Auditorium rental policy discussed

With the recent renovation of the Wayne City Auditorium, the building is now available for use by the community for various functions.

The auditorium itself is available for rent at a cost of \$150 per day. A set up fee of \$75 is required if set up takes place after 3 p.m. the day prior to the event. The rental fee for non-profit organizations is \$50 per day with no set up fee.

A cleaning or damage deposit of \$50 is required from all renters. This deposit will be returned if all requirements for usage have been met.

Fees for using the North Meeting Room (formerly the Women's Club Room) are \$30 for a half day or \$50 for an entire day. An additional \$5 is charged if the kitchen is used.

Those renting the auditorium are responsible for the initial setup, tear down and clean up of the building. Several other requirements for rental are spelled out in the contract that needs to be signed prior to receiving a key to the building.

A number of reservations have already been received for use of the building through September of 2004,

including weddings, Fantasy Forest, square dancing, pancake feeds and auctions.

A no food or drink stipulation is in effect during auctions conducted at the auditorium. However, food and drink are allowed for other functions. A large covering is available for the floor and is used during auctions and other events to protect the floor.

A grand piano which has recently been tuned, is available for use in the building.

Alcohol may be served at activities if it is furnished by a caterer with a

Nebraska Liquor Catering Permit.

While the major renovation has been completed, additional improvements are being considered for the building. These include changes in the kitchen, the possibility of adding a larger, pop-type cooler and other updates of counter and sink space. Plans call for blinds to be installed on the windows and new windows to be installed on the upper level on the east side of the building.

For more information or to reserve the auditorium, contact Melodie Longe at the city office at 375-1733.

Christmas in the Country Concert to be held Dec. 5, 6, 7

For the second year, a "Christmas in the Country Concert" will be held at The Barn four miles east and one half mile south from 7th and Main in Wayne. The concert will be Dec. 5, 6, and 7 at 7 p.m. each night or for a matinee on Saturday or Sunday at 3 p.m. and will feature For the Master Quartet. (The matinee on Saturday has been sold out).

To assure a seat, tickets are being sold at Bank First and Pac-N-Save or you can call Ruth or Eric Smith at 375-5033.

A meal at 5:30 p.m. is offered before the Friday, Saturday, and Sunday evening performances. Seating for the dinner is limited to 50 people with reserved seating for the concert included, as well as a donation to the Campus Crusade who are going to conference over Christmas. The catered meal will be pork loin, roast beef, potato, salad, vegetables, rolls, dessert, and beverage.

Duane Gangwish of Wayne will serve as Master of Ceremonies for each evening's activities.

For the Master will sing a number of songs, as will Vanessa Nelson of Wakefield, Laura Dyer of Lincoln, Dan Kane of Wisner, Greta Smith, and Chris Duncan, both of Wayne.

In addition, Dan Kane will play the guitar and Cornell Runestad will nar-

Military recognized at Veterans' Day program

Tribute was paid to soldiers, both young and not so young, during Tuesday's Veterans' Day Program at the Wayne Senior Center.

This year's speaker was Dr. Vaughn Benson, Dean of the School of Business and Technology at Wayne State College.

Benson shared stories of his father's military service during World War II and had a power point presentation on his son, Matt's, time spent in Iraq this year. Matt was in the Wayne area early this summer and is currently making preparations to deploy with his military unit to Afghanistan.

Also involved in the program were the fourth grade students from Wayne Elementary School who sang the Pledge of Allegiance and Kevin Hoffart of BankFirst who read "It is the Veteran."

Officer for the day was Lowell Johnson and presentation of the colors was under the direction of Squad Commander Eddie G. Baier.

Fredrick Temme, Chaplain for the day, gave the opening prayer and Fauneil Hoffman, VFW Auxiliary Chaplain, gave the benediction.

Musical selections included "The Star Spangled Banner," "My Country 'Tis of Thee," "America the

Kevin Hoffart, at right in left photo, read "It is the Veteran" to those in attendance at Tuesday's Veterans' Day Program, prior to the release of the red, white and blue balloons.

He was preceded in death by his parents; his wife, Inez in October of 1980; one son, Leland Vogel; brothers and sisters, Hazel Brewer, Verna Asch-Eucker, Allen Vogel, Dorothea Brandstetter, Orville Vogel, Robert Vogel and two siblings in infancy.

Burial was in Greenwood Cemetery in Wayne with the Rev. William Koerber officiating. Price Funeral Home of Hebron was in charge of arrangements.

Three persons arrested in Wayne drug investigation

Three persons were recently arrested on drug charges stemming from an investigation done by the Wayne Police Department and the Nebraska State Patrol.

Kevin Brader, 23, of Pender, Jonathan Webb, 22, of Wayne and a 17 year old juvenile from Wayne are all arrested for distribution of Methamphetamine in Wayne. These arrests stem from an ongoing

investigation that was begun last year. The 17 year old faces one count of distribution of Methamphetamine and the two adults face multiple counts of distribution of Methamphetamine. Formal charges are pending in the Wayne County Court.

Wayne Police Chief Lance Webster said he expects at least one more arrest as a result of this investigation.

Benefit set for Richard Fischer

Several groups are organizing a benefit for Richard Fischer at the Wakefield Legion Hall on Saturday, Nov. 22.

A beef and pork barbecue will be served from 8 to 8:30 p.m. Free will donations will be accepted.

In addition, a silent auction will be held with a variety of

items available for bids. A raffle will also be held.

Funds will be supplemented by Thrivent Financial for Lutherans.

Fischer suffered a rare medical condition this summer and continues to be treated at Providence Medical Center.

Wayne Public Library to celebrate Children's Book Week Nov. 16 - 22

The staff at the Wayne Public Library has invited the public to join them as they "set sail on 'Oceans of Stories'" during the 2003 Children's Book Week celebration at the Wayne Public Library. The week will include two Make and Take Craft Days and the final Fall Story time of the year. This year's celebration runs from Nov. 16-22.

Oceans cover over 70 percent of the earth's surface and have influenced everything on the planet from climate, landscape and flora and fauna to the way people live. It is not surprising, then, that the sea or the beach features significantly in stories from the earliest mythology to the most popular children's writers today.

From Neptune/Poseidon, mermaids, sea voyages, shipwrecks, pirates, smugglers, fishing, marine animals, surfing, to boating and sailing; there are countless opportunities for stimulating the imagination and helping children to learn.

On Tuesday and Thursday, Nov. 18 and 20, children are invited to stop in the library after school for some imagination-stirring crafts. These will be available from 4 to 5 p.m. both days.

The Final Fall Story Time for 2003 will be held Saturday, Nov. 22 at 10:30 a.m. Stories and the craft will focus around the week-long theme of "Oceans of Stories." The public is also invited at this

time to meet the new Children's Librarian, Pam Boehle, who will be joining the library staff on Monday, Dec. 1.

"Pam is a familiar face here in Wayne and has a wonderful rapport with children. We are very excited to have her as the new Children's Librarian," said Lauren Lofgren, Library Director.

September Students of the month include, left to right, Erica Brenner, Matt Poehlman and Courtney Preston. Olivia Orwig was not present for the photo.

October Students of the month include, left to right, Rene Allemann, Shaun Kardell and Max Stednitz. Alesha Finkey was not present for the photo.

Rotary Club honors students

The Wayne Rotary Club is continuing its practice of honoring Wayne Middle School students by recognizing a student each week.

Obesity and Cancer

The study in *The New England Journal of Medicine* states that being overweight can increase the risk of dying from all leading types of cancer. The risks were found to be greater for women. The more overweight, the higher the risk. In America, 31% of adults are considered obese and another 34% are overweight. Researchers believe that 90,000 cancer deaths could be prevented every year if Americans would eat better and maintain a healthy weight.

Goodwill Industries gives thanks

Dear Editor,
Goodwill Industries of Sioux City wishes to take this opportunity to thank the many donors who contributed to the recent Ambassador drive in Wayne. The businesses, families, organizations and individuals who provided donated materials will help Goodwill to meet its goals this year. During our last Ambassador drive, community Ambassador volunteers helped to collect 15,000 pounds of donated materials which will be distributed to any or all of our 16 Goodwill regional store locations. These donations will enable Goodwill to provide services to more than 200 program participants in a variety of locations. Your donations also help to provide jobs to 400 Goodwill employees in four states. When your next Ambassador

trailer arrives, please bring all sellable donations to the trailer location near Pac 'N' Save parking lot, northwest corner of lot. We remind you that Goodwill cannot accept washers, dryers, baby furniture, non-working small appliances and large household furniture, as Goodwill cannot sell many of those items and must pay to have them hauled away. Please do not leave donated materials at the trailer location if the trailer doors are closed. We have found that donated materials set outside of the Goodwill trailer are often subject to vandalism or theft. Again, we thank your community for its generosity of spirit in helping Goodwill achieve its mission. We look forward to serving you soon.

Jenny Lindgren,
Ambassador Assistant

Rules of the South

Many of you must think that people in the South are different. Well, they are! The pace is slower and the speech...well, the speech is just different. But one thing you can say is we have a wonderful sense of humor. Here are a few more things about the south you should know.

Save all manner of bacon grease. If it can't be fried in bacon grease, it ain't worth cooking, let alone eating. If you run your car into a ditch, don't panic. Four men in the cab of a four-wheel-drive with a 12-pack of beer and a tow chain will be along shortly. Don't try to help them. Just stay out of their way...This is what they live for. Don't be surprised to find movie rentals, fryers and fishing bait in the same store. Remember: "Y'all" is plural. There is nothing sillier than a Northerner imitating a Southern accent, unless it is a Southerner imitating a Boston accent. Life is slower here, except on the Interstate. Don't be worried that you don't understand anyone. They don't understand you either. No, you cannot order one 'grit', just to try them. The first Southern expression to creep into a transplanted Northerner's vocabulary is the adjective "Big o", as in "big o' truck" or "big o' boy". 85% begin their new southern influenced dialect with this expression. 100% are in denial about it. "He needed killin'" is a valid defense here. If attending a funeral in the South: remember, some of us stay until the last shovel of dirt is thrown on and the tent is torn down. If you hear a Southerner exclaim, "Hey, y'all, watch this!" stay out of his way. These are likely the last words he will ever say. Northerners can be identified by the spit on the inside of their car's windshield that comes from yelling at other drivers. We can laugh at Alabama...and they can laugh at us, but don't let US hear YOU laugh at us. The winter wardrobe you brought out in September there, can wait until December here. If there is the prediction of the slightest chance of even the tiniest accumulation of snow, our schools close and your presence is required at the local grocery store. It does not matter if you need anything from the store, it is just something you're supposed to do. Tornados and Southerners going through a divorce have a lot in common. In either case, you know someone is going to lose a trailer. Florida is not considered a Southern state (except Gainesville). There are more Yankees than Southerners living there. The same has been said about Atlanta, Georgia. Never try to buy a waffle at a steak house... and vice-versa. As you are cursing the person driving 15 mph in a 55 mph zone, directly in the middle of the road, remember, some folks learned to drive on a John Deere and this is the proper speed and lane position for that vehicle. You can ask a Southerner for directions, but unless you already know the positions of key hills, trees, rocks and cows, you're better off trying to find it yourself. That's what my wife says to me at least in wanting to know how to get to Neligh, Ne.

