Memorial Day services planned

Area communities have planned Memorial Day services for this weekend.

At Greenwood Cemetery in Wayne, grave flags will be put on veterans' graves on Friday, May 28 at 6 p.m. The Wayne Boy Scouts and their leaders will be assisting.

Flag poles will be put up on Friday, May 28 at 6 p.m. Flags will be put on the flag poles at the same time.

All flags and poles will be taken down on Monday, May 31 at 6 p.m.

Community members are invited to help in any of these preparations. The Veterans Organizations appreciate the cooperation from everyone in the community.

Memorial Day Services will be held on Monday, May 31 at 10 a.m. at Greenwood Cemetery in Wayne.

The Wayne High School Band will be providing music. Student speakers from Wayne Middle and High School will give special Memorial Day readings.

The Wayne Veterans' organizations will have a special program. Speaker for this year's service will be Steve Gross.

In case of inclement weather, the program will be held in the Wayne High School gym.

Lunch will be served at the Wayne Vet's Club following the service.

At Allen, Memorial Day Services will be held Monday, May 31 at 10:15 am at Eastview Cemetery. Depending on the weather, memorial flags will be put up on Friday evening, May 28.

Services in Carroll will be Monday, May 31, beginning at 9 a.m. at Bethany Cemetery west of Carroll.

The program will then move to the Carroll Auditorium at 10 a.m. This year's speaker will be Mark Ahmann.

In conjunction with Memorial Day, an ice cream social will be held at Bethany Presbyterian Church on Sunday, May 30 at 5 p.m.

The Winside Roy Reed Post #252 will conduct a Memorial Day Program at the Winside Auditorium on Monday, May 31 at 10:30 a.m.

The program will include the Winside School Band and readings by Boys Stater Bryce Roberts and Girls Stater Katie Lage.

The Memorial Day address in Winside will be given by John Duprey.

Following recognition of 50 year continuance members of Post #252, the group will process to the cemetery where the graves will be decorated.

The Winside American Legion Post

#252 Auxiliary will be serving a Memorial Day dinner at the Post Home following the service.

Wakefield's observance of Memorial Day will be held at the Wakefield Cemetery on Monday, May 31 at 2 p.m.

Guest speaker will be Chief Warrant Officer 5 Steven C. Loftis of Lincoln. The 2004 program is being dedicated to all World War II veterans.

Among those involved with the program will be American Legion Post #81, Veterans of Foreign Wars Post 5765, the Sons of the American Legion and the auxiliaries of the two posts.

The Rev. Sue Banholzer will give the invocation. Jim Clark will lead the Pledge of Allegiance and introduce the guest speaker. The Wakefield High School Band will also be part of the program.

Donations are needed for Project Permanency

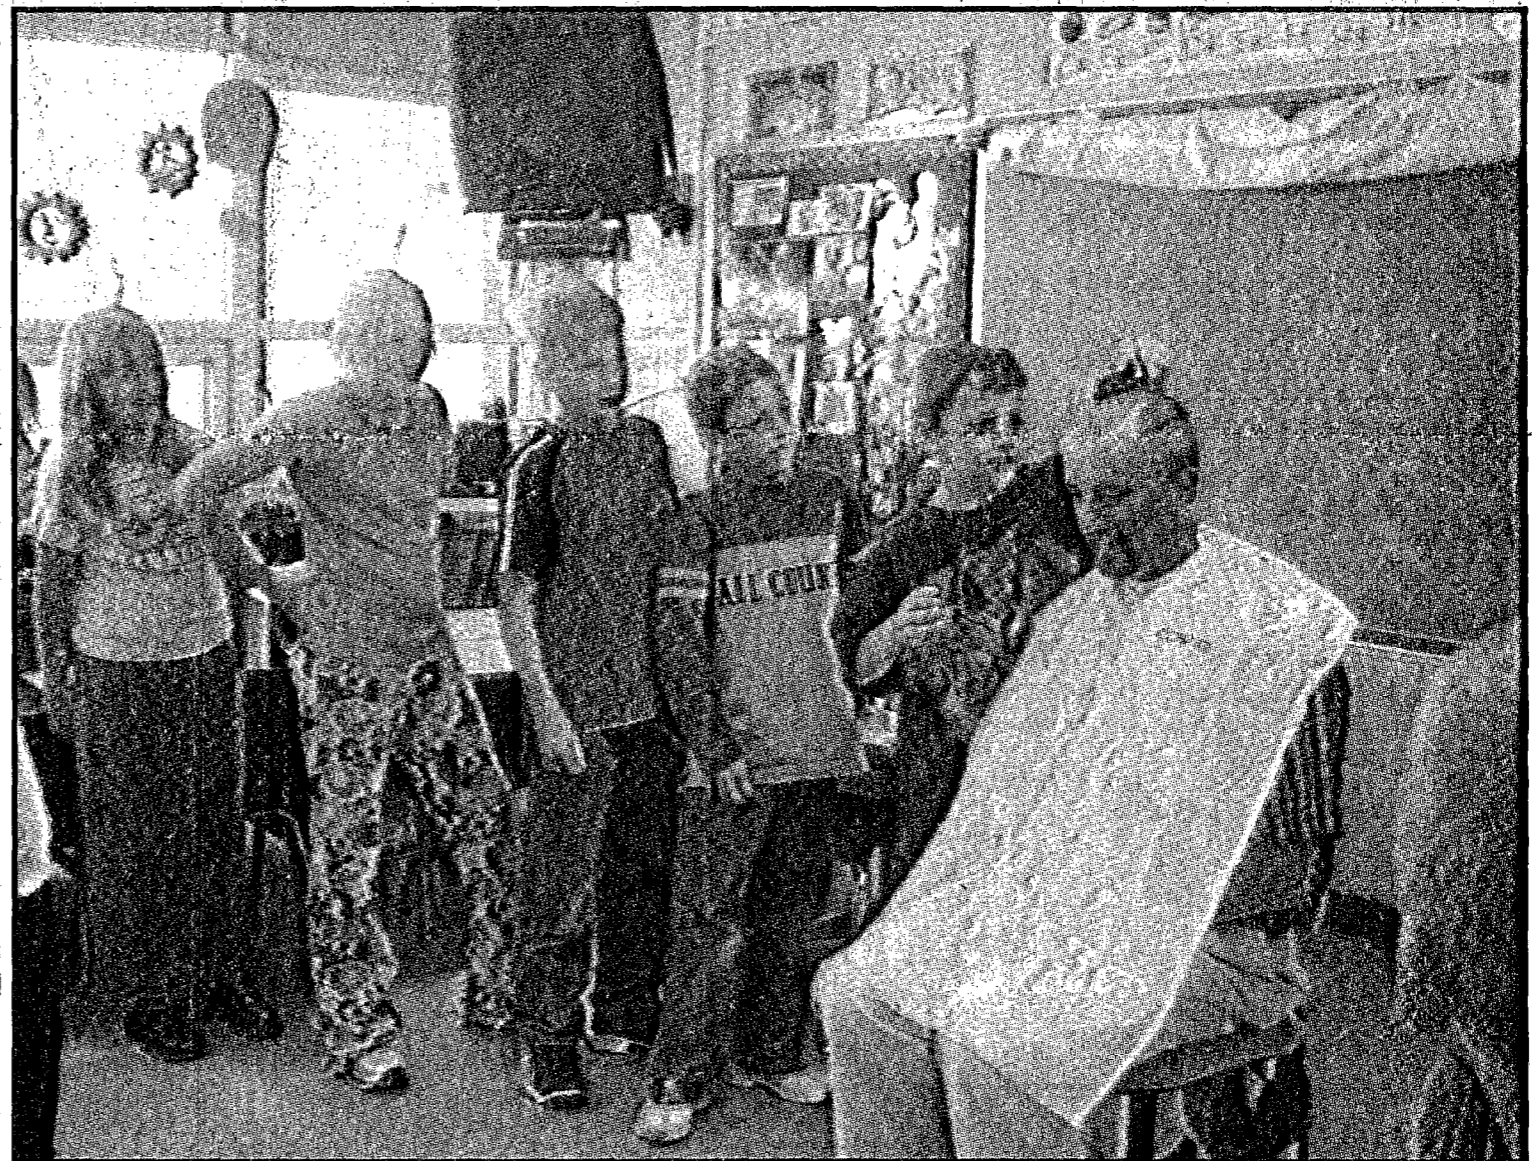

Project Permanency, sponsored by the Nebraska Foster Care Review Board will provide bags for children age 5 and under who are in foster care. The bags, which will be a duffel-type bag will contain items selected for the child and contain a blanket for them, toy, stuffed animal and other items. A life book will be included, along with a disposable camera for the child and foster parents to use.

Many young children placed in foster care are removed from their homes with only the clothes on their back. Having something to call their own makes them feel more comfortable wherever they may have to go, and gives them a sense of stability.

By providing life books for the children, it is hoped that with the help of the foster parents, they can capture moments and positive memories and experiences they can take with them when they return home or if they move to a new home.

The group is seeking donations of various kinds to help with this project. Material and/or blankets or toys suitable for young children, coupons or gift certificates that could help out the foster parents.

Special haircut

Wayne Elementary second grade teacher Mike Jaixen put his hair in the hands of his students recently when he made good on his promise to his students. He told his class that if they surpassed their May reading goal (88 books), he would let them shave his head. The class read 289 books in 14 days and each student was able to have a turn with the clippers.

Storm brings destruction to farm by Wayne

Storms hit the area Friday night leaving rain, hail and destruction behind. A tornado hit the Lutt family farm three miles south, two east and a half mile south of Wayne between 9 - 9:30 p.m. Residents, Steve and Jodi Lutt and their three sons Jacob, 7, Tyler, 5, and Josh, 2, took shelter in the northwest corner of their basement.

Listening to the radio and television, Steve Lutt said he knew they were in trouble when he heard a tornado was south of Wayne. Then, the air started coming down the furnace and something hit the house.

The family was unhurt even though the tornado picked up the barn nearby and drove part of it into the roof of the house. A small garden-size wagon that was in the barn came through the front of the house and ended up inside.

All of the buildings received damage or are gone. The house and metal machine shed received major damage and will most likely not be able to be repaired (they are waiting for final word from the insurance adjuster). The family was able to retrieve all the items inside the house, though some of it was ruined by the rain and flying glass.

During the storm, the garage collapsed on their vehicles and against the house but with the help of volunteers, they were able to get the van and pick-

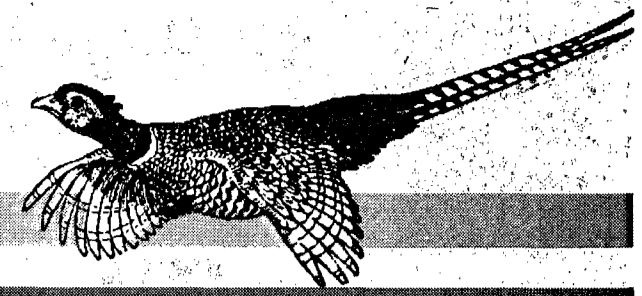

Many volunteers arrived at the Lutt family farm southeast of Wayne on Saturday morning to help with clean-up efforts after Friday night's storm damage.

Ivadella Teleatha (Gray) Olson

Ivadella Teleatha (Gray), 95, of Andover, Kan. died Friday, May 21, 2004 at the Andover Health Care Center in Andover, Kan. Services were held Wednesday, May 26 at the First Church of Christ in Wayne. Pastor Troy Reynolds officiated.

Ivadell Teleatha (Gray) Olson, daughter of Lulu Maude (Sawtelle) and Gus Wellington Gray, was born Dec. 13, 1908 on a farm near Elk Point, S.D. She graduated from Herrick High School in Herrick, S.D. in 1926. She moved with her family to northeast Nebraska where she attended Wayne Normal School to earn her teaching certificate. She taught in rural schools in Dixon and Wayne counties until she married J. Maurice Olson on June 14, 1935 in Neligh. The couple farmed in Dixon County for several years and then purchased a farm in Wayne County where they lived until their retirement in 1985. They then moved to Wayne where Ivadell lived until moving to Kansas in 1987 to be closer to her children. She was a long time member of the Wakefield Christian Church and was an active member of the First Church of Christ in Wayne until moving to Kansas.

Survivors include one son, John and Pam Olson of Wichita, Kan.; one daughter, Dr. Lynette Olson of Pittsburg, Kan.; three grandchildren; one great-grandson; and several special nieces and nephews.

She was preceded in death by her parents; husband, Maurice; brothers, Clyde, Paul and Floyd and sisters, Helen Rehbein and Doris Fredrickson.

Dr. T. H. Stevenson

Dr. T.H. Stevenson, 84, of Wayne, died Friday, May 21, 2004 at the Wakefield Health Care Center in Wakefield.

Services were held Thursday, May 27 at First Presbyterian Church in Wayne. The Rev. John Gradwohl officiated.

Dr. T.H. Stevenson, son of Thomas and Mary Elizabeth (Hulbert) Stevenson, was born Sept. 7, 1919 at Cleveland, Ohio. He graduated from high school at Lakewood, Ohio, received his Bachelors Degree at Oberlin College in Oberlin, Ohio and his Masters Degree and Doctorate at the University of Chicago. He was a Medieval Historian. He began his career as an instructor at William Woods College in Missouri. On May 19, 1950 he married Dorothy Ruggles at Chicago, Ill. The couple made their home in San Jose, Calif. where he served as an interim instructor at Santa Clara University and was then on the faculty at Michigan Tech University. The couple moved to Wayne in 1965 where Dr. T.H. was an associate professor at Wayne State College until his retirement in 1971. He did free lance writing, book editing, co-authored text books and translated articles into other languages. He was an avid Cleveland Indians baseball fan, enjoyed the Chicago Cubs and reading.

Survivors include his wife, Dorothy, of Wayne; one son, James Stevenson of San Diego, Calif.; one daughter, Mary and Ric Marchio of Omaha and two grandsons.

He was preceded in death by his parents.

Pallbearers were James Stevenson, Ric Marchio, Mario Marchio and Peter Marchio.

Memorials may be made to the Wayne Public Library Foundation.

Burial was in Elm Lawn Cemetery in Elmhurst, Ill. Schumacher-Hasemann Funeral Home in Wayne was in charge of arrangements.

Harry Manning

Harry Manning, 89, of Des Moines, Iowa, formerly of Wayne, died Sunday, May 23, 2004 at Iowa Methodist Hospital in Des Moines.

Memorial services will be held Saturday, May 29 at 1:30 p.m. at Schumacher-Hasemann Funeral Home in Wayne. The Rev. John Gradwohl will officiate.

Harry Eilert Manning, son of Zella (Sherman) and Harry Manning, was born Sept. 2, 1914 in Hubbard, Iowa. He graduated from Rosalie High School in Rosalie. He was an x-ray technician and doctor's assistant in Wayne during his entire career. On Sept. 17, 1936 he married Celestine Heck. The couple lived their entire life in Wayne. He was a member of the Grand Lodge, A.F. and A.M. of Nebraska and was a member of Lodge No. 120 in Wayne for over 60 years. He moved to Des Moines in 2003.

Survivors include his daughter Jeri Manning of Des Moines, Iowa; three grandchildren; one brother, Lawrence T. Manning of Huntington Beach, Calif.; nieces and nephews.

He was preceded in death by his wife Celestine Manning, long-time companion Elsie Sebberson; two sisters, Marian Myers and Mildred Turn, one brother, Hurschel Manning and his parents.

Accident northeast of Wayne sends two area youth to the hospital

At about 11:30 p.m. on May 23 emergency personnel were dispatched one mile east and about one and one-half mile north of Wayne for a one-vehicle crash.

Nineteen year old, Kellie Larson of rural Wakefield was the driver of a SUV that lost control at that location and struck the bridge rail on three separate occasions and then ended up in the west ditch. There were two passengers in the vehicle with Larson. Eighteen year old,

Omaha World-Herald Publisher John Gottschalk presents Brady Garvin his All-State Academic Team award.

Garvin named to All-State Academic Team

Brady Garvin of Wayne High School has been named to the Omaha World-Herald All-State Academic Team. He is among the top nine academic students in Nebraska.

Garvin is the son of Tim and Sharon Garvin of Wayne.

The World-Herald recognized 48 of the midlands' "best and brightest" high school seniors in Nebraska and western Iowa at a May 2 awards brunch at the Holiday Inn Central in Omaha.

The 48 students named to All Regional Teams are the top 12 students in each of four regions - eastern Nebraska, metro Omaha, west-central Nebraska and western Iowa. Of the top 36 in Nebraska, nine were selected for the All-State Team.

Garvin and the other honorees received specially cast medals

mounted in hand-made walnut presentation cases to honor their academic achievements. They were featured in a Scholars Special Section in the May 9 Sunday World-Herald, which names more than 1,000 students receiving academic recognition from the Omaha World-Herald.

Academic teams were selected by a panel of distinguished educators who considered class rank, grade-point average, test scores, school activities and honors and the rigor of the students' course work. Judges were not provided students' names, schools or gender when making their selections.

In his message to the honorees at the brunch, World-Herald Publisher John Gottschalk said, "You represent the very best academic talent of our region. Your achievements are simply awesome."

Paul Theobald accepts Distinguished Chair position

Paul Theobald has served as Wayne State's Dean of the School of Education and Counseling for the past six years. This fall he will begin his tenure as the Woods-Beals Chair for Excellence in Urban and Rural Education at Buffalo State College in New York. The Chair was established by a gift from Vaughn L. Beals, a former CEO at Harley Davidson, and his wife, Eleanore Woods Beals, a graduate of

Buffalo State College. Both have expressed concern for the deteriorating infrastructure of urban and rural schools, the declining property tax base that often surrounds them, and their inability to attract qualified instructors—all factors that negatively affect student achievement. The Woods-Beals Distinguished Chair was created to attract a nationally prominent scholar whose research program squarely addresses these issues.

Theobald taught in Minnesota public schools for six years before pursuing and receiving his Ph.D. in educational policy studies from the University of Illinois. Since then he has served as an assistant professor of curriculum and instruction at Texas A&M University, associate professor and head of the Department of Teacher Education at South Dakota State University, professor and director of the School of Education at the University of Wisconsin-LaCrosse, and dean of Wayne State's School of Education and Counseling.

He has published numerous journal articles and monographs, as well as three books. His most recent one, "Teaching the Commons: Place, Pride, and the Renewal of Community" has received critical acclaim.

Council listens to report on Senior Center

By Clara Osten
Of the Herald

With what was a relatively routine agenda, the Wayne City Council listened to an annual report and took action to combine two departments within the city.

Tracy Keating, Senior Center Coordinator, presented the annual report for the senior center. She said that the number of congregate meals being served is continually moving upward and that all special activities conducted at the Center are funded through donations and fundraisers and not through the general budget.

She noted that an area within her department she would like to see an increase in ridership in the Handi-Van. She listed several options that have been investigated and will continue to find additional riders.

The council approved a work change directive No. 2 for the Trail Construction Project.

The change involves the removal of columns from a previous bridge left in place when the replacement structure was built in 1967. The removal of these columns will allow the new trail to be built at the proper elevation.

The cost for this additional work is \$1,500, of which the state will pay 80 percent.

In connection with the agenda item, City Administrator Lowell Johnson gave a report on the progress being made on the trail and said that recent rains have not

had any negative effect.

The council also approved Resolution 2004-27 which will extend the right-of-way for Fairacres Road near the West Water Tower.

The resolution will also for the possibility of several houses to be built in this area and will not affect water and sewer lines.

