Status of recall election in limbo

The validity of the recall election for the City of Wayne Ward 1 Councilman Verdel Lutt, scheduled for Tuesday, Dec. 12, is currently being looked at by a district court judge in Columbus.

A suit has been filed by Lutt's attorney Dave Ptak of Norfolk, seeking a temporary restraining order on the recall election. The suit is based on the validity of signatures

obtained through the petitioners.

At the present time, 38 of the 123 petition signers have signed statements testifying that they were misled as to the content of the recall petitions and that had they known that the purpose of the petitions was to recall Lutt from office, they would not have signed the petitions.

The decision from the judge is expected to be made on Thursday,

Dec. 7. Until that time, the fate of the election is still pending.

If the judge signs the restraining order, he then has 90 days to throw out the election or set a new date for a recall election.

An investigation is still on-going concerning any wrong-doing by the three persons who circulated the petitions.

Wayne to join in candle lighting

As an act of loving remembrance, all families grieving the death of a child are invited to join together in lighting candles from 6:30 to 8 p.m. on Sunday, Dec. 10.

The event will start at 6:30 with a luminary lighting at Second and Main Streets in the State National Bank Park.

"It is our hope that people will realize that they are not alone and that their child, grandchild or sibling is remembered during the difficult holiday season. We invite all people to join in this moving tribute," said organizers of the event, Paula Schwarten and Jane O'Leary.

"Just bring a milk jug and a small candle — sand will be provided," they added.

The luminaries can be decorated in any way to remember a lost loved one.

After the lighting of the luminaries from 6:30 to 7 p.m., the event will move to the Main Street Office, located at 208 North Main for refreshments and treats and a brief ceremony where people will again have a chance to light a candle.

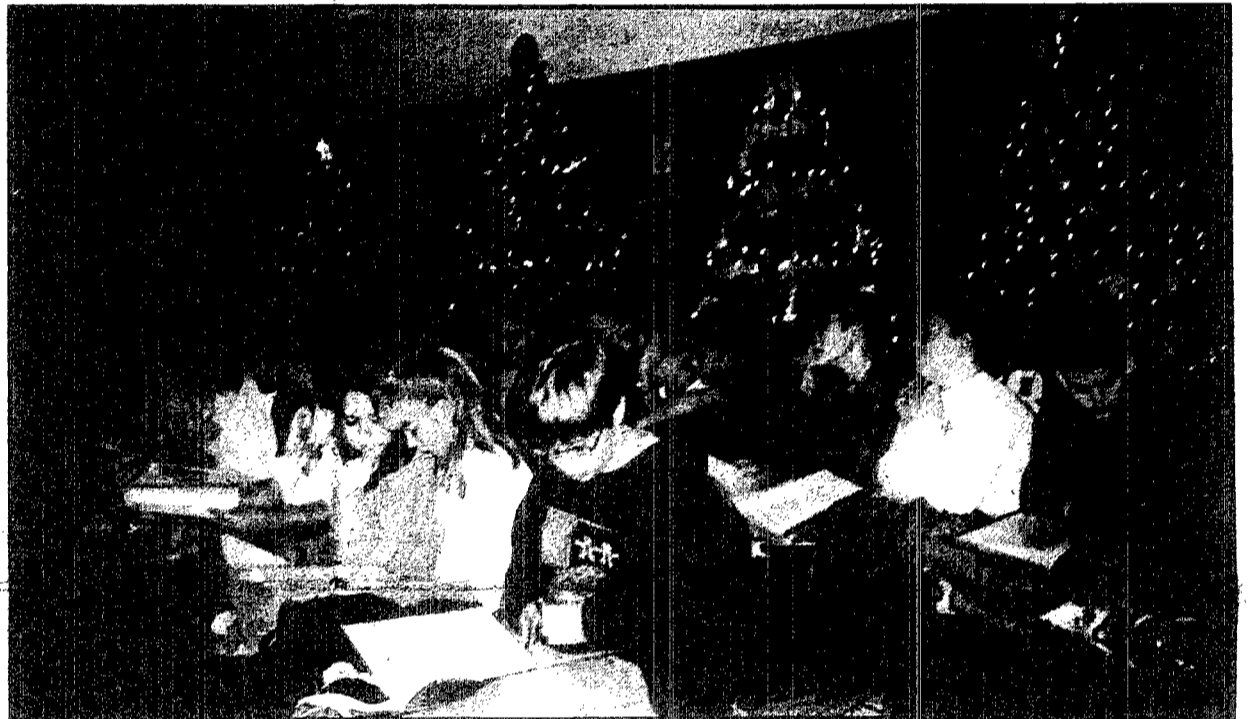

Everyone is encouraged to participate in all or part of the evening.

The Worldwide Candle Lighting is an annual event where tens of thousands of families, united in grief, light candles for one hour the second Sunday in December.

Candles are first lit in New Zealand at 7 p.m., local time. As candles burn down in one time zone, they are then lit in the next. This creates a virtual 24-hour wave of light as the observance continues around the world.

The Compassionate Friends, an international self-help support group, originated the event. With the theme, "that their light may always shine," the event is now in its fourth year, with each observance larger than the last. On the Internet, the national TCF Web site (www.compassionatefriends.org) will host extended chat room hours and a message board for families to share their experiences throughout the day and post tributes.

For more information on the Worldwide Candle Lighting event, contact Paula Schwarten 375-2525 or Jane O'Leary 375-2335.

Fantasy Forest activities

special "Christmas Karaoke" at 8 p.m. at The Max for college students and personnel. The dance is sponsored by KTCH, The Max and Main Street. During the evening, special discounts and drawings will be available to persons who can show their college ID.

Santa will be back at the Main Street Office on Thursday, Dec. 14 for all the youngsters who did not get an opportunity to visit him the

previous week. It will be the final official visit of the Main Street Santa.

Main Street also encourages everyone to visit the "Charlie Brown Christmas park" next to the Edward Jones office. Visitors can come at any time. Individuals, groups and organizations who would like to add to the park are encouraged to do so, but should visit with the Main Street Office first.

What to give adult child who has everything

A gift that's free, A gift that no one else could give; A gift of your legacy; Your heirloom stories.

A daughter knew that the quilt protected in her mother's cedar chest was her great grandmother's. But until her mother recorded the story of the quilt, she did not know how dear it really was.

The quilt was a wedding present received the day before her newly married great grandparents climbed onto a covered wagon in Pennsylvania to begin their journey westward to a new life. Protected and hand carried across the U.S. the quilt bumped along the Santa Fe Trail with a wagon train. That quilt is now much more cherished.

"People forget that they live in their homes with history all around them," says Linda LaPointe, who has helped hundreds of people tell their stories, and created "Loving Legacies: An Heirloom Organizing Kit." Most of the stories go untold, leaving generations without the knowledge of an item's uniqueness, history or sentimental value.

Old tools, equipment and machinery have a history of their own. With most soft drinks coming from cans these days, most of younger people don't know that the early sodas were bottled and capped off with a metal top. A grandfather who once used and now owns an old rootbeer bottle-

Buck or doe; facts you should know

How many times have you heard a hunter say, "I've drew an either sex deer permit, but if I don't shoot a buck, I'll just have to go without."

Many hunters in the Midwest, including myself have fallen into that category, the old "I'd rather shoot a buck than a doe syndrome."

