WSC receives grant from U.S. Justice Department

Wayne State College will receive a \$198,141 grant from a U.S. Department of Justice program that supports efforts to combat violent crimes against women. The two-year grant, which begins immediately, helps institutions of higher education develop multidisciplinary projects to combat violent crimes against women on campuses.

The grant will enable the Wayne State College Counseling Center to form a coalition with 22 offices or agencies in the WSC region to address dating and domestic violence, sexual assault, and stalking crimes, and will

provide educational materials for area residents, according to Lin Brummels, director of counseling services at Wayne State. Brummels and Kathy Mohlfeld, also a WSC counselor, wrote the grant application last spring.

"With the grant funds, we will be able to hire a full-time counselor who will serve as the grant director, and a part-time counselor who will provide training for residence life staff and other campus organizations," Brummels said. "They will also provide community and regional outreach in the area of violence against women."

The community partners in this grant include Haven House in Wayne, which provides crisis intervention and support services for dating and domestic violence, sexual assault and stalking victims in Cedar, Dakota, Dixon, Thurston and Wayne counties in northeast Nebraska, including the Omaha and Winnebago reservations.

"The WSC Counseling Center will collaborate with Haven House by way of cross-consultation, program planning and referral services," said Brummels. "Both agencies will work toward identifying barriers that victims from under-

served communities face in obtaining assistance, and in establishing coordinated, sensitive assistance to such victims."

Other agencies participating in the Violence Against Women Prevention Coalition (VAWPC) include the Wayne Police Department, Wayne County Sheriff's Office, Providence Medical Center, and Goldenrod Hills Community Services. The coalition will create an informational brochure in English and Spanish; will create a Web

Leadership Conference welcomed hundreds at WSC

The Wayne State College School of Education & Counseling hosted more than 300 students for the annual Elementary Leadership Conference on Oct. 15.

"We are happy to host the next generation of Wayne State College students at this annual Leadership Conference. It's a wonderful way to reach out to area schools and schoolchildren," said Dr. Paul Theobald, dean of the School of Education and Counseling at Wayne State College.

The conference has grown each year from an original attendance of approximately 70 students in grades fourth through sixth in 2000.

Elementary and middle school students attended from the following areas: Ainsworth, Atkinson, Battle Creek, Norfolk, Bloomfield, South Sioux City, Columbus, Crofton, Creighton, Elgin, Tilden, Emerson-Hubbard, Ewing, Hartington, Laurel-Concord, Madison, Neligh-Oakdale, Newman Grove, Niobrara, Wayne, O'Neill, Osmond, Pierce, Plainview, Ponca, Randolph, Stuart, Stanton, Wakefield, Walthill, West Point and Winside.

WSC students taught sessions and guided fourth through eighth grade students as they explored the

Mimi Moore, WSC director of field experience asks for volunteers to tell what they had learned about dealing with bullies in their everyday lives. More than 300 students from the area attended the conference.

Learning to hunt

The annual Logan Creek Pheasants Forever Youth Mentor Hunt was held Saturday. Seventeen youth from Wayne, Winside and Pierce participated in the event that was sponsored by the Logan Creek Pheasants Forever Chapter in cooperation with the Nebraska Game and Parks Commission. Twenty pheasants were shot by the young hunters, who were assisted by nearly 40 adults for the day-long activities. Dr. Ken Liska is shown teaching a course on dog field care to several kids while Russ Hamer addresses another group on wildlife management. Other topics covered during the day included blue rock shooting, gun care and cleaning and how to approach a land owner to hunt.

True tales of gardening disasters to be published in Nebraska Statewide Arboretum newsletter

What's your worst gardening blunder? How many plant skeletons are hidden in your compost pile? Does your green thumb sometimes turn black?

If you've got a true tale of gardening disaster, the Nebraska Statewide Arboretum wants to hear it, for possible inclusion in next year's Spring Affair newsletter.

"Gardening successes are great to see and to hear about but we probably learn more from failures than successes. Mistakes tend to be funnier, and possibly closer to reality

for most gardeners," said Karma Larsen, editor of the newsletter.

"Henry Mitchell wrote 'Everything grows for everybody. Everything dies for everybody, too.' So here's a chance for public confession about the plants you've destroyed."

"If you're hesitant to put your name with the story," stories can be submitted anonymously," Larsen said. "We'll save your reputation as the world's greatest gardener by withholding your name if you request it."

Esther Hughes

Esther J. Hughes, 90, of Norfolk, died Friday, Oct. 17, 2003 at the St. Joseph's Rehabilitation Care Center in Norfolk.

Services were held Wednesday, Oct. 22, at the First Presbyterian Church in Norfolk. The Rev. Dr. William G. Nottage-Tacey and the Rev. Matthew A. Froeschle officiated.

Esther J. Hughes, daughter of James and Maude (McIntire) Hampton, was born on April 17, 1913 at Fairbury. She attended school in Carroll. On August 13, 1931 she married Ismael Hughes at Yankton, S. D. She and her husband owned and operated the newspaper in Carroll and then she worked in the nursing home in Wayne and then in the cafeteria at Wayne State College. She was a member of the Order of Eastern Star Beulah Chapter 194 of Wayne.

Survivors include one son, Evan and Janice Hughes of Norfolk; one daughter, Jayne and Ken Fegter of Grand Island; one brother, Tom Hampton of Klamath Falls, Ore.; three sisters, Beulah Grahek of Florida, Bernice Peterson of Lincoln, and Shirley Bowers of Winside; six grandchildren and 15 great-grandchildren.

She was preceded in death by her husband in 1989 and three brothers.

Honorary pallbearers were her grandchildren, Chris Hughes Kara Schwänke, Kayleen Knisley, Kyle Hughes, Kellie Hall and Chad Hughes.

Active pallbearers were Larry Bowers, Dan Bowers, Bob Bowers Rick Bowers, Paul Peterson and Dennis Hoobler.

Burial was in the Elmwood Cemetery, Carroll with Eastern Star Rites by Beulah Chapter 194. The Home for Funerals in Norfolk was in charge of arrangements.

Make them feel important

Duane Salonen of the Dale Carnegie Leadership Training Institute presented information to more than 80 people on Tuesday at Wayne State College. He told his audience that customer service is the key to getting and keeping business. The event was sponsored by the Wayne Area Chamber of Commerce.

October has been designated as SIDS Awareness Month

Parents and caregivers are urged to place infants on their backs to sleep to reduce the risk of Sudden Infant Death Syndrome (SIDS). Gov. Mike Johanns has declared October as SIDS Awareness Month in Nebraska.

"When a baby less than one year of age suddenly dies without explanation, it's called SIDS," said Dr. Richard Raymond, chief medical officer for the Health and Human Services System (HHSS). "There are several ways to lower your baby's risk. One of the most important things you can do is put your baby to sleep on his or her back at naptime or bedtime."

Parents of newborns will receive a t-shirt with the message "This Side Up" on the front of the shirt, according to Paula Eurek, administrator for the HHS Office of Family Health. The HHS System, the Nebraska SIDS Foundation, the Junior League of Omaha, Healthy Start and the Douglas County Health Department will provide t-shirts for approximately 4,600 newborns

expected to arrive in Douglas County in 2003. Another 20,000 t-shirts will be distributed statewide by the HHS System and hospitals. Brochures about SIDS and "Back to Sleep," available in English and Spanish, will be given to new parents.

Parents can reduce the risk of SIDS by:

*Always putting your baby on his or her back to sleep. Stomach sleeping doubles your baby's risk of dying from SIDS.

*Using a firm, flat crib mattress. Don't put your baby to sleep on soft surfaces, such as pillows, waterbeds, sofa cushions, beanbag chairs or futons.

*Limiting bedding to a fitted sheet. Remove pillows, bumpers, quilts, comforters, stuffed toys and other soft items. Avoid bedding that can bunch up around your baby's face and block his or her breathing.

*Not letting anyone smoke near your baby. Being near smokers doubles your baby's chance of dying from SIDS.

*Considering breastfeeding. Nursing, even for a short time, may help protect your baby.

*Making sure your baby gets all of his or her shots. Being immunized lowers your baby's risk of SIDS.

"If your child is under one year of age, share these safety tips with your child caregiver, babysitter or others who may care for your infant," said Eurek.

Grateful to the community

Dear Editor,
I'm confident that I speak on behalf of the WHS Softball Team and all of their parents in saying THANK YOU to the community of Wayne and the Fire Department for the wonderful reception we received upon returning from Omaha last Saturday from the State Softball Championship. It was an incredible thrill for the girls and coaches to ride the fire trucks into town and to be greeted along Main Street by all the well-wishers with their cheers and shouts of congratulations for the team's success. The parade of honking cars that soon formed behind them added to the celebration and excitement as they were escorted to the softball complex where more fans had gathered for a great pep rally. Thank you also to the students, faculty, administrators and all of

the other community members who made the trip(s) to Omaha to watch the games as well as those who listened to the coverage on KTCH here at home. It meant a lot to the girls to know that they had so much support both at the tournament and back home. Thank you to the Wayne Herald and Mike Grosz for their excellent coverage of our games all season and to KTCH and Scott Gannon for their coverage at Districts and State. I truly believe that this kind of community-wide support is unique to small towns and Wayne exemplified that belief last week. The memories from the tournament and the welcome home will surely last a lifetime for these girls and we parents too. Thank you again,

Sue Jammer, Wayne

CONGRATULATIONS!!!! to the Wayne High Blue Devils girls' softball team and Coach Sweetland on winning the Class C State Softball Championship. Their play during 'marathon' Friday was incredible. Congrats also go out to the Blue Devils girls' golf team and Coach Hix of their participation in the state meet.

Our tip of the hat also goes to ALL the students who are involved in fall sports and our best to the Blue Devil Band and Brad Weber in their upcoming competitions. Please check to see if you received an entry blank for our bi-annual Festival of Wreaths/Crafts. A quick reminder... a wreath and/or craft, seasonal or year around, is donated to our program and we have a silent auction that culminates on Nov. 29 at our 'Holidazzle.'

If you have not received an entry form... stop in or call me and I'll mail one out to you. Our 'Holidazzle' event in the City Auditorium on Saturday, Nov. 29 will be a festive evening of food, fun and entertainment. 'Holidazzle' highlights, besides the conclusion of the wreath/craft silent auction, will include a 'Celebrity Flower Arranging Contest' sponsored by the Diamond Center-Flowers and Wine and drawings for one \$300 and one \$200 shopping spree at Quality Food Center.

To clarify, the Quality Food Center drawings are open to the PUBLIC and you DO NOT have to be present to win. Anyone wishing to have their name in the drawing is asked to purchase a ticket to 'Holidazzle.' A ticket is just \$5 per person (\$7 at the door). We would like to have you attend this 'black-tie optional' event. It is in no way an exclusive evening by any stretch of the imagination. Shoot - they even let me go!!!

Someone asked me to explain our 'Pop and Pretzel Recognition' activity. How do we choose who we are going to honor? Our Organization Committee has chosen people who have opened a new business, expanded their business or those who have chosen to leave the work force or transfer their business. The plaques you've seen pictured in the newspaper that we have presented are the actual slate shingles off of the Wayne County Courthouse, first placed there in 1890.

Thanks to Gary Van Meter, Lowell Johnson and others, many of the shingles were saved from being demolished. Amy Schweers transfers lettering and a picture of the business onto the slate. It is our way of simply saying 'thank you' to a variety of business

people. The 'Pop and Pretzel' nights are open to the public.

The next one is scheduled for Wednesday, Oct. 29 at 5 p.m. at Heritage Express. Stop by and say hello.

By: Leo Ahmann

Back in 1999 the Main Street Design Committee, spearheaded by Jeff Morlok and Gary Van Meter decided the community needed a large Christmas tree on display during the holiday season. The Main Street Program chose the corner of Seventh and Main. The first year it was placed in the Dairy Queen parking lot corner and the past two years in the First National Bank Drive-In lot. This is year number four for Main Street and each year the 'tree crew' tries to outdo last years. It is scheduled to go up this year on Saturday, Nov. 22.

HIGHWAY 15 UPDATE from Main Street's T.E.A.M. Committee... The Nebraska Department of Roads will be hosting a community meeting here in Wayne on Monday, Nov. 17 on the Highway 15 Project. There will be an 'open house' in the city auditorium from 3 to 5 p.m. At 7:30 p.m. there will be a 'public hearing.' This is a great opportunity to ask questions and express your concerns about the highway reconstruction project. Obviously, both the 'open house' and the public hearing are open to the public.

Keep thinking about your wreath/craft donation for our festival (due Nov. 7)... and... your participation in our Parade of Lights and Living Windows on Thursday, Dec. 11. Plan now and then things won't sneak up on you.

Our Promotion Committee is working on a 'Tour of Lights' in the community, during the holiday season... on 'The Shuttle.' Anything you have comments or suggestions, please call us at 375-5062. We'd enjoy hearing from you.

No in-laws to say hi to this week, so... Until next time...

Fan's don't belong on field

By Ed Howard

Statehouse Correspondent
The Nebraska Press Association

Have you ever had what you were certain was a really good idea, and then had a whole bunch of people tell you that you were goofy?

A week or so ago, in another venue, I took the position that it was time for university officials nationwide to do their jobs and find a way to make sure that football fans can't rush onto the field after games.

The roof didn't fall in, but creaking was altogether noticeable as criticism rained down.

My position was, and is:

Kellen Huston is not a thug or even a bad guy. The NU cornerback is a young man who made a terrible mistake when he slugged that loutish Missouri fan who didn't belong on the field in Columbia. Huston could have done horrific harm to that fellow. He could have ruined the guy's life, and he could have ruined his own life.

Huston's mistake cannot be excused. To some degree, however, it can be explained.

In moments of anger, anguish and stress, people sometimes react with inappropriate violence. Cops do it. Soldiers do it. And they are trained to handle such situations.

Where did Huston's transgression occur? On a football field. And only one of the people involved in this incident belonged on that field.

What happens on a football field? Controlled violence. Big, strong, tough men run into one another with bad intentions. They intend to knock each other down. They want to make believers out of the other fellows. The effort and the pain and the power and the emotion that happens between the sidelines cannot really be understood by ordi-

nary fans.

In short, a football field is not a safe place for tourists when it is occupied, before, during or after an important game, by young men whose adrenaline is roaring through them.

Some folks say that "fans have always done it" after big games.

Well, it's a tradition that apparently needs to end. These ain't the good old days. There are too many fans around the country who don't possess even the modicum of good sense requisite to an on-field, after-game celebration.

Decades ago there was a cutesy love song that had a verse that went:

The New Year's Eve we did the

town

The day we tore the goal posts down...

That was before standard practice included baiting players with a one-finger salute and shouting that their mothers were public utilities.

NU Athletic Director Steve Pederson called on fans to exhibit better behavior. Fat chance.

University officials are responsible for overseeing athletic events. They need to find a way to keep fans off the field in such circumstances. Period. End of story. No excuse and no explanations.

Will it be tough? Yeah. Lots of people have tough jobs. The uni-

versity types should do theirs before we end up with soccer-style riots that leave people dead in Europe and South America.

This should not be a case where, once again, we collectively throw up our hands and say, "Gee, it's just one of those things."

What will happen when someone is killed or maimed?

Lots of officials, elected and otherwise, will rush to the microphones and vow to do "whatever necessary" to see it doesn't happen again. Talk shows will interview sociologists about why these things happen. Blah, blah, blah.

The problem should be addressed now.

NEW BEGINNINGS!

Last Friday, a very special program took place that drew little attention, because most people in the community were not targeted for their attendance.

That program was the sales tax class for area contractors to learn about the new law and, most importantly, how to adjust their bookkeeping practices to comply. What made this special, in our opinion, was the additional information they received at the end from Marta Nelson of Accounting Plus. Although presentations by the Nebraska Department of Revenue have been taking place daily throughout Nebraska for, at least, the last month and a half, none, to our knowledge, have included that vital component of education needed by the contractors to interpret the new law and insure their bookkeeping systems are up-dated. Granted our Wayne-area accounting professionals have

been diligent in assisting their clients, yet none of the state's presentations have included a session for accounting in their programs.

