *parthenolide* which inhibits the release of serotonin from the blood platelets. Parthenolide relieves inflammation by inhibiting prostaglandin synthesis and the release of arachidonic acid. Few studies have been conducted on the use of feverfew for migraine headache prevention. A randomized, double-blind, placebo-controlled, crossover study of 76 patients showed a 24% reduction in the number of attacks, but no change in the duration of attacks. There was a significant reduction in nausea and vomiting. In another study migraine sufferers received either a freeze-dried, powdered extract or a placebo. Fewer headaches were reported each month by the individuals who received feverfew; however, headache frequency increased significantly in the group receiving the placebo.

THE WEEK AHEAD

Temperatures
The jet-stream will retreat northward into Canada during the time period. As a result, mild weather will cover much of the nation. Temperatures are expected to range 5 to 10 degrees above normal across the northern Plains and Great Lakes. Showers and thunderstorms will plague the southern Plains and the Gulf Coast, while a storm system pushing into the Northwest brings rain to Washington and Oregon.

The Wayne Herald

Group celebrates Columbus Day

The observance of Columbus Day has been a tradition of the Knights of Columbus for decades. In 1932, Supreme Knight Martin H. Carmody declared Oct. 12 "our day," and called upon the Knights to lead a "universal celebration of Columbus Day."

The Knights of Columbus is the world's largest Catholic family fraternal service organization with nearly 1.6 million members in 12,000 local units in North America, Canada, Mexico, the Philippines and the Caribbean.

This year's Columbus Day address by Supreme Knight Virgil C. Dechant was provided to local units that had secured broadcast time on radio stations.

The following is the text of the address:

"Columbus Day greetings from the Knights of Columbus!

In 1492 when Columbus made his first historic voyage, the world was halfway through the second millennium of the Christian era. Five hundred and six years later, we are nearing its millennium's end.

The many differences between

then and now are obvious. Here's just one. It took Columbus well over two months to cross the Atlantic, but the same trip takes just hours now. Times certainly have changed.

But despite the changes, there also are some important similarities between present and past.

The historian like to remind us that Columbus' journey marked the end of one era and the start of another. Here was the close of the Middle Ages and the beginning of the modern era, hardly anything was ever quite the same again after Oct. 12, 1492. People's horizons suddenly had exploded outward — even though, from another perspective, the world had become a much smaller place.

Many people today have that same sense of one era closing while another one waits to be born. What will the third millennium of the Christian era bring? Let's pause for a minute and dream.

One thing we already know the millennium will bring is the Year 2000 computer problem, or Y2K

problem, whatever exactly that turns out to be.

I don't mean to minimize it, and I certainly wish the people who must find ways of coping with it much success. There's a lot riding on that for everyone.

Still, some of the predictions of doom and disaster we've been hearing in reference to the Y2K problem remind me of other predictions a thousand years ago.

Standing on the brink of the second millennium way back then, some people became convinced that the world was going to end. Panic ensued: How typical of our times that the current equivalent of the end of the world turns out to be — a big computer glitch!

Frankly, I hope we can do better than that. Maybe Columbus points the way. For Columbus and many of his contemporaries, the new era that began with his voyage meant new challenges and new opportunities to spread religious faith and values.

Yes, I know that he and those who came after him were moved by many motives, including profit and colonization. As we now real-

ize, not all of their motives were commendable.

But most of them were. In that category, I place the desire to spread the faith that meant so much to the men and women of that day. For the sake of the religious faith they treasured, they were willing to suffer and sacrifice a lot.

Five centuries later, we would do well to take a leaf from Columbus' book and see the new era just ahead of us as a time for fostering religious faith and moral values.

Perhaps it isn't politically correct to talk too much about religious faith in these secular times. If so, then so much worse for us.

Time moves in one direction only, straight ahead. We can't go back. But now and then it's helpful to look back.

Columbus Day invites us to look back to a time when religious faith and its sharing came first. May faith and the sharing of faith also come first in the new era, the new millennium just ahead."