One of my hunting partners has been telling me for years that we should be taking does. It's a known fact that the does generally make

percentages of either sex permits has been increased. The percentage of either sex permits in Nebraska currently runs from 40 to 100 percent.

Our sportsmen group, The Tri-Counties Sportsmen's Association has given the deer problem a lot of thought and feel that perhaps either sex permits could be issued to new hunters, those 16 years of age and younger.

Many young hunters spend their first deer season getting up early only to set in a cold deer stand and not have the opportunity to see a buck. If they were issued either sex permits, they could choose to shoot a buck if one came along or take a doe, which would help keep the does in check.

No one likes to go out hunting and not get the opportunity to harvest a deer and if the youngsters had the opportunity to tag a doe, they would be able to fill their tag and more apt to want to hunt next season than they would if they didn't bag a deer at all.

Hunters are the biggest part of the deer herd management program and if we hunters refuse to harvest does, deer numbers will increase. Once the population becomes greater than the carrying capacity of the habitat, something has to give.

In several states such as Michigan, deer numbers have increased so dramatically that collisions with deer have become a real problem.

Gary Howey
'Of the Outdoors'

personnel said, "Their racks won't grow when they're in the freezer."

Game checks by the Game & Parks indicate that the larger bucks being checked in are at least 2 years old. The smaller bucks haven't reached their second year where they start to develop the larger racks.

If we, the hunters with either sex tags were to bag does and let the smaller bucks go a year or two, we'd be surprised to see how the rack size of our bucks would increase.

We need to start taking does, it helps to keep the deer depredation problems down and it gives that smaller buck the opportunity to grow into a trophy.

More deer are killed in auto accidents in Michigan than are harvested during the deer season.

When the deer population becomes too high, Mother Nature will take over and both bucks and does will suffer. The excess deer will die from starvation or diseases such as Blue Tongue.

It's been said that Northeast Nebraska and Southeastern South Dakota doesn't have what it takes to produce trophy deer.

Baloney, we have the genetics, the nutrients and food source to produce trophy deer. It's impossible for a young deer to develop a good rack when he's harvested in his first season. As one of the Game & Parks

better table fare and as my buddy says, "no matter how long you boil them, you can't eat the horns."

The fact of the matter is that in the Midwest, the buck to doe ratio is way out of line. Each year the Game & Parks agencies issue greater numbers of either sex permits. Which doesn't do a whole lot of good if we don't start shooting the excess does.

It's not unusual to see dozens of does when we're in the field. Year in and year out, more bucks are taken than does. In order to bring the numbers under control, there are more either sex permits being issued and special seasons have been established to try to reduce the numbers.

Big game managers say that a single buck can take care of 10 does. On the average, fawns being born at a 50/50 ratio. Half bucks and half does. Does are able to breed in the first year and the bucks can breed in their second year. If we harvest only the bucks, the doe numbers will continue to increase while buck numbers will decline.

When deer numbers become high, damage done by deer herds increases. Landowners will put up with the loss of a little hay, but in a bad winter, when they need every bit of their hay in order to get their cattle through the winter, hay becomes pretty important. When large deer herds move into hay fields and start to destroy hay stacks, landowners become less tolerant and turn to the Game & Parks for help.

To help get the herd to a manageable number, the Game & Parks has increased the percentage of doe tags. They have also set up special depredation seasons in areas where the deer have become a problem and are causing damage.

In Nebraska, landowners are issued either sex permits in an effort to increase the doe harvest and the

WEEKLY Health TIP
Moderate Exercise Reduces Risk Of Stroke

According to a study by Harvard in the JAMA, the risk of stroke can be substantially reduced by moderate exercise, such as a daily walk. Those who exercised the most (about an hour a day) had the greatest reduction in risk, (up to 34%), compared with those who exercised the least. Each year about 600,000 suffer strokes. About 160,000 die and many are left disabled. Always check with your doctor before you start any exercise program.

The Library Card

This column is written occasionally to inform the Wayne area as to what types of reading material and other items are available at the Wayne Public Library.

"Experience always hands us a comb after we have lost our hair." — Anonymous

Santa's coming to town. Santa plans to visit Wayne Public Library for a special Santa Storytime on Saturday, Dec. 16 at 10 a.m. Children of all ages are welcome to snack on cookies and cider while Santa reads Christmas tales and reminds of the Christmas spirit.

If you've run out of recipes to try, or holiday crafts for the kids make, WPL offers a display of Holiday books as well as a new selection of children's Christmas books, just perfect to read aloud on these cold winter nights. And be sure to take note of the heartwarming display of Swedish Tomten (the paramount symbol of Swedish Christmas) in the entry display case. We wish everyone good cheer in this holiday season.

WPL is continuing its second annual Food for Fines drive. For every item donated from the approved food list, patrons may have \$1 in fines removed from their accounts. And if you have no fines and would simply like to make a donation to the food pantry, the Library will be a collecting point for canned goods and non-perishable foods throughout the holiday season. Stop by the circulation desk at the Library to get a list of recommended food pantry items you may donate. The Food for Fines drive will end Dec. 17.

A special thank you to Nebraska Humanities Council featured speaker Winfield Delle and all the children of our community who helped WPL celebrate Children's Book Week (Nov. 13 - 16). Festivities included a special storytime, videos and trivia and book review contests. Angela Holstedt and Gina Smith were the winners of the Harry Potter and Arthur trivia contests, with each receiving a Harry Potter or Arthur book as a reward. Winners of the book review contest were Kaitlyn Centrone and Hannah Mitiku. Their winning reviews will appear in the Wayne Herald.

The end of the year and the holiday season combined offer us a singular opportunity to reflect on all that we have to be grateful for in our lives. The Library would like to acknowledge those in our community who volunteered their talents, wit and time to WPL in the year 2000. We are appreciate of their giving spirits and the difference they have made in enriching our community.

Political arena is nasty

By Ed Howard
Statehouse Correspondent
The Nebraska Press Association

Just the other day we received a letter from a fellow in Kearney who conveyed the view that we had been unfair, back there in October, when we commented on a particular segment of Attorney General Don Stenberg's campaign for the U.S. Senate.

Actually, the allegation was that Democrat Ben Nelson had run nasty ads that were worse than those Stenberg used.

Every so often something like this comes up in the life of a newspapering type. It gives a fellow something to think about. What I think is that I wasn't quite candid enough in the article which drew the ire of the aforementioned letter writer.

First: The advertisement which was criticized in the column at issue was a flat-out stinker. It said that, as governor, Ben Nelson had been responsible for local property taxes being increased. Well, folks, anyone who says any governor raised your property tax is either stupid or a liar.

Politics is a rough and tumble business and reality is subject to subjective interpretation. That's okay. What's not okay is to take a complex, misunderstood issue like Nebraska's property tax system and deliberately add to the confusion, through falsehood, in hopes of political gain.

Second: These columns have to be held to a length that is manageable for editors. Otherwise, that first column would have said the following:

For many years my relationship with Don Stenberg has been a good one. We have conversed, off the record, about a good many topics.

It remains my view that Stenberg is a conservative who has allowed

his own political fortunes to suffer because he has been a Republican first, and a conservative second.