Resolution 2004-28 was also passed, combining the Water/Wastewater and Public Works Departments and eliminating the positions of Water/Wastewater Superintendent and Apprentice.

This was a cost cutting and efficiency measure and will become effective June 1.

Several members of the council asked to have the issue of tornado and civil defense sirens brought up at the next meeting. Police Chief Lance Webster fielded a number of questions in regard to when the sirens are sounded and he presented to the council a packet of information he had put together on the topic.

It will be discussed further at the next meeting.

Mayor Sheryl Lindau made several appointments to the Board of Adjustment. They include Rozañ Pedersen, Tom Rose and Joyce Reeg, who were re-appointed to this board and Jeff Morlok, who will be a new member of the board.

The council's next meeting will be Tuesday, June 8 at 7:30 p.m. in the Council Chambers.

Two hit and run accidents and stolen vehicle keep police department busy

Shortly after 1 a.m. on May 20, the Wayne Police Department responded to a hit and run accident in the 900 block of Windom Street.

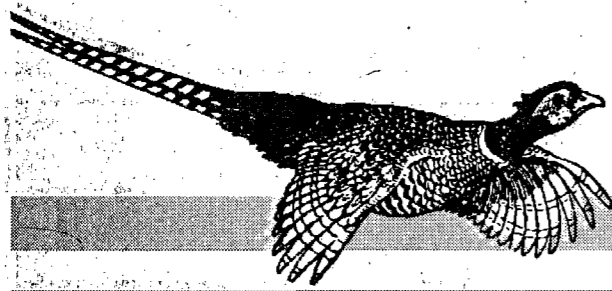

A red 1999 Oldsmobile Alero, owned by Lindsay Buck, was struck while parked by a hit and run driver. A short time later, officers located a 1997 Chevrolet pickup truck believed to be the other vehicle involved. While impounding the pickup truck officers were called to a second hit and run accident in the 300 block of South Main Street.

When they arrived, officers discovered that a 1995 Mercury Sable, owned by Anthony Carollo of Wayne, had struck the rear of a parked Mack garbage truck owned by Gill Hauling. The Mercury Sable was heavily damaged and

the interior showed signs that the driver had been injured. While officers were searching for the suspect driver they were able to ascertain that Mr. Carollo's Mercury Sable had been stolen from the same location of the original hit and run accident, the 900 block of Windom Street.

Officers have identified a suspect and are continuing to follow leads. They are confident that blood and fiber evidence recovered from the stolen car will allow them to positively identify the suspect.

If anyone has information that may help solve these cases please call Officer Gerald Klinefote at the Wayne Police Department, (402) 375-2626 or email Officer Klinefote at gklinefote@cityofwayne.org.

A simple soldier died today

He was getting old and paunchy, and his hair was falling fast. And he sat around the Legion telling stories of the past. Of a war he once fought in and the deeds that he had done. In his exploits with his buddies, they're heroes — everyone!

And though sometimes to his neighbors, his tales became a joke. All his buddies listened quietly, for they knew whereof he spoke. But we'll hear his tales no longer, for ole Mac has passed away. And the world's a little poorer, for A SOLDIER DIED TODAY!

He won't be mourned by many, just his children and his wife. For he lived an ordinary - very quiet sort of life. He held a job and raised a family, going quietly on his way. And the world won't note his passing, though A SOLDIER DIED TODAY!

When politicians leave this earth, their bodies lie in state. While thousands note their passing and proclaim that they were great. Papers tell of their life stories from the time that they were young. But the passing of a Soldier goes unnoticed - and unsung.

What is the greater contribution to the welfare of our land - some jerk who breaks his promise and cons his fellow man? Or the ordinary fellow who in times of war and strife, goes off to serve his country and offers up his life?

The politicians' stipend and the style in which he lives are often disproportionate to the service that he gives. While the ordinary Soldier, who offered up his all is paid off with a medal, and perhaps a pension - small!

It's so easy to forget them, for it is so many times that our Bobs and Jims and Joes, went to battle, but we know - it's not the politicians with their compromise and ploys who won for us the freedom that our country now enjoys.

Should you find yourself in danger, with your enemies at hand, would you really want some cop-out, with his every waffling stand? Or would you want a Soldier - for home, his country, his kin - just a common Soldier who fought until the end?

He was just a common Soldier, and his ranks are growing thin. But his presence should remind us, we may need his like again. For when countries are in conflict, we find the Soldier's part is to clean up all the troubles that the politicians start.

If we cannot do him honor while he's here to hear the praise, then at least let's give him homage at the end of his days. Perhaps just a simple headline in the paper might say: 'OUR COUNTRY IS IN MOURNING - A SOLDIER DIED TODAY!!!'

Funding for schools being debated

By Ed Howard
Statehouse Correspondent
The Nebraska Press Association

The perennial chickens are coming home to roost. Again.

Actually, the issue of providing state dollars for local school districts is more like a homing pigeon. It doesn't seem to matter what the Legislature does by way of trying to get rid of it. It just keeps coming back.

A judge in Omaha has decided that a group of school districts may proceed with a lawsuit that challenges the Legislature's allegedly inadequate funding for K-12 education.

While the state must still face litigation, it nonetheless ducked a bullet that had the potential impact of a nuclear bomb.

The court threw out a portion of the lawsuit that could have turned the entire state treasury into a school aid fund.

Stricken from the school districts' case was a request that courts hold that the state must provide instruction "which enables each student to become an active and productive citizen in our democracy, to find meaningful employment, and to qualify for higher education."

If the very thought of that concept doesn't scare you to death, you're probably among the perpetually sedated.

The state would likely have gone broke just fighting decades worth of additional court battles over definitions for "active and productive" and "meaningful employment," and, most certainly, for "higher education."

Could "meaningful employment"

have included minimum wage jobs? There would also have been the question: "Meaningful" to whom?

Thereafter: What would it have cost to pay for such education, regardless of how it was eventually defined? It would take a Defense Department analyst to project the costs.

No question about it: The state was looking down the barrel of a

bureaucrat's dream and a taxpayer's nightmare.

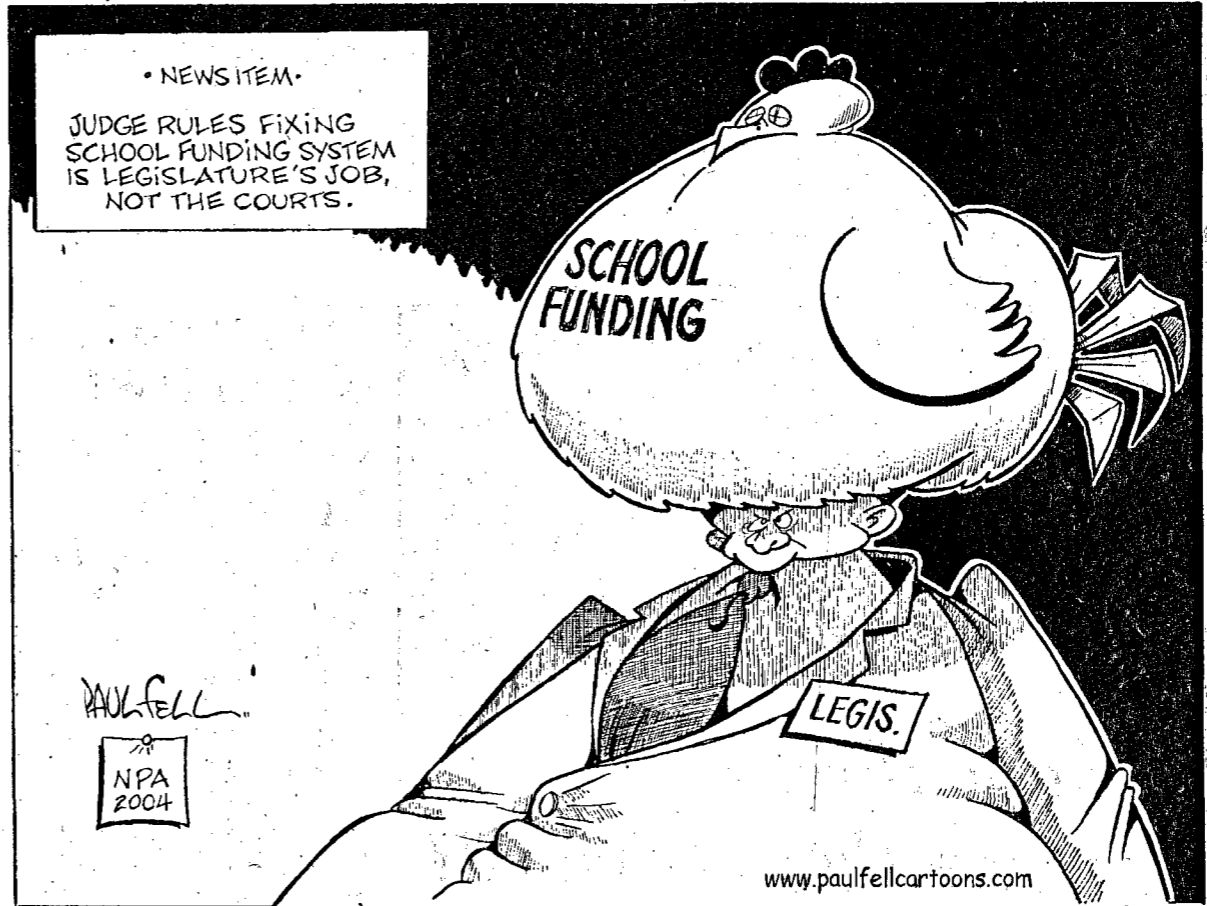

Meanwhile: The remainder of the lawsuit alleges the state doesn't send local school districts enough money to do the job that the state demands of them. It seeks to have the courts require the state to cough up more dollars.

The heart of the matter - and the litigation - is the cost involved in properly schooling children with

minimal or no English language skills, and those with learning problems that stem from low-income and minority backgrounds.

More and more and more such pupils are turning up in Nebraska schools, just as they are in school districts around the country.

Plaintiffs in the case are the Omaha, Grand Island, Lexington and South Sioux City school districts.

Letters

Dear Editor,
Thank you to the 43 people who registered to donate blood at Grace Lutheran May 11.

Forty-two units of whole blood were collected.

The following persons reached gallon milestones at this drive: Verneil Hallstrom, Kathleen Clements and Jean Lutt, one gallon; Adelyn Park, two gallons; Lanora Sorenson, three gallons; Elaine Saul and Melia Hefli, 10 gallons.

We would also like to thank the people who brought snacks or helped in any way to make this a successful drive.

Dear Editor,
I'd like to respond to Lisa Leseberg's letter in the May 13th issue, especially addressing the story of the abandoned dogs and

the 'need' for a shelter in Wayne.

In her letter she stated that the Humane Society was called about an emergency situation where a number of dogs were abandoned and in need of immediate help. It is my understanding that Mrs. Leseberg may not have had her facts straight and her account of the situation may be misleading.

Mrs. Leseberg said that other humane organizations were called and they refused to take the dogs because they were full. My knowledge of some of these organizations leads me to believe that that was not the issue. As they are very active in animal welfare and are often burdened with full kennels yet still take in unwanted, in-need animals. It may have been a transportation issue, a cost issue or simply one that was out of their jurisdiction.

The Northeast Nebraska Humane Society, she stated, also

would not take the dogs, as they were full, but that they looked for alternatives. She also mentioned that the veterinarian determined that the dogs' health problems were too serious to treat. In fact, she went into detail about the condition of the dogs.

I spoke with this veterinarian. The property's owner, seeking help.

The veterinarian drove to their place and the dogs were euthanized, at the property owner's expense. The veterinarian told me that he did not make the decision to euthanize the dogs. At that time, the health of the dogs was not the deciding factor in their fate. These dogs were abandoned, they were unwanted and they needed humane help. He also stated that at no time did he have a conversation with her or NNHS about these dogs.

Mrs. Leseberg says that she is resolved more than ever to get a shelter built.

Reading this story and hearing for myself what actually happened make me wonder, if a shelter is built, won't they, the "humane society," not fill up every kennel and then still refuse to take more in? I wonder how this will help the problem of unwanted and abandoned pets?

The job of the Humane Society is to:

- Educate;
- Take in and house animals, to accept responsibility for them;
- Evaluate incoming animals for health and temperament problems and screen potential adopters.
- Adopt out animals and when there is no other choice, to make the hard decisions that no one else is willing to do;
- Euthanize to end suffering and/or to make room for more unwanted animals. It is a sad fact of life, but many times there are no other choices.

It seems that NNHS's role has become that of a dumping ground for unwanted pets... yet they themselves refuse to make decisions for the animals. Many of the dogs in their care have been there a very long time. Are they still placeable? Have they become institutionalized? How many animals are left without aid because of this? Won't having more space only allow them to house more animals that they refuse to make decisions on?

How much care do the animals at the NNHS receive now? They are stuck out back, out of the way, in outdoor kennels. I bring this up because didn't Mrs. Leseberg write a letter a while ago complaining about some dogs along the route

she walked being housed in much the same manner? It seems to me that it might have been the pot calling the kettle black.

Having a building will not solve any problems, but may very well create an out-of-sight, out-of-mind mentality. Who will care for animals in this building? It is a proven fact that shelters do not run well on a volunteer basis. Are they going to be able to pay for a director and staff? What about electric bills? Water bills? Are the taxpayers going to be expected to pay for these bills and the many others that it takes to run an animal care facility?

Also, with rabies a problem in Nebraska, and the fact that cats fall victim to many diseases, I am concerned about the movement in Wayne to colonize feral cats.

I would not want to be the one to have to answer to the public when a person... say when a child is bitten or scratched by a feral cat.

Or when an individual ends up with medical bills for themselves or their pets because some well-meaning person (although ignorant of the ramifications) is feeding and providing shelter from their garage or porch for a multitude of stray cats.

Are you not considered an owner or provider for a creature if you give it food, water and shelter, as well as some form of veterinary care, such as spaying or neutering? In my opinion, whether or not you accept ownership of these cats, because of your actions, you are in fact their owner. And, like it or not, you may be held accountable for it.

The only person who can prevent an animal from being unwanted or abandoned is that animal's owner.

Dear Editor,

As we pause during this Memorial Day period to honor the memory of those brave Americans who paid the ultimate price for freedom and democracy, let us also honor the national commitment to America's sick and disabled veterans.

While this nation is asking more from its active and reserve military, many are returning physically and mentally wounded. This is the cost of war paid for over the lifetime of the service member. The Federal government has an ongoing responsibility to provide top-quality health care to those men and women who bear the deepest wounds and scars of war. Yet the proposed federal budget for veterans' health care is wholly inadequate and would seriously erode

and undermine the Department of Veterans Affairs health care system.

As a veteran in Nebraska, I find it absolutely outrageous that any elected representatives in Washington would even consider these funding levels as living up to this nation's sacred obligation to veterans.

Every day we are reminded that service members risk their lives for America, yet when veterans turn to VA for their health care needs, their timely access is often threatened by budgetary shortfalls. The citizens of Nebraska must remind their Members of Congress that the nation's obligation to provide sufficient Federal funding to properly meet the health care needs of sick and disabled veterans.

Dear Editor,

Goodwill Industries of Sioux City wishes to take this opportunity to thank the many donors who contributed to the recent Ambassador drive in Wayne. The businesses, families, organizations, and individuals who provided donated materials will help Goodwill to meet its goals for this year.

During your last Ambassador drive, community Ambassador volunteers helped to collect 21,000 pounds of donated materials which will be distributed to any or all of

our 16 Goodwill regional store locations. These donations will enable Goodwill to provide services to more than 200 program participants in a variety of locations. Your donations also help to provide jobs to 400 Goodwill employees in four states.

Your next Ambassador trailer will arrive on Aug. 23, 2004. The trailer will be open daily to accept donations from 8 a.m. to 6 p.m.

Please bring all sellable donations to the trailer location near Pac N Save parking lot, northwest corner of lot. We remind you that Goodwill cannot accept washers, dryers, baby furniture, non-working small appliances and large household furniture, as Goodwill cannot sell many of those items and must pay to have them hauled away. Please do not leave donated materials at the trailer location if the trailer doors are closed. We have found that donated materials set outside the Goodwill trailer are often subject to vandalism or theft.

Again, we thank your community for its generosity of spirit in helping Goodwill achieve its mission. We look forward to serving you soon. Please feel free to contact me at the number below with any questions or concerns regarding the Ambassador donation drives.

If you or a group from your community would be interested in a tour of the Goodwill Central Administration offices and store in Sioux City, please call the number below and ask for Georjean Bailey.

City council to meet

City Council
The next city council meeting will be Tuesday, June 8 at 7:30 p.m. when the council will meet in the city council room at 306 Pearl Street.

Planning Commission meeting about rental property June 14 at 7:30 p.m.

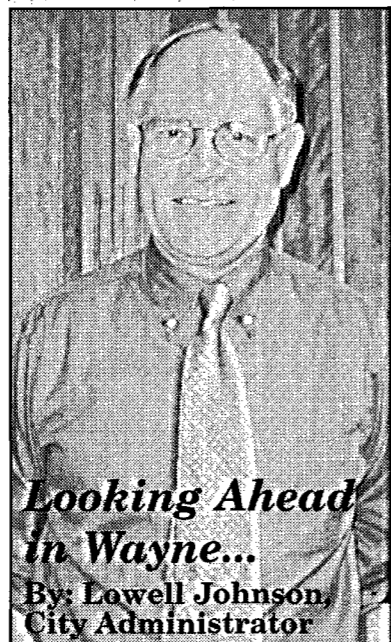

Draft #8 of this proposal will be available by the end of this week on the Wayne America website at wayne.org. If the planning commission approves this draft proposal to amend the Wayne zoning ordinances, they will set a public hearing date for public comment before forwarding to the city council.

All proposed amendments to the Wayne zoning ordinances are required to be presented at a public hearing before action by the city council.

Wayne in 2020?
Here are interesting thoughts from the book "The Rise of the Creative Class" by author Richard Florida:

- 1) "Large, densely populated metro areas have just about all the advantages in this era when economies increasingly are driven by innovation and creative people."
- 2) "Can small communities produce their own creative people and attract others?"
- 3) "Small communities can't look inward to thrive, they have to look outward and connect with ideas, personal contacts and resources of metro areas."
- 4) "The key to survival is in making communities so attractive

that they lure and connect with creative people. Provide quality of life with good streets and neighborhoods, recreation, restaurants

with good chefs. Don't chase Wal-marts and chain restaurants but nurture local distinctive businesses."

- 5) "I would start by making my town as beautiful as I could."
- 6) "Creative people create jobs wherever they go."
- 7) "Tap into academic communities and maintain close working relationships."
- 8) "Tolerate and be interested in new and unusual ideas."

up out with minor damage. On Saturday morning, community volunteers gathered to clean-up after the storm. Over 100 people helped. Debris was strewn for approximately three miles to the east. Many volunteers walked the fields to look for items and pick up the mess. Wayne Red Cross members were among the volunteers helping. Those responding were Mike and

Jeannette Barry, Mary Nichols, Connie Sukup, Susie Polenski, Dan Mattison, John, Lori and Jason Carollo. Many Red Cross workers also helped with clean-up efforts. The Red Cross provided meals, snacks and drinks on Saturday. They also assisted with motel rooms for additional family members who came to help. On Sunday, the Red Cross provided one meal for a few people (family and friends) who were at the farm working. Red Cross responders on Sunday were the

Carollos and Don Buryanek. Mary Nichols provided and prepared some of the meal. The Red Cross and the Lutts thank the community and many businesses who helped with labor or donations of many kinds. A happy time for the family was when some baby kittens and their mother were found alive and unharmed. Also, when some of the children's outside toys were found in the fields. The farm has been in the Lutts family for 124 years.