Weighing the benefits of LB775

By Ed Howard
Statehouse Correspondent
The Nebraska Press Association

Some folk say that those tax incentives the state provides for big business are a ripoff. Others say that they have been a boon to Nebraska's economy, and that doing away with them would be economic suicide. What to believe?

The issue is an important one because there is a serious move afoot to give voters the opportunity to repeal the program, usually referred to as LB775. Opponents of LB775 have launched a petition drive aimed at putting repeal of the tax-break package before voters.

This issue, as much as any facing Nebraskans, points to the importance of your local newspaper, and even the ones that might not be local.

Between now and when petition signatures are due next July, there will be lots of things said, and reported, concerning "the LB775 debate."

If the petition effort succeeds and that proposal goes on the ballot, the collective voices on both sides will get loud and sometimes shrill. And they will be unceasing.

And if that petition drive succeeds, the hope in this corner is that there will be some real and informative debates on the issue, accompanied by large quantities of thorough reporting.

Use of programs like LB775, in Nebraska and elsewhere in the country, represent both philosophical and financial considerations.

The states began offering all manner of "incentives" to business

in the 1980s, when the economy was in a slump. The idea was to offer giveaways of various sorts in order to reduce the risks and/or enhance the profits for businesses that could - it was hoped - provide jobs and thus bolster a state's economic fortunes.

The economy has been southward bound for some time, and those tax incentive programs are facing more questions and criticism than ever. And their defend-

ers are as adamant as ever. Again, what to believe?

There is no reason to doubt that all manner of information about LB775 will be presented in Nebraska newspapers, some in-depth and some just at-length, if the petition wins a place on the ballot. It's the job of newspapers to provide all of that information and reporting - in a form that is understandable and useful to you.

It is then the job of the elec-

torate to seek out those stories, weigh the facts and the opinions they report, and then exercise the franchise.

If direct democracy is to be worthwhile, it must be exercised by voters who are well informed - not just opinionated. When direct democracy is merely a tool of whimsy, prejudice or public relations, it is hardly more than mob rule.

NEW BEGINNINGS!

Last Friday, the chamber on behalf of TEAM 15 distributed to retail shops in the Wayne area petitions, similar to those that were signed at the Seniors' Center, regarding the blinking lights at the intersections of Third and Second and Main streets.

Recently many citizens and business owners have expressed concern that the blinking traffic control signals can be a safety issue as well as a negative disruption to the normal commercial flow of vehicles and pedestrians in this busy retail area. The purpose of the petitions is to give people an opportunity to express on a collective basis their desire for the blinking signal (or no signal) idea to be scrapped and replaced by the traditional full stop signal, and to ask the Nebraska Department of Roads to put full stop signals back into the design for the repaving project scheduled for 2006.

Therefore, anyone who believes that the full stop traffic signals should remain is encouraged to sign one of the petitions by noon on Monday, Nov. 17. The petitions will be collected and turned in to the Department of Roads at the public hearing that evening. We have petitions at the chamber office for signature; and if your business or organization wants to have one of their own to collect signatures, you can get a copy at the chamber. We have been asked to provide a couple of representatives to serve on TEAM 15, so our chamber task-

force on the Highway 15 project will be providing input and assistance to the TEAM 15 effort through these representatives as well as serving as a communications channel for TEAM 15 information back to our chamber membership. We all need to be reminded periodically that area shoppers can purchase just about everything they need from Wayne area retailers, and buying locally also significantly helps the local economy. Shoppers at local stores usually get

the best prices and can save a lot of travel time and stress while satisfying their Thanksgiving, Christmas, and other holiday needs.

Money spent in local shops gets deposited in local banks that, in turn, gets loaned out to local business owners for expansion and investing in even more inventories to satisfy the increasing demand for goods desired by shoppers. Money spent locally helps pay wages to local residents who work in the stores or make or provide the goods and services purchased thus resulting in even greater local spending and, again, more wages for area workers.

Since all employees who make their living in this area usually reside in this area, the local real estate tax burden is spread over more homes resulting in lessening the pressure on increasing taxation while providing more and better government services. And, our local business owners are some of the major regular contributors to community projects such as the Community Activity Center and Wayne Chicken Show as well as supporting fund drives like the United Way.

Who hasn't been a part of solic-

ing local businesses for their favorite tax-exempt programs? This sequence, all started by buying locally, is what we call the multiplier effect that, economists contend, results in benefiting the community seven (7) fold. In other words, every \$1 spent locally returns \$7 to the local economy.

Don't forget to consider Chamber Bucks when planning your gift and recognition giving this upcoming holiday season. Chamber bucks are redeemable in Wayne Area Chamber of Commerce member businesses most, of whom, participate. This "check that will not bounce" is available in denominations of \$5, \$10, \$20, and \$25 and can be a perfect choice for someone who likes to select for their own special needs. Many parents of WSC students use this for keeping negotiable funds in their kids' pockets for all their purchasing needs.

You can get Chamber Bucks at the chamber office anytime. If you are planning to make a sizable purchase, it would be best to call ahead at 375-2240.

Until next time, remember, if there is anything that the chamber or Wayne Industries can do for you, please call us.

The next city council meeting will be Tuesday, Nov. 25 at 7:30 p.m. when the council will meet in regular session in the city council room at 306 Pearl Street. **Public hearing on Nov. 17 for Main Street Repaving Project**
At 7:30 p.m. in the city auditorium the Nebraska Department of Roads (NDOR) will conduct a public hearing regarding the design plans and schedule for complete tear out and replacement of Highway 15 paving from Citgo south past the power plant. This project is scheduled for construction in 2006 and will include replacement of sidewalks, storm sewer and street lights. Public hearings are often a boring part of the democratic process but the Department of Roads engineers have worked closely with us to date and they will be here to present the plan and hear from property owners and the public. **Main Street Traffic Signals**

of Roads (NDOR) is proposing that the traffic signals at Second and Main and Third and Main be

eliminated. They would be replaced by stop signs stopping the traffic on Second and Third.

We have received a number of comments from businesses and the public regarding keeping the two traffic signals and will forward those to NDOR.

The mayor and council took action to request that the signals be kept in place after the construction.

Wayne Pedestrian Trail
The trail committee will be looking at optional routes for the Phase II section of the trail this weekend. The proposed Phase II segment begins at the back of Henry Victor Park on the south side of Wayne and extends around to the south, west and north parts of Wayne to end at Rice Auditorium on the WSC campus. The mayor and council have submitted an application for 80 percent of funding for design and construction and will be notified in December if we are awarded funding. Phase II of the trail would be

built in 2005.

Reminder: Keep Your November 1 Utility Bill
The Wayne utility bill that you received on Nov. 1 is your ticket during the next 12 months for two free dumps of a pickup size or less of furniture, appliances, scrap iron, bicycles, lawn mowers, tires, batteries (but not regular garbage or lawn waste, construction waste or shingles) at the transfer station.

- 1) Please sort your load by materials;
- 2) Come during regular business hours;
- 3) We require the original utility bill and not a copy;
- 4) This is a city-wide clean up project and we're accepting materials from the city only and not farm waste;
- 5) WSC students can use their student ID for two free dumps.

rate the Christmas story from the gospel of Luke.

Christmas Concert in the Country will once again be held at The Barn located on Merle and Donna Ring's farm east and south of Wayne. Christmas is the time of year for the Master quartet and their friends gather to sing and tell the greatest story ever told.

Merle and Donna Ring remodeled the barn on their farm and have also recently added another stairs to the upper level deck to relieve congestion. The barn is heated and well lit. People should dress casually and appropriately for the weather.

The Youth Group from Calvary Bible Evangelical Free Church will have concessions available throughout the evening hours.

The Wayne Shuttle will provide transportation to and from the Ring farm. Riders will be picked up at the Main Street office in Wayne and will make as many trips as necessary (times will be announced). Ample parking will also be available at the concert site.

For the Master quartet members Ken Dahl, Bob Dyer, Cliff Struble and Eric Smith, have performed numerous concerts in 2003, including locally the Gospel Sing at Chicken Show, the Fourth of July celebration in Wayne, several fairs (including Dixon and Stanton), several ball games where they sang the national anthem.

In July, the group traveled to Denver to compete in a nationwide talent search contest. There were 1,400 entries in the contest and For the Master received fourth place.

The group has eight other performances this year giving them a total number of concerts of almost 70. The quartet is already beginning to schedule concerts for 2004. For the Master released their first recording in 2002 and their second recording last month. Organizers of the Christmas Concert in the Country encourage everyone in the area to come and be part of the singing, fellowship and holiday cheer.

Community Theatre to stage 'Fools'

The Wayne Community Theatre will perform Neil Simon's "Fools" on Friday, Saturday and Sunday, Nov. 21-23 at Rileys Ballroom in Wayne.

The comic fable centers on a nearly impossible mission for a school teacher.

When young Leon Tolchinsky (Dan Baddorf) walks into the 1890's Russian village of Kulyenchikov to answer a help-wanted advertisement, he is taken aback. Because of an ancient curse, everyone in the village is an idiot. Tolchinsky then learns that he will have to break the curse, or become an idiot, too.

In Neil Simon's comedy "Fools," Dr. Zubritsky (Dr. Richard Votta) and his wife Lenya (Jennifer Nelsen) have sent for Tolchinsky so he can educate their daughter, Sophia (Jenna Paulsen). At first Tolchinsky balks, but then realizes Sophia can save the whole village - including himself.

One of Simon's most respected plays, it is also one of his least known.

In this play, Tolchinsky learns he must get a Zubritsky to marry a Yousekevitch. The problem is, there is no love, says Slovtich the Butcher (John Reans), because a fool cannot know the meaning of love. If Tolchinsky doesn't succeed in his mission within 24 hours, he, too, will become a fool, trapped in Kulyenchikov forever.

Other cast members include Dr. Rob Burrows as Snetsky, the shep-

herd; John Gradwohl as the magistrate; Jenn Keller as Mishkina, the mail carrier; Judy Nemecek as Yenchna, a fishmonger who sells flowers and Eric "Vito" Cole as Count Gregor Yousekevitch.

Mollie Spieker is directing the play.

The production includes a fire, an adoption, a divorce, a wedding and a death in the family, all in one

night.

Friday and Saturday's performances include a dinner prior to the show, beginning at 6:30 p.m. The show begins at 7:30 each evening. Sunday's performance is a show only and begins at 2 p.m.

Tickets are available at Riley's and the State National Bank or from any Wayne Community Theatre board member.

Board approves resignation of WHS principal

By Lynn Sievers
Of the Herald

The Wayne Community Schools Board of Education met Monday night at the high school in Wayne.

Routine business reports and actions included approval with regrets of the resignation of Dr. Don Zeiss, Wayne High School principal. Dr. Zeiss has been a professional educator for 40 years. He has been principal at Wayne High for 30 years. The board thanked Dr. Zeiss for his years of service.