Stenberg is an extremely intelligent, down-to-the-bones conservative. Instead of talking to Nebraskans about his view of conservatism, he has allowed some of his past campaigns to center on themes that were far too partisan. At least, they were unarguably too partisan for some Republicans. Remember: No one can win a statewide election in Nebraska without votes from Republicans. They hold a voter registration edge of 130,000 votes.

In his Senate bid, Stenberg chose

the "Republican team" concept, emphasizing that he would be a helpmate to Republican Sen. Chuck Hagel and (probably) Republican President George W. Bush. Didn't work.

Stenberg unarguably suffers politically because, for whatever he is, he is not a charmer when he's in front of a television camera. Part of that is personality. Part of it is that when the guy is in a fight, he is all hair and teeth. Let's remember that, earlier in his career, he suggested Hagel was a carpetbagger and that Mike Johanns was something of a liberal.

Maybe Don Stenberg is convinced that, some day, the style of campaigning that he has chosen, or

been convinced by others to choose, will work for him in a race for one of the state's premiere offices - like governor or U.S. Senator. He certainly had the stuff to win three terms as attorney general, but he never faced any big league opponents in those races.

That fellow who wrote to me recently suggested I'd hit Stenberg with a "smart-ass sucker punch" in referencing the aforementioned ad to Nelson and property taxes, and saying it was the biggest chunk of baloney in the campaign.

Well, my critic called it as he saw

So did I
And so did the voters

Recognizing the committee

Dear Editor,

I felt it was important and necessary, upon the final site selection for the Community Activity Center, to recognize and thank all the original members of the Community Activity Center Committee and current building committee members for all their hard work and dedication through the past two years in making this dream finally becoming a reality.

I would like to commend two of our members, Doug Carroll and Bob Keating, who were very instrumental in getting this project off the ground and being our leaders in this entire process. I am proud not only to call them my friends but our community is fortunate to have citi-

zens who will do whatever it takes to enhance the betterment and progress of our community and its youth.

Although I was disappointed in the final site selection, the City of Wayne Recreation Department staff and its commission members can assure the Wayne community and surrounding areas that the Community Activity Center will be managed and maintained in a professional manner.

On behalf of the Recreational Leisure Department, we look forward continuing serving your needs in the years to come.

Opportunities available to market Nebraska products

GROW Nebraska has a wonderful wholesale opportunity planned for all Nebraska arts and crafts businesses: the 2001 Genuine Nebraska Market, set for March 4 and 5, 2001, at the Embassy Suites in Lincoln.

In the fourth year, the juried event draws buyers from a five-state region to the professionally-designed and marketed show. The exhibitor deadline for this 2001 Genuine Nebraska Market is Dec. 31, 2000. All products will need to be juried prior to the market. GROW Nebraska's next jury session is Jan. 23, 2001.

Business owner Kim Curtis can attest to the market's record of success. Curtis, owner of "The Shepherd's Dairy" in Anselmo, Neb., first exhibited her products at the 2000 Genuine Nebraska Market. She hoped to get 10 accounts, but came away with 20. After attending the market, she received referrals from GROW Nebraska and developed an additional 10 accounts to start up the successful wholesale business she operates today.

Nebraska's premier wholesale gift market is available to any arts and

crafts businesses that want to exhibit at the market, said Janell Anderson-Ehrke, director of GROW Nebraska.

"We encourage all arts and crafts businesses that are ready for wholesale to join us at this market," Anderson-Ehrke said. "If you have never done anything like this, give us a call and we will be happy to share jury and wholesale marketing information with you."

The market typically draws many wholesale businesses that have been in operation for some time, as well as a large number of first-time business participants, said Anderson-Ehrke.

"This is an excellent opportunity for smaller businesses to get their feet wet in the wholesale marketing business," Anderson-Ehrke said. "We provide an atmosphere similar to the national shows at a fraction of the cost."

For more information or to receive an exhibitor packet for the 2001 Genuine Nebraska Market call GROW Nebraska at 888-476-9632, ext. 102, e-mail: cjanell@grownweb.com or visit http://www.grownweb.com

Older Antidepressants Often as Effective as Newer, Costlier Ones

According to new guidelines from the American College of Physicians... American Society of Internal Medicine, both newer and traditional antidepressant medicines are equally effective for many patients with depression. Older medicines typically are in the class termed tricyclics (e.g., Imipramine, Elavil). The newer agents include selective serotonin reuptake inhibitors, or SSRIs (e.g., Prozac, Zoloft, Prozac).

The major difference cited between tricyclics and SSRIs are side effects. SSRIs are more likely to cause diarrhea, nausea, headache and sleeping difficulties. Tricyclics are more likely to cause blurred vision, constipation, dizziness, dry mouth, and tremors. Interestingly, according to the new guidelines it is noted that St. John's wort may be effective against mild depression, at least on a short-term basis.

Blue Devils get double digit wins over Battle Creek, Wolverines Wayne gals off to 2-0 start

April Thede looks to get past a Wolverine defender before scoring two of her game-high 13 points.

The Wayne girls basketball team opened season play with an impressive win over state-ranked Battle Creek last Thursday, 48-34 at Wayne State College.

John McClarnen's team out-scored the Bravettes in all four quarters en route to the season opening double-digit victory.

Wayne led 24-19 at halftime and took a 34-24 lead into the fourth period.

"I thought we ran our fast break well, especially in the third quarter when we stretched a five point lead into 10," McClarnen said. "Offensively, we were patient and used all five people on the court to get open looks."

McClarnen said defense is where his team won the game. "It was a total defensive commitment that led to our rebounding advantage and forced Battle Creek to shoot just 22 percent from the field," McClarnen added.

April Thede paced the winners with 13 points with Leah Dunklau tossing in 10 and Kallie Krugman,

eight. Monica Novak scored seven points and Katie Walton along with Amy Harder tallied four each. Lindsay Stoltenberg rounded out the scoring with two points.

Wayne out-rebounded the visitors, 28-19 led by Thede with seven and Krugman along with Dunklau with six each.

Katie Walton notched four steals and Monica Novak dished out four assists.

Wayne will play host to Schuyler on Friday night.

The Blue Devils JV team also posted a season opening win over Battle Creek, 42-36.

James Gagner's team led 20-16 at the half and 28-27 after three quarters of play.

Ashley Loberg and Lindsay Stoltenberg each scored seven points to lead Wayne with Amanda Munter and Karla Keller netting six each. Alissa Dunklau and Mary Boehle each netted four and Allison Hansen, Amber Nelson, Megan Summerfield and Christina Gathje netted two each.

Katie Walton drives past her opponent during Wayne's home opener at the high school. Wayne improved to 2-0.

WSC men drop game to UNK

The Wayne State men's basketball team slipped to 1-6 on the season after falling to Nebraska-Kearney, 93-80 last Saturday night in Kearney.

The Lopers led 44-40 at the intermission and coach Rico Burkett felt the lead could have and maybe should have been in double figures.

"We took a few questionable shots late in the half which UNK turned in to points on the other end," Burkett said.

The Lopers took advantage of some early WSC turnovers in the second half and some defensive breakdowns as they scored 53, second half points en route to the 13-point win.

"We had some breakdowns in our transition defense and UNK took advantage," Burkett said.

The 'Cats did have five players in double figures led by Jason Herlitzke with 17 while Kevin Kobs came off the bench to score 14 in his first game with extended minutes.