Dale Carter of the Department of Revenue remarked how valuable this was for the Wayne contractors. Also, once again, thank you, Vakoc Builder's Resource, for donating refreshments.

This week on Tuesday, over 80 attendees were treated to a stimu-

lating and energizing Dale Carnegie presentation entitled, "Customer Service At It's Best", offered by Duane Salonen, President, Leadership Training Institute, Inc., licensed presenters of Dale Carnegie programs in Nebraska, South Dakota, and parts of Wyoming and Iowa. This was the first Dale Carnegie program presented in Wayne in over 20 years.

As this column is printed, today, in the weekly Wayne Herald, the chamber board of directors is conducting its annual planning retreat at Wayne State College. The purpose of the retreat is to make decisions regarding the major goals and objectives for the chamber in 2004. Included in the process is an assessment of our plan of action for this year and a review of membership and finances. We will have more to announce in the future.

The general public is reminded that planning for Citizen of the Year and Educator of the Year selections will commence in the next few weeks, and nominations from the public are encouraged and welcome for these two prestige honors. More information will be forthcoming. Nomination forms will be available at the chamber office later this fall.

Chicken Show collectibles are remaining on sale. You can get a 2003 T-shirt for only \$12 (formerly \$18), a 2001 T-shirt for only \$5, and

any of the other collectibles at reduced prices. See these items at the chamber office and make your selections early while supplies last.

Next Tuesday evening, the newly organized chamber taskforce for the monitoring of Highway 15 upgrading through the center of Wayne will meet for the first time. As is our custom, all chamber members are invited to attend this informational session and encouraged to participate on the taskforce as the upgrading plans go forward. The informational meeting will begin at 5:30 p.m. in the chamber boardroom.

Coming soon, on Friday, Nov. 7, Friday, is the Third Annual Chili Cook Off business after hours special event. This is open to the public either for entering the chili contest or for just showing up and having a great time. Prizes will be awarded for the top three recipes and as door prizes will be presented as well. Generous sponsors for this event include Wayne Vets Club, Pac N Save Grocery, Heritage Express, Premier Estates, The Hair Studio, The Final Touch, Wayne Dental Clinic, Exhaust Pros/Lighting Lube, Farmers and Merchants State Bank, Geno's Steakhouse, and Santa Fe Grill.

Comeback of the year

I love TV drama shows, like Law and Order on NBC and USA. I'm always amazed at how our justice system works. I know what is portrayed on TV is not exactly how it works. It's a lot more complex and difficult from what I am told.

I ran across this article about a policeman and lawyer's bantering. If you ever testified in court, you might wish you could have been as sharp as this Cop. A defense attorney was cross-examining a police officer during a felony trial - it went like this:

Q. Officer, did you see my client fleeing the scene?
A. No sir, but I subsequently observed a person matching the description of the offender running several blocks away.
Q. Officer, who provided this description?
A. The officer who responded to the scene.
Q. A fellow officer provided the description of this so-called offender. Do you trust your fellow officers?
A. Yes sir, with my life.
Q. With your life? Let me ask you this then officer, do you have a room where you change your clothes in preparation for your daily duties?
A. Yes sir, we do.
Q. And do you have a locker in that room?
A. Yes sir, I do.
Q. And do you have a lock on your locker?
A. Yes sir.
Q. Now why is it, officer, if you trust your fellow officers with your life that you find it necessary to lock your locker in a room you share with those same officers?
A. You see sir, we share the building with the court complex, and sometimes lawyers have been known to walk through that room.

With that, the courtroom erupted in laughter, and a prompt recess was called. The officer on the stand has been nominated for this year's Best comeback line and I think he'll win! --- Have a great day!

campus. The day provided an opportunity for students to learn about strategies for dealing with bullies at school and how to treat each other with respect.

"All of you have experienced bullying," said Mimi Moore, WSC director of field experience and organizer of this conference, as she addressed the students at the end of the day. "Treat others as you would like to be treated...with respect. This is what it takes to be a leader. This is what we are trying to help you learn to be: a positive,

respectful leader."

One of the sessions was titled, "Are You a Survivor?" Two of the WSC student leaders for the sessions, Ashley Swanson of Malmo and Naomi Hughes of Rising City, dressed in costumes and played roles. Hughes represented an aggressive character bullying the students as they participated in activities.

Following as a good character influence, Swanson asked the students questions about how they would have felt or what they would have done if these were "real-life" situations.

"We were surprised how easily

some of the students were swayed to go along with the bullying. Toward the end of the day, we had one group that banded together to stand up to the bully. This session gave the students an opportunity to use the strategies that they learned throughout the day," Swanson said.

"Students wrote how they felt in bullying situations on a wall poster. We also gave out ribbons that displayed the message, 'Stick with it' or 'Be a Friend' and played the songs, 'Thank You for Being a Friend' and 'Don't Laugh at Me,'" Hughes said. For more information, please call (402) 375-7389.

Siouxland Blood Bank announces winners of Heroes Unite, It's About Life donor recruitment campaign

The Siouxland Community Blood Bank announces winners of their second annual "Heroes Unite, It's About Life" summer donor recruitment campaign. Sutherland, Iowa was awarded first place honors and received a check for \$1,000 to be used towards the purchase of community safety equipment. The \$1,000 gift is courtesy of the 3M Corporation.

"Heroes Unite, It's About Life" is an annual campaign based upon fire and rescue squad membership and a percentage of blood donors registered at community blood drives. This percentage formula allows communities of all populations to compete on an even playing field.

"The Heroes Unit It's About Life campaign was a great success," states Janette Twait, CEO of the Siouxland Community Blood Bank. "The program was designed to encourage area fire, rescue and police to help recruit their community members to become volunteer blood donors. By donating in the name of their community, a donor would be giving credit to their community's squad."

Twait added that the community that registered the highest number of donors in relation to their squad size would win a sponsored donation of \$1000. This money is to be used for fire and rescue equipment. Even though only one check will be given, all communities are winners. Twait noted that every communi-

ty has worked hard to encourage residents to volunteer to donate blood during the summer months which are traditionally a challenge to maintain a ready and ample supply. Area high schools and colleges are not in session during the summer months, so we must rely on our communities and businesses to help maintain the community blood supply.

Rounding out the top 10 winning communities are second place Cherokee, Iowa; third place Wayne, and in ascending order fourth through tenth place: Sioux Center, Iowa; Yankton, South Dakota; Le Mars, Iowa; Boyden, Iowa; Hartington, Nebraska; Orange City, Iowa; and Crofton, Nebraska. Being included in the top 10 list is a significant achievement considering that over 120 communities conducted blood drives during the program.

The campaign ran from May 1, 2003 to Sept. 30, 2003 and sparked some additional creative promotional ideas from the top communities. Wayne, last year's winner, promotes drives via bank marquees, the city website and active volunteer and community participation.

Cherokee, Iowa, has offered great support through their Fire Department, EMS and local hospital, actively recruiting donors to every drive. Many local businesses including RJ Thomas, Tyson Foods, Hy-Vee, Distribution

Center, and Cherokee Mental Health Institute, held employee blood drives to show their support of blood donation.

Sutherland, Iowa, has shown great support throughout the summer with volunteers, the squad and special events. No one can argue the dedication of Julie Stanford, a member of the Sutherland Fire and Rescue squad. As an incentive to donate the squad members offered to wash donors' cars. When it rained that day Julie sat in a lawn chair in full rain gear handing out "rain checks" for the postponed car wash held one week later. The community also had a barbeque as a thank you and community gathering.

Currently, the Siouxland Community Blood Bank provides blood services to 28 hospitals in Iowa, Nebraska, and South Dakota. The blood bank conducts blood drives in over 120 communities from the tri-state region.

More than 1000 units of blood need to be collected each week to meet patient requirements. New born babies, cancer patients, and accident victims are a few among the many patients requiring life saving blood products each week.

Emry inducted into 100th Meridian Aviation Hall of Fame

Dr. Gordon Emry of Cozad, son of Arnold and Sandra Emry of Wayne, is one of 100 people associated with flight from Central Nebraska who have been inducted into the 100th Meridian Aviation

up the balloon.

On closing day, Cozad first graders will be parachuting and student inventions will be shown and flown with airplane rides given as prizes. The student inventions were to be associated with flight (example- balloons, planes, space

shuttles, etc.).

Sponsoring the activities are the 100th Meridian Museum/Cozad Historical Society; Chamber of Commerce; Cozad Airport Authority; Cozad Businesses, Foundations and Individuals; and the Nebraska Humanities Council.

Dr. Gordon Emry was inducted into the 100th Meridian Aviation Hall of Fame. He stands by the plaque of engraved names of fellow inductees.

Hall of Fame on Oct. 18 at the Gala Flight Banquet in Cozad. Emry is a hot air balloon pilot.

The Centennial of Flight: 100 Years Over The 100th Meridian is being celebrated in Cozad from Oct. 16 - 28.

Some of the activities planned for the celebration included educational programs at the museum in Cozad by Astronaut Clayton C. Anderson who also was inducted into the Hall of Fame and was keynote speaker for the event. Anderson of NASA Johnson Space Center, is the only astronaut born in Nebraska.

On Oct. 17, the Cozad Aviation First Day Stamp Cancel was held.

On Oct. 18 and 19 at sunrise, Dr. Emry launched his balloon, Fresh Aire III, at the Cozad Airport. Eight balloonists from Nebraska launched both mornings. A fly-in breakfast was held at 8 a.m. and dedication of the Landercasper Library followed. The Gala Flight Banquet was held in the evening.

On Wednesday, Dr. Emry is scheduled to speak to elementary children at the school in Cozad. He already has talked to students at District 29 and 31 in rural Cozad. Dr. Emry inflated the balloon for the rural school children. Students got hands-on experience in packing

Part of the educational programs planned during the celebration included Dr. Emry speaking to students and showing them his hot air balloon, Fresh Aire III.

Under the watchful eye of Dr. Emry, rural school students at Cozad got to experience packing up his hot air balloon.

Wayne State Clubs' Haunted House to be open Oct. 26-31

The annual haunted house staged by Wayne State College student organizations, will be held from Oct. 26-31. Offering thrills and excitement, the haunted house will be open from 6-11 p.m. each evening (times are subject to the weather). It is open to the public.

"We're planning a bonfire, roasted marshmallows, cookies, hot chocolate and hot cider. This is an alcohol-free activity," said Dr. Stan Gardner, WSC Science Fiction and Fantasy Club advisor. "The haunted house is a club project that we're offering as a community service. The proceeds from the project will support activities of several clubs on campus, including Music Educators National Conference (MENC) and the WSC Drama Club, both of whom will attend a national conference. The Science

Fiction and Fantasy Club will host a science fiction convention in the spring. In addition, each year a charity is selected to receive a percentage of the profits from the event."

The haunted house is located in a barn owned by Gardner at 2212 N. Centennial Road northeast of Wayne. "I have this big, empty barn that I don't use for anything, and have offered it to student organizations to use as a community service to provide an opportunity for entertainment," said Gardner. "We started the haunted house back in 1997, and it has been going strong ever since." Admission is \$5.00 for adults and \$3.00 for students.

Children ages seven and under will be admitted free of charge when accompanied by an adult.

To get to the haunted house, go north on Main Street (Hwy. #15) past Wayne State College to 21st Street (Country Club Road). Turn east and go to the stop sign. Turn north (left) to the first barn on the left (second driveway on the left).

"The haunted house is intended for people throughout the entire region to come for fun and entertainment," Gardner said. "We have a special night, Oct. 20, set aside just for the Scout organizations in the region.

We would be willing to work with other organizations to set up special times as well."

Sharing information

A sales tax class was held at Wayne State College Friday for area contractors to learn about new tax laws. Presenters included Marta Nelson, left, of Accounting Plus in Wayne and Dale Carter of the Nebraska Department of Revenue, center. Those in attendance received education on the new laws and ways to adjust their bookkeeping practices. Following the presentations, a question and answer time was held for those in attendance.

A two-vehicle crash occurred on Oct. 22, four miles south and one and one-half miles west of Wayne, sending Melodi Jaeger of rural Winside and James Neel of rural Wayne to the hospital where they were treated and released.

Accident occurs southwest of Wayne

At about 8 a.m. on Oct. 22, a two-vehicle crash sent two persons to the hospital in Wayne. At a location four miles south and one and one-half miles west of Wayne, an eastbound vehicle driven by 48 year-old Melodi Jaeger of rural Winside, Nebraska lost control on the gravel and crossed into the lane

of traffic of a westbound vehicle. The westbound vehicle was driven by 16 year old James Neel of rural Wayne.

Both drivers were alone in their vehicles at the time and both were wearing their seat belts at the time of the accident.

The Providence Medical

Center Ambulance crews transported both drivers to Providence Medical Center where both were treated and released.

The Wayne County Sheriff's Office investigated the accident and was assisted at the scene by the Wayne Fire Department Rescue Squads.

Chamber hosting third annual Chili Cook-Off

The third annual Chili Cook-Off Business After Hours, hosted by the Special Events Taskforce of the Wayne Area Chamber of Commerce is set for Friday, Nov. 7 from 5 to 7 p.m. at the Wayne Vet's Club 220 Main Street.

This fundraising event features a cash bar, hors d'oeuvres, and door prizes. Last year's Chili Cook-Off winner was Premier Estates.

Anyone and everyone is welcome to attend, or to enter their own recipe of chili for the cook-off. A \$5 donation will get you into the door for this fun, networking event.

Anyone interested in entering chili for this event, is asked to call the Chamber at 375-2240 for a registration form. Those entering must bring a crockpot full of cooked chili to the Vets

Club the day of the event. There is a \$5 fee for each entry of chili.

Those attending the event will be given a tasting packet and will

vote for two of the best tasting pots of chili. Prizes for the top three entries will be awarded. First prize is a gift certificate, donated by Geno's Steakhouse; second prize

is a gift certificate donated by Santa Fe Grill; and third place is a gift basket donated by Pac N Save grocery.

Sponsors for this Business After Hours event include: Am Vets Post #22-Wayne Vets Club, Heritage Express, Pac N Save Grocery, The Final Touch, Exhaust Pros/ Lighting Lube, Farmers & Merchants State Bank, Premier Estates, the Hair Studio, and Wayne Dental Clinic.

Each sponsor will make a brief presentation about their business and will then draw a name to give away a door prize.

Anyone who has a great chili recipe, or just wanting to have fun and learn more about the Wayne Area Chamber of Commerce and its business members, is encouraged to attend.

Blue Devils win six straight elimination games to claim crown

Wayne wins Class C State Softball title

by Mike Grosz
Of the Herald

It was the most difficult, and improbable, way to win a state championship.

After falling in the team's opening game to Cozad Thursday evening, the Wayne softball team gutted out six consecutive wins in the elimination bracket to capture the Class C State Championship at Seymour Smith Park in Omaha last weekend.

"We got our bad game out of the way first," said head coach Rob Sweetland.

Teams had to wait out a rain delay Thursday before playing and Sweetland feels that affected his team's play in the 5-1 loss.

"You're all pumped up and ready to play, then you have to sit and wait for two hours and get cold and wet at the same time," remarked Sweetland.

In the opening game against two-time defending state champion Cozad, Wayne jumped out to an early 1-0 lead.

But Cozad responded with two runs in the second inning and three more in the third to take a commanding 5-1 lead. The Haymakers took advantage of several uncharacteristic errors by Wayne to take control.

The Blue Devils mounted a rally in the second inning, but hit into a double play with the bases loaded to end the inning.

Wayne had six hits in the game, led by Jessica Jammer's three singles. Jean Pieper, Danica Carroll and Rachel Robins each contributed a single.

Molly Hill suffered the loss on the mound, allowing seven hits while striking out 14 batters in the game.

The second game of the tournament saw Wayne edge Wahoo 1-0. Robins scored the only run of the game in the second inning for the Blue Devils.

