United Way

Campaign to kick off Friday, Sept. 24

The 1999-2000 United Way Campaign is underway. The campaign kick-off is set for Friday, Sept. 24 at 10 a.m. in conjunction with the Chamber Coffee. The event is to be held in the Peterson Fine Arts Building on the Wayne State College campus. Dr. Sheila Stearns, WSC President, will host the event.

This year's goal is to reach \$28,000 which will assist 16 non-profit organizations in the city of Wayne.

Those organizations receiving funds include Wayne Senior Center, Prairie Hills Girl Scouts Council, Mid-America Council of Boy Scouts, PAL (People Are Loved), Kinship, Red Cross, Haven House, Wayne Department of Recreation and Leisure Services, Rainbow Riders, Goldenrod Hills Community Services Head Start, Wayne Community Carriage House Theatre, Wayne City Ministerial Association, Wayne Child Care Board/Rainbow World, Salvation Army, Wayne FRIENDS, and Wayne County Museum.

The mission of the campaign is to

help meet the human service needs of the community through the solicitation and distribution of donated resources.

For the past 43 years the Wayne United Way has provided a cost effective way to raise funds for a number of agencies serving the Wayne area. Since funded agencies incur no fund raising expenses, the maximum amount of funds are available to provide agency services. All of the board members are volunteer.

The board of directors for the organization includes Duane Blomenkamp, Don Buryanek, Miron Jenness, Joel Ankeny, Mary Kranz, Sandy Bartling, Doris Dantets, Paula Schwarten, Bonnie Scranton, Dave Lebsack, Lance Webster, and Mike Bentjen.

United Way agencies also need volunteers. Agencies can be contacted for more information about their services or to volunteer your time and talents. Board members can be contacted for more information on United Way.

WSC invites alumni for Homecoming

Wayne State College Homecoming '99 includes two unique features amid a colorful array of activities for alumni and students, Oct. 1 and 2.

One attraction, the 1949 football team, will be back to celebrate the 50th anniversary of their undefeated season. Another feature, the American premier showing of "Café Zeitgeist," will be performed in Ley Theater on Friday, Oct. 1 at 8 p.m. by WSC students. Emmy-nominated playwright Bernard Kops will engage the audience in discussion following the performance.

"All alumni and friends are invited to return to the beautiful Wayne State College campus to celebrate Homecoming '99. Come to Wayne to see friends and participate in the activities planned for your return. Call a friend and tell them you want to meet them here at Wayne State,"

said Lea Clausen, director of development at WSC.

The dedication of the studio arts building is another significant event happening during homecoming weekend. Clausen said the public is encouraged to attend the ceremony on Friday at 4 p.m.

Annual events planned by the WSC alumni association, the bonfire and pep rally will involve cheerleaders, band members, students, coaches and alumni.

Activities will be in the tennis court area, located on the northeast part of campus on Friday evening from 8:30 to 9 p.m.

"In addition to our annual activities, we encourage people to attend 'Café Zeitgeist' because of its historical significance," Clausen said.

"Café Zeitgeist" is set in Hungary during the Holocaust years. The play explores the plight of the Gypsies (Roma).

Yesterday's ladies

Nineteen models modeled clothes from the late 1800's and early 1900's during the Wayne Hospital Auxiliary's Style Show on Sunday. The clothes are part of Susan McLain's collection. Mrs. McLain provided a fashion commentary on each outfit during the event which raised approximately \$3,000 toward the purchase of a vital signs monitor for PMC.

Bernard Kops, an Emmy-nominated English playwright, will come to Wayne during Homecoming weekend to comment on his play.

In past years, Kops has become involved with the Roma (Gypsies) of Eastern Europe, as is reflected in the play, "Café Zeitgeist." His involvement was sparked by a trip to Hungary in 1995, where he worked closely with children from the Gandhi Secondary School (the only secondary school for Roma in Europe).

"Café Zeitgeist" will also be performed at WSC on Oct. 2, 3 and 4 at 8:30 p.m., 2 p.m. and 8 p.m., respectively.

For more information, please call (402) 375-7209.

Scholars of London to perform at WSC

The Scholars of London will perform international selections which span five centuries of madrigals, folksongs and sacred music from the renaissance, classical and romantic periods. The performance is the season's first for the Black and Gold series. The show will be in Ramsey Theatre, located in Peterson Fine Arts Building, on the Wayne State College campus on Wednesday, Oct. 13 at 8 p.m.

Since 1970 The Scholars of London have given over 2,500 professional concerts in more than 50 countries, a record which can be rivaled by few ensembles in the field.

The group has performed in many of the world's most famous concert halls, from New York's Lincoln Center, London's Royal Festival Hall and the Sydney Opera House to smaller, more intimate

venues such as Wigmore Hall in London and the Brahmsaal in Vienna.

The name "Scholars" derives from the fact that the original members of the group all won scholarships to Cambridge University to sing in the famous choir of King's College Chapel. Thus the Scholars of London began as an all-male ensemble, but as early as 1972 the group changed to include a female voice, adding a new dimension to both sound and repertoire.

Founding members are David van Asch, bass, and Robin Doveton, tenor. They were joined by Kym Amps, soprano, in 1983 and Angus Davidson, counter tenor, in 1986.

Scout roundup set

Important values and ideals such as self reliance, dependability, care, bravery, honesty, trustworthiness, respect for others and the environment can be learned from Cub Scouting.

Wayne Cub Scouts Pack 174 will be having a recruitment "roundup" on Thursday, Sept. 30 at 7:15 p.m. at the Wayne Elementary School gym.

Strong morals and values can be part of a safe, structured, nurturing environment which fosters motivation to learn and discover for a Cub Scout. Cub Scouting is offered to boys in first through fifth grades.

Pack 174, chartered by Our Savior Lutheran Church invites area parents and sons to become part of

one of America's leading values-driven organizations. The Cub Scout program is a valuable resource that can help families accomplish worthy goals while building and strengthening relationships within the family.

"When Ransen first came home from school and said that he wanted to join the local Cub Scout pack, I thought, 'Oh no-another activity,'" said Dave Broders of Wayne. "But Cub Scouting is not just another activity. In fact, the values and skills taught in Cub Scouting support what I've been teaching him at home."

ing volunteers before and during the meal and money toward the event. In addition, members will be painting the loading ramp used by the riders on Sunday.

All money raised from the ride-a-thon activities will be used to purchase horses and supplies for the program.

Rainbow Riders Therapeutic Horseback Riding has been in existence for approximately 10 years.

