Political candidates visit Wayne

Several politicians made stops in Wayne during the past week to meet with local citizens and students at area schools.

On Friday Senator Chuck Hagel visited with students in second through eighth grade at Wayne Middle School. He explained that the state of Nebraska has two senators and three representatives in Congress.

Hagel told his audience that schools are important and that elected officials care what students think.

"We want you students to feel comfortable around us, because one of you

may be the next senator for the state of Nebraska," Hagel said.

Hagel, who graduated from high school in Columbus, played football at Wayne State College for one year and later transferred to Kearney State College.

Hagel spent the majority of his time answering questions from the students.

These ranged from "are you rich" to "is there going to be war in Iraq?" He also told his audience that, yes, he had met George W. Bush and that the reason he came to Wayne was to say 'hello' to the students.

He explained his motives for becoming a senator and said that it has been an honor and privilege to be Nebraska's senator for the past six years.

Following his visit with the students, Hagel spoke with several members of the Wayne Ambassadors and Wayne Mayor Sheryl Lindau.

He talked about the importance of teachers in the future of our country and stated "teachers, next to parents, are the most influential people in the lives of young people."

He spoke on the situation in Iraq and said that the United States must work

with the United Nations and its allies because "this is too good for one nation to deal with alone. It is not just a military issue. Intelligence, social issues and trade are all factors in the situation."

Hagel also made a stop at Inventive Communications while he was in Wayne to meet and visit with owners and employees there, as well as observe the technology being used.

On Wednesday, both candidates for governor made stops in Wayne.

Speaker to lead death penalty discussion at WSC on Oct. 30

Dr. Mary Ann Zimmer of Creighton University will make a presentation and lead a discussion for "The Death Penalty: Diverse Perspectives," on Wednesday, Oct. 30, from 5 to 6 p.m. in the Elkhorn Room in the Student Center on the Wayne State College campus.

"I invite people to a time and place of mutual respect where all who attend can examine the varied values, emotions and arguments that make up the death penalty debate. I will also update people on Nebraska's unique situation at this point in history," Zimmer said.

Zimmer is the recipient of the C.A. Sorensen Award. She has earned a doctorate in theology from Emory University in Atlanta, Ga. She is an adjunct faculty member at Creighton University and administrator of Seven Oaks Senior Housing, a ministry of the Notre Dame Sisters of Omaha.

The event is sponsored by Catholic Newman Ministry in association with Wayne Nebraskans for Peace and WSC Criminal Justice Association. The event is funded by the Catholic Newman Club Student Senate Allocation.

Father, daughters run in marathon

by Mike Grosz
Of the Herald

Calling it "a once in a lifetime" opportunity, a Wayne man ran with two of his daughters in the Chicago Marathon last Sunday.

Todd Barry and his family used the weekend of the marathon as a family event.

Initially, Barry, who is director of athletics at Wayne State College, was going to keep it a secret from daughters Danielle and Kristi that he was going to run in the marathon.

But after some thought, he decided to tell them he was running so he could share training tips with them.

For Todd Barry, this was his second marathon. His first, though, was nine years ago in the Twin Cities.

Barry then asked himself — should a 51-year-old man run 26.2 miles in a marathon?

"I have run in five kilometer races here and there, but a marathon is something different," said Barry.

He met with WSC cross country coach Marlon Brink, who has run in several marathons, and

Nearly one million fans watched the 37,500 runners at the Chicago Marathon. Spectators, sometimes 3-5 lines deep, packed the streets to cheer on runners, making it impossible to catch individual photos of runners.

WSC Center For Economic Education to host workshop

The Wayne State College Center for Economic Education will welcome high school instructors for "Mathematics and Economics

— Connections for Life," a workshop on integrating economic principles into mathematics classes. Curriculum material and the workshop are made possible by a grant from the State Farm Insurance Companies through the National Council on Economic Education.

The workshop will show the benefits of the economics integration in a math class setting. Students introduced to some principles of economics have a greater understanding of market economies and adds a real world flavor to math. Another goal is to teach students how to make personal financial decisions.

The National Council on Economics Education published the instructional material that will be provided. The workshop includes interactive, hands-on training and how to meet Nebraska State Standards using Math and Economics curriculum in your class. Lunch and refreshments will be provided throughout the day.

The course will be offered at the following locations and dates:

- MAT/ECO 568-80 (1 Hr. Grad. Cr.) Saturday, Nov. 2, from 9 a.m. to 5 p.m. Norfolk Country Inn, 1201 South 13th Street, Norfolk;
- MAT/ECO 568-81 (1 Hr. Grad. Cr.) Saturday, Nov. 9, from 9 a.m. to 5 p.m. Cardinal Opportunity Center, Public Library Annex (North or West Door), South Sioux City

Through this workshop, individuals attending will earn one hour of graduate credit from Wayne State College. The cost of tuition will be \$126.00 for Nebraska residents. A \$35 stipend will be awarded for attending.

To register, please contact Wayne State College, Continuing Education (800) 228-9972 ext. 7217. Please note that the tuition payment and registration dead-

line is Oct. 25, 2002 for proper meals and stipend arrangements.

United Nations Day Proclamation

WHEREAS, the United Nations was founded in 1945, and the anniversary of its founding is observed each year on Oct. 24; and

WHEREAS, one of the principal mandates of the United Nations — "To achieve international cooperation in solving problems of an economic, social, cultural or humanitarian character" — remains as valid today as when those words were written into the Charter more than a half century ago; and

WHEREAS, the United Nations Secretary-General, the United Nations General Assembly and the United Nations has established a Counter-Terrorism Committee under the auspices of the Security Council, which monitors countries' compliance with Security Council Resolution 1373, and receives reports from all U.N. member-states' efforts in counter-terrorism activity; and

WHEREAS, the United States would prefer to work with the United Nations and its member-states in order to conduct a coordinated, multilateral effort in both apprehending terrorists worldwide and deterring other terrorist groups from violent acts; and

WHEREAS, the United Nations Association of the United States of America (UNA-USA), in cooperation with other organizations, has declared "A Global Response to Terrorism: The U.N.'s Role" as its theme for the 2002 United Nations Day commemorations; and

WHEREAS, Jon Camp has been appointed Chair of U.N. Day in Nebraska to work with a U.N. Day Committee composed of community leaders to organize events and activities to educate citizens about the continuing need for the United Nations, and the importance of undertaking efforts on the local and international level to promote global cooperative initiatives toward peace and justice; and

WHEREAS, the Governor and Mayors of Nebraska invite the citizens of Nebraska to participate in activities related to United Nations Day.

