Van, Marshall appear in court

By Kevin Peterson
Of the Herald

Roger Van, 55 of Wayne was granted a continuance until March 4, by Judge Philip Riley, Monday in Wayne County Court.

Van, is being held in the Pender County jail on \$150,000 bond and is facing five criminal charges stemming from a December incident with a Houston, Texas man and another Wayne man, Jerry Marshall, 36.

Riley explained the charges to Van in court, Monday and Van, who sat with

out counsel asked for a preliminary hearing which will be held on March 4 in Wayne.

Van withdrew his affidavit for a court appointed attorney.

Though he did not have an attorney present, Van told the court he is currently working with an attorney, pending financial arrangements.

"It may be a couple weeks before a lawyer is retained," Van said.

Van is faced with the following: Sexual Assault in the 1st Degree which carries a maximum of 50 years in prison and a minimum of one year in

prison.

1st Degree Assault which carries a maximum penalty of 20 years in prison and a minimum of one year. He could also be fined up to \$25,000.

2nd Degree Assault which carries a maximum sentence of 20 years in prison and a minimum of one year. A fine could also be imposed of up to \$25,000.

1st Degree False Imprisonment which carries a maximum sentence of five years in prison. A fine can also be imposed of up to \$10,000.

Terroristic Threats which carries a

maximum sentence of five years in prison. A fine can also be imposed of up to \$5,000.

Judge Riley also reiterated Van's conditions for bond if bond is met and those include: Not to leave the state; Appear from time to time in court; No contact of any kind with Jerry Marshall and no internet usage except for business use.

When asked if he had any concerns on his bond, Van stated he felt the bond was set rather high.

Van's preliminary hearing will take

Food Check-Out Day celebrated

Food in America is affordable. In fact, between Jan. 1 and Feb. 8, the average American will have earned enough income to pay for his/her family's entire 2002 food supply, according to the Wayne County Farm Bureau.

As a result, the Wayne County Farm Bureau and the Wayne Area Chamber of Commerce Ag Council are celebrating Feb. 8 as Food Check-Out Day. Pac 'N' Save and Quality Food Center will have information available throughout the day regarding "Food Check-Out Day."

Due to donations from the following businesses, Farm Bureau, Bank of Norfolk, State National Bank, First National Bank and Farmer's State Bank, the Ag Task Force and Wayne County Farm Bureau will be giving away eight \$10 food certificates (four at each grocery store). Patrons of each store can register to win a certificate by stopping at an information table.

Wayne area shoppers are encouraged to stop by Pac 'N' Save and/or Quality Food Center to pick up information regarding Food Check-Out Day and to register for a food certificate.

Last year, Food Check-Out Day fell on Feb. 7. However, according to the latest statistics compiled by the Agriculture Department's (USDA) Economic Research Service, American

Chicken Show theme announced

The Chicken Show is coming! the Chicken Show is coming!

Plans are underway for the 22nd annual Wayne Chicken Show, to be held Friday and Saturday, July 12 and 13.

Members of the Chicken Show Council have announced this year's patriotic theme, "22 Hen Salute."

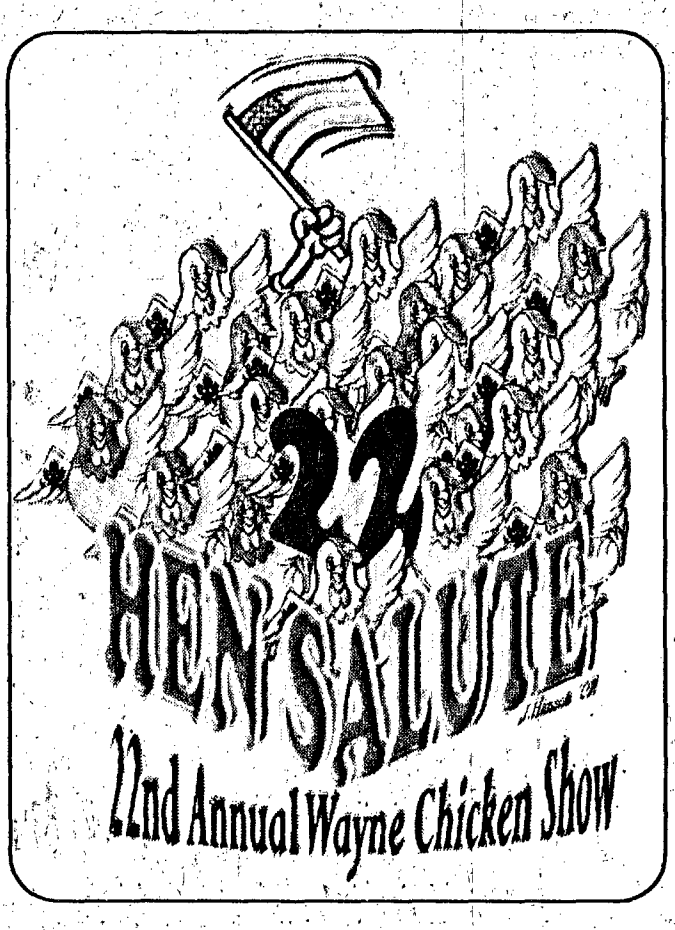

Chairing this year's Chicken Show is Julie Hansen of KTCH Radio.

Other council members include: Della Pries, Activities coordinator; Karin Vaughn, Marketing and Public Relations; George Holm, Chicken Feed; Clara Osten, Community Liaison; Nancy Heithold, Entertainment; Leo Ahmann, Henoween; Matt Wachter, Historian & Website Manager; Mitch Osten, Live Chicken Coordinator; Jamie Vaughn, Logistics; Mylet Bargholz, Parade; Deb Dickey, Product Sales; Kathy Milligan, Vendors.

At the present time, volunteers are needed to be in charge of Arts and Craft Activities, Contests and Volunteer Coordinator.

This year's activities will begin in downtown Wayne on Friday evening and will be sponsored by Main Street Wayne.

Among the activities already planned are a

talent show for all ages, the World's Largest Chicken Dance, Rubber Chicken Olympics, carnival games and Frankie Valens performing music from the 1950's on the main stage.

Saturday's activities include, but are not limited to, a softball tournament at the Softball Complex, a bike ride, kite flying demonstrations, a live rooster crowing contest, a quilt show, the parade, omelet feed, chicken feed, and a number of contests including the National Cluck-Off and the Egg Drop/ Catch Contest.

Again this year, Saturday's activities will take place at Wayne State College. Noel Avery of Avery Banner has donated a 24' by 12' backdrop to block off part of the stage for the Chicken Show.

In conjunction with this year's Chicken Show, a Tractor Pull and Teen Dance will be held Saturday evening at the Wayne County Fairgrounds. The Tractor Pull is being sponsored by Quality 1 Graphics and is sanctioned by the Nebraska Bush Pullers, Inc.

The 2001 Chicken Show received the "People's Choice Award" for the Best Community Event in northeast Nebraska.

Programs to be offered on housing

Are you thinking about buying your first home or do you already own a home and it is in some need of repairs? Wayne Community Housing Development Corporation has four programs that might fit in with your needs.

The Owner Rehabilitation Program (ORP) is available to provide funding for rehabilitation and repairs needed to correct any substandard conditions and also to make essential improvements to residential housing.

ORP is designed to assist income eligible property owners with these improvements to their primary place of residence. For families with one or two members, the income limit is \$40,320 and \$46,368 for households with three or more persons.

ORP will provide up to 50 percent of the total cost for the rehabilitation of eligible housing. The homeowners may finance the other 50 percent through any means available to them.

The Home Purchase/Rehab/

Resell (HPRR) utilizes HOME funds from the Department of Housing and Urban Development to provide downpayment assistance to any homeowners who meet the income eligibility requirements and wish to purchase an

older single-family residence needing some rehabilitation.

The Wayne Community Housing Development Corporation (WCHDC) works with eligible homeowners to identify older housing stock that requires improvement to bring them in line with current housing standards. WCHDC will purchase the property, perform the necessary improvements in cooperation with the family's wishes, and resell the residence to the family with 20 percent

downpayment assistance to help make the first mortgage financing possible.

The first-time HomeBuyer program (FHB) creates a partnership between the Wayne Community Housing Development Corporation (WCHDC) and the Federal Home Loan Bank of Topeka to provide downpayment assistance to homeowners who meet the income eligibility requirements and wish to purchase a single-family residence.

The Wayne Community Housing Development Corporation works with eligible homeowners to provide financial assistance for the purchase of single-family residences that are safe, decent and affordable.

The First-time Homebuyer program offers downpayment assistance in the amount of 10 percent of the home purchase price to families whose income falls within 80 percent of the Wayne County median income as prorated by family size. For example, the income of a family of three must be under \$32,400.

For households meeting slightly higher income limits the 5 percent downpayment assistance is offered. The income limits are \$40,320 for a one or two-person household and \$46,368 for households with three or more persons. Households which may exceed the 80 percent limits and do not qualify for the 10 percent downpayment, may still qualify for 5 per-

cent down if they are within the expanded limits.

Some of these programs have limited funding and assistance will be granted on a first-come first-serve basis. If you are interested in any of these programs or have any questions, please call Della Pries at the Wayne Community Housing Development Corporation at 375-5266.

Schierling joins Army

Mark B. Schierling has joined the United States Army under the Delayed Entry Program.

The program gives young men and women the opportunity to delay entering active duty for up to one year.

The enlistment gives the new soldier the option to learn a new skill, travel and become eligible to receive as much as \$50,000 toward a college education.

After completion of basic military training, soldiers receive advanced individual training in their career job specialty.

Schierling, a 1989 graduate of Grand Island Senior High School will report for basic training at Fort Jackson, Columbia, S.C.

He is the son of Kathie S. Woods of Wayne and Ronald L. Schierling of Greeley.

call before you dig

It may seem like a simple task, but it can save your life. If you dig into a natural gas line, you could cause a fire or explosion. With more than a million miles of pipeline in the country, there's only one way to dig safely. Call 1-800-331-5666 two days before you plan to dig.

Kinder Morgan clearly marks where gas lines are located, and where you shouldn't dig. Calling for locations of natural gas facilities is more than just a good idea—it's the law.

And if you ever smell natural gas, leave the area immediately. Don't operate any equipment, don't flip any electrical switches. Simply get away and call KM from another location.

Please take the time to call before you dig. Your family will understand if you forget to pick up the milk.

Perspective is everything

- If you woke up this morning with more health than illness, you are more blessed than the million who will not survive this week.
- If you have never experienced the danger of battle, the loneliness of imprisonment, the agony of torture, or the pangs of starvation, you are ahead of 500 million people in the world.
- If you can attend a church meeting without fear of harassment, arrest, torture or death, you are more blessed than three billion people in the world.
- If you have food in the refrigerator, clothes on your back, a roof overhead and a place to sleep, you are richer than 75 percent of this world.
- If you have money in the bank, in your wallet and spare change in a dish, you are among the top eight percent of the world's wealthy.
- If you hold up your head with a smile on your face and are truly thankful, you are blessed because the majority can, but most do not.
- If you can read this message, you are more blessed than over two billion people in the world that cannot read.

How much government is needed?

By Ed Howard
Statehouse Correspondent
The Nebraska Press Association

There is an old joke in New York City. "What is a conservative?" "I give up. What's a conservative?" "A conservative is a liberal who got mugged on the subway last night!"

Like a lot of humor that works, it has more than a small element of truth in it.

Things happen to change the public's view of things, including its view of how much the government ought to be involved in regulating personal and professional behavior.

This has been a season for debunking the notion that government regulation of business is a priority, a bad thing.

On the national scene, there is Enron.

In Nebraska, there is State Title Services.

State Title President Dave Hunter of Lincoln used a pistol to leave this earthly jurisdiction when he realized that various branches of the constabulary were closing in on his multi-million dollar check kiting scheme.

Check kiting is a form of fraud. The upshot of Hunter's illegal endeavors is that individuals and banks lost money. Exactly how much has yet to be ascertained; but it's a lot.

The saddest thing is that losses to some "ordinary" people may be catastrophic. If a bank loses a million bucks here and a couple mil-

lion more there, chances are that the institution can stand the loss. Chances also are good that one form of insurance or another will protect it.