The board also approved Rochelle Nelson as treasurer of the school board.

Discussion was held on the appeal of the valuation gap of the state. Attorneys at Law Perry, Guthery, Haase, & Gessford, P.C., L.L.O. contacted the school informing them they could appeal the State's decision and possibly gain \$69,529. The board approved to hire the law firm and proceed with the appeal process.

Lowell Johnson, Wayne City Administration, spoke to the board about the need for an easement for the City of Wayne Pedestrian Trail.

Johnson said they're asking for two segments at the west end of the practice field (football field to soccer field).

Johnson noted the city is applying for 90 percent cost share funds from the Department of Roads and easements should be in place first before they apply. The board approved to appoint an administrator team to negotiate with the City on this easement.

A number of new policies received first readings. They were #5307 Students Records Access; #5309 Administration of Medication to Students; #6006 Students Field Trips & Excursions; #6010 Graduation Requirements.

The Board went into executive session to discuss personnel.

Another matter the board attended to since their last regular meeting included a special meeting held Oct. 21 at the high school. The purpose of the meeting was to act on an employee resignation. The board went into executive

session. When they came out of executive session, they approved the resignation of Tami Diediker from her employment and all contractual relations with the Wayne School District, effective immediately.

The next meeting will be Monday, Dec. 8 at 7 p.m. at the high school. One agenda item is discussion on the audit.

Homes to be on display next weekend

Editor's note: This is the third and final in a series of articles on the homes that will be part of the Showcase of Homes in Carroll on Friday and Saturday, Nov. 21-22.

Mark and Laurie Gansbom and their two children, Dacia and Sean, moved into this two-story home in December 2001.

The house was built around 1918 from a kit ordered from the Sears-Roebuck Company. It was known as the "Sears House" and was a model home for others that may have wanted to build from a Sears Kit. The house has been remodeled to an extent, but has retained most of the original wood work.

The house will feature a lighted Christmas village; snowmen, including several Snowbuddies; a Precious Moments nativity scene; and many family decorations. Christmas trees include ornaments that were gifts and those made by the family. Snowmen and luminaries will line the sidewalk to the decorated front porch.

"We hope everyone enjoys the Carroll Showcase of Homes," Laurie said.

Also being showcased is the home of Daryl and Christina Mundil.

Their home, built in 1903 by the owner of the lumberyard, has been home for the Mundils and their children, Kyle, 11, Shailynn, 8, and Keith, 5, for five years. It is known in the community as "The Texley House" as that family lived in it for a number of years.

The home features parquet floors, oak carved woodwork and pocket doors.

The home contains four stain-glass windows and a curved window in the front of the house that came to Carroll by train from the east coast. The window cost \$800, one-tenth of the original cost of the home.

The Mundil home will be decorated in a Victorian motif, with lots of gold, burgundy and poinsettias.

Other year-round decorations in the home include antiques the Mundils purchased in Scotland and family heirlooms used to decorate the kitchen.

Tickets for the Showcase of Homes, which will run from 6 to 9

p.m. on Friday, Nov. 21 and from 9 a.m. to noon on Saturday, Nov. 22, can be purchased at Farmers State Bank in Carroll or State National Bank in Wayne.

The Gansbom home was originally built from a kit and known as "The Sears Home." It will be among those on the Showcase of Homes in Carroll.

Original woodwork and stain-glass windows are part of the Daryl and Christina Mundil home. The home will be decorated with a number of Victorian decorations.

Fundraiser set for former WSC student

Gabe Musselman, a graduate of Wayne State College, will be the focus of a fundraiser at the Wayne State Multicultural Center on Monday, Nov. 17.

The event runs from 11 a.m. to 3 p.m.

Musselman, who is currently employed by the Elkhorn Post-Gazette as a reporter, was involved in an automobile accident earlier this year. He suffered two broken legs, a broken jawbone and numerous bruises.

Gabe Musselman

He was hospitalized for a time and later spent time in a nursing home and undergoing therapy.

To help defray the medical costs associated with the accident, the Multicultural Center will have a fundraiser that will include pizza donated by Godfather's Pizza and other refreshments.

The Multicultural Center is located east of the Student Center on the Wayne State campus.

Council takes stand on stop lights

By Clara Osten
Of the Herald

Citing problems with controlling traffic and pedestrian safety, the Wayne City Council went on record in favor of retaining the traffic signals in the downtown business district at Tuesday's meeting.

Earlier this year the Nebraska Department of Roads indicated that with the Highway 15 project scheduled for 2006, the lights would be removed and replaced with stop signs on Second and Third Streets. In the past week, the lights at those intersections have been flashing red and yellow to simulate what would happen if the lights are removed.

City Administrator Lowell Johnson told the council he needed a recommendation from the council to present at the public hearing scheduled for Monday, Nov. 17 at the Wayne City Auditorium.

Approval was given on a request from Brian Gibson and Terry Bear to have a short fireworks display at the Community Activity Center on New Year's Eve.

Several members of the council expressed concern about the noise

created late at night in a residential area. Gibson assured the council that the display, which would last approximately five minutes, will include much smaller fireworks than those used on the Fourth of July. He also said he was coordinating the fireworks display with activities planned at the Community Activity Center (CAC) and would work with Jeff Zeiss of the CAC to help inform those in the neighborhood of the plans.

Betsy Maryott, a math and science teacher at Wayne High School, spoke to the council on a request for the city to participate in a Nebraska Forestry Service Grant to construct an arboretum at the Community Activity Center.

Mrs. Maryott presented a rough draft of a plan to construct the arboretum and explained both what would be done at the site and the costs involved. A portion of the work would be done by students in her Earth Science class and involve planting trees from the city's tree farm and using mulch available from the city. The class would also be responsible for a portion of the maintenance of the area until the grass and trees become

well established. After considerable discussion, which included that fact that some type of maintenance was necessary for that particular area, the city voted to grant approval for the project which is estimated to cost approximately \$7,000. The majority of this money would be spent on rocks for the area. The funding will come from construction funds for the Community Activity Center and not from the operating budget.

A change in the fees for those using the Community Activity Center as part of the men's basketball league was approved.

The fee for those who are members of the CAC will remain at \$25 but the fee for those who are not members will be raised from \$50 to \$65 to help cover the costs associated with the program.

In other action, Mayor Lindau appointed Betty McGuire as the Civil Service Commission Secretary and Kim Kai, Randy Brenner, Randy Pedersen, Jean Karlen and Marty Summerfield to the Main Street Repaving Task Force.

The council's next meeting will be Tuesday, Nov. 25 at 7:30 p.m. at City Hall.

Invites the public to stop in and see what is offered at Eastern Nebraska Computer Services.

Wayne ties school record with 29th win

Blue Devils down Logan View in district volleyball final

The Wayne High volleyball team controlled Logan View last Thursday evening in the Class C-1 District 2 final played at Wisner 15-8, 15-6.

The surprisingly easy win for the 29-3 Blue Devils earned the school a repeat trip to the state tournament while giving head coach Joyce Hoskins her 200th career victory.

"The girls really stepped up to a higher level of play," said Hoskins. "They were totally focused. We made just a few adjustments and went out and played. I am so proud of the entire team."

Wayne used solid serving from senior Stacie Hoeman to pull away from Logan View for a win in the first game.

The Blue Devils held a 9-5 lead over the Raiders when Hoeman served five consecutive points to put Wayne in front 14-5. After Logan View cut the lead down to 14-8, Hoeman delivered an ace serve to seal the first game.

In the second game, Sarah Jensen served three straight points to give Wayne a 4-1 lead and force the Raiders to take a timeout.

Logan View would score the next point to make it 4-2, but Wayne reeled off the next six points to take a commanding 10-2 lead and go on for a 15-6 win in

the second game.

Karissa Hochstein had 12 kills with Allison Hansen adding 11 to lead Wayne in hitting. Hochstein and Rachel Jensen paced the Blue Devils on defense with 10 digs apiece. Sarah Jensen followed with nine digs while Hansen and Micaela Weber each added six digs. Weber dished out 23 set

assists with Rachel Jensen notching two ace serves.

Wayne (29-3) has earned the second seed in the Class C-1 State Tournament and will face Pierce (21-6) in Friday's first round at 12:30 pm at Lincoln Northeast. It will be the fourth time this season the two teams have met with

Wayne winning all three regular season meetings. One of the three wins was a three-game match with the others going two games.

A win would put the Blue Devils in the semi-finals Friday evening at 7 pm with the championship match set for Saturday at Pershing Auditorium beginning at 6:30 pm.

The Wayne volleyball team is all smiles after winning the Class C-1 District 2 volleyball championship in Wisner last Thursday evening. The Blue Devils will be the second seed at this weekend's state tournament in Lincoln with a 29-3 record. Wayne will face Pierce in Friday's first round match at 12:30 pm at Lincoln Northeast.

Krugman, Hochstein selected for Wendy's Heisman Award

Wayne High School's Trevor Krugman and Karissa Hochstein have been nominated for the coveted Wendy's High School Heisman Award.

In order to be eligible, students must have at least a "B" grade average, participate in at least one of 32 sports officially sanctioned

by the National Federation of High Schools and be active in their community.

The Wendy's High School Heisman Award honors the nation's top high school seniors who are leaders in academics, athletics and community service.

Uldrich, Rastede nominated for Wendy's High School Heisman Award

Corey Uldrich and Kelli Rastede from Allen Consolidated Schools have been nominated for the coveted Wendy's High School Heisman Award.

Similar to the collegiate Heisman recognition, this award honors the nation's top high school seniors who are leaders in acad-

emics, athletics and community service.

In order to be eligible, students must have at least a "B" grade point average, participate in at least one of the 32 sports officially sanctioned by the National Federation of High Schools and be active in their community.

Allen outlasts Clearwater to earn state volleyball berth

Allen clinched a berth in the Class D-2 State Volleyball Tournament last Friday evening with a 15-7, 12-15, 15-6 win over Clearwater in the D-2 District 2 championship game played at Wausa High School.

It marks the sixth time in school history that the Lady Eagles have qualified for the state tournament with the most recent appearance coming in 2000.

The 23-5 Eagles set the tone early in the first game, jumping out to a 7-0 lead before the Cardinals scored a point. Allen would control the remainder of the first game and win 15-7.

Clearwater bounced back in the second game and jumped out to a 7-3 lead. Allen would mount a rally, but the Cardinals forced a third game with a 15-12 win over

the Eagles.

Allen took control of the match in the third game by jumping out to a 5-0 lead and went on to top the Cardinals 15-6 to win the match.

Head coach Denise Hingst said it was an exciting win for her team.

"The girls came out on fire and took the first set, but we had trouble with our serve receive in the second set to let them back in the match," remarked Hingst. "The third set went our way as we blocked them defensively when they tried to set up their offense."

Senior Kelli Rastede pounded out 18 kills in the win for the Eagles. Jennifer Keitges followed with nine kills.