NOW, THEREFORE, I Sheryl Lindau, Mayor of the City of Wayne, Nebraska, do hereby proclaim

October 24, 2002 as United Nations Day

in the City of Wayne, and I urge all citizens to take due note of the observance.

Global village is dangerous

by Ed Howard
Statehouse Correspondent
The Nebraska Press Association

Have you noticed that this "global village" thing ain't what it was cracked up to be?

It is true that the reality of an international economy has benefited Nebraska in some ways.

The thing is, those somewhat debatable benefits aren't necessarily visible, and thus appreciable, every day.

What is most noticeable about the global village these days is that it is a dangerous neighborhood. It has brought home some things that Americans presumed were the stuff of headlines in other countries.

Those 9/11 attacks represented the mother of all wake-up calls for the U.S. They ranked up there with Pearl Harbor in telling us the world had changed; or, at least, that our world had changed.

With a single sniper around and about the District of Columbia, we have received just the tiniest hint of what life and death were like in some Eastern European countries not long ago. Sooner or later, some sicko will likely put a sign on the outskirts of some suburb in Virginia: Welcome to Sarajevo!

The reality is that the politics of the global village, diplomatic or terrorist, can influence life in the Panhandle, along the Platte and all the way to the Iowa border. The international marketplace means timely, international consequences. Late into the last century

Americans figured extremist rantings abroad, about religion or anything else, hardly mattered. After all, if some bunch of rummies ever attacked us, by gawd, we'd whack 'em good n' plenty, quick and hard; and that would cure 'em of fooling around with the home of the brave. (This even allowed for the assumption that France would object, since it would certainly be selling arms, or something, to the bad guys).

As the ol' timer said about five-cent bread: "Them days is over."

Why? To rewrite a political phrase: "It's the oil, stupid!"

Today, Nebraska's lieutenant governor works at length on anti-terrorist plans. How do we protect people, crops, livestock, water? Can it be done? No one doubts that the effort is legitimate and necessary.

From here, it seems that a national system for public mass transportation might be one of the best ways to fight the economic consequences of petroleum-backed blackmail. (Unless you've always wanted to turn blue, don't hold your breath till that suggestion takes hold in D.C.)

There was a time when some

were so naive as to believe that "global village" was synonymous with virtually unlimited markets for American products — including Nebraska grain and meat. Some politicos keep blabbering about that notion, but not one of 'em has said where those markets will be, or how American farmers would get a lock on them.

Today, the global village means anyone can make their problems our problems.

And even if the national view is that we are not our neighbors' keeper, we sure have to keep a full-time eye on our neighbors.

Letters

Questioning Mr. Shanks motives

Dear Editor,
Election Day is rapidly approaching and I find myself really wondering about the motives of Jim Shanks and his desire to be elected to the Wayne City Council.

I have absolutely nothing against Mr. Shanks himself, but I cannot believe that as a member of the news media, he could remain unbiased in both his duties as a Councilman and his obligation to the public to report the news.

While I am well aware that Mr.

Shanks does not report the Council news himself, I am hard pressed to believe that he would not have influence over the reporter that does cover the Council meetings. What would happen when the Council goes into one of its many closed sessions to discuss personnel matters, etc? Would Mr. Shanks excuse himself from those meetings because of his ties to the media? I don't think so.

What happens when the Council makes a decision that does not meet with favor with the

general public? Would Mr. Shanks see that the Wayne Herald gives a fair and unbiased report of that decision, or would he want it colored just a little to show favorably on the council and especially his vote on the matter? I can only imagine.

I learned long ago, that you don't argue with a man that buys his ink by the barrel, but I just can't find myself voting for Mr. Shanks for City Councilman in the First Ward of Wayne

Thank you to the Girl Scouts

Dear Editor,
All too often when we think of "Girl Scouts," we think of cookie sales.

The Library Board, in the Village of Carroll, appreciates the Girl Scouts as never before. Laura Jones, Emily Brady and Tiffany Frerichs, members of Girl Scout

Senior Troop 243, earned the Gold Award by renovating the Carroll Library.

Under the leadership of Mary Brady, the girls spent between 70 and 100 hours cleaning, painting, alphabetizing, sorting, installing new curtains, adding a children's

reading corner, shelving additional donated books, etc.

Thanks to these girls and their leader, the Carroll Library has taken on a bright new look.

Main Street Focus

By Leo Ahmann

We would like to extend a Main Street Wayne Program welcome to the new Executive Director of the Wayne Area Chamber of

Surface Transportation Program Meeting in Norfolk last Tuesday. It was an opportunity for people to speak in favor of or opposition to the Highway 35 Expressway. Individuals from communities/counties of Wakefield, Winside, Wisner, South Sioux City, Norfolk, Dixon County and others were represented, as well as representatives of area Chambers of Commerce and Economic Development groups, and Sam Schroeder of Wayne, the chairperson of the Highway 35 Expressway Association.

I am very pleased to announce that we have chosen a tree for the Christmas season to be placed on the Corner of Seventh and Main. Our thanks to Mr. Bob Reeg of the First National Bank, for allowing us to place a tree again this year,

in the corner of their bank drive-in parking lot.

Be looking for an information letter and entry blanks for our annual "Christmas on the Main" (Parade of Lights, Living Windows, Santa visit). We would like to make this year's event the biggest and best ever. We would enjoy having our business, group, church, club or organization participate. Plan now and shelf the stress of rushing.

HALLOWEEN REMINDER !!! Participating merchants downtown, will have treats for youngsters on Thursday evening (regular evening store hours). The Main Street Wayne Program will be serving free apple cider and coffee in front of our office at 208 North Main. Put it on your calendar. Until next time . . .

Commerce/ Wayne Industries, Mr. William Trick of South Sioux City.

A Main Street Wayne Program congratulations to the Wayne High Blue Devil girls softball team and Coach Sweetland for their terrific showing at the state tourney. A tremendous season for the first year program. Also a congrats to the Blue Devil girls golf team and Coach Hix for their fifth place finish at the state and to Amy Harder for her three-way tie for second place. Kudos are also in order to Coach Ruhl and the boys and girls Blue Devil cross country teams. The boys have qualified for the state meet for an incredible 14th straight year and on the girls' side, Amber Nelson has qualified for state. Kaki Ley, Wayne High Choir Director, has announced that eight Wayne High vocal students have been accepted into the Nebraska All-State Choir. The Wayne High School Marching Band received a Superior rating (taking all three specialty trophies) at the Madison Invitational. Congratulations to all. It's been a "Devilish" fall in Nebraska!!!