Such is not the case when those ordinary folk put up "good faith" money for a home or a small business. The stolen dollars that floated the yacht Hunter kept in Florida may have sent a lot of dreams down the drain. Dreams of a new house. Dreams of a small

business.

It is unfortunate and it is understandable, but it also is true. A fellow might yell "Get the government off our backs," on one day.

He might then yell "Why didn't the government guard my back?" the next day.

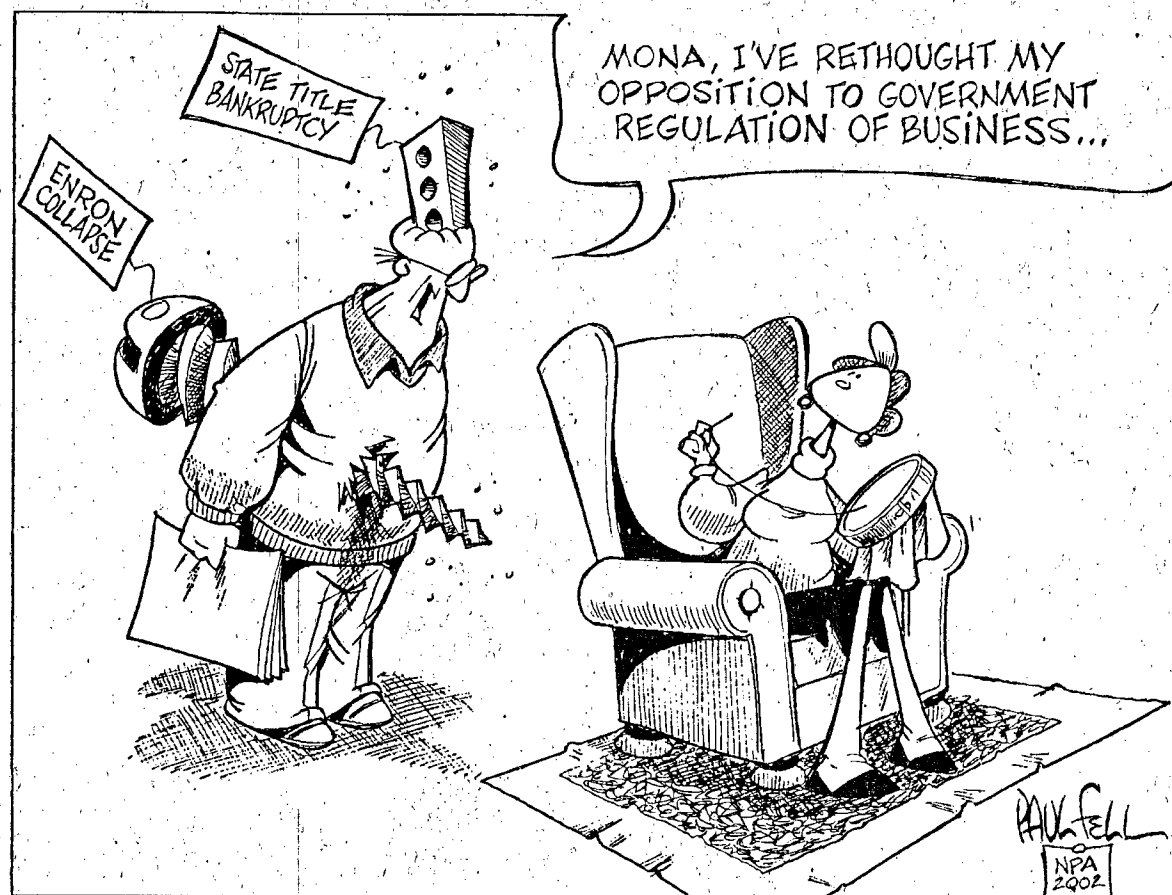

Title companies in Nebraska aren't required by state law or regulation to regularly submit to the sort of detailed audits that might have uncovered Hunter's scheme

years ago. That fact pretty much sums up the situation.

Trying to get government to act sensibly and effectively can be like trying to house break an ornery puppy. It can make one mess after another. You have to keep after it - government and the puppy - if you want things to work out right.

Of course, that responsibility comes with being a dog owner.

Or with being a citizen of a free country.

Plans move forward

City Council
The City Council will meet Tuesday, Feb. 12 at 7 p.m. in City Hall at Third and Pearl Streets.

City Auditorium
A revised final design for renovation of the auditorium will be presented to the council next

month renovation will be planned for this spring and summer.

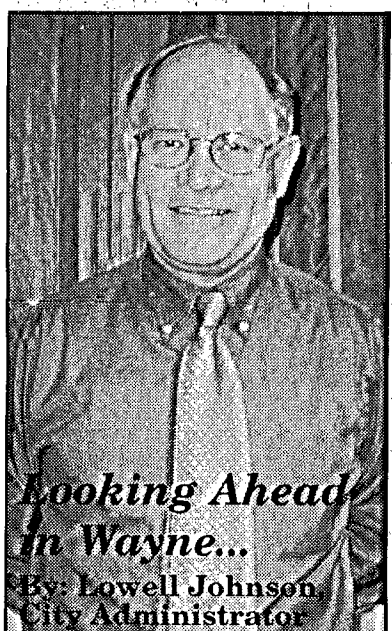

Geothermal Well Field at the Activity Center
We will open bids on Thursday, Feb. 7 for construction of 90 closed-loop wells to heat and cool the new activity center by the high school. The system will heat and cool the activity center using heat pumps pulling heat from the ground in the winter and sinking heat into the ground in the summer.

The first advantage of this system is the low cost of air conditioning the building in the summer. The second advantage of this is the added winter electric load for the Wayne community to balance out the summer peak demand from air conditioning.

Fire Hall
The building is enclosed and heated. The contractors are completing the interior walls and mechanical and our expected moving time is in April/May.

The council is discussing options for disposal of the old fire department/city hall at Second and Pearl Streets.

Looking Ahead in Wayne...
By: Lowell Johnson
City Administrator

Tuesday. Some of the work we are proposing to be removed from the bidding are interior painting, sheet rocking stage and gym ceilings, stage lighting, window and door repair and theater seat replacement.

We are proposing to do this with city staff or local contractors. The estimated savings from doing these ourselves is about \$30,000.

We will bid out the rewiring of the building, new heating and air conditioning systems, new rest rooms, refinishing the marquee over the front doors and the fire marshal requirements for a new fire exit door in the south gym wall and over head fire sprinklers.

The old boiler and hot water pipes and radiators will be stripped out. The gym will be heated and cooled with new natural gas roof top blowers and the front rooms at ground level will be heated and cooled with electricity.

The architect's estimated cost for this work is \$625,000. If the council offers this out for bids, the bid will be opened before the March 12 city council meeting.

If bids are accepted, the five

Not in favor of keno gambling

Dear Editor,
At the last City Council meeting, a presentation was made by a Lincoln gambling firm requesting the city to permit Keno gambling in Wayne.

Keno is an electronic game usually located in bars and similar social gathering places.

As an opponent to additional local gambling, I have asked the City Council to vote against this issue.

Additional gaming programs would create a needless drain of hard earned family dollars. The ultimate winner would be Big Red Keno, located in Lincoln. Those lost dollars are funds no longer available to pay local merchants for groceries, medical care, clothing, necessary household items and unfortunately, sometimes event rent or house payments.

The financial loss due to gambling is indiscriminate as to who it strikes and all too often, it takes from those who can least afford it.

This is a wonderful, vibrant, friendly community we live in and I encourage each reader who agrees with these comments to contact their Council representative and recommend they take a position for the good of us all and not allow Keno gambling.

We need to have vision in plans

Dear Editor,
When I heard on the Wayne radio (KTCH) that the state of Nebraska is planning to re-do Highway 15 through downtown

Fetal tissue issue is debated

By Senator Pat Engel
District 17

The fetal-homicide bill before the Legislature is heading toward passage.

The Legislature on Feb. 4 on a vote of 41-6 gave second-round approval to LB 824, which would permit the filing of a criminal action in the death of an unborn child. I voted to advance the bill, which was introduced by Sen. Mike Foley of Lincoln.

The bill has solid support in the Legislature and needs one more round of approval before it is passed.

The Legislature on Jan. 31 defeated an amendment by Sen. Ron Raikes of Lincoln to significantly change the nature of LB 824, which is called the "Homicide of the Unborn Child Act." Raikes' amendment would have created the crime of ending a wanted pregnancy and eliminated any reference to "unborn child."

Raikes' amendment failed on a vote of 12-27. I voted to defeat the amendment because it does not give recognition to the second victim, namely the unborn child.

Nebraska attorney general's office on Feb. 1 released a much-awaited opinion on student fees.

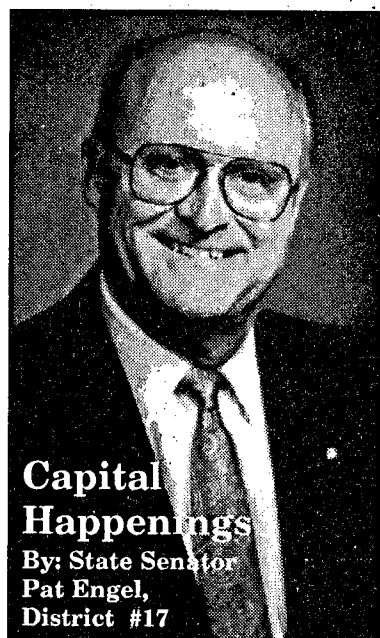

The opinion stated that while public schools are legally obligated to cover the cost of all required instruction, students can be charged for things such as athletics, cheerleading and clubs. Schools have no obligation to waive fees for students who can't afford them, according to the opinion.

The opinion encouraged the Legislature to clarify what costs can and cannot be passed on to students.

The Legislature is trying to do just that. The Education Committee on Jan. 29 heard testimony on seven bills dealing with student fees.

Student fees became a controversial issue in Nebraska last year after parents in two school districts filed lawsuits arguing that certain student fees violated the state's constitutional obligation to provide free instruction.

If there is anything I can do for you, please do not hesitate to contact me at my Lincoln office: Sen. Pat Engel, District 17, State Capitol, P.O. Box 94604, Lincoln, NE 68509-4604; (402) 471-2716; or lengel@unicam.state.ne.us

Capital Happenings
By: State Senator Pat Engel, District #17

LB 824 applies to the death of a fetus at any stage of development and could be used in cases of drunken driving, homicides and other criminal acts.

On another matter, the

Wayne, I was shocked. I hope that every merchant along Main Street will register their complaints and encourage others to do the same.

When I saw how detrimental the reconstruction of Seventh Street as Highway 35 was to all the businesses as well as all the homes along this highway, I fear that in this era of troubled economy reconstruction would have a very destructive impact on these Main Street businesses that are so important to the community. Main Street has been very well maintained through town.

I fail to understand why in the reconstruction of Seventh Street that a traffic light was not installed in the area of Pamida. It has taken me a long time to learn that it is far less frustrating and time consuming to turn south to Sixth Street or some other street, then to go west to Main Street instead of attempting to make a left turn from Pamida, Bomgaars, Pizza Hut, etc. onto Seventh Street.

It was a major error to not simply extend Nebraska 116 straight south past Concord, so that it would be a mile east of Main Street, where it would be convenient access to Heritage Homes, Great Dane and the implement dealers, so they would be able to avoid driving down Main Street.

Instead of spending money redoing Main Street, the same money would be far better spent building a second highway to Wayne. When I have parked along Main Street and have finished my shopping, and had to wait through as many as three or four traffic light changes, because of the long line of big trucks passing by, some hauling cattle who are having anxiety related stress on their bodily functions, I have been far less than pleased.

Since we now have the

Newcastle-Vermillion bridge completed, it would make far more sense to extend Highway 116 all the way to Highway 12, so that we would have a direct route to Vermillion, instead of spending huge sums redoing Highway 35 as a corridor road from Sioux City to Norfolk. Some of the traffic on I-29 from South Dakota that has been forced to go via Sioux City can far more easily go across the Newcastle-Vermillion bridge and either take U.S. 20 or U.S. 81, or come straight south to Wayne, if there were a direct route.