Finally finished

After 64 years, the quilt Elsie Carstens started as young lady, is now finished and ready to use. Mrs. Carstens embroidered the quilt before she was married and her grandmother helped her sew the Double Wedding Ring quilt top. However, before the quilt was finished, it was put in a drawer, not to be found again for some time. This spring when Mrs. Carstens found it, she brought it to the Wayne Senior Center to have it quilted.

Plaque donations

Barb Sievers, left, president of the Wayne Senior Center, accepts a plaque with the words 'Senior Center' crocheted on it from Elsie Carstens. Mrs. Carstens also crocheted a name plaque for the Quilting Room and for several other people at the Senior Center.

Crop Walk successful

The annual CROP Walk for World Hunger was held Oct. 11 in Wayne. Participating churches included Our Savior Lutheran, Grace Lutheran, St. Mary's Catholic, First United Methodist and First Presbyterian.

There were 52 walkers and six helpers for a total of 58 participants. Water stands were set up with the help of Pastor Paul Judson and Rochelle Nelson of Our Savior Lutheran Church and Sarah Lepke from Crosspoint.

The total collected so far is \$981.40 with another \$828.65 pledged to be turned in for a total of \$1,810.05.

Wayne area businesses donating coupons to be awarded for door prizes included Godfather's, Pizza Hut, Tacos & More, Dairy Queen, Bunza, Captain Video, Pac 'N' Save and Quality Foods.

Shari Dunklau and her family had the highest total pledged with \$102. Alan Bruffat and his family were second with \$100.

Organizers said that the day was blessed with comfortable weather. A total of 25 percent of the money collected will return to Wayne for the Food Pantry and Wayne Ministerial Emergency Fund.

Questers meet at Webber home

The local chapter of Questers International, John G. Neihardt #427 held its October meeting at the home of Connie Webber.

Business included plans to attend the Questers Fall Council meeting in Omaha. The Wayne Questers will be hosting the

Questers State Convention in the spring of 2000.

Planning was initiated for that event.

Following the business meeting, Connie and Fred Webber gave a program on collecting political campaign buttons.

New class on anger offered

The First United Methodist Church in Wayne will be offering a two-week class on anger beginning Wednesday, Oct. 21.

The class will meet again the following Wednesday, Oct. 28 also.

Both weeks, the class will run from 8-9 p.m. and meet in the lower level of the education addition of our church. There is not cost to attend this class and it is open to anyone in the community who would like to attend.

Key topics looked at and discussed will be:

- Why do we get angry?
- Is anger ever good?
- How do I live with the anger of people around me?
- Can my faith help me manage my anger?

The class will be led by Pastor Gary Main. Anyone with questions or needing more information is asked to contact the Methodist Church office at 375-2231.

Goodwill trailer coming

Goodwill Industries of Sioux City has developed an "Ambassador Program," which is designed to help communities collect and donate no-longer-used items.

A community-wide drive in Wayne has been scheduled for Oct. 27 through Nov. 2. All material to be donated should be brought to the Goodwill Industries collection trailer at the Pac 'N' Save parking lot.

This trailer will be open on its first day at this site from its arrival (usually before 4 p.m.) until 8 p.m. and from 8 a.m. to 8 p.m. on subsequent days. Arrival times vary, depending on collection demands. Please deposit all items inside the trailer.

Furniture and large appliances will not be accepted due to limited trailer space. Please do not

bring donations before the trailer arrives.

Donated goods from Wayne will be processed and received into one of the Goodwill retail outlets. Goodwill Industries

provides rehabilitation services annually to over 400 persons with disabling conditions by providing work opportunities and training which enables them to become wage earners and taxpaying citizens.

Young farm workers should be taught proper safety rules

Older children may legally work as farm laborers, but they need proper role models to learn safety precautions. Parents and other adult workers can provide that guidance, especially at harvest time.

Children are influenced by peer pressure. They often want to impress others and tend to believe that they are immortal. Actions intended to impress others can lead to accidents and injury. Likewise, improper behavior by a parent or other adult can and often will be copied by a youngster.