Andrea Liebsch had nine digs with Rastede adding eight to pace

the Eagles defensively. Keitges, Alyssa Uldrich and Rastede each contributed two ace blocks.

Samantha Bock dished out 25 set assists with Diana Diediker adding 15. Bock also led Allen in serving with four service aces.

Hingst also praised the huge fan support the team received in Wausa and hopes to see everyone in Lincoln on Friday for the state tournament.

Allen has earned the second seed in Class D-2 and will face Sumner-Eddyville-Miller (11-11) in the first round Friday at 11 am at Lincoln Christian High School.

A win would send the Eagles to the semi-finals Friday evening at 7 pm with the Class D-2 State Championship game scheduled for Saturday at noon at Pershing Auditorium.

The Allen Lady Eagles volleyball team celebrates a district title after downing Clearwater in last Friday's district final at Wausa.

Alyssa Uldrich of Allen spikes the ball past a Clearwater defender during last Friday's district final played at Wausa High School. The Eagles won in three games to earn a trip to the state volleyball tournament.

Allen senior Andrea Liebsch keeps her eye on the ball as she delivers a serve in the Lady Eagles district final win over the Clearwater Cardinals. Allen will make its first trip to the state volleyball tourney since 2000 and the sixth trip in school history.

Wakefield falls in district final

Class C-2 defending state champion West Point Central Catholic topped Wakefield 15-9, 15-8 last Thursday evening in the Class C-2 District 2 volleyball final held at Pender High School.

Amanda Nelson paced the Trojans with four kills and four set assists. Nicki Greve contributed three kills and three digs while Alissa Bressler finished with three kills.

Katie Jensen and Jaimy Albrecht led Wakefield defensively with four digs each. Gina Dutcher handed out six set assists while Jensen led the team in blocks with two.

Dutcher and Jensen each produced one ace serve in the match.

The Wakefield volleyball team finished the season with an 18-12 record.

Hoffman selected for NSAA Award

Luke Hoffman of Wakefield has been selected as one of 48 finalists in the Nebraska School Activities Association "Believers and Achievers" program.

The state-wide program was designed by US Bank and the NSAA to give recognition to Nebraska's future leaders. Member high schools were asked to nominate individuals to be honored.

From those nominees, a group of six seniors will be chosen each

month during the school year as finalists for the award.

All 48 Believers and Achievers will be invited to attend an end-of-the-year banquet in June where eight individuals will be presented with a \$500 scholarship to the college of their choice.

Hoffman, a senior at Wakefield High School, has also been selected as a state finalist for the Wendy's Heisman Award for his strengths in academics, athletics and community service.

Eagles down Wynot 43-30 to reach Elite Eight

Allen football season ends after loss to top-ranked Pope John

The Allen Eagles football team finished their historic 2003 season with a loss to top-ranked Elgin Pope John Monday evening in the Class D-2 quarter-finals of the high school football playoffs.

The visiting Crusaders dominated the Eagles to post a 57-8 victory. The game ended at half-time due to the 45-point rule.

"Nothing we tried was going to fool Pope John," said head coach Dave Uldrich. "They were so quick in relation to us that they flat beat us to every spot on the field we attacked or they attacked."

Pope John took control of the game on the opening drive, marching 65 yards down the field to take a 6-0 lead. The Crusaders wound up scoring 24 points in the first quarter before Allen would get on the board.

Corey Uldrich scored on a one-yard touchdown run with 11:05 remaining in the second quarter, then hit Scott Blohm on a two-point pass conversion to cut the score to 24-8.

But Pope John kept attacking Allen and put up 33 points on five touchdowns in the second quarter to eliminate the Eagles.

"There were many frustrated and disappointed young men on our sidelines, but the community, school, coaching staff and parents tip our hats to the team for an outstanding year," stated Uldrich.

Allen finished with 117 yards for the game while Pope John amassed 352.

Corey Uldrich led the rushing game with 21 yards on 13 carries and a touchdown. Bart Sachau carried the ball three times for six yards and Aaron Smith had one rush for one yard.

Uldrich completed 9 of 18 passes for 85 yards and three interceptions. Duane Rahn hauled in four catches for 62 yards, Scott Blohm made three catches for 23 yards while Smith and Sachau finished with one catch each.

Smith led the Eagles defense with nine stops. Andrew Sachau followed with eight and Uldrich had six.

The Eagles finish their historic year with a 9-2 record. The record surpassed records that have stood for generations, including a first ever playoff berth and victories.

Allen will graduate seven tremendous senior leaders: Scott Blohm, Cody Gensler, Aaron Smith, Bart Sachau, Andrew Sachau, Duane Rahn and Corey Uldrich.

The Eagles reached the Elite Eight with an impressive 43-30 win at Wynot last Wednesday evening.

Despite chilly game conditions, both teams moved the ball at will to provide fans with plenty of excitement.

Wynot intercepted a pass on Allen's first play from scrimmage and scored moments later to take a 6-0 lead.

Allen wasted no time in responding as Corey Uldrich ran 62 yards to set up a scoring drive for the Eagles. Uldrich passed four yards to Scott Blohm for the score, the kicked the extra point to give the Eagles a 7-6 advantage.

The host Blue Devils then countered with a score early in the second quarter to take a 12-7 lead.

Allen quickly drove down the field, capped off by an Uldrich to Duane Rahn pass of 30 yards for another score. Uldrich's two point run gave Allen a 15-12 lead at the 10:07 mark of the second period.

Wynot regained the lead later in the second period on a 23-yard pass play to go up 18-15 with 2:05 left in the half.

The Eagles would score twice in the final minute to keep the lead for good.

Uldrich scampered two yards for a score with 47 seconds left in the half. A two-point run by Uldrich allowed the Eagles to go up 23-18.

Following an Aaron Smith interception, Allen got the ball back and scored on a four yard pass from Uldrich to Scott Blohm with six seconds remaining in the half. A two-point pass from Uldrich to Rahn found Allen leading 31-18 at halftime.

Both teams scored once in the third quarter. After Wynot scored to make it 31-24, Allen responded with a one-yard run by Uldrich to give the Eagles a 37-24 lead after three quarters.

The Blue Devils would score again with 8:00 left in the game to make it 37-30, but Allen put together a 60-yard scoring drive to slam the door shut on Wynot as Uldrich hit Rahn on a 21-yard scoring play with 4:51 left in the game to give Allen a 43-30 lead.

Wynot drove deep into Allen territory with 1:45 left, but a Bart Sachau interception stopped the drive and preserved the win for the Eagles.

"I am very proud of what this

team accomplished," commented coach Uldrich. "The kids did a great job shutting down their rushing attack. This was an effort only a person in attendance could appreciate."

Offensively, the Eagles rolled up 390 yards of total offense to 310 for Wynot.

Uldrich ran 36 times for 250 yards and two touchdowns to lead the Eagles. Sachau added 12 yards on six carries.

Throwing the ball, Uldrich completed 7 of 15 attempts for 99

yards and four touchdowns. Blohm and Rahn each had two touchdown catches. Rahn finished with five receptions for 91 yards while Blohm had two catches for eight yards. Smith also added a key grab for 36 yards.

Defensively, Uldrich led the team with 21 tackles. Rahn added 16 stops, Andrew Sachau had 13, Blohm 12 and Smith 10. Andrew Sachau and Rahn had fumble recoveries while Smith and Bart Sachau made key interceptions in the game.

Allen senior quarterback Corey Uldrich fires a pass to one of his receivers in the Eagles' playoff game at Wynot.

Allen senior nose guard Cody Gensler wraps up Wynot running back Craig Gowery for a short gain.

Wayne State spikers split NSIC road matches--final homestand this weekend

Concordia-St. Paul wrapped up the Northern Sun Conference volleyball title Tuesday evening with a 30-21, 30-21, 30-19 triumph over Wayne State College in St. Paul, Minn. The Golden Bears improved to 27-2 overall and 14-1 in the NSIC.

The Golden Bears hit .294 for the match compared to WSC's .169.

Senior Linsey Boehm had 11 kills to lead Wayne State in hitting. Jacey Kuck followed with nine kills. Julie Jacobsen dished out 34 set assists while Kuck, Michelle Eckhardt, Heather Schuller and Libby Nelson had seven digs each on defense.

The Wildcats surprised Southwest State in an exciting five-set match played in Marshall last Friday evening 30-14, 28-30, 30-27, 27-30, 15-10.

It was the fourth road win in NSIC play this season for Wayne State and dealt the Mustangs' regional hopes a setback at the same time.

"The girls played really well at Southwest," remarked head coach Sharon Vanis. "It was nice to play the spoiler role. For some reason, we seem to play more relaxed on the road."

Five players reached double figures in kills while six players had more than 10 digs in the win:

Eckhardt had 17 kills and 13 digs, Schuller accounted for 15 kills and a team-high 21 digs, Kuck knocked down 13 kills and had 14 digs with Schultz contributing 11 kills and 15 digs.

Boehm produced 10 kills, 12 digs and a team-high four ace serves while Jacobsen dished out 49 set assists and had 11 digs.

Wayne State outthit Southwest State in the match 202-119.

Vanis added that her team's play as of late will give them momentum for next year.

"We are playing much better now and our young kids are improving," she said.

The Wildcats, 10-22 overall and 5-9 in the NSIC, will close out the season at home this weekend, hosting Minn.-Crookston Friday evening at 7 pm and Bemidji State Saturday afternoon at 4 pm.

Sports Briefs

Fink named to All-State Team

WAYNE-Bryan Fink of Wayne has been named to the All-State Cross Country team selected by the Nebraska Coaches Association.

Fink, a junior, captured runner-up honors in Class C for the second consecutive season at State Cross Country Meet held in Kearney last month.

This is the eighth year the Nebraska Coaches Association has recognized athletes in cross country and girls golf for All-State recognition.

Softball coaches wanted

WAYNE-The City of Wayne is looking for softball coaches for the upcoming 2004 season. Ages of players would be 11-16 years old. If you are interested or have any questions, please contact Jeff Zeiss at the Community Activity Center at 375-4803 by Jan. 15.

Walking Club at Activity Center

WAYNE-Members of the Wayne Community Activity Center are encouraged to become a member of the 500 or 1,000 mile Walking Club. Walkers can begin tracking miles on Nov. 3 and continue through April 5, 2004. Walking or jogging at the Activity Center or utilization of fitness equipment that records miles is also acceptable. For additional information, contact Jeff Zeiss at the Recreation Department at 375-4803 or stop by the Community Activity Center.

Multicultural Center at Wayne State College

Gabe Musselman a Post-Gazette reporter who started working a few months ago after graduating from Wayne State College was tragically involved in an automobile accident. Gabe suffered two broken legs, a broken jaw, bone and numerous bruises.

To help defray the medical cost, the Multicultural Center will be having a fundraiser that will include pizza donated by Godfather's Pizza and other refreshments. We are encouraging community, faculty, staff and students to attend this event. All donations accepted at the door.

Please join us at the Multicultural Center located east of the Student Center.