We need both vision and common sense to have the best possible roads in Nebraska.

Doesn't understand the vandalism

Dear Editor,
My youngest now knows what a "bad person" is.

This letter goes out to the person(s) who destroyed our snow people last weekend. It is sad that we have people like you in our town. Do you have nothing better to do after midnight or on the weekends? You think your little adventure was just a prank, but to the children who spent hours working in the snow, it was a terrible crime.

Since you destroyed an umbrella and a lawn chair, it is a crime.

You obviously have never had something done to anything of yours. What if someone destroyed something that belonged to you? I guarantee you would be as furious as I was Sunday morning when my two-year old woke me up and told me someone hurt our snowman. The kids were looking forward to finishing what they had started

families and individuals currently spend, on average, just 10.6 percent of their disposable personal income for food.

Applying the current 10.6 percent statistic to the calendar year means the average household will have earned enough disposable income — the portion of income available for spending or saving — to pay for its annual food supply in just 39 days.

"Not only is America's food supply the world's safest, but it's also the most affordable," said William J. Claybaugh, spokesperson for the Wayne County Farm Bureau and the Ag Council.

"It speaks well of our nation's increasing standard of living, which would certainly be reduced without the affordable, domestic food supply produced by American farmers and ranchers.

In comparison to Food Check-Out Day, Tax Freedom Day, the day the average American has earned enough money to pay federal, state and local taxes, was May 3 last

affordable food they enjoy is a product of our successful food production and distribution system.

Nebraska farmers play a vital role in making our nation's food supply affordable for all.

Career Fair helps connect students and employees

The 2002 Wayne State College Annual Career Fair will offer students a chance to get in contact with various employers from throughout the region.

The Career Fair will be held in the WSC Student Center on Tuesday, Feb. 12 from noon to 3:30 p.m. All Wayne State College students and alumni are welcome and encouraged to attend.

Approximately 80 companies will be in attendance offering students information and answering questions they may have about their companies.

Some employers will do on-site interviews, while others will have private interviews after 3:30 p.m., or may make arrangements for interviews at the place of employment.

In the past the career fair has led students to part-time, summer, Co-op/internship and full-time employment opportunities with local and regional companies and summer camps.

Jason Barelman, director of

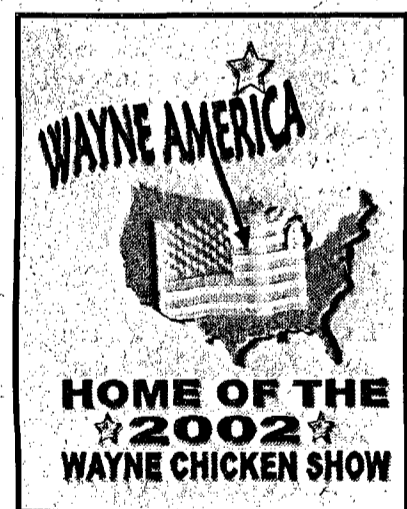

WSC's Career Services, said this event has historically worked out well for many students and employers.

"The career fair has been an excellent opportunity for students to make contact with companies and possibly get a job with them as well," Barelman said. "The ideal situation is for students to bring a resume with them that day, but if that's not possible, that should not discourage students from attending. Even without a resume, students should feel free to walk around and ask as many questions as possible."

Representatives will be on hand all afternoon to answer any questions that students have about employment opportunities in a vast number of fields.

The career fair was first established in 1989. Since then, support has grown and the fair has become an annual event.

Wayne boys finish third in Mid-States Tourney

By Kevin Peterson
Of the Herald

Rocky Ruhl's Wayne boys basketball team took home third place honors in the Blue Devils first ever Mid-States Conference Tournament.

Of course, Wayne was hoping for a conference title but those hopes were diminished by Norfolk Catholic in semifinal action last Friday night at Northeast Community College.

The Knights won a rematch with Wayne after the Blue Devils defeated them in early January.

Wayne led 22-21 at the half but the Blue Devils would score just six, third quarter points while the Knights erupted for 21 to take a 42-28 lead to the fourth quarter.

"Norfolk Catholic just beat us," Ruhl said. "We didn't play to our

potential but that's a good lesson for us. You have to come ready to play every night."

Brad Hansen scored 16 and Ric Volk tallied 11 while Brad Hochstein was held to just eight points. Ryan Schmeits, Jeff Pippitt, Jon Ehrhardt, Brady Heithold and Travis Luhr each added two.

Wayne was out-rebounded, 21-15 with Hochstein hauling down six caroms to lead the Blue Devils.

Wayne forced 20 turnovers but suffered 18, Schmeits dished out five assists.

Wayne bounced back nicely on Saturday in the consolation finals, defeating Pierce by a 53-51 margin.

Wayne opened up a nice 35-25 lead at the half but Pierce fought back and took the lead in the fourth quarter before Wayne responded to win the contest.

The 15-3 Blue Devils got 11 points from Brad Hansen and 10 from Brad Hochstein while Luke Christensen added eight and Ryan Schmeits along with Caleb Garvin tallied six apiece.

Jon Ehrhardt tossed in five and Ric Volk, four while Jeff Pippitt scored three.

Wayne dominated the boards, 29-18 with Hansen grabbing nine rebounds and Garvin, six.

Hochstein dished out six assists. "I thought both Pierce and Wayne suffered some from big games the night before," Ruhl said. "I'm pleased that we bounced back the right way."

The district seeds will come out next week prior to Wayne's games with Crofton and Pierce.

Wayne will host Madison on Friday in a girl-boy double-header.

Despite Wayne's loss to Norfolk Catholic, the Blue Devils are still ranked second in Class C-1 in power points behind Columbus Lakeview.

WAYNE'S GIRLS fell to Hartington Cedar Catholic in the consolation bracket of the Mid-States Tournament, 49-38.

Wayne trailed 24-18 at the half and never recovered. The 3-16 Blue Devils were led by April Thede with 12 and Kari Hochstein with nine while Erin Jarvi, Allison Hansen and Alissa Dunklau tallied four each. Karla Keller scored three and Mary Boehle, two.

Wayne's final regular season game will be Friday against Madison at home before sub-district play gets under way, Monday in Norfolk.

Wayne seventh grade boys place second

Wayne—Wayne's seventh grade boys basketball team placed runner-up at the Wayne Tournament. Wayne defeated Howells, 27-22 with Matt Sharer scoring nine points while Josh Fink had eight and Ransen Broders along with Nate Summerfield, four each. Jason Carollo added two with Taylor Nelson grabbing a team-high five rebounds.

Wayne fell to Cedar Catholic, 46-25 in the finals. Josh Fink and Ransen Broders scored six points each with Nate Summerfield adding five. Joe Mrsny, Taylor Nelson, Ben Poutre and Ronnie Backman added two apiece.

Wayne sixth grade girls compete

Wayne—A sixth grade girls basketball team has been competing in recent contests. The locals downed Laurel, 25-17 as Michelle Jarvi scored 13 and Samantha Dunklau along with Justine Carroll added four each. Ashley Kudrna and Allie Miller each scored two.

Wayne defeated Coleridge, 22-11 as Jarvi scored 10 and Justine Carroll, six. Kudrna tossed in three and Megan Loberg, two while Allie Miller added one.

Wayne fell to the Hoopstars, 36-12. Justine Carroll scored six with Courtney Preston, Liz Kinney and Ashley Kudrna adding two each.

Wayne defeated Wynot, 13-10 with Michelle Jarvi scoring six while Ashley Kudrna added three and Allie Miller, two. Sam Dunklau and Heidi Garvin each scored one.

Wayne also fell to Crofton, 12-11. Michelle Jarvi and Ashley Kudrna each scored four with Samantha Dunklau netting two and Megan Loberg, one.

Winside girls/boys cagers fall at home against Wynot

The Winside girls and boys basketball teams dropped a home contest with Wynot, Tuesday with the girls falling by a 52-43 margin.

Winside trailed by just two after three quarters of play at 35-33 but were out-scored, 17-10 in the final stanza.

Julie Jacobsen scored 22 points and recently the senior surpassed the 1,000-point career scoring mark.

Amy Rademacher tossed in eight points and Stacey Rabe added five while Susan Wittler scored four. Makayla Marotz and Becky Krause each added two for the 5-12 Wildcats.

"I was pleased with our effort," coach Marlon Erbst said. "We played hard the entire game. We made a few mistakes toward the end which hurt our chances to win."

Winside's boys were edged by a single point, 64-63, dropping the Wildcats record to 5-11.

Winside led 32-26 at the half but were out-scored by a 21-8 margin in the third quarter.

The Wildcats made the final seconds interesting as Adam Hoffman drained a three-pointer with 12 seconds left to cut the gap to four points.

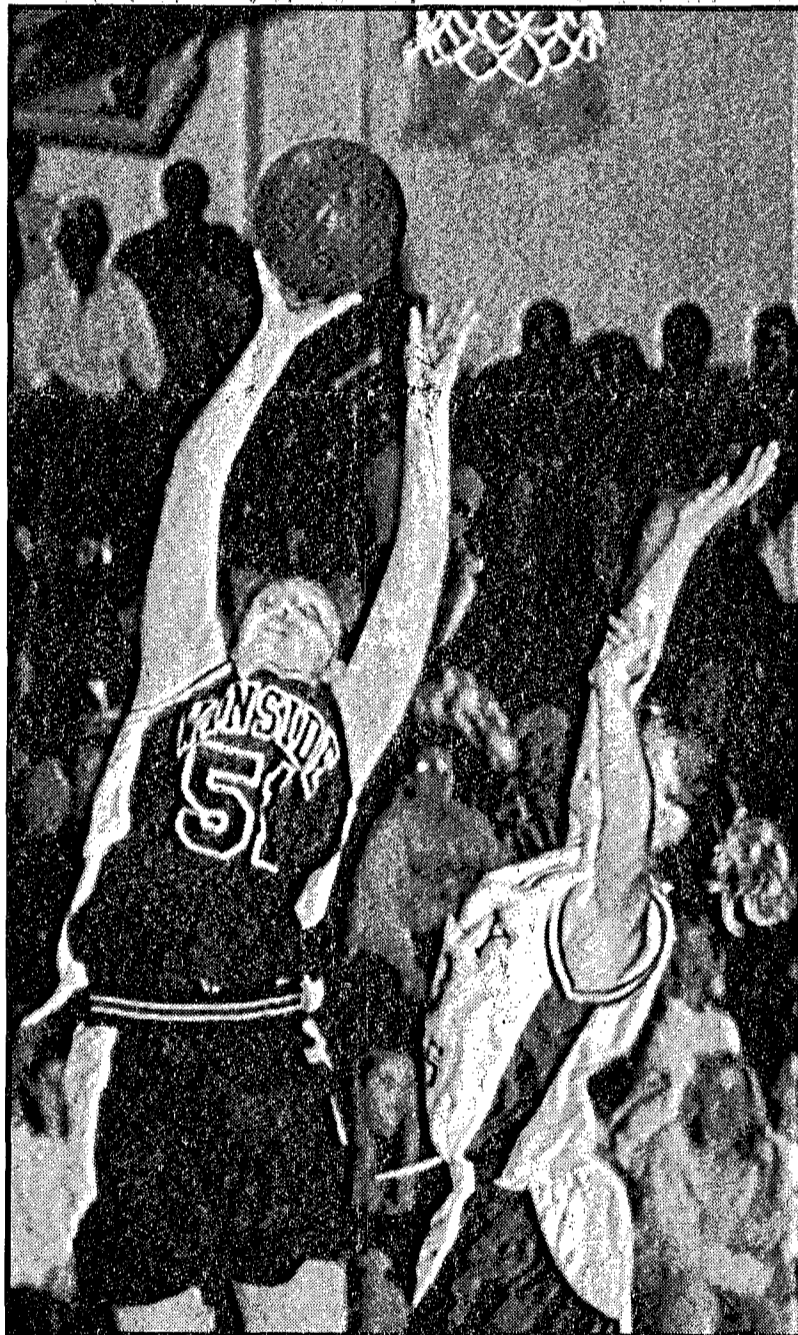

Ben Lienemann then stole the ball and launched a three-pointer that was closer to half court than the free throw line to cut the lead to one point.