To encourage farm safety for children, parents and adults should:

- Evaluate the child's physical and mental maturity for a given task.
- Set aside time to discuss farm safety.
- Assess comprehension of important safety precautions. Don't wait for children to ask questions.
- Have children complete the necessary safety courses for operating

Linda Grunickshank
Wayne County

farm machinery. Remember, even after they have completed the course they have only a basic knowledge and aren't skilled operators. Additional training is important.

- Gradually ease children into operating machinery.
- Remember that idle farm machines are toys. Keep chil-

children from playing on, in, or under machinery and equipment.

- Know where children are when farm machinery and vehicles are started and moved.
- Install proper protective devices on equipment and reach children to use personal protective gear, such as helmets, eye protection and safety footwear.
- Keep pesticides, fuels, lubricants, soaps, disinfectant, solvents and other chemicals in a locked storage facility. Don't store harmful materials in food containers.
- Keep children away from and out of grain bins, silos and storage facilities.
- Teach children about handling animals safely, such as not walking behind animals that may kick. Keep younger children away from large animals, especially those that have recently given birth.
- Teach young children about good sanitation. Wash hands before eating or drinking, and wash fruits and vegetables before eating.

It's important to supervise young workers. An experienced person should work along side of them, checking on them frequently. Age isn't the only measure of maturity and ability to reason. Children also should be evaluated on the basis of their judgement, focused attention and body size and strength.

Dixon County 4-H team places eighth

The Dixon County 4-H Intermediate Family and Consumer Science Judging Team placed eighth among 41 teams in Nebraska for the 1998 year.

The contest took place on Sept. 7 at the University of Nebraska campus in Lincoln and also via the Internet during the month of September. This was the first year that the Internet was used during the contest.

Members of the Dixon County Intermediate team with their individual point ribbon placings were Katie Bose of Dixon, purple ribbon; Carol Ann Bearnese of Laurel, blue ribbon and Kristen Koch of Laurel, blue ribbon.

The Dixon county 4-H Senior Family and Consumer Science Judging Team placed 37th out of 53 teams in the state. Members of the team and their individual point ribbon placings were Jennifer Smith of Allen, blue ribbon and Sara and Maria Knjefl of Newcastle; blue ribbons.

The contest includes the judging of classes covering nutrition, child development, family issues, interior decorating and design, consumer shopping and textiles. Each individual team member gave oral reasons which is the verbal response in front of judges regarding a family or consumer issue.

In addition, the senior team gave a team presentation which is a joint effort of all the team members in presenting a response to a family or consumer issue in front of judges.

CRP sign-up announced

Debra Pieper, County Executive Director, has announced that the next Conservation Reserve Program (CRP) general sign-up will be held during a seven-week period from Oct. 26 through Dec. 31.

"This will be another opportunity for landowners to sign-up for a voluntary program to get financial and technical assistance for improving their land, water and wildlife resources," Mrs. Pieper said. If you haven't tried to get into the program, if your CRP contract offers were not accepted in sign-up 16 last fall, or if your have contracts expiring, this is the time to make new contract offers," Ms. Pieper said.

The new, environmentally-focused CRP provides immediate benefits to producers, ranchers

and taxpayers through reduced soil erosion, improved water quality and expanded wildlife habitat. Under this voluntary program, landowners enter into contracts with USDA's Commodity Credit Corporation (CCC) to place erodible and other environmentally-sensitive cropland in conservation practices for 10 to 15 years. In exchange, landowners receive annual rental payments for the land and cost-share assistance for establishing those practices.

The CCC will continue to evaluate and rank all eligible CRP offers using an Environmental Benefits Index (EBI), which is based on the potential environmental benefits from enrolling the land in the CRP. The EBI is composed of six environmental factors (wildlife habitat cover benefits, water quality benefits, on-farm

benefits of reduced erosion, benefits enduring beyond the contract period, air-quality benefits, and conservation priority areas) plus a cost factor.

Maximum CRP payments will be determined based on county average dryland, cash or cash rent equivalent rental rates adjusted for site-specific, soil-based productivity factors. CRP payments can include an additional amount, not to exceed \$5 per acre, as an incentive to perform certain maintenance obligations. Cost-share assistance will be provided to establish approved cover on land enrolled in the CRP.