A special thanks to Kate and Gene Lutt for the placement of the cornstalks in downtown Wayne. Your efforts are greatly appreciated.

Marathon

continued from page 1A

Wildcat trainer Kurt Schmoldt, who "made sure I was fit to run."

Barry said this marathon was different from his first one because he had only three months to prepare compared to six when he ran nine years ago.

"I would start out running three times a week and add a couple of miles every weekend," said Barry. "The longest run I had before the marathon was 18.5 miles."

He said it was a special day in his life to be able to run with two of his daughters.

"What a feeling, you have that special bond knowing that you are running with your children."

Barry added, "you have a great sense of accomplishment when you cross that finish line."

Barry's time was four hours and 20 minutes, placing 727th in his division.

For Danielle (Barry) Pfeister,

this was the fifth marathon for the 25-year-old.

"When I started training for Chicago in June, I was talking with Kristi, who was nannying in Boston," said Danielle. "She was telling me that she was so bored she ran 50 minutes one day. I suggested she just start training for the marathon if she's already doing almost as much as I am training for one."

Kristi, who is a senior this year at Northern Iowa, took the challenge.

Danielle previously competed in the Boston Marathon twice, along with the Duluth and Twin Cities marathons.

Danielle's time of three hours and 31 minutes qualified her for another run at the Boston Marathon, which is run in April.

She said it was a special moment to be able to run with her dad and sister.

"I didn't actually see either of them after the gun went off, but

knowing they were running too and going through the same thing was comforting, which sounds strange," said Pfeister.

The Chicago Marathon had a full field of 37,500 runners with an estimated one million fans watching and cheering the runners.

This was the first marathon for Kristi, who is 21.

"During the week, I would run three days, anywhere from 3-10 miles," said Barry. "On the weekends, I had my long runs, starting out with a long run of seven miles and working up to the longest of 20."

Barry said she wasn't sure if she was going to run the marathon until she talked to her dad at a family wedding in July.

Kristi added she had a great time at the race.

"I ran with my dad for the first four to five miles and that was really neat to start out with him."

She said she was in awe of all the people at the event.

"The crowd really didn't spread out a lot and there were always a lot of other runners around."

Barry said she was glad to finish the race.

"When I passed the one mile left sign, I picked up the pace again to finish strong the last mile. It was such an awesome feeling to be done and know that I made it. I also loved having mom and Katie there to cheer for us." Kristi's time was four hours and two minutes.

Katie is the third daughter of the Barry family, but Todd says the 19-year-old freshman at Northern Iowa has no desire to run, ending the chance of all the Barry girls running together.

When asked if he would want to run again with his daughters, Todd thought about and said, "it would be pretty hard to say no."

Todd Barry, left, ran with two of his daughters at last weekend's Chicago Marathon. Danielle (Barry) Pfeister is shown center with Kristi Barry pictured right.

Members of the Pride of the Blue Devils Marching Band perform during the WSC Cavalcade of Bands Marching Competition.

Band continues tradition

Accepting trophies at the WSC competition were, left to right, Color Guard captains Marilyn Fletcher Sarah Brumm and Drum Majors Brittini Bethune, Katie Straight and Alissa Dunklau.

The Wayne High School Pride of the Blue Devils Marching Band has competed in two marching competitions this fall and is continuing its winning ways.

On Oct. 12, the Wayne High School "Pride of the Blue Devils" Marching Band participated in the Wayne State College Cavalcade of Bands Marching Contest held at Memorial Stadium on the Wayne State College campus.

The Blue Devil Marching Band received a Superior rating with the Drumline receiving the "Best Drumline" trophy of the competition and the band receiving the "Best Winds" trophy of the competition.

On Oct. 19, the Band traveled to Madison and participated in the Madison Invitational Marching Contest. There the Marching Blue Devils received a Superior rating. They also brought home all of the specialty trophies. The Color Guard received the "Best Color Guard" trophy, the Drum Majors received the "Best Drum Majors" trophy and the entire marching band received the "Sweepstakes" trophy for being selected as the "Best Marching Band" at the competition.

On Saturday, Oct. 26 the Blue Devil Marching Band will be traveling to Lincoln to participate in the NSBA State Marching Band Championships held at Seacrest Field.

The band members are to meet at the high school at 12:55 p.m. and will leave for Lincoln at 1:15. They perform at evening at 6:45 p.m.

Members of the Wayne High Color Guard include, front row, left to right, Jill Schramm, Marilyn Fletcher, Sarah Brumm, Michaela Vander Weil and Amy Kemp. Back row, Sara Stauffer, Amanda Luschen, Kiley Luhr, Parriss Bethune and Sarah Pieper.

Halloween cautions shared

The coming Halloween brings familiar, welcomed sights, sounds and smells: candy apples, pumpkin carving and children going from door to door saying "trick or treat."

With the advent of the autumnal holiday, AAA Nebraska is reminding Nebraska motorists, parents and homeowners to be prepared for trick-or-treaters.

"The key is to expect the unexpected," said Rose White, traffic safety director for AAA Nebraska. "Halloween evening can be hazardous for both pedestrians and motorists. Children are outside after dark, often wearing dark colors and crossing unfamiliar streets. Keep in mind that trick-or-treaters are focused on candy and fun — rather than traffic safety," White said.

Because of safety concerns, some parents are choosing to participate in local mall events, parties and festivals as an alternative to traditional Halloween activities. For those parents and children who choose to continue with a traditional celebration, AAA recommends a few simple tips for a safer Halloween.

- Plan the trick-or-treating route in advance, and include only neighborhoods you know.
- Review proper street-crossing procedure with your kids before they trick-or-treat.
- Be sure children under the age of 12 are accompanied by an adult.

- Have children over 12 travel in small groups and follow a strict curfew.

- Since masks can restrict a child's vision, use make-up instead.

- Avoid taking your children to intersections where a right hand turn on a red light is permissible.

- Pick a costume for your child that does not impair their ability to move freely such as costumes with over-sized shoes or long clothing they can trip over.

- When possible, have your children wear lighter-colored costumes.

- If your child is wearing a darker-colored costume, add reflective tape and glow-in-the-dark accessories to make them more visible to motorists.

- Slow down; drive slower than the posted speed limit to give you extra time to react to children who dart out in front of you.

- Be extra alert to children cross-

ing the street between parked cars or in the middle of the block.

- Broaden your scan — look left and right into yards and front porches.

- Turn your lights on even in daylight — lights make you more visible.

- Be aware of the daylight savings time change. Be prepared to drive home under darker conditions after the Sunday, Oct. 27 switch.