Brad Joens chipped in 13 including three shots from three-point land while Nathan Mulder and

Kevin Lingenfelter added 11 each. Todd Klostermann was near double digits with eight points.

WSC was out-rebounded, 37-29 with Herlitzke leading the 'Cats with six caroms. Joens dished out four assists.

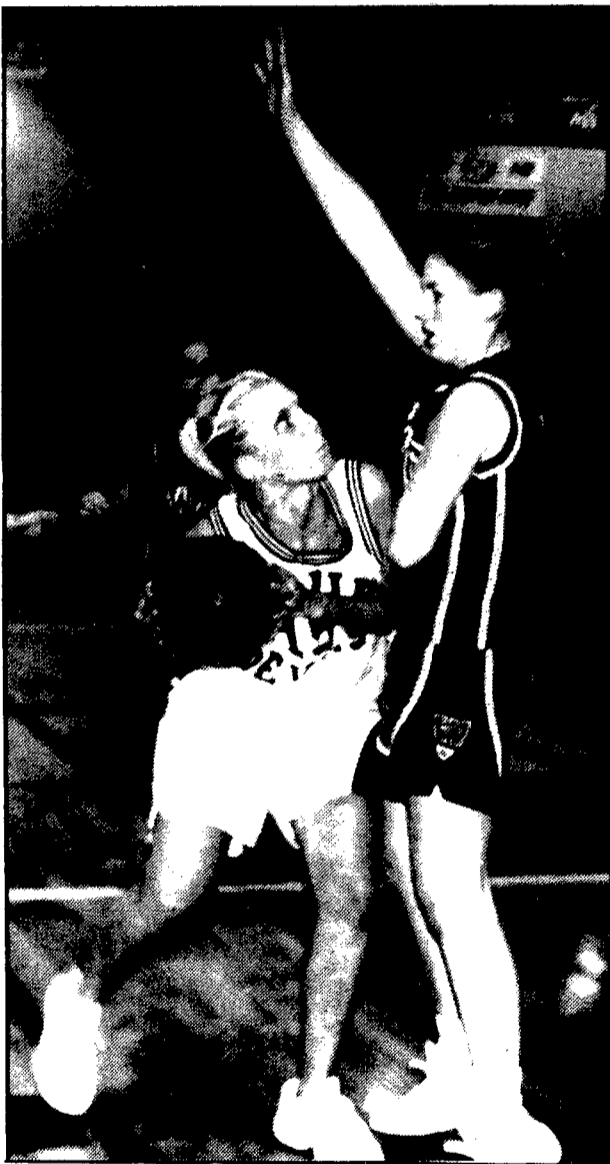

All five of UNK's starters were in double figures led by Nate Mohs who netted a career-high 30 points while Anthony Harms netted 19 and Nick Svehla, 16. Mike Gitt scored 12 and John Webber added 10. UNK improved to 3-1 with the win.

Although the 'Cats have three non-conference games remaining, they will begin NSIC play this weekend at Northern State on Friday and at Minnesota-Morris on Saturday.

WSC returns home to host Lake Superior State and Grand View on Dec. 15 & 16, respectively.

Wayne State women earn a split of Colorado opponents

The Wayne State women's basketball team earned a split over the weekend of their Colorado foes, leaving coach Ryan Williams and his 'Cats with a 4-2 mark on the season. WSC fell to Colorado Christian last Friday, 74-69 despite a career-night for sophomore Karen Hochstein who hauled down 16 rebounds to go with her 21 points—both game highs.

The 'Cats fell victim to a mile-high shooting percentage from the Cougars who fired at a 68 percent clip in the second half and a 54.2 effort for the game.

"We were up 34-32 at the half and we were up by as many as 12 in that first half," Williams said. "In the second half we let them go on a run and we didn't recover."

WSC had several opportunities to

tie the game down the stretch but couldn't convert.

"I thought the difference in the game was our post defense," Williams added. "We let their post get some easy buckets."

Krista Bernadt finished with 13 points and Maranda Radke was also in double figures with 10.

WSC dominated the boards, 48-34 with Hochstein's 16 caroms leading the way.

Bernadt dished out a game-high seven assists for the 'Cats.

On Saturday the 'Cats handed Northern Colorado its first loss of the season in Greeley, 51-48.

WSC led 23-18 at the half and maintained the lead throughout. "We were up by 10 at one point," Williams said. "Ironically, what hurt us most against Colorado Christian is what won the game for us against

UNC—post defense."

Williams said he used freshman Rochelle Sohl to shut down UNC's inside game and Missy Borell who had been averaging 24 points a game along with 12 rebounds per contest.

"Rochelle did a great job as did all our post players on defense," Williams said. "Borell scored 14 points and had seven rebounds, both well below her average."

The 'Cats were led by Sara Miller with 14 points. She was the only WSC player in double figures with Maranda Radke adding nine and Karen Hochstein, eight.

"We had some big shots down the stretch with Krista Bernadt hitting a three-pointer while Miller made a couple free throws and

Hochstein hit a short jumper.

The Wildcats were edged on the boards, 38-37 with Hochstein and Radke hauling down nine caroms each.

WSC will travel to play Northern state on Friday and Minnesota-Morris on Saturday.

Bears girls also thump Coleridge Laurel-Concord drills Crofton

The Laurel-Concord girls and boys basketball teams began the seasons much like they played the volleyball and football seasons—by winning.

Susie Koranda's girls won a pair of games to open the season with a 58-34 win over Coleridge and a 60-48 win over Crofton while Clayton Steele's boys team ran roughshot over Crofton, 73-48 in the opener last Friday in Crofton.

"We did a nice job of controlling the pace of the game with our pressure defense," Koranda said. "We shot the ball well in the first half and converted steals into points."

Laurel sprinted to a 31-13 lead over Crofton at halftime of Friday's

game before settling for the 12 point win at 60-48.

"Once again we controlled the tempo of the game with our aggressive defense and transition offense," Koranda said. "The good leads at halftime of our first two games gave us the opportunity to work with some younger players to develop our depth."

Brittany Burns led the Bears with 15 points with Kari Stewart adding 13 and Melanie Thompson, 11.

L-C held a 36-28 rebound advantage with Burns hauling down seven to lead the way. Katie Peters dished out five assists.

Wayne boys use pressure "D" to post season opening win

Rocky Ruhl's Wayne boys basketball team opened the season with an impressive 52-39 win at Battle Creek last Friday night.

The Blue Devils used a solid defense and their quality depth to tire out the host Braves.

Ruhl said the only area he immediately saw a need for improvement

in was shooting percentage which was at 35 percent.

"We've worked very hard in pre-season on our defensive intensity and we'll continue to do that," Ruhl said. "I thought most of our poor shooting could be attributed to shooting too quickly."

Wayne led 27-22 at the break and

then used an 18-8 run in the third quarter to open things up at 45-30.

Eric McLagan led the winners with 20 points and 12 rebounds while Jon Meyer tossed in a dozen points and Brad Hochstein, seven.

Brad Hansen chipped in six points and Shane Baack scored four while Ben Meyer rounded out the scoring with three points.

The Blue Devils had just 10 turnovers in the opener while forcing 18 and McLagan had four steals and two blocked shots to round out a complete game.

The Blue Devils will play at

Hooper Logan View on Friday before hosting Class C-1's top ranked team, Columbus Lakeview on Saturday.