Interested producers and landowners should contact the Wayne County Farm Service Agency office at 709 Providence Road, or call 375-2453, extension #2 for additional information.

Team from Wayne County places first

The Family and Consumer Science Contest is designed to help broaden the 4-H'ers knowledge of family and consumer science topics while giving them more experience in critical thinking, problem solving and oral communication.

This year's contest focused on questions in the areas of food storage and safety, meal planning, healthy and nutritious food decisions, understanding color and color schemes in the home, understanding advertising information and consumer decision making when shopping for garments.

The Champion Team in the Senior Division was from Wayne County. The team receives an award to attend the National 4-H Conference in Kansas City in March. Team members were Maureen Gubbels of Randolph, daughter of Jenny and Randy Gubbels; Ann Temme of Wayne, daughter of Mary and Doug Temme; Desiree Anderson of Hoskins, daughter of Angie and Larry Anderson and Hailey Daehnke of Wayne, daughter of Deb and Mic Daehnke. Gubbels also placed third and Temme sixth in the individual competition of 161 senior competitors.

Anderson of Hoskins, daughter of Angie and Larry Anderson; Alissa Dunklau of Wayne, daughter of Kim and Mike Dunklau; Tamara Schardt of Wayne, daughter of Karen and Lowell Schardt and

Amber Nelson of Wayne, daughter of Lisa and Don Nelson.

The Family Consumer Science Teams were coached by Lynda Cruickshank, Extension Educator, Wayne County.

Members of the Wayne County Senior Team II included, left to right, Jenny Fleer, Beth Loberg, Emily Lutt and Melissa Puntney.

Members of the Champion Senior team included, left to right, Maureen Gubbels, Ann Temme, Hailey Daehnke and Desiree Anderson.

Sleep habits discussed

Why do retired folks get up at 6 a.m.? That is one of the great mysteries of life. We've had guests almost every night this week. Early in the week, it was a dear retired couple who requested breakfast at 7:30 a.m.

See, I don't mind preparing it early, I just don't understand why they want to get up early. He used to be a doctor, so maybe it was just lifetime habit. They said they couldn't stay in bed longer. I noticed they went to bed at 10 p.m.

Many of my breakfast dishes require an hour in the oven and perhaps half an hour preparation. I can sleep a little later if I do the preparation the night before. For instance, I browned the bacon for this morning's quiche last night, cut it up too. And I always set the table the night before.

My mother has gotten up early every day of her life. When I stay at her home, I can always hear her messing around in the kitchen. Or, when she's at our house, she's in my kitchen, which definitely is worse. She's always been a good napper, too, one who can spread out on the couch after lunch and

immediately fall asleep.

I can remember the first year I lived north of Hoskins. I'd be driving to work, shooting for 6:45 a.m. and I'd meet the retired farmers coming from Norfolk to help the sons still on the farm. And, I'd notice all the lights on in the homes of the retired people in Hoskins.

I do my best sleeping from about five to eight a.m. Trouble is, I never get to do any sleeping then. But I'm definitely going to, when I retire. On the days I don't have any B & B guests.

One of the local elementary school teachers told me Thursday that she's in a group from the school that gets up at 5 a.m. and walks around the lake at the recreation area. I gasped! 5 a.m.? to walk? In my mind, 5 p.m. is the time to walk. For one thing, it's day light then and I can see where I'm going. It's also warmer then; although I will admit 5 a.m. would be about the best time for temperature in the summer.

Most of all, it's the end of the day, when I need the walk to get rid of the stress of the day. That's why I walk, to shed stress. It

The Farmer's Wife

doesn't solve problems, but it does help me forget about them.

Through the years, sleep has often eluded me. But when I can sleep, I'm restored, revitalized. We're told this is a sleep-deprived nation and I believe it. But if all the people who are retired would simply stay in bed an extra hour, at least they would be getting enough sleep. And, when they are guests at my establishment, so would I!