Hill allowed a leadoff single to Wahoo's Rachel Simon, then held the Warriors hitless the rest of the game. She struck out 14 and walked just one. Hill also had three of Wayne's four hits in the game. The other was a single by Jenny Raveling.

Friday morning, Wayne continued play in the elimination bracket against Centennial as players were welcomed by frost on the fields.

The Blue Devils would score the only run of the game in the fifth inning to post a 1-0 win.

Danica Carroll singled and scored on Raveling's two-out double for the game-winning run.

Hill struck out 15 more batters in the win while allowing just two hits.

As a team, Wayne had eight hits in the game. Raveling led the way with a double and single. Kayla Hochstein added two singles while Pieper, Hill, Ashley Carroll and Danica Carroll each singled.

Coach Sweetland said he felt things started to fall into place for his team during the Centennial game.

"After we grabbed the lead, I heard that Lakeview was beating Cozad and that's when things started falling our way," he said. "We didn't want Cozad to beat us twice and I felt comfortable with the teams left since we already played Lakeview and Ashland-Greenwood."

The next game saw Wayne face Columbus Lakeview with the locals prevailing 3-1.

Wayne would strike for three runs in the bottom of the sixth inning, then hold off a Lakeview rally in the top of the seventh when the Viqueens plated their only run.

Dawn Jensen had a double and single to pace Wayne in hitting. Robins chipped in with two singles while Hill and Ashley Carroll singled to round out the six-hit attack.

Hill held Lakeview to four hits and recorded 12 strikeouts in the win.

The next game saw Wayne score runs again late in the game to pull away for a 3-0 win over Ashland-Greenwood.

The game was scoreless until the fifth inning when scored two runs, then added an insurance run in the sixth inning for the 3-0 win.

Hill yielded just two hits and struck out 10 batters to get the win. She also established a new

all-class record for strikeouts in a single season during the game.

Wayne suffered through its worst hitting game of the tournament with just three hits. They were singles by Raveling, Hill and Hochstein.

The Blue Devils then faced unbeaten Fairbury in the championship game.

The game was scoreless until Wayne struck for two runs in the bottom of the sixth inning to take a 2-0 lead. Robins delivered a clutch two-out, two-run double to the gap in right-centerfield, scoring Hochstein and courtesy-runner Sara Frerichs to put Wayne in front.

However, Fairbury responded with two runs in the top of the seventh inning to tie the game at 2-2.

In the eighth inning after the Blue Devils stopped Fairbury, Wayne used Jenny Raveling as its

courtesy runner at second base. A sacrifice bunt by Ashley Carroll advanced Raveling to third base, then Molly Hill delivered a single that scored Raveling with the winning run.

Hill finished the game with 16 strikeouts, allowing five hits and three walks.

The win by Wayne forced a second championship game between the same two clubs Saturday at 1 p.m.

"The girls wanted to keep on playing but I wanted to get some rest," Sweetland said. "Fairbury was starting to get to Molly at the end of the game and I wanted a chance to sleep in because I knew the conditions on Saturday would benefit Molly."

Those conditions included warm weather, which greeted fans Saturday for the winner-take-all final.

Junior pitcher Molly Hill tossed all seven games for Wayne at the State Softball Tournament last weekend. She struck out 94 batters during the three days and established an all-class state record with 496 strikeouts in a single season.

Wayne first baseman Jenny Raveling had several key hits for the Blue Devils, including this run-scoring single in a 3-1 victory over Columbus Lakeview Friday afternoon.

Wayne spikers sweep Battle Creek

The Wayne High volleyball team recorded a surprisingly easy 15-1, 15-4 win over Battle Creek last Thursday evening at the WHS gym. It was just the fourth loss for the Bravettes in 16 matches while Wayne improved to 22-2.

"It was nice to see the team play so well after our break," said head coach Joyce Hoskins. It was Wayne's first match in nine days.

Seniors Allison Hansen and Karissa Hochstein led the Blue Devils in hitting with eight kills each. Stacie Hoeman and Sarah Jensen both produced two kills apiece.

Sarah Jensen added a team-high nine digs and three aces to the Wayne attack. Hochstein contributed seven digs while Micaela Weber had four digs and three aces to go with 17 set assists. Rachel

Jensen added two ace serves.

Hansen, Hochstein and Hoeman accounted for two blocks each.

In the JV game, Wayne defeated Battle Creek 25-14, 25-21. Jessica Dickey scored 12 points to lead Wayne with Emlyn Mann adding 10 and Kiley Luhr eight. The Wayne "C" team also topped Battle Creek 25-17, 25-14. Kara Hoeman had eight points with Angie Ahrenholtz adding five.

Wayne was scheduled to host O'Neill and Hartington Cedar Catholic in a triangular tonight (Thursday) at the WHS gym. The Blue Devils will also compete in the Mid States Conference Tournament on Monday and Tuesday. Wayne will face Hartington Cedar Catholic in the first round at 4 p.m. Monday at Madison High School.

Fairbury would take the lead early, striking for single runs in the first and second innings to take a 2-0 lead.

But Wayne countered with three runs in the top of the third inning to grab a 3-2 lead.

"In the huddle, I told the girls that this inning was our fifth or sixth inning today," said Sweetland on his team scoring in the late innings on Friday to stay in contention.

The big inning started with singles from Jammer and Danica Carroll. An RBI groundout by Pieper scored Jammer with the first run. Raveling reached on an error, then Ashley Carroll produced a single to score Danica Carroll to tie the game at 2-2. Hochstein's run-scoring single plated Raveling to put Wayne in front 3-2.

The score would stay that way until Wayne added two insurance runs in the sixth inning. Hochstein singled and Robins doubled to start the inning. Jensen's RBI groundout scored Hochstein while Jammer delivered a run-scoring single to plate Robins for the 5-2 lead.

The rest of the game was dominated by Hill, who appeared to get stronger as the game went on, retiring the last 12 batters in a row, to seal the win. She allowed five hits, four in the first three innings while striking out 14 bat-

ters. Hill finished the state tournament with 94 strikeouts in seven games, ending the season with 496.

Wayne had seven hits in the game. Jammer and Hochstein finished with two singles each. Robins had a double with Pieper and Ashley Carroll adding singles.

Sweetland said the key to Hill's success at state was her changeup. "We used her changeup a lot. That pitch kept batters off balance."

He also praised the entire team on a successful season.

"Everybody's worked hard and they deserve it. It takes a team effort, it wasn't just Molly that won us state and this group realizes that."

Wayne finished the season with a 36-2 record.

"We achieved all of our goals," added Sweetland. They included winning all tournaments, winning 90 percent of their games, not allowing a run at home, winning districts and winning state.

The Wayne team loses just one player to graduation, shortstop Rachel Robins.

"A storybook ending for her," commented Sweetland. "She had some big plays and hits for us this weekend."

The team was welcomed back to Wayne Saturday evening with a celebration at the Wayne Softball Complex.

Rachel Robins, left, and Jessica Jammer, right, converge to field a fly ball in Friday's game against Columbus Lakeview. Jammer made the catch on the play.

Fourth quarter rally helps Wayne post their first win

The Wayne High football team won for the first time this season Friday evening, rallying from a 10-point deficit in the final seven minutes to edge Madison 25-22 in Madison.

"We finally put together a game from start to finish," remarked head coach Kevin Finkey.

Following a scoreless first quarter, the Blue Devils used a Josh Hartwell two-yard run on the opening play of the second quarter to take a 6-0 lead with 11:55 remaining in the half. However, Madison would later score to tie the game at 6-6 heading into the intermission.

Wayne responded with a scoring drive in the third quarter, capped by a six-yard pass from Nate Finkey to Dan Heithold, giving Wayne a 12-6 lead with 7:18 remaining in the third quarter.

Madison would respond with two touchdowns in the fourth quarter, along with a pair of two point conversions, to take a 22-12 lead with 6:58 left in the game.

The Blue Devils cut into the lead on the ensuing drive when Wade Jarvi hooked up with Finkey on a 36-yard pass play, making the score 22-18 with 4:13 left.

After recovering an on-side kick, Wayne regained possession and marched down the field to set up the game-winning score. Keyed by a crucial fourth and three conversion at the 12-yard line, the Blue Devils would regain the lead on a 14-yard scoring strike from Finkey to Dan Reinhardt with just 19 seconds remaining for a 25-22 lead

following Dana Schuett's PAT kick.

Coach Finkey said his team's ability to run the ball allowed them to control the ball and the clock.

"We eliminated a lot of big mistakes, although we had eight penalties. We kept them away from the big play and by not turning the ball over, we were able to control the clock."

As a team, Wayne rushed for 263 yards in the game and passed for another 100 while Madison gained just 213 yards in total offense. Junior fullback Dana Schuett led Wayne in rushing with 125 yards on 19 carries. Nate Finkey followed with 63 yards on 10 attempts while Josh Hartwell contributed 45 yards on 10 rushes.

Throwing the ball, Finkey was 6 of 12 for 64 yards and two touchdowns. Wade Jarvi completed his only attempt for 36 yards and a touchdown.

Dan Reinhardt was Wayne's top receiver with two receptions for 32 yards. Dan Heithold added two catches for 11 yards, Finkey made one catch for 36 yards, Tyler Johnson hauled in one pass for 20 yards and Hartwell grabbed one pass for one yard.

Schuett had a team-high seven tackles to lead Wayne on defense. David Gangwish and Jarvi each contributed four stops each.

Wayne, now 1-6, will host Battle Creek tonight (Thursday) in the regular season finale at Cunningham Field starting at 7 p.m.

Shortstop Rachel Robins is the only senior on this year's state championship team. She scored Wayne's only run in a 1-0 win over Wahoo and had a pair of clutch doubles in the two wins over Fairbury to help Wayne win the title.

Fink, Nissen to represent boys team as individual qualifiers

Wayne girls qualify for state cross country

There was good news and bad news for the Wayne cross country teams following the Class C-2 District Meet in O'Neill last Thursday.

The good news was that the Wayne girls team finished third and qualified for the State Meet in Kearney on Friday. The bad news was the Blue Devil boys just missed qualifying for state, placing fourth, just two points back of third place Columbus Scotus.

Coach Ruhl stated that the girls team ran well for not running on the course before.

"It wasn't our best race of the year, but we get a chance to run again at state," he said. "Everyone sets a goal of running at state and we are one of 12 teams who will get the opportunity."

Boone Central captured the boys division with 31 points, followed by Norfolk Catholic (44), Columbus Scotus (46) and Wayne in fourth at 48.

"The boys race was disappointing," commented Ruhl.

Pierce won the girls team title by two points over Columbus Scotus, 25-27. Wayne was third at 68 with O'Neill fourth with 77 points.

Sara Stauffer led the Wayne

girls team by placing 11th overall with a time of 17:14. Freshman Jordyn Doescher was close behind in 13th position at 17:30.

Other runners included: Summer Bethune, 24th at 18:10; Regan Ruhl, 30th at 18:56; Renee Theobald, 31st at 19:03 and Cali Broders was 33rd at 19:19.

Coach Ruhl stated that the girls team ran well for not running on the course before.

"It wasn't our best race of the year, but we get a chance to run again at state," he said. "Everyone sets a goal of running at state and we are one of 12 teams who will get the opportunity."

Boone Central captured the boys division with 31 points, followed by Norfolk Catholic (44), Columbus Scotus (46) and Wayne in fourth at 48.

"The boys race was disappointing," commented Ruhl.

"Columbus Scotus had a great day and we probably underachieved a little bit. You have to give them credit because they had not come close to us this year."

Junior Bryan Fink claimed individual medalist honors with a time of 17:05, finishing nearly 12 seconds ahead of Logan McPhillips of Boone Central. Senior Chris Nissen also earned an individual qualifying spot with an 11th place

finish in 18:18. Both runners ran on last year's state qualifying team with Fink placing second in Class C.

Other Wayne runners included: Josh Rasmussen, 17th in 18:43; Austin Leighty, 19th at 18:48; Heath Dickes, 25th in 19:09 and Bryan West 29th at 19:23.

Wayne will compete in the Class C State Cross Country Meet Friday afternoon in Kearney.

Freshman Jordyn Doescher earned a 13th place finish at the District Meet in a time of 17:30, helping the Wayne girls qualify for state.

Sara Stauffer will lead the Wayne girls cross country team to state after placing 11th in the Class C-2 District Meet at O'Neill.

Senior Chris Nissen was 11th in last Thursday's C-2 District Meet to qualify individually for the State Cross Country Meet in Kearney Friday afternoon.

Bryan Fink of Wayne took first place at last week's District Cross Country Meet in O'Neill with a time of 17:05. The junior placed second in Class C at state in 2002.

It took 20 years but Dawn finally did it Missouri beat Nebraska Thanks Mikel!

Two area runners qualify for state cross country

Two area runners will compete in Class D at the State Cross Country Meet in Kearney after placing in the top 15 at the Class D-2 District Meet in Bloomfield last Thursday.

Laurel-Concord sophomore Mindee Haahr earned a return trip to state by placing fourth with a time of 17:02. She finished 52nd last year.

Winside freshman Amber Aulner also qualified for state by finishing 15th in a time of 17:27.

"Amber ran a very strong and determined race," remarked head coach Jennifer Kesting. "She started out towards the front and maintained her pace and position."

Jessica Janke also competed and placed 56th in 22:24.

For the Winside boys, Josh Sok ended 24th in 19:09 and Jesse Thies finished 42nd in 20:07.

Haahr and Aulner will compete at the Class D Girls State Cross Country Meet in Kearney Friday afternoon.

Allen spikers down Winside

The Allen Lady Eagles volleyball team swept Winside last Thursday evening on Parent's Night by scores of 15-2, 15-6.

"It was great to see everyone there to support us and we also had a good showing for the Parent's Night activities that followed," said head coach Denise

Hingst.

The Eagles did suffer a setback in the win when senior starter Brittany Klemme went down with a torn ACL and will miss the remainder of the season.

"We will miss Brittany's play on the floor, but she will be a great asset to the team in every other way," added Hingst.

Kelli Rastede led Allen in hitting with seven kills. Alycia Stewart added six with Alyssa Uldrich contributing five. Uldrich also led the team in serving with four aces. Samantha Bock added three ace serves and dished out 14 set assists. Diana Diediker contributed five set assists and Lindsay Swetnam finished with a team-high four digs.

Allen, now 17-5, will participate in the Lewis and Clark Conference Tournament Monday and Tuesday.

Big game from O'Connor lifts Winside over Hartington High

Russ O'Connor scored four times and accounted for nearly 350 all-purpose yards in helping the Winside football team top Hartington High Friday evening 56-24.

It was the second straight week the Wildcats, now 3-4, posted impressive numbers after blasting Rock County 54-7 one week ago.

Hartington High gave Winside fans a scare early, taking the opening kickoff to the Wildcat five-yard line. But Bo Brummels tackled the Hartington runner and forced a fumble, giving Winside the ball. Moments later, O'Connor rambled 73 yards for a score to put Winside up early. Quarterback Taylor Suehl connected with Adam Pfeiffer on the two-point pass conversion to put Winside up 8-0.

Later in the quarter, Suehl found Pfeiffer on a 39-yard scoring strike to give Winside a 14-0 lead. Suehl's two-point pass to Nathan Wills gave the Wildcats a 16-0 lead after one quarter.

Winside would produce three more scores in the second quarter. O'Connor found paydirt on runs of two and 13 yards while Cody Lange scooped up a Hartington fumble and ran 13 yards for another score to give Winside a 36-16 lead at halftime.

The Wildcats held Hartington scoreless in the third quarter while adding one more score. Suehl hit Wills with a 35-yard pass and

Winside enjoyed a 42-16 lead after three quarters.

Suehl's one-yard run and a 23-yard jaunt by O'Connor closed out the scoring in the fourth quarter for Winside to make the final score 56-24.

A balanced offensive attack helped Winside dominate Hartington as the Wildcats rushed for 221 yards and added 211 passing.

O'Connor finished with 201 yards rushing on 23 carries and four touchdowns. Nathan Stevens added 14 yards on four attempts, Kass Holdorf finished with three yards on two rushes and Suehl added three yards on two carries.

