Tea time

March 18, 2000 ended Girl Scout Week. As a way to say thank you to the little girls in scouting the Wayne Greenhouse held its first ever "tea party". Approximately 32 Brownie Scouts from Wayne and Winside attended. The girls and staff at the greenhouse dressed up and enjoyed lemonade and cookies. Antique tea cups owned by the late Hattie Hall were used to serve the lemonade. Hattie and her friends used to hold tea parties often. "She would have been so proud to see her cups being used again", said Lois Hall, owner of the Wayne Greenhouse.

Parents have choice of kindergarten hours

By Lynn Sievers
Of the Herald

In an effort to be flexible and also to keep up with the times, the Wayne Board of Education will give parents a one-time choice if they want to send their child half or full time to kindergarten this fall. Realizing the benefits of all day kindergarten, the board voted to go ahead with the new endeavor.

David Lutt, Wayne elementary principal, said a lot of time and effort has been put into researching the idea of starting all day kindergarten in the Wayne School system. Last spring at a board meeting, while discussing school goals, Dr. Reinert, Wayne School systems superintendent, asked Lutt to investigate all day kindergarten and year round school. In July, both Nicki Tiedtke and Pat Jenkins, Wayne and Carroll kindergarten teachers, were sent to a conference on the subject. The conference was a training session conducted by the Education Department.

Research has shown there are 110 schools in Nebraska that have all day kindergarten. Some area schools include Winside, West Point, Wisner, and North Bend. Lutt said schools were contacted so they could get their output which was positive towards the program. At a board meeting in October, Tiedtke and Jenkins presented the materials they had. The board was interested in the idea of all day kindergarten so they asked Lutt to

conduct a survey of parents of prospective kindergartners. Informational meetings with the kindergarten teachers presenting both pros and cons were held and they were well attended. Seventy-seven parents of prospective kindergartners were identified through census data, contacting preschools, and word-of-mouth. These parents were sent surveys. In both the surveys and the meetings, it was indicated that the final decision would be up to the Board of Education.

Lutt once again reported back to the board on the outcomes of the surveys and of the meetings. A draft of the upcoming schedule for all day kindergarten is as follows: 8:15-8:30 - Opening, 8:30-9:20 - Language Arts (Reading, Writing, Listening-Speaking), 9:20-9:40 - Physical Education, Library, or Music, 9:40-10-Centers, recess, 10:10-15 - Shared Reading, 10:15-10:45 - Math.

Council approves loan request

By Clara Osten
Of the Herald

Following a public hearing, a retail liquor license was granted to Gas 'N' Shop, the new owners of Gary's General Store. Harold Reynolds, Water/Waste water Superintendent, presented a proposal to the council in regard to work that needs to be done on Lift Station #1 on South Nebraska Street. Reynolds told council members that the lift station has been causing problems for several years and by making the necessary improvements, future maintenance will be made easier. The lift station will be retrofitted with new pumps and controls. Cost for the project is \$34,200 which includes the cost of the pumps and the charge for installation. The council voted to approve the proposal and move forward with the project. At the meeting Mayor Sheryl Lindau proclaimed the Week of April 3 as Support Citizens with Mental Retardation Week in conjunction

with the Knights of Columbus annual Tootsie Roll Drive. She also read a proclamation in regard to the Week of the Young Child which is April 9-15. Mayor Lindau also made several appointments during the meeting. John Renselman was appointed to the Planning Commission. Robert Rehler, Tom Mitzel, Vern Schulz, George Elyson, Verdel Lutt, Lois Shelton and Karin Vaughn were appointed to the Fire Hall Building Committee.

A town hall meeting was held Tuesday night at the auditorium in Wayne to help provide information to Wayne citizens in regard to the building of a Community Activity Center. Around 50 people were in attendance. The issue of whether to implement a one cent city sales and use tax to pay for construction of the \$3 million Activity Center will be on the May 9 primary ballot. Members of the citizens' committee, Recreation and Leisure Services committee and representatives from Prochaska and Associates were on

hand to answer questions from the public. Cost of the project was questioned. With an estimated cost of \$3.69 million for the project, an additional \$700,000 will need to be raised through donations, fundraisers, grants, matching funds, etc. Another concern was if additional staffing would be needed besides Jeff Zeiss and his present staff of the City Recreation/Leisure Department. In answer to the question, an additional full time person and some temporary

Students and families invited to Open House at Wayne State

Whether individuals have visited the campus before or have only considered a visit, more than 430 people are expected to attend the fourth annual Campus Open House at Wayne State College on Saturday, April 8, 10 a.m. until 1 p.m.

The event attracts prospective students, their families and other interested visitors from across Nebraska, Iowa and surrounding states.

Some features that will attract the attention of visitors include Wayne State's new faculty, staff and students; a display of the new state-of-the-art building; a display of the new state-of-the-art building; a display of the new state-of-the-art building; a display of the new state-of-the-art building.

A number of area citizens had earlier received "arrest warrants" and were asked to collect funds for their bail. Those criminals then had to appear before Judge Heartless and receive their punishment. Following the mug shot session, the arrestees were allowed a meal provided by several area businesses. More than \$6,500 was raised during this year's event.

Celebrating 30th anniversary of Boy Scouts paper drive

By Clara Osten
Of the Herald

In 1970, Boy Scout Troop #175 in Wayne began plans to take a trip to the east coast. They needed to raise money to accomplish this goal. This was the beginning of the monthly paper drive that has involved hundreds of scouts since that time.

Before this, the scouts had raised money by picking up corn during the harvest season but felt that a year-round money-making project was needed. Rowan Wiltse was the Scout Master of the troop at that time and his group's goal was to make the trip to the east coast in 1972.

Laurel-Concord Schools honored

Laurel-Concord Public School has been recognized in the Magna Awards 2000, which recognize school districts across the country for outstanding programs that advance student learning. The Magna Awards are presented by America School Board Journal (ASBJ), a magazine for school leaders, and Sodexo Management School Services. The district was cited for its "Collaborative Partnerships" program, which promote life-long learning with a focus on improving litera-

cy and equity for all students. Several years ago the board seized on the idea of community lifelong learning. With an enrollment of 460 students, the rural district developed a life-long learning center containing more than 19,000 books and publications, 75 computers, and many opportunities for citizens of all ages to keep learning. In 1996 the district worked out an agreement with the Laurel city government to combine school and city libraries. Raising capital through the

local education foundation and the city council, the board members helped the \$350,000 facility to be completed a year later. The center includes rooms for distance learning via fiber optics and satellite. The connections bring the rural community closer to the world. The board also reached out to parents through a computer leasing program. The new technology gives parents

"Within two years, we raised approximately 4,000 and were able to take 35 boys and 10 adult sponsors on the 17-day trip," Wiltse said.

He said with the help of Father Begley, who was serving St. Mary's Catholic Church in Wayne at the time, the group was able to attend the Indianapolis 500 car race on Memorial Day of that year.

The group camped out each night and were able to visit a large number of historical places along the way.

Even after the trip was completed, the monthly paper drives continued.

"We stored the paper on the Bob Bergt farm southeast of Wayne. We had to collect enough paper to fill a railroad boxcar so we had to save the paper for several months," Wiltse said.

When the scouts had collected nearly the amount of paper needed to fill a car, Wiltse would order the

Musical to be presented

Wayne High School will be presenting their Spring Musical on April 7-8 at 7:30 p.m. in the Wayne High School Lecture Hall under the direction of Kathryn Ley.

The High School is presenting "Brigadoon," a whimsical musical about two hunters who stumbled upon a mystical village which only appears every 100 years. The musical is full of humor, wonderful music, dance and romance.

Tickets are \$4 for adults and \$3 for students. Call Kathryn Ley at 375-3150 for tickets.

Quality of Life Banquet is Sunday

The first ever Quality of Life Banquet will be held Sunday, April 2 at the Wayne State Student Center.

More than 150 tickets have been sold for the banquet which begins at 6 p.m.

Prior to the banquet, a number of displays will be available for public viewing and a skateboard demonstration will be held.

George Holm, one of the organizers for the event, said that at the present time, 36 organizations will be included in the printed program and others have responded since the printing of the program. These organizations will be included in an insert available to those attending the banquet.

He encourages the general public to view the displays and recognize what opportunities are available in the community.

Money raised from this year's banquet has been earmarked for the Wayne Skateboard Park.

Among the facts about skating and skate parks listed by the group are:

- In a survey of 5-12 grade youth, 275 indicated that they would use a skate park in Wayne on a regular basis.
- Thirty Wayne youth have com-

pleted 600 hours of community service in the last three months.

- Sixty area youth participated in a skating demonstration held during Band Day festivities, and others participated in a second demonstration during WSC Homecoming weekend.

- Engaging young people in community service projects, such as this skate park, assists in raising their self-esteem and educating them to volunteerism as adults.

- Per user, skateboarding and rollerblading have one-half the injuries of soccer; one-third the injuries of basketball and one-fifth the injuries of playing baseball.

- Wayne School administrators are supportive of this project.

- It takes a supply of volunteers and funds to develop a community skate park.

- The X-Games has become one of the world's most popular sports. It is projected that skating and skateboarding will become an Olympic sport within the next 12-15 years.

- Skating is a world-wide sport. Skate parks have been built in Europe, Mexico, Canada and South America.

the railroad left Wayne and the scouts needed to find another way to deliver the paper.

When the paper drives began there were three scout troops in Wayne. The groups have now merged into one group and kept the number of the oldest troop, Troop #174.

The scouts have obtained a recycling grant to purchase several semi-trailers to store and deliver the paper.

While scouts have not undertaken any trips such as the east coast one, a large number of scouts have been able to take camping trips to a number of locations in the United States.

Wiltse said the paper drive has always had strong parent support and that it has become a family project.

During the past several years Jan Brumm has coordinated the paper drives.

"Each month's drive generally

involves 12-15 scouts and six to eight parents," Mrs. Brumm said.

Mrs. Brumm said that paper prices are better now than they were some time ago and that the scouts are again taking paper to Greenstone in Norfolk.

"For a time, we had to deliver the paper to Fremont and had to use the large cardboard boxes to deliver it. This cut down on the amount of paper we could get into one trailer," Mrs. Brumm said.

The scouts own two trailers to hold the paper. These trailers are parked near the Transfer Station on South Windom Street.

Scouts also take turns manning the trailer each week. Area residents can deliver papers to the trailer on Saturday mornings from 8 a.m. to noon.

The paper drive is held the third Saturday of each month. Residents are encouraged to have papers bundled or bagged in paper sacks and to the curb by 8 a.m.

"(The Physical Education, Music, Library, and Guidance schedule may occur either in the A.M., or P.M., as next fall's schedule will not be completed until June).

In regard to half day attendance in comparison to full day attendance, Jenkins mentioned that core subjects (Reading, Writing, Math, etc.) are addressed in the mornings. (Half day kindergarten will run from 8:15-11:15 a.m.)

Play Centers, based on multiple intelligences (research has identified eight multiple intelligences evident in people with everyone becoming proficient in three or four of them), are held in the mornings.

"If children go often to the same center then what is offered in that center may indicate what their life

work may be but they need to experience different centers," Jenkins said. She noted that issues of intelligences are addressed in the afternoons with centers.

Tiedtke said that if parents are spending time with their children enriching them, then half time and full time school attendance would be about the same.

Through extended hours with the children, both teachers agree that there would be extra time to work one-on-one and in small groups thus helping the teachers know and identify strong and weak areas with the children.

"When we visited District 66, they were having free center time which allowed the children to tell stories, etc.," Jenkins said.

Dr. Reinert noted that most of the academics are in the morning schedule with a few in the afternoon. The afternoon is more of an enrichment time. He said he feels those not attending all day will miss some things offered as the school does not intend to stop learning for those attending all day kindergarten.

Lutt said, "Mrs. Tiedtke, Mrs. Jenkins, and the new teachers will be attending training plus they will visit schools having all day kindergarten. We're not the only school giving parents choices between all day and half

day kindergarten."

On the subject of the lunch schedule, Lutt noted that the kindergartners will sit together as a group but they may have to eat with other grades. The lunch schedule has to stay the same to accommodate the schedules of the other grades.

In Wayne, the location of the three kindergarten rooms will be within close proximity of each other. The present two rooms will stay the same (in the east end of the elementary building) with the third room being across from Mrs. Tiedtke's room.

In Carroll, there is one room for kindergarten and it will remain that way.

Curriculum for all kindergarten classes, both half and all day, will be the same as all of the teachers will get together to make lesson plans.

Transportation for half day kindergartners will be the parents' responsibility. Rural parents will be reimbursed mileage. All day rural kindergartners will ride regular bus routes.

The process for all day kindergarten from this point on includes ongoing advertising for two kindergarten teachers; one for Carroll and one for Wayne.

Lutt stresses that they want a friendly atmosphere and they want

the parents to feel comfortable.

"At the next board meeting, I'm going to recommend that during the first semester we'll have a one or a two-week grace period so parents can see if it works for their child to go all day," Lutt said. "If it doesn't, they can have the child go back to half days." "All half day children will be divided between the three kindergarten rooms."

He noted that the choice is a one-

continued from 1A secured access to student grades, schedules, attendance and assignments. Comprehension scores on standardized achievement tests have risen in two years by an average of 4.5 percentile points per grade, in part due to the new resources and volunteers from the community and Wayne State College.

"The wisdom and creativity reflected in this year's Magna Award winners is truly remarkable," said Anne Bryant, Executive Director of the National School Boards Association (NSBA). "School board leaders who crafted these programs demonstrate an unparalleled determination to help students succeed."

American School Board Journal initiated the Magna Awards in 1995 to recognize local school boards for taking bold and innovative steps to improve their educational programs and make a posi-

time procedure and that by second semester, no changes will be made.

"I feel comfortable with children being able to handle all day kindergarten, but parents have to decide," Dr. Reinert said. "All day kindergarten is more common now. The family structure has changed with few parents being at home during the day. Academically, it helps children and it also helps teachers by giving them more contact time with

the students. The extra time allows teachers to see problems and time to correct them."

When Tiedtke and Jenkins attended the training conference last July, Jenkins noted that of those already involved in all day kindergarten, no one wanted to go back to half days.

"Everyone felt it was a positive venture for students, teachers, administration, and parents," Jenkins said.

"We salute them for their innovative thinking and commitment to academic excellence."

American School Board Journal will honor all 23 of the Magna Award 2000 winners on Monday, April 3 at its School Leaders Luncheon, held during the annual conference of the NSBA in Orlando, Fla. Eleven additional districts received honorable mention.

Health Fair will be held

A Health Fair will be held at the Wayne Senior Center on Thursday, April 5.

Providence Medical Center Home Health Department and the Area Agency on Aging are sponsoring blood sugar screenings to be held from 9 to 11 a.m.

There is a \$1 suggested donation for the screenings. Those who want a fasting test are asked to skip breakfast have have testing done

first. For those who do not want a fasting test, it is recommended that food be eaten one and one-half to two hours before the testing.

At 11 a.m. Linda Carr, PMC Wellness Director will speak on "It's springtime...join us to learn the proper techniques for stretching and outdoor walking."

Dr. Bob Krugman, Chiropractor, will speak at noon and Massage Therapy demonstrations will be sponsored by Back in Touch

Fund raiser to benefit band

The Wayne High School Band will be the beneficiary of a fundraiser being planned by the Wayne State Radio station.

Members of the KWSC FM/Wayne (K 92) radio station will be on top of the Swans' building at Second and Main Streets in Wayne.

They will be broadcasting live from noon on Friday, March 31 until noon on Saturday, April 1 as a benefit for the Wayne - Carroll High School Band.

Anyone interested in donated money for the event can drop off the money from noon to 10 p.m. on Friday and from 8 a.m. to noon to Saturday.

Checks may also be sent to the High School by April 1.

The WSC students have set a goal of \$1,000 for this event.

Town

continued from 1A rare help would be needed. The salary for extra help has already been budgeted into the project.

On the proposed location, which presently is south of Overin Field on Windom Street, a concern is whether traffic from ag-related vehicles would be a problem. Committee members assured those present that the facility would be quite a ways from the street with the planned parking lot adjacent to the street.

Membership costs were on the minds of several people. Committee members said that \$125-\$150 for each family membership was figured into the budget but that it would be up to the City Recreation/Leisure Department to decide on costs.

Several members of the audience asked questions on what would be available at the Activity Center and whether the Center would duplicate activities provided by Wayne

State College and the Wellness Center.

Mike Berry, Facility Director at Wayne State, told those present that the college uses its facilities the majority of the time which means that members of the community do not have access to the facilities on a large scale.

The proposed plan calls for three general uses for the Activity Center. The first of these is the gym space, which is also the largest portion of the building.

A second section of the building would be dedicated to health and fitness areas and a multi-purpose area.

The third use of the facility would be as a place for youth to come and identify with each other. The Middle Center that was located above the Wayne Fire Hall was closed several years ago, taking away a place for the students to gather.

For more information about the Community Activity Center contact Bob Keating, chair person of the Recreation and Leisure Services Committee or Doug Carroll.

A second town hall meeting has been scheduled for Thursday, April 27 at 7 p.m. at the auditorium.

Coffee May Prevent Gallstones in Men

Coffee - the beverage made from roasted beans of the coffee plant - is one of the most commonly used herbal products in North America. Although this herbal brew has been the subject of much health research, coffee drinking has not been shown conclusively to be associated with any health problems. Now a new study reported in *Journal of the American Medical Association* suggests that men who drank as few as 2 cups of caffeinated coffee daily had a 40% lower risk of gallstones as compared to men who drank no coffee. Men who drank 4 or more cups of coffee had a 45% lower risk of gallstones. Research findings were based on a study of almost 50,000 men who participated in the Health Professionals Followup Study, 1986 to 1996.

Each year about 20 million Americans are affected with gallstones - cholesterol deposits that form in the gallbladder and result in 800,000 hospitalizations. It is believed that caffeine in coffee stimulates contractions in the gallbladder, reducing cholesterol in bile. Interestingly, tea was not shown to provide the same benefit.

Applied Science division are just a few of the exciting activities," said Brian Taylor, WSC director of admissions.

After registering at the Student Center, guests may explore academic disciplines, gain an insight into dorm life, meet representatives of service and social clubs and organizations, sample food served in the cafeteria and food court, and leave at their convenience. Campus residence halls are open to allow browsers to step into show rooms or take a tour.

Everyone is welcome to attend and reservations are not necessary. Faculty, students and staff will be

available to answer questions about Wayne State learning and living experiences. Many activities offer an opportunity for students and parents to discuss career opportunities with faculty members or gain insights to courses of study or services available on campus. Financial aid representatives will be located in the Student Center and will provide information about the financial aid application process and answer questions about loans, grants and scholarships.

Letters

Thank you for good years!

Dear Editor,

It has been 15 rewarding years working with young children in the community and surrounding communities. It is with mixed feelings that Stepping Stones Preschool will close to allow me to change my focus in the area of Early Childhood Education.

I want to express my heartfelt thanks to all the children and their families for their support in my efforts to create a developmentally appropriate learning environment for young learners. I want to also thank the parents and child care givers for your patience in rearranged schedules to allow us experiences outside our learning environment.

Thank you to all the parents who were able to drive to make field trips possible.

Children are our future. We are

fortunate in Nebraska to have concerned Early Childhood professionals to promote "quality" care and education for our young children. We need to enrich the lives of our children in a society where our family structure is constantly changing.

We can make a difference in the life of a child by taking the time to give a hug, listen, read a book, visit childcare and school, spend time in an activity you both enjoy, sing and play together.

The "Early Years" are "Learning Years" and help shape a child's future. I hope that I have helped shape the lives of those children I had the opportunity to "teach" in the "Stepping Stones" of their education.

I will truly miss the hugs.

To teach is to touch lives.

Diane Ehrhardt,
Wayne

Time is valuable as session winds down

We now have 10 legislative days left in our current session. As this session begins to officially wind down, time is becoming an increasingly valuable commodity.

We still have some tough issues to debate during our remaining days. One that still may be debated is the issue of fetal cell tissue research.

At the end of last year the public learned that the University of Nebraska Medical Center (UNMC) was conducting research in the field of neuro-degenerative diseases using material obtained from elective abortions after it was revealed in a report in the Omaha World Herald.

It was also reported that UNMC had entered into the practice of obtaining aborted fetuses from Dr. Leroy Carhart, who runs an abortion clinic in Bellevue for use in the fetal cell research at the University.

In exchange for the fetuses, Dr. Carhart was afforded non-paid faculty status at UNMC. This link between UNMC and Dr. Carhart along with the use of aborted fetuses for research purposes brought up many questions in my mind relating to appropriateness of these practices.

LB 1405 was introduced in light of the revelation of these practices at UNMC. It would ban the use of fetal tissue from elective abortions in research at the University of Nebraska Medical Center. The measure has been stalled the past few weeks in the Judiciary Committee that had voted 4-4 on the proposed ban.

LB1405 needed 25 votes in the Legislature to be brought to the floor for debate. A vote that I supported was taken on March 21 on LB 1405. The total vote count was 28-17 to pull the bill out of the Judiciary Committee. This vote now enables the bill to be discussed before the full legislature.

Another measure that I had taken

great interest in, this session, LB 1124, underwent some major changes during its first round of debate last week. The bill's original intent would change the tax on the land to be valued by the earning or productive capacity of the land. The earning or productive capacity of the land would be determined by

Capital Happenings

By: State Senator Bob Dickey, District #18

the value of the land over the last three years. The complex issue of property taxes on agricultural land changed the bill's format changing the property tax system outright to another focus.

LB1124 now calls for a six-member advisory committee on agricultural land valuations instead of the proposed shift of taxing based on the income of the land. It is hoped that through the study that long-term comprehensive solutions to the property tax dilemma will come about.

I want to thank everyone from District #18 who either has called or e-mailed my office in support or opposition of the issues before our Legislature.

Your input, as always, is very important to me. If you have any comments or concerns on this or any other legislative matter, please contact my office at (402) 471-2801 or e-mail me at bddickey@unimc.state.ne.us

Capitol News — Legislature headed to home stretch

By Ed Howard

Statehouse Correspondent
The Nebraska Press Association

Heeeeere we go.

The Legislature is headed into the home stretch, meaning legislators will go home pretty soon.