Debris from the buildings was strewn everywhere. Here some of the farm equipment is covered.

Family, friends, and neighbors pitched in to help with clean-up on Saturday. The garage next to the house was leveled with the vehicles inside.

Red Cross fundraising explained

Letters will be sent out soon to many residents throughout Nebraska from the National Red Cross to raise funds for all the recent storms and tornados. To be sure your donated dollars go to where you want, please note the address on the RETURN envelope. If it is NOT addressed to the local chapter at 112 East 2nd, the funds will go to the state or national disaster relief fund. If you have any questions, you can call the local Red Cross at 375-5209. (For funds to stay locally, they can be mailed to 112 East 2nd Street, Wayne.)

Man who lost son in DWI crash to speak in Wayne

A Carroll, Iowa, man will make a presentation warning people against drinking and driving to Wayne area drivers education students, instructors, and parents.

Students will attend from Homer, Wakefield, Wayne, Winslow, and Wisner. Russ Reineke's 24-year-old son, Dale Reineke, and 21-year-old friend Kristi Nielsen from Carroll were killed, and his son's fiancée and another friend were seriously injured in a Nov. 24, 2001 collision near Jefferson, Iowa.

Their van was struck by a vehicle with two 16-year-old girls from Odebolt, Iowa, who had been drinking the night before the early morning collision. The teens were killed instantly.

To reinforce his message, Reineke brings along the crumpled vehicles involved in the deadly collision. He bought them from a salvage yard and mounted them on a trailer. He also brings enlarged portraits of the victims of the collision, as well as pictures of the hospitalized survivors.

The public is invited to attend the presentation on Friday, June 4, at the Wayne Middle School gymnasium at 10 a.m. The vehicles will stay at the Middle School until Monday, June 8 as a stark reminder of what can and does happen when people drink and drive.

Tornado Sirens — when are they activated?

Wayne Police Chief Lance Webster said he has fielded dozens of questions about the lack of tornado sirens being sounded last Friday night in Wayne. Webster said the sirens were not activated Friday evening because there was no indication at the time of the storm that Wayne is in imminent danger. Webster said his staff was monitoring the storm closely by following the storm's progress on the National Weather Service's Doppler storm radar and by deploying Wayne Volunteer Fire Department storm spotters around the City.

In response to the questions from the general public and some City Council members Webster said he and his staff are reviewing the entire protocol for the activation of the emergency siren system in Wayne. In addition he met with City Administrator Lowell Johnson, Fire Chief Tom Mitzel and Sheriff Leroy Jansen to discuss the current protocols, review possible changes and to identify any real or perceived gaps in the system. As a result of these reviews Webster, who is City of Wayne's Emergency Management Director, prepared a report to City Administrator Johnson addressing some of the issues raised by the public and the protocol reviews.

This report was shared with the Wayne City Council at their regular meeting on Tuesday evening and may be an agenda item topic in two weeks.

Webster said the public perception appears to be that the City of Wayne was at risk Friday evening and he wants to allay any fears caused by Friday night's events. The key question is whether Wayne will change the protocol it uses to activate the tornado sirens. At the present time Wayne relies on Huntel Cablevision, the television stations in Sioux City Iowa and KTCH radio to keep our citizens informed. Storm spotters are deployed anytime severe weather is approaching Wayne. The sirens are activated when the City is in imminent danger of a tornado

strike. On Friday night the Wayne Police Department dispatch staff on duty did not have any information that the City was in imminent danger of a tornado strike — therefore the sirens were not used.

Chief Webster said the protocol review should address many of the concerns already raised by some citizens and will probably identify other areas of service that can be improved upon. The current siren use protocols have been in place for a long time but they are not 'sacred cows,' according to Webster. He said he and his staff want to be responsive to citizens while providing a high degree of service.

Webster wants citizen input in this review process and certainly encourages people to call him at the Wayne Police Department, 375-2626 or to send him an email to lwebster@cityofwayne.org.

Traffic enforcement begins

Fred Zwonechek, administrator for the Nebraska Office of Highway Safety, announced what may be the largest traffic enforcement operation in the state's history has begun and will continue until June 6.

Over 100 Nebraska law enforcement agencies will be joining 12,000 other agencies throughout the nation in the national "Click It or Ticket" mobilization. The major emphasis of this campaign effort is to increase the use of child restraints and safety belts while targeting traffic violators.

"In addition to their regular traffic enforcement initiatives, we have awarded special grants to 37 Nebraska agencies (19 sheriff's offices, 17 police departments and the State Patrol) that will add over 7,100 hours of traffic enforcement between May 24 and June 6," Zwonechek said. "Perhaps the recent increase in traffic deaths along with the beginning of the peak travel season has contributed to this unprecedented response by Nebraska's law enforcement community."

Besides the enforcement, the statewide Click It, Don't Risk It Coalition, a volunteer organization dedicated to increasing safety belt use in Nebraska, has initiated a public information campaign in support of the mobilization. Activities by coalition members include local safety belt and child restraint check up events, distribution of materials and radio ads targeting safety belt non-users.

According to Kay Farrell, CEO of the National Safety Council, Greater Omaha Chapter and Honorary Chair of the Click It, Don't Risk It Coalition, "The response of individuals, organizations and businesses throughout the state to promote child restraint and safety belt use has been impressive."

The U.S. Department of Transportation, National Highway Traffic Safety Administration, has added to the effort by purchasing ads on television and radio that specifically target those 18 to 34 years old that are among the lowest belt users in the nation.

Another part of Project Permanency will be to provide foster parents with resource books of information. These will assist them with various problems or behaviors that the children are dealing with so that hopefully fewer placements will be necessary for the children, thus giving them more sense of stability.

The Nebraska Foster Care Review Board was established in 1982 by passage of LB714. The law mandated that all children in out-of-home care should have a permanency plan and included citizen reviews of all children in foster care and a tracking system of all children and youth in out-of-home care.

Individuals, members of organizations, or church groups wanting to donate or volunteer to help put together bags or books can call area

review specialist Jodi Borer at 402-920-0723 or Sue Gilmore at 402-585-4555. Anyone interested in becoming a review board member is also asked to call Ms. Borer.

More information on Project Permanency can be found by calling 1-800-577-3272. If interested in becoming a foster parent, call 1-800-7-parent. Information on the Nebraska Foster Care Review Board can be found at www.fcrb.state.ne.us.

Laurel Rescue Squad receives grant

The Laurel Rescue Squad has been awarded \$4,000 from the "Rural Access to Emergency Devices" (AED) Grant.

The squad applied for this grant in 2003 as a Community Partnership with the Belden Fire Department, Laurel-Concord Public School, City of Laurel and the Laurel Mercy Medical Clinic. It was hoped that the department would receive enough grant money to place five AEDs in the Laurel community and one in Belden.

"We were awarded enough money to place one in the Laurel-Concord School and one with the Belden Fire Department. The school has a high volume of people there for both school and community related activities. We believe placing an AED at the school could save someone's life if they would go into cardiac arrest. By having school staff trained in the use of it, precious time will be saved," said Jodie Thompson, a member of the Laurel Rescue Squad.

The Laurel Rescue Squad responds to the community of Belden emergencies. Belden doesn't have an ambulance squad.

"We believe having the firemen trained and ready to respond to an emergency involving a cardiac arrest victim will help the community members in Belden have a much greater chance of surviving. Therefore, one AED will be placed on a Belden Fire engine," Thompson said.

"We believe it is vital to work closely with the Cedar County Dispatch, the responding rescue squads, hospital and medical director when implementing this program. We believe having AEDs in the public that are compatible with the ones we have on the rescue squad and at Providence Medical Center will be saving valuable time not having to change defib patches, etc.," she added.

Thompson noted that the Laurel Rescue Squad is fortunate to have

Providence Medical Center (PMC) in Wayne working with Laurel Rescue on this project. PMC will be providing the AED/ CPR training for the Community Partnerships which will be receiving the AEDs at a \$15 per person discount. They will also be purchasing, with in-kind funds, a computer program which will allow the new AEDs to download a summary of the event and print it out. This will enable the partnerships to record the incidents and keep a record of the uses of the AEDs.

Mrs. Thompson also noted the following statistics about cardiac arrest.

- About 220,000 people die each year from sudden cardiac arrest. That's 600 a day — an average of 25 per hour.

A heart attack may cause cardiac arrest. The heart attack means that the heart muscle is not getting enough oxygen. Lack of oxygen can cause an abnormal heart rhythm called ventricular fibrillation (VF). When VF is present, the heart quivers and can't pump blood. The victim becomes unresponsive, stops breathing normally and has no signs of circulation.

The victim needs CPR and the use of an AED as soon as one is available. The AED delivers an electric current to the heart muscle. The electric current "stuns" the heart and stops the VF. This gives the heart a chance to resume a normal rhythm.

Defibrillation is the only known therapy for VF. This technique of giving an electrical shock can restore the heart's normal rhythm if it is done within minutes of the arrest. For every minute that passes without defibrillation, a victim's chances of survival decrease by seven to 10 percent. After as little as 10 minutes, very few resuscitation attempts are

successful. Today, a new generation of defibrillators, called automated external defibrillators (AEDs) make it possible for trained lay rescuers to deliver defibrillation. The new AEDs are safe, effective, lightweight, low maintenance and easy to use. Having trained lay rescuers equipped with AEDs in settings where large numbers of people congregate saves precious minutes and improves survival rates for cardiac arrest victims.

The Chain of Survival of a cardiac arrest victim includes:

1. Early access by calling 9-1-1.
2. Early CPR.
3. Early Defibrillation.
4. Early Advanced Care.

It is very important to initiate CPR to someone in cardiac arrest. CPR delivers some oxygen to the heart and brain. This circulation delays both brain death and the death of heart muscle. It prolongs the time during which the heart can be shocked and it increases the likelihood that the heart's normal rhythm will resume after defibrillation eliminates the VF. The sooner you start CPR and use the AED, the more likely a victim will survive. Studies have shown that survival from VF defibrillation within 3-5 minutes of the onset of VF cardiac arrest.

"Laurel Rescue is very excited to be able to place two AEDs in our communities and have trained lay rescuers prepared to use them in the event of someone going into cardiac arrest. We will be working closely with the partnerships and we believe lives will be saved," Thompson said.

"We strongly encourage community members to learn CPR. Even if you will not be using the AED, CPR is a very important link in the chain of survival," she added.

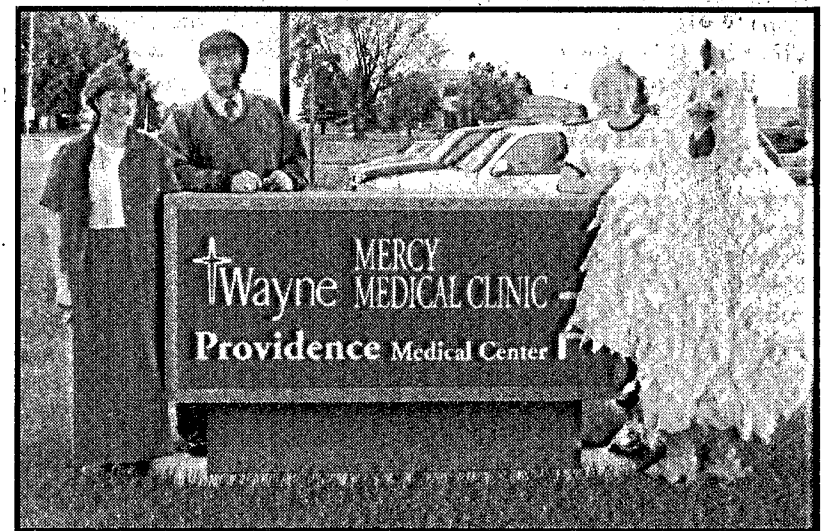

For more information, or to sign up for CPR classes, contact Jodie Thompson at (402) 256-9404.

Fun walk added to Chicken Days festivities

The Wayne Area Chamber of Commerce has announced that Wayne Mercy Medical Clinic and Providence Medical Center are co-sponsoring a 5K (3.1 miles) Fun Walk on Wednesday, July 7, as part of the Wayne Chicken Days Festival. A 1.6 mile walk is offered to those opting for a shorter distance.

"Our doctors believe that walking is a great part of maintaining a healthy lifestyle, and our clinic's participation in this fun competition is one way we can encourage our patients," says Sherri Rolfe, clinic administrator. PMC's Wellness Center has in its mission the promotion of regular exercise by all individuals, plus our programs like cardiac rehab include walking. "Therefore," according to Linda Carr, PMC's Wellness Center Director, "we very much want to be part of promoting an event in our community that involves regular and low impact, yet beneficial, exercise."

The really unique aspect of this Fun Walk is that participants will be required to estimate in advance in how many minutes and seconds they will take to complete the distance while the course on July 7 will have to be negotiated without the use of any timekeeping devices such as a watch or stopwatch. The winners will be determined by how close they come to their estimated times. "Obviously, participants will

Preparing for the Fun Walk are, left to right, Sherri Rolfe, Bill Trick, Linda Carr, and "Chicken."

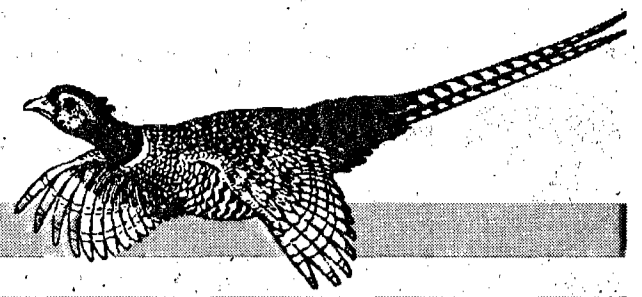

have to practice to improve their chances of winning," says Linda.

The walk will begin and end at the organizers' tent on the north side of the hospital adjacent to the entrance of the medical clinic. Participants may park their cars in the lot between the clinic and Wayne State College, with access from 14th Street, while they complete the course. Thursday, July 8 is established as a rain date.

The \$10 entry fee includes a special 5K EGG-ucational Walk t-shirt and eligibility for prizes. Entry forms are available at the Wellness Center at PMC, Wayne

Wayne Mercy Medical Clinic and the Wayne Area Chamber of Commerce office. Entry forms must be turned in no later than June 25 in order to be eligible for prizes and receive a t-shirt. Groups are encouraged to enter a 3-5 person team to compete for the team prize. Participants on a team are automatically included in the individual competition.

For more information, contact the office of the Wayne Area Chamber of Commerce at 402-375-2240, or Wayne Mercy Medical Clinic at 375 2500, or the Wellness Center at 375 7927.

Keitges, Koch claim 3200 state titles

Area athletes win 14 medals at State Track Meet

by Mike Grosz
Of the Herald

Two state champions, 14 area medal winners. Several new school records. Those are just some of the many highlights of the Wayne Herald area athletes at the Nebraska State High School Track and Field Championships held in Omaha last Friday and Saturday.

Warm, breezy conditions provided for some excellent performances and marks at Burke Stadium.

Wayne sent four athletes to the State Track Meet and brought home four medals.

Defending state champion Caleb Garvin fell just short in his bid for a repeat title in the discus, placing second with a throw of 165-4. He also competed in the shot put, but did not place with a top throw of 48-5.

Junior Bryan Fink also brought home a medal, placing fourth in the 3200 meter run with a season-best time of 10:04.92. Fink also ran in the 1600 meter run, but did not place with a time of 4:43.21.

The Wayne boys scored 12 points to finish in a tie for 16th place in the team standings. Beatrice won the Class B Boys team title with 62 points. McCook was second with 39.

Senior Karissa Hochstein finished her stellar career with a fourth place finish in the shot put. She topped her own school record with a mark of 40-9.25, more than one foot over her previous best.

Sophomore sprinter Jean Pieper placed sixth in the 100 meter dash in 12.80 seconds after running a 12.72 in the prelims to qualify fourth for the finals.

Wayne scored five points to finish in a tie for 30th in the Class B girls team race. Lexington edged Gering, 48.3-44, to win the state title.

Kristen Koch led the Laurel-Concord girls to a ninth place finish in Class C, winning the 3200 meter run and taking third in the 1600 meter run.

Koch cruised to a 25-second win in the 3200 meter run Friday with a time of 11:54.38, then came back Saturday to run 5:24.01 in the 1600 meter run.

Angie Peters also represented Laurel-Concord at the State Meet in the shot put, but did not place with a throw of 35-10.

Laurel-Concord finished with 16 points to place ninth in the Class C girls team standings. Crofton racked up 78 points to run away with the Class C team title.

The Laurel-Concord boys failed to score while competing in four events.

Freshman Tony Jacobsen placed 10th in the 1600 meter run (4:40.45) and ran a time of 53.43 in the 400 meter dash, but did not make the finals. Jeff Knudsen cleared 6-2 to finish 12th in the high jump and Jon Dickey recorded a time of 24.85 in the 200 meter dash, but did not make the finals.

Grand Island Central Catholic edged David City Aquinas (44-39) to win the title in Class C Boys.

Sophomore Erin Keitges won two medals to lead the Allen girls to a 10th place finish in Class D. Keitges ran a season-best time of 11:51.45 on Friday to win the 3200 meter run, then placed sixth in Saturday's 1600 meter run with a season-best time of 5:33.09.

Senior Kelli Rastede competed in three events at state and brought home one medal. She placed fourth in the 400 meter

dash with a time of 59.85 seconds, a new school record. She now holds the Allen school records in the 100, 200 and 400 meter dashes at Allen High School. Rastede ran times of 13.18 and 27.66 in the 100 and 200 meter dashes respectively, falling short of reaching the finals.

Allen scored 15 points to place 10th in Class D. Roseland Silver Lake trimmed Humphrey St. Francis by one point, 46-45, to claim the Class D girls team trophy.

The lone qualifier for the Allen boys team was Bart Sachau. The senior finished with a top leap of 39-3, falling short of the finals.

Loomis captured the Class D boys title with 43 points, one more point than McCool Junction.

The Winside boys scored 16 points to finish in a tie for 10th place in Class D.

The 1600 meter relay team of Bo Brummels, Nathan Wills, Russ O'Connor and Kass Holdorf placed third with a time of 3:30.86.

Wills raced to a third place finish in the 800 meter run (2:01.23) and Holdorf finished fourth in the

300 intermediate hurdles (42.07) to round out Winside's scoring.

Brummels made the finals in the 400 meter dash with a time of 52.41 seconds in the prelims, but placed eighth in the finals with a clocking of 52.67. Mark Hawkins competed in the high jump, but failed to clear the opening height of 5-8 and the 400 meter relay team of Brummels, Wills, O'Connor and Holdorf came in 12th with a time of 46.68 seconds.

Lindsay Harmeier and Amber Aulner represented the Winside girls team in Omaha. Harmeier posted a top leap of 33-3 in the triple jump while Aulner finished 10th in the 3200 meter run with a time of 12:47.83.

Wakefield scored eight points to finish in a tie for 20th in Class C Boys. The 3200 meter relay team of Kayle Anderson, Taylor Peters, Eric Bodlak and Andy Hampl placed third at 8:17.31 and Hampl finished fifth in the 800 meter run (2:00.61) to account for the Trojans' eight points.