Suehl completed 12 of 21 passes for 211 yards with two touchdowns and one interception.

The top receiver was O'Connor with five receptions for 87 yards, followed by Pfeiffer with four catches and 60 yards. Wills hauled in two passes for 46 yards with Brummels adding one catch for two yards.

Holdorf paced the Winside defense with 17 tackles. Eric Morris contributed 13. Lange and Brummels each had one fumble recovery.

Winside will host Coleridge Friday evening at 7 pm. The Wildcats need to win to have a chance of making the qualifying round in the Class D-1 playoffs.

Laurel-Concord volleyball team notches two more wins

The Laurel-Concord volleyball team posted two wins in the past week, topping Ponca Tuesday evening

and rallying for a three-set win against Neligh-Oakdale last Thursday evening in Neligh.

Laurel-Concord swept Ponca in the final home match of the season by scores of 15-3, 15-5.

"We were able to utilize numerous players in all three matches," said head coach Patti Cunningham. "As we head into tournament play, we'll continue focusing on ball control, and both front and back row defense."

Angie Peters produced 11 kills and three blocks in the win. Maggi Recob contributed eight kills.

Makayla Hansen handed out 23 set assists and led the team in digs with five while Tiffany Erwin and Lori Pritchard each added four

kills for a 10-15, 15-8, 15-9 win over Ponca to finish with an 8-3 mark.

The Lady Bears played solid defense in a 9-15, 15-6 and 15-3 win at Neligh-Oakdale last Thursday evening.

Peters had 22 kills and Pritchard accounted for 21 digs to pace the Lady Bears. Recob contributed 15 kills and Erwin had 11 digs in the win. Hansen dished out 40 set assists and Peters added a team-high five blocks in the win.

"Defense was a strength throughout this match," stated Cunningham. "We'll work to continue playing aggressively as we pursue team goals."

Neligh-Oakdale won the JV game over Laurel-Concord 15-11, 16-14 while Laurel-Concord prevailed in the "C" match 15-10, 15-4.

Laurel-Concord will compete in the NENAC Tournament Monday and Tuesday. The Bears face Randolph in the first round on Monday at 5:30pm in Creighton.

Balanced attack helps WSC down Waldorf College

The Wayne State College football team used a balanced offensive attack, 276 yards rushing and 292 yards passing, to down Waldorf College of Iowa Saturday afternoon 36-17 at Cunningham Field.

"It was a good time to get a win," said head coach Scott Hoffman. "I thought we had good offensive balance and dominated them for the most part."

Wayne State got on the board first with 4:03 remaining in the first period on a 40-yard run by sophomore fullback Mell Holliday, allowing the Wildcats to lead 7-0 after one quarter.

Tyler Chambers found the end-zone on a one-yard run with 5:30 left in the second quarter, giving Wayne State a 14-0 lead following a Bret Walker extra point kick.

Following a Waldorf field goal, Wayne State made it 21-3 with just 42 seconds left before halftime as quarterback Brett Edwards found Eric Kjar on a 48-

yard pass play. The lone score in the third quarter saw Chambers score for the second time in the game on a seven-yard jaunt, increasing the Wildcats' lead to 28-3 after three quarters.

After a Waldorf score made it 28-10, Wayne State responded with a 78-yard scoring drive, capped by a one-yard run by Edwards, to make the score 34-10.

Waldorf scored later in the quarter to cut the WSC lead down to 34-17 and Wayne State made the final score 36-17 when Waldorf snapped the ball over their punter's head in the end-zone for a safety to account for the final scoring of the game.

Wayne State racked up 568 yards of total offense in the game while holding Waldorf to just 241.

"Defensively, I thought we shut them down for three quarters," commented Hoffman.

The Wildcat rushing attack was

led by Holliday with 139 yards on 17 attempts and one score. Chambers followed with 57 yards on 14 carries to go with two scores and Edwards ran 14 times for 54 yards.

In the passing department, Edwards hit on 15 of 27 attempts for 292 yards and one score.

The top receiver for the Wildcats was junior Josh Hopwood, who hauled in five receptions for 109 yards. Ryan Kuester contributed three catches for 31 yards while Kjar had two grabs for 61 yards and one score.

Defensively, freshman walk-on linebacker Craig Baxa of Genoa had a team-high 10 tackles in his first-ever start, including two tackles for loss.

"What a great surprise!" said Hoffman. "His play just gives us more depth at the linebacker position." Stephan Turner, Jeremy Neill, Bump Christensen and Nick Wemhoff added five stops each.

Wayne State, now 2-5 overall,

hosts Minn.-Crookston (2-6) Saturday at 12:30pm in the annual Egg Bowl Game at Cunningham Field. It is the last home game of the season for the Wildcats.

"It will be a tough game," Hoffman said. "They have a deceiving record and we are not taking them lightly."

Wayne State runners Angie Kraus, left, and Nicole McCoy, right, battle for position with a pack of runners at Saturday's Mount Marty Invitational in Yankton.

WSC harriers compete at Mount Marty Invite

The Wayne State cross country teams competed at the Mount Marty Invitational Saturday in Yankton.

The women's team finished ninth out of 19 teams with 256 points while the men placed 10th out of 22 teams with 312 points.

Head coach Marlon Brink said the women's team had an outstanding day.

"Five of the six girls set personal best times and closed their gap from the number one to five runners down to 1:44," Brink said. "This was the best team performance our women's team has had all year and they appear ready to peak at the right time of the season."

Ashley Smith, a freshman from Pender, was the top Wildcat finisher with a time of 20:02 over the 5,000-meter course to place 34th overall. Redshirt Amber Nelson followed in 35th place at 20:03.

Other Wildcat finishers were: Nicole McCoy, 54th in 20:32; Angie Kraus, 67th at 20:59; Erin Norenberg, 72nd in 21:17 and Haley Reeves, 79th in 21:44.

The top finisher for the men's team was freshman Jeremiah

Herron of McCook, placing 41st in a time of 27:40 over the 8,000-meter course.

"Jeremiah had his best collegiate race of his career," commented coach Brink. "He ran a personal best time and looked very strong throughout the entire race."

Sophomore Ben Crabtree was 55th in 28:12 followed by senior Nick Hansen, who was 97th in 29:58 after missing three weeks with an injury.

Other Wayne State runners included: Corey Kriz, 116th in 31:14; Matt Schaffer, 124th at 32:04; Troy Schaff, 130th in 32:45 and Nate McIntire, 122nd in 31:56.

Wayne State will compete in the NSIC Championships Saturday in Carlton, Minn. Action begins at 11 am with the women's race followed by the men's race at 12 pm.

"The NSIC meet is the one we try to have our runners peak at," said Brink. "UM-Duluth will be the favorite on both sides, but I think if both of our teams have their best meets of the season and run well as a pack, then each can be a contender for the second place spot."

Wayne State spikers earn NSIC road sweep

The Wayne State volleyball team posted a pair of road victories last weekend in Northern Sun Conference play.

The Wildcats battled back from a one-set deficit to top Bemidji State in four games Friday evening, then traveled to Crookston and outlasted the Golden Eagles in a five set marathon Saturday.

Wayne State handed Bemidji State just their second home loss of the season Friday evening, 19-30, 30-15, 34-32 and 31-29.

"The win at Bemidji was by far our best performance in the last month," said head coach Sharon Vanis.

The Wildcats overcame two obstacles, a yellow card given to coach Vanis in the second game for questioning the officials and a 23-15 deficit in the fourth game, to pick up the win.

"The kids were frustrated and it seemed to fire them up," stated Vanis when asked about the yellow card. "They played through some tough circumstances to get the win."

Jacey Kuck, a sophomore from Central City, paced the Wildcats with 11 kills and 22 digs. Chelse Schultz also contributed 11 kills and had 14 digs. Laurel-Concord sophomore Lani Recob chipped in with 10 kills.

Sophomore setter Julie Jacobsen handed out 41 set assists and chipped in with 15 digs while Kristin Linderman and Heather Schuller each produced 12 digs.

The Wildcats hit 323 in Saturday's 30-27, 26-30, 30-24, 22-30 and 15-11 win over Minn.-Crookston.

Schultz banged out a team-high 22 kills in the win. Kuck followed

with 12 kills and Jacobsen added 10.

Linderman led the 'Cats with 12 digs while Kuck added 11. Jacobsen dished out 58 set assists.

Wayne State had 13 ace serves in the win, led by five from Michelle Eckhardt, a freshman from Blue Hill. Schultz followed with four aces.

Vanis added, "It's rewarding for the girls to get some wins for their hard work and effort this season."

The Wildcats dropped a non-conference match at home to Augustana College Tuesday evening, falling in four games 30-25, 21-30, 27-30 and 17-30. Wayne State hit just .093 in the match compared to .243 for the Vikings.

Eckhardt had nine kills to pace the Wildcats in hitting, followed by Jacobsen with seven kills and Lindsey Boehm with six.

Linderman led the Wayne State

defense with 17 digs. Kuck contributed 12 with Jacobsen and Schultz recording 10 apiece. Jacobsen produced 32 set assists.

Wayne State, now 8-18 overall and 3-5 in the NSIC, visits Minn.-Duluth on Saturday at 4 pm. The Wildcats will return home for matches on Oct. 31 against Northern State and Nov. 1 against Minn.-Moorhead.

WSC fan bus heading to Metrodome

A charter fan bus is scheduled for the Wayne State vs. Bemidji State football game at the Metrodome in Minneapolis on Friday, Nov. 7 at 1:30 pm. The game is part of the 19th annual NSIC Metrodome Classic.

The bus will leave Wayne on the morning of Nov. 7 at 5 am and return to Wayne the same evening.

Cost of the trip is \$49 per person. Meals and game tickets are not included in the package. A minimum of 35 individuals is needed to make the trip with a deadline of Oct. 31 at noon.

To reserve your seat, contact Deb Harm in the Wayne State College athletic office at (402) 375-7620.

Allen blanks Humphrey High

The Allen Eagles football team improved to 6-1 Friday evening with a 47-0 win at Humphrey High. The game was called with 10:59 left in the fourth quarter due to the 45-point mercy rule.

Allen produced 22 points in the first quarter to take control of the game early. The Eagles scored first on a 19-yard touchdown pass from Corey Uldrich to Bart Sachau. Uldrich added the PAT kick and the Eagles led 7-0.

Following a Scott Blohm interception, Uldrich found the end-zone on a three-yard plunge and added a two-point run to put Allen up 15-0. Sachau added a six-yard run later in the quarter to help Allen take a commanding 22-0 lead following Uldrich's PAT kick.

The only score of the second period was a Blohm reception of an Uldrich pass from 17 yards out. Uldrich's PAT kick put the score at 29-0 at halftime.

In the third quarter, Allen scored on their first two plays from scrimmage. Uldrich sprinted 53 yards for the first score, then following a Humphrey punt, Aaron Smith rumbled 55 yards for another score to put the Eagles ahead 41-0 after three quarters.

The final score of the game came early in the fourth quarter when Uldrich found Smith on a 29-yard pass play, giving Allen the 47-0 win.

Head coach Dave Uldrich praised the Eagles for a strong effort against a big and athletic Humphrey team.

"We played a pretty physical style of football," said Uldrich. "The defense worked in practice on responsibility football very well and it showed."

Allen accumulated 407 yards in total offense while holding Humphrey High to just one first down and 57 total yards in the

game.

Smith led a balanced rushing attack with 99 yards on 10 carries and one score. Sachau followed with 97 yards on 13 rushes and one score while Uldrich contributed 83 yards on eight attempts and scored twice.

Uldrich completed 7 of 14 passes for 94 yards and three touchdowns. Brett Koester was 1 of 3 passing for nine yards.

The leading receiver was Smith with three catches for 43 yards and one touchdown. Blohm hauled in two passes for 28 yards

and one touchdown. Sachau added two receptions for 23 yards and one score while Duane Rahn finished with one catch for nine yards.

Defensively, Blohm led the Eagles with 13 tackles, an interception and a fumble recovery. Andrew Sachau had eight stops and a recovered fumble.

The Eagles close out the regular season in Vermillion at the Dakota Dome tonight (Thursday) with a game against Niobrara set to begin at 6:30 pm.

Wakefield volleyball team wins triangular

The Wakefield volleyball team downed Emerson-Hubbard and Hartington Cedar Catholic Tuesday evening at the Hartington CC triangular.

The Trojans opened with a 9-15, 15-10, 15-8 win over Emerson-Hubbard.

Gina Dutcher led a balanced hitting attack with nine kills for Wakefield. She also had 11 set assists and three blocks. Vanessa Nelson followed with eight kills and seven digs while Alissa Bressler added seven kills and a team-high four blocks.

Nicki Greve produced a team high nine digs to go with five kills and two ace serves and Amanda Nelson dished out 12 assists and had seven digs. Katie Jensen added four blocks and four kills in the win.

Jaimy Albrecht's 11 digs helped Wakefield defeat Hartington Cedar Catholic 15-4, 15-12.

Greve led the team in kills with five, followed by Vanessa Nelson with four. Dutcher finished with eight set assists, seven digs and

four blocks while Amanda Nelson distributed seven assists and had six digs.

Wakefield earned a Lewis and Clark Conference victory at Coleridge last Thursday evening 15-9, 15-10.

Jensen and Dutcher had five kills each for Wakefield. Greve followed with four kills and had a team-best nine digs to go with six ace serves.

Amanda Nelson dished out 10 set assists and had six digs while Vanessa Nelson contributed eight digs and Dutcher accounted for seven assists. Alissa Bressler led the Wakefield defense with three blocks.

Wakefield also captured the JV game over Coleridge 15-7, 15-13.

The Trojans, now 14-10, will host Winside (tonight) Thursday evening, then play in the Lewis and Clark Conference Tournament Monday and Tuesday. Wakefield, the defending champions, will face Wausa Monday around 7 pm at Newcastle in the team's first match.

Minn.-Duluth edges Wayne State women's soccer team

The Wayne State women's soccer team put a scare into Northern Sun Conference leader Minn.-Duluth Saturday afternoon in Duluth before falling by a 2-1 score.

The host Bulldogs scored twice in the first half to take a 2-0 lead. Wayne State scored late in the second period as Amanda Keller notched her fourth goal of the year. Assisting on the goal were Mary Anne Liebenritt and Michaela Blaylock.

Head coach Rollie Bullock said he was pleased with the way his team played.

"We didn't have anything to lose and played relaxed and had fun," stated Bullock. "The girls also did a nice job of adjusting to their artificial surface."

Minn.-Duluth held a 2-1 advantage in shots on goal over the Wildcats. Goalkeeper Erika Mather finished with four saves in the loss. Liebenritt recorded two shots in the game with Keller notching the other, which was a goal.

Bullock added, "Our team is having success, but it's not showing up on the scoreboard."

Wayne State, 3-11-1 overall and 1-4 in the NSIC, will travel to Southwest State Saturday and Minn.-Morris Sunday with both games scheduled to begin at 1 pm. The Wildcats return home for matches on Oct. 31 against Minn.-Crookston and Nov. 1 with Bemidji State.

Wakefield grinds out win over Homer

The Wakefield Trojans kept their Class C-2 playoff hopes alive with a 21-0 win over Homer Friday evening in Wakefield. The 5-2 Trojans visit Pender (4-3) Friday evening with the winner earning the Class C-2 District 4 championship and a berth in the playoffs.

After a scoreless first quarter, Wakefield would strike in the second quarter on a 21-yard pass play from Aaron Klein to Taylor Peters. Klein's extra point kick gave the Trojans a 7-0 lead at halftime.

In the third quarter, Luke Hoffmann found paydirt on a 16-yard run. Klein's extra point kick

allowed Wakefield to take a 14-0 lead after three quarters.

Cory Nicholson's 66-yard run in the fourth quarter put the game away for the Trojans with Wakefield winning 21-0.

Nicholson finished the night as Wakefield's top rusher with 91 yards on six carries. Hoffman contributed 75 yards on 10 attempts. Both players scored once.

