

City receives notice of water violation

The City of Wayne has been informed that two samples of water collected from the distribution system during the month of September were in violation of drinking water microbiological standards.

The samples taken Sept. 16 and Sept. 23 tested positive for coliform. However, these samples were E-coli negative and therefore a boil notice was not issued.

Two positive samples in one month put us in a Non-acute violation of the microbiological standards for drinking water," said Harold Reynolds, Water/Waste Water Superintendent.

Three repeat samples were taken for each one of the positive samples, one at the original sampling site, one upstream and one downstream within five service connections of the original site. All six repeat samples were negative. The sample taken Oct. 14 was also negative.

This leads the Water

Department to believe that our water is fine. The sampling containers were either contaminated before their use or were contaminated during sampling," Reynolds said.

Coliform bacteria is present in the air and on surroundings. The coliform test is very sensitive and indicates a positive for any coliform present in the sample.

When a test is positive, it is sent for further testing to determine if there are fecal coliform, specifically E-coli, present. The E-coli test taken on the positive samples were negative.

"The Water Department believes the contamination occurred when sampling. Even though we are very careful when we sample, contamination can occur. Extra care will be taken on future samples to help ensure that future violations will be avoided," Reynolds said.

Because the contamination has

cleared up within 45 days of the date of violation, water consumers in Wayne do not have to worry about the quality of the water or take any preventative measures at this time.

The U.S. Environmental Protection Agency (EPA) has set an enforceable drinking water standard for total coliform colonies to reduce the risk of these adverse health effects. Under this standard, not more than five percent of the samples collected during a month can contain these bacteria.

The city of Wayne has five sampling stations in each section of the city. A total of eight water samples are taken each month by the city's water department. The samples are then sent to the Nebraska State Department of Health for evaluation.

For more information, contact Harold Reynolds, Water and Wastewater Superintendent at 375-5250.

Phyllis Conner shakes hands with Harold Frey.

Room at Wayne State will bear Frey's name

Phyllis Conner, executive director of the Wayne State Foundation has announced that Harold Frey of Pierce has donated \$150,000 to the college.

The gift will be used for scholarships for students at the northeast Nebraska regional public college and will establish the Harold and Mae Frey Endowed Scholarship III.

"We are obviously very pleased and grateful for this generous gift.

The Frey's have created a lasting legacy at Wayne State," Conner said. She noted that this gift brings the Frey's total support of Wayne State College to more than \$250,000.

In 1996 the Frey's donated more than \$100,000 to the Wayne State Foundation for several special projects. The Frey's designated \$50,000 of their gift

Auxiliary plans bazaar

The Wayne Hospital Auxiliary's annual bazaar has been scheduled for Thursday, Nov. 5 at the Wayne City Auditorium.

The event will run from 9 a.m. to 2 p.m. Hot rolls and coffee will be sold beginning at 9 a.m. In addition, the group will serve soup, sandwiches and pies.

A bake sale will be held throughout the day. Anyone wishing to donate items for the bake sale is asked to bring them to the auditorium that morning.

A raffle will be held for three items. These include a quilt made by the Piecemakers Quilt Guild, a clock donated by Ken Murphy and an afghan donated by Louise Jeanness.

Fourth graders at Wayne Elementary School decorated the hallways in connection with the school's "Harvest" theme. The students were also reading "Charlotte's Web" and made spiders and webs to go along with their fall decorations.

Chamber has planning session

Fourteen Wayne community leaders met Monday at the Lifelong Learning Center in Norfolk for the Wayne Area Chamber's annual planning session.

Chamber leaders representing business, government, Wayne State College and staff participated in the visioning and goals setting processes facilitated by Mary Plettner, Economic Development Consultant at Nebraska Public Power District in Norfolk.

Assisting Plettner were Mary Kwapioski, Administrative Assistant and Jenny Overhue,

Economic Research Analyst, both of whom are also with NPPD.

Vision 2003, developed at the planning session, states, "The Wayne area in the Year 2003 is financially healthy and vibrant retail and service businesses. There exists a good mix of specialty shops, streetscape and entertainment which makes this the 'go to' area in northeast Nebraska. We have increased career potentials for our Wayne State College graduates and

others by developing a variety of employment opportunities. We enjoy a wonderful quality of life which includes affordable housing, youth, activities, good schools, churches, recreation and health services. Successful partnerships exist among education, government and businesses."

Prior to the planning session, participants completed a survey which identified possible areas for specific goals. Attendees voted

anonymously during the goal-setting portion of the workshop.

The top four goals of the Chamber for 1999 are: (1) attract new business; (2) improve the Chamber's overall financial stability; (3) long-term stride in community beautification; and (4) increase tourism.

Committees will be asked to assist as the Wayne Area Chamber moves toward accomplishment of these goals.

United Way aids others

The annual Wayne United Way fund drive has collected approximately \$12,000 of its 1998-99 goal of \$27,000.

Both the residential and business drives are continuing with organizers hoping to finish solicitation funds in the near future.

Anyone who has not been contacted may drop off contributions at Farmers & Merchants State Bank, First National Bank and State National Bank.

The following are several of the organizations that benefit from the fund drive:

WAYNE SENIOR CENTER

The Wayne Senior Center is a gathering place or a focal point of the community. It is a place for the seniors to enjoy the variety of activities that are offered.

Many health related programs are provided for the seniors.

Wayne Area Chamber will sponsor 'Wrap It Up In Wayne' promotion

The Wayne Area Chamber's Retail Council will again sponsor the "Wrap It Up In Wayne" Christmas promotion if sufficient interest is shown.

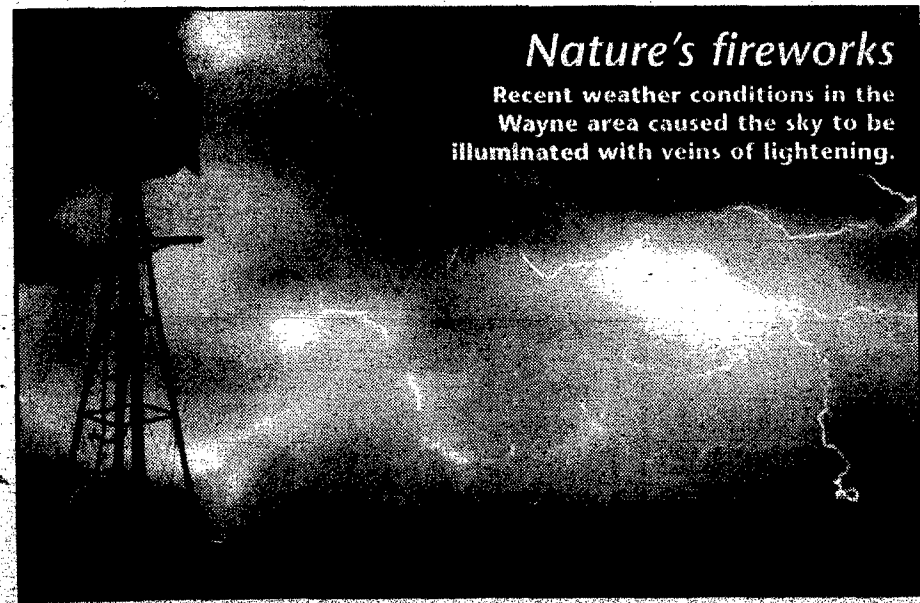

To be successful, all Chamber businesses are requested to participate. Fifty-five businesses are needed to offer the Great Cash Giveaway to the community for the fourth consecutive year. To participate, businesses are asked

to sign up at the Chamber office by Friday, Oct. 30.

According to Irene Fletcher, Retail Council Chair, "The holiday drawings will have a new twist."

The change involves awarding prize money to ticket holders not present and calculating the amount of the prize money awarded at each drawing. Ticket

Obituaries

Martha Behmer

Martha Behmer, 92, of Conway, Ark. died Thursday, Oct. 15, 1998 at the Conway Nursing Home.

Services were held Monday, Oct. 19 at Trinity Lutheran Church in Hoskins. The Rev. Rodney Rixe officiated.

Martha Behmer, daughter of Herman and Louisa (Miller) Buss, was born Oct. 16, 1906 at Hoskins. She was baptized Nov. 11, 1906 and confirmed May 29, 1921 at Trinity Lutheran Church in Hoskins. She attended schools in Stanton County and Hoskins High School. On Sept. 12, 1926 she married Arthur Behmer in Hoskins. The couple lived on a farm in the Hoskins area and later moved into Hoskins. She was a life-long member of Trinity Lutheran Church and its Ladies Aid. She was a member of the Town and Country Garden Club and a member of the Highland Women's Extension Club. She became a resident of the Chateau of Norfolk in 1996 and moved to Conway in July of 1998.

Survivors include one son, Dale and Arlene Behmer of Conway, Ark. nine grandchildren, 14 great-grandchildren and one sister, Ella Muhs of Norfolk.

She was preceded in death by her husband Arthur, one son, one daughter, three brothers and four sisters.

Pallbearers were Chris Bonnier, Bill Walters, Wendell Muhs, Eric Brown, Virgil Buss and Larry Reed.

A memorial fund has been established in her name. Burial was in Hillcrest Memorial Park Cemetery in Norfolk. The Home For Funerals was in charge of arrangements.

Tyson Gehner

Jacob Gehner

Services for Tyson Todd Gehner and Jacob Andrew Gehner, infant sons of Todd and Christine (Hepola) Gehner will be held Saturday, Oct. 24 at 10 a.m. at Grace Lutheran Church in Wayne. The Rev. Jeff Anderson will officiate. Closed casket visitation will be held Friday, Oct. 23 from 5-7 p.m. at the Schumacher Funeral Home in Wayne.

Tyson Todd Gehner was born Oct. 7, 1998 and died Oct. 11 in Omaha. Jacob Andrew Gehner was born Oct. 9, 1998 and died Oct. 19 in Omaha.

Survivors include their parents, Todd and Christine Gehner of Sioux City, Iowa; paternal grandparents, Gerald Gehner of Norfolk and Marilyn Gehner of Wayne; maternal grandparents, Gayle and Ann Hepola of Cottage Grove, Minn. and Judy and Gary Mjølgaard of Alta, Iowa; paternal great-grandmother, Stella Schumacher of Wayne; maternal great-grandparents, Frank Crapser of Mesa, Ariz. and Agnes Hepola of New York Mills, Minn.; aunts, uncles and cousins.

Tyson and Jacob were preceded in death by three paternal great-grandparents and two maternal great-grandparents.

Pallbearers will be Lovel H. Heppner, and Barry Daljesh. Burial will be in Greenwood Cemetery in Wayne. Schumacher Funeral Home in Wayne is in charge of arrangements.

Sunday Series to begin

The art of performance and acting will take place at Ley technology will come to life when Theatre 8 Branchburg Education Wayne State College soprano Ann Branchburg Sunday, Oct. 25 at 3 p.m. and pianist Beverly Solferino.

Admission is free and the event is open to the public. "Invitation to a Voyage," the Omaha photographer, Meta Romero.

The first Sunday Series of the 1998-99 season is sponsored by the WSC multi-media gallery show and Center for Cultural Outreach.

Walter Moller

Walter Moller, 88, of Wayne died Wednesday, Oct. 15, 1998 at Providence Medical Center.

Services were held Saturday, Oct. 17 at First Presbyterian Church in Wayne. The Rev. Craig Holstedt officiated.

Walter Louis Moller, son of John Carl and Anna (Henrichsen) Moller, was born Sept. 10, 1910 at Fort Calhoun. He was baptized at Fort Calhoun and confirmed in Grant. He moved with his family to Grant in 1920. He graduated from Perkins County High School in 1928 and the University of Nebraska at Lincoln in 1935. Following graduation he became the first County Agent in Wayne County. On July 30, 1937 he married Leota Belle Hall at Norfolk. He then served in the U.S. Army Air Corps from 1942-46 during World War II. Following WWII the couple made their home in Wakefield. They moved to Wayne in 1965 where he owned Moller Real Estate and Wayne County Abstract. He retired in 1974. He was a member of the First Presbyterian Church in Wayne, Wakefield American Legion Post #81, Wakefield Masonic Corinthian #81 where he was the Jordan Medal Holder and was a member of the Order of Eastern Star.

Survivors include two daughters, Patricia and Thomas Drayton of Fargo, N.D. and Kathy and Gerald Muller of Wakefield; five grandchildren; three great-grandchildren and one sister, Marc Kirkowski of Grant.

He was preceded in death by his parents; wife Leota in 1996 and one son, Warren.

Honorary pallbearers were Lloyd and Pat Straight, Rick and Bonnie Lund, Cornell Runestad, Roy Coryell and Lyle and Ginny Seymour.

Active pallbearers were Jay and Margot Drayton, Jeff and Claudia Drayton, Kenny and Jennifer Robinson, Jere and Heidi Morris and Andy and Mindy Muller.

Burial was in Greenwood Cemetery in Wayne. Schumacher Funeral Home in Wayne was in charge of arrangements.

Ruby Pedersen

Ruby Pedersen, 80, of Omaha, formerly of the Wayne and Laurel died Tuesday, Oct. 13, 1998 in Omaha.

Services were held Friday, Oct. 16 at Dundee Presbyterian Church in Omaha. The Rev. Lorraine Dill officiated.

Ruby Victoria Pedersen, daughter of Axel and Emmy (Pearson) Fredrickson, was born April 16, 1918 at Concord. During World War II she served with the Red Cross in New Guinea and the Philippines. She was married to James L. Pedersen on Nov. 1, 1947 at Concordia Lutheran Church in Concord. She taught in schools in Niobrara, Henry, Ill. and Beldon before coming to Wayne State where she taught for 23 years. She also served as Vice President of Wayne State College.

Survivors include a daughter, Ann P. and Patrick Gleeson of Hopkins, Minn.; a son, James F. and Evonne Pedersen of Minnetonka, Minn.; five grandchildren; two brothers, Clifford and Doris Fredrickson of Wayne and Marvin Fredrickson of Marengo, Ill. and a sister, Famy Johnson of Wakefield.

Pallbearers were Dr. Thomas Nilsson, Dr. Ed Elliot, Dr. James Phifer, Neal Haskell, Robert Shanahan and Steven Shanahan.

Memorials may be given to the Ruby V. Pedersen Scholarship Fund at Wayne State College, the American Red Cross or the Laurel Presbyterian Church.

Burial was in the Laurel Cemetery in Laurel. The Rev. Kenneth Marquardt officiated at the graveside services. Healey, Healey, Hoffman, Dwork and Culler Chapel was in charge of arrangements.

Boosters donate to Wayne Elementary

The Wayne Elementary Boosters (W.E.B.) recently made a number of donations to Wayne Elementary School.

Each grade level K-4 received a color printer. In addition, money was donated to the physical education department and was used to purchase floor mats. The music department also received funds. Books were also purchased by the library.

The money for these purchases was raised during last spring's carnival.

"We would like to thank the local businesses for their generosity in supporting the carnival. We do appreciate the support of the local community," W.E.B. officers said.

All the money raised during the annual carnival is used to purchase items for the elementary school.

Anyone wishing to become involved with W.E.B. is asked to call President Jan Doescher at 375-4437.

College to sponsor haunted house

The Haunted House for 1998, Halloween is being sponsored by the Wayne State College Science Fiction/Fantasy Club and the Drama Club.

It will be open Oct. 29-31.

The Haunted House will be located at 2212 N. Centennial Road. From the corner of Seventh and Main, go north on Highway 15 to the Country Club Road, turn right and go to the stop sign and then turn left to the first Haunted

Barn on the left (second driveway on the left). Or, go east toward Wakefield on Highway 35 to North Centennial Road (Wayne East), turn left and go north to the stop sign and continue north to the first Haunted Barn on the left (second driveway on the left).

Hours are from 6 p.m. to midnight each night. Admission is \$5 for adults, \$3 for students and free for those seven and under when accompanied by an adult.

Band earns superior

The Wayne High School Blue Devil Marching Band traveled to Madison on Oct. 17 to participate in the Madison Public Schools Invitational Marching Band Competition.

There were 10 bands from northeast Nebraska in this competition.

The Blue Devil Marching Band received a Superior Rating trophy. Drum Majors Melissa Fluent, Lesley Dangberg and Molly Muir received the Best Drum Major trophy of the competition and Audrey Kai, Lindsey Martin, April Lage, Jessica Woehler, Eric Milander, Darci

Bargholz, Becky Brumm, Abby Spahr, Angie Thede and Monica Krenk received the "Best Color Guard" trophy of the competition.

The Wayne High School Blue Devil Marching Band received the "Sweepstakes Trophy" for being selected as the "Best Marching Band" of the competition.

All the trophies were donated by Midwest Music Center in Norfolk.

The Blue Devil Band will be in competition again this Saturday, Oct. 24 at the NSBA State Marching Band Competition at Lincoln High School in Lincoln.

Holding trophies received at the Madison Marching Band Competition are, left to right, drum majorettes Molly Muir, Melissa Fluent and Lesley Dangberg.

to be used to help construct a graphic arts studio in their name in the new studio arts building which is scheduled for completion in late November. They also designated \$50,000 to be used to fund endowed scholarships for Pierce and Emerson-Hubbard High School students each year.

In 1995 they gave \$15,000 to fund annual endowed scholarships for Pierce students to attend Wayne State College.

Harold's philanthropy has extended beyond his alma mater to his home community of Pierce. He donated \$150,000 this year to the Pierce Library Foundation's Fund Drive. The donation was made to assist in the renovation and addition to the existing Pierce Public Library facility. Frey also made a gift of \$163,000 to the Methodist Church in Pierce. The church will house the Frey Fellowship Hall in recognition of his donation.

Conner said in recognition of the gift she will recommend to the Nebraska State College System Board of Trustees that the group of rooms, presently known as the

Litropes at Providence Medical Center.

The recent Style Show sponsored by the Hospital Auxiliary netted over \$3,000 which was used to purchase and equip an aquarium at PMC and purchase four Lifelines.

Nebraska Rooms, located in the College's Student Center be named in honor of Frey and his late wife Mae. The rooms will be called the Harold and Mae Frey Conference Suite.

The Nebraska Rooms are a multi dimensional large room that can be divided in to as many as four smaller rooms for meetings, conferences, concerts and other programs.

Harold Frey is a 1938 graduate of Wayne State College, earning a bachelor of science education degree. He also holds a bachelor of science degree from Stout Institute. Frey is a retired New York Life Agent. In addition, he taught graphic arts in Emerson and Cheyenne, Wyo. and farmed.

Mae Frey, a 1937 AVSC alumnae, died in April. She was a teacher her entire professional career. The Freys have two adult children, Richard who lives in Kansas and Martha Jo Wells, who lives in Iowa.

Conner said a plaque, which will serve as a lasting tribute to the Frey's generosity, will be placed near the interior entrances of the suite. The plaque will also serve as a lasting tribute to the two alumni.

Farm

These stories are taken from the pages of The Wayne Herald and are provided here in cooperation with the Wayne Public Library.

1944
Nebraska's first entry for the Chicago market fat stock and carlot competition to be held at Chicago stock yards in December was made by Leland Herman of Wayne. He will exhibit in the Hereford steer classes of the event.

"Fire" of undetermined origin destroyed the davenport and a curtain in the home of Ben Ahlvers. The family was at the picture show at the time of the fire.

Cotton raising proved successful for August Wittler this season as the few seeds he planted thrived.

Handy pocket dictionaries are being given to all Wayne County rural pupils by Fritts grocery.

1934
Construction of Wayne's new post office is delayed until the steel arrives.

Jack Kinney received a single rifle shot in the face when he was hunting pheasants near Wakefield. He suffered only minor injuries.

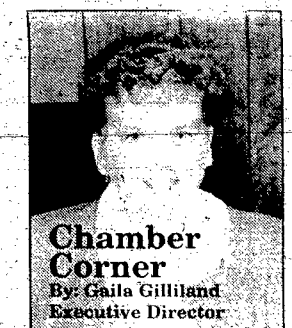

Report looks at small business importance to local communities

In the August 1998 edition of the Small Business Advocate, Vol. 17, No. 7, the following article demonstrates the importance of small businesses in our community. For more information, or to obtain the report, contact the National Technical Information Service (NTIS), 5285 Port Royal Road, Springfield, Va. 22161, telephone (703) 605-6000 or through the NTIS website at <http://www.ntis.gov>. Request document no. PB98-149784. Access the full text of the report on the Office of Advocacy's website at <http://www.sba.gov/ADVO/stats/#firm>.

the 1988-1995 time period as they were created, as they died off, or as they grew into large firms. This so-called "churning" is at the heart of the cycle of change that is continually reallocating the nation's financial, human and material resources. Small business, it should come as no surprise, is at the vital center of the process.

Other findings of the report include:

- Within the services sector, the business services and health services industries seemed to be among the most active; they represented 49.0 percent of service-sector employment in 1990, but accounted for 63.8 percent of the new jobs in the services sector from 1990-1995.
- Of U.S. employment, 13.3 percent in 1995 was in firms that did not exist before 1990, while 12.6 percent in 1990 was in firms that had ceased to exist by 1995.
- From 1990 to 1995 the difference between jobs generate by firm births and those lost to firm deaths accounted for 21.8 percent of net new jobs. Expansion less contractions of continuing firms accounted for 78.2 percent of these net new jobs. Small firms accounted for 67.7 percent of net new jobs from firm births and deaths and 78.9 percent of net new jobs from continuing firms.
- In 1995, small firms averaged about one establishment and 10 employees each, while large firms had an average of more than 50 establishments and more than 3,000 employees each.
- Small businesses represented a steady share of the number of firms from 1988 to 1995, while their share of employment declined slightly. This led to an increase in average firm size.
- Much of the decrease in small firms' static share of employment in the services sector was probably caused by some small firms growing into large firms and acquisitions of small firms by large firms.
- Small businesses became more important employers in the manufacturing and construction sectors and less important in the retail trade and service sectors.
- Year-to-year data covering the entire period are also included in the report.

Chamber Corner
By Gaila Gilliland
Executive Director

new jobs, according to a newly released study by the Office of Advocacy, Small Business Growth by Major Industry, 1988-1995. During this same time period, according to the report, the service sector alone was responsible for 58.9 percent of net new establishments and 84.8 percent of net new jobs.

This report, based on data collected by the Census Bureau, takes a look at the continuing cycle of business creation, growth and death that is vital to the U.S. economy.

In announcing the release of the report, the SBA's Chief Counsel for Advocacy Jere W. Clover noted that it "shows clearly the role played by small firms in

Capitol News

Judicial system analyzed

By Ed Howard
Statehouse Correspondent
The Nebraska Press Association

Nebraskans, taking one with another, know less about their court system than they know about their tax systems.

This is NOT good.

Human beings tend to distrust, dislike and sometimes abuse people and things which are not understood. (Of course, once the aforementioned are understood, they can still be distrusted etc., but at least the possibility of rationality exists.)

It isn't hard to understand the general lack of understanding of the courts. We aren't much involved with them on a personal level. And, when court decisions have a collective effect, our reactions usually are based on political, social and economic self-interest.

Show me a Supreme Court decision that makes some 140 guys doing time for second degree murder eligible for new trials, and maybe release, and I'll show you a public reaction that can fairly be characterized as "YOU DID WHAT?"

When the decision ignores the intent of the Legislature while citing legal logic, the reaction only gets louder and worse.

It can also lead to the people in a judicial district turning out at the polls to make sure that one of the judges who supported the opinion is tossed off the bench. Specifically, the electorate voted NOT TO RETAIN the judge in question.

Regardless of whether the controversial decision in question was, in fact, good or bad, the rumpus over the notorious "second-degree murder decision" showed that Nebraska's system for public input on the performance of judges works. Works, real good, too.

The ultimate judicial system evil, it seems to me, would be one in which judges are elected. The very idea seems repulsive. Electing judges would subject the judicial system to the debasing influence of campaign contributions and election rhetoric.

Think about it. How many elected officials would you describe as "courageous"? How many of them have enough confidence in the public's

understanding of and interest in the process to just call 'em as they see 'em? See what I mean?

That's the way it is in politics and, for better than 200 years, we have lived with it (successfully or otherwise, depending on your view).

The idea in the courtroom is to have things judged by a person who doesn't and must not give two hoots or a shucky darn about the latest polls, what the people with deep pockets will do, or what the masses will think. Judges are supposed to be there to exercise the follow-the-precedents-and-apply-the-law wheeze. And we have judges who look over the shoulders of other judges to make certain that it works that way.