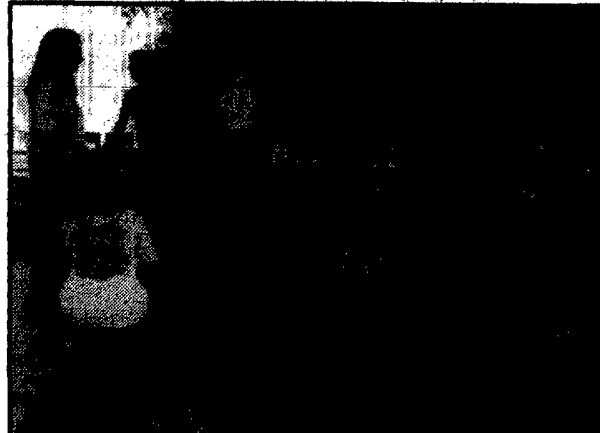

This year, six riders benefited from the service. In addition approximately 30 volunteers, both youth and adults, assisted.

Riders generally ride for one hour a week from June through August.

Twenty riders have already signed up for next year's program so additional horses and volunteers are needed.

Volunteers need to be at least 12 years old to help with the program. Those ages 12 to 15 help with saddling horses, grooming and tack changes. A volunteer needs to be 16 years old to lead or be a sidewalker.

Dealing with problems

By Ed Howard
Statehouse Correspondent
The Nebraska Press Association

Politicians have expressed concern, business interests have pointed with alarm, minority groups have hollered for fairness and the governor has appointed a committee.

Put these things together and what you get is at least the possibility that some realistic proposals might some day be offered for dealing with a troika of problems centering on:

1. People who enter the country illegally and take jobs at packing plants.

2. The problems that enforcing the immigration laws may be causing meatpackers, the people who work for them, and livestock producers.

3. The fact that some packing plant workers claim they suffer shameful conditions on the job. These range from having to urinate in their clothing because they can't, as a practical matter, get a toilet break; to the fact that such work is dangerous and provides comparatively lousy pay.

The first time I heard a joke about what were then called "illegal aliens" I was in Austin, Tex. It was more than two decades ago. Some Texan said: "Son, if it weren't for 'illegals,' there wouldn't be a fence post standing in Texas!"

The issue no longer involves fence posts, even the unfathomable number in the Lone Star state. It involves a major economic issue; and because of the economic issue, what many see as a human rights issue gets a piggy-back ride onto the public agenda.

Before pointing a columnizing finger at any of the parties involved, let me offer two thoughts, each offered (honestly) with constructive intent.

1. Policymakers could just drop all the hokum, stop worrying about how to balance political safety against various public interests, and do the obvious. Get the feds to create a special visa for those who are going to work in specific packing plants for a specified period. Everyone get off the gibberish about "illegals" taking jobs from Americans. If American citizens wanted those jobs, they

would take them. They don't want them. What are now referred to with political correctness as "undocumented workers" probably wouldn't want those jobs either, if they didn't pay better than what they could get back home, wherever their homes. Call me a liberal or a conservative, but personally, I admire the guts it takes to do those meatpacking jobs in hopes of better things for yourself and others. Hang up the hypocrisy. Give 'em the visas and the depressing, dangerous, back-breaking jobs; and tell them up front how long they can stay here to do them, and/or how they might qualify for citizenship.

2. Policymakers could maintain a political safety net by doing a Clinton.

You know, adopt a "DON'T ASK! DON'T TELL!" policy toward people in certain occupations. Uh, like meatpacking! As long as some hardworking soul doesn't dance in the street, yelling, "I ain't got no Green Card! I ain't got no Green Card!" that person could keep on

keeping on in the meatpacking gig. In fact, they could even dance in the street and yell the aforementioned slogan; presumably, so long as they didn't do it in English.

It's understandable that cattle and hog producers cringe when a packing plant is disrupted when workers are hauled out.

It's understandable that citizens, or others in the country legally, cringe at being caught up in federal attempts to snag those who are in the country without proper documentation.

If you understand anything about the history of American business, you certainly understand that meatpackers (like auto manufacturers and all other manufacturers) generally want to be able to depend on a work force, when they want one.

It is also understandable, if you have a conscience (secular or spiritual), that the people who work in these plants would like some EFFECTIVE governmental guarantee (unions aren't really an option hereabouts) of a modicum

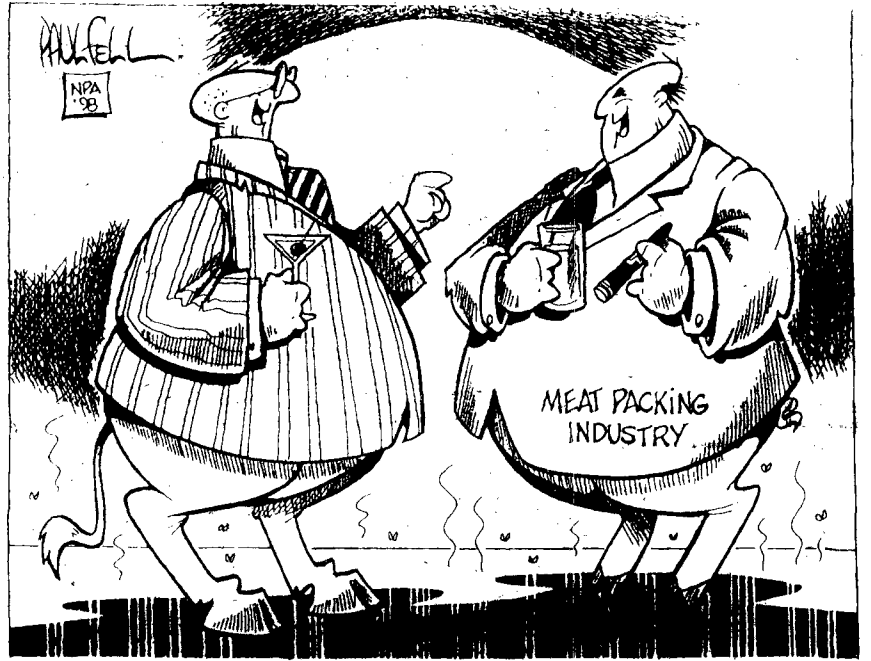

of dignity and safety in the workplace.

It would be worth the politically incorrect humor that would come with it, if special work visas, guaranteeing a defined period of hassle-free work for laborers and plant managers, could be agreed upon.

Larry Leno might refer to them as PLO (Permits Lousy Occupation) passports. If Lenny Bruce were alive, he might designate them as DOG (Dangerous Occupation Grunt) visas.

What a good many Americans, of the North, South and Central variety, might find refreshing is a practical proposal for a solution.

A series of studies, investigations, hearings, reports, blabber-fests, true confessions, professions of faith (in God, man or capitalism) won't do anything to improve the conditions of laborers, the climate for business or what remains of public respect for the ability of public officials to solve a problem - unless some realistic action is taken to facilitate those improvements.

Home heating costs could be cut

Weatherization program can help

Goldenrod Hills Community Services has a Weatherization Program that can help people with their monthly heating and cooling budget.