Klein completed 6 of 12 passes for 82 yards and one touchdown. Peters was his top target with two receptions for 56 yards and a touchdown.

Hoffman led the Wakefield defense with 21 tackles, Ryan Otte followed with 14 stops.

Pairings announced for Lewis and Clark Conference Volleyball Tournament

The Lewis and Clark Conference Volleyball Tournament will be played at several sites on Monday and Tuesday, Oct. 27 and 28.

In the Clark Division on Monday evening in Hartington, Hartington High faces Coleridge at 6 pm followed by Wynot against Osmond. The two winners will play each other in the third game of the evening.

Clark Division games to be played at Newcastle find Newcastle meeting Winside at 6 pm, followed by Wakefield playing Wausa and the two winners meeting in the third match.

Lewis Division games at Allen

Monday evening find Homer playing Bancroft-Rosalie at 6 pm with the winner facing Allen in the second round. Allen received a bye in the opening round as the top seed.

Games played at Ponca find Ponca against Walthill at 6 pm with Emerson-Hubbard challenging Winnebago and the two winners to meet in a third match that evening.

The finals will be held at Bancroft-Rosalie on Tuesday evening with the Lewis Division Final set for 6 pm, followed by the Clark Final with the two winners meeting in the Lewis and Clark championship game Tuesday evening somewhere around 8 pm.

Sports Briefs

Wayne 8th graders end season with win

WAYNE-The Wayne eighth grade football team closed the season with a 28-6 win over Hartington Cedar Catholic last Thursday in Wayne.

The Blue Devils scored late in the first quarter on an 80-yard pass from Jesse Hill to Taylor Rately with Cory Harm scoring on the two point conversion. Early in the second half, Harm returned a fumble 45 yards for another score. On Wayne's next possession, Hill scored on a 40-yard option play with Harm adding the two point conversion and Wayne's final score came on a 35-yard run by Matt Poehlman.

Wayne ends the season with a 2-2 record.

Wayne JV spikers end season with loss

WAYNE-The Wayne junior varsity volleyball team ended the season Monday evening at home with a pair of losses to Lutheran High Northeast and Wakefield.

Coach Dale Hochstein said the team had some great hits, ace serves and long rallies, but could not establish the rhythm they had been playing with the last several matches.

Lutheran High downed Wayne in three games, 15-11, 13-15 and 15-12 despite nine points from Melissa Frahm. Jessica Dickey and Emlyn Mann added seven each.

Wakefield swept Wayne 15-11, 15-13. Dickey had eight points in the Wakefield match with Kara Hoeman and Kiley Luhr adding six and five respectively.

Wayne ends the season with an 8-8 record.

Junior high shooting league in Wayne

WAYNE-The City of Wayne Recreation Department will be sponsoring a Basketball Shooting League for seventh and eighth grade boys from Nov. 11 through Dec. 16. A participation fee of \$10 will be required.

Each player will register and pay with the Recreation Department at the Wayne Community Activity Center at their first session. You will not be allowed to participate until fees are received.

The shooting league will be held on Tuesdays from 7-8:30 pm with 40 minutes of shooting and 25 minutes of controlled scrimmages.

For more information, contact the Wayne Recreation Department at 375-4803.

Winside volleyball team drops matches at Hartington Tourney

Hartington High (14-1) handled Winside in high school volleyball Tuesday evening 15-8, 15-13.

Katie Behmer paced the 3-15 Wildcats with seven kills and three blocks. Melyssa Deck had four ace serves with Amy Vansodall adding eight set assists and three aces. Annette Boelter dished out six set assists.

"We changed some things over the weekend that I think helped us," commented head coach Tori Moser. "We should continue to improve as long as we execute the fundamentals."

The Wildcats lost a pair of matches at the Hartington Tournament on Saturday.

Emerson-Hubbard defeated Winside in the first match 15-7, 15-3.

"We just didn't show up for this match," said Moser. "We played well the first few rallies, then our passing broke down and we just fell apart."

Lindsay Harmeier and Melyssa Deck paced the Wildcats with two kills. Vansodall had three set assists and two ace serves. Deck also recorded two aces.

In the consolation match, Wynot topped Winside for fifth place by scores of 15-13, 15-7.

Behmer had four kills with Harmeier, Deck and Rachel Peter contributing three kills each. Vansodall distributed seven set assists with Peter adding two while Sam Bussey, Harmeier and Katie Schwartz each produced one ace serve.

"We played a lot better this

game, but we need to have the courage to finish a game and not get down on ourselves when the opponent scores a few points," Moser said.

In a Lewis and Clark Conference match last Thursday, Allen took care of Winside 15-2, 15-6.

Deck and Behmer produced three kills to pace the Winside attack. Peter had two blocks and Vansodall handed out four set assists.

"Allen is a very strong team both athletically and fundamentally," stated Moser. "They will be tough to beat down the road."

Winside, now 3-15 on the season, hosts Wakefield tonight (Thursday), and will face Newcastle in the first round of the Lewis and Clark Conference Tournament in Newcastle Monday evening at 6 pm.

Mid States Conference Volleyball Tournament pairings released

The Mid States Conference Volleyball Tournament will be played at two sites on Monday and Tuesday, Oct. 27 and 28.

Games to be played at Battle Creek on Monday find Boone Central facing Battle Creek at 4 pm, Madison meets West Point Central Catholic at 5:30 pm. The two losers will play each other at 7 pm followed by the two winners meeting at 8:30 pm.

Madison will play host to the other games with Wayne meeting Hartington Cedar Catholic at 4 pm and Pierce challenging Norfolk Catholic at 5:30 pm. The two losers meet at 7 pm with the two winners scheduled to play at 8:30 pm.

Tuesday's games will be played in Battle Creek with the fifth place match starting at 5 pm, the third place game at 6:30 pm and the championship match set for 8 pm.

Wayne State to host NCAA North Central Regional Cross Country Meet Nov. 8

Wayne State College will be hosting the 2003 NCAA North Central Regional Cross Country Championships on Sat. Nov. 8. The meet will begin at the WSC Recreation Center fields with the women's race starting at 10 am followed by the men at 11:15 am.

The North Central Region is comprised of teams from the Northern Sun Conference, North Central Conference and Rocky Mountain Athletic Conference. In the last 11 years, the men's and women's NCAA Division II National Champion team has come from this region.

There will be 23 men's teams and 26 women's teams competing in the event. Western State of Colorado had captured both men's and women's national championships the last three years in a row.

The women's race entails 6,000 meters, or 3.75 miles, and will feature several All-Americans, including Stephanie Bylander, Alicia Torres and Emily Mortenson of Adams State, Alisha Williams and Kristin Toney of Western State and Sheena Dauer of South Dakota State.

The men will cover 10,000 meters, which equals 6.25 miles. All-Americans that will participate in this year's race include Darik Hoff of North Dakota State, William Banks, Timothy Parr and Chris Siemers of Western State, Josh Merrick, Cele Rodriguez and Matt Levassaur of Adams State along with Brad Lowry and Greg Darbyshire of South Dakota State.

The top qualifiers from this meet advance to the NCAA Division II National Championships in Raleigh, N.C. Nov. 22.

Doug Bereuter visits northeast Nebraska area

Residents of Dakota, Dixon, Thurston and Wayne counties had an opportunity to share with U.S. Representative Doug Bereuter their comments and concerns regarding current national and international issues.

Representative Bereuter began his final round of "Hear the Citizen" meetings at the Wayne Senior Center in Wayne on Oct. 11.

He and his staff then traveled to Emerson to conduct a similar meeting with residents of Dakota, Dixon and Thurston counties. Rep. Bereuter conducted his "Hear the Citizen" schedule in South Sioux City where he toured the community's new City Hall and visited with residents of Dakota County.

During the recent meetings in northeast Nebraska, Rep. Bereuter addressed several issues within the purview of the Federal government including the violence and reconstruction efforts in Iraq, status of the Federal budget and spending proposals, prescription drug coverage proposals for Medicare beneficiaries, benefits for veterans, energy policy and measures to curb the methamphetamine drug problem in Nebraska.

Representative Bereuter conducts "Hear the Citizen" meetings annually in each county of Nebraska's First Congressional District. The meetings give him an opportunity to discuss current issues being addressed in the U.S. Congress. But, most of the time allocated to each meeting is dedicated to listening to the concerns of local residents and answering their questions.

Following the "Hear the Citizen" meetings in Wayne, Emerson and South Sioux City, Representative Bereuter delivered the keynote address at the Oct. 12 dedication ceremony for the Missouri National Recreation River (MNRR) Resource and Education Center at Ponca State Park.

Grace Lutheran Church Fishers of Kids Preschool was dedicated recently. The building is located in the 900 Block of Main Street. Pictured on the front porch are Dan Hansen, Mission Council President; Renae Johnson, Preschool Teacher and Pastor John Pasche, Pastor at Grace Lutheran Church.

Gangwish receives fishing grant

Skipping rocks and tipping canoes may sound like horseplay, but it is part of the education that a Kearney teacher, Megan Adkins Gangwish, was seeking for her students when she applied for a grant to fund a fishing course.

The \$4,900 grant from four national sporting organizations was used to purchase fishing poles, life jackets and other educational materials and Megan Gangwish at Horizon Middle School in Kearney spent 11 days teaching fishing and canoeing to eighth graders in physical education classes.

Students learned about angling and boating skills, safety, ethics, equipment set up and maintenance, fish and their habitat needs and community conservation projects.

Gangwish, other educators and

volunteers from Cabela's Sporting Goods store led nearly 200 students to Cottonmill Park in Kearney for four hours of hands-on learning. Science, geography and history lessons were incorporated into the unit on fishing planned by Gangwish.

Although fishing might not be the most physical of sports, Gangwish emphasized that including it in the gym class reflects "a change in the times."

"Sometimes P.E. classes are just so sports-based that we forget to give students a variety of activities," she said.

Laura Jerome, assistant director of the Future Fisherman Foundation, said more schools are incorporating such lifetime sports into the physical education curriculum.

"It's not something you have to quit when your knees give out — like basketball," Jerome said. "It's also a very inclusive sport. You are

not eliminated because of limited athletic ability or disability."

Horizon was one of 34 schools in 20 states — and the only school in Nebraska — to receive the grant money from the Future Fisherman Foundation, the Recreational Boating and Fishing Foundation, the American Association for Leisure and Recreational Boating and Fishing Foundation. The American Association for Leisure and Recreation and the National Association for Sport and Physical Education.

Gangwish is a 1998 graduate of Laurel-Concord High School and a 2002 graduate of the University of Nebraska-Lincoln. She and her husband, John, live near Kearney where she is the Physical Education teacher at Horizon Middle School as well as the head Junior Varsity and Assistant Varsity volleyball coach at Kearney High School.

She is the daughter of Rick and Joan Adkins of Laurel.

Northeast College music department plans Pops Concert for November

The music department at Northeast Community College in Norfolk continues its concert schedule with a Pops Concert on Sunday, Nov. 2.

The concert, which is free and open to the public, will be held at 3 p.m. in the Cox Activities Center Theater. The Northeast Singers Express, Northeast Girls' Swing Choir, the Northeast Jazz Machine and the Northeast Area Jazz Ensemble will perform.

The Northeast Singers Express, an audition swing choir, performs on campus and goes on tour in the spring to high schools in Iowa, Nebraska, South Dakota and Minnesota.

At the Pops Concert Sunday, Nov. 2, the Singers Express will perform "Soul Man" and "Too Darn Hot," arranged by Mac Huff, and "Spinning Wheel," arranged by Kirby Shaw.

The Girls' Swing Choir will present "Fever" and "I Only Want to Be With You," arranged by Kirby Shaw, and "It's My Party," arranged by Mark Brymer.

Linda Bouillion is the director of the Northeast Singers Express and Girls' Swing Choir.

The Northeast Jazz Machine is an audition jazz band that performs at Northeast basketball

games, goes on a six-day tour in the spring to area schools, and performs at the Pops Concert and spring Post-Tour Concert.

During the Nov. 2 Pops Concert, the Jazz Machine will perform "It's About Time," by Dominic Spera, "Comin' Home Baby," arranged by Roger Holmes, and "Crossfire," by Carl Strommen. Dr. Randall Neuharth is the director of the Northeast Jazz Machine.

The Northeast Area Jazz Ensemble (NAJE) was formed to promote Big Band Music in Norfolk and provide a performance outlet for area musicians. Many members of the ensemble are area band directors. The NAJE performs several concerts a year, co-sponsors the Northeast Jazz and Swing Choir Festival in the spring, and provides scholarships for Northeast music students. The group is also available to play for area events as its schedule permits.

Under the direction of Dr. Neuharth, the Northeast Area Jazz Ensemble will perform "God Bless the Child," arranged by Sammy Nestico, "Brotherhood of Man," arranged by Tony Klatka, and "Joshua," arranged by Larry Kerchner, at the Nov. 2 Pops Concert.

For the Master to release new album this week

"By Grace Alone" is the title of the second album released by the quartet For the Master.

As a celebration of this event, a free concert will be held Sunday, Oct. 26 at 7 p.m. at First Baptist Church at Fourth and Main Streets in Wayne.

The group, consisting of Ken Dahl, Bob Dyer, Eric Smith and Cliff Struble, all of Wayne, has spent approximately four months putting the recording together.

The recording was put together by Dan Kane with Power Base Studio at Wisner. All the songs are

previously recorded selections which the group pays royalties to use.

It includes gospel songs such as "Sinner Saved by Grace," "Show Me the Way to Go" and "Something to Say."

Also on the recording is "Gotta Go Back," the song the quartet sang this summer in Denver, Colo. during Trinity Broadcasting Network and Family Christian Stores nation-wide talent search. The song earned the group fourth place in the competition.

Members of For the Master include, left to right, Cliff Struble, Eric Smith, Bob Dyer and Ken Dahl.

Number of West Nile Virus cases reported climbs to over 2,000

As of Oct. 16, 2003 West Nile Virus cases have been reported to the Nebraska Department of Health and Human Services Regulation and Licensure from the Nebraska Public Health Laboratory (NPHL).

One more death has occurred bringing the total number of deaths so far this year to 19 — adding one man over 65 years of age from central Nebraska.

Other private labs have reported additional positive results, plus positive results found in blood donors bolster the total count to over 2,500 cases. These are not included in the official count because testing standards may differ slightly from those of the NPHL.

For every known case there is an unknown number who were infected but had no symptoms. There is another subset of individuals who were not feeling well but did not seek medical attention or were not tested for various reasons.

Dr. Richard Raymond, chief medical officer for the Health & Human Services System (HHSS) said, "A conservative estimate might be a ten-fold increase from

the 2,005 official NPHL number of people who have been infected and developed immunity, but we will never know for sure."

Raymond said, "At this time it is felt that immunity, as in other viral diseases like Chicken Pox, is probably life long. However, since this is a new disease to the Western Hemisphere, issues of immunity are still being studied."

Historically, states have seen a dramatic reduction in West Nile virus cases after the second year. Raymond said he is hopeful that this fact and a reduction in crows and others may mean Nebraska will see a decrease in cases next year.

Even though the weather is cooler and mosquitoes are less active, people should still take precautions against West Nile virus.

Precautions include:
*Wearing long-sleeved shirt and pants;

*Wearing mosquito repellent;
*Being especially cautious outdoors when mosquitoes are most active — dawn and dusk.

For more information, see the HHSS Web site at www.hhs.state.ne.us

Northeast Community College students plan Halloween Spook-Tacular

Several student organizations at Northeast Community College in Norfolk are combining efforts to brew up a ghoulish good time for area residents this year.

All ghosts and goblins are invited to the Northeast Community College Spook-Tacular Children's Carnival Wednesday, Oct. 29, from 5:30 to 8:30 p.m. at the Northeast Utility Line Shop.

Spook-Tacular is sponsored by the Northeast Community College Student Ambassadors and Student Activities Council. Several student organizations will host booths with games, prizes, candy, and other activities to entertain children.

Games will require tickets, which can be purchased in the entry of the Utility Line/Electricians building before entering the carnival. Ticket prices are 5 for \$1.00. All proceeds will go to student organizations.