But, every now and then, the people decide that a court or a judge has just gone too far. So, they saddle up the like-minded and try to dump the judge in question.

This system has not, in fact, been problematic.

But it is beginning to remind

some of another type of direct democracy that wasn't problematic in the beginning.

Remember when using the initiative petition process was pretty much a grass roots thing? When it was utilized by a citizenry fed up, after trying mightily to get the Legislature's attention, with having its wishes ignored?

Monied interests had lobbyists, sympathetic lawmakers, contributions and what not to help them work their will through the established routes. The People had the petition process.

Then, with California leading the way (for good or ill), the country learned two things:

-Big dudes can use the petition system even more easily than little dudes.

-When it comes to a petition drive, try to fascinate 'em with fact, but don't hesitate to baffle 'em with... well, you know.

What has this to do with judges? Potentially, plenty.

Voters will decide in November whether to adopt a constitutional amendment that could make it

tougher to dump a Supreme Court judge from the bench. It would require judicial retention votes to be held on a statewide, instead of a district, basis.

It seems to me that the arguable value of the plan lies in its apparent potential for keeping judicial retention votes from going the way of petition drives, i.e., groups with enough money mounting campaigns against any judge whose decisions they don't like, regardless of whether the decisions are correct.

It seems to me that the arguable fault of the plan lies in its apparent potential for giving voters the sense that they are being looked down upon by the Legislature (which put the proposal on the ballot) as being unworthy of being trusted to make sound decisions.

This is a bit of analysis, not an editorial. The hope is that the analysis gave you something to think about.

And, as they say in the legal racket, "further, affiant sayeth not."

Lamm highlights at conference

Former Colorado Governor and Reform Party Presidential candidate Richard Lamm highlights the third annual Nebraska "Futures Conference, to be held November 6 at the Lifelong Learning Center on the Northeast Community College campus in Norfolk. This year's conference, "Exploring New Terrain," will focus on generational changes in public policy, economic and financial globalization, building personal and community resiliency and communication by youth to build better communities.

"These four sessions explore areas important to the future of Nebraska," said Lynda Cruickshank, Wayne County Cooperative Extension, University of Nebraska, and head of the committee running the conference. "We sought a number of speakers capable of addressing issues relevant nationally in the next century, which also apply to Nebraska. Our institutions in Nebraska must find new ways to operate to succeed economically, politically, socially and educationally. The agenda we've put together will help business, government and education leaders hear what cutting edge speakers currently addressing citizens around the country have to say on these issues."

Lamm will highlight the conference and discuss "The Brave New World of Public Policy." His session examines how an aging society addresses retirement, and it's implications for the economy and government policy.

Joseph Kruth, President, Arete, Inc., and Chair of the Tahoe Center for a Sustainable Future, will discuss economic and financial globalization. "Jobs, income and assets are being allocated according to rules few of us understand, disrupting nations, communities and individual lives in the process," he said. His talk will review these issues, the consequences, the myths and institu-

tions which continue to support these processes, and what individuals, communities and societies can do to create a future they define, aligned with the values and principles they hold.

Glenn Richardson, Executive Director of the Human Experience Institute and Professor, Health Education, University of Utah, will speak on "Building Personal and Community Resiliency." Richardson envisions "a society that has learned how to focus on the positive; to harness the innate resilience, or the human spirit, and to practice resiliency skills that are universal across cultures and religions." He paints "an ideal helping program, using resiliency principles that apply to individuals, couples, families and communities."

Sandy Close, Executive Editor, Pacific News Service, will talk on "Youth Using Communication to Build Community." She will use her experience with inner city communities in Oakland, Calif., to address how youth can solve problems through novel communication means.

"We're confident that our speakers at this third annual Nebraska Futures Conference will expand on topics relevant to the economic and social health of Nebraska. By shining a light on these critical issues, citizens who attend will be able to take valuable lessons back to their local communities and apply lessons learned from the conference," Cruickshank said.

For further information or to register for the conference, individuals may access the Nebraska Futures Conference website at www.megavision.net/future. The conference is sponsored by the City of Norfolk, Norfolk Area Chamber of Commerce, Northeast Community College, University of Nebraska Cooperative Extension, University

of Nebraska, Northeast Research & Extension Center, Nebraska State College, City of Columbus, Columbus Area Chamber of Commerce, Central Community College Platte Campus, Community Internet Systems and City of Fremont.

The Principal's Office

Last spring the Nebraska Legislature developed regulations which state, "No student shall be absent from school more than five days per quarter."

Wayne High School has had a similar policy in effect for the past several years. In addition, a student must appeal for credit in the event that they are absent more than 10 days per school semester. A portion of the appeal for credit process requires meeting with a panel of teacher to explain the reasons for excessive absence. The panel will then decide whether or not to honor the appeal.

The written policy is as follows:

- ATTENDANCE POLICY**
- Regular attendance at school is the primary responsibility of the student and his/her parents. There is no substitute for regular attendance and many classroom experiences cannot be made up.
- Students must appeal for credit after having more than 10 non-school related absences per semester.
1. An appeal for credit form must be obtained from the office.
 2. The form must be completed and submitted to the appropriate teacher(s).
 3. The student must complete the teacher(s) requirements: test, makeup time, extra work, etc.
 4. After teacher (s) requirements are met, the student appeals to the appeal for credit committee. This committee meets during activity period. The committee is made up of four or more teachers. Other teachers will cover students while committee is in session.
 5. Students will have three to four minutes to explain why they missed school.
 6. Committee and students' teachers will decide if credit is granted or denied.
- Religious holidays, death in the family, health problems that involve hospitalization, and/or extended illness will be handled on an individual basis.
- Students who have accumulated more than 10 days of absence may remove those days by:
1. Reporting five consecutive days after school for one hour each day or.
 2. Reporting to school Saturday morning from 8 a.m. - noon.
- In either instance, students will be supervised and be expected to be in a study mode. All make-up time must be scheduled through the principal's office.
- Removal of excessive days of absence will allow the student to avoid the Appeal for Credit process.

NEIGHBORING CIRCLE
Lorraine Denklauf hosted the Oct. 8 Neighboring Circle Club with eight members present.

Club president Erna Hoffman opened the business meeting. The song, "My Bonnie" was sung. The meeting closed with the club song and The Lord's Prayer.

Ten point pitch was played with prizes going to Lorretta Voss, Helen Muehlmeier and LaVila Voss.

The next meeting will be on Nov. 12 at Evelyn Herbolshiemer's.

SENIORS
Eighteen Winside area Senior Citizens met on Oct. 12 for an afternoon of cards. Group Number 2 served snacks.

The history of Kool Aid, "The Drink of Nebraska" and about its inventor was shared.

The next meeting will be on

Monday, Oct. 26 at the Legion Post at 2 p.m. with a Halloween Party.

All area seniors are invited to join in on the fun.

LADIES AID
St. Paul's Lutheran Church Ladies Aid met on Oct. 7 with 18 members, Pastor Richard Tino and five guests, Ila Pryor and Rose Carlson of Wayne, Evelyn Langenberg of Hoskins, Marian Losberg of Fremont, and Esther Carlson of Winside.

Welcoming the guests and opening the business meeting was Aid President Daisy Janke. The group said the LWML Pledge in unison. Gloria Evans led in devotions.

A special memorial service was held in memory of Dorothy Dangberg. The hymn "I'm But a Stranger Here" was sung. Pastor Tino gave a Bible lesson on "Saint Luke the Evangelist."

Irene Ditman reported on the Mite Box. A thank you was received

from the United Methodist Church Women. A thank you and donation was received from the family of Dorothy Dangberg.

Vera Mann, Norma Janke and Irma Vahlkamp reported on visits made to shut-ins. The new visiting committee will be Doris Marotz and La Jeanne Marotz.

President Daisy Janke thanked the Mary group for serving at the Pastor's Circuit forum. She also thanked the Anna Group for serving at the Dorothy Dangberg funeral and also thanked all those who brought food and who helped.

Pastor Tino and Mrs. Janke also thanked everyone who helped clean the church on Oct. 5.

The annual Bazaar and food sale will be on Saturday, Nov. 7. Committee for the event will be Norma Janke, Evelyn Jaeger, and La Jeanne Marotz.

Election of president and treasurer will be held in November

Nominating committee will be Daisy Janke, Erna Hoffman, and Vera Mann.

A birthday card was signed for Lydia Witte by all present. Hostesses for the day were Erna Hoffman, Vera Mann, Janice Jaeger, and Arlene Alleman.

The next meeting will be on Nov. 4 at 1:30 p.m. Gertrude Vahlkamp will be hostess.

LIBRARY FOUNDATION
Members of the Winside Library Foundation are still selling chances on three collectable Beanie Babies: Erin, Princess Di, and Valentino.

Tickets can be purchased at the library or from any Foundation member as well as various community events. The winners will be drawn in December.

COMMUNITY CALENDAR
Friday, Oct. 23: G.T. Pinochle Club, Laura Jaeger, Open AA meeting, firehall, 8 p.m.

Monday, Oct. 26: Red Ribbon Week, VB Tourney Conference

Tuesday, Oct. 27: VB Tourney Conference

Thursday, Oct. 29: FB Qualifying Game

DRILL PARTICIPATION
Winside Boy Scout Troop #179 and other volunteers from the Winside Public High School were invited by the Madison County Sheriff's Department to participate in the Oct. 7 Emergency Disaster Drill.

The drill began at 6:30 p.m. as

a school hostage situation and ended at 10 p.m. Boy Scout Steven Fleer played the part of Bob Clinton, one of the wounded students.

Other scouts participating were Jeremy Jaeger, James Gubbels, Jared Jaeger, Chris Hansen and Jesse Thies. They boys were earning their Disaster Drill/Emergency Preparation Merit badge.

Other high school students helping were Jessica Bowers, Shannon Bowers, Lindy Fleer, Maureen Gubbels, Amy Hancock, Tiffany Jensen, Stacy Magwire and Keisha Rees.

The Boy Scout leader is Joni Jaeger.

ADDRESS GIVEN
Anyone who would like to send cards and letters to rural Winside resident Patty Deck who has been hospitalized for numerous weeks can do so by sending them to: University Medical Center, 600 South 42nd Street, Room 7434, Omaha, Neb. 68105.

The GOLDEN YEARS
By Patrick Luft

Frankie Lane, whose booming singing style amassed 21 gold records, is still involved in music at age 84. Now he speaks up for the Salvation Army's after-school music program for needy children. Living in San Diego, Lane first teamed up with the Salvation Army in 1991 to promote donations of shoes. He was moved to do so after seeing a newspaper that showed a homeless man wearing a shoe with a flapping sole. Then the Salvation Army ran out of instruments for its music program. Lane recorded a local radio appeal for donated instruments. The results prompted the donation campaign to extend nationwide.

Presented as a public service to our senior citizens, and the people who care about them.

Herbs for Health
Estrogen After Menopause May Prevent Tooth Loss.

Estrogen replacement after menopause helps women reduce their risk of developing osteoporosis. Osteoporosis (loss of bone mass) can result in fractures of the hip, vertebrae, and other bones. Estrogen produced by a woman's body throughout her younger years helps keep calcium in the bone, preventing fractures. After menopause, however, when estrogen levels fall significantly, calcium can leave the bones. Replacing estrogen, via a prescription tablet or patch, along with adequate amounts of vitamin D and dietary calcium, helps maintain bone health - preventing fractures.

A study reported in the medical journal *Archives of Internal Medicine* concludes that estrogen replacement also prevents tooth loss. In a study of almost 4,000 elderly women, toothless and dentures were significantly less common in women who received estrogen therapy.

The Wayne State football team snapped a six-game losing skid to begin the 1998 football season with a 26-7 victory over visiting Moorhead State, last Saturday.

The win also snapped a five-game losing streak to the Dragons.

Head coach Kevin Haslam dug deep into the WSC playbook and utilized an assortment of option plays that involved two running backs, (BJ Helmstadter and Fred Giraud), two wide receivers and a first-time starter at quarterback.

The new attack generated 234 rushing yards and three scores led by signal-caller Brandon Lavaley.

Helmstadter and Lavaley combined to rush for 162 yards and two scores.

Helmstadter, a sophomore from Lincoln Northeast High School, came off the bench to rush for 87 yards on 15 carries. He did most of his damage in the fourth quarter, carrying 10 times for 71 yards.

Giraud, meanwhile, gained 75 yards on 14 attempts. A junior from Montreal, Giraud picked up 51 yards in the first half. His eight-yard run with 57 seconds left in the second quarter gave the 'Cats the lead for good at 10-7.

Lavaley gave WSC some breathing room when he rushed 19 yards for a touchdown with 5:06 left in the third quarter. The sophomore from Sutherland, Ne., finished the day with 89 yards passing and 21 yards rushing.

Helmstadter darted 13 yards late in the fourth quarter for the 'Cats third touchdown of the game.

Kicker/punter Brian Johnson booted two field goals in the game. The three-time Nebraska Special Teams Player of the Week says his 42.1 yards per punt average on the year is fine but he can do better.

"I'm a little bit hard on myself," Johnson said. "I could be doing better."

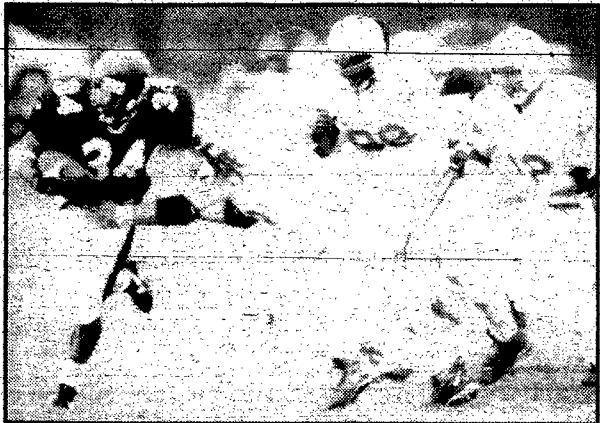

"These guys (WSC) are picking it up and coming together. We came out here and showed that our offense can work against anybody when we run it right," Johnson added.

Haslam credited the decisive win to the 'Cats operating on the same page offensively and defensively.

"Offensively, we put the defense

Wayne State quarterback Brandon Lavaley penetrates the defense of Moorhead State during action last Saturday in Wayne. The 'Cats won their first game of the year.

BJ Helmstadter breaks free from Moorhead State defenders for positive yardage during the Wildcats 26-7 victory last Saturday.

WSC's defense kept Moorhead State at bay all game last Saturday as the 'Cats posted a convincing 26-7 victory. WSC will look to keep that momentum this week as they travel to play nationally-ranked Chadron State.

Wildcats to host Junior Cats Clinic

The Wayne State College Men's basketball program will be holding the Junior Cats Basketball Clinic on Saturday, Nov. 7.

The clinic is scheduled from 9:30 a.m. to noon in Rice Auditorium and will be under the direction of WSC men's basketball coach Greg McDermott.

The cost is \$25 per individual and is for boys and girls in grades 1-6. The clinic, which stresses the fundamentals of shooting, passing and ball handling, will conclude with a performance at halftime of the Wayne State-Mt. Marty men's basketball game on Nov. 14.

All participants will receive a Junior Cats t-shirt, a black-and-gold Wildcat basketball, an 8 1/2 x 11 auto-graph card of the Wildcat men's basketball team, free admission to all Wayne State home basketball games, a Junior Cats membership card and a pizza party.

The Junior Cats Basketball Clinic is sponsored by First National Bank of Wayne, Godfather's Pizza of Wayne, The Wayne Herald and Stadium Sports.

For more information, or to receive a registration form, contact the WSC men's basketball office at 402-375-7515.

in some binds and they responded very well," Haslam said. "By the same token the offense found itself in a couple situations where if we put together a drive we could ice things and put a little more pressure on Moorhead State, and we did that."

Lavaley and the Wildcat offense seemed to run on all cylinders, averaging 4.8 yards per play.

Defensively, WSC held a potent rushing attack—77 yards below Moorhead State's average of 273.

Linebacker Jesse Wavrunek spearheaded the 'Cats defense with 11 tackles, followed by freshman Antonio Jackson's 10 tackles including six solo stops.

"Defensively we gave up just one big play and we came back and played strong after that," Wavrunek said. "The offense played a great game, moving the ball around and taking time off the clock."

Damon Ruffin was Lavaley's top receiver on the day with five catches for 24 yards while Desmond Grace had three receptions for 11 yards. JaQuay Bangs caught two balls for 54 yards.

WSC will take a 1-6 record to Chadron on Saturday when the 'Cats take on the Eagles, ranked 16th in the nation in NCAA-Division II.

Chadron State fell to New Mexico Highlands, 31-28 last Saturday.

The Eagles rely on the arm of Trevor Moon who has thrown for 1490 yards this season and nine touchdowns.

Game time is slated for 2 p.m. central time.

	WSC	Moorhead St.

Trojans lose to Stanton

Wakefield had a four-game win streak snapped by Stanton last Friday night in Wakefield, 38-8.

Justin Smith's team fell behind 9-0 after one quarter of play and 17-0 at the half before the visitors put up 21, third quarter points.

Chad Mackling scored the Trojans lone touchdown in the fourth quarter.

"We missed too many tackles to be able to compete with a team as physical as Stanton," Smith said. "They just man-handled us. B.J. Gardner got hurt in the first quarter and the downfall followed. Shaun Hammer was also playing injured and was pulled in the second quarter."

Wakefield was led by 157 total yards of offense led by Chad Mackling with 102 yards rushing while Eric Klein rushed for 23 yards. Todd McQuistan replaced Hansen and was 6-21 for 16 yards. Ross Gardner had three receptions for 29 yards.

Defensively, Wakefield was led by Chad Mackling with 13 tackles and Matt Bensen with 12 while Tucker Greve finished with 11.

Wakefield, (5-2) will travel to play Pender in the regular season finale on Friday night.

Winside gals claim district title in first year of cross country

The Winside girls' cross country team continued their success in the Wildcats inaugural year by winning the district cross country meet last Thursday in Bloomfield.

Angie Means' team finished with 19 points with Laurel-Concord placing second with 44 and Bloomfield, third with 50.

The top three teams at the district meet qualify for the state cross country meet to be run Friday in Kearney.

Laurie Deck paced the winners with a runner-up time of 16:44 while Kayla Bowers was third in 17:07. Jo Jo Long placed fifth overall in 17:25 and Rachel Deck was 17th in 18:23.

"I think it helped a lot to have the runners run at the Bloomfield meet the week before," Means said. "They were ready for the course and knew exactly what to expect for districts."

Means said the team is real excited about the opportunity to run at the state meet, especially since it's the first Wildcats girls' cross country team in school history.

"We couldn't be happier with how the season has gone. Now we are concentrating on running our best at the state meet," Means said.

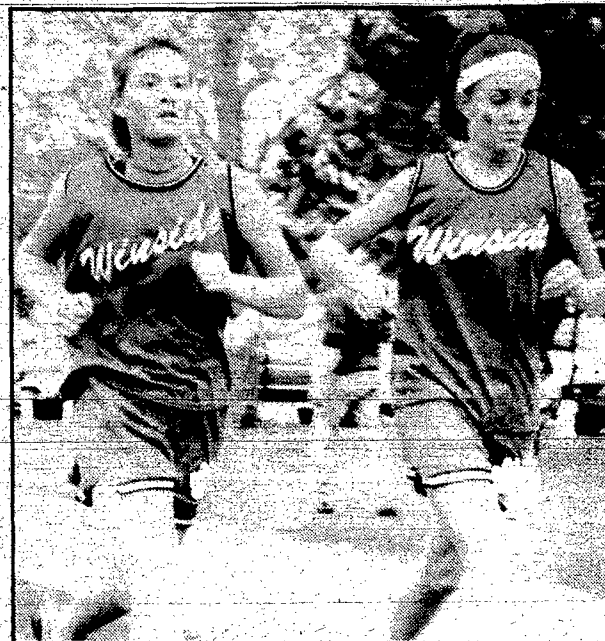

"We feel fortunate to have been able to run against great teams like Pierce and Wayne all season," Means added. "I think it has helped

to prepare us for the competition we'll see at the state meet."

Winside's lone boy, Ben Baedke will also be heading to state in the Class D field as he placed fourth in

the boys race in 18:05.

Winside's girls will run at noon on Friday at the Kearney Country Club with the Class D boys race to follow the Class C girls division.

Winside cross country runners Jo Jo Long and Kayla Bowers keep pace during the district cross country tournament. Winside won the district crown in its first year.

Members of the Wayne golf team which placed third at the State Golf Meet last weekend included from left: Monica Novak, Abbie Diediker, Lindsey Martin, Karl Harder and Hailey Daehnke.

Wayne golfers earn third place at State

By Kevin Peterson
Of the Herald

The Wayne girls' golf team placed third in the Class B State Golf Tournament last Thursday in Friday in Grand Island.

The Blue Devils fired rounds of 387-390 for a 777 to finish behind state champs, Holdrege at 736 and Columbus Scotus, 756.

McCook placed fourth with a 783 and Columbus Lakeview was fifth at 807. Ogallala was sixth with an 809 and Omaha Duchesne finished seventh with an 825.

Omaha Skutt Catholic finished eighth at 843 and Crete was ninth with an 855. O'Neill rounded out the top 10 with an 880 while Plattsmouth notched a 900 and York, 906.

Wayne senior Hailey Daehnke closed out a phenomenal season with an eighth place finish at State

with rounds of 96-92 for a 188.

Daehnke medaled in every meet this season. The first day results saw freshman Kari Harder come in with low score for Wayne with a 94 while Daehnke had a 96 and Lindsey Martin, 98. Monica Novak carded a 99 on day one and Abbie Diediker, 103.

Day two had Daehnke firing a 92 with Martin another 98. Novak and Diediker each had a 100 and Harder finished with a 106.

Martin finished second on the Blue Devils team with a 196 and a tie for 18th place while Novak tied for 23rd place and a 199.

Harder tied for 26th at 200 and Diediker was 29th at 203.

McCook's Elizabeth Morell was the state medalist with a 79-85 for a 164.

"It was windy both days with some rain on Friday," Wayne coach Dave Hix said. "We finished as the

third best team in Class B which isn't bad."

"Hailey had two nice front nines with scores of 44 and 43 but she struggled some on the back nine both days with a 49 & 52," Hix added.

Hix said that Wayne's lone freshman, Kari Harder, put three good nine-hole rounds together but had one that took her out of contention.

Lindsey Martin got off to slow starts both days on the first green but she rebounded to play consistent golf.

Hix said Abbie Diediker had a tough first day but bounced back a little on Friday. "Monica Novak had a little trouble getting up and down which is usually the better part of her game," Hix added. "The girls hung in there, though, the best they could and it was nice to see our district have teams that placed second and third at State."

Wayne boys finish second at districts

By Kevin Peterson
Of the Herald

The Wayne boys' cross country team began preparing for the district cross country meet about 52 weeks ago when they were upset at the 1997 district meet, placing fourth with only the top three teams qualifying for the state meet.

Preparation paid off as the Blue Devils placed runner-up at last Thursday's district meet at Logan View with 42 points.

Elkhorn Mt. Michael was untouched as they finished with 22 points. Pierce also qualified for the state meet with a third place finish and 59 points.

Wisner-Pilger placed fourth with 94 points followed by Arlington with 98 and Columbus Scotus at 102.

North Bend tallied 103 points and Norfolk Catholic, 125 while Logan View netted 163.

"Mt. Michael showed how tough they are," Wayne coach Rocky Ruhl said. "We ran a great race but I think we can run better."

It looks like state will be a match-up of Mt. Michael and Wahoo Neumann. We hope we can slip by one or both," Ruhl added. "It will be a challenge and I think our guys are ready. If we run as a team, I think we can challenge them both."

Brian Hochstein paced the Blue Devils, much like he has all season with a fourth place effort of 17:32.

Brent Tietz placed 10th in 17:46 and Brandon Gunn was 12th in 17:52.

Jeff Ensz finished 16th in 18:12 and Devin Bethune, 19th in 18:30 while Nick Muir placed 23rd in 19:06.

The Wayne girls did not fare as well as their state tournament string was snapped by placing fifth with 78 points.

Arlington was crowned team champs with 34 points followed by Pierce with 40 and Logan View with 44. North Bend was fourth with 51 points.