Winside then stole the ball but time expired.

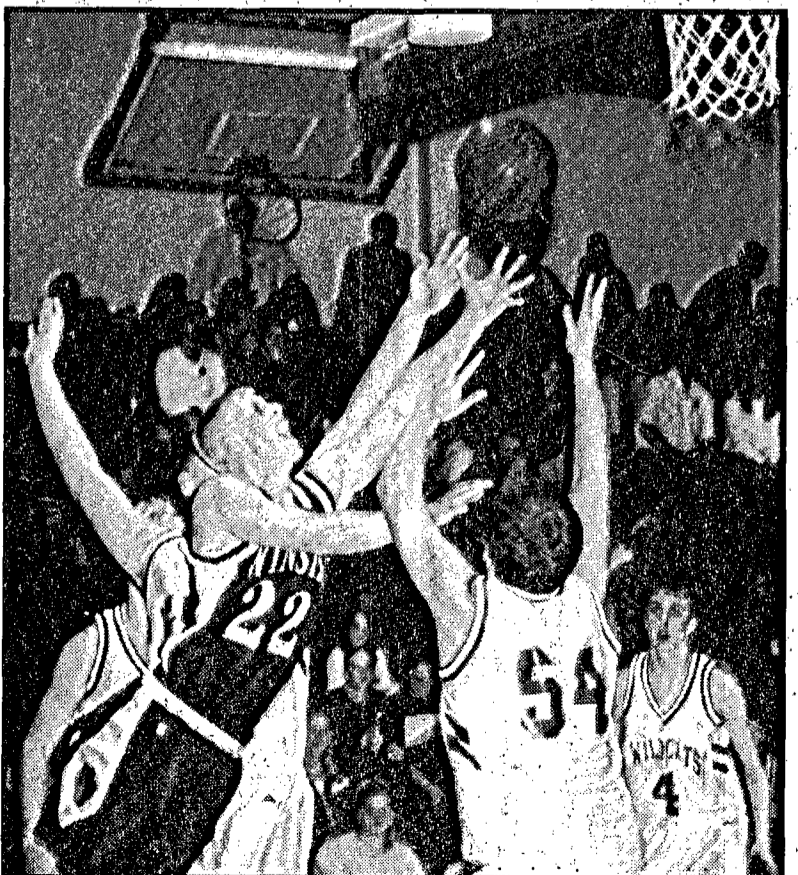

Hoffman led the Wildcats with 22 points while Lienemann tossed in 16 and Denton Cushing, 12. Adam Pfeiffer scored six and Michael Hawkins, four while Russ O'Connor, two.

Hoffman also had a team-high eight rebounds while Hawkins recorded four steals.

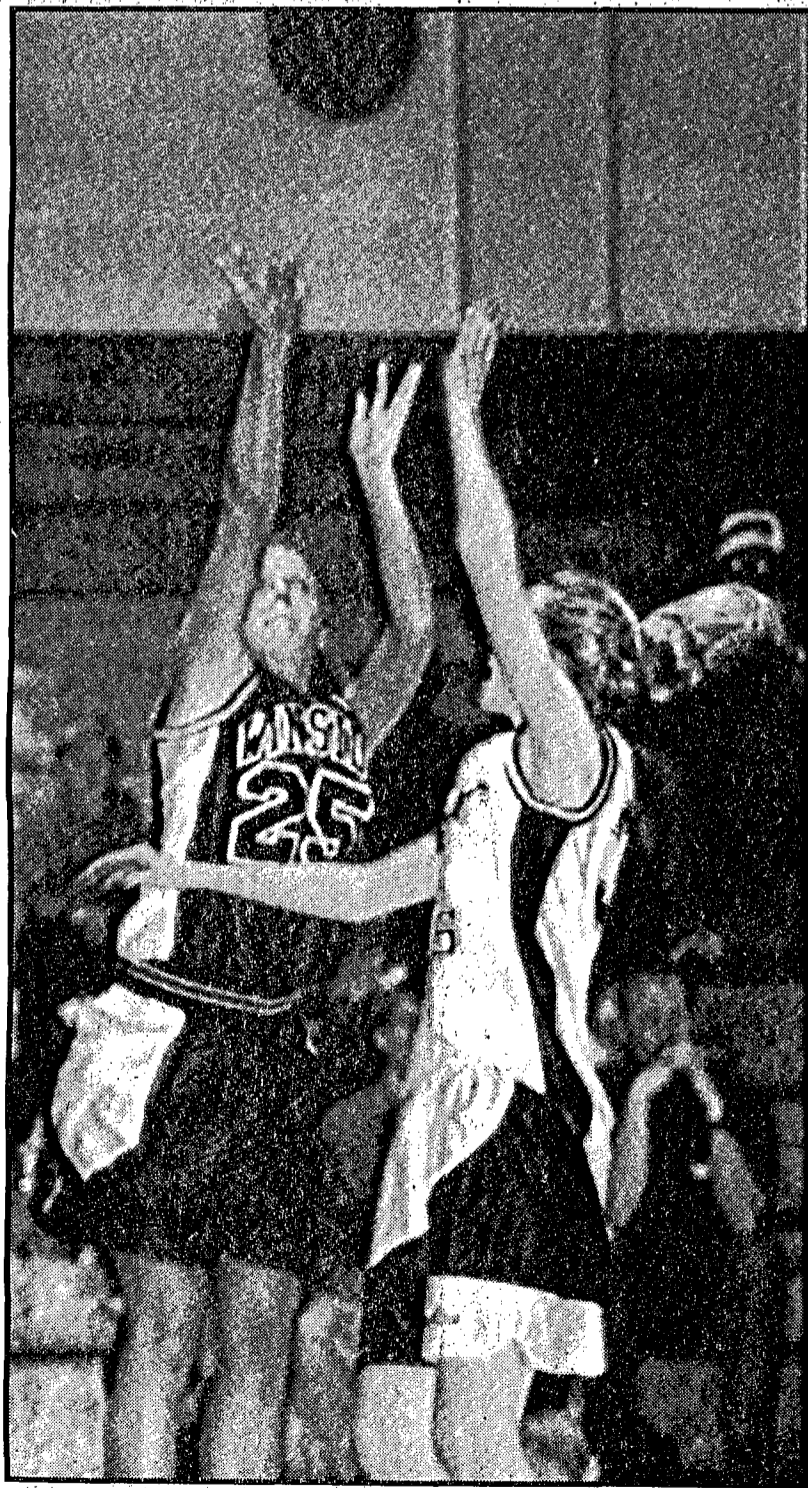

Winside will host Osmond in a double-header with the girls on Thursday.

Makayla Marotz lays a shot off the glass for two points during Winside's recent game with Hartington. Winside will compete in sub-districts Monday in Columbus.

Adam Hoffman gets hacked in the act while attempting to shoot the ball during a recent game with Hartington. Winside will host Osmond on Thursday.

Winside senior Julie Jacobsen shoots over a Hartington defender. Jacobsen recently surpassed 1,000 career points.

Laurel-Concord is crowned champion of NENAC tourney

Clayton Steele's Laurel-Concord boys basketball team captured the NENAC Conference Tournament last Friday and in doing so, the Bears got a little revenge on the side.

The 14-4 Bears defeated Crofton, 67-57. The Warriors had handed Laurel-Concord a season-opening loss.

"Winning the NENAC Tournament was a great accomplishment for this team," Steele said. "It showed our improvement in play throughout the year. We've done this through tough defense and strong rebounding."

The Bears opened up 31-23 halftime lead and the scored expanded to as many as 15 in the fourth quarter before Crofton began chipping away but the Warriors could get no closer than nine points.

Blake Erwin through down 28 points and Marc Manganaro tossed in 13 while Eric Nelson and Tyler Stingley scored nine each and Cassidy Neuhalfen, eight.

Manganaro nearly pulled off a triple-double with 13 points, 11 assists and nine rebounds.

Erwin had seven assists and eight rebounds. Laurel-Concord blocked eight shots. The Bears advanced to the title game with a 56-52 win over Randolph.

The Cardinals held Erwin well below his 28 point per game average with 10 but Tyler Stingley stepped up and drained the nets for 19 while Cassidy Neuhalfen added 11.

Eric Nelson finished with nine points and Marc Manganaro, seven.

The game was tied at 29 at the break and the Bears led by one point after three quarters of play.

Tuesday, the Bears sprinted past Coleridge, 69-42 as Blake Erwin poured in 34 points behind seven, three-pointers.

Laurel-Concord led 39-16 at the half and were never threatened.

Marc Manganaro, Jared Hartman and Tyler Stingley each scored eight while Bennie Surber netted four and Eric Nelson, three. Cassidy Neuhalfen and Brent Hoelsing each scored two.

Laurel-Concord will travel to play Wisner-Pilger on Thursday

before playing at Neligh-Oakdale on Friday.

IT WAS A DOUBLE dipped championship for Laurel-Concord as Susie Koranda's Bears also captured a title—the second straight.

Laurel-Concord cruised past Crofton, 44-28 while improving to 18-1 on the season.

The Bears opened up a 24-12 halftime lead and used a 17-4 scoring run in the third quarter to put the game on ice.

"We played well on both sides of the ball," Koranda said. "We handled Crofton's aggressive man defense. All our girls gave a good effort throughout the entire tournament."

Lani Recob led the winners with 17 points with Susan Pritchard knocking down 14 and Maggie Recob, five. Emily Schroeder and Tori Cunningham added four each.

Laurel-Concord will play at Wisner-Pilger on Thursday and at Neligh-Oakdale, Friday to round out regular season play.

Subdistricts set to begin on Monday

Girls Sub-District basketball tournaments will get under-way on Monday and Tuesday.

Wayne's girls will play Pierce in the C1-7 Sub-district, Monday at 6:15 p.m. at Norfolk High School. The winner will play Tuesday at the same time against Norfolk Catholic at the same location.

Laurel-Concord is the top seed in the C2-4 Sub-district and the Bears will play the winner of Wakefield and Homer on Tuesday at 6:15 p.m. in Bancroft. Wakefield's game with Homer will be Monday at 7:30 p.m. in Bancroft.

Allen will play the winner of Newcastle and Humphrey on Tuesday at 6:15 p.m. in West Point in D-2 play.

Winside will play Newman Grove on Monday at 7:45 in Columbus at Lakeview in D-1.

Wayne State indoor track teams place at two meets

The Wayne State College track and field teams split their squads last weekend sending the middle distance and distance runners to the University of Nebraska Distance Extravaganza, while the sprinters and field event competitors went to the University of Nebraska-Kearney's Charlie Foster Classic on Saturday.

Head coach Marlon Brink explained, "Ideally, we would have taken the entire team to the UNL Meet. However, at the UNL Meet only the middle distance and distance events were open to all divisions.

UNL limited the sprints and field events to several division I schools as part of their Adidas Invitational, which meant we had to split our squad."

At the Nebraska Distance Extravaganza on Friday evening, several Wayne State College athletes recorded season best performances. Leading the way was senior Darr Nickerson, Scottsbluff, Nebr., who ran a career best time of 18:33.38 in the 5,000 meter run. She placed second in her heat and 10th overall. Her time just missed the WSC school record of 18:32.88 set by Kathy Dalton in 1996. Nickerson's time is the best in the Northern Sun Conference this year, and she looks to be one of the

favorites in that event.

Also recording season best times was April Sachau, a junior from Allen, who ran 5:44.10 in the mile; and Audrey Emanuel, a sophomore from Winterset, Iowa, who ran 2:36.51 in the 800 meter run.

On the men's side Andy Tucknott, a senior from Lincoln, placed 12th overall in the 5,000 meter run in a season best time of 15:37.49. He is currently ranked third in the NSIC in that event.

Matt Rosauer, a sophomore from Sioux City, placed third in his heat and 37th overall in a time of 1:58.28, while Justin Farr, a freshman from Atkinson, Nebr., placed fourth in his heat and 45th overall in a time of 2:00.24. Nick Hansen, a sophomore from Osmond, Nebr., also ran the 5,000 and finished 26th in a time of 16:38.79.