Booths will include: old, favorite carnival games, a haunted house, Dr. Seuss's pumpkin patch, a petting zoo, pumpkin bowling, cake walk, and many more. Prizes will be given away at each booth. Other activities like face painting, pictures with Scoopie (Culver's Frpzen Custard's mascot), and more are available for small fees. A caricature artist will also be on hand to draw caricatures for a small fee.

Treats like ice cream cones, popcorn, pop, etc., will also be available for a small fee.

The public is invited to enjoy this family event at Northeast Community College.

For more information, contact Rick Gobin, Coordinator of Student Activities at Northeast Community College at 402-844-7159 or email: rick@northeastcollege.com <<mailto:rick@northeastcollege.com>>

Gathje is homecoming candidate

Left, Lyle Hight, president of Nebraska Health Care Board of Directors presents Twilla Kessinger with the Nebraska Health Care Association Award.

Kessinger receives Nebraska Health Care Association Award

Twilla Kessinger recently received the Nebraska Health Care Association Award. Kessinger has been the resident service director at Premier Estates in Wayne for the past three years. She was among 100 plus long term care employees who were nominated for the outstanding service awards that were presented at the Nebraska Health Care Association and Nebraska Assisted Living Association Annual Convention held recently in Lincoln. A total of 51 awards were presented statewide recognizing individuals for their outstanding service to the long term profession.

Kessinger was nominated by

Diane Schlotman, the administrator at Premier Estates for her leadership and commitment to the residents and staff at Premier Estates.

"Premier Estates is a 72-bed nursing and assisted living facility, which is committed to total health care in an environment that serves, promotes, and preserves the resident's needs as our highest priority," Schlotman said. "We are continuously blending the generations and community together to enhance the lives of the residents with love, caring, patience, and respect. Twilla brings that kind of caring to her job and the facility is proud that she was recognized in this fashion."

West Nile funding sought

With the death toll and case reports of West Nile Virus in Nebraska on the rise, Nebraska's Sen. Ben Nelson is pressuring Congress to provide resources to combat the spread of the deadly disease. Nelson and several colleagues have requested that \$100 million be restored to the program to provide critical funding to state and local efforts to control and monitor West Nile Virus.

"The instances of West Nile Virus are increasing at a rate where local health officials cannot keep pace and local governments will not be able to fully address this problem without help," said Nelson. "We cannot afford to wait another year before providing much needed protection to all Americans from this very serious public health threat. It's time to fund the fight against West Nile Virus."

The Mosquito Abatement for Safety and Health (MASH) Act was signed into law by the president on Aug. 15, 2003. In September, the Senate, with a party-line vote, rejected a plan to provide \$100 million in funding for the program. Sen. Nelson voted to fund the program.

Sen. Nelson and his colleagues wrote to negotiators on the House-Senate conference commit-

tee considering the FY2004 Labor, Health and Human Services appropriations legislation seeking the infusion of funding for West Nile Virus prevention. The letter urged the negotiators to provide the funds to the Centers for Disease Control (CDC) to give the agency the resources to aid states in mosquito and larvae abatement.

Currently the CDC, through its National Center for Infectious Diseases, provides limited funding to states to help with education and surveillance of mosquito-borne diseases. However, this money does not allow for the most critical first step towards preventing mosquito-borne disease - eradicating mosquitoes and their larvae. Without these treatments, mosquito-borne diseases will continue to spread at alarming rates across the country.

The number of West Nile Virus deaths in Nebraska doubled from 2002 to 2003, from seven to 15, and the number of human cases in the state has increased from 152 to 999 over that same time. Nationwide, the number of human cases has increased from 4156 to 6292.

Jon Gathje of Wayne was among the 20 students who were selected as homecoming royalty finalists at the University of Nebraska-Lincoln.

Jon is the son of Richard and Sandra Gathje of Wayne. He is senior in the Hixon-Lied College of Fine and Performing Arts, majoring in music education.

He is involved in the Innocents Society, Hixon-Lied College of Fine and Performing Arts, Student Advisory Board, Camp Kindle,

University Choirs and UCARE.

In an interview prior to the election, Gathje noted that he felt the college's most pressing issue "is the rising cost of education. Many students are overworked and spread thin among so many organizations and classes on campus, they have no time for jobs or income. Then, with annual budget cuts, students are forced to pay more for their education and take out loans that may follow them long into their adult lives."

Gathje also noted that the most important lesson he has learned from his involvement in activities at UN-L is "great decisions and involvement very rarely come about, and it often turns out they aren't all that great anyway. Changes occur with small, everyday things and showing a large amount of caring and interest in everyone."

Other candidates included Greta Leach of Aurora; Andrew Vaughan of Broken Bow; Jeremy

Gallant of Clay Center; Jeremy Emerson of Columbus; Michelle Tetherow-Garwood of Crookston; Reese Pearson of Davenport; Emily Chen, Andrea Gomes, Corrine Kliment and Todd Stohs all of Lincoln; Erin Bader, Lindsey Haller, Paige Phillips, Dustin Sorenson, Jeffrey West and Ryan Wilkins, all of Omaha; Ramzi Dewing of Valentine; Jessica Wertz of Lebanon, Ohio and Zach Kippenbrock of Rogers, Ark.

Enrollment up over three percent at Wayne State College

Wayne State College enrollment is up over three percent this fall. As of the official census date on Oct. 15, new freshman numbers totaled 605, compared to 604 a year ago. Two- and four-year transfer student numbers were 212, up from 205 on Oct. 15, 2002.

One area to see a sizable enrollment increase is continuing education, where two new master's degree in education learning communities were started this fall. Continuing education numbers totaled 388 on Oct. 15, an increase of 76 from fall 2002.

Total Wayne State undergraduate and graduate enrollment reported on the census date was 3,317, an increase of 3.01 percent, or 97 students.

Full-time equivalent (FTE) numbers were up by 3.74 percent.

"This is very good news," said Curt Frye, interim president. "We are pleased that in all categories—new freshmen, two- and four-year transfers, and graduate students—we are seeing increased numbers."

"Our new learning community master's program in education has exceeded our expectations for enrollment, which we're very pleased about," Frye said. "What's best about this census report is that we're seeing an increase in all areas, both undergraduate and graduate. I think that is a reflection both of our programs and our affordability. This is a great way to begin the new school year."

Humane Society plans fundraiser

The Northeast Nebraska Humane Society is planning a fundraiser, "Tree of Lights," to be at this year's Fantasy Forest scheduled for Thursday, Dec. 4, Friday, Dec. 5, and Saturday, Dec. 6 at the auditorium in Wayne.

For a donation, animal lovers can have a red light on the tree in honor of a pet or a white light in memory of a pet. A favorite photo of a pet can also be hung on the tree. Photos can be picked up after the first of the year.

The fundraiser is being held to raise money to help pay veterinarian bills, pay for supplies, buy food for the animals, pay for shots and

spaying for animals, and for improvements as needed.

Anyone wishing to donate and have a light and/or photo displayed on the tree at Fantasy Forest should call Bonnie Langenfeld at Heartland Stainless, Inc., PO Box 374 or 115 Clark Street in Wayne. Or give her a call at 402-375-2055 (work) or 375-4873 (home). Or they can call the Humane Society at 375-3784. Deadline is Nov. 20.

A Christmas gift idea is to illuminate a light for a friend's pet and the Humane Society would send a card to that person letting them know and who it was from.

Volunteers are also welcome to help with decorating the tree. After Fantasy Forest, the tree will be displayed in the front window of Under My Thumb at 111 Main Street.

Anyone interested in the Humane Society can call 375-3784 or come to their meetings which are held the second Thursday of every month at 7 p.m. in the community room at Our Savior Church in Wayne. Everyone is welcome, especially those interested in volunteering or having knowledge in fundraising. This is the first fundraiser of several planned by the Humane Society to raise money to build a shelter.

Learning about trees

Steve Rasmussen, Nebraska Forest Service district and extension forester, recently talked to Wayne Middle School fifth grade students about trees and how to identify them.

Barteck of Tri-State Graduate Center speaks to members of Wayne Rotary

Dr. Lynn Barteck, executive director of the Tri-State Graduate Center in Sioux City, Iowa, recently spoke to members of the Wayne Rotary Club.

She gave the history and an update on the center. In addition to the information she shared at the Rotary meeting, she recently submitted the Center's annual report to the Iowa Board of Regents. The report included a summary of activities and goal accomplishments during the past year and enrollment date. The number of students served by the Graduate Center increased by 2.5 percent from 2001-02 and the number of class registrations increased by 5.8 percent.

Last year, Bellevue University began offering four master's degrees through the Graduate Center; a Master of Business Administration, a Master of Arts

in Leadership, a Master of Science in Computer Information Systems, and a Master of Science in Health Care Administration.

Iowa State University added the

Dr. Lynn Barteck

Master of Community and Regional planning degree and the University of Nebraska-Lincoln added a Master's degree in Family Financial Planning.

One highlight of the year was the visibility the Graduate Center received as part of the Tri-State Governor's Conference. Don

Willoughby, Business Development Coordinator for the City of Sioux City and a Tri-State Graduate Center student, made the presentation about the Graduate Center to the Governors.

Willoughby explained how the availability of graduate degrees in Siouxland aids economic development. Business and professional people are more attracted to the area when graduate degrees are locally available. The states of Iowa and Nebraska along with South Dakota schools provide funding for the operation of the Graduate Center office and the governors all pledged to continue that funding.

The Tri-State Graduate Center co-sponsors the Siouxland Nonprofit Management Academy with United Way of Siouxland and Iowa State University.

In 2002-03, people from nonprofit agencies took classes in grant-writing, governance and leadership, financial management, working with boards, and other subjects. Classes in the second series began in September, 2003.

Use alternative entry strategies when starting a business

Starting a business doesn't always mean starting from scratch.

There are many reasons people go into business for themselves, and there are many options for entering into business. Not only can entrepreneurs enter the business world by starting their own businesses, they also can buy an existing business or buy into an existing operation.

Starting a new business can be the most exciting method of getting into business, as it permits the most freedom. It allows entrepreneurs to develop strategies, marketing approaches and employment requirements.

Inventing a new product can be one way to start a business. When doing this, entrepreneurs must face the reality of the marketplace and determine how to finance the endeavor. They also must understand the limitations of a business based on one product and be prepared to spend a lot of time and energy getting the product in front of potential customers.

Other opportunities exist to make a business out of a hobby. When doing this, entrepreneurs must consider whether the product or service has an economic value in order to make a profit. It's also important to remember when using a hobby as a business, entrepreneurs may not have time to enjoy the hobby the way they once did. For example, if a fly-fishing enthusiast opens a fly-fishing equipment shop, he or she may

have to cut back on leisurely fishing trips to dedicate adequate

Sandy Erston
Dixon County

time to their business.

Many successful businesses have been launched by entrepreneurs who recognized an unfulfilled need, and worked hard to deliver a product or service that would fill it. Others have started businesses based on their specific technical education or have acquired various skills through prior business experience. For example, a nurse may move from hospital-based work to consulting for an HMO on healthcare costs.

Many businesses will buy an existing business to round out the services they can offer. For

instance, a local marketing firm might purchase a direct-mail fulfillment house in order to expand its business. Although buying a business may not offer the same opportunity for creativity as starting a business, there are many ways to express ideas by improving the image, expanding the customer base and streamlining operations.

Buying an existing business can be profitable because it avoids the lead-time normally required to launch a business. It also helps entrepreneurs understand expected income and expenses, acquire an existing customer base and take hold of an established image.

Buying into an existing business can sometimes be less troublesome than starting a company from scratch. Major opportunities are found with companies in the developmental stage, small manufacturing companies or specialty companies. In pursuing this option, make sure the company is financially sound. Ask for a copy of their business plan and study it. Make sure all questions are answered and the current owners also are comfortable with the arrangement.

We have a variety of resources in the Extension Office if you have an interest in starting or acquiring a business. Give us a call. The Dixon County office number is 402-584-2234.

Immanuel Lutheran ladies conduct October meeting

The Immanuel Lutheran Ladies Aid met Oct. 16. The meeting was opened with singing of the hymn "I Love Thy Kingdom Lord." Pastor William Bertrand led the topic on "Fellowship." Nila Schuttler presided at the business meeting. Ten members responded to roll call and Betty Lessmann was a guest. The Visitation report was given by Berniece Rewinkel and Beverly Ruwe. The Aid will provide a Christmas gift for Ada Bartels at the Wakefield Assisted Living facility during the holiday season.

Bev Ruwe gave the LWML Fall Rally report. The Aid has been invited to Guest Day at Immanuel Lutheran at Laurel on Oct. 22. The Christmas luncheon will be held at the Wakefield Senior Center. The birthday of Bev Ruwe was honored with song. The meeting was adjourned with the Lord's Prayer and table prayer. Hostesses were Mrs. Lloyd Roebor and Mrs. Marvin Nelson. The next meeting will be Thursday, Nov. 20 at 2 p.m.

Covenant Players to be in Wayne

The Covenant Players will be performing at First United Methodist Church in Wayne on Wednesday, Nov. 5. A catered supper (\$5) will begin at 6 p.m. and followed by a performance at approximately 7:15. Advance tickets are necessary for the dinner and tickets may be purchased at either the church or by calling the church office at First Presbyterian Church (375-2669) or the United Methodist Church (375-2231). The Covenant Players bring the excitement and impact of Christian drama into the setting of worship. Their plays are fresh, pertinent and thought-provoking. Founded by Director and playwright Charles M. Tanner, this international repertory company has performed over one million times in its 38 year-history, with more than 3,000 plays written specifically for the organization by its founder.

With 80 touring units performing in 60 countries, the Covenant Players challenge people all over the world to take a closer look at themselves and the practice of their faith. Watch yourself though! If you're not careful, you'll find yourself tripped up and challenged -- and having a wonderful time! Covenant Players was created just with that idea - to communicate in a way that's too engrossing to ignore, to enjoyable to get uptight about and too potent and personal to be rationalized away. Covenant Players is a non-endowed, non-profit corporation that consists of 85 touring units who have performed throughout 82 countries on six continents in over 20 languages. Its financial support is derived from the performing engagements and other donations. Covenant Players is totally a ministry of faith.

WEEKLY Health TIP
Tips to Boost Memory
Treat high blood pressure because it can damage brain cells, cause mini strokes and impair memory. Eat low-fat dairy products and nine servings daily of fruits and vegetables to improve energy and alertness. Exercise is important because there is a strong connection between physical fitness and cognitive function. Be sure to get enough sleep. Stay mentally active; read, play an instrument, learn a language, play chess or get a new hobby. Check with your pharmacist about your medication's possible impact on memory.

Walkers leave First Church of Christ on the annual CROPWalk in Wayne on Oct. 12

CROP Walk is a success

The Wayne Community Wide CROP Walk was held Oct. 12 on what was described as "a beautiful day." There were 39 walkers present with 19 of them from Our Savior Lutheran Church; 19 from United Methodist Church and one from St. Mary's Catholic Church. A total of \$1,400 was raised to help fight World Hunger. Genelle Gardner was the walker who raised the most money and Andrea Wert was second in raising the most money.

Twenty-five percent of the money stays in Wayne, going to the Food Pantry and the Wayne Ministerial Fund. Balloons were provided by Lois

Hall from the Wayne Greenhouse and Gatorade was donated by Quality Foods to refresh the walkers at the end of the walk. The Wayne Newman Club and the First United Methodist Church provided waterstands.

Organizers have issued a thank you to those volunteers who helped with water stands, registration, recruiting and marking the route.

A special thanks has also been extended to members of the congregations and the Wayne Community for pledging to support the walkers. Support for this project makes it possible to help the hungry people around the world.

Annual Fall Festival to be held at Calvary Bible Church in Wayne

Calvary Bible Evangelical Free Church of Wayne, assisted by First Church of Christ and Praise Assembly of God Church have planned a "Fall Festival" for Saturday, Nov. 1.