Scotus placed behind Wayne with 80 points and Wisner-Pilger was seventh with 132 while Norfolk Catholic finished eighth with 137 points.

"We knew the girls race would be tough," Ruhl said. "There were

seven teams who had been ranked at one time during the year in this district."

Ruhl said his squad ran hard but it just wasn't quite enough. "We accomplished the goal of beating Scotus and qualifying at least one person," Ruhl said. "Lilly Broders had a good race and we hope she can compete hard and go for a medal on Friday at State."

Broders placed eighth, individually, with the top 10 qualifiers earning a trip to State.

Broders time was clocked in 16:40 while Emily Kinney was 18th in 17:31 and Sarah Holstedt, 22nd in 17:43 while Sarah Sperry was 30th in 18:23.

Tara Hart placed 31st in 18:28 and Jeanne Allemann, 32nd in 18:36.

L-C gridders fall to rated Creighton

The Laurel-Concord football team dropped a 35-20 decision to Creighton last Friday night in Laurel, leaving Tom Luxford's team with a 1-6 record.

The Bears fell behind 20-0 before Evan Smith connected with Tyler Kvols on a 72-yard scoring strike in the second quarter.

Matt Lawyer sprinted 28 yards to paydirt early in the third quarter to pull Laurel to within six points at 20-14 but Creighton responded with a third quarter score on a 21-yard run. The Bears closed the gap to 28-20 when Wyatt Erwin rambled four yards.

Creighton scored once in the fourth quarter for the final margin of victory.

Lawyer led the Bears with 90 yards rushing while Erwin ran for 29 yards. Bears quarterbacks Evan Smith and Wyatt Erwin combined for 103 yards passing with Tyler Kvols, Nick Manganaro, Adam Hartung and Matt Schroeder each catching one ball.

Jeremiah Moore led the defensive charge with 11 tackles with Jon Erwin netting nine. Chris Lackas and Tyler Kvols had eight each and Zach Harder, seven.

"We played hard enough to win," Luxford said. "Creighton has a good team but we held them in check. You can't win many ball games by fumbling inside your 10-yard line and in the endzone. We just dug our selves a big hole early but we showed lots of determination."

Luxford said it was his team's best outing of the season.

The Bears will close out the season on Friday when they travel to play Homer.

Wayne State spikers win three matches at Rollins, Fla., invite

Wayne State freshman Lindsey Koch serves the ball during the Wildcats volleyball match with Dordt, recently. The 'Cats went on a win streak that stretched to four matches with the win over Dordt and three wins in Florida.

Sharon Vanis' Wayne State Wildcats volleyball team won the Rollins College Fall Bash last weekend in Winter Park, Florida.

The 'Cats went 3-0 and improved their season mark to 10-15 with wins over Drury College, Clarion and Rollins.

In the first match WSC defeated Drury, 15-3, 15-9, 15-10. Lindsey Koch paced the winners with 10 kill spikes while Jessie Pontow had nine and Renee Fuhr, five.

Melanie Kershaw had 29 set assists while Carrie Fink notched two service aces.

Fuhr paced the defense with 16 digs while Kershaw had 14 and Pontow, 11. Koch also had double digits in digs with 10. Pontow had four blocks to pace the defense at the net.

WSC defeated Clarion, 15-8, 15-17, 15-6, 15-12. Pontow had 22 kill spikes to lead the winners while Fuhr had 12 and Koch, 11. Jodie Larsen notched 10 kill spikes as the 'Cats notched 73 kills in the match.

Kershaw finished with 62 set assists while the digs leader was Kershaw and Fuhr with 20 each. Amy Johnson had 16 digs while Kershaw and Pontow had 15 each. Carrie Fink was also in double figures in digs with 10.

Jodie Larsen netted five blocks to lead the defense at the net with Pontow and Brenda Blausey notching four blocks each.

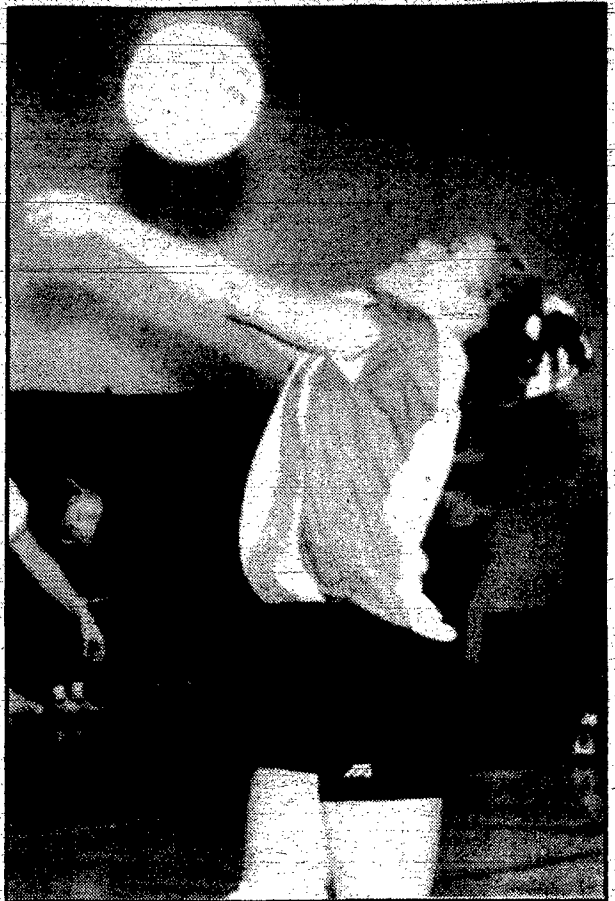

WSC defeated Rollins, 10-15, 16-14, 15-5, 15-6 in the final match of the tournament.

Lindsey Koch led the winners with 17 kill spikes while Jessie Pontow had 14 and Renee Fuhr, nine.

Melanie Kershaw netted 45 set assists with Pontow recording two service aces for team tops.

The defense was led by Koch's 24 digs while Kershaw had 19 and Fuhr, 14. Pontow and Amy Johnson had 11 digs each. Pontow and Larsen finished with five blocks at the net.

The 'Cats will host Morningside on Tuesday in Rice Auditorium at 7:30 p.m.

Winside setter Shannon Bowers bumps the ball over the net during the Wildcats match with Allen last Thursday at home. Winside won the match in three games.

Winside defeats Allen volleyball team in three

Winside and Allen's volleyball teams clashed fast Thursday in Winside with the host team coming out on top of a 15-7, 4-15, 15-6 decision.

Julie Jacobsen paced the winners with eight kill spikes and five ace serves while Jessica Wade had seven kill spikes and four ace blocks on defense.

Jacobsen led the setting crew with nine assists while Shannon Bowers had six. Sara Mohr netted four ace blocks and three kill spikes with Brooke Boelter netting three service aces and 12 digs on defense.

Crystal Jensen notched 13 digs and Shannon Jaeger had three ace blocks and five kill spikes.

Stacy Magwire was 12-12 in serv-

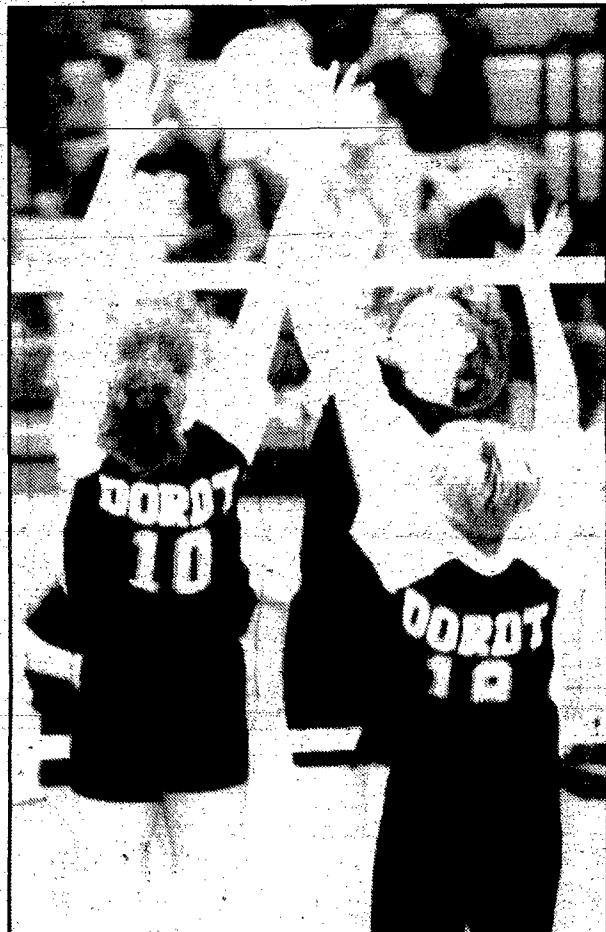

ing with five aces and Bowers was 5-5 with two aces.

"Aggressive serving and defense really carried us all night," Winside coach Lisa Schroeder said. "We did a great job in the third game, especially shutting Allen down at the net."

Schroeder credited the play of Allen's Stacey Martinson and labeled her as one of the best front line players her team has faced.

Martinson paced the Eagles with four kill spikes, four ace blocks and 11 total points while Teresa Marks had three service aces.

Michelle Marks had four kill spikes and finished with five points while Shannon Koester netted three ace spikes.

Renee Fuhr spikes the ball through a pair of Dordt defenders during action last week in Wayne. WSC will host Morningside in volleyball action on Tuesday.

Herrick boots WSC to 1-0 win

Sarah Herrick scored a "golden goal" 20 seconds into overtime to lift Wayne State to a 1-0 victory over Jamestown College last Friday afternoon in the Northern State Tournament.

The 'Cats improved to 5-3 with the win with wins in four of the last five matches.

WSC had possession of the ball to start overtime and struck quickly. Melissa Malishewski fed Carissa Garcia, who passed ahead to Herrick. After taking a couple dribbles, Herrick scored the game-winner. It was the 11th goal of the year for Herrick, a freshman from Elkhorn.

The 'Cats also received a strong performance from goalkeeper Melissa Abernathy, who made 18 saves. Jamestown outshot WSC by a 34-15 margin.

"I was very pleased with our effort against Jamestown," WSC coach Justin Cole said. "They are a very tal-

ented and athletic team that would have handled us fairly easily earlier in the season."

Cole called the Jamestown victory the highlight of the season to date.

The 'Cats placed runner-up at the Northern State tournament because they were shutout by the host team in the championship game, 1-0.

"That was a tough loss because it was a hardfought match," Cole said. "They (Northern State) are a very good team. We'll get one more shot at them in our season finale on the 29th at home."

Cole said Northern State is a member of the Northern Sun Conference so the match-up between the 'Cats and the Wolves could develop into a great rivalry.

The play of Sarah Herrick, Sara Zimmer and Mindy Privett earned the trio a spot on the all-tournament team.

WSC will play at Marquette State on Saturday.

Allen volleyball standout Stacey Martinson returns a Winside serve during action last week in Winside. The Allen junior has paced the Eagles in their success this season.

Laurel-Concord runners Micah Hansen and Brad Owen sprint down the final runway to the finish line at districts.

Bears runners earn runner-up honors

The Laurel-Concord girls and boys cross-country teams made school history at the district cross-country meet last Thursday as they both qualified for the state meet to be held in Kearney this Friday at noon.

John Jonas' boys team finished runner-up to Crofton with 49 points—just six points behind the champs. Plainview also qualified for the state meet with 61 points.

Laurel senior Michael Stone placed eighth, individually, in 18:54 while Justin Haahr was 16th in 19:25. Micah Hansen placed 21st in 19:47 with Brad Owen crossing the finish line in 22nd place in 19:47.

Jesse Jelinek was timed in 22:46 and Adam Donner in 22:50.

The Laurel-Concord girls finished with 44 points to place behind team champs, Winside with 19. Bloomfield also qualified for state with 50 points.

Tosha Hartley paced the Bears in ninth place with a 17:36 clocking while Sara Stark was 12th in 17:51. Amber Haahr was 13th in 17:54 and Rachel Potosynak, 27th in 18:53. Amanda Anderson placed 30th in 18:56 and Crystal Viterna finished in 19:51.

Winside places in Hartington

The Winside volleyball team placed third at the Hartington Tournament last Saturday and Lisa Schroeder's team evened their season record at 9-9 in the process.

Winside downed Emerson-Hubbard in the first round, 15-1, 15-7 as Julie Jacobsen tallied six kill spikes to lead the way while Crystal Jensen had five.

Shannon Bowers netted eight set assists with Jacobsen finishing with six while Jessica Wade had four ace blocks to lead the defense.

Brooke Boelter was 16-16 in serving with three aces and Stacy Magwire was 9-9 while Jensen finished with six digs.

Winside fell to Bancroft-Rosalie in the second round, 15-8, 14-16, 9-15.

Julie Jacobsen slammed 13 kill spikes and notched five ace serves and 10 set assists for the Wildcats while Shannon Bowers recorded 15 set assists.

Brooke Boelter was 17-18 in serving with three aces and she finished with 10 digs on defense with Crystal Jensen netting 12 digs.

Jessica Wade tallied five ace blocks and was 17-18 in serving with four aces while Shannon Jaeger had five kill spikes. Sara Mohr recorded a career-high nine kill spikes and three ace blocks.

Winside defeated Hartington for third place honors, 9-15, 15-11, 15-2. Jacobsen was the team leader in attacks with 13 kills with Jessica Wade notching eight.

Bowers finished with 15 set assists with Jacobsen adding 10. Jacobsen also was the team leader in serving with four aces while Brooke Boelter had two.

Crystal Jensen was 17-19 in serve receiving for team tops and Wade netted four ace blocks.

"This was probably the best volleyball we've played, especially defensively," Schroeder said. "We were ahead of Bancroft, 14-8 in the second game and just didn't put them away."

Winside gridders win in Homer to improve to 4-3 on the season

Randy Geier's Winside football team started a freshman at quarterback in last Friday's game at Homer because Adam Hoffman's senior brother Aaron was sidelined due to a broken collar bone suffered the week before against Ponca.

The younger Hoffman performed admirably in the Wildcats' 18-14 win over Homer which improved Winside's season record to 4-3.

Unfortunately, for the second straight week a player was lost for the season due to a broken bone.

Steve Rabe, a co-captain for the Wildcats suffered a broken lower leg.

"I feel very bad for him," Geier said. "He has a great attitude and was one of the leading receivers in the conference. We will miss him."

Homer scored first in the game on a four-yard run by Jayme Gabel and the host team held an 8-6 lead after one quarter of play. Eric Vanosdall plunged over from a yard out for the Wildcats but the point-after attempt was no good.

Homer went up 14-6 on a six-yard run by Andy Schmoldt but Winside bounced back with a 35-yard pass from Hoffman to Steve Rabe. Winside trailed 14-12 at the half.

The Wildcats did all of the second half scoring as Hoffman sprinted to paydirt from 12 yards out in the third quarter.

"Our defense played very well," Geier said. "Our offensive line had a good game as well. Ryan Krueger ran real hard and of course, Adam did an excellent job in his first start at quarterback."

Krueger rambled for 133 yards while Hoffman was 2-5 for 60 yards with Steve Rabe catching both passes.

Defensively, Winside was led by Zeke Brummeis with 14 tackles while Scott Marotz had 11 and Levi Trautman, nine. Justin Bargstadt and Ryan Krueger each had eight.

Rabe finished with two interceptions and had two fumble recoveries before leaving the game with his broken leg.

Winside unofficially faces a must-win situation at Randolph Friday if the Wildcats hope to qualify for the state playoffs.

Wayne football team is upset by Tekamah, 25-22

The Wayne football team tallied 400-plus yards against Tekamah-Herman last Friday night and the host Tigers managed just 247 but it was Wayne who came up short on the score-board, falling by a 25-22 margin.

The loss pushed Wayne out of the top 32 in the Class C-1 football playoff points with its 4-3 record.

Wayne scored first on a 75-yard pass from Klinton Keller to Dustin Schmeits and Josh Murtaugh booted the point after.

Tekamah answered with a 19-yard score to tie the game and the visitors went ahead 10-7 on a 26-yard field goal in the second stanza.

Wayne, however, led 14-10 at the break as John Magnuson caught a 71-yard pass from Keller and Murtaugh again booted the point after.

Tekamah scored on a 16-yard run in the third quarter to take a 17-14 lead but once again Wayne answered with a six-yard run by Josh Murtaugh who also scored on the two-point run for a 22-17 Wayne lead.

Wayne appeared to be in position to win the game as they had possession of the ball but the Blue Devils suffered a fumble which was returned for a touchdown by Tekamah for the eventual game winner.

"I was pleased with the effort of the kids but it was a tough loss to take because we out-yarded Tekamah, 401-247," coach John Murtaugh said. "We just need to eliminate mistakes and I strongly believe that we can compete with any team in the state."

Murtaugh singled the play of Ryan Haase on defense as well as Klinton Keller, Josh Murtaugh, John Magnuson and Dustin Schmeits on offense.

Joel Munson was held under 100 rushing yards for the first time this season with 97 yards on 18 carries. Mosh Murtaugh ran for a season-high 85 yards.

Keller was 8-16 for 232 yards and two touchdowns. John Magnuson had three receptions for 83 yards with Dustin Schmeits catching two balls for 83 yards. Gabe Hammer, Josh Murtaugh and Joel Munson each had one reception.

Ryan Haase paced the defense with seven tackles while Robbie Sturm, Casey Junck, Ryan Dunklau and John Magnuson had five tackles each.

Wayne had six turnovers in the contest compared to zero by Tekamah.

The Blue Devils will play at Pierce on Thursday night in the regular season finale.

Tuesday Night Sports Action

Wakefield spikers win triangular

Marty Slaughter's Wakefield volleyball team snapped out of a mini-slump by winning their own triangular with Coleridge and Emerson-Hubbard, Tuesday in Wakefield. The Trojans downed the Pirates of E-H, 15-6, 13-15, 15-6 as Kristin Eaton and Maggie Brownell each pounded out eight kill spikes for team honors. Eaton was also 16-19 in serving with two aces and Lisa Potter was 8-8. Potter dished out 21 set assists with Kristin Brudigam notching 14.

The defense was led by Eaton's six blocks and Annie Greve with four. "We did a nice job getting balls dug and putting together some type of offensive attack," Slaughter said. "We really stepped up our play in the third game."

Wakefield needed three to get past Coleridge as well, 9-15, 15-4, 15-9. Brownell led the team with 10 kill spikes with Annie Greve and Jen Carson each netting five. Brownell was 12-14 in serving with one ace and Lisa Potter, 6-7. Potter was the leader in setting with 19 assists with Brudigam netting 10 and Kristin Eaton paced the defense with three blocks while Jen Carson had two.

Bears volleyball team falls to Spencer

Patti Cunningham's Laurel-Concord volleyball team was defeated by Spencer-Naper in volleyball action in Laurel Tuesday, 15-12, 7-15; 1-15. Laurie Schroeder smashed 14 kill spikes to lead the Bears with Kristin Hank recording 11 kill spikes while Lani Recob had eight.

Schroeder was also the leader in serving at 13-14 with two aces while Brittany Burns was 9-10 with two aces and Kristin Hank, 10-12 with two aces. Kari Stewart was 9-9 in serving with one ace and she was 69-69 in setting with 18 assists.

Defensively, Laurel was led by Schroeder with six blocks while Hank and Burns had four each. Stewart was the digs leader with nine while Schroeder had seven and Hank, five. "As in prior matches we continue to be the more aggressive team but unforced errors continue to be detrimental to team play," Cunningham said. "We need to stay focused and eliminate unforced errors in order to do well in the coming tournaments."

Laurel-Concord will play Elkhorn Valley in the first round of the NENAC Conference Tournament.

Sports Briefs

Laurel ladies defeat Neligh in volleyball

LAUREL—The Laurel-Concord volleyball team improved to 8-7 with a 15-1, 17-15 win over Neligh-Oakdale, recently. Kristin Hank paced the winners with nine kill spikes while Brittany Burns had six and Laurie Schroeder, five. Hank was also the team leader in serving with five aces with Kari Stewart notching three service aces and Burns, two.

Stewart was 39-39 in setting with 18 assists while Schroeder had three ace blocks to lead the defense. Stewart finished with a team high eight digs. "We did a nice job of taking advantage of free balls," coach Patti Cunningham said. "We also served aggressively throughout the match."

Laurel trailed Neligh by a 14-10 margin in the second game before rallying to win, 17-15. The Bears JV team won, 15-6, 15-11 to improve to 9-1 while the "C" team won, 15-4, 15-7 and improved to 9-2.

WSC athletes earn Player of Week honors

WAYNE—Wayne State football player Jesse Wavrunek and Wildcat volleyball standout Jessie Pontow were named the Nebraska NCAA-Division II Players of the Week for their performances last week.

Wavrunek, a 5-11, 241-pound senior linebacker from Verdigr, recorded three solo tackles and eight assisted tackles for 11 total tackles in WSC's 26-7 victory over Moorhead State. He also had three tackles for losses of five yards. His 11 tackles marked the fourth time this season he reached double digits in tackles.

Pontow, a 5-10 senior right side hitter from Hastings, Iowa, led WSC to a perfect 4-0 week against Dordt College, Drury College, Clarion and Rollins College.

Pontow recorded 20 kills and 13 digs in WSC's 3-2 win over Dordt. Against Drury College, Pontow had nine kills and 11 digs in a 3-0 win. Against Clarion, Pontow had an impressive 22 kills and .422 hitting percentage to go along with 15 digs in WSC's 3-1 win. She finished the week by recording 14 kills and 11 digs in WSC's 3-1 win over Rollins.

For the week, Pontow averaged 4.1 kills, 3.1 digs and 1.3 blocks per game. She also had a .327 hitting percentage, posting 65 kills in 165 attacks with just 11 attack errors.

VOTE X

WILLIS L. WISEMAN MD
City Council 4th Ward

I believe the citizens of Wayne need to be much better informed about issues brought before the City Council.

I believe the city administrator as well as the City Council members have an obligation to make sure the voters have available in-depth information presented in a timely manner before any issues are brought to a Council vote.

I would appreciate your vote!!!

Pneumonia Vaccines

The Center for Disease Control is urging people to get the pneumonia vaccine. Pneumonia is still the leading cause of death from an infectious disease in the U.S. The vaccine protects against 23 strains of the most common causes of bacterial pneumonia. The CDC recommends everyone age 65 and older, anyone with a chronic illness, and those working in high-risk environments like nursing homes get the vaccine once every five to ten years.

Baptism

Dean Lee Fleer

Dean Lee Fleer, son of David and Llavonne Fleer of Pierce, was baptized at Zion Lutheran Church in Pierce on Oct. 11. Pastor Bruce officiated.

Sponsors were Carol Nebarez, Mary Laaker and Robin and Jane Fleer.

Grandparents are Walter and Arlene Fleer and Olive Laaker.

A dinner was held after the service. Guests included Mary, Sarah and Amanda Laaker of Omaha; Tim, Rhonda, Stephanie and Ben Schuckman of Broken Bow; Olive Laaker and Ernie and Carol Nebarez of Sidney; Dean Hecker of Peetz, Colo.; John and Cheryl Witzel of Pleasant Dale; Bernie, Carol and Joanie of Pierce; Robin, Jane, Beck, Lindy, Steven and Ginger Fleer, Walt and Arlene Fleer, and Mark, Lois, Amy and Michael Fleer, all of Hoskins; and Pastor Bruce, Angie, Sarah and Matthew Bruce of Pierce.

Auxiliary has October meeting

The Llewellyn B. Whitmore VFW Auxiliary #5291 met in the Neva Lorenzen home on Oct. 12.

President Glennadine Barker conducted the meeting with 11 members present.

General Orders #2 were read and filed. Excerpts from the Department President Connie Leeback's letter, The Merlin, were read. It included the Department of Nebraska membership (16 districts) with a membership total of 44,739 in 1997-98.

A list of hospital program needs included disposable razors in the nursing department, twin size light weight quilts which need to be made of material that will withstand hot water washings.

Also needed are small size bars of soap (preferably anti-bacterial brands) and absorbent rags to be used in the ceramic department.

Other needs include VCR tapes (Westerns, war, action and comedy), sweat pants (XL and XXL), clothing protectors, three-pound cans of coffee, and center pieces for the dining room tables (they need 16 small and 10 large to accommodate both buildings).