- Arrive home a little earlier on Halloween. Make sure you have all treats ready, so you can avoid the last-minute rush to the store.

- Remove planters or any other ornamental objects from the walk or porch areas that could cause children to trip or fall.

- Avoid using fire-lit objects near walkways where fire may ignite costumes.

- Keep family pets safely secured and away from areas where children may be present.

- Do not invite children into your home to receive their treats.

Haunted house planned

The Wayne State College Science Fiction/Fantasy Club, MENCA, Drama Club and Chi Alpha Epsilon groups will be holding a Haunted House Monday through Thursday, Oct. 28-31.

The house is located at 2212 North Centennial Road (from Wayne East go left to the second intersection and take the second driveway to the Haunted Barn).

In addition to the Haunted

House, hayrack rides will also be available. Admission will be charged for both the haunted house and the hayrack ride with those under seven years of age being admitted free when accompanied by an adult.

The Haunted House will be open from 7 to 11 p.m. on Monday and Tuesday; from 6 to 11 p.m. on Wednesday and from 6 p.m. to midnight on Thursday.

Senator Chuck Hagel visited with students at Wayne Middle School last week during a tour through northeast Nebraska.

Politicians

continued from page 1A

Stormy Dean, Democratic candidate, stopped at the Santa Fe Grill and visited with Mayor Lindau and other supporters.

He told his audience of his five-points for improving the state's economy.

Governor Mike Johanns visited

Great Dane Trailers Wednesday afternoon.

He said the economy was one of the most important issues in the election and that job creation, such as has been occurring at Great Dane Trailers was vital in the state.

He talked briefly on the special session of the Legislature which will be held following the Nov. 5

election.

"There is a legal cloud hanging over Nebraska in regard to the death penalty. We must change our method of execution to lethal injection and juries must be involved," Johanns said.

All three politicians encouraged all those eligible to cast ballots on Tuesday, Nov. 5.

Four arrested in assault

At about 3:30 a.m. on Friday morning, Oct. 18, the Wayne Police Department was called about a fight in progress at Wayne East Texaco. The caller said three Hispanic males were beating up another man.

As Officer Bruce Hokel arrived, three Hispanic men and a Hispanic female were leaving Texaco in a white Dodge Neon. When Officer Hokel tried to stop the suspects, they fled, driving through the Heritage Homes parking lot at speeds of up to 50 miles per hour.

The four were detained when they stopped at the closed west driveway of Heritage Homes. Sgt. Marlen Chinn and Officer Brian Swanson helped in the apprehension.

Officers made contact with the 20-year old male victim inside Texaco. He suffered numerous contusions and bruises and a bad laceration above his right eye.

The victim, and other witnesses, said the three Hispanic males, later identified as Joel Castenada, age 28; Jose Hernandez, age 20 and Tomas Gonzalez, age unknown, allegedly assaulted him by throwing canned food at him. He was

struck repeatedly with cans of beef stew, chili, cat food, etc.

Wayne Police Chief Lance Webster said he had never seen a case where canned food was used as a weapon before, but pointed out that the victim "received some pretty severe wounds caused by the cans."

The three suspects were arrested for Second Degree Assault and jailed.

The fourth suspect, Cecilia Reyes, age 24, of Wakefield, was

arrested for Suspicion of Driving While Intoxicated, Refusal to Submit to a Chemical Test and Accessory to a Felony. She was also jailed.

All four suspects were arraigned in Wayne County Court on Oct. 21. Cecilia Reyes and Tomas Gonzalez were released on bond while Castenada and Hernandez were returned to the Pierce County Jail.

The victim was treated and released at the Providence Medical Center in Wayne.

Candidates forum is planned

The Wayne Education Association and the Wayne Area Chamber of Commerce will be hosting a "Meet the Board of Education Candidates Forum" on Sunday, Oct. 27.

The event begins at 7 p.m. at the Wayne High School Lecture Hall is open to the public.

The forum, facilitated by Mark Ahmann, will provide an opportunity for the community to meet the five candidate who are running for one of three spots available on the Board of Education. Candidates for the Board of Education include

Jody Pulfer, Richard Metteer, Bill Dickey, Dean Carroll and Carolyn Linster.

As facilitator, Ahmann will present the candidates with various questions about the reasons they are seeking a position on the Board of Education, as well as asking about issues school board members will be facing in the coming year.

Audience members will then have an opportunity to submit questions for the candidates to address.

Blue Devils end first-ever season 19-5

Wayne softball team goes 1-2 at state

by Mike Grosz
Of the Herald

The Wayne softball team found out last week at the State Softball Tournament that little things can make a big difference as far as winning and losing games.

The Blue Devils held two of their three opponents hitless, allowing just two runs and three hits in the three games. However, Wayne could muster just a 1-2 record in those games and was eliminated in the first day of the two-day tournament.

Wayne started the tournament with a 3-0 win over Milford.

Sophomore pitcher Molly Hill tossed a no-hitter against the Eagles, striking out 16 batters to tie a Class C state tournament record.

Only one batter reached base for Milford in the game. The Eagles' leadoff hitter was hit by the pitch then thrown out trying to steal third base.

Wayne scored all three of its runs in the second inning, taking advantage of three walks by Milford pitching.

Missy Nissen's RBI groundout, scored Kayla Hochstein, who was pinch running for Molly Hill. An RBI groundout by Jill Anderson scored Rachel Robins with the second run of the inning and Jessica Jammer scored on a passed ball after reaching on a walk and advancing on Dawn Jensen's double.

"We overcame some nerves early in the Milford game," said head coach Rob Sweetland. "Molly pitched great and they (Milford) gave us some walks and we capitalized."

Wayne had three hits in the game. Jensen had a double and single while Hill added a single.

In the winner's bracket semifinals, Wayne met district rival Columbus Lakeview.

It was the fourth meeting this season between the two clubs with Wayne winning twice over the Viqueens to take the district title.

Lakeview used an early run to help up for a 1-0 win at state to avenge the two district losses.

The Viqueens scored the only

run of the game in the first inning on back-to-back hits with two outs.

Wayne had two chances to tie the game but came up empty both times.

The Blue Devils had runners at first and third with just one out in

the fifth inning. Pinch-runner Kayla Hochstein was tagged out at home plate trying to score on Missy Nissen's grounder to shortstop.

In the sixth inning, Wayne ral-

lied again with runners at second and third with just one out. But consecutive fly outs in the infield left Jessica Jammer at third and Dawn Jensen at second to end the threat.

Molly Hill was tagged with the loss despite allowing just three hits and one run. She struck out seven.