The event is designed to be a Halloween alternative and will run from 4 to 8 p.m. at the church at Fifth and Lincoln Streets.

The event is being coordinated by Theresa Keeney. Assisting her are Pastor Cal Kroeker, Rose Maxon, Dennis Bentz, Lynette Carmichael and Bonnie Fluent. The theme for this year's event

is "Amazing Stories of the New Testament." Theme rooms include The Birth of Jesus, Fishers of Men, Feeding of the 5,000 and Paul and Silas in Prison. In addition, there will be a cake walk and other carnival styled games.

In addition, a maze constructed of more than 200 appliance boxes will be located in the church sanctuary for those in attendance to travel through.

High school students are invited to go through the maze on Friday, Oct. 31. Teens will have to work their way through the maze in

complete darkness and it may take up to an hour to complete.

There will be pizza and pop available for a small fee. Admission to the maze which will begin at 8:30 p.m.

"This is the second annual Festival for area churches. Last year over 200 attended. We are hoping to surpass that number this year. It has been in the planning stages since late August," Mrs. Keeney said.

The festival will have carnival type games in each room and those attending are welcome to wear cos-

umes. It is designed for pre-school through middle school age students, but the whole family is invited to come watch the children play games.

"This is designed to be a wholesome, fun activity for the whole family. Hot dogs, chips and pop will be available for a small fee," Mrs. Keeney said.

Admission price for those children attending will be an unopened bag of store-bought candy.

For more information, contact the church office at (402) 375-4946.

A number of carnival-type games will be available at this year's Fall Festival.

Last year's Fall Festival at Calvary Bible Evangelical Free Church was attended by over 200 people. Organizers are hoping for a larger crowd this year.

Winside auxiliary meets on Oct. 13

The American Legion Auxiliary Unit #252, Roy Reed Post, Winside, met Oct. 13. President Pat Miller presided. The meeting was opened with the flag salute, reciting the preamble to the constitution and singing of "The Star Spangled Banner." Eight members answered roll call. The secretary and treasurer's reports were read and approved.

The unit has received recognition as reaching 100 percent membership. Greta Grubbs received the "Working Angels" award for this achievement. The Chapter Charter was draped for deceased member Yleen Cowan. Correspondence was read from Department President Lynne Wild expressing thanks for hosting the Leadership Council.

The group voted to make donations to the following: Veterans Home Assessment, Gifts for Yanks, Gift Shop Assignment, American Youth Conference, Emergency Auxiliary Fund, President's Project, Children's Miracle Network, American Legion Child Welfare, Veterans' Day Dollars and Norfolk Veterans Home Assessment Fund. The poppy order was sent in. The Americanism Contest will

be held for grades three through 12. Judy Jacobsen and Beverly Neel are in charge. By the next meeting, members are to bring personal hygiene items for the local service men. Pat Miller closed the meeting. Hostesses were Evelyn Jaeger and Pat Miller. The hostesses for November will be Janice and Christina Mundil.

DAV auxiliary meets with Ruth Wacker

The Wayne County Disabled American Veterans Auxiliary #28 met Oct. 13 at the home of Ruth Wacker. Commander Eveline Thompson presided at the meeting. Acting chaplain Ruth Wacker gave the opening prayer, which was followed by the Pledge of Allegiance to the flag. Several communications were discussed. Eveline Thompson gave a report on the supper that was

held at the Norfolk Veterans Home on Sept. 22. It was learned that DAVA member Opal Rohde recently passed away. New program books for the year 2003-04 were distributed. The acting chaplain gave the closing prayer. The next meeting will be Monday, Nov. 10 at 8 p.m. at the home of Ruth Wacker. Neva Lorenzen served lunch following the meeting.

Church Women United to gather

Church Women United will meet on Friday, Nov. 7 for World Community Day. The gathering will begin at 1:30 p.m. at St. Mary's Catholic Church

in Wayne. This year's theme will be "Circle of Love." All women of the area are invited to attend.

Granddaughter is pageant finalist

Kari Penlerick, a sophomore at Alliance High School, finished as a top six finalist in the Miss Nebraska Teen USA Pageant. Kari is the daughter of Del and Lorna Penlerick of Alliance and the granddaughter of Norma and LeRoy Penlerick of Dixon. The pageant was held Oct. 2-4 in Norfolk. Kari competed in the swimsuit and evening gown competition as well as personal interviews with five judges. The Miss Nebraska Teen USA pageant is the state pageant that determines who will compete in the national Miss Teen USA pageant.

from the propane station, south of Allen on Highway 9. Several band members were dressed up in costumes, and all contributed to the staged events and scary activities. There were two trips. The first one was at 6 pm for the second graders and younger. There were two flat beds of kids on this trip. The second trip left at 7:30 pm. This trip was suggested for 3rd to 6th graders. This group also needed two flatbeds. Both trips ended at the Fire hall. The kids then received hot dogs and hot cocoa, and a drawing was held for prizes. Each person completing the ride received a bag of Halloween treats. Following the hayrack rides, there was a dance held in the firehall for the older kids.

The recent contest was hosted at Oakley, Kan., which will also host the National Contest in 2004.

child again what would you like in your Halloween sack? Secretary Mary Lou Koester read the minutes of the September meeting. Treasurers report was

given by Paulette Kumm. Bills were allowed. Membership Chairman Wanda Novak reported that she has received two new junior memberships. Wanda also donated three stuffed animals that are to be sent to the Omaha Veterans Gift Shop. These stuffed animals are for the Veterans to purchase for gifts. Members voted to send \$10 for "Gifts for Yanks Who Gave." Correspondence was read from District and State Presidents. President Phyllis and husband Hugh O'Brien Commander attended a very informative leadership meeting at Calloway, Nebraska.

Poppy makers are needed, kits are available from Department, so our Allen unit is going to send for a kit, and members will make the poppies to sell for Poppy Day in May 2004. County Government Day will be Oct. 29 in Ponca in the old gym. Registration will begin at 9 am with a program of speakers and flag demonstration to follow. Lunch will be served to about 225 students. Chocolate chip cookies are to be furnished by Auxiliary Units. Jean Morgan, Lois Stapleton, and Donna Stalling will furnish these. County Government students will go to the Court House and the ASC office after lunch.

Allen Unit is sponsoring "Make A Difference Day" at the Senior Center on Oct. 25 at the hours of 8 am to 11. Coffee and rolls will be served. Members are to furnish the goodies.

County Convention will be Nov. 11 at Newcastle. Ladies tea will begin at 4 pm at the Legion building, with meeting following. At 6 pm the banquet will be at the Fire Hall.

Allen Legion and Auxiliary meetings will meet at 7:30 pm on the second Monday of the month. Hostesses for October were Paulette Kumm and Delores Koch. They are also asked to furnish cookies for the Blood Mobile Nov. 17 when it again returns to Allen. Hostesses for November meeting will be Margaret and Chris Isom.

Oktoberfest

Attends ethnic festival

It's 10 am on Tuesday morning and Lynn just called from the Herald, so I'd better get cracking on this. Our breakfast guests visited at the table a bit longer than I anticipated they would. That seems to be an occupational hazard here.

We did make it to an Oktoberfest celebration on Saturday that was more like the real thing. I had driven by a huge building on South 120th Street in Omaha that said German-American society and always wondered what was inside.

One day, on channel 7, we caught a cute older fellow all dressed in authentic German costume, touting their coming celebration at the German-American society. He even said there would be a large-screen TV for viewing the game, which we weren't set up to get.

That did it for the Big Farmer. We drove there Saturday morning, paid a \$3 admission, and had a fun day. We went first to the basement "ratskeller" and found a comfortable chair in front of the television.

Then, I bought two dinners of brats, kraut, and German potato salad (accompanied by Paulinus beer, which the label says has been an Oktoberfest beer since the 1600s) and enjoyed that while Texas A and M promptly made a field goal. We thought then it could be a long afternoon, but by

the end of the first quarter, I was more encouraged.

I found pieces of Black Forest cake and we finished those off.

The Farmer's Wife
By: Pat Meierhenry

Then I left Mike to worry about football and I went back upstairs to the polka music. There were some very good dancers; it reminded me of a pub in Bavaria we visited in 1990.

Before the game was over, a bunch of fellows, all in leder hosen, began singing German songs, accompanied by an accordion. Following that was the ceremonial tapping of the keg and more music.

By now, Mike had joined me, and we watched German folk dancing, in beautiful costumes. Some of the dancers were quite

young, and there was a youth group that included one very serious young man who could not have been more than five. They were great.

When we left at 5:00, a band from Minnesota had just started playing. The hall itself resembles a beer garden, and there are coats of arms representing all the German provinces. Plus, flags of every color. It really is a very nice place, and we hope to go back for a German Christmas on Dec. 7. If you can't go there for market, this has to be the next best.

Last week seemed to fly by, with a talk at York Senior Center and a day at Plattsmouth Middle School, helping with annual exams. For York, I took my Mom and aunt along, and met another aunt there. I was happy to visit with Clarence and Arlene Pfeiffer, who have moved to York from Winside. They seem to have adjusted to their new community very well.

On the day at Plattsmouth, three school nurses and five old retirees did 500 students! That was a very long day, as I was at the eye machine, which gets mighty boring. But now they're done. That school nurse is a friend, and we all like to help her.

Harvest has been in full swing. Who could believe 85 degrees on Oct. 20? We'll enjoy it as long as possible. Next week, back to real time. Now to get this to Lynn before the deadline.

No-till Incentive Program helps area producers

The Lower Elkhorn Natural Resources District (LENRD) will again offer producers the opportunity to enroll land into the LENRD No-till Incentive Program.

The LENRD no-till program is a five-year contract. Any local operator (no custom planting) may enroll a field or portion of a field up to 160 acres in size that is highly erodible land (HEL) or that portion that is HEL. The program will pay the producer \$10 per acre per year for five years. The crop rotation will consist of a corn-soybean rotation. The first year of the program must be soybeans planted into corn stubble on at least 50 percent of the acres. No ground disturbing or crop residue disturbing operations between harvest and spring planting are allowed. No pre-plant N₂ or manure injection and no row crop cultivation are allowed. A maximum of 25% of the row width can be disturbed in the planting operation.

Participants are required to attend two educational sessions, which are developed by the LENRD, Natural Resources Conservation Service (NRCS) and UNL Cooperative Extension. The producer will participate in the Farming for MAXimum Efficiency (MAX) program, an economic analysis tool provided by the conservation Technology Information Center (CTIC).

In addition to participating in educational workshops, the no-till incentive program participants are given a list of all of the other participating farmers, their equipment types, and telephone numbers. This provides an opportunity to network with other no-tillers to share information and solve problems.

No-till farming begins with harvest. If you are considering applying for the No-till Incentive Program, you must avoid any ground disturbing operations after harvest, which would disqualify you.

LENRD Assistant General manager, Ken Berney, says "No-till farming requires producers to be knowledgeable and good managers. Some of the soil benefits take a few years to become apparent. We want producers, not only to try no-till, but to be successful and stick with it."

Watch for new information on the No-Till Incentive Program on the LENRD website. New information and forums will be posting soon at www.lenrd.org.

Producers wanting to enroll should contact their local NRCS office. Applications will be accepted January 1-16, 2004.

THANK YOU

The Wayne VFD extends gratitude and thanks to the many individuals, families, organizations, businesses and industries who promoted and supported our Fireman's Breakfast. We share the success of this fundraiser with you all.

CARD OF THANKS: We would like to thank everyone for the cards, flowers, memorials, and food that was brought in. A special thanks to Pastor Sue Banholzer, Pastor Nan Tomlinson-Knoell, Amy Cooper and the ladies for serving the lunch. Also, the doctors and nurses at the Pender Hospital and Pender Care Center. It was all very much appreciated. —The family of Grace Murray.

THE DAUGHTERS of Bette Ream wish to express our sincere thanks to all those who sent cards, brought flowers, and made so very many visits to our mother during the past three months. You have been so kind and such tremendous friends. Thank you to Mom's church family at First Baptist for your faithful visits. We especially want to send our appreciation and love to Don and Joyce, and Virginia. —Judy, Jerri, & Mary

PROCEEDINGS WAYNE BOARD OF EDUCATION REGULAR MEETING

October 13, 2003

The regular meeting of the Wayne Community Schools Board of Education was held at the Wayne High School, Wayne, NE on Monday, October 13, 2003 at 7:10 p.m. Notice of the meeting and place of agenda was published on the Wayne Herald.

The following board members answered roll call: Bill Dickey, John Dunning, Sue Gilmore, Carolyn Linster, Kaye Morris and Dean Carroll.

Approval of the Agenda: The agenda was amended by adding thank you's to the banks for the Opera Omaha performance. A motion was made and seconded to adopt the amended agenda. Motion carried.

Approval of Minutes from Previous Meetings: Motion made and seconded to approve the amended minutes of the previous meetings. Motion carried.

Pre-Scheduled Communications from the Public: None.

Communications from the Public on Agenda Items: None.

Personnel:
Approval of German Students to Take a Trip to Chicago - Edith Zahniser explained the trip that she would like to take with the German students. She told of the German Christmas Fair and the different sights they are planning to see. There will be a total of 12 people going. They will leave on a Saturday morning and return Sunday night. Motion made and seconded to approve this trip. Motion carried.

Approval to Hire a full-time and a 1/2 time Technology Staff Members - The full-time position is to replace the person lost last year and the half-time position will be working interlock with Emerson-Hubbard Community Schools. Amy Woerdmann is coordinating work between the two schools. A motion made and seconded to approve the hiring. Motion carried.

Approval of Hiring Part-time Kitchen Help - Not to exceed 10 hrs. a week - A motion was made and seconded to approve the hiring of Susan Ganscomb and Candace Bernagen as part-time kitchen help. Motion carried.

Resignation of Vicky Schwartz - Motion made and seconded to approve with regrets the resignation of Vicky Schwartz. Motion carried.

Hiring of Rochelle Nelson as Business Manager - Around 20 applications were received and Dr. Reinert interviewed five. Motion made and seconded to hire Rochelle Nelson as Business Manager. Motion carried.

Financial Claims and Reports: Motion made and seconded to approve the financial claims and reports as presented. Motion carried.

Amendment to the 2003-04 Budget and LC2 - The budget was fine, but the money in the General Fund of the LC2 changed. The total amount was the same. A motion was made and seconded to approve the amended 2003-04 Budget and LC2. Motion carried.

Three Year Bank Rotation - Discussion was held on this three year bank rotation. Suggestion was made to have the Finance Committee look at this and bring back comments to the Board.

Gifts:
Foundation - The Board would like to recognize the Foundation for all the work they have done and still are doing for the Kern Track Dedication.

Kiwans - The Middle School would like to thank the Kiwans for the \$500 donation for them to take a field trip to Lincoln. They had a great time. They will be giving a presentation to the Kiwans of what they did in Lincoln.

Elementary Playground - A thank you goes to all the volunteers who helped with the playground. The children are really enjoying it.

Opera Omaha - The Board would like to thank all the banks in Wayne, (First National Bank, State National Bank, Farmers and Merchants Bank, Bank First) and Farmers State Bank of Carroll for donating money to have the Opera Omaha give us performances on October 12th and October 13th. It was a great experience!

Bids and Contracts:
Tax Resolution - A motion was made and seconded to accept the resolution to set the 2003-2004 tax rates as proposed. Motion carried.

Refuse bids - The two refuse bids were discussed. A motion was made and seconded, to accept the lowest bid with Gill Hauling. Motion carried.

Interlock with the Emerson-Hubbard Community Schools - Discussion was held on doing an interlock agreement with Emerson-Hubbard Community Schools on the Technology Program. The opportunities will be immediate and long term. Dennis Linster offered the help from the college on anything that will be needed between the two schools.

Motion made and seconded to approve this interlock agreement with Emerson-Hubbard Community Schools. Motion carried.

Informational Items or Reports:
Faculty - none

Administration -
Building Principals -
Dr. Zeiss: Dr. Zeiss presented a report on attendance at parent-teacher conferences which was comparable with other years. The school annual is going computerized this year. They are using digital cameras for pictures. This will cut projection time in half. Sometime in the future the annual staff would like to invite the Board to see how things are put together.