Luke Hoffman and Taylor Peters each competed in two events.

Hoffman's best throw in the shot put was 42-7.5 and he ran a time of 44.65 in the 300 intermediate hurdles. Peters finished 14th in the 3200 meter run (11:07.74) and 16th in the 1600 meter run at 4:49.83.

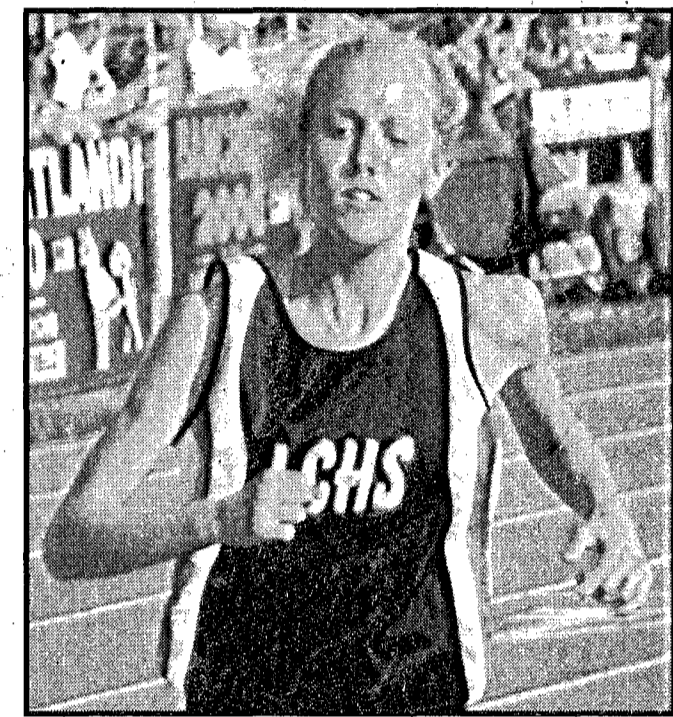

Also competing at state for Wakefield was Jip Bierbower, 11th in the 3200 meter run (10:53.40); Jake Olsufka, 12th in the shot put (48-9.5); Eric Bodlak, 2:06.36, in the 800 meter run and Tim Haglund, 24.27 in the 200

meter dash.

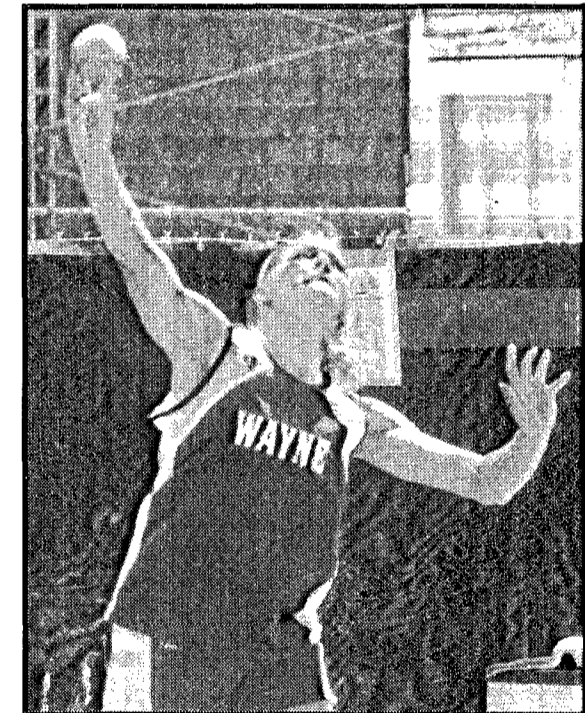

The area's hard luck award should go to the Wakefield girls team in Class C.

Regina Dutcher qualified for the finals in the long jump, but just missed a medal by placing eighth with a top mark of 16-2.25. The 400 meter relay team of Dutcher, Vanessa Nelson, Amanda Nelson and Alissa Bressler finished seventh with a time of 51.82 seconds, just .15 seconds away from the sixth place medal.

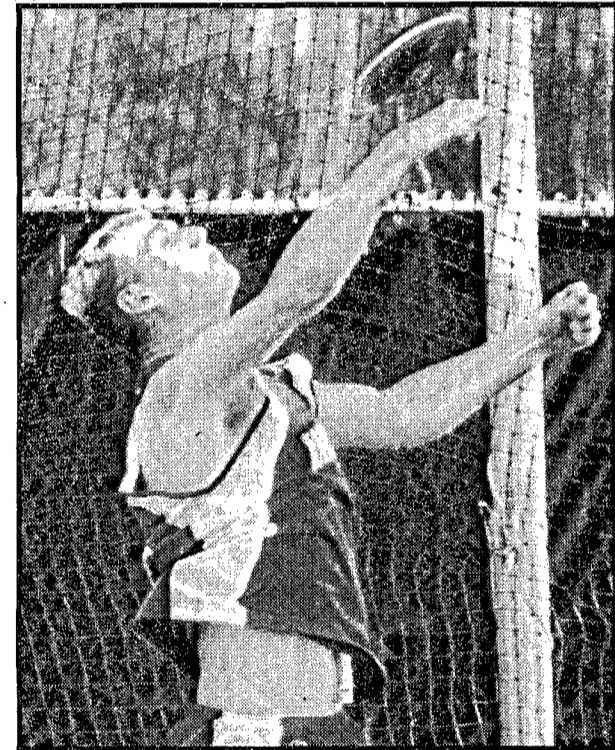

Kristen Koch of Laurel-Concord won two medals at last weekend's State Track Meet. The senior won the 3200 meter run and took third place in the 1600 meter run.

Nathan Wills of Winside leans at the finish line to pick up a third place finish in Saturday's Class D 800 meter run.

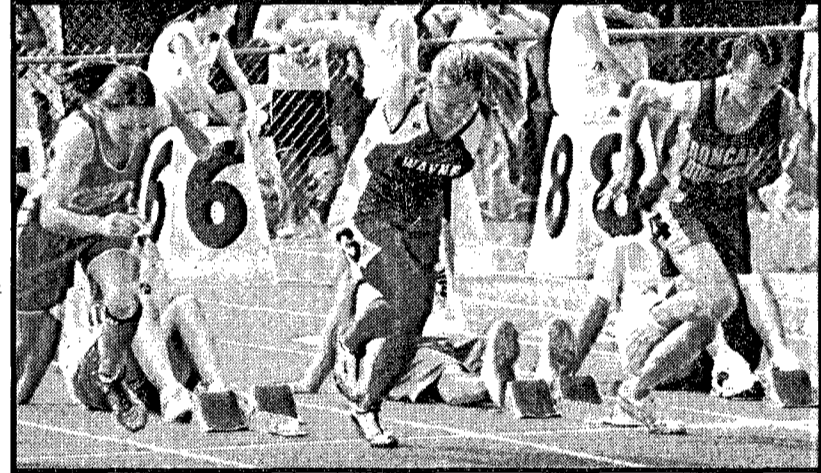

Wayne senior Karissa Hochstein hurls the shot put during Saturday's competition at the State Track Meet in Omaha. Hochstein set a new school record with a personal best throw of 40-9.25 to finish in fourth place. She broke her own school record by more than one foot in the event.

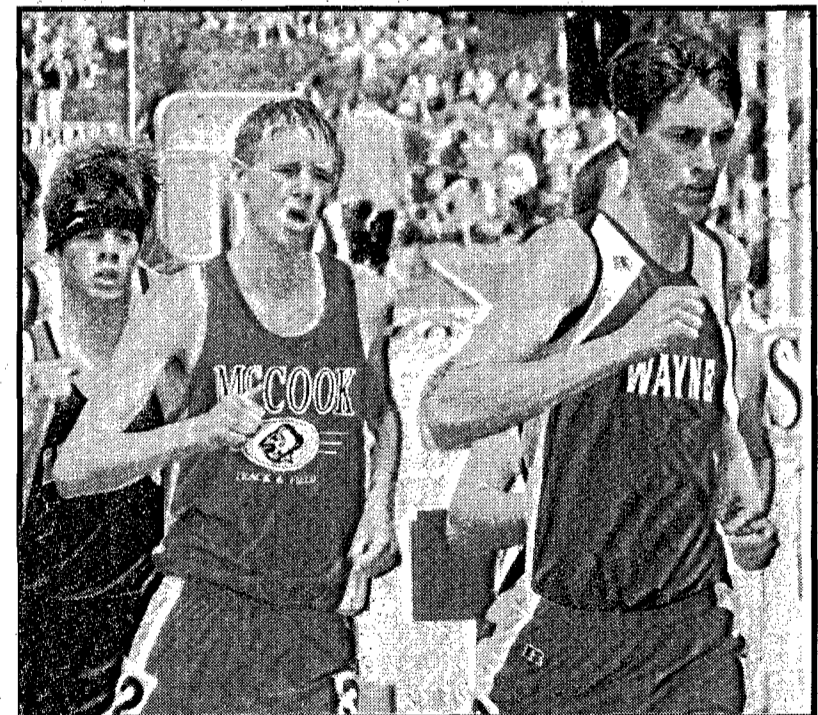

Caleb Garvin of Wayne flings the discus during Saturday's competition at the State Track Meet in Omaha. The defending Class B state discus champion fell just short in his bid to win a repeat title, finishing second with a throw of 165-4.

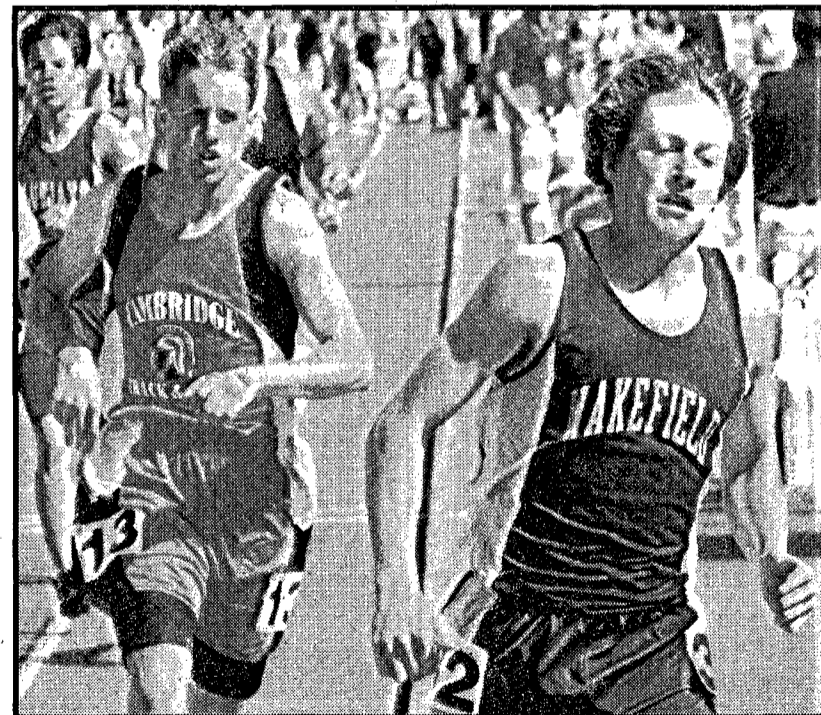

Erin Keitges of Allen leads a group of runners in Friday's 3200 meter run at the State Track Meet in Omaha. The sophomore won the 3200 meter run and placed sixth in the 1600 meter run to help the Allen girls place 10th in Class D.

Wayne sprinter Jean Pieper bolts out of the blocks in the 100 meter dash prelims. The sophomore had the fourth-fastest qualifying time (12.72) and captured the sixth place medal in the finals with a time of 12.80 seconds.

Wayne junior Bryan Fink leads a pack of runner during the Class B 3200 meter run. Fink ran a season-best time of 10:04.92 to place fourth in the event.

Andy Hampl of Wakefield rounds the curve as he begins the final lap of the Class C 800 meter run. The sophomore placed fifth in the event with a time of 2:00.61.

WSC Catbacker Golf Tournament set for June 4

The 2004 Northeast Beverage/James Madison Pile Founder Catbacker Scholarship Golf Tournament will be held Friday, June 4 at the Wayne Country Club.

Monies raised from the event will go toward scholarships for the Wayne State College athletic department.

Registration and breakfast will begin at 8 am, followed by a welcome and orientation at 9 am. The tournament begins with a

shotgun start at 9:45 am. Lunch will be served between 11 am and 1 pm with a steak dinner scheduled to begin at 4 pm and an awards program starting at 5 pm. Entry fee is \$100 per individual, which includes meals, refreshments, cart and green fees. The tournament is limited to the first 192 golfers and fills up fast every year.

For entry information, contact WSC women's basketball coach Ryan Williams at (402) 375-7311.

Wayne Juniors open season by splitting two games

The Wayne Junior Legion baseball team opened the 2004 season Monday evening with a heart-breaking 6-5 loss at Norfolk.

Wayne held a 5-2 lead entering the bottom of the seventh inning, but Norfolk scored four runs to rally for the win. The game-winning run scored on a bases loaded walk.

"I thought our kids played well for six innings, but we just couldn't close it out," said Wayne coach Jeff Zeiss. "The last two innings really hurt us with an error, two walks, a hit and two hit batters."

Wayne had four hits in the game with Jesse Hill and Cory Harm accounting for two hits each. Nate Finney scored two runs followed by Matt Sharer, Joe Meyer and Hill with one run apiece.

Sharer pitched the first five innings for Wayne, allowing five hits and one run with four strikeouts and two walks. Hill worked one inning and was charged with three hits while Finney tossed the final one-third inning and was tagged with the loss. He allowed two walks, one hit and hit two batters.

Wayne bounced back the following night with a 9-6 win over Laurel in the Chuck Ellis Tournament opener played at Overin Field Tuesday evening.