Other items needed at the

Norfolk include television sets, air splints, mobiles (needed for source of eye stimulation those bed ridden and stroke victims) three piece mattress sets, also weather alerts, instruments to measure blood pressure and de-humidifiers.

Verna Kohler, the Norfolk is the Norfolk Veterans home representative.

The group received a thank you from the national home for the Campbell soup labels and from the Norfolk Veterans Home for the supper served to veterans on Sept. 28.

Gilbert and Dennis Dangberg sent a thank you for the group's memorial for Dorothy Dangberg and a verbal thank you was received from Eveline Thompson for the birthday cards, get well cards and phone calls while she was hospitalized.

Eveline Thompson reported that cancer pins are available for \$2 each.

Verna Mae Longe reported on sending cards to Eveline Thompson who had been hospitalized and a memorial was sent to the Dangberg family in memory of

Dorothy Dangberg. Dorothy was a Gold Star member.

The membership report showed that there are 41 paid up members.

Leona Kluge, Safety chairman, reminded the group of Fire Safety Week. She asked members to check furnaces, chimneys and fire alarms. She also encouraged practicing an escape route from the home in case of a fire.

Unfinished business included a report on the Veterans' supper in Norfolk. Those in attendance included Fauniel Hoffman, Elaine Draghu, Neva Lorenzen, Amy Lindsay, Verna Mae Longe, Betty Lessman, Glennadine Barker and Chris Bargholz. Music was furnished by Ray Peterson.

The District Convention was to be held Oct. 18 at Creighton. Eveline Thompson and Neva Lorenzen were to attend.

The new Podium Edition of the Ladies Auxiliary bylaws and ritual was given to the officers.

The meeting closed with closing ceremonies and will re-open on Monday, Nov. 9. Francis Doring and Fauniel Hoffman served lunch.

Engagements

Stuttman-Jensen

Arthur and Lillian Brummond have announced the engagement of their daughter Virgine to Roland Jensen. Both are natives of Pilger and graduates of Pilger High School.

The wedding will take place on Dec. 12, 1998 at The Oaks in Wayne. The brides' parents will also celebrate their 70th wedding anniversary on that date. In addition to the brides' parents, the wedding will be attended by the couple's children, grandchildren, brothers, sisters and their spouses.

The couple will live in Wayne until the home they are building in Pilger is completed.

A reception for family and friends is planned for the spring or summer of 1999.

Senior Center

Calendar

Friday: Veal birds, spinach w/ sauce, pineapple & mandarin oranges, w/w bread, vanilla pudding.

Aurich presides at meeting

The Klick and Klatter Club met at the home of Pauline Lutt on Oct. 13 with six members present.

Dorothy Aurich presided at the meeting. She read an article by Joan Burney entitled, "It Doesn't Hurt Anyone to Be Nice." Roll call was answered by "I wish manufacturers would."

The singing of America was led by Irene Victor.

The proposed Amendments 413 and 414 were discussed by citizenship leader Dorothy Aurich. Joyce Niemann read an article about the new MRI machine at St. Luke's Hospital in Sioux City.

The hostess gift was presented to Dorothy Aurich.

The Un game was directed by Joyce Niemann.

Marcella Larson will be the hostess of the Nov. 10 meeting at her home.

New Arrivals

BURT — Rex and Mary Burt of Lincoln have adopted two children, Dustin Tyler, 4, and his sister, Rachel Taylor, 3. They are welcomed by a sister, Angel Marie, 3. Grandparents are John and Helen Luschen of Wayne, Ron and Kris Burt of Lincoln and Sally Johnston of Lincoln. Great-grandmother is Hazel Buckendorf of Lincoln.

Mary Brogren

Brogren will celebrate 90th

Mary (Henzler) Brogren of Winside will be honored for her 90th birthday.

An open house is planned for Sunday, Oct. 25 from 2-4 p.m. at the American Legion Hall in Winside. Mrs. Brogren was born Oct. 21, 1908.

The event will be hosted by her children.

The honoree requests no gifts.

Five members at DAVA

Unit #28 of the Wayne County Disabled American Veterans Auxiliary met on Oct. 13 at the home of Neva Lorenzen.

Commander Eveline Thompson presided with five members present. Acting Chaplain Verna Mae Longe gave the opening prayer which was followed by the Pledge of Allegiance to the flag.

Irma Baier and Eveline Thompson had been hospitalized since the last meeting.

A thank you was read from the Norfolk Veterans Home for helping

with the annual supper on Sept. 28 for residents of the Home.

A report on the bingo party at the Norfolk Veterans Home on Sept. 21 was given by Eveline Thompson. She shared her birthday cake for lunch following bingo at the Home.

A report was also heard of the supper on Sept. 28 at the Norfolk Veterans Home. DAVA members helped serve and furnish food. Attending were Neva Lorenzen and Verna Mae Longe.

There was no new business. Verna Mae Longe gave the closing prayer.

The next meeting will be on Nov. 10 at 8 p.m. at the home of Neva Lorenzen.

Irma Baier served lunch following the meeting.

OCTOBER IS PHYSICAL THERAPY MONTH

DRIVING

- Adjust the headrest in your car so it is centered at the back of your head and as far forward as possible. This position will be most effective in preventing neck injuries during an accident.
- Position the seat in your car in an upright position instead of in a reclined position.
- Use good posture while driving and while sitting in traffic.

- Use the time at stop lights to stretch your neck or roll your shoulders to loosen up tight neck muscles, but be sure to keep your eyes on the traffic!
- Take breaks every 45-60 minutes when on a car trip. This will not only keep you more alert, but getting out and walking around will loosen up your joints and you will arrive at your final destination feeling better.

The Wayne Herald

Special music to be presented at Wayne State

The public is invited to attend three services filled with dynamic, contemporary Christian music.

"Frontline", a group of college-aged students from Evangel College in Springfield, Mo., will be appearing at Wayne State College in the Nebraska Room at WSC on Thursday, Oct. 22 at 7 p.m. There is no admission fee and the public is welcome to attend.

"One Accord," a group of college-age students from North Central University in Minneapolis, Minn., will be appearing at Praxe Assembly of God Church, 901 Circle Drive in Wayne on Saturday, Oct. 24. The concert begins at 6 p.m. and the public is invited to attend. Seating is limited and those attending are asked to arrive by 5:45 p.m. and there is no admission charge.

On Sunday, Oct. 25, starting at 10 a.m., Worship Service at Praxe Assembly of God, One Accord, will be ministering in song again. The guest speaker for this service will be Richard (Dick) Dungen of Norfolk. He is the founder of Rejoice Ministry International and is involved in missions to Hungary, Romania, Russia and China. Dick has ministered in many area churches. The public is invited to attend this special service.

For more information regarding these concert events, call Rev. Mark Steinbach at 375-3430 or 375-3103.

Immanuel ladies meet in October

Immanuel Lutheran Ladies Aid of rural Wakefield met at the church on Oct. 15 at 2 p.m. Devotions opened with the hymn, "I Am Trusting Thee, Lord Jesus" followed with prayer.

Pastor Brian Handrich led the Bible Study on Women of the Word with emphasis on Ruth. Nita Schuttler welcomed guest Donna Jacobsen and conducted the business meeting with 11 members and Pastor Brian present.

A bill was allowed and a thank you from Mrs. Lloyd-Roeber was read.

The visiting committee report was given by Dorothy Meyer and Beverly Ruwe gave a report for Eleanor Rauss.

Fall Church cleaning was set for Oct. 26-27 at 1 p.m. A report of the LWML Fall Rally held at Immanuel in Laurel was given.

The Aid will be visiting the Wayne Care Centre on Nov. 16 at 2:30 p.m. Committees for November are: Serving: Neva Echtenkamp and Nita Schuttler, Visiting: Mrs. M. de Roeber and Nita Schuttler, Cleaning and Communionware: Alta Meyer, Bonnie Nelson, Donna Jacobsen, and Rhonda Hank.

The meeting closed with the Lord's Prayer and the table prayer. Hostesses were Beverly Ruwe and Brenda Handrich.

Carriers recognized

Wayne Herald paper carriers were treated to a pizza party on Saturday. Each of the carriers present also received a prize for his or her efforts. Those attending included front row, left to right, Emilie Osten and Katie Osten. Back row, Josh Sok, Brian Mizner, Nick Costa and Jerad Marsten. Not pictured, Sara Stauffer.

CHICKEN AND BISCUIT DINNER

The Methodist Church is sponsoring a Chicken and Biscuit Dinner on Saturday, Oct. 24 from 5-7:30 p.m.

This year it is at the Allen Firehall. Along with the dinner there is a bake sale and they will be raffling off a quilt and a baby quilt.

The proceeds will go to the general fund. Everyone is invited to attend.

SINGSPARATION

The First Lutheran Church in Allen is having a SINGSPARATION concert on Sunday, Oct. 25.

The concert is to begin at 7 p.m. and the choir will be doing some of their own selections along with a few numbers suggested by the audience.

Free will donation will be accepted for the purchase of new church hymnals.

Refreshments will be served following the concert. The public is invited to attend.

JUNIOR VARSITY GAME ADDED

The junior varsity football team will play Northeast Lutheran on Monday, Oct. 26 at 4 p.m. The game is to be held at Memorial Field in Norfolk, around 1st and Pavlov Streets.

This game was not previously scheduled.

CHRISTMAS WREATHS

The Student Council will be selling Christmas wreaths and swags through the end of the month. There are different sizes and prices.

If interested, there are several students going around town selling them and if you are not contacted, please contact the school and ask for a Student Council member. They are raising money for a new lighting system for dances.

HALLOWEEN PARTY

The Community Halloween Party will be held on Saturday, Oct. 31 from 10 to 11 at the Allen Firehall. It

is for infants through the third grade.

The kids are to dress in their costumes and will parade up the street (weather permitting) through the Senior Citizen Center. The party is given by the Allen Community and the Allen Daycare.

HUNTERS BREAKFAST

The VFW Post 5435 of Martinsburg announces its Annual Hunters Breakfast on Saturday, Oct. 31 from 6 to noon, and on Sunday, Nov. 1 from 7 a.m. to 1 p.m.

They will be serving pancakes, hashbrowns, eggs, ham, sausage, french toast, coffee, juice, and a fruit cup.

The cost is \$3.50 for adults, \$2.50 for children under 12, and children under five are free. They will also be providing hunters with a ham sandwich and coffee to go for \$1.50.

DISTRICT DAIRY JUDGING

On Oct. 14-16, members of the Allen FFA attended District Dairy Judging at the Stanek Dairy Farm near Walthill. Five schools participated in the event.

There were two senior teams and two junior teams. Members of the first senior team received fourth place. They were (along with their individual placings) George Cooper (second), Jeremiah Stehlow (blue), Austen Stewart (blue), and Jessica Bock (red).

FREE COFFEE AT SENIOR CENTER

On Saturday, Oct. 24 there will be free coffee and rolls from 8-10:30 a.m. at the Senior Citizens Center by the Allen Legion Auxiliary.

Saturday is "Make a Difference Day."

COMMUNITY EVENTS

Friday, Oct. 23: Football Parent's Night vs. Beemer, 7:30 p.m.

Saturday, Oct. 24: Standard time begins (turn clock back one hour)

Sunday, Oct. 25: SINGSPARATION at 7 p.m. at First Lutheran Church

Methodist women meet

The Wayne United Methodist Women met Oct. 14. President Hallie Sherry called the business meeting to order with prayer and devotions.

Twenty-five members and one guest, Darlene Dolph, were present. Thank you notes were read from Amy Lindsay, Beverly Etter, Darlene Dolph, Lynn Sievers, Pauline Merchant, Bonnie Marburger and from the Omaha United Methodist Community Center. A letter from Rev. Kelly Karges was read telling of the Nebraska Justice Center, its work and needs.

The Wayne UMW was honored with a Seven Star Ribbon for Mission and a Certificate of Recognition at the UMW District meeting at West Point on Sept. 19. World Community Day will be held Friday, Nov. 6 at 1:30 p.m. at St. Mary's Catholic Church. The local UMW Officers Update will be held on Saturday, Nov. 7 at

Osmond from 1-4 p.m.

The program was presented by Doris Stipp, which was a Pledge Service. She was assisted by Maxine Robins, Mary Wax, Donna Shuffelt and Connie Webber. Receiving corsages for missions in honor of their birthdays were Donna Shuffelt, Hallie Sherry and Norma Ehlers. Hallie Sherry presented gift pins to Hollis Frese, Beth Morris, Dottie Wacker and Connie Webber.

Prayer concerns were for Verda Rees, Warren Summers, Dola Hussman, Pearl Benjamin, Lora Carollo, Beulah Atkins, Sue Wett, Lila and Lloyd Brown and Dot Park.

Luncheon hostesses were Monday Claybaugh, Dorothy Brandstetter and Kay Kemp.

The next meeting will be Wednesday, Nov. 1 with a catered noon luncheon and installation of 1999 officers.

Diane Rappe
Rappe graduates

Diane (Schreiner) Rappe was one of 22 students to graduate with a degree in Medical Technology from the University of Minnesota at Minneapolis, Minn.

Mrs. Rappe graduated with distinction as part of the 76th class to complete the program.

Those in attendance at the graduation ceremony on Sept. 26 included her family, Tom, Erin and Jacob of Richfield, Minn., and her parents, Eldon and Evelyn Herbolsheimer of Pierce.

She is now completing her internship at the Veterans Administration Hospital in Minneapolis and has spent time at the Mayo Clinic in Rochester, Minn. She also works weekends at the hospital in Richfield.

Diane attended Winside Public School from kindergarten through 11th grade. She is the daughter of the late Edgar Schreiner.

Her address is Diane Rappe, 7110 Knox Ave. So., Richfield, Minn. 55423.

Carroll Methodist women gather

Carroll United Methodist Women members gathered for a short meeting on Oct. 14. President Margaret Kenny presided.

Ten members answered roll call and DiAnn Kenny gave the treasurers report.

Anna Johnson sent Kevin Davis and Mable Jansen get well cards.

Old business included Margaret Kenny reporting on the District Meeting and Joyce Sandahl assembling a quilt top and setting the date of Oct. 22 to meet at her home to help tie it. The quilt will be raffled off this fall. Also, there were 64 ladies at the September Birthday Party.

New business included discussion on meeting on Saturday at 9 a.m. at the church to plan the Nov. 1 Roast Beef Dinner. Also, the November regular meeting date has been changed to Nov. 18 at noon for pot luck dinner. Mary Davis will be hostess.

The group adjourned to the Wayne Care Centre with pumpkin pies for an afternoon of song and fellowship. Margaret Kenny gave the welcome and read "October Bright Blue Weather." Ruth Kerstine accompanied the singing.

Monday, Oct. 26: A.L.M. Committee meets at 7:30 p.m. at Wakefield; JHV here vs. Wakefield, 3 p.m.; JYFB at 4 p.m. at Northeast Lutheran in Norfolk.

Tuesday, Oct. 27: Lewis and Clark Conference Volleyball at Wakefield.

Wednesday, Oct. 28: Kids Club at Methodist Church; County Day at

Ponca; Senior Center-Blood Pressure; Senior Center-ladies group, Methodist Serendipity Group, 7 p.m.

Friday, Oct. 30: Halloween K-6 Parade at School.

Saturday, Oct. 31: Community Halloween Party at Firehall at 10-11 a.m.

Lucky subscribers

Wayne Mayor Sheryl Lindau, right, recently drew the names of winners in the Wayne Herald Grocery Give-Away. Names drawn for \$100 worth of groceries were Terry Karel of Wayne and Mrs. Roy Davis of Winside. With Mayor Lindau is Dawn Johnson, circulation manager at the Wayne Herald.

Ladies meet in church social room

St. Paul Lutheran Ladies Aid and L.W.M.L. of Carroll met Oct. 14 in the church social room. Seven members responded to roll call.

A memorial will be sent to the Lutheran Home in Omaha in memory of Helen Fark, a former member.

Twenty packets were assembled for Haven House.

Edith Cook, Nancy Junck and Ivy Junck attended the Fall Rally sponsored by the Immanuel Lutheran L.W.M.L. of Laurel. "Prayer While You Wait" was the topic for Christian Growth.

Viola Junck was the hostess. Donna Leicy will be the November hostess.

Area musicians will play at worship celebration

Our Savior Lutheran Church in Wayne will celebrate the Reformation of the Church in worship on the weekend of Oct. 24 and 25.

As part of the worship celebration, A Touch of Brass will play at the Sunday morning worship services. A Touch of Brass is an outstanding group of area musicians.

Lutheran churches trace their roots directly to the Protestant Reformation that took place in Europe in the 16th century.

Martin Luther, a German monk, became aware of differences between the Bible and church practices of the day. His writings, lectures and sermons inspired others to protest church practices and call for reform. This led to what is called the Reformation of the Church.

"Of all that we celebrate on

Reformation Sunday the most important is Luther's constant insistence that we must always stand firm on the foundation of our faith, which is Jesus Christ and Him alone," said Martin Russell, Senior Pastor of Our Savior Lutheran Church.

"On this special weekend, we invite members of the community to join with us in worship as we celebrate the faith we share with all Christians, our faith in Jesus Christ, who is Lord of the Church," added Pastor Russell.

Weekend worship services at Our Savior are held on Saturday evenings at 6 p.m. and Sunday mornings at 8 and 10:30 a.m.

For more information, contact the church office at 375-2899. Our Savior is located at the corner of 5th and Pearl Streets in Wayne.

Church to celebrate

Independent Faith Baptist Church at 208 East Fourth Street in Wayne will be observing its 25th anniversary on Sunday, Oct. 25.

The church's first service was held in April of 1973. The first pastor was Eldon Schuler, currently pastoring in Oskaloosa, Kan.

The present church building and property were purchased in 1979.

Bernard Maxson was pastor for over 22 years and is now pastoring

in Arcadia.

The present pastor is Ron Lamm.

Services are planned from 10 a.m. to 3 p.m. on Sunday. Speakers will be Pastors Bernard Maxson of Ord, Ron Lamm and Burton Brush of Rapid City, S.D.

A pot luck dinner will be held and afternoon service begin at 1 p.m.

The public is invited to attend these events.

Prepare your car now for winter road conditions

If vehicle owners haven't already done so, now is the time to prepare for winter-driving hazards. These things should be checked:

- Check the radiator to be sure anti-freeze is adequate for cold temperatures. It is smart to have the radiator flushed every other year to avoid rusting and clogging.
- Inspect belts and hoses for signs of wear. Replace as necessary.
- A fall motor tuneup can help prevent winter problems.
- Make sure that snow-tires or all-weather tires have adequate tread. Check all tires, including the spare, for proper tire inflation.
- Check out the battery. Inspect terminals and cables, to move any corrosion and tighten connections.
- Have the brakes checked for wear. Add brake fluid if needed.

Parking brakes also should be inspected.

- Make sure the headlights are properly adjusted.

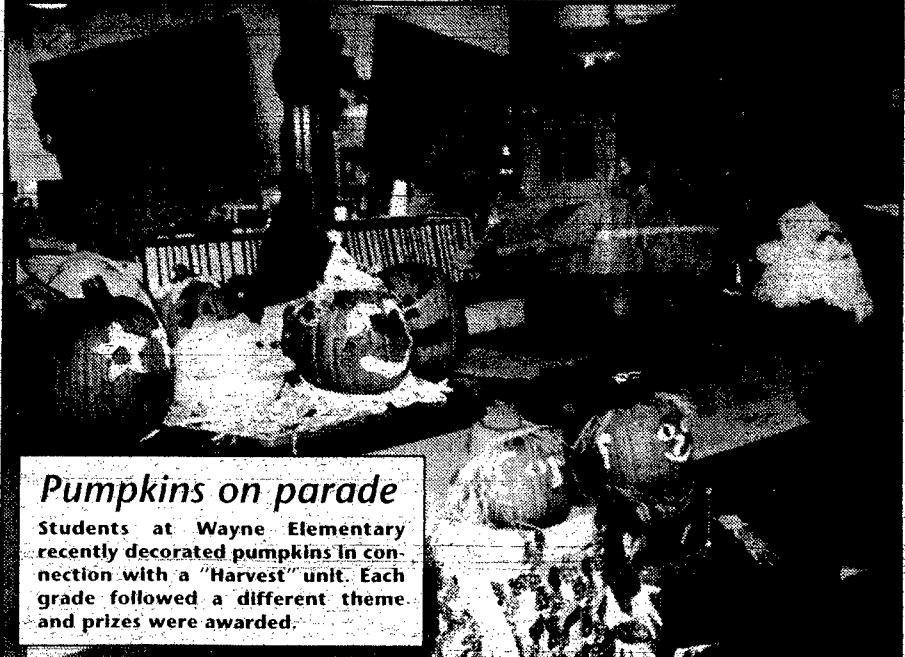

Planning Can Minimize Winter Driving Risks.

Every winter, some motorists find themselves stranded in a bank of snow. This could be a potential life-or-death situation but proper preparations can help.

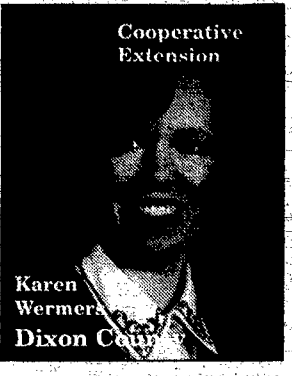

- Check out the highway patrol for weather and road conditions before starting. Keep the car radio tuned for weather information and advice. Stop at rest areas, which often have audio or video weather information available.
- Carry a bag of sand or cat litter in the trunk, to increase traction in the snow. Other important emergency items are a first-aid kit, blankets, flashlight, shovel, booster cable, flares or triangular warning reflectors, work gloves and a large sheet of plastic (for protection against the wind). Also carry high-energy foods and extra cold-weather clothing.
- Travel by daylight and use major highways if possible.
- Make sure someone knows where you are going, your approximate schedule and your estimated time of arrival.
- Drive with all possible caution. Allow for extra driving time by starting early. Don't try to save time by driving faster than road and weather conditions permit.

- If the vehicle becomes stuck in the snow, clear a path, use a higher gear so wheels spin less and try rocking the vehicle. Use sand, cat litter, road salt or traction mats in front of spinning wheels. Put passengers in the backseat of rear-wheel drive vehicles for extra traction. Avoid spinning the wheels because the tires will dig in deeper and turn snow to ice. Once the vehicle is free, keep up momentum with a light foot on the accelerator. Try to avoid stopping.
- Roads are narrower with snow piled-up on both sides, especially on rural roads. If it is too narrow for, two, pull over to let an oncoming car through. Don't pull over far enough to get stuck.
- When skidding, ease off the gas and let the engine slow down the vehicle. Don't use the brake until steering is under control. Never jam the brakes; pump the pedal instead. If your vehicle is equipped with ABS (automatic braking system), maintain full pressure on the brake pedal.
- An extra blanket and a thermos of hot liquid is helpful if the vehicle becomes stranded. Carry a bright orange or red cloth to tie on the vehicle antenna.
- While waiting for help, run the engine only 10 minutes out of every hour. When the engine is running, open the window slightly and make sure the exhaust is clear of snow and blockage.
- At night, use the dome light to make the vehicle more visible to road crews. Exercise while sitting - clap hands, stamp feet, swing arms - to keep blood circulating.
- Make turns keeping watch, if more than one person is in the car, don't all sleep at the same time.
- Always start every trip with a full tank of gasoline and make sure the fuel tank always has enough gas to reach your destination. Refuel when the car has three-quarters to one-half a tank of fuel left.

State officers attend Eagles meeting

The Oct. 19 meeting of the Wayne Eagles Auxiliary was called to order by Madam President Barb Heier.

Special guests at the meeting were Madam State President Janice Thomas, State Auxiliary Mother Fran - Rushlau, State President's Project Betty Wilke and accompanying them was Rachael Thomas, mother of the State President.

The Eagles State Fund Raising Project for this year is collecting pennies for the Lied Transplant Center, University of Nebraska Medical Center in Omaha.

Every Aerie and Auxiliary in Nebraska is asked to collect pennies. The diameter of one penny is .34 inch so there are 16 pennies in one foot. There are 5,280 feet in a mile, so this equals 84,480 pennies equaling \$844.80. Ten miles of pennies equals \$8,448, the goal is to raise 38 miles of pennies.

The Lied Transplant Center is destined to become an international research medical facility for transplant patients from all over the

United States, Canada, and other nations of the world.