At the Charlie Foster Classic in Kearney, several Wildcats also had season best performances. The lone individual champion on the day was Jodi Rhodig, a freshman from Alma, Nebraska. She won the 400 meter dash in a time of 1:00.30, her best time of the season. She is currently ranked second in the NSIC in the event. She also has the second fastest WSC time ever in that event.

Rhodig also anchored the 4 x 400 meter relay team which finished second in a time of 4:19.24. Other team members included: Traci Bernecker, Angie Kraus, and Tiffany Schacher.

Traci Bernecker, a junior from Plainview, picked up a trio of second place finishes. Besides the 4 x 400 meter relay, she also earned second place finishes in the 55 meter dash (7.53) and the 300 meter dash (42.95).

Tiffany Schacher, a freshman from Stapleton, Nebr., ran a season best time of 8.73 seconds in the 55 meter hurdles. The time is her best of the season and ranks second all-time at WSC. She is currently ranked first in the NSIC in that event.

The Wildcat men's team also turned in several season best performances.

Eric Havranek, a sophomore from Ainsworth, Nebr., ran his best time of the season in the 55 meter dash at 6.60 seconds. His time has him tied for the best time of the season in the NSIC. Havranek, who last week was named the NSIC male athlete of the week, also placed second in the long jump with a leap of 22'.

Also picking up second place finishes was Jake Pinkelman, a freshman from Fremont, Nebr. 6' 2 in the high

jump; Jesse Slaymaker, a senior from Atkinson, Nebr. 52.41 in the 400 meter dash; and Brett Struebing, a sophomore from Brainard, Nebr., 18:05.11 in the 5,000 meter run.

Stated head coach Marlon Brink, "I was generally pleased with our performances at both meets. Both meets had competition that pushed us to some of our best performances of the season, which is what we were looking for."

"At this point of the season, the athletes are starting to reach their top form as evidenced by their marks. They must continue to maintain their focus these last three weeks as we head toward the conference meet."

Darr Nickerson had an outstanding race on Friday night. It was probably one of her best performances in her career. She ran a nicely paced race, and unfortunately came up just short of the school record.

"Tiffany Schacher's 8.73 in the 55 meter hurdles also really impressed me. Just three weeks ago she was running in the 9.3 range, so she has really sharpened her form."

The Wildcats will next be in action at the USD Alumni Meet on Saturday at the DakotaDome in Vermillion, South Dakota.

Allen boys drop game at Santee

The Allen boys Basketball team dropped a tough 77-74 decision at Santee, Tuesday dropping Dave Uldrich's team to 6-9 on the season.

Allen trailed 41-34 at the half but tightened the gap to just two after three quarters of play at 53-51.

Allen took a 64-59 lead in the fourth quarter but Santee responded.

"We missed three layups and had two turnovers in the closing

minutes," Uldrich said. "That's the difference in winning and losing."

Corey Uldrich poured in a career-high 38 points for Allen and the sophomore pulled down 20 rebounds as well.

Brett Keitges tossed in 18 points and Bryan Gotch scored nine with Duane Rahn adding eight. Brett Koester rounded out the scoring with three points.

Allen will host Beemer on Friday.

Wildcat women net 41-point victory at Morris; Record 9-12

The Wayne State women's basketball team went 1-1 last weekend with a dominating win over winless Minnesota-Morris, 63-22 and a 77-66 loss at Northern State on Saturday.

The Wildcats record moved to 9-12 overall and 6-7 in NSIC play.

In Friday's win at Morris the 'Cats opened up an insurmountable 30-11 halftime lead.

Morris shot just 10 percent from the floor for the entire game at 4-40 with half of those field goals coming from three-point range.

Ten players scored for the 'Cats led by Tracy Williamson with 13 and Lesley Menken with 10. Christi Williams added nine and Karen Hochstein, eight.

WSC won the rebounding battle as well, 53-41 with Hochstein notching a team-high nine caroms.

Kinzey Larter dished out five assists and had four steals. The 'Cats forced 29 turnovers from Morris.

In Saturday's 11-point loss to Northern State the 'Cats trailed by five at the half, 34-29.

Dodie Martin led the 'Cats with 16 points with Karen Hochstein adding 15 and Lesley Menken, 11.

WSC was beaten on the boards, 38-27 with Hochstein leading the 'Cats with seven caroms.

Wayne grapplers garner fifth at conference meet

The Wayne wrestling team closed out the regular season by taking part in the Mid-States Conference Invite at Norfolk Catholic last Saturday.

John Murtaugh's Blue Devils placed fifth with 86 points. Madison won the team title with 196.5 while Norfolk Catholic was second with 180.5 followed by Boone Central and Battle Creek.

West Point Central Catholic and

Pierce followed Wayne.

Individually, Wayne had four medal winners led by Matt Nelson (125) with a gold medal performance. He won both his matches by pin including the championship match over Sergio Macias of Madison.

Josh Pieper placed runner-up at 152, falling by a 9-7 margin in the finals to Battle Creek's Jake

Bessmer.

Josh Widner finished third at 103 with a 1-1 mark. He won by pin in the consolation finals over Paul Fajman of Boone Central.

Dana Schuett placed third at 160 and had to wrestle four times to earn the placing. He won by pin in the consolation finals over James Steuter of West Point Central Catholic.

Justin Modrell and Dusty Lutt both went 0-2 at 112 and 119 respectively while Matt Roebber went 1-2 at 130 pounds.

Dan Reinhardt went 0-2 at 135 and Casey Campbell went 1-2 at 140 while Josh Hartwell went 1-2 at 145.

Kevin Modrell went 1-2 at 189 and Aaron Jorgensen went 3-1 at 215 including a pin over Matt Prokopec of Norfolk Catholic in his final match.

Wayne will compete in the district wrestling tournament on Friday and Saturday in Boys Town.

While the varsity was at Norfolk Catholic, three JV grapplers competed at Creighton with Andrew Lowe placing second at 135 while

Jacob Kay was fourth at 125. Brandon Pilger did not place at 140.

Wayne State men defeated by Morris and Northern St.

The Wayne State men's basketball team dropped a pair of Northern Sun Conference games last weekend at Minnesota-Morris and Northern State.

The setbacks left coach Rico Burkett's 'Cats with a 6-14 record and a 3-10 mark in the NSIC.

The 'Cats fell in overtime to Morris despite fighting back from a 37-24 deficit at halftime.

WSC trailed by nine points with just over two minutes left in regulation but closed the game on a 9-

0 run to force the overtime period.

WSC led by three early in the overtime period as Derek Archer drained a three-pointer.

The 'Cats did have the final shot but a three-pointer by Jon Moore drew iron.

Kevin Kobs led the 'Cats with 21 points with Todd Klostermann pouring in 17 and Brett Watson, 10.

WSC did win the rebounding war, 36-33 with Klostermann hauling down a game-high 14 car-

oms.

Troy Malone led the 'Cats with eight assists.

Saturday in Aberdeen, S.D. the Wildcats fell to Northern State by a 90-65 margin.

WSC trailed by seven at the half, 39-32 but were out-scored by a 51-33 margin in the second half.

Levi Cahill scored 14 to lead WSC with Todd Klostermann tossing in a dozen.

Northern State had five players in double figures led by Sundance

Wicks with 20.

The 'Cats were beaten on the boards to the tune of 37-23 with Cahill leading the way for WSC with eight caroms.

The host Wolves drained 12 three-pointers with the 'Cats hitting on four from bonus range.

WSC will host Concordia-St. Paul and Winona State this weekend in the final home portion of the NSIC schedule.

The 'Cats will also host Briar Cliff on Tuesday.

Winside wrestlers capture ABE program offered in northeast Nebraska

Paul Sok's Winside wrestling team closed out the regular season in fine fashion by winning the Clearwater Invite last Friday, scoring 157.5 points.

Newman Grove was runner-up with 153 and Howells scored 124 followed by Elgin Pope John, Osmond, Plainview, Clearwater, Humphrey St. Francis, Cedar Rapids, Burwell, Elgin and Creighton's JV's.

Winside had eight medal winners led by six individual champions, one runner-up and one fourth placer.

Bo Brummels won the 112 pound division with a 10-3 championship win over Chris Dostal of

Howells while Jared Jaeger won the 119 pound crown by pinning Matt Kester of Clearwater in the finals.

Brandon Suehl won at 125 pounds with an 8-3 win over Craig Brester of Howells and Josh Sok won at 152 pounds with a 3-1 win over Darrel Olmer of St. Francis.

Eric Morris was a champion at 160 pounds with a pin of Ben Gossman of Pope John and the meet's most outstanding wrestler, Tom Schwedhelm at 189 pounds not only won the individual title but defeated a nemesis in Howells' Michael Bayer, 12-5 in the finals.

It was Schwedhelm's first win over Bayer in five outings. Bayer

was ranked number one in Class D.

Mike Tomasek lost by pin to Jared Nygren of Newman Grove in the finals at 275 and Travis Koll placed fourth at 145.

"We had an outstanding tournament in our final tune-up before districts," Sok said. "I felt we had a dominant semifinal round with seven advancing to the finals where we went 6-1."

Sok said Schwedhelm turned in one of the most dominant matches he's seen this season between two top caliber wrestlers.

"He avenged four previous losses in grand style," Sok said of Schwedhelm's win over Bayer.

"He truly deserved the meet's outstanding wrestler award presented to him at the conclusion of the meet."

Winside will compete at the district wrestling tournament on Friday and Saturday at Randolph. Bo Brummels, Jared Jaeger, Brandon Suehl and Josh Sok are going in as number one seeds while Tom Schwedhelm and Mike Tomasek are second seeds. Eric Morris is a third seed.

The top four placers in each weight class advance to next week's state wrestling tournament in Lincoln.

Northeast Community College offers Adult Basic Education classes this spring semester in 26 northeast Nebraska communities.

ABE includes assistance with basic reading, writing, math and spelling skills; drills and special instruction through the English as a Second Language Program; citizenship classes, and preparation study for a Nebraska high school diploma through the General Educational Development (GED) test.

All ABE classes are open to individuals 16 years or older who are not enrolled in secondary school. Classes are free, but a fee is charged for each of the five GED tests.

Fishing 101-getting started in fishing tips given

Getting started in fishing can be as easy or as hard as you want to make it.

There are some species of fish that are easier to catch than others. One of these is the Bluegill. Known by several names such as Bluegill or Bream, this member of the pan fish family is usually a pretty eager biter.

In Nebraska we have several species of pan fish that are called bluegill. The Green Sunfish is the Bluegill's smaller cousin and every once in awhile, you might pick up a Pumpkinseed. They may differ in size and color, but they all seem to like to nibble on a worm that is

suspended below a bobber.

Bluegills are generally found in shallower water. There are several reasons for this. The first is that they feed on small insects and larvae that live or happen to fall into the shallower water. Secondly, they are nests builders and scoop out a small depression in shallow water in order to lay their eggs. last but not least is the fact that since they are the smaller fish and quite tasty, they like to hang out in the shallow water because the larger predator fish have a difficult time maneuvering in the shallow water.

To catch Bluegills, you need the basic tackle. The old hook, line and sinker, a bobber with a piece of worm will catch bluegills. You won't need heavy lines, rods or reels. The lighter equipment works best for bluegills. If you use too heavy line or split shot, the Bluegill will either back off and look at the heavy kinky line or spend his time pecking at the split shot and not the worm. Use small hooks and just a tiny little piece of worm. With a bobber or float, you'll be

to detect the bite. Try to use a small bobber if possible. The key to bobber fishing is to have just

Gary Howey
'Of the Outdoors'

the very top of the bobber sticking out of the water, the less resistance the bluegill will feel

when he takes the bait.

If all you have in your tackle box is the larger bobbers, then simply add a little larger split shot to lower the bobber in the water.

In the spring the bluegill will be shallow as they will be spawning. Once they are done spawning they like to gang up around the bass nests to try and pick off a few eggs or small fry.

They'll surround the nest and when the male bass charges out after the bluegill, the others will dash in and gobble as much as possible before the angry parent comes back.

Once the weather warms, bluegill will move back into the deeper water just off the shallow flats. They'll hide in amongst the weeds and brush trying to stray away from the predator fish that are cruising around these areas.