Wayne's JV team cruised to a season opening win over the Braves, 44-18 after leading, 24-5 at the half.

Caleb Garvin led Duane Blomenkamp's team with 10 points while Luke Christensen scored eight. Eric Sturm and Ryan Schmeits scored seven each and Brady Heithold added five while Brett Parker added three. Jeff Pippitt and Joe Holstedt rounded out the scoring with two apiece.

Shane Baack gets loose for two points as Wayne grabbed a five-point halftime lead over the Braves before opening it up in the third quarter.

Antioxidant Vitamins May Lower Blood Pressure

Animal research suggests that foods containing the antioxidant vitamins C and E may help lower blood pressure and protect the body against the effects of high blood pressure. According to a *Hypertension Journal of the American Heart Association* report, both nutrients may reduce blood pressure by protecting the body's supply of nitric oxide. Levels of nitric oxide were lower in animals fed disease-producing free radicals. Adding vitamins C and E to the animals' diets partially reversed the disease process.

Vitamin C is found in many fruits and vegetables; vitamin E in nuts and some food oils. The US Department of Agriculture recommends that we eat at least 2 fruit servings and 3 vegetable servings daily. Many Americans go day after day with few fruits and vegetables in their diets.

The Allen girls and boys basketball teams fell to Winside in the season-openers last Thursday as Lori Koester's girls fell, 53-50 while Dave Uldrich's boys team dropped a 74-50 decision at Winside.

In the girls tilt the Eagles led 17-12 after one quarter of play but trailed 25-23 at the break and 40-39 after three quarters of play.

"It was good to get that first game played to see where we needed the most work," Koester said. "We played hard but didn't quite get it done."

Melissa Wilmes led the Eagles with 13 points with Angela Prochaska netting 11 along with seven rebounds.

Alicia Liebsch scored nine points but had a team-high 12 rebounds and Elizabeth Bock added five points and six rebounds.

Michelle Marks and Danielle Bertrand each netted four points with Angie Sullivan and Sarah Sweeney scoring two each.

The Allen boys were handled by Winside to the tune of 74-50.

The Eagles were down 18-11 after one quarter of play but the game was won in the second quarter when the Wildcats out-scored Allen, 22-7 for a 40-18 halftime lead.

Adam Hoffman scored a career-high 27 points to lead Winside including a 20-point effort in the first half.

"We didn't adjust anything in the second half," Uldrich said. "We tried to play more intense defense and play more aggressive on the offensive end and it resulted in a 34-32 second half tally."

Allen was led by Mick Oldenkamp with 24 points while Corey Uldrich tossed in eight. Justin Warner added five points with Bryan Gotch and Duane Rahn netting four each. Bart Sachau and Brett Keitges each netted two points and Andrew Sachau added a free throw.

Both Eagles teams played a second game during the first weekend of high school action as the boys dropped a 64-50 decision to Coleridge on Friday while the Allen girls defeated Wakefield on Saturday night, 48-41.

Allen's boys trailed the Bulldogs by a 28-26 margin at the half but Coleridge used a 19-8 scoring advantage in the third quarter to

open up a 13-point cushion at 47-34.

"We were down seven at 54-47 with 1:45 left but free throws down

the stretch turned the game into a double-digit loss," Uldrich said. "Intensity, rebounding, free throw shooting and passing all improved from the first night's game with Winside and the Friday contest with Coleridge."

Mick Oldenkamp led Allen with 19 points while Corey Uldrich poured in 13. Brett Keitges added six points and Bart Sachau tossed in five while Justin Warner tallied three. Lyle Rahn and Duane Rahn scored two each.

Uldrich posted a double-double in just his second game on the high school level with 10 rebounds to go with his 13 points.

Allen will compete in the Ponca tournament this weekend.

THE ALLEN GIRLS evened their record to 1-1 with a 48-41 win over Wakefield on Saturday in Wakefield as the Eagles used a 20-9 scoring run in the final stanza to notch the win.

"It was a very physical game and not a real pretty one but a win is a win," Koester said.

Allen got eight consecutive points in one fourth quarter stretch which was ignited by a four point play from Elizabeth Bock who hit a three-pointer and was fouled.

The Eagles then got free throws from Angela Prochaska and Michelle Marks to give them a two point lead.

"We hit 13 of 18 free throw attempts in the final quarter which made the difference," Koester said.

Liebsch and Prochaska scored 11 each to share team scoring honors while Bock had 10 and Marks, seven. Melissa Wilmes finished with five points and Danielle Bertrand scored four.

Liebsch and Marks each had seven rebounds and Wilmes along with Marks had six steals each.

"We had 49 turnovers and 29 fouls," coach Iris Borg said. "You don't win many games like that."

Wakefield teams drop openers

The Wakefield girls and boys basketball teams opened season play at Pender last Thursday and the Trojans fell in both games with Iris Mestl's team falling, 32-28 while Mike Clay's boys dropped a 63-40 decision.

In the girls contest the Trojans trailed 15-11 at the half and 19-15 after three quarters of play.

"We played well defensively but we needed to be more aggressive on the offensive end," Borg said.

Timarie Bebee led Wakefield with eight points with Jessica Dutcher scoring six. Megan Brown and Kayla Erwin added four each while Nicole Jensen, Traci Lueth and Kim Hattig netted two each.

In the boys game the Trojans trailed 30-20 at the half and couldn't get it going in the second half, falling by a 63-40 margin.

"It was a three point game late in the second quarter and Pender scored the last seven points of the period for a 10-point lead at half," Clay said. "Our kids played hard. We struggled from the field in the fourth quarter."

Ryan Carson led the Trojans with 12 points with Ty Nixon adding 11 and Wyatt Brown, six. Joe Brown tallied five points and Todd McQuistan, four while Zach Dolen netted two.

Jacobsen did haul down 10 rebounds for team tops. "Laurel has a very good team and their pressure wore us down as the game went on," coach Marion Erbst said. "We missed some easy shots and free throws."

Tom Meier's boys were beaten by a 97-54 margin as Laurel jumped to a 47-35 halftime lead before out-scoring the Wildcats, 50-19 in the second half. Ben Lienemann led the Wildcats with 20 points with Scott Marotz adding 13 and Adam Hoffman, 11. Michael Deck finished with five points and Denton Cushing scored three while Shane Jaeger netted two. Marotz had eight rebounds for the Wildcats.

"Laurel has a very good team," Meier said. "They have all the tools. We played well in the first half but we just couldn't keep up in the second half. Laurel hit 66 percent of its shots from the field and they drained 10, three-pointers."

Wayne Junior High girls edge Cedar by one

WAYNE—Wayne's seventh and eighth grade girls basketball teams won a one-point decision with Hartington Cedar Catholic last week. The seventh grade won, 30-29 as Renee Treobald scored 18 points. Kyle Luhr and Mollie Mitchell each added four. Danica Carroll and Emyln Mann tossed in two each.

The eighth grade team won, 31-30 as Jenny Raveling led the way with 11 points while Ashley Carroll scored six. Makayla Braden and Molly Hill added four each while Natalie Fendrick, Rachel Jensen and Marissa Roney tallied two apiece.

Area athletes earn all-state in football

WAYNE—Several area athletes were named to the Omaha World-Herald All-State Football Teams or honorable mention list. Laurel Concord led the way with five players earning first team status including Seppo Ewvaraye who was named to the All Nebraska Super State Team.