Wayne had two hits in the game. Hill and Jammer each singled.

"They made the plays and we didn't," said Sweetland. "Against a team like Lakeview, when you get an opportunity to score you have to and we didn't. A couple of running errors hurt us in the game too."

Wayne then battled Wahoo in an elimination game, falling 1-0 in eight innings.

Hill and Wahoo's Rachel Simon locked horns in a pitcher's duel.

Wayne had the only hit of the game, a single by Jessica Jammer in the sixth inning.

The game was scoreless after seven innings, forcing the teams to play extra innings.

Wayne had Molly Hill reach

third base with just one out, but a pair of infield fly outs ended the threat.

In the bottom of the eighth, Wahoo scored when a runner from third beat out a throw on a grounder to second baseman Tamara Schardt to end the game.

Hill had 14 strikeouts in a losing effort for Wayne.

"For some reason, we just couldn't hit the ball against Wahoo," Sweetland said. "Their pitcher kept us off-balance. Any extra inning game, especially at state, is a tough situation to be in. Hopefully, we learned from this experience."

Wayne ended its inaugural season with a 19-5 record.

Sweetland said the team achieved all of its goals for the season.

"I was very satisfied with the season. The girls know what they need to work on to get better and that is hitting. We got a little taste of state this year and hopefully that will make them want more next season."

Wayne catcher Dawn Jensen had a double and single to lead the Blue Devils offense in a 3-0 win over Milford.

Shortstop Rachel Robins, right, makes a throw to first baseman Missy Nissen, left, during Wayne's game against Columbus Lakeview.

Sophomore pitcher Molly Hill tossed two no-hitters at the Class C State Softball Tournament last week.

Dragons edge by Wayne in overtime

by Mike Grosz
Of the Herald

Wayne suffered its second heart-breaking loss in three weeks, falling to Madison in overtime last Thursday evening 21-13 at Cunningham Field.

The Blue Devils outyarded Madison in the game, 305-267, but had poor field position much of the night.

Madison opened the scoring in the second quarter on a Nick Reigle five-yard run to take a 7-0 lead.

Wayne tied the game early in the third quarter when Justin Davis scored from eight yards out to tie the game at 7-7 with 8:12 left in the quarter.

The Dragons regained the lead on a Colby Shupe four-yard run with 3:10 left in the third quarter, putting Madison up 13-7.

Wayne then used a tough defense in the fourth quarter to stop a Dragon drive on fourth and goal from the one yard line to set up the game-tying drive.

The Blue Devils drove 99 yards in the final six minutes of the game to tie the score.

Brady Heithold caught a 20-yard pass from quarterback Ryan Schmeits with just :57 seconds left to tie the game at 13-13, but a missed extra point kick kept the score tied and sent the game into overtime.

Madison had the ball first and scored on a three-yard pass play. The Dragons added a two-point conversion to take a 21-13 lead.

Wayne then took the ball from the 10-yard line and was unable to score on the Dragons' defense to end the game, stopped at the two-yard line.

Head coach John Murtaugh said he was pleased with the effort of his players. "We played well enough to win. The difference was that Madison consistently had good field position and we did not."

Senior Justin Davis led Wayne offensively on the ground with 106 yards on 27 carries and one score. Dana Schieth added 44 yards on six attempts.

Throwing the ball, Ryan Schmeits was 7 of 18 for 136 yards with one touchdown and two interceptions. Schmeits injured his right wrist late in the game and played the overtime session with what turned out to be a broken wrist. Dana Schuett was 1 of 1 for 12 yards.

Brady Heithold had seven catches for 136 yards. Schmeits had one reception for 12 yards.

Defensively, Davis made 21 tackles. Heithold and Schuett added 16 tackles each. Luke Stoltenberg followed with 11 and Schmeits had 10.

Weekly award winners were-Trench Award: Heath Dicke, Specials Award: Andy Martin, Black Hatchet Award: Brad Frevert, Sweatknocker Award: David Gangwish and Red Star Award to Justin Davis.

The 4-3 Blue Devils close out the regular season on the road at Battle Creek Friday evening at 7 pm.

Jaeger leads Winside to an overtime win at Hartington

Winside outlasted Hartington High in high school football last Friday evening 40-38 in overtime.

The Wildcats from Winside never led in the game until converting the two-point conversion in overtime to pick up the win.

The see-saw battle saw both teams use numerous big plays to keep fans on the edge of their seats.

Hartington opened the scoring in the first quarter on a 59-yard run by Travis Dresden to take a 6-0 lead over the visiting Winside squad.

The second quarter saw the most scoring action of the game as the two teams combined for 34 points before winding up in a half-time tie of 20 each.

Quarterback Mike Hawkins tossed three touchdown passes for the Wildcats in the second quarter. He hit Adam Pfeiffer from eight yards out, Shane Jaeger for 40 yards and hooked up with Nathan Wills for a 33-yard toss with one minute to go before half-time.

After Hartington scored to take a 26-20 lead in the third quarter, Winside responded with a 50-yard run by Jaeger to even the score at 26 heading into the fourth quarter.

Hartington used a 47-yard pass play from Alex Rohde to Dresden with 3:25 left in the game to take a 32-26 lead.

Winside again answered the challenge on their next possession and scored on a Hawkins one-yard sneak to tie the game at 32-32 with just :39 seconds left. A two-point run to win the game failed, sending the exciting contest into overtime.

Hartington received the ball

Shane Jaeger accounted for 242 all-purpose yards and three touchdowns in Winside's 40-38 overtime win at Hartington last Friday evening.

first and scored on fourth down from the eight-yard line, but missed the two-point conversion to make the score 38-32.

Jaeger made short work of Winside's overtime possession with a ten-yard run, breaking several Hartington tackles, to tie the game at 38-38. A two-point pass from Hawkins to Pfeiffer in the right corner of the end zone sealed the win for Winside.

Head coach Marlon Erbst said it was an exciting game.

"Shane Jaeger had another good game for us and is turning into a very good running back. Hartington came out and did some things we hadn't seen them do all year and we weren't prepared for it."

Hartington held an edge in total yardage over Winside 426-293. Hartington had three turnovers in the game while Winside had two.

Shane Jaeger had another big night for the Wildcats. The senior carried the ball 27 times for 171 yards and two touchdowns. He also had four catches for 71 yards and one more score.

Throwing the ball, Hawkins was 6 of 20 for 112 yards and three scores.

After Jaeger's four catches, Wills had one reception for 33 yards and a touchdown with Adam Pfeiffer making the other catch for eight yards and a touchdown.