Wayne State cross country teams host regional championships

Wayne State College hosted some of the top cross country teams in the nation Saturday at the NCAA Division II North Central Regional Championships. Top-ranked Adams State of Colorado won the women's division with 20 points. Second-ranked Western State came in second with 53 points, followed by South Dakota (150), South Dakota State (155) and Colorado Mines (167). The top NSIC team was Minn.-Duluth, finishing ninth with 255 points.

Wayne State placed 22nd out of 26 teams with a score of 611 points. Freshman Ashley Smith of Thurston led the women's team by finishing 105th out of 172 runners in 24:52.

Other finishers included: Angie Kraus, 121st at 25:29; Nicole McCoy, 124th in 25:33; Haley Reeves, 130th at 25:49 and Erin Norenberg, 131st in 25:50.

Coach Brink said the women's team had their best effort of the season.

"Our runners all had either a season best or lifetime best in their respective race," Brink

remarked. "They were fourth best of the NSIC teams, which was an improvement from the conference race two weeks ago. The girls are all young, so this season's experience will serve them well for next year."

On the men's side, Adams State of Colorado, ranked number one in the country, won the event with 33 points. Third-ranked Western State of Colorado placed second with 50 points, followed by North Dakota State (122), South Dakota State (128) and Minn.-Duluth (146).

The WSC men's squad finished in 17th place out of 23 teams with a score of 524. The top finisher was McCook freshman Jeremiah Herron, who placed 80th out of 141 runners with a time of 34:08.

Sophomore Ben Crabtree followed in 88th place at 34:30, Nick Hansen, a senior from Osmond, was 114th in 36:04, Nate McIntire was 120th at 37:04 and Troy Schaaf finished 135th at 39:24 on the 10,000 meter course.

Brink stated that the men's team had a good meet.

"Jeremiah and Ben, both had

personal bests and competed very well. Nick ran through some serious pain that he has been battling in his lower leg for much of the season," said Brink.

Brink added he was pleased with how Wayne State College hosted the regional event.

"From a meet management standpoint, I thought everything

went as well as I could have hoped for. Several coaches commented on how well organized and planned out the meet was," commented Brink.

The top five teams in each division now advance to the NCAA Division II National Championships in Raleigh, N.C. on Nov. 22.

WSC men open hoops season at Chadron State Saturday night

Three full-time returning starters, a strong second half finish from last season and a promising recruiting class have Wayne State men's basketball fans looking for big things in 2003-04.

Rico Burkett begins his fourth season as head coach of the Wildcats after a 13-15 mark last season. The 2002-03 'Cats posted a 6-3 conference mark in the second half of the season, leading to big things from a veteran group returning this season.

Burkett feels experience will be one of the strengths to this year's team.

"Since I've been head coach, this is the first time we've had a veteran group to start the season," Burkett commented.

Senior Todd Klosterman heads the list of returning starters.

The 6'6 forward earned All-NSIC honors last season after leading the Wildcats in scoring (16.0) and rebounding (6.4) per game.

Also returning in the frontcourt is senior Tim Gesell, who averaged 3.5 points and 4.1 rebounds a contest. The South Sioux City product is considered the top defender for the Wildcats.

Sophomore guard Dusty Smith (Sioux City North) will be looked upon to run the show after averaging 7.7 points a game and shooting 37 percent from the three-point line in his freshman campaign.

The other projected starters for the Wildcats are Derek Archer and Brett Cain.

Archer is a 6'4 guard from

Bancroft who averaged 5.3 points per game last season. He is considered one of the top shooters on the team.

Brett Cain, a 6'8 junior, will start at center after a strong off season according to Burkett. Cain started nine games last season and averaged 6.3 points and 4.1 rebounds per game.

Three other Wildcats saw plenty of action last season. Colin Tague, a 6'7 senior, will backup Cain at center. He averaged three points and two rebounds per game last season.

Brett Watson, a 6'7 junior, was a key figure off the bench last year and adds size and scoring to the small forward position. He produced 8.6 points a game along with 3.1 rebounds per contest.

Tom Sherlock, a 6'9 sophomore, stepped in and started 13 games last season, averaging 3.5 points and 2.4 rebounds a game.

Headlining the strong recruiting class is Dallas Hodges, a 6'3 guard from Cedar Rapids, Iowa. Burkett says Hodges will backup Smith and Archer at the guard positions and "will affect both ends of the floor with his play."

Other newcomers include Matt Rathje, a 6'8 center from Watkins, Iowa; Eric Johnson, a 6'7 forward from Newell, Iowa and Bryce Caldwell, a 5'11 guard from Davenport, Iowa.

Wayne State opens the 2003-04 season on the road, playing at Chadron State Saturday evening.

The first home game for the Wildcats is Friday, Nov. 21 against Briar Cliff at 7:30 pm.

Bemidji State handles WSC in Metrodome Classic

Bemidji State used two interception returns for touchdowns and 496 yards of offense to down Wayne State 45-21 Friday afternoon in the 20th annual Northern Sun Conference Metrodome Classic.

Despite being out-gained 151-23 in the first quarter, the Wildcats only trailed by a 3-0 score. But Bemidji State scored three times in a four-minute stretch in the second quarter, which included back-to-back interception returns, to take a commanding 24-0 lead.

The Wildcats put themselves back into the game with a pair of scoring drives before halftime to make the score 24-14.

Quarterback Brett Edwards* connected with Eric Wells on a six-yard pass at the 3:35 mark of the second quarter, capping an 11-play, 77-yard drive, to make the score 24-7. The 'Cats struck again with just 55 seconds left in the half on a 13-yard pass play from Edwards to Travis Mattox to make the score 24-14 at the intermission. The scoring drive covered 76 yards on just four plays.

But Bemidji State regained the momentum in the third quarter with a pair of Eddie Acosta touchdown runs (nine and seven yards) to put the Beavers up 38-14 after three quarters.

Wayne State cut into the lead with a score early in the fourth quarter on a Brett Edwards 17-yard run at the 12:55 mark, making the score 38-21.

Bemidji State's Mike Nordyke would close out the scoring with a 41-yard run to make the final score 45-21.

WSC Head Coach Scott Hoffman felt the turning point in the ball game was the two interception returns by the Beavers in the second quarter.

"They made some big plays to put us in a big hole early in the game," said Hoffman. "Otherwise, I thought the teams were fairly equal."

The fourth-year coach praised his team for mounting a comeback after trailing 24-0.

"I thought we showed a lot of heart by coming back in the second quarter. We had a lot of momentum going into halftime with those two scores."

Bemidji State held a 496-411 advantage in total offense over the Wildcats.

Zach Molacek led Wayne State in rushing with 42 yards on eight attempts. Edwards followed with

28 yards on 13 rushes and Tyler Chambers finished with 23 yards nine carries.

Edwards completed 17 of 32 passes for 281 yards with two touchdowns and three interceptions. Chambers hauled in four receptions for 72 yards with Molacek grabbing three passes for 111 yards.

Defensively, Jeremy Neill led the Wildcats with 20 tackles. He also forced two fumbles and had one pass breakup. Senior linebacker Bump Christensen contributed 11 tackles while senior nose guard Nick Wemhoff was credited with 10 stops. Kyle Lingenfelter had one interception for 22 yards.

Wayne State, now 3-7 overall and 2-5 in the NSIC, will finish the regular season at MSU-Moorhead Saturday afternoon at 1 pm. The Dragons are 2-8 and 1-6.

"It will be a tough game at a tough place to play," stated Hoffman. "We will try to send our seniors out on a high note and get a head start for next year by finishing with a win."

Neill earns NSIC honor

Wayne State's Jeremy Neill was named the Northern Sun Conference Co-Defensive Player of the Week Monday afternoon for his performance in the Wildcats' 45-21 loss to Bemidji State at the Metrodome last Friday.

The 5'9, 200-pound junior free safety from Missouri Valley, Iowa notched a career-high 20 tackles for the Wildcats, including nine unassisted tackles. He was also credited with two forced fumbles and one pass breakup.

Haig named to NSIC All Conference soccer team

Three players from the Wayne State College women's soccer team were named to the NSIC All-Conference Team announced last Wednesday.

Junior defender Andrea Haig received First Team honors while junior midfielders Nikki Field and Tanya Mitchell garnered honorable mention recognition.

Haig, from Inver Grove Heights, Minn., scored one goal and had one assist this season for the Wildcats.

Field, of Norfolk, had two goals and two assists while playing in 21 games.

Mitchell, from Wisconsin Rapids, Wisc., scored five goals (second best on the team), along with two assists for 12 points for Wayne State.

The Wildcats finished the 2003 season with a record of 7-13-2 and 3-5 in the NSIC. Wayne State placed third in the NSIC

Tournament after topping Southwest State 3-2 in overtime.

Wayne State women's soccer team takes third at NSIC Tournament

The Wayne State College women's soccer team split a pair of games to earn a third place finish in the NSIC Tournament Finals played in St. Paul, Minn. last weekend.

Top-seeded Minn.-Duluth downed the fifth-seeded Wildcats in Friday's semi-finals 8-1, but Wayne State bounced back with a thrilling 3-2 overtime win over Southwest State in Saturday's third-place game.

The Bulldogs controlled the first game statistically, outshooting Wayne State 36-3 and holding the advantage in shots on goal 17-3.

UMD scored five goals in the first half and added three more in the second.

Wayne State scored midway through the first half on a goal by Nikki Field at the 22:08 mark. Assisting on the goal was Sarah James.

Goalkeeper Erika Mather allowed four goals and notched four saves while playing the first 26:28 of the game. Freshman Mishaline LeRoy recorded five saves and allowed four goals while playing the final 63:32.

Saturday's game saw Maureen Opela score five minutes into the second overtime to lift the Wildcats to a 3-2 victory over Southwest State.

The Mustangs scored in the 31st minute of the first half to take a 1-0 lead at halftime.

Wayne State answered at the 64:39 mark of the second period as Amanda Keller scored on a pass from Brea Rath.

Southwest State regained the lead moments later on a goal at the 67:33 mark to grab a 2-1 lead.

Tanya Mitchell scored the game-tying goal with six minutes left in regulation on an assist from Opela to force the overtime period.

After a scoreless first overtime, Opela scored the game-winning goal, unassisted at the 5:11 mark of the second overtime to give Wayne State the win.

Southwest State held a 25-16 advantage in shots over the Wildcats, including 14-10 in shots on goal.

Mather played the entire game at goalkeeper for the 'Cats and was credited with 12 saves.

Wayne State had two players that were named to the NSIC All-Tournament Team. They were senior forward Amanda Keller and freshman midfielder Maureen Opela.

Minn-Duluth won the championship game with a 2-1 win over Winona State.

The Wildcats will lose six players to graduation. They are Erika Mather, Amanda Ferguson, Sarah Lepak, Brea Rath, Amanda Keller and Anne Paulsen.

Wayne State finished the year with a 7-13-2 mark overall, including 4-1-1 in their last six games.

Children's Book Week will be observed at Wayne Middle School

"Reading is a right! Free to Read," this year's theme for the 84th observance of The Children's Book Council's Children's Book Week, encourages children, and the adults who care for them, to exercise your right by spending some time with a book each day. Children's Book Week 2003 is Nov. 17-23.