Research will involve work toward advancements in developing transplant techniques and post-transplant treatment of patients to prevent rejection of transplanted organs, and of course, actual transplantation of organs to patients in need of a healthy heart, lung, liver, kidney, pancreas, bone marrow, and all other transplantable organs.

During the 1998-99 Eagle year, fund-raising will be for two purposes: 1) Provision of furnishings, toys, games, video equipment, computer equipment, computer games, and other items needed for a children's playroom at the Center. This room will serve child patients, as well as visitors of patients, at the Transplant Center.

2) Provision of teaching dolls, in various stages of complexity, to be used by the medical staff when explaining to patients and family the procedures that are going to be performed during transplant treatment.

The Center is planning on opening the first part of November this year. Anyone wishing to donate to this fund, please contact any Eagle member or stop by the club at 119 Main Street, or call for further information at 375-9956.

Upcoming events at the Club include: Saturday, Oct. 24; a Potluck supper at 7 p.m. (Please bring one meat dish and one other dish)

Saturday, Oct. 31 and Sunday, Nov. 1, 4:30-10 a.m. - Hunters Breakfast (people are needed to help work these early hours; if you can help please sign up at the club)

Saturday, Nov. 7: Auxiliary will participate in the Craft Show at the Auditorium by having a Bake Sale (please bring two baked items for this)

Saturday, Nov. 7: Steak Fry from 6 to 9 p.m. (anyone wishing to make a salad for this please do)

Serving lunch this week was Sheryl Doring; serving of the next meeting on Nov. 2 will be Babs Middleton.

4-H'ers do well at State Fair

A number of 4-H'ers from Dixon County participated in various ways at the 1998 Nebraska State Fair.

Kylie Bearnes of Laurel received Reserve Grand Champion in the Sheep Lead. Kylie chose a red wool jacket with a white tuxedo shirt and bow tie to wear with black wool pants. Sheep Lead contestants are judged on a combination of general appearance, selection and fit of outfit, leading ability and the overall effect of the 4-H'er and the lamb.

Those receiving ribbons included:

Meagan Adkins, Laurel — Purple, Market Beef, Crossbred steers and market heifers.

Beau Bearnes, Laurel — Purple, Breeding Ewes, Commercial Meat Ewes, Lamb, Blue, Market Lamb, ewe, Market Lamb, wether and horticulture, purple coneflower.

Carol Ann Bearnes, Laurel — Purple, Heritage, Beginning Level 1, framed family photos.

Heather Bearnes, Laurel — Purple, Child Development, Babysitting kit and horticulture, white potatoes.

Kylie Bearnes, Laurel — Purple, Reserve Grand Champion Sheep Lead, Breeding Ewes, Commercial Meat Ewes, Lamb, Blue, Market Lamb, Ewe

and Market Lamb, Wether, Shopping in Style, Purchased garment, food preservation, one dried fruit, fruit leather, Red, food preservation, dried herbs.

Elizabeth Bock, Allen — Red, Market Beef, Crossbred steers.

Jessica Bock, Allen — Blue, Market Beef, Market heifers.

Katie Bose, Dixon — Blue, Decorate Duds, original design.

Shandi Bries, Concord — Purple, Child Development, toy made for toddler, home environment, wind chime and heirloom treasure article, You Design It Beginning self-determined.

Lark Cunningham, Laurel — Purple, Design Decisions, three-dimensional surface access Blue, Design Decisions, fabric-covered furniture, Red, More Baking is Fun, specialty bread.

Toni Cunningham, Laurel — Blue, Meaty, quick bread loaf, White, Wood Science, item made with power tools.

Kathryn Dahlquist, Laurel — Purple, Decorate Duds, original design.

Diana Dredker, Allen — Red, Baking is Fun, cookie.

Matthew Erwin, Allen — Purple, Food preservation, three dried fruit leather.

Tiffany Erwin, Dixon — Purple, Market Beef, crossbred steers.

Alisa Gregerson, Allen — Red, Good Cooking, oatmeal cookie.

Aaron Hansen, Laurel — Blue, Market Beef, crossbred steers, Red, Photography, Unit 2, exhibit print.

Amber Hanson, Concord — Blue, Food preservation, jelled fruit, jar.

food preservation, jelled fruit, 3 jars. Red, Heirloom treasures, furniture, You're the Chef, invented snack.

Anthony Hansen, Concord — Red, Rocketry, multi-stage rocket, gliders, wood science, items made with large power tools.

Chris Hansen, Laurel — Purple, Market Lamb, wether (3), Blue, Market beef, crossbred steers, veterinary science, veterinary science display.

Elly Harder, Concord — Purple, Home Environment, Celebrate Arts, paper, Blue, Foodworks, International Food, Exhibit, Red, Foodworks, Interview a Caterer.

Kate Harder, Concord — Purple, You're the Chef, bread sticks, Blue, You're the Chef, banana bread, Red, Shopping in Style, Purchase garment.

Jared Hartman, Laurel — Blue, Breeding beef, Limousin, yearling, Jan./Feb., Breeding beef, shorthorn, yearling, Mar./Apr.

Rebecca Hoelsing, Laurel — Purple, Clothing, simple top or simple bottom.

Kari Huetig, Concord — Purple, Clothing, dress, skirt/jumper & blouse.

Kelli Huetig, Concord — Purple, Clothing, fiber, crocheting, middle unit, Blue, Challenging fabrics, dress, jumper/skirt.

Brielle Koch, Laurel — Purple, Foods, Six Easy Bites, muffins, Blue, Rocketry, single stage up to 15 inches.

Kristen Koch, Laurel — Purple, Clothing, pants/shorts, top, jogging.

Melissa Mann, Concord — Blue, Fashion Revue, challenge dress, jumper/blouse.

Jeremy Marbringer, Concord — Blue, Photography, Advanced, United 3, Exhibit print, Red, Photography, Advanced Unit 3, framing & leading line.

Cody Miller, Allen — White, Wood Science, item made with power tools.

Nicholas Miller, Allen — Blue, Dairy goat, junior showmanship, dairy goat, recorded grade, 5/8 months, dairy goat, recorded grade, 1/2 year non-milk, Red, Dairy goat, recorded grade, 2/3 year milk, dairy goat, recorded grade, mother/daughter.

Kelli Rastode, Allen — Blue, Photography, Intermediate, Unit 2, Pattern & texture, Home environment, building blocks, needlepoint item, Foods, Six Easy Bites, Brownie Cents, Red, Safety, Fire Education Poster.

Lami Recob, Laurel — Purple, Child Development, Babysitting Kit, Blue, Shopping in Style, purchased garment, Red, Foodworks, Nutritious food made with child.

Maggi Recob, Laurel — Purple, Decorate Duds, original design, Homes for Wildlife, houses, Blue, Clothing, Recycled garment, Shopping in Style, purchased garment.

Daniel Simpson, Wakefield — Purple, Photography, Unit 2, 4-H's, Blue, Rocketry, multi-stage rocket/gliders.

Kari Steward, Dixon — Red, Market beef, shorthorn-steers.

Brittany Thompson, Laurel — Red, Safety, First Aid Kit.

Dixon County — Purple, Dairy Goat Herdsmanship, Blue, Sheep Herdsmanship, white, Beef Herdsmanship and Dairy Herdsmanship.

Kylie Bearnes received recognition in the Sheep-Lead Contest at the Nebraska State Fair.

Reading chases blues away

It's been an absolutely beautiful walking week: jeans and sweatshirt, no insects, wind down by 5 p.m., and fall colors. I'd like to keep this weather until Christmas.

Combines have been working overtime, and the yields are good, which certainly doesn't help the price.

I have a tape of the PBS special, "The Farmer's Wife," but haven't watched it yet. First of all, I don't have time, and secondly, I'm afraid it will be too painful. Maybe this winter, during a snow storm, I admire this couple though; I could not have done it.

Sometime after the publication of the list of 100 best movies, there came a list of the 100 best books of this century. I am an avid reader, but I have to confess I had not read many of them. I'm afraid Waco High's literature consisted of Silas Marner and A Midsummer Night's Dream. When I did read Hemingway, or Wolfe, or Fitzgerald, or Steinbeck, I didn't have the advantage of a teacher or study guide. Though I knew the name James Joyce, I certainly had not read Ulysses, the number one selection.

Since then, there have been other book lists. The Christian Reader

picked 10 all-time best Christian books, "Parade Magazine" has 10 chosen by Daniel Boorstin, former librarian of Congress. He likes My Antonia (Cather) and Sinclair Lewis' Main Street, among the usual choices. I've had to face it, I'm not intellectual enough.

Michener made none of the lists, except for Tales of the South Pacific. His The Source interested me pro-

foundly, and I just hope I live long enough to read Texas and Hawaii.

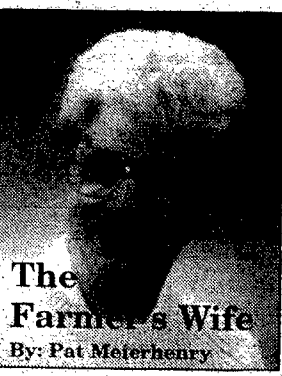

I also enjoyed Arthur Hailey's Airport and Wheels. Our whole family loved James Herriot's veterinary tales. Sue read the Little House in the Prairie books five times. And I've gone on before about A Lantern in Her Hand by Bess Streeter Aldrich.

I was glad to see nothing by Stephen King, Sidney Sheldon, or Danielle Steel made any lists. But maybe Tom Clancy or John Grisham might have. Apparently, best sellers don't necessarily prove literary merit.

I haven't read much fiction the past 10 years. I did enjoy The Notebook last month. My friend in Orlando sent it, it's quick reading, sweet and sentimental, and I see it's on the World Herald's list. Now I'm smiling at Over-What Hill? by an 86-year-old resident of an assisted living center.

The Chicken Soup for the Soul books have been good collections. I guess you could say I choose my books the way I choose the few movies I see, to be entertained or uplifted. And they need to end well; I get enough real life stuff that doesn't have happy endings.

For that matter, I can always reread Bombeck or Cosby for fun and relaxation. There really is no accounting for taste, is there?

foundly, and I just hope I live long enough to read Texas and Hawaii. I also enjoyed Arthur Hailey's Airport and Wheels. Our whole fami-

4-H News

HI-RATERS 4-H CLUB

The Hi-Raters 4-H Club met Oct. 11 at Columbus Federal Savings.

The meeting was called to order by President Karissa Dorcey. The club elected new officers.

They include: Karissa Dorcey, President; Jack Dorcey, Vice President; Derrick Dorcey, Secretary; Kelsey Clark, Treasurer and Brett Dorcey, News Reporter.

The club inducted three new members, Jessie Barck, Brett Dorcey and Derrick Dorcey. The club discussed the new

handbook and projects.

The next meeting will be Sunday, Nov. 8 at 5:30 p.m. at Columbus Federal Savings Bank.

Brett Dorcey, News Reporter

COUNTRY CLASSICS 4-H CLUB

The Country Classics 4-H Club met Sept. 27 at St. Mary's Catholic Church.

Members turned in record books and learned about the recent consumer science test results.

The club then elected officers for the 1998-99 year. Election results are: Tamara Schardt,

President; Casey Daehnke, Vice President; Beth Loberg, Secretary; Amber Nelson, News Reporter; Hailey Daehnke, Treasurer; Ashley Loberg, Historian; Sandra Miller, Flags.

Building Your Records were then reviewed and a meeting time was scheduled to decorate the window at Legends for National 4-H Week (Oct. 4-10).

The meeting closed with a pizza party.

The next meeting will be held Sunday, Nov. 15.

Amber Nelson, News Reporter

LIVESTOCK MARKET REPORT

The Norfolk Livestock Market fat cattle sale on Friday saw a run of 540. Prices were \$2 to \$3 higher on steers and heifers. Cows and bulls were also \$2 to \$3 higher.

Strictly choice fed steers were \$60 to \$63. Good and choice steers were \$59 to \$62. Medium and good steers were \$58 to \$59. Standard steers were \$50 to \$56. Strictly choice fed heifers were \$60 to \$62. Good and choice heifers were \$59 to \$60. Medium and good heifers were \$58 to \$59. Standard heifers were \$50 to \$55. Beef cows were \$32 to \$36. Utility cows were \$32 to \$36. Canners and cutters were \$27 to \$37; bologna bully were \$35 to \$42.

Stocker and feeder sale was held Thursday with 691 head sold. Prices were higher.

Good and choice steer calves were \$75 to \$80. Choice and prime lightweight calves were \$80 to \$90. Good and choice yearling steers were \$63 to \$72. Choice and prime lightweight yearling steers were \$74 to \$78. Good and choice heifer calves were \$65 to \$70. Choice and prime lightweight heifer calves were \$70 to \$80. Good and choice yearling heifers were \$60 to \$67.

There were 202 fed cattle sold at the Norfolk Livestock Market

Tuesday.

Good to choice steers, \$58 to \$59.50. Good to choice heifers, \$58 to \$59.50. Medium and good steers and heifers, \$56 to \$58. Standard, \$50 to \$56. Good cows, \$30 to \$36.

Butcher hog head count at the Norfolk Livestock Market on

Tuesday totaled 451. Butchers

were 25¢ lower and sows were \$1 higher.

U.S. 1's + 2's 220 to 260 lbs., \$26.50 to \$27.05; 2's + 3's 220 to 260 lbs., \$26 to \$26.50; 2's + 3's 260 to 280 lbs., \$25 to \$26; 2's + 3's, 280 to 300 lbs., \$22 to \$25; 3's + 4's 300 lbs., \$20 to \$22.

YOUR PHONE SERVICE IS YOUR LIFELINE. DON'T LET AT&T STRANGLE IT.

Here are the facts. Access fees for long distance service are paid by long distance companies who use the lines of your local phone company. Those fees help your phone company provide the reliable service you expect at a reasonable monthly rate. Major changes in access fees will mean higher monthly phone bills. Don't be fooled by AT&T's misleading claims. Don't let them threaten your phone service.

VOTE NO on 414.

Legal Notices

The Wayne Herald

LEGAL NOTICE OF MEASURES TO BE VOTED UPON ON NOVEMBER 3, 1998

BALLOT TITLES AND TEXT OF CONSTITUTIONAL AMENDMENTS AND STATUTORY INITIATIVES

PROPOSED BY THE NINETY-FIFTH LEGISLATURE AND BY INITIATIVE PETITION

Also included are Statements of Explanation in Italics Prepared by the Executive Board of the Legislature Council and by the Attorney General

PROPOSED BY THE 1997 LEGISLATURE PROPOSED AMENDMENT NO. 1

A vote FOR this proposal will amend section 2, Article I (the Bill of Rights), by adding to the due process-of-law clause, an equal protection clause providing that no person shall be denied the equal protection of the laws.

A vote AGAINST this proposal will not add an equal protection of the laws clause to section 3 of Article I.

A constitutional amendment to provide that no person shall be denied the equal protection of the laws.

For
 Against

TEXT OF PROPOSED CONSTITUTIONAL AMENDMENT

THE MEMBERS OF THE NINETY-FIFTH LEGISLATURE OF NEBRASKA, FIRST SESSION, RESOLVE THAT

Section 1. At the general election in November 1998 the following proposed amendment to the Constitution of Nebraska shall be submitted to the electors of the State of Nebraska for approval or rejection.

To amend Article I, section 3, 1-3 "No person shall be deprived of life, liberty, or property, without due process of law, nor be denied equal protection of the laws."

PROPOSED BY THE 1998 LEGISLATURE PROPOSED AMENDMENT NO. 2, PARTS A, B, C, & D

PROPOSED AMENDMENT NO. 2, PART A

A vote FOR this proposal will amend section 1 of Article VIII (the Revenue Article) to provide that the revenue from motor vehicles taxed in each county shall be allocated only to such county and the cities, villages and school districts therein.

A vote AGAINST this proposal will serve to retain the present system of allocating this revenue to said counties, townships, cities, villages, school districts, and the other governmental subdivisions in the proportion that the tax levy of each bears to the total county levy on taxable property.

A constitutional amendment to change a restriction on allocation of proceeds from motor vehicle taxes.

For
 Against

PROPOSED AMENDMENT NO. 2, PART B

A vote FOR this proposal will amend section 18 of Article XV (the Miscellaneous Provisions Article) by adding a new section allowing the Legislature by law to provide for the merger or consolidation of counties or other local government, or reversal of such merger or consolidation, which legislation shall provide that no such merger or consolidation or reversal of such merger or consolidation of municipalities or counties shall occur unless a majority of the people voting in each municipality or county affected shall approve.

A vote AGAINST this proposal will not place in the constitution the merger or consolidation provision outlined above.

A constitutional amendment to authorize legislation relating to mergers and consolidations by local governments.

For
 Against

PROPOSED AMENDMENT NO. 2, PART C

A vote FOR this proposal will amend section 2 of Article VIII (the Revenue Article) by providing that the property of the state and its governmental subdivisions shall remain exempt from taxation to the extent it is used for authorized public purposes; to the extent this property is not used for such purposes, the Legislature may classify it, exempt such classes, or authorize some or all of it subject to property taxes or in lieu of property tax payments, except as provided by law.

A vote AGAINST this proposal will retain the present provisions whereby all property of the state and its governmental subdivisions constitute a separate class of property exempt from all taxation.

A constitutional amendment to provide that property of the state

and its governmental subdivisions is exempt from taxation to the extent such property is used for public purposes and to authorize classification and taxation of property not used for authorized public purposes.

For
 Against

PROPOSED AMENDMENT NO. 2, PART D

A vote FOR this proposal will amend five separate Articles III, VIII, IX, XI, XVII by removing all constitutional provisions relating to townships, and repeal section 5 of Article IX requiring the Legislature to provide by general law for township organization.

A vote AGAINST this proposal will keep in the constitution all provisions relating to townships and town, and would retain section 5 of Article IX requiring the Legislature to provide by general law for township organization.

A constitutional amendment to repeal and eliminate provisions dealing with township organization and towns.

For
 Against

TEXT OF PROPOSED CONSTITUTIONAL AMENDMENT

THE MEMBERS OF THE NINETY-FIFTH LEGISLATURE OF NEBRASKA, SECOND SESSION, RESOLVE THAT

Section 1. At the general election in November 1998 the following proposed amendment to the Constitution of Nebraska shall be submitted to the electors of the State of Nebraska for approval or rejection.

To amend Article VIII, section 1, VIII-1 "The necessary revenue of the state and its governmental subdivisions shall be raised by taxation in such manner as the Legislature may direct. Notwithstanding Article 4, section 16, Article III, section 18, or Article VIII, section 4, of this Constitution or any other provision of this Constitution to the contrary: (1) Taxes shall be levied by valuation uniformly and proportionately upon all real property and franchises as defined by the Legislature except as otherwise provided in or permitted by this Constitution; (2) tangible personal property, as defined by the Legislature,

not exempted by this Constitution or by legislation, shall all be taxed at a depreciated cost using the same depreciation method with reasonable class lives, as determined by the Legislature, or shall all be taxed by valuation uniformly and proportionately; (3) the Legislature may provide for a different method of taxing motor vehicles and may also establish a separate class of motor vehicles consisting of those owned and held for resale by motor vehicle dealers which shall be taxed in the manner and to the extent provided by the Legislature; and may also establish a separate class for trucks, trailers, semitrailers, truck tractors, or combinations thereof, consisting of those owned by residents and nonresidents of this state, and operating in interstate commerce, and may provide reciprocal and proportionate taxation of such vehicles. **THEY; PROVIDED, that such tax proceeds from motor vehicles taxed in each county shall be allocated to the counties, townships, county and the cities, villages, and school districts, and other governmental subdivisions of such county, in the same proportion that the levy of each bears to the total levy of the county on taxable property;** (4) the Legislature may provide that agricultural land and horticultural land, as defined by the Legislature, shall constitute a separate and distinct class of property for purposes of taxation and may provide for a different method of taxing agricultural land and horticultural land which results in values that are not uniform and proportionate with all other real property and franchises but which results in values that are uniform and proportionate upon all property within the class of agricultural land and horticultural land; (5) the Legislature may enact laws to provide that the value of land actively devoted to agricultural or horticultural use shall for property tax purposes be that value which such land has for agricultural or horticultural use without regard to any value which such land might have for other purposes or uses; (6) the Legislature may prescribe standards and methods for the determination of the value of real property at uniform and proportionate values; (7) in furtherance of the purposes for which such a law of the United States has been adopted, whenever there exists a law of the United States which is intended to protect a specifically designated type, use, user, or owner, of property or franchise from discriminatory state or local taxation, such property or franchise shall constitute a separate class of property or franchise under the laws of the State of Nebraska, and such property or franchise may not be taken into consideration in determining whether taxes are levied by valuation uniformly or proportionately upon any property or franchise, and the Legislature may enact laws which statutorily recognize such class and which tax or exempt from taxation such class of property or franchise in such manner as it determines; and (8) the Legislature may provide that livestock shall constitute a separate and distinct class of property for purposes of taxation and may further provide for reciprocal and proportionate taxation of livestock located in this state for only part of a year. Each actual property tax rate levied for a governmental subdivision shall be the same for all classes of taxed property and franchises. Taxes uniform as to class of

property or the ownership or use thereof may be levied by valuation or otherwise upon classes of intangible property as the Legislature may determine, and such intangible property held in trust or otherwise for the purpose of funding pension, profit-sharing, or other employee-benefit plans as defined by the Legislature may be declared exempt from taxation. Taxes other than property taxes may be authorized by law. Existing revenue laws shall continue in effect until changed by the Legislature."

Sec. 2. At the general election in November 1998 the following proposed amendment to the Constitution of Nebraska shall be submitted to the electors of the State of Nebraska for approval or rejection.

To amend Article XV, section 18 XV-18-1 "The state or any local government may exercise any of its powers or perform any of its functions, including financing the same, jointly or in cooperation with any other governmental entity or entities, either within or without the state, except as the Legislature shall provide otherwise by law. (1) The Legislature may provide for the merger or consolidation of counties or other local governments. No merger or consolidation of municipalities or counties shall occur without the approval of a majority of the people voting in each municipality or county to be merged or consolidated as provided by law. If the proposal is a merger or consolidation of one or more municipalities with one or more counties, the vote shall be tabulated in each municipality in the county or counties separately from the areas of the county or counties outside the boundaries of the municipalities. If the merger or consolidation is not approved by a majority of voters voting in the election in a municipality proposed to be merged or consolidated or the areas of the county or counties outside the boundaries of such municipality or municipalities, the proposed merger or consolidation shall be deemed rejected. Any merger or consolidation of local governments may be initiated by petition as provided by law. Annexation shall not be considered a merger or consolidation for purposes of this section. If the Legislature provides for the merger or consolidation of one or more municipalities with one or more counties, the Legislature shall provide for the reversal of the merger or consolidation. No such reversal shall occur without voter approval. The vote shall be tabulated in each municipality which is proposed to be created by the reversal separately from the areas outside the boundaries of the proposed municipalities. If the reversal is not approved by a majority of voters voting in the election in the area within the boundaries of any proposed municipality or the areas outside the proposed municipalities, the reversal shall be deemed rejected."

Sec. 3. At the general election in November 1998 the following proposed amendment to the Constitution of Nebraska shall be submitted to the electors of the State of Nebraska for approval or rejection.

To amend Article VIII, section 2 VIII-2 "Notwithstanding Article I, section 16, Article III, section 18, or Article VIII, section 1 or 4, of this Constitution or any other provision of this Constitution to the contrary: (1) The property of the state and its governmental subdivisions shall constitute a separate class of property and shall be exempt from taxation to the extent such property is used by the state or governmental subdivision for public purposes authorized by the state or governmental subdivision by this Constitution or the Legislature. To the extent such property is not used for the authorized public purposes, the Legislature may classify such property, exempt such classes, and impose or authorize some or all of such property to be subject to property taxes or payments in lieu of property taxes except as provided by law. (2) The Legislature by general law may classify and exempt from taxation property owned by and used exclusively for agricultural and horticultural societies and property owned and used exclusively for educational, religious, charitable, or cemetery purposes, when such property is not owned or used for financial gain or profit to either the owner or user; (3) household goods and personal effects, as defined by law, may be exempted from taxation in whole or in part, as may be provided by general law; and the Legislature may prescribe a formula for the determination of value of household goods and personal effects; (4) the Legislature by general law may provide that the increased value of land by reason of shade or ornamental trees planted along the highway shall not be taken into account in the assessment of such land; (5) the Legislature, by general law and upon any terms, conditions, and restrictions it prescribes, may provide that the increased value of real property resulting from improvements designed primarily for energy conservation may be exempt from taxation; (6) the value of a home substantially contributed by the United States Department of Veterans Affairs for a paraplegic veteran or multiple amputee shall be exempt from taxation during the life of such veteran or until the death or remarriage of his or her surviving spouse; (7) the Legislature may exempt from an intangible property tax life insurance and life insurance annuity contracts and any payment connected therewith and any right to pension or retirement payments; (8) the Legislature may exempt inventory from taxation; (9) the Legislature may define and classify personal property in such manner as it sees fit, whether by type, use, user, or owner, and may exempt any such class or classes of property from taxation if such exemption is reasonable or may exempt all personal property from taxation; (10) no property shall be exempt from taxation except as permitted by or as provided in this Constitution; and (11) the Legislature may by general law provide that a portion of the value of any real estate actually occupied as a homestead

by any classification of owners as determined by the Legislature shall be exempt from taxation."