Virtually every year, it seems, one piece of legislation wins the Sen. Ernie Chambers "If You Want To Give A Dance, You've Got To Pay The Band Award."

Chambers is a one man band when it comes to knowledge and use of the Legislature's rules on debate, procedure and what have you. This means that he can filibuster a bill until George Dubya Bush answers questions about his past. He can haul out procedural problems until Bill Clinton writes a book on ethics in the White House.

And this year the winner is, it appears, a proposal that would bar the use of fetal tissue in research at the University of Nebraska Medical Center.

Chambers recently assured lawmakers that if supporters of the bill try to pass it they will burn up a minimum of 24 legislative hours.

There can be no vote to stop a filibuster until it has gone on for at least eight hours at each stage of debate. And then, the ensuing vote has to be on passage of the bill as it stands — no further amendments. And, it takes 33 votes to stop a filibuster. That's a bunch, since the bill's strongest showing to date has reflected 28 votes in the 49-member body.

Such a controversial measure also puts other measures in the line of fire. Since a filibuster can be shut off after 24 hours, the bills that are ahead of it on the agenda can be

targeted — if you can't get through them, you can't get to the controversy. The Speaker of the Legislature can set a special time for debate of a given bill — but then, it can be argued, one bill is taking over the whole session.

Lawmakers have done lots of things over the years in various efforts purportedly aimed at stopping filibusters in general. In fact, they have been aimed at stopping Chambers in particular.

Another fact is that, truth be told,

every so often a lawmaker or two will regard a Chambers veto as a godsend. If Chambers blocks some controversial thing before it gets to a final vote, it's one less controversial vote that his colleagues have to face.

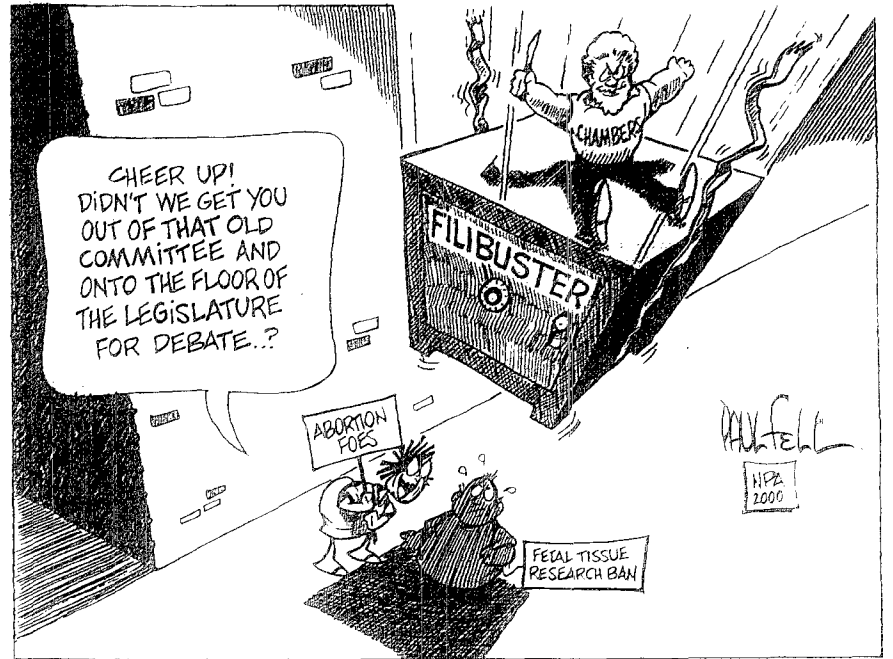

Every so often, one wonders if the Legislature will turn to some altogether Draconian measure, merely to get at Chambers.

Lawmakers could decide to require that every amendment have at least two sponsors. That would get to EC every so often — but it

would get to lots of other folks, too. It would also stifle the voice of every individual lawmaker, to some degree.

Perhaps those who become frustrated because of Chambers can take heart in the view of well-known conservative columnist George Will. Will has often said that gridlock in government is not an American problem, it is an American accomplishment.

In that context, one could argue, Ernie Chambers ought to be a hero in the eyes of some conservatives!

Local student winner at WSC

Jenny M. Brummond of Wayne was a first place winner at History Day held at Wayne State College recently. She won in the Junior Group Performance for her presentation of "The Dust Bowl."

Students from various surrounding schools created presentations for competition at the March 15 District History Day contest at Wayne State College.

The winning entries in each category will have the opportunity to compete at the state contest at Nebraska Wesleyan in Lincoln on April 15. The top two finishers in each category at the state contest become eligible to advance to the national contest held in June at the University of Maryland at College Park.

The program begins in September, at the start of the school year. Curriculum and contest materials are distributed to History Day coordinators and teachers throughout the country. The theme for 2000 is "Turning Points in History: People, Ideas, Events."

Students are encouraged to choose any topic in local, national or world history and to investigate its historical significance and relationship to the theme by conducting extensive primary and secondary research. After analyzing their information, students present their findings in papers, exhibits, performances and media presentations that are evaluated by historians and educators.

National History Day has two divisions: the junior division (grades 6-8) and the senior division (grades 9-12). Students can enter one of the following seven categories: individual paper, individual or group exhibit (similar to a museum exhibit), individual or group performance (a dramatic portrayal of the topic), individual or group media (a documentary using slides, video or a non-interactive computer program). Groups can consist of two-to-five students.

National History Day is an exciting way for students to study and learn about historical issues, ideas, people and events. This yearlong educational program fosters academic achievement and intellectual growth. Entries include table-top projects, performances with costumes and props, media entries and historical papers.

"History Day is a nationwide event that has been coordinated out of the University of Maryland for several years. It all starts with histo-

ry teachers who are willing to go the extra mile that it takes in order to get the students started on a research project and to see to it that they carry through.

Students in every state compete in district contests like ours at Wayne State. These winners will go on to state competition. State winners have the opportunity to go to the national contest at the University of Maryland," said Professor Doug Taber, Wayne State College Social Science Division.

Students participating in the contest at WSC had some personal contact with the faculty who judge the events. This may introduce the students to a college atmosphere, Taber said. The students also see the work of a range of students from other schools.

"Students, who choose a topic that interests them and go to the effort of tracking down a range of primary sources, have the opportunity to see what historians do, and may find that 'history' is learning about people, something that most of us are interested in," Taber said.

History day winners at WSC included: I. Junior Historical Papers- 1st place: Justin R. Kruse (St. Mary's, O'Neill), "The Monitor and Merrimack Changing Naval Warfare" 2nd place: Kathryn S. Fuchser (St. Mary's, O'Neill), "Holocaust: Many Lives Remembered and Affected" 3rd place: Curt M. Mahony (St. Mary's O'Neill), "The Attack on Pearl Harbor"

Meyer graduates

Army Reserve Pfc. Jeremy A. Meyer has graduated from the petroleum supply specialist advanced individual training course at Fort Lee, Petersburg, Va.

Meyer received instruction in receipt, storage, issue, shipping and distribution of petroleum, oil and lubricant products used by the Army.

The course included training in petroleum and water accounting, operating equipment associated

with fuels and water distribution; and fueling and defueling operations and procedures on vehicles, aircraft and stationary equipment.

Meyer is the son of Robert A. Meyer of Wayne and Margie K. Meyer of Norfolk.

He graduated in 1997 from Wayne High School and received an associate degree in 1999 from Northeast Community College in Norfolk.

Wayne golfers victorious

Defending Class B state champion Kilton Keller hits his approach shot on hole 15 in the season opener in Wayne.

Mike Varley putts the ball on the number 15 green during the Blue Devils season opener on Tuesday afternoon with Oakland-Craig and West Point. Varley fired a 41 to place fourth on the varsity.

Adam Ellingson hits his approach shot on hole 18. Ellingson hit the fairway on all his tee shots and recorded a pair of birdies on holes 13 and 14 before settling for a two-over par 38. Wayne notched an impressive 153 team score in the season opener.

The Wayne High boys golf team began the 2000 campaign on Tuesday with a home triangular with Oakland-Craig and West Point.

Terry Munson's Blue Devils came out firing and unofficially, set a new record for a season opening event with a 153 team score.

It was a good thing Wayne began with a bang as they only edged Oakland-Craig by two strokes. West Point carded a 177 for third place.

Oakland sophomore Eric Peterson stole some of the thunder from Wayne's picture perfect outing by winning medalist honors with a one-under par 35 on the back nine of the Wayne Country Club.

Kilton Keller led Wayne with an even par 36 with seven pars, one birdie and one bogey.

Adam Ellingson and Joel Munson each fired two-over-par 38's and Mike Varley notched a 41. Nick Lipp carded a 45 but his score was not included in the team total.

Munson had the strangest round of the five Blue Devils as he notched an eagle and two birdies along with three pars.

Wayne will compete with Oakland-Craig and Wisner-Pilger-Beemer in another triangular on Monday.

The junior varsity team also downed Oakland-Craig by two strokes, 179-181 with West Point carding a 203.

Andy Martin and Ric Volk, both freshman led Wayne with 44's with freshman John Jensen netting a 45

and Tyler Anderson—another freshman netted a 46. BJ Ruwe also finished with a 46.

Volk and Ruwe each recorded a birdie on their rounds.

"The varsity match was kind of unusual," coach Terry Munson said. "Kilton Keller's short game and putting was a little off but still was able to shoot even par.

"Adam Ellingson had two birdies on the round and potentially was better than his 38 and Joel Munson started his round with three double bogey's but then came back to play the last six holes at four under par for his 38."

Munson was pleased with his team's 153 team score for this early in the season.

Wayne's other squad, comprised of yet 10 other players, traveled to play at the Pierce Triangular where the Blue Devils fired a 181.

Pierce shot a 165 and Madison, 168. Eric Sturm paced Wayne with a 42 while Brett Parker fired a 45. Greg Schardt finished with a 46 with Jayme Bargholz and Mike Swerczek each netting 48's.

Wayne's second JV team won its meet with Pierce and Madison with a 180. Pierce was second at 185 and Madison fired a 190.

Chris Sebade led Wayne with a 42 with Brad Erickson and Nathan Wacker each carding 44's. Casey Daehnke notched a 50 and Cody Onnen's 57 was not included in the team total.

Joel Munson tees off on hole 15 during action Tuesday afternoon. The senior got off to a slow start at six-over par after three holes but rebounded to play the final six holes at four-under par for a 38 including an eagle on hole 16.

Blue Devil girls track team wins first meet; Boys place runner-up

The Wayne High track teams debuted the 2000 season at the Wayne State Indoor last weekend.

Dale Hochstein watched as his girls team captured first place in the five-team race with 118 points. Harlan, Iowa was second with 102 and Norfolk High was third with 88.5 followed by North Bend with 63 and Blair with 49.5.

The Blue Devils had four first place finishes including Leah Dunklau who set a meet record in the triple jump with a leap of 33-8.75.

She was also a member of the winning 4x160 meter relay which won in 1:33.0 with Alissa Dunklau, Monica Novak and Amanda Maryott.

Katie Walton won the 1-mile run in 6:16.6 and in the most convincing Blue Devil showing of the day, Wayne placed first, second and third in the 60-meter dash as Amanda Maryott won the event in 8.1 while Monica Novak was second in 8.4 with Ashleigh Anikputa placing third in 8.7.

Maryott added a second place showing in the 300-meter dash in 45.5 with the 4x400 relay team placing runner-up in 4:40.9 with Maryott, Andrea Bethune, Leah Dunklau and Jessica Murtaugh.

The 4x800 relay team also placed second with Katie Walton, Sara Ellis, Mandy Hansen and Jessica Murtaugh. The foursome ran to a time of 11:07.8.

Andrea Bethune and Mandy Hansen placed third and fourth respectively in the 400 meter dash with times of 69.1 and 70.8 while Jessica Murtaugh placed third in the

800 in 2:37.4. Leah Dunklau added a third in the 60-meter hurdles in 10.1.

Amber Nelson placed fourth in the 1-mile run in 6:28.4 with Ashleigh Anikputa adding a fourth in the long jump with a 14-8.75 effort. Alissa Dunklau finished fourth in the triple jump at 29-10.75.

Monica Novak placed fifth in the long jump at 14-5.75 and Sara Ellis added a fifth in the 800 in 2:44.0.

Heather Zach placed sixth in the 300-meter dash in 48.9 and Kristin Hochstein was sixth in the shot put at 31-4.

"It was an excellent way to start the season," Hochstein said. "We've discussed the fact with only 19 on each of our two teams that our depth will be a factor in winning invitationals. Quality, heart and desire is there but depth is not."

Hochstein said the teams Wayne competed against were all strong track schools.

There were only two boys teams in the meet with Wayne and Norfolk with the Panthers coming out on top, 205-133.

The Blue Devils set three meet records on the day with Gabe Hammer setting a new mark in the 300-meter dash in 38.1.

The 4x400 relay team won in a meet record time of 3:49.7 with Hammer, Brad Hansen, Brad Hochstein and Dustin Schmeits and the 4x800 relay team won in a meet record time of 8:55.4 with Devin Bethune, Jeff Ens, Brandon Garvin and Brad Hansen.

WAYNE—The Northern Sun Conference Baseball Player of the Week Award was earned by Wayne State's Brian Zimmerman, recently. Zimmerman, a junior outfielder is off to a torrid start in the 2000 campaign. The Omaha native has hit safely in 10 of the first 12 games and during that stretch had seven multi-hit games.

Wayne State soccer team to host Clinic

WAYNE—The Wayne State College women's soccer team will host a youth soccer clinic on Saturday, April 15. The clinic, which is open to all kids grades K-6, cost \$20 per person and includes a clinic T-shirt.

Grades K-3 will report for the morning session from 9 a.m. to noon. Registration begins at 8:30 a.m. in the WSC Rec Center. Grades 4-6 will report for the afternoon session from 1 p.m. to 4 p.m. with registration at 12:30 p.m.

The clinic will be held on the fields located directly behind the WSC baseball/softball complex. Shinguards will be useful but not necessary. Campers need to bring their own shoes. No metal spikes will be permitted.

The clinic will be conducted by Wildcat head coach Justin Cole and members of the WSC women's soccer team. Campers will be taught basic fundamental offensive and defensive skills, learn ball handling drills, the importance of passing and spacing, game techniques, goal-keeper skills, teamwork and much more. Live scrimmages will be conducted at the end of each session.

For more information contact the WSC women's soccer office at 402-375-7506. Checks must be made payable to the WSC Athletic Camps. Send check along with child's name, grade, T-shirt size, parental contact and phone number to WSC Women's Soccer, 1111 Main Street, Wayne, NE 68787. Checks must be received no later than April 7.

In the championship Wayne defeated Pender, 27-17 as Raveling led the way with nine points while Farmer scored six. Carroll and S. Jensen added four each with M. Weber and T. Gagner netting two each.

The eighth grade girls defeated Elgin, 30-18 in first round action with K. Hochstein and R. Theobald scoring eight each while C. Walton and J. Backstrom netted four each. A. Hansen, J. Thomsen and R. Robins each scored two.

Wayne got past Wakefield, 25-19 as Hochstein led the way with six points while Thomsen, Hansen and Robins scored five each. Backstrom and S. Hoeman each scored two.

Wayne lost in the championship to Laurel, 31-15. Hoeman led Wayne with four points while Hansen, Hochstein and Theobald added three each and L. Pickinpaugh, two.

Wayne's seventh grade boys won the championship, beginning with a 37-25 win over Pierce as J. Jehle scored 18 points while B. Fink added 14 and A. Munter, five.

Wayne blasted Pender, 52-30 led by W. Jarvi with 10 points while A. Munter scored seven. J. Jehle, B. Fink and T. Johnson scored six apiece with B. Lyon and J. Ruwe each netting four. J. Efers finished with three points with J. Temme, D. Heithold and J. Rasmussen scoring two each.

In the championship Wayne defeated Cedar Catholic, 48-33 led by Jehle with 11 points and Munter with 10 while Johnson tallied nine. F. Fink scored six and J. Temme, foru with W. Jarvi, J. Efers and J. Rasmussen adding three each.

The eighth grade boys "Blue" team went 0-2 with a 61-32 loss to Allen and 58-24 setback to Cedar Catholic. Against Allen, B. Frevert and A. Steinbach led Wayne with nine points each with J. Paustian netting eight, A. Leighty, four and B. West, two.

Steinbach led Wayne against Cedar with eight points with B. Frevert and A. Leighty adding five each. J. Paustian scored four points and B. Habrock, two.

Wayne State sluggers capture three wins from North Dakota

The Wayne State baseball team went 3-1 against North Dakota over the weekend, upping WSC's season mark to 10-7.

The four-game set with the Fighting Sioux was the home opener for the Wildcats and Saturday's twinbill ended in a sweep for the 'Cats, 2-1 & 8-7.

In the opener Brady Borner went the distance on the mound and earned his fourth win of the season against just one loss in the 2-1 final.

Borner allowed just five hits and one run (unearned) while striking out four and walking just two.

WSC managed eight hits in the game including Brian Zimmerman's game-tying solo homer in the fourth inning.

Half of the 'Cats hits went for extra bases as Zimmerman had a double and homerun while Eric Fitch doubled in the winning run, also in the fourth inning which scored David Muryn who had singled. Muryn had two base hits with Joel Tremblay also notching a pair of base hits while Gary Redden had a double.

Wayne State roared to a 7-0 lead in the first inning of game two, only

to have to win the game in the eighth inning after North Dakota had come back to tie the game at seven at the end of regulation.

Mike Blohm led off the eighth inning with a triple and scored on Joel Tremblay's sacrifice fly as they were the only two to come to the plate.

Blohm sparked the first inning heroics as well with a two-run home run while Eric Fitch had a two-run double.

Adam Walkenhorst got the pitching win in relief of Patrick Coghlan. Tate Meier started and was relieved by Jason Sloger in the third inning.

Walkenhorst went the final 2 2/3 innings and allowed just one hit.

UND finished with nine hits—the same as the 'Cats. Joel Tremblay was the only multiple hitter with two singles, besides Blohm's homer and triple.

Andy Schultz tripled and Eric Fitch doubled while Rob Watt, Joe Hartman and Brian Disch each had base hits.

In Sunday's twinbill the visitors from UND won the opener, 9-8 in 10 innings of play. Only five of the

Sioux's 10 runs were earned as WSC out-hit the visitors by a 16-10 margin but failed to get the win.

Andy Vecock was tagged with the loss in relief of Chad Walker and Josh Stolpe.

Andy Schultz and Brian Disch each had a double and two singles while Eric Fitch singled three times.

David Muryn and Pat Zahourek each had two base hits while Brian Zimmerman smacked his seventh double of the season. Joel Tremblay and Rob Watt each had a base hit.

The Wildcats bounced back to win the second game in a big way, 16-6 as Aaron Hyde earned the win.

WSC trailed 4-0 going to the bottom of the second inning before Eric Fitch blasted a two-run homerun in the second.

The 'Cats scored nine runs in the third inning—all with two outs to put the game away. The big blow came from David Muryn with grand slam while Eric Fitch hit his second homer of the game—this one a solo shot. Pat Zahourek belted a two-run homerun and Mike Blohm blasted a two-run triple in that prosperous inning.

WSC out-hit UND by a 14-10 margin as Zahourek homered, dou-

bled and single with Muryn homering and lacing two singles. Blohm tripled and singled twice with Fitch notching two homeruns.

Andy Schultz singled twice and Joe Hartman had one base hit.

"We had a week we felt we should have went 5-0," coach John Manganaro said. "We have a great bunch of kids who work very hard with positive attitudes."

The WSC mentor says his team's 10-7 record against the competition they've faced is very solid even though they feel they should have won a few games they didn't.

"With the exception of Brady Borner, our pitchers don't set the tone from the beginning of the game which is something we need to work on," Manganaro said. "All but two of our starters on offense are batting over .300."

WSC will have to play the remainder of the season with out the services of Joey Baldwin who was batting in the number two spot. Baldwin, hitting .400-plus, broke his hand and is out for the year.

WSC will host Northern Colorado in twinbills on Friday and Saturday before hosting South Dakota on Tuesday.

For more information, stop at the City Rec Office in the northwest corner of the Auditorium or call 375-4803.

Wayne athletes honored by Lincoln Journal

WAYNE—Several Wayne athletes have been recognized by the Lincoln Journal & Star as Academic All-State selections for the winter sports seasons. Joel Munson, Dustin Schmeits, Clinton Keller, Jon Meyer, Shane Baack and Ben Meyer were honored from the basketball team with Ryan Teach earning the honor from the wrestling team. Kallie Krugman, Leah Dunklau, Monica Novak, Katie Walton and Kristin Hochstein earned Academic All-State honors from the girls basketball team.

Wayne State soccer teams inks two recruits

WAYNE—Two high school seniors signed national letters of intent to attend Wayne State College and play soccer, WSC coach Justin Cole announced recently.

Inking letters of intent were Bria Cunard of Blair and Amanda Ferguson of Wolf, Wyoming. Cunard and Ferguson join Nikke Field of Norfolk, Amanda Keller of Fredonia, Wis., and Kalle Wamsat of Valley who signed earlier, along with walk-on Erin Taylor of Omaha.

Cunard is a 5-10 midfielder from Blair High School. Last spring she earned second team all-state by the Omaha World-Herald, while leading Blair to an 18-2 record and the Class B state soccer championship. Cunard led the state with 22 assists and 13 goals in her junior campaign. In addition, Cunard was a three-time all-conference soccer selection.

"Bria has a chance to be an impact player for us right away. Cole said "She really fills a need for our program in the midfield with her size, athletic ability and ball skills. She has a great foot, good field vision and is a good defender on the ball."

Ferguson is a sweeper from Sheridan High School. In her junior campaign, Ferguson led Sheridan High to the conference championship and the Class 4A state runner-up finish. A four year starter Ferguson has earned second team all conference and her team's defensive MVP award all three seasons.

Her defensive prowess was what Cole was looking to add to the Wildcat roster. "Amanda is just the type of player we were looking for on the defensive end of the field," Cole said. "She has tremendous speed and is extremely aggressive. I think her leadership skills will be a big positive for us in the back as well."

Cole said both the new recruits played for state-championship level teams in high school which will provide positive attitudes at the college level.

"Both these ladies address some needs in our program, and will be given an opportunity to earn minutes right away," Cole added. "I think both of these players will have great careers at Wayne State."