Nathan Beckman, Matt Schroeder, Greg Kvols and Brad Hoising each made the first team along with Ewvaraye in Class C-2.

Wayne's Trevor Wright, Brad Hochstein and Jason Beiermann were named to the Class C-1 honorable mention team with Wakefield's Ty Nixon, Joel McAtee and Lino Ramonez earning honorable mention status from Wakefield in Class C-2.

Also on the C-2 honorable mention list from Winside was Scott Marotz, Nathan Trautman and Dustin Wade.

Winside cagers sprint to a 2-0 start to year

The Winside girls and boys basketball teams began the 2000-2001 season at 2-0 with wins over Allen and Wynot last Thursday and Friday.

The girls defeated Allen, 53-50 in the home opener and then downed Wynot on the road on Friday, 62-55.

In Thursday's game the Wildcats got 18 points from Amy Rademacher and 14 from Julie Jacobsen to hang on for the three point win against Allen.

Coach Marlon Erbst was pleased with his team's performance in the opener.

"We got off to a slow start, trailing 11-2 but we kept our poise," Erbst said. "We got a great contribution from the non-starters as they scored 24 of our 53 points."

Heather Rabe scored eight points and Kim Nathan tossed in five while Makayla Marotz tallied four and Susan Wittler, two. Jennie Cleveland and Jessica Wade each scored one point.

Jacobsen hauled down a game-high nine rebounds and Rabe grabbed six boards while Wade had four steals. Wittler dished out four assists.

Winside used a 17-8 scoring run in the second quarter of Friday's game at Wynot to open up a 32-23 halftime lead.

The Wildcats led 49-35 after three quarters of play before Wynot attempted a rally and closed the gap to seven by game's end.

"We played better at Wynot than we did in the opener," Erbst said. "We need to work on improving our rebounding and free throw shooting to become a complete team."

Julie Jacobsen poured in 21 points to lead the winners with Kim Nathan scoring 12 and Jessica

Wade, 11. Heather Rabe tallied seven points and Makayla Marotz netted five while Amy Rademacher and Jennie Cleveland added two each and Kayla Bowers, one.

Jacobsen, Nathan and Cleveland shared team honors on the boards with eight each and Rabe dished out a team-high four assists.

The Winside boys blasted Allen in the season opener, 74-50 led by Adam Hoffman's 29 points—20 of which came in the first half.

Winside took a comfortable 40-18 lead at the half and led 61-31 after the third quarter.

Scott Marotz was in double figures with 14 points and Ben Lienemann tossed in 13 while Michael Hawkins added seven and Denton Cushing, five. Michael Deck, Jim Kuester and Nathan Willis tallied two each.

Lienemann posted a double-double with 10 rebounds and 13 points and Michael Deck dished out nine assists.

"Offensively we played well but defensively we need to do a better job of playing defense with our feet and not our hands. We had too many fouls," coach Tom Meier said.

Winside fell behind Wynot 22-12 after one quarter of play but the Wildcats used a 30-16 scoring advantage in the second half to post a 55-42 victory.

Scott Marotz and Adam Hoffman led the winners with 19 points each with Ben Lienemann adding 11 and Denton Cushing, four. Michael Deck rounded out the scoring with two points.

Hoffman posted his first, double-double of the year with 19 points and 14 rebounds with Marotz accomplishing the same feat with 19 points and 13 caroms.

Wayne grapplers stick state ranked Schuyler on the mat

John Murtaugh's Wayne wrestling team began the 2000-2001 season in exciting fashion with a come-from-behind win over ranked Schuyler in dual action last Thursday.

The Blue Devils followed that up with a second place finish at the York Invite last Saturday—just a point-and-a-half behind team champs, Schuyler.

Wayne edged the visiting Warriors, 35-33 last Thursday night. Lynn Junck started things off at 215 with a pin in 3:09 but Schuyler quickly picked up six points at 275 because Wayne was open.

At 112 Wayne's Jacob Kay lost by pin in 56 seconds to give Schuyler a 12-6 lead before Matt Roeber was decided at 119 by a 9-4 margin.

Matt Nelson lost a 12-6 decision at 125 and Casey Campbell lost, 4-0 at 130 and the visitors found themselves up by a 21-6 margin.

Lucas Munter pinned his man at 135 pounds in 1:17 before Joe Brumm fell by pin in 1:37 at 140 pounds which left the Warriors up 27-12 with just four matches remaining on the mat.

Wayne would go 4-0 in that stretch with Danny Roeber beginning the run with a pin in 5:00 at 145 over a returning state placer.

Josh Pieper earned a technical fall at 181 at 152 pounds and Chris Woehler needed 2:51 to pin his man at 160 to give Wayne a 29-27 lead.

Adam Jorgensen needed a technical fall at 171 to ensure Wayne of a win since the Blue Devils had a forfeit at 189.

Jorgensen delivered in a big way with a pin in 3:17.

"It was an exciting dual between two quality teams," Murtaugh said. "We had a number of wrestlers step up and wrestle well. Danny Roeber picked up a huge win over a returning state placer."

In the one JV match, Wayne's Dan Reinhardt lost by pin at 119.

Saturday in York the Blue Devils entered the medal round in eighth place and all they did after that was WIN as they came from way back to finish in a tie for second with David City with 108 points each. Schuyler netted 109.5.

Crete was fourth with 102 and Fairbury was fifth at 88 followed by

Wahoo with 85 and York with 82. Grand Island Northwest netted eighth place with 75 points and Raymond Central scored 60 while Superior was last with 36 points.

Wayne had eight medal winners

including Adam Jorgensen at 171 who pinned his way through the tournament.

Jorgensen is 4-0 on the young season with all pins to his credit. Danny Roeber placed runner-up at 145 and Matt Roeber (119), Matt Nelson (125), Lucas Munter (135) and Lynn Junck (189) each placed third.

Casey Campbell (130) and Chris Woehler (160) each placed fourth.

"We went on a great run in the final two rounds to tie for second," Murtaugh said. "It was a tremendous performance. Adam Jorgensen had a great day, pinning his way through."

In JV action, Dan Reinhardt placed second at 119 and Andrew Lowe was third at 140.

Former resident receives robot-performed surgery

A former Wayne resident, Stanley Ulrich, 63, of Marion, Ohio has beaten all odds. Having quite a medical history, Ulrich made it through seven reconstruction face surgeries after being crushed when a 90-pound dumbwaiter fell on

him. He has also had 37 radiation treatments for oral cancer.

Another hurdle came in December, 1999, when receiving a routine check-up, doctors found a blocked artery on Ulrich's heart that needed attention immediately.

Medication did not lessen the blockage so his doctors suggested heart surgery in Dayton, Ohio. Ulrich refused.

Instead, Ulrich requested surgery at Ohio State Medical Center which was closer to Ulrich. There, doctors

asked him to be part of an experimental heart surgery sponsored by the Food and Drug Administration. Twenty patients were needed for the study. Ulrich agreed to be one of the 20 and surgery was scheduled for March 21, 2000.

The surgery was not performed by a human but instead by a robot named "DaVinci." Doctors and the robot perform heart surgeries around the world. The surgery is approved in Europe and is the focus of the study is to get approval in the

U.S.