Sec. 4. At the general election in November 1998 the following proposed amendment to the Constitution of Nebraska shall be submitted to the electors of the State of Nebraska for approval or rejection.

To amend Article III, section 18, Article VIII, sections 1, 4, and 6, Article IX, section 4, Article XI, section 1, and Article XVII, section 4; and repeal Article IX, section 5;

III-18 "The Legislature shall not pass local or special laws in any of the following cases, that is to say:

For granting divorces

Changing the names of persons or places

Laying out, opening, altering, and working roads or highways

Vacating roads, town plats, streets, alleys, and public grounds

Locating or changing County seats

Regulating County and Township offices

Regulating the practice of Courts of Justice

Regulating the jurisdiction and duties of Justices of the Peace, Police Magistrates, and Constables

Providing for changes of venue in civil and criminal cases

Incorporating Cities, Towns and Villages, or changing or amending the charter of any Town, City, or Village

Providing for the election of Officers in Townships, Incorporated Towns or Cities

Summoning or empaneling Grand or Petit Jurors

Providing for the bonding of cities, towns, precincts, school districts, or other municipalities

Providing for the management of Public Schools

The opening and conducting of any election, or designating the place of voting

The sale or mortgage of real estate belonging to minors, or others under disability

The protection of game or fish

Chartering or licensing ferries; or toll bridges, remitting fines, penalties, or forfeitures; creating, increasing, and decreasing fees, percentage, or allowances of public officers, during the term for which said the officers are elected or appointed

Changing the law of descent

Granting to any corporation, association, or individual, the right to lay down railroad tracks, or amending existing charters for such purpose

Granting to any corporation, association, or individual any special or exclusive privileges, immunity, or franchise whatever, **PROVIDED, except that notwithstanding any other provisions of this Constitution, the Legislature shall have authority to separately define and classify loans and installment sales, to establish maximum rates within classifications of loans or installment sales which it establishes, and to regulate with respect thereto. In all other cases where a general law can be made applicable, no special law shall be enacted.**

VIII-1 "The necessary revenue of the state and its governmental subdivisions shall be raised by taxation in such manner as the Legislature may direct. Notwithstanding Article I, section 16, Article III, section 18, or Article VIII, section 4, of this Constitution or any other provision of this Constitution to the contrary: (1) Taxes shall be levied by valuation uniformly and proportionately upon all real property and franchises as defined by the Legislature except as otherwise provided in or permitted by this Constitution; (2) tangible personal property, as defined by the Legislature, not exempted by this Constitution or by legislation, shall all be taxed at a depreciated cost using the same depreciation method with reasonable class lives, as determined by the Legislature, or shall all be taxed by valuation uniformly and proportionately; (3) the Legislature may provide for a different method of taxing motor vehicles and may also establish a separate class of motor vehicles consisting of those owned and held for resale by motor vehicle dealers which shall be taxed in the manner and to the extent provided by the Legislature and may also establish a separate class for trucks, trailers, semitrailers, truck tractors, or combinations thereof, consisting of those owned by residents and nonresidents of this state, and operating in interstate commerce, and may provide reciprocal and proportionate taxation of such vehicles; **PROVIDED, that such tax proceeds from motor vehicles taxed in each county shall be allocated to the counties, townships, cities, villages, school districts, and other governmental subdivisions of such county in the same proportion that the levy of each bears to the total levy of the county on taxable property;** (4) the Legislature may provide that agricultural land and horticultural land, as defined by the Legislature, shall constitute a separate and distinct class of property for purposes of taxation and may provide for a different method of taxing agricultural land and horticultural land which results in values that are not uniform and proportionate with all other real property and franchises but which results in values that are uniform and proportionate upon all property within the class of agricultural land and horticultural land; (5) the Legislature may enact laws to provide that the value of land actively devoted to agricultural or horticultural use shall for property tax purposes be that value which such land has for agricultural or horticultural use without regard to any value which such land might have for other purposes or uses; (6) the Legislature may prescribe standards and methods for the determination of the value of real property at uniform and proportionate values; (7) in furtherance of the purposes for which such a law of the United States has been adopted, whenever there exists a law of the United States which is intended to protect a specifically designated type, use, user, or owner, of property or fran-

chise from discriminatory state or local taxation, such property or franchise shall constitute a separate class of property or franchise under the laws of the State of Nebraska, and such property or franchise may not be taken into consideration in determining whether taxes are levied by valuation uniformly or proportionately upon any property or franchise, and the Legislature may enact laws which statutorily recognize such class and which tax or exempt from taxation such class of property or franchise in such manner as it determines; and (8) the Legislature may provide that livestock shall constitute a separate and distinct class of property for purposes of taxation and may further provide for reciprocal and proportionate taxation of livestock located in this state for only part of a year. Each actual property tax rate levied for a governmental subdivision shall be the same for all classes of taxed property and franchises. Taxes uniform as to class of property or the ownership or use thereof may be levied by valuation or otherwise upon classes of intangible property as the Legislature may determine, and such intangible property held in trust or otherwise for the purpose of funding pension, profit-sharing, or other employee benefit plans as defined by the Legislature may be declared exempt from taxation. Taxes other than property taxes may be authorized by law. Existing revenue laws shall continue in effect until changed by the Legislature."

VIII-4 "Except as to tax and assessment charges against real property remaining delinquent and unpaid for a period of fifteen years or longer, the Legislature shall have no power to release or discharge any county, city, township, town, or district whatever, or the inhabitants thereof, or any corporation, or the property therein, from their or its proportionate share of taxes to be levied for state purposes, or die any municipal corporation, nor shall commutation for such taxes be authorized in any form whatever, **PROVIDED, except that the Legislature may provide by law for the payment or cancellation of taxes or assessments against real estate remaining unpaid against real estate owned or acquired by the state or its governmental subdivisions.**

VIII-6 "The Legislature may vest the corporate authorities of cities, towns and villages; with power to make local improvements, including facilities for providing off-street parking for vehicles, by special assessments or by special taxation of property benefited, and to determine and reallocate from time to time the benefits arising from the acquisition of such off-street parking facilities, and the Legislature may vest the corporate authorities of cities and villages with power to levy special assessments for the maintenance, repair, and reconstruction of such off-street parking facilities. For all other corporate purposes, all municipal corporations may be vested with authority to assess and collect taxes, but such taxes shall be uniform in respect to persons and property within the jurisdiction of the body imposing the same, except that cities and villages may be empowered by the Legislature to assess and collect separate and additional taxes within off-street parking districts created by and within any city or village on such terms as the Legislature may prescribe."

IX-4 "The Legislature shall provide by law for the election of such county and township officers as may be necessary and for the consolidation of county offices for two or more counties. **Each; PROVIDED, that each of the counties affected may disapprove such consolidation by a majority vote in each of such counties.**

XI-1 "No city, county, town, precinct, municipality, or other subdivision subdivision of the state; shall ever become a subscriber to the capital stock, or owner of such stock, or any portion or interest therein of any railroad, or private corporation, or association."

XVII-4 "The general election of this state shall be held on the Tuesday succeeding the first Monday of November in the year 1914 and every two years thereafter. All state, district, county, precinct, township and other officers, by the constitution or laws made elective by the people, except school district officers, and municipal officers in cities, and villages, and towns, shall be elected at a general election to be held as aforesaid. An incumbent of any office shall hold over until his or her successor is duly elected and qualified."

"Article IX, section 5, of the Constitution of Nebraska, is repealed."

PROPOSED BY THE 1998 LEGISLATURE PROPOSED AMENDMENT NO. 3, PARTS A & B

PROPOSED AMENDMENT NO. 3, PART A

A vote FOR this proposal will amend section 4 of Article V (the Judicial Article) to provide that the Chief Justice and the judges of the Supreme Court are not required to reside where the Supreme Court is located, but shall reside within the state, and that such judges' offices shall be at the place where the Supreme Court is located. Also, they will not lose their residence at the place from which selected.

A vote AGAINST this proposal will continue the present constitutional requirements that the Chief Justice and judges of the Supreme Court are required to reside where the Supreme Court is located and that they shall not be deemed thereby to have lost residence at the place from which selected.

A constitutional amendment to change residence and office requirements for the Chief Justice and Judges of the Supreme Court.

For
 Against

PROPOSED AMENDMENT NO. 3, PART B

A vote FOR this proposal will amend section 21 of Article V (the Judicial Article) to provide that when a vacancy occurs in the Supreme Court, the appellate court, or any other inferior court, it shall be filled by the Governor within 60 days through the judicial nominating commission device, and shall provide that the Chief Justice, each judge of the appellate court shall have their right to remain in office voted on by the electorate of the entire state.

A vote AGAINST this proposal will continue the present constitutional provisions that when a vacancy occurs in the Supreme Court, any district court, or any other court made subject to this provision by law, it shall be filled by the Governor within 60 days through the judicial nominating Commission device, and further that any judge of the Supreme Court other than the Chief Justice and any district judge shall be voted on for their right to remain in office by the electorate of the district from which chosen.

A constitutional amendment to provide for the retention of judges of the Supreme Court and Court of Appeals on a statewide basis.

TEXT OF PROPOSED CONSTITUTIONAL AMENDMENT

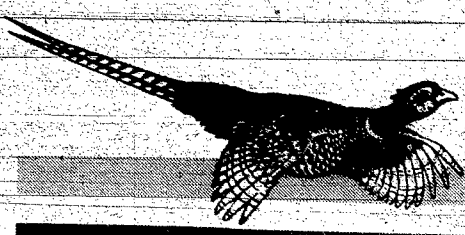

THE MEMBERS OF THE NINETY-FIFTH LEGISLATURE OF NEBRASKA, SECOND SESSION, RESOLVE THAT

Section 1. At the general election in November 1998 the following proposed amendment to the Constitution of Nebraska shall be submitted to the electors of the State of Nebraska for approval or rejection.

To amend Article V, section 4 V-4 "The Chief Justice and the Judges of the Supreme Court shall be selected as provided in this Article V. They shall may reside at the place where the court is located but shall reside within the state, and but no Chief Justice or Judge of the Supreme Court shall be deemed thereby to have lost his or her residence at the place from which he or she was selected. The offices of the Chief Justice and Judges of the Supreme Court shall be at the place where the court is located."

Sec. 2. At the general election in November 1998 the following proposed amendment to the Constitution of Nebraska shall be submitted to the electors of the State of Nebraska for approval or rejection.

To amend Article V, section 21 V-21 "(1) In the case of any vacancy in the Supreme Court, or in any district the appellate court, or in such other court or courts, made subject to this provision by law any other inferior court, such vacancy shall be filled by the Governor from a list of at least two nominees presented to him or her by the appropriate judicial nominating commission. If the Governor shall fail to make an appointment from the list within sixty days from the date it is presented to him or her, the appointment shall be made by the Chief Justice or the acting Chief Justice of the Supreme Court from the same list. (2) In all other cases, any vacancy shall be filled as provided by law. (3) At the next general election following the expiration of three years from the date of appointment of any judge under the provisions of subsection (1) of this section and every six years thereafter as long as such judge retains office, each Justice or Judge of the Supreme Court and each judge of the appellate court and any other inferior court or district court or such other court or courts as the Legislature shall provide shall have his or her right to remain in office subject to approval or rejection by the electorate in such manner as the Legislature shall provide; **PROVIDED, that every judge holding or elected to an office described in subsection (1) of this section on the effective date of this amendment whether by election or appointment, upon qualification shall be deemed to have been selected and to have once received the approval of the electorate as herein provided, and shall be required to submit his right to continue in office to the approval or rejection of the electorate at the general election next preceding the expiration of the term of office for which such judge was elected or appointed, and every six years thereafter. In the case of the Chief Justice and each Judge of the Supreme Court and each judge of the appellate court, the electorate of the entire state shall vote on the question of approval or rejection. In the case of any Judge of the Supreme Court, other than the Chief Justice, and any judge of the district court or any other court made subject to subsection (1) of this section, the electorate of the district from which such judge was selected shall vote on the question of such approval or rejection. (4) There shall be a judicial nominating commission for the Chief Justice of the Supreme Court, and one for each judicial district of the Supreme Court and one for each area or district served by any other court made subject to subsection (1) of this section by law. Each judicial nominating commission shall consist of nine members, one of whom shall be a Judge of the Supreme Court who shall be designated by the Governor and shall act as chairman, chairperson, but shall not be entitled to vote. The members of the bar of the state residing in the area from which the nominees are to be selected shall designate four of their number to serve as**

members of said the commission, and the Governor shall appoint four citizens, not admitted to practice law before the courts of the state, from among the residents of the same geographical area to serve as members of said the commission. Not more than four of such voting members shall be of the same political party. The terms of office for members of each judicial nominating commission shall be staggered and shall be fixed by the Legislature. The nominees of any such commission cannot include a member of such commission or any person who has served as a member of such commission within a period of two years immediately preceding his or her nomination or for such additional period as the Legislature shall provide. The names of candidates shall be released to the public prior to a public hearing.

PROPOSED CONSTITUTIONAL AMENDMENT

PROPOSED INITIATIVE MEASURE 413

A vote "FOR" will create a constitutional limit on government spending by limiting future tax revenue increases by the state and local governments, except under certain circumstances.

A vote "AGAINST" will not create such a constitutional limitation.

Shall the Nebraska Constitution be amended to limit government spending by limiting tax revenue increases by state and local governments? Tax revenue increases would be limited to the rate of inflation, population growth, costs of temporary emergencies, and new unfunded federal mandates. Voters may elect to exceed the limit. Property tax rates or sales and income tax rates would be reduced if projected local or state tax revenues exceed the increase permitted. Taxes above the limit would be returned through reduced tax rates. After five years, the Legislature, by three-fourths vote, and with the Governor's approval, may suspend the limit.

TEXT OF PROPOSED CONSTITUTIONAL AMENDMENT

ARTICLE XIX GOVERNMENT SPENDING LIMIT BY LIMITING TAXATION AND REVENUE

Section 1. LIMIT ON TAXES. This Article shall limit government spending by limiting the amount of tax revenue available for government to spend. Neither the State nor any local government shall enact, make, or allow any tax increase, except as permitted by this Article. The following definitions and provisions shall apply to this Article: (a) Tax increase means an increase in total tax revenue of the State or local government in excess of total tax revenue of the prior fiscal year of the State or such local government, whether due to legislative action or otherwise, and whether due to a change in tax levy, tax rate, growth in tax base, change in what constitutes the tax base, change in any element of a tax due or tax refund calculation, the enactment of a new tax, the expansion of an existing tax, or otherwise. Such determination shall be made based on the total of all tax revenue of the State or such local government and not the amount of any single type of tax revenue. (b) Tax revenue means the actual receipts of the State or local government (less overpayments actually refunded to taxpayers) from the imposition by the State or local government of any property, income, sales, use, franchise or excise tax, or other tax, levy, surcharge, toll, special assessment, or special tax, any government fee or charge (whether imposed directly or indirectly by the government), any payments in lieu of taxes, and any penalty, addition to tax, or interest, on or with respect to any of the foregoing. Tax revenue specifically excludes actual receipts from: federal grants, aid, revenue sharing, contracts and transfers, private grants, gifts and devises, research contracts, customer payments for public utility products and services; unemployment taxes, to the extent such taxes are paid out as unemployment benefits; investment and interest income and gains; student tuition, room, board and fees charged by public educational institutions for products and services rendered; rental and royalty income; payments for public hospital and health care products and services rendered; bond and loan proceeds; fund transfers; payments for public nursing home and extended care products and services rendered; sale of tangible property; litigation awards and settlements in nontax cases; sporting, entertainment, recreational and parks products, services and events; games of chance, lottery or gift enterprise; motor vehicle fuel taxes, motor vehicle registration fees, wheel taxes and motor vehicle license fees, to the extent such taxes and fees are used directly for construction, repairs or maintenance of public highways, streets or roads; aircraft fuel taxes and airport user fees, to the extent such taxes and fees are used for public airports; special assessments or special taxation of property benefited; to the extent imposed within the authority of Article VIII, section 6 of this Constitution or otherwise permitted by law; and taxes pledged or applied

to pay off indebtedness incurred pursuant to Article VIII, section 12 of this Constitution relating to standard or blighted property. State tax revenue distributed to local government is tax revenue of the State and of the recipient local government. (c) Tax base means the income, deductions, exclusions, property, property values, sales, receipts, use, services, persons, transactions, exemptions, events or other units or means of measurement to which the tax rate, tax levy, charge, surcharge or credits are applied, measured or calculated to determine tax liability; and (d) State means the State of Nebraska. Local government means any Nebraska government entity or governmental subdivision other than the State that receives or spends tax revenues. Governing body means, as to the State, the Legislature, and as to each local government, the body charged with adopting the spending budget for such local government.

Section 2. LIMIT ON TAX INCREASES.

The State or any local government may enact, make, or allow a tax increase for one or more of the following reasons: (a) it is approved by the registered voters of the State or such local government; (b) on account of population growth; (c) on account of inflation; (d) to pay for a temporary emergency; or (e) to pay for an unfunded federal mandate. The following definitions and provisions shall apply to this Article: (a) Approved by the registered voters means approved by over fifty percent of the registered voters voting on the tax increase proposal at any primary or general election, or at any special election called by the applicable governing body for such purpose, provided as to each type of election the votes cast in favor of such proposal are not less than thirty-five percent of the total votes cast at such election. Any tax increase proposal may be submitted to the registered voters at any primary, general or special election, only if such proposal is first approved by at least three-fifths of the members of the governing body proposing the tax increase and is otherwise approved in the manner in which legislation or an ordinance is enacted by such governing body. The tax increase proposal may be based on estimates and shall contain only the provisions necessary to enact, make or allow such tax increase and to designate the effective date or dates thereof, except a proposal to approve and fund bonds, warrants and other indebtedness relating to such tax increase may also be included if otherwise permitted by law; (b) Population growth means the cumulative increase after July 1, 1999, in the number of individuals residing in the State or applicable local government, as measured by the United States Department of Commerce, Bureau of the Census (or its successor as determined by the Legislature) data or reports, except that as to local school districts or any other public educational institution that is a local government, population growth shall be determined based on the change in number of full-time equivalent students. Annual changes in population growth may be estimated, and in such a case, the actual population growth and its effect on tax limit levels shall be corrected as provided in Section 3 of this Article. The rate of population change is the percentage change in total population. The rate of such tax increase on account of population growth for any fiscal year shall not exceed the rate of such cumulative population change of the State or such applicable local government occurring from July 1, 1999, to the end of the applicable fiscal year (reduced to the extent any previous population change was actually utilized as the grounds for a permitted tax increase under this Article); (c) Inflation means the cumulative increase after July 1, 1999, in consumer prices, as measured by the United States Department of Labor, Bureau of Labor Statistics Consumer Price Index - All Urban Consumers (or its successor as determined by the Legislature). Annual changes in inflation may be estimated, and in such a case, the actual inflation and its effect on tax limit levels shall be corrected as provided in Section 3 of this Article. The rate of inflation is the percentage change in such index. The rate of such tax increase on account of inflation for any fiscal year shall not exceed the rate of such cumulative inflation change occurring from July 1, 1999, to the end of the applicable fiscal year (reduced to the extent any previous inflation change was actually utilized as the grounds for a permitted tax increase under this Article); (d) Temporary emergency means a sudden, generally unexpected occurrence or set of circumstances occurring after July 1, 1999, that demands immediate action in order to protect the public health or safety of Nebraska residents, and it specifically excludes tax revenue shortfalls, economic changes, court or commission orders, and compensation increases to government employees. A temporary emergency exists only if the applicable governing body declares by a vote of at least three-fifths of its members that such an emergency exists and that such body has not previously reserved or budgeted for such an emergency. A temporary emergency declaration expires after three months, but may be renewed for up to three additional three month increments if such governing body again declares by such a vote that it still exists. Any tax revenue used to pay for specific unreserved, unbudgeted costs incurred solely due to a temporary emergency shall not be part of the tax limit calculations for determining tax increase limits, regardless of when such tax is actually imposed or collected. (e) Unfunded federal mandate means a United States Government treaty, statute, court case, agency regulation or agency ruling first taking effect after July 1, 1999, which requires the State

or applicable local government to provide any new (or expand any existing) public program, product or service, but such mandate shall be considered unfunded only to the extent that the United States Government does not pay to or for the benefit of the State or such local government the cost of such program, product or service. An unfunded federal mandate shall also exist to the extent the United States Government after July 1, 1999, decreases the dollar amount of funding paid to or for the benefit of the State or local government for (or fails to fund increased costs of) a program, product or service that it requires the State or applicable local government to provide, without a corresponding decrease in the cost of a required program, product or service. A program, product or service is considered to be required by the United States Government to the extent the receipt of federal funds is conditioned on providing such program, product or service. The amount of unfunded federal mandates may be estimated and corrected as provided in Section 3 of this Article. Any tax revenue used to pay for costs incurred solely due to an unfunded federal mandate shall to such extent not be part of the tax limit calculations for determining tax increase limits, regardless of when such tax is actually imposed or collected. The Legislature may through the enactment of legislation consistent with this Article specify what constitutes an unfunded federal mandate.

Section 3. TAX RATE REDUCTIONS.

When a budget, tax levy or tax rate is to be established or maintained for the State or any local government for a fiscal year or years, the applicable governing body and other bodies shall, during the budget or tax levy or rate setting process, project the tax revenue the State or such local government will receive in such fiscal year or years and take the steps in this section to avoid any tax increase not permitted by this Article. As to local governments, if a tax increase is projected, and if such tax increase exceeds that permitted by this Article, then the body or bodies charged with setting the tax levies or rates for the local government shall reduce or set the property tax levies or rates for such fiscal year or years so that such an unpermitted tax increase does not occur. As to the State, if a tax increase is projected, and if such tax increase exceeds that permitted by this Article, then fifty percent of the projected, unpermitted tax increase shall be avoided by the Legislature by lowering the State sales and use tax rate, effective on or before the following January 1, which shall be lowered in tax rate increments no less than one-tenth of one percentage point, with any remainder reserved in a cash reserve fund to be applied toward future sales and use tax rate reductions when enough is available to reduce the rate another one-tenth of one percentage point, and the remaining fifty percent of the projected, unpermitted tax increase shall be avoided by the Legislature by lowering the income tax primary rate (or such successor rate or rates affecting such taxes dependent on such rate as of January 1, 1999), effective no later than for years beginning on or after the following January 1. At the next session or sessions of such body or bodies when actual tax revenue, tax limit calculation amounts, population growth, inflation, or unfunded federal mandates have been determined or are determinable, the difference between projected or estimated and actual amounts shall be applied to determine and adjust the tax limit calculation amounts of affected fiscal years so as to correct the effect of the difference between projected or estimated and actual amounts in a manner to avoid to the extent reasonably possible a tax increase that would not have been permitted by this Article had the actual amounts been known at the time of the initial budget or tax levy or rate setting process. If such actual amounts show a tax increase not permitted by this Article occurred, then such body or bodies shall treat such amount as an unpermitted tax increase and adjust the tax levies or rates prospectively (in the manner provided in this section) to effectively pay back such unpermitted tax increase. The corrected amounts for the year or years to which they relate shall constitute the amounts to be used thereafter for determining tax limit calculations. Nothing in this Article shall prevent the Legislature from changing the tax laws, repealing taxes, or enacting taxes, except that, no tax law may be legislatively changed if one of the principal purposes of such change (as evidenced by the legislative record of such change) is to avoid an anticipated, unpermitted tax increase in a manner inconsistent with this Article. Any change to the tax laws made on account of a court decision or a change to federal tax law shall not be treated as being inconsistent with this Article. If the Legislature substantially replaces the property, sales, use or income tax with another tax or taxes, it shall apply the levy and rate setting provisions of this section to such new tax or taxes in such manner that is as consistent with this Article as reasonably possible. If the Legislature provides or has provided for a different method of taxing motor vehicles pursuant to Article VIII, section 1 of this Constitution, then it may by legislation provide that part of any local government tax levy or rate reduction under this Article shall be applied to reduce the taxation of such motor vehicles. It is hereby determined that the tax revenue limits and the tax levy and tax rate reduction methods of this Article are rationally related to the legitimate governmental purpose of limiting the taxation of taxpayers subject to such governments' taxing jurisdictions.