Wildcats drop seven straight; Record sits at 6-15

WSC softball team struggles

The Wayne State softball team dropped seven straight games from last week's twinbill with South Dakota through the weekend tournament at Kearney.

Jon Misfeldt's team fell 8-0 & 4-3 to the Coyotes as WSC managed just two hits in the first game—two Michelle Lewis singles. Katie New was tagged with the loss.

In the second game WSC took a 3-0 lead to the fifth inning before USD rallied to win it in the eighth inning.

Michelle Lewis was the losing pitcher in relief of starter Kim Nielsen.

Codi Drieling sparked WSC's three-run third inning with a two-run single.

WSC was out-hit, 9-8 with Jennifer Berning's two base hits leading the 'Cats.

Sarah Herrick, Michelle Lewis, Sarah Micheel, Drieling, Missy Paces, and Brandi Brockhaus had base hits.

At the UNK Tournament—won by the host Lopers, WSC went 0-5 beginning with a loss to Panhandle State, 9-1.

WSC was out-hit, 10-4 with Heather Conley taking the pitching loss. Sarah Herrick had two doubles for the 'Cats with Michelle Lewis and Codi Drieling netting a base hit.

WSC fell to UNK, 1-0 as Lewis took the pitching loss in what Misfeldt said was her best day on the mound.

WSC was out-hit, 6-4 with Sarah Micheel leading the 'Cats with a double and single while Jennifer Berning and Sarah Herrick each had one base hit.

The 'Cats fell to UNO, 9-2 with Kim Nielsen taking the loss. WSC was out-hit, 16-7 with Jennifer Berning, Sarah Herrick, Michelle Lewis, Tara Minnick, Codi Drieling, Heather Conley and Sarah Micheel each netting one base hit.

The 'Cats fell to Colorado Springs, 10-3 with Michelle Lewis taking the loss from the mound. WSC was out-hit, 9-6 but it was errors that hurt the 'Cats as they committed four.

Codi Drieling singled twice to lead WSC with Sarah Herrick, Tara Minnick, Melissa Paces and Jessica

Hinde each notching one single.

WSC's final contest ended with an 8-1 loss to Panhandle State of Oklahoma. Kim Nielsen was the losing pitcher. WSC managed just three hits but Misfeldt's 'Cats also suffered five errors.

Codi Drieling had a double with Kim Nielsen and Katie New each notching a single.

"Codi is really starting to put things together," Misfeldt said. "At shortstop she is starting to make plays and she's hit nearly .500 in her last few outings."

WSC will play at Nebraska Wesleyan on Thursday before hosting Bellevue on Friday at 2 p.m. The 'Cats are at Northern State on Monday and at Southwest State on Tuesday.

Wayne's Eric McLagan to play basketball in Hawaii

Wayne High School junior Eric McLagan was selected by Hoopsmart U.S.A. to take part in this summer's national basketball tournament in Hawaii.

"Pete" will play with some of the nation's best junior basketball players as competitors from 49 states are expected to take part.

McLagan was nominated and then selected for the event which runs from July 6 through July 15.

As an NCAA certified event, the tournament will be held during an evaluation period for Division I basketball coaches, and coaches at all levels will be able to watch during the evaluation window.

More than 225 boys are expected to compete in this summer's event which features nine-man teams separated into three different pools.

Each team can expect to play 11 games during the stretch. All games will follow normal high school rules, including four eight minute quarters with regulation timing and scoring.

The nomination process involved between 4,000-5,000 possible selections which were narrowed to 800-1000 by Hoopsmart officials.

This equates to about the top four percent of the high school juniors from across the nation.

The near 1,000 individuals are sent invitations to which Hoopsmart takes roughly 225 which represents many of the players in the top one percent of the junior basketball class in America.

Eric is the son of Steve and Terri McLagan.

WSC organizations

Will sponsor fund raiser

The Wayne State College chapter of Cardinal Key National Student Society will again be raising a fundraiser for the Juvenile Diabetes Foundation (JDF). JDF is the world's leading nonprofit, nongovernmental funder of diabetes research worldwide.

Each year, WSC Cardinal Key helps JDF by collecting money to help find a cure for diabetes and its complications through the support of research. Eighty-four cents of every dollar goes directly to research and education. Last year throughout the U.S. the "Walk to Cure Diabetes" raised \$44 million dollars in diabetes research.

Cardinal Key members will be asking for contributions in the Wayne community on Monday, April 3 from 5:00 p.m. and Tuesday, April 4 from 9:00 a.m. Club members will also be in front of the upper cafeteria from April 3 through April 6 to make students and faculty aware of their efforts. If anyone would like to give and support the JDF contact Shana at 375-6754.

Katy Eichenberg

Award given to Eichenberg

The Academy of Criminal Justice Sciences for the Community College Section presented Katy Eichenberg of Wayne with an award for exemplary leadership.

Eichenberg, the daughter of the Rev. and Mrs. Billy F. Tomlin of Tyler, Texas, received the award for her exemplary leadership of the Section's Program Committee for the National Conference from 1998-2000.

The conference was held in New Orleans, La. from March 21-25 at the Sheraton Hotel.

She and her husband, George Eichenberg, represented both Northeast Community College and Wayne State College at the conference.

Local student gets scholarship

Jennifer Victor of Wakefield has received a Board of Trustees Scholarship to attend Wayne State College this fall.

The Board of Trustees Scholarship provides full tuition for four years of college, valued at over \$8,000 at current tuition rates. It is presented by the Nebraska State College System Board of Trustees, the governing body of Wayne, Chadron and Peru State Colleges, to Nebraska resident students who have an ACT score of 25 or above and who rank in the top 25 percent of their class or have at least a 3.3 GPA.

Meeting the author

Roger Pelt, author of the book, "Crackers for Your Soup!" was on hand for a book signing at various Wayne business locations recently. Here, Pelt shares conversation with Stephanie Lorenz of Yutan, a Wayne State College senior, while he signs her book in front of the Wayne State College Bookstore on the WSC campus.

Magnuson gets scholarship

Amy Magnuson of Wayne has received a Hastings College scholarship in the Walter Scott Scholarship Competition. Through this competition, she received a President's Scholars Scholarship.

More than 200 high school seniors competed for Walter Scott, Trustee's - and President's

Scholarships for the 2000-01 academic year.

President's Scholars receive \$6,500 per year or \$26,000 for four years. Each of the scholarships is renewable while the recipient maintains a cumulative grade point average of 3.0 or higher.

WITCC and Wayne State expand their educational partnership

The presidents of Western Iowa Tech Community College (WITCC) and Wayne State College will expand an articulation agreement allowing WITCC students to transfer

their course work at a four-year institution.

WITCC and Wayne State have enjoyed a long relationship regarding liberal arts transfer. These 2+2 arrangements are beneficial because they allow students to take general education courses at a reduced cost, and transfer them to a four-year college or university. Students also have the benefit of completing general education requirements that will apply to a variety of majors they can pursue at Wayne State.

"We are very excited about this addition to our long-standing academic partnership with WITCC," said Dr. Sheila Stearns, president of Wayne State College. "We are confident this agreement will ease the transfer process and will thereby encourage more students to pursue an affordable baccalaureate degree close to home."

Participants who have registered for the Wit-to-Wayne program before completing 24 credit hours and have earned a cumulative grade point average of 3.0 or above at WITCC will automatically be qualified as a Wayne State College Non-resident Scholar. These students will have the benefit of a 50 percent reduction in the Wayne State College non-resident tuition rate after at least one semester of full-time attendance at WITCC.

WITCC students transferring to Wayne State will also have the advantage of using an ID card to use recreation facilities and library services on the Wayne State campus, as well as benefit from free admission to non-tournament athletic events and some cultural events. Being a part of the Wit-to-Wayne early identification program also enables students interested in the Wayne State music department to audition and possibly become an integral part of the choir or band.

For more information, contact Cal Brinkerhoff in the WITCC Student Transfer Center at (712) 274-8733, ext. 1228 or (800) 352-4649 in Iowa.

Presidents Dr. Robert E. Dunker of Western Iowa Tech Community College, left, and Dr. Sheila Stearns of Wayne State College sign an articulation agreement recently at WITCC.

their liberal arts credits to Wayne State College to pursue a four-year education. The signing ceremony took place on March 27 on WITCC's main campus in Sioux City.

The expanded higher education partnership allows early identification of WITCC graduates wishing to pursue a four-year degree at Wayne State College.

"This agreement really makes a difference in the lives of many of our students," said Dr. Lois Weihe, vice president for student development. The two colleges have specifically developed this agreement so that students could realize the goal of pursuing a four-year degree without having to start over or duplicate

The 20/20 Call to Action

Here's what the public heard:

On Friday, February 25, ABC's popular television show 20/20 aired a segment entitled "Danger Before Your Eyes." This segment issued an important warning to consumers about the dangers of improper windshield replacement. With over 11 million windshields replaced each year, experts say that many mistakes are made because technicians are either sloppy or haven't been trained properly. There is an obvious need for training to do the job right.

Barbara Walters:
 "How does someone know where to go to get the right kind of treatment for the windshield?"

Arnold Diaz:
 "No matter who you call, the experts advise you may want to ask them 'are you certified by the National Glass Association?' Ask not just the shop, but the person who is actually putting the windshield in, the installer, if they are certified."

YES! Tom's Body & Paint Shop, Inc. is certified by the National Glass Association.

NGA offers training and certification programs in auto glass repair and replacement.

SENIOR CITIZENS MEET

Hoskins Senior Citizens met at the Hoskins Community Center on March 21 to play cards. Prizes were won by Betty Andersen, Hilda Thomas, and Vera Brogie.

VISIT RELATIVES

Bill and Hildegarde Fenske visited Laura Grace and Westy in Omaha on March 13, and Dan and Jennifer Wheeler and family in Boystown on the morning of March 14 before flying to Texas where they visited John and Jenny Fenske and family in Richmond.

The afternoon of the 17th was spent visiting the Houston Museum of Natural Science. They returned home on March 21.

HOSKINS GARDEN CLUB MEETS

Hoskins Garden Club met at the home of Rose Puls on March 23 for a dessert lunch.

President Esther Rechtermann opened the meeting with the reading "Consider the Lilies." The hostess chose the song "Home, Sweet Home" for the group to sing.

Roll call was answered by telling a windy day memory. Seven members and one guest, Ramona Puls, were present.

Plans were made for the guest day which will be on Thursday, April 27. The decorating committee will meet at the Hoskins Community Center at 10 a.m. that morning.

The club decided to again donate prize money for the best over-all rose at the 2000 Wayne County Fair.

The hostess conducted several quizzes for entertainment.

For the comprehensive study, Esther read the articles "Chicago's Tall Tree Tops" and "Spring Oiling Saves Plants."

Christine Lueker gave the lesson on the Swan.

The watchword for March was "Do with a smile those things you have to do anyway."

Arbor Day celebrated

Leslie Backstrom, a fifth grade student at Wayne Middle School in Ellen Lindie's class has won the first round of the 2000 Arbor Day National Poster Contest sponsored by Keebler Company and the National Arbor Day Foundation.

Leslie's poster was selected to represent Wayne Middle School at the state level.

The theme of the poster contest this year is Trees are Terrific... in All Shapes and Sizes! Leslie's poster depicted trees in geometric and

natural shapes.

In Wayne, the Arbor Day National Poster Contest is sponsored by The National Arbor Day Foundation and David Mooter, state coordinator.

The National Arbor Day Foundation is a nonprofit, membership organization dedicated to tree planting, environmental stewardship and the celebration of Arbor Day.

Rademacher with Navigators

Sarah Rademacher of Wayne has been selected to be a Wayne State College Navigator for the Spring 2000 semester.

Rademacher is the daughter of Jerry and Jane Rademacher. She is a senior at WSC, majoring in human service counseling and dental

hygiene with a minor in sociology.

The WSC Navigators service organization consists of a select group of students. Members volunteer their time giving campus tours to prospective students and their families, helping with special events and telecounseling.

Jessica Leighty named as award winner

Jessica Leighty of Wayne has been named a United States National Award winner in Band by the United States Achievement Academy. The Academy recognizes fewer than 10 percent of all American high school students.

Leighty, who attends Wayne High School, was nominated for this national award by Brad Weber, band director at the school.

Her name will appear in the

Jessica Leighty

United States Achievement Academy Official Yearbook, which is published nationally.

The Academy selects USAA winners upon the recommendation of teachers, coaches, counselors, and other qualified sponsors and upon the Standards of Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability, and recommendation from a teacher or director.

Leighty is the daughter of Vince and Dianne Leighty of Wayne and the granddaughter of Dale and Norma Lee Stoltenberg of Carroll.

Names on Dean's List

The following names of local students were inadvertently omitted from the 1999 fall semester Dean's List by the University of Nebraska Lincoln Teachers College printer earlier this month. Both the original and the corrected lists were provided to The Wayne Herald by the college.

Lana Schutte of Allen, Alyssa Utecht* of Wakefield, and Marilasha Miller of Winside. An (*) asterisk denotes a 4.0 GPA.

Jerome Kills Small Wayne State College will benefit from residency

Seven academic divisions at Wayne State College will benefit from the experience of Jerome Kills Small from the University of South Dakota during his faculty residency, March 27-31.

Jerome Kills Small is Oglala Lakota from Porcupine, South Dakota, on the Pine Ridge Indian Reservation. In August 1997, he graduated from USD with an M.A. in Selected Studies and continues taking graduate courses. He teaches the Lakota language at USD and the Dakota dialect at Morningside College in Sioux City, Iowa, and at Santee for the Nebraska Indian Community College.

He is featured in the book, Wounded Warriors: "A Time for Healing," and has a story in the "Silver Anniversary Anthology," South Dakota Humanities Council. Kills Small is a story teller in public schools and colleges. He sings Lakota songs. He makes custom hand and powwow size wood

drums. One of the aspects of his experience as an instructor has included teaching Lakota children their language to help pass it from generation to generation.

He has involved students in preserving their language and finding more to love about their culture. While on the WSC campus, Kills Small will meet with students, instructors and administrators from math-science, fine arts, humanities, human performance and leisure studies, business, social sciences and education.

Various topics to be discussed will include environmental concerns; American literature; Native American drums, stories, songs and games; plants as food, fiber and medicines; linguistics; intercultural communications; scientific communications; diversity in the workplace; United States history; anthropology; professional education and others.

For more information, please call (402) 375-7329.

WSC Social Sciences Professor Ali Eminov (left) shares ideas with Jerome Kills Small, who is completing a guest faculty residency at WSC under the direction of the math-science division.

Briefly Speaking

Minerva Club continues discussion of religion

AREA — The Minerva Club held the March 27 meeting at The Renaissance Coffee House with 11 members present. Mary de Freese presented the program on the Baha faith. The next meeting will be Monday, April 10 at the home of Marilyn Wallin. Donna Hanson will present the program.

Cancer screening available

AREA — Providence Medical Center is once again conducting a colorectal cancer screening program during the month of April. Persons who wish to participate in this program may pick up a kit from the hospital laboratory Monday through Friday between 8 a.m. and 3 p.m. or have the kit sent to them by calling the hospital at (402) 375-3800.

There is no charge for the kit or the testing.

'Because We Care' luncheon planned

AREA — The next "Because We Care" luncheon, sponsored by Providence Medical Center and featuring Mark McCorkindale, M.D. as guest speaker, will be held Wednesday, April 5 at noon. The topic for this month's luncheon is "Balance." The luncheon will be held in the Education Room at Providence Medical Center and is designed to allow those attending to return to work by 1 p.m. Cost of the luncheon is \$2. Those planning to attend are asked to make reservations by calling (402) 375-3800 before the day of the luncheon. Reservations are limited to 50 guests.

Public invited for observing session

On the evening of Saturday, April 8, the public will have an opportunity to view a number of sky objects through telescopes set up on the campus of Wayne State College.

This activity is scheduled to coincide with National Astronomy Day and begins at 7 p.m.

A variety of telescopes will be made available by members of the Northeast Nebraska Astronomy Club of Norfolk. Objects such as the moon, planets, nebulae, stars, and star clusters will be on view.

Specific events will include a planetarium presentation on the location of various sky objects to be viewed at 7 p.m. The planetarium is located at the south entrance of the Carhart Science Building.

Viewing through telescopes will begin at approximately 9 p.m. and last until 10 or 10:30 p.m., weather permitting. The telescopes will be set up in a viewing area near the north end of Parking Lot 1 (located between the Recreation Center and football field) on the campus of Wayne State.

For planetarium information on a regular basis, remember to check the Wayne State Web site at: <http://www.wsc.edu/academic/mat-hsci/planetar.htm>

ATTENTION COMMERCIAL PILOTS AND AIRCRAFT OWNERS:
The Wayne County FSA Committee is accepting bids for Service Agreements from aircraft vendors to fly agricultural cropland areas for 13 area counties. The Service Agreement is a contract for performance of taking an aerial slide exposure of every section with a 35 mm camera. Each aerial slide will cover a one mile section. The aircraft must have an 8 1/2 inch square hole in the rear floor and a hole in the fuselage about 4 1/2 inches in diameter. Offers of Service will be based on a per useable slide basis (full service). For more details or to obtain a Service Agreement form, contact Deb Pieper at the Wayne county FSA office, P.O. Box 218, Wayne, NE 68787-0218. Telephone 402-375-2453 Ext. 2. Interest vendors must submit a bid to the Wayne County FSA Office by April 7, 2000. USDA is an Equal Opportunity Employer.

Hal Stearns, husband of Wayne State College President Sheila Stearns, holds a conversation over a cup of specialty coffee with Mary Burt, owner of The Renaissance Coffee House in Wayne, at the "UP on the Farm" Regional Tourism Conference held recently on the WSC campus. The event was sponsored by the Northeast Nebraska Travel Council. Mr. Stearns, a noted Lewis & Clark scholar, was the luncheon speaker for the event. He spoke on the Lewis & Clark Expedition, the bicentennial of which will be commemorated from 2003-2006. A number of Wayne businesses participated in the event.

Workshop planned

The American Association of University Women (AAUW) of Nebraska is sponsoring a public workshop on issues that concern Latina women.

The event, which will be held Saturday, April 1 from 1:30 to 5 p.m., will focus on issues of those Latina women who have recently immigrated to this country.

The program will include a panel presentation, breakout sessions for interaction and issues discussion and strategic action planning.

The workshop is being coordinated by Suzy Prenger, Diversity Specialist for the University of Nebraska-Lincoln Teaching and Learning Center.

Barb Link, AAUW Upper Midwest Regional Director, will lead the strategic planning session.

Panelists include: Theresa Palacio of Norfolk, a member of the Mexican-American Commission; Blanca Ramirez of Lincoln, Statewide Coordinator of the Minority Behavior Risk Factor Project; recent Latina immigrants, who have been invited to tell of their experiences in moving to Nebraska and Dr. Jean Karlen, Professor of Sociology at Wayne State College, who will moderate the panel.

The public is invited to attend and participate in the workshop. Registration begins at 1 p.m. There is no charge.

For more information, contact Dr. Patricia Funk, Nebraska AAUW Program Vice-President at (402) 571-4506 or patfunk@home.com

All services with the Vet Center are offered free of charge to eligible veterans and their families or significant others. All services are confidential and protected by Federal Privacy of Information regulations.

Appointments are preferred but not necessary. To schedule an appointment, call the Vet Center at (712) 255-3808.

Smoke detectors require some care

Smoke detectors are an important aspect of home safety.

However, they are often placed in inappropriate locations or inoperative.

Often batteries are removed or disconnected for various reasons, but primarily because the smoke detector goes off as a result of a non fire situation.

This condition results in the owner/tenant of the house or apartment removing or disconnecting the battery. The result is an inoperative smoke detector that will not notify the inhabitants in the event of a fire.

George Ellyson, Chief Inspector, Planner for the city of Wayne has offered the following suggestions for home owners and landlords.

- Remove smoke detectors from kitchen areas and place them adjacent to bedroom doorways.

- Smoke detectors are not required are not required in kitchens. Although the kitchen seems a likely place for a detector, often cooking vapors will set a detector off.

- Smoke detectors do not react to smoke as the name suggests, but instead are activated by air born particles of combustion.

- Relocation of the detector to mid living room or adjacent to bedrooms will accomplish two things. First, it will reduce errant signals from cooking and second, it will place the detector nearer to sleeping room, complying with Building and State Fire Marshall code.

- Steam vapor from bathrooms can activate a battery smoke detector, especially if it is located in a hallway just outside the bathroom door.

These detectors can be moved down the hallway, away from the door and still meet city code.

- Smoke detectors are often located on the walls. Wall location requires that the ceiling fill with smoke to a point that eventually energizes the detector. Although it is easier to replace batteries when the detector is on the wall, the purpose of a detector is to warn the inhabitants in case of a fire.

- Smoke rises and earlier detection of particles of combustion can provide more time for evacuation and response by the fire department.

- The city code requires that detectors be placed on the ceilings near to doorways in all rooms used for sleeping purposes.

Anyone with questions in regards to smoke detectors is asked to call City Hall at 375-1733 and speak to the Building Inspector.

Tootsie Roll drive

Wayne Mayor Sheryl Lindau, center, signed a proclamation recognizing the week of April 3 as "Support Citizens with Mental Retardation Week." Members of the Wayne Knights of Columbus Council will be going door-to-door Thursday, Friday and Saturday, April 6-8 collecting money and handing out Tootsie Rolls. In addition, members will be at the local grocery stores collecting money and handing out candy. A portion of the proceeds raised will be distributed locally. With the mayor are Jerry Sperry, left, and Dan Sukup, chairmen of the drive.

Officers elected

New officers will be conducting meetings of the Northeast Nebraska Rural Health Care Partnership, a collaboration of individuals and organizations exploring ways to improve the public health infrastructure of Northeast Nebraska communities.

Members of the Northeast Nebraska Rural Health Care Partnership (NNRHCP) represent a variety of government, non-profit, for-profit and state organizations from Burt, Cedar, Cuming, Dakota, Dixon, Madison, Stanton, Thurston and Wayne counties.

New officers and the organizations they represent include Chairman Pam List, Franciscan Care Services, West Point; Vice Chairman Wehnona St. Cyr, Carl T. Curtis

Health Education Center and the Omaha Tribe, Macy; Secretary Kari Pichler, Northeast Nebraska Area Agency on Aging, Norfolk; and Treasurer Robin Snyder, Goldenrod Hills Community Services, Wisner.