The GHCS Weatherization program provides for the installation of energy saving material and practices to homes to cut down on fuel usage. This program alleviates the ever-increasing costs of heating and cooling the homes of Nebraska's low-income residents. It's a long term solution to the high costs of heating consumption, both to individuals and the environment.

For those who qualify, the GHCS Weatherization Program can add insulation to sidewalls and attics, replace exterior doors, thresholds and door sweeps on existing doors, add weather stripping to windows, and replace broken window glass.

Statistics for the state of Nebraska estimate that heating costs can be lowered by 16-33 percent by the installation of these weatherization practices. For the average home owner or renter, this can amount to a savings of an estimated \$75 a month or \$900 a year.

"Insulation is a big dollar item," says GHCS Weatherization Director Alice Brand. "The state believes that most cost savings is realized through insulation than all other weatherization practices combined."

The GHCS Weatherization Program is open to those living in a 14-County area in Northeast Nebraska, including Antelope, Burt, Cedar, Cuming, Dakota, Dixon, Dodge, Knox, Madison, Pierce, Stanton, Thurston, Washington and Wayne Counties. Both home owners and home renters may apply for Weatherization assistance. Permission is required from the landlord for those who rent. To qualify, applicants must fall

under the 130 percent poverty guidelines as outlined by the Weatherization Program. For a four-person household, for example, monthly income cannot exceed \$21,710.

1 person household	\$10,712
2 person household	14,378
3 person household	18,044
4 person household	21,710
5 person household	25,376
6 person household	29,042
7 person household	32,708
8 person household	36,374

Individuals who receive assistance from programs such as Aid to Dependent Children, Energy Assistance and Supplemental Social Security Insurance, are also eligible for the Weatherization Program.

For more information about applying for the Weatherization Program, contact Alice Brand at the Wisner GHCS Corporate office at 402-529-3513.

Many households have benefited from GHCS Weatherization program assistance in the last 15 years. More than 900 homeowners/renters in Norfolk, for instance.

In the past year, there were 32 homes weatherized in Antelope County, 17 in Burt County, 12 in Cedar County, 11 in Cuming County, 39 in Dakota County, eight in Dixon County, 47 in Dodge County, 37 in Knox County, 48 in Madison County, 12 in Pierce County, 10 in Stanton County, 12 in Thurston County, eight in Washington County, and 14 in Wayne County for a total of 301

homes in the GHCS 14-County service area.

The Weatherization Program is funded by a federal grant from the

Department of Energy and the Low Income Energy Home Assistance Program, administered by the Nebraska Energy Office.

Seeking repeal of city parking ban

Dear Editor,

In an effort to make Wayne a better place to live, we have submitted a Referendum Petition to the city of Wayne seeking the repeal of the midnight to 5 a.m. parking ban on Wayne residential streets.

I would like to thank each one of the 814 Wayne residents who signed the petition so that their "voice" could be heard by city hall. I would also like to thank Bryan Baumgart, a junior at Wayne State College, who gathered nearly all of the signatures. Bryan is a bright and intelligent young man who spent countless hours knocking on doors, visiting with residents and verifying signatures at the courthouse.

We believe that the results of our referendum drive establish the need for the repeal of the current midnight to 5 a.m. parking prohibition. The most common argument raised during our petition drive is the fact that there simply is no good reason to justify such a parking ban.

Many things have greatly changed since the parking ban went into effect in 1961. We now have milder winters and snow removal could be addressed using much less-restrictive methods. This can be seen in nearly all of the neighboring communities and comparably-sized cities throughout Nebraska.

The college has increased its parking capability several times in the past few years, thus relieving parking pressure on the streets around the college.

There are more cars per family. This can have a detrimental effect on those citizens who have limited parking space.

Take a drive around Wayne and you will see many terraces and lawns ruined by residents' cars because there simply is no place to park.

We understand that short-term permission to "violate" the parking ordinance is sometimes available from the Wayne Police Department. However, some residents question the authority of our city police in allowing residents to violate the parking laws on any regular basis.

We attempt to promote "Tourism In Wayne," but where do our tourists and out-of-town guests park? Over the years, hundreds and hundreds have left with a souvenir of our city: a parking ticket. It's ridiculous, plain and simple.

We live in a fast-paced society. With 24 hour convenience marts, video stores, ATMs and more and more people working evening and night shifts, the midnight to 5 a.m. parking ban is outdated and a great inconvenience to city residents who are simply on-the-go in a busy and hectic world.

It was my vote and your vote that elected OUR city council and we entrust them to represent us. I hope that the Wayne City Council will "listen" to their 814 constituents and repeal the midnight to 5 a.m. parking ban, making Wayne a better place to thrive and survive.

Herbs for Health
Effects of Pennyroyal Oil
Unpredictable and Dangerous

A report in the medical journal *Pediatrics* describes the poisoning of two infants following ingestion of pennyroyal oil in certain herbal teas. Such teas may be used as home remedies, proving that all things natural are not safe. One infant died with liver failure, brain swelling, and nerve damage. The other infant developed liver problems and had seizures. The blood of both infants tested positive for pulegone and its metabolite, menthofuran, both poisonous constituents of pennyroyal oil.

Pennyroyal oil is present in two mint family plants (Labiatae). One species (*Hedeoma pulegioides*) grows in the northern and eastern US and Canada. Another species (*Mentha pulegium*) grows in Europe. Oil is extracted from the leaves and flowering tops of these plants and has found use, as a home remedy especially to induce delayed menses. The *Lawrence Review of Natural Products*, an authoritative reference on herbs, notes that pennyroyal's effects are "unpredictable and dangerous." One woman is known to have died after losing kidney and liver function after ingesting about one ounce of the oil.

Blue Devils to host own invite on Saturday Golf team winning

The Wayne girls' golf team enjoyed a very successful week with invitational victories at Blair and Albion along with a triangular win at Hartington.

Dave Hix's squad defeated Hartington Cedar Catholic and Pierce at Hartington's Country Club last Thursday with a 189 while runner-up Cedar had a 238 and Pierce, 283.

Monica Novak was medalist with a 40 while Kari Harder fired a 44 and Katie Nelson, 52 while Amy Harder netted a 53. Karla Keller also played varsity and finished with a 60.

The JV team defeated Cedar Catholic, 222-261. Lindsay Stoltenberg notched the best score with a 52 while Megan Summerfield and Kristin Hix each fired 56's. Karie Mitchell netted a 58 and Monica Boehle, 63.

Wayne captured the Blair Invitational last Friday with a 372 while Oakland-Craig placed second with a 379 and Elkhorn was third at 396 followed by Columbus Scotus at 415 and Gretna, 424.

Waverly placed sixth with a 431 and Arlington was seventh at 448 followed by Platteview, 477 and Blair "A", 485. Plattsouth was 10th with a 584 and Blair "B" rounded out the field of teams with a 595.