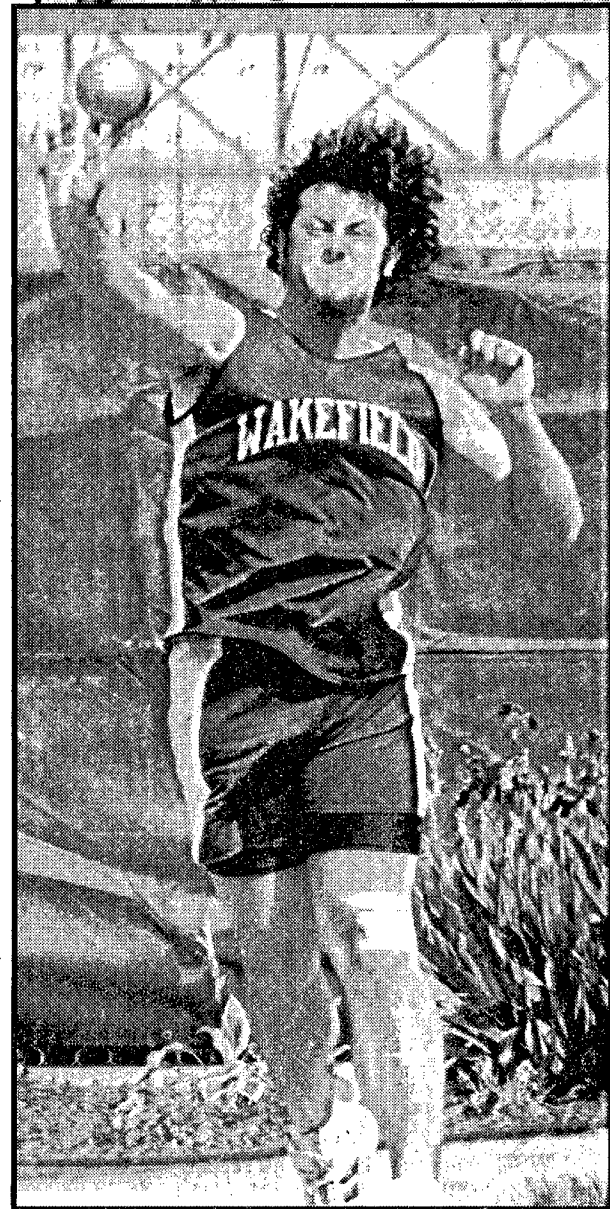

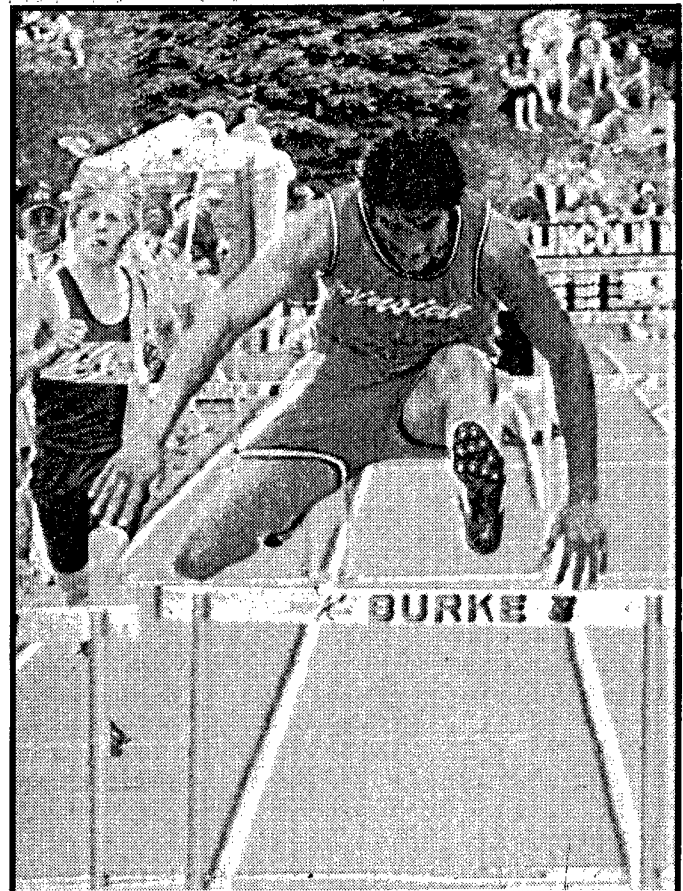

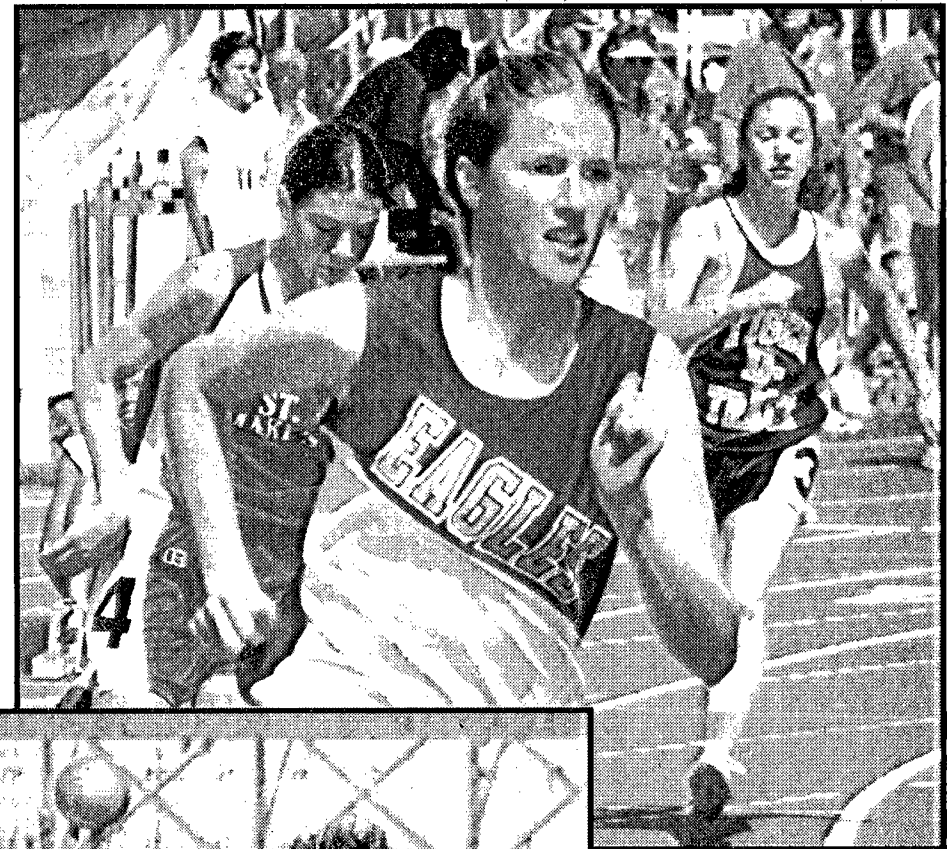

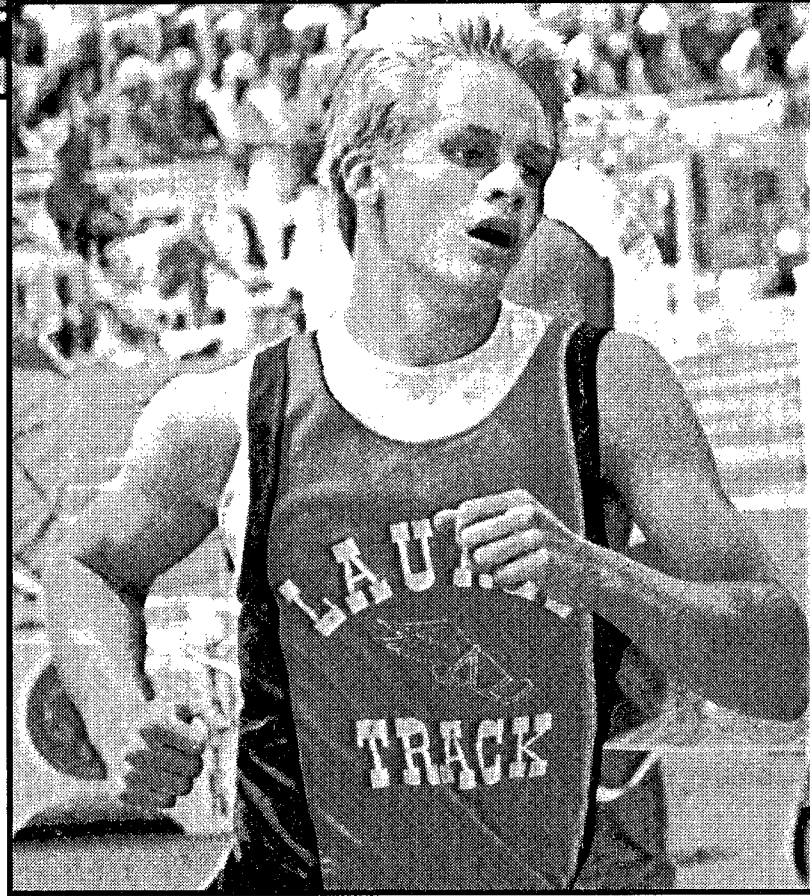

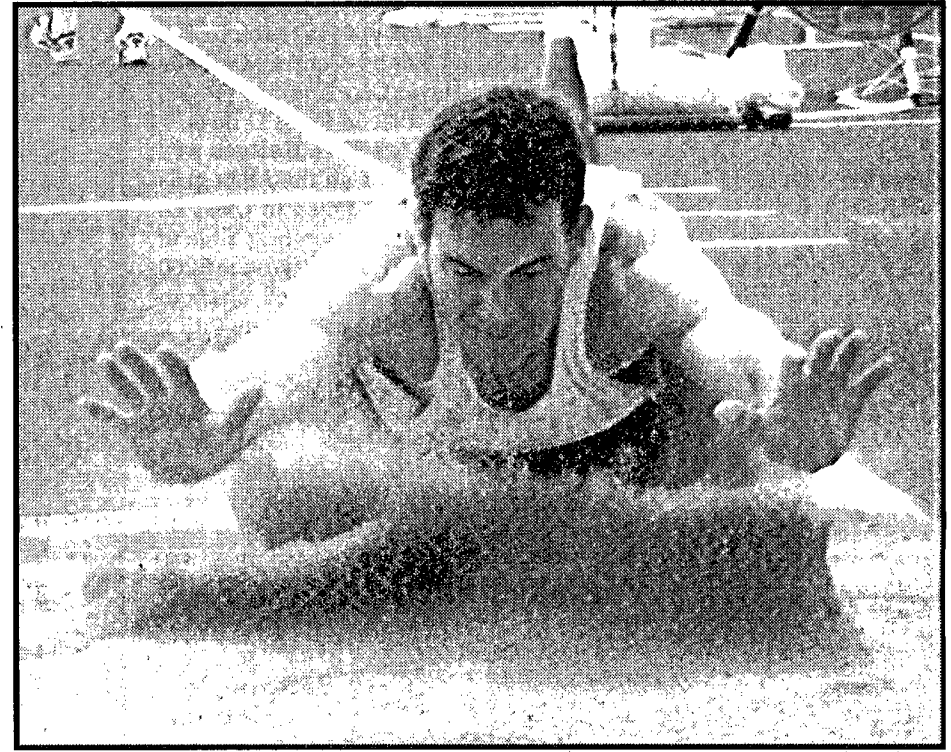

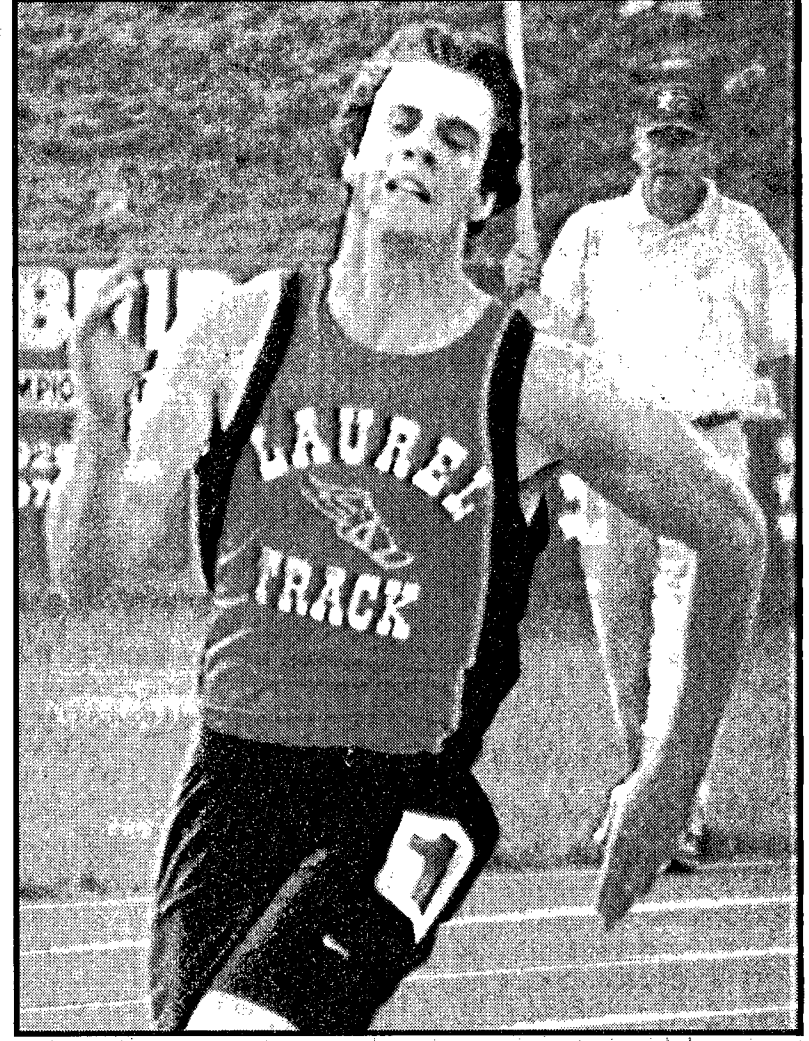

"It was a good team effort after our tough loss to Norfolk Monday night," remarked Coach Zeiss.

Nathan Summerfield tossed four innings to earn the win, allowing two earned runs and two hits with three strikeouts and six walks. Nate Finney finished the game on the mound, working two innings of no-hit relief. He struck out four and walked three.

Finney had a triple, walked three times and scored two runs to lead Wayne offensively. Matt Sharer and Shaun Kardell each singled and scored two runs while Joe Meyer added a single and two RBIs.