The NNRHCP has identified a number of key public health issues at a series of meetings. The top priorities which the group will be working on include prevention, youth wellness, infant mortality, minority health issues and access to health care.

Anyone interested in learning more about the NNRHCP or attending one its meetings may call Pam List at (402) 372-2404 or Robin Snyder at (402) 529-3513.

Appendicitis

Appendicitis can occur at any age. In older adults, it can be more subtle and difficult to detect. It is important to be aware of the symptoms. They include: pain that usually starts in the mid-abdomen and then shifts to the lower right, pain that worsens when touched, nausea, vomiting, and a low-grade fever that begins after other symptoms. If the pain is persistent and especially if accompanied by a slight fever you need to see your doctor.

Editor's note: Due to technical problems, a portion of the following article was omitted in this year's Progress Edition. It is being re-printed here in its entirety.

Education doesn't quit when someone graduates from high school or college.

At the Wayne Senior Center a number of activities take place each month to inform and educate the areas seniors.

Each month a registered dietician presents a topic relating to proper nutrition.

Topics have included diabetes, Eating Right for a Healthier Heart, Water Intake, Fruits and Vegetables, Fat Content and the Benefits of

Oatmeal in Your Diet.

The Senior Center also provides wellness speakers. Recently, Dr. Mark McCorkindale of Northeast Nebraska Medical Group, P.C. gave a presentation on "Stroke Awareness." At the same time, his wife Gail, a physical therapist, presented the proper techniques of exercising.

Special presentations are provided throughout the year on various subjects. These subjects have included, but are not limited to, Genealogy, Mental Illness, Assisted Living facilities, Fire Safety and American Association of Retired Persons (AARP) Senior Employment.

A legal aid, who represents the Northeast Area Agency on Aging, provides a presentation quarterly on legal issues. Topics have included

Durable Power of Attorney, Homestead Tax Exemption and Living Wills.

Legal aid is also available at any time for Senior Citizens if the need arises.

Special educational workshops are offered at the Senior Center including the "55 Alive Driving Course" sponsored by AARP. One session of the course was offered in August of 1999 and the next course is being planned for June 8-9, 2000.

According to Theresa McDermott, Coordinator of the Senior Center, "the future looks bright for the Wayne Senior Citizen's Center."

To keep up with the changing times, beginning computer classes are being offered by the Wayne Public Library. The class will intro-

duce basic computer techniques and 'students' will learn how to e-mail.

In addition, the Wayne State College Computer Club, represented by Jean Lutt and Pat Arneson, will be sponsoring a class geared toward "Surfing the Internet." The instructors will work on a one-on-one basis with Senior Citizens and introduce them to many popular web-sites.

To register, please contact the Senior Center at 375-1460.

Mrs. McDermott and the rest of the staff encourage anyone interested in learning more about the many educational opportunities available at the Center to visit them at the facility located at 410 North Pearl Street in Wayne.

Boy Scout Court of Honor held

Boy Scout troop #174 of Wayne held a court of honor on March 20 at Our Savior Lutheran Church in Wayne.

Several Wayne Boy Scouts were recognized for advancement of rank and for merit badges that they have completed.

The following boys received rank advancement:
Second class - Marty Schmolli;
First class - Nicholas Judson, Justin Modrell and Nathan Shapiro, Life - Noah Judson.

The following scouts received merit badges or special awards:
Swimming badge - Nicholas Judson and Justin Modrell, camping badge, communications badge - David Jammer, coin collecting badge, nature badge - Noah Judson, 50-Miler award - Derek Loewe and environmental science badge - Eric Shapiro.

To receive an award or advancement at a court of honor, the scout must be present and in uniform.

These boy scouts have been working to complete merit badges that lead to rank advancement. Many of the boys of Troop #174 will be attending Boy Scout camps in Nebraska or Wyoming this summer.

The monthly newspaper drive and paper recycling that the scouts organize provide funds for transportation to summer camp.

George Eichenberg to be speaker at First Friday

George Eichenberg, M.S., A.B.D., will be the featured speaker of the First Friday Series at 9 a.m., April 7, in the Elkhorn Room of the Student Center at Wayne State College. A free continental breakfast will be served.

Although designed for senior citizen appeal, all ages are welcome to attend. During each First Friday event, a special guest of honor is recognized, birthdays are acknowledged and a talk or performance by a member of the community or WSC's faculty or staff completes the session.

WSC criminal justice assistant professor Eichenberg will explore the criminal justice system in frontier America during the second half of the 19th century.

Emphasis will be given to reality as compared to the myths created by Hollywood, dime novels, and television.

Eichenberg's educational background includes a Ph.D. in criminal justice with an expected date of defense, April 2000 through the College of Criminal Justice, Sam Houston State University, Huntsville, Texas.

Local students part of Modern Language Day held at WSC

Wayne High School students Joe Brumm, Ben Salitros, Mark Finn, Kristin Echtenkamp, Kathryn Taber, Jodi Stowater, Elysia Mann, Jeff Ensz, Sarah Holstedt, Jennifer Taber, and Caitlin Blaser participated in the 29th annual Modern Language Day held at Wayne State College on March 17 in Ramsey Theatre and the Student Center Edith Zahniser was their sponsor.

Approximately 170 area senior high school students and teachers from eight schools participated.

"Faculty, staff, and WSC students all contributed to making the day a success.

The program's feature performers were the Irish Dancers from O'Neill, appropriate guests for a St. Patrick's Day event," said Alan Bruffat, professor of humanities at WSC.

Following the dance troupe's performance, each school presented a skit, poem(s), or song(s) in a foreign language to be evaluated by a team of judges from Wayne State. Each presentation was rated superior, very good, or good.

A colorful variety of activities followed the presentations. Mini-lessons in Turkish, Mongolian, and Japanese were held in the Student Center. Also, a computer presentation of a Web site in Spanish was given by teachers from Madison High School. A Spanish "Knowledge Bowl" was held in the Elkhorn Room.

Finally, students could attend a mini-lesson in Flamenco and folk dancing in Ramsey Theatre.

After lunch in the Student Center cafeteria, certificates were awarded the schools for their presentations. Door prizes were given.

Additional winners, their students and sponsors attending included:

Spring banquet planned

The Spring Banquet for The Northeast Nebraska Council of the International Reading Association will be held Thursday, April 6.

Registration will begin at 6 p.m. with a 6:30 buffet meal/program at the Frye Conference Suite at Wayne State College.

This year's featured speaker is author Elizabeth Friedrich. Her first book for the Boyds Mills Press, "Leah's Pony," portrays a girl's love for her pony and her even stronger commitment to her family's survival. Set in the Dust Bowl of the 1930's, the book includes a historical back-

ground of the Great Depression.

Ms. Friedrich's personal experiences have contributed to the realism of her stories.

The Spring Banquet is traditionally an "Invite Your Principal/Superintendent. Those attending are asked to invite the administrators to the meal and program.

All administrators present and members of their staff will be recognized during the program.

Anyone interested in attending is asked to contact Kris Moore or Tami Diediker at Wayne Elementary School, 375-3854.

Weather watchers

Julie Negus, Meteorologist with Channel 9 in Sioux City, Iowa, spoke to the second grade students at Wayne Elementary School last week. The students have been studying weather and were able to discuss such things as types of clouds, how weather can hurt you and how to read weather maps.

'WIZARD OF OZ' OPENS

The Allen Music department is proud to announce this year's musical 'The Wizard of Oz,' which opened Wednesday with a matinee performance at 1 pm.

The cast members were as follows: Dorothy-Stacey Martinson (understudy Danielle Bertrand); the Scarecrow-Andrea Swetnam; the Tinman-Kyle Oswald; the Lion-Shannon Klemme; Oz-Brett Keitges; Glenda (the good witch)-Rachel Stallbaum; the Wicked Witch-Kristin Hansen; Auntie Em-Shannon Koester; Uncle Henry-Tim O'Quinn; the munchkins-3rd, 4th, & 5th graders; and the Ozians-High School Chorus. Director is Mr. Richard Lacy.

This is Mr. Lacy's second musical while teaching at Allen. His music department put on 'Grease' two years ago and it was a huge success. The cast has worked all last week and this week to guarantee the excellent-quality performance that Allen has become renown for. Very few class C or D schools can boast of a Music Department strong enough for a huge project this big and involved.

On Thursday, March 30 the program will be at 8:00 p.m. On Friday, March 31 the program will be at 7:30 pm, and the final performance will be Saturday, April 1 at 7:30 pm. Only with your continued support can we offer musical treats like this.

Adults and children alike are assured an enjoyable and memorable evening. Please come out and support their production of 'Oz'. Admission is \$3 for students and \$5 for adults.

ULRICH QUALIFIES FOR STATE

The National Geographic Society is proud to announce that Corey Uldrich, an eighth grade student at Allen, has qualified to compete in the State Geographic Bee held in Omaha on April 7. Corey was the local winner and took a written test which was sent to National Geographic headquarters for checking. Only 100 students statewide qualified to advance for state competition.

NAMED TREE CITY USA

The Village of Allen recently received notification that it had been named a Tree City USA by the National Arbor Day Foundation. It is the seventh year that Allen has received this national recognition.

To become a Tree City USA, a

The Allen Music Department is presenting their musical, 'Wizard of Oz,' this week with the last performance scheduled for Saturday night. Mr. Richard Lacy is the director. Cast members are shown performing during an act of the play.

community must meet four standards: a tree board or department, a tree care ordinance, a comprehensive community forestry program, and an Arbor Day observance. Allen has met each of these standards.

"As we begin the new century, it is especially appropriate to recognize the value of trees in our communities," said John Rosenow, President of the National Arbor Day Foundation. "As residents in Allen continue to maintain their own yard trees, work for the betterment of the Nature Grove and Historic Tree Grove, and promote the planting of more trees, they are beautifying the town, increasing property values, helping to clean the air and water, and conserving energy for years to come."

The Tree City USA program is sponsored by The National Arbor Day Foundation in cooperation with the National Association of State Foresters and the USDA Forest Service.

FATHER/CHILD BANQUET

The First Lutheran members are holding their annual Father/child banquet Sunday, April 2 at 6 pm. All fathers and a guest are cordially invited to attend. WSC Habitat for Humanity members spend break building houses

Four Wayne State College students spent spring break in Austin, Texas building houses through Habitat for Humanity's Collegiate Challenge program. The students worked with Austin Habitat for Humanity organization from March 4 to 13.

WSC students participating were Christina Rutten and Stefanie

Siedschlag of Norfolk, Emily Bartell of Sutton and Jennifer Novotny of Fremont.

In addition to donating their time and energy to help build houses, students raised more than \$425 for Austin Habitat for Humanity to build the home they are constructing, as well as future homes in the area. "It was a great experience of

being able to be a part of something that makes a difference," said Rutten, a WSC student from Norfolk.

Her WSC Habitat for Humanity advisor Mark Hammer said students who helped build homes were able to meet the homes' future homeowners.

One of the future owners helped work on the home that Rutten worked on.

"It was great to see her enthusiasm and work with her," Rutten said.

"Everyone was so friendly in Austin when they knew what we were doing."

Collegiate Challenge is a year-round program, coordinated through the Campus Chapters and Youth Programs department at Habitat for Humanity International in Americus, Ga.

More than 8,500 students from more than 400 colleges, universities and high schools will work at more than 170 sites nationwide for Collegiate Challenge: Spring-Break 2000. Collectively, these students have pledged more than \$800,000 for the affiliates they are working with.

"Austin is a large affiliate. The students were able to see houses in various stages of construction. The

affiliate has actually built community subdivisions of all Habitat for Humanity Homes," Hammer said.

"The extra organizations like Habitat for Humanity that I have been involved in at Wayne State have helped make a difference in my education. I'm able to participate in more than academics," Rutten said.

Dedicated to eliminating poverty housing, Habitat for Humanity

International is an ecumenical Christian ministry founded by Millard Fuller along with his wife, Linda. The Habitat organization has 1,916 affiliates in 64 nations. The group has built and sold more than 80,000 homes to partner families at no profit with zero-interest mortgages.

For more information, please contact Mark Hammer at (402) 375-7043.

Siouxland bloodmobile visits Wayne

The Siouxland Bloodbank Mobile Unit was in Wayne on March 23.

A total of 90 people volunteered to donate and 69 units of blood were collected.

Those reaching milestone donations included: Ronald Gentrup, two gallons; Mylet Bargholz and Marian

Brasch, nine gallons; Erick Lutt, Joan Heggemeyer, Nicole Heimgartner and Sarah Surber, one gallon; Mark Kai, seven gallons and Rita McLean, eight gallons.

"The Siouxland Community Bloodbank serves all the blood needs of our 15 area hospitals and their patients. The only way blood

products are made available for area patients is if individuals in our communities volunteer to donate blood on a regular basis," said Jan King, Donor Consultant.

The Bloodmobile will be in Wayne again on Thursday, April, 27 from 8:30 a.m. to 3 p.m.

Homeowners with money worries may qualify for low-interest loans

LOANS: Direct lender loans its requirements for homeowners who need money now.

Have you been turned down for a loan? Do you need more than \$10,000 for any reason? Are you paying more than 10% interest on any other loans or credit cards?

If you are a homeowner and answered 'yes' to any of these questions, they can tell you over the phone and without obligation if you qualify.

High credit card debt? Less-than-perfect

credit? Self-employed? Late house payments? Financial problems? Medical bills? IRS liens? It doesn't matter!

If you are a homeowner with sufficient equity, there's an excellent chance you will qualify for a loan—usually within 24 hours.

You can find out over the phone—and free of charge—if you qualify. Stone Castle Home Loans is licensed by the Nebraska Department of Banking and Finance. Open 7 days.

The Golden Years

Submarines have fascinated Alan Winick ever since he was eleven years old. Many, many years later, Winick remains fascinated with submarines that he designed and built a one-person submarine. He took the submarine out for two fifteen minute dives in shallow waters off the east coast and later tested his creation in deep, uncharted waters with divers operating controls from the outside. It was all systems go for the senior mariner whose ultimate goal is to create a program for students in marine archeology.

Worldwide consequences

Bullying in school is problem

Bullying in school is a worldwide problem. It can have negative consequences for the general school climate and for the right students to learn in a safe environment without fear.

Bullying involves such things as teasing, taunting, hitting and steal-

ready to talk. Keep your own anger in check and listen to make sure you understand exactly what is happening and how it is affecting your child. Both parents and teachers can engage students in role-playing exercises to help them have different ways of interacting. This can be useful to the victims, those who want to assist and also the bullies themselves.

What to do. When a parent becomes aware of persistent bullying situations at school, whether their child is the victim or the bully, it is time to look upon school personnel as partners in dealing with the problem. Problem solving involves alternatives and choosing a solution.

Being calm and using effective communication skills go a long way to effectively addressing the situation. Continue to work at home to reinforce the goals that have been set for your child at school.

ing. A more subtle way of bullying is causing a student to be socially isolated.

While boys typically engage in direct bullying methods, girls who bully are more apt to use indirect strategies, such as spreading rumors and enforcing social isolation. Regardless of its nature, the key element of bullying is the physical or psychological intimidation that occurs over and over to create a pattern of harassment and abuse.

What is the effect of bullying? Students who bully seem to have a need to feel powerful and in control. In contrast to prevailing myths, bullies appear to possess strong self-esteem and have little anxiety. There is not much evidence to support the contention that they victimize others because they feel bad about themselves. Students who are bullied are typically anxious, insecure, cautious and suffer from low self-esteem.

Awareness of bullying Parents and teachers may be unaware of a bullying problem. Consequently, students often feel that adult intervention is frequent and ineffective. So what can an adult do to help tackle this problem? Since bullying can occur in the social environment of the school, researchers emphasize the need to develop whole-school, bullying policies, improve the school ground environment and help students through conflict resolution, peer counseling and assertiveness training.

How can parents help? At home, parents can watch for those subtle clues that indicate their child has had a rough day of school. Work at keeping communication lines open by being available when the child is

Special events are held at the Oaks during month of March

A variety of special events were held at The Oaks during the month of March.

A program of inspirational songs for Chapel was given by Susan Wright and Mary Burt, daughters of Virginia Wright.

"March Winds" was the theme for the visit of 12 children from Rainbow World Child Care March 12. Residents of The Oaks and the children made kites together to share.

Nine members of the Piecemakers Quilt Guild joined 23 residents on March 9 for a quilt show. Each per-

son who brought a quilt shared the history and the sentimental value of their quilt. New techniques and patterns were discussed over refreshments.

A birthday party celebrating the March birthdays of Leah Jean Miller and Glenn Magnuson was held March 11 with 33 residents in attendance.

A card party, sponsored by the WLCM Christian Groups from Wayne State College was held March 16 and was enjoyed by the residents.

The St. Patrick's Day Celebration was held, complete with shamrock decorations, "pots of gold" centerpieces and the Irish jig dancers, Susie Siefken, Angie Siefken and Amy Radcliffe. Ray Peterson provided musical entertainment and green beverages were served.

An individual reading time with 14 children and the residents of The Oaks was held March 22 as part of the Head Start "Reading is Fundamental" program. Each child chose a book to keep and take home. Shelly Fehringer coordinated the event.

Women elected to the 2001 Spring Gathering planning board include, left to right, Shirley Kehne of Winnetoon, Sue Olson and Mae Greve of Wayne, Diane Frerichs of Coleridge, Dorothy Urbanec of Pender, Lorraine Marvin of Bloomfield and President Karen Tjarks of Ceresco.

At Our Savior in Wayne

Spring Gathering held

Our Savior Lutheran Women of the ELCA recently hosted the annual Nebraska Conference Spring Gathering with 163 women and ministers attending from area churches.

The theme for this year was "Called to Discipleship," based on Ephesians 4:12-13. Bishop Richard N. Jessen led the Bible Study.

The women began the morning dividing into small groups and sharing their personal meaning of the scripture over coffee and rolls served by the women from Concordia Lutheran in Concord and United Lutheran in Laurel.

Following the coffee, Linda Janssen Gere shared her service experience of her trip to Honduras.

Karen Tjarks, NWSO President, shared with the women the roll the women have taken the past year serving and the tools available to continue serving and reaching out to others.

Special music with bells was presented by Mollie Ludwig from Our Savior. She was accompanied by Melissa Nichols. They also led a sing-a-long with the women before lunch was served by Charity Circle from Our Savior.

Following lunch, Clowns from Morningside Lutheran Church entertained the group. Chuck Trumbull of Bancroft gave a multicultural presentation which was followed by installation of the 2001 board members.

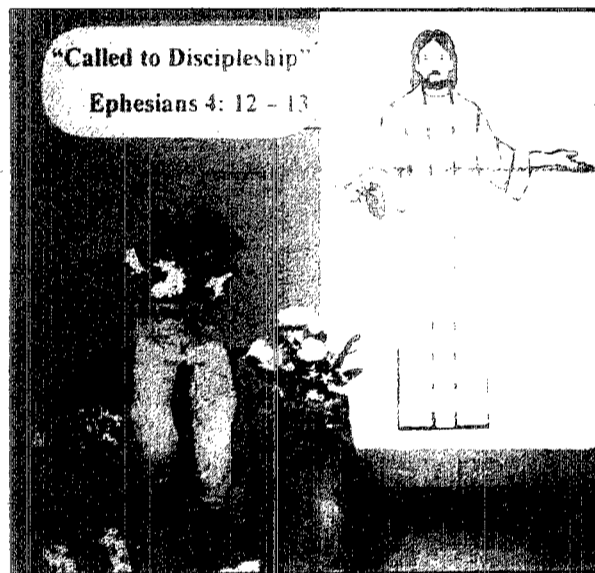

Karen Tjarks of Ceresco, NSWO President, installed the new 2001 Spring Gathering Planning Board members. They include Shirley Kehne of Winnetoon, Mae Greve of Wayne, Lorraine Marvin of Bloomfield, Diane Frerichs of Coleridge, Dorothy Urbanec of Pender and Sue Olson of Wayne. Closing Devotions and Holy Communion were led by Pastor

Martin Russell from Our Savior.

Afternoon refreshments were served by the women from Trinity Lutheran in Winside and Christ Lutheran in Wisner.

Tangible Offering recipients this year were Wakefield Food Pantry and Wayne Campus Ministry.

The Spring Gathering 2001 will be held at Emmanuel Lutheran Church in Coleridge.

The theme for this year's Nebraska Spring Conference of the Women of the ELCA was "Called to Discipleship." More than 150 women and ministers attended the event.

Students travel to Lincoln

As part of their Catholic Schools Week celebration, students from Emerson Sacred Heart School visited Sacred Heart School in Lincoln.

For the trip, Father James Krampel, pastor of Emerson Sacred Heart Church, chartered an Arrow Lines bus, which was large enough to accommodate the whole student body, the faculty, Father Krampel and four parent chaperone.

Lincoln Sacred Heart enrolls a large number of minority students, mostly Hispanic and Vietnamese. The student population is usually mobile, as most families live in rental housing and many of the parents are students at the University of Nebraska-Lincoln.

While Lincoln Sacred Heart is a Catholic school, enrollment is open to children of all faiths. This year enrollment includes Catholic,

Methodist and Buddhist students, as well as children of other faiths.

This Lincoln school, although located in a less affluent part of the city, can boast of high academic standards and a solid religious formation for its students.

Highlighting the visit were the dance performances of the Lincoln students. One group performed square dances, another performed traditional Vietnamese dances and a third group performed Spanish dances.

Marion, Kyna and Ian Miner of Emerson Sacred Heart were able to visit two of their cousins who attend Lincoln Sacred Heart, Matthew and Monica Rajewski. The Miners are residents of Wakefield. Emerson Sacred Heart also enrolls students from Emerson, Hubbard, Pender, Thurston and Jackson.

UMW met on March 8

The general United Methodist Women meeting was held March 8. It was conducted by President Helen Rose who opened the meeting with prayer.

The recommendations on the 2001 budget were read. It was recommended that Treasurer Doris Stipp send this year's pledge, plus the extra giving based on \$1 per member. It was also recommended that the group order one more dozen plastic baskets for the kitchen.

Donna Shufelt reminded the group that reading books must be mailed back and members should get their books back to the church.