They will move vertically, so if you were catching bluegills at 3 feet, and the bite quits, don't move to a next spot to sun. Try going a bit deeper if the sun is out or a bit shallower if it's a cloudy day. Bluegill fishing is great fun as

these eager biters can be found in most ponds or stock dams.

The next time you find yourself watch the same old summer

rerun, grab your tackle, a dozen worms and the kids and give bluegill fishing a try, you'll be glad you did.

Cardiac session is planned

The Allied Health Department at Northeast Community College in Norfolk will host a day-long cardiac class called "Performing Hearts: Prevention" on Friday, Feb. 15.

It will be held in the Lifelong Learning Center from 8 a.m. until 5 p.m.

The objectives of this day-long session will be to identify and describe underlying pathophysiology of Acute Coronary Syndrome, describe diagnostic criteria for unstable angina and non-ST elevation MI and for initial evaluation of these patients. Appropriate therapies for the ACS patient, new dietary and cholesterol guidelines, and cardiovascular drugs will also be reviewed.

Other topics will include women and cardiac disease, open heart procedures, cardiac rehab, case management, critical pathways and outcomes. In addition, participants will describe what is case management and how it is used in the clinical area. Clinical pathways and their use will also be reviewed. Participants will also identify variances and outcomes and how case managers apply them.

Instructors will include Thomas R. Brandt, MD, PACC; Joan

Davis, Nutrition Services; Faith Regional Health Services; Laura Mars, Pharm. D., RP; Bryan Hospital Heart Team, Lincoln; Ruth Vacha, RN, BSN, RN-C, AND Karen Tesina, RN, MSN.

Cost of this day-long class is \$35.

To register or for more information, call Michele Thompson at (402)844-7335.

First aid course offered

Northeast Community College in Norfolk has scheduled another one-session First Aid Course in February.

The class, with course number COHE 0332-02, will be offered Wednesday, Feb. 20th, from 6-10 p.m. in the Ag-Allied Health Building, Room 234, on the Northeast campus in Norfolk.

Successful completion of this First Aid course will satisfy requirements for OSHA. Licensed daycare providers and the public are also encouraged to attend.

Cost of this class is \$25. Connie Sue DeBoer is the instructor.

To register, call Northeast Community College at (402)-844-7000.

Herbs for Health
Saw Palmetto for an Enlarged Prostate
Problems related to an enlarged prostate (called BPH or benign prostatic hyperplasia) most often occur in men after age 45. However, symptoms typically do not appear until age 60 or later. Up to 40 percent of men aged 70 years and older have symptoms that include an urge to urinate and difficulty emptying the bladder completely. If BPH is allowed to continue without treatment bladder infection and possibly kidney damage can occur. Prescription medicines used to treat BPH symptoms include finasteride (Proscar) and terazosin (Hytrin).
According to a recent report in *The Journal of the American Medical Association*, an extract from the saw palmetto plant may provide a safe and effective alternative to treating BPH. Dr. Timothy Wilt and colleagues reviewed 18 carefully controlled, scientific trials involving the use of saw palmetto in 2,939 men with BPH. Side effects from the herb were mild as compared with prescriptions medicines. They concluded that saw palmetto was effective in improving BPH symptoms and the flow of urine.

NEW WELCOME SIGNS
As you travel into Allen make sure to take notice of the new "welcome signs" which are located on the south and north edges of town. The Allen FFA members who were able to finance the project with the profits from their annual fruit sales built the new welcome signs.

Along with the signs, the FFA members were busy the month of January with many other projects. They repaired the parking lot sign. FFA Senior members were filling out applications for State Degrees and State Proficiency Competition. Livestock judges were preparing for District Livestock selection at Northeast Community College.

They were also planning for the Sweetheart dance, FFA week, and putting in the monthly bulletin board in the lunchroom.

MEMORIAL SERVICE
A Memorial Service will be held at 11 a.m. on Saturday, Feb. 9, 2002 at the Allen Firehall for Shirley Osbahr, who passed away unexpectedly on Jan. 13, 2002 at Casa Grande, Arizona.

CONFERENCE HONOR BAND
The Allen Band had 13 medal winners at the Lewis and Clark Conference Honor Band held at Wayne State College on Jan. 19th. Allen also won the attendance plaque for the 2nd year in a row for having the most people in the audience.

Medal winners were: Kelli Rastede - Clarinet 3; Jennifer Keitges - Base Clarinet; Anthony Wilmes - Trombone 2; Lindsay Swetnam - Trombone 3; Scott

Daffodil sales benefit patients

Orders are now being accepted for the American Cancer Society's annual fundraiser, Daffodil Days.

Cut-stem daffodils, in bunches of 10, are available to support the American Cancer Society's

research, education and patient service programs. Deadline for ordering is Feb. 20.

Daffodil Days culminates on "Daffodil Sunday," which will be celebrated on March 10, 2002. Many churches order daffodils for their altars and later share the flowers with those who are homebound or in nursing homes.

To place your order or for more information, call Vicki Skokan, your American Cancer Society representative at 402-375-3406. Delivery will be made March 6 or 7.

The American Cancer Society is the nationwide, community-based, voluntary health organization dedicated to eliminating cancer as a major health problem by preventing cancer, saving lives and diminishing suffering from cancer through research, education, advocacy and service. For more information on the American Cancer Society, call 1-800-642-8116.

The Allen Music Department of forty-six high school choir members, under the direction of Mr. Richard Lacy, have been working hard to prepare for their performance of "Joseph" by Andrew Lloyd Webber. Joseph is unlike any musical Allen has ever attempted in the past. There are no speaking parts, because the whole show consists of entirely songs.

Dates for this spectacular musical are set for March 20th with a 1 pm matinee and 7:30 pm performances on March 21, 22 and 23. A preview of the musical will be presented at the spring Pops Concert held on Feb. 25.

"I'm Now Able To Drive In The Day And At Night!"

"I was having trouble seeing, things were blurry, it was like my glasses were blurry all the time. The cataracts affected my driving, I couldn't see the intersections real good and my night vision was bad. So I came to Feidler Eye Clinic and Dr. Herbert Feidler found I had cataracts on both eyes.

I had the surgery in the morning, and at noon I came back and Dr. Feidler took off the bandage. The next morning I woke up and my vision was clear.

I would tell anyone who's afraid to have cataract surgery, there's nothing to it. It's a simple procedure, no discomfort at all.

Dr. Feidler and his staff always keep me informed and are always willing to help."

Anniversary celebrated

In February, during National Boy Scouts Month, members of Wayne Troop #174 are celebrating the group's 79th anniversary of service to the community.

The troop's most visible community service project is its monthly paper drive. Up to 22 tons of newspaper are collected each month, filling a semi-trailer storage truck which is then driven to Norfolk for recycling.

In addition to Scouts canvassing the city once a month, the paper trailer is open on Saturdays at the local recycling area for residents

who wish to drop off newspapers, computer paper and aluminum cans.

Other Scouting contributions to the community include work at the County Fair, Kiwanis Pancake Feed and various service projects performed by older Scouts working on their Eagle rank. To date, 117 members of Wayne Scouting have achieved this highest honor and more local Scouts are working toward earning their Eagle in 2002.

Since 1923, three different troops have existed in Wayne. The

city's current single troop is the result of consolidation of those three groups over the past 79 years. These eight decades of continuous operation has gained Wayne the designation as oldest Scout troop in Nebraska — an honor it shares with another troop in Omaha.

Jim Modrell is current Scoutmaster of the troop which is chartered by Our Savior Lutheran Church and is open to all boys ages 11-18. Other committee officers are Charles Shapiro, chairman; Ron Gentrup, treasurer and Gary Wright, secretary. Jess Carstens is paper drive chairman and Greg Vander Weil is Assistant Scoutmaster.

Other active committee members are Frank Teach, Mark Klassen and Joe Reinert. Former Scoutmaster Chuck Rutenbeck serves as Eagle Scout Advancement Advisor and Hod Hefti is the troop's liaison with Our Savior's Church.

During weekly meetings, Wayne Boy Scouts learn about citizenship, safety, first aid and camping. In addition to weekend campouts in the immediate area, the local Scouts enjoy extended camping trips to Camp Cedars near Fremont as well as sites in Wyoming, Colorado, New Mexico and northern Minnesota-southern Ontario, Canada.

Some Wayne Boy Scouts also attend the National Jamboree held every four years.

The troop meets Mondays (excluding the second Monday of each) at 7 p.m. in Our Savior's Center on Main Street. New members are always welcome.

Involved in the presentation of Best Pull of the Year Award were, left to right, Gordon and Bert Kirchoff and Alice and Dennis Rohde.

Tractor Pull wins award

The Carroll Truck and Tractor Pulling Association was presented the "Best Pull of the Year" award for 2001 at the Iowa Tractor Pulling Association Banquet on Jan. 5. The banquet was held at the Airport Holiday Inn at Des Moines, Iowa.

The truck and tractor pullers from Minnesota to Texas and Illinois to Oklahoma vote for the Best Pull Award.

There were 21 people from the Carroll area that assist with the Carroll Pull that were present to accept the award.

Promoters Dennis and Alice Rohde and their son Ryan thanked all the volunteers who help make the annual pull a success.

"Without the volunteers' assistance, we could not get everything accomplished each year," Dennis said.

"A special thanks to all of the businesses that help advertise the pull. To Dinkel Implement for their track equipment; the Cornhusker Two Cylinder Club for the pull-off tractor and Carroll and Winside for their fire and rescue equipment."

Rohde stated that his group "must be doing something right since in the last five years, Carroll has received the honor three times."

The 2002 pull will be held Saturday, July 20 beginning at 7 p.m.

On Dean's List

Kenneth Kopperud of Wayne and Heather Aulner of Winside have been named to the Dean's List for the fall 2001 semester at the University of Nebraska - Omaha. (Aulner is on the list for the Lincoln campus).

Landscaping class upcoming

Northeast Community College in Norfolk has scheduled a class for those anxious to put their green thumbs to work this spring.

Landscaping for the Homeowner, with Course No. TURF 0100-01, meets Monday evenings from Feb. 18th through March 18th, from 7-9:30 p.m. in the Lifelong Learning Center, Suite H. The same class, with No. TURF 0100-02/02S, meets Wednesdays beginning Feb. 20th and ending March 20th from 7-9:30 p.m. in Suite L of the Lifelong Learning Center.

Instructor Barb Preusker will teach students how to design a plan for their yards to give homes a picture-perfect, landscaped look. This class is ideal for those who

are starting from scratch with a new home or giving an older home a new look.

Topics will include landscape design, plants and planting, tree and shrub care.

After the landscape design is completed, students will learn which plants to plant in any given area and how to properly plan and care for these plants to minimize frustration and cost. Tree and shrub care will cover proper pruning, trimming and caring for woody landscape plants.

Cost of this five-session class is \$35.

To register, call Northeast Community College at (402)844-7000.

4-H celebrates its centennial

In 2002 the 4-H movement celebrates its centennial as America's premier youth development organization. The Nebraska 4-H Centennial Week has been designated as February 3-9. So how did 4-H begin?

The Beginning Corn — Growing Clubs and Head, Heart and Hands

In the late 1890s and early 1900s, 4-H programs began across the country in response to young people and their need for a better agricultural education.

No one individual is credited with establishing the 4-H program nationally. Rather, the program was founded through the efforts of several individuals over the course of a few years.

In Nebraska, E. C. Bishop, a teacher and county superintendent, is credited as introducing Boys and Girls Club Work in German Town near Garland in Seward County in 1895 and near Bradshaw in York County in 1898.

Bishop organized school clubs and provided youth with educational materials. In 1903, he and his fellow Lincoln Normal classmate, W. C. Brockaw, organized a corn growing competition for boys from York, Fillmore and Seward counties. This resulted in a State Corn Show in 1904.

By 1905, Boys' and Girls' Club Work had expanded to several counties, with more than 500 youth attending the Nebraska Girls' Domestic Science Association and the Nebraska

Boys' Agricultural Association. The first mention of three of the four H's in Nebraska is in a phrase Bishop included in the Boys' and Girls' constitution at these events. 4-H had officially arrived in Nebraska.