Since 1919, educators, librarians, booksellers, and families have celebrated Children's Book Week during the week before Thanksgiving. Book Week events are held in schools, libraries, bookstores, clubs, private homes—any place where there are children and books. Readers are encouraged to check with their local library or favorite bookstore for events highlighting children's books to celebrate Children's Book Week.

More information is available at <http://www.cbcbooks.org/html/bo>

Among the activities planned at Wayne Middle School are:

Monday, Nov 17 - Pop into the library and check out a book. Receive a tootsie pop.

Tuesday, Nov 18 - Teacher Appreciation Day. Thank a teacher for encouraging you to read.

Wednesday, Nov 19 - Sponsor an Accelerated Reader Title. Parents and students can visit the Wayne Middle School Library to sponsor a book title for the Accelerated Reader Program. For only \$2.58 students may choose any title in the Library Media Center and sponsor a book to become an Accelerated Reader test! Anyone is welcome to participate. Contact the Library Media Specialist Jeaneen Kindschuh at the Wayne Middle School Library at 375-2230.

Thursday, Nov 20 - Read and Education Boosters. Everyone is encouraged to visit the school library during Children's Book Week Nov. 17-21.

ZION LADIES AID MEETS

Zion Ladies Aid and LWML met on Nov. 6 with six members and Pastor Riege present.

Christian Growth Chairman Ione Fahrenholz led the group in a devotion entitled "Little White Sneakers" and "Pondering." Pastor Riege presented his topic, "Angels."

President Inez Freeman opened the meeting. For roll call, the

ladies were to put in five cents for every November birthday in their family, 20 cents if no birthday.

A cheer card was sent, Kitchen cleaning will be at 1:30 p.m. on Tuesday, Nov. 18.

President Inez read the report on the fall rally. Zion Aid made a donation of \$50 to the Rescue Mission for their Thanksgiving dinner.

Quilts were packed for the Orphan Grain Train, World Relief, Rescue Mission, and Bright Horizon. They also contributed

Christmas donations of \$10 to nine organizations. They are sending \$100 to Jerry and Carol Loewe, their missionaries in Africa, plus the Christmas Stockings and Bake sale proceeds.

December 4 is the date of the Aid noon Christmas party, with Aid members bringing two covered dishes and four bake sale items. LaVerda and Ione will take care of the bake sale. Diane will take care of the gifts. Inez and Joyce will be hostesses. Inez and Diane will be in charge of flowers.

Altar Guild members are Inez Freeman, Liz Weich, LaVerda Kruger, and Fran Anderson.

Election of officers was held: President, Diane Koepke; Vice President, Joyce Saegbarth; Treasurer, Inez Freeman; Secretary, Donna Kruger (second year).

President Inez closed the meeting and Pastor Riege led the group in prayer, Lord's prayer, and table prayer. November wishes went to Lorena Weich.

Hostess for the November meeting was Diane Koepke.

Aquila donates to Goldenrod Hills weatherization project

Aquila has a social vision of providing charitable contributions toward human services and energy efficient housing. Goldenrod Hills Community Action (GHCA) received \$500 for their Weatherization program expansion project fund.

Many of the clients in the 14-county service area list Aquila as their gas provider. Approximately 20 percent of those who applied for weatherization were turned down because their homes did not have an adequate roof or foundation. Goldenrod Hills Community Action wants to remedy this situation by expanding their Weatherization program. The project would give the program the ability to repair or replace roofs and foundations on area homes.

Guidelines would limit recipients to those who live in 120 percent of poverty in owner occupied homes. Repair of the roofs and foundations would make the participants eligible for weatherization funds provided by the U.S. Department of Energy and the Low-Income Home Energy Assistance Program. These state and federal funding sources do not cover roof or foundation repair.

From July 1, 2002 to July 1, 2003, GHCA helped lower heating and cooling costs for 273 income eligible families and elderly. The GHCA Weatherization program provides for the installation of energy saving materials and practices to homes to cut fuel usage year round.

Participants include income-eligible renters as well as home owners. Weatherization services include insulation of sidewalls,

attics and foundation, door replacement and repair and window repair. The program also provides furnace repair and replacement for homes that meet requirements. Weatherization practices may be applied to mobile homes as well as frame and masonry homes.

For more information about this project or about weatherization services, contact Alice Brand at 402-529-3513 or 1-800-445-2505,

Leseberg opens business in Wayne

Lisa Leseberg, a nationally certified massage therapist, graduated from the Bio-Chi Institute in November 2000 with 1250 hours of massage therapy training. She took her national certification test in March of 2001. She opened Under My Thumb on Main Street in Wayne in July 2003.

People have regular massages for the psychological as well as the physiological benefits. Many people suffer from stress and find that a massage promotes relaxation as it soothes away minor aches and pains. A regular massage encourages good health practices such as proper nutrition, exercise and an overall feeling of youthfulness. Massage makes you more aware of where you hold tension and stress in your body. If you feel healthier, invigorated and more energetic, the massage has been worth it.

She offers an array of different services. Swedish massage is a deeply relaxing massage, which nourishes your body by increasing blood flow to the cells. It also improves overall general circulation of fluids in the body, increases nutrition to the tissues and cells, leaving you feeling refreshed and relaxed.

Hot Stone therapy involves stones heated to 150 degrees and then placed on specific areas of the body. While these stones are releasing their heat she uses other stones in her hands as she massages to increase the warming effect. This is relaxing and worth a try.

Infant Massage incorporates nurturing touch, massage and reflexology in a loving and fun one-on-one interaction that is, nourishment for the baby's healthy development of mind, body and spirit. This is a wonderful experience for the infant and parents.

Reflexology lavishes much needed attention on the most abused and neglected parts of the

body—the hands and feet. It is based on Chinese medicine and the idea that working on specific areas of the feet and hands can stimulate every part of the body.

On site massage offers a change of pace to your work place. Each session can last 10-30 minutes and can effectively ease tension in the neck, upper and lower back, arms and hands. The price of on site massage is negotiable.

Pregnancy massage or prenatal massage is beneficial for women before, during and after pregnancy. Pregnant women watch their body change and experience new feelings including aches and pains with each passing month. Pregnancy massage provides relaxation, along with increased circulation, decreases swelling in the extremities and reduces muscle and back discomfort.

She also offers a wedding package. Massage is a great gift to thank those special people who have helped in the wedding process. This is for those couples who want to give a gift that the wedding party will not soon forget. Call her for more information about this.

Leseberg's hours are 12-8 Monday, Wednesday and Friday and 8-2 on Saturdays (but she notes the hours are VERY flexible). She is open only by appointment and can be reached by calling 375-9070.

Leseberg and her husband, Kory, have a daughter, Savannah, who will be 17 months. She is originally from O'Neill. She came to Wayne about 13 years ago to attend Wayne State College. Her husband, Kory has lived in Wayne all of his life. He is employed with Monona Masonry as a Bricklayer.

Wayne Chamber of Commerce Ambassadors recently gave Lisa Leseberg, owner of Under My Thumb, a welcome to Wayne. Front, left to right, Lowell Johnson, Lisa Leseberg. Second row, Nancy Braden, Nancy Heithold, Galen Wiser, Paula Schwarten. Third row, Pat Gross, Bill Triick, Dr. Joe Reinert, Tim Keller. Fourth row, Mark Sorensen, Bill Dickey, Cap Peterson, and Kevin Hoffart.

Helping a friend

More than 200 people attended a benefit for Larry Wittler in Carroll on Sunday. Those in attendance enjoyed a brat feed and took part in an auction of donated items conducted by Randy Gubbels. Auction items ranged from pies to oil changes and bags of seed corn. Wittler was injured in a work related accident in early August. Matching funds were contributed by Thrivent Financial Services for Lutherans.

Receives award from Nebraska Chapter of the National Association of the Teachers of French

Janet Schmitz, associate professor of French at Wayne State College, has been awarded the 2003 "Grand Prix d'Excellence" by the Nebraska Chapter of the National Association of the Teachers of French (NAATF) at the Fall NILA Conference in Lincoln.

In addition to being named the 2003 Outstanding French Teacher Award, she was also presented with the NILA STAR Award at the conference.

Schmitz's teaching career has spanned more than three decades, ranging from middle school to higher education, and has included leading numerous student trips to Quebec and France.

Janet Schmitz

In addition to preparing many future teachers of French at WSC, Schmitz has organized the annual Modern Language Day programs.

She has also conducted language-learning programs for elementary children, received WSC course improvement grants, and implemented one of the first distance-learning French classes in Nebraska.

Schmitz has made numerous presentations at NILA and NAATF conferences.

She has received National Endowment for the Humanities Awards, and has participated in Nebraska French Teachers Retreats.

Schmitz has also served as both secretary and president of the Nebraska Chapter of the NAATF.

Lifestyle

The Wayne
Herald

Exercise necessary for youth to maintain healthy weight

As obesity in adults continues to climb in the United States, more children also are suffering from obesity than ever before due to a steady diet of sedentary living.

Obesity can lead to increased cases of Type II diabetes and put children at risk of becoming obese adults or developing heart disease or cancer later in life.

However, parents can help their children avoid obesity and all its attendant health problems by helping them break the sedentary lifestyle. Children need calories and nutrition for growth, but they also need to be active so they can burn off those calories.

Nationally, overweight children and adolescents account for about 15 percent of the child and youth population, up nearly four percent from the late 1980's and early 1990's and a three-fold increase since the 1960's.

Parental help is key. Parents need to set an example by being active themselves and planning

family activities such as an after-dinner walk or trip to the park

Amy Topp
Extension Educator
4-H & Youth

Breaking the sedentary cycle is easier said than done in recent years. Youths surf the Internet, play video games and watch television for hours on end, often encouraged by parents who are happy to have the sedentary distractions to keep kids entertained, out of trouble and away from unsafe streets. However, parents still need to take responsibility for their children's activity level.

Parents can set limits on television and video game time and encourage children to be active by planning fun outside activities the whole family can enjoy. An active life is important for children not only physically, but mentally, helping them be creative, eliminate stress and think clearly.

Briefly Speaking

Retired school personnel meet in Wayne

AREA - Thirteen members of the Wayne Area Retired School Personnel met at Tacos & More on Nov. 3. A guest, Lesli Hausmann, became a member that day.

Three of the members attended the State Convention in Grand Island on Sept. 18-19. They included Mary Lou George, Gloria Leesberg and Ruth Grone.

Bill Yost will not be able to continue being president of the State Association of Retired School Personnel. The group voted to make Bill Yost President Emeritus. Bob Kuhn is filling in as president now.

Don Leighton gave a program on school safety. He goes to various schools to check on conditions that may be harmful.

Acme Club gathers at Tacos & More

AREA - The Acme Club met Nov. 3 at Tacos & More with Delores Utecht hosting.

President Verdelle Reeg called the meeting to order. After reciting the common table prayer, Mrs. Utecht treated those in attendance with the pie of their choice.