Junior Monica Novak had a birdie and eight pars en route to a runner-up finish individually with an 89 which was four strokes off the pace for first place.

Kari Harder edged freshman sister Amy for fifth place as each carded 91's. Karla Keller netted a 101 and Katie Nelson, 105.

"I was proud of our team for their management of the course," Hix

said. "Monica played well except for putting. She won a playoff for second place."

Hix said Kari and Amy had to play off for fifth and sixth place and Karla Keller lost a playoff for the final medal.

Hix said Karla's performance is really factoring into the Blue Devils solid performance as a team and Katie Nelson has been keeping the pressure on to round out a solid fifth position.

Saturday in Albion the Blue Devils cruised to a 23 stroke victory after carding a 376 while Albion was second at 399.

Oakland-Craig was third at 400 and Broken Bow placed fourth at 412 followed by Schuyler at 418.

Seward placed sixth with a 429 and Lakeview was seventh at 436 while Pender netted a 442 and O'Neill, 443. Battle Creek finished

10th at 510 and Albion JV's, 11th with a 520 while Stanton was last with a 597.

Kari Harder lost a playoff to Lakeview's Nicole Janssen for medalist honors but the playoff went three holes.

"Kari had an excellent sand save on the second hole of the playoff," Hix said.

Harder netted a 90 for second place while Monica Novak's 91 was good for third. Amy Harder played off for fourth, fifth, sixth and seventh place with a 92 and she finished sixth.

Karla Keller finished with a 103 and Katie Nelson, 105.

Wayne will host its own invitational on Saturday. The Blue Devils have faced seven district teams to date and have beaten all of them by sound margins.

WSC out-gains Winona State, 383-381 Wildcats fall to 0-3

By Missy Pavlish
For the Herald

The Wayne State football team traveled to Bemidji State in Minnesota for their first ever Northern Sun Conference tilt last Saturday but lost 52-38, leaving the 'Cats 0-3 on the season.

The 'Cats enjoyed the first break of the game after Bemidji State botched a punt as the kicker picked up a low snap and his knee touched the ground at their own, five-yard line.

Elroy Brown found the endzone two plays later to give WSC a 7-0 lead at the 3:43 mark of the opening stanza.

Bemidji State didn't waste any time coming back. Two plays after WSC took the lead, Bemidji tied the game up on a 20-yard scoring pass.

Bemidji State took the lead with 36 seconds left in the first quarter on a five-yard run by Chris Meyer (his second score of the game.)

The second quarter was another seesaw battle, with WSC scoring on a Chaka Smith 21 yard pass to Herman Gordon. Nate Hale booted the extra point to tie the game at 14.

The host Beavers led 21-14 at the half following a 34-yard scoring pass with just 1:23 left on the clock.

"We were excited to get the opportunity to play in our first conference game," WSC coach Kevin Haslam said. "Our offense really worked as a team but our lack of focus on special teams is what killed us."

Bemidji State opened the second half with a 10 yard touchdown pass to Jason Leden in the first drive to push the lead to 28-14.

The 'Cats answered with a 63-yard drive capped off with a 34-yard pass from Jaime Jones to Tavaris Johnson and the score was 28-21 with 2:31 left in the third quarter.

Bemidji State needed just 23 seconds to answer WSC's drive with a 44-yard scoring pass and a 35-21 advantage.

The track meet continued as WSC would drive 59 yards on its next drive with Elroy Brown plunging over from a yard out.

One of the back breakers for the 'Cats came on the ensuing kickoff, as the Beaver's Drew Wilson broke

loose and returned the ball 79 yards for a touchdown and the Beavers led 42-28 which was how the score stood after three.

Each team scored 10 points in the final stanza. WSC fell behind 49-28 after a short touchdown run by the Beavers.

The 'Cats scored on an Elroy Brown one-yard run (his third one-yard TD run of the game) with 10:17 remaining in regulation.

The 'Cats final score came on a 36-yard field goal by Brian Johnson with 2:59 left.

The 'Cats won the total yardage game by two, 383-381.

Jaime Jones was one of the busiest Wildcats on the day. Jones carried the ball 12 times for 58 yards and passed for a total of 255 yards, com-

pleting 23-of-43 passes with two interceptions.

Herman Gordon caught nine passes for 66 yards and one touch-

down and Chaka Smith had six catches for 66 yards for WSC.

Jones led the ground game with Elroy Brown gaining 42 yards on 21 carries.

Defensively the 'Cats were led by Joe Scheppers and Mike Baker with 11 tackles each, while Antonio Jackson had seven. Brian Gohr, J. Bratcher, John Bohan and Yano Jones had five each. Jones also recovered a fumble with Scheppers, Gohr, Bratcher and Bohan each recording a quarterback sack.

This Saturday WSC is on the road again playing Winona State of Minnesota with kickoff slated at 1:30 p.m.

Winona St. comes into the game with a 2-1 record. The Warriors defeated WSC last season in Wayne, 23-13.

Winona defeated Moorhead State last Saturday, 21-17 and have won the conference title the past two seasons.

Both WSC and Winona are averaging over 350 yards per game on offense and both are scoring 28.7 points per game.

The difference to date has been on defense where the 'Cats are giving up 560 yards per game and Winona State, 382.

Blue Devils down North Bend, 35-28 Wayne moves to 2-1

The Wayne Blue Devils football team improved to 2-1 on the season with a high scoring 35-28 decision over North Bend last Friday in North Bend.
John Murtaugh's squad scored 28, first quarter points, then held on for the win.

The host team cut the gap to eight at 21-13.

Keller and Schmeits teamed up again late in the first quarter on a 76-yard scoring pass to give Wayne a 28-13 lead after the opening stanza.

North Bend scored the only points in the second quarter on a 46-yard run by Jeff Phelps and Wayne led 28-21 at the half.

The Blue Devils scored on another long pass play in the third quarter as Ethan Mann scored on a 54-yard pass play from Keller. Early in the fourth quarter however, North Bend answered with a score to cut the gap to seven at 35-28.

Both teams were held scoreless over the final 10 minutes.

"It was a nice win," Murtaugh said. "I am very proud of the kids. They prepared well and on game night they played with emotion."

The Wayne mentor said his offensive line did a good job of giving Klinton time to throw the ball. "Our passing game was one of the keys to us winning the game," Murtaugh added.

Keller was 5-15 through the air for 277 yards and three touchdowns.

Schmeits had two receptions for 143 yards and Mann had one for 54 while Gabe Hamner had one catch for 42 yards and Joel Munson, one catch for 38 yards.

Munson ran for 108 yards on 20 carries to push his season total after

three games to 456 yards.

Trevor Wright had 26 yards on the ground and Keller rambled for 27 yards.

Wayne finished with 415 total yards while North Bend had 388 including 319 yards rushing.