In 1907, Bishop appealed to the readers of Nebraska Farmer magazine: "Can we find a name or emblem that can be used to refer to both boys and girls?" The answer came from a national

source shortly thereafter. The first 4-H emblem came into use nationally in 1907 or 1908 and was designed as a three-leaf clover, standing for head, heart and hands. Hustle was added as the fourth H in 1911 but was later changed to health. In 1908, more than 8,000 boys and girls participated in county contests.

In addition to 4-H's growing popularity in Nebraska, much was happening nationally to strengthen the program. By 1912, 73,000 boys and 23,000 girls nationwide were enrolled in club work.

Also in 1912, the USDA created a charter for 4-H. In 1914, Congress passed the Smith-Lever Act, which established the Cooperative Extension Service, of which 4-H is a part. Nebraska was ready.

For more on the history of 4-H Nebraska, check the 4-H Web site at 4h.unl.edu. Across the country 4-Hers are making a difference in their communities because that's what 4-H is all about.

For more information on 4-H programs call the University of Nebraska Extension Office. In Dixon County that is 402-584-2234, Wayne County 375-3310 or Cedar County 254-6821. 4-H prepared for the future by a century of service.

Engagements— OES meets Jan. 14

Johnson - Graham

Bruce and Yleen Johnson of Wayne have announced the engagement of their daughter, Cera, to Josh Graham of Blair.

The bride-to-be is the granddaughter of Grace Peters of Wayne and Russell and Ruth Johnson of Battle Creek. She graduated from Wayne High School and received her bachelor's and master's degrees from Wayne State College.

Her fiancé is the son of Dallas and Rebecca Graham of Belden. His grandparents are Rodney and Helen Hansen of Coleridge and Arlene Graham of Randolph. He graduated from Randolph High School and the University of Nebraska-Lincoln.

The couple is planning an April 27, 2002 wedding at the First United Methodist Church in Wayne.

Wayne Chapter #194 Order of Eastern Star met Jan. 14 for the regular meeting and installation of

Mr. and Mrs. Roberts

Roberts to celebrate

Courtland and Darlene Roberts of Allen will celebrate their 50th wedding anniversary with an open house on Saturday, Feb. 16, 2002.

The event will be held from 2 to 4:30 p.m. at the Fire Hall in Allen. A square dance will be held Sunday, Feb. 17 from 2 to 4:30 in the Laurel Auditorium.

Hosting the celebration will be the couple's children, Jerome and Christy Roberts of Allen, Verneal Roberts of Fort Worth, Texas, Derwin and Betty Roberts of Pender. They have four grandchildren and one great-granddaughter.

Courtland Roberts and Darlene Magnuson were married Feb. 14, 192 at the First Lutheran Church at Allen and have lived the Allen area all their married lives.

2002 officers.

Worthy Matron welcomed guests. Marlene Dinklage, Past Grand Worthy Matron; Robert Carhart, Past Grand Worthy Patron; Lynn Kramer, Grand Representative of Virginia in Nebraska; and Audrey Weaver, Grand Representative of Britain and Yukon in Nebraska were introduced.

Substitute officers for the evening were David Kirkpatrick, Arnold Marr, Robert Carhart, Julie Osnes, Deborah Garwood and Joan Lackas.

A donation was given to the Close-Up Foundation for Wayne High students' trip to Washington, D.C. in March.

Ash Wednesday service planned

Our Savior Lutheran Church will observe Ash Wednesday on Feb. 13 with a worship service at 7:30 p.m.

Ash Wednesday marks the beginning of the Lenten season. The mood of this special service is one of penitence and reflection upon the quality of one's faith and life.

During the lenten season, our goal is to enlist participation in the spiritual disciplines which bring us closer to God and to one another through a life of love, forgiveness and service.

This year, in addition to the traditional imposition of ashes, the service will focus on how the power of the resurrection enables people to deal in a positive manner with the "dark side" of their lives. The ancient practice of confession will be discussed; its purpose, practice and usefulness in the lives of people today.

"During this special time in the life of the church, the people of Our Savior invite all to worship with us each weekend and on Wednesday evening," said Pastor Kevin Ruffcorn.

Throughout the season of Lent, Our Savior Lutheran Church will have mid-week Lenten services on Wednesday evenings at 7:30 p.m.

On each of the Wednesdays, Feb. 20 through March 20, a supper will be served prior to each Wednesday's evening service from 6 to 7:15 p.m. with all proceeds supporting the summer mission trip and national youth gathering.

In addition to the special Lenten services, Our Savior Lutheran Church offers four

weekend worship opportunities — Saturday evenings at 6 p.m., Sunday mornings at 8 and 10:30 a.m. and Sunday evenings at 7 p.m.

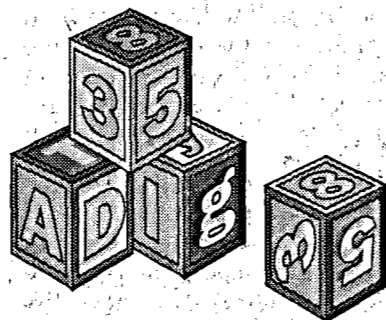

Our Savior is located at the corner of Fifth and Main Streets in Wayne. For more information, contact the church office at (402) 375-2899.

Sharing faith

Students in pre-school through sixth grade at St. Mary's Elementary School entertained those attending last week's Chamber Coffee. The students sang several songs about their faith and education as one of the special activities at the school during Catholic Schools Week. The musical selections were under the direction of Monica Jensen, the music instructor at the school.

Pastor attends rural ministry retreat

The 2002 Rural Ministry Retreat was held at the Leadership Center in Aurora on Feb. 3-5.

The retreat, sponsored by the rural Ministry Task Force of the Nebraska Synod, was an opportunity for pastors in rural Nebraska to reflect and share; a time to renew and grow; a time to network, support and encourage; a time apart to give "good news" a chance to grow in the "good ground" of their lives.

"We believe there is 'good ground' for raising crops and there is 'good ground' for planting the spiritual seeds of hope and 'good news,'" said the event planners.

Featured speakers for the Rural Ministry Retreat were Ms. Sandra LaBlanc, Director, ELCA Rural Desk from Des Moines, Iowa, speaking on "Good Ground — Good

News;" Pastor Cindy Cone from Salem Lutheran Church in Fremont, "Discovering Hope: Building Vitality in Rural Congregations" and Dr. Roy Frederick, Public Policy Specialist at the University of Nebraska, Lincoln Department of Agricultural Economics discussing "Effects of the 2002 Farm Bill for Nebraska Farmers."

Pastor Kevin Ruffcorn, Senior Pastor of Our Savior Lutheran Church in Wayne and author of "Rural Evangelism: Catching the Vision," was the Bible Study Leader for the Retreat. Bishop David deFreese led the worship service on Sunday evening and the group was entertained by Tim Grothen of Hastings with his dulcimer.

Calvary Bible Church to host seminar on debt

Calvary Bible Evangelical Free Church will host a "Debt-Free Prosperous Living" Seminar on Sunday, Feb. 10 from 6:30 to 9:30 p.m.

The seminar will help people learn how they can get completely out of debt, including their home mortgage in six to eight years. And if they don't have a mortgage, they can get debt-free in one to three years.

Attendees will learn specific proven strategies that are designed to get them out of debt in the shortest possible time. They will learn how to operate on cash in a "plastic" society and how to live without debt the rest of their lives. They will learn how to do this with their current income and without second jobs or austerity budgets.

Jeff and Sheryl Meyer of Lincoln will be the instructors for this life-changing workshop. They have offered this workshop in businesses, 40 universities and college around the country and in churches.

they personally implemented the strategies and concepts they teach before they began sharing them with others.

The three-hour workshop will cover not only the problems with debt and how we get into trouble with it, but it will provide the solutions and look at the definition of prosperous living. Solid

answers to the questions about how to invest resources will be given.

Those attending are urged to bring a list of all their debts (principal balances and monthly payment amounts), a pencil and a calculator. They then will leave with their own personal debt elimination plan ready to be implemented in their lifestyle.

The cost of the class is \$20 per single and \$30 per family.

Calvary bible Evangelical Free Church is located at 502 Lincoln Street in Wayne.

Cholesterol Testing Not Just For Over 35 Crowd Anymore

A new study suggests getting your cholesterol tested around age 20 and continue testing every 5 years. The *Journal of the American Medical Association* stated that men had higher rates of heart disease and died earlier if their cholesterol was high as young adults. A total cholesterol reading less than 200 milligrams per deciliter of blood is healthy. A reading over 240 is considered unhealthy. A healthy diet and regular exercise helps reduce cholesterol levels and the risk of heart disease.

More Good News: Aspirin May Reduce Severity of Stroke

In the most common type of stroke a blood clot or some other form of blockage reduces blood flow to the brain. According to a new study reported in the medical journal *Stroke*, persons who took a single aspirin tablet during the week before they had such a stroke lowered their risk of severe stroke-related damage - including loss of speech or speech difficulty and paralysis. In the study of more than 1,200 persons it was found that about 50% of aspirin users had mild strokes, and only about 10% had severe strokes, however 43% of individuals who did not use aspirin had mild strokes, and 15% had severe strokes.

Many physicians recommend a small daily dose of aspirin for patients who are at special risk for heart disease or stroke. Yet, chronic use of aspirin is not without risk, including bleeding problems. Ask your physician if taking aspirin every day is right for you.

PARTICIPATES IN STUDY

Three groups of Doane College students participated in off-campus inter-terms for three weeks in January. Students embarked on trips to the Caribbean, Texas and the Western United States. Students participating in off-campus trips were eligible for the college's travel scholarship that provides juniors and seniors up to \$700 for travel expenses.

Jessica Sharpnack, a Doane senior and the daughter of Randy and Carol Sharpnack of rural Wakefield, was among the 22 students to travel to the Caribbean to study the biographical history of 12 major figures in the golden age of piracy. The study began with Drake and Hawkins in the 1560s and ended with the decline of Morgan and the buccaneers from Port Royal in the 1680s.

Lectures and studies were based on David Cordingly's book regarding Caribbean pirates titled "Under the Black Flag."

The students who chose the Texas Gulf Course studied marine biology. Those who traveled by Amtrack throughout the Western United States discovered the American West.

The workshop will be held at two different times. The first session will be from 2-5 pm with the program repeated from 6-9 pm.

The meeting will be conducted by Terry Gompert, Extension Educator, Knox County and Sandy Preston, Dixon County.

Topics covered will be: purpose of the farm business plan; what goes into the business plan; how and why a plan is written. There is no cost to the workshop but pre-registration and a minimum participation is required by Feb. 18.

Call the Dixon County Extension office at 402-584-2234 to pre-register. Couples are encouraged to attend this meeting.

COMMUNITY CLUB COFFEE

The Graves Public Library Foundation hosted the January Community Club coffee meeting at the Senior Center. The RC & D Council with Lisa Lutz in charge will host the Feb. 14 coffee meeting.

Under old business, Larry Clay reported for the Lions Club that the Christmas promotion and soup supper went well. It was felt the presentation of ALKY brought more people to the event. Also that an extra chance to sign up for the Wakefield \$\$\$ was appreciated.

A review and discussion of events to take place during BRAN riders visit was held.

Terry Hoffman reported that the Care Center census is down to 38. The holidays went well at the center. The Wakefield Health Care Center auditors Koski, PC had donated \$100 to the Library Foundation in honor of the center's dedicated staff.

Hoffman added to the Lions report that 30 families were served through the Christmas project.

Bob Uhing from the Educational Service Unit reported on legislative concerns. A federal and state compliance committee was in Wakefield on Jan. 30. ESU looking for additional staff.

Val Bard, reporting for the theatre, said the kids were pleased with the outstanding ovation received for their performance of ALKY during the Christmas promotion. The group will be making another presentation to a youth group in Wayne. The theatre needs more participants for the upcoming presentation of "The Nerd."

Val Bard also reported that there are 18 Wakefield girls selling Girl Scout cookies. The girls will plant a Friendship Pole in March as part of the Girl Scouts Anniversary observance.

Laura Knox is assisting the Library Foundation in applying for grants for a library building, according to foundation president Larry Clay. Letters for donations have been mailed locally and about 30 donations have been returned, according to Clay. It was reported by Eugene Swanson that 741 books were checked out at Graves Library during December.