Rose Sedivy introduced a guest, Jettie Morris.

Marj Porter reminded the group that the missions quilts will be tied at the church on Wednesday, March 29 with those attending to bring a sack lunch.

Maxine Robins reported that she has ordered and received new napkins and cards, which were on display. Mary Wax advised the group that she had new knives, which were on display in the fellowship hall.

Mona Claybaugh mentioned

bringing items for the UMCOR school, health and flood kits. A list of items needed will be posted on the bulletin board. A box will be placed in the fellowship hall for items being donated. She also advised members about LB950, a bill now in the Legislature regarding newborns being tested for hearing.

The Spring Event will be held in Wayne on Saturday, April 29. Joyce Niemann will cater the luncheon. Helpers will be needed for that day and volunteers will be noted at a later date.

Heidi Bonsall of Carroll has cleaned the kitchen. Initially she cleaned for five hours and will now clean every two months for about three hours each time.

Sue Schroeder has volunteered to be the Christmas Fair chairperson.

Correspondence was read. Invitations were received for the Laurel Guest Day, which will be Saturday, April 1 at 9:30 a.m. The guest speaker will be Lynn Johnson of Sioux City, Iowa. Interested group members wishing to attend should let their chairperson know.

The Winside UMW has issued an invitation to the unit for April 11 at 1:30 p.m. "Cups of Friendship" will

be the program with Charlotte Reed as speaker. Everyone is encouraged to bring a favorite or unusual cup to share with the group. A reply must be made by April 4. Members are to let their chairperson know who will in turn advise Helen Rose on how many will attend.

Thank you notes for the luncheons provided for funerals were read.

Norma Ehlers reminded everyone of the June 1 deadline for nominating an "outstanding lady" from the Wayne Church.

Birthdays acknowledged for March were Connie Webber, Mary Wax and Mona Claybaugh. Corsage for Mission ribbons were presented to the honorees.

Connie Webber presented the program on her trip to China. In addition to the program, she also brought many items for everyone to view.

The next meeting will be Wednesday, April 12 at 1 p.m. with the program being on Easter. Doris Stipp and Mona Claybaugh will have the program. Kay Kemp and Mary Wax are on the serving committee.

The meeting closed with prayer.

Five generations

Irene Larsen of Wayne heads this five-generation family. She is holding her first great-great grandson, six-week old Benjamin Magdanz of Lincoln. Also in the photo are Benjamin's grandfather, Terry Magdanz of Lincoln, his great-grandmother, Norma Magdanz of Wayne and his father, Chad Magdanz, also of Lincoln.

CITIZEN OF THE YEAR

Mardell Holm, director of the Gardner Senior Center, was named the Wakefield Community Club's Citizen of the Year during the club's annual banquet and meeting recently. Making the presentation was Community Club Secretary Michelle Tullberg.

Mardell was cited not only for her years of work at the senior center but also for her many other community activities and service. She recently announced that she will retire from her position at the end of March.

Over 100 people attended the banquet and annual meeting. The current officers, Val Bard, president; Michelle Tullberg, secretary; and Barb Stout, treasurer were retained for another year.

New board members include Jim Bierbower, Marvin Borg, Janice Roberts, Sharon Salmon, and Ron Wenstrand. A vice president will be selected from the board.

Outgoing board members are Don Kuhl, Harry Mills, Todd Kratke, Lori Lueth and Merle Carson.

Arthith Behlen of Nebraska Public Power District (NPPD) presented a new Fact Book on Wakefield to Mayor Jim Clark. The Mayor briefly spoke on the Levee Project, street improvements and encouraged people to support the school bond issue.

Mark Demke gave a short report on the playground equipment project. Sketches were on display of the proposed pieces for the three sites. An appeal was made for volunteers to assist in assembling the equipment when it arrives.

Paul Eaton made a historical slide presentation about Graves Park and the ball fields.

THIRD AT STATE

The Wakefield speech team finished in third place in the State Class C-2 competition at Kearney on Friday, March 17. Malcom was first with 230 points followed by Elmwood-Murdock with 82 and Wakefield with 60. Pawnee City finished with 50, Laurel-Concord 24, Loup City 42, Omaha Brownell-Talbot 36, Alma 34, Arapahoe 30, and Doniphan 20, were the top 10 schools.

Todd McQuistan earned a gold medal in the Humorous Prose. Wakefield was entered in seven events and reached the finals in live events. Those in the finals all received medals.

McQuistan also brought home a silver medal. Teamed with Richie Dutton, the pair finished second in the Duet Acting. First place in the Duet Acting went to Laurel-Concord.

Annie Bierbower finished fifth in the Persuasive Speaking event. Amanda Ekberg was sixth in the Informative speaking division. Jennifer Victor finished seventh in the Informative Public Speaking.

Richie Dutton also competed in Humorous Prose and missed by one place getting into the finals. He received a Superior rating from the judges.

Melissa Hansen earned a Superior rating on her informative speech, but was not in the finals.

EARN'S DEGREES

Brian Mattes and Matthew Gustafson were among the students at Southeast Community College, Milford Campus to receive their associate of applied science degree on March 17.

A total of 82 students were presented degrees during the winter ceremony.

Brian's major is in Automotive Technology. Matt earned his degree in Diesel Technology. Both are Wakefield High School graduates. Parents of the young men are Bill and Sondra Mattes and Tom and Brenda Gustafson.

BORG SUPPLY AWARDS WINNERS

Marvin and Lois Borg, Terry and Debbie Borg, Lyle and Karen Borg, Mark and Angie Borg and Joey and Iris Borg of Borg Supply of Concord recently attended the annual MFS/York/Stormor 2000 National

International Sales conference abroad the "Sovereign of the Seas." The three day cruise featured a stop in Nassau, Bahamas and at Coco Cay, Royal Caribbean's private island.

During the awards ceremony, Borg Supply was presented with a Gold High Volume Sales Award. These prestigious awards are given annually to those dealers who have demonstrated their sales abilities to reach award levels in sales volume in the various product lines. Borg Supply attained their award for grain storage equipment sales.

BOARD OF EDUCATION

The Wakefield Board of Education held its regular monthly meeting on March 13 in the board room. Visitors were Mike Clay and Dan Zulkosky.

Mrs. Mitchell and Liza Gaciano gave an extensive report on Trojans 'n' TeamWork, an embroidery business the Family Consumer Science class started Nov. 1, 1999. The business will serve the community and school. Much research went into the project to see if it was viable. he students are learning record keeping, finances, personnel management, laws, regulations, codes and advertising. Samples of the embroidery work was on display.

Mike Clay told of activities in the classroom. He also stated that he and 14 Close Up students will be going to Washington, DC March 19-25.

Principals report: Mrs. Widner reported that the Reading Convention "truly had something for everyone." She included statements from he teachers regarding their thought and experiences.

Feb. 29 was the local spelling contest. Cory Nicholson was the school's spelling champion. Widner took the five top spellers to the Dixon County spelling contest March 6. Kami Robert was the spelling champion there.

Other activities in the elementary school included the fifth and sixth grade music contest at Allen on Feb

15 at which the groups were awarded a rating of 1. The Science Fair had a display of student learning and science demonstrations by Roger Jaeger of the Edgerton Explore Center.

Widner spoke of attending a meeting in Lincoln to seek expert advice on programs for pre-school and primary grade students.

Mr. Heimann and Mr. Moody attended a personal computer trouble shooting workshop in Norfolk March 6-7.

Students in grades 9-12 are pre-registering for classes for the 2000-01 school year. Mrs. Remer and Heimann will be conducting a meeting for parents of 8th grade students to discuss required classes for freshmen and requirements for graduation.

In addition, Heimann reported that ninth period continues to be successful with many students continuing to improve their grades; Parent-teacher conferences went well; the speech team qualifies for state competition in seven categories; and Mr. Jordan and Ms. Servis will accompany the Senior Music Trip to Minneapolis.

Superintendent's report: Moody informed the board of activities with the Wakefield Resource Center stating that services are supposed to be provided from preschool through young adult. Programs are presently available for every category except preschool. All of the elements for a "model" preschool program are starting to fall into place. Monies have been received from the Gardner Foundation and Waldbaums. There will also be funds for furniture and equipment from a grant.

Moody and Heimann have been advancing their computer skills so they can address some of the desktop issues that tend to arise on an inconvenient basis. Mr. Harmon has experience with a local access channel and will be working with the city to attempt to get channel 23 up and running.

Committee reports: Building and ground; Johnson and Lueth reported on the community meeting regarding the proposed community/school recreation center. Dan Zulkosky presented five drawings of proposed school land plans.

Policy: Keim led the board in discussion concerning changes and additions to school policy.

Labor relations: there was a meeting March 15 with the WEA. There was no old business.

New business: They approved to offer employment to Kelli Krueger as a bus driver.

They approved that Wayne County school District (No. 0560) provide special education services to all district students who are legally qualified for such services.

Moody led discussion and presented a tentative 2000-01 school calendar.

They approved that high school credit may be earned by completing the course requirements of a college level class offered at Wakefield Community School or via distance learning network. Students must meet the college's criteria to enroll in the dual credit course and be responsible to pay all tuition, fees, and other expenses associated with the course. Students must also be able to meet all admission requirements of the institution issuing credit.

Grocery stamp cards take lots of time... but are well worth it

It looks like the snow missed us, we had another precious half inch of rain, the sun is streaming in the south windows, and I'm thinking spring.

I just finished about a dozen "coupons" from the grocery store in Nebraska City in which I shop the most. They give you little stamps in long rows that have to be stuck in

The Farm Wife
By Pat Winters

rows of six on coupons which can then be redeemed. They're worth it; I can sometimes save a dollar on a gallon of milk, for instance; but they are a pain. They lay around in the pantry until I get them stuck down; and invariably, I don't have them along when I need them.

And, if they were the only ones, it still wouldn't be so bad. But I buy groceries wherever I end up. So I have the same kind of stamps from Weeping Water and Louisville; plus cards from stores in Nebraska City, Lincoln, and Omaha. My wallet also contains a coffee club card, and a couple of book store cards.

Plus, when I stick the stamps on the coupons, some vestige of obsessive compulsive behavior kicks in. The stamps must all face the same

direction, and be in orderly rows. They take time, and are not on my personal list of priorities, for some odd reason.

I did entertain myself while sticking today, with a tape of Bach organ music. "Toccata and Fugue in D Minor," "Sheep May Safely Graze," and "Jesus, Joy of Man's Desiring;" all have the power to "soothe the savage beast" inside my procrastinating soul.

Something I did last week for my soul was attend the first half of the Parish Nurse class at St. Elizabeth's Hospital in Lincoln. An old friend, Maureen Bausch, has been coordinating these classes twice a year as long as I have lived at Murdock. And I had heard of parish nursing long before that, and knew it was something I would enjoy doing someday.

I think Someday is arriving. I'm going to start collecting social security this summer and just work "on call." I have tons of projects right here at the Farm House, but I would like to volunteer as a parish nurse. That's usually the problem with that job, it's usually a volunteer position.

Anyway, I took the class. And I was so impressed. It's health care coming full circle, back to churches, where it started. We heard from a physician who meets with a group of docs every other Saturday morning to pray for each other and for their patients. We heard from a music therapist and a massage therapist. We saw a video about the American Holistic Nurses Association, which I never knew existed.

I can't wait to take the second half. And I'm already recruiting Wayne county could really utilize parish nurses, as could all of rural Nebraska.

Farm Rally will be held in Wakefield

"Farmers" Uniting to Stand," will be the theme of a farm rally to be held on Monday, April 3 at Salem Lutheran Church, 411 Winter Street in Wakefield.

The brief, free rally starts with a light lunch at noon and will wrap up by 2:30 p.m.

All farmers, of any faith in all nearby communities are encouraged to attend.

The purpose of this free lunch rally will be to offer a chance to reflect on God's call to farming, to discuss the varied dynamics of the current rural situation, to recognize the realities of these situations, to think of new ways to address these realities and to reconsider ways to working together.

One option to be discussed is to ask farmers to rethink their unwillingness to join farm organizations and farm unions and to consider what can be done when people work cooperatively to impact their situation.

Bishop Richard Jessen will be one of the rally speakers, along with representatives of major national farm organizations.

Bishop Jessen is bishop of the 268 Lutheran congregations of the Nebraska Synod of the Evangelical Lutheran Church in America. Bishop

Jessen will focus on affirming the call to farming and look at what it means to have such a call when the price situation makes that difficult. He will give a pastoral message of encouragement and support to farmers as he leads participants in thinking about who God calls people to the farm in tough times.

Rally organizers are convinced that rather than waiting for someone else to do something, now is the time for independent farmers to take action, to join together and become active organizations.

Farmers can have a strong voice against the forces which threaten independent family farming if they will work together. This rally will give evidence that bringing farmers together in a united effort is possible.

This rally, and nine similar rallies across Nebraska have been organized in response to the request of area farmers that the Lutheran Church use its congregations as an influential network encouraging our farmers in difficult times.

Pastor Rick Danforth, pastor of Salem Lutheran, attended the rally held in St. Paul (Neb.) last week and found it very interesting.

"I think our folks will find some helpful information at these rallies. I hope lots of farmers take advantage of this opportunity," he said.

For more information about this rally, call Salem Lutheran Church in Wakefield at (402) 287-2681.

ADVERTISEMENT FOR BIDS

The City of Wayne will receive bids for construction of Sidewalk Improvements 2000 until 2:00 p.m., April 20, 2000, at the City Council Chambers, City Hall, Wayne, Nebraska. At that time, all bids will be opened and publicly read aloud.

The construction work contemplated in this project includes the following principal features:

- SIDEWALK IMPROVEMENTS 2000**
- Base Bid**
Remove Existing Concrete Work 14,000 Sq Ft
Construct 4" P.C. Concrete
Sidewalk 16,800 Sq Ft
Construct 6" P.C. Concrete
Sidewalk 2,600 Sq Ft
Construct Handicap Ramps 33 Each
Grind existing concrete sidewalk, as required. 170 Sq Ft
- The bid will be an aggregate bid on all work to be performed in the project, broken down in such a manner as will accurately reflect unit prices for estimated quantities set out herein. Details of construction, materials to be used, and methods of installation for this work are given in the plans and specifications. A contract will be awarded to the low, responsive, responsible bidder, based on the aggregate bid for the work, construction time schedule, materials, and past performance on contracts with the owner. The city will consider the contractor's completion date in awarding the contract.

Contract documents, including plans and specifications, are on file with the City Clerk's office, Wayne, Nebraska 68787. Copies of these documents for bidding purposes may be obtained from the City Clerk's office, P.O. Box 8, 306 Pearl Street, Wayne, Nebraska 68787, telephone - (402) 375-1733.

Each bid shall be accompanied in a separate sealed envelope by a certified check drawn on a solvent bank in the State of Nebraska or bid bond in an amount not less than five percent of the total base bid, and shall be made payable to the City of Wayne, Nebraska, as security that the bidder to whom the contract will be awarded will enter into a contract to build the improvements in accordance with this notice, and give bond in the same manner as provided for construction of the improvements. Checks and bonds accompanying bids will be accepted only if returned to the Administrator in accordance with the instructions in Bidders.

No bids shall be withdrawn after the opening of bids without consent of the City of Wayne, Nebraska, for a period of 45 days after the scheduled time of opening bids.

The successful bidder will be required to furnish satisfactory Performance and Payment Bonds in the sum of the full amount of the contract. Said bonds, to be executed by a responsible corporate surety, shall guarantee the faithful performance of the contract; the terms and conditions therein contained; and payment for all labor and materials used in connection with the work. The City of Wayne reserves the right to reject any and all bids and to waive any technicalities in bidding.

Dated at Wayne, Nebraska, this 22nd day of March, 2000, by order of the Mayor and City Council of Wayne, Nebraska.

Wildcat Recap

Round 1999-2000

'Cats enjoy best season ever

The 1999-2000 version of the Wayne State men's basketball team will go down in the WSC record books as the most successful in history and the Wayne Herald was privileged to be there every step of the way.

Numerous records were broken by the players, team and coaches with the most evident record being the number of wins in a season with 26.

That mark eclipsed the previous record of 24 wins which was set in the 1967-68 season.

The most notable highlights were being crowned Northern Sun Intercollegiate Conference champions in the regular season with Winona State in the Wildcats inaugural season in the conference.

Winning the first ever post-season NSIC Tournament was another highlight and advancing to the Regional Championship or the NCAA-II's Sweet 16 for the first time in school history is yet another crowning achievement.

What this team has accomplished is nearly undescrivable. Each player had a vital role in the success of the basketball team. They played with the heart of a lion and they played with purpose.

This year's team didn't get shook. There was no lead they didn't feel was insurmountable whether it was by them or the opposition.

Head coach Greg McDermott and his high caliber staff consisting of Rico Burkett, Dave Brown and PJ Hogan did a superfluous job of taking a group of players and piecing together roles for each of them to make WSC the best team possible.

That's what coaching is. Taking what you have and making the formula for a winning combination.

Looking back on the season in quick form the 'Cats began the campaign by dropping the first two games of the season at the Quad States Classic on the campus of Morningside College in Sioux City back on Nov. 19-20.

The two-point loss to USD was tough because it would turn out to be the worst game of the season from the foul line for WSC at 7-16.

WSC lost to Morningside by seven points in yet another contest they let slip through their hands.

That would be one of the very few slips the 'Cats would have all season as they went 26-4 over the final 30 games for an 87 percent winning percentage.

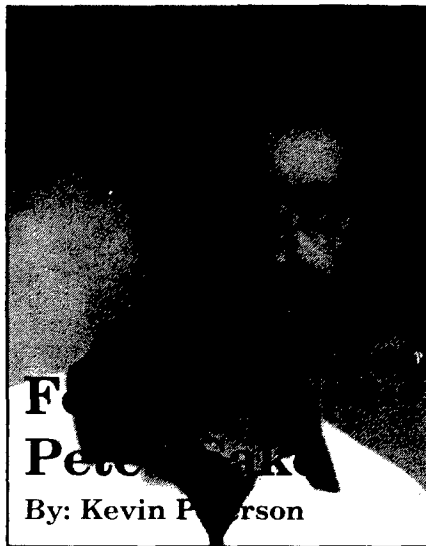

WSC won the rematch with Kearney right before Thanksgiving. It was some consolation after the Lopers ruined WSC's Regional Tournament the season before.

December 10 will go down in infamy because it marked the first ever conference win by the 'Cats with a 71-58 decision over Northern State.

The new century didn't get off to a stellar beginning as the 'Cats dropped a one point contest at Winona State after leading by 20 points at one point in the second half.

WSC dropped back-to-back games in conference play when they played at Bemidji State and Minnesota-Duluth in January but the 'Cats responded in a big way by winning the final 10 games in the regular season.

"Mac's" crew won their final nine conference games to fight back from a three-game deficit in the conference standings which at one point was

6-3. They ended the regular season conference schedule with a 15-3 mark, tying with Winona State.

In the rematch with Winona State in Wayne, WSC won by 29 points.

The most electrifying finish of the season came in Marshall, Minnesota on Feb. 12.

WSC led late in the game by seven points only to have the host Mustangs fight back to take the lead with less than a half minute remaining in regulation.

WSC had the ball but suffered a turnover with just four seconds left on the clock and down by one point.

The 'Cats really couldn't foul at that point because they had only four team fouls in the half and by the time they would reach seven fouls, time would have expired.

Exemplary defense forced a turnover and Brad Joens drained a long three-pointer to beat the buzzer and WSC had escaped with a 67-65 victory.

WSC ran its win streak to 15 games before falling to Metro State in the championship game of the North Central Regional.

The win over USD in the semifinals of the North Central Regional also goes in as a season highlight because it was a little payback from the season opener.

Anytime the 'Cats get a win over the North Central Conference, it's especially sweet. This year WSC went 4-2 against the boys from the North Central.

Breaking the record down by months, WSC was perfect in December (6-0) and February (9-0). They were 1-2 in November and 6-3 in January and 4-1 in March.

The 'Cats won all 15 games played in Rice Auditorium.

Greg McDermott became the fastest coach in WSC history to win 100 games and "Mac" is just six wins shy of becoming the all-time winningest coach in WSC history. He currently has 116 wins to his credit over six seasons for nearly a 20-win

per season average.

No team had ever had four consecutive 20-win seasons until "Mac" and the previous record for wins over a four-year stretch was 82 from 1966-70.

Now the record for wins over four consecutive seasons is 90 from 1996-2000.

Seniors Jon Dolliver, Eric Henderson and Matt VanVoorst were here for all 90 victories with Rory Williams playing his final two years with the 'Cats and being in on a school record number of wins over two years with 49.

"Mac" said what this group of men has accomplished is something that won't ever be forgotten.

These guys have set the bar for excellence in Wayne State basketball.

From November through March basketball is life for Wildcat fans. The Wildcat basketball team off the court has proven to be as important to the community of Wayne as they are on the court.

Several of these players are literally icons to our young people and it's a tribute to the personalities and heart of the players that don the uniform of the Black & Gold.

Then again, these are the types of players that "Mac" and staff recruit.

Once again this season Rice Auditorium proved lethal for opponents as WSC won all 15 games at home. In fact, the 'Cats are 61-2 at home in regular season action since Jan. 13 of 1996 and in "Mac's" six years in Wayne, he owns a sporty 73-10 mark.

Depth was again key for WSC's success in 1999-2000 as 11 players saw action in most games.

The following is a brief review of season bests: Justin Sanny scored 13 against Minnesota-Crookston with Brad Manley netting 11 against Nebraska-Kearney.

Rory Williams season best was 16 points against Northern State while Kevin Lingenfelter enjoyed a 19 point night against Grand View.

Brad Joens had the best night of any Wildcat in the scoring column with 32 points against Moorhead State. He hit nine, three-pointers in that contest.

Jon Dolliver's season best came against South Dakota with 28 at Regionals and Nathan Mulder poured in a season-best 24 points against Winona State.

Eric "Hendo" Henderson racked up 30 points against Moorhead State but perhaps more impressive was his 12, double-doubles on the season. His best rebounding effort came against St. Cloud State at Regionals and Minnesota-Morris with 20 rebounds each.

Scott Hansen scored 12 points in WSC's win over Minnesota-Crookston and Jason Herltzke had 15 points in the win over Minnesota-Crookston. Matt VanVoorst had a season-high 17 points against Minnesota-Duluth at the NSIC Tournament.