Eric Morris led Winside on defense with 19 tackles. Tom Schwedhelm added 11 and Russ O'Connor had 10.

Winside takes a 4-3 record to Coleridge tonight (Thursday) to end the regular season.

Erbst added, "we need to contain and tackle better if we are to have a chance against Coleridge."

Wayne running back Justin Davis drags a Madison defender on an eight-yard touchdown run.

Amber Nelson individual qualifier

Wayne boys qualify for state cross country

For the fifth straight season, and 13 of the last 14, the Wayne boys' cross country team has qualified for the State Meet in Kearney.

The Blue Devils placed third at last Thursday's district meet in Columbus with 59 points. Elkhorn Mt. Michael won the team title in a tie breaker over Columbus Scotus. Both teams had 42 points.

Sophomore Bryan Fink led Wayne, placing second overall in 16:10. The time set a sophomore school record at Wayne, previously held by Spencer Stednitz (16:16 in 1993).

Bryan West followed in 12th place at 17:10, Travis Luhr came in 22nd (17:36), Chris Nissen was 23rd (17:36) and Ryan Hix 32nd at 18:22.

Mat Habrock rounded out the varsity team in 35th with a time of 18:43.

"The kids stepped up and met the challenge at districts," said head coach Rocky Ruhl. "We

knew it was going to be a tough district again, and on paper, we needed to run well and did."

Ruhl added, "the key to us qualifying was narrowing the gap between our #2 and #4 runners. Those three guys were .26 within each other, and that helped in beating Wahoo and Wahoo Neumann for the third and final team spot."

In the girls' race, Wayne placed sixth as a team with 89 points. Columbus Scotus was the district champ with 17 points. Wahoo, with 32 points, and Pierce, with 61, also qualified for state.

Individually, senior Amber Nelson qualified for state by placing tenth at district with a time of 16:57. Nelson becomes a three-year state qualifier for Wayne.

Other runners for Wayne were Summer Bethune 24th (18:18), Cali Broders 26th (18:32), Jacely Klaver 32nd (18:54), Katie Heggemeyer 33rd (18:59) and

Natalie Fendrick 39th at 19:24.

Coach Ruhl credited Nelson, who was battling a shoulder injury, with running a smart race.

"Amber ran a smart position race due to her shoulder pain. She would have placed better had she been pain-free."

Wayne will compete in the Class C State Cross Country Meet Friday afternoon in Kearney.

"We need to run a smart race," said Ruhl about the boys' chances at state. "The boys can't get caught up in the hoopla." Only one runner, Bryan Fink, has state experience.

Ruhl added, "I'm not putting pressure on the team as far as a certain place. I want to see them improve on their mile averages."

On Nelson competing at state, Ruhl said, "she has a strong chance for a top 15 finish. She won't be able to use her shoulder as much, plus it will be tougher running on her own compared to having her teammates also on the course."

The Wayne boys cross country team has qualified for the state meet for the fifth consecutive season. Pictured front row, left to right, Coach Rocky Ruhl, Bryan West and Mat Habrock. Back row, Ryan Hix, Chris Nissen, Bryan Fink and Travis Luhr.

Wayne senior Amber Nelson will be running in her third State Cross Country Meet Friday in Kearney after placing 10th at last week's District meet.

Sophomore Bryan Fink stays ahead of the competition at last week's District meet. Fink placed second and will lead the Wayne boys team to the State meet Friday.

Wakefield is now 7-0 after blanking Homer

The Wakefield Trojan football slate is still clean after winning at Homer last Friday evening 29-0.

The 7-0 Trojans used a 22-point third quarter to break open a close game to pick up the win.

Wakefield also used a stingy defense that held Homer to minus 21 yards rushing in the game.

The Trojans struck first in the second quarter when junior quarterback Luke Hoffman found Jeff Banholzer on a 35-yard pass play, giving Wakefield a 7-0 lead after Banholzer's extra point kick.

The Wakefield defense then scored the next two times. Aaron Lueth returned a pass 45 yards for one score followed by a safety when Andy Jensen tackled the Homer quarterback in the end zone to make the score 16-0.

Hoffman added a seven-yard run and found Banholzer on a 24-yard pass to close out the scoring for the Trojans.

"We are so close on our passing game," said head coach Justin

Smith. "We only completed three passes, but four or five long balls were just slightly over thrown or under thrown. If we can hit those, we can beat a lot of good teams."

Wakefield held a big advantage in total yardage, 269-54.

Toan Nguyen led a balanced rushing attack with 69 yards on 11 carries. Ryan Otte added 48 yards on seven carries, Luke Hoffman had 37 yards on nine attempts and Zach Sherer followed with 31 yards on eight carries.

Throwing the ball, Hoffman was 3 of 14 for 69 yards and two scores. Banholzer had two receptions, both touchdowns, for 59 yards. Nate Nicholson added one reception for 10 yards.

Defensively, Rodney Cole led the team in tackles with 11. Hoffman added nine. Taylor Peters had two interceptions with Cody Miller and Aaron Lueth adding one each.

Wakefield hosts rival Pender Friday evening at 7 pm to end the regular season.

Laurel-Concord volleyball team wins two more

Laurel-Concord's volleyball team clinched the NENAC title last Thursday evening with a 15-11, 15-11 home win over Neligh-Oakdale.

Senior Emily Schroeder had 14 kills in the win. Katie Peters followed with 10, Susan Pritchard had seven, Maggie Recob added five and Tiffany Erwin two.

Peters and Schroeder led a balanced defensive attack with seven

each. Erwin and Jodi Kuchta had six apiece.

Tori Cunningham handed out 33 set assists and Schroeder led the team in serving going 16/16 with one ace.

Coach Patti Cunningham congratulated the team on winning the NENAC regular season title.

"The next step is to take advantage of first-outing wins to rise to the challenges these opponents

will present a second time around as we head into tournament play."

Laurel-Concord won the JV match 15-5, 15-9 and won the "C" match over Neligh-Oakdale, 15-10 and 15-9.

Tuesday evening, the Bears recorded a 15-5, 15-7 win at Ponca.

Pritchard led the Bears in hitting with eight kills. Schroeder and Peters added five each. Angie Peters chipped in with three.

Tori Cunningham had four service aces and dished out 20 assists.

Defensively, Erwin led the team in digs with five. Cunningham followed with four.

"Our strong serving made it difficult for the opponent to run their offense," said Cunningham. "We'll continue to focus on ball control and both front line and backrow defense as we head into tournament play."

The Laurel-Concord JV team won 15-9, 16-14 to end the season with a 9-2 record.