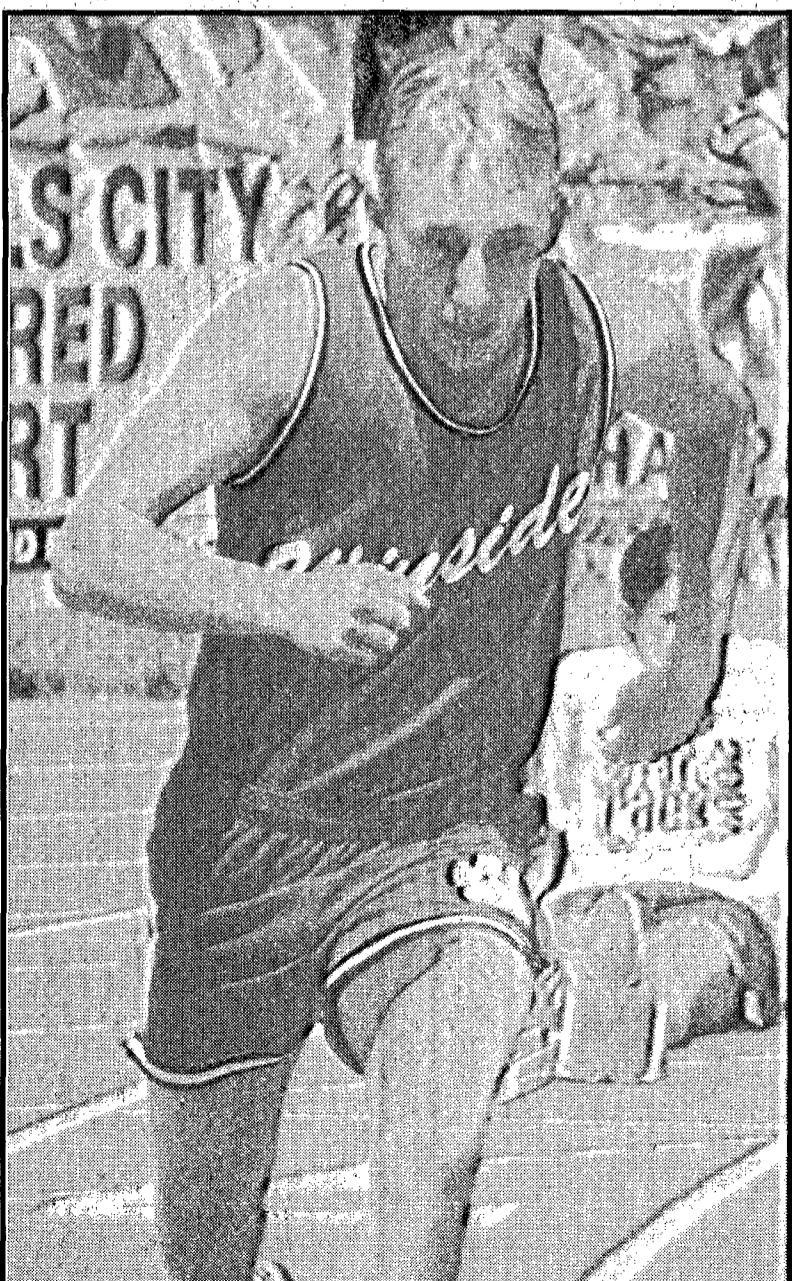

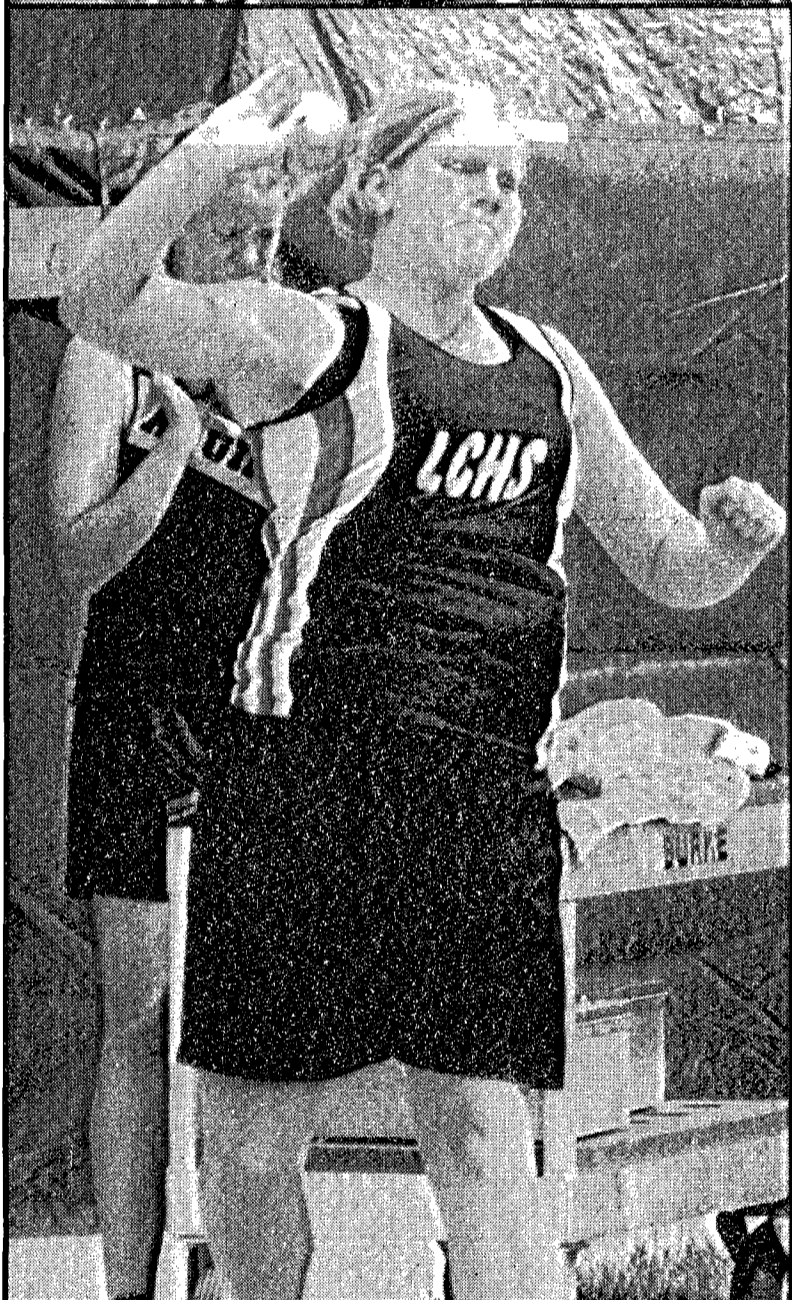

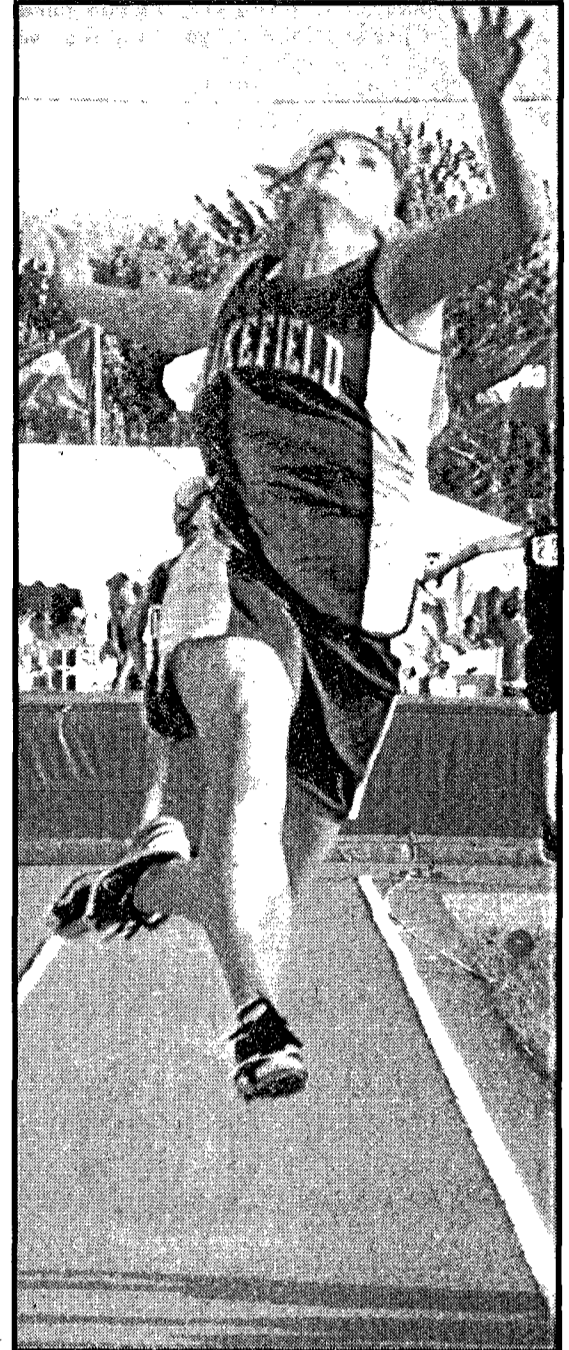

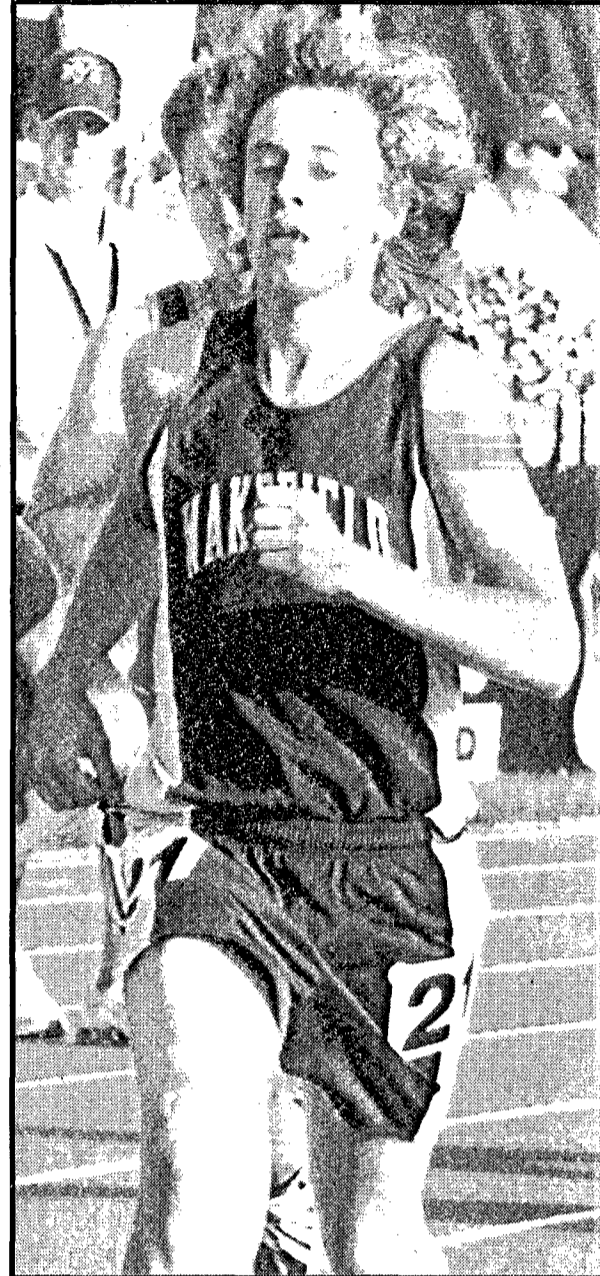

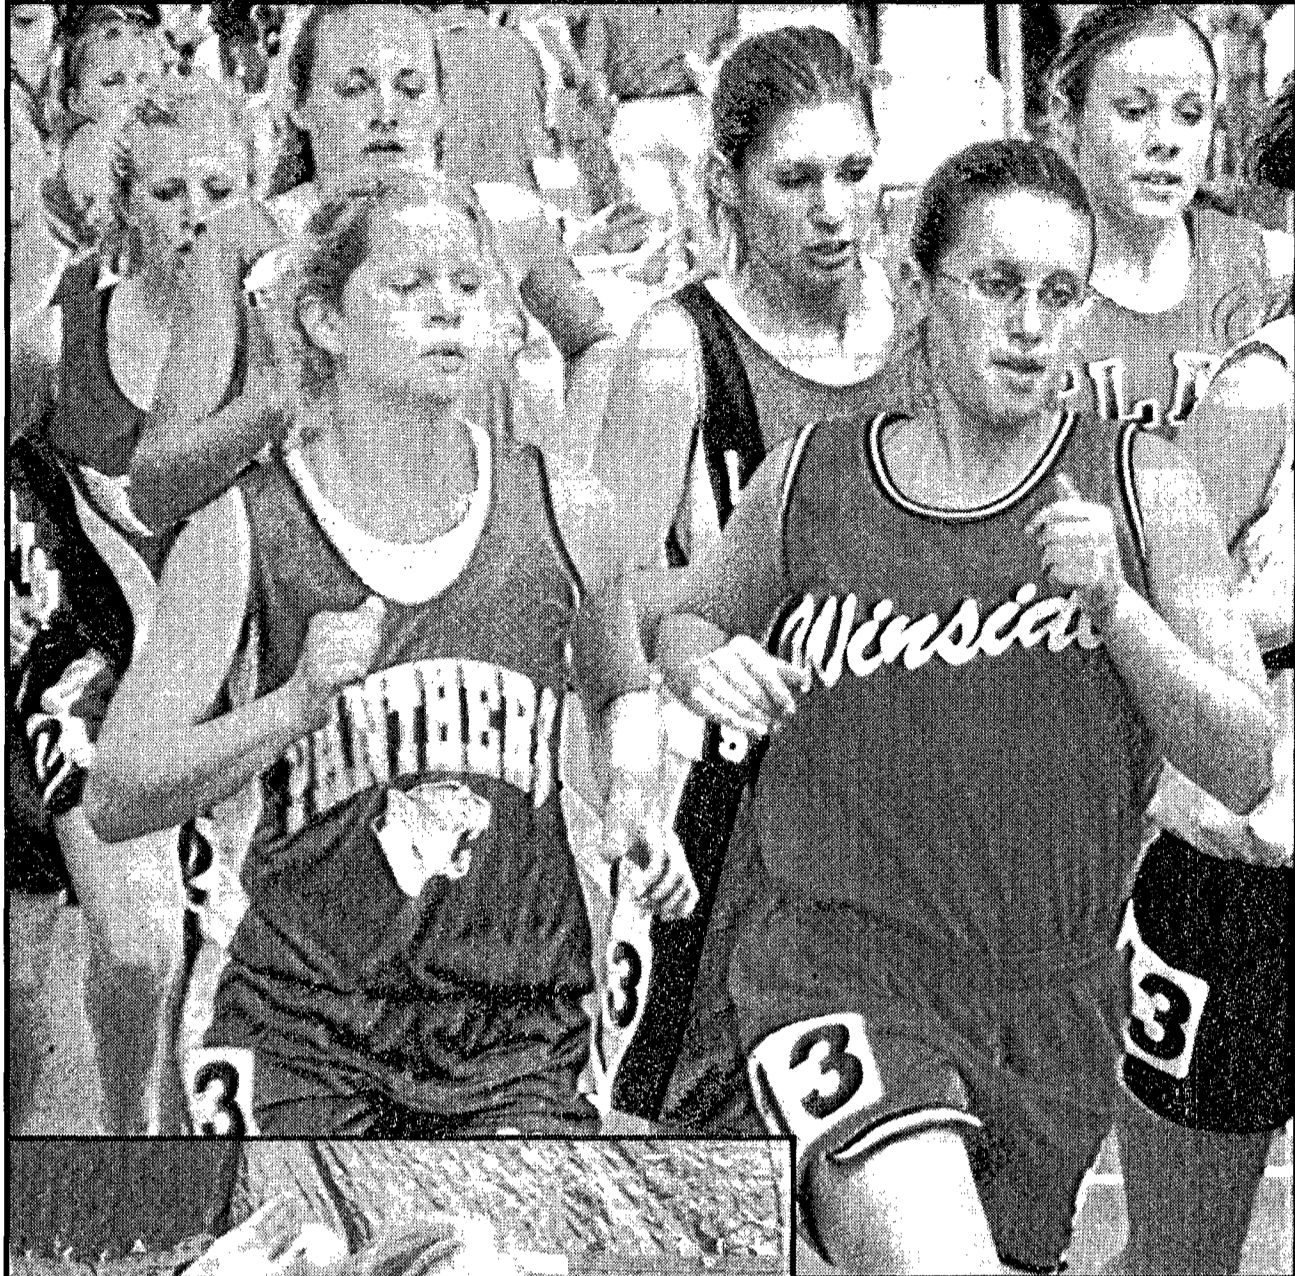

Wayne will wrap up play in the Chuck Ellis Tournament Friday evening with an 8 pm game against Crofton at Overin Field in Wayne. The Wayne Juniors open Ralph Bishop League play on Wednesday, June 2, hosting Wakefield at 6 pm, then travel to Wisner on Friday, June 4.

Keller, Knoell honored on NSIC Awards List

Wayne State College seniors Klinton Keller and Mackenzie Knoell were recently recognized by the Northern Sun Conference for the annual Britton and Kelly Scholar Athlete Awards.

Each NSIC school nominates one male and one female student athlete for the award. The nominees must meet the following criteria: carry a grade point average of 3.2 or better (on a scale of 4.0); evidence of academic excellence beyond the minimum grade point

average (scholarship prizes and other academic recognition); evidence of participation in the life of the institution and evidence of participation in at least two-thirds of the varsity events of the individual's primary sport.

Keller, a senior from Wayne, was a four year letterwinner in men's golf at Wayne State College and represented the Wildcats last month at the NCAA Division II Great Lakes/Central Super Regional Golf Tournament in

Union, Kentucky.

Knoell, a senior from Elkhorn, was a four year letterwinner in women's softball at Wayne State, earning All-NSIC First Team honors in her junior and senior seasons.

Baron Blanchard, a senior

wrestler at Northern State, was named the Britton Award winner while Kristin Peterson of Northern State, a senior cross country and track athlete, was tabbed the Kelly Award recipient. The two student athletes will each receive a \$1,000 post-graduate scholarship.

Miller contributes to Golden Girls

WAYNE—Ally Miller of Wayne had four hits for the Norfolk Golden Girls 14-under softball team while playing at a tournament in Blair last weekend. The Norfolk team went 2-3 in the tournament, beating Ralston 2-1 and Blair 9-3 while falling to Lakeview 11-3, Ralston 6-3 and Blair 6-3.

Wayne girls softball teams open season

The Wayne girls fastpitch softball teams opened the 2004 season with several games last week.

The 18-under team split a doubleheader with the Norfolk Golden Girls last Tuesday evening at the Wayne Softball Complex. Wayne lost the first game in 11 innings 9-

8, but rebounded for a 6-1 win in the second game.

Jenny Raveling laced a triple and single to lead an 11-hit attack in the first game. Kiley Luhr added a double and single while Rachel Robins chipped in with two singles. Dawn Jensen, Ashley Carroll, Erin Jarvi, Micaela Weber and Jessica Jammer contributed one single apiece.

Carroll was the losing pitcher despite striking out seven batters in 11 innings of work. She allowed 10 hits and one walk.

"With the exception of a few errors, we were in control the majority of the game," said Coach Joel Munson. "We look to use this game as a spring board to a successful season."

The second game saw Wayne down the Golden Girls 6-1 thanks to a complete-game pitching effort by Jarvi. She allowed eight hits and had three strikeouts and no walks.

Wayne had nine hits in the game with Raveling and Jensen producing a double and single each. Robins finished with two singles while Carroll, Jarvi and Luhr added singles.

"I was happy with the way the team bounced back," added Munson. "We were able to stay focused and come away with a split in the doubleheader."

The 14-under team split two games at the rain-shortened Yutan Tournament played Saturday.

Wayne edged Wayne in the opener 10-9. Mirisa Carroll led the Wayne offense with a three-run double. Justine Carroll and Caitlin Gustafson each added singles. Samantha Dunklau and Gustafson each scored two runs. Justine Carroll was the losing pitcher and had four strikeouts.

Wayne downed Weston in the second game 6-4. Justine Carroll and Nicole Rauner had two singles each to lead Wayne in hitting. Michelle Jarvi and Mirisa Carroll each scored two runs. Mirisa Carroll was the winning pitcher and had two strikeouts.

The next home games for the Wayne softball teams are: 18-under vs. Scribner May 27 at 7 pm; 12-under vs. Wisner May 28 at 6:30 pm; 14-under vs. West Point June 1 at 6:30 pm; 16-under vs. West Point June 1 at 8 pm; 12-under vs. Norfolk June 4 6:30 pm; 14-under vs. Pender June 4 8 pm and the Wayne Tournament on June 5-6 at the Wayne Softball Complex.

Editor's Note: Softball coaches are reminded to report game results and statistics to the Wayne Herald Sports Department. Our deadline is 9 am Wednesday morning. If you have any questions, contact Mike Grosz at 375-2600.

Wayne High athletes honored at banquet

The annual Wayne High School Athletic Banquet was held May 20 at the WSC Student Center. Two new members were inducted into the WHS Athletic Hall of Fame during the banquet.

Richard Metteer was a coach at Wayne Public Schools from 1975-1993, originating many of the programs he coached.

In 1975, he helped start the girls track program and coached Sidney Mosley to two state championships in the long jump. Metteer started junior high girls track and helped create the Wayne Kiwanis Junior High Invite and the Lions Elementary Track Meet.

He started the girls golf program in 1985 and coached the team until 1993. During his golf coaching career, his teams had individual or team state qualifiers seven times. In 1988, Metteer's team won the State Class B title.

Richard Metteer, who is now retired, lives in Wayne. He is still an avid Blue Devil fan who follows all the teams at every chance.

Gordon Jorgensen competed in athletics at Wayne High School from 1964-68, starring in football, basketball and baseball.

Jorgensen was an all-state football player in his senior season, was the team's leading scorer in basketball during his junior and senior seasons and was a member of the Norfolk Daily News Top 20 and hit over .400 to help his team win the State Baseball Championship in 1968.

After graduating from Wayne State College, Gordon has been coaching high school basketball in Northwest Iowa for 32 years. He was named the Northwest Iowa Coach of the Year in 1989 and 1990 and his teams have qualified for the state tournament in 1993 and 2003.

Numerous special awards were given to Wayne High athletes for their achievements in athletics and in the classroom.

Bryan Fink and Allison Hansen received the Wayne County Law Enforcement Award, awarded to varsity athletes in grades 10-12 who show good attitude, dedication and academic credentials.

Freshman Regan Ruhl won the Terry Johnson Award, given to a ninth or tenth grade female basketball player demonstrating talent, coachability and hard work.

Seniors Karissa Hochstein and Trevor Krugman were named winners of the Scholar Athlete Award based on excellence in the classroom and in athletics.

The Moller Memorial Award recipients were Heath Dickes and Sara Stauffer, given to senior athletes who best exemplify the qualities of sportsmanship, citizenship and scholarship.

Caleb Garvin, Allison Hansen, Ryan Hix and Karissa Hochstein earned the Master Sports Award for participation in three sports for four years.

Molly Hill and Josh Rasmussen were selected winners of the Sportsmanship Award, given to athletes who demonstrate sportsmanlike behavior in competition and practice.

Bryan Fink and Sara Stauffer were the recipients of the second annual Stan Stednitz Memorial Award. The award recognizes off season training, encouraging teammates and efforts above just being a part of the team.

Most outstanding player awards were given to athletes voted on by teammates. Winners included: Boys Cross Country-Bryan Fink; Girls Cross Country-Sara Stauffer; Football-Dana Schuett; Girls Golf-Mary Boehle; Volleyball-Karissa Hochstein; Softball-Molly Hill; Wrestling-Matt Nelson; Boys Basketball-Bryan Fink; Girls Basketball-Karissa Hochstein; Boys Golf-Trevor Krugman; Boys Track-Bryan Fink; Girls Track-Karissa Hochstein.

Jacob receives wish from Make-a-Wish

May 1 will hopefully be a day 9-year-old Jacob Oswald of Martinsburg will remember indefinitely. This was the day that Jacob's wish for a camper was granted through the Make-a-Wish foundation of Nebraska. Jacob wanted a camper so he could spend time with his family doing one of his favorite activities, camping.

Jacob is a bright, outgoing third grader at the Ponca schools. His personality and positive attitude belie the fact that he was diagnosed with a serious brain tumor. Jacob's parents, Lana and Max Oswald report the doctors are monitoring the tumor closely for growth.

Many caring individuals along with Make-a-Wish foundation and Fremont RV Center of South Sioux City made Jacob's wish possible. Numerous donors from area towns contributed to enhancement gifts for his camper. Some of the items donated were camping gear, a Nebraska Park sticker, a portable TV/DVD player, several gift certificates, to name a few.

The generosity of people in making the day special for Jacob was overwhelming. For example, when one of the volunteers was ordering the cakes for the event, a lady overheard the conversation, and approached the volunteer in the parking lot to make a donation.

Another couple was shopping at the camper dealership the day of the wish granting party, and inquired about the Make-a-Wish event. Shortly after, the couple left then returned with

Doug Bras (one of the owners of Fremont RV Center) presenting Jacob with the keys to his new camper.

their own donations, a gift card from an area movie rental establishment and set of camping games.

Two other individuals who had been granted wishes through Make-a-Wish, Ryan Moore and Whitney Profera of South Sioux City, were also present to assist Jacob in celebrating his day. Both Ryan and Whitney continue to volunteer their time to the Make-a-Wish organization.

Jacob's wish was the first that the newly formed Northeast

Nebraska Make-a-Wish volunteer team was able to assist in granting. The team, which was created last fall, currently has 25 members from Allen, Laurel, South Sioux City, Ponca and Waterbury. The team is currently working with two other area children to grant their wishes.

If anyone is interested in joining the volunteer team or in making donations, please call either Jeann and Ned Busser at 402-494-5966, or Mona and Forrest Kramer at 402-638-5912.

This group of eighth grade students at Wayne Middle School recently were awarded President's Awards for their achievements in junior high school.

Eighth graders receive President's Awards

A total of 26 eighth grade students at Wayne Middle School were recently presented with President's Awards for their achievements during their junior high school years.

Those receiving the awards included Micah Agler, Renae Allemann, Erica Brenner, Eric Carstens, Kaitlyn Centrone, Samantha Dunklau, Heidi Garvin, Cory Harm, Jesse Hill, Jennifer Holm, Maddie Jager, Michelle

Jarvi, Shawn Jenkins, and Kendall Jones.

Also receiving awards were Shaun Kardell, Abigail Kenny, Jessica Kranz, Sam Kurpgeleit, Megan Loberg, Elisabeth Lofgren, Maddy Moser, Sheldon Onderstal, Reggie Ruhl, Christopher Sherry, Bill Smith and Max Stednitz.

The President's Award for Educational Excellence is a national award and is presented to

eighth grade students at Wayne Middle School who have met certain criteria, including earning a grade point average of 3.5 on a 4.0 scale for the first three semesters of junior high school.

The recipients receive a certificate in recognition of Outstanding Academic Excellence signed by President Bush, a letter from the President and a presidential seal lapel pin.

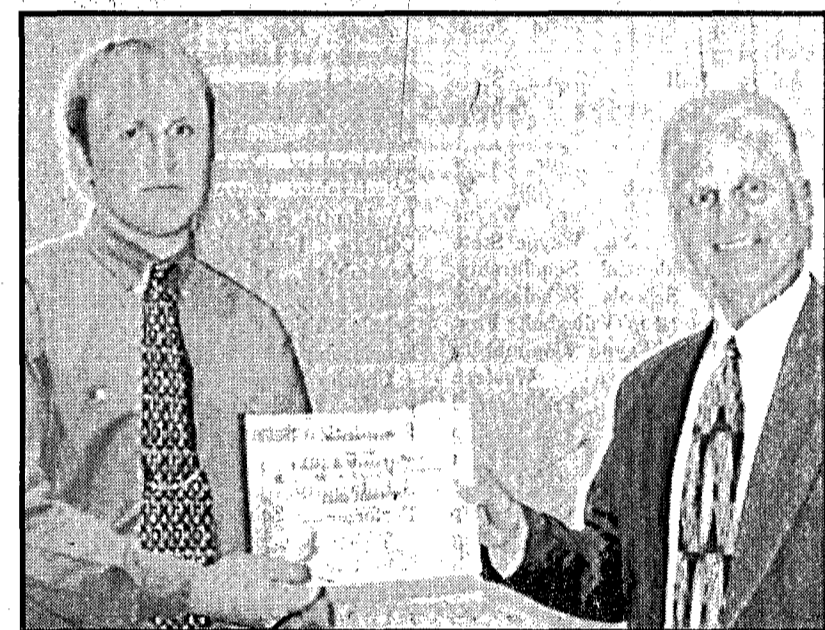

Dale Hansen awarded as scholar at Wayne State

Dale Hansen, a Wayne State College sophomore business administration - accounting major from Wayne, has been awarded the Farmers and Merchants State Bank of Wayne Scholarship for \$500.

The scholarship is awarded to a Wayne High School graduate who is enrolled full-time in business. Preference is given to a business

education major. The recipient must be enrolled full-time with at

least 60 semester hours earned with a minimum 2.7 GPA.

Dale Hansen, left, received the Farmers & Merchants State Bank of Wayne Scholarship. Making the presentation was Tim Keller of Farmers & Merchants Bank.

CTIS award given to Muir and Litel

The First National Bank of Omaha-Outstanding Computer Technology & Information Systems (CTIS) Graduate Award for Wayne State College was awarded to Nicholas Litel of Coleridge, a May 2004 graduate and Nicholas Muir of Wayne, a December 2003 graduate.