Trevor Wright paced the defensive charge with 18 total tackles while Adam Jorgensen had 13 and Shane Baack, 12. Jason Belermann netted nine tackles and Klinton Keller, eight while Ryan Haase and Craig Hefti netted seven tackles each.

Wright, Jorgensen and Haase each had two tackles for losses. Wright, Munson and Keller each had a fumble recovery for the winners.

Wayne will play at Utica Centennial on Friday night.

'Cats to open conference play this weekend WSC soccer team perfect at 5-0

The Wayne State women's soccer team won a pair of matches last week to improve the 'Cats record to a perfect 5-0.

WSC defeated Buena Vista, 6-0 and Sioux Falls, 4-0 in back-to-back shutouts.

Sarah Herrick scored four goals and took 14 shots to lead the 'Cats over Buena Vista.

Abbey Kalblinger and Melissa Abernathy also scored goals for the winners who outshot the host team by a 40-0 margin.

At Sioux Falls goals were scored by Herrick, Jackie Arnold, Carissa Garcia and Alana Pfeffer. WSC took 30 shots in that match compared to just two by the host team.

In Saturday's game at Sioux Falls, Sarah Herrick broke her own single-season scoring record with 12 goals. Herrick leads the team in goals scored and with 59 shots attempted.

Herrick was chosen as Nebraska's Division II Soccer Player of the Week for her efforts.

The 'Cats led Buena Vista, 2-0 at the half before scoring four times in the second half.

"Despite the score I didn't think we necessarily played that well," coach Justin Cole said. "We made a

lot of mental mistakes and fortunately, we played a team that allowed us to get away with that."

Cole credits Sarah Herrick for her maturity in leading the young 'Cats and he feels a major difference in this year's squad is the strength in the middle with Mary McDaniel, Abbey Kalblinger, Sara Zimmer and Becky Woelfel.

"They've really enabled us to pressure the opposition and keep the ball on their half of the field," Cole said.

In WSC's 4-0 win over Sioux Falls the game was knotted at zero at the half.

"It was a nice win for us," Cole said. "This is a really exciting time for Wayne State soccer. We've had a great non-conference season and I hope we can take that momentum and continue to improve as we enter the conference half of our schedule."

WSC will open Northern Sun play this weekend against Northern State and Minnesota-Morris. "Both these teams were picked ahead of

us in the conference standings," Cole said. "It should provide some quality tests for us but we're excited and anxious to play."

Sarah Herrick moves the ball into scoring position for the Wayne State soccer team during a recent contest. Herrick was named the Division II player of the week recently.

Wayne beats Pierce spikers

Joyce Hoskins' Wayne volleyball team improved to 5-5 on the season with a 15-10, 15-2 victory over Pierce last week in Pierce.

Leah Dunklau had 17 set assists to lead the setters and Brittney Frevert notched a team-high two service aces. Mandy Hansen was a perfect 14-14 in serving and Ellis was 10-10 with an ace. Kristin Wilson was 6-6.

"I was extremely pleased with the way the girls came together as a team and finally clicked," Hoskins said. "They communicated well and

that made the difference."

Wayne's JV team fell to 3-4 on the season with a 9-15, 15-11, 8-15 setback to Pierce with Malissa Fredrickson leading the Blue Devils with 10 points while Erin Jarvi had five.

The freshman team won, 15-9, 11-15, 15-2. Missy Nissen was 13-13 in serving and they were consecutive while Alissa Dunklau was 13-15 with one ace. Britni Bethune was credited for having a solid net game.

Allen quarterback Micky Oldenkamp looks for an open receiver during Allen's game with Newcastle last Friday. The Eagles fell to 0-3.

Allen falls to 0-3

The Allen football team fell to 0-3 with a 60-13 setback in the home opener against Newcastle last Friday night.

The Eagles fell behind 32-0 in the second quarter before Joe Sullivan scored on a 40-yard touchdown run. Sullivan later scored on a blocked punt in the endzone but Allen still trailed 44-13 at the half.

"I'm proud of our kids," Allen coach Doug Wernhoff said. "They never gave up and refuse to quit and I admire that."

"Our biggest highlight came on a goal line stand in the fourth quarter after Newcastle had a first-and-goal on the two-yard line," Wernhoff added. "The score may not show it

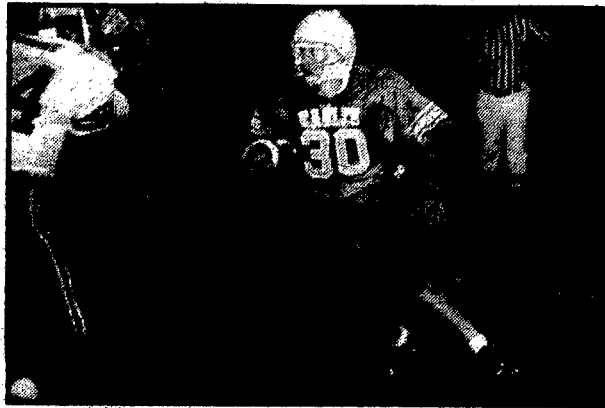

but we've improved each week." Adam Gensler had 45 yards rushing to lead Allen while Joe Sullivan rushed for 32 yards. Micky Oldenkamp was 0-9 through the air.

Oldenkamp led the defense with 17 total tackles with Joe Sullivan netting 11 and Adam Gensler, 10. Bryan Gotch finished with nine tackles and Jeff Robinson, eight.

"The biggest thing we need to work on is ball control," Wernhoff said. "We need to take better care of the ball."

The Eagles did get a nice return game from Joe Sullivan who finished with 155 yards on kick returns.

Allen will play host to Wausa on Friday.

Laurel spikers win their sixth

The Laurel-Concord volleyball team defeated Plainview, 16-14, 15-7 last Thursday night which improved the Bears record to 6-1.

Patti Cunningham said her team played very timid early in the match as Plainview built an 11-3 lead before the Bears roared back.

"We played with more confidence after we fought back to win the first game," Cunningham said. "Blocking and floor play were key elements in the second game. We were able to adjust our defensive scheme to cut down on the effectiveness of Plainview's middle attack."

Lani Recob paced the hitters with 12 kills on a perfect 26-26 performance while Brittany Burns was 21

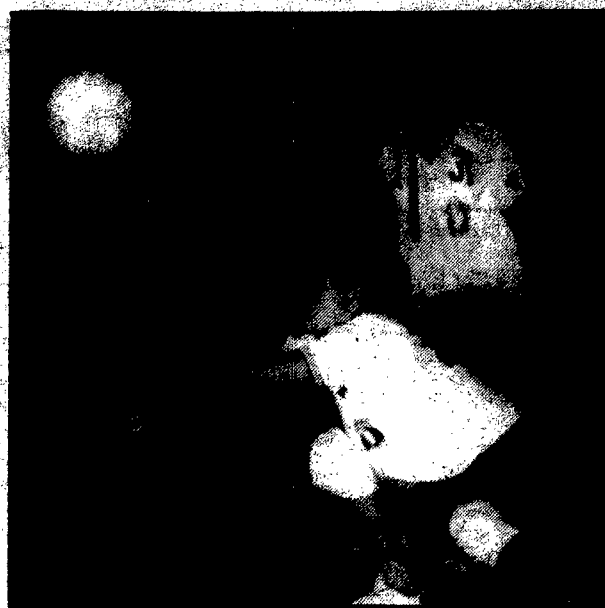

with nine kills and Jenny Demuth, 11-12 with seven ace hits. Kari Stewart was 81-81 in setting with 29 assists with the serving ratio at 90 percent on 45-of-50 attempts.