Mr. Lutt: Mr. Lutt reported that they were one parent with 2 children short of a 100% participation for parent-teacher conferences. It was the first time working with Middle School since these conferences and heard many good comments about it. He spoke on the No Child Left Behind Act and on the STARS 4 Grant.

Mr. McClarnen: Mr. McClarnen stated that the conferences with the elementary went well. He had around 10 parents that did not attend. He had parents fill out a survey about the conferences. They received a lot of positive comments and other ideas to improve the conferences. The parents said having a scheduled time and knowing when to come was great.

Mr. Lofquist: Mr. Lofquist reported that Gerald Lipp received the Distinguished Service Award. On the A+ side, we are working with the State of Nebraska to get a leader for our area. He will have a presentation next month. Mr. Lofquist is also trying to finalize the Flex Funding Grant. SPED spending is down this year.

Mr. Ruhl: Mr. Ruhl reported that the Kern Track Dedication went really well. It was nice meeting the family. The girls golf team is at state and the softball team will be heading to state this weekend. Cross country and volleyball will have their district competition in the next couple of weeks. We only have two football games left.

Superintendent Report:
None.

Board Committees:
Finance - The committee met and discussed the tax request and the correction on the LC2.

Legislative - The committee met and discussed a few policies. They also discussed the Superintendent Evaluation. There needs to be a change in the time for the Superintendent Evaluation.

Public Relations/Facilities - The committee met and discussed the track, roof, scholarship and air conditioning. Bids are being sought on the facility projects.

Old Business:
Wayne Housing Presentation - Dennis Linster came and gave a presentation on the future of Housing Program in the city of Wayne. Many good points were made and a lot of information presented for us to think about for the future.

New Business:
Superintendent's Evaluation - It was discussed to work the evaluation as is and possibly change it for future years. The Board members were given a packet to complete and return to Bill Dickey by the end of the month.

Policy - Policy 2001 was moved to executive session.

Policy 1205 was discussed as to providing the board members four business days instead of five. It was decided that the agenda will be e-mailed to everyone the first Friday of the month so they can have time to look at the items and if they have questions, can contact Dr. Reinert about them before the packet actually goes out. They decided to try this for a couple of months.

Communications from the Public on Agenda Items:
Edith Zahniser - She commented on how she would like the agenda mailed to all faculty.

Judy Pohlman - Judy commented on how she lost use of her printer and has to print to the one in the library. She is concerned about confidentiality. She would like the Technology Committee to consider her when looking into adding or replacing printers.

Peg Lutt - Peg is also concerned about the printer situation. When she has students do a project, they have to print in the library also. This takes a lot of time to print and the students sometimes can't get the results right away. Mrs. Lutt has no one to pick up the completed work until she has a break or at the end of the school day. She also is concerned about privacy issues. She did want to let the committee know that the printers can be updated to our new computers. Mrs. Lutt also commented about spending 4 days preparing the portfolio for the state. She thinks they should consider hiring someone to do the writing of the portfolio. She just wanted the Board to be aware of the time consideration.

Claudia Koeber - Claudia would like the committee to consider the teacher input when working on the printer situation.

Boardsmanship:
NASB Area Board Meeting - Sue Gilmore and Carolyn Linster attended this meeting. They said communication was the main topic of the meeting.

Kern Track Dedication - Everything went smoothly and it was nice meeting the family.

Opera Omaha - There were two performances. Both were well attended. Comment was that it was a great experience for the kids.

WAYNE COUNTY BOARD PROCEEDINGS

Wayne, Nebraska
October 7, 2003

The Wayne County Board of Commissioners met in regular session at 9:00 a.m., on Tuesday, October 7, 2003, in the Courthouse conference room.

Roll call was answered by Chairman Miller, Members Wurdeman and Nissen, and Clerk Finn.

Advance notice of this meeting was published in the Wayne Herald, a legal newspaper, on September 25, 2003.

The agenda was approved.

The minutes of the September 16, 2003, meeting were approved as printed in the Commissioner's Report.

UNL Extension Educator Amy Topp reported interviews for an agent's position between Madison, Pierce & Wayne counties had been conducted and an offer made. A grant was received enabling a bilingual person to be available at the Wayne office two days a week.

Topp asked for comments regarding closing the extension office from December 24th at noon, through January 5th. This time-frame has worked well in the past and no concerns were raised. Topp also stated she would support the board in whatever steps were necessary to address air quality concerns.

Sheriff Janssen reported on dispatching options with area counties. The board will discuss dispatching with City Council members on October 21st. Janssen asked the board to address heating needs for the JDC building, and to consider renting office space in the JDC building to the Red Cross.

Neil Sandahl asked the board to reconsider the tax allocation given to the Wayne Rural Fire Protection District No. 2. The fire district had requested \$39,000 and received and appropriation of \$31,680.86. Sandahl explained that the sinking fund increase was to help pay the \$25,000 still owed on a truck, and also stated that a second truck is leaking. The board had reduced the request of both Wayne and Winside fire departments and agreed to review the allocations before setting tax rates.

NBCS Forms 1-6 were reviewed and signed. They will be submitted to the State Board of Classifications and Standards.

NASB/NASS State Education Conference - This conference is to be held November 19-21 in Omaha. All board members should have registration to Deanna Thompson by October 17.

Future Agenda Items:
Study the establishment of a professional staff group for negotiations.
Study the establishment of a movement matrix for not certified staff.
Study the establishment of a professional development matrix.

Rochelle Nelson as Treasurer of School Board.
3 Year Bank Rotation.

UNMC students celebrate National Pharmacy Week with service projects

Pharmacy students at the University of Nebraska Medical Center will celebrate National Pharmacy Week, Oct. 19-25, by continuing their long-standing tradition of service projects.

On Friday, Oct. 24, College of Pharmacy students will perform diabetes, blood-pressure and cholesterol screenings at Baker's Supermarket, 888 S. Saddle Creek Road, from 9 to 11:30 a.m. and from 1 to 4 p.m. That activity follows two weeks of providing flu vaccinations at several Baker's around the Omaha community.

In addition, pharmacy students will travel to Aurora on Saturday, Oct. 25, to perform health screenings at the Aurora Apothecary pharmacy, as part of the Healthy HEARTland Project. The UNMC chapter of the American Pharmacists Association-Academy of Students of Pharmacy (APhA-ASP) began Healthy HEARTland screenings in 2002.

As part of Healthy HEARTland, students perform screenings for high blood pressure, diabetes,

osteoporosis and high cholesterol. (HEART stands for Health Education Across Rural Towns). The screenings in Aurora will take place from 9 a.m. to noon. The Aurora screenings are the second of six such screenings that are taking place in greater Nebraska this school year.

"The benefits of providing these types of services are two-fold," said Cassie Harrison, a third-year pharmacy student from Papillion. "One, the people in the community will have access to some very valuable screenings that could detect

potential life-threatening diseases. Two, these activities show the types of services that pharmacists can provide."

Kristin Wilson of Wayne is among the UNMC College of Pharmacy students who are celebrating National Pharmacy Week Oct. 19-25.

A third-year pharmacy student, Harrison is president of the APhA-ASP chapter at UNMC. She said that in addition to providing various health-care screenings, pharmacists also are patients' best

resource for information about medications.

"When a patient keeps the pharmacist informed about the prescription and nonprescription medications being taken, the pharmacist can monitor the patient's treatment and help guarantee a healthy result," Harrison said. "We are educated to do much more than stand behind a counter and dispense medications, which is what the traditional view of a pharmacist has been."

UNMC APhA-ASP chapter members and members of other student groups are recognizing National Pharmacy Week with several on-campus activities. A proclamation of National Pharmacy Week was read on Oct. 20, at the College of Pharmacy Building.

In addition to the various screening activities during the week, members of the APhA-ASP will be involved in giving flu shots to employees of UNMC and its hospital partner, The Nebraska Medical Center, through APhA-ASP's Operation Immunization project. That project has garnered the chapter national recognition during the past few years. In 2002, the chapter received the Regional Operation Immunization Award from the APhA, for advancing the pharmacy profession and protect-

ing the public health.

Harrison said that patients should expect a high level of service from today's pharmacists.

"Pharmacists can do a lot to ensure the health of people who take medications," Harrison said. "Some of the medication-counseling services we can provide include drug regimen reviews, drug interaction checks and side-effect monitoring, and we can coordinate patient care with physicians and other health-care providers."

UNMC is the only public health science center in the state. Its educational programs are responsible for training more health professionals practicing in Nebraska than any other institution. Through its commitment to education, research, patient care and outreach, UNMC has established itself as one of the country's leading centers in cancer, transplantation biology, bioterrorism preparedness, neurodegenerative diseases, cardiovascular diseases, genetics, biomedical technology and arthritis.

In the past year, UNMC's research funding from external sources increased by 10 percent and now exceeds \$55.8 million annually. In that same period, federal funding increased by 12 percent and now exceeds \$38 million.

Emergency Food and Shelter Program; Wayne Area United Way; private contributions.

The United Way 2003-04 capital campaign began on Sept. 19. This campaign is running through the end of October. For 50 years, the Wayne area United Way has been providing funds to a number of agencies. Haven House receives United Way funding to assist with the operation costs of their shelter facility and for the publication of their newsletter. Without the assistance of the Wayne United Way, their agency would not be able to provide clients the shelter services that exist. Donations to Wayne United Way are appreciated.

Anyone who is interested in volunteering or would like more information on Haven House can call 402-4633 (Wayne office); 402-254-2553 (Hartington office); or 402-494-7592 (South Sioux City office). Anyone seeking help for domestic or sexual abuse can also call the statewide crisis line at 1-800-876-6238 (24 hours a day).

RC & D update given on upcoming activities

The RC&D gave an update on activities planned. They include:

Corps of Discovery Welcome Center - The Welcome Center is presenting a murder mystery fundraising dinner Saturday, Oct. 25 at St. James Market Place, St. James. Order tickets by calling 402-667-6557.

The Welcome Center is also hosting a fun and educational birding event Saturday, Oct. 25 beginning at 7:30 a.m. at the Welcome Center located on Hwy 81 two miles south of Yankton at the scenic overlook.

Elderhostel - On Sept. 15, the RC&D tourism committee met to discuss further programs with Elderhostel. Ideas included guided and self-guided tours through Native American, German and Czech areas of Northeast

Nebraska. Small towns, vacant "ghost towns", churches, cemeteries, museums, farming operations, stargazing, birding and much more are other opportunities to experience in the area.

The group will meet Nov. 10 to brainstorm and elaborate on tours to promote to Elderhostel.

Food, Land & People - A meeting was held Oct. 20 in Lincoln at the Lower Platte South NRD office to form a state coalition of agricultural, environmental, educational, and natural resource groups to guide the implementation of the FLP program in Nebraska.

FLP has developed 55 lessons to help students in grades preK-12 understand how food and fiber production relates to the environ-

ment and people. These lessons compliment state Ag in the Classroom programs, and Projects WET, WILD and Learning Tree. A grant from the Gardner Foundation to the Nat'l FLP group will be used to pay a program coordinator, provide some travel expenses, purchase training books and other miscellaneous costs.

Lewis & Clark Autumn Outing - 70 passengers enjoyed the fourth annual motorcoach tours Sept. 20 following the Lewis & Clark trail in northeast Nebraska and parts of South Dakota.

Many favorable comments were received. "I liked the concept of hitting the back-roads. I like that kind of traveling. I couldn't believe the bus would venture into an alfalfa field or a cow pasture." "Convenient pick-up locations, well chosen sites visited, appropriate time of year, fascinating narration by tour guide".

State RC&D Association Annual Meeting - This year's annual meeting was held Oct. 7-9 at the Lied Center in Nebraska City. An program and speakers along with educational tours all were part of the conference.

The Northeast Nebraska RC&D came home with Outstanding RC&D Council of the year. Outstanding Performance by a Council Member went to Dale Morrill, Creighton, and Outstanding Coordinator Award was presented to Jan Jorgensen. New state officers are Ted Tietjen, Southwest RC&D, President; Bob Porter, Northeast RC&D, V-President; Mike Williams, Loess Hills RC&D, Treasurer; and Dena Beck, South Central RC&D, Secretary.

Students in Mrs. Kathy Ostrand's Room, top photo, were recognized as the Homeroom of the Month for September. Middle photo, the students, directed by Cheryl Kopperud, sang a patriotic version of the Pledge of Allegiance. Police Chief Lance Webster also attended the event. At right are those students who were selected as students of the month in each homeroom.

Students recognized at Wayne Elementary

Several students were chosen to be Character Train September Students of the Month at Wayne Elementary School recently.

They include:

Mrs. Kris Janke's room, Brandon Bear; Mrs. Ostrand's room, Jackson Blankenau.

Second Grade - Mrs. Suehl's room, Jared Anderson; Mrs. Fredrickson's room, Lauren Gililand; Mr. Jaixen's room, Kayla Janke.

Third Grade - Mrs. Garvin's room, Sydney Burke; Mrs.

Thomas's room, Jaci Lubberstedt; Mrs. Hansen's room, Katlyn Hurlbert.

Fourth Grade - Mrs. Lutt's room, Wyatt Legler; Mrs. Spethman's room, Taylor Burke; Mrs. Ruskamp's room, Marivel Gutierrez

Homeroom of the Month: Mrs. Ostrand's First Grade Students.

NASA scientist to speak at Wayne State

NASA scientist, Robert Phillips, Ph.D., DVM, of Fort Collins, Colo., will give two presentations at Wayne State College on Monday, Nov. 3, from 9-11 a.m. in Gardner Hall auditorium. His first presentation, beginning at 9:00, is "Human Physiology in Space."

The second presentation, which will begin at 10 a.m., is "Reproduction and Adaptation in Space: Can a New Generation Be Born in Space?" His appearance at Wayne State is sponsored by NASA and WSC associates of the Nebraska BRIN Project (National Institutes of Health grant). The presentations are free and open to the public.

"We are designed to live with gravity. Zero gravity challenges nervous, cardiovascular, pulmonary, renal, skeletal and muscular systems. Since the beginning of the space exploration, scientists have studied the effects of this microgravity challenge on comparative and human physiology," said Dr. Barbara Engebretsen, WSC assistant professor, Health, Human Performance and Sport.

"Now the question is expanding as we imagine the possibility of space

colonization. What are the effects of microgravity on reproduction and survival of the species?"

Dr. Phillips received his doctorate in veterinary medicine from Colorado State University, and his Ph.D. in physiology and nutrition from the University of California, Davis. He served on the faculty at Colorado State University from 1964 to 1991, teaching and conducting research. From 1984-1991 he was on leave from the university to NASA, stationed at Johnson Space Center in Houston, training as a payload specialist for a Life Sciences Space lab shuttle flight. From 1992-1994 he was the Space Station Chief Scientist at NASA Headquarters in Washington, DC through a Visiting Senior Scientist program managed by the California Institute of Technology and the Jet Propulsion Laboratory.

Currently, he is professor emeritus in the Department of Biomedical Sciences, College of Veterinary Medicine and Biomedical Sciences, at Colorado State University and spends much of his time helping support outreach and education programs of

NASA's Life Sciences Division.

In addition to Dr. Phillips' WSC presentations, he will present "Voyages of Discovery: Lewis and Clark and the Astronauts" at Western Iowa Tech Community College, 4637 Stone Avenue, Building A, Room 920; on Sunday, Nov. 2, at 2 p.m. He will contrast the parallels of the Corps of Discovery and space exploration. Both Lewis and Clark and astronauts set out to chart "new and unknown frontiers" and while on their missions, were and are physically cut off from their familiar worlds. They were/are dependent on the resources they carry and upon their ingenuity.

The presentation will include photos taken by astronauts of key features of the Lewis and Clark Trail, an overview of the possibility of colonizing space, and how life will be challenged and changed in an environment of microgravity. The presentation is free and open to the public.

For more information, contact Engebretsen at (402) 375-7044 or 7329 or baengeb1@wsc.edu.