The Senior Center recently held a raffle for a prime rib roast, according to director Becky Krueger, and it was won by Carol Bard.

The old Lounge building has been purchased by the American Legion, according to Eugene Swanson, and plans are to tear down the building.

Sylvia Olson announced that the Wakefield Heritage Organization has set its regular meeting time for the second Saturday on the month at 10 a.m. at the Fire Hall.

The new welcome flags were displayed. New American flags are also going to be flown along Main Street.

ANNUAL MEETING

The annual Community Club Banquet and meeting is set for Friday, March 22. Candidates to serve on the board of directors are needed. Marvin Borg and Ron Wenstrand have agreed to run for another term, but replacements are needed for Michelle Tullberg and Janice Roberts. Letters have been mailed regarding annual Community Club dues and nominations for Citizen of the Year.

A motion was made and passed that the Community Club contribute \$3,000 to the Library Foundation.

Names tend to run in cycles

The snow came, eight inches of it, with very little wind and no sub-zero temperatures. The sun came out, neighbor Wayne came over with a blade and blower, I moved the stuff on the walks and it was over. Nothing like last year.

Meanwhile, Jon and Kristi hosted friends who were without power in Kansas City. That must have been a mess.

Even though I was rooting for Kurt Warner and Grant Winstrom, I got a thrill from seeing the 14-point underdog win the game. The oddsmakers still don't know everything and never will.

Last week's column omitted Jaxson's middle name, which is August. A very old-fashioned one, but they are coming back in style. Ann's grandpa was named after his uncle and her dad's middle name is also August. The Big Farmer says he's going to call him Gus!

We still have a gold pocket watch that came from uncle and grandpa to Mike to Jon. I guess Jon's going to have to will it to Jaxson. It's an Elgin and it still runs. In fact, I also have an Elgin necklace watch that still runs and it's at least 100 years old.

The old-fashioned names include Emma. Two years ago in March, Kay's friend, Kris, delivered a little girl with two holes in her heart. There were many anx-

ious days as they were repaired and a post-operative infection

The Farmer's Wife
By: Pat Meierhenry

threatened her life. Today, she's happy and healthy, a true "miracle."

Our minister's wife had a new

little Zachary right after Christmas; his big sister is Abigail.

Another name that has become popular lately is Sydney. My cousin Syd grew up believing she was the only person with that name.

An email I received lately states that the only reason we have middle names is so we can tell when we are in trouble with a parent.

Then, there are the lucky people who have two: My mother is Silvia Emma Helene; the middle names are the first names of her two aunts who were her sponsors, or God mothers. In those days, you had two, one from each side of the family, until you had used up all the siblings. Now, they are often a couple, or three or four and not necessarily relatives: Customs change; names seem to go in cycles.

Wayne County Extension Board meeting is being planned

The Wayne County Extension Board will meet on Tuesday, Feb. 12 at 7:30 p.m. at the Wayne County Courthouse meeting room in Wayne.

The meeting is open to the public. An agenda is available at the Extension Office at 510 Pearl Street in Wayne.

Ak-Sar-Ben announces nominations for Nebraska Pioneer Awards being accepted

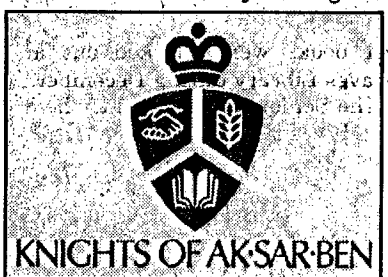

The Knights of Ak-Sar-Ben Foundation and the Nebraska Association of Fair Managers announced that nominations for the 47th annual Nebraska Pioneer Farm Awards are being accepted.

The program honors farm families in Nebraska whose land has been owned by members of the same family for 100 years or more.

To-date, nearly 6,000 families in 93 Nebraska counties have been honored at various county fairs. Each honoree receives an engraved plaque and gatepost marker as permanent recognition

of this milestone.

Nomination forms can be obtained from the local County Fair Board Office or by writing the

Ak-Sar-Ben Pioneer Farm Awards, 6800 Mercy Road, Suite 206, Omaha, NE 68106. All nomi-

nations must be received by the county fair board office in which the land is found no later than May 1, 2002.

Interested persons with land in Wayne County may contact Kelly Grone at 375-4635 for more information. Completed forms can be mailed to P.O. Box 133, Wayne, Neb. 68787.

This program is just one of those supported by the Knights of Ak-Sar-Ben Foundation which was founded in 1895 "to build a more prosperous Heartland, where communities can flourish and every child can succeed."

Centennial proclamation

Members of the Wayne County Board of Commissioners signed a proclamation on Tuesday, declaring this the centennial year for 4-H in Nebraska. Those involved in the presentation included the commissioners, front row, left to right, Kelyvin Wurdemann, Myron Miller and Robert Nissen. Back row, representing the 4-H Council, Karlene Meyer and Karissa Dorcay.

Gardening with cyber help

By Deb Daehnke
Member of the
Master Gardening class

Anyone who has spent time surfing the World Wide Web is aware of its potential to be a gardener's friend.

Exotic plants, unique gardening tools and pest or plant diagnostic techniques are available with a few clicks of your fingertips. Following

special topics and plant lists to satisfy the gardening junkie.

If you're seeking sites with forums to discuss your gardening questions, plant databases, garden events listings, book reviews, contests or newsletters, the following will meet your needs: GardenWeb.com, Homestore.com, Suite 101.com, Gardenguides.com, savvygardener.com or botanical.com. You might want to subscribe to some of their newsletters or weekly tips.

Do you have an affinity for organic gardening? Or do heirloom varieties pique your interest? Then seedschange.com, seedsavers.com or tvorganics should be one of your first sites to visit.

Reputable, local nurseries and growers are always your best source of finding plant varieties that acclimate well to your area. And since this is their livelihood, they have a vested interest in providing you with quality plant stock. However, not every nursery can stock all seeds or plants. With a little web traveling, you can find those exotic cannas, newer varieties of hostas or dozens of tomato varieties. Burpee.com, johnscheepers.com, whiteflowerfarm.com, dutchbulbs.com and parkseed.com are just a few catalog sources that offer a variety of unusual seeds or plants.

Rose enthusiasts might try david austin roses.com, heirloomroses.com and loweroses.com or the Antique Rose Emporium at wearoses.com.

Herbs are enjoying a resurgence and there is not shortage of sites devoted strictly to these wonderful plants. CedarknollFarm.com which is north of Wayne, PapaGenos.com located south of Lincoln, richters.com, companionplants.com and garlicfarm.com are just a few.

HortParadis.unl.edu is a University of Nebraska Cooperative Extension Website. In addition to its horticultural information, you can access all County Extension offices in Nebraska. Backyardfarmer.unl.edu is the web site of the popular Educational Television program.

Ohloline.osu.edu will take you to sites specializing in horticultural bulletins, newsletters, landscaping, specialty gardens, mushrooms, weed control and soil management. ORDINANCE NO. 2002-3
AN ORDINANCE CREATING SANITARY SEWER EXTENSION DISTRICT NO. 2002-1 OF THE CITY OF WAYNE, NEBRASKA; ESTABLISHING THE OUTER BOUNDARIES OF THE DISTRICT; DESIGNATING THE SIZE, LOCATION AND TERMINAL POINTS OF SANITARY SEWER MAINS AND SANITARY SEWER LINES WITHIN SAID DISTRICT; AND REFERRING TO PLANS AND SPECIFICATIONS AND COST ESTIMATES AS PREPARED BY THE ENGINEER IN CONNECTION THEREWITH AND ON FILE WITH THE CITY CLERK.

BE IT ORDAINED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF WAYNE, NEBRASKA:

Section 1. The Mayor and Council of the City of Wayne, Nebraska, hereby find and determine that it is necessary and advisable to extend the municipal sanitary sewer system beyond the existing system by the construction of sanitary sewer mains and sanitary sewer lines and appurtenant improvements and that for the purpose of constructing said sanitary sewer mains and related improvements, there is hereby created Sanitary Sewer Extension District No. 2002-1 of the City of Wayne, pursuant to authority granted in Section 19-2402, R.R.S., Neb. 1997, as amended.

Section 2. The outer boundaries of Sanitary Sewer Extension District No. 2002-1 shall consist of a tract of land located in Wayne County, Nebraska, being described as follows:

Lots One (1), Two (2), Three (3) and Four (4), of County Living Acres Subdivision;

The portion of undivided farmland that begins at a point on the centerline of County Club Road 247' west of the northeast corner of Section 7, Township 26 North, Range 4, East of the 6th p.m., and then extends south for 622' directly abutting the west boundaries of Lots 1, 2, 3, and 4 of County Living Acres to the south-west corner of Lot 4, County Living Acres, then extends to a point west 150' and then extends back north 622' to the centerline of County Club Road and then extends 150' east to the beginning point.

The size, location and terminal points of the sanitary sewer mains, sanitary sewer lines and other appurtenances in said District shall consist of the following: An eight inch PVC line, including manholes, meeting City standards beginning at a point 15' west of the west boundary of Lot 1 and due west of the boundary line between Lots 1 and 2 and extending south, parallel with the west boundaries of Lots 2, 3, and 4 and connecting to the 12" sewer line extending northwest from Lift Station No. 6.

Section 3. Reference is hereby made to the plans and specifications for said sanitary sewer extensions, which have been prepared by JEO Consulting Group, Inc., special engineers for the City, and which, together with said engineers' estimate of the total cost for the proposed sanitary sewer extensions, have heretofore been filed with the City Clerk.

Section 4. The engineers' estimate of total cost for the proposed sanitary sewer extension improvements in said District is \$16,000.

Section 5. The Mayor and Council hereby find and determine that none of the properties located within said District are presently served by the City's existing system of sanitary sewer service and that said District constitutes an area of land located apart and outside the area served and benefited by said system and all of the property in said District is located within the City of Wayne, Nebraska or within one mile of the corporate limits of the City of Wayne, Nebraska.

Passed and approved this 29th day of January, 2002.

CARROLL VILLAGE BOARD PROCEEDINGS
Carroll, Nebraska
January 9, 2002

The Board of Directors for the Village of Carroll met in regular session on the above date with the following members present: Marlee Burbach, Jim Fernau, Franklin Gilmore, and Mark Tietz. Also present was Cynthia Puntney, Village Clerk. Absent: Bob Hall.

Franklin Gilmore introduced Resolution No. 2002-01 to request an increase in the uniform service surcharge to \$1.00 per month on each local exchange access line physically terminating in the governing body's 911 service area.

Following discussion, Mark Tietz made a motion to approve Resolution No. 2002-01. Marlee Burbach seconded the motion. All present voted approval. Motion carried. The Resolution will be forwarded to the Wayne County Commissioners for their approval.

A motion to approve the minutes of the December 12, 2001, regular meeting, with the following correction: Mark Tietz was absent from the meeting, was made by Mark Tietz and seconded by Marlee Burbach. All present voted approval.

Bills presented were as follows: Nebraska Dept. of Revenue, 89.60; John Mohr, Salary, 500.00; Cynthia Puntney, Salary, 425.00;

Charlene Jones, Salary, 130.00; John Mohr, phone reimbursement, 25.00; Farmers State Bank, pump house loan, 590.00; J & J Sanitation, garbage service, 1,802.60; City of Wayne, dispatch, 85.00; Northeast Nebraska Public Power, service, 222.07; Eastern Nebraska Telephone, phone for library, 26.81; Wayne Herald, publications, 34.26; Bathune Repair, lawn mower repairs, 43.95; IRS, 4th qtr. (Publ. Feb. 7, 2002)

NOTICE OF PUBLIC HEARING

Wayne County, Nebraska, will hold a public hearing in the Commissioners' Room at the County Courthouse in Wayne, Nebraska, on the 19th day of February, 2002, at 10:00 o'clock a.m. for the purpose of presenting and adopting a One and Six Year Road Improvement Plan for said county. Anyone living in said county may appear in person or by counsel and be heard.

Sidney A. Saunders,
Wayne County Highway Superintendent
(Publ. Feb. 7, 2002)

Every government official or board that handles public monies, should publish at regular intervals an accounting of it showing where and how each dollar is spent. We hold this to be a fundamental principle to democratic government.