The Bears' "C" team won 11-2, 11-9 to end the season with a 7-4 mark.

Laurel-Concord takes a 17-1 record to the NENAC Tournament Monday and Tuesday.

Wayne spikers handle Battle Creek team

The Wayne volleyball team swept Battle Creek last Thursday evening in straight games, 15-12 and 15-5.

Coming off an eight-day break, Wayne showed few signs of a layoff while improving to 21-3 on the season.

The Blue Devils jumped out quickly in the first game, only to see Battle Creek cut the lead to 13-12. After a Wayne timeout, the Blue Devils closed out the first game and used that momentum to coast in the second game.

Allison Hansen had eight kills to lead a balanced hitting attack for Wayne. Ashley Loberg followed with seven kills and Kari Hochstein added six.

Defensively, Erin Jarvi had 10 digs to pace the Blue Devils. Alissa Dunklau added five while Stacie Hoeman and Micaela Weber followed with three each.

Hansen was a perfect 18/18 serving with two aces. Dunklau was 7/7 with one ace and had 16 set assists for Wayne.

"We played well early, then let

them get back into the first game," said head coach Joyce Hoskins. "After a timeout, the girls responded to close the first game and carried it over to the second."

Hoskins added, "we passed well and ran our offense in the second game. It was a well balanced team attack."

The Wayne JV team beat Battle Creek in three games, 15-6, 12-15 and 15-12.

Jenny Raveling had 10 kills. Rachel Jensen added eight.

Kelsey Lueders, Sarah Jensen and Micaela Weber led the team in serving with three aces each. Weber added 23 set assists.

The "C" team played their final game of the season and won at Battle Creek, 15-8, 15-3.

Leading scorers were Emlyn Mann, 14/14 with 12 points and three aces; Jessica Dickey, 8/8 with seven points and two aces and Kiley Luhr, 5/7 with four points and one ace.

Melissa Frahm and Keeley Niemann had five kills each and Luhr handed out nine set assists.

Wayne faces O'Neill and Hartington Cedar Catholic tonight (Thursday) in the O'Neill Triangular, then competes in the Mid-States Conference Tournament starting Monday in Norfolk.

Wildcats fall on late field goal

by Mike Grosz
Of the Herald

Sophomore placekicker Clint Greer made a 43-yard field goal with four seconds remaining to give Minnesota State-Moorhead a 19-16 Northern Sun Conference win over Wayne State Saturday afternoon at Cunningham Field.

The Wildcats had a chance to win the game earlier, but Nate Hale's 45-yard field goal hit the crossbar with 1:07 left in the game, setting up the Dragons' game-winning drive.

The loss was a frustrating one for head coach Scott Hoffman to talk about.

"Some how, we manage to find ways to not get it done. We have to develop the confidence to make plays when they're there."

Hoffman's example was on the potential game-winning drive late in the game, the Wildcats had the ball at the Moorhead 18-yard line, but a penalty and sack moved the ball back to the 27 yard line, causing a longer field goal than expected.

Moorhead then drove 46 yards on eight plays in just 1:03 to set up the game winning field goal by Greer, which hit the left upright, then bounced off the crossbar before going through.

Wayne State looked good early, building a 13-3 lead in the first half.

Eric Kjar out jumped a Moorhead defender for a 17-yard touchdown pass from Brett Edwards to give the Wildcats a 7-0 lead at the 7:55 mark of the opening quarter.

Greer connected on a 42-yard field goal, pulling the Dragons within 7-3 early in the second

quarter.

But the Wildcats marched down the field to score again, capping an 80-yard drive on only six plays.

Edwards found a streaking Kjar down the middle of the field on a 38-yard pass, giving the Wildcats a 13-3 lead with 6:53 left in the first half.

Moorhead responded with just :55 seconds left in the half when quarterback Brad Duerr hit Derek Blackburn on a 14-yard pass to make the halftime score 13-9.

The only score of the third quarter gave Moorhead its first lead of the game when Duerr hit Chad Davison on a 34-yard pass play to give the Dragons a 16-13

lead. The Wildcats answered early in the fourth quarter when Hale hit a 26-yard field goal, evening the game at 16-16.

That set up the wild finish for both teams with the Dragons winning.

Wayne State had 383 yards in total offense to Moorhead's 359.

Bryce Teager led the rushing attack with 43 yards on nine carries. Edwards added 40 yards on 12 attempts.

Edwards was 18 of 47 passing for 263 yards with two touchdowns and one interception. Justin Burhoop completed his only pass attempt for 22 yards.

Kjar led Wildcat receivers with

eight catches for 120 yards and two scores. Ryan Kuester followed with four receptions for 92 yards.

The Wildcat defense was led by sophomore linebacker Adam Long, who had a career-high 18 tackles. Bump Christensen added 10.

"Our defense had a great scheme" added Hoffman. "We shut down their option game."

Hoffman said the team has got to do a better job on third downs. "We converted four of 13 third-down conversions. We didn't get first downs when we needed to."

Special teams play is an area Hoffman was pleased with.

"This was the first game all year we didn't have problems with punt snaps or blocked kicks. The only down side was we punted 10 times."

Wayne State, now 1-6 overall and 1-4 in the NSIC, travels to Concordia-St. Paul Saturday with kickoff set for 12:30 pm.

Sophomore linebacker Adam Long puts the heat on Moorhead quarterback Brad Duerr.

WSC spikers split road matches

The Wayne State volleyball team made in longest road trip of the season in conference play, traveling to Duluth and Bemidji last weekend.

The Wildcats met top-ranked Minnesota-Duluth Friday evening, falling in three games 30-21, 30-17 and 30-23.

"Duluth is for real," said head coach Sharon Vanis. "We didn't play as well as we're capable of. The nice thing is we have them at home later this year."

Chelse Schultz led the Wildcats in hitting with nine kills. Rayna Nelsen and Laurie Schroeder added eight each.

UMD outthit Wayne State in the match 346-190.

Libero Janel Moody had 11 digs to pace WSC defensively. Julie Jacobsen added 10 and Jacey Kuck followed with nine.

Setter Kasey Meyer added 33

assists. Saturday, the Wildcats traveled to Bemidji and swept the Beavers 32-30, 30-17 and 30-21.

The Wildcats were again led by Nelsen with 15 kills. Meyer, Schroeder and Schultz chipped in with seven kills each.

Meyer had 35 set assists and Jacobsen had 15 digs to pace the 'Cats.

The Wildcats outthit Bemidji State, 244-072.

"The team responded by playing better on Saturday," said Vanis. "We took control after a close first game."