Ulrich and his wife, Sharon, were not concerned about having the surgery done by a robot. The surgery only took three hours to complete.

During surgery, a surgeon sat at a computer console, 10-15 feet from the operating table, directing the robot through hand-held controls and a video screen.

After three days, Ulrich was back home and able to do whatever he liked but instructed not to get stressed out.

Dr. Robert Michler, one of the doctors on the robot team, said a good thing about robot surgery is that it's less invasive. The surgery is done through three small incisions instead of open-chest surgery which is done through a large incision.

Ulrich, disabled after 13 years in the U.S. Navy and then a postal worker for 13 years, is now retired and lives in Marion, Ohio with his wife Sharon.

'The Angry Twelve' to perform

A cast of 12 Wayne State College students will perform "The Angry Twelve" in the Frey Conference Suite in the WSC student center, on Dec. 6-8 at 8 p.m. The public is welcome to attend. There is no admission charge.

The group is under the direction of Andre Sedriks, humanities professor. The cast includes Carrie Huneke of Wayne; Alex Holliman of Omaha; Ryan Tweedy of Lincoln; Denise Chevalier of Auburn; Becky Ziemba of Silver Creek; Julie Hansen of Omaha; Micaela Snider of Lincoln; Wayne Blum of Sioux City, Iowa; Craig Lieber of Dakota City; Kevin Halle of Crofton; Joel Hurtado of South Sioux City; and Matthew Murphy of Omaha.

The production is based on the popular play, "Twelve Angry Men." Sedriks said this play will be performed in the round, which places the audience on all four sides of the stage. There is no backdrop or backstage area on the set. This gives the audience a more intimate theatrical experience.

"The Angry Twelve" is a courtroom drama, set in a jury deliberation room. The play centers around a murder trial that 11 out of 12 jurors view as an inconvenience to their lives. The majority seeks to convict the accused for the murder. One juror takes a stand on behalf of the accused and argues that the man can't be found guilty because there is reasonable doubt.

Wayne Optimist Club to sponsor 'Crafts for Kids'

The Wayne Optimist Club will be at the Main Street Office and the Renaissance Coffee House to help children in the first through fourth grade make Christmas decorations or Christmas gifts while their parents shop.

They will be available at the following times:
Saturday, Dec. 9 and 16: 9 a.m. to noon;
Sunday, Dec. 10 and 17: 1 p.m. to 4 p.m.;
Tuesday, Dec. 12 and 19: 7 to 9 p.m.;
Thursday, Dec. 14 and 21: 7 p.m. to 9 p.m.

There will be a \$1 charge per child to offset the cost of supplies.

The Optimist motto is "Friend of Youth." Through the years the organization has provided meaningful programs for youth through which children can grow. Their hope this holiday season is that children can join them for the "Crafts for Kids" program.

The 12 'Ways' of Christmas can lead to a healthier life

No need to wait until New Years to start enjoying the benefits of a healthier, happier you! Here are 12 simple ways to start early this holiday season.

A partridge in a pear tree... or a peach, apple, or banana! Fruit from any kind of tree makes a great

different greens for a festive salad, make a veggie tray with yummy yogurt dip, or top potatoes with broccoli and cheese and you'll be well on your way to 5-A-Day!

Six Geese a Laying... down for a nap! During the busy holiday season, it is tough to always get enough sleep. But proper rest ensures energy for all those holiday activities. Try for eight hours a night to look and feel your best.

Seven Swans a Swimming. Water may be necessary for swimming swans, but it is also important for drinking! Keep a pitcher of cold water in the refrigerator and try to gulp eight glasses each day.

Eight Maids a Milking. These maids knew where to get their calcium! At least three servings of milk, yogurt, cheese, or other dairy foods provide calcium for strong bones and help prevent osteoporosis. Bone up on your calcium by using: milk for festive holiday cocoa and other warm drinks; cheese for an hors d'oeuvre for parties; and yogurt to make a low-fat veggie dip.

Nine Ladies Dancing. Ladies and gentlemen can use dancing and other aerobic exercise to get their hearts pumping. A good goal is 30

minutes at least three days a week of dancing, running, jogging, step aerobics or any activity that gets your heart pumping!

Ten Lords a Leaping. Take a leap and be adventurous. After all, variety is the spice of life! Try foods you have never eaten before. Buy one new food each time you go to the store to experience a whole world of new tastes.

Eleven Pipers Piping. Don't follow the piper to holiday over eating! If you are eating a buffet style meal, serve yourself golf-ball sized portions of the foods you want to enjoy. If you are eating a traditional "sit-down" meal, begin with tennis ball sized portions. In either case, strive to enjoy the flavors without over-eating. Go for seconds only if you are truly still hungry.

Twelve Drummers Drumming. March to the beat of your own drummer during the holiday season. Do things that make you happy; spend time with family and friends; create your own family traditions; and take some time to count your blessings as a new year approaches.

snack, ingredient, or addition to a meal. Serve a bowl of colorful fruits at your holiday meal. Aim for 2-4 servings of fruits a day.

Two Turtle Doves. The dove as the traditional sign for peace reminds us to relax during this busy time of year. Schedule 10 minutes each day alone to relax. It makes both body and soul healthier.

Three French...Breads??? Breads and grains form the base of the Food Guide Pyramid. Six to 11 servings of bread, rice, pasta and other grains each provide carbohydrates for energy.

Four Calling Birds. Going "cold Turkey" on your favorite foods is "for the birds". Being healthy doesn't have to mean being deprived. Eat your favorite cookies, but aim for 1 or 2 instead of the whole batch.

Five Golden Rings. Does "5-A-Day" ring a bell? You need five servings a day of fruits and vegetables to maintain good health and prevent future health problems. Toss

Hooked on modern conveniences

Microwave is necessity

I love it when Advent doesn't begin until the first Sunday in December instead of the last one in November, three days after Thanksgiving. It seems like a whole week to drag out decorations from the attic, write the annual letter and find a tree and get it put up; instead of just those three days.

Since we were fairly confident of being in the Big 12 playoff game on Dec. 2 in Kansas City, we planned

for a family dinner at Jon's for that day: K State had the same plans and theirs worked out.

We went anyway and kept getting passed on Highway 29 by cars

flying purple Wildcat flags. There were a significant number of Nebraska fans, too; and they were quoted as saying, "We just love college football."

They got their money's worth. So did we. Kristi had two of everything: meat, potatoes, vegetables, salads and desserts. And the grandkids had

a whole basement to tear around in.

Driving home Saturday night, we had a Kansas station with the football game until half-time; then switched to KKAR for Nebraska volleyball. And what a game that was! South Carolina had the Husker gals on the ropes until the final serves. Mike plopped into the recliner as soon as we got home: football on the TV and volleyball on radio. He didn't go to bed until midnight. I had already given up. I guess we never should. Oklahoma didn't and the volleyball gals didn't, either.

I read an essay once that said we should never discuss our appliances in front of them. There was a microwave here when we moved, so I gave ours away. Kay acquired an apartment with one, so stored hers in our attic. I sold it to an air conditioner repairman.

Mom installed an over-the-stove one in her town house and gave the old one to me. I kept it in the pantry, expecting the one here to die someday. It didn't.

Kay married and also moved into a town house — without one. I gave her Mom's. Earlier, Ann had tried to give her one because there was an installed one in her new home. With no spare room, she refused and Ann sold it on her garage sale.