It was a phenomenal season for WSC, the classy fans and our community and surrounding area.

The only four-year institution in northeast Nebraska is giving basketball fans, Wildcat mania.

We hope you enjoy our season recap in the following pages as we highlight the season week by week with story and photos.

These 'Cats have class on and off the court.

'Cats defeated twice in tourney

The Wayne State men's basketball team lost a pair of season-opening contests at the annual Quad States Classic at Morningside College over the weekend.

Greg McDermott's team lost a 66-64 decision to nationally-ranked South Dakota on Friday night before falling to the host team, Morningside by an 82-75 margin on Saturday night.

Against USD the 'Cats opened up a 15-5 lead at the 12:40 mark of the first half before the Coyotes closed out the half on a 31-10 run for a 36-25 halftime advantage.

"I was pleased with our start and pleased with how we finished the game but we had a 10-plus minute stretch in the first half where we struggled and you

and WSC had two shots at tying the game or winning the game but Brad Joens shot drew iron and Rory Williams put back just missed.

The 10-2 run was paced by Jon Dolliver with seven points. "I'm proud of the fact our kids never quit and actually put ourselves in position to win," McDermott said.

Mulder led the 'Cats with 16 points while Brad Joens and Dolliver netting 11 each. Rory Williams and Eric Henderson each added seven.

USD was led by Nathan Blessen with 20 points and Ben Ries with 19.

Poor free throw shooting hampered WSC's attempt to win the opener as the 'Cats were just 7-16 from the stripe.

WSC was added on the boards, 33-32 with Henderson leading the way with eight rebounds.

It was a well-played game from the turnovers standpoint as WSC had just nine while USD had 13.

The 'Cats number one shooting force, Brad Joens struggled from the field, hitting four-of-eighteen attempts from the field.

"Brad got some good looks but the shots just didn't fall," McDermott said. "He's going to be a marked man all year."

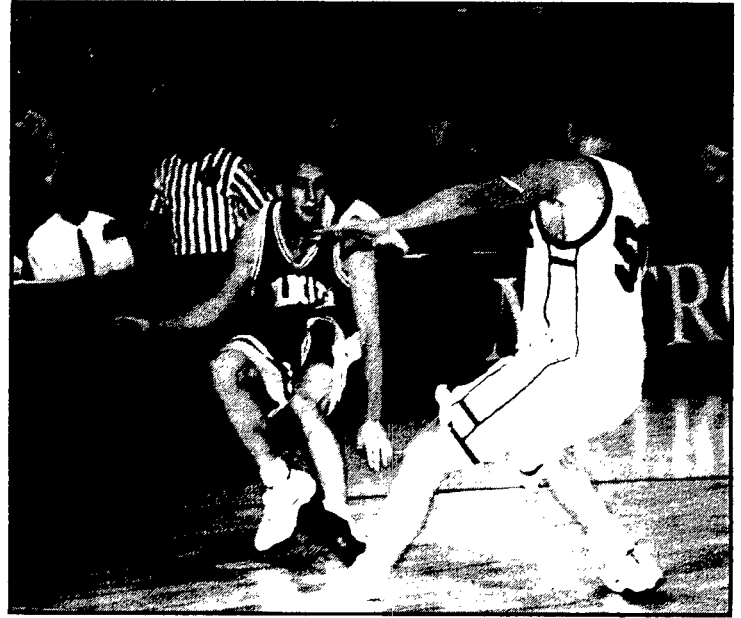

On the other hand, Nathan Mulder stepped into the power forward position and did a nice job for the 'Cats.

"Having Nathan at the power forward position is a great fit," McDermott said. "He can hit that three-pointer and he can beat you off the dribble. He and Eric Henderson I felt had great weekend's for us."

Saturday the 'Cats battled the Mustangs of Morningside closely the entire game.

WSC led 30-24 late in the first half but the Mustangs closed out the final five minutes with a 14-7 run to lead 38-32 at the intermission.

In the second half the Mustangs pulled away to a 12-point lead at 68-56 with just under six minutes remaining

The 'Cats managed to cut the gap to four at 76-72 with 20 seconds left but Morningside hit six straight free throws in the final seconds to account for the 82-75 difference.

"Morningside has a lot of young people," McDermott said. "When you're freshman get off to a good start they get confidence and that's what happened and we had ourselves a ballgame. However, we can't expect to go on the road and hit just 36 percent from the field and expect to win."

Nathan Mulder and Eric Henderson shared team scoring honors for WSC with 14 points each while Jon Dolliver added nine. Brad Manley and Jason Herlitzke each tallied eight points as did Brad Joens.

WSC did win the battle of the boards, 42-37 as Henderson hauled down 12 boards to lead the 'Cats.

Manley dished out a team-high four

assists and WSC suffered 17 turnovers while Morningside had 15.

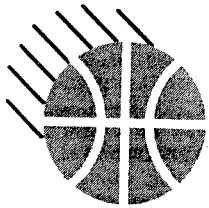

WSC will travel to play Augustana next Wednesday before hosting five straight games including Minnesota State-Mankato (Dec. 4), Northern State (Dec. 10), Minnesota-Morris (Dec. 11), UNO (Dec. 17) and Grand View (Dec. 18).

can't do that against teams like USD," McDermott said.

"We were actually fortunate to be in the game with our shooting percentages from the field and foul line."

The 11-point halftime lead of USD was the largest of the game as the 'Cats made the game interesting in the second stanza.

At the 2:59 mark of the second half WSC trailed by 10 at 64-54. Eric Henderson's dunk however, fueled a 10-2 scoring run to close the game.

In fact, USD missed a pair of free throws with 10 seconds left in regulation

WSC defeats Nebraska-Kearney

It took nearly nine months but the Wayne State men's basketball team got some revenge over Nebraska-Kearney and at the same time picked up their first win of the 1999-2000 campaign last week in Rice Auditorium, 90-87.

Coach Greg McDermott watched his team scrap their way to a 12 point half-time cushion, 49-37 only to have the visiting Lopers erase that debt in a big way three quarters into the second half.

UNK out-scored the 'Cats by a 38-16 margin over the first 13 minutes of the second stanza to take a 75-64 lead with 7:03 remaining.

WSC responded with a 26-12 scoring run down the stretch including a 12-2 spurt in the final three minutes to win by three.

The 'Cats tied the game at 85 on a Nathan Mulder layup and Mulder did the honors of putting WSC ahead by two with another layup before Brad Joens closed out the scoring with three free throws in the final 27 seconds.

Five WSC players netted double figures led by Joens with 16 points. Mulder tossed in 14 and Matt VanVoorst tallied 13 followed by Brad Manley with 11 and Rory Williams with 10.

UNK's John Webber led all scorers with 28 points while Anthony Harms netted 16. Lindley Thompson scored 11 with Nick Svehla, Dominic Harris and Mike Gitt scoring 10 each.

Harms was held 22 points below what he scored against the 'Cats last March in the NCAA Division II Regional Tournament in Wayne.

"We played a good first half and then went through one of those dry spells," McDermott said. "Plus, John Webber hit some tough shots against us and they (UNK) hit 58 percent from the field in the second half."

"Mac" was pleased with his team's performance down the stretch as they gradually erased an 11-point deficit in the final seven minutes.

"We scored on our last 12 possessions and you can't ask for more than that," McDermott added. "We put our most offensive group on the floor during that stretch with Brad Joens, Nathan Mulder, Eric Henderson, Jon Dolliver and Rory Williams and they got the job done."

"Mac" was also pleased with the defensive play of Brad Manley, Justin Sanny and Williams who teamed up to contain an explosive Anthony Harms.

The 'Cardiac 'Cats have now found

build a good lead on us," McDermott said.

WSC out-rebounded the Lopers by a comfortable margin, 41-34 as Jon Dolliver led the way with 10 caroms while Matt VanVoorst had eight and Eric Henderson, seven, Jason Herlitzke finished with six rebounds.

Brad Joens and Justin Sanny shared team honors in assists with four each while Jon Dolliver and Rory Williams dished out three assists each. WSC had 18 turnovers with UNK netting 17 and Dolliver recorded a game-high three steals.

WSC will host Minnesota State-Mankato on Saturday night at 7:30 games to close out first semester action.

WSC downs pair of NCC teams

The Wayne State men's basketball team knocked off two North Central Conference teams last week to improve the season record to 3-2.

Greg McDermott's team defeated Augustana College in Sioux Falls, S.D., 90-86 in overtime before blasting Minnesota State-Mankato on Saturday night in Wayne, 87-72.

In Sioux Falls the Wildcats trailed Augustana by one point at the half, 43-42. The 'Cats opened up a lead late in the second half before the host team rallied to force overtime with the score tied at 80.

WSC led by seven points with just under three minutes to go in regulation before Augustana managed to tie it up at the end of regulation.

WSC trailed by one point in the overtime period with under a minute to go before Brad Joens sank a long three-pointer to give WSC a two-point lead at 88-86.

Augustana had one last chance to tie the game or win it with a three-pointer but Eric Henderson stole the ball and threw a baseball pass down court to Rory Williams who layed the shot up and in for the four-point win.

"This was big win on the road," McDermott said. "We haven't fared well

in the past at Augustana. They are a much improved team from a year ago and I was encouraged we found a way to win."

Joens, who had no three pointers in the first half, sank seven of the long-

range bombs in the second half and overtime.

Eric Henderson put together one of the more impressive stat lines you'll ever see with 18 points, 15 rebounds, six steals, four assists and three blocked shots.

"We need to make sure we keep exe-

cuting down the stretch no matter what the score is," McDermott said. "We didn't do that very well in the final few minutes which allowed Augustana to tie the game and send it to overtime."

Joens with 23 and Henderson with 18 were the scoring leaders for the 'Cats with Matt VanVoorst also scoring in double figures with 10.

Nathan Mulder and Rory Williams each scored nine for the winners. WSC was edged on the boards, 38-37 with Henderson of course leading the way with his 15 caroms.

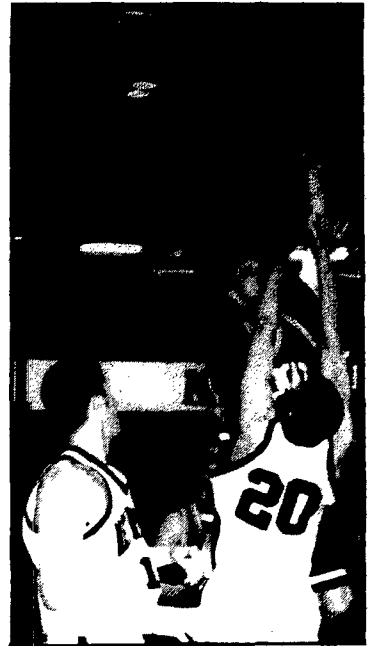

WSC had 26 turnovers compared to 19 for the host team and Williams dished out a team-high six assists.

SATURDAY IN WAYNE the 'Cats raced to a 52-38 halftime lead over Minnesota State-Mankato and despite leading by 27 points with five minutes to go, settled for an 87-72 victory.

Eric Henderson notched his third straight double-double with 12 points and 15 rebounds.

"Offensively we played very well in the first half," McDermott said. "In the second half I thought our defense showed their stripes as we limited Mankato to just 31 percent shootin .

"Mac" feels the first five minutes of the second half is always a critical juncture of

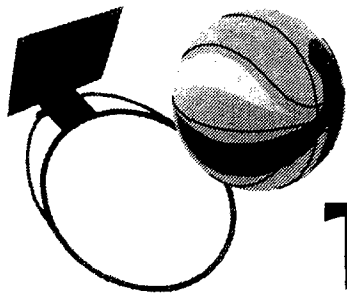

the game and the 'Cats allowed just six points to the visitors in the first 8 1/2

minutes of the half.

Brad Joens and Matt VanVoorst shared team honors with 14 points apiece while Jason Herlitzke poured in 13 and Henderson, 12. Jon Dolliver and Rory Williams were close to double digits with nine points each.

WSC dominated the boards, 49-37, led by Henderson's 15 caroms. Bard Manley dished out a team-high four assists. The 'Cats took care of the ball much better with just 12 turnovers while Mankato had 13.

THE 3-2 'CATS WILL now change focus to Northern Sun Conference play as they host pre-season conference favorite Northern State on Friday night at Rice Auditorium.

The Wolves will come in to Wayne with a disappointing 2-4 record but the visitors, coached by former Wayne Wayne native Don Meyer are eager to get things back on the right track.

"They are still the conference champs until someone knocks them off,"

McDermott said. "It will be a great game and I encourage everyone to come out and support us."

In fact, fans can get a preview of the insights of former Wayne native and Northern State coach Don Meyer on Friday noon at the Max as the Dunk Club hosts a luncheon with speakers, Meyer, McDermott, WSC women's basketball coach Ryun Williams and if possible, Northern State's women's coach.

'Cats post first time ever, NSIC victories

The Wayne State men's basketball team won their first ever Northern Sun Intercollegiate Conference basketball games by sweeping Northern State and Minnesota-Morris over the weekend.

More importantly, however is the 'Cats protected that all important home floor as they defeated pre-season conference favorites Northern State, 71-58 before thrashing an under-manned Morris team, 96-58 on Saturday night.

The 5-2 'Cats were led by seniors Rory Williams and Eric Henderson against Northern State as WSC erased a four-point halftime deficit of 28-24.

Henderson scored 18 points and notched yet another double-double with 12 rebounds while Williams poured in 11 of his career-high 16 points in the second half.

Williams hit his first four, three-point shots. The 'Cats overcame poor shooting in the first half, hitting on just 29 percent from the floor.

Greg McDermott's squad found the going a little easier in the second stanza, hitting 15-of-33 shots from the floor.

"Mac's" critical time of each game, the first five minutes of the second half was again won by the 'Cats as they outscored the Wolves, 21-6 over the first seven-plus minutes.

"If you're going to compete in this conference, you're going to have to protect your home floor," McDermott said. "I was pleased we were able to get the job done in the second half. We missed a lot of easy scoring opportunities in the first half."

"Mac" relied on his senior leadership from that point on and they delivered. "You like to see your seniors step up and

Joens and Williams each dished out five assists and the 'Cats had just nine turnovers while the Wolves had 14.

Saturday at home, WSC shook off a stubborn Morris team mid-way through the first half and led 42-26 at the intermission before rolling to a 96-58 victory.

WSC had five players in double figures and two more with nine points as Jon Dolliver led the way with 15 points while Kevin Lingenfelter came off the bench to pour in 14.

Jason Herlitzke also scored 14 while Nathan Mulder tallied 13 and Brad Joens, 10. Eric Henderson and Matt VanVoorst each finished with nine points.

WSC out-rebounded the visitors, 40-37 with Henderson leading the way with eight caroms while only playing 23 minutes in a game where all 11 Wildcat players saw at least 10 minutes of playing time.

Henderson dished out a team-high five assists and Dolliver notched four steals. WSC had 15 turnovers while forcing 24.

"We were a little disappointed with our offensive execution in the first half," McDermott said. "We had 10 turnovers of our 15 total in the first 20 minutes."

"Mac" was pleased with the way his

team responded early in the second half as they pretty much put the game away early.

"I was happy for Kevin Lingenfelter because he is such an intense player in practice and he came in and knocked down four, three-pointers," McDermott added.

WSC will play its last weekend of non-conference action this Friday and Saturday when they host unbeaten UNO on Friday and Grand View on Saturday.

Game time for both contests is slated for 7 p.m. since there is no women's game preceding.

"this is the best UNO team we'll have faced," McDermott said. "Kevin Lehman has done a really good job and they're off to an 8-0 start."

WSC men win seventh straight

Greg McDermott's Wayne State men's basketball team ran their win while improving to 7-2 on the season.

In the process the Wildcats knocked off a second previously unbeaten North Central Conference team as WSC came from behind to defeat UNO, 79-70 last Friday night.

The Mavericks came in to Wayne with an 8-0 record and midway through the second half UNO had an 11-point lead at 60-49.

That's when "Mac's" defense rose to the occasion and delivered in a big way with a 30-10 scoring run the remainder of the way.

WSC led the visitors by seven points with less than five minutes in the first half before UNO went on a run of its own, out-scoring the 'Cats 14-2 to lead 41-36 at the half.

The Mavericks connect on 18-of-23 shot attempts in the opening half for a 78 percent success mark.

Early in the second half the Mavs hit four-of-its-first-five shots to grab a 12-point lead but down the stretch it was their lack of shooting well because of WSC's torrid defense that spelled the difference.

UNO missed eight-of-nine shots during the stretch when the 'Cats were

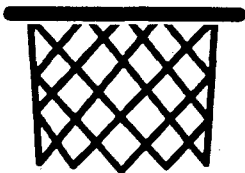

warming up from long range.

WSC hit 10 consecutive free throws over the final minutes to secure the victory.

"It's not that we made any adjust-

ments when UNO got up by double digits," McDermott said. "All we did differently was execute our defense like we're supposed to and it worked."

"Mac" said anytime you can hold an explosive UNO offense to just six points over the final nine minutes your defense has done quite a job.

"Playing defense with out fouling was

the difference in the game," McDermott added. "When they fouled us we were going to the foul line but we weren't in foul trouble and when we did foul, they were forced to in-bounds the ball because we weren't over the limit."

Jon Dolliver scored a season-high 20 points and grabbed eight rebounds while Brad Joens poured in 16 points including four, three-pointers. Rory Williams connected for 15 points and Kevin Lingenfelter came off the bench to score nine.

The 'Cats won the battle of the boards, 29-20 with Dolliver leading the way while Eric Henderson had six caroms.

Henderson dished out a team-high four assists and Dolliver led the team with three steals.

SATURDAY IN WAYNE, WSC wasted little time in thrashing an over-matched Grand View team, 106-57.

WSC had five players in double figures led by Kevin Lingenfelter with 19 points (a career high) in just 17 minutes of playing time.

WSC doubled the score on Grand View at the half at 48-24 and out-scored the visitors, 58-33 in the second half.

All 11 Wildcat players that suited up, scored as Jon Dolliver followed Friday's 20-point performance with 17 points and Nathan Mulder tallied 16. Brad Joens and Matt VanVoorst each tossed in 11 points.

Brad Manley was close to double digits with nine points with Eric Henderson scored eight.

The 'Cats set or tied nine season highs during the rout including points scored (106), field goals (40), three-point field goals (13), rebounds (55), assists (26) and steals (15).

"Given the timing of this game with Christmas Break and coming off a big game with UNO I was pleased with the way our kids took control and played intense on both ends of the floor the entire game," McDermott said. "With only one day to prepare for them, the guys showed great focus."

The battle of the boards was won in a big way by WSC, 55-32 as Jason Herlitzke led the way with 10 caroms while Matt VanVoorst had eight rebounds and Eric Henderson, seven.

Rory Williams dished out a career-high eight assists with Dolliver and Manley each garnering three steals.

WSC will turn its attention to conference play as they travel to play Winona State on Sunday, Jan. 2 before playing at Concordia-St. Paul on Monday, Jan. 3.

Wayne State 'Cats split NSIC contests

The Wayne State men's basketball team was upset by Winona State, 70-69 on Sunday night by Winona, Minn.

The hardest part about the seven-game win streak being snapped was the 'Cats had a 20-point lead at 53-33 with 15:00 left in regulation.

Winona State opened the game on a 9-0 run but WSC fought back and led at the half, 31-29 as Brad Joens scored 15 of his 17 total points in the opening stanza.

The 'Cats went on a roll early in the second half to the tune of 22-4 to lead 53-33.

Nathan Mulder sparked that run as he scored 21 of his team-high 24 points in the second half.

Winona State's Kyle Schlaak scored the game-winning bucket with 31 seconds left in regulation off a steal by Jamie Carrier.

Brad Manley's last second shot drew rim but did not fall.

The 'Cats connected on nearly 48 percent of their shots from the floor (28-59) but were just 4-8 from the free throw line.

Winona State committed just seven fouls in the contest and the 'Cats were whistled for 12 in a pretty clean contest.

WSC had just 11 turnovers while forcing 19. Mulder's 24 and Joens with 17 led the 'Cats while Jon Dolliver was in

thumping of Concordia University.

The 'Cats rolled to a 49-31 half-time lead and never looked back. Brad Joens led the way with 23 points with Jon Dolliver pouring in 15 and Nathan Mulder, 13. Kevin Lingenfelter was the fourth Wildcat in double figures with 10 points.

WSC dominated the boards, 38-23 led by Eric Henderson with 14 rebounds while Mulder hauled down six caroms.

The 'Cats will host Southwest State of Marshall, Minn. on Saturday at 7:30 p.m.

WSC men improve to 9-3 on season

The Wayne State men's basketball team improved to 9-3 on the season with a convincing 24-point win over Southwest State last Saturday night in the friendly confines of Rice Auditorium.

Greg McDermott's troops jumped on the Mustangs early, sprinting to a 17-2 lead behind some stellar defensive play and solid offensive execution.

Southwest State never gained momentum with a scoring run and the tamed Mustangs drew no closer than 10 points the remainder of the contest as WSC built a 20-point halftime cushion at 44-24.

"I'd have to say that was our best 40 minutes of basketball of the season," McDermott said. "Brad Manley really set the tone of the game early with an intense in-your-face defense."

Jon Dolliver led the winners with 17 points along with five rebounds, three blocked shots, four assists and a couple steals.

Eric Henderson notched another of his patented double-doubles with 13 points and 13 rebounds.

The 'Cats (4-1 in the NSIC) stand alone in second place in the conference standings behind Winona State who improved to 5-0 in the NSIC over the weekend.

WSC was ranked eighth in the regional standings after its disappointing setback at Winona State on Jan. 2 but could move up this week because several teams above them suffered losses during the past seven days.

Brad Joens also finished in double figures with 13 and kept his three-point shooting string in tact.

Joensy has drained at least one three-pointer in 52 consecutive games, dating back to Jan. 14, 1998 at Briar Cliff. That was his first collegiate start and the junior has been in the starting line-up ever since.

Joens has connected on 191 career three-pointers and is second on the all-time list of leaders at WSC with only Mike Fitzner ahead of him at 259. Joens still has more than half of this season and

all of next season to leave his mark.

WSC's defense stood tall against a solid Southwest State team, holding the Mustangs to a season low 53 points.