Kyle Burnes was 13-13 with two aces while Tori Cunningham was 10-11 with two aces and Melanie Thompson, 4-5 with two aces.

Jenny Demuth led the team on defense with five digs while Kari Stewart and Kylie Burnes had four digs each. Burns had eight blocks to lead the defensive charge at the net.

Laurel's JV team improved to 4-0 on the year with a 15-7, 15-9 win and the "C" team improved to 4-0 with a 15-1, 15-5 victory.

The Bears will play at Pierce on Tuesday.

Lani Recob returns a serve from Plainview during action last Thursday in Laurel.

Trojans lose to Tigers

The Wakefield Trojans football team fell to 0-3 on the season with a 39-22 setback at Osmond last Friday night.

Wakefield fell behind 33-0 before they mounted a second-half comeback that resulted in a 22-6 scoring advantage.

"We just had too many missed responsibilities in the first half," coach Justin Smith said. "We have a hard time coming out of the gate strong. The second half was more indicative of the type of team we should have."

Smith said the rest of the season

will depend on how intense his young players can play.

The Trojans loss however, couldn't offset the outstanding performance of running back Toan Nguyen who rushed for 224 yards on 33 carries while scoring two touchdowns.

Todd McQuistan was 9-24 through the air for 116 yards and a touchdown with Kurt Thompson catching two balls for 61 yards and a score.

Jason Simpson led the defensive charge with nine tackles. Wakefield will host Homer on Friday.

Runners succeed

Wayne State thinclads Darr Nickerson and Marsha Krienke both broke 20 minutes for 5,000 meters for the first time at the Woody Greeno/Nebraska Invitational last Saturday.

Nickerson, a junior from Scottsbluff, lowered her personal best for that distance by over a minute to 19:53.1, while Krienke, a senior from Pierce, lowered her personal best by nearly 30 seconds to 19:57.0.

They placed 58th and 63rd, respectively, out of 233 finishers.

"Darr and Marsha really had great races," head coach Brian Kavanaugh said. "This is not a particularly easy course—we've never had anyone break 20 minutes on it before. They trained really hard this summer, and they're starting to see the payoff from all that hard work."

Next in for the Wildcats was sophomore Jamie Kluthe, clocking 22:12.6 for 169th place. Junior Shannon Short followed in 22:16.2 for 171st place, followed by freshmen Elly Harder (22:43.6, 186th) and April Sachau (22:43.9, 187th).

Junior Jeana Luebbe was the seventh runner in for WSC (25:25.6, 200th), followed by sophomore Tammy Burnham (26:28.2, 227th).

As a team, the women scored 357 points for 14th place. The University of Nebraska-Omaha won the meet with a low score of 54 points.

"This is probably our best showing as a team at this meet," Kavanaugh noted.

"There are a lot of nationally-ranked teams from NCAA Divisions I, II and III plus the NAIA."

For the men, sophomore Andy Tucknott led the charge to a 34th place showing in 26:55.2, 3000 meters.

"Andy just keeps getting better," said Kavanaugh. "He was nearly a minute-and-a-half faster than last year."

Next in for the Wildcats was freshman Dana Rider, clocking 29:04.1 for 128th place. Sophomore James Bruhn placed 156th in 29:53.9, followed by senior Brad Hrouda (30:06.0, 162nd), and freshmen Dustin Lippman (30:30.2, 172nd)

and Chris Meyer (32:05.2, 191st).

In the team standings the men placed 12th overall with 355 points. Truman State, ranked 15th in NCAA Division II, edged #7 Central Missouri St. 50-51 for the title.

"We need our second through fifth runners to step up and close the gap between them and Andy," Kavanaugh said. "Once that starts happening, we'll beat quite a few teams."

The Wildcats compete next at the Dean White Invitational Saturday, September 25, in Crete, followed by the South Dakota Open October 8.

Winside football players gather around one of their coaches during a timeout during the Wildcats setback against Emerson-Hubbard last Friday.

Winside loses home opener to fall to 2-1

The Winside football team suffered their first loss of the season last Friday night in the home opener against Emerson-Hubbard, 35-0.

The 2-1 Wildcats were limited to just 101 total yards of offense while giving up 330 yards to the Pirates.

"We had some fundamental breakdowns and we didn't seem like we were too focused," coach Terry Bear said. "The kids played hard but we weren't in a position to make the plays when we had to."

Emerson-Hubbard scored its first 22 points off Wildcat turnovers in Winside territory.

Jon Jaeger led Winside with 19 yards rushing while Adam Hoffman was 8-21 through the air with two interceptions and 88 yards.

Ben Lienemann caught four balls for 28 yards and Mike Deck, two for 45 while Justin Koch had one reception for 15 yards.

Defensively, Winside was led by Eric Vanosdall with 12 tackles and Jeremy Jaeger with eight while Jon Jaeger, Mike Deck and Gernin Miller had seven each.

Winside will play at Osmond on Friday night.

Laurel football team improves to 2-1 with thumping of Neligh

The Laurel-Concord football team won their second straight game after a season-opening loss as Tom Luxford's Bears dismantled Neligh-Oakdale, 49-6 last Friday in Neligh.

The Bears first score came on a 21-yard run by Ross Gardner. David Asbra ran a punt block back seven yards for the second score to give the Bears a 12-0 lead after one quarter of play.

Gardner darted in from three yards out in the second period to give the Bears an 18-0 lead before Matt Schroeder caught a 50-yard scoring strike from Nathan Beckman for a 24-0 lead.

Gardner scored his third touchdown of the half on a one-yard run to give the Bears a 31-0 halftime lead.

Beckman scored on a four-yard run in the third period and Tyler Kvols sprinted to the endzone from seven yards out for a 43-0 lead after the third quarter.

Asbra scored on an eight-yard run in the four quarter to account for Laurel's 49 points.

"Our kids played a complete game and I'm proud of their effort," coach Tom Luxford said. "Our defense played extremely well and smart. We shut down their running game early and really disturbed their offense."

Luxford said his offensive execution was the best to date this season.

"I think we're getting better," Luxford said. "We have a tough game this week as we host 3-0 Crofton in a 7 p.m. Homecoming game."