Section 4. OPERATING PROVISIONS.

The following operating provisions shall be applied to the interpretation and implementation of this Article: (a) The State and local governments shall keep sufficient books and records to support the grounds for each tax increase authorized under this Article, and such books and records shall be open for public inspection and copying; (b) No legislative or executive action shall be needed to implement this Article, except as otherwise provided herein, but legislative and executive action may be taken to the extent necessary or appropriate to further or better implement this Article; (c) The provisions of this Article shall be applied and enforced notwithstanding, and shall take precedence over, any and all other provisions of this Constitution or other Nebraska laws to the contrary, but this Article shall operate together with any other limitation that results in lower taxation; (d) If the State and any local governments, or if any local governments, decide on their own to merge (whether in whole or part, or by function or structure), to share or transfer services, or to otherwise cooperate in the provision of government services, the determination of whether a tax increase occurs shall be based on their combined total tax revenue, allocated in the manner and for the period determined by the Legislature or by agreement of the respective governing bodies; (e) The Auditor of Public Accounts may audit (and set the standards and guidelines for the audit of and review the audits of the State and local governments to determine compliance with this Article, (f) Except to the extent the State pays the cost, the State may not avoid the impact of this Article by enacting any statutes, regulations or rulings which require a local government to provide any new (or expand any existing) public program, product or service (other than to the extent solely necessary to otherwise comply with the United States Constitution or other laws of the United States Government). If the State uses tax revenue to pay the cost thereof to the local government, this shall be treated as a tax increase of such local government permitted under this Article, and in making the tax limit calculations for a fiscal year, the amount of such tax revenue shall notwithstanding Section 1 of this Article, not be considered tax revenue of the State for the prior fiscal year; (g) Any taxpayer, as well as the Auditor of Public Accounts, shall have standing to sue, for enforcement of this Article, the State or applicable local government, and the applicable governing body thereof, in any district court of this State wherein such taxpayer or such auditor resides or does business (except a local government may only be sued in a county in which it operates and the State may only be sued in Lancaster County), either singly or on behalf of a class in a class action, and such court shall have jurisdiction to enforce the provisions of this Article and to provide a remedy (either retroactively or prospectively) for violation hereof, except that no court may issue any temporary or permanent restraining order or injunction in such case until the court issues its final order. A plaintiff who is successful shall be reimbursed reasonable attorney's fees and expenses, payable by the State or applicable local government which was the defendant; (h) If any part of this Article is held invalid or unconstitutional, this shall not affect the validity or constitutionality of any remaining provisions; if any part of this Article is determined by a court of competent jurisdiction to contain a subject other than taxation, and that such inclusion in the initiative enacting this Article is prohibited by this Constitution, then such other subject shall be stricken ab initio without affecting the validity or constitutionality of the balance hereof; if any part of this Article violates federal law, then such part shall be construed as being hereby modified (or may be modified by such court) to the extent the court so declares; (i) Nothing in this Article shall prevent the Legislature from changing the means, methods, allocations or amounts of spending tax revenue on aid to or amongst local governments, except that the State may not avoid the impact of this Article by reducing its overall, total spending of tax revenue on aid to local governments proportionately more than it reduces its overall, total spending of tax revenue on other matters (or by failing to increase such total spending proportionately less than it increases such total spending on other matters), provided, however, if for whatever reason, the State reduces its overall total spending of tax revenue on aid to local governments, then for purposes of the tax increase calculations for the fiscal year of such reduction, the total tax revenue of the prior fiscal year of the State shall be considered reduced by the amount of such reduction of such aid; (j) For the first fiscal year to which this Article applies, the total tax revenue of the prior fiscal year shall be the lesser of such tax revenue of the prior fiscal year or total tax revenue (increased by the permitted tax increases of Section 2 of this Article, using July 1, 1998 as the base referenced therein) of the fiscal year immediately before the prior fiscal year; (k) Nothing in this Article shall be construed to impair the obligation of contracts; (l) If a new local government is created after July 1, 1999, to provide government products or services not being provided by the State or a local government, this Article shall not apply to its first full fiscal year; (m) In determining the tax limit calculations, a local government may elect to consistently allocate delinquent tax revenue to the fiscal year in which it was due; (n) This Article shall be effective for fiscal years beginning on or after July 1, 1999; and (o) At any time after January 1, 2004, the Legislature may pass a legislative bill suspending the operation of this Article, effective for fiscal years beginning on or after any subsequent July 1. The constitutional limitations as to scope of, subject mat-

ter, and procedure for enacting statutes enacted by the Legislature shall apply to such legislative bill. The operation of this Article will then be thereafter suspended, provided the vote upon final passage of such bill shall be by record vote of each member voting entered upon the journal and the members voting in favor of such suspension are of no less than three-fourths of the Legislature's members. Such suspension shall not become effective unless such legislative bill is signed by the Governor.

PROPOSED BY POPULAR INITIATIVE PROPOSED INITIATIVE MEASURE 414

A vote "FOR" will amend Nebraska Statutes to require the Nebraska Public Service Commission to set access charges imposed by local telephone carriers for access to local telephone networks based upon forward-looking economic costs without implicit subsidies, require that average, aggregate prices charged to consumers for long distance service within the state reflect the reduction in access charges applicable to that service; require that local exchange access be cost-based, competitively neutral, and non-discriminatory, and develop competition in the telephone access service marketplace.

A vote "AGAINST" will not cause Nebraska Statutes to be amended in such a manner.

Shall Nebraska Statutes be amended to direct the Public Service Commission to set access charges imposed by local telephone carriers for access to local telephone networks based upon forward-looking economic costs without implicit subsidies; require that average, aggregate prices charged to consumers for long distance service within the state reflect the reduction in access charges applicable to that service; require that local exchange access be cost-based, competitively neutral, and non-discriminatory; and develop competition in the telephone access service marketplace?

TEXT OF PROPOSED STATUTORY INITIATIVE

A BILL

FOR AN ACT relating to telecommunications; to amend section 75-609, Revised Statutes of Nebraska, and section 86-803, Revised Statutes Supplement, 1997, to provide for regulation of access charges; to harmonize provisions; and to repeal the original sections.

Be it enacted by the people of the State of Nebraska,

Section 1. Section 75-609, Reissue Revised Statutes of Nebraska, is amended to read:

75-609. (1) When two or more telephone carriers jointly furnish interexchange service or extended area service, the revenue from such jointly furnished service, shall be divided in such manner as may be agreed upon by the carriers furnishing such service. In the event of inability to agree, any one of the carriers jointly furnishing such service may file an application with the commission requesting that the commission enter an order prescribing an equitable division of revenue from such jointly furnished service. The order entered pursuant to such application may be appealed from by any party to the proceeding in the same manner as from other orders of the commission. (2) Except as provided in section 75-609.01, the commission shall regulate access charges imposed by telephone carriers for access to a local exchange network for interexchange services, shall be negotiated by the carriers involved. Any affected interested party, carrier, or subscriber may apply for review of such charges by the commission. Upon such application, and unless otherwise agreed to by all parties thereto, the commission shall, upon proper notice, hold and complete a hearing thereon within sixty days after the filing. The commission may, within sixty days after the close of the hearing, enter an order setting access charges which are fair and reasonable. The commission shall: (a) Set access charges which eliminate implicit subsidies contained in access charges on the effective date of this act; (b) Establish access charges which are based upon forward-looking economic costs and not embedded costs; (c) Develop competition in the access services marketplace; (d) Adopt, promulgate, and enforce rules and regulations requiring incumbent local exchange carriers to provide access services on a cost-based, competitively neutral, and nondiscriminatory basis. The commission shall establish penalties for noncompliance with the rules and regulations and impose penalties upon third-party complaints or orders by the commission to show cause, followed by notice and appropriate hearing; (e) Establish and maintain a filing system for tariffs by local exchange carriers providing access to interexchange carriers; and (f) Require that the average prices in the aggregate for intrastate long-distance service reflect the reduction of access charges applicable to such long-distance services. (3) For purposes of this section: (a) Access charges means the charges paid by interexchange carriers to local exchange carriers in order to originate and terminate long-distance calls using

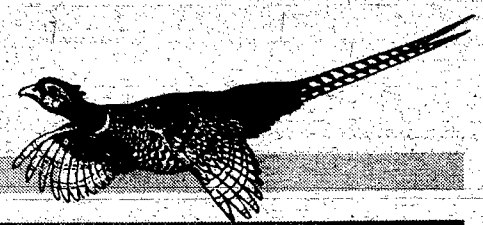

local exchange facilities; and (b) Forward-looking economic costs shall be calculated based upon the use of the most efficient telecommunications technology currently available and the least cost network configuration, given the existing location of the incumbent local exchange carrier's wire centers. The resulting rates for access charges shall include a reasonable rate of return not to exceed twelve percent. The commission shall set an access charge structure for each local exchange carrier but may order discounts where there is not available access of equal type and quality for all interexchange carriers; except that the commission shall not order access charges which would cause the annual revenue to be realized by the local exchange carrier from all interexchange carriers to be less than the annual costs, as determined by the commission based upon evidence received at hearing, incurred or which will be incurred by the local exchange carrier in providing such access services.

Sec. 2. Section 86-803, Revised Statutes Supplement, 1997, is amended to read:

86-803. (1) Telecommunications companies shall not be subject to rate regulation by the commission except as provided in sections 75-609, 75-609.01, and 86-801 to 86-811 and shall not be subject to provisions as to rates and charges prescribed in Chapter 75, articles 1 and 6, except as otherwise provided in sections 75-609, 75-609.01, and 86-801 to 86-811. In an exchange in which local competition exists, telecommunications companies shall file rate lists for all telecommunications services which shall be effective after ten days' notice to the commission. (2) In an exchange in which local competition does not exist, telecommunications companies shall file rate lists which, for all telecommunications services except for basic local exchange rates, shall be effective after ten days' notice to the commission. In such exchanges, basic local exchange rates may be increased by a telecommunications company only after ninety days' notice to all affected subscribers. Such notice of increase shall include (a) the reasons for the rate increase; (b) a description of the affected service; (c) an explanation of the right of the subscriber to petition the commission for a public hearing on the rate increase; (d) a list of exchanges which are affected by the proposed rate increase; and (e) the dates, times, and places for the public informational meetings required by this section. A telecommunications company which proposes to increase its basic local exchange rates shall hold at least one public informational meeting in each public service commissioner district as established by section 75-101.01 in which there is an exchange affected by the increase. (3) Basic local exchange rates increased by any telecommunications company pursuant to subsection (2) of this section shall be reviewed by the commission only upon formal complaint signed by (a) five percent of all affected subscribers if the telecommunications company has up to fifty thousand access lines affected by the increase, (b) three percent of all affected subscribers if the telecommunications company has fifty thousand but not more than two hundred fifty thousand access lines affected by the increase, or (c) two percent of all affected subscribers if the telecommunications company has more than two hundred fifty thousand access lines affected by the increase. The complainant shall specifically set forth the particular rate or charge as to which review is requested, the reasons for the requested review, and the relief which the complainants desire. If a proper complaint is presented to the commission within ninety days from the date notice of the rate change was sent to affected subscribers of a telecommunications company that has up to fifty thousand access lines in service or within one hundred twenty days from the date notice of the rate change was sent to affected subscribers of a telecommunications company that has fifty thousand or more access lines in service, the commission shall accept and file the complaint and, upon proper notice, may suspend the rates and charges at issue during the pendency of the proceeding and reinstate the rates and charges previously in effect and shall hold and complete a hearing thereon within ninety days after filing to determine if the rates as proposed are fair, just, and reasonable. The commission may, within sixty days after close of the hearing, enter an order adjusting the rates and charges at issue, except that the commission shall not set any rate or charge below the actual cost of providing such service, which may include a reasonable profit, as established by the evidence received at the hearing. In such order, the commission may order a refund of amounts collected in excess of the rates and charges as approved at the hearing which may be paid as a credit against billings for future services. In an exchange in which local competition does not exist, a telecommunications company shall not increase its basic local exchange rates without the approval of the commission for six months from the date the commission enters such order. If the complaint is denied, the commission shall enter an order denying the complaint within sixty days after the close of the hearing, and the rates and charges shall be deemed approved for all purposes, including for purposes of appeal. For purposes of this section, actual cost shall also include a ratable portion of administrative expenses and overhead incurred by the telecommunications company in its operations and the appropriate amortization of previously deferred accounting costs. (4) Notwithstanding the provisions of subsections (2), (3), and (8) of this section, a telecommunications company may at any time file an application with

Legal Notices

The Wayne Herald

continued from page 9B

the commission requesting the commission to prescribe fair, just, and reasonable rates for the company or such telecommunications company may elect to proceed, if eligible, under section 75-609.01. Such proceedings shall be governed by Chapter 75, articles 1 and 6, and shall not be limited by subsection (2) of this section. Any rate so set may thereafter be adjusted as provided in subsections (2) and (3) of this section.

(5) In setting rates for interexchange services, telecommunications companies that provide such services shall continue to average their rates for all such services on a statewide basis unless the commission, upon application and hearing, orders otherwise. This subsection shall not prohibit volume discounts or other discounts based on reasonable business purposes. With regard to interexchange telecommunications services, nothing in sections 86-801 to 86-811 shall preempt or affect any right, liability, cause of action, duty or obligation arising from any law with regard to unfair business practices or anticompetitive activity.

(6) No telecommunications company shall be required to deaverage its wholesale basic local exchange rates to reflect the differences in the costs of providing basic local exchange services in the various exchanges that the company serves until the retail basic local exchange rates for those exchanges are also deaveraged or until funds are disbursed to that telecommunications company from federal or state universal service or high-cost funds to offset the higher-than-average costs which that company incurs in serving high-cost exchanges.

(7) The commission shall retain quality of service regulation over the services provided by all telecommunications companies and shall investigate and resolve subscriber complaints concerning quality of telecommunications service, subscriber deposits, and disconnection of service. If such complaint cannot be resolved informally, then upon petition by the subscriber, the commission shall set the matter for hearing in accordance with the commission's rules and regulations for notice and hearing and may by order render its decision granting or denying in whole or in part the subscriber's petition or provide such other relief as is reasonable based on the evidence presented to the commission at the hearing. Any such order of the commission may be enforced, against any telecommunications company as provided in sections 75-140 to 75-145 and may be appealed.

(8) In an exchange where local competition does not exist, the commission may, on its own motion, review basic local exchange rates of any telecommunications company if the company has increased such rates by more than ten percent within any consecutive twelve-month period. The commission shall hold and complete a hearing on such rates within ninety days after first giving notice of such hearing to the telecommunications company to determine if the rates as proposed are fair, just, and reasonable. The commission may, within sixty days after close of the hearing, enter an order adjusting the rates and charges at issue, except that the commission shall not set any rate or charge below the actual cost of providing such service, which may include a reasonable profit, as established by the evidence received at the hearing. In such order, the commission may order a refund of amounts collected in excess of the rates and charges as approved at the hearing which may be paid as a credit against billings for future services. If the commission fails to enter any order within sixty days after the close of the hearing, the rates and charges shall be deemed approved for all purposes, including for purposes of appeal. For purposes of this subsection, actual cost shall also include a ratable portion of administrative expenses and overhead incurred by the telecommunications company in its operations and the appropriate amortization of previously deferred accounting costs.

(9) Notwithstanding any other provisions of this section providing procedures governing review of basic local exchange rate increases, when a telecommunications company files a rate list to increase its basic local exchange rates by more than ten percent within any consecutive twelve-month period, the commission shall conduct only the limited review provided in this subsection if (a) such increase, when considered together with all other rate changes which the telecommunications company proposes to implement simultaneously with the basic local exchange rate increase, does not increase the telecommunications company's aggregate annual revenue resulting from such rate changes in this state by more than one percent and (b) the basic local exchange rates specified in the rate list do not exceed the telecommunications company's actual cost of providing basic local exchange service to the affected subscribers. A telecommunications company filing rate lists in accordance with the procedures provided in this subsection shall submit to the commission with such filing: (i) Documentation to demonstrate that the combined effect of the proposed rate changes, in the aggregate, will not increase such company's annual revenue resulting from such rate changes in this state by more than one percent and (ii) if the commission so requires, documentation to demonstrate that the proposed basic local exchange rates do not exceed such company's actual cost of providing such service to the affected subscribers. The commission shall hold a public hearing to receive evidence concerning the basic local exchange rate increase proposed by the telecommunications company. Unless an extension is granted, such hearing shall be held within sixty days after the date on which the rate list providing for such increase was filed with the commission or, if the commission requires

further documentation to be filed with the rate list filing, within sixty days after the date of receipt by the telecommunications company of notice for further documentation from the commission. The commission upon its own motion may grant a one-time, thirty-day extension for the hearing date. If the telecommunications company presents evidence at the hearing that such increase is in accordance with the requirements of this subsection, not more than sixty days after the close of such hearing the commission shall enter an order approving or disapproving the proposed basic local exchange rate increase and, if approved, the revised basic local exchange rates shall become effective upon the entry of such order.

(10) The commission may order that flat rate services shall be available whenever measured service is implemented and that for such services the price restrictions prescribed in sections 86-801 to 86-811 shall be retained. Measured service means basic local exchange service, the rate for which is a combination of a flat rate access line charge plus usage charges which may be based upon number of calls, length of call, distance, and time of day.

(11) The commission shall approve the disposition of revenue resulting from decreases in federal or state income taxes or property taxes due to a tax law change that results in a reduction in the tax liability of a telecommunications company of twenty percent or more in any taxable year. Any telecommunications company so affected shall file a plan with the commission proposing the disposition of the revenue at the same time that it files its annual report with the commission. The commission shall schedule a public hearing within thirty days after the filing of the plan or the plan shall be deemed approved.

(12) No telecommunications company may change its basic local exchange rate within ninety days after entry of a final order adjusting such rate pursuant to subsections (4) and (8) of this section.

(13) Any order of the commission entered pursuant to authority granted in sections 86-801 to 86-811 may be appealed by any party to the proceeding in accordance with sections 75-136 to 75-149.

(14) No telecommunications company that obtains at wholesale rates basic local exchange service from another telecommunications company that is available at retail to a specific class of subscribers shall offer such service to a different class of subscribers.

(15) The commission shall not mandate any arrangement that requires interconnecting telecommunications companies to engage in mutual recovery of costs through offsetting of reciprocal obligations. This subsection shall not prohibit telecommunications companies from entering voluntary agreements to engage in such an agreement.

(16) Local competition shall be deemed to exist in an exchange if a telecommunications company files an application with the commission requesting a determination as to whether local competition exists in one or more exchanges specified in the application and the commission enters an order after public notice and a hearing which determines that local competition exists in such exchange or exchanges. The commission may, on its own motion at any time after a determination as to whether local competition exists, reexamine and determine the determination after notice and a hearing on the issue. Notwithstanding any other provision of Chapter 86, article 8, the commission may consider any wireless telecommunications services provided in the exchange or exchanges when determining whether local competition exists. The notice of the hearing on the telecommunications company's application shall be given once each week for two consecutive weeks in a newspaper of general circulation in the affected area and shall state that a determination of local competition may result in the freeing of the telecommunications company from rate regulation by the commission. The notice of the hearing on the commission's motion shall be sent to the telecommunications company by certified mail, return receipt requested, and notice of such hearing shall be published in a newspaper of general circulation in the exchange area. The hearing on the commission's motion shall be held no sooner than ten days after the receipt of notice to the telecommunications company.

Section 3 Original section 75-609, Revised Statutes of Nebraska, and section 86-803, Revised Statutes Supplement, 1997, are repealed.

Respectfully submitted,
Scott Moore
Secretary of State

NOTICE
In accordance with the National Primary Drinking Water Regulations, the City of Wayne, Public Water Supply System, in City of Wayne, NE 318104 is hereby making public notice of the violation of drinking water microbiological standards. The violation consists of the detection of total coliform bacteria in two samples collected from the distribution system during the month of September, 1998.

On the 16th and 23rd of September 1998 we had positive coliform samples. These samples were E.coli negative. Two positive samples in one month put us in a Non-Acute violation of the microbiological standards for drinking water. Three repeat samples were taken for each one of these positive samples. One at the original sampling site and one upstream and one downstream within five service connections of the original site. All six repeat samples were negative. The other six routine samples taken during the month were negative. The routine sample taken October 7th was also negative. This leads the Water Department to believe that our water is okay. The sampling parameters were within the range allowed before the use of any contaminated during sampling. There is coliform bacteria present in the air and in all surroundings. It is very possible that a particle in the air could have been the source of contamination. Just touching the sampling bottle to the faucet, or inadvertently by hand can also contaminate a sample. The coliform test is very sensitive and indicates a positive on any coliform present in the sample. When a test is positive, it is sent in for further testing to see if there are fecal coliform, specifically E.coli. Present, The E.coli test taken on our positive samples were negative.

The Water Department believes the contamination occurred when sampling. Even though we are very careful when we sample, contamination can occur. Extra steps will be taken on future samples to help ensure that future violations will be avoided.

Since the contamination has cleared up within 45 days of the date of violation (October 16, 1998), water consumers of Wayne do not have to worry about the quality of their water or take any preventive measures at this time.

The Drinking Water Program (DWP) sets drinking water standards and has determined, based on information provided by the U.S. Environmental Protection Agency (U.S. EPA) and other scientific and medical information, that the presence of total coliform colonies is a possible health concern. Total coliform bacteria are common in the environment and are generally not harmful to themselves. The presence of these bacteria in drinking water, however, generally is a result of a problem with water treatment or the pipes which distribute the water and this indicates the water may be contaminated with organisms that can cause disease. Disease symptoms may include diarrhea, cramps, nausea, and possibly jaundice, and are associated with headaches and fatigue. These symptoms are not self-associated with disease-causing organisms in drinking water but also may be caused by a number of factors other than drinking water. The U.S. EPA has set an enforceable drinking water standard for total coliform colonies to reduce the risk of these adverse health effects. Under this standard, no more than 5 percent of the samples collected during a month can contain these bacteria. Each system collecting fewer than 40 samples per month that have no total coliform positive sample per month are not violating the standard. Drinking water which meets this standard is associated with the risk of one illness per 100,000 people per year.

The City of Wayne Public Works Supply System is continuing to test the water and is working with the Drinking Water Program to identify the source of any problem and to maintain the water supply system in compliance. For additional information, contact: Harold Reynolds, Water/Wastewater Superintendent at 402-375-5250.

The Wayne Herald Legal Notices

PROCEEDINGS WAYNE BOARD OF EDUCATION REGULAR MEETING

October 12, 1998

The regular meeting of the Wayne Community Schools Board of Education was held at the Carroll Elementary School in Carroll, NE, on Monday, October 12, 1998 at 7:35 p.m. Notice of the meeting and place of agenda was published in the Wayne Herald.

The following Board members answered roll call: Marion Arneson, Jean Blomenkamp, Dennis Lipp and Phyllis Spethman. Sue Gilmore was absent. Will Davis arrived at 7:45 p.m.

Approval of the Agenda: The Board unanimously approved the agenda with the following amendments: to remove item C.3 and postpone to the next meeting.

Approval of Minutes from Previous Meeting: Motion to approve the September 1998 Budget Hearing, Tax Request and the 1998-99 financial reports.

Financial Reports and Claims: Motion to approve the financial reports and claims.

Bids and Contracts: Motion to approve the bid for the bus fleet.

Driver's Education: Dr. Zeiss presented a report from the Driver's Education Summer 1998 program for the Wayne Community School. He also discussed the new graduating licensing process required by the State and the steps we must take to comply with our Driver's Ed program.