WSC was edged on the boards, 33-32 with Henderson's 13 caroms a game high. Manley dished out six assists for team tops and the 'Cats committed just nine turnovers while forcing 24.

The 'Cats will now shift focus to this weekend's home contests with Moorhead State on Friday and Minnesota-Crookston on Saturday.

The Dragons of Moorhead State will come in with a 5-9 record and a 3-3 NSIC mark.

The Golden Eagles of Minnesota-Crookston are 3-10 overall and 2-4 in the NSIC. They will come into Rice Auditorium with a five-game losing streak.

Basketball fans are encouraged to attend the games this weekend as Greg McDermott goes for career win number 100 on Friday.

"Mac" trails only Al Svenningson (121) who coached from 1959-1967.

Wayne State not gracious host

The Wayne State men's basketball hosted a weekend of NSIC action in Rice Auditorium and the host team proved to be ungracious as they pounded Moorhead State and Minnesota-Crookston by a combined total of 89 points.

WSC rode the hot shooting of junior Brad Joens on Friday night as they cruised past Moorhead State, 92-59.

Joens was a perfect 9-9 from three-point range and finished with a career-high 32 points as the 'Cats used a stingy defense with a potent offense to post the 32-point win.

Joens' nine three-pointers is the second highest-single game total in WSC

"Mac" said his only concern after the weekend play was his team's slow start.

"We didn't come right out and get going," McDermott said. "We need to do that, especially during these next four games on the road."

WSC out-rebounded the Dragons, 39-33 with Eric Henderson hauling down a game-high 13 caroms while Matt VanVoorst had seven rebounds.

Rory Williams dished out a game-high seven assists and Henderson had five assists while Justin Sanny netted four assists.

WSC had just 12 turnovers while forcing 21.

On Saturday the 'Cats got little opposition from Minnesota-Crookston in a 119-63 rout.

Seven WSC players finished in double figures paced by Brad Joens with 20 while Matt VanVoorst scored 14. Jon Dolliver and Justin Sanny netted 13 each as Sanny garnered a career-high.

Scott Hansen scored a career-high 12 points with Kevin Lingenfelter and Eric Henderson adding 10 each. Rory Williams nearly was an eighth player in double figures with nine points.

The 'Cats continued their aerial assault as they drained 15 three-pointers—giving them 29 for the weekend.

WSC led by a 17-15 margin at the halfway point of the first half before a 17-4 run put them up 34-19 with still five minutes left in the opening half.

Joens was 6-8 from three-point range, giving him a 15-17 weekend performance from behind the arc.

"Brad has certainly put the time in on his shooting and though he hasn't shot the ball as well as he would have liked to date from three-point range, the weekend showing was certainly deserving," McDermott said.

WSC improved to 9-0 at home on the season and has won 54 of their last 57 games in the friendly confines of Rice Auditorium.

Despite the lop-sided scores WSC was out-rebounded by a 38-34 margin with Henderson nearly reaching the double-double plateau with 10 points and nine rebounds.

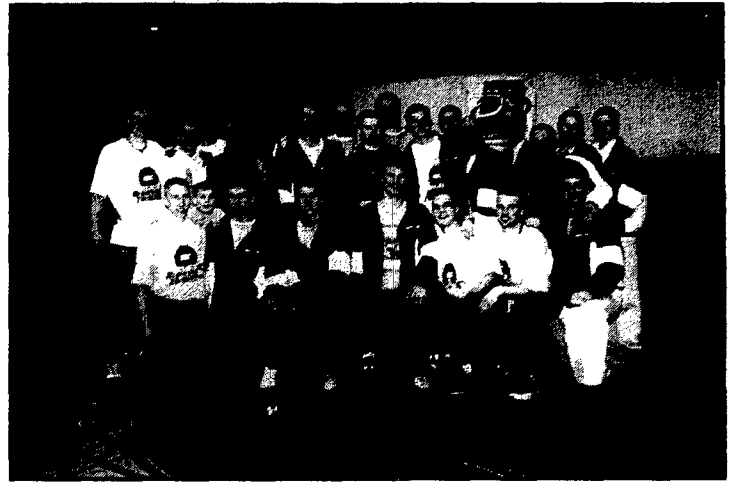

The 'Cats dished out a season-high 33 assists led by Justin Sanny and Henderson with six each while Brad Manley had five.

WSC had just 10 turnovers while forcing 28.

McDermott said he was very pleased with the play of his bench with Scott Hansen notching a dozen points and eight rebounds while Justin Sanny had 13 points and six assists.

"Scott continues to play well and develop in practice and we're going to need him down the stretch to get where we want to be as a team," McDermott added.

WSC will travel for the next four games with this weekend's stop at

Bemidji State on Friday and Minnesota-Duluth on Saturday.

WSC is currently second in the NSIC standings with a 6-1 mark and an overall record of 11-3.

history. Mike Fitzner made 11 in a double overtime game at Rockhurst in 1997.

But Joens did set the single-game school record for three-point shooting percentage. In addition, Joens tied Jason Diaz's record of 10 straight three-pointers after he hit his final attempt against Southwest State a week earlier.

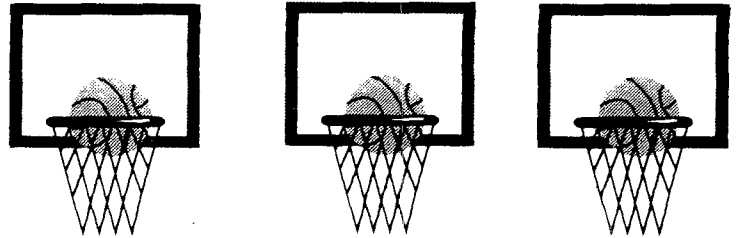

The victory was head coach Greg McDermott's 100th career win. "Mac", in his sixth season at the helm of the 'Cats grabbed his 100th win in 150 outings—becoming just the second men's basketball coach to win 100 games—but reaching that plateau quicker than his predecessor, Al Svenningson who earned win number 100 in his 159th contest.

"Mac" is just 20 wins shy of the all-time win mark set by Svenningson of 121.

The 'Cats raced to a 39-27 halftime lead on the visiting Dragons before out-scoring them, 53-32 in the second stanza.

Matt VanVoorst scored 14 points and Jon Dolliver, 10 and all 12 of the Wildcats broke into the scoring column.

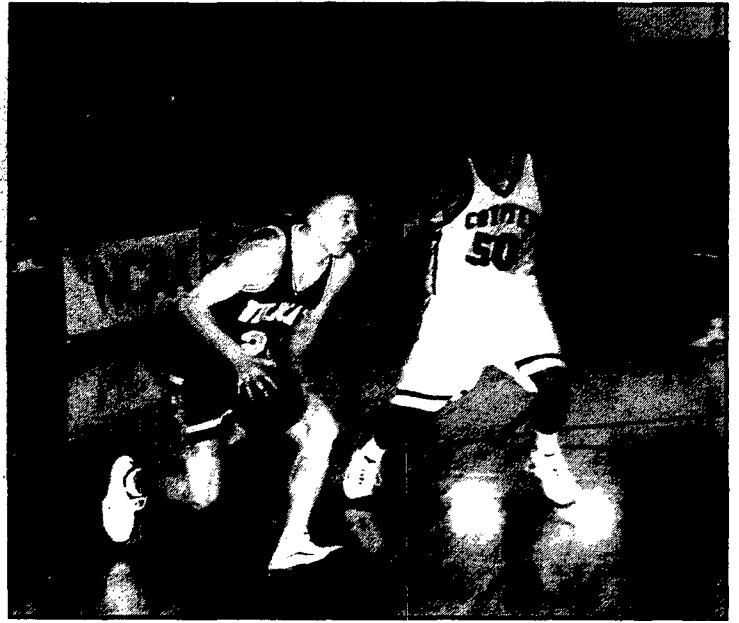

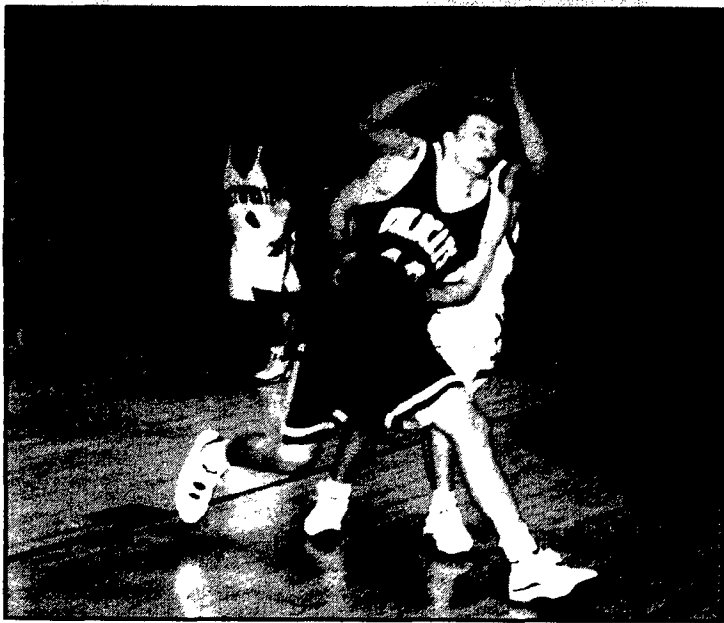

"We shot the ball extremely well all weekend," McDermott said. "We're moving the ball well on offense and we're playing very unselfish basketball. The guys are doing a nice job of making that extra pass."

WSC men suffer losses over weekend

The Wayne State men's basketball team suffered their worst weekend of conference play as they lost at Bemidji State and Minnesota-Duluth last Friday and Saturday.

The Wildcats did not lose their second place standing in the NSIC but they fell three games behind Winona State who is still perfect in conference play at 9-0.

WSC, Minnesota-Duluth and Southwest State all share 6-3 records in conference play.

The 'Cats dropped a 75-66 decision to the Beavers before falling to Minnesota-Duluth in overtime, 94-88 on Saturday.

Against Bemidji State, WSC trailed by nine at the half, 36-27 but regained a

five-point lead at 55-50 at the 7:42 mark of the second half after a 21-6 scoring run sparked by Jon Dolliver's 13 points.

Dolliver enjoyed a career-high performance with 27 points and nine rebounds.

The 'Cats final lead was 57-56 after a pair of free throws by Rory Williams.

Williams' lay-up at the 3:04 mark made it a 63-61 game but the Beavers final nine points came from the foul line when WSC was forced to foul.

"We were a half-step slow in every aspect of the basketball game on Friday night," WSC coach Greg McDermott said. "We didn't appear to be ready to

play. We had our share of opportunities in the second half especially with a five point lead but we just didn't get the job done."

"Mac" did credit Jon Dolliver's performance as being very aggressive on offense. Brad Joens was the only other 'Cat in double figures with 13 points.

WSC edged the Beavers on the boards, 33-31 with Eric Henderson leading the way with 10 caroms while Dolliver had nine.

SATURDAY IN DULUTH the 'Cats fell victim to "Quigley down under" as Duluth's Josh Quigley scored a career high 40 points.

Last year's NSIC player of the year hit 16-of-20 shots from the floor and was 2-2 from three-point range while connecting on six-of-eight free throw attempts.

WSC trailed the host team, 38-34 at the half and trailed by 10 points at the 15:20 mark but the 'Cats battled back and took a 78-77 lead with 41 seconds left on a Brad Joens jumper.

Duluth built a three-point lead with just 12 seconds left before Joens drained a heroic three-pointer with just four seconds left on the clock to send the game to overtime.

The three-point shot hit the rim and bounced straight up several feet and dropped through the rim.

"That was a big shot," McDermott said. "I'm not sure that ball had any business going in but we sure weren't going to give it back because we felt we had a chance to take care of business in overtime and we got up right away by two points."

Eric Henderson hit a jumper to give WSC an 83-81 lead but Duluth scored the next five points and never trailed again.

Scott Hansen's three-pointer closed the gap to three at 91-88 with 18 seconds left but that was WSC's final score.

"Our defense just didn't bail us out this weekend," McDermott said. "That's something we haven't struggled with

this season but now it's time to bounce back.

Nathan Mulder led WSC's efforts at Duluth with 21 points including a 20-point second half. Brad Joens poured in 19 and Jon Dolliver netted 14 with Eric Henderson also in double figures with 12.

WSC maintained a 41-34 advantage on the boards as Henderson notched another double-double with 11 caroms to go with his 12 points.

Mulder had eight rebounds which was a season-high.

The 'Cats will look to bounce back this weekend with a pair of pivotal conference games at Minnesota-Morris on

Friday and at Northern State on Saturday.

Defense dominates in victories

Wayne State's defense resumed to its dominant stage as the Wildcats men's basketball team posted a pair of NSIC victories over the weekend at Minnesota-Morris and Northern State before returning home to defeat Briar Cliff on Tuesday night in Wayne.

Greg McDermott's 'Cats improved to 14-5 on the season following Tuesday's 89-74 win over the Chargers and WSC sits at 8-3 in the NSIC standings, tied for second place with Minnesota-Duluth.

Winona State remains perfect at 11-0 and will invade Rice Auditorium on Saturday night.

WSC opened up a 12 point lead on Briar Cliff at 36-24 with just under five minutes to go in the first half but the Chargers went on a 13-4 scoring run to cut the gap to three by intermission at 40-37.

The 'Cats opened the second half with a scoring run of their own to the tune of 21-4 to put the game out of reach at 61-41 with 12:04 remaining.

The lead grew to 22 at 80-58 with just under four minutes to go before the Chargers hit some late three's to close the gap.

"It was a real physical ball game," McDermott said. "I thought fatigue set in on our team late in the first half, playing a couple conference teams on the road over the weekend and then playing on Tuesday night."

"Mac" was pleased with his team's win over a quality Briar Cliff team that had entered the game with a 20-5 record

"We're right in the middle of a conference race and we step out of the conference to play a good team like Briar Cliff," McDermott added. "We started the game well and we started the second half well and I was pleased with that. We do need to do a better job against the press. We can't afford to have 18 turnovers against good competition."

Jon Dolliver shared scoring honors with Eric Henderson as each tallied 17 points and Dolliver became the 21st Wildcat player in history to surpass the 1,000-point barrier for a career.

Dolliver needed six points coming into the contest and sits at 1,011 after scoring 13 of his 17 points in the second half.

Brad Joens poured in 15 points and Matt VanVoorst scored 14 with Brad

to six at 28-22 and the 'Cats led 40-33 at the intermission.

In the first three minutes of the second half the host team managed to tie the game at 42—but the Wolves would never lead.

WSC went on a 9-0 run for a 51-42 lead and the 'Cats were never threatened en rout to the 23-point victory.

WSC led 66-57 at the 9:13 mark and then the 'Cats went on an 18-point run to lead 84-57 with 1:45 left.

"We probably played our best basketball of the season during the game's first 10 minutes and the game's last 10 minutes," McDermott said. "We made the extra pass all night long to find the open man. To beat the five-time defending conference champs on their home floor is an accomplishment."

The 'Cats had five players in double figures led by Brad Joens with 18 points. Jon Dolliver and Eric Henderson poured in 15 each and Nathan Mulder tossed in 11.

WSC edged the Wolves on the boards, 29-27 led by Henderson with nine rebounds.

Brad Manley dished out six assists and Rory Williams had five assists.

THE 'CATS pounded Minnesota-Morris last Friday night in Morris, 86-60 after opening a 20-point halftime lead at 42-22.

"Our goal going into the contest was to dominate the backboards and to play intense defense," McDermott said. "We played an average offensive game and got a good lift from Kevin Lingenfelter and Jason Herlitzke.

Brad Joens led the winners with 15 points with Kevin Lingenfelter adding 12 and Rory Williams, 11. Matt VanVoorst tossed in 10 points.

Eric Henderson notched a career-high on the boards with 20 rebounds as WSC doubled the rebounding efforts of Morris, 50-25. VanVoorst netted nine caroms.

WSC will now shift focus to this weekend's NSIC homestand with Concordia-St. Paul and Winona State on Friday and Saturday, respectively.

"We need to focus on Friday's game before we turn attention to Saturday," McDermott said. "We need to protect our home floor."

Winona State will enter Wayne as the league's top team at 11-0 prior to the weekend twinbill at Southwest State and at Wayne State.

They feature three all-conference players that hurt the 'Cats last month. WSC led the Warriors by 20 points in the second half of that contest before falling on a last second shot by one point.

"We need to do a better job of playing defense," McDermott said. "Winona used a trapping zone press which hurt us so we need to be ready."

The 'Cats are 10-0 at home this season and have won 27 consecutive regular season games in Rice Auditorium.

Manley and Nathan Mulder netting eight apiece.

Henderson and VanVoorst finished with nine rebounds each as WSC dominated the boards, 39-27.

Manley dished out a game-high seven assists and Henderson had five with Manley also notching three steals. Henderson blocked a pair of shots.

LAST SATURDAY in Aberdeen, S.D., coach Greg McDermott notched his first win against the Wolves in Aberdeen in convincing fashion, 86-63.

WSC used a 24-5 run early in the game to find itself up by 16 at 24-8. The Wolves went on a 9-0 run to cut the gap

Men win convincingly at home

Greg McDermott's Wayne State men's basketball team made up a two-game deficit in the Northern Sun standings last weekend after a pair of convincing home wins.

Included in that weekend package was a dominating 96-67 win over league leading Winona State. The Warriors also fell to Southwest State over the weekend which left WSC just a half-game behind first place with a 10-3 conference mark.

The 'Cats, 16-5 overall started Saturday's contest with Winona State with a 12-0 scoring run and the Warriors never threatened.

Senior Jon Dolliver sparked WSC's solid start with seven of the 'Cats first 12 points. He finished with a game-high 17 points to go along with seven rebounds.

WSC raced to a 47-33 halftime lead and then out-scored the visitors, 49-34 in the second half while grabbing a little revenge from a one-point setback on Jan. 2 to the Warriors.

The 1500-plus in attendance watched as WSC won its 29th straight regular season home game and 24th straight home win against NSIC schools.

"I thought the start of the game was critical," McDermott said. "At the end of last season I felt we struggled in big games early."

"Mac" said a focal point in practice all season has been the big picture of playing an entire 40 minutes of basketball

and his troops are doing just that.

"Our approach is to take each possession and believe it's the most important," McDermott said. "That can only lead to the precision that we look for."

One of the keys to the Wildcats 16-5 record is the defensive intensity which is headlined by the in-your-face style of defense of Brad Manley.

"Brad is the difference in this team right now because of his defensive intensity," McDermott said. "Our defense played outstanding all weekend long."

Brad Joens poured in 16 points with Matt VanVoorst and Kevin Lingenfelter adding 11 each as the 'Cats finished with four in double figures.

Eric Henderson was very close to another double-double with nine points and a game-high 14 rebounds—10 of which came in the first half.

The 'Cats were outstanding on the boards with a 43-19 advantage. WSC hauled down 14 offensive boards.

LAST FRIDAY NIGHT WSC rolled past Concordia-St. Paul, 90-51 after the 'Cats led 39-24 at the half.

It was a season low point total for Concordia. The 'Cats shot very well from the field, hitting 57 percent for the game and 66 percent in the second half.

WSC used a 17-3 scoring spurt to open the second half which virtually put the game away at 56-27.

"We came out with the goal of win-

ning convincingly so we could rest some players for the Saturday game with Winona," McDermott said. "I was pleased we were able to accomplish that goal."

One of the keys to the win was the play of Jason Herlitzke, who garnered 10 points after struggling some.

"It's good to get Jason back on track," McDermott said. "We're going to need him and I respect how hard he's worked

Once again the 'Cats had four players in double figures led by Kevin Lingenfelter with 16 points with Jon Dolliver and Matt VanVoorst netting 13 each and Herlitzke, 10.

Eric Henderson had six rebounds to lead WSC which won the boards battle, 35-34.

"It was a very good weekend but that's over now," McDermott said. "Our game at Southwest State on Saturday is extremely critical for us."

The Mustangs have won six of their last eight games and are 10-1 at home this season.

WSC thumped the Mustangs by a 77-53 margin earlier this season.

WSC wins in final seconds of game

Sometimes destiny smiles on your side of things.

The Wayne State men's basketball team watched a seven point lead in the final two minutes disappear at Southwest State, only to have a reprieve in the final seconds—which they took full advantage of.

The 'Cats trailed the host Mustangs,

Rory Williams found an open Brad Joens in three-point range and Joens took one dribble and drained the shot—ironically his only three-pointer of the game which extended his consecutive game total with at least one three-point bucket to 62.

"We just didn't execute very well in the final two minutes but our guys never felt they were going to lose," McDermott said. "Southwest State did an outstanding job of taking away our outside shooting by extending their defense but our inside guys got the job done."

The win left the 'Cats in sole possession of second place and just a game behind Winona State with just four NSIC games remaining.

WSC led the Mustangs, 30-29 at the half and the biggest lead in the second half was by the 'Cats at seven points at 62-55 with 1:42 remaining.

The 'Cats hit five, three-pointers in the game on just eight attempts. Jon Dolliver paced the winners with 15 points with Matt VanVoorst netting 12 and Eric Henderson along with Brad Joens scoring 11 each.

WSC won the boards battle, 32-29 with Henderson hauling down a game-high nine caroms.

"Mac" said his squad suffered more turnovers than what he'd like to see with 18 while the Mustangs had just 10.

WSC improved to 17-5 overall and 11-3 in the conference, and will hit the road for conference play for the final time this season this weekend at Minnesota-Crookston and Moorhead State.

The regular season ends next weekend as WSC hosts Minnesota-Duluth and Bemidji State.

WSC, 67—Southwest State, 65
WSC: Jon Dolliver, 15; Matt VanVoorst, 12; Eric Henderson, 11; Brad Joens, 11; Brad Manley, 7; Rory Williams, 4; Nathan Mulder, 4; Kevin Lingenfelter, 3. **FG's:** 21-43-49%; **FT's:** 20-24-83%; **TEAM RECORD:** 17-5; **NSIC RECORD:** 11-3.