The Bears rolled up 324 yards of offense while giving up 149. Chris Lackas rushed for 79 yards to lead the winners with Tyler Kvols gaining 39 and Ross Gardner, 31. Evan Smith rushed for 19 yards, Nathan Beckman, 14 and David Asbra, seven.

PARTNER COMMENT on Real Estate

Alan Stoltenberg, Broker
STOLTENBERG PARTNERS

WHEN IS THE BIG DAY??

Three major events take place from beginning to end in a house sale. The first step in the process is actually "listing" the house for sale. From that point on, the search for buyers begins in earnest. Ads, promotional activities, direct mailings, open house, and other activities are conducted by the real estate agent to attract buyers.

The second event is the signing of a purchase agreement. This is the agreement that specifies price, terms, closing and possession dates, and any other special provisions related to the sale. Once accepted and conveyed, both buyers and sellers are committed from this point on - subject only to provisions of the contract.

In preparation for closing, smaller events begin to unfold. Buyers may be working with a lender to gain final loan approval. The appraisal, termite inspection, and potentially a survey and home inspection are carried out. Title work is completed, loan approval finalized, and the actual closing date is set.

The final event is the closing itself. The sellers sign a deed to the purchasers, who in turn pay for the home. Closing statements and loan documents are also signed and possession is then delivered to the new homeowners.

Do you have questions concerning the sale of your house? Please give me a call.

Lifestyle

The Wayne Herald

Proper nutrition is important for health

Good nutrition is important for good health at any age. As we grow older, eating a variety of foods according to our physical needs is one step toward a healthy lifestyle. Eating healthy and staying healthy can be a challenge for some

nomic circumstances and social conditions make a difference in the way we obtain and enjoy food.

Changes in the senses of taste and smell can make food seem less appealing as we age. These changes might result in some nutritious foods being left out of one's diet. Certain medications also may change the way foods taste. If a recent medication change seems to affect your appetite, discuss it with your doctor.

In the digestive system, too, numerous changes occur during aging that can affect nutritional well-being. Teeth loss and a dry mouth make chewing and swallowing more difficult. Stomach acidity and digestive enzymes decrease slightly with age, which affects how well we use the foods we eat. You can work through these problems by discussing them with your doctor or a dietitian.

Without a habit of regular physical activity, many people become less mobile in their older years. Less physical activity means less need for energy. If we continue to eat the same amount of foods as in younger days, weight gain can be a problem. On the other hand, reducing food intake to avoid weight gain could lead to missing important nutrients if meals aren't carefully planned.

While physical changes affect the appetite, other things will help maintain it: eat regularly each day, get regular physical activity, vary food choices and find ways to eat with others.

As people age their resources for food purchases may shift or they find that cooking for one or two is more difficult than when they cooked for an entire family. There are several agencies and programs available to help plan or obtain meals that fit your nutritional needs while fitting your food budget.

Check out your local senior meal sites, other senior services, or a Cooperative Extension office for help.

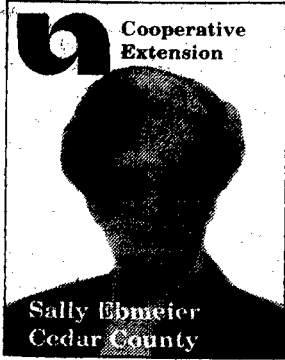

The social aspect of foods is a major factor affecting nutritional well-being of older people; foods simply taste better when we eat and enjoy meals with others. If you must eat many meals by yourself, take extra steps to make them special.

Use a centerpiece to add brightness to your table or serve your meal on a tray and take it to a bright sunny spot in your house. Get out some special dishes that are pretty and bring happy thoughts.

On occasion, invite someone over to share a meal with you, meet a friend for lunch, or check out the meals and activities at the senior centers in your area. If you have difficulty getting out, there are services that can help with your transportation or that can bring meals to you.

Your community may have many nutrition services to offer. The important thing is to take whatever positive steps you need to stay nutritionally fit and healthy.

New Vaccine Protects During Tick Season

Since bites of certain ticks can cause Lyme disease, protection against bites is important. Use an insect repellent before going into grassy or wooded areas where ticks may thrive. And wear long pants and shirts with long sleeves to help keep ticks from reaching the skin.

The bite of the tick that carries Lyme disease typically involves redness that is usually followed by flu-like symptoms - including chills, fever, and lethargy. The bite victim may experience headache and/or joint pain. Although antibiotics are available to treat infection, prevention of Lyme disease with a new vaccine called LYMERIX is considered by many to be a better approach. Results of studies involving over 10,000 persons at risk of getting Lyme disease indicated that 75 to 100 percent of those who received the vaccine were protected.

OLD SETTLERS

Volunteers on the Wayne County Old Settlers Committee met on Sept. 7 with only four in attendance. The 100th celebration of the event will be held at Winside the weekend of June 23-25, 2000.

A search will be made to see if a carnival would be available for Saturday, June 24, and also fireworks as a grand finale on Sunday, June 25. More volunteers and ideas are needed to make this 100th celebration the best it can be!

Foremost at this time is making the public aware that Highway 35 will be closed between Hoskins and Winside. Creative slogans and symbols are needed to "catch the eye" that lets people know that Winside can be accessed via alternate routes.

The Art Department at the Winside Public School will be contacted to lend its hands to a project of recognition. The public is invited to submit suggestions to any committee member so they may be given to the school for reference and creation.

Secondly, a catchy theme for the 100th celebration is needed which will encompass past, present, and future events and activities of this celebration. Suggestions may be given to any committee member as well.

Committee members include Randy Marks, Carmie Marotz, Patti Skokan, Kathy Prince, Connie Oberle, Virgil and Gene Rohlf, Cynthia Frevert, all of Winside, and Beverly and Laura Neel of Wayne. Veryl Jackson is coordinating the history of the celebration with the Scattered Neighbors Club of Winside.

The next meeting will be held on Thursday, Oct. 7, 1999 at 7:30 p.m. at the old firehall on Main Street in Winside. More volunteers present at this meeting would be appreciated.

WEEKLY HEALTH TIP

Insect Repellent

The most widely effective repellent to ward off ticks, flies, and mosquitoes, etc. is DEET. Under normal circumstances insect repellent containing 10% to 35% DEET should be sufficient. For camping or hiking in the woods a 40-50% product is needed and should be reapplied every four hours. The American Academy of Pediatrics recommends that children use repellents that are no more than 10% DEET.

Conference prompts compassion

I seem to have a tendency for fire alarms in big buildings this year. In April, while attending the Nebraska Hospice Association conference in the East Union on the UNL campus, a fire was reported in the kitchen. We were all evacuated, downstairs, of course, no elevators; and stood outdoors for about 30 minutes. It wasn't so bad, but I felt sorry for the speaker. It was hard to recapture the mood when we got back in.