The award is given to a student who has demonstrated during his/her undergraduate program those characteristics predictive of success in their chosen field in the judgment of the Computer Technology & Information Systems Department faculty. These characteristics are: outstanding academic achievement in computer technology/information systems, career potential, excellent leadership capabilities, and exceptional personal qualities.

Recipients of this year's award will have their names added to the distinguished list of outstanding men and women selected as the "best" of their class. Recipients received engraved watches sponsored by the First National Bank of Omaha. Litel will graduate with double degrees in Computer Information Systems and Computer Science.

Association for Computing Machinery (ACM) and a peer tutor for the Wayne State College Learning Center for the Computer Technology and Information Systems department.

Muir also graduated with a double degree, awarded in Computer Science and Computer Information Systems. He has been member of Alpha Lambda Delta academic honorary, Circle K service organization, Wayne State College Navigators as head tour guide, Blue Key National Honor

Society, Kappa Mu Epsilon-National Mathematics Honor Society treasurer, a Wayne State College 2002 homecoming candidate and an intramurals participant.

He is listed in Who's Who Among Students in American Universities and Colleges. Muir also participated in the Wayne State Chapter of the Association for Computing Machinery as treasurer and president, as well as helping establish the "Computers for Uganda" service project.

Nick Muir of Wayne, left, was congratulated as outstanding Computer Technology & Information Systems (CTIS) Award by Janell Scardino and Mike O'Neil of First National Bank of Omaha.

Heithold receives recognition for accomplishments

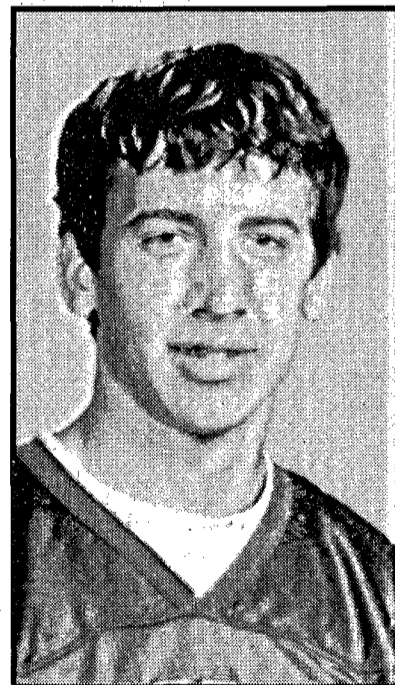

The United States Achievement Academy has announced that Dan Heithold of Wayne has been named a United States Award Winner in Football.

This award is a prestigious honor very few students can ever hope to attain. The Academy recognizes fewer than 10 percent of all American high school students.

Dan, who attends Wayne High School, was nominated for the award by Kevin Finkey, a football coach at the school.

His name will now appear in the United States Achievement Academy Official Yearbook, which is published nationally.

"Recognizing and supporting our youth is more important than ever before in America's history. Certainly, United States Achievement Academy winners should be congratulated and appreciated for their dedication to

Dan Heithold

excellence and achievement," said Dr. George Stevens, Executive Director of the United States Achievement Academy.

The Academy selects USAA winners upon the exclusive recommendation of teachers, coaches, counselors and other qualified sponsors and upon the Standards of Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability and recommendation from a teacher or director.

Dan is the son of Bryan and Mary Heithold of Wayne. His grandparents are Ed and LaVerne Heithold and Don and Dee Goeden, all of Wayne.

Hochstein among candidates for Kansas graduation

Brian Hochstein of Wayne was among nearly 2,000 candidates for 2004, graduation from Kansas State on May 15, 21 and 22.

Hochstein's degree is a Bachelor of Landscape Architecture.

The College of Technology and Aviation kicked off commencement ceremonies on May 15 at the Kansas Highway Patrol Training Center Administration Building in Salina.

Graduate degrees were awarded on May 21 on the Manhattan campus in Bramlage Coliseum, while commencement for the College of Veterinary Medicine was in McCain Auditorium.

Ceremonies on May 22 were on the Manhattan campus.

What's your strategy for rising interest rates?

If you're concerned about the impact of potentially rising interest rates on your fixed-income assets, now may be the time to consider other options. Historically, bonds and other fixed income investments have shown price volatility during periods of rising interest rates.

Now may be a good time to assess your portfolios interest-rate risk and create an investment strategy for rising interest rates.

Important Information for 'Self Read - Self Bill' Customers of the Northeast Nebraska PPD

The NePPD has some of the lowest electric rates in Northeast Nebraska.* One reason costs can be lower is that rural customers read their own meter and figure their own bill. This system works well, except when customers send their bills in late. When the Power District gets a late payment or doesn't get a reading, then the bill must be estimated and our records won't be accurate. Late payments are also subject to a penalty, which customers could avoid. A late payment will result in the customer receiving a notice of disconnection based on an estimated usage. Full payment must be received each month before the disconnect date listed below to avoid a disconnected service.**

As a reminder, here is the billing schedule for the remainder of 2004:

- June 11 - Late payment penalty date and disconnect notices out on estimated bills
- June 17 - Disconnection date for non-payment
- July 12 - Late payment penalty date and disconnect notices out on estimated bills
- July 19 - Disconnection date for non-payment
- Aug 11 - Late payment penalty date and disconnect notices out on estimated bills
- Aug 18 - Disconnection date for non-payment
- Sep 13 - Late payment penalty date and disconnect notices out on estimated bills
- Sep 20 - Disconnection date for non-payment
- Oct 11 - Late payment penalty date and disconnect notices out on estimated bills
- Oct 18 - Disconnection date for non-payment
- Nov 11 - Late payment penalty date and disconnect notices out on estimated bills
- Nov 17 - Disconnection date for non-payment
- Dec 13 - Late payment penalty date and disconnect notices out on estimated bills
- Dec 20 - Disconnection date for non-payment

*Based on the results of the 2004 rate survey performed by the Nebraska Municipal Power Pool
 **Some services are paid annually and do not require a monthly payment

Defective Knee Replacement?

Certain knee prosthesis replacements manufactured since the mid 1990s were improperly sterilized. Consequently, the plastic parts of the prosthesis oxidized and deteriorated. Joint components crumbled, sending dangerous particles into the joint tissue, causing pain, inflammation and joint failure. Instead of lasting a lifetime, some of the joints needed to be removed and replaced in a year or two. If you had surgery to replace a defective knee prosthesis, please call attorney Lee Hollis at 800-701-3672 to find out about your legal rights.

Students from area honored during NECC Recognition Night

Several students from the area were among those honored during Recognition Night at Northeast Community College recently. Those students were Tami Damme, Wakefield; Kim Sudbeck, and Kasey Strivens, both of Laurel; and Erica Cruz, Wayne.

Damme was one of four students who intend to enroll at NECC in the fall and they were each awarded with Board of Governors' Scholarships at the ceremony.

Sudbeck was honored as the ABE Volunteer Coordinator of the Year.

Strivens, Cruz and Damme each received a diploma.

For more information about NECC's Adult Basic Education program, contact Bill Pierson at 844-7254.

Munter receives recognition for accomplishments

The United States Achievement Academy has announced that Adam Munter of Wayne has been named a United States Award Winner in Band, English, Mathematics and Spanish.

This award is a prestigious honor very few students can ever hope to attain. The Academy recognizes fewer than 10 percent of all American high school students.

Adam, who attends Wayne High School, was nominated for the awards by Brad Weber (Band), Sylvia Ruhl (English), Rocky Ruhl (Mathematics) and Tracy Coover (Spanish).

His name will now appear in the United States Achievement Academy Official Yearbook, which is published nationally.

"Recognizing and supporting our youth is more important than ever before in America's history. Certainly, United States Achievement Academy winners should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Executive Director of the United States Achievement Academy.

The Academy selects USAA winners upon the exclusive recommendation of teachers, coaches, counselors and other qualified sponsors and upon the Standards of Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability and recommendation from a teacher or director.

Adam is the son of Jake and Terri Munter of Wayne. His grandparents are Jim and Marilee Thomas and Bonnie Munter, all of Wayne.

SCC awards foundation scholarships

Southeast Community College recently selected the 2004-05 SCC Educational Founder Scholarship winners. SCC Foundation Scholarships are awarded annually to high school graduates enrolling at one of the SCC campuses in Beatrice, Lincoln and Milford.

There were 508 students who submitted applications to the Educational Founder Scholarship selection committee. After reviewing each one, 204 first year scholarships were awarded valued at \$102,000. Applicants must be graduates of a 2004 high school class and must intend to use the scholarships during the 2004-05 academic year.

The scholarships are supported by an annual grant from the Southeast Community College Educational Foundation, the SCC Board of Governors and the tuition remission program. Scholarships are also made possible through individual campus funds contributed by SCC employees and community and business friends of the college.

Jessica Thomsen of Wayne received one of the scholarships.

Lifestyle

The Wayne Herald

Measures should be taken to protect your identity

Most people have seen the television commercials about identity theft. One commercial starts out seeing the face of an older lady who is speaking in a man's voice about the thrill of spending someone else's money. Or, another commercial of a man speaking in a lady's voice also telling what "she" purchased with "his" personal information.

Identity theft is when someone uses another person's personal information, such as a name, date of birth of Social Security number, to get things for themselves. Identity thieves can obtain employment, loans, credit cards, utilities or even purchase a home using someone else's personal information. It is one of the fastest growing crimes, yet many people may not know their identity was stolen for up to a year after it happens.

Identity theft victims may encounter refusal of credit because credit ratings have been ruined. Victim's wages can be garnished because of outstanding bills, or the police may even be looking for a victim of crimes he or she did not commit.

There are a number of ways thieves can steal someone's identity. Stealing a wallet or purse is the most obvious way, but thieves also can find personal information around homes, dorm rooms or apartments through mail left laying around. Information can be gained from phone conversations held in public places or by intercepting cell phone calls. Dumpster diving can reward thieves with information from insurance papers, health records, financial statements, credit card carbons, etc.

Thieves also can use binoculars or cameras (including cell phone cameras) to "shoulder surf" as one is punching in numbers in an

ATM machine. This can be in a crowded public place or as far away as across the street.

Identity thieves can fraudulent-

4-H & Youth

ly attain a credit report by posing as a landlord or employer. Or, they can randomly type in numbers to duplicate Social Security numbers.

Citizens can protect themselves from identity thief by not carrying their Social Security cards with them. It's also important to keep mail private in a safe place in the home, especially if there are roommates or frequent visitors and put a hold on mail if going to be gone for several days.

A payment check in an apartment, street or rural mailbox can be a sitting duck for identity thief, according to the Better Business Bureau. When paying bills, use a Post Office box instead of leaving the envelopes in a personal mailbox.

When shopping on the Internet, use reputable businesses that have a secure and encrypted site. A way to check is to look in the address bar and find an "https" instead of the usual "http."

It's also important not to give personal information over the phone or Internet, unless initiating the process. This especially is important if being contacted about winning a prize and personal information needs to be "re-confirmed." Also, do not give personal information on a public internet site such as a family or class reunion site.

Security also can be increased by checking bills and credit cards monthly. Be sure to call the companies if anything suspicious shows up.

In addition, passwords are important. Fido is a good name for a dog, but a terrible password for a computer or financial accounts. Hackers know that people use common names for their computer IDs and passwords. Use a combination of letters and numbers and change passwords on a regular basis.

Also, be cautious of using public computers at school, hotels or other places to check e-mail. Be sure to "log-off" the computer browser. Internet chat rooms, e-mail and instant messages are other places personal information should not be used.

Be sure to keep the phone numbers of credit card companies in a safe place, so if there is a problem, they can be alerted. For added safety, check credit reports annually from the three different credit agencies — Equifax, Experian and Trans Union. Contact all three because they get their information from different services.

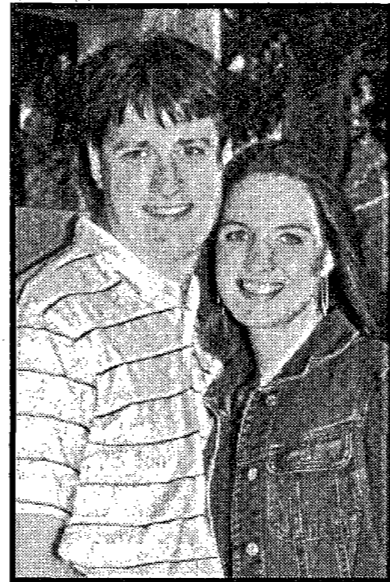

Victims of identity theft should take action immediately by filing a police report and sending the police report to the three credit agencies so they can put a "fraud alert" on the account. Be sure to contact creditors and request being contacted before opening new accounts. Close all credit accounts and request ATM accounts with new passwords and PIN numbers. For more information, contact the Federal Trade Commission at 1-877-IDTHEFT. Other federal agencies also may need to be alerted.

Wayne Methodist Church honors seniors

The Wayne United Methodist Church recently honored high school graduates during Sunday worship and a reception.

Those honored were Brianna Theobald, Cari Sturm, Jessica Thomsen, Sarah Pieper, Sean Peterson, Dan Reinhardt, Sara Stauffer and Marisa Rose, graduates of Wayne High School and Mindy Boeckenhauer and Uli Soeffing, graduates of Wakefield High School.

The Wayne United Methodist Foundation awarded \$500 scholarships to Mindy Boeckenhauer, Marisa Rose and Sara Stauffer. Sean Peterson received a \$250 scholarship and Cari Sturm, Brianna Theobald and Jessica Thomsen \$100 scholarships. These scholarships were matched

by George and Jennifer Phelps Family Foundation.

Sean Peterson received the Jim Sturm United Methodist Men's Scholarship and Marisa Rose the

United Methodist Women's Scholarship. The Joyce Neiman Scholarships were awarded to Sara Stauffer and Marisa Rose by Herb Neiman.

Golden anniversary celebrated

Dr. and Mrs. Gene Bigelow of Hattisburg, Miss. celebrated their 50th wedding anniversary on May 19.

Dr. Bigelow is a former education faculty professor at Wayne State College. Carolyn was secretary for Student Services during her tenure.

The Bigelows moved to Wayne in the fall of 1969 and both retired from WSC in 1991. Dr. Bigelow had taught secondary education, coached and was Superintendent of Schools in South Dakota prior

to accepting a position at WSC. His retirement culminated a 40-year career in the field of secondary and higher education.

Upon retirement, the Bigelows moved to Rapid City, SD. In 1996, they relocated to Hattisburg to be near their only son, Dr. Tod A.

Mr. and Mrs. Bigelow

Bigelow, his wife and their only grandchildren, Drew and Brooks Bigelow. The couple also has one daughter, Teri G. Nuss, who lives in Omaha.

The Bigelows will celebrate their 50th anniversary with relatives, friends and former colleagues in the Black Hills of South Dakota in mid-July followed by a trip later in the fall.

Place survives storm

As we surveyed our yard on Sunday morning, and watched the news on TV, we just thanked God that the wind had "passed over" us. We didn't have as many tree branches as we often do. When I drove to Elmwood that afternoon, I saw where the power failure was: at least a dozen poles off, snapped in two.

We didn't even experience that.

On Monday morning, my lifelong neighbor on the farm at Waco called to inquire if we had damage, saying that if we did, he would recruit some help and come and assist. That brought tears to

The Farmer's Wife
By: Pat Meierhenry

my eyes, as did the coverage at Hallam last evening. Lines of cars and pickups waiting to get into the town; many who lived there, many who did not but were there to help. As Pat Persaud said, "It's the Midwest way." Actually, I think it's the human way; look at what happened after 9/11.

I wish we could always focus on our humanitarian instincts, instead of the baser ones that

seem to be inside each of us. When I wonder how the abuses that occurred in the Iraqi prison could happen, I have to remember things like a gay man tied to a fence in Wyoming, a black man dragged behind a truck in Texas, high school kids beating a classmate in Omaha with fellow students looking on, and I shudder.

I try not to watch much footage of the situation in the East; I read about it instead. But I have to wonder why they celebrate soccer victories and weddings by shooting in the air. It is a culture that is so foreign to most of us.

I just finished a little book called "The Germans in America". It appears they began coming across as soon as the English did, and some of those voyages were pretty awful. And their industriousness and ingenuity were welcomed until World War I. Then, they were looked upon with suspicion. And there were a lot of cases of abuse then, too, most of it unwarranted. In fact, orchestras stopped playing music by Bach, unbelievable as that may seem.

Our guest this past weekend had German ancestors in Ohio, in the mid-1800s. He said his family was actually divided during the war, some supporting the Kaiser.

I've been told that the "yankee" folks around Waco suspected that the German Lutherans were sending messages by short-wave radio from their church steeple to Germany! We humans are a gullible bunch.

Let's hope for sunshine and nice weather for the upcoming weekend. Happy Memorial Day.

Soybeans and planting dates are discussed

Research has indicated that the best yield potential for soybeans is having the beans planted from mid-May to early June. Once the middle of June time has been reached, it is time to switch to mid-season varieties of soybeans.

In the northeast part of Nebraska, this means switching to the mid-season, 2.5 maturity group of beans. Yield potential can be reduced the longer the planting date is delayed into June as compared to May. Soybeans are regulated in growth by the length of day, so the later planted soybeans will usually be shorter than normal resulting in possible reduced yields.

Soybeans can be planted up to the middle of June with no significant reduction in yield in most

cases. The weather has a great impact on yield throughout the growing season so a decision to change maturity groups can be delayed until the middle of June.

Del Hemsath
Extension Educator

A concern each year is bean leaf beetle infestations throughout the year and the damage caused directly by the beetle. Bean leaf beetles over winter in Nebraska in soybean residue or leaf residue in woodlots. They become active early in the year and are found in alfalfa prior to soybean emergence. There are two generations of beetles per year with one generation emerging in late June to early July. The second generation emerges in mid August.

The pod feeding beetles are most likely to cause economic damage. Early planted soybeans often have the highest population of beetles and suffer the most damage. Economic damage is based upon defoliation percent, the younger the plant, the more damage it can withstand and recover to produce normal yields. Tables are available to determine whether or not control is economical.

Another reason to monitor the beetles is because they carry the Bean pod mottle virus that has been a serious problem in Iowa. Guidelines for Nebraska producers are still being evaluated for determining the economic level for control.

For more information about bean pod mottle virus contact the local extension office.

Shelby and Blaine Meyer and Casey and Levi Lange gave a demonstration on their rocket projects. They showed the rockets before and after the project was done and talked about various information they learned as they did the project. They also talked about what was expected of the project at the county and state fair.

The next meeting was scheduled for April 18 for the roadside cleanup with a short meeting to follow.

On April 18 the Blue Ribbon Winners met on the highway for roadside cleanup with 25 members present. Roads were cleaned and discussion was held on the fundraiser. The 4-H members were reminded that the next meeting will be in June at the Fun Day with the fair information being discussed.

The Family Fun Day will be held Saturday, June 19 at the Sioux City Explorer's baseball game. Anyone not receiving information is asked to contact Kathy Meyer at (402) 286-4537. The plans include a tailgate party at 5:30 p.m. with a short meeting and then the game at 7:05 p.m.

The Blue Ribbon Winners 4-H Club met March 15 at the Winside Legion Hall with 34 members.

The group talked about the old business that included Bake 'n Take 'Days' on March 26-27. Livestock ID's are to be turned in. Any 4-H member who needs to have fair changes done needs to turn them in to Sherri Schmale.

The 4-H Council is asking for

ways to make the food stand more efficient.

The April 18 meeting is the highway clean up. Members are asked to help with the Carroll Auditorium Fundraiser, which will be held May 8. The group decided it would be one of the community projects.