The Wildcats are 16-11 overall and 7-2 in the NSIC. Wayne State was scheduled to play at Northern State Wednesday night. The Wolves are tied with WSC and Concordia for second in the NSIC. WSC hits the road again on Tuesday traveling to Minnesota-Morris.

WSC women's soccer team splits with home matches

The Wayne State women's soccer team split a pair of home matches last weekend.

The Wildcats lost a 3-2 decision to Southwest State Saturday in NSIC play.

Wayne State rallied from a 2-0 deficit to tie the game two on goals from Mary McDaniel and Becky Woelfel, only to the Mustangs score in the 64th minute to take a 3-2 win.

Wayne State held a slight edge in shots, 12-11. Kalle Wamsat was credited with four saves in goal for the Wildcats.

Head coach Rolie Bulock said he was very disappointed with the Southwest loss.

"We didn't play very well...we felt we could beat Southwest. The loss

also hurts our chances of hosting a first round NSIC Tournament game."

Sunday, the Wildcats rebounded with a 6-2 non-conference win over Huron University of South Dakota.

Defender Brea Rath and Becky Woelfel scored two goals apiece while Tanya Mitohell and Michaela Blaylock added one each.

"When we want to, we can play some pretty good soccer," said Bulock after the win.

The Wildcats, now 6-11 overall and 4-3 in the NSIC, are home again this weekend. Minnesota-Crookston is the opponent Saturday at 1 pm with Minnesota-Moorhead in town Sunday.

Sports Briefs

Long earns NSIC Player of the Week

WAYNE-Wayne State sophomore linebacker Adam Long has been named the Northern Sun Conference's Defensive Player-of-the-Week.

The 6'0, 230-pounder from Bennington had a career-high 18 tackles in last Saturday's 19-16 loss to Minnesota State-Moorhead. Of the 18 tackles, 10 were unassisted and one for a loss.

Long is second on the team in tackles with 66. He also has one pass breakup and one quarterback hurry.

WSC volleyball player earns honor

WAYNE-Wayne State volleyball player Rayna Nelsen was named the Nebraska Division II Volleyball Player-of-the-Week on Monday.

The 6'2 senior middle hitter from Homer averaged 4.10 kills and hit .326 in leading the Wildcats to a 1-2 record last week.

This is the third time Nelsen has received the honor this season.

Mid-States Volleyball pairings

WAYNE-Pairings for the Mid-States Conference volleyball tournament have been released. The tournament will be played in Pierce and Norfolk on Monday, Oct. 28th and Tuesday, Oct. 29th.

Wayne is the #2 seed (20-3) and will play 7th-seed Boone Central (1-14) at 4:30pm Monday at Norfolk Catholic. A Blue Devil win would put them in a 7 pm match that same evening against the Battle Creek/Hartington CC winner. A loss would have them playing at 8 pm.

The consolation and championship matches will be played in Pierce on Tuesday with fifth-place at 5pm, third-place match at 6 pm and the championship match at 7:30 pm.

Speaks at Rotary Club

Historian Hal Stearns of Wayne spoke to Wayne Rotary Club members about Lewis and Clark's discovery journey along the Missouri in search of a new passage to the Pacific Ocean. He noted the 28 month trip was a trip of diversity and a great history lesson for all. The year 2004 will mark the 200th anniversary of the journey of Lewis and Clark with a number of activities planned from now until 2006 to help celebrate the event. A speaker is invited every week to the Rotary meetings.

**Treating Anemia
 Helps Heart Failure**

In congestive heart failure the heart does not pump enough blood to meet the demands of the body. Shortness of breath often occurs because insufficient blood is flowing through the lungs to pick up oxygen to nourish the body. Swelling in the lower legs often occurs because insufficient blood flows through the kidneys; swelling occurs due to blood pooling. Diuretics and other medicine types are used to treat heart failure and prevent these responses.

Researchers reporting in *The Journal of the American College of Cardiology* studies 32 persons with mild anemia and heart failure. Patients who received iron and erythropoietin, a drug that increases red blood cell production, experienced significant heart condition improvements. However, patients who received placebo worsened. None of the treated patients died during the study, but four patients who did not receive the anemia treatment died due to unrelieved heart failure.

SADDLE CLUB

The Oct. 14 meeting of the Hoskins Saddle Club was held at Stu's Bar and Grill. Vice President Barb Wittler conducted the meeting in the absence of President Larry Smolek.

There was no meeting last month; therefore, no minutes or treasurer's reports were given.

Members had a discussion on having a "Fall Ride" on Sunday, Oct. 27 with everyone to meet at the Horse Arena at noon (as it will be Standard time then).

All will trailer their horses to the Pierce "Willow Creek" area. Several members are checking on the open hunting areas, as that is the first weekend of pheasant hunting season. Several members were concerned about that.

After the ride, they will drive to Godfather's Pizza in Norfolk for pizza and a short meeting, before returning home.

These are the tentative plans, weather permitting. All members will be called to notify them of the plans. If anyone is in doubt about plans and place, they should check with the officers or another member on the morning of Oct. 27.

It was also decided to have the Annual Christmas Potluck Supper at the firehall on Sunday, Jan. 12, 2003 at 5 p.m. with card bingo and a short meeting to follow. Barb Wittler was asked again to buy the prizes for the party. Members will be notified by mail of the date and details. The annual Club dues will be due that night, too.

Two different projects were mentioned to do at one of the following meetings. One was to have a food drive for the "Food Pantry" in Wayne and Norfolk. The other was to have a scavenger hunt and get the youth involved during the winter months.

The next meeting will be held after the "Fall Trail Ride." All members and friends are welcome to come.

SENIOR CITIZENS

Hoskins Senior Citizens met on Oct. 14 at the Community Center.

Winners at pitch were Hulda Fuhrman, Betty Anderson and Vera Brogie. Everyone brought something for refreshments.

The next get together will be on Tuesday, Oct. 29.

OMELET/PANCAKE FEED

About 200 people enjoyed the omelet/pancake feed put on by the Hoskins/Woodland Park Rescue Team on Oct. 6.

The proceeds were used to purchase a "Stair Chair" which will be first tested at Woodland Park, with Hoskins able to borrow it when needed.

The unit wants to thank all who supported the fund raiser.

COMMUNITY CALENDAR

Tuesday, Oct. 29: Hoskins Senior Citizens at Community Center, 1:30 p.m.

Ak-Sar-Ben to provide college scholarships

The Knights of Ak-Sar-Ben Foundation is now accepting application for 2003 Ak-Sar-Ben Leadership College Scholarship Program, made possible through funds raised at the annual Coronation Ball.