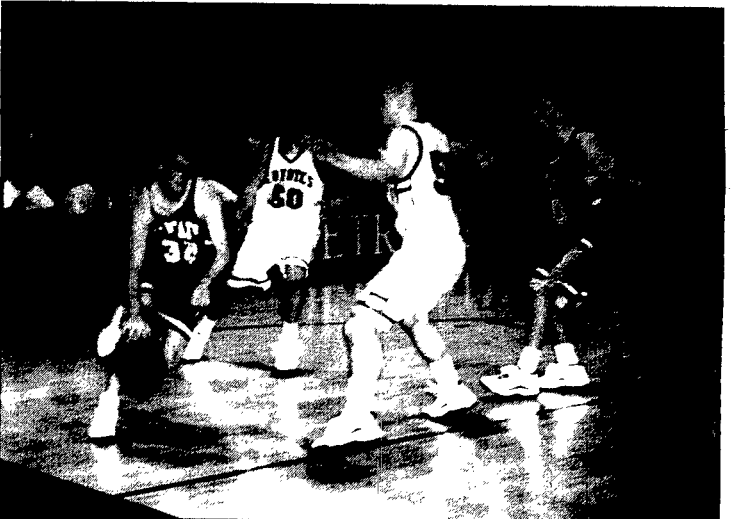

65-64 with just four seconds remaining and Southwest State had the ball under the WSC basket.

The other negative for WSC was having just four team fouls which meant they virtually had to find a way to steal the ball to get it back because there would be no way to get three fouls in four seconds to force the Mustangs to shoot free throws in order to get the ball back.

"Our defense really stepped to the forefront and they (Southwest State) had no timeouts left," WSC coach Greg McDermott said. "They ended up handing the ball in-bounds which is a violation and we got possession back with out any time elapsing."

The 'Cats called a couple timeouts to discuss the final shot attempt and options.

Men win a pair on the road

Greg McDermott's Wayne State men's basketball team swept a pair of NSIC contests on the road last weekend with a 107-68 win over Minnesota-Crookston and an 86-75 win over Moorhead State.

The 19-5 Wildcats got some aid from Minnesota-Duluth as the Bulldogs defeated conference leader Winona State, 85-84 on Friday night which left WSC and Winona State tied for the conference lead heading into the final weekend of the regular season as both teams sit at 13-3 in the NSIC.

Duluth is one game back at 12-4 and Southwest State is 11-5. The top four teams host first round conference tour-

the scoring column with six of those in double figures led by Brad Joens with 19 and Jason Herlitzke with 15. Nathan Mulder poured in 14 and Eric Henderson, 11 while Jon Dolliver and Kevin Lingenfelter added 10 apiece.

WSC edged the host team on the boards, 29-26 as Henderson led the winners with seven caroms.

Brad Manley dished out seven assists and had three steals while Dolliver had four steals. The 'Cats did commit 18 turnovers while forcing 27.

SATURDAY IN MOORHEAD, WSC battled Moorhead State and its slower style of play.

The Dragons used the majority of the shot clock on many possessions to limit WSC's potent offensive attack.

"They were trying to control the tempo," McDermott said. "We were a little sloppy in the first half and during one stretch we had five consecutive turnovers. We didn't shoot very well from the perimeter but our inside game was dominant."

Dominant indeed as senior Eric Henderson enjoyed a career-high 30 points while hauling down 10 rebounds.

"Hendo" connected on 10-of-11 shots from the floor and hit 10-of-14 free throw attempts. Of his 10 total rebounds, half were on the offensive glass.

"He had a phenomenal game," McDermott said of Henderson. "He took advantage of what Moorhead State gave him."

The 'Cats led 40-38 at the half and early in the second half the game was knotted at 45's.

WSC began pulling away at that point and eventually built a lead of 18 points with 7:10 left. The lead never got below the final of 11 points.

"We were definitely pleased to come away with a 2-0 mark over the weekend but looking at our stat line with 32 total

turnovers and 31 assists we know we need to improve on that," McDermott said. "We like to have that assist to turnover ratio at 1.5-to-1."

The 62-game streak with Brad Joens hitting at least one, three-pointer did come to an end as Joens was officially shut out. (Unofficially, however, game tape clearly shows one his shots in the second half was behind the three-point line but he was just credited with a two point bucket).

The 'Cats had four in double figures led of course by Henderson with 30. Jon Dolliver netted a dozen and Nathan Mulder added 11 with Matt VanVoorst scoring 10.

Rory Williams was close to double digits with nine points.

WSC owned the boards, 36-21 with "Hendo's" 10 caroms leading the way.

"We're happy to be where we are at this point of the season," McDermott said. "To have a chance to win the conference on the final weekend of the regular with out having to travel is a nice position to be in. We will however, have our hands full with Minnesota-Duluth

and Bemidji State after we were swept on that road trip earlier in the season."

WSC is not only playing for the conference title but a top seed in the coming NSIC tournament and a solid seeding in the coming Regional Tournament.

"We are in control of our own destiny at this point," McDermott said. "This weekend is critical for a number of reasons."

The 'Cats play Duluth on Friday night and Bemidji State on Saturday.

At Crookston last Friday night the 'Cats hit the floor running and jumped out to a 17-0 lead before taking a 20-point halftime lead at 44-24.

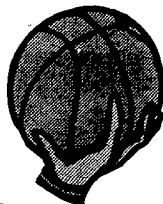

WSC continued to heat up in the second half, scoring 63 points en rout to the 39 point win.

"We got off to a very good start against Crookston," McDermott said. "Despite leading 17-0 we still have seven turnovers in that stretch. Overall, we shot the ball well (54%)."

Wayne State Wildcats win

The Wayne State men's basketball team wrapped up a conference championship in its first year in existence in the Northern Sun with a pair of wins over the weekend.

Greg McDermott's 'Cats shared the crown with Winona State as each had 15-3 NSIC marks but when it came to tie-breakers for the conference tournament it was "Mac's" 'Cats getting the nod for the top seed.

WSC took advantage of that seed by dismantling Minnesota-Morris for the third time this season on Tuesday night in Wayne, 100-63.

The 'Cats will now advance to Friday's semifinals of the NSIC Championships in St. Paul, Minnesota where they play Southwest State at 8 p.m.

The winner advances to Saturday's championship at 7:30 p.m. against the winner of the other semifinal with Winona State and Minnesota-Duluth.

WSC, 22-5 and 16-3 in the NSIC is cur-

rently ranked 23rd in the country and has won 11 straight games and 15 of its last 17 contests.

The 15-0 record in Rice Auditorium this season was a record for most wins in a season at home.

After downing Morris by big numbers twice this season, WSC started a little sluggish against the Cougars on Tuesday, trailing 10-8 at the 14:39 mark of the first half.

The tenacious 'Cats defense stepped things up a little and the offensive started rolling and WSC built a 49-34 half-time lead.

"The first five minutes of the second half is always a critical point in a game," McDermott said. "We came out and went on a 23-5 run in the first five minutes to put the game away at 72-39."

A very balanced Wildcat attack was paced by Nathan Mulder with 14 points including a four-of-five performance from 'three-point' range which didn't

ranks where he was among the elite in percentage from three-point land.

Jon Dolliver, Brad Joens and Kevin Lingenfelter each scored 12 points and Matt VanVoorst tallied 11 while Eric Henderson and Rory Williams scored 10 each.

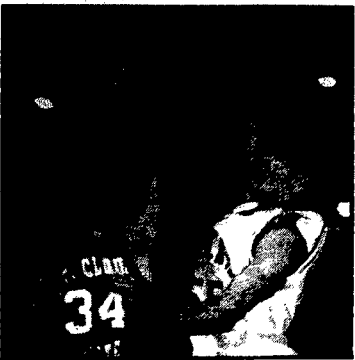

"Hendo" notched his ninth, double-double of the season with 10 points and a game-high 13 rebounds.

WSC won the battle of the boards, 48-37. Henderson also dished out five assists and had three steals.

THE WILDCATS defeated a very solid Minnesota-Duluth team last Friday night in Wayne, 98-88 as the showdown featured NSIC leading scorer Josh Quigley of Duluth.

The game gave the 'Cats a chance to earn some revenge for a 94-88 overtime loss in Duluth earlier in the season and it would at the same time eliminate the Bulldogs chances of a share of the con-

hurt his standing in the NCAA-Division II

conference championship

ference title.

"It was a great atmosphere for a big game," McDermott said. "With everything we had on the line with it being the last regular season weekend for our seniors, a chance at the conference title and a chance at keeping our bid in good standing for a regional invite."

Duluth came in to Wayne playing very good basketball but the 'Cats efforts at home have been phenomenal all season.

Both teams battled to a 46 all tie in the first half but WSC stepped it up on the defensive end in the second half and went on to post the 10 point win.

"We played with a little more urgency on the defensive end in the second half," McDermott said. "Duluth is a very good ball team and we had to step it up."

Senior Eric Henderson went head-to-head with Josh Quigley and the Wildcat leader won the battle by scoring 28 points and hauling down 13 rebounds

while Quigley garnered 24 points and six boards.

Five 'Cats were in double digits as Jon Dolliver added 18 points and Matt VanVoorst tossed in 17 with Brad Joens scoring 14 and Nathan Mulder, 10.

Both teams managed 32 rebounds with "Hendo" notching 13 caroms. Henderson and Brad Manley had five assists each.

Brad Joens surpassed the 1,000 point barrier for a career, becoming the 22nd Wildcat to do so.

SATURDAY IN WAYNE the 'Cats shook off a stubborn Bemidji State team in the second half, posting a regular-season ending 89-66 victory.

"Our backs were against the wall at one point during the season when we were 6-3 in the conference and three games behind Winona State," McDermott said. "I'm very proud of the way our team responded with nine

straight NSIC wins, five of which came on the road."

WSC led Bemidji State, 41-30 at the half but shot 63 percent from the field in the second half while out-scoring the Beavers, 48-36.

The 11-point lead in the first half was aided by Brad Joens' efforts. The junior scored eight points in a 42-second span to break open a 21-18 contest. He scored 15 of his game-high 21 points in the opening stanza.

"We may have been a little too excited at the beginning of the game," McDermott said. "Once we took a deep breath we got going."

Joens led the winners with 21 points with Matt VanVoorst and Nathan Mulder scoring 13 each. Jon Dolliver added a dozen and Eric Henderson scored 10.

WSC owned the boards, 33-23 as Dolliver led the way with eight caroms. Brad Manley dished out six assists.

Wildcats cinch berth in regional

The Wayne State men's basketball team ran their win streak to 13 by winning the inaugural Northern Sun Conference Tournament last weekend in St. Paul, Minnesota on the campus of Concordia-St. Paul.

The Wildcats clinched an automatic berth in this week's NCAA-Division II Regional Tournament in Denver with the NSIC championship.

WSC was in the field of six teams, regardless of last weekend's out-come and they enter Regional tourney play on Thursday as the third seed with the second best record of the six teams at 24-5.

The 24 victories ties the Wayne State record for most wins in a season and the 'Cats win total is one ahead of last season's 23-5 mark.

Greg McDermott's 'Cats earned a semifinal berth in St. Paul with their 100-63 thrashing of Minnesota-Morris early last week.

WSC defeated Southwest State of Marshall, Minnesota by an 84-72 margin last Friday night.

It was the third win for WSC over a solid Mustangs team this season.

"Mac" feels the first five minutes of the second half is always a critical juncture of the game and Southwest State started the second half on fire, scoring the first nine points to cut a once 43-33 halftime deficit to one at 43-42.

Southwest State did take a 50-49 lead with just over 13 minutes remaining.

It would however, be the Mustangs final lead as WSC went on a 9-0 run fueled by Nathan Mulder with four points and Jon Dolliver with three and a Kevin Lingenfelter jumper at the 11:11 mark.

WSC would convert free throws down the stretch and pull away for the double digit victory.

The 'Cats connected on 29-of-38 free throws for the game.

"We were disappointed with our effort during the first five minutes of the second half," McDermott said. "We really

didn't make that many adjustments but we wore into them as the half went on."

"Mac" said there was a stretch in the second half where his offense was forcing the shots and once that subsided things got back in their favor.

WSC had four players in double figures led by Brad Joens (tournament MVP)

championship.

The 'Cats had defeated the Bulldogs by a 98-88 margin just eight days earlier in Wayne.

Defense set the tone in this contest as the 'Cats held a prolific scoring Duluth team to just 60 points while notching their second straight 12-point win in as many days, 72-60.

"We executed our defensive scheme very well," McDermott said. "To hold a team like Duluth to 60 points after they had scored 94 and 88 against us earlier is saying something. I felt our guys were a little embarrassed by how easily Duluth had scored on us the first two times we played them."

WSC managed to take a 13-point lead into the locker room at the break at 43-30.

The 'Cats connected on seven, three-pointers in the opening stanza on 13 attempts.

Duluth never got the Wildcats lead below eight points in the second half.

"Balance was the difference again," McDermott said. "To have five guys finish in double figures in a conference championship game is remarkable."

Brad Joens paced the winners with 15 points with Rory Williams, Nathan

Mulder and Eric Henderson scoring 12 each. Matt VanVoorst was also in double digits with 10 points.

WSC owned the boards, 36-29 as Henderson notched his 10th double-double of the season with 15 rebounds.

Joens dished out six assists for game high honors.

"We're accomplishing the goals we set for ourselves at the beginning of the season," McDermott said. "We've won the conference regular season even though we share that honor with Winona State and we won the conference tournament and we're headed back to Regionals."

Eric Henderson, joined Brad Joens on the all tournament team along with Josh Quigley of Duluth, Scott Koenan of Southwest State and Lance Meincke of Winona State.

"The leadership of our four seniors (Jon Dolliver, Matt VanVoorst, Rory Williams and Eric Henderson) has been a big reason for our success," McDermott said.

WSC will face St. Cloud State—the sixth seed in first round action. The Huskies have won seven of their last eight games and enter Thursday's game with WSC with an 18-9 record.

The winner of Thursday's contest will move into the semifinals against South Dakota at 22-5. Metro State is the top seed and host of the tournament. South Dakota State and North Dakota will square off in the other first round contest on Thursday with the winner facing Metro State.

Season closes in Denver

The most storied basketball season in Wayne State history came to a close in Denver last Saturday night in the championship game of the North Central Regional Tournament.

Greg McDermott's Wildcats were defeated by the nation's third-ranked team—Metro State by an 84-72 margin.

The Roadrunners, last year's national runner-up, now advance to the Elite Eight in Louisville, Kentucky, March 22-26.

WSC, the third seed at the Regional Tournament began its championship quest last Thursday against North Central Conference foe St. Cloud State.

Despite a close first half which saw WSC take a nine point lead on several occasions, the game was tied at 34 at the break before the 'Cats clawed out a 90-80 victory.

WSC found itself down by a 46-40 margin at the 16:02 mark of the second half before "Mac's" 'Cats went on a 28-4 run to put the game away at 68-50 with still 7:36 remaining.

WSC scored 14 unanswered points to

start the run and it was junior Nathan Mulder that shined over the nine minute span, scoring 15 of his 19 points during that stretch.

The winners scratched out 27 points

from the free throw line in the second half in 37 attempts and WSC was 34-44 from the charity stripe for the game.

"This is the third or fourth straight season that we've made more free throws than our opponent has attempted, so it wasn't a fluke," McDermott said. "We really stress that our defense plays with their feet and not to foul."

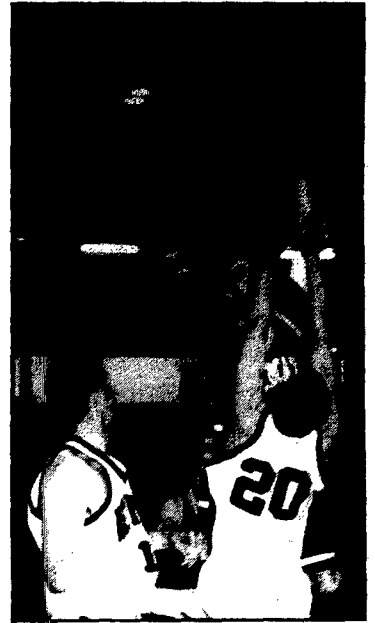

"Mac" said his defense fronts the post so therefore they don't get a lot of one-on-one isolations on the post where a lot of fouls are committed.

"We got a few of their key players in foul trouble and we really went after them," McDermott added. "It's by design that we're trying to get to the free throw line."

Jon Dolliver led the winners with 22 points with Mulder pouring in 19 and Eric Henderson, 18. "Hendo" knocked down 13 points in the first half and the senior hauled down a career-high tying 20 rebounds for the game.

Brad Joens was also in double figures

with 15 points including a pair of three-pointers.

WSC owned the boards, 43-33 with "Hendo" leading the way with his 20 caroms while Nathan Mulder and Matt VanVoorst had six rebounds each.

Dolliver had a game high four steals and Mulder blocked a pair of shots.

"Our players gave everything they could but it just wasn't enough against Wayne State," St. Cloud State coach Kevin Schlagel said. "They (WSC) converted very well from the free throw line. We just didn't move our feet very well and we didn't get to the boards but give WSC the credit."

THE WIN SET UP a rematch on Friday with South Dakota—a team that had defeated WSC in the season-opener in

Sioux City, Iowa by two points.

The 'Cats started quickly against the

Coyotes, sprinting to a 10-4 lead behind eight points from senior Jon Dolliver who began the game with St. Cloud State the day before with the first seven WSC points.

It would be Dolliver however, that pushed WSC to a convincing 55-37 half-time lead.

The Stanton native pumped in a career-high 28 points including 20, first half points.

WSC's first half performance was labeled as one of the finest in Wildcats history both from an offensive standpoint as well as defensively.

Dolliver's tip in off an offensive rebound early in the second half put WSC up by 20 at 57-37 but USD made a ferocious comeback.

Dave Boots' team actually took an 80-79 lead with a layup by Nate Tibbetts at

the 3:25 mark.

WSC regained the lead at 81-80 but USD's final lead came with just under two minutes remaining but Brad Joens drained a three-pointer at the 1:19 mark for an 84-82 'Cats lead.

Dolliver's final two points came at the 30 second mark to give WSC an 86-82 advantage.

Dolliver led all scorers with his 28 points with Joens pouring in 24 and Rory Williams, 13.

"This was just a great basketball game," McDermott said. "I'm very proud of our guys. We made it a goal of ours after we lost to Kearney last year at Regionals to get back to this game and this was that game."

"Mac" said the win over USD was another step as a basketball program.

USD coach Dave Boots gave the 'Cats credit for their first half scoring barrage.

"Wayne State really got off to a good start," Boots said. "They really shot the ball well. Our kids played hard in the second half. We hit some big shots. We had a great comeback. We got better movement in the second half by going to a smaller lineup and by driving the lane more."

WSC's win was its 15th straight victory—the longest current streak in the country in the division II ranks.

"You want your seniors to perform in a game like this and our did," McDermott said. "Our defense to start the game was the difference. We got good looks on offense and we knocked the shots down. USD is a great team. You don't win the North Central Conference if you're not. Our last six or seven minutes we appeared to be running on empty after playing a close game with St. Cloud

State."

"Mac" said Joens' three-pointer to put the 'Cats up by two at 84-82 was simply a big shot.

"All summer long while you are working out you think of situations like this," Joens said. "I wanted the ball and it just didn't matter how tired I might have been or how tired anyone else was. You just dig down a little deeper."

Dolliver said jokingly, that he wanted Brad Joens to take that last shot as well.

"I was looking forward to playing USD

again," Dolliver said. "They have some great players from Nebraska such as Nathan Blessen and Ben Ries. I just didn't want to lose to those guys after falling to them in November."

Dolliver said when Blessen picked up his second foul early in the first half he pushed towards him a little harder.

"He was kind of backing off me," Dolliver said. "He didn't want to pick up his third foul in the first half. I took

Blessen said he knew his USD team could get back into the game in the second half with better defense. "We weren't in a desperation situation because it was only halftime," Blessen said.

Jeremy Kudera hurt the 'Cats with his long distance shooting in the second half. Kudera scored 18 of his 20 points over the final 20 minutes. His long three-pointer at the buzzer hit the front of the rim but was on target.

"We thought we played a lot harder in the second half," Kudera said. "Give Wayne State credit though, they hit the shots and made the plays at the end. Brad Joens hit some big shots down the stretch as did Jon Dolliver."

disappointed that we played that first game. This was a great win for the Northern Sun Conference. We're proud to be members of the NSIC."

WSC was edged on the boards, 34-33 but Eric Henderson led everyone on the boards with 14 caroms.

The 'Cats took good care of the basketball, suffering just seven turnovers and Dolliver dished out a team-high four assists while notching a team-best three steals.

WAYNE STATE went into Saturday's championship tilt with host Metro State with tired legs.

In fact the 'Cats first field goal against the Roadrunners came at the 13:45 mark of the opening stanza on a Nathan Mulder three-pointer.

WSC trailed 31-24 at the 6:24 mark but gave up a 15-8 scoring run to close out the half—thus staring at a 46-32 halftime deficit.

WSC made a valiant effort in the second half but it came after the Roadrunners had built a 16-point lead at 57-41.

The 'Cats cut the lead to eight points at 63-55 and had possession of the ball. Rory Williams got a good look at a three-pointer but the ball bounced out and Metro State converted on the other end for a five-point swing.

"They (Metro State) were the best team we've faced this season," McDermott said. "We just didn't feel as a coaching staff that we could go toe-to-toe with them on defense."

"Mac" played a triangle and two zone defense on the host team and he gave the Roadrunners credit for knocking the outside shots down.

"Metro State hit the shots," McDermott said. "Of the 30 made shots for the game, they hit 22 of them from 15-foot or longer."

It also didn't help that John Bynum drained four, three-pointers in five

attempts after hitting eight total three-pointers in the previous 33 games.

WSC had four players in double figures led by Eric Henderson with 19 points. It was fitting that "Hendo" end his career with another patented double-double with 19 points and 12 rebounds.

Nathan Mulder scored 13 points with Jon Dolliver and Matt VanVoorst scoring 10 each. Brad Joens was held to eight points, taking just nine shots the entire game.

The 'Cats won the battle of the boards, 29-20 but WSC suffered 16 turnovers while Metro State had just eight.

Justin Sanny led the team in assists with five.

Jon Dolliver and Eric Henderson were honored by being selected to the All-Tournament Team along with three players from Metro State.

It was the final game for seniors Eric Henderson, Jon Dolliver, Matt VanVoorst and Rory Williams.

WSC ends the season with a season-best 26 wins against six losses. The previous win record was 24.