Kathy Meyer suggested the club go to Sioux City, Iowa for the Explorers baseball game on June 19 for the Club Fun Day with more details to follow.

Cost-share funds available to seal abandoned wells

With increasing concern for the quality of our groundwater supply, now is the time to seal abandoned wells.

"Abandoned wells that aren't properly sealed can provide a direct path for contamination to reach groundwater. Pollutants from the surface such as fertilizers, pesticides, livestock waste, and other chemicals may travel directly into an aquifer," said Ken Berney, Lower Elkhorn Natural Resources District (LENRD) Assistant General Manager. He added, "These contaminants can then move with the natural groundwater flow and may show up in public or private wells used to provide drinking water."

To prevent these problems, Nebraska state law requires abandoned wells to be properly plugged, a procedure technically known as "decommissioning." The proper plugging of abandoned wells takes time and money. Therefore, the LENRD offers financial assistance through a cost-share program to properly seal abandoned wells.

The procedures are as follows:

- Landowners should contact their local Natural Resources Conservation Service (NRCS) office for the application forms.
- The application and a completed well sealer's price quote form are submitted to the LENRD.
- The work may not be done until after the LENRD has approved the application.
- After the well is sealed, the land-owner will submit the contractor's bill to the local NRCS office to be certified to the LENRD.
- Upon receiving certification from NRCS, the LENRD will reimburse the well owner 75% of the cost of sealing -- up to a limit of \$500 for drilled wells or \$700 for dug wells.

The LENRD also receives funding from the Nebraska Water Well Decommissioning Fund which utilizes a portion of new well registration fees. Landowners within the LENRD with abandoned wells are urged to sign-up by contacting their local NRCS office.

HOSKINS GARDEN CLUB

Five members of the Hoskins Garden Club met at the Fenske corner on May 20 to go to Norfolk to purchase flowers to plant in the village flower garden and barrels. After having lunch, they returned to Hoskins to do the planting. Another member and a young helper came to assist.

The next meeting will be June 24 at 1 p.m. at the Hildegarde Fenske home.

RECEIVE SCHOLARSHIPS

Katie Behmer and Jena Hoffman were recipients of the Ezra Jochens Memorial Scholarships. The scholarships were awarded Sunday, May 23 at Peace UCC Church, rural Norfolk.

Katie Behmer will be attending

Wayne State College and Jena Hoffman will be attending the University of Nebraska at Lincoln this fall. Each award is \$500.

HOSKINS SENIORS

Hoskins Senior Citizens met May 18. Pitch was played. Winners were Betty Andersen, Lucille Krause and Ramona Puls. Everyone contributed to the refreshments. The next get-together will be on June 1.

OUT-OF-STATE GUESTS

Guests at the Dennis and Ramona Puls home between May 13 and 18 were Darwin and Deanna Puls of Gainesville, Ga. and Denise and Gary Morton of Perth Amboy, N.J. They came to attend Stacey Gnirk's graduation from Winside High School. Stacey is the daughter of Reg and Diane (Puls) Gnirk, granddaughter of Dennis and Ramona.

May is Community Action Month

The Association of Nebraska Community Action Agencies is celebrating the 40th anniversary of community action against poverty. Mike Johanns, Nebraska State Governor proclaimed May of 2004 Community Action Month. The Governor would like all citizens to recognize and acknowledge the important work of our state's community action agencies. He believes that it is important to continuously expand the economic, social and educational opportunities available to all segments of Nebraska's population.

Goldenrod Hills Community Action (GHCA) headquartered in Wisner is one of nine community action agencies in Nebraska. Due to identified needs of residents in the 14 county service area and successful outreach efforts, the GHCA manages 23 different programs and serves 10,000 clients a year with an annual budget of over \$8 million dollars. The growth and successes of GHCA programs are astounding. The numbers speak for themselves, the following are a few examples:

- Weatherization program has served 627 people in 223 homes.
- WIC has grown from a few hundred clients to over 5,000 served during a year.
- Head Start has gone from two centers in one County to 400 children from 13 counties.
- The Family Services Program has served over 300 homeless or near homeless families last year.
- Commodities has gone from very few clients to over 1,200.
- Over 26,000 referrals were made to help families work toward self-sufficiency Goldenrod Hills Community Action (GHCA) programs include the Commodity Supplemental Food Program; Family Services; Every Woman Matters; Immunization; Weatherization; Head Start;

Women, Infants, and Children Nutrition; Lead Screening, Public Health Nursing, Early Intervention, Child Services Coordination, Diabetic Screening and Education, Well-Child Checks and Spanish Translation. The agency strives to fill gaps as well as work with agencies to combat poverty, promote self-sufficiency and improve quality of life for residents in Northeast Nebraska. Collaborative partners are too numerous to list, but include health departments, mental health, clergy, community groups, state and federal agencies, cooperative extensions, colleges, schools, private foundations, Health and Human Services, physicians and housing authorities.

The agency serves Knox, Antelope, Pierce, Madison, Stanton, Cuming, Thurston, Dakota, Burt Wayne, Dixon, Cedar, Washington, and Dodge counties. For more information on GHCA programs, call 1-800-426-8855.

Winside Legion Auxiliary meets

The American Legion Post 252 Auxiliary met on May 10 at the Winside Legion Post. President Pat Miller presided.

Plans were finalized for the Memorial Day dinner on May 31. Serving will be from 11 a.m. to 1 p.m. There will be a main entree, potatoes, corn, salad bar, rolls and dessert for a donation of \$6.50. Members are needed to furnish salad and help with serving.

Poppy Day will be May 22. Election of officers will be at the June meeting. Poppy wreaths were made for the veterans graves. June hostesses will be Kim Sok and Arlene Willis.

Busily planting the flowers in the Hoskins village flower bed are, left to right, Christine Lueker, Lorraine Wesely, Christine Fuhrman, Marilyn Hill and Shirley Mann.

Fat Facts

Everyone is talking about low-carbs and low-fat. The fact is that not all fats are created equal. Watch out for saturated fats and trans-fats (also called hydrogenated). These are found in red meat, dairy, coconut and palm oils, margarine and commercial baked goods. Instead, use monounsaturated fats found in olive, peanut, canola and avocado oils. Monounsaturated fats help lower LDL (bad) cholesterol. Try polyunsaturated fats found in corn, sunflower, soy, safflower or cottonseed oils. These fats help lower LDL too, but they are more susceptible to detrimental chemical changes that may contribute to the risk of some diseases.

Doane College awards degrees

Doane College commencement exercises were held May 16 in Cassel Open Air Theatre, awarding 415 undergraduate and 275 graduate degrees.

Sunday morning keynote speaker for the Lincoln campus undergraduates and the college's graduation programs, was Dr. Frederic D. Brown '59, Doane College president.

Exercises for Crete campus students took place in the afternoon. Speaker for that ceremony was Dr. Jane Renner Hood, executive director of the Nebraska Humanities Council.

Doane College is a four-year comprehensive institution that emphasizes liberal arts education. More than 3,200 undergraduate and graduate students are enrolled at the college's Crete and Lincoln campuses.

Stacey Beckman of Allen received a Bachelor of Arts in Psychology.

Seniors from area among many receiving scholarships from UNL

A number of students from area high schools were among many who received scholarships from the University of Nebraska - Lincoln. There were 2,628 scholarships awarded to Nebraska high school seniors.

Following is the list of local students who have been awarded scholarships as well as the college or division they are enrolled in and their intended academic major and type of scholarship(s) awarded.

Wayne: Mary Boehle, Arts and Sciences, pre-medicine, Canfield; Deron Connolly, General Studies, undeclared, Canfield; Brady Garvin, Arts and Sciences, computer science, Honors Program; Jacob Kay, Business Administration, marketing, Canfield; Trevor Krugman, Engineering and Technology, mechanical engineering, Honors Program, Canfield; Sheila Meyer, Agricultural Sciences and Natural Resources, horticulture, Regents, Honors Program; Brianna Jo Theobald, General Studies, undeclared, Canfield.

Winside: Adam Pfeiffer, Business Administration, accounting, Canfield.

Wakefield: Luke Hoffman, General Studies, undeclared, Canfield; Megan Jensen (Wayne), Agricultural Sciences and Natural Resources, agribusiness, Canfield; Dario Vazquez, Engineering and Technology, computer engi-

neering, Nebraska Top Scholar, Regents.

Hoskins: Stacy Gnirk (Winside), General Studies, undeclared, Canfield.

Laurel: Brenton Hoising, (Laurel-Concord), General Studies, undeclared, Canfield; Kristen Koch (Laurel-Concord), Arts and Sciences, political science, Nebraska Top Scholar, Regents, Honors Program; Ashley Patefield (Laurel-Concord), Business Administration, actuarial science, Nebraska Top Scholar, Regents, Honors Program.

Dixon: Tiffany Erwin (Laurel-Concord), Education and Human Sciences, pre-elementary education, Canfield, Pepsi.

Carroll: Sara Hank (Wayne), Arts and Sciences, pre-medicine, Canfield; Kari Hochstein (Wayne), Business Administration, finance, Nebraska Achievement (tuition).

Regents Scholarships are among the most prestigious awards granted by UNL. They pay tuition for full-time students (equivalent to a cash value of approximately \$18,000 over four years) and are renewable annually for those who maintain a cumulative grade-point average of at least 3.5 on a 4.0 scale or ranking in the upper 25 percent of their class in a degree-granting undergraduate college while enrolled full-time (at least 12 credit hours per semester). The scholarships are awarded based on the student's high school class rank and ACT or SAT composite score.

The students who were selected as Nebraska Top Scholars will receive at least \$1,500 per year in additional scholarship awards from the university or the University of Nebraska Foundation, provided they meet renewal criteria each year.

Nebraska Achievement Scholarships are in their second year and are based on academic achievement, admission test scores, information in the student's Free Application for Federal Student Aid and the university's desire to enroll a diverse student body. Twenty-five of the scholarships were for tuition with the

other 106 offering \$1,000 per year. The scholarships are renewable for four years provided continued eligibility conditions are met.

David Distinguished Scholar Awards offer full-time students \$1,000 annually for up to four years if they meet the same renewal requirements as with Regents Scholarships. David Distinguished Scholarships are funded from a trust established in 1973 by the late Adrian H. David, a former Minneapolis attorney, in honor of his parents.

Honors Program Textbook Scholarships are awarded to students who qualify for and participate in the UNL Honors Program and pay for the student's required textbooks. If maintained for four years, the scholarship provides approximately \$2,500 in additional support.

Canfield Scholarships, named for the chancellor who led UNL to a position of national prominence in the 1890s, offer full-time students a one-year award of \$1,000.

Members of the Chancellor's Leadership Class are awarded one-year scholarships of \$1,000. The award was created to recognize and reward students who have excelled both academically and in leadership roles in school and community activities. Members must be full-time students and participate in scheduled Chancellor's Leadership Class activities.

Pepsi Scholarships are one-year, \$1,000 grants to full-time students who participate in scheduled weekly leadership development seminars that focus on volunteer service. The award recognizes students who understand the importance of volunteerism and have demonstrated leadership and dedication in working to improve their communities.

An individual student can qualify for one Regents, Nebraska Achievement, David Distinguished or Canfield scholarship, Honors Program Textbook, Pepsi and Chancellor's Leadership Class scholarships may be combined with other awards.

Plant Market tour

Wayne Head Start traveled to the Plant Market for a tour of the greenhouse. Dianne Jaeger lead the tour and let the preschoolers plant their own flower to take home. Each child took home a marigold. She also showed them the giant fertilizer container that feeds all of the plants when they water them. Dianne showed the children how plants have roots and take in water through them in order to live.

Wical promoted to supervise operations

Chip Wical has been promoted to the position of natural gas operations supervisor for Aquila in the Norfolk region. Previously, Chip was the company's lead service technician in Wayne.

"Chip's commitment to safe, reliable service and his previous experience at Aquila made him the right choice to supervise field operations and customer service in this region," said Scott Zaruba, operations manager for the northern region for Aquila. "Chip understands the expectations of customers and brings with him the experience of meeting those expectations."

The Norfolk area includes 25 communities served by Aquila in Northeast Nebraska including Norfolk, Wayne and West Point. His management role will include customer service, construction

and maintenance activities. Wical joined Aquila in 1983 in Grundy Center, Ia., as a service technician. Chip has held various assignments with Aquila in Nebraska.

Chip and his wife, Cathy, will continue to reside in Wayne. They have two children. Chip is an

active member of the Wayne Lions Club.

Aquila serves 190,000 customers in Nebraska. Based in Kansas City, the company provides electricity and natural gas service to 1.3 million customers in Missouri, Kansas, Colorado, Michigan, Minnesota, Iowa and Nebraska.

Two from area among associate degree nursing students honored

Wakefield Community School graduates Maria (Mrs. Fredy) Andrade, daughter of Jose and Loretta Contreras, and Nicole (Mrs. Isaac) M. Voss, daughter of Kathy Hansen of Norfolk and Gary Hansen of Wakefield, were among Associate Degree Nursing (ADN) students at Northeast Community College who were

honored recently at a Pinning Ceremony for completing their Northeast course of study.

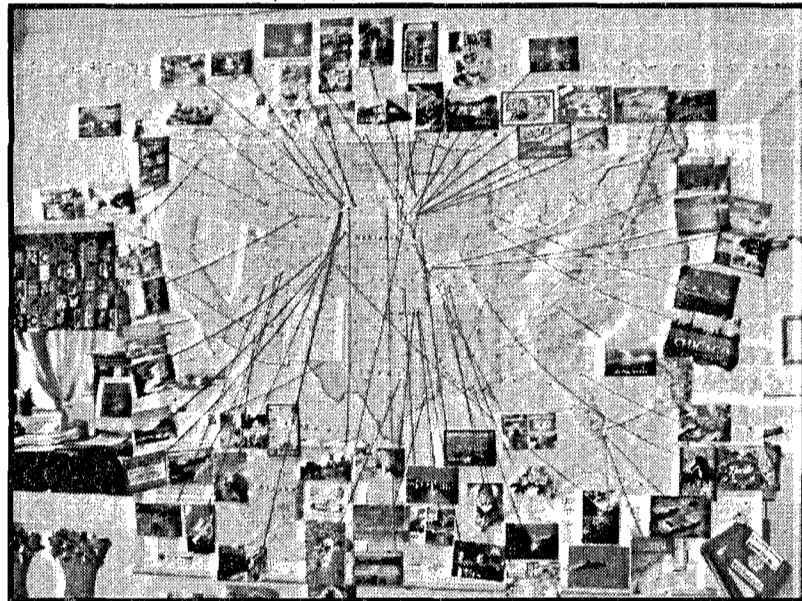

Each nursing school, at every level of education, has its own unique pin which is worn on the nursing uniform. The nursing school pin that graduates of the NECC Associate Degree Nursing program receive is symbolic of nursing's heritage and tradition. It was designed in 1992 by the faculty of the first NECC Associate Degree Nursing graduating class.

Upon completion of Northeast's Associate Degree program, graduates are eligible to take the National Council of State Boards Licensure Exam (NCLEX-RN). Satisfactory performance on this examination earns qualification as a Licensed Registered Nurse.

Midland Lutheran confers 193 degrees in May 22 ceremony

Midland Lutheran College President Dr. Steven Titus conferred degrees upon 193 graduating students during the spring 2004 commencement at 10 a.m. on May 22 in Hopkins Arena on the Midland Lutheran College campus.

Students from the area receiving their degrees from Midland Lutheran College include Heidi Dicks of Wayne, BSBA, Business Administration; Amy Hancock of Winside, BA, Human Services; Kala Henschke, BSBA, Business Administration, Economics, and Erin Salmon, BSBA, Business Administration, Economics.

Learning about the world

For the month of April and May, Wayne Head Start traveled around the world for their Literacy Challenge. Parents and their children contacted family and friends living in other areas to send the school a postcard from where they are from. Over 85 postcards were received from around the world including postcards from London, Singapore, Thailand, Germany, and Japan as well as many from in the United States. It was a great experience for everyone at Head Start. The elementary school gave Head Start a big map to borrow of the United States to mark all the places postcards were from.

A number of area graduates are named to NECC dean's list and president's list

A number of students attending Northeast Community College were named to the Dean's list, President's list recently. Those students are:

President's Honor List - full-time: Jason Beiermann, Wayne; Pamela Nissen, Carroll; Kimberly Doffin, Jeff Hellbusch, and Peter Maas; all of Hoskins; and Jeffrey Brown, Laurel.

President's List - part-time: Lynne Allemann and Karen Holm, both of Wayne; Chad Carlson and Barbara Stenwall, both of Winside; Anthony Hansen, Concord; Brandi Fuchs and Jeffrey Karella, both of Hoskins; Sandra Cross of Laurel.

Dean's List - full-time: Christopher Woehler, Wayne; Jennifer Haglund, Christopher Henschke, and Jason Simpson, all of Wakefield; Jesse Swanson, Laurel; Michael Hawkins, Rebecca Krause, and Melissa Buresh, all of Hoskins.

Dean's Honor List - part-time: Jeremy Dorcey and Chad Metzler, both of Wayne; Erin Troyer, Laurel.

To be named to the President's Honor List, students must earn a perfect grade point average of 4.0 and be enrolled for at least 12 credit hours. Some 131 students

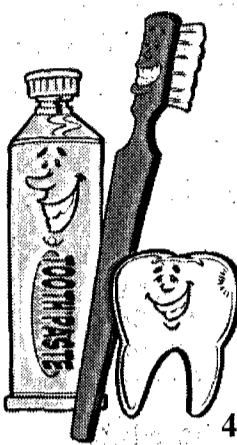

made the President's Honor List this spring semester.

Students named to the Dean's Honor List must have earned a grade point average of 3.75 or above and be enrolled for at least 12 credit hours. One hundred ninety-four students were named to the Dean's Honor List.

Some 106 students named to the President's Part-time list attained a 4.0 grade point average while taking at least six credit hours; and 48 students named to the Dean's Part-time list earned a grade point average of 3.75 or above while taking at least six credit hours.

Attention Rural Carroll Residents!

High-speed Internet may be coming to your area!

What are high-speed Internet's advantages?

- Fast access - Up to 36 times faster than the typical dial-up modem
- E-mails are sent and received quicker
- Instant Internet access - No time-consuming connection process
- Doesn't tie up a phone line
- Great for anyone who works at home!

Do the residents of rural Carroll want high-speed Internet? HunTel.net, the Carroll-area's local Internet service provider, wants to know! We're hosting a public meeting to hear from our customers.

7:30 p.m. on Tuesday, June 8

Carroll City Auditorium

All rural residents of Carroll are invited.

Representatives from HunTel.net and the Eastern Nebraska Telephone Company will be on hand during the meeting to listen to our customers and answer questions about this powerful service. If we determine that our customers want high-speed Internet access, we'll begin installing the equipment needed to bring the service to rural Carroll.

If you can't make the meeting, but are still interested in the service, please contact us. For more information about high-speed Internet access, customers are always invited to contact us or visit our web site.

THANK YOU

We wish to thank everyone who brought food, memorials, cards, phone calls, visits, food donations, it all eased the hurt. I don't think of Ernie as gone away, his journey has just begun. Life holds so many facets this earth is only one. Just think of him as resting from the sorrows and the tears in a place of warmth and comfort where there are no days and years. Think how he must be wishing that we could know today how nothing but our sadness can really pass away and think of him as living in the hearts of those he touched for nothing loved is ever lost and he was loved by so many. I miss you honey.