This past Friday, the Nebraska Polio Survivors Association held its annual conference at the Embassy Suites in the Old Market in Omaha. I knew I couldn't stay for the whole thing; but pulled up in front at a quarter of nine to catch the first speaker, a physician from Syracuse, NY.

As always, when I attend these conferences, a wave of compassion comes over me when I see the wheelchairs, scooters, crutches, and breathing machines assembled in one place: The enormity of the

The Farmer's Wife
By: Pat Meierhenry

effect of this disease always hits me full force then.

The Embassy is wonderfully accessible, with valet parking. I entered the lobby just as flashing lights started flooding, and a voice proclaimed over the loudspeaker, "There is a fire in the building. Please evacuate." Believe me, this was not a hurried evacuation! But it was orderly. There was no evidence of panic.

I ended up standing near an entrance column with two middle-aged ladies. The smaller one of the two had Canadian crutches. I said I would go back in and get a chair. She declined, and somehow got herself on a ledge about four feet off the ground.

When I asked how she did that, she laughingly replied, "I'm a polio survivor." I thought of a speaker at one of the past conferences who said post-polios were type A personalities in type C bodies.

Anyway, it turned out she was from Niagara Falls, Ontario, and had met the gal who writes the monthly column for the NPSA newsletter on the Internet. So I got to meet Millie Malone, too.

Eventually, we were allowed back in. I heard the lecture and saw the slides. Then I got back in my car to go see a patient, thanking God again for extremities that move and lungs that breathe in and out on their own. We all need an hour or two of reality check once in awhile. Polio survivors are amazing people!

Don't Make This A Familiar Sight in Wayne

Don't make this a familiar sight!
 Most stores close because local people did too much shopping out of town. In fact, there are many cases where most of the retail businesses in a community have closed.
 If that were to happen in Wayne, who would be left to pay this community's taxes? The empty store fronts wouldn't be able to pay their share.
 Who would be contributing work and money toward local groups and projects that we all are interested in?
 Keeping Wayne healthy is everyone's responsibility & the results benefit us all.

Company's 50th year celebration by honoring other business/farms that have been around 50 years. The club is looking for members to serve on a committee to plan appropriate activities next summer. Volunteers included Sue Banholzer, Lefty and Sylvia Olson and Phyllis Swanson.

The usual reports from school, city, library, care center and other groups were heard. Following the meeting, Jennifer Widner took interested members on a tour of the remodeled areas of the school and the new classrooms.

BARNS OF DIXON COUNTY CALENDAR

For the second year, the art class at the Wakefield School has embarked on a project of preserving history in the area. Under the direction of instructor Kirby Mousel, the students have been sketching buildings and creating a calendar.

The 1999 Calendar was of historical buildings and homes in Wakefield. The 2000 Calendar features Barns in Dixon County.

Each drawing is accompanied by a brief history of the barn and the type of architectural features of the building.

The calendars are available for purchase of \$5 each from Mousel at the school or at the Republican office.

What's next? According to Mousel this year he plans to have his class scout the landscape of Wayne County and do more barns. The class would probably appreciate tips on any unique structures which may be out there.

PRE-SCHOOL CLASSES

Sept. 9 marked the beginning of the new preschool year at Wakefield Family Resource Center. These classes are for children ages three to five and include all day or morning instruction.

Carolyn Sullivan joins the Center Staff this year. Sullivan is from Norfolk with a degree in Elementary Education. She has taught Kindergarten and First Grade for several years in Norfolk.

Also joining the staff is Li-Er Kendall. Kendall comes to Wakefield from Singapore. As well as serving as a volunteer aide, she will also teach Kindergarten music to the preschoolers.

"We are very fortunate to have both of these fine teachers with us," said Erelene Stubbs, WFRC director.

Anita Muller joins the staff from the Educational Service Unit on Mondays, Wednesdays, and Fridays. Muller is assisting with special needs students who attend class these days.

Chris Salmon visits the facility two days a week to address any speech and language needs the students may have.

Karen Wirth serves as the center's all around person. She opens up, cooks and "does a little cleaning for us when she can fit it in," Stubbs added.

Laune Rhoads and Aubrey Leonard are the teachers for the toddlers and babies. Kerri Penne oversees the school kids. Many part time youth from Wakefield High School and Wayne State College complete the staff.

New to the program this year is the integration of a new curriculum. "This curriculum will allow the Child Development Center staff in individualizing the entire program to better suit each child's needs." Stubbs said, "We're looking forward to an exciting year with the addition of new programs and a building full of children."

"There are just a couple of spaces available for these classes," added Stubbs.

For more information, call the Center at 287-2521.

PIONEER CLUBS KICK OFF

The Pioneer Club program sponsored by the Evangelical Covenant Church is in its eighth year and program coordinators Lisa Johnson and Elizabeth Carlson said that last Wednesday night's turnout was the largest to date with 76 children registering.

The Wakefield program is one of more than 4,000 Pioneer Clubs in the United States, Canada, and about 20 other countries around the world. These are clubs for kids aged two to sixth grades. The clubs are Skippers for preschoolers; Scooters for Kindergartners; Voyagers for first and second graders; Pathfinders for third and fourth graders; and Trailblazers for fifth and sixth graders.

Pioneer Clubs gives the community girls and boys opportunities to learn new skills, make new friends, have fun and develop Christian values which affect every area of their lives. Pioneer Clubs mission is to help children and youth put Christ in every phase of life, form healthy relationships and develop positive feelings about themselves.

"I believe it's the guides that provide good Christian role models and positive atmosphere that keeps the kids coming back," said Lisa

Johnson. This year's guides are: Kim Barge, Amy Demke, Vivian Olson, Katie Davis, Joey Borg, Terry Borg, Debbie Borg, Jim Stout, Deb Billiear, Rex Hansen and Lori Lueth. Music leaders are Kay McAfee and Kristin Roberts.

Barb Stout is again the head cook of the very popular Shak Shak program which features a hot meal for only \$2 for adults and \$1 for kids,

prior to Pioneer Club each Wednesday night.

The seventh annual World War II Veterans reunion will be held the weekend of Oct. 8-9-10 in Kearney. This reunion is for all World War II veterans, their spouses and guests.

Several meetings with special speakers have been planned for veteran information and entertainment. There will be one session of World War II memorabilia brought by veterans.

Registration is the afternoon of Oct. 8, at the now Holiday Inn Hotel and Convention Center which is the new name for the Ramada Inn where other reunions have been held. The reunion closes with break-

fast on Sunday morning. Suggestions for a better reunion and plans will be part of that meeting.

Registration may be made at any of the meetings on the schedule. Pre-registration should be made by Sept. 24. Pre-registration facilitates the planning for the reunion.

For information, please contact Myron Osterberg, 705 West 22, Kearney, NE 68845, or 308-237-3871.

"There are no 'strangers' at the reunions. We are all depression kids who survived the War. We are the lucky ones."