One month after sending Kay home with the spare, on Thanksgiving Day, this thing quit. Do you realize how many times in a day we use a microwave? I kept putting cups of water or coffee in the darned thing and then realizing I could push buttons all day and nothing would happen.

I now have a loaner from my nephew, whose new apartment has one. It's twice as powerful as the old one. Yesterday I burned bacon in it. And reheating coffee takes half a minute. Maybe Santa will take pity on me. At least I can pop popcorn again. What did we do before microwave popcorn?

INFORMATION AND KNOWLEDGE THAT SURFING THE INTERNET OFFERS!

What is DSL?

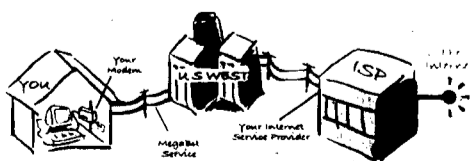

DSL stands for digital subscriber line. The technology uses regular copper telephone lines to connect homes and small businesses to the Internet at high speeds. Those speeds typically range from 256K to 1.544 mbps (nearly 30 times faster than a 56K modem) for downstream transfers, which are downloads or file transfers to your PC.

What do these numbers mean? Simply put you can have an Internet connection at speeds approaching those of a T1 line for a fraction of the price.

How does it Work?

DSL uses digital technology to send oodles of compressed data over traditional telephone lines. The trick involves using special modems at both ends that encode the data and then transmit it over an unused frequency on the line.

Qwest will provide you a line back to the Central Office and then you choose Northeast Nebraska ComNet as your Internet Service Provider. It's easy and fast. You won't have to change your email address or the great service you currently receive.

How much does it Cost?

There are two options available from Qwest for the Line. Northeast Nebraska ComNet's charges will not change. Currently Qwest has a promotion that was extended for a free modem and activation.

Northeast Nebraska ComNet has no control over busy signals with DSL as Qwest Communication sets all this. If you have troubles with connecting and with busy signals please contact Qwest Communications. Please contact Qwest on the current promotion for more information.

With DSL Services

from Northeast Nebraska ComNet you will continue to have access to quality Internet Services. Outstanding Technical Support and the knowledge of many years experience in the Internet Industry.

October of 1999 ComNet had a solution for DSL services that we wanted to bring to Wayne. US West would not let ComNet provide those DSL services to You. We will continue to fight to bring quality services and advanced technologies to Wayne and all of our other communities.

FLY SPECIAL AWARD FLAG
Postal employees in the Central Plains District have earned a customer satisfaction award called the Order of the Yellow Jersey. The award takes the form of a flag featuring the U.S. Postal Service's Eagle logo emblazoned in yellow.

The special flag will be flown at all post offices in the Central Plains District, which includes Wakefield, beginning Dec. 5.

The quarterly award is based on an independent customer satisfaction survey done by the Gallup Organization. The award reflects the honor bestowed upon two-time Tour de France winner, Lance Armstrong, the captain of the Postal Services Pro-Cycling Team.

"With two consecutive Tour de France victories, Armstrong represents the ultimate competitor," said the manager of the Central Plains District Mike Matuzek. "I'm proud that the Postal Service has recognized our employees for achieving superior levels of customer satisfaction," he added.

Tips for parents on influencing their children's success in mathematics

All parents want their children to be successful in math, but parents, math and children don't always form a balanced equation. Parents' expectations, parents' history with math, new math concepts and a child's unique ways of learning require a few words of advice to parents so that they and their child can be successful in learning math.

Whether a parent's history with math was positive or negative, it is easy to project that onto the child. A struggling child doesn't want to hear that her parent thought math was easy. By the same token, talking about how hard math was for you won't help your frustrated child either. So what is a parent to do?

First, parents can take note of the world around them. Math concepts permeate every part of life. We encounter them on news broadcasts, in the newspaper, while driving a car and buying groceries. They are among the building blocks of economics, sports, politics, medicine, science, weather, banking and much more. By drawing attention to the ways math helps describe and explain our world, a parent can help a child understand just how important math is.

Second, parents need to make math practical. Real-life problem solving with math can occur anywhere, even at the breakfast table when looking at the cereal box and interpreting the nutritional information. A lesson in fractions (and economics) can occur after the stock market news. There are ratios and percentages in baseball statistics, political polls and weather reports.

Telling the story

Students in Dr. Deb Whitt's Professional Communication for Elementary Teachers class have been involved with a storytelling unit and spent Monday afternoon with students in Pam Boehle's third and fourth grade students at St. Mary's Elementary School. The students have also been pen pals with the elementary children and the occasion was an opportunity to meet his/her pen pal. Another section of the class told stories to the students in JoAnne Benschof's fourth grade reading class at Wayne Elementary School. Above, Katie Lutt tells the story of the Giving Tree with the help of Nathan Sieler as the other students listen.

Business of the Month award given

Jane Ahmann, representing Legends, was honored by her fellow Rotarians by being selected as the Rotary Business of the Month for the month of November. Among the comments made by her fellow Rotarians were: "There is always a positive attitude with the whole community in mind." Another Rotarian commented: "Good displays, Good products, Good service, Great smiles." A business is selected based on their contributions to the Wayne community and for promoting the ideals of Rotary, "Service Above Self." Jane has worked as a manager of men's retail clothing for 20 years. Jane began working in men's retail clothing in Lexington where she worked for four years before moving with her husband to Wayne. In Wayne, she worked under the previous owners, Surbers, for six years and has worked under the current owners of Legends for 10 years. Jane says that she enjoys what she does. She is very proud of the newly remodeled store which has brought about a "neat atmosphere" that the customers really seem to enjoy. She is proud of the fantastic merchandise that they are able to offer ranging from clothing for the young adult to the older gentleman. Jane is proud to have the honor of being the first woman admitted to the Wayne Rotary Club after the by-laws were changed to allow the admission of women into Rotary. She joined Rotary six months after it was founded in Wayne and has been very active in many community service activities. She extends a warm thank you to the Wayne Rotary Club for the honor of being selected to represent the Rotary Business of the Month for November.

Where do we begin? There are so many people we want to thank for the prayers, gifts, cards, visits, phone calls, and e-mails we received during our extended stay in the hospital in Omaha. To our family and friends who shared their homes and love with our girls and kept them on their daily schedules without missing a beat. (Especially Grandma Joni and Grandpa Taco, thank you for kissing them goodnight when we couldn't)

To Pastor Koeber for traveling to Omaha to baptize our son Jess Brian. Special thanks to Deb Moore, Jessica Olsen, Kari Hamer, and Jeanie Sturm for organizing the benefit. And to everyone who helped cook, serve, clean, donated money, items or food, and attended the soup supper. So many people supported and helped us that we can't name you all, but you are in our hearts. We feel so blessed to live in such a caring community. It's been a long 4 months, but with everyone's understanding and support, we were finally able to bring our miracle baby, Jess Brian home. We couldn't have done it without you!

Brian, Shannon & Jess Brian Gibson

THANK YOU: I wish to thank everyone for prayers, cards, flowers, phone calls, food and visits while in the hospital and on my return home. Also thanks to the ministers for their visits. A special thanks to my families and my sister who spent much time with me in the hospital and returning home. God Bless you all! Norma Warner