Bonnadell Koch's thought for the day was "The Law of Nature." Eight members answered roll call by telling what they were most thankful for.

The birthday song was sung for Bonnadell Koch. The club's Guest Day meeting will be Monday, Nov. 17 at Antiques on Main.

Delores Utecht's program was entitled "Genealogy can be History."

Jill Sweetland hosts PEO chapter

AREA - Chapter AZ PEO met at the home of Jill Sweetland on Nov. 4. Assisting the hostess were Annette Rasmussen, Gail Hochstein and Joyce Reeg.

Barbara Kelton presented the program about the life of Sandra Day O'Connor, the first woman appointed to the U.S. Supreme Court. She grew up on a large isolated ranch in Arizona. In the winter she attended a private school for girls after which she enrolled at Stanford University and received a law degree. After returning to Phoenix she held several jobs including assistant attorney general and several sessions in the Arizona Senate. In 1981 President Ronald Reagan appointed her to the U.S. Supreme Court.

The next meeting is scheduled for Tuesday, Nov. 18 at 1:30 p.m. in the home of Betty Reeg.

Questers hold November meeting

AREA - The John G. Neihardt Chapter of Quester met Nov. 3 at the home of Connie Webber Glassmeyer with Linda Anderson as co-hostess.

Ten members attended. After the business meeting, Connie presented a program on "Painted Ladies."

Two of the local members have been selected to serve on the Nebraska State Questers Executive Board. They are Linda Anderson, First Vice-President and Julie Claybaugh, Historian. Julie also serves as the president of the local chapter.

Guests are welcome at the chapter's meetings which are held the first Monday of each month. Anyone interested in joining is asked to call Joyce Saunders at 375-2903.

Newlyweds

Beverly Munter of Wayne and Gem Turkmen were married Oct. 17, 2003 at Yankton, S.D. Parents of the couple are Ilter and Gunay Turkmen of Turkey and Bonnie Munter of Wayne.

Mr. and Mrs. Ehrhardt Ehrhardts to note 60th anniversary

Melvin and Irene (Tietgen) Ehrhardt of Randolph will celebrate their 60th wedding anniversary on Friday, Nov. 28, 2003.

The couple have two children, Lonnie and Diane Ehrhardt of Wayne and James and Yandee Ehrhardt of El Paso, Texas. They also have seven grandchildren and three great-grandchildren.

Cards may be sent to the couple at 511 East Hughson Street, Randolph, Neb. 68771.

November is National Alzheimer's Awareness Month

According to a 2000 U.S. Census, there are 44,036 Nebraskans affected by Alzheimer's disease. Because persons with Alzheimer's often suffer from some form of dementia, which can cause forgetfulness and difficulty with abstract thinking, they are often more vulnerable to telemarketing scams and "get rich quick" schemes.

The State of Nebraska, Office of the Attorney General is committed to ensuring that Alzheimer's stricken citizens are protected.

They are taking steps to see that the perpetrators of these frauds are punished, but citizens can also take measures to protect themselves and their loved ones. For example, never buy from unfamiliar companies, take your time when making a purchase, and don't hesitate to consult with family and friends.

Among the most common frauds targeting seniors is home repair fraud. Seniors, especially those living alone, are often targets for this scam. Typically the scam artist will suggest unneeded home repairs or demand money up-front but never provide the promised services. To protect yourself:

*Never let a door-to-door person inspect your property; *Don't be afraid to ask for identification or obtain multiple estimates; *Don't sign completion certificates or make final payment until all of the work is complete.

If you or someone you know is the victim of a scam, contact the Consumer Protection Division or toll-free at 800-727-6432 or visit www.ago.state.ne.us

Chapter of Red Hat Society forming

An organizational meeting of the nationally known "dis-organized" Red Hat Society was held in Wayne on Nov. 1. Fifteen women from Wayne and surrounding communities met at The Coffee Shoppe to discuss and set up a Wayne chapter of Red Hat's.

Jo Krenk of Wayne was selected as the group's Queen Bee who will set up activities. The name "Red Hat Honey's" was selected for their chapter name.

To attend events of the Red Hats, you must be women of 50 or more years (or you may be a pink

hatter if under 50) and you must attend functions in full regalia (a red hat, purple outfit for the 50 and over women, or pink hat and lavender outfit for those who are younger) and enjoy yourself. There are no dues and no other rules.

The next group meeting will be Saturday, Dec. 6 at The Coffee Shoppe in Wayne for lunch at 11:30 a.m. followed by the Wayne Tour of Homes.

Anyone interested in attending can call Jo Krenk at 375-2008 for more information before Dec. 4.

SENIOR CITIZENS MEET

Hoskins Senior Citizens met on the afternoon of Nov. 4 at the community center to play pitch. Winners were Ed Gnirk, Virginia Kleensang, and Mary Jochens. A no-host lunch was served.

The next meeting will be on Nov. 18.

VISITORS

Ethan and CeCe Wheeler of Omaha visited their great grandparents, the Bill Fenskes on Nov. 1 and 2. The Fenskes visited cousin Marj Richards of Albion

and her daughter Becky Frandsen of West Hills, Calif. at Madonna Rehab Hospital in Lincoln on Nov. 3. Marj is a patient at Madonna.

DORCAS SOCIETY MEETS

The Dorcas Society of Peace United Church of Christ met on Nov. 6 at 1:30 p.m.

Pastor Olin Belt gave the opening prayer. President Lottie Klein presided. Nine members answered roll call. They sang the hostess' favorite hymn, "Come, Ye Thankful People, Come." The birthday song was sung for Lottie Klein.

Correspondence was read from the Norfolk Rescue Mission and the Evangelical Children's Home. Cheer cards were sent and bulletins will be sent to the shut-ins.

The yearly Thank offering will go to a local project. The Craft and Bake sale money will go to Kamp Kaleo near Burwell.

Shirley Mann is the coordinator for the Thanksgiving dinner on Sunday, Nov. 23.

The next meeting will be a no-host dinner at 12:30 p.m. on Dec. 4. They are to invite guests. Christine Lueker will have the program; Lottie Klein and Lorelei Belt will decorate. Lorraine Wesely is in charge of coffee. Names were drawn for a \$4 gift exchange.

The meeting was closed with thought; "Every life we touch is a field. Everything we do and all the words we speak are seed. What will the harvest be?"

Lottie Klein led the Bible study on Isaiah 8 and 9. Shirley Mann was the hostess.

Christmas Fair planned at Wayne United Methodist Church on Dec. 6

A wide assortment of items to complete holiday gift giving will be offered to area residents at this year's First United Methodist Christmas Fair, 6th and Main. Hours for the fair on Saturday, Dec. 6 will be from 10 a.m. to 2 p.m. Shoppers are asked to use the north door of the church.

In addition to various booths, the fair will once again feature a hot turkey dinner that will be served at the church from 11 a.m. to 1:30 p.m. This dinner can also be delivered to your home or office. Meals can also be purchased at the church and taken home.

This year's menu includes a hot turkey sandwich, mashed potatoes and gravy for \$4; half portions for \$2; cold turkey sandwiches for \$2; pie for \$1.50; and coffee or milk for 50 cents. Those wishing to have their food delivered may place orders as early as 9 a.m. with delivery beginning at 11 a.m. Call the Methodist Church at 375-2231 after 9 a.m. the morning of Dec. 6 to place a meal order. For those dining at the church, music will be provided.

This year's fair will include the following booths:

Silent Auction: Nice items that have been donated are in this booth. Shoppers are assigned a number and can bid on the items they want to purchase.

Christmas Cake Walk:

Carroll Presbyterian Women meet

Five members and the Rev. Gail Axen were present for the Nov. 6 meeting of the Carroll Presbyterian Women.

The business meeting was conducted by Eleanor Owens.

Plans were made for a carry-in supper to be held Wednesday, Nov. 19 at 6:30 p.m. Guests are welcome.

For the lesson, Jacquelyn Owens read Psalm 91 and "Miracles."

A cooperative lunch was served.

Children of all ages will be able to buy a chance for a decorated cake or Christmas goodie.

The Taste of Christmas: Shoppers can purchase homemade pies, cakes, breads and rolls, cookies, candies, eggs, canned goods, jellies and jams.

Homespun crafts: Sewn, crocheted and knitted items, embroidery, cross-stitch and other needlework will be featured, along with wood and decorator items.

The Attic: Good, used items of every kind - except clothing - may be purchased at the Attic.

Sugar & Spice: For a small price, sugar cookies can be decorated by individuals of all ages. There will be a limited number of

plates of decorated cookies for sale the day of the fair, but they will take orders.

There will also be a Corsage for Missions table where a \$1 donation to missions will entitle the shopper to a bright, colorful ribbon corsage. This is a special way to say "Thanks," "I Love You," or "I'm Glad we're Friends."

As another gift idea, there will be available a wide assortment of knives offered for sale. Seasonal napkins and a variety of boxed cards will also be available.

Make plans to be part of the fun and start your Christmas shopping too. Anyone with questions about the fair can call the church at 402-375-2231.

October was Head Start Awareness month

The month of October was Head Start Awareness month. Head start is not just a preschool, but it is also a parents resource to helping themselves become stronger within their own families. Since its inception in 1965, Head Start has succeeded by promoting school readiness in children and self sufficiency for their families through Health services, social services, nutritious meals, parent involvement, and early childhood education. The National Head Start

Association is the private, non-profit membership organization that advocates for Head Start in Congress and supports all members of the Head Start community. Since 1973, NHSA has bolstered the quality of Head Start services, promoted the value of Head Start to the public, protected the rights of Head Start parents, improved the skills of Head Start professionals, and allowed Head Start advocates to speak with one, unified voice. A recap at what they did to cel-

brate the month of **October promoting Literacy**: At the start of the month, they started a scholastic book challenge of reading 100 books in one month. This was done to help promote literacy for children who couldn't afford books. Scholastics was giving

books away to the needy for all schools that participated in this event. They reached their 100 books, the children enjoyed marking off everytime they read, or were read too.

For Fire Prevention week, the 6-10th they traveled to the

firestation and toured the hall. The children learned what fireman do, wear and drive. Head Start staff noted that the fireman were wonderful and patient with the children. They gave all the children firehats to wear home. On this day, they all wanted to be firemen when they grew up.

Red Ribbon Week was celebrated the 20th-24th. The Wayne police department came to visit the classroom and talk about drug safety and being aware of strange danger with the upcoming Halloween. That same week, school counselor Joan Sudmann brought some of her middle school students to come entertain the

children with a puppet show about drug safety and awareness.

During make believe week 27th-31st we had special visitors come on the 29th. Mrs. Agler's 5th grade class came and brought rock reading friends for the preschoolers. They are rocks that were decorated by the 5th graders so they would have someone to read too if no one was around and able to do so.

Small houses are being made at school to keep their rock friends in so they will be able to take them out anytime they want too. They shared a day painting a pumpkin together with their friends, and this friendship will continue throughout the rest of the year.

For Fire Prevention week, the 6-10th Head Start traveled to the firestation, toured the hall and got a ride of a fire truck.