Approval of Teacher Evaluation: The Teacher Evaluation plan has been presented and approved by the State.

Athletic Director Report Scheduling: Mr. Reinert informed us of the conflicts in scheduling between the high school and Wayne State College. Wayne High School currently uses WSC facilities. The scheduling for the 1998-99 and 1999-2000 seasons are complete. There are 3 games scheduled on Thursday nights for the 1999-2000 season. One of the main conflicts is parking. Mr. Reinert and Dr. Reinert will continue working with the college on this item.

Board Election: Dr. Reinert presented the plan for reconstruction of the Middle School as per the bond election on September 30, 1998. The district and superintendent will handle the first step in the process (survey, soil, and environment). The Board has asked Dr. Reinert to collect information from other districts that have completed a complete renovation project. The Board also plans to tour some of these facilities. At the Oct. 26th meeting, the board would like more information regarding the construction timeline and a more precise breakdown of cost. The Board agreed they would handle the renovation process as a Board unit rather than through committee. They agreed to give Dr. Reinert authority to go ahead and proceed with hiring a company to do soil and environment testing along with a staff survey. On Oct. 26th the Board will make a decision regarding **Owner Representation**.

Substitute Teacher Pay: Dr. Reinert has informed us of a need to raise our substitute teacher pay. This item was tabled until the November meeting.

Internet-Parents Letter: Dr. Reinert explained that a letter will be sent to all parents to inform them that a switch will be made on our internet network and it will be run through a filtering service. This switch will not take away or limit internet usage for students, it will allow for selective accessibility to the internet data. The letter will go to all parents by October 30.

Measure 413: to approve the following resolution opposing Measure 413.

Resolution: The Wayne Community Schools opposes the Business Summit's proposed constitutional amendment because it poses a serious threat to the public services provided by city, county and state governments, and because it threatens the continued excellence and quality educational programs now provided for all of the Nebraska's children.

Interlocal Agreement with Northeast Community College: This issue was tabled until the November board meeting due to waiting for correspondence with Northeast Community College.

Attorney Agreement: Motion to have the school attorney attend our first meeting of each month and on-call for second meeting.

FIBER-Distance Learning: No contract was available as of this meeting. This item was tabled until the November agenda.

Interlocal Agreement with the Public Library: This item was tabled until the November meeting.

Highway 35 Expressway Association: Motion to join the Highway 35 Expressway Association.

Boardsmanship: Upcoming meetings for Board members: November - State Education Conference; September 28 & 29 - Distance Learning Conference in Lincoln; October 12 - Governor's Education Summit in Lincoln.

Correspondence: The Board reviewed various correspondences.

Future Agenda Items: Owner's Representative, Superintendent Evaluation, and Internet Agreement with the Public Library, January Retreat.

Executive Session: Motion to enter executive session at 9:50 P.M. to discuss personnel. The Board exited executive session at 10:06 p.m. Motion to reject the offer from Inventive Communications to take over completion of the TIAP grant, but to retain Seth Northrup in his current capacity.

The meeting was adjourned at 10:07 P.M. The next regular meeting of the Wayne Public School Board of Education will be held on Monday, October 26, 1998 at 7:00 P.M. in Wayne.

REQUEST IN PERSON: 5:00 P.M. MONDAY, NOVEMBER 2, 1998

REQUEST BY AGENT: 7:00 P.M. TUESDAY, NOVEMBER 3, 1998

Will Davis
Sav-Mor Pharmacy

Feverfew For Migraine Headaches

Feverfew (*Tanacetum parthenium*) was used as a fever reducer as far back as 78 AD. Now, this herb is used to prevent migraines by reducing the severity and frequency of the headaches. Other uses include relief of menstrual pain, asthma, dermatitis, and arthritis. The active ingredient is parthenolide which inhibits the release of serotonin from the blood platelets. Parthenolide relieves inflammation by inhibiting prostaglandin synthesis and the release of arachidonic acid.

Few studies have been conducted on the use of feverfew for migraine headache prevention. A randomized, double-blind, placebo-controlled, crossover study of 76 patients showed a 24% reduction in the number of attacks, but no change in the duration of attacks. There was a significant reduction in nausea and vomiting.

In another study, migraine sufferers received either a freeze-dried, powdered feverfew extract or a placebo. Fewer headaches were reported each month by the individuals who received feverfew, however, headache frequency increased significantly in the group receiving the placebo.

ALTERNATIVE SOLUTIONS TO SPACE NEEDS

Jim Hopkins, the Technology Coordinator for Education Service Unit I in Wakefield, visited with the Wakefield Board of Education during their regular meeting on Oct. 12.

The Wakefield School has entered into an agreement with the Eastern Nebraska Distance Learning Consortium.

Hopkins provided the board with information regarding the benefits of Distance Learning. The board asked Supt. Mike Moody to arrange for a visitation of local area schools that are offering Distance Learning.

Since the July Bond Issue failed, the need to provide a room for the Distance Learning has become critical. The board directed Supt. Moody to explore the following options.

Withdrawing from the Distance Learning Consortium, Explore the possibility of purchasing two surplus portable classrooms from the Wayne School District, and Explore the feasibility and complete a cost analysis of purchasing new portable classroom units.

Additionally, Supt. Moody said he will explore the possibility of off campus classroom alternatives.

In other action at Monday night's meeting the board adopted a resolution in opposition to Constitutional Measure 413 (The Lid).

The school board also adopted policy changes involving the addition of wording concerning a technology committee, admission prices for activities, graduation requirements, special education and child abuse.

The board discussed the possible need for additional staff in English as a Second Language program. Reports from the three administrators were heard by the Board of Education in addition to reports by

members of the Accounting II Class, from Spanish teacher Mrs. LaVon Carson, and by Title I Math instructor Mrs. Lynette Haisch.

POPCORN SALES

The annual Boy Scout Popcorn sales are currently underway.

Monies raised from the sales of the popcorn products are used to fund scouting activities and programs, like camping, not only for the local troops, but also at the district and council levels.

Selling the popcorn helps Scouts develop and practice new skills, learn about sales and marketing and reach new levels of personal success. The Scouts can also earn individual prizes and awards.

The boys are calling on friends and neighbors. If you are not contacted and would like to support the Wakefield Scouts, please contact leaders Cheryl Roberts at 287-2054 or Ed Haglund at 187-9085 and they will have one of the Scouts call on you. Popcorn sales end Oct. 28.

Wakefield has 16 Cub Scouts and six Boy Scouts.

The popcorn is available in a variety of ways: conventional or microwave, decorative tins with caramel corn or chocolate caramel corn, light, low fat and 97 percent fat free.

Delivery of orders is expected by Nov. 21.

YEARS OF SERVICE RECOGNIZED

Jeri Sherer of Wakefield was among approximately 225 state employees honored at an awards ceremony on Oct. 8 at the Carson Theatre in Norfolk.

Employees were honored for their years of service with the State of Nebraska ranging from 10-40 years. Jeri was recognized for 10 years of service with Wayne State College.

BAND BOOSTERS

The latest project accomplished by the Wakefield School Music Boosters is the purchase of an Acoustical Shell and cart for storage/transporting for use by vocal groups. The goal was accomplished through fund raising projects and a \$3,000 grant from the Gardner Foundation.

The shell allows for better sound projection. It helps an audience hear the music better as well as the musicians therefore improving tone and balance.

The shell is constructed of a durable, light weight material called ABS Plastic. The panels are contoured with a canopy shaped top. The alternating panels have different geometric shapes for reflecting the sound.

The shell measures just over 22 feet long, and is approximately just over 400 pounds.

The accompanying cart provides storage for the unit when not in use and a method to transport the shell from the music room to the auditorium or wherever needed.

The music boosters expressed appreciation to the Gardner Foundation for assisting in the purchase of the shell. Total cost was \$4,053. Funds raised through community calendar sales, tour of

homes, serving a meal to a Legion group, lunch stand at Honor Band Day in Wakefield, and other activities were also used for the purchase. The boosters voiced their thanks to everyone who supported these fund raising projects.

Other activities through the year for the boosters include providing music camp scholarships, providing a hot dog roast during pre-season band camp, assisting the director with fitting and check out of uniforms and assistance at other music activities as needed.

Sue Hansen is the current president of the Music Boosters, Janice McQuistan-vice-president, Denise Simpson-secretary, and Kelly Brown-treasurer.

EXCELLENCE AWARD

Eileen Krumbach, University of Nebraska-Lincoln Extension Educator of York County, has been named the 1998 recipient of the National Extension Association of Family and Consumer Sciences (NEAFCS) Continued Excellence Award.

Krumbach graduated from Wakefield High School and is the daughter of Helen Muller and the late Marvin Muller of Wakefield.

She was recognized for the honor at the national meeting held the week of Oct. 18 in Rapid City, SD. This award was given to Eileen in recognition of her contributions to the University of Nebraska Co-operative Extension.

Krumbach has a personal commitment to professional development for herself and others, said

Andrea Nisley, chair of the Nebraska Extension Award Committee.

Krumbach has been a UNL Extension Educator for the past 14 years and is currently serving York County.

CALIFORNIA VISITORS

John and Kathi Sorenson and son Kirk of El Dorado Hills, Calif., were Thursday and Friday guests in the Walter Hale home. Kathi's father Glen Hale, lived in the area when he was growing up and they also visited those places.

Wakefield student is member of ensemble

Jessica Sharpnack of Wakefield has been named to the Doane Concert Band at Doane College. She is a freshman and will be playing flute. Her parents are Randy and Carol Sharpnack.

Ensembles will perform on Sunday, Oct. 25 at 3 p.m. in Heckman Auditorium in the Communications Center as part of the college's Homecoming festivities.

Are You GUILTY?

Are you guilty of deflating our community's economy, slowing street repairs, restricting education or eliminating your child's Little League teams? You are if you don't Shop-At-Home. The dollars you spend right here improve your community, not somebody else's. This

theft from our community isn't intentional, but that doesn't relieve the guilt. Money spent with home-town merchants keeps bouncing around the community... and eventually comes back to you.

Don't Plead Guilty to Big City Shopping Charges...

SHOP AT HOME . . . and Avoid the Guilt.

Thursday, October 29, 1998 123rd Year - No. 5

Voters go to polls Tuesday

Election Day 1998 is just five days away as voters will go to the polls.

On the ballot will be several state races as well as two amendments to the Nebraska Constitution, Initiatives 413 and 414.

On the local level there are seven contested races in Wayne County, five in the city of Wayne, one in the Village of Carroll and one in the Village of Hoskins.

In the city of Wayne, voters will choose a candidate for mayor, either incumbent Sheryl Lindau or Randall Pick.

In city council races, voters in the First Ward will decide between incumbent Verdel Lutt or Vern Fairchild. In the Third Ward, incumbent Lois Shelton is running against Ronald Penlerick while in the Fourth Ward incumbent Patty Wieland is running against Willis Wiseman.

The other contested race in the city of Wayne is for the Wayne Airport Authority. Voters will choose two of the four candidates for this position. In the race are David Ley, Stanley Morris,

John Addison and Bob Sheckler. Voters in the village of Carroll will choose two candidates for the Board of Trustees. In the running are Jim Fernau, Mark Tietz and Bob Hall.

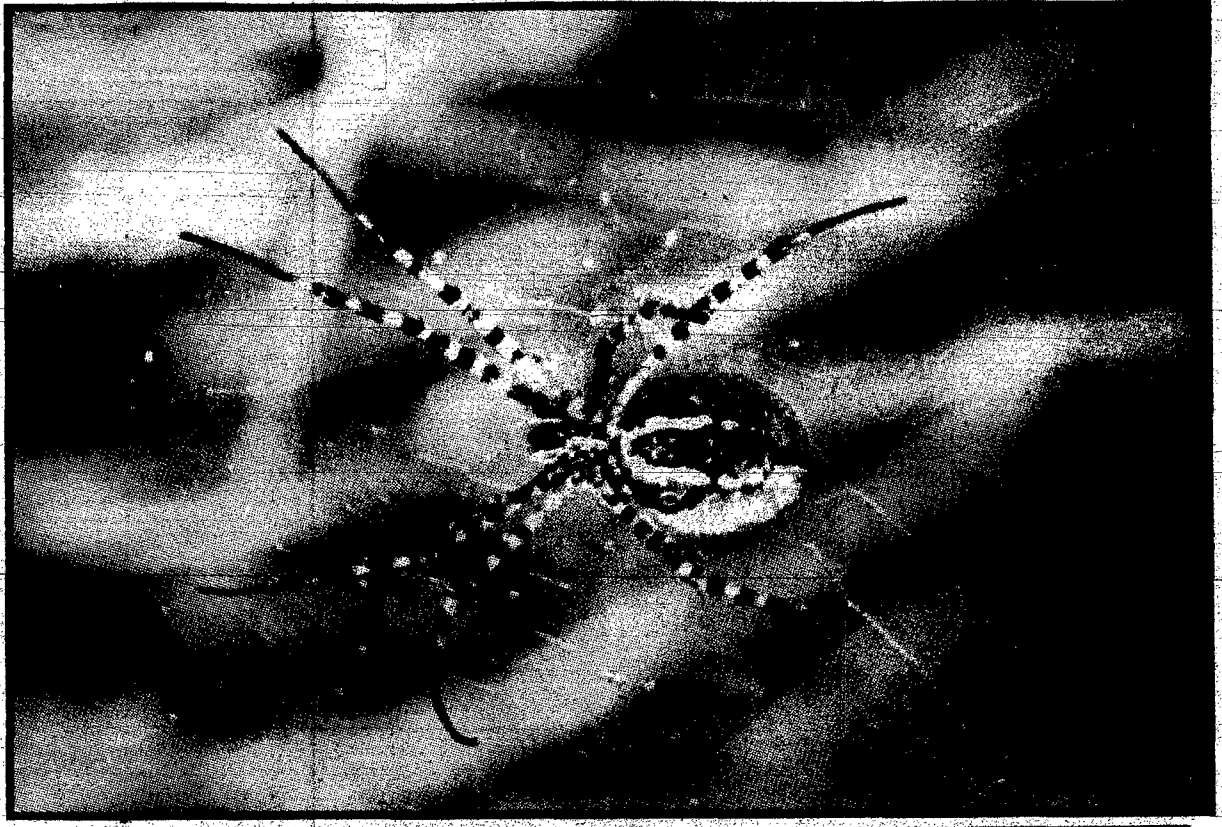

In the Village of Hoskins, voters will choose three people for Board of Trustees. Candidates include incumbents James Miller and Richard Doffin Jr. and Colby Gillespie and Rick Bussey.

Several new polling locations will be used during the Nov. 3 election.

Voters in the first ward will vote at Villa Wayne; those in the second ward will vote at Grace Lutheran Church (new location); those in the third ward will vote at Methodist Church Fellowship Hall and those in the fourth ward will vote at the Wayne City Auditorium.

Voters in Brenna/Plum Creek precinct will vote at School District #57; Chapin and Hancock precinct voters as well as Winside residents will vote in the Winside Village Auditorium.

Season for spiders and spooks

This spider seems to be preparing an intricate web just in time for Halloween. Recent dewy mornings have made the eight legged creatures abundant, although not particularly welcome.

Ballot issues Would hurt airport

Authorities at the Wayne Municipal Airport are concerned about two items that will appear on Tuesday's election ballot.

The first is Amendment 2, Part C which, if passed, would result in taxes being levied against airport property. This, in effect, would result in taxing a tax-supported entity.

The second item of concern is Initiative 413 which restricts the amount of increase in local government revenue from one year to the next.

Mitchell Nissen, chairman of the Wayne Airport Authority and Nancy Braden, treasurer of the WAA, stressed that the first

amendment could cause significant increase in airport operating expenses by the imposition of real estate taxes on airport property which is currently tax-exempt.

According to Nissen and Braden, the second will impact our ability to match federal grant funds for airport improvement by limiting our ability to increase our budget to meet federal grant requirements.

According to William Hamilton, Ph.D., former chairman of the Nebraska Aeronautics Commission and former chairman of the

Council debates trash issue

By Clara Ostén
Of the Herald

A heated discussion of a section of the city code highlighted the Wayne City Council's Tuesday meeting.

Randy Pick came before the

council asking permission to haul burnable trash from a house he is tearing down to the city's burn site. The site is designed to burn brush and leaves.

"I would recommend that the city allow me to take the burnable parts of the house to the burn site to keep costs down. I am trying to improve the city and the debris has to go somewhere," Pick said.

Chris Connolly, the city attorney, said that an ordinance passed in 1978 needs some clarification on this issue and that a resolution passed at that time was in conflict with the ordinance. At that time,

there was mention of handling the issue on a per situation basis with the possibility of charging a fee for use of the burn site.

Currently Pick hauls each load of material to the transfer station where it is inspected by several city employees to determine whether the material is burnable.

The council voted 6-1 to put the item on its Nov. 10 agenda.

Nancy Braden was appointed as the city's Y2K Coordinator. She presented a video at the meeting outlining potential problems with microchips that may not be ready

for the year 2000. The city is currently contacting vendors who supplied equipment with microchips and developing a contingency plan to be put into place if other plans fail.

The council approved an application from Kim Baker, doing business as Melodee Lanes, for a Class C Liquor License.

In other action, the council set Nov. 10 as the public hearing date for the proposed acquisition of real estate in the Vintage Hills Second Addition to be used for a neighborhood park.

A fire destroyed a house and killed a Hoskins man and his son on Friday.

Lives of two claimed by fire

A Friday morning fire claimed the lives of a rural Hoskins man and his six-year-old son.

Trapped in their home northeast of Hoskins were 37-year-old Gary Grubb and six-year-old Joshua. Lisa Grubb, 36, was able to run to a neighbor's home approximately one-half mile away to use the phone to call for help after her attempts to rescue her son and husband from the home were unsuccessful.

Fire departments from Hoskins, Winside, Carroll, Woodland Park

and Norfolk responded to the fire, which appears to have started near a wall space heater that was accidentally left running after the family went to bed that evening.

Firefighters battled the blaze for more than three hours. The two-story house apparently lacked a smoke detector.

The house received severe structure damage and will probably be a total loss.

The U.S. Fire Administration reports that each year more than

5,000 Americans die in fires and more than 25,000 are injured. Eighty percent of all fire deaths occur in the home.

The USFA urges all persons to place smoke alarms on each level of their homes and to check them monthly by pushing the test button. Batteries should be changed twice a year. Smoke alarms should be replaced if they are 10 years old or more. Having a working smoke alarm more than doubles the chance of surviving a fire.

The race for mayor is on

By Kevin Peterson
For the Herald

The race for Mayor in the City of Wayne which will be decided in Tuesday's election is between incumbent Sheryl Lindau and Randy Pick.

Lindau, 45, is seeking her second term as mayor after serving two terms on the city council.

"I've been involved in municipal government for 12 years and I love it," Lindau said. "I really like serving the city of Wayne because it gives me a chance to give something back to the community. I enjoy the government process."

Lindau, a political science graduate from the University of Nebraska-Lincoln has lived in Wayne with her family for 19 1/2 years.

"My first four years of being mayor went well," Lindau added. "There are a lot of positive things in Wayne and I want to continue serving as Wayne continues to progress."

Lindau said her ultimate goal is to help make sure that Wayne continues to be a good place to work, live and raise a family.

Randy Pick, 45, has been a Wayne resident for 26 years. He said he's not running for mayor because

Lindau is doing a poor job.

"I think Sheryl's done a good job but I think our city needs change," Pick said. "It's not a me versus her race but a difference in philosophy."

Pick said he feels in order to do what's best for Wayne, you need to go to the people and ask.

"I feel people in a two-mile radius of Wayne that have to abide by rules of the city should be able to vote in the city of Wayne," Pick added.

Both candidates urge people to get out and vote on Tuesday. "The only way to be heard is to get out and vote," Pick said.

Polls are open from 8 a.m. to 8 p.m. on Nov. 3.

Renovation tops agenda

By Kevin Peterson
For the Herald

The Wayne School Board met in regular session, Monday night at the high school with renovation headlining the agenda.

There were five guest presentations from Cal Solem/Omaha Contractors Assoc.; Zenon Beringer and Mabrey Partners; Beckenhauer Construction Inc.; Krhounek Povanda and Rambo and Associates.

Cal Solem told the board that 90 percent of the jobs in the State of Nebraska under \$10 million are completed by a general contractor.

An architect is hired and a plan is drawn up to the needs. The plan is then given to local contractors for an estimate with a date of completion.

The project goes to the lowest bidder. Concrete, electrical and plumbing may be done by area individuals.

Zenon Beringer Mabrey Partners believe they have a lot of experience and knowledge in educational projects. The group did the Millard School, Monroe and Wilson schools in Omaha.

The group also did the Wayne State College student center and library.

Beckenhauer Construction spoke to the Board about the concept of construction management, including a three-way process of working with an architect, owner and contractor. They talked of guaranteeing an exact cost, providing a bond and insurance.

Krhounek Povanda is aware of Wayne's current structure due to working with it in the past.

They were interested in confirming the goals, updating cost changes writing reports for each school.

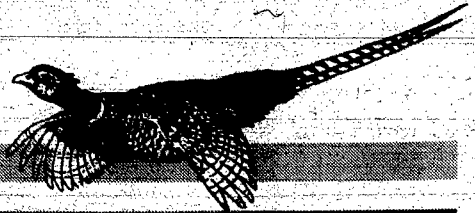

Krhounek feels his group is one

RSVP needed

AREA — All Lutheran Brotherhood-Wayne County Branch #8212 branch members are to RSVP for the annual meeting on Friday, Nov. 6 at the Wayne Vets Cldg. Call 375-1667, 375-2157 or 375-1447 for reservations.

Auxiliary bazaar

AREA — The Wayne Hospital Auxiliary will be holding its annual bazaar on Thursday, Nov. 5 from 9 a.m. to 2 p.m. at the Wayne City Auditorium. Rolls, coffee, soup and sandwiches will be served. In addition, a bake sale will be held throughout the day. Several items will also be raffled off, including a quilt, a clock and an algham. All proceeds will go toward the purchase of lifelines for Providence Medical Center.

Obituaries

Gary Grubb

Joshua Grubb

Services for Gary L. Grubb, 37 and his son, Joshua L. Grubb, 6, both of Hoskins, were held Monday, Oct. 26 at Faith United Methodist Church in Tilden. The Rev. Elsa Lawry officiated.

The two died Friday, Oct. 23, 1998 at their home near Hoskins as the result of a fire.

Gary Grubb, son of Jerry and Judy (Dittrich) Grubb, was born Jan. 15, 1961 at Hoolelu, Hawaii. He attended school in Norfolk and graduated from Norfolk High School in 1979. Following graduation he worked at Norfolk Marina and as an aircraft detailer at Lincoln and Coffeyville, Kan. On Dec. 7, 1991 he married Lisa Coltharp at Tulsa, Okla. The couple had lived in the Hoskins area since 1995. He was employed by Heritage Industries in Wayne.

Joshua was born June 8, 1992 in Tulsa. He was a first grader at Winside Elementary School in Winside.

Survivors include wife and mother, Lisa; Joshua's grandparents, J.V. and Zona McCahan of Mounds, Okla.; Judy Dittrich of Winside, Jerry Grubb of Commerce, Texas; John Coltharp of California; his great-grandparents, Emil Dittrich of Tilden and Mildred Bunce of Tulsa; Gary's sisters, Cheri Mattox of Acworth, Ga. and Laune Brenn of West Des Moines, Iowa and his stepbrothers, Doug, Mark and Greg Korth, all of Norfolk and Jeff Korth of Marion, Iowa.

They were preceded in death by two of Gary's grandparents and his stepmother.

Burial was in Memorial Park Cemetery in Tulsa, Okla. Marshall-Harlan Funeral Home of Tilden was in charge of arrangements.

AS MAYOR OF LINCOLN, MIKE HAS A PROVEN RECORD OF CONSERVATIVE LEADERSHIP.

- First candidate for governor to ever be endorsed by Nebraska Farm Bureau.
- Cut property tax bill for city services on the average home. 5 years in a row.
- Gave up the Mayor's car, and stopped city cars from going home with employees.
- Endorsed by the Nebraska State Troopers Association, the NRA, and Nebraska Right to Life.
- Will fight to protect water rights for irrigators.
- Raised on a dairy farm.