Red Ribbon Week was celebrated Oct. 20-24. Officer Gerald Kalinetobe of the Wayne police department came to Head Start and talked about drug safety and being aware of some danger associated with Halloween.

Goldenrod Hills Community Action announces Hunger and Homelessness Awareness Week

Goldenrod Hills Community Action would like to announce that the week of Nov. 16 through the 22nd is Hunger and Homelessness Awareness Week. Mike Johanns, Governor of the State of Nebraska is reserving this week to recognize the need for increased awareness by all citizens of the existence of Nebraska's hungry and homeless population.

A study conducted by Nebraska Health and Human Services and the Department of Economic Development bears out national findings that homelessness is not only caused by a lack of shelter but also involves a variety of unmet needs and underlying social problems including economic gaps, lack of understanding and education, and the need for job training.

In an effort to fill these gaps, Goldenrod Hills Community

Action (GHCA) strives to work together with area agencies to combat poverty, promote self sufficiency and improve quality of life for residents in Northeast Nebraska. GHCA programs include the Commodity Supplemental Food program; Family Services; Every Woman Matters; Immunization; Weatherization; Head Start; HOME; Women, Infants, and Children Nutrition; Lead Screening; Public Health Nursing; Early Child Services Coordination; and Spanish translation.

The agency serves Knox, Antelope, Pierce, Madison, Stanton, Cuming, Thurston, Dakota, Burt, Wayne, Dixon, Cedar, Washington and Dodge counties.

For more information on GHCA programs, call 1-800-426-8855.

Allen students attend National FFA Convention

Five members of the Allen FFA chapter participated in National Convention in Louisville, Ky. from Oct. 28 through Nov. 1.

Members who applied and were selected to go were Angela Dowling, Alicia Gregerson, Carla Rastede, Brandon Sands and Brooke Stewart.

These members, along with Mr. Wilmes, advisor for the chapter, left at 5:30 p.m. on Oct. 28 for Norfolk where they joined five other Nebraska chapters — Crofton, Verdigre, Lyons-Decatur, Newman Grove and one Omaha chapter to load the bus. This bus was one of 12 chartered buses filled with 600 Nebraska FFA members, parents and advisors.

When the group arrived at the Galt House in Louisville ahead of schedule, they found that they could not check into their rooms. The Allen members managed to fit the luggage into the one room that was ready.

While waiting to check in, the Allen group walked to Wendy's for lunch and on the way back stopped outside the hotel to observe a fountain that could be walked through. They also saw large barges being pushed up the river.

After sight-seeing, the group changed into official dress and headed to the first reflection session called "Living the Legacy," along with 43,000 other FFA members from every state. They returned to The Galt House at 9:30 p.m.

The group was awakened at 6:30 a.m. the following morning and ready to go to the convention by 7:30.

The group made it the convention center in time to load a bus to Churchill Downs and Museum. Members watched the racehorses that were training and practicing. They also learned much about the history of Churchill Downs.

After the tour, the group had lunch at Burger King and headed back to the Convention Center.

The Allen members headed for

the National Ag Career Show where they saw country singer Dirk Bently. They then began exploring the 450 display booths. The booths were colleges from across

books with blanks for each of the 50 states so they could communicate with and get the signature of an FFA member from every state. After session four, the members

America, farm machinery businesses, auto businesses and food establishments.

The members had some time to go shopping at the FFA mall before heading to their next destination. The Louisville Slugger is a company making baseball bats for many professional baseball players. The building contains a museum which holds Babe Ruth's famous broken bat. The museum also shows visitors what a 90 mph fastball looks like going from a pitcher to a catcher.

The member then went to the Convention Center where sessions were being held. They got the opportunity to see the National FFA Talent Show. The concert lasted for an hour and then the session began. In this session the members listened to the retiring address of the National FFA Secretary, Seth Heinert.

The Allen Chapter left the session and headed back to the motel for a dance held that evening.

The next morning (Friday) the group again went to the Convention Center to attend session four. Students carried guide-

books with blanks for each of the 50 states so they could communicate with and get the signature of an FFA member from every state. After session four, the members

visited and got to know friends from the 49 other states. The Allen members then went to the Glassworks Company and watched professionals make all kinds of things out of glass. The group saw different techniques on how glass objects are made and those working explained some of the projects being worked on.

After completing this tour, the group stopped at the Convention Center for something to eat and a nap at the motel.

Later they returned to the Convention Center to listen to session seven. They had the opportunity to listen to keynote speaker Robin Roberts, a news anchor for Good Morning America. This was followed by another dance.

Early Saturday (Nov. 1) the group began its way back to Nebraska. Prior to returning the group attended the conferring of the American Degree to recipients.

Those attending reported that "the National Convention was a good learning experience and an inspiration. Any member who has ever had a chance to attend will say that it was an experience of a lifetime."

CITY SLICKERS AND COUNTRY MIXERS 4-H CLUB

The City Slickers and Country Mixers 4-H club met Nov. 1 at

Local FFA chapter presented with Student Manuals and Handbooks

Farm Credit Services of America builds on its commitment to support youth in agriculture by giving back to the community. Financial Officer, Rick Holtzen of Farm Credit Services of America was on hand to present 15 FFA Manuals and Handbooks to the Allen FFA chapter, lead by instructor Tom Wilmes for the 2003-2004 school year.

"Farm Credit Services of America is pleased to make this investment in the youth of tomorrow's agriculture," Holtzen said. "The future of agriculture lies within its youth. That is why Farm Credit Services of America is so heavily involved in FFA, 4-H and other local, state and national agricultural youth programs."

The handbooks provide background information on FFA activities, benefits and opportunities that every FFA student needs.

Planting a Radical Idea

1200 Series ASM Planters

Here's an idea that will really grow on you — the Case IH 1200 Series ASM planters. These planters feature the most accurate metering system in the industry by utilizing the Advanced Seed Meter (ASM) and Early Riser™ row unit to ensure accuracy and productivity. The Early Riser row units puts you in control of your crop's potential while the ASM system ensures accuracy in population control and in-row seed spacing. These two features combine for early and even emergence and high yield potential.

The 1200 series planters allow you to cover more acres in less time without sacrificing productivity and accuracy. Select from four models in nine configurations for a customized solution for your crops and acreage. The pivoting planters are AFS equipped with full variable-rate control for both seed and liquid fertilizer — allowing you to change rates with a push of a button. The central-fill seed system has bulk capacity tanks that provide gentle air delivery of seed to individual rows for accurate metering and placement. All this, and flexible financing, reliable parts and fast service, are available from your Case IH dealer.

Northeast Community College is accredited

Northeast Community College has been reaccredited by the North Central Association for another 10 years, the maximum accreditation period awarded by the Higher Learning Commission.

The announcement was made to Northeast administrators, faculty and staff by Dr. Frank P. Marczak, president of Muskegon Community College, Muskegon, Mich., in an Exit Conference conducted by members of the NCA Consultant-Evaluator Team. "This is a fine, fine institution and there was not much debate about your reaccreditation," Dr. Marczak, team leader, said.

"Northeast is taking proactive steps to recruit non-traditional students and growing minority populations," he said. The evaluation team acknowledged that, "NECC is positioning itself for the future, even with the challenges from the economy."

Approval for the delivery of courses and programs to an unlimited number of sites in the college 20-county service area through the use of distance-learning technology was also granted. "You are to be congratulated for your use of distance learning and technology," Dr. Marczak said.

The team spent two-and-a-half days on campus earlier this week exhaustively studying all areas of the college including academic, business/financial, distance learning, continuing education, diversity, and more and issued its findings in a draft-final report. Team members also visited with students and all three Northeast employee groups including faculty, professional/managerial and classified staff.

The visit followed the compilation of a mandated, comprehensive NECC Self Study Report of over 200 pages. The Self Study team, headed by Northeast's Mary Honke, Davé Kramer and Connie Kube, also included dozens of Northeast faculty, staff and students who spent nearly three years compiling it.

"This self study is a well-, well-

done self study," Dr. Marczak said. "It is a comprehensive, honest, in-depth self study with no punches pulled."

Team members also specified, "Northeast Community College has significantly improved its physical facilities since the last visit in 1993 through renovation and remodeling projects, controlled maintenance and the building of the Lifelong Learning Center." Dr. Marczak also said, "Northeast's expanded technology resources are to be noted in distance education initiatives and academic support."

Planning for the future received significant notice by the evaluators. "Northeast has a strategic plan that has been developed by the college constituents and the community at-large that is strongly embraced and supported," Dr. Marczak said.

"What a great day this has been in the life of Northeast

Community College," said Northeast president Dr. Bill Path. "I am absolutely thrilled that the evaluators feel we are meeting our mission sufficiently to allow us reaccreditation for another 10 years."

Other members of the NCA Consultant-Evaluator Team included Dr. Peggy Cole, English instructor and president of the Faculty Senate at Arapahoe Community College in Littleton, Col.; Dr. Winifred Black, senior vice president at Delta College, University Center, Mich.; Dr. Phillip Birdine, vice president of Oklahoma State University, Oklahoma City, Ok., and Stanton Gartin, dean of career and technical education at Northeastern Junior College, Sterling, Col.; Marjorie Villani, vice president, Fremont campus/ Southwest Center, Pueblo Community College in Canon City, Col., and

Dr. Charles Van Middlesworth, district director for research evaluation and assessment, Metropolitan Community College District, Kansas City, Mo.

Northeast has been accredited by the Commission since 1975 to award associate-level degrees, one-year diplomas and certificates of program completion.

"Accreditation reaffirms the college's credibility. It assures the taxpayers, students and employers that Northeast meets the rigorous standards of excellence," Dr. Path said. "It also allows the college to receive federal dollars for financial aid programs. And finally, it ensures that the college is recognized by other colleges in the transfer of credit between institutions of higher learning."

"The hard, hard work of dozens of people paid off with the announcement today," Dr. Path said.

Mau receives recognition

Mary Beth Mau, CFSP of Bayard, has recently been awarded the designation of Certified Funeral Service Practitioner (CFSP), by the Academy of Professional Funeral Service Practice (APFSP).

Mary Beth is the daughter of Merlin and Connie Brugger of rural Winside. She is employed by Jolliffe Funeral Home in Scottsbluff and Bridgeport and Jones Mortuary in Mitchell.

A number of professions grant special recognition to members upon completion of specified academic and professional programs and "CFSP" is funeral service's national individual recognition.

The Academy of Professional Funeral Service Practice, since its 1976 founding, has had as its goals: 1) to recognize those practitioners who have voluntarily

entered into a program of personal and professional growth; 2) to raise and improve the standards of funeral service and 3) to encourage practitioners to make continuing education a life-long process in their own self-interest, the interest of the families they serve and the community in which they serve.

To initially receive this award, the practitioner must complete a 180-hour program of continuing education activities and events. In addition, the practitioner is required to accumulate 20 hours per year to recertify. Credits are awarded by the Academy for work leading to personal and/or professional growth in four areas: 1) academic activities; 2) professional activities; 3) career review (for retroactive credit) and 4) community and civic activities.
